Avon Park Area Ministerial Assn. Met Dec. 2

Avon Park Ministerial Association met in Griffin's Restaurant Monday, Dec. 2. Robert Balcom of the Dept. of Parole and Probation of the state penal system, and his successor in our area, C. M. Ables (P. O. Box 885, Sebring), Balcom spoke about the need for lay help in settling and counseling parolees. Community forces are being brought into this new aspect of adjusting former inmates to the "outside". Means helping to obtain employment in some cases of completion of sentences, housing, reuniting of families, etc. Our state is pioneering in this. The president appointed the Rev. Wall as chairman of our Assn. to gather names of volunteers from our churches who will be willing to act in this community program, working with Mr. Ables.

The business meeting followed, beginning with the secretary's report and reading of the minutes of the last meeting. Rev. Graetz moved that food cards be prepared for distribution to the local clergy for use among transients—on Touchton's if the food service is willing. Seconded by Rev. Childress, passed. Graetz also suggested that the Board of Youth Guidance, Inc. be invited to meet with the Ministerial Association at the January meeting to inform us of their work. It was decided to ask the Rev. Jack Epps of Lakeland, of the United Christian Action to visit and speak to the February meeting.

The meeting was adjourned with an informal financial report given the president by the secretary-treasurer. During the conversation, the Union Thanksgiving service was reviewed with pleasure by the large congregation. The offering will be turned over to the treasurer of the association to be used as stated for strangers in need, and for youth summer camp program, among the needy.

MARCIA McDOUGALD, daughter of Mr. and Mrs. Jim McDougald was crowned Homecoming Queen last Wednesday night.

Rev. Dean Martin Evangelist For Mission Program

Chosen as the guest evangelist for Avon Park's First United Methodist Church New Life Mission program in January is the Rev. O. Dean Martin of Nashville, Tenn.

The Rev. Martin is a staff evangelist with the General Board of Evangelism of the United Methodist Church. He is the son of Mr. and Mrs. T. O. Martin of Avon Park.

Dean grew up in Avon Park and while in high school here was active in sports and music. He received all-state honors in music. During his senior year in high school he found a relevant faith that changed his life.

He holds degrees from Asbury College and Chandler School of Theology, Emory University.

The Rev. Martin has served churches in the North Georgia Conference, and there his four-church charge received the "Circuit of the Year" honor. Upon graduation from Emory, he spent one year as associate minister at Beach Methodist, Jacksonville Beach.

In 1960 Dean was assigned to the new Pinellas Park Methodist Church in the St. Petersburg District. Six years later the church became the largest of the 21 churches in the District. Six young people of the church left for preparation for full-time church-related vocations.

While at Pinellas Park the Rev. Martin served in various district offices, evangelistic work and also taught Philosophy at the University of Tampa.

The Rev. Martin and his wife, Sandra, have two sons, David and Jimmy. Mrs. Martin holds a Master's Degree in Christian Education from Emory University.

Work Gang May Build Juvenile Home

Youth Care's new juvenile home may get a quick boost if the Florida Attorney General will approve appointment of Juvenile Judge Mervin Rehrer as supervisor for a work gang from Avon Park Correctional Institution.

Judge Rehrer, at Tuesday's meeting of the county commission, said the state cabinet had re-instituted a policy of permitting use of prison labor on public buildings.

Officials at APCI said a work gang of five prisoners may be available to work on the juvenile home now under construction if a county employee may be designated as the supervisor of the prisoners.

At Tuesday's commission meeting, County Attorney Hue Nunnallee said he has some doubts that the state would recognize the privately built juvenile home as a public building even though a lease for its use by the county is being prepared. In event this hurdle can be cleared, Commissioner Cecil Skipper suggested that the Judge, with state approval, might be designated as the supervisor.

Judge Rehrer said he would contact the Attorney General and get rulings.

At the same commission meeting Judge Rehrer asked for a change in the proposed Youth Care-county contract for lease of the new juvenile home. The lease calls for payment, by the county, of $4800 per year for use of the new home.

Nunnallee said he had sought to protect the county from making payments of that size after the building debt has been cleared. The commissioners and Judge agreed to minor changes in the lease wording to provide such protection for the county while assuring Youth Care that the county would always use the building for care of children and not convert it to other purposes.

Right-of-Way Problems

Two right-of-way problems were before the county commission this week. Carroll Payne appeared to ask the county to return to him land he had previously given for a road. He

C of C Calls Special Meeting For Dec. 5

A special meeting of the membership of the Avon Park Chamber of Commerce has been called for December 5 at 3 P.M. in the Chamber office.

Purpose of the meeting is to vote on a proposed Amendment to the Constitution, regarding the date of installation of newly elected officers.

The proposed amendment reads:

To amend Section II of Article VII to read: Officers elected shall take office during the month of March.

The Directors feel that, by election in December, and installation in March, sufficient time would be allowed for the newly elected President to plan his program of work for the year, make committee appointments, etc.

Please make plans now to attend this meeting. This is a very important meeting.

Avon Park Is Pesticide Monitoring Site

Starlings were recently collected from the Avon Park, Florida area to determine pesticide levels and trends in wildlife according to Vernon D. Cunningham, State Supervisor, Division of Wildlife Services, Gainesville, Florida. This was part of a nation-wide program to evaluate current levels of pesticide contamination and seasonal or annual variations in those levels in soil, water, fish, wildlife and food. Avon Park was one of four sites selected in Florida. A sample of 10 starlings will be collected at these permanently located sites at regular intervals in the future to detect long term trends in pesticide levels.

The starling was selected as the species for this purpose because of its nation-wide distribution and omnivorous food habits. Since it is closely associated with agricultural and urban habitats, it is exposed to a wide spectrum of pesticide use and should give a measure of pesticide contamination in the total environment.

Other wildlife species that are analyzed for pesticide residues are mallard ducks and eagles. Analysis of pesticide residues in mallard ducks is possible through the annual wing collection program which is conducted by the Bureau of Sport Fisheries and Wildlife for the purposes of acquiring waterfowl management and research data. Eagle specimens used in monitoring studies are birds which are found dead or incapacitated beyond recover.

Three Fined For Taking Doves After Light Hours

Three Avon Park people pleaded no defense to a charge of taking doves after legal hours and were fined $15 each in county court last week. They were George and Marilyn Culpepper and Judy Hunt Ready. Sentences were passed by County Judge Mervin Rehrer.

Peter Paul Sobach, of Sebring, estreated a $25 bond on a drunk charge.

Lee Byrd, of Sebring, was fined $100 or 50 days for reckless driving, willful and wanton.

Michael Jim Haynes, of Sebring, charged with disobeying a stop sign, estreated a $25 bond.

Charles Jones, of Avon Park, was fined $35 for unlawful speed.

Robert Carol Kipp of Lake Placid was fined $15 for disobeying a stop sign.

Alan V. Lewen, of Sebring was fined $30 for driving on the wrong side of the highway.

Henry Schaidt, of Sebring, was fined $25 for failure to yield.

Thurland Strickland, of Sebring, was fined $15 for having an expired drivers license.

Dave Peacock, of Avon Park, estreated a $25 bond on a charge of unlawful speed.

Robert Calvin Safford of Sebring was fined $30 for unlawful speed.

Ander Louis Spires of Sebring was fined $200 or 90 days for reckless driving, willful and wanton.

Crackdown Begins On Late Car Inspection Violators

More than 1,000 vehicles in Highlands County still do not have their inspection stickers—and the crackdown has begun.

Cars which do not sport the blue or red inspection tags in the lower left-hand side of the windshield may receive a 48-hour warning ticket, the Florida Highway Patrol announced. If this is ignored, they will be ticketed and fined.

This policy will continue until further notification from the patrol headquarters in Tallahassee.

John Gercken said about 13,000 cars have been inspected since the compulsory program began six months ago. A total of 14,264 cars are licensed in the county, according to Supervisor of Registration Roland X. Dean.

Gercken said during the first six months, blue tags were issued. The first six months ended Saturday and the second six months has begun, and cars being inspected now get a red sticker.

It was pointed out that cars which got their stickers in the first months of the campaign might coast along and not get the red sticker until the last month or so of the second six month period. This is possible, Gercken said, but if they are caught meanwhile they will be fined. Motorists can check their stickers to see which month they have to renew. Inspections must be made every six months.

As the first six months ended, Gercken said that the percentage of rejections in Highlands County—25 per cent—is slightly above the statewide average of 23 per cent. However, motorists here have it a lot better than in the urban areas, where lines have had to wait for hours. The biggest line here so far has been about 10 cars, and this happened at the end of the month when motorists waited until the last days to get their inspections and stickers.

Cars which are rejected have five days to get what is wrong fixed. If they wait longer than that, they have to pay the $1.75 charge all over again.

Saturday, Nov. 30, was the deadline for all cars in the State to have inspection stickers under the new state law. The program was put into operation gradually, with cars having certain license number endings assigned specific months to get their stickers.

THE AVON PARK Red Devil basketball team opens its 1968-1969 season in Arcadia Friday night against the tough DeSoto High Bulldogs. The Devils will play at home Saturday night against Sante Fe of Lakeland. Kneeling left to right, Phillip Hall, Joe Hardy, Mgr. Samuel Collins, Roy Claitt, and Donald Sisemore. Standing left to right, Lorris Welch, Charles Magenheimer, Horace Watson, Clyde Sumbry, Willie Joe Seigler, and Donald Strange.

Basketball Season Opens Friday In Arcadia, Home Sat.

The Avon Park Red Devil cagers will probably face their toughest competition of the season tomorrow night (Friday) when they open the 1968-69 schedule in Arcadia against Coach John Gambrell's highly respected DeSoto High Bulldog five. The following night (Saturday) the Devils will stay under pressure as they host the Sante Fe quintet from Lakeland in the first home game for the Avon Park team. Next Tuesday Haines City's varsity and "B" squads will furnish the opposition for the Devils here at the high school gym.

Red Devil varsity coach Fred Sandlin says the Class A Arcadia team has two players who are listed in the top five hundred high school cagers in the United States this year in Charles Washington and James Gilchrist. The two Bulldog lettermen will head up the Desoto squad which went undefeated last season until the state district play-offs when they fell to the Class A state champion. The team is expected to be even tougher this season and Coach Sandlin says the only advantage the Avon Park team may have is that they will be meeting them in the first game of the season before they have had a chance to play together very much.

The Red Devils are expected to be tough themselves with five seniors, four juniors and a freshman on the ten man varsity squad. Seniors Donald Strange, Charles Magenheimer, Lorris Welch, and Horace Watson are the four returning lettermen on the varsity and they will be strengthened by senior Clyde Sumbry, juniors Roy Claitt, Joe Hardy, Willie Seigler, Phillip Hall, and freshman Donald Sisemore — all up from last year's "B" squad which set a 15-2 mark for the season.

Clyde Sumbry, 5'9" rebounder who averaged 18 rebounds a game on last years "B" squad, and Joe Hardy, a 6'1" under-the-basket-man, are expected to give the Devils a chance in spite of the team's general lack of height because of their ability to get up into the air and to get "positions" over their opponents. Guards Donald Strange, 5'8", and Charles Magenheimer, 5'10", are both excellent outside shooters and ball handlers. Strange averaged 17 points a game last season while Magenheimer sat out the year with an injury. Six foot Lorris Welch is expected to contribute point making to the team this year. He is the teams best shots and also a scrapper on defense.

Guards Roy Claitt and Donald Sisemore are both excellent ball handlers and defensive players and will add depth to the team along with Horance Watson, who is tough under the basket, and Willie Seigler who is a steady player both on offense and defense. Phillip Hall, who at 6'2" is the tallest boy on the team, rounds out the Devil squad and will be gaining experience as the season progresses.

Coach Sandlin, who moved up to varsity coach after two years as junior varsity mentor, promises Red Devil basketball fans an exciting season with a fast moving team. Sandlin's two "B" squads set a combined record of 24 wins and 10 losses and he now has most of the same boys on this year's varsity squad.

The Red Devil "B" squad will be coached this year by newcomer Howard McGlennon. The junior varsity games will start at 6:30 P.M. and will be followed by the varsity tilt.

Boys out for the "B" squad are juniors Lorenzo Nelson, Mike Reck, Herbert Stukes, and Neil Caswell; sophomores Steve Hartt, Howard Hayward, Jim Magenheimer, Clayton McNeil, Gene Prevatt, James Pierson, and Joe Franza and freshmen Jake Allen, Clark Jackson, Wally Pierce, Howard Sizemore, and Thad Tate.

Coach McGlennon will cut the sixteen man squad to ten or twelve later this week before the opener with Arcadia Friday night. The top six prospects at this stage of the game seem to be guards Jim Magenheimer, Thad Tate, and Wally Pierce; center Herbert Stukes who is not eligible yet but will be soon; and forwards Clark Jackson and Lorenzo Nelson.

Red Devil fans are urged to back the basketball teams this year with a trip to Arcadia Friday and then by filling the gym Saturday night for the first home game of the season. The varsity squad has two new sets of uniforms this year — a red set and a white set — with fancy knee-high socks with an A on them. The gym floor has been sanded and refinished and new glass backboards are up to dress up the high school gym for the 1968-69 season under new coaches Fred Sandlin and Howard McGlennon.

Panthers Meet Florida College Monday Night In Wauchula

South Florida Junior College Panthers will tangle with the Falcons of Florida College of Tampa, Monday night at 7:30 at the Joel Evers gym in Wauchula. The Panthers are made up of area high school graduates of Hardee, Avon Park, Okeechobee, Belle Glade and St. Cloud.

The Falcons have almost the entire Chamberlin High of Tampa graduates. This is a conference game and will be the third conference game in a row, Wednesday night the Panthers journey to Brevard for a game with Number 1 ranked Brevard.

Saturday night at 8 P.M. on Channel 3, the Panthers tangle with St. Petersburg Junior College in St. Petersburg.

Panthers win 3rd Place

Thanksgiving weekend in Fort Myers, South Florida Junior College Panthers were shooting for a two-fold record. One was to get another shot at the Edison Bucs and to win the Edison Tournament.

The Panthers lost to Edison in Fort Myers on Monday in a regular scheduled game 89-87 and had hoped to meet the Bucs in the finals, however, the Panthers saw a first half lead of 42-to 41 over Manatee Junior College melt and the Lancers emerge 83 to 69 victors.

