THIRTY-THREE registered nurses and LPN nurses received instructions from Dr. A. H. Foster and Dr. Donald Hartwell in a practice session on resusitation using Resussi-Ann Dolls which were donated from the Florida Heart Association. This was held in preparation for intensive care unit. Dr. Foster lectured on the nurses roll emergency measures on Cardio-Pulmonary Resusitation. Dr. Hartwell spoke on medication as related to coronary care. Mrs. Mary Williams L.P.N. is receiving instructions.

Girl Scouts Will Sing Carols On Mall Dec. 19

Christmas songs will be sung by the Girl Scouts Tuesday evening, Dec. 19 at 7:00 p.m. on the Mall at the Band Stand.

It will be followed by a community sing of carols. All six of the girl scout troops in the Jacaranda Neighborhood will participate in the progam. That will involve 150 girls.

The girl scouts and their leaders have been working for some time on the songs they plan to sing.

After each troop has sung, the audience will be invited to sing carols along with them. Mrs. H. T. Harvell of Sebring will accompany the groups on the Wurlitzer organ she is furnishing.

The public is invited and it is hoped that many will come, not only to hear these girls but also to sing with them.

Package Yourself As Carefully As Your Gifts With Seat Belts

TALLAHASSEE — Christmas shoppers were reminded by the Florida Highway Patrol today to package themselves in their vehicles as carefully as they package Christmas gifts by always using seat belts on trips across town or across country.

Colonel H. N. Kirkman, Director of the Department of Public Safety, said: "Gifts must be secured and cushioned so that they do not move around inside the package. In the same way vehicle occupants need to be held in place by seat belts to prevent serious injuries in wrecks."

Research has shown that chances of survival in traffic crashes are much greater when seat belts are used.

Kirkman concluded, "We hope you will show as much concern for yourself and your family as you do for your Christmas gifts."

Troop 157 To Hold Court of Honor Monday Night at Episcopal Church

Boy Scout Troop 157 will hold a Court of Honor and Parents' Night Monday evening, Dec. 18, 7:30 p.m. at the Parish House of the Episcopal Church of the Redeemer. Troop 157, sponsored for 45 years by the Kiwanis Club of Avon Park, is the oldest troop in the Highlands District and one of the 5 oldest in the Gulf Ridge Council.

Scoutmaster J. S. Murphy stated that second-class ranks will be awarded to Tom Vanderbilt, and merit badges awarded to Bill Knapp, Jeff Pohle, and Doug Ayerst. A mass investiture ceremony will confer tenderfoot rank upon all scouts who have joined the troop this fall.

Murphy, who has two sons in the troop, will tell the parents of his plan for troop activities during the coming months. Several hikes and campouts are being planned for the near future. The new Tenderfoot scouts began the first of their 3 required hikes for graduation rank two weeks ago with a day spent on a ranch near Frostproof.

All parents of scouts are urged to attend the meeting as well as parents of boys age 11 and older who are interested in becoming scouts. Application forms will be available at the meeting for prospective scouts.

Meetings of Troop 157 are held at the Episcopal Parish House on Mondays. Pre-meeting games are played from 7 until 7:30 and the meeting begins at 7:30 and adjourns at 8:30. Further information can be secured from Scoutmaster Murphy at the meeting Monday or from Scout Leaders Ricky Green, Bill Knapp, Jeff Pohle, Doug Ayerst, or Chuck Watson.

F.H.A. Xmas Program

The annual FHA Christmas Program was held on Monday, December 11, at 7:30 in the high school auditorium.

Mrs. Lou Miller presented a program on Christmas, which included gift items, decorations, ways to prevent food gifts, and wrapping packages.

She was assisted by her husband, Lou, daughters, Patricia and Barbara, and Mrs. R. A. Henry.

She gave several ideas for gifts which could be made from odds and ends around the house. The gift items were useful and inexpensive.

Attractive and interesting gift wrapping was shown to suit the individual's personality as well as to conceal the gift.

Door prizes were awarded to Dot Thompson, Sue Ayerst, and Susie Biggs.

Bulldogs Edge Devils 85-59 Friday Night

The Red Devil varsity cagers dropped their second game of the season last Friday night to the DeSoto High Bulldogs by a score of 85-59 but the Avon Park "B" squad stayed in the undefeated ranks racking up its third straight victory of the season with a 63-43 margin over the Arcadia Jayvees.

Coach John Gambrell's Arcadia varsity simply overpowered the Devils with too much height and excellent ball handling and shooting in the Friday night cap. It was the first game for the DeSoto squad and the Devils stayed in the game with the tall Bulldogs for the first half but couldn't hold the pace and fell behind to lose by the 16 point margin.

Bulldog forward Charles Washington led the winners with 21 points and center James Gilchrist, six foot, four-inches tall, pumped in 19. Avon Park's scoring effort was led by guard Donald Strange who also was high game scorer with 24 points on eight field goals and eight free shots. Devils Jim Williams and Charles Magenheimer hit for 10 points each.

The Avon Park "B" squad led all the way paced by the 23 point scoring effort of Don Seamore. Clyde Sumbry added 15 points for the winners and Joe Hardy hit for 8 markers. Three Arcadia Jayvee players hit in the double figures to keep the Junior Bulldogs in contention. Dodd had 12, Clifton hit for 11, and Wesley had 10 for the losers. Avon Park led 23-9 at the first quarter, 39-19 at the half, 51-32 at the end of the third period and 63-43 for a final score.

Even in the gentle days when croquet was all the rage, mothers were warning their daughters of men and their wicket ways.

