Council Overrides Mayor To Pass New Water Ordinance

In a four to one vote the Avon Park City Council Monday night overrode a veto of Mayor Jimmy Doerr of ordinance number 482. The ordinance requiring every house or apartment house to have a water meter. Some meters in the city are now serving as many as 16 houses. Mayor Doerr said that he objected to the city being required to remove a water meter after 35 days if the bill is not passed. He said the same thing could be accomplished by just cutting the water off, and also I object to the mandatory \$100 fine for anyone cutting a meter back on once it had service discontinued, the judge should be able to fit the fine to the circumstances.

Other action, Bud Worden, chairman of Avon Park Housing Authority, with Jim Heim, architect, and Don Correll, executive director, presented final plans for approval of the Avon Park Housing Authority by the council. Lee Smith and Alvin Cox presented requests from Tropicaana Products to remove certain lots and also a request from Hubert Shields, Lee Smith, Florida Morgan and Sara K. Harrison to remove certain lots for residential to commercial. A public hearing will be held April 1, at 7:30 P.M. at the city hall to consider rezoning. Sgt. Hulen and Major Hansen requested permission for Sgt.

Hulen to park a house trailer on South Highlands Ave., and East Fourth St. in an R-3 area for approximately 18 months while Sgt. Hulen was overseas. This was referred to the zoning board of adjustment. A letter was presented by Police Chief Earl Gordon from Dr. C. J. Larsen stating that Wayne Bass could return to duty if not required to wear a gun belt. Council voted to place Bass as patrolman and Bass to draw patrolman pay. Phil Briggs was assured of the city cooperation on the American Legion promotion of "Clean Up" week in April. A request from Rev. H. Graetz to consider sewer line to serve his block was postponed until new truck lines was built to take the overload of the downtown sewer lines. City Clerk Malcolm Crews attended a meeting of the City Tax Assessors in Orlando Tuesday, March 12, and afterwards visited a boat plant interested in moving to Avon Park. N. G. Davenport was hired to fill the vacancy in the water and sewer department incurred by Barney Prevatt being drafted.

18,950 Paid To City By Golf Association

President Bill Beck of the Avon Park Golf Association, Inc., stated that \$18,950 had been turned over to the City of Avon Park by the Golf Association for the February activity at the Avon Park Golf Course.

Prior to this settlement the Golf Association had turned \$16,515.45 over to the City making a total of \$18,950.05. The City has received from the Association since the golf course opened on November 4, 1967.

The Association now has 168 members. There are 167 family, 12 junior and 6 winter guest (190 day) memberships. Through the end of February, 1,226 greens fee players had played the course and over 5,900 members had registered to play during the first 4 months of operation.

The Association built 20 cart sheds, all of which are occupied, and there are 10 more sheds under construction at the present time.

Six thousand letters with information on the public schools desegregation policy will go into the mail on Monday. From March 18 through April 18, students will be filling freedom of choice and transfer applications.

Most of the students in the county schools are assigned to schools according to school attendance zones, but some parts of the county are not in a designated zone and students living in those areas must file annual applications for assignment to a school offering work on the appropriate grade level.

Students who wish to be transferred from their own attendance zone to another zone's school must ask for transfer each Spring. Letters explaining this procedure and assignment forms are sent to each student's home as a part of the racial desegregation plan approved three years ago by the Department of Health, Education and Welfare.

Don Hansen of the county instructional staff has been in charge of preparing the mailing. He recruited help from Sebring High School students to fold the 3,000 pieces of paper to be stuffed into the 6,000 envelopes.

"Thank goodness, we are able to get the letters mailed on six cents each, but if the paper had weighed just a fraction more, this whole thing would have cost the school board 12 cents for each letter," Hansen said.

School Board Drafts Plans For Complete Desegregation

A formal affirmation of intention to desegregate completely Highlands County's public schools has been entered by Highlands County Board of Public Instruction in response to a charge that the federal civil rights law of 1964 is being violated.

