What Is Legal Control??

Legal control ONLY controls sales. NO law can control the damage done by Liquor. NO good can come from making Liquor more accessible, more attractive to the young and weak among us.

Can You Picture Decent People Voting

for a product that does the harm that Liquor does?

The TAXES received from liquor is eaten up many times over by increased costs of government in law enforcement, providing for indigent caused by liquor, Welfare help for people made poor by misuse of liquor and many other costs caused by the use of Legally Controlled Liquor sales.

Legally controlled sales destroys many jobs because liquor destroys the usefulness of the man or woman on the job. Homes are destroyed because LIQUOR causes unbearable problems in homes that would stay together except for the damage done in the home by the use of legally controlled sales of liquor. Legally controlled sales to MANY individuals causes them to loose control of their abilities and CHARACTER therefore their lives are ruined and out of control.

The LIQUOR industry insists on everyone drinking but in moderation. They know full well and so does our committee for LEGAL CONTROL know that ONE out of EVERY TEN social drinkers Loses CONTROL and becomes an Alcoholic. Not one of them ever dreamed that he would be one of the number that would lose control. Millions do anyhow.

The profit from every liquor store in the state is not worth the life of one person ruined by ALCOHOL if that person is a member of MY family or YOURS.

All the GREAT industry that is waiting to rush into Highlands County when LIQUOR is flowing freer is not the industry we need.

I am for LEGAL CONTROL That is control of NO LIQUOR SALES in Highlands County.

To some people, to vote to make liquor legal and easily accessable makes it respectable. Liquor is Poison. Liquor is a destroyer of much that is good. Liquor is the greatest DECEIVER in America today.

YOUR VOTE IS REAL IMPORTANT. YOU decide whether our country will make a step toward high ideals or whether a damaging business will be permitted. If you do not vote you are helping an EVIL thing to win.

This latest shopping survey, made on September 2, seems to prove that you save more at your TOTAL FOOD BILL. The prices of 77 selected meat, produce, and grocery items were compared in the listed "discount" food stores by our four customers in order to find out which is actually the lowest priced of the three. Identical quality items were used for accurate comparisons. The average weekend food store bill of these customers were to decide on your own for that weekend.

Crews Named Clerk Gordon Police Chief

An overflow crowd witnessed the oath of office administered to new Mayor James Doerr and two new Councilmen, Milton Howard and Rodney Lane. This took place at the annual reorganization meeting that was held at midnight, Saturday night as October 1, when the meeting normally was held fell this time on a Sunday.

The Councilmen chose A. R. Scott as its President for the year and Lane was selected as Vice President.

Malcolm Crews was selected by the council as its new City Clerk replacing Lucille A. Shockley whose term expired at midnight.

Mary Durden, the Lakeland Ledger News Bureau chief for Highlands County, was appointed Assistant City Clerk and Assessor by the council. Both Crews and Mrs. Durden formerly held their new posts in previous administrations.

The Council reappointed Hue E. Nunnallee as City Attorney.

John Ziegler was selected as Superintendent of Streets and Sanitation and Wilber Giddens was reappointed as Fire Chief. Both have served for many years.

The selection of Police Chief was quite heated and lasted for quite awhile. Councilman Wayne Albright nominated Melvin Beane and the nomination was seconded by Councilman Milton Howard. At that point Councilman Rodney Lane nominated Patrolman Earl Gordon with no second fellowing. City Attorney Hue Nunnallee explained that a second was not necessary as they were not electing a Police Chief but appointing one.

At this point members of the audience arose and asked about the qualifications of both men. City Clerk Crews read to the Councilmen Mr. Beane's qualifications from the back of his application. Councilman Lane stated Gordon's background.

Long-time Councilman Durrah Martin stated that behind the scenes meetings were held without him and since he was not informed about them, would like to see action postponed 30 to 60 days for further study. City attorney Nunnallee revealed that the class of city officers now being appointed could hold office for two years or until their successors were elected according to city code.

At this point a vote was taken on the nomination of Melvin Beane. Councilmen Albright and Howard voted aye. Mr. Scott voted nay. Martin and Lane abstained.

The vote electing Earl Gordon as new Police Chief succeeding C. S. Carroll, who served for four years was as follows; Howard, Scott and Lane voted for him. Councilmen Albright and Martin abstained.

President Scott requested a motion that all city employees be rehired and Councilman Martin made the motion which died for lack of a second.

Councilman Albright made a motion that each employee be considered separately. Mr. Lane seconded the motion. With Councilman Howard going along. Councilmen Martin and Scott voted against the measure. Thereby it carried 3 to 2.

Willie Willis a long-time employee of the water department was selected as new Superintendent of the Water Department succeeding retiring Mayor E. A. DeLaney.

