## Suits Filed By John Sweet Gambling Debts

Suits filed late in December by John J. Sweet to collect monies totaling \$23,000 apparently involving gambling debts, according to papers filed by various defendants.

And one defendant claims gambling debts cannot legally be collected.

In answer to the Sweet suit, C. A. Gay, Jr., of Tampa, admits his check for \$1,000 was for money lent or advanced for gambling and was the direct result of a gambling loss to Sweet. But he claims that under Florida statutes, gambling debts cannot be collected because they are illegal.

Wilbur "Cracker" North, of Sebring, according to answers to interrogatories filed in his case, purchased chips at Sebring Elks Club and signed checks for each purchase and Sweet was responsible for all checks on chip purchases. Persons present at the time and place of the transaction involving North were listed as Myrles, former club manager, Frank Johnson, of Sebring, Roger Green of Wauchula, John Sheppard, Immokalee, Russ Head, Arcadia, John Curran, of Sebring, and Sweet. Sweet says he paid \$2,500 to the Elks for purchases made by North from Greens.

R. A. Head, of Arcadia, sued for \$7,500, admits the money was lent or advanced at the time of a gambling transaction other defendants in suits filed by Sweet, W. Earle Stayamers, of Sarasota, and T. Davis, of Arcadia, could not be reached for service.

Sweet, in filing an answer to interrogatories, stated he does not hold a federal gambling permit and that the only time he has ever been arrested and convicted was for registering bets on the speed of horses in the 1950's.

## Inspection Tools Cost County Over \$10,000

Basic equipment for Highlands County's two motor vehicle inspection lanes will cost just under \$10,000.

At their meeting on Tuesday the county commissioners awarded to Terry Supply of Bradenton the bid for brake and headlight testers, lifts, power units and electric motors at a cost of \$10,041.

Purchasing Agent Eugene Hamlin said small jacks and other miscellaneous equipment for the Avon Park and Sebring lanes will add approximately \$600 to the costs.

The equipment from Terry is to be paid for one year from date of purchase—a provision to cushion the financial shock from setting up the inspection stations. The county has been receiving applications for the inspection staff and to date have three clerk and eight inspector applications. Deadline for receiving staff applications, originally February 15, has been extended.

# 70 Per Cent Of Highlands' Teachers Walk Out Monday

About 70 per cent of Highlands County's classroom teachers had failed to report for work this week as the Highlands County school board made an attempt to get the schools in session by today Thursday.

A suit filed in Circuit Court Wednesday to compel Circuit Court Judge George F. Douglas to order the teachers back into the classrooms. Hearing on the injunction, being sought by the county school board, will be held at 1 P.M. Friday before Judge Clifton M. Kelly.

Monday the school board declared Tuesday and Wednesday holidays for students and laid

plans for resuming classes on Thursday with emergency teachers.

In response to a call from Florida Education Association between 100 and 150 Highlands County teachers are staying away from school, and resignations from 100 teachers are on Superintendent George F. Douglas' desk.

Douglas, who is hopeful that

some teachers can be persuaded to fulfill their contracts, has not begun to process the resignations.

Board Member Ted Cason and Lee Hart, Jr., a parent who was a member of the audience at Monday's board meeting, angrily opposed Douglas' recommendation to amend the calendar because they felt it was "giving the teachers just what they

want," and "keeping students with baby sitters is no worse than sending them home."

Board Chairman Henry Bailey argued, "We have four days of vacation left in the calendar. We can use those days to make arrangements to get four days of instruction instead of robbing the students of that time."

Board Member E. Ray Wells

MORE THAN 250 teachers from four counties gathered in the Fellowship Hall of the Church of the Brethren at 8 A.M. Monday for a rally. This is part of the crowd. It was standing room only for late-comers, who grouped at the back of the hall.

## Highlands County Education Says They Have No Quarrel With Local School Board

"We have no quarrel with you," a Highlands County spokesman said at the emergency school board meeting Monday.

The Legislature designated \$180 million for higher education and junior colleges and some tax relief measures, and another \$83 million was cut out for ad valorem tax relief in the counties.

This leaves \$97 million in appropriations for the kindergarten through grade 12 programs, and Ward said teachers are very angry about the bill's including permission for the local school boards to use state funds to replace some local money and reduce ad valorem taxes even more.

"We have no guarantee of how this new money will be allocated. County boards previously did not have too much to say about designating use of state money. Under the Minimum Foundation certain funds went for textbooks for transportation, lunchrooms and so on. This new bill would remove restrictions and under these conditions we feel we must have a mandatory professional negotiations law so that professional people can have a voice in how the money is spent," Ward said.

In two different statements

Monday, Ward emphasized, "Salaries are not the question."

Superintendent George F. Douglas said at the emergency school board meeting Monday that the bill—which is still unsigned on the Governor's desk—would bring Highlands County about \$611,000 new money.

The per-child allotment for average daily attendance would be raised from \$200 to \$205, the state allotment for teachers with master's degrees would be raised from \$500 to \$505.

The Highlands County school board has not taken any formal stand on ad valorem tax reduction, but Chairman Henry Bailey said he had in "informal meetings" told the teachers board about the anticipated tax roll-back.

Superintendent Douglas says the new bill "provides more than we could hope for." He says, "I can recommend it to the school board."

Ward and other teachers said, "The teachers of Florida must stick together regardless of what the bill does for us locally. This is a statewide move."

The superintendent is on record with a flat refusal to discuss the controversial bill's implications for other counties. "I can not do anything for the schools in another county, my concern must be here where I am charged with the responsibility for operation of the schools."

Only the agriculture business

departments of the division will accept students next Fall, but other departments will be opened as building space is readied on the new campus.

CHAMBER TO MEET

The Avon Park Chamber of Commerce will hold a breakfast meeting Thursday morning at Griffin's Restaurant at 7 A.M. All directors are urged to attend.

Landress and sophomore Roger Gurtman.

The members of the team who are not still out for baseball have been practicing and Coach Hill hopes to have the squad in shape for the opening game March 1.

