VOLUME XLIV NUMBER 20 AVON PARK, FLORIDA 33825 THURSDAY, FEBRUARY 29, 1968 GL 3-4351 GL 3-4355 10c PER COPY

A GROUP OF BUSINESSMEN were on hand Saturday to meet former Governor LeRoy Collins when he arrived in Avon Park Saturday. Collins is a candidate for the U. S. Senate seat expected to be vacated by George Smathers. Another visit is expected some time in April. Shown left to right: Andrew B. Jackson, Lake Placid attorney and Collins' campaign coordinator for Highlands County; Roy Selms, member of the Avon Park steering committee; Collins, Lon Hooper, 1st vice president of the Avon Park Chamber of Commerce and Ray Stokes, vice president of Highlands Golf School.

Council Asked To Help Appeal Board Decision

At the regular meeting of Avon Park City Council Monday night Roy Selms, in behalf of the Chamber of Commerce, asked the council for some financial assistance to appeal the decision of the Florida Public Utilities Commission which confirmed the elimination of stops in Union Park of the Silver Meteor and Silver Star trains.

Selms said an exception is being filed by C. C. Parlow, Jr., who is planning to take this upon his own if he does not get any assistance from any other source. Parlow suggested that Selms might seek some support from local businessmen.

Bus Nunnallee brought the members of the council up on events leading up to the public hearing held at the city hall after the stops were eliminated. Selms stated that he thought every effort should be tried to get stops restored as long as there was a shadow of a doubt. The council suggested that Mr. Selms get an estimate of what it would cost for the appeal and the council would study the matter further.

Zig Callaway appeared before the council and asked the council to extend his business hours. He was extended from 11 A.M. to 2 P.M. and closed all day on Sunday. Callaway said the cocktail business is just beginning at 11 P.M. and unless he gets the two-hour extension he would have to close his business.

The council made a motion to extend the hours and said an ordinance would be made to that effect. In other action, the council voted to purchase a new Chevrolet truck from J. H. Ford in the amount of \$1,825. Other bids were: Wells Motor Co. with \$1,801.26 and Avon Park Motor Co. with \$1,809.32.

J. D. Murphy appeared before the council and requested a permit to move a dwelling on North Lake Ave., owned by the First Baptist Church and being moved for Edward Jones.

Murphy also asked for more time to pay or make arrangements to pay his delinquent real estate taxes. The council approved a 30-day extension. The council approved \$56.40 to the American Legion to buy grave markers for servicemen.

Granted James R. Smith permission to clean the exterior of the city hall for \$106. Council President Scott said since the city hall is being remodeled this should be done.

Noted to invest \$55,000 of the sinking fund monies in six months U. S. Treasury bills. Authorized City Clerk, Malcolm Crows, to certify a list of property on which taxes are delinquent to the city attorney for foreclosure.

Accepted the bid from Frank's Garage and Body Shop to repair the motor of the 1966 police car.

Noted to remove the \$300 designation for the band director in the current budget.

Passed a motion to suggest to the Avon Park Golf Association that green fees for clematis be set at \$1, the same as servicemen.

County Schools Return To Normal As Teachers Report

Highlands County schools returned to virtually normal operation this week with 95 percent of the professional teachers in their classrooms.

On Monday, 14 classroom teachers submitted new resignations which have not been acted on by the county school board.

Senator Wilbur A. Boyd, legislator from this district and chairman of the Florida Senate education committee, visited Highlands County Monday and reported that this was the first county which had experienced a major walkout—16 teachers out of the 270 classroom instructors—and reestablished normal operation of the schools.

So far as I can see you have made the most progress of any county in the state," he said.

"To a degree the teachers have accomplished what they sought to do. The people are aware of the problems of our schools. Bridges of understanding and cooperation to solve these problems can be established if in the case we can do what was done here."

Senator Boyd was warm in his praise of all the teachers of the county and the county school of

frank, noting that "some school boards pushed the panic button and have based themselves on Resignation As Usual."

Highlands county board and superintendent "did not panic" when, in a special session Monday afternoon, the board voted three to one to refuse to accept any resignations and give the Superintendent time to recommend suitable replacements.

Board Member Ted Cause of Sebring opposed deferring action on the 14 resignations submitted Monday but R. L. Padgett's motion to delay until a special meeting at 4 P.M. on Monday March 4 passed with the backing of John Wink of Lake Placid and E. Ray Weiss.

This will give our Superintendent time to find suitable replacements, and I'd like to leave the door open a little for these teachers who have resigned. I do not know all of them, they do have time to study their letters of resignation and earn from them what I can to help our schools," Padgett said in defense of his motion.

Experienced Teachers According to a court ruling giving by Circuit Judge Clifton M. Kelly Friday, the resignations submitted on mass were void and teachers who wish to resign have to submit resignations individually.

On Monday 14 resignations were received, and at the board meeting Douglas reported some of the teachers have special skills very hard to find. "We probably cannot replace some of these people and we'll have to continue programs," Douglas said.

The resignations submitted Monday were from Miss Bertha Sumner of Avon Park Elementary faculty, Richard Payne of Sebring High, Miss Mary Ellen Jones and Mrs. Agnes Wagoner of Lake Placid Elementary, Mrs. Jean Moore of Lake Placid High, Mrs. Sarah Norrell Williams, Joe Ward all of Avon Park High, Mrs. Shirley P. Furr of Hope, Mrs. Mary B. Roberts and Mrs. Patricia Payne of Lake Placid Elementary, Mrs. Jean Moore of Lake Placid High.

Three of these teachers have been teaching for more than 20 years, and the 14 as a group have accumulated 144 years of experience. Seven of them hold continuing contracts which carry with them tenure, and 10 have been rated by supervisors and building principals as excellent teachers, a rating which boosts their pay \$500 per year.