At Tuesday night's meeting, the board unanimously approved a statement, drawn by board attorney Frank Bryant, which spells out plans to eliminate senior high grades from Carver, E. O. Douglas and Hopeville schools and a more general statement of intent to hire and assign faculty "without regard for race."

During the teacher crisis the federal Department of Health, Education and Welfare had granted the local board an extension to March 15 for filing of a response to the charge that it is maintaining "small, inadequate schools," thus, in fact, staff and assignments.

The statement approved Tuesday says a new elementary

school will be completed at Lake Placid in the coming year and this will make space available for transferring all junior high students in the South of the county to 712 Lake Placid Junior and Senior High.

Establishment of separate junior highs in Sebring and Avon Park is planned but depends on availability of funds, the statement continues.

As the junior high students are transferred, the letter states,

teachers for those grades will be transferred with the students.

At present 11 white teachers are working in predominantly Negro schools and 10 Negro teachers are in predominantly white schools and further integration of faculty may be expected, according to the statement.

Superintendent George F. Douglas declined to specify the number of teachers who may be assigned across racial lines next year, stating that he will assist on the right for all assignments to be made without regard to race.

Other business Tuesday night the school board received a notice of intent to retire from Mrs. Julia Truss of Sebring High School faculty.

Douglas said approximately a dozen teachers will be let through retirement at the close of the current year.

Vera Bray was appointed to the Avon Elementary faculty. Jo Sandlin was named para professional at Avon Park High and Sharon Trimlake was named teacher aid at the same school.

The intended school calendar was revised—again—to restore the Easter holidays, April 11 through 15 and to provide for classes in all schools through June 7.

A letter of commendation from Rev. Robert Graetz and Rev. A. D. Childress was read. It praised the board for patient and wise procedure in the teacher walkout and requested kindly consideration be given to those teachers who wish to re-employment in this county.

Deborah Anne, is completing her second year at South Florida Junior College. Maria Leigh Ward is a senior at APTS and William Robert a student at Ridge Area Day School. The Wards reside in the northeast shore of Lake Lochee.

Thomas R. Johnson, coordinator of pupil personnel services, said the teachers will be taught to help young students. He pointed out that traditional Negro dialect is not easily understood by many persons and students who speak in that or other dialects may have a hard time making satisfactory progress in school, especially in classes where their teachers do not understand the students' speech.

School Superintendent George F. Douglas said the first teachers to participate in language patterning will be from classes with concentrations of students who use dialects not readily understood.

Each teacher enrolled in the patterning class is to be paid \$12 for each of six sessions on Saturdays for each of six sessions on Saturdays for each of six sessions on Saturdays.

The federal government provides the pay for the teachers and other expenses including salary for specialists from University of Miami and Washington, D. C.

Johnson said the language patterning has been used very successfully in classes in large cities, but this is the first time in a predominantly rural county to begin such a project.

Mr. Barbara Heilig, speech therapist at Woodlawn Elementary School and a former teacher in the Head Start program, assisted in drawing plans which were presented to the Department of Health, Education and Welfare.

Florida State Fireman's Association and Auxiliary, District 4, will have a barbecue chicken and fish dinner at the Youth Center building Saturday, Mar. 16, 6:30 P.M.

Approximately 125 members are expected to attend.

Sgt. Whitley Knutson, of the Florida Highway Patrol will be the guest speaker.

Local firemen city officials and state officials will attend.

Mac Flowers, is vice president of district 4, who includes Broward, Indian River, Highlands, Okeechobee, Osceola and St. Lucie counties.

Avon Park's varsity baseball team will try to open its home season here at Head Field tomorrow night (Friday) against Tampa Catholic after having a Tuesday night game with Sarasota cancelled due to rain. The Devil's two opening games were postponed March 1 and 2 because of cold weather.

Saturday night the Devils will host Frostproof and next Tuesday night they will travel to Sebring for a game with the strong Blue Streak nine.