Virginia Henderson was reappointed as bookkeeper.

Erie Lewis was selected for another term as clerk in the Water Department.

Rainey Prevatt was unanimously nominated for the Water and Sewer Department.

Ruby Carlson was not rehired as a clerk in the Water Department on a 3 to 2 vote of the Council with Scott and Martin voting for her and Albright, Howard and Lane voting against her.

Fire Department employees come under civil service and it is not necessary to elect them.

Claude Welch, Hubert Kiker and Charles Pratt were approved for Law Park Department.

Another heated situation developed in the selection of an Assistant Police Chief with Grady Campbell re-elected on a three to two vote. Wayne Bass was also nominated but lost out on a three to two vote.

Bass, Dennby Jackson, Fred Conner and Robert Britt was returned as Patrolmen in the Police Department.

Vic Hall, Tom Mitchell and Pressley Selph were reappointed to serve as Radio Dispatchers for the Police Department.

Carl Cothran was selected on three to two vote to replace Sam Howell as relief Radio Dispatcher for the police department. L. F. Harrison was also considered for the post.

L. A. Todd a long-time city employee was reappointed Assistant Superintendent of the Street and Sanitation Departments.

J. C. Prevatt, Jack Elder, Louis Maddox, W. W. Vincent, Henry Chandler, D. L. Jackson, T. D. Prevatt, Wilbert Crawford, Walter Gates, Charles Cloud, Able Dover, Fred Williams, and Hayward Simpson were all reappointed to the Street and Sanitation Department.

Mack Flowers was elected Electrical Inspector.

A motion was made by Councilman Lane and seconded by Councilman Albright to rehire all the new golf course employees.

The Council approved the long-standing plan that the City Clerk be elected as Clerk of City Court.

Tom Beane was selected as a School Crossing Guard.

J. W. Simpson was elected as School Crossing Guard on Pleasant Street replacing E. E. Sheumaker.

All these appointments are subject to ratification at next Monday nights council meeting.

President Scott made the following committee appointments for the forthcoming year.

Street and Sanitation; Howard Chairman, Martin and Albright.

Finance; Albright, Chairman, Scott and Martin.

Water Department; Lane, Chairman, Scott and Martin.

Greens at golf course; Scott, Chairman, Martin, Howard.

Fire and Police; Scott, Chairman, Martin and Howard.

Athletic Fields and Parks; Martin, Chairman, Lane, Howard.

New Construction and Maintenance; Albright, Chairman, Lane and Howard.

The meeting adjourned at 2:15 a.m.

Devils Tie Fort Meade Meet Hornets Friday

The sparkling performance of sophomore halfback Willie Joe Segley overcame a 13 point deficit in the final period of play last Friday night to give the Avon Park Red Devils a 13-13 tie with the Fort Meade Miners before a large crowd of football fans at Memorial Stadium. The tie set Avon Park's record at 1-1-1 and left Ft. Meade with a 2-0-1 mark.

Tomorrow night (Friday) the Red Devils will be at home again hosting the Haines City Hornets who are winless so far this season. The Hornets lost 27-7 to Kissimmee, dropped a 28-12 decision to Bartow, and took a 34-0 trouncing from powerful Auburndale last week.

Last year Avon Park withstood a potent passing attack to take a 32-27 win from the Hornets in Haines City so the Polk County team is certain to be counting on a win over the Red Devils this year.

The Red Devils battle with Fort Meade was a real heartbreaker for the home team. A tie was the best the boys could do as they never gave up in spite of several crushing decisions against them. Midway in the first period after Fort Meade had taken the opening kick-off's and moved for only one first down before losing more ground than they had gained, the Red Devils took over and were forced to punt without making a first down. Dean Lemley booted a long spiral toward the Miner goal line and a Fort Meade back seemed to touch the ball as it went by and rolled to the six yard line where Avon Park recovered. The officials ruled that it was Fort Meade's ball however and the Miners took possession in spite of the roar of disapproval from the Avon Park crowd. Neither team could score in the first period and Avon Park's move to the Miner 27-yard line was the deepest penetration.