Season tickets are now on sale for the 10 home games. Adult tickets will cost \$5 and student tickets cost \$3. The admission price will be the for adults and \$5 for students per game, so season ticket buyers will save \$2.50 on an adult ticket and \$2 on a student ticket.

The season tickets will also be honored at all "B" games this season at Head Field. Admission for the "B" games will be charged others for "B" games.

Season tickets may be bought at Lee's Sport Shop, a Sports Shop at the gym office. Coach Hill says he will be in the gym if anyone desires to be contacted about buying season tickets and he will send someone around for the sale.

Other boys Coach Hill is counting on to fill in vacancies left by five seniors off last year's squad are juniors Glen Shimmer, George Copeland, and Gene

## 75% Resigned Because Program Not Acceptable

Approximately 75 per cent of the instructional personnel of Highlands County resigned effective at 5 P.M. Friday, Feb. 16. Such unprecedented drastic action was taken because of the failure of the state Legislature and Governor Kirk to enact an educational program acceptable to the Florida Education Association.

The education bill which the Legislature passed deserves close scrutiny. Despite the fact that the bill appears to benefit small rural counties such as Highlands, the following hidden factors should be pointed out:

1. The virtually mandatory roll back to 10 mills deprives county boards of education and local citizens of the option of making greater efforts to support schools.

2. More attention was given to ad valorem tax relief than was given to the mounting educational needs. Of the more than 300 million dollars that the tax bill raises in the name of education only some \$97 million dollars goes for the operation of the kindergarten through 12th grade program. There is no guarantee that this amount of \$97 million dollars will be used for the educational needs.

The resignations of the instructional personnel of Highlands County were tendered to the Superintendent of Schools Monday morning. In tendering these resignations the instructional personnel did this in a sincere effort to procure improved teaching conditions and facilities for the children of Highlands County.

The Resignees

Joe Ward, Avon Park High teacher who is coordinator for the Highlands-Harde Deotoni-Glades district, said "Only the Legislature and Governor can help."

Band Concert Canceled

The Avon Park High School Band Concert scheduled for Sunday, Feb. 25 at the auditorium has been cancelled until future notice.

The county commissioners could not agree to a variance with the county's plat law, but Tuesday they gave Paradise Cove developers, permission to build the law a little.

Pete Scribner appeared at Tuesday's meeting and asked the board to accept a plat with lots of less than 9,000 square feet, the minimum under the plat law.

The commissioners would not do that but agreed that the lot lines could be extended to the center of the adjoining canal and the plat note that the lots include land for a waterway.

Scribner said Paradise Cove on the shores of Lake Isakopka is designed strictly for vacation cottages. "He said trailers will not be permitted, but construction of large houses on the 75-foot lots is not expected."

Lake Isakopka will soon have two new boat ramps. The state began construction of one new Tuesday and another on Wednesday.

Commissioner Jean Whitaker pointed out Tuesday that the state wants the boat ramp which had to be closed on Lake Placid moved to a new location on the same lake or the county must refund the cost to the state. The original location was in violation of deed restrictions, and neighbors forced the county to close the ramp.

## Southern Hospitality Saves Lives

Southern hospitality can save lives on Florida highways during the busy, winter tourist season says the Florida Highway Patrol.

Public Safety Director, Colonel H. N. Kirkman, referring to the 1,000,000 visitors per month expected to travel to Florida by car during February and March said, "We can make our highways safer by extending to visiting drivers the same courtesies that we would extend to visitors in our homes."

"The patrol commander pointed out that drivers who are traveling in unfamiliar areas often are uncertain about what to do or where to go. These uncertainties may lead to accidents unless local drivers react with patience, understanding, and courtesy," says Kirkman. "Plain old southern hospitality can save some lives on our highways if we will just give it a chance."

## The Congressman Looks Great

From what we have seen of Cong. Paul Rogers and from what we read in his newsletter, we feel that if we must lose Cong. James Haley as our representative in Washington, we are very lucky if we get Rogers.

In a recent newsletter, we gained a little comfort from his statement that Congress is concerned over the President's proposed increase in spending. We were pleased with Rogers' statement that he will continue to oppose increases in non-defense expenditures as he did during the last session. He added that he will also oppose the removal of the gold cover from our currency.

Removal of the gold cover, we feel, will make this country very vulnerable indeed and further depreciate our dollar in the world's markets. Rogers recently introduced a bill making the use and possession of LSD a federal crime.

Congressman Rogers was in Sebring on Friday and Cong. Jim Haley, was here to introduce and praise him. Haley loses us in the redistricting and if Rogers were re-elected he'll be getting us come next Jan. 1.

Congressman Rogers has been in the Congress long enough to know on some fairly important committees—which means he can do no more good than a freshman Congressman might do.

## We Hope They Stay Away

Everyone is talking about the rise in crime these days and we just hope the crackdown in the cities doesn't drive the hoods up and over our way.

Since Miami police chief Walter Headley started his guns and dogs approach to the law-breakers, crimes of violence have decreased 60 per cent within that city. Which sort of makes us wonder what the boys who used to be out robbing and ransacking and knifing are doing these days. And where.

Everyone talks about crime and you might say this year it's in.

Of course we depend on our police and our sheriff to make things so unpleasant up this way, we won't have that kind of a tourist.

Do we cheat in business, cheat the spouse, the government, friends, law enforcement agencies? If we answer yes to these questions, can crime be far behind?

We have had two establishments burgled in Highlands County just recently. It looks like a professional job at Avon Park's Food Fair. And we wonder if a professional, just happening in for a coke and a sandwich, might have spotted Ted Cason's \$900 in a bank deposit bag.

We don't need these kind of visitors up here in the ridge country. It might be well for us the citizen to be observant of unusual actions, loiterers, a strange car parked in an unlikely place. All these little things help our police.

On another front—we can discipline our children, help make them responsible citizens. After all, somebody's children pulled these jobs.

We might give our children a little test while we're beating on the kids. Are we setting a good example?