The Library Corner

Are you a fan of Ogden Nash? Here is one of his approaches to our Library Corner:

Take off with books,
Not with the rocket's roar,
Take off in silence
And in fancy wear
At rocket speed
To every land and time,
And see, spread out beneath,
Past, present, future as you
higher climb,
Explore those worlds the
rocket cannot reach,
Troy, Camelot, and Crusoe's
lonely beach.
No path to hid, no dazzling
secret hid;
Books reached the moon
before real rockets did.

Miss Stevenson departs from her usual setting in London and Scotland to place this story in the southwestern part of England. Here overlooking the English Channel is "The House On The Cliff." For years it has been the home of the Wave family. When the last of the family, Elfreda Jan Wave, inherits the house, she is determined to settle down to a quiet life.

But Elfreda is not prepared for Devon. The only life she has known has been that of a hot-rant act-ess. Now her new country neighbors, though friendly, seem strange, and the big house itself seems unpleasantly isolated. Ignorant of local attitudes and customs, Elfreda lands her first into a series of uncomfortable situations — often with shatteringly funny results.

A delightful hot pourri of laughter, love, intrigue, and suspense, "The House On The Cliff" introduces an entirely new set of characters to the D. E. Stevenson reader.

The fellow who is constantly busy as a bee seldom has time for his honey.

The reluctant home gardener looks back on those long summer evenings as daylight slaving time.

First County Zoning Board Is Appointed

Appointments to Highlands County's first zoning board were announced by the county commissioners at their meeting Tuesday. Each of the seven members of the board is to serve "at the pleasure of the commission."

Members of the new board are from commission district 1, Robert Barben, citrus grower, from district 2, Ted Shoemaker, plumbing contractor, district III, Floyd H Clark, coordinator of mathematics and science for Highlands County schools, district 4, W H Cannon, citrus grower, district 5, Mrs. G Franklyn Ward, housewife who is a member of the Avon Park zoning board, members at large, Larry W Davis of Sebring, salesman, and R P Dunty, Jr., Lake Placid, lawyer.

The board which will have broad powers in the zoning regulations within the county will begin meeting early in the new year, John Short Jr. director of zoning, told the commissioners Tuesday. There is no real rush in naming the zoning board, but we could begin working on this together and the board could help in formulating policy.

The commissioners, who had requested the special legislation to enable Highlands County to establish county-wide zoning, said they are eager for the board to begin working with the director who has been on the job since mid-November.

Commissioner Cecil Skipper said each of the zoning board members has been contacted and, "Each of these seven board members has been told that this work will be hard, often a headache, but it is vital to the future of this county and service on the zoning board is a real good contribution to a better county."

Commissioner Jean Whitaker added that board members are serving without pay. The law does provide for the county to reimburse them for expenses.

Zoning Director Short, newly returned from a state meeting of planning and zoning commissioners, said Tuesday that he had heard much about the impact Interama and Disney World would bring to central Florida. "These new developments will have an impact here, and we must plan quickly but carefully." Short told the commissioners.

Road Priorities

Planning the county road work came in for discussion at the final meeting of the county commission in 1967. Commissioner Whitaker opened the discussion by moving to remove the Jessie Vaughn Road and Spring Garden Road in Sebring Shores from the county road priority list.

Two-Headed Pig Fails to Survive; Carcas Preserved for Biology Study

The little two headed pig that was born to Mr. John White's sow last Thursday gave up the hard struggle Saturday morning after creating quite a furore.

The strange little creature, the first ever born in this area, had two perfectly formed heads and drank milk, fed from an eye dropper by Mrs. White, through both mouths.

According to Mrs. John White, of Rt. 2, Box 660, Avon Park, Mr. White went out to the farrowing pen Thusday morning to check on the condition of his Duroc and Hampshire sow and found eight bodies and nine heads. He carried the strange little creature to veterinarian Dr. Henderson, of Wauchula, who checked the pig over and declared him perfect from the neck back, but due to the two heads, held out little hope that the baby pig would survive.

Mrs. White said that they brought him home and she fed him with an eye dropper. Whole milk was used, which they get from the dairy next to their farm.

After calling the principal at the high school, Mrs. White said the pig was taken to the school so that the F.F.A. members, and the biology class could see him. As word of the strange birth spread, people started coming to the farm to see the little fellow, and, according to Mrs. White, a circus man came all the way from Melbourne, and tried to buy it.

When the little pig died Saturday morning, the Whites took him back to Dr. Henderson, who preserved it in a jar of chemical. Mrs. White stated that the family want to keep the body so that interested people and biology students can view it. She also would like to hear from anyone who has seen or heard of a two headed pig being born before.

Three Youths Break In Elementary

Three young boys playing about the buildings of the Avon Park Elementary school last Sunday broke into one of the classrooms and caused extensive damage to the classroom and some of the Christmas decorations before they were apprehended by one of the school officials.

Parents of the boys were notified and agreed to clean up the mess and make restitution for the damage.

High School Principal Guy Garrett stated that from now on no children would be allowed to play in the vicinity of the buildings except on school days when they are under supervision.

Names of the boys were not released because of their age.

Teenagers Damage Golf Course

Three teenagers, pleading that they did not know they were on a golf course, have entered pleas of not guilty on charges of damaging city property.

Deputy Sheriff Wayne Harris arrested the trio as they drove on the Avon Park Golf Course, damaging the green for one hole extensively.

Jefferey Gressett, 18, of Avon Park; John Eugene Brown, 17, and Glenn Dwight Calvin, 17, entered their pleas in County Judge's Court an were freed after posting bonds of $1,000 each.