The Red Devil team chalked up win number two last Saturday night in Lake Wales when they shut out the Highlander nine 5-0 behind one hit pitching of senior Bill Knapp.

Avon Park scored first in the second frame when Knapp singled, Mike Vanderbilt doubled, and then Snow Walker singled Knapp and Vanderbilt both scored. In the sixth inning the Devils scored two more runs. Denny Montsecho singled, Dean Lemier singled and Bill Jackson drove them in with a double.

The final run of the game came in the seventh inning. Van-

derbilt singled, Steve second and came home on Bill Richard's single.

Although the Red Devils got behind 1-0 in the first frame, Knapp led the way with his double and single.

Knapp had a little trouble in the early innings before settling down to retire the last nine men in a row. The senior hurler struck out 11 batters during his seven innings on the mound. He walked four batters—one in each of the first four frames, and gave up a lone single in the third inning while posting his first win of the young season.

Score by innings:

Avon Park 026 002 1-5 3 3

Lake Wales 000 000 0-1 3

Knapp and Lemier, Lilly and Murphy.

March 10-16 Proclaimed Girl Scout Week

The Honorable Mayor James E. Doerr today proclaimed March 10 through 16 as Girl Scout Week in Avon Park.

The proclamation cited Girl Scouting as an organization that is helping girls "to maintain basic social values in a world of change and challenge" and "offering girls a kaleidoscope of new worlds to explore."

Mayor Doerr called upon all citizens of Avon Park to give Girl Scouting their continued interest, cooperation and support as that "increasing numbers of girls ages seven through 17 may benefit for their lifetime from

CHAMBER TO MEET

The board of directors of the Avon Park Chamber of Commerce will meet Thursday at 7 A.M. at Griffin's Restaurant.

One of the most effective home remedies to decarbonize your car engine was demonstrated at one of the truck factories in Detroit. It was recommended that it be done about four times a year. When done in each state, burned valves of pistons will not have to be replaced.

Start your car—remove the air cleaner that hush over the carburetor and pour about a pint of kerosene through the carburetor. In about a minute it will follow with black smoke for about 10 minutes but without fumes and will run like a watch.

DON'T PAY FOR SOME MISERABLE EXCHANGE. Bring your car to BORDER'S "one stop" PURE OIL SERVICE CENTER! Expert mechanics, tune-ups and label electronic engine analysis to make your car run like a watch. Also Fair and ethical prices! Serving Avon Park since 1949. 308 West Main St. Tel. 3-4194. About one million acres are taken out of production each year by landslides, factories, theaters, parking areas, artificial lakes, etc.

all about Flowers

THE RAIN SONG

There was once a poet who lived in Georgia. His name: Robert Loveman, and here are some words he wrote: "It isn't raining rain to me, it's raining daffodils— With every dimpled drop I see wild flowers on the hill."

He called the poem "The Rain Song," and we imagine at one time or another everyone has heard the words. The hills blooming with lovely flowers are the most welcome herald of spring and summer. The long winter months have gone, and all nature seems to be showing with beauty.

We know we are in the most wonderful business in the world—dealing in flowers. It is a pleasure to serve all your floral needs. Call us the next time that you need flowers.

Panthers Will Pay In Sebring Monday

Monday night at Finner's Field in Sebring, South Florida College Panthers will seek to avenge an 11-1 defeat by Manatee at Head Field in Avon Park last Monday night.

Inability of Panther pitching to keep the ball in the park cost the Panthers the game. The Panthers drove two out of the park in the first inning to take a quick 4-0 lead before Hoppy Bews came on in relief to get the side out and allow three hits in 4 innings of relief.

Fred McCall pitched the 5th and 6th innings giving up five runs on 4 hits, 1 walk and 2 errors. This was the first conference game for the Panthers.

Last Thursday the Panthers lost a tough 4-3 game at Edison in Fort Myers. This completed the pre-conference slate and gave the Panthers a record of 1-2 against outside competition.