Edison whipped the Lancers in the finals 87-77.

South Florida Junior College Panthers won the consolation game 85-80 over Key West Junior College.

John Battillo led the Panthers scoring in both contests and made the all-tourney team.

Probable starting line up for the Panthers will be Battillo 6'6", Willie Marovich 6'5", Ken Dixon 6'2"; Larry Allen 6'0"; and Chuck Smith 6'3" or Willie Cope 6'3.

REP. CRABTREE APPOINTED

The office of State Representative Granville Crabtree in Sarasota today announced that Representative Crabtree has been appointed to the powerful Ad Valorem Tax Committee of the House.

Representative Crabtree also serves on committees dealing with Retirement & Personnel and Mental Health.

Xmas Card Week Began Dec. 3 At Post Office

Christmas Card Week begins today and expanded window service hours began Wednesday at the Avon Park Post Office. The service windows will be opened all day Wednesday from now until after Christmas. After Christmas one service window will remain opened Saturday, Dec. 14 and Saturday, Dec. 21 the windows will be open until 5 P.M.

Avon Park's Postmaster, urged everyone to mail their Christmas greetings this week.

"Avon Park's Post Office now serves about 14,000 people. If each person sends 35 Christmas cards, we'll have 490,000 cards to deliver. This doesn't include cards received from out of town, nor business Christmas mailings. Clearly, the postal employees have an immense job to do, and we can't do it alone," Robert Young, Postmaster said.

He asked the public to cooperate by shopping early, mailing early, and using Zip Codes.

"If people mail now during Christmas Card Week, December 9 to 14, we can prevent a last minute jam up in the mails," he said.

Everyone can help the post office by separating greeting cards into local and out-of-town bundles. Carriers have labels that are being delivered to all postal patrons, and they are available in the Post Office.

Next week is the deadline for Christmas mail according to the Postmaster. Parcel Post deadline is this week. Greeting Cards for states other than Florida end on December 14, and Air Mail ends on December 16.

New Telephone Books Out

Highlands County's new telephone books were being delivered this week and they have a handsome tan, orange and gold cover.

And they're bigger. The books issued in December, 1967, had 56 pages as compared to the new book's 84.

Pearl Harbor Day

Twenty-seven years ago seems like a very long time indeed, but somehow Pearl Harbor still seems fresh in the minds of many. For it will be 27 years ago come Saturday that the Japanese sneak-attacked Pearl Harbor.

And looking at the world today, how useless all war seems. Today we are on good terms with Japan. We buy her automobiles. Many of our flags, yes, our flags, and other patriotic materials like bunting are made there. We go to Tokyo for fun and to see the country. The defeated country is our friend and prospering mightily.

We cannot help but wonder how it would be if positions were reversed. Our guess is that we would really be under the heel of the Japanese boot, even as Czechoslovakia today is under the heel of Russians.

It is an historic fact that defeated nations very often lose the war but win the battle. Take Germany, for instance. Just a year ago this week things were so rough in Britain, a victor in World War II, they had to devalue the pound. And this year things are so good in Germany, the loser in World War II, that it was the most valued currency in Europe. In losing, Germany's plants were blasted to smithereens. And when they rebuilt with aid from the United States and other countries, they put in new plants which could produce more goods more cheaply and better than anybody, including us. They're our friends.

So why do we continue to fight wars? The littly guy doesn't really want 'em. Can we really be as civilized as we believe we are? Probably not. And fighting seems to be an inborn something. Brothers and sisters fight. The kids on the school playground fight. Married couples fight. Our hostilities always seem to be very close beneath the surface.

So it is Pearl Harbor day again. And many lives were given. And many lives were wrecked. And many homes were shattered. We remember well.

When you look at the world today, you wonder why this has to be, don't you? It doesn't seem to be a much improved world. We still have powder kegs all over the place—Vietnam, Israel—both of which could blossom into a full scale third World War any day.

So it's Pearl Harbor Day again. Will the people in this old world of ours ever learn?

Your Social Security

Question—I drew social sec be covered. Also routine Soci curity benefits when my first under those circumstances are husband died because I had not covered.

small children in my care. I re married and my benefits were stopped. This marriage didn't work out and we got a divorce. P still have a small child in my care. Can I draw benefits again on my first husband's record.

Answer — Yes. Reentitlement can be established. Bring a copy of the divorce decree to the Lakeland social security office located at 306 South Florida Avenue.

Question—I was seriously injured in an automobile wreck when I was 20 years old in 1956. I have not been able to work at all since that time. I worked only two years under social security and was turned down for disability in 1965 because I hadn't worked long enough. Someone told me there has been a change in the social security disability law. Would it do any good to file again?

Answer — Yes. You may be eligible under the new law. The work requirement for disability was lowered for those persons who became disabled prior to age 31.

Question—I am a bed patient in a nursing home which is not approved for Medicare. The state law requires that I have a chest x-ray each year. I must be taken by ambulance to my doctor's office for the x-ray. I filed a claim for the ambulance service under my medical insurance but it was denied. Why wasn't this covered?

Answer — Your ambulance service did not meet the basic requirement that you be transported to a hospital or extended care facility. Since you went to the doctor's office it could not

LEWIS LLEWELLYN

Will This Help Solve Problems?

The problems of living in the last third of the 20th century are evidently just too much for some of the dwellers in metropolitan areas.

At the suggestion of a California psychologist, 20 men and women from New York and metropolitan New Jersey recently boarded a bus and went to a secluded spot in northern New Jersey for a session of "group therapy."

There the psychologist, who has conducted some two dozen similar sessions on the West Coast, introduced these people to the supposedly therapeutic values of a nude marathon, so named because it is an all-night session.

Claiming that "clothing is a mask behind which the individual hides," the psychologist advised that clothes "should be shed to overcome emotional problems."

Problems Solved—or Created?

So the 20—of both sexes and ranging in age from 21 to 35—took off their clothes and, after taking a swim, sat around and talked all night, in a state of nudity, about their problems and how to get rid of them.

No report has been published, to my knowledge, about how many of these people got rid of emotional problems in this way —or how many acquired new emotional problems because of it.

But the Bible tells of an encounter which Jesus had, on one occasion, with a man who had shed his clothing and was running about naked.

Jesus recognized what the man's problem was and set him free from the oppression which had caused him so much mental and emotional agony.

When the people of that area went to see what had happened, they found the man who had been naked sitting, listening to Jesus, "clothed and in his right mind."

Perhaps, if the 20 people who engaged in this doubtful experiment had taken their problems, instead, to the Master, they would not have felt it necessary to go to the extremes to which they were led by the sensational psychologist.

Real Help Available

Jesus has had the answers to men's problems ready and waiting—and He is waiting now to give real help to those who will turn to Him.

"Come to Me, all you who labor and are overburdened," He says, "and I will give you rest."

"Trade your burden for a blessing," the Savior invites. "Turn in your cares and receive a cure."

Why is it that, with this open invitation ringing in their ears, so many will continue to search in so many various places for the peace of mind which they need but have never found?

Have you taken your problems to the Lord? He is waiting to help you and show you the way to the "abundant life" which He has promised to every one who will turn over his case to the Great Physician.

BABSON'S POINT OF VIEW

This Might Be a Good Time For Utility Stocks

A Look at Utility Stocks

Wellesley Hills, Mass., Dec. 5. Up until the election, utility issues lagged noticeably behind the industrials and rails in the stock market. In spite of the federal surtax, interest rates did not drop sharply enough to benefit the heavy-borrowing utilities. At the same time, the surtax served to restrain earnings of most of the companies to near 1967 levels. These conditions still prevail. . . . the advance in prices of utility stocks since November 5 is thought to be due to buying of this long-ignored group by mutual funds and large block holders rather than to prospects for immediate interest-rate relief.

However, even after a strong post-election advance, this may be the time to take a good hard look at the utility sector to note some of the varied advantages offered investors with differing investment requirements. By reason of their location, accounting practices, and general make-up, utility stocks do differ in what they have to offer. Following are several important aspects.

Income

In this group there are many high-grade situations in common stocks offering yields of 5% or more, such as Consolidated Edison of N. Y., General Public Utilities, Allegheny Power, and Niagara Mohawk Power. These are all well-established companies that have been operating for many years and will be around for years to come. Most utilities also offer high-quality bonds and preferred stocks which yield even more than the common issues.

Tax-Free Dividends

A second attraction in the utilities group are those companies offering partially tax-free dividends. Because of their financial accounting structure, some companies pay dividends which are considered a partial return of capital. Portions of these dividends are exempt from ordinary federal income taxes and could be especially attractive to persons in high tax brackets. "Exempt portion of dividends reduces the cost basis of shares held . . . tax is paid after shares are sold—at capital-gains rates.) While the exempt portion may vary from year to year, examination of a company's past record should produce a predictable pattern. Notable in this group is, again, Consolidated Edison—whose 1967 dividend payment was considered 96% nontaxable as income. Orange & Rockland Utilities is another electric utility having a substantial exemption provision, approximately 64% in 1967.

Above-Average Growth

Certain sections of the country are today growing at a faster pace than are some of the more settled regions. Growth may be measured in terms of population, economic development, personal income, and other indices. Utilities operating in growth areas of the country may be expected themselves to grow in terms of revenues, earnings, and dividends at a rate faster than for the rest of the industry. Companies that appear favorably situated in this respect are Carolina Power & Light, Houston Lighting & Power, Middle South Utilities, and Florida Power.

Investor's Choice

A company that should be highly resistant to economic change by reason of its diversity of product and its areas of operation is Citizens Utilities. This company operates in 11 states from Vermont to Hawaii and derives well-balanced revenues from telephone, electric, gas, and water services. "Products" supplement each other, and an economic slowdown in one sector will be supported by company's other services. Presently, the principal operating area for Citizens Utilities is California-Arizona. Retirement developments, commercial and industrial activity, and tourism serve to make this a particularly attractive growth area.

Citizens Utilities offers two classes of nearly identical common stock: Series A—dividends in additional stock only. Series A is exchangeable for Series B at any time.

pointed out that obligation of secondary funds to the S 27 four-laning will delay 2 - per haps eliminate buildin' of an extension of Henscra' a Road.

The commissioner promised an answer after determining whether the Henscratch extension has already been included in the county's five-year road program.

A different kind of problem is nearing solution. Earlier this year a new survey revealed that an old county road near Lake Placid is actually on land owned by Consolidated Financial Corp., and Consolidated has a grove planted on the legal right-of-way. At Tuesday's meeting the commissioners gave tentative approval to a deed swap which will set the record straight.

The board also adopted a resolution pledging money for erection and maintenance of additional blinker lights at the intersections of US 27 and State 621, 27 and State 70. The new lights are needed when four-laning at these two spots is completed.

County Hires Maintenance Man Full-Time

Frustrated county commissioners acted this week to get some long-delayed maintenance work done—they hired a full-time maintenance man.

Bill Haynes, a contractor who last Spring was a candidate for county commission, was hired at a salary of $150 per week to be general maintenance man. The commissioners specified that he go to work "as soon as possible and not later than January 1."

His duties will include work on all county-owned or leased buildings, construction and maintenance of bulkheads at culvert sites on county roads.

Rambling Thoughts

By O. L. SHOBE

THREE MORE FINE PEOPLE FOR FLORIDA

I take the liberty of borrowing from the Sebring News a little space to announce to its readers that this beloved State of Florida has received lately three more splendid new citizens. Two of these are Mr and Mrs. Elwood Evans, of Western Spring, Ill., and Miss Clara Lenore Shobe, of Anchorage, Alaska.

Mrs. Evans is the daughter of Andrew Carter and wife, who once lived in Arcadia, where Mr Carter owned the Arcadia Enterprise, and Miss Clara Shobe is the youngest sister of O. L. Shobe, who graduated from the DeSoto County High School, and served several years in France with the Army and later lived in Anchorage, working for the U. S. Air Force.

There are several people in Sebring who remember Miss Shobe, who now lives in Fort Myers; the Evans couple is temporarily living in Sarasota. I beg pardon of the News readers, but this is such a happy event to Mrs. Shobe and me, that I cannot hold it from being told.

WALLACE MAY NOT BE ENTIRELY DEAD

Rumors afloat are to the effect that our old friend, George Wallace, is politically alive and a-kicking to a considerable extent. Drew Pearson, the eighth wonder of the world in wielding the literary dung-fork in the newspapers, has found that George received considerable of the sinews of war from monkeying with the "likker" business in Alabama. We wonder how Drew knows that there is a bug under a chip merely by looking at the chip, but he certainly has a gift in that faculty that exceeds the gift of prophecy possessed by that lovely lady named Gene Dixon, of Washington, D. C. If there is the least little bad odor anywhere in this country, old Drew can detect it, and, usually, when he declares that there is "something rotten in Denmark" or anywhere else in the universe, Drew declares it before anybody else dreams of it! England's Scotland Yard bunch are mere pikers in comparison with Old Sleuth Drew!

PEARSON TO THE RESCUE!

Nixon declared that as soon as his trouser seat hits the Presidential chair, Ramsey Clark, the Attorney General, will be hunting a job. Now it develops that he "dassent" do it. Drew Pearson romps into the lists with his lance leveled and his charger frothing at the mouth, ready to do battle for Ramsey. That's going to a fight worth watching!

NOT HUNTING THAT JOB!

This writer received a letter from the Judge, Clerk or something or other, of some kind of court somewhere asking me if I wished to serve on the jury. I shudder to think of such a job; it doesn't pay much, in the first place, and I don't want any blood on my hands or conscience, for this reason—there has been a case appealed lately to some court or other, which might come up with me on the jury, and I would vote to hang a gentleman and a lady "higher than Old Haman" and so "shoot-in," and I don't want to spend my remaining days trying to wash blood off my hands and my nights wondering if I sent two folks to the place where the "worm dieth not and the fire" is not receiving the attention of the Fire Department.

Ambassadors Report On Camping Trip

Several members of the Pioneer Chapter of Royal Ambassadors of the First Baptist Church left last Thursday afternoon for a camping trip on Arbuckle Creek. They returned on Saturday afternoon. In order to be eligible to go on this camping trip the boys had to pass certain requirements of work in the Royal Ambassador program for boys, ages 12 thru 14.