Gressett is an Avon Park resident, and the others live in Ft. Meade.

Avon Park golfers have been complaining about drivers using the golf course for driving, all areas near the highway have been used as turning drives. The trio arrested by Harris said they did not know a golf course was in the region where they were driving.

Hunter Killed In Accident At Range

Marvin King, 16, son of J. C. King, well known brick mason of Lake Wales, was killed about 9 a.m. last Sunday in a deer hunting accident at the Bombing Range.

The accident happened on a deer stand near the North gate of the Bombing Range. According to facts reported to Game Management Specialist Glynn H Ivey, Mr. King and his two boys, Marvin, 16, and Mike, 12, were hunting deer near the edge of a swamp. Mr. King went back to release his dogs, leaving the boys at separate stands. One of the other hunters in the party heard a shot, and later, when they went to investigate, Marvin was found lying on his gun at the foot of a tree. Although the safety was still on, the weapon had been fired, the charge entering the right jawbone, and out the top of the head. No one saw the accident happen, but it was thought that on climbing down from the tree, the boy's gun has somehow discharged, killing him.

An ambulance was summoned from Highlands Ambulance Service in Avon Park, and Dr. Dunham of Frostproof pronounced the boy dead. The body was taken to the Marion Nelson Funeral Home in Lake Wales.

Marvin was born in Lake Wales, and was a student at the Lake Wales High School. He was also a member of the Interact Club and the Baptist Church.

Broward Coker To Retire From Office

The race for one of Highlands County's top elective jobs has been thrown wide open with the surprise announcement that veteran Sheriff Broward Coker will not seek a sixth term.

Sheriff Coker, who began work in the county sheriff's department in 1933, made public his decision to retire with a formal statement at Tuesday's county commission meeting.

He was first elected sheriff in 1948, and was re-elected in 1952, 1956, 1960 and 1964—the last three times without opposition. Few Florida sheriffs have held office longer, and among county officials only Roland X. Drost—supervisor of elections and tag agent, elected in 1944—has accumulated more years in office.

At the time of the 1964 campaign Sheriff Coker had told friends he would not run again, but he had continued to use a favorite phrase, "I never quit campaigning," and hints about retirement had not been taken seriously.

In his prepared statement, Sheriff Coker said, "I will always be interested and concerned about law enforcement, especially in Highlands County, but the time has come, so my wife and I are going to start seriously trying to catch that 19-pound bass."

The Sheriff celebrated his 60th birthday on March 1. He was born in Gardner, Fla., in old DeSoto County, that area now is Hardee County. He attended DeSoto County schools, University of Florida and Rollins College.

In January, 1933, he came to work in the Highlands County sheriff's department—which was only 12 years old but had already had four administrations. Coker was appointed deputy by Doyle Schumacher.

"We only had one or two deputies in those days so I did the office work, worked outside—just wherever I was needed at the moment," Coker recalls.

After two terms, Schumacher decided not to run, and he was succeeded by "Shorty" Long. Coker worked under him for a year before enlisting in the Army. He served for three and a half years, earning a Bronze Star for bravery in action in the European Theatre. He came out of the service a master sergeant.

When he returned to civilian life Schumacher had returned to office and served another term. When he retired again—in 1948—Deputy Coker made his first race for the sheriff's post.

Coker Wins Honors

In nearly two decades of law enforcement work, Sheriff Coker has gained honors for his work and for his department. He received the Mutual Broadcasting System Official Detective Citation for outstanding achievement.

He has received the Florida Junior Chamber of Commerce Good Government Award, the Avon Park Jaycees Good Government Award, the Sebring Firemen's Association "Man of the Year" award.

In the late 1950's a new county jail was constructed, and it immediately received an architects award as the model small jail in the nation.

He has been active in work for Florida Sheriffs Boys Ranch since its founding and has been a member of its board of trustees.

He is a past president of the Florida Sheriffs Association, has also been a first vice president of that association and at present is a member of the board of directors.

Sheriff Coker is a member of the Baptist Church, Masons, Lions Club, American Legion, Chamber of Commerce, and Sebring Firemen.

The department staff—"one or two" when Coker began to work there in 1933 now numbers 21. "I couldn't attempt to estimate how many times the work of this department has multiplied," Sheriff Coker said today.

"In the early 1930's we had practically no traffic cases—those were rare. We had trouble with bootleggers for a long time after prohibition officially ended.

"Breaking and entering have increased—well crime of all kinds has increased in these years. The work has not only increased in volume, it has become more complicated," said Coker.

In a recent interview on training for law enforcement personnel, Coker had commented, "A modern police officer has to make on the spur of the moment a decision that the best trained judges will take years to ponder and then come up with a split decision."

No Official Candidates

The formal announcement of Sheriff Coker's retirement caught possible candidates off guard. R H Barringer, chief deputy under Coker for 19 years, when asked if he would become a candidate for the top spot in the department said, "I'll have to think it over."

Col. W. J. Atkinson, chairman of the county's Republican executive committee and frequent critic of the Democratic Coker, said the Republicans would not be ready to make any announcement for sometime yet, this is too early."

Jack Hancock, deputy under Sheriff Coker for some years and a 1966 candidate for clerk of the circuit court, is among the Democrats who will not be a candidate for the sheriff's position.

Hancock recently graduated from the University of Florida law school and was admitted to the Florida bar. When asked about possibly returning to the sheriff's department he responded: "I decided about that a long time ago. sheriff is one job I don't want. The responsibility is tremendous and the pressure terrific.