To date the Panthers have a 1-3 record with all three losses coming against left handed pitching. We sure need someone to throw from the left side to give us some practice. I'm sure we can hit left handed pitching, but we need some practice other than that.

Friday night, the Panthers play a double header against Park at the Hot Springs training field in Winter Haven.

We hope Ronnie Jackson and Ralph Starnatt will be ready as Jackson has a sore shoulder and Starnatt has been fighting the flu bug. Ready to go will be Keith Blanton, Hoppy Bews and McCall. Tom Foster will catch in the first game, while James Brantley, scheduled for the nightcap.

Joint Showing Of Art Work Sunday

Highlands Art League will present the paintings of two of its teachers on Sunday afternoon, March 17 at the Gallery on West Center St. in Sebring.

Mrs. Peggy Densell, from Longboat Key and Mrs. Dorothy Van Maris of Winter Haven, will be guests during the social period to follow.

Hottesses for the event, which begins at 2 P.M. will be Mrs. Carl Sodergren and her hostess committee.

Any one may attend and is welcome. No admission is charged.

Bricks which are turned clay, and see, which is frozen water, will for about the same price per ton in most communities.

'B' Squad Wins Second Straight Game Tuesday

Avon Park's 'B' squad baseball team won its second straight game last Tuesday afternoon by defeating Wauchula for the second time. The young Devil team took a 12-2 victory from the 1922 team victory this time, behind the three hit pitching of Clark Jackson and Don Swann.

Donny Hart and the Avon Park 'B' hit attack ending a homerun over the centerfield fence and also blasting out two triples. Clark Jackson also had a homerun and a double, and Steve Cray had a single and a triple but missed first base and was thrown out. Bill Smith, Ricky Dick and Don Swann also had a single each to finish out the Red Devil hitting.

Devil catcher Ricky Dick threw out three runners attempting to steal second during the six inning game.

Clark Jackson was the winning pitcher going the first three innings during which he fanned five Wauchula batters. The Sun team tossed the final three frames and also struck out five batters.

The 'B' squad will play Wauchula here again tomorrow afternoon. Friday and will host Sebring here at Head Field next Tuesday afternoon. Both games will start at 3:30 P.M.

Carter Creek Watershed Owners Meet With Conservation Dept.

By SAM FOLESTON
Work Unit Conservationist

The Carter Creek Watershed owners had a joint meeting Wednesday night, March 6, with representatives of the Highlands Soil and Water Conservation District and Soil Conservation Service. This was the beginning of a preliminary investigation of an application which was filed two years ago for assistance under the small watershed act, P.L. 86-1.

Robert Barlow, of Avon Park, chairman of the HSWCD, explained to the group that this was one of six projects in the county sponsored by Highlands District and the County Commissioners, and that this was an opportunity for the landowners to meet the watershed planning team and discuss their problems first hand so they could be evaluated in the overall flood prevention and water shed protection program.

Representatives from various areas were present and included Lake Letitia, Lake Letia, Bonnet Lake, Redwater Lake, Gonsola, Lake Letia, Lake Anoka and Lake Silver.

Most of these lakes, according to the group present, have had a history of flood problems because of improper outlets and no structures to regulate flow, but seemingly the conversation centered around the low water conditions caused by the long drought last year and the low annual rainfall.

D. H. Eery, of the Soil Conservation Service Watershed planning team in Gainesville, is heading the group working out of the Soil Conservation Service office in the court house annex. Mr. Barlow urged that any property owner in this watershed having a problem should contact the Soil Conservation office so the problem can be considered in this investigation. Average Tax Deductions In County \$1500

How do income tax deductions made by Highlands County residents in their Federal returns compare with the deductions claimed by people with similar earnings in other areas?

What are the normal deductions for contributions, 10 percent of gross income, medical expenses and interest payments at each income level?

These questions of importance to people who are figuring out their tax reports, are answered in a study made by the Commerce Clearing House, a specialist in taxes and business law, on the basis of data supplied by the Treasury Department.