## LEWIS LLEWELLYN

## Who Will Need Counsel Of Top Military Man?

Does the chief of staff of the U. S. Army have a message for modern managers?

McClellan's Message, reporting on responses of 1,000 managers to a questionnaire, gives some disturbing data. Indications are that many managers are confused, unsure what position they should take.

If those who are supposed to be pointing the way for others to follow have themselves lost confidence in their ability to determine the right direction, what will the future hold for those who follow them?

It is against this backdrop of confusion in the minds of many managers that the words of Gen. Harold K. Johnson, chief of staff of the United States Army, stand out clearly.

Where Is The Turn? Speaking at the presidential press breakfast in Washington, D. C., on February 1, Gen. Johnson said:

"Our nation today is troubled and uneasy. We have those who believe that we should pull out of Vietnam and all of South Asia. We have those who believe we are not doing enough in Southeast Asia. We have those who believe that the laws of our land can be flouted and they can choose the laws that they will obey and the laws they will ignore."

"So where do we turn? What do we do?"

There is a solution to the problems of this world—turn to God. There is a solution to the conflicts between nations—turn to God. There is a solution to the problems of our cities and of the streets—turn to God.

Let's not misunderstand the chief of staff.

Of course, no sane person be-

lieves that the solution proposed by Gen. Johnson is a panacea for all the ills from which we suffer.

But if it is the essential starting point, we start at the right place. We have a reasonable grounds for confidence that we will be able to come out right at the end.

If we refuse to start with God on our side and ourselves firmly on God's side, who can tell what the consequences will be? Dis-aster can be confidently pre- dicted if we continue on our present course.

Are you ready now to take the position which Johnson has just argued, when he said, "Choose just this day when you will serve God, for me and my fellow man, we serve the Lord?"

Those who want calendar re- form fall into two groups. The associates of a sweeping change who would realize their goals in 10 years, and the advocates of a plan which would realign our major holidays so that the new calendar would be observed on a Monday to provide a three-day weekend.

Leisure Time Use The day when broad agreement on any reduction of our present time zones will be reached would appear to be some distance into the future. We will see sweeping calendar reform enacted any time soon. However, support for the Monday holiday is a growing reality in selected business circles and among labor leaders. Despite opposition from traditionalists and from those who feel that a move toward three-day weekends would only compound present traffic problems in the air and on the ground, this is the change most likely to be realized, possibly in the early 1970's.

In any event, we are headed for further increases in leisure time. Already both Summer and Winter vacations are more common, the number of families having leisure time homes is expanding and travel and camping are being brought within the reach of more and more people. As our horizons broaden and our choices increase, the focus will be on making the best use of our increased leisure time.

LET US HAVE PEACE This earth is weary of our foot- ing wars and shores were shaped for lovely things. Yet all our years are spent in bedlam. Beneath the astonished stars

April by April, laden with beauty comes, Autumn to autumn turns our toil to gain. But, hand and sword hilt, still we start and strain To catch the sound of drums

Knowledge to knowledge adding, skill to skill. We strive for others' good as for our own. And then, like caversmen snarling over a bone, We turn and rend and kill

With life so fair, and all too short a lease Upon our special star? Nay, Love and Trust, Not blood and thunder shall re- deem our day. Let us have peace!

You will always have many friends among both sexes. You must guard against jealousy, and not let it interfere with your happiness and that of your friends.

Would You Believe? That your car could be used in driving? Do you know? It can be a street, train, other cars and trucks, and even to your own car. For signs of trouble? It's a life you will.

LANI NEWTON, Barbara Flowers—troop No. 117, selected to attend alternate, Marian Limcandro and Sanding Indian Encampment in Cathy James, Girl Scouts, Cadette North Carolina this summer.

Three Avon Park Girl Scouts, and possibly a fourth, have been chosen to attend the Standing Indian Encampment in North Carolina this summer. In making this announcement, The Heart of Florida Girl Scout Council named Cathy James, Marian Limcandro, and Lani Newton, all having been selected, with Barbara Flowers as first alternate. Five councils are participating in this encampment of 125 girls.

These girls from Avon Park have been members of Girl Scout Troops for a number of years. They have attended established Girl Scout Camps and Day Camps. Several hold first aid and swimmers cards with one, Lani Newton, having passed Jr. Life Saving. Each of the four girls wears a badge sash covered with badges, evidence that she is able to serve in many fields. As Scouts they have come up through Browne and Junior Troops in Avon Park to Cadette Troop 117.

The Standing Indian Encampment is on a mountain along the Appalachian Trail, Franklin, N. C. is the nearest town. The girls will spend 15 days there backpacking, rube mining, camping with many opportunities to discover the unexpected. To get ready for this wider opportunity offered by our Girl Scout Council, the girls selected, will be divided into patrols. These patrols will have a number of practices in the coming months to insure that they will be able to operate efficiently as a team when they get to their wilderness campsite.

This is an example of the opportunities that are offered through our Girl Scout Council and just one of the many reasons why neighborhoods must belong to their council.

### Dr. Stallard Speaks To Girl Scouts

Dr. William A. Stallard, president of South Florida Junior College was guest speaker at the Leadership Training Course at the Girl Scout House Sunday in Sebring.

Dr. Stallard, just back from Tallahassee, and still heavy with concern for our educational problems, held his young audience skillfully with his talk on "The Necessity of Knowledge in Good Leadership."

He stated that, "Life is a series of doors with locks. Many of us, can not or do not take the time to unlock the first door; the key to the first door being knowledge. Some just look through the windows, thereby getting a distorted view."

"Without knowledge, we cannot participate in life to the fullest. Knowledge itself, opens the door to understanding."

The group discussed such questions as:

What happens when a leader doesn't know the purpose of the organization he is trying to lead?