The second quarter was also a stand-off. The Red Devils lost a fumble on their own 12-yard line but the Avon Park defense held for four downs without giving up any yardage to ward off the threat. The Red Devils moved then for another first down before they were forced to punt from their own thirty-seven. The Miners moved from their 35-yard line to the Devil forty-four and found themselves faced with a third-down and one yard needed when a dispute over the running of the clock occurred. The game official instructed the official to run the clock back to 22 seconds left in the half. So with time running out, the Miners handed off to halfback William Ming who skirted left end for a 25-yard gain before he was knocked out-of-bounds on the Avon Park 19-yard line to stop the clock with one second left in the first half. On the next play the big speedster rounded the other end and raced into the end zone for the touchdown to put Fort Meade out front 6-0. The attempted kick for the extra point failed but the Miners

ROY KIRBY

C. R. WATSON

Roy Kirby Promoted To District Manager; C. Watson Moves to Avon

The promotion of Roy V. Kirby, Avon Park district manager for Florida Power Corporation, to manager of the company's Ridge division in Lake Wales has been announced by John E. Gleason, manager of division operations for the Corporation. Kirby will be succeed as Avon Park district manager by Charles R. Watson, Jasper district manager.

Kirby was born in Nashville, Ga., and attended schools and business college in Ocala. He joined Florida Power in 1941, has held various positions in Brooksville, Ocala, and Inverness, and was named Brooksville district manager in 1948. Kirby became manager of the Oklawaha district in 1956, and in 1963 was made Avon Park district manager, holding that position until his newest assignment as Ridge division manager. Active in numerous civic, charitable, and community organizations during his company career, Kirby presently is vice president of Chamber of Commerce; second vice president of Kiwanis; and member of Vestry Board of Episcopal Church. He is married, the father of three children, and lives at 9 Avon Blvd., Avon Park.

Watson was born in Jacksonville, Fla., attended local schools in Wildwood, and is a graduate of the Coyne Electrical College in Chicago, Ill. He joined Florida Power in 1948 as a junior engineer in system operations, and the following year moved to DeLand as a residential sales representative. Watson was promoted to Madison district manager in 1954, became Avon Park district manager in 1960, and transferred to Jasper as district manager in 1963, holding that post until his return to Avon Park as district manager. He is chairman of the Planning and Zoning Commission, City of White Springs, and past president of Hamilton County Chamber of Commerce. He is married, the father of three children, and lives in Jasper.

Dove Season Opens Saturday

Thousands of Florida hunters will be at their favorite fields for the opening of the first phase dove hunting season on October 7. The season will open statewide, except for Alligator Point in Franklin County, and will continue through November 5.

Daily shooting hours are from 12 noon until sunset. Previous announcements have indicated that prior to October 29, when time will be set back one hour, legal shooting hours would begin at 1:00 p.m. The return to 12:00 noon as the time for shooting to begin came about as a result of a re-evaluation by Federal authorities of an earlier legal interpretation of existing law.

Daily bag limit is 12 per day and hunters are required to have their guns plugged to a three shell capacity including the chamber.

The second phase of dove hunting season is from November 18 through December 3. The third phase season opens December 16 and continues through January 8.

Hearing Is Postponed

Circuit Court Judge Clifton M. Kelly postponed until 2:00 p.m. Monday October 9, the case involving Councilman Wayne W. Albright, Mr. Albright's attorney Ray McDaniels of Lake Alfred was called out of the state on another case.

Albright is charged with aggravated assault in an incident that took place last May that resulted in a dispute with J. K. Cobb of Avon Park.

Lions Club Will Sale Halloween Candy Today

The Avon Park Lion's Club will have its annual Halloween Candy Sale beginning October 5 and ending on Halloween Day. Again the Avon Park Lion's Club is calling on the good citizens of Avon Park to make this sale a success.

The Avon Park Lion's Club is dedicated to helping others, especially those who are not able to help themselves.

The primary project for all Lion's Clubs is sight conservation. Year after year eye examinations and glasses are provided by the local club to those who cannot afford to pay for this service. Also, the Avon Park Lion's Club has sponsored Glaucoma Clinics. Glaucoma is a disease that can cause blindness if not detected in time. The Glaucoma test is given by professionals at no cost to the public.

The Avon Park Lion's Club is also responsible for other projects in our community. Our club erected the flag pole at the football field, we have helped our High School Band and Glee Club. We help other organizations to send representatives to Boy's State and Girl's State.

For many years our Club has purchased new toys, collected old toys, and repaired them to give to needy children at Christmas time.

Our Club also sponsors a Little League team, and a Girl Scout Troop.

The accomplishments listed in this article would not be possible without the help and cooperation of our local citizens. They know that the money the Avon Park Lion's Club earns is used to help local people and local projects.

Everyone needs Candy on Halloween. The price is right, a large bag containing approximately 160 pieces is only one dollar ($1.00).

When a friendly Lion comes by your door, please buy a bag of candy. By doing so, you will help him to help others.

'Educational Crisis Sunday' Disappointment

"Educational Crisis Sunday" in Avon Park Schools was quite a disappointment to teachers. The parents who attended were interested and anxious to learn about the acute problems in education. However, far too many parents do not realize the seriousness of the situation. Many unsatisfactory conditions exist which should be made known to all the public. Among the most serious problems are:

(1) Reduction of state funds to the county making it necessary for the county to raise the present millage just to maintain the present program.