It shows that most families in the United States that have gross incomes of the size reported by the average family in Highlands County list deductions of \$1,500, equal to about 21.0 per cent of their total earnings.

In general, it is found, the percentage deducted is larger for people in the lower income brackets and smaller among those with big incomes.

Families in the \$5,000 to \$6,000 range, for example, have deductions of about 22 per cent as compared with 16 per cent for those in the \$20,000 to \$25,000 bracket.

The report shows that the principal deductions in families with small incomes are for local taxes and for interest charges. Those with larger earnings also have such deductions and, in addition, much bigger claims than the others for medical and miscellaneous expenses.

Of the \$1,500 in deductions that is the norm for taxpayers with incomes equal to the Highlands County average, \$240 is for contributions, \$490 for interest, \$430 for local taxes and \$340 for medical costs.

The report also shows what the average deductions are for local families in other income brackets. At \$6,000 a year it is \$1,260; at \$9,000 it comes to \$1,850 and, at \$12,000, to \$2,140.

The Commerce Clearing House points out that taxpayers are not automatically entitled to use the average deductions in itemizing their tax returns. They must be able to substantiate the amounts with proper records.

Conforming to them does not mean that a report will not be challenged nor does exceeding them mean that it will be disapproved.

New York Picnic Held At Hammock

The sixth annual New York State picnic was held at Highlands Hammock State Park, March 8. It originated at the Winter Guest Club, 165 guests came to enjoy the pot-luck dinner and meet old friends. Ray, Jesse Ray of Avon Park and Zola Spinks gave thanks.

Temporary workers, 80 guests and a beautiful day for a picnic. Friends came from Sun Ray, Sebring, Wauchula, and Avon Park. They represented many places in New York.

Phil Hoppe entertained with his accordion, garden, played, trips were made just enjoyed watching the count, squirrels, birds and just visiting.

Robert N. Y., was the oldest guest and his great-grandson, Wayne Coughly, 44 years old, of Spencer, Ontario, Canada, was the youngest.

Mr. Elmore and his wife, newlyweds, are spending their honeymoon in the Hammock. Goodbys and till we meet again were said late in the afternoon.

The changes that have been taking place in the female employment picture are brought out in national studies made by the Department of Labor, the National Industrial Conference Board and others.

In Highlands County, on the basis of their overall findings, the proportion of working women is greater than it has ever been.

The 34 per cent that are estimated to be in the labor force in the local area is somewhat lower, however, than the 37.4 per cent average in the United States as a whole.

The surveys show that age is no longer a barrier to employment for women. More than half of those between 45 and 54 are now in the labor force and of those between 55 and 64, about two-fifths.

With about 35 per cent of all wives bringing home paychecks these days, the Institute of Life Insurance poses the question: "What would happen — strictly from an economic viewpoint — if all the wives now working were to quit and devote their full time to homemaking?"

One effect, it believes, would be that the country would experience an acute labor crisis overnight and that a good deal of our national prosperity would vanish.

Another would be that many households would face financial pinch and would have to re-adjust their mode of living to compensate for the loss of income, which is a substantial item in many families.

March 10-16 Proclaimed As National Girl Scout Week

GIRL SCOUTS. Patsy Gentry, Laurie Behrer, Patricia Cravey and Barbara Spierlock, color guard of the scouts, presents the American flag

and the Christian flag during the rededication scout service at the Resurrection Lutheran Church Sunday, Mar. 10.

Senior Girl Scouts Travel And Learn

A teenage girl can do a lot of things these days that girls her age have never been able to do before. Next summer, if she is 15, 16 or 17 years old, she may go to a conference on space exploration in Huntsville, Ala. Or she may study theatre, music, graphic art or folk arts in a camp setting just 40 miles north of New York City, usual all of the facilities of New York as a workshop. Or, in conjunction with the HemisFair, in Dallas, she may investigate the ways Latin American culture has influenced life in the United States. Or she may attend a conference in St. Louis to learn how to help people who are physically handicapped. Or, with a pack on her back, she may take a camping trip through the mountains of Tennessee and call it Tennessee Trek.