Calendar Announced In face of the walkout last week the school board amended its school calendar to make February 20 and 21 work days for teachers and holidays for students. To recap the last class time, the school board voted Monday to cut the Easter holiday to a single day—Good Friday, April 12, Thursday, April 11, and Monday, April 15, will be spent in class.

The board also voted on Monday to "authorize return to normal operation," a vote which carries with it return to the policy hiring only certified teachers, the Superintendent said. Emergency operation last week had included permission to hire uncertified teachers on day-to-day contracts.

Ben McGee Will Seek Re-Election "I'm still a candidate and I'll formally qualify on March 19," County Commission Chairman Ben McGee announced today.

McGee, who is seeking a third term on the county commission, was one of the first county commissioners to vote in the ring and to hold his own in the ring. He is running for re-election in the March 19 election.

McGee, who is a professional mechanic, said he had accepted many rumors that he planned to retire from the commission to assume direction of the motor vehicle inspection program which goes into operation in April.

"I plan to help him staff the inspection program, but I will not be a part of the staff. I want to continue right here on the commission," McGee said.

Cecil Skipper of Avon Park also announced a terms campaign this year. To date Skipper has sidestepped questions about his intentions.

R. L. Padgett Will Not Seek Re-election to School Board

The school crisis may cost Highlands County one school board member. R. L. Padgett, Avon Park board member whose first full term expires this year, announced Monday he will not be a candidate for re-election.

Padgett turned aside questions about his decision to retire. He added that he is seeking candidates for the seat he is vacating. "I am talking to several people about running," he added when he announced his decision.

He was appointed to the school board early in 1964 to fill the vacancy created by the death of Sam Longbottom. In the Autumn of 1964 Padgett ran, without opposition, for a full four-year term.

He frequently complains that school boards have too little opportunity to influence the quality of education through selection of curriculum and faculty, that the board is compelled by law to spend large blocks of meeting time on "bids and bids."

At the regular February meeting Padgett presented a plan for classroom teachers to attend board meetings and make recommendations on their day-to-day work. The proposal drew enthusiastic endorsement from Superintendent George Douglas and Highlands County Education Association President Jack Ingie, and Douglas promised immediate implementation of the plan.

Padgett said he felt this would be one way of getting at the

Four-Laning Of US 17 Will Be Top Priority For County's Road Money

The four-laning of US 27 through most of Highlands County accounts for the top three items on the priority list for Highlands County's share of state secondary road funds for the 1968-69 year.

In the annual secondary budget hearing at the district road office February 21, a county priority list totaling 11 projects was approved. Gasoline taxes not used on the US 27 work will be channeled into these projects.

Leading the list are two resurfacing jobs recommended by state maintenance department: State Road 17 at Dinner Lake street lights, one on North Central Ave. by the Matt's and Selby's homes, one on West Ruth by Tom Jenkins and one on Palm Drive by Dan Barfield's.

Councilman Derrah Martin told members of the council that Fred Zahna had requested permission to donate 18 concrete benches to the golf course, four benches to the tennis courts. Martin said none of the benches would carry any advertising.

eastward 2.4 miles at an approximate cost of \$35,000, and the old Bombing Range Road from SR 17 eastward to the Polk County line at approximate cost of \$125,000.

Railroad crossing installations on SR 17 at Deboto City and Dinner Lake at a cost of approximately \$10,000 each, are projects six and seven.

Project eight is the acquisition of right-of-way at the end of State Road 622 eastward to the Sebring airport and South to US 26 and rebuild the portion of the road from the present end of SR 622 to the airport.

Nine, resurface the Power Line Road North of Sebring to State Road 17 A.

Ten, maintenance work on Hetherington Road.

Eleven, resurface the road which runs from the Consolidated Financial Corporation of Lake South of Sebring to the hospital road Highlands Avenue.

Rotary Report

Reported by Norman Todd

February program chairman, Franklin Ward, introduced H. L. Hulman from the Division of Youth Service, Tallahassee, at last week's meeting.

Mr. Hulman's remarks were confined to the problems of delinquent youths and to point out the seriousness as well as the immensity of the problem. He gave us some figures. Miami is second only to Los Angeles in the number of juveniles committed. Hollywood is fifth and Jacksonville seventh.

Depending upon which type of crime is involved, youths commit 50 per cent to 70 per cent of them. Add to this the some 300 people that move into the state each week and you have a lot of teenagers.

Hulman was quick to compliment the over-crowded boys' schools. They are understaffed due to low salaries which means that the kids must work instead of having classes. Highly trained staff does not exist. PHD's and MD's. Vocational training does not exist now but recent appropriations and other aid is now in the process of establishing a program.

One new program being worked on the local level that shows good promise is called Group Interactions. This is group therapy involving kids. They tell each other just where they are going wrong and how to get it corrected.

Such a city suddenly appeared in a vast tract of land near West Palm Beach when 1908 Airstream travel trailers assembled there for the South-eastern Airstream Rally.

Over 1000 trailers were parked the first day, breaking all records, before the three-day program started. This rally was put on by the Airstream Company for Airstream owners only.

A full program of entertainment was supplied and there was something going on every minute. Such as the parade of Scottish descendants in full Scottish regalia, animal guests and movies from Lion Country Safari, horse and golf tournaments, shows such as "Break the Bank," "I've Got a Secret," "The Today Show," and the history of Palm Beach by Theodore Pratt, the writer.

There was an ice cream social and a craft workshop, using shells. An open forum on Airstream maintenance was put on by the Aircraft Company, after which the president of the Wally Byam Caravan Club, International gave a very nice talk.

John William, the Florida Outdoorsman, entertained the Airstreamers with a Florida fishing party, after which the square dancers did their stuff in a big tent, with plywood floor. This tent was adjacent to the larger tent in which the major entertainment took place. The big tent was 80 ft. by 125 ft.