"Right now I have my hands full getting started in the practice of law. I feel like a man stringing a barbed wire fence for the first time. After I get my feet on the ground I might sometime be interested in looking around for new avenues of service—but that is not the present—hat's off in the future," the new lawyer concluded.

Other Democrats rumored to be interested in the job—the highest paid of the county's elective officers—are all declining comment now.

Legislation passed some years ago provides that the Sheriff's salary should be equal to that of the highest paid county official. In recen years the pacesetter has been the county school superintendent whose pay, al-

Red Devils Lose to Hardee Wildcats In Last Game Before Holidays

The Avon Park "B" basketball team roared to a 50-point holiday record with a 55-47 victory over the Hardee Jayvee squad in Wauchula last Friday night but the Red Devil varsity lost for the fourth time in five outings by a score of 79-46 to the Wildcat varsity in the nightcap.

The Devils "B" team will be idle until January 2 when they open a double-header here at the high school gym against Fort Meade at 6:30. The varsity will compete in the DeSoto High Christmas Invitational Tournament in Arcadia Thursday, Friday and Saturday, December 28, 29, and 30.

Avon Park played Hardee basket for basket until midway in the final quarter when the height advantage of the Wildcats paid off as the Devils tired and the final score didn't indicate the tempo of the game. Devil Jim Williams sat out the first quarter and then came on to pump in 30 points for high scoring honors for the game but four Wildcats hit in the double figures to sink the Devils hopes. Tom Newsome scored 25 for the winners followed by Beatty with 18, Marcvich with 17, and Jones with 11.

Avon Park's Bill Knapp played his best game of the season scoring 12 points and leading the Devils with 11 rebounds. Kenny Dixon hit for 9 points, Ivan Lemler had 8 points, Don Strange scored 4, and Lucius Taylor hit one field goal for 2 points. Jim Magenheimer was out of action due to a severe muscle injury.

The Avon Park "B" team led all the way and Coach Fred Sandlin cleared his bench in the final quarter to give all the boys some action as they took the 55-45 win from the Junior Wildcats. Don Sizemore raised his season total to 85 points as he pumped in 6 field goals and 6 free shots for 18 points. Clyde Sumbry scored 14 points for the Devils and Roy Claitt hit for 10 points. Claitt and Joe Hardy had 12 rebounds each to lead the Devil "Bees" defensively. Claitt is third high scorer for the five games with 46 points, Sumbry has a total of 47, Hardy has 36 and Seigler has 25 thus far. Jim Magenheimer has hit for 12 points, Clark Jackson has scored 10, Johnny Hamilton has a total of 6, Albert Mass has contributed 5 points to the Devils' cause and Phillip Hall has scored 4 points. Joe Franza joined the squad this week and saw action for a few seconds last week.

Leading the varsity scoring for the five games is Donald Strange with a total of 93 points followed by Jim Williams with 62. Magenheimer has a total of 28, Dixon and Knapp have scored 23 each, Taylor has hit for 21, Lemler has scored 19, Welch has 8, McNeil 4, Richards 2 and Watson has yet to hit.

SANTA CLAUS arrives at the Avon Elementary school Tuesday morning atop of Art Wilhite's Fireball Red Jeep.

Avon Park Police Chief Earl T. Gordon has stated that there seems to be a rash of people running stop signs and not yielding the right of way. According to Chief Gordon there were 13 traffic accidents last month and at least half of them were caused by drivers not stopping at stop signs.

Chief Gordon also said that with the holidays only a few days off, he hoped people driving in town would be extra careful, and exercise just a little old fashioned courtesy, which would help to cut down on the accident toll. Gordon said that a lot of people in Bougainvillea Cemetery had the right of way. But they were dead right.

Coker—

(Continued from Page 1)

though set by the county school board, is related to a complicated formula based on the teachers salary index.

The sheriff's present salary of $14,345 ranks seventh in the state. The top is in Escambia County at $19,123.35. Others topping Highlands salary are Broward, Duval, Dade, Pinellas, Orange and Hillsborough (the last two tied at $14,500).

Sheriff Coker is the second official to announce that he will not be a candidate in 1968.

In making his formal announcement at the commission meeting Tuesday, Sheriff Coker commented by saying, "I've decided to join Carl McIntyre among the unemployed."

Sheriff Coker, who is married and has one son, said he will continue to make his home at 721 Eucalyptus — just three blocks from his present office in the county jail.

Coker's Statement

It is with mixed emotions that I announce that I will not be a candidate for re-election.

Every man works toward the day of retirement either by the process of passing time or with great expectations.

A lot of time has passed since I went to work in the sheriff's office in January, 1933, with 3½ years time-out for the Army). I was elected and took office in January, 1949 and am now completing my fifth term, or a total of 36 years in public service.

I wish to say that the type of citizens we have in Highlands County has made these years a rewarding experience. The general public in Highlands County has provided an atmosphere of good citizenship and cooperation that has made my job much easier, by knowing I had their support and encouragement.

I have tried to build an efficient and well trained group of people. My record in office is proof that together my deputies and the citizens in general have believed, as I do, in good law enforcement.

I will always be interested and concerned about law enforcement, especially in Highlands County, but the time has come, so my wife and I are going to start seriously trying to catch that 10-pound bass.

I want to thank each of you for the privilege of serving, and assure you that in the remaining year of my term, the service and efforts of the department will continue as in the past.

Many awards and rewards have been given me, but the finest has always been the friendship and support of the citizens of Highlands County. Thank you.