The boys took some vegetables to be prepared but they depended on wildlife for meat for their meals. Apparently they ate quite well for they reported their catch to be 15 catfish, 2 frogs, 1 rabbit, 6 armadillo and 14 squirrel. Their weapons were B B guns, pellet guns and sticks.

Those participating in this event were Mike Eberle, Tommy Reynolds, Virgil McInvale, Jim Wood, Tommy Beane, Buddy Gordon, Wesley Turner, counselor's helper, and Lawler Wells, counselor.

This group was joined on Friday evening by Greg Correll and Steven Ford, and Milton Bass, counselor, from the Crusader Chapter of Royal Ambassadors, a missionary organization for boys.

Rev. Aden Childress is pastor of First Baptist Church.

Royal Arch Masons Will Elect Officers

All Royal Arch Masons from Highlands County are urged to attend the meeting Tuesday, Dec. 10, at 8 P.M. in the Avon Park Masonic Temple.

Officers will be elected for 1969.

Refreshments will be served.

THANKS FOLKS!

I wish to express my appreciation to my good friends and neighbors for their kindness while I was a recent patient at the Walker Memorial Hospital, also to the hospital staff, nurses, pink ladies and candy stripers who were so kind and considerate.

George Ray Couch

THE RESULTS of driving and drinking is clearly shown in this accident which took place at Avon Park city limits on north 27. No death resulted, but the driver was placed in the hospital

THE SAME CAR shown above, shows the damage done to the out-of-state car, which when repaired will depreciate in value, and less desirable to a future driver and owner. Think!—if you drink, don't drive, if you drive, don't drink. Be on the safe side. This could have been you.

It Might Have Been You If You Drink and Drive

The vast majority of the American motorists drive within the limits of the law and within the limits of their own capabilities. When we travel the highways of our land we anticipate a safe arrival at our destination, however, 700 did not—they were killed and about 56,000 were injured this past holiday weekend.

Statistics prove that over 50 per cent of all the highway accidents involve a drinking driver. This year alone, 50,000 people will die in traffic accidents on Main Street, U.S.A., and about 4 million will be injured with about 1½ million of those disabled for life . . . and half of these the result of drinking.

Last Wednesday night (Thanksgiving Eve) a dark green sports car weaved through holiday traffic at excessive speed (according to one eye-witness) as he travelled north through Avon Park on Highway 27. At the intersection with the truck route (Shamrock Gas Station) he was faced with a situation beyond the limits of his capabilities—he had been drinking.

Above you see the results of this accident. Fortunately no one was seriously injured, but I don't think that he planned to be at Walker Memorial Hospital that night, and the lady from Boston who was travelling south, did not have any other choice but to spend more than her planned time in our fair town.

In just one week, more Americans die as the result of accidents involving drinking drivers than this country loses on the battlefield of Vietnam in the same time. Friend and neighbor, I hope that when you and I are on the highway we are not participating in any habit that would jeopardise the safety of each other.

Sacred Concert

The Highlands Girls School Chorus will present a special sacred concert on Sunday night, December 8, at 7:00 P.M. at the First Christian Church of Avon Park. The chorus is under the direction of Mrs. Charles Metcalfe Jr. The public is invited to attend and enjoy this program in song.

Jr. Woman's Club Home Life Dept. Meeting

The Home Life Department of the Avon Park Junior Woman's Club met Tuesday evening at the home of chairman, Mrs. J. C. White.

Plans for the upcoming year were discussed. It was decided to sponsor a Home Life Week, the week of December 15-21. During this week special emphasis will be placed on the improvement of family or home life. The purpose of the Home Life Week is to reaffirm that "The Family is the Basic Unit of Society and that we as homemakers, hold the future of the nation in our hands."

Mrs. Carolyn Tomlinson, general chairman for the march of dimes, outlined plans for the drive which will be in January.

Members attending the meeting were Mrs. Carolyn Tomlinson, Mrs. Don Mattox and Mrs. Fred Jones.

Files Suit

Paul Church and his mother, Anna Dee Church Catanzaro, have filed suit in circuit court against Ronald Michael Noble, as the result of an accident August 16 in which Paul was seriously injured and the car being driven by Noble belonging to Mrs. Catanzaro, totally wrecked.

Gross negligence is charged. The complaint asks damages in excess of $1,000 and trial by jury. It cites the severe injuries to Church, a high school student and the extensive medical bills. He spent many weeks in hospitals.

The Cooks Corner

By ELLEN LANDFAIR
Highlands County Home Economics Agent

"I was asked about" . . . .

"What are different ways to prepare seafood?" A local homemaker Mrs. Thelma Chapman, visited our Home Economics Exter ion of office, basement of Sebring Post Office and asked us for some sugegstions.

Prepared other ways than breading and frying the many varieties of seafoods offer the dieter an ocean of low-calorie dishes with a world of interesting flavor.

Combined with a little imagination and a dash of color, seafoods present many possibilities for light lunches, satisfying suppers, different dinners, and sensible snacks.

Fish and shellfish furnish virility and a wonderful, well-fed feeling because they are a first class protein food. 85-95 percent digestible, and are a substantial source of minerals and certain of the B vitamins. An average serving of seafood provides nearly all the animal protein needed each day to help the dieter build and repair body tissue. Seafoods are among the richest sources of iodine, a nutrient important in the prevention of goiter.

Try exotic, colorful Cantonese Shrimp and Beans.

Cantonese Shrimp and Beans

1½ pounds frozen raw, peeled deveined shrimp
1½ tsp chicken stock base
1 cup boiling water
¼ cup thinly sliced green onion
1 clove garlic
1 tbsp salad oil
1 tsp salt
½ tsp ginger
Dash pepper
1 pkg (9 ounces) frozen cut green beans
1 tbsp cornstarch
1 tbsp cold water

Thaw frozen shrimp. Dissolve chicken stock base in boiling water. Cook onion, garlic, and shrimp in oil for 3 minutes, stirring frequently. If necessary, add a little of the chicken broth to prevent sticking. Stir in salt, ginger, pepper, green beans, and chicken broth. Cover and simmer 5 to 7 minutes longer or until beans are cooked but still slightly crisp. Combine cornstarch and water. Add cornstarch mixture to shrimp and cook until thick and clear, stirring constantly. Serves 6. Approximately 130 calories per serving.

Grange 203 Hold Meeting November 26

Avon Park Grange 203 met Tuesday evening, Nov. 26 with Master, Elmer Fullmer in the chair. The members were saddened by the death of the husband of our treasurer, Mrs. W. H. Clarke. She will return from Massachusetts early in January.

Business of the evening was election of officers for 1969. A vote was favorable for making a donation to Christmas Cheer, Inc. We were happy to welcome our first winter visitors of the season, Mr. and Mrs. Keith Debo of Clyde, Ohio. Mrs. Debo brought a birthday cake to honor Mrs. Zeno Warner, whose birthday fell on this date.

Refreshments were served by Mrs. Joseph Bisson and Mrs. Joseph Blomquist. Each member is asked to bring a gift for a child between the ages of 2 and 5 to the next meeting which will be held December 10 at 8 P.M. in the Junior Sunday School room of the First United Methodist Church. Entrance on the south side of the church. Pomona Grange meets Friday, Dec. 6, 8 P.M. at Pioneer Park, Zolfo Springs. All 5th degree members are invited.

Stork Shower Held For Two Mothers-To-Be

A joint baby shower was given to Mrs. Billy Lee and Mrs. Donald Lee by the Women's Council of the First Christian Church at 3:00 o'clock Wednesday, November 20 at the home of Mrs. Kenneth Kemp. The honored guests received identical gifts.

After the gifts were opened the guests were served home made cookies and punch. The table was covered with a white cloth and in the center was a beautifully decorated umbrella made by Mrs. William Staley.

We're Lagging

Christmas, which seems to have sneaked up on many people, apparently has sneaked up on the sellers of Christmas seals.

Although Sebring, Lake Placid and Avon Park are doing better than most other cities in the mid-state association, they were still running behind last year's sales as November ended.

Sebring now has 47 per cent of its quota with $1,664. Lake Placid 54 per cent with $492 and Avon Park with 53 per cent and $950. Lake Placid and Babson Park are leaders in the division with their 54 per cent of quota, while Mulberry trails with 22 per cent.

It's as simple as this gown in a whisper of nylon chiffon over Antron® nylon tricot . . . with a touch of shimmering satin trim to enchant your every sleeping and waking hour. In colors that will kindle your ego and give you a warm glow all over!

Sizes P-S-M-L, just $10.00.

Vassarette does a short Antron® nylon sleepshirt with reams of ruffles for an incurably romantic look. Sheer nylon chiffon frills edged with ecru Val lace spill from the rounded collar, repeat again at the end of the long sleeves. Has teeny matching bikini.

TERMITE DAMAGE

Termites do millions of dollars worth of damage to residential and commercial construction every year. No building is safe, in areas in which termites occur. From colonies in the soil, termite workers forage for wood. They also construct mud tubes over concrete or masonry, to reach wood. Their damage is seldom apparent until it reaches a serious stage, because they work within wood, and do not break the surface. Badly infested buildings may suddenly sag, because termite feeding has weakened main timbers. By the time that termite damage becomes apparent, costly repairs may be needed.

Methodist Church To Host Life Missions

The First United Methodist Church of Avon Park was present a "New Life Mission Program" from January 5th thru January 10th, 1969.

The evangelistic speaker will be the Reverend O. Dean Martin of Nashville, Tenn., son of Mr. and Mrs. T. O. Martin of Avon Park.

General Chairman of the New Life Mission is Robert Cushman. The Rev. Addison G. Hardee is pastor.

Various committees are headed by: Ambassadors — Clifford C. Smith. Attendance — Jean Giddens, Jr. Advertising — Mr. Laurence Robinson. Materials— Mrs. Guy Decker. Arrangements — Mrs. Clifford C. Smith. Finance — George A. Kelsey. Youth — Mrs. Fred Reddick. Prayer Group — Mrs. Edgar Smoot. Worship Music — the Rev. Paul Gentry. Organist — Mrs. A. G. Hardee and Nursery — Mrs. Robert Cushman.

Diocesan Pres. Addresses Redeemer

At the December luncheon meeting of the Episcopal Churchwomen of the Parish of the Redeemer, Avon Park, a former resident here will be the special guest speaker. She is Mrs. Carlotta Thayer of Orlando, now president of the Episcopal Churchwomen of the Episcopal Diocese of South Florida. The day will begin with the Celebration of the Holy Eucharist at 10 A.M. instead of the usual 9 A.M. The program will follow in the Parish House at 10:45 concluding with luncheon at noon. All ladies and their guests of the Redeemer are expected!

Bible Will Be Emphasized At Congregational

The Holy Bible will be emphasized at a special service this Sunday morning at 11:00 o'clock at the Union Congregational Church. An old bible printed just after the War of 1812 will be on display. There were bad feelings at the time between this country and Great Britain. This fact is in evidence by the refusal of the editors to dedicate this edition of the bible to King James. Instead these words appear... "As the Dedication of the English translation of the BIBLE to King James the first of England seems to be wholly unnecessary for the purpose of edification, and perhaps on some accounts improper to be continued in an American tradition, the Editors have substituted a short account of the translations of the Old and New Testaments from the original Hebrew and Greek in which they were written."

Copies of the Gospel according to John in Today's English Version will be given to those who attend. This translation is in modern speech and helps to make the gospel more understandable to the average reader.

WSCS Meet And Make Plans

WSCS of the First United Methodist Church met for their regular meeting in Wesley Hall, Tuesday, Dec. 3, 9 A.M. The Hall was trimmed with Christmas decorations in keeping with the theme of the meeting Circle Three served coffee, hot muffins and brownies preceding the meeting.

Mrs. George Kelley gave the devotions.

Plans made included the Christmas Cantata to be given by the church choir, December 15 at 7:30 P.M. The next meeting will be held January 2 at 7:30 P.M. Program will be given by Wesley Guild. A rummage sale is planned by Circles Six and Eight for January 24 and 25 in Wesley Hall. The Circles are also holding their Bazaar December 6 in Wesley Hall. The kitchen in the parsonage is being completely remodeled. It was voted to donate the stove and sink taken from the kitchen to a denominational church.

Mrs. Mildred Long sang "Oh Holy Night" followed with Mrs. Keith Debo, reading the Story of Mary in keeping with the holiday season.

PRESIDENT DENNY MONTSDEOCA of the Avon Park Chapter Future Farmers of America is shown here with his Black Angus steer which he plans to shown in the Highlands County Fair. This is the second consecutive year Denny has raised a steer for show purposes. His steer is approximately 750 lbs., and should exceed 800 lbs. by show time.

STANLEY SPURLOCK is shown with his Black Angus steer that he will enter in the County Fair. Stanley graduated last year from Avon Park High School but maintains his membership in the Future Farmers.

Stanley Spurlock Plans to Enter Steer In Highlands County Fair

Stanley Spurlock is shown with his Black Angus steer and Guernsey heifer which he plans to enter in the Highlands County Fair this year.

Although Stanley graduated last year from Avon Park High School, he still maintains his membership in the Avon Park High School Chapter of Future Farmers of America.

Stanley is a freshman at South Florida Jr. College and is majoring in Agriculture. He has always maintained a diversified farming program and in addition to his interest in dairy and beef cattle he has several outstanding brood sows and has raised some outstanding litters from them.

The Guernsey heifer that Stanley will show in the fair this year is the daughter of a registered sire and dam and of course this makes her subject to registration. An outstanding Black Angus steer was purchased by Stanley last June and will be entered as one of eight steers to be shown by members of the Avon Park High School Future Farmers of America. This steer has shown an average daily gain of over two pounds a day and now weighs over 900 pounds.

We want to congratulate Stanley on his outstanding work in our FFA Chapter and wish him continued success in his collegiate work.

KENNETH EBERLE

Glee Club Director Attends Workshop

Mr. Eberle, Glee Club Director at Avon Park High School, attended the Choral Workshop at University of Florida in Gainesville. The workshop was held on Nov. 15, and 16.

Mr. Eberle graduated from East Tennessee University in Johnson City Tenn. and has been teaching for 11 years. He has been employed at Avon Park High School for 4 years.

The workshop schedule of events started at 1:30 P.M. and ended Friday around 9 P.M.