The women had a session called "Easy Living" in the smaller tent and learned many Airstream homemaking ideas. In the big tent, Highland music, Scottish dancing and a fencing and sabre demonstration was enjoyed.

Then outside, the men had a big time in the Highland games, such as the hammer throw and caber toss. The ladies enjoyed a very interesting "Egg Shell Crab" demonstration, many marvelous objects can be created from a lowly eggshell. Countess Maria Plinski gave a breath-taking account of her life as a spy during the Second World War.

Saturday night ended with a big square dance enjoyed by the dancers and spectators alike. With an average of \$10.00 per unit, including towing vehicle, the value of the units was \$18.00. Quite a layout.

Sunday started with a very impressive interdenominational church service. The preacher stated that he had never addressed a congregation as large as this. His church is the largest in West Palm Beach.

Then the hobbyists set up their exhibits around the perimeter inside the large tent. There were many, many different kinds of hobbies, all kinds of handicraft, art displays, needlework, the prize for the most original hobby by going to the man with thousands of pieces of barbed wire, from all over the world.

Perhaps many of you have seen "The Four Saints," a superb musical and comedy act on TV. The Four Saints were finishing an engagement in Ft. Lauderdale and performed for the Airstreamers Sunday afternoon, on their way back to New York and Las Vegas, after which the 3794 Airstreamers were treated to a big barbecue beef dinner.

Preparing food for this many people, on the spot, could be done only by one outfit, the Jason Caterers from Ft. Worth, Texas. They brought nine big trucks with all the necessary equipment and food and served the 3794 people in 34 minutes. Typical of the way they do things in Texas—this outfit is LBJ's personal caterer, when he throws a feed at the LBJ Ranch.

Thoughts on time. Time 1 is money. Few can afford to waste it. Time 2 is power. No one can dissipate it. Time 3 is influence—we have no right to destroy it. Time 4 is life—we must value it highly. Time 5 is short—all should use every minute.

Panthers End Season With 88 To 73 Win Over Florida College Friday

By Coach Dunning Terrell

Last Friday night, South Florida Junior College Panthers closed their season as they had begun it, with a victory over Florida College. The Panthers opened with a 119 to 83 victory at home and closed with an 88 to 73 victory in Tampa.

Alton Whitehead with 19 points, Skipper Gause with 18, June Galt 17, Ted Butler 16, Tom Williams 11, Allen Five and Kitchens 10, did the scoring for South Florida. Dennis Frank had 19 points for Florida College.

The win gave South Florida a 4-4 record in the conference which was good enough for a fourth place finish in an eight team league. It marked the second year in a row the Panthers finished fourth.

It was a year in which the Panthers were caught short before the season began and the major part of the schedule faced the Panthers playing with only two boys over six feet tall and four of those gaffed found the Panthers with only one boy over six feet when Gause was injured and Williams missed the team.

My sincerest thanks to all my friends who were so kind to remember me with cards, flowers and visits while I was confined to the hospital.

THE THIRD Community Concert of the season will be held at the Avon Park High School Thursday, Feb. 29 at 8 P.M. Featured in this week's concert will be The First Chamber Dance Quartet with Lois Bewley, Janice Groman, Charles Bennett and William Carter.

Community Concerts To Be Held Thursday

Highlands Community Concert Association will present its third concert of the 1967-68 year Thursday night, Feb. 29 in Avon Park High School auditorium at 8 P.M. At this time the First Chamber Dance Quartet will perform. They have been acclaimed as the best American Ballet Company by many critics.

There are five artists in this group: Lois Bewley was born in Louisville, Ky., where she studied dancing with Lillian Courtney. Miss Bewley became a member of the Ballet Russe de Monte Carlo, and in a brief period was dancing important solo roles with the company.

She joined the American Ballet Theatre for their state department tour of Europe, and upon return to the United States toured this country with Jerome Robbins' Ballets USA. She has appeared on Broadway, television and with the New York City Ballet.

Janice Groman left her home in New Britain, Conn., at the age of 16 to join the New York City Ballet as an apprentice in "The Nutcracker." Shortly afterward she became a full-fledged member of the company, and toured extensively with them throughout Venezuela, Japan, Australia and the Philippines.

When the American Ballet Theatre made history by becoming the first American company to appear behind the Iron Curtain, Miss Groman went along to dance important solos. She remained with the company throughout their European tour. She then joined the First Chamber Dance Quartet for their first tour of major cities in the United States.

Nadine Revene comes from New York City where she studied dancing with the late Helene Platonova. Miss Revene's first professional appearance was in the musical "Call Me Madam" and then with the New York City Light Opera in their revival of "Carmen."

Agnes de Mille spotted her in this production, and was instrumental in having her join the American Ballet Theatre for extensive touring in the United States and abroad. Miss Revene then became a member of the New York City Ballet, prior to her engagement in Bremen, Germany as prima ballerina of the Bremen Opera. Two years later, she returned to the Chamber Dance Quartet to remain as a full time member.

Charles Bennett hails from Wheaton, Ill., and first studied dancing with Bentley Stone in Chicago. His first professional engagement was with Ruth Page's Chicago Opera Ballet and shortly afterward he joined the American Ballet Theatre with which he remained for several seasons and was promoted to the position of soloist with the company. Mr. Bennett has appeared extensively on television and on Broadway.

William Carter began to study dancing at the age of 16 in his

Spring Musicales Dates Changed To April 6 and 8

Dates for the Spring musicale, Mr. Crane, have been changed. Delays in all departments have caused the new dates to be issued. Saturday, April 6 and Monday, April 8 at 8 P.M. in the Avon Park High School Auditorium.

This is such an elaborate production it has taken the combined efforts of Mr. Eberle, Mr. Miracore, Mr. Martindale, Mr. Doby and Mr. Miskunas. All these men are busy with their regular teaching programs and the students are carrying a full school schedule with athletics taking after school time so it has been decided to extend the rehearsals which go on afternoons and evenings.