Caribbean Island Camp. At Avon Park, Senior Girl Scout Janet James will spend two weeks on a Caribbean island setting up day camps for native children. There is one hitch to getting in on any of this offbeat, action-packed program for the teenage girl. She will have to be a Girl Scout, outstanding enough to be selected to participate in one of the Girl Scouts' special national events. For these are just a few of the many conferences and encampments to which Senior Girl Scouts from all over the country will be going in 1968.

Other Countries Featured. There also is a full roster of opportunities for traveling to other countries paid with all major expenses. Thirty-six girls will make a six-week trip to the Girl Scout Guide center in Cuernavaca, Mexico. Another 36 girls will spend six weeks at the Scout/Guide international center in Adelenhof, Germany. At the invitation of the Girl Scouts in West Germany, 12 girls will visit this area and live in the homes of German families. And over 30 girls will travel to a dozen other countries.

New Image. This is a far cry from the image that many people have about Girl Scouting. That is partly because Scouting has changed over the 56 years of its existence — but, even more, because the world has changed. From their founding on March 12, 1912, Girl Scouts have led the action. It is a part of their tradition to be ahead of the times. Early in their history, when women's place was only in the home, Scouts were encouraged to play basketball, hike through wilderness areas and learn about airplanes. Basic Skills and Values. Of course, they learned about domestic arts, too — and today's Girl Scouts still do. The first Girl Scouts all so pledged themselves to a way of life based on honor, integrity, courtesy and service. Today's Girl Scouts make that same promise.

The basic values and skills of Girl Scouting are as solid today as they have always been. What is new is the broader horizon and the new world of adventure that challenges Girl Scouts of this age.

As almost three and three-quarter million Girl Scouts celebrate Girl Scout Week (March 10-16) this year, they graphically describe their or-

the values they define for themselves through their explorations in Girl Scouting.
Girl Scouts of the U.S.A. was founded by Juliette Gordon Low in Savannah, Ga., on March 12, 1912. From the original troop of 18 girls the organization has grown to membership to more than three million girls and 600,000 adults.

PROCLAMATION
WHEREAS, Girl Scouts of the U.S.A. will celebrate the 56th anniversary of its founding on the 12th of March, 1968; and
WHEREAS, this group has grown from an original troop of 18 girls led by the organization's founder, Juliette Gordon Low, to a national body of more than three million girls and more than 600,000 adult volunteers from every walk of life; and
WHEREAS, The Girl Scout organization is actively involved in extending membership opportunities to all girls, seven through 17, in both the inner and outer cities of our nation; and
WHEREAS, Girl Scouting is helping girls to maintain basic social values in a world of challenge and change, while through its program activities it is offering girls a kaleidoscope of new worlds to explore.

NOW THEREFORE, I, James M. Doerr, by virtue of the authority vested in me as Mayor of Avon Park hereby proclaim March 10 through 16 of this year, 1968, as Girl Scout Week in the City of Avon Park. I call upon all citizens to give the Girl Scouts now and in the coming year their continued interest, cooperation and support so that increasing numbers of girls, ages seven through 17, may benefit for their lifetimes from the values they define for themselves through their explorations in Girl Scouting.

Brownies Camp At Horse Hammock

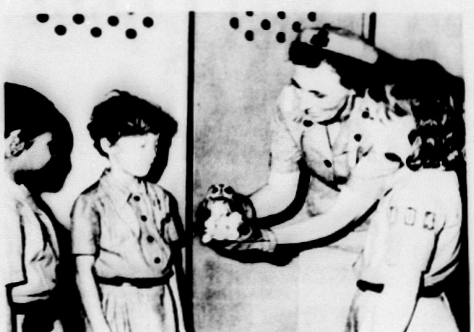

To acquaint them with correct camping procedures, members of Brownie Troop 140 will all camp Saturday at Horse Hammock. Under the direction and supervision of their leader, Mrs. John Sechrist, the little girls will learn to cook outdoors and to make art projects. The camp will be a newspaper or the like, covered with a water-repellent material such as oilcloth. Mrs. David Sechrist and Junior Girl Scout Bobbie Newton will assist the Brownies in building their own campfire and preparing their noon meal. Approximately 12 girls will attend.