The program consisted of performances by the Sarasota Boys Choir, the Chamber Singers from the University of Miami, Perry Knauss, from St. Petersburg Junior College, and Tom Mullen from Ft. Lauderdale. Both of these performers were soloists.

The final concert was given by the University Choir, University of Fla., under direction of Dr. Elwood Keister.

Mr. Eberle felt that the most outstanding event was the opportunity to sing and learn new ideas from one of the most outstanding choral men today, Roger Wagner.

There were 250 choral people from high schools, junior colleges, universities, and churches. These workshops are for the up grading of choral music in the state of Florida and so far they have proved to be of great value.

Rev. Jones Speaks

Tom Jones, minister of the First Christian Church, Sebring spoke to the 7th and 8th Grade Girls Health Classes, Monday, Nov. 25. Rev. Jones had an informal question-answer session concerning drugs and told of his experiences working with addicts at the Us Public Health Service Hospital in Lexington, Ky.

Following the talk the girls viewed a film "Drugs and the Nervous System." Health teachers are Theda Miracle and Ann Karrick.

Red Devils Defeated by Sebring In Annual Homecoming Game

The Avon Park Red Devils took a 17-12 beating from the Sebring Blue Streaks Thanksgiving Eve here at Memorial Field to close out a dismal season with a record of 3 wins and 7 losses. The Blue Streaks finished with a 4-4-1 mark under new coach Bobby Ross.

Miss Marcia McDugald was crowned 1968 homecoming queen in the beautiful pregame ceremony which spot-lighted the 22 queen candidates. Marilyn Smith was chosen as first runner up in the contest and Velma Tate took third place in the student body voting for the honor. Marcia is a majorette with the Red Devil Marching Guardsmen and Marilyn and Velma are both Red Devil cheerleaders.

In the 1968 football finale for both teams, the Red Devils scored first on a 41-yard pass play from quarterback Don Sisemore to end Curtis Hulen midway in the first quarter. The Devils had driven from their own thirty-two to the Sebring twenty-one but had received 20 yards in penalties before Sisemore hit Hulen with the scoring pass. Sisemore's kick for the point after was no good, however, and the Devils took a 6-0 lead.

Early in the second period, the Devils drove to Sebring's 19-yard line before they lost the ball on downs with only inches needed. From that point the Streaks moved for their first score. With the aid of two fifteen yard penalties, Sebring's offense marched the 81-yards to pay dirt with quarterback John Freeland going over center for the last 4 yards and the TD. Rodney Hollinger booted the P A T and put Sebring out front 7-6.

In the third period penalties kept Avon Park deep in its own territory and midway in the quarter a short punt by Avon Park from the 11-yard line gave Sebring possession on the Devil 36-yard marker. Again the Red Devils drew a penalty and Sebring pushed over another score in five running plays. This time fullback Sam Massaline fumbled as he drove for the goal line from the two yard line and end Martin Mackey recovered the ball in the end zone for the touchdown for the Streaks. Once more Hollinger's kick was good putting Sebring ahead 14-6.

As the fourth period started, Sebring drove from its own 27-yard line to the Avon Park two with the aid of another fifteen yarder against the Red Devils. On fourth down, from the two, the Streaks elected to try for a field goal instead of the TD and Rodney Hollinger booted it good from the twelve. The Streaks then led 17-6 early in the fourth quarter.

The Red Devils got a drive going and moved to the Sebring forty but fumbled and the Streaks recovered to appaarently stop the Avon Park effort to score again. But two plays later, Devil end Curtis Hulen managed to get a hand on a pass by Freeland and deflected the ball into the hands of Willie Joe Sengler who raced untouched into the Sebring end zone from forty-three yards out to give Avon Park its second TD of the evening. Again Sisemore's kick for the extra point was no good so the score stood 17-12 with less than three minutes left in the game.

As time ran out, Sebring drove to the Avon Park 6-yard line and attempted another field goal which was no good. The Devils had time for only one play from the 20-yard line before time ran out giving the Blue Streaks their second straight win over Avon Park.

Band Travels To Winter Haven

Members of the APHS band will travel to Winter Haven Saturday night, December 7, to take part in district marching contest.

In order for the band to compete at state contest it must make a first division or a superior rating at district marching contest.

Girls Basketball Gets Underway

The Girls Basketball intramural program will get under way this Friday at 3 P.M. at the high school gym.

The schedule is as follows: December 6, 7th vs 8th, Dec. 10, 9th vs 10th, Dec. 12, 11th vs 12th, Dec. 13-17 and 19th, winners of the first round.

Please be on time as the boys use the gym at 4 o'clock.

School Observes Silent Day Wednesday

Wednesday, Nov. 7 was silent day at Avon Park school. The rules applied to the teachers as well as the students. This made the day as equally pleasant for the students as well as the teachers.

The rules of the day were no talking from the 8:00 bell to the 2:00 bell for assembly.

The pep rally showed a lot of spirit.

The high lite of the program was when those students and teachers who had broken the rules had to bow down to the devil who was Mr. Brenner.

Another amusing part of the program was the Mr. Pretty legs contest which was won by Jim Nunallee.

The pep rally ended with a snake dance and the burning of the Blue Streaks.

TWO AVON PARK High School classes in Modern Family Living visited Florida Alcoholic Rehabilitation Center recently where they were escorted through the facility and then engaged in a dialogue with two patients who volunteered to speak to the group and answer questions. Shown above Mrs. Violet Moseley's class.

HOMECOMING QUEEN Marcia McDougald escorted by Darryl Bennett, is shown with her runners-up. First runner-up Marilyn Smith escorted by Steve Hart, and second runner-up Velma Tate escorted by Gene Hulen.

DCT Club Members Attend Convention

On Monday, Nov. 25, Twenty-seven students of the Avon Park DCT Club went to the district convention of the DCT clubs in district 6 as guests from district 7.

They arrived in Bartow about 9:15 A.M. in time to hear the public speaking contest finals. At 12:15 the awards for speeches, spelling, typing, shorthand, job interviews and parliamentary procedures were given out.

Approximately 500 DCT students from Lakeland, Winter Haven, Lake Wales, Auburndale, Rochele, Fort Meade, Frostproof, and Bartow attended.

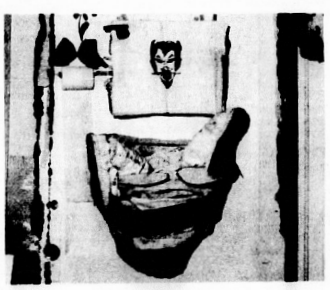
They stopped and had lunch at the Royal Castle in Bartow.

How many years has it been since you heard a really interesting, inspiring conversation?

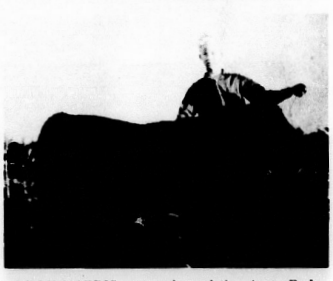
DCT MEMBERS who attended the district convention in Bartow are shown above.

SUSIE BIGGS, daughter of Mr. and Mrs. Hubbard Biggs is a Senior and head majorette of the APHS Band.

SYLVIA MARTIN, a Junior, daughter of Charles Martin, is featured this week as one of the high stepping majorettes of the Avon Park High School Band.



DURING HOMECOMING WEEK the student council sponsored a contest for the best door decorations. Tuesday morning each first period class decorated the door of their classrooms. Some classes also made extra decorations for the door which were not decorated. Miss Joy Criner, Home Economics teacher at APHS donated a prize for the contest. Mr. Knecht's first period class 11-1 won the contest. They were rewarded with a chocolate cake. Their theme was "Flush Away The Blues."



BILLY MORRIS, a member of the Avon Park Chapter of Future Farmers of America, is shown with his Black Angus steer which he plans to show in the Highlands County Fair this year. This is one of the outstanding livestock entries from our Chapter and we want to congratulate Billy for following a tested and proven feeding and management program which has resulted in the production of this fine animal. This is one of several reasons why we feel the Avon Park F.F.A. Chapter will have the Grand Champion steer this year.

Thanksgiving Day was truly observed by both Park residents and their guests. Dinner was served at 12:30 to approximately 75 people. Tables were beautifully decorated in keeping with the season. Clyde Peugh, Master of Ceremonies, was introduced by Mrs. Raymond Fresard and in return Mr. Peugh responded to the introduction. The table prayer was given by Orval Marshall. There was an abundance of food, the turkeys and hams being donated by the Park owners, Mr. and Mrs. Franklin Halfacre. Following the dinner a Memorial Service was held for Frank Foster, who was one of the first residents of the Park, and M. C. for a number of years. The Glee Club sang the Memorial song and this was followed by the Eulogy read by Harold Wolcott, who had been a friend of Mr. Foster a number of years. Mrs. Hallie Miller read "The House by the Side of the Road" by Sam Walter Foss, this was followed with a prayer. New Residents of the Park were introduced as follows: Mr. and Mrs. Bigger, Mrs. Helen Hookey, Agnes Keane, Mr. and Mrs. K. Heimburger, Mr. and Mrs. C. Clemans, also Mr. and Mrs. Clyde Peugh. Guests introduced were Mr. and Mrs. Matt Hunter and son and daughter, from Baton Rouge, La. They are visiting her parents Mr. and Mrs. H Bell, also Mr. and Mrs. John Weidman, Bourbon Ind. who are visiting his parents, the Forrest Weidmans. Gifts were awarded to Mr. and Mrs. O. Marshall for being married the longest, Mrs. Anna Young for being the oldest present, Mike Hunter was the youngest person present. The birthday song was sung for all who had birthdays in November.

Readings were given by Mrs. Olive Burnett, Dorothy Baxter, Edith Stevens and Harry Brown. Mr. Harmon Heitner was in the reminiscent mood and told of incidents of years gone by, as did Mr. Bell who told of numerous incidents happening in his Hoosier state "Indiana." The M. C. expressed the appreciation of the residents to the Hallacres for their part in the festivity, also the hostesses, Mrs. Ralph Crocker, and Mrs. Lula Maldrevil. Decorating committee, Mrs. Harold Walcott, Mrs. Glen Long and Mrs. Lucile McPherson, and to the ones who prepared the turkeys and hams, Mrs. Berneece Tingler, Mrs. Basil Krantz, Mrs. Larue Longnecker and Mrs. Halfacre, and all others who had helped to make the occassion a success.

The Glee Club rendered several more selections after which a closing prayer was offered.

The Woman's Club will have their next meeting Dec. 6th in the Recreation Hall.

Pitronic games started Monday Dec. 2nd at 7:15 Mr. and Mrs. Stevens was in charge.

Euchre was be played each Wednesday night at 7:15 with Mr. K. Heimburger in charge. Other games will be played on Tuesday nights.

Song fest will be on Saturday night 7 o'clock followed by entertainment.

Mr. and Mrs. John Bresser recently spent the day in Punta Gorda visiting friends.

Mr. and Mrs. Kenneth Heimburger drove to Naples to visit the Hodges who were former residents of the Park but recently transferred to Naples.

Dr. and Mrs. Davis now residing in their New Jamestown Mobile Home P. is on 2nd Ave. We welcome them to our Park.

The first Song Fest of the season was held last Saturday night with Harry Long leading the singing. Mr. and Mrs. Oscar Lindt showed a portion of their colored slides taken on their trip in Mexico. The Lindts started on this trip from Houston, Texas. They traveled on both coasts of Mexico, through British Honduras and Guatamala, traveling 8500 miles. This trip was made in a camper. After showing of the pictures Park Officers were elected for the ensuing year. Floyd Stevens elected president with Howard Bell vice pres. Mr. Stevens will appoint a By-Laws committee and other necessary officers.

Mr. and Mrs. Kellie Larrew Jr. and sons from Champaign, Ill. spent the Thanksgiving holidays with his parents, Mr. and Mrs. Kellie Larrew.

Mr. and Mrs. Dean Conrad are looking forward to a visit from their son Keith Conrad of Lake Forest Ill.

We are happy to report that Mrs. Bertha Wagoner has returned after a brief stay at the Walker Memorial Hospital.

Mr. and Mrs. Irvin of Fish Lake Ind. and Lake Letta spent the day with Mr. and Mrs. Louis Snowmaker.

Two more of our Winter residents have returned, Mr. and Mrs. Boyd C. Dager and Mr. and Mrs. R. W. Peterson.

Lawrence Robinson has been under the Doctor's care at the University of Michigan. They plan to return home in Dec.

Sorry to learn that Mrs. Cora Yates has not been so well, but without further delays they hope to be here the last of the week.

Thanksgiving was truly a festive day at the Ira Shrader home, they entertained her sister and brother-in-law the Dwight Shermans and relatives from Holland Mich. Royal Oak, Central Lake and Monroe Michigan.

Mr. and Mrs. Robt. McBeth spent the week in Ft. Lauderdale with her sister and brother-in-law Mr. and Mrs. M. L. Bacon.

Mr. and Mrs. Davis Smith and mother-in-law from Auburndale spent Sunday with Mr. and Mrs. Harold Wolcott.

Mr. and Mrs. Forrest Weadman and Mr. and Mrs. Welcome Miller spent Monday at Cape Kennedy. The trip was most enjoyable.

Mr. and Mrs. Glen Long spent Tuesday with friends in Lakeland and later went to the West Tampa shopping center.

Mr. and Mrs. Charles Felis of Sebring called on Mr. and Mrs. Roy Girten recently, others who called were Mr. and Mrs. Linville Meyers, Mr. and Mrs. Homer Kime, and Mr. Frank Foote.

Mr. and Mrs. Hugh Winkler and Mr. and Mrs. Roy Girten had Thanksgiving dinner at the Sebring Hotel together.

Mr. and Mrs. Jack Miller of Okeechobee were luncheon guests of the Girten's on Tuesday at the Jacaranda hotel.

Assn. of Retired Persons Will Meet Dec. 10

Highlands County Chapter 222 of AARP will hold their regular monthly meeting on Tuesday, Dec. 10 at 7:30 P.M. in Sebring Manor Hotel. Mr. Lloyd H. Gertner who is vice president of area 4 of AARP will be present and will present Highlands County Chapter 222 with their charter from National AARP, and will be the guest speaker for the evening.