Tickets will go on sale very soon with a premium for those who purchase pre-performance tickets. A list of patrons starting donation \$2 will be ready for the program. Anyone so desiring may call Mr. Doby or see a member of the play cast to have their name inscribed on the souvenir booklet.

David Wadland as Ike Crane, the gangly ballet instructor who the male lead Myrna Denny, Kathy Van Tassel, music instructor of the girls' school, a modern version of the dame in Sleepy Hollow, has a beautiful soprano voice. Marcia Ward, Dean Roberts vague and off-key, dumpy, rather unpleasant, sings in an indecipherable voice.

Susie Biggs, the teeny-bopper type student, sings in a colorful soprano voice. John Alwood, muscular balloon-head of a physical education instructor is named properly Tom Bones. A chorus of 13 girls dance, sing and act out the part of the students.

The cast of characters is made up of members of the high school junior and senior classes and will take the place of the usual senior and junior class plays.

THE CROCUS

"I haven't seen a crocus or a rose bud—but I know it must be spring." These are the words to a very popular and beautiful song. The crocus is the first little flower to peep up through the cold ground in spring. They are hearty, easy to grow, and come in a rainbow of colors. This tiny member of the lily family is talked about many times in Greek mythology.

Did you know that this little plant produces a substance called saffron, which was used as a stimulant in medicines—also it was used as a cake and candy coloring.

Any time of the year, our shop features the finest selection of flowers—they really know no season. Whenever you need flowers, of any kind, call us.

Front-end alignment involves proper positioning of your front wheels relative to the road. They should be checked at least twice a year, or if you have an unusually hard contact with curbing, a rock, or other road hazard. Neglecting it not only causes excessive tire wear, but places an extra pressure on wheel bearings resulting in additional wear to them.

I've seen brand new tires which should have given 25 thousand miles of service worn out in 5! It is a simple inexpensive service that, if you'll follow up, will pay many times over.

Band Concert Draws Record Crowd Sunday

The Avon Park High School band concert was attended by a record crowd Sunday afternoon, at the auditorium. The little tin hats collected a total of \$300 for the benefit of the band. Billy Martin, vice president of the band, asked for a good contribution.

It was conducted on a student basis in the absence of their director, Vic Mickunas. Directors were members of the band, Jerry Wacker, first captain, Marcia Ward, student conductor, and Don Streth.

The opening number, "Tones of Glory," by Alfred Reed was conducted by Jerry Wacker. Marcia Ward conducted the next two numbers, "Music Man," by Meredith Wilson and "Demolay March," by R. B. Hall.

Don Streth, drum major, took over for "Georgy Girl," and the maypoettes' part, followed by "Jazz on Parade," by Zane Van Alden and "Butter Brigade March," by T. F. Dancy, Jr. Mrs. Carlos Conception was the guest artist. Marcia Ward took over for "Huckleberry Fute," directing the six girl flutists of the band.

After announcements and passing of the little tin hats, Marcia Ward again assumed the stand and directed, "Joshua," by Paul Yoder, and "From Shore and Sea," by A. O. Davis. The closing numbers, "Dixie," by Dan Emmet and "The Star Spangled Banner," by F. Scott Key, were directed by Jerry Wacker.

The concert was dedicated to their instructor, Vic Mickunas. After the concert the band went en masse to the home of their director and asked him to return to the school as their director, which he did Monday morning, much to their delight.

Does Your Home Need a New Look

Do you have a room in your home in need of a "facelift"? The advanced section of the Interior Design Class of The Highlands School has ideas that might be helpful to your particular problem. Could we arrange an exchange—problems for suggestions?

These students would like practical experience in solving interior decorating problems for you. They will study the room, the needs, and offer suggestions and ideas for redecorating the room, furnishing, wallpapers and color schemes.

If you are interested in utilizing this service and helping these students put to practical use the knowledge they have learned, please contact Mrs. R. H. Stokes, The Highlands School, Avon Park. Mrs. Stokes will select rooms the design her students can best handle.

THESE HAPPY SMILES are for the steaks being served on their plates at the Florida Citrus Mutual here. At left is Mrs. Jean Kroil, secretary to Dale Carlton, district director of FCM's grower division, serving Carlton and at far right, Bob Barben of Avon Park, director in this area.

Valencia Prices Best In Six Years

Citrus groves and the Valencia orange outlook are the best in six years, Florida Citrus Mutual members from three counties were told here Thursday.

About 155 persons attending Board Dale Carlton, district grower division, say the Valencia crop forecast had dropped by 3 million boxes since last Fall and the price should be \$1.45 plus per box on the tree. He added that demand for citrus and citrus products has for the first time since the 1962 freeze reached the pre-freeze level.

Florida Citrus Mutual has an "action plan" he said. This includes use of the eight open can, execute recovery in citrus processing, in-store demonstrations and merchandising across the country, improvement of quality of all products, centralized selling, research development, supply management and reverse supply stockpiling.

"Let's get together for profit," pleaded Carlton. About 155 persons attended the meeting which was held at the fairgrounds prior to the meeting a fleet mission dinner was served.

Dr. W. Hubbard Found In Lake Bonnet

The body of Dr. William Hubbard, 69, Sebring veterinarian from Flint, Mich., sought for eight days in Lake Bonnet, floated to the surface Monday after the longest search ever made in this county for a drowning victim.

And on Tuesday, Dr. Clyde E. Nickx, 75, a retired veterinarian, fell into Dinner Lake from his small boat, but death was caused by a heart attack, a post mortem showed.

The search for Dr. Hubbard began the afternoon of February 26 and went on until early Tuesday when Maj. Hobson Parrish, Ret., found the body floating in the East side of the deep and muddy lake. It was shortly before 7 A.M. and Sheriff Brown and Coker, Bob Burns, and Hansel Oliver answered his call for help. The body was taken to Warren Funeral Home.