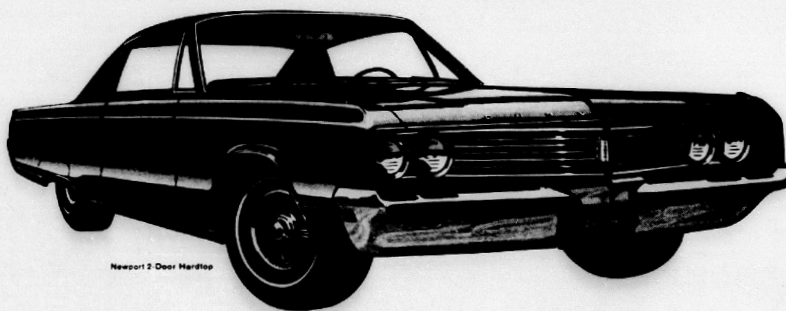

In what ways does the knowledge we have influence others?

This course is sponsored by the Sebring Senior Girl Scouts and the Sebring 4-H Greenleaves under the direction of Martha Wild and Ann Walker.

Boys and girls, grades 7-12 throughout the county are invited to attend next Sunday, when Gene Schreck will speak on "Integrity" in leadership. The group meets at 2:30 P.M. on Sundays for six more weeks.

## Sue O'Steen and Sol Moseley Speaks Vows in Methodist Church

The First Methodist Church was the scene of the wedding uniting in holy matrimony Miss Susan O'Steen and Sol Moseley, Saturday evening, Feb. 17 at 7:30. Rev. A. G. Hardee officiated at the double ring service. Vows were sealed with the wedding cake ceremony.

The bride is the daughter of Mr. and Mrs. W. P. O'Steen, and the bridegroom's parents are Mr. and Mrs. Sol V. Moseley, all from Avon Park.

Given in marriage by her father, the impressive ceremony took place before the altar arranged with two seven branched candelabra, two golden standards of nine branched candelabra, which provided the light for the service. Four large standards of red and white mums and potted palms completed the setting before the white satin kneeling bench. Red crepe valentine hearts marked the relative pews.

Jerald K. Perkins, organist, accompanied the soloists, Mrs. Lois Schaechermer, who sang, "Whither Thou Goest," and "Oh Perfect Love," and Lucky Dixon who sang "Because" and the "Lord's Prayer" during the ceremony.

The bride styled and fashioned her own wedding gown made of white peau de soie over laid with double Chantilly lace, scalloped edges, which carried into her chapel train. The train was held in place by a large satin bow at the waist neck. Beaded neck embroidered with seed pearls topped the fitted bodice and long pointed lace sleeves.

She carried a cascade of white roses, red carnations, spider mums, centered with a large orchid, which were lifted to wear with her going away outfit. Her waist line double illusion veil was held in place with a crown of seed pearls. The bride wore a string of pearls, a gift from the groom.

Mrs. Martha E. Cook served her sister as matron of honor, wearing a formal American beauty red peau de soie gown. The gown fashioned Alton round neck in front and squared in the back holding the train line train and elbow sleeves, matching accessories. A tiny matching crown held the veil. She carried a double arrangement of white spider mums.

Miss Martha Ann Moseley, sister of the groom, served as maid of honor with Mrs. Judy Laycock, Sarasota, and Mrs. Patsy Butler as bridesmaids, and Miss Norma Owen, Blacksburg, Va., and Miss Linda Wester at tending as bridesmaids. They were all dressed in white, the matron of honor carried a single white spider mum and matching accessories.

Miss Claudia Cook, niece of the bride, dressed identical to maid of honor, sister, and Gregory Cook, nephew of the bride, was ring bearer.

Sol V. Moseley attended his sister as best man. Groomsmen were Dan Butler, David Barefield, Shelby Branch, cousin of the groom, from Atlanta, Ga., Bob Bolder and Denny Montedoca.

The brides mother wore a beige knit dress with a pink brown coat, beige and brown accessories and a purple orchid corsage. The groom wore a two piece ensemble of light blue with matching accessories and wore an orchid corsage.

The bride wore a white beaded knit sheath dress and a red coat of matching material, white pill box hat and white accessories for their wedding trip. Her corsage was the white orchids from her bridal bouquet.

Upon their return they will be at home in their new apartment corner of Hill and N. Anoka St. The couple are both graduates of Avon Park High School and both attended South Florida Junior College, one year.

The groom is employed with his father in the construction trade and the bride is in the records department at the APCI.

**Reception**

The reception was held in Wesley Hall of the Methodist Church following the ceremony. Miss Debbie Davis, cousin of the groom from Atlanta, presided at the brides table.

A four tiered cake topped with a miniature bride and groom standing in front of a gold cross holding double wedding rings centered the table of white cloth trimmed in lace, pleated to floor length. The cake was flanked with two silver, three branched tall, white pillar candles, a large crystal bowl was served from an alternate table covered similar to the cake table, with mums and mums.

Mrs. Wiley Cochran presented the guests to the receiving line. Those assisting with serving were Mrs. Harry Grafts and Mrs. Allen Kinkel at the cake table. Trudy Mitchell and Nancy Turner served the punch assisted by Mrs. Violet Hollingers, Mrs. Willard Griffin, Mrs. Aaron Craven, Mrs. Cecil Ferguson, Mrs. Earl Rich, the rice girls were Sarah Ann Ferguson, Julie and Jackie O'Steen and Dennis Wills.

Out of town guests attended from Youngstown, Ohio, Big Springs, Texas, Jacksonville, Del Rio Beach, E. Tallahassee, Ala., Columbus, Ga., Haines City, Blacksburg, Va., Sarasota, Fort Lauderdale and Delcoto City.

## Girl School Students Tour Museums

A group of 25 students from The Highlands School in Avon Park toured the Ringling Museums in Sarasota, accompanied by Miss Ann Groves, principal of the school's faculty, February 12.

The girls were members of a ninth grade world history class which has recently completed a study of the Renaissance period. Miss Ann Groves of the museum's education department conducted a gallery tour of the Museum of Art, with emphasis on Renaissance paintings in the museum's permanent collection.

The group later visited Ca' d'Zan, the late John Ringling's palatial residence, and the Museum of the Circus, the first museum in this country dedi-

## Janet James To Attend School Project

Janet James, Avon Park senior scout, has been selected as one of five girls from the Heart of Florida Girl Scout Council to attend the Caribbean Children's Service project this summer.