Preceding the meeting there will be a hobby show, and members are requested to bring such items as they would like to show, and to bring them in between 5 and 6 P.M. There will be tables for setting up displays.

Visitors are always welcome and anyone 55 years of age or over is eligible to become a member and enjoy the many benefits which are available to AARP members. Come and bring a friend.

Success seems to depend more on character than on intelligence or luck.

Lt. John Hardee Receives Award In Germany

Army First Lieutenant John L. Hardee, 24, son of the Rev. and Mrs. Addison G. Hardee, Avon Park, Fla., was awarded the Expert Infantryman Badge Oct. 29 while assigned to the 8th In-

[illegible] near Wuellers-[illegible], Germany. The badge is the Army's highest non-medal proficiency award for infantrymen. He qualified for the award through proficiency in combat tactics, weapons firing and physical fitness tests. He also par-

[illegible] ses a series of written examina-[illegible] tests.

Lt. Hardee is commanding officer of Headquarters Company, 1st Battalion of the division's 12th Infantry.

His wife, Margaret, is with him in Germany.

Mary L. Webb Died Nov. 24 In Tifton, Ga.

Mrs. Mary Lizzie Webb, aunt of Mrs. Peter Boney, who had visited in Avon Park many times and well known here, died Sunday, Nov. 24, in Tifton, Ga., where she resided. She was a Baptist, and had no immediate survivors.

She was laid to rest in Tifton.

Southland Trailer Court News

Ben Henningham's brother, Charley, is recuperating at home from a recent hernia operation. He hopes to be able to come to Florida the first of January and spend some time here with Ben.

Leona Hopkins spent Thanksgiving holidays with her nephew in Punta Gorda.

Fifty-one park members, friends and relatives gathered at the Hall at noon on Thanksgiving Day for the annual dinner. Rev. Hutchins gave the blessing expressing our gratitude for all good things of life; that each one of us lay hold and use the many things we have, in both thought and acts, to help make a better world.

The guests were seated at three long tables; they were invited to the serving tabe to partake of all the holiday festivities. The committee, Winnie Lumpkin, as chairman, and her helpers so ably made it an enjoyable occasion. Two flower arrangements added attraction to the Hall. Several relatives and friends of park members were present to share the bounteous dinner and good fellowship.

We want to thank Winnie Lumpkin, Bee Jeremy and Hilda McClary for preparing the 3 turkeys, dressings and giblet gravy.

After dinner the committee announced supper would be served at 5 P.M. at which time thirty-nine were present. Rev. Hutchens again gave thanks for the table spread with food, enough for all and some to spare. The committee found a way to preserve the remaining food, because of the newly installed stove and refrigerator by the management. Friends were invited again to come on Friday evening for another supper. Forty-one came and expressed thoughts the food was better than before.

We were happy Rebecca and Lemon Hostetter came from their home in Pennsylvania in time to be with us. They will spend the winter in Southland. Many will remember these good people and glad they have joined the park family this winter.

Betty Peterson gave a very good humorous reading and Hettie Cook, more on the serious side, gave the history of Thanksgiving Day and the coming of our Pilgrim Fathers to America.

Mr. and Mrs. Clark Johnson, of Muscayine, Iowa were again guests of the Baldwins for several days. They were guests at the Thanksgiving dinners.

The Wallace Grants are visitors in the park. At a last minute they decided to return to Southland for the winter; upon arrival found there were no vacancies, but Mr. Clary was able to find them an apartment just back of the park. Their son, Fred, drove them down from Brooksville, Canada. They arrived in time for the Thanksgiving dinner.

The Waltons were in Gainesville recently for a check-up on Sam's eyes; they are happy to make a favorable report.

Thirty-one were out for coffee Tuesday morning. Guests were the two Essex children and their mama, who came with Mama Jeremy. Several of the park's newcomers were present.

Bob Duthie spent Thanksgiving Day with his sister in Orlando.

Mr. and Mrs. Mel Johnson returned to their home in Minneapolis recently for a check-up with their home doctor. Word has been received he is in the hospital but no report as yet from the check-up. His address is St. Barnabas Hospital 7th and 8th Avenues, Minneapolis, Minn.

William Baxter is resting easy at home after spending several days in Walker Memorial. We hope the treatments he took while there will prove to be a benefit to him.

Twelve people were out to shuffle Friday afternoon when the rain stopped the game. Semi-final winners were Francis McRae and Myrtle Hefferman with 80 over Russell Lumpkin and Harriett Messel with 57. Other winners were Hilda McClary and Rev. Hutchens with 80 over Goldia Daun and Mary Strickland with 31. Too bad the finals could not be played.

Mr. and Mrs. James Essex and children, James and Deborah of Elyria, O. came several days ago to visit their parents Byron and Bee Jeremy. Mr. Essex retuned home the first of the week, but Mrs. Essex stayed for a visit with her parents over the holidays.

Marie Strohant returned Sunday after a visit with Alice M. Ford and Hazel Grover of Orlando. These two ladies are nurse friends of Marie.

Louise Garrison is in Walker Memorial. She is feeling better at this writing.

Mr. and Mrs. John Fritz and two children of Hialeah, Fla.; Mr. and Mrs. Everett Wezerit of Cape Kennedy and children, spent Friday night and Saturday with their mother, Evelyn Fritz. They attended the game at Gainesville Saturday afternoon between University of Miami and Florida University.

Alta Robinson is in Walker Memorial Hospital.

Jr. Girl Scouts Troop 305 On The Go

Girl Scout Troop No. 305, filled with the spirit of helping others, drove to Rest Haven on Wednesday, November 27.

The girls sang Thanksgiving and Christmas songs to the people at Rest Haven, and then gave them a huge basket of fruit for their holiday meals.

Accompanying the Scouts were their leaders, Mrs. James Cravey, Mrs. Richard Hamm and Mrs. Evelyn Klein.

Troop No. 305 meets after school on Thursday at the Episcopal Church.

CARD OF THANKS

The family of Hubert Bussard express their sincere thanks and appreciation to all their friends for the kind expressions of sympathy in cards, flowers, prayers and food they received during the illness and death of their beloved husband and father.

Hints for Santa

CLIP AND PIN TO SANTA'S PILLOW

Dear Santa:

To save you the trouble of deciding what to bring our family, here are a few suggestions that everybody will enjoy for years and will greatly appreciate.

Cordially yours,

(sign your name here)

P.S. I've checked the one I'm sure our family wants the most.

- ☐ Color Television
- ☐ Portable Dishwasher
- ☐ Stereo Hi-Fi
- ☐ Slide Projector
- ☐ Tape Recorder
- ☐ Year-round Outdoor Lighting Set
- ☐ Electric Organ
- ☐ Electric Ice Cream Freezer

Guess you've noticed, Santa, that the most exciting gifts are electrical.

Mr. Realy State Says:

Whether you are BUYING or SELLING, there are three good reasons why you will receive preferred attention when you stop in at one of the two offices of Roy P. Alexander.

First:—Qualified and well informed personnel

Second:—Following sales staff large enough to assure prompt service:

Roy P. Alexander — Alice Kinsey
Ann Alexander — Mae Belle Krueger
Beni Eastman — Gene Scheck
Bernard Golde — L. S. Sims
Ed Harris — LeRoy Silkit

Third: Two offices each conveniently located with ample parking space — (1) Southgate Shopping Center. (2) Hwy 27 South across from Hospital.

"Light" Creatures

Krill, close relatives to the shrimp family, are noted for their remarkable luminescence. A dozen of these creatures in a glass jar will emit a light comparable to that of a small gas lantern.

SAY
Merry Christmas

with a gift for the whole family

When you Christmas shop at Draper's Wales Furniture Company you find gifts the entire family can enjoy. For example what member of the family wouldn't enjoy relaxing in one of our LA-Z-BOY, Barcalounger or Burris reclining chairs?

Fine furniture, whether it be for the living room, dining room, kitchen or bedroom, is a gift which the entire family uses . . . not just for a few days . . . but throughout many years to come.

This year you'll find Draper's stock the largest it has ever been and spread over the widest price bracket we have ever carried. Come in, establish your credit and set the terms on which you'd like to pay. You can buy now and start the payments at your convenience after the first of the year.

Come in and look around. You are sure to find the right gift for the family . . . and of course we have hundreds of smaller items, too, such as pictures, mirrors, ash trays, lamps etc. Your visit will be a real treat.

Charlie Rice Brother Of Resident Dies

Mrs. Dorothy Fender was called to Ashville, N. Carolina by the sudden death of her brother Charlie Rice, 68, who passed away suddenly in a Mission Hospital.

He was a member of the Grassey Branch Baptist Church.

Survivors include his wife Burnice and ten children.

He was buried in the Grassey Baptist cemetery on Friday Nov. 29

The ancients considered brown eyes as a special gift of the gods. Thus the possessor was unusually honest, loyal, lovable. Black eyes always have indicated fire in the person's nature. Blue eyes normally were thought to indicate an easy-going disposition. Green eyes have always meant lots of suspicion.

Conrad Richter Pulitzer Prize Winner Dies

Conrad Richter, 78, pulitzer prize winner, author of many books on early America, died in the Pottsville Hospital. His home was 11 Maple Street, Pine Grove Pa. He will be remembered by many as a winter visitor in Avon Park, however he made his winter residence in Bradenton.

Time magazine, in their write up tells how he wrote 20 books on the U. S. Pioneer life. He had a shrewd eye for its manners and a sure ear for its speech. He brought early America to life. He used many real characters in the Pine Grove area in his books, including Judge Mervin Rehrer's family who also lived their early life in Pine Grove. The "Light in the Forest" was considered one of his most popular works and the August 1960 issue of Reader's Digest carried excerpts from this book. A "Simple Honorable Man" was based on the life of his father.

As he neared completon of his 13th novel, an Indian story which was a sequel to "The Light in the Forest," Richter was marking his 75th birthday and the State House of Representatives passed a resolution congratulating him on his birthday and praising him as a "literary giant," Pulitzer prize winner and writer extraordinary.

Hospital Has New Phone Number

Effective immediately, the telephone numbers for Walker Memorial Hospital are being changed. The new Avon Park number is 453-6633. The new Sebring number is 385-6116. It is important to note that the Glendale and Evergreen prefixes are no longer being used.

This change has been made in order to add additional lines and thus make better telephone service available to meet the increased patient patronage and to make room for future expansion at the hospital.

According to George Walper, Administrator of the hospital, telephones are being installed in each of the patient rooms on South Wing and will be available to patients in this area for local calls with no additional cost to the patient.

The hospital is happy to again take this forward step and trusts that the change of number will not bring an inconvenience to anyone.

Thanksgiving Dinner

Fifty-Five members of the Winter Guest Club met at the Club House for the annual Thanksgiving dinner. Included in the group were new members, guests, and former members here for the first time this year.

The tables were decorated with yellow and orange crepe paper and yellow mums. The stage had a lovely setting of Pumpkin, red apples and manture turkeys.

After singing the Doxology, a prayer of thanksgiving was offered for all our many blessings.

The pot-luck dinner was a bountiful display of many foods, as can only be found in our country.

A short after dinner program was given by Treadie Myers, Fern Haas, Fannie Schiling and Paul Hoppe. The meeting was closed with group singing of "Count Your Many Blessings" and "How Great Thou Art."

Many lingered to greet old friends, to play cards, and to enjoy the lovely outdoor weather shuffling.

Serving on the committee were Mr. and Mrs. Paul Hoppe, Mr. and Mrs. Stanley Schilling and Mr. and Mrs. Latrelle Myers.

Dances

Many folks came out to enjoy the fun of dancing on both Monday and Friday evenings. Many came just to watch the dancers. Refreshments were served Friday evening to the record crowd by Mr. and Mrs. Dick Dickinson.

Krill, close relatives to the shrimp family, are noted for their remarkable luminescence. A dozen of these creatures in a glass jar will emit a light comparable to that of a small gas lantern.

FLORIDA ALCOHOLIC REHABILITATION PROGRAM

alco-topics

By PAUL C. FORAKER
Editor, Information Services

Hank P. is 28 years old and recently completed a cycle of treatment at Florida Alcoholic Rehabilitation Center, Avon Park. At this point Hank has been "rehabilitated" as far as his alcoholism problem is concerned. But how did he become an alcoholic in the first place?

Hank stayed clear of booze until he was halfway through his freshman year in college. The son of a minister, he had not touched alcoholic beverages all through high school and says the idea of drinking just never really "occurred" to him.

"Love at home was conditional," he says. "I felt I'd be loved only so long as I was a 'good boy'."

His first drink was vodka, and Hank, feeling he had discovered a "beautiful thing," promptly got looped. He says at this point he didn't realize drinking would ever become a problem to him. However, he felt guilt when he drank because of his divine training, and he thus found himself drinking more and more in a futile effort to forget his feeling of guilt.

By the close of his sophomore year, drinking had already crowded out all other activities—including studying. His grade average slid from "A" at the halfway point in his freshman year to "C" at the end of his sophomore year. He decided to enter military service.

Hank says by this time he had completely rejected religion, feeling that in order to keep drinking he had to destroy the faith in which he had been raised. At first he says he felt a sense of "liberation" from religion, but later experienced a profound feeling of loss.

After completing basic training, Hank found he had more time to drink in the Air Force than he had had in college. He got in trouble due to drinking three months after joining the service, and spent 25 days in the stockade.

His four years in the Air Force included several more incidents due to drinking, complete with stockade sentences. He returned to civilian life, reentered college, tried to control his boozing, felt his life was totally fouled up. Soon he found himself drinking to blot out the past. He says he hated himself—even despising his own name.

Halfway through his senior year Hank got drunk just prior to midterm exams and was granted a "medical drop" from the college. He says at this point the word "alcoholic" gave him a sense of relief because he felt it gave him an excuse not to shoulder all the blame himself for his drinking and the trouble caused by it.

Hank began to attend meetings of Alcoholics Anonymous at this point. His periodic drinking became less frequent but more destructive. Moving around the country, he worked at the trade of piano tuning until becoming a Florida resident and coming to FARP. Now he has hope.

If you are a "Hank" or a potential "Hank" or if you know someone with a drinking problem, write for literature from FARP's Information Services, Box 1147, Avon Park, Fla., 33825.