As many as 30 men and eight boats equipped for drugging were on the lake at one time and had "searched every inch" of Lake Bonnet. Taking part were police and fire departments of Sebring, Frostproof and Avon Park. The Sheriff's office and rescue unit of Sebring, Hardee County Sheriff's office, DeSoto County auxiliary sheriff's unit, and Sebring police and auxiliary police. The search went on some nights as well as days and was hampered by bad weather.

Dr. Nickx was heading out into Dinner Lake about 2:30 P.M. Tuesday and passed and spoke to a neighbor, James Shaw, who was fishing. A few moments later, Shaw heard the motor rev up and looked and saw Nickx fall into the water. He went to his rescue and got him into the Shaw boat. Nickx tried to use an inhaler and fell out of the Shaw boat. Shaw tried to get him in again, could not and headed to ward shore, clutching the doctor. Fishermen near shore helped get him finally into the boat but he apparently was dead. Death was caused by a heart attack. He was taken to Warren Funeral home.

Dr. Wm. Hubbard, Dr. Hubbard, a Winter visitor who had been in Sebring only two days before he was lost in Lake Bonnet, February 26, was 69. He lived in Flint, Mich. He is survived by his widow, Margaret, who was here with him and a son, Dr. William Hubbard, Jr., of Flint, who came to Sebring last week.

Interment will be in Farmers Creek cemetery in Loper County, Mich. He was a medical doctor.

Dr. Clyde E. Nickx, Dr. Nickx a veterinarian who lived on Alternate 27 North, died March 5 in Dinner Lake. He came here 14 years ago from Elkhart, N.C., was retired and a veteran of World War II. He was an honorary life member of the North Carolina Veterinary Association.

Avon Park High School Band Auction Scheduled For Saturday

"If at first you don't succeed, try, try again" seems to be the theme song of the Interop Avon Park Band Auction when it comes to putting on the well-publicized annual band auction. Two days thought to be good dates turned out to be windy and rainy and cold.

This Saturday, 2 P.M. until all sold, is now the day chosen for this worthwhile project. On the Mall, March 9, Joe Kinzie will devote the product goes to the highest bidder. Much merchandise is still needed and anyone is asked to call Mrs. Bradberry, Mrs. Ferguson or Mr. Nickoley. Any saleable items may be left at the store next to Wells Motor. Saturday morning. Almost any type of item which would bring at least \$100 can be sold. It is hoped a crowd will gather for fun and fellowship, good food and bargains. Band parents are asked to send cakes, food cakes, food items which can be sold whole or by the piece.

SEJC Panthers Will Open '68 Conference Play With Manatee Monday Night at Head Field

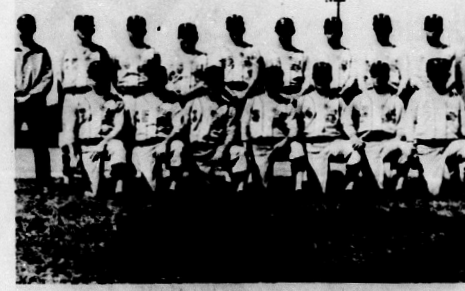

Monday night, at 7:30, at Head Field in Avon Park, South Florida Jr. College Panthers will open Conference play against defending champion Manatee Jr. College of Bradenton.

Probable starting battery will be Keith Blanton or Ronnie Jackson on the mound and James Brantley or Tommy Foster behind the plate.

Last Saturday afternoon in Gainesville South Florida Jr. College's Panthers opened their baseball season with an 8-7 first game loss and a sweet 6-4 second game victory.

In the first game, opening game gettters, the Panthers 3 unearned runs and the Baby Gators took advantage of 1 walk, 2 errors and 1 hit to score 3 runs. That's the way it stood until the 6th inning when the Panthers unloaded 6 hits including Hoppy Rewis' bases leading double to score 7 runs and take a 7-3 lead. However, more walks, more errors and 1 hit gave the Gators 5 unearned runs to win 8-7.

In the second game, the Gators took a 1-0 lead in the 4th inning. Again the Panthers had a big 6th inning to score 4 runs and enter the 7th frame holding a 4-1 lead. However, the Gators scored 3 runs to tie it in the 7th and the Panthers had to score 2 in the 8th to win 6-4.

SOUTH FLORIDA JUNIOR College baseball team will play here Monday night. Team members, left to right, front row, Ronnie Jackson, Lynn Elford, Charlie Mooneyham, Tim Gillis, Carl Barnes, Freddie McCall, Ralph Starratt. Second row, Mike Cowart, manager; Alonzo Whitehead, Tony Molares, James Brantley, Keith Blanton, Ted Butler, Jim Bostenhammer, Roy McMillan, Hoppy Rewis and Coach Terrell.

Highlands County Accepts Resignation Of 10 Teachers

Highlands County school board has accepted resignations from 10 teachers, but left the "return door" propped wide open.

The board, in a special meeting Monday, followed the superintendent's recommendation in accepting the resignations and naming replacements.

One special education program at Lake Placid Elementary has been closed, and five of the

resignations are teachers who are leaving to seek employment elsewhere. The superintendent said, while no notice is given for certified or better qualified teachers.

Sweet Demands Immediate Retrial

An immediate retrial of John J. Sweet for the murder of Charles Williams, Maxxy has been demanded by attorneys, but this is "simply statutory procedure," State Attorney Gen. Darty said Monday.

Darty pointed out that once this is filed and the case has not been prosecuted within 18 months period from the date of the trial, it is automatically dismissed.

The state's attorney said he still does not know when the case will come to retrial and that he is considering the absolute maximum the county can pay.