"We cannot get to these roads for sometime, and I think it would be well to remove them until we are closer to actual work on them," said Whitaker in support of the motion which passed.

Commissioner Earl Crutchfield did not vote against removing the two roads but said he felt the better approach would be renewed efforts to publicize the meeting of the priority list.

"I wish the press would explain that if we put a road on the priority list it does not mean we'll start work on it right away, it doesn't even mean we'll get to it in three or four months," Crutchfield said.

"We cannot work on a road until it has been placed on the priority list," he explained and added, "the list is future work which we can and will do as fast as money, men and time are available. The list enables us to plan our work into the future and go about it in a business-like way."

When asked about the time lag between placement on the priority list and commencing of actual work Crutchfield estimated the lapse could be as much as a year to 18 months. "I hate to say we are running behind," he said. "There was backlog of work piled up when this commission took office."

Crutchfield is completing his first year on the county commission. Cecil Skipper, now the senior member of the board, added, "We were behind when I came on the board and we are still behind—in nine years we have not caught up with all that needs to be done."

New Boat Ramps

At Tuesday's commission meeting Clerk Earl Rich said the Florida Fresh Water Fish and Game Commission had approved four more boat ramp sites and will begin work on them soon. They are on Lake Istokpoga, at Sunset Shores, at Highlands Park Estates, on Lake Clay and on the Southwest shore of Lake Sebring. Four ramps have been completed recently, Rich reported, and they are on Lake Letta, at Red Beach, at Sand Beach and on West Lake Josephine.

Tuesday the board instructed the clerk to ask the Department of Public Safety to set up a January meeting with staff members who will visit the county to prepare for commencing the motor vehicle inspection program.

Rotary Report

Last week Charley Collins introduced Kenneth Eberle who brought us a liberal sample of his High School Glee Club.

Kenneth rates himself as part of the group for he thoroughly enjoys singing and being part of them.

It was readily understandable when we heard him render "What child is this?" In addition to Kenneth's leading we were treated to Pianist direction by Gail Chestnut with Sude Marshall as assistant. The group followed Kenneth's solo rendering:

"Hark the Herald Angels Sing"

"We Three Kings of Orient Are"

"Silent Night"

"Angels from Realm of Glory"

The program was a real treat for us and a worthwhile introduction for the full scale Christmas concert to be given in the High School Auditorium. Kenneth gave us a hearty and cordial invitation to attend.

Hunting Will Be Allowed Christmas Day

The Avon Park Wildlife Management Area will be open to hunting on Christmas Day according to Major J. O. Brown, Regional Manager, Game and Fresh Water Fish Commission.

"We have been advised by the Air Force there will not be any bombing activities on the bombing range on Christmas Day. To give hunters the maximum number of days to hunt, we decided to open the management area to hunting on Christmas Day", said Major Brown.

"The Avon Park Management Area being open to hunting on Christmas Day will give hunters the opportunity to hunt Dec. 24 and 25," added Major Brown.

Chamber To Meet Today

The Avon Park Chamber of Commerce will have a breakfast meeting at 7:30 a.m. this morning (Thursday), Dec. 21 at Griffin's Restaurant.

It is very important that all members of the Board of Directors attend this meeting.

and abundant good cheer

The girls are, left to right, Mrs. Janice Barefield, Miss Cheryl Guerndt, and Miss Diane Landgess, with Paul C. Foraker accompanying them at the piano. FARC Chaplain Archie Reed presided over the service, which included the singing of Christmas Carols and the reading of Scripture passages relating to the birth of Christ. Girl Scouts Sang Christmas Songs On Bandstand Tuesday Night

Tuesday night about 150 Girl Scouts in full dress uniform sang Christmas songs on the Mall in Avon Park.

A large Christmas tree on the bandstand was lighted to put the spectators in the Christmas mood.

The scouts entered the Mall to the strains of "Silent Night." Each girl carried a burning candle.

Brownie Troops 67, 140, 143, Junior troops 303 and 206 and Cadette Troop 117 participated in the neighborhood project.

Janet James, senior scout, served as mistress of ceremonies and Patty Miller, also a senior scout, assisted the leaders.

After each troop had sung its three favorite Christmas songs, the audience was invited to sing carols along with the scouts. Many shoppers were attracted to the music and joined in the singing.

Mrs. H. J. Harrell, Sebring, provided the organ accompanist and it was through her efforts an agent that a Wurlitzer organ was made available.

This large group of girls singing together effectively displayed something of the strength of the Girl Scout program. The service they give a community is often unsung but their benefits to all concerned are boundless.

After the caroling the Sun Twirlers Patrol of Cadette Troop 117 entertained a needy family of children at a Christmas party.

The Moon Spinners Patrol entertained their adopted family on Wednesday night. The parties the girls planned were complete with toys, games, refreshments and food for their holiday dinner.

On Monday Junior Troops 305 and 206 had a Christmas party at Resthaven, a home for the elderly located on the Wauchula Road. This party also included presents, refreshments and Girl Scout smiles.

Girl Scout troops will not meet during the Christmas holidays. Meetings will be resumed after the first of the year.

The Eye of the Storm written by John Hersey in 1967 is a psycological novel leading up to a powerful and ironic ending.

Dr. Medlar, sometimes called Dr. Meticulous, was a specialist in liver ailments. He chose to be a specialist in liver ailments for when it came time for the interns to choose specialties, this was not a popular field. As such he thought it would be easier to make a name for himself. Although he was a success, he knew there was much left to be desired. Instead of dwelling on the issue of moral failure he felt not only he himself was, but most doctors were, he took to being "exact" in little things — the humdrum details.