Extension Homemakers Council Meets

Highlands County Extension Homemakers Council met at the Sebring Court House Anex, November 26. Council president, Mrs. Albert Thiele, opened the meeting. Thanksgiving devotions were given by Mrs. Paul Heritage. Flag salute and song "America, the Beautiful" sung by club members.

Mrs. Bessie Johnson gave a report on the Bartow Safety Seminar, stressing the harm of ill use of drugs. Miss Ellen Landfair, Highlands County Home Economics Agent, gave a short talk on Home Economics. Mrs. Andrew Chapman gave a report on Highlands County Fair plans. A booth will be set up to display the many articles made by women of Avon Park, Venus and Sebring clubs. A Planning Committee to arrange programs for 1969, will meet December 12, at the Agent's office.

The next Council meeting will be held January 28th in Avon Park.

The Library Corner

Mr. Hugh Downs, the star of the Today show on television has recently written a book entitled A SHAGL OF STARS.

As many small boys do who live on dry land Hugh Downs, born and raised in Ohio, dreamed of a life on the seas. He worked on this dream, taking every chance to learn to be a seasoned sailor, and the ways of boats on the lakes and rivers near his home, his college, his work in Chicago, then New York. As his experiences broadened in Long Island Sound, around Bermuda, and among the islands of the Atlantic and Caribbean Sea, his dream only intensified. Finally a tentative date was set for five years later. His reading, his search for facts, his experiences became real with the chartering of a sixty-five foot ketch, the making of endless lists, the assembling of a crew of friends. The story is about this trip from Miami to Tahiti. The trip was full of excitement, wonder, danger, fun, beauty, mystery, magic. Of the realties of this three months experiences Mr. Downs writes in detail.

For all who dream of such a trip, Mr. Downs gives quite specific advice and information on chartering a boat, making the important lists of things to do ahead of the trip in preparation what to take along, and finally, perhaps the most important, that of selecting a crew.

Bonnie Brae Mobile Home News

Thomas Dale of Philadelphia, Pa., who is attending the University of Tampa spent Thanksgiving with the Putnam's, Ethel and Mary.

We welcome back to the park this week, Mary and Waverly Porter of Valparaiso, Indiana. their daughter Janet and her husband James Hunt, also of Valparaiso, and Esther and William VanBuren of Mariaville, New York. Welcome and may your stay be as pleasant as other years.

Mr. and Mrs. Linville Myers of Indiana spent the afternoon recently with the Footes. Maud and Frank. Mr. and Mrs. Walter Douglas called on the Footes Saturday afternoon.

The Gerrard's, Marie and Clarence, spent Thanksgiving with their aunt and uncle Mr. and Mrs. E. J. Switzer in St. Petersburg.

Mr. and Mrs. Harry Paork and Mr. and Mrs. T. Loveday of Kissimmee were Thanksgiving Day guests of the Tom Checkleys.

Mr. and Mrs. Harry Simmons, Bertha Lee and Louise Shengle were Thanksgiving Day dinner guests of Catherine Hager.

Catherine Hager had open house on Sunday for her mother, Louise Shengle, who celebrated her 80th birthday. Friends and neighbors called on her and she received many lovely cards and gifts. Belated birthday wishes, Louise!

Visitors of the Moreno's home this week were, Mr. and Mrs. Ted Gressman, Mr. and Mrs. Leon VanBuskirk, Mr. and Mrs. Orley True, Mr. and Mrs. Emil Holoday, Mr. and Mrs. James McClain, Mr. and Mrs. Victor Nyman and Mr. and Mrs. Curtis Vandevender.

The Moreno's (Henny and Joe) spent Thanksgiving Day with her sisters Nellie McCann and Alma Neiser. Carl Hornung was also present to enjoy the delicious turkey dinner.

Mr. and Mrs. Jack Baldwin called on Catherine Hager on Monday evening, and on Tuesday afternoon Mr. and Mrs. Haviland of Lake Avenue.

The Sherman's (Bonnie and Dick) left early Thanksgiving Day for a two week trip to New York. While there they will attend the 50th wedding anniversary of Bonnie's parents. We are all so glad that Bonnie could make the trip after being hospitalized for several days last week.

We are happy to welcome as new permanent residents to Bonnie Brae, the Pinneys (Luella and Russel) of Hunting, Indiana who have purchased a new Manatee and placed it on Lot 35 and Lulu Damon and Mildred Sloan of Nirevah, New York on Lot 30 with their new Bronzewood Mobile home. We wish them every happiness.

The Elma Chalmers spent Thanksgiving and the following weekend in Sarasota visiting her son-in-laws parents, Mr. and Mrs. Harold T. Hall and Mrs. Hall's sister Mrs. Ruth Johnson both of Massachusetts who are wintering in Sarasota. While there she was a guest of the Halls at dinner on Sunday at the Kapok Tree Inn in Clearwater. She also visited with Mr. and Mrs. Harry Gregory of Sarasota and Mrs. Gregory's son Russel of Detroit, Michigan.

Mrs. Lu Detrick returned on Tuesday after a stay at Walker Memorial Hospital. Everyone at Bonnie Brae missed her while she was gone and hope that she will continue to improve. Best wishes, Lu.

Marl Thompson Killed Instantly By Car Dec. 2

Mark Clay Thompson, 16, was killed instantly by a car when he and his boy companion were walking on the parkway of Memorial Highway out of Lakeland, Monday evening, Dec. 2. His companion is in a state of shock. He was born in Selena, Ala.

Survivors include his mother, Mrs. Lavern Sutphin, of St. Petersburg; his father, Joseph W. Thompson, Lakeland; four sisters, Laura, Lila, Teresa and Jayne, two brothers, Joey, Jr., and Brant. His maternal grandparents, Mr. and Mrs. Louis Swiston, Avon Park; paternal grandparents, Mr. and Mrs. O. P. Huttoe of Lakeland.

Funeral services were held today at 3 P.M. from the Mizelle Funeral Home with Rev. Karl Strader officiating.

He was laid to rest in Bougainvillea Cemetery.

Mizelle Funreal Home in charge of arrangements.

A NEW WAY of living is shown on a floating island, where inhabitants never reach dry ground. This boy lives, plays and attends one of the schools provided by the Seventh-day Adventists. Many of their schools have been established in this area, otherwise they would be without schooling.

He Lives On Floating Islands

A mile high, this Uro Indian boy never leaves the surface of Lake Titicaca. His house is made of reeds. And underneath his house is a floating island of reeds. He makes toy boats of reeds and travels in a bigger boat made of the same reeds. He goes to school in a floating school built by the Seventh-day Adventist mission. Before the mission brought the floating school to his island world he didn't have to go to school. But then he didn't learn anything either, like reading or writing or arithmetic or how to keep well.

Bringing education to people like the Uros is one of the jobs the Adventist church thinks is important. More than 5,000 schools in 190 countries prove just how important they think it is. Good health is one of the things their schools teach. And their health program is backed up by a globe-girdling chain of more than 300 hospitals and dispensaries and clinics. Last week the church here began its 65th annual World Service Appeal. The funds it collects go to this type of humanitarian ministry.

Girl Scouts

Within thte past few weeks, a total of aproximately 25 girls from Girl Scout Troop No. 305 have visited various places of interest in Sebring.

Fulfilling different phases of badge requirements, the girls have visited the Sebring News office, where they learned the various methods of printing newspapers and pamphlets.

Another group of girls went to the radio station, WJCM, and saw how news and music were broadcasted. The girls were thrilled when the announcer mentioned their troop over the radio.

About seven girls went to the Community Concert Association's presentation of the Colleen Corkre Dance Company with Bentley Roton and Orlando Zavarce.

The girls were accompanied by their leaders and mothers.

Girl Scout Troop No. 305 meets Thursday after school at the Episcopal Church in Avon Park.

Christmas Sing Planned By Scouts Dec. 20

A Community Christmas Sing is being planned for Friday evening, Dec. 20th by the Girl Scouts of the Jacaranda Neighborhood. Again this year the Sing will be held in the mall where the old Bandstand is located. It will be directed by the Reverend, Mr. Otis Strickler.

All six troops in the Jacaranda Neighborhood will participate in this program and it is hoped that many people in the community will join with them in singing the old, familiar Christmas carols.

Episcopal Vestry Meets

The December meeting of the Vestry of the Church of the Redeemer will be Wednesday, December 11th at 8 P.M. in the Parish Office. Important business.

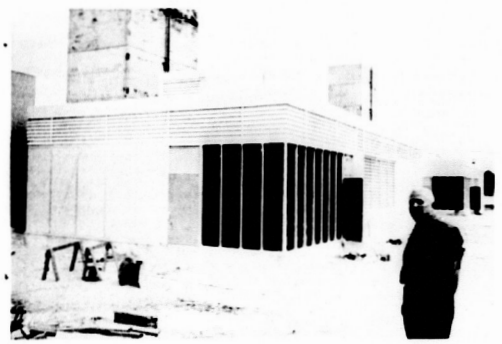
VOLUME XLV NUMBER 6 AVON PARK, FLORIDA 33825—THURSDAY, DECEMBER 12, 1968 GL 3-4551 GL 3-4552 10c PER COPY



TWO TURBOJET-powered reserve generating units have been installed in separate buildings on the Florida Power Corporation plant property here. Tests are being run, and the units, each driven by two aircraft-type jet engines, will soon be in operation. The units will be used during times of peak (high) demand for electric energy, and will be ready sources of power in case of emergency. C. I. Wells, plant superintendent, (shown), said that the units can be started and operational within four minutes. A conventional steam plant requires up to six hours to reach its peak. Wells also said that the engines are surprisingly quiet because of a very effective noise suppressing system. These are the first of several such turbojet reserve units to be installed at strategic locations in the FPC service system.

Ridge Area Fund Drive In Second Week

The first week's response to the annual fund drive of the Ridge Area Association for Retarded Children has been disappointingly slow, Dr. Samuel King, chairman, announced this week. Although letters of appeal were mailed at mid-week last week, only 72 contributions had been received by press time. These contributions totaled $635, only about 12% of the fund drive goal of $5,000. Dr. King attributed the slow start to the pre-Christmas pressures facing the county's citizens. He urged those who had not as yet contributed to mail in contributions this week.

Meanwhile plans for new services by the Ridge Area Association for Retarded Children were being laid. A clean-up day for Ridge Area parents of pre-school children will be held this coming Sunday at 2 P.M. It is expected that in addition to work on the grounds, the trailer and cabana installed on the Day School campus will be put into suitable condition for use by the Pre-School Developmental Training Program. It is anticipated that this program will be initiated in January following Christmas holidays, with four pre-school retarded children of Avon Park being served. A similar program will be offered at the First Christian Church, Sebring, for four Sebring youngsters.

Applicants for the two positions of Director, Pre-School Developmental Training, were interviewed this week by a special committee of the Ridge Area Association for Retarded Children. Steve W. Roberts, Jr., President of the Association, stated that the names of the directors selected would be announced next week. The program at the two centers will be financed by the Association with funds received during the current fund drive. This marks the first major effort made by the Association to serve the pre-school retarded child and constitutes another step in the Association's efforts to serve all retarded children and adults. The Association is also interviewing applicants for a part-time executive director. A person with administrative experience is being sought to handle coordination of the services now being offered by the Association. Interested persons may write the Ridge Area Association for Retarded Children, P.O. Box 731, Avon Park or telephone Mr. G. F. Ward at GL 3-4433.

South Florida Junior College Receives Full Accreditation

Full accreditation was accorded to South Florida Junior College by the Southern Association of Colleges and Schools at the Third annual meeting of that organization held at the Regency Hyatt House in Atlanta, on December 4. The Avon Park institution is among the first in the South to receive full accreditation in so short a time. The school is in its third year of operation.

Accreditation is retroactive and graduates of the college who have completed their work during the short history of the college. This action by the Southern Association means that students attending the South Florida Junior College may transfer to other accredited colleges and universities with the assurance that their credits will be accepted. Dr. Ralph Kirby, president of the college, stated that the action was the result of a long process that began with the application for membership in the Association. He stated that the school was visited by a committee of educators from other colleges and universities in the state and nation.

The next step for the college is to become a four year institution. Phase One of the permanent campus, consisting of a nine building complex, presently under construction, is scheduled for completion by the anticipated completion date in November, 1969. A highly successful Vocation-Technical Program has been launched during the current year, contributing to the 18.4% enrollment increase over the last school year. A further substantial increase in enrollment is anticipated for 1969-70.

Credit for these achievements must go to the wholehearted support of the communities comprising the college district as well as students and individuals directly connected with the operation of the school.

McKinley Cook Elected President Of Chamber

McKinley Cook, Jr. manager and co-owner of Polk Auto Parts, was elected President of the Avon Park Chamber of Commerce for 1969. Also elected at Thursday night's meeting were W. R. Bill Reck, 1st Vice President; Robert E. Lee, 2nd Vice President; Charles Watson, Secretary; and Ted J. Ward, Treasurer.

Cook, who was elected to the Board of Directors last year to fill the unexpired term of Roy J. Kirby, was re-elected this year for a full three year term. He will be installed, with the other officers, in March at the Chamber's annual meeting.

Cook is married, and he and his wife, Ruth, live at 803 East Canefield Street. He is a member of the Methodist Church and the Lions Club. He came to Avon Park six years ago from Asheville, N. C.

Housing Project Running Ahead Of Schedule

Cecil Skipper, executive director of the Avon Park Housing Authority appeared before the Avon Park City Council Monday night, asked if they had the specifications for the city street paving at the housing project. Skipper said the construction is running 50 per cent ahead of schedule, which is scheduled for completion October 19.

The city has to provide sewer service to the project and has to lay a line down Central Avenue which is estimated at a cost of $200,000. Council members are in hopes that the Federal Government has some emergency fund that can be obtained for cost of the sewer, but Dawkins and Associates has told the council they had checked and could not obtain any.

Lion's Club To Furnish Christmas Toys

Again, the Avon Park Lion's Club has accepted the responsibility to furnish toys for underprivileged children this Christmas.

Over 100 children will be the recipient of these toys.

The Lion's Club is asking help from Civic Organizations and church groups in this project.

Anyone desiring to contribute a new toy or a usable toy can leave them at Albritton's Barber Shop, DeLaney Hardware or Stimson's Gulf Service.

The Avon Park Lion's Club takes this opportunity to thank all the citizens of Avon Park for the fine support they have given to them.