Other commissioners and a dozen members of the audience hopped into a discussion and worked out staff salaries and other things to be considered in the budget for the inspection program which will begin on June 1.

A motor vehicle inspection director is to be hired for \$125 per week or \$6500 per year. A chief inspector will be hired for each of the two stations. In Sebring and in Avon Park—at annual salaries of \$5720 each. An assistant inspector at each station will be paid \$2300 and a clerk at each station will be paid \$2000.

All seven staff members are to work six days per week, but he heard left the holiday schedule for later decision.

One member of the audience suggested "Keep in mind what school teachers make."

Another man protested that the clerk's salary is too low, but Crutfield said the salaries the county pays should not be so high that they would entice workers away from private employers.

To date the county commission has received 15 applications for motor vehicle inspection work, and a Tuesday meeting the deadline for applications was set at April 15.

The board voted to advertise for a site on Kenilworth Boulevard for the Sebring inspection station. The bid will call for a minimum of 300 sq. ft. front on Kenilworth. Prices will be asked on five acres and 10 acres. The commissioners agreed Tuesday that community pressure may force removal of the county barn now located on Hawthorne and if a 10-acre parcel is purchased for the inspection station, work might be started on moving the county barn which serves the Sebring area.

Decision on the inspection site is scheduled for the March 19 commission meeting, and at the first meeting in April the board may award the contract for the buildings to be used at both the Sebring and Avon Park stations.

County Commissions Sets the Salaries For Inspection Workers

In a unique "free for all" session Tuesday the Highlands County commissioners and members of the public present at the commission meeting worked out a \$10.50 salary schedule for the motor vehicle inspection staff.

And they hope to locate Sebring's station on Kenilworth Blvd.

Commissioner Earl Crutfield filed opened the discussion at Tuesday's meeting with the proposition, "We are asking people to apply for jobs without any idea of what they might make."

He presented a \$20,000 package which he considered "the absolute maximum the county can pay."

All seven staff members are to work six days per week, but he heard left the holiday schedule for later decision.

One member of the audience suggested "Keep in mind what school teachers make."

Another man protested that the clerk's salary is too low, but Crutfield said the salaries the county pays should not be so high that they would entice workers away from private employers.

An angry delegation from Lake Josephine community, South of Sebring, crowded into Tuesday's meeting to demand action on a declaration law off US 27 at Lake Josephine Drive and re-

surfacing of Lake Josephine Drive.

In the latter the commission approved Crutfield's motion that the necessary county equipment be set to begin work on Lake Josephine Drive at once.

The declaration law, originally approved by the State Road Department, has been scrapped since the late January of '57 has been scheduled. The Lake Josephine declaration was sent to the State Road maintenance office to comply about dangerous potholes at the edge of the road at the Lake Josephine Drive intersection.

Personal Policies

On pending from Commissioner John Whitaker, the board approved its road crew policies to provide for farmers as well as the superintendent, to damage workers.

Skippers ordinarily work a 30-hour week. Commissioner Crutfield noted that the road workers "have sick leave, two weeks vacation, extra holidays, those who don't produce, get rid of them."

He emphasized that the question of tenure for resigned teachers is a "legal question, what is wide open, and the courts will have to settle it."

Replacements named

Appointments approved Monday were Mrs. Mary Morris and Mrs. Ecker Essex, both temporary at Lake Placid; Mrs. Barbara Vickers and Mrs. Nancy Hensley, both certified teachers, for DeSoto City-Fred Wild School; Marshall Wilson and Mrs. Wilda Knapp, both temporary for Avon Park High.

Robert Talbot was transferred from Fred Wild School to Sebring High, and Danny Johnson, named temporary replacement for Talbot at Fred Wild. To fill a coaching vacancy, William Blanton, former football coach at E. O. Douglas High, was named to assist Glenn Odham as SHS track coach.

Other Business

In other business Monday the board approved preliminary plans for the vocational buildings for South Florida Junior College.

Accepted the resignation of Mrs. Mildred Cheeks of Lake Placid Elementary and named Mrs. Ruth Piper to fill the vacancy temporary. Mrs. Cheeks' husband has accepted employment in another part of the state. Douglas told the school board.

Red Devil Track Team Will Open Season Here Thursday

Avon Park's Red Devil track team will open its 1966 season Thursday with a home four-team meet here at the track East of Memorial Stadium with field events getting underway at 3:30 P.M.

Competing with the Red Devil trackmen will be Sebring, Arcadia, and Fort Meade. The Red Devils are coached by Fred Sandlin who led the Avon Park team to the Highlands County Championship and eighth place in Class B state competition last season in his first year as head track coach.

Returning from last year's Red Devil team will be eight returnees. Willie Seeger will return to the 160 and 220 where he lettered as a freshman last year. Senior dashmen Stubby Callaway and Jim Burrescu return to give depth in the sprints. School record holder Lenius McNeil returns for his senior year to run the 100 hurdles. McNeil's 21.3 last year was the best time in the group meet. Seniors Robert Watson and Jimmy Williams will lead the team in the 440 yard dash again. Williams and Watson helped the mile relay team get to the state last year.

The field events will again be paced by junior Clydes Brown who lettered in the high jump, broad jump, and pole vault last year.

The big question mark is state half mile runner-up Kenny Dixon. If Dixon runs again the Devil team could have a banner year. Dixon, who ran 2:01 has not made a decision about track yet and will not until after the basketball season. Newsletters expected to help are Walter Nunnallee, freshman.

Basketball Team Closes Season

The Red Devil basketball team closed out the 1965 season with a 53-28 loss to Lake Placid in the Class B District 14 tournament held in Lake Placid last week.

The field events will again be paced by junior Clydes Brown who lettered in the high jump, broad jump, and pole vault last year.

Meeting Changed

The Avon Park Jaycees have changed their meeting dates to the second and fourth Tuesdays of the month. They meet in the directors room of the Avon Citrus Bank at 8 P.M.

