

Deadline Near For ASC Vote On Committee

Farmers were reminded today that Friday, Sept. 22 is the last day for voting in the election of the ASC committee.

Ralph Richardson, county of farm manager, Agricultural Stabilization and Conservation Service, explained that ballots were mailed September 12 to all eligible voters of record. They must be returned to the ASC county office by mail or in person not later than September 22.

Qualified voters in the election are all farmers and ranchers who are eligible to take part in one or more of the farm programs which the committee administers. Lists of eligible voters in the county are available for public inspection in the ASC county office.

Anyone who believes that he is eligible to vote but who has not received a ballot is urged to get in touch with the ASC county office immediately.

Manager Richardson urges farmers to be sure to sign the statement on the back of the outside envelope containing the ballot for the committee vote. This statement is a certification that the ballot was given to the farmer personally without undue influence by any person.

THE STORES WHO CALL THEMSELVES "DISCOUNT FOOD STORES", advertise boldly that . . .

1. They don't give their customers Trading Stamps.
2. They don't offer Popular Customer Promotions.
3. Some even admit that they have REDUCED Customer Service.
4. They no longer offer "Advertised Specials" on any item.

Not even on popular, staple items such as Coffee, Shortenings, Detergents, etc., which always represents big savings of 20 to 30 cents and more per item.

The "Discounters" say they have taken the savings (7) from all these things which they cut out, to reduce the everyday price of 6,000 to 7,000 items. That's stretching these savings pretty thin, don't you think? It would seem that with only this fractional savings on each item, it would take an awful lot of cans of beans to add up to the 30¢ saved on only one pound of coffee. (Which you needed anyway.)

WINN-DIXIE/KWIK CHEK DOES NOT "DISCOUNT" YOUR FOOD DOLLAR.

We believe in giving our customer a "Full measure" of savings with . . .

1. Regular Low Shelf Prices Throughout the Store Every Day.
2. Advertised Specials Every Day on Select Items Which Offer Big Savings of 20 to 30 Cents or More On Each.

It's been replaced.

For the 1968 consecutive year, we've replaced the bug. Volkswagen bug. To those of you who expected something fancier, sorry. (The '68 looks just like the '67 except out there.) To those of you who have seen a VW, congratulations! (Once again your model has "figured out of style.") To those of you who've been thinking about buying a new one, nice thinking. And there we are, a wonderful job of proving ourselves wrong.

'B' Squad Wins First Game: Will Play Here Tonight

Coach Larry Pickens' Avon Park "B" squad took an exciting 14-0 win from the Fort Meade jayvee team last Thursday night here at Memorial Field.

The junior Red Devil's first touchdown was set up late in the first quarter when House Goshen recovered a Ft. Meade fumble on Avon Park's 25 yard line. The Devil "Beast" were thrust back to their own

eighteen yard line on their first play but on the second play, House Goshen dropped back and a halfback Dennis Hart, had took the pass in and raced the remainder of the 82 yards for the score. End John Hamilton cleared the final pathway for Hart with a block that stimulated two of the Ft. Meade defenders at one time. Steve Hart (numbered through the line for the extra point to put the Avon Park team out front

2-0 at halftime.

Late in the final quarter Avon Park scored again. A determined run by House moved the ball to the 35 yard line after a twenty-five yard run and then Steve Hart took it on fire. The score on the next play, Lorenzo Nelson, Avon Park's fullback, made the extra point good with a power play through the line.

The game ended with an apparent safety for Avon Park as they tackled the Ft. Meade ball carrier behind his own goal line but the officials ruled the play ended before the safety was made and the final score stood 14-0 for the Avon Park eleven.

Tonight (Thursday) the Avon Park "B" team will host Warhalla here at Memorial Field at 7:30 in what promises to be another exciting game with plenty of offensive action.

Dennis Hart had a 90-yard touchdown run nullified with a penalty early in the game last week and several long runs were called back during the game as the local boys jumped off sides or attacked in motion too soon. The defense's play of the young boys was impressive as they held the Fort Meade team scoreless.

Ex Red Devil star Wayne Lemley coached the backfield on the Devil "B" squad. Boys who saw action last week were: John Hamilton, Clark Jackson, and House Goshen; tackles Randy Ward, Danny Abbotson, Quentin Adkins, and Mike Beck; guards Wesley Turner, Gary Jenkins, and Danny Wood; center, Ricky Moore and Winkle Hall; half backs Steve Hart, Dennis Hart, Wayne Moore, Harvey Jones; and fullbacks Lorenzo Nelson and Albert Moss.

To some of many years ago
the play, Our Town, written
by Thornton Wilder, was a
great departure from the nor-
mal piece of drama. It was a
thrilling experience to witness
the tale put in, and to produce.
Mr. Wilder has written a new
novel. The story of The Eighth
Day involves the lives of two
families, the John Ashleys and
the Brockmages. Lansing.
Although the tale begins in
1912 with the murder of Mr.
Lansing, the manager of the
Coal Mines and with Mr. Ash-
ley, Mr. Lansing's assistant,
his conviction, death sentence,
and unexplainable escape, the
unfolding of events flash back
to the 1880s and up to 1960.
When you remember the
unique production of Wilder's
Our Town you are not surpris-
ed at his method of analyzing
each member of the two fami-
lies, none of whom are just
ordinary people.

In the telling, the murderer
is finally revealed and we have
a glimpse into the lives of the
children's children. This is a
fine tale well told.