Thirty-two Senior Scouts and four adults from five participating councils in Florida will conduct day camps for 10 days on the islands of Antigua, Dominica, Nevis, and St. Kitts in the Caribbean. They will be working with Girl Scouts on this project. The Girl Scouts will fly from Miami to Puerto Rico where they will separate into teams and then proceed to their designated island.

Janet is a First Class Scout who has been in scouting for five years. Now since there is no senior troop here, she is attending the senior troop in Frostproof. This is a very active troop that has been working for some time towards going to the Girl Scout Camp in Mexico. Janet was selected two years ago to go on the Girl Scout Appalachian Trail Trip and last summer she served as a senior aide at Camp Wildlife, Lanoch, Fla. She has just completed her year round camper's badge which requires a girl to camp overnight once, 12 months out of 15. The Caribbean children are fortunate to have girls like this interested in their welfare.

## HEAVENLY FLOWERS

As long as man has existed, it is a fact that he has dreamed of an eternal abiding place. Greeks and Roman mythology speaks of the Elysian Fields, a place like Heaven, where the good people on earth were supposed to live amid fields of beautiful flowers.

It is no wonder that eternal bliss is always associated with flowers. Flowers are unquestionably God's most beautiful creation, and it is only natural to believe that Heaven will have an abundance of flower gardens.

We give special attention to the floral offerings we prepare for funerals. The flowers of respect should be our most beautiful offering.

## Rotary Report

Reported by David Lamber

Last week we were treated to a very fine classification talk by Herman Ray Stokes, vice president of the Highlands County Rotary in Avon Park.

Ray's classification is Education-Private Schools and after hearing this classification talk, there can be no doubt that Ray does very adequately fill this classification.

The Highlands School has had a difficult but successful operation. Ray said, difficult in the beginning in being handicapped recruiting students for opening in September of 1966, when closing the transaction for acquiring the Pinerest site in the Spring of 1966.

The school did open in September of 1966 with 67 boarding students representing 17 states and five foreign countries, and five day students. The enrollment in September, 1967, increased to 118 boarding students and 13 day students.

Enrollment of 124 boarding students and 15 day students is projected for the 1968-69 year. This will be the maximum enrollment for the school until a new academic building can be constructed which may be undertaken within a two year period and this will enable the school to increase the enrollment to 150 students.

The school has not only been successful in enrollment but also in its acceptance by the community. Ray stated that we are pleased with the attitude taken by the community and we appreciate the mood of acceptance that we now sense. He further stated, we are assuming a definite community role and hope to be an asset to the community.

During the past two years the school has paid salaries to persons in Highlands County amounting to more than \$12,000 and the students themselves have spent over \$40,000 during the past two years in the county.

The school is a non-profit organization and employs 17 teachers and five counselors. Academically, the students are average. Ray said, the mean grade achieved being 81 percent and over 90 percent of last year's graduates are now in college.

The true purpose of the school as so very well stated by Ray is "to teach children what life is really all about, to help them build a strong set of basic moral and social values on which to base their daily living, to teach them respect for law, a love for learning and fair play, to know God is real, that manners are not outdated, that elders are still respected and that truth, honesty and justice are more than utopian ideals."

Visitors were: Cliff Signor, Jay Noble, Claude Chase, Al Tregoe, Rev. John Miller, Bruce Kline, Bill Clelland, Rev. Spencer L. W. Lee, Frank Elwood, R. D. Sawyer and Ray Porter.

## Bake Sale Scheduled

Highlands Art League will hold the sale at Sebring Tourist Club on Saturday, Feb. 24, 9 A.M. to 3 P.M. Mrs. Charles (Edna) Hoke is chairman, assisted by Mrs. Tom Sutor (Gay) and Mrs. Lynn Whitte.

Persons desiring to contribute to sale please leave small items at the Gallery, 7 W. Center St., Avon Park, 10:30 A.M. and 3:30 P.M. prior to Saturday.

## Nanci Smith Christened

Nanci Melissa Ann Smith, daughter of Clyde L. and Betty Ginn Smith, born December 8, 1967, 8 lb. 10 1/2 oz. at birth, was christened Sunday, Feb. 18, in the Union Congregational Church, by Rev. H. D. Gratz. The Godparents are Mr. and Mrs. Don and Nancy (Ginn) Williams of Camp Leister, Lake Wales.

The Smiths say Nanci is doing fine and now weighs 12 lb. 10 1/2 oz., and is 24 inches long.

## Devils Drop Game To Santa Fe Hawks

The Avon Park Red Devils dropped another game to the Santa Fe Hawks last Friday night at the high school gym by a score of 77-50, but the Devils "B" squad stayed in the win column with a 44-17 victory over the Santa Fe Jayvees team.

Last Monday night's scheduled game in Lake Placid was to close out the regular basketball season for both squads and a win for the "B" team could have left them with a near perfect record. The "B" team lost only one game—a heartbreaker to Okeechobee—and won 15 with the Lake Placid game still to be played.

The varsity will participate in the district tournament in Lake Placid starting this Thursday. Santa Fe's big Mark Stanton was the big gun for the Lake-land school, scoring 26 points while Avon Park's Kenny Dixon pumped in 20 points for the losing Red Devil varsity. The Lake-land boys jumped off to an 18-0 lead at the end of the first quarter and moved into a 40-20 lead by the half. In the third quarter the Hawks outscored the Devils 20-10, but in the final quarter the Devils hit for 20 points while the Hawks hit for only 11 as the Santa Fe coach substituted his second squad.

Roy Clait and Doc Sizemore led the Devil "B" squad to its 14th win with Clait hitting 15 points and Sizemore hitting 12.

### From the people who brought you no radiator. No carburetor.

Inside the left rear fender of every 1968 Volkswagen Fastback and Squareback, there's a small metal box full of transistors, wires and stuff like that.

This box is an electronic computer.

What it computes is exactly how much gas the four fuel injectors should to shoot into the manifold. What the whole business does is replace the carburetor.