Larry Stricker Named To Dean's List

One hundred and eighteen students at Carson Newman College are carrying on the academic spotlight on the Baptist campus. They have all been named to this Dean's List due to their excellent academic achievements during the first semester.

Dean Walter Gayton announced the list today, and it includes the name of Larry B. Stricker, the son of Rev. and Mrs. Otto C. Stricker, 1919 E. Kendall, Avon Park. Larry is a junior and is majoring in math. A 3.5 average is necessary to make the list at Carson Newman.

This newspaper congratulates Mr. Stricker for an excellent academic record.

"B" Squad Defeats Wauchula

Avon Park's "B" squad baseball team defeated Wauchula 6-0 last Tuesday afternoon here at Head Field in the season opener for the young Devils, who are coached by Larry Pickett.

Tomorrow, Friday, the "B" team will travel to Lake Placid to take on the Green Dragon junior squad and next Tuesday the "Devil" team will go to Wauchula for a return game with the Hardie High Junior varsity.

Avon Park batters connected for 10 hits off Wauchula's hurler while Devil pitchers Don Sizemore, Larry Abertson, and Clark Jackson held the seventh Wildcat to two singles. Sizemore pitched the first four innings for Avon Park. Abertson tossed the fifth and sixth and Jackson finished the seventh frame. Sizemore struck out 10 batters during his four innings on the mound.

Steve Cravey had two doubles and a single for the winners and Dennis Hart rapped out two triples. Danny Abertson hit a double for Avon Park's other extra base hit.

The company acquired a herd of more than 750 dairy cows and extensive dairy and farm equipment. Hood Industries President John M. Hood said the purchase price was not disclosed. Hood's Farm operations will be located on 200 acres in Manatee County leased from B & H Cattle. There will be 12 employees.

FOUR GENERATIONS of Talley's attended the family reunion at the home of Mr. and Mrs. John Talley, Bowling Green in honor of their 54th wedding anniversary, last Sunday. Left to right: Terry Talley holding his son Timothy, Murdock Talley and John Talley.

Southland Trailer News

Charles Henningham arrived from his home in Canby, Ore., to spend some time with his brother, Ben. He had a pleasant trip and says a weather at his home is very nice.

No shuffle tournament Tuesday afternoon, but several social games were played. About 30 were out for coffee Tuesday morning. We must have those who are not coming, would like for them to return, to help with the visiting and chatter.

Wednesday was the last day for working on articles to enter the Holiday show which will be held Wednesday, Mar. 6 at the hall. This is always a pleasant occasion, and we invite our friends to come from 10 A.M. to 5 P.M.

The Puktons were in Lakeland Friday visiting their friend, Gladys Hild, who is wintering in Lakeland from Crawfordville, Ind. Mr. and Mrs. George Pardee of Rochester, N. Y. came Wednesday to spend some time in Southland in a few days they will be located in the Beaver trailer, formerly owned by the Ames family. They will return to their home in the spring. The Pardees are friends of the Barths.

Mr. and Mrs. A. Mollo of Grand Rapids, Mich., friends of Golda Daun, were visitors for several days recently.

The Elsthorpes were pleasantly surprised this week when their friends, Mrs. Vera McClellan and Mrs. LaVernway of Hammond, N. Y. called. Also Mr. and Mrs. Louis Hering of Tupper Lake, N. Y. were callers.

Mr. Kolk's daughter came last week to pick up some personal belongings of the Kolk's and to sell their trailer, as they will not be returning to Southland. Mr. Kolk is now in a nursing home and is walking some with the aid of a walker. Mrs. Kolk remains about the same. We are sorry these good people are not in good health.

The Barths are receiving some very interesting and encouraging letters from their granddaughter, Joyce Wiedrich of Pittsford, N. Y. She developed a back condition last October, had surgery and was placed in a cast which will have to be worn for a year. She hopes to return to school in the fall.

Joyce is 15 and in spite of wearing this brace is progressing nicely with her grades, thanks to a home-to-school intercom telephone provided by the local telephone company which allows her to take part in the classroom. In letters to her grandparents she says she is able to walk now and go about the house, is busy with herself with cooking and seems to be mastering the culinary arts as well as excellent grades in school. In a clipping from the local paper several other students are taking advantage of the home-to-school intercom, which affords encouragement for other handicapped students.

Mr. and Mrs. Elmer Young of Cedar Rapids, Iowa called on Emma Gerdes Friday. They are former residents of Southland.

One of Carl Overholt's compositions, Chanson D'Amour, was played by Albert Cushing, soloist, at the high school band concert Sunday afternoon. Our own Carl Overholt is well known far and wide as a composer.

Mr. and Mrs. LeRoy Raynor of Towanda, Pa. old neighbors of Louise Garrison, were dinner guests Thursday of last week.

Mr. and Mrs. William Preson of Cincinnati, O., Mr. and Mrs. Oliver Bauer of Rochester, N. Y. were visitors of the Barths Sunday enroute to Eastia.

Avon Mobile Home Park News

Welcome back to Mr. and Mrs. Harvey Bryant (Katie) who spent last year's month of March with us.

Mr. and Mrs. John Mitchell and Mrs. Mrs. Norman Anderson left for their homes in the North last week. We wish the John Mitchells a blessed golden wedding anniversary, and hope they hurry back next year.

Mr. Hodges has returned home from a weeks confinement in the hospital. Best wishes for a speedy, complete recovery.

Our weekly Saturday night entertainment was a remarkable musical as a guest pianist, Mrs. Ralph Gunning, from the Winter Guest Club played an assortment of piano pieces including popular, classic and hymns for the group singing. The women's sing club, accompanied by Margaret Fries, sang three selections. Nita Byers sang a solo. Warren Byers also sang a solo, and Paul Roth played a violin solo. "Whispering Hope" and also accompanied the group singing. Games were played by those who wanted to remain for fellowship. Come see what is on the agenda for this coming Saturday.