As the story opens he is vacationing with his wife and friends, Flicker and Dottie Hamlin, cruising in his sailboat off the Georgia coast. The tale progresses as the boat moves toward the center of a great storm, out into a huge, dark cone of uncertainty. The two marriages seem to react to the barometer.

The young doctor skipper follows his obsession of prudent attention to the details of life which can blind him to the whole of reality, of endurance, of courageous seamanship and of strength he did not know he possessed.

The four visions of the character, focused on this one experience, reveal themselves at variance with each other. In the end the truth turns out to be an irony.

Southland Court

Everyone appreciated the rain of last Monday. Flowers and grass have taken a new lease on life. We hope by this notice of that service stuff.

Southland is transformed into a fairyland with its display of Christmas lights. Christmas poinsettias banked against greenery of every description, twinkling lights from every window, and old Santa to welcome us at the hall. Rudolph has a way of taking on that red nose once every year. Everyone is busy making preparations for the Holidays, and to all of you we wish a very Merry Christmas.

Several tables played 500 Monday night. Herman Warsaw was high with 2100. Shearer Dilts was second with 2000.

Everett Paxton was in Lake Wales Friday where he played in the statewide shuffle board tournament singles. He was lucky enough to go to semi-finals in consolation. About 150 were entered in the tournament.

Laura Staniland and Lu Detrick were in Lakeland Monday on a shopping tour.

Forty two were out for "coffee hour" Tuesday morning. The Tuesday morning group continues to grow, with coffee and donuts as the favorite break.

Three tables of 500 at Miscellaneous cards Friday night with Winnie Lumpkin high and Herb Renaud second.

Quite a few park activities have been postponed on account of preparation for Christmas.

Bill Zangabb left Friday by train for his home in Detroit to visit his son and family for the Holidays.

Arthur and Martha Ayres of Mansfield, Ohio arrived last week to spend the remainder of the winter. They are located in Ted Gould's trailer. We hope they have a pleasant winter.

Only eight people played in the shuffle tournament Friday afternoon. Omer Snyder and Myrtle Heffernan were the winners over Guy Detrick and Betty Peterson 56 to 37.

George and Marie Monxe are adding touches here and there to their trailer recently placed in the park on Lot No. 133. It is very attractive as you approach the south entrance. George likes to write inspirational poetry and recently expressed their gratitude for Southland, its friendly people and thoughtful management.

Fifteen were out for the sing Sunday night. Doris Mallamee accompanied the group in singing a number of Christmas carols. Luella Pinney, our leader, sang a number her chorus sings at her home state. She especially likes this song with its beautiful and appropriate words. The group enjoyed the song.

Ann Anthony and Goldia Dean were in Lake Wales Tuesday and had lunch at The Highlander.

Harriett Mosel is now located in an area-mount at 211 S. DeSoto. The trailer in which she lived here has been sold and the new owners will move in the week of Dec. 25th.

Four tables of bridge were played Monday night. Emma Kelly was high, Evelyn Fritz second, and M. Nakerson third. Ann Wess was low. Several guests were present.

Everyone is looking forward to the dinner at the hall on Christmas day, served at 12 noon and supper at 6 p.m. See you then.

GOD WITH US

"And the Word was made flesh, and dwelt among us." St. John 1:14a.

St. John gave the world a great new understanding of the nearness of God to humanity. In our text the phrase "became flesh" simply means "become a man" like us. In other words the creativity and power of God was shown forth in the flesh-and-blood of human life. God has became a man who is called Jesus.

This staggering conception of the creative power of God becoming flesh was used by St. John to contradict the teaching of the Docetists, a group of people in the early Church who held that Jesus was only a phantom, that his body was not a human body but only a walking spirit. In another place John criticizes the Docetists more directly: "Hereby know we the Spirit of God. Every spirit that confessed that Jesus Christ is come in the flesh is of God: and every spirit that confesseth not that Jesus Christ is come in the flesh is not of God: and this is the spirit of Antichrist." I John 4:2,3.

We go along with St. John. We believe that when Jesus got hungry, it was a real hunger such as you and I have. His human experiences were like ours. He who knew what it was to be hungry, ate, drank, experienced loneliness and suffered much as any man. Indeed the advent of Jesus was the advent of suffering love incarnate.

The fact that in Jesus we see God present in this world should move us mightily. A British boy whose Dad was away from home during the last great war looked at his picture and said to his Mother: "I wish father would step out of the frame."

Our faith is that in the birth of Jesus God stepped out of the frame of speculation and became real to men. God's concern for humanity, that led him to become man, makes us realize that God understands us in all of our human frailty. In Hebrews 4:15 we read that Jesus was "in all points tempted like as we are, yet without sin." Thus it is that God's compassion comes from personal experience of the trials and tribulations of man in his daily living.

John Howard Griffin decided that before a white man can possibly understand what it means to be a negro, he would have to become one himself. So he darkened his skin by the use of dyes and a sunlamp and became a negro. He tells the story of his experiences in his book, "Black Like Me." He experienced the fear, loneliness and despair that is the average negro lot. When he took upon himself a dark skin, he learned to understand and feel for the black man. Only then could he say to the negro: "I know; I understand; I feel for you; my heart goes out to you."

So it is that in a more profound way, God came to know by incarnating Himself in man: He became acquainted with the trials and afflictions, as well as the joys and happiness that human beings experience.

This knowledge, that God knows us, makes it easier for us to approach Him in prayer. We can be sure that he meets us with the understanding and compassion that we see in Jesus Christ our Lord.