So you can forget whatever carburetor problems you've had in the past—dirty, flooding, jamming, you name it—because there's no more carburetor. What you get instead is quick, sure starts and efficient engine operation under all conditions.

That's because electronic fuel injection is a whole new way to make car engines run.

The closest thing to it is a \$252 optional extra on a car that costs almost twice as much. But electronic fuel injection is standard equipment on Fastbacks at \$2179 and on Squarebacks at \$2349.

All of which should make you feel the same way about the carburetor as you do about putting antifreeze and water into the radiator. You can learn to live without it.

### CUT YOUR IRONING with a 2 CYCLE FLAMELESS ELECTRIC DRYER!

Now, with a two-cycle electric dryer and everything "permanent press," you could cut out ironing completely!

This modern flameless dryer is what permanent-press fabrics need to live up to their name.

Cycle #1: Tumbles clothes in heated air to "relax" synthetic fabrics and shake out worn-in wrinkles.

Cycle #2: Tumbles clothes in cool air to set the fabric smooth.

This new drying technique also makes knitted, brushed, and pile fabrics softer and fluffier than new. Now that you can get permanent-press sheets and table linen, what's left to iron?

And two-cycle flameless drying is stuffy—about 7 cents worth of electricity drives a load.

If you're a customer of ours, you can try a dryer on our 30-Day Money-Back Guarantee of Satisfaction—given if you purchase a 230-volt electric dryer in February, 1968. Ask your appliance dealer for details.

## Special Service Set At Christian Church Sunday

Next Sunday evening, Feb. 25 at 7 P.M. there will be a special service at the First Christian Church of Avon Park. All Winter guests in the surrounding area and members and friends of the church are invited to attend.

A very interesting and inspirational service is planned for the evening with the following participation: The Winter Guest Club, Shillinears, a men's chorus, will present numbers in song. Mrs. Mildred Long will be guest soloist. Al Cushing will present

a violin solo. Fred Robinson will present hymns on the harmonica in his unusual way.

There will be a religious of state and to the governor of the state having the largest representation will be sent a basket of Florida fruit. The musical of states is not just for Winter visitors but also for all who now reside in the state and they will come for their home state.

Clifford F. Dance, minister of the church, extends an invitation to all to attend.

## Mrs. Don Rodgers Speaks To Redeemers

The Episcopal Church Women of Avon Park met Wednesday, Feb. 14 for their regular monthly meeting in the parish house of the Church of Redeemer.

Mrs. Scherena Francisco opened the meeting and introduced Mrs. Donald Rodgers, newly appointed director of the Lakeland Diocese. She gave a most interesting talk on the part played by the EW in the church emphasizing the fact that women are being elected and appointed to more positions each year.

Mrs. Ed Hall introduced Mrs. James H. Rodgers, a link on "Prayer, Intercessions and Petitions" which was the fourth in the series in "Prayer in the Church and the Home." It was most interesting and helpful. A short discussion period followed her talk.

Mrs. S. Francisco opened the business meeting and thanked the hostesses, Mrs. K. Scanton and Mrs. W. Constantine for the delicious lunch served before the meeting. Mrs. Franklin Ward reported on pancake day. She had asked for a "Gospel bread" after serving is finished.

Mrs. Mary Kuhn reported on the World Day of Prayer which will be held at the Church of the Redeemer, this year, on March 11 at 7:30 P.M. At least nine churches are participating and a large attendance is expected. Next meeting of the EW will be March 13, when the fifth in the prayer series will be presented.

## Lake Bonnet Village News

New arrivals at Lake Bonnet Village are Mr. and Mrs. Roland Dilman from Van Nuys, Calif., Mr. and Mrs. Leo Jones from Bath, N. Y., and Mr. and Mrs. Milton Miller from Everett, Pa. Mr. and Mrs. N. Conrad left for home Monday morning.

Monday was also the departure date of Mr. and Mrs. H. Nicholson, two of the more diligent fishermen. They are going to visit friends in Bradenton, Fla. and then circle the South end of the state along the Gulf Coast enroute home.

Mr. and Mrs. Dary and Mr. and Mrs. Kern left Tuesday to spend a few days with the ladies' sister, Mrs. Kuhn in Tampa. Mrs. Kuhn had been a visitor here last week.

Mr. and Mrs. Harold Strandberg, whom the H. Herricks visited in Venice a few weeks ago returned the visit last week and spent several days.

Mr. and Mrs. J. W. Parker from Hope, Idaho, were one week residents in their camper trailer.

On Saturday, Mr. and Mrs. Earl Prough had weekend visitors from their hometown, Mr. and Mrs. Virgil Weaver, who are now living elsewhere in Florida, but will be residents of the camp at a later date.

The Newbolds and the McClares have been coming with a good string of bass whenever they fish.

We understand the species are now bedding in Lake Bonnet.

## Church Group Enjoys Valentine Banquet Wed.

Members and friends of the First Christian Church enjoyed a Valentine banquet last Wednesday night at the Florida Power Lodge.

The tables were decorated with Valentines, beautifully decorated Valentine cakes and red candles. Red and white flowers helped to carry out the Valentine color scheme.

C. F. Dance, minister, gave a devotional in which he told the story of St. Valentine.

Sixty persons were present to enjoy the festivities of the evening.

NINETY-FOUR persons signed up for the trip to the Gasparilla Monday sponsored by the Avon Park Chamber of Commerce. This was the first

time to see the nationally known event and they had a full day to enjoy it.

## Ninety-Six Attend Chamber Sponsored Trip To Fair

Three Greyhound Bus loads of Avon Park residents and Winter guests, 96 in all, attended Gasparilla Parade and the Tampa Fair Monday, Feb. 12.

Sponsored by the Chamber of Commerce and the Winter Guest Club, they left Avon Park 9:30 A.M. arriving at the fairgrounds at 10:45, where they all had excellent seats in the grandstands to view the parade. It was a happy experience for all, with no cars to park, and no driving worries.  
The happy group left the fair at 6 P.M. for the return trip. A large crowd was reported attending the fair.