Mr. and Mrs. Robert C. McBeth spent several days last week at the home of her sister and brother-in-law, Mr. and Mrs. M. L. Bacon of Fort Lauderdale. While there, they enjoyed a visit with Mr. McBeth's 90th year old mother and two sisters, Minnie and Edith, who flew to Fort Lauderdale for a three week vacation. This was mother's first time flying in a plane.

Winners at pinocchle this week were Dr. George White and 1122 and Mrs. Lucille McPherson with 1024. Mr. and Mrs. Ora Myers will be hosting next week.

The Avon Mobile Home Park versus Frostproof shuffle club tournament, men only, was won by Avon, 8 games out of 12 on Monday, Mar. 4. Congratulations to all the good players! Refreshments of coffee and cookies were served by Mrs. Wiedrich Miller and Mrs. Gladie Wiedman after the games.

Volkswagen's automatic stick shift. It's easier to use than it is to say.

It's quite a mouthful, isn't it? But once you get by the name, the rest is easy. There isn't a clutch pedal to contend with. And for all practical purposes, you can drive everywhere without shifting. On the highway, you shift once. This is like an overdrive, you go faster, your engine goes slower, and your automatic bug won't turn into an automatic hog. And when the going gets rough like up a ridiculously steep hill, you can shift into low. What could be simpler? One thing, the automatic stick shift is an option. So you'll have to pay a little more. But compared to other automatics, it's a bargain. Because with every automatic stick shift, we include a remarkable money-saving device. A Volkswagen.

Bid By Phone Auction Coming

The first annual Channel 3 (WFLA) Baby Phone TV auction has a running head start. With the official kickoff date for gift solicitations set for March 11, enthusiastic merchants have already donated an impressive array of auction items.

Live bidding will be held daily from 4 P.M. until midnight from May 6 until the 11th.

Parke Wright, vice president of Lykes Brothers in Tampa and general auction chairman of the nine-county campaign, reports that some major items have already been tabulated.

Available for "bid-by-phone" from home will be such top merchandise as a Chevrolet Camaro, donated by Ferman Chevrolet in Tampa; a residential lot in Bayview Estates in Tampa from G. E. Construction Co.; a new mobile home from George and Russ Mobile Home Sales in Bradenton; and seven weekends at Gulf Winds, St. Pete Beach and many valuable items.

According to Wright, the auction channel has a \$570,000 budget and hopes to raise more than \$80,000 through auctioning some 20,000 items to the general public. The auction will be telecast live from the Tampa Electrical Exposition Building at the Tampa Fair grounds.

Hundreds of volunteers

will be calling on merchants in nine Florida counties for donations to the non-profit organizations.

For graduation each girl invited one guest. They prepared a menu from the things they have made and studied in the eight week course and cooked and served a dinner to their guests.

THE OVEN THAT CLEANS ITSELF FOR LESS THAN A DIME

Now you can rid yourself of the Cinderella drudgery of oven cleaning—even without the help of a fairy godmother. Never again must you cope with the mess of oven-cleaners, brushes, rubber gloves, sponges and buckets.

Instead, you simply latch the door on those spatters and spills, set a dial... and your oven comes clean electrically. Sides, top, bottom, racks and drip pan gleam like new for less than a dime's worth of electricity!

Need we say more? Except to suggest that you see the self-cleaning electric oven soon—at your appliance dealer's. He'll also show you flameless units that guard against scorching and boiling over, precision controls, rotisserie broilers—all the marvels of modern electric cooking!

Reddy can't turn a pumpkin into a coach—yet. But every year electricity does more and more for you.

Lake Letta Mobile Home News

Congratulations to Mr. and Mrs. Russell Douty, who celebrated their 50th wedding anniversary this week. Many friends in and out of the court visited with the Douty's on this memorable occasion.

Both Lloyd Carpenter and Emile Fontaine were pleased and expressed their thanks for the flower arrangements presented to them. Mr. Carpenter had been in the Winter Haven Hospital for surgery and Mr. Fontaine had been in Walter Memorial Hospital. Good to see you fellows home and on the road.

We are glad to see how Mary Knapp enjoys her new bicycle. Happy travels Mary!

Supper
Seventy congenial people gathered at the club house for the weekly supper served at 5:30. They were seated at two long tables and again a well-balanced meal was enjoyed after Leo Wagner gave thanks for all the good things of life. New York lead in attendance with 21, Indiana followed with 12.

Harry Brown lead the program with several funny jokes. Jokes are always enjoyed.

Guests were Mr. and Mrs. Roy Strain from Royal Oak, Mich., introduced by the John Dentlers; Mr. and Mrs. Lloyd Clayton of LaPorte, Ind. and Mr. and Mrs. Harold Walder of Paulsboro, N.Y.

New members were Mr. and Mrs. Kenneth Reynolds of Sherman, N.Y.

The group enjoyed the singing by the Avon Mobile Park Women's Glee Club, accompanied by Mrs. Raymond Pries. Earl and Dorothy Baxter told several jokes, which brought laughter. A reading "From History's Scrap Book" was read by V. Fero. The book was a gift of Sylvia LaFollette and mentions the many dates of events coming in February. We thank Mrs. Fero for giving this in a wonderful way.

The Ralph Gunnings were recognized by the group on their 36th wedding anniversary.

On March 8, New York will have their picnic at the Highlands Hammock State Park in the picnic area at noon. Michigan will have their picnic the same day at the Youth Building at the Highlands Hammock State Park at noon.

The Harry Browns and the Maurice Feros were the hosts for the supper.

Leslie Hildreth is now home from the hospital. He still has the cast on for his broken ankle, but he is doing fine.