A woman saw a boy sitting on a park bench with a sparrow in his hand. When she questioned the boy, she discovered that the sparrow had a broken wing. She offered to take the bird, care for it until it was able to fly again, and then she would bring it back to the boy. The boy looking into her kindly face said: "If you don't mind, I'd rather do it myself. You see, I understand." As she turned to walk away she noticed a crutch under the bench and that on one of the boys' legs there was a steel brace. The boy understood the crippled bird. In some way, the incarnation teaches us that God shares our existence and that we can pray to him in faith that his compassion will reach our need. You will recall that Jesus was moved with divine compassion again and again. He healed the bruised and broken, he fed those who were hungry, lifted up the fallen and put fresh courage in the drooping spirits of men.

Advent reminds us that just as God came to to earth in Jesus centuries ago, the incarnate Christ comes to us daily seeking entrance into our hearts. That we might be born from above and accept his way of life. "The only cradle there is for the Christ in our generation is the human heart."

"The meek and lowly Christ is searching still
For a welcoming place to be born in."

Isn't it true that the Word becomes flesh again, when Christ is born in our hearts. The Word becomes our flesh for to dwell among men, as far as our Christian influence reaches. Isn't that what Jesus meant in his prayers in the Upper Room just before his trial and crucifixion: "That they all may be one; as thou Father, art in me, and I in thee, that they also may be one in us; that the world may believe that thou hast sent me." St. John 17:21.

The world needs Christians in whom there is incarnated the spirit and love of God in Christ. This is possible to us because God in his great, loving concern for humanity became flesh for to dwell among men in the birth of Jesus whose Nativity we are soon to observe. This is your heritage, will you be willing to settle for less.?

"O Holy Child of Bethlehem
Descend to us we pray
Cast out our sin and enter in
Be born in us today."

Plans Are Underway For New Post Office Building Here

Plans to acquire a new Main Post Office at Avon Park, were announced today by Postmaster General Lawrence F. O'Brien.

"Modern buildings are necessary for efficient mail processing and improved working conditions for our employees," Mr. O'Brien said. "Completion of the new structure will assist us in fulfilling President Johnson's pledge to provide the best possible service at the lowest possible cost."

The building will be located at the northwest corner of Pine St. and Verona Ave.

The Postmaster General said the building will be constructed under the Department's Lease-Construction Program, thus keeping it on the local tax rolls. The government's capital investment will be limited to postal equipment.

Plans and specifications for the new building, as well as bidding forms and other pertinent data, will be made available to prospective bidders at an early date, at which time the Department will advertise for bids.

The site option will be assigned to the successful bidder, who will purchase the land, construct the building and lease it to the Department.

Space in the building located at the northeast corner of North Main St. and Verona Ave. will then be abandoned for postal purposes.

A Landmark

AVON PARK, FLA.

On the shore of Lake Verona stands a cross like a gift being lowed in the sunlight by day and casting its illuminated reflection upon the water by night; biding the stranger welcome. "Come unto me and I will give thee rest"; and wash the traveler. God speed "Fear not, I am with thee always".

It gives us a feeling of sanctuary against all evil.

Surrounded by sixteen churches I am glad I live in Avon Park.

It's Christmas!

The tree is trimmed, the candles glow,
And ready hangs the mistletoe.
Reluctantly, small sleepyheads
Climb slowly to their waiting beds,
While parents share a tired smile
Across the ribbon/tissue pile.

Led by lanterns' bobbing light
Friends come carolling through the night,
While midnight bells, far-off and sweet,
The angels' gloria repeat,
And in the vast and radiant blue
Faith finds the Christmas star anew.

O, may the Christmas dawning bring
Gifts without price to yours and you—
Love, Hope and Joy, and Christmas Peace—
To last a happy twelve-month through!

Peace Corpsman Has Africans Swinging to Songs on Health

Ft. Myers News-Press
12-11-67

By CLARE TAYLOR

Bands Away the Flies From Your Children's Eyes" is the most unique song on the radio in Malawi, Central Africa, according to Time Magazine. The swinging ear-bration to cleanliness and health could Tones was written by 24-year-old Jack Arnold, a Peace Corps medical assistant. Jack is the son of Mr. and Mrs. Alfred J. Peacock of 1743 S. Palmetto Ave., Avon Park.

The story titled "The Distant Message of the Transistor" indicated the popularity of the little battery-operated radios in all parts of the world.

Alison, a graduate of Avon Park High School, attended Southern Methodist College, Winston-Salem, N.C. and the University of North Carolina, Chapel Hill, where he earned a degree in chemistry. He plans to see the world before he finishes his Peace Corps work in 1969 or 1970 and then to get a medical degree.

MORE GRASS ON ROOF

Alison is stationed at LaPalma, Calif., and Puerto Rico, going from there to Central Africa where his first home was an abandoned store. Now he has himself in a thatched roofed building. He writes his family, "I have got to get more grass for my roof — it leaked a couple of weeks ago."

Alison's song-writing has resulted from the Peace Corps efforts to promote cleanliness and good health in terms the residents can understand. A second song was written which was one of 40 entries in a Fertilizer Song Contest. Winner? Alison. He wrote his family, "Nov. 29 I went to Blantyre for Fertilizer Song Contest, 40 plus entries and I won."

The Fertilizer Song written in Chinyanja dialect is played on the radio a dozen times a day he said. Alison is now working on an album and plans to donate any profits from the sale to the work of the clinic at Balaka, Malawi.