A hunter recently killed a wild goose in southern California, found some odd-shaped beans in its crop. He planted these in his garden, and they grew into vines some 25 feet long, with an abundance of tasty, edible beans. Exhaustive inquiry and search has failed to locate the variety or source of this bean.

Aztec's peaches, and pears were first developed in China.

## David Perdue Gets Advance Promotion

David Perdue, 19, son of Mr. and Mrs. Lucius Perdue, 1020 S. Delaney Ave., Avon Park, was promoted to Army private pay grade E-2 upon completion of basic combat training at Ft. Benning, Ga., February 2.

The promotion was awarded two months earlier than is customary under an Army policy providing incentive for outstanding trainees.  
As many as half the trainees in each training cycle are eligible for the early promotion, based on scores attained during range firing, high score on the physical combat proficiency test, military bearing and leadership potential.

## GEORGE WASHINGTON

George Washington reflected his own character in his writings that have endured through the years. Two statements which indicated Washington's honesty are filled with meaning. "I hope I shall always possess firmness and virtue enough to maintain what I consider the most enviable of all titles the character of an 'honest man'." "Labor to keep alive in your breast that little spark of celestial fire called Conscience."

## Shower Honors Sue O'Steen

The Florida Power lounge was the scene of a shower honoring Miss Sue O'Steen, bride-elect of Sol Y. Mosley, Jr., on January 12, 1968.

A theme of red and white was carried throughout the room with red and white candles placed in ferns around the punch bowl of red fruit punch. The white cake was set with white icing and a red rose on each square. Nuts and mints were also served.

A red rosebud was placed at the bride's table where Miss Cindy O'Steen, cousin of the bride-elect, presided over the bridebook. Miss O'Steen was presented with a beautiful purple threaded orchid corsage by Mr. and Mrs. C. A. Stinson.

The gifts were displayed on tables covered with white linen tablecloths. In opening her gifts, Miss O'Steen was assisted by Miss Martha Ann Mosley, sister of the groom-to-be, and Mrs. Martha E. Cook, sister of the bride-elect.

A lovely electric can opener was presented to Miss O'Steen by her hostesses. The hostesses were: Mrs. Hubbard Buggs, Mrs. Hubert Bussard, Mrs. Cecil Ferguson, Mrs. Gertrude Craft, Mrs. Aaron Craven, Mrs. George Kelsey, Mrs. Allen Kinkel, Mrs. Oscar Laye, Mrs. Wallace White, Mrs. Willard Griffin, Mrs. Violet Hollingsworth, Mrs. Earl Rush, Mrs. Virgil Still, Mrs. Carl Lamb, Mrs. Harold Nute, Mrs. Devon Hedrick and Mrs. Robert Lee.

HENRY C. YEGGY holds two bass, one weighs nine pounds, one ounce, which is presently leading in the big fishing contest sponsored by Leon's Sporting Goods. The bass were caught in Lake Arbuckle fishing from a boat using spincast outfit and a live shiner for bait. L. A. Kelly is in second place with his bass weighing seven pounds. Kelly made his catch in Lake Livingston casting with a Dalton Special from a boat. Have you registered yet for the ten big prizes that will go to winners on March 30. Free entry blanks may be obtained at Leon's Sporting Goods.

### Southland Trailer News

Mr. and Mrs. John Tyne of Bedford, Ind., were recent callers on the Hutches.

Thirty-one were out for coffee hour Tuesday morning. Coffee and doughnuts, together with talk, seem to make a good mid-morning snack.

The Waltons entertained Mr. and Mrs. Elynn Thomas of Flint, Mich.; Floyd and Edith Stevens and Mary and Ernie Thomas at Griffin's recently. Elynn is a son of Mary and Ernie Thomas. They will visit Nassau before returning to their home.

Twelve players took part in the shuffle tournament Tuesday afternoon. Ray Kreiser and Myrtle Jefferson with 77 won over Omar Snyder and Mary Strickland with minus 13.

Omar and Mae Borck visited friends at New Port Richey Thursday. The Borcks formerly lived at New Port Richey.

Robert and Audrey Holt of Des Moines, Iowa, are visiting the Maxwells for a few days. Mrs. Holt is the Maxwells' daughter.

Nine ladies brought different items to work on they hope to enter in the beauty show to be held soon.

Several park members have taken advantage of sunshine to entertain their guests on the shuffle courts this week.

Mr. and Mrs. Jim McQuay of Woodstock, Ont., Mr. and Mrs. L. Spicer of Paris, Ont., are visiting the Dinwiddies for a few days. Mrs. McQuay is Mrs. Dinwiddie's nephew. They are located in the Ted Gould trailer for a few weeks.

Hilda McClary has received word of the passing of her nephew in Sebring, Ont. Our sympathy to Hilda.

The Baxters are entertaining Mr. and Mrs. Leroy Stevens of Bowling Green, Ind., Mr. and Mrs. Edwin R. Kline of Silver Lake Village, Ohio. Mrs. Stevens is Mrs. Baxter's daughter and Mrs. Kline is Mr. Baxter's daughter.

Our annual hobby show is scheduled for Wednesday, March 6, from 10 A.M. to 5 P.M. at Rec. Hall. Our park members are urged to exhibit their crafts to help make a success of our show. Also, people outside the park are privileged to exhibit.

Dr. and Mrs. Edgar Kircacote and daughter Nancy of Huntington, Pa., were callers on the Kircacotes Wednesday. He is a brother of Elmer, Mr. and Mrs. Ziegler of Maryland were also callers on the Kircacotes this week.

The Conways left Thursday morning for their home in Ohio. We enjoyed having them with us for a few weeks and wish them a safe trip home.

Spring of 1968 is here! Several who sleep late were aroused from their slumbers Friday morning by the chatter of a flock of robins as they sat in a pepper tree. They ate their breakfast and seemed to be in no hurry to get wherever they were going.

Six tables of cards were played at the Hall Friday night. At the two tables of canasta Herb Renaud was high with 11,630. At the two of 300 Harry Barth was high with 1710 and Ray Kreiser was second with 1570. No score was kept at the two euchre tables.