Highlands County School Board Approves Building Priority List

Highlands County school board inched its way toward action in two controversial areas but halted short of decisive measures at its December meeting.

The board approved a school building priority list but provided for revision of the cost estimates later, and it received for study a resolution that "it is willing to listen" to recommendations teacher groups may offer in given areas of school policy.

Failure to act on the cost estimates stalls for the time being any move toward a bond issue to finance a county-wide school building program.

Superintendent George F. Douglass said the priority A part of the building program—completion of Free Will School, a second phase of construction at the Lake Placid Elementary, two new high schools, additional classrooms at Avon Elementary and Woodlawn Elementary is on the state Department of Education list for a cost of $4,690,000, and he believes revisions may trim the plans to fit into that cost.

Board members, however, said they are certain building costs are rising so fast that the whole estimate needs to be restudied. Without a firm cost estimate from the board, citizen groups who have expressed interest in petitioning for a bond election cannot get their petitions in proper form.

At the request of Board Member-elect G. Franklyn Ward, Superintendent Douglass had made a study which showed that Highlands County could at this time finance a building program of at least $4,965,000 with no increase in millage (this includes $1 million from race track bond sale).

Professional Negotiations

The "willing to listen" resolution which Douglass presented to the board Tuesday night will be on the agenda for board action in January.

Douglass explained the resolution is not a professional negotiations agreement. Carl Harner, president of Highlands County Education Association, said after the board meeting that HCEA presented a negotiations agreement to the board last Spring and has requested action each month since.

Douglass told the board mandatory negotiations legislation is due for action by the 1969 Legislature and he prefers to "wait the outcome in Tallahassee." Formal recognition of teachers' role in shaping policy on staffing and curriculum is one of the unresolved issues from last Winter's state-wide teacher walkout.

Other Business

In other business Thursday the school board accepted the Superintendent's recommendation that Stephen James Bullard be added to the Lake Placid High faculty, but Chairman Henry Bailey asked for a report on the ratio of teachers now on staff to the state's funding for faculty.

The board approved advancement of Auditorium workers' salaries to meet federal minimum wage requirements. Douglass said the higher wages can be paid the rest of this year without increasing lunch prices, but during the Summer a new salary schedule for lunchroom workers will be studied.

Sinclair Oil of Sebring was awarded a two year contract for petroleum products. The bids were all lower than the current contract. Purchasing Agent Garland Boggus reported.

Highlands County Fair Days were approved January 14 for Avon Park and Lake Placid schools, January 15 for Sebring.

January 7 at 9 A.M. was the time selected for reorganization of the school board. Tuesday's meeting was the last one for R. L. Padgett of Avon Park who declined to run for a second four-year term. He was appointed to the board in 1963 to succeed the late Sam Longbottom, and ran in 1964 for a full term.

Devils Defeat Haines City, Play Here Friday

The Avon Park Red Devils broke into the winning column last Tuesday night with a 49-47 win over the Haines City Hornets here at the high school gym.

The Devils trailed the Hornets throughout the first half and went to the dressing room at halftime behind 20-15. Then in the third quarter Don Strange led a fierce Red Devil attack with 17 points to pace the Avon Park team's 26 point effort in that period.

In the final period the Devils held off a determined Hornet attack to take the two point margin victory. The Haines City team outscored Avon Park 14 to 8 in that final period but the Devils came up with their first win of the season.

Strange led the Devil's scoring effort with 25 points while Macfeherner scored 6 and Don Sisemore and Willie Joe Seigler hit for 5 points each. Roy Claitt came on in the fourth period to score 4 points and spark the Devil's winning effort in the final moments. Joe Hardy scored 3 points and Sumbry hit one free shot before they fouled out.

Avon Park's "B" squad dropped its third straight game to the Haines City junior varsity by a score of 48-20.

The Red Devil varsity basketball team dropped its two opening games of the 1968-69 season last week as DeSoto High of Arcadia romped to a 95-43 win last Friday night and Santa Fe of Lakeland took a 63-54 decision for the Devils here at home last Saturday night.

Tomorrow night (Friday) the Red Devils travel to Frostproof to take on the high scoring Bulldogs and then Saturday night they will return home to host the Okeechobee Brahams. Next Tuesday the Ft. Meade Miners will be here at the high school gym and next Friday the Devils will finish out the pre-Christmas part of the schedule hosting Moore Haven here.

In Arcadia last week it was the Bulldogs all the way as the smooth operating quintet completely outclassed the small, inexperienced Red Devil squad and jumped off to a quick lead and then poured it on as the game progressed. Charles Washington and Deak Gilchrist pumped in 25 and 24 points apiece with Washington hitting 13 of his from the free throw line.

The Red Devils seemed stunned by the fast moving big Bulldogs but recovered somewhat after the first half and finally hit for a total of 43 points against the really tough DeSoto defense.

Three Devils fouled out before

Council Will Lease New Hangar To Lakeland Firm

The Avon Park City Council agreed to lease the new airport hangar to Michael K. Hynes, owner of Lakeland Flying Service, Monday night at their regular meeting.

The airport committee headed by Wayman Carver recommended Hynes after asking each applicant which was interested in leasing the hangar to file a financial report with them. The agreement also ended months of bickering over the lease with Shelley Marrs, who has the old hangar for seven years before the city leased it to Critchfield Marines to build boats.

Carver said there were several points that needed to be discussed about the proposed lease with Hynes before it could be finalized. Hynes told the council that he would like to move in as soon as possible.

Marrs is leasing the hangar until January 1.

In Other Action

Jim McWilliams said he had an option on Lots 9 & 16, Block 14, Oak Park Subdivision. He would like to trade these two lots for Lots 4 and 5, Block 32, Section 21 owned by the City in order to erect a woodworking shop. A discussion was held of city claim to ownership of Lots 9 and 16 of Oak Park. These lots were included in 1941 city condemnation suit. Hancock suggested he confer with Mr. Marrs attorney on ownership question. Mr Williams was told of other sites the city owns which might be available.

Dan Barefield requested possibility of adding more land to the Assembly of God parking lot. It was suggested that the City could sell the required property subject to a reverter clause.

Eddie Johnson appeared before the Council and registered a complaint about barking dogs in the city. He also objected to a cow pen across the street from his home.

Mayor Doerr announced he had appointed Mrs. Ruby Carlson as temporary clerk in the Water Department at a salary of $1.75 per hour. Motion by Mr. Howard, seconded by Mr. Martin to approve employment of Mrs. Ruby Carlson as temporary clerk in the Water Department Mr. Howard, Mr. Martin and Mr. Duggan voted Aye. Mr. Scott and Mr. Lane voted Nay.

Perserverance Saves County Thousands of Dollars This Year

All Highlands County is looking forward to the completion of our new Youth Care detention facility for our delinquent, dependent and underprivileged children. This project was given a good boost last week when Highlands County Judge Mervin Rehrer was advised by the APCI Superintendent Herbert Kelly that inmates will be available to assist in the construction starting Monday, Dec. 16.

Ten inmates, plus a staff member of the Correctional Institute will work with Kenneth Grubb, the general contractor until the building is completed—the estimated time being about five weeks. At todays rates for skilled and semi-skilled craftsmen, this should save Highlands County between $5,000 and $10,000.

When Judge Rehrer was asked how this was accomplished, he stated "that about ten years ago when Louis Wainwright, the present director of prisons, was superintendent of the APCI, they discussed the need of a juvenile detention facility in Highlands County and Mr. Wainwright then mentioned the possibility of trying inmate help." The judge remembered this and for about one year, he has been trying to get the necessary approval.

All this required much correspondence and numerous visits with the Governor, members of the cabinet, the director of prisons and the personnel of the APCI.

One of the conditions of this assistance, is that the inmate help must be under the immediate supervision of a county official or employee. When Judge Rehrer appeared before the board of county commissioners last week, to ask one of them to assume this role and make the project possible, they passed the ball to him and suggested that he assume the responsibility also. He accepted the challenge and will now carry on this function in addition to his many other duties. He is now trying to arrange for feeding these men their noon meal and he is hoping that the various church womens groups will assist in this chore.

Mrs. James Turnbull, one of the trustees for Youth Care, Inc., has volunteered to work with such volunteer groups.

"With the perserverence and personal sacrifices as exhibited by Judge Rehrer and many other citizens, Highlands County will have it's Youth Care Home and other delinquent, dependent and underprivileged children shall be greatly benefited.

Panthers Win Over Forida College

Monday night at the Joel Evers Gym in Wauchula, South Florida Panthers played like Panthers and socked it to Florida Junior College Falcons of Tampa to the tune of 105 to 80.

The starting five of Ballello, Smith, Marovich, Allen and Asher moved the Panthers to a commanding 47 to 33 score at the halftime.

The Panthers played a fine game on defense as they held the Falcons to 12 field goals the first half. Ronnie White and Ronnie Combs did a fine job in

Chamber Offers Free Movie For Children

The Avon Park Chamber of Commerce is giving a Christmas "Gift" to the children of our city! This "gift" is in the form of a free movie, which will be presented at the Hilans Theatre at 10 A.M. Saturday, Dec. 14, for all children in the area.

A special movie, "The Ghost and Mr. Chicken" will be shown, along with several cartoons. The films are recommended by Parents Magazine.

Children may obtain tickets from local merchants who are members of the Chamber of Commerce. There will be no charges for admission, and children are under no obligation to make purchases at participating stores and businesses.

Chamber President Bill Reck said, "we feel that this will give parents an opportunity to do their Christmas shopping while their children are enjoying good, wholesome entertainment."

A $5,000 REWARD has been offered for information leading to solving of the mystery of the disappearance of Elizabeth Lurene Ernstein of Redlands, Calif., above. She last was seen March 18. She is 15, has brown eyes, brown hair, is five feet, five inches, weighs 105 pounds.

GEORGE KELSEY, principal of Avon Park Elementary, and Mrs. H. L. McCully are shown registering Donald Hampton McCall, a fourth grade pupil. Donald is the 1,000th child enrolled at Avon Elementary School.

CLIFFORD M. ABLES

Clifford Ablis New County Parole Officer

Working with persons who have run afoul of the law might be depressing for some people but Highlands County's new probation and parole officer, Clifford M. Ables, finds it a "challenging opportunity to be of service."

He finds that probationers and parolees often are persons who need help to readjust from the 'inside out'. "They are just like anyone else, they need a sense of pride as individuals, and from there we can move toward building useful, productive lives."

Ables took up this task with 77 persons currently under either parole or probation in this county when he moved to Highlands County last week to succeed R. E. Bolkcom.

Ables is being promoted from the probation and parole staff in Lake County.

Ables is a native of South Carolina but moved to Florida as a child and grew up at Sanford. He earned his BA at Stetson University where he was named the outstanding senior in American studies department, and he was awarded a special grant for graduate study in social studies at Stetson.

After college he went into business, and immediately before joining the probation and parole commission he was an insurance investigator.

He said he changed jobs because he believes each person "needs to be of some service to mankind."

Ables is married to the former Elaine Rutledge, a daughter of Arthur B. Rutledge, executive secretary for the home missions board of the Southern Baptist Convention.

Mrs. Ables, majored in psychology and education at Stetson, and she is teaching in a church-related weekday kindergarten in Lake County.

Mr. and Mrs. Ables have two sons — Clifton, 4, and Jason, 8 months. The family is deeply involved in church work, and at Tavares where they have been living, Mr. Ables is secretary for the Jaycees.

FLORIDA ALCOHOLIC REHABILITATION PROGRAM

alco-topics

By PAUL C. FORAKER
Editor, Information Services

The record speaks for itself and the proof grows more positive every day that drinking and driving just don't mix.

Yet many Americans continue to remain apathetic about the situation, thinking that somehow they are somewhat super-human and thus possess the ability to mix alcohol and gasoline.

This idea is based on an intensive effort to ignore the facts. To accept the truth would mean that a sizeable number of drivers would have to give up either their cars or their cocktails—and this they are not willing to do.

What are the facts regarding driving and drinking? The U. S. Department of Transportation recently painted a rather scary picture when it said that drinking by drivers and pedestrians accounts for 25,000 deaths per year, or about half the yearly death toll from all motor vehicle accidents.

To put it more explicitly: The annual death toll from alcohol-related traffic accidents nearly equals the total number of American combat deaths in six years of the Vietnam War.

Yet so little attention is paid to the problem that fewer than 20 research scientists are now known to be at work on it in the entire world.

The Transportation Department says ignorance of what alcohol does is one of the causes of the problem. Too many people think alcohol is a stimulant. It is not. The apparent stimulation is actually the result of a depression of the mechanisms in the brain that normally moderate the driver's behavior.

There's no doubt that in the case of all drivers, "alcohol degrades individual driving performance in many ways, including deteriorations in judgment, ability to concentrate, ability to comprehend, vision, and coordination." Those are the precise words of the U. S. Department of Transportation.

But here's the hitch. Public opinion surveys show that although Americans outwardly seem to favor stronger penalties for drunken driving, they at the same time tend to finalize driving after drinking, feeling that somehow it's all right in their own case.

Another study shows that alcoholics are four times as likely to die in highway crashes as non-alcoholics; that alcoholics involved in accidents very commonly have serious psychiatric problems; and that alcoholics have nearly twice as many accidents as non-alcoholics.

Drinking is a problem for many people here in Florida. If you have such a problem or know of someone who does, this is your invitation to write for free literature on the subject. Drop a card or letter today to FARP's Information Services, Box 1147, Avon Park, Fla., 33825.

RA's Shut Out First Baptist In Final Game

Pioneer Royal Ambassadors of Fellowship Baptist Church shut out First Baptist Church Pioneer RA's 46-0 Saturday in the final game of a three-game touch football series between the two squads.

Saturday's win gave the Fellowship Gators a two-out-of-three edge in the series. Fellowship won the first game, played in November, by a 20-12 margin. Then First Baptist bounced back and beat Fellowship by a 13-0 shut-out in the second contest.

Greg Sapp scored four TD's Saturday for Fellowship. David Meeks crossed the goal line twice, and Eugene Flowers once. Sapp, Meeks, Richard Crews and Jack Moree each contributed one point-after-touchdown.