BIG MAN CALLS

Alison was released when he got a call in the office of the health assistant to the president of Malawi. Aleki Banda, minister for Economic Affairs. There was an epidemic and the services of his first two songs. The minister asked Alison to write more, especially concerning agriculture. "I was commissioned to sing my Fertilizer Song," he said.

The clinic where Alison is stationed serves people in a 20-mile radius. He wrote that 483 babies had been brought to one clinic. On doctor tours several clinics. Alison carries on alone when the doctor is called elsewhere.

The Peacocks have six sons. Jack is the eldest.

Jack, whose nickname is "Buck," travels through the African countryside on foot. Other Peace Corps volunteers are located about seven miles from Balaka. He is now on vacation, hitch-hiking through Africa. "He is an avid reader and interested in everything," Mrs. Peacock said of her son.

"He had never cooked in his life when he entered the Peace Corps. He wrote home asking me for recipes."

Alison was on educational television on a London station Tuesday night. The program will be beamed to the United States, Australia and Canada on another date.

About the country where he is living Alison says, "It is still hot, the rains are late."

Alison, who was editor-in-chief of his Avon Park High School paper and editor of the Warren Wilson paper, was in a recital also in store. "All he played with the Avon Park Prison Camp Band every Sunday," said Mrs. Peacock. "He plays in a band in Africa, too."

Gold cording, beading and jewels are used for edgings. Jewelry findings are used for the hanger.

Since starting his hobby over one year ago, he has a collection of over 350 ornaments which he will use on his tree, this year.

With thirteen courts in play the "B" winners on Saturday were Harold Faulkner and Welcome Miller over William Near and Al Reinhardt. Allene Howard and Mable Crocker won in consolation over James Chamberlain and Harmon Heffner.

"A" winners were Scott DeGolyer and Helen Gaut over Fred Bolton and Ray Johnson. Consolation winners were Louise Priolip and Harry Wilde over Toney Keir and Lawrence Robinson. Fifteen courts in play.

The first trophy winners this year will receive their trophies Saturday Dec. 23, at 1 o'clock.

CARD GAMES

Monday winners in Pinochle were John Naber with a score of 835 and A. McAlexander with 790.

High score in Bridge on Tuesday went to Grace Beauvais and Eleanor Nickerson. Three tables played both in Bridge, and in Duplicate on Thursday. Winners in Duplicate in North-South were Sheila Wurster and Bertha Brush. East-West winners were David Stanley and Fred Bolton.

CRAFTS

Thursday the 21st the basketry and plastic crystals will be continued. There will be no Craft class on the 28th on account of the District Tournament of Shuffleboard. Jan. 4, Hallie Wetmore announces, that tile work will be started.

ENTERTAINMENT

Thursday's entertainment was cards. Everybody made up their own table, played what they wished and had a good time. Door prizes of canned fruit added to the fun.

DANCE

The square dance class continues on Monday evenings from 7:00 till 8:00. Regular dance afterwards till 9:30. The Friday evening dances are well attended and it is an evening of fun.

SATURDAY EVENING SUPPER

The Winter Guest Club has been transformed for the holidays, with gay lights, shiny bells, holly, greenery and frosted windows. The beautifully decorated mantle and the graceful tree with its many bright lights and decorations should be an attraction to Santa as he makes his appearance at the Club. It proved to be a happy occasion Saturday evening when 64 members and guests were seated at two long tables decorated in keeping with the Christmas season.

Seymour Brown gave thanks. New York again lead with 32, Michigan nine and Ohio six. Mr. Brown cautioned New Yorkers their time for a "letdown" was coming. A few years ago Ohio led; Michigan had its turn later. New York is in the crowing stage at this time.

Guests included Mrs. Fanny Blank of Paris, Ill., guest of Harriet Meisel, Mrs. Emma Kelly, guest of the Eastmans, who formerly lived in Avon Park, now of Sarasota, Mrs. Charlotte Smith, Mrs. Fina Shepard, Bob and Mrs. Pickens, Mrs. Edith Mallory and her sister Miss Lida Brandt all of Avon Park. Members present for the first time this year were Jack Bovill, Mr. and Mrs. Al Reinhardt of Ohio, Edwin and Minnie Swanson of Indiana, Minnie Schieb of Ohio, William and Rae Chapman, Mrs. Bowery, Barbara Shell of Michigan, Bruce and Ann Dolney of Michigan, William McRae, Carl and Josephine McWithy of New York.

Joe Gurney and Francis McRae celebrated their birthdays this past week. There will be no supper Dec. 23. The annual Christmas dinner is scheduled on Christmas Day at noon at the Club. A sheet is on the table at the office door for those who are coming, to sign and indicate what favorite food they will bring. The usual supper Dec. 30.

An outstanding program followed. Seymour Brown introduced Mrs. Rosa Lee, one of the teachers in charge of two nursery schools for children in Avon Park, and Mrs. Rae Thompson, who with her husband, are volunteer workers in this work. The parents of most of these children are workers in the orchards and vegetable gardens. About twenty tots took part and sang "Here We Go Round The Christmas Tree" lead by Mrs. Lee. They then presented the Club with silver bells tied with red ribbon, they had made under the supervision of Mrs. Thompson. They are now hanging on the mantle. The children were then seated in a circle on the floor of the stage and Mr. Brown told them the story "The Littlest Christmas Tree", which proved to be very interesting and especially for children who live in the south and have never seen snow.

Rev. Pickens dismissed the group with prayer.

The Seymour Browns and the George Armstrongs were the hosts of the evening.