(2) Inadequate classrooms 36 portables in the county and 3 basement rooms in Avon Elementary, 4 portables).

(3) Inadequate bathroom facilities.

(4) Inadequate textbooks in some areas.

(5) Cuts in our lunchroom funds.

(6) Cuts in our aid to the "exceptional children" program.

(7) Cuts in "transportation funds."

The big question which remains is "HOW CAN PARENTS HELP PREVENT THIS EDUCATIONAL CRISIS" which is so acute that it may close the public schools in Florida.

Our State Superintendent of Schools is Floyd T. Christian has stated that a special session of the Legislature is absolutely necessary. Therefore, we would suggest that every parent needs to become personally involved in making our needs known to every legislator. The names and addresses of the legislators from this district are listed below:

Rep. J. K. Tillman, Rt. 2, Box 355, Sarasota.

Rep. Kent S. McKinley, 203 S. Washington Drive, Sarasota.

Rep. Granville H. Crabtree, Jr., 2058 Main St., Sarasota.

Sen. Wilbur H. Boyd, 726 Eighth Ave., Palmetto.

Avon Park Motors Will Have Open House Friday and Saturday

In the past few months Avon Park has seen many changes, new buildings, parking lots, show cases and merchants remodeling their stores. This week Avon Park Motor Company will dedicate their new show room Friday and Saturday. Five refreshments will be served.

The Avon Park Chamber of Commerce congratulated the Ford Dealer on their fine achievement and many years of service.

The Chamber letter in full: Avon Park Motor Co.
P. O. Box 1085
Avon Park, Fla.
Gentlemen:

Congratulations to you for your fine achievements through these 35 years and may your anniversary mark additional and renewed efforts, as in the past, to serve our community.

It has been our privilege to have your president, Mr. C. E. Lanier, a charter member and fellow worker for 28 years.

Best wishes for you continuous success and good will.

Respectfully yours,
Louis C. Hooper
President

Bobby Coleman Catches Pass For Gators

Bobby Coleman, Avon Park Red Devil senior athlete of the year in 1965, started off his varsity football career with the University of Florida last Saturday night with a pass reception in the Gators win over Mississippi State.

The big offensive end had been held out of action by his coaches with the possibility of "red shirting" him this season to give him another year of eligibility but Saturday night Bobby got into the action and pulled in a pass from quarterback Harmon Wages.

Avon Park fans had a chance to view Bobby catching his first varsity college pass on TV's Florida Highlights last Sunday and Gator coach Ray Graves commented that it was Coleman's first reception.

Bobby is the son of Dr. H. W. Coleman, who has served as the Red Devil's official team physician for many years. While at Avon Park, Bobby was outstanding as a quarterback and defensive end in football, played center on the basketball team, and lettered several years as shortstop of a championship baseball nine.

Smokers May Kick Habit Through Five-Day Plan

Smokers who want to kick the habit will have their chance under a special Five-Day Plan to be conducted here by a physician-clergyman team at Walker Memorial Hospital.

The plan consists of regular evening group therapy sessions and a daily personal control program for home or work. It has had a successful three-year trial run in most major cities of the U.S. and Canada and has been featured in Time, Newsweek, Pageant, and many of the nation's leading Newspapers.

Conducting the program locally will be Dr. C. J. Larsen and Chaplain C. J. Danforth, both of Walker Memorial Hospital. Group therapy sessions will be held without charge from 7:30 to 9:00 each evening beginning October 15 at the North Lobby of Walker Memorial Hospital in Avon Park.

Sponsored by Walker Memorial Hospital, the Five-Day Plan is a public service to help improve the health of the community and to contribute to the national physical-fitness program, Chaplain Danforth explains.

Already held successfully in cities all across the United States and Canada, the Five-Day Plan to Stop Smoking features such topics as the psychological and physical aspects of the habit, how craving can be lessened, how will power can be strengthened, physical effects of smoking, organization of a buddy system and many other techniques designed to break the habit within a five-day period.

A feature will be the film "One in 20,000", depicting in full color a lung cancer operation, to be shown October 18 the first evening of the therapy session.

Developed under the sponsorship of the Seventh-day Adventist denomination, the Plan was originated by J. Wayne McFarland, M.D., and Elman J. Folkenberg, clergyman, both of South Lancaster, Mass. As many as 550 smokers have enrolled in the Plan at one time.

Notice

Chamber of Commerce Board of Directors will hold their monthly meeting Thursday Oct. 5, at 8:00 p.m. in the Chamber Office.

Board members should make plans to attend.