Others playing on the Fellowship squad were John Pruitt, Phil Cloud, Gary Cobb, Roy Sims, Danny Sims and Franklin Shaffer. Counselor is Paul C. Foraker.

Playing for First Baptist were Billy Sauls, Mike Eberle, Jim Wood, Virgil McInvaie, Tommy Beane, Thomas Reynolds, Dennis Crews and Mike Rihner. Counselor is Lawler Wells.

The two RA chapters have engaged in numerous athletic activities during the past year, including basketball, track, softball and touch football. Plans are now being made to form a church league so that youth of both Fellowship and First Church, as well as other Avon Park churches, can participate in basketball competition during January and February.

Several animals and insects run circles around man when it comes to specialized senses—such as—a rattlesnake can detect temperature changes far more readily than most thermometers—homing pigeons have exceptionally accurate navigational systems—ears of moths are far more sensitive to sound than any microphone—the eye of the eagle and the housefly (and lots of other creatures) are far more effective than those of humans.

Panthers Win

Continued from Page One

relief as did Starrall, Turner, Dixon and McAllister.

This is the week of anticipation for Coach Terrell and many of the Panther basketball and baseball players as it is final exams for the first trimester.

Grades will be posted Tuesday, Dec. 17, and only then will it be known which boys have survived the academic trial at South Florida Junior College.

Saturday night the Panthers journey to DeLand for a game with the Stetson JV. This is the preliminary to the big battle between Stetson and Bethune Cookman College.

The Panthers will be trying to break a three game losing streak having lost games to Lake Sumter 97-91, top ranked Brevard 119 to 77 and St. Pete 120 to 61. Brevard beat Miami North 111 to 71. These are fine teams and demonstrate the strength of the division the Panthers are playing in.

The Panthers have been hot and cold this year, at times looking good and at other times committing a rash of errors to let the other team out of the bag.

"We have used every boy on our squad and are still trying to find the right combination. However, it still is about even and grades will have some bearing upon who plays for the Panthers. We are making progress but we are also still making errors," said Coach Terrell.

Proper Zips Will Insure Faster Delivery

Lines in the parcel post windows will be shorter if Christmas gifts have the proper ZIP Code in the mailing address.

Postmaster Bob Young today reminded mailers that postage for a package is determined by the ZIP Code number.

If the ZIP Code is not in the address, the window clerk must look it up. This obviously slows movement in the parcel post line, he said.

The Postmaster noted that this Christmas, a record volume of mail is expected and "anything that can be done to expedite the processing will ease the burden on the postal employees, speed service and help make a visit to the post office a more pleasant experience.

Most parcel post is sorted and routed by ZIP Codes. Presently, about 95% of all packages come into the Avon Park Post Office with the Codes already in the address, Postmaster Young said.

The key to determining postage for a parcel is the "sectional center," the main post office servicing a large area. As many as 100 post offices may route their mail through the sectional center which is a transportation and marketing hub. The first three numbers of the five-digit ZIP Code represent this major post office. For example Avon Park is an associate office served by the Lakeland sectional center with the three-digit designation 338. Each office served by the Lakeland sectional center has the same three digits, plus two others which identify the individual office. Avon Park's is 33825.

Postmaster Young noted that all deadlines for mailing to assure delivery prior to Christmas have been met with the exception of mail for the immediate local area and the deadline for air mail which expires on December 16.

Scouts Plan Carol Sing Dec. 20 On Mall

The public is invited to participate in the Girl Scout Christmas Sing to be held Friday evening, Dec. 20 at 7 o'clock in the bandstand on the Mall.

All Scouts in the Jacaranda neighborhood are planning this project as their contribution toward making the Christmas season in Avon Park more joyous.

Everyone is invited to join in singing the carols with the Girl Scouts.

over the highway on a cable. The City Clerk was asked to check with the State Road Department about erection of these signs.

The Chamber of Commerce also inquired about pedestrian crossing at Seaboard Coast Line Railroad and Main Street. Howard explained that a sidewalk could not be constructed at this point due to a special type of railroad switch.

Agreed to pave a strip of street at the Steel Products on W. Canfield St. and to widen Feagin Avenue by 5 feet.

To install street lights at N. Central Ave. and W. Palmetto St., at W. Palmetto Street between N. Anoka Ave. and N. U. S. 27, W. Hill Street between N. Florida Ave. and N. Anoka Ave., W. Pleasant St. between N. Byrd Ave. and No. Summit Ave., on S. Forrest Ave. at W. Walnut St., on W. Winthrop St. and North Florida Ave. and to change small lights for mercury vapor lights at E. Church Street between N. Verona Ave. and N. Lake Ave. and at S. Forrest Ave. in front of the Bee Hive.

A report was given on damage to an airplane which hit a tree at the airport with its wing. This has been referred to the insurance company.

A discussion was held of new water meters which have been installed but connection not made between the meter and the house. The City Attorney pointed out that this was in violation of Sec. B of Ordinance No. 482.

Set Christmas Holidays as Wednesday, Thursday and Friday, Dec. 25 thru 27, and to give each city employee a $15 Christmas bonus.

Howard registered a complaint from Mr. Singletary of S. Verona Ave. that he had received a warning ticket while parked in front of his home. No Parking in front of the High School between the hours of 7 - 9 A.M. and 2 - 4 P.M. is the present regulation. The Chief of Police assured that any car moved before 7:45 A.M. would not be ticketed.

Agreed to give city employees 4% raise to nearest 50c per week effective this week except office employees.

Bonnie Brae Mobile Home News

The Duquennes (Marge and Frank) are spending a week at Fort Meyers due to their grandson, Georgie, being hospitalized. Georgie is the son of Mr. and Mrs. Joseph Burgess.

Marie and Paddy Lizotte and Ellen and Chris Shorten visited Palm Beach last Wednesday. A most pleasant day was enjoyed, shopping and also visiting the Flagler Museum.

Fred Bates of R.D. 1, Amsterdam, N. Y., and Clarence Foote, R.D. 2 of Delanson, N. Y., arrived at Bonnie Brae on Friday afternoon. Mr. Bates has purchased the Mobile Home formerly owned by Mary and Howard Heslin, and is a newcomer to the park. Welcome Fred! Also a welcome to Clarence from his many friends of former years.

Mr. and Mrs. Max Putman and Mr. and Mrs. Frank H. Foote made a trip to Lakeland last Thursday.

Congratulations to the Parhams (Marie and Ed) on their new larger Mobile Home which they purchased last week.

The first meeting of the Christmas Party Committee was held on Tuesday. Our party this year is to be held on Friday, Dec. 20. Those on the committee are Thelma Chalmers, Evelyn Hockley, Maud Foote, Hazel Jedray, Ruby Pummill and Lorraine Robinson. Mary Porter and her daughter, Janet Hunt, have already trimmed the tree in the recreation hall. More details of the party will be given next week.

Our deepest sympathy is extended to the VanBurens (Esther and Bill) on the death of Esther's sister, Mrs. Harriet Hirschfield. The VanBurens attended the funeral on Thursday of last week, at St. Petersburg.

Hostesses of the coffee hour last week were Florence Affholder and Ethel Putman. During coffee hour we learned that it was Mrs. Comfort's birthday. Belated birthday wishes from all at Bonnie Brae, Daily!

Mr. and Mrs. Henry McCusker of Claremont, N. H., and Wells, Maine, visited with Hazel and Harry Jedrey last week on Friday. They all enjoyed a trip to Jensen Beach to call on the Lamberts from Wells. During the Summer, Hazel and Harry sold their Summer home at Wells. Their Summer home is now at Barrington, Maine.

Mrs. Ruth Johnson and Al Schmidt, both of Sarasota, visited with Thelma Chalmers on Wednesday.

Congratulations to the Knapps (Mary and Floyd) who have moved into the Mobile Home formerly owned by Mr. and Mrs. Lamson.

The Affholders (Florence and Jerry) spent Monday in Tampa. While there they visited a former schoolmate of Florence's, Mrs. Herrick and her husband, Vernon.

New Life Committee Meet Monday

The Group's Committee met at the home of Mrs. Edgar Smoot Monday morning, 9:30 A.M. to make plans for the coming New Life Mission at the First United Methodist Church, January 5, through the 10th.

Plans were made for Prayer Breakfasts, that week to be held in different homes, until the New Life Mission Begins. A home is usually more conducive to good conversation, than a Church. Small groups will have open discussions, prayers and light refreshments. One of the most hopeful moments now arising in the church, aims at the recovering of Christian fellowship through small groups. Serious conversation seems to be a lost art, in our generation. Nobody has time to sit and meditate or have serious talks with the family.

Plans are also being made for a twelve hour Prayer Vigil, to be held in the Church on January 4, 8:00 A.M. to 8:00 P.M. During this twelve hour period anyone can go to the church to give Thanks and Pray.

Southland Trailer Court News

Friends in the park received word that Mr. Will Drake passed away Sunday morning at Westhampton Nursing Home in New York. He was 86 years old. Funeral was Tuesday at Patchogue, N. Y., with burial in Smithfield Cemetary at Elmira. He is survived by two daughters, Marian and Vivian. Mrs. Drake passed away about two years ago. Friends here have fond memories of Will and Ida Drake.

Twenty-nine were out for coffee and donuts Tuesday morning. Sam Walton, general chairman, announced they will be moving into their new home soon. Sam hopes park members have enjoyed working with him as much as he has working with them. He received a hot hand. He said they are moving into the white house—the one on corner of Highlands and Cumphor. We regret to have them move, but hope they will enjoy their home.

Lem Hostetter has taken up gardening. For those who like fresh vegetables you might be able to get them from Lem. He has also sown wheat. If you see him pounding two stones together you will know they are preparing to have bread made from flour of their own grinding.

Fern Haas and Florence Baker were guests of the Paxtons for lunch on Wednesday.

Pinochle, to be played on the first Wednesday evening of each month, has been added to our list of activities. Those who like to play pinochle will enjoy coming to the hall on that night.

Clay Cull and Everett Paxton visited the Winter Haven Tourist and Shuffleboard Club on Thursday and Friday shuffling in the Chain-o-Lakes tournament. They were happy to win first in consolation. There were 14 teams from Avon Park Club and a large number of teams from other clubs in the district.

Several of our park members are having flu.

Fifteen were out for miscellaneous cards Friday night at the Hall.

Eight players turned out to shuffle Friday afternoon. The final game was won by Francis McRae and Myrtle Hefferman with 80 to 36 over Dorcas Young and Evelyn Fritz. Consolation winners were Byron Jeremy and Winnie Lumpkin with 86 to 27 over Goldia Daun and Mary Strickland.

Twelve of our park members attended the Winter Guest Club supper Saturday night.

The McClarys entertained the Southlanders at a bingo party Saturday night. About 30 came to play bingo and had a good time. Cash door prizes were won by Laura Bernthal and Neville Clark. The hosts served donuts and cider at the close of the playing. Thanks to the McClarys for a nice evening.

The Barths and Renauds arrived Friday afternoon from their New York homes to spend the Winer in Southland. They had a very pleasant trip down, and all are feeling fine. Welcome friends!

Take a look at the nice, new, shiny door to the rest room adjacent to the laundry.

Ben Henningham was pleasantly surprised Sunday morning when an old friend and business associate called. Mrs. Ernie Wilson (Bessie) from Collins, N. Y., and her sister and husband from Ontario, N. Y., stopped by to say "hello." Ben had not seen Mrs. Wilson for 14 years. She is wintering at Bradenton.

William and Mary Hadley of Tavares were visitors of the Lumpkins Saturday. In the afternoon they visited Barbara Lumpkin and other friends at Sebring.

We are glad to welcome Mr. and Mrs. William Pierce of Rockford, Ill., to Southland, for the Winter. We hope they will enjoy their stay in Southland. They are located on Lot No. 133.

Mrs. Elethorpe joined Mr. Elethorpe Sunday. Friends were driving to Florida and asked her to ride with them. Her son-in-law remains in a critical condition at their home in New York.

Alta Robinson returned home yesterday from Walker Memorial. She is more comfortable of her illness. Upon return however, she found her neice and husband from Canada, who were coming to be with her during the recuperation period, stricken with the flu which they had picked up coming down. We hope all of them will soon be on the mend.

Campground News

Mr. and Mrs. Fred and Mr. and Mrs. Clair Schoenhals of Michigan have arrived at their homes on the campground.

Mr. and Mrs. L. E. Dietz of near Chattanooga, Tenn. arrived Friday to be at home on N. Peniel.

Mr. and Mrs. Jerome Shiltz arrived home Thursday having flown north for the funeral of Mrs. Shiltz's mother Mrs. Claude Rot.

ROTARY CLUB NEWS

By POWELL WAITE

The Rotary Club guest speaker for last week's meeting was Don Brooks, Boy Scouts' Executive of the Highlands District. His presentation was in the form of a filmstrip and a brief discussion concerning the value of scouting.

Scouting, more than any other activity, helps our young boys bridge the gap between boyhood and manhood. Scouting is an education for young boys which they can't get any other place. Many of our countries leaders received their early leadership training in Boy Scouts. Among them are over 300 members of the House and Senate and 29 present day governors. One point Mr. Brooks made concerning the lasting value of scouting is that very few of our present day hippies demonstrators and draft card burners were ever Boy Scouts. This point has been brought out by many judges in our courts.

In the 59 years that the Boy Scouts of America has been organized it has continued to be successful because of dedicated citizens. Through the efforts of these citizens Boy Scouts has reached one out of four boys in the United States. Realizing that more boys should be active in scouts a nation-wide effort will be culminated in 1976 which will coincide with the 200th anniversary of the United States. The Boy Scouts have named their membership drive "Boy Power For '76."

In discussing the local scouting situation for Avon Park, Mr. Brooks stressed the need for workers. The demand is present as approximately 150 boys in Avon Park would like to join a Cub or Boy Scout unit. New units cannot be organized without adult leadership. At the present time there are five scout units in Avon Park.

Mr. Brooks pointed out, contrary to reports in the newspaper, that girls will not be admitted into Cub Scouts or Boy Scouts. The only area of scouting which may admit girls is the Explorer group, and Mr. Brooks is interested in organizing such a group in Avon Park.

Rev. and Mrs. Tilden Gaddis are back at their home on Kingdomway.

The world's highest mountain pass (28,850 feet) is on Mt. Everest, and is about twice as high as the highest in U. S.