Alta Robinson is a convalescent at the home of her niece Grace Warner. We are glad to know that Alta has been dismissed from the hospital and hope she will return to Southland in the near future.

Friends in the park have received word the Lees arrived home safely and that Mr. Lee is in the hospital.

One of the most delightful social gatherings of the season was held Sunday afternoon, Feb. 18, at a hall when Ann and Harry Barth entertained in celebration of their 50th wedding anniversary.

CLAIRE LANIER and Walter Nunnally newly elected Junior High Mr. and Miss A.P.H.S.

### Pvt. Braswell, Jr. Awarded Plaque For Proficiency

Private Edward Braswell, Jr., 18, son of Mr. and Mrs. Edward Braswell, Sr., Avon Park, has been awarded a plaque for scoring highest in his basic combat training company on the physical training company test (PCPT).

Pvt. Braswell, Company D, 2nd Battalion, 1st Brigade, U. S. Army Training Center, Infantry, earned the award by scoring 402 of a possible 500 points on the test.

The PCPT consists of five individually-scored events—one-mile run, 40-yard low crawl, run-dodge-jump, grenade throw and horizontal ladder.

These events have been carefully chosen to demonstrate the most significant areas of strength and stamina necessary to the infantryman.

The Training Center was established at Fort Benning on September 15, 1965. Highly-trained personnel teach fundamental military skills to the individual soldier.

December 1965, more than 120,000 men have been graduated from basic combat training.

Fort Benning has other functions: hosts other units. Yet, its basic mission—making better combat infantrymen—still dominates.

Pvt. Braswell was graduated from E. O. Douglas Vocational High School, Sebring, in 1967. Before entering the Army, he was employed by the Highlands County Maintenance Department, Sebring.

Following completion of basic combat training, Pvt. Braswell was promoted to pay grade E-2 under an Army policy providing incentive to outstanding trainees.

He will take advanced individual training at Fort Gordon, Ga.

### The Library Corner

The White House and its Families written first in 1948—revised in 1962 and 1964—now updated and revised in 1968 by Amy Lafollette Jensen is a "family album" of the 34 families who have called the White House home from the John and Abigail Adams from Massachusetts to the Lyndon and Lady Bird Johnsons of Texas.

Mrs. Jensen leads you on an "intimate, warm-hearted tour of the grandest building in the land"—showing every lawn, portico, wing, and room illustrating the story with hundreds of memorable pictures.

Mrs. Jensen makes the White House become alive with history—150 years of gossip some amusing, some scandalous, of music and laughter in the reception rooms, of ghosts of great men in courtesy visits and in conferences which determine the fate of nations.

There is gaiety, there is sorrow and tragedy.

Every President and First Lady have contributed things of beauty to this national museum. Mrs. John Adams had the most difficult job. When she moved in there was not one room finished, no plumbing, and the walls were still wet.

The White House owes its electric lights to Mrs. Benjamin Harrison. It's swimming pool to Franklin Roosevelt. It's putting green to President Eisenhower. A thorough restoration to Mrs. Kennedy.

The New York Herald Tribune wrote: "This is a memorable book. Big, excellently organized, beautifully written, it fills a need that has not previously seemed to exist, a need, in our critical, non-partisan point of view we have encountered very rarely indeed."

With Mrs. Jensen's graceful and unassuming admirability, this is a volume to be pored over many, many times.

**Flossie L. Kemp Dies Thursday**  
Mrs. Flossie L. Kemp, 82, died Thursday, Feb. 15. She was born in Indiana and had made her home in Avon Park 15 years.

Survivors include a brother, Earl Abbott, a sister, Mary J. Weiser, Covina, Calif.

Funeral services were held at the Scott-Shapton-Smith Funeral Home, Monday, 2 P.M. with Rev. A. G. Hardee officiating.

She was laid to rest in Seagraves Cemetery.

### Mary McCampbell Dies Feb. 14

Mrs. Mary McCampbell, 87, died Wednesday, Feb. 14. She was born in Orlando and had lived in New Smyrna Beach before moving to Avon Park.

Survivors include her husband, Lowell McCampbell, New Smyrna Beach; four brothers, Kerma McCaffee, Tulsa, Calif.; Spurgeon McCaffee, Jr., Ocala; George McCaffee, Jacksonville; Albert McCaffee, Manassas, Minn.; one sister, Mrs. Earl Pyke, Avon Park.

Funeral services were held Saturday, Feb. 17, 4 P.M. in the Scott-Shapton-Smith Funeral Chapel. Rev. John Kings of Sebring officiated. Burial was in Seagraves Cemetery.

North-Hampton-Smith Funeral Home in charge of arrangements.

### CORRECTION

Mrs. L. D. Roberts was the first woman to drive a car in Polk County instead of Avon Park as mentioned in her 60th wedding anniversary story in last week's paper.

### AIC.C.R. Durden Receives Unit Award

Arman First Class Chester R. Durden, son of Mr. and Mrs. Chester R. Durden of 306 E. Walnut, Avon Park, has supported his command—Strategic Air Command (SAC) organization at Glasgow, AFB, Mo., in earning the T. S. Air Force Outstanding Unit Award.

He is a member of the 1st Bomb Wing that has the distinction of winning the USAF award twice for two consecutive years of outstandingly exceptionally meritorious service.

His organization was specifically cited for its achievement in flying long range B-52 Stratofortresses on almost daily conventional bombing missions against Viet Cong targets while on temporary duty at a Western Pacific base from October 1966 to March 1967. During the deployment, wing KC-135 Stratotankers supported the eight-engine bombers with inflight refueling.

Arman Durden, a vehicle operator, wears a distinctive service ribbon as a permanent decoration to make his affiliation with the 91st.

The arman is a graduate of Georgia Military College, Milledgeville, Ga.

His wife, Doris, is the daughter of Mr. and Mrs. Ralph Hyman of 411 Lakeside Drive, Sparta, Ga.

**CARD OF THANKS**