Cookie Sale Completed

The annual Girl Scout cookie sale ended officially Tuesday, Mar. 12 in Avon Park. Although an accurate count of the number of boxes of cookies sold could not be tabulated at press time, the indications point to a highly successful two-week sale. The next issue of the Sun will give a complete troop-by-troop total. Two Junior Girl Scout troops and the Cadette troop sold cookies throughout the city to raise funds for camping. Cookie sale chairmen were Mrs. Mary Brasell, Mrs. Marvin Pearl, Mrs. Earl Rich and Mrs. Malcolm Tatum.

Legion To Hold Birthday Meet March 14

Commander Charles Kilgore, Department of Florida American Legion, and Henry Power, Department American Legion, will be the principal speakers at the American Legion's 50th Birthday Anniversary party. Other guests will be Mrs. John Adams, President American Legion Auxiliary, Department of Florida and Mrs. Robert O'Callaghan, President of the 8th District American Legion Auxiliary. This will be a covered dish dinner to be held on March 14, at 6:30 P.M. at the Woodlawn School Cafeteria. High lights of the affair will be the presentation "Day of Decision," conducted by Ed Dionne, Grand Chef de Gare 40 & 8, State of Florida. All veterans and their families of Highlands County are cordially invited to attend to celebrate the founding of the American Legion.

MRS. ROBERT HARDEN, neighborhood chairman of the scouts is shown holding a baby, with Mr. Murray, naturalist with the Audubon Center in Babson Park brought to the high school last Monday afternoon where he showed na-

ture films to the scouts and pathfinders. His subject was "Touch of Nature." Shown 1, to 2, Maudie Linnemann, Pat Andrews, Mrs. Harden and Terri Thompson, the girls are Brownies, Troop 140.

Walter Brown Charged In Station Robbery

Walter Brown, 37, who came to Avon Park from Memphis, Tenn., about two weeks ago and has been living in the quarters area, was arrested Sunday in connection with the armed break-in a week ago of the Shattuck Service station north of Avon Park. A total of \$415 in cash was taken. He waived preliminary hearing Monday before Judge Mervin Rehner and is held in jail with out bond until appearance in circuit court. The arrest was made by Sheriff's deputies Wayne Harris and Jesse Fleming.

"Did You Know?"

The bigger the vacation, the harder the fall. About 40 different Indian languages were in use in what is now U.S. when white man first came along. The favorite food of hornets seems to be houseflies. The Oregon Trail was the busiest road in North America during the 1850s—largely one-way traffic.

Lutheran Church Hosts Girl Scouts Sunday In Rededication Services

In observance of Girl Scout Sunday, all troops in the Jacksonville neighborhood attended church together at the Resurrection Lutheran Church Sunday.

Included in the congregation were approximately 50 Brownies, Junior Girl Scouts, Cadettes and their leaders who heard the Rev. Ivan O. Miller give his sermon on "Some Refusals of Christ." Following the 9 A.M. religious service, the Rededication Service of the Girl Scouts was presented. The Girl Scouts promised to rededicate themselves to keep the vow they made when they became a Girl Scout. They promised to do their duty to God and their country, to help other people at all times, to obey the Girl Scout laws and to live these laws in accordance with the ideals of the church.

The leaders promised to do everything in their power to set forth ideals and standards of the Girl Scout organization in accordance with the teachings of the church.

Altar flowers of yellow fuchsia, chrysanthemum and yellow gladioli were arranged with fern in brass vases. These arrangements were highlighted by a background of palms. Three yellow, twisted candles on a green damask cloth signified the three parts of the Girl Scout promise.

Following the Rededication Service Mrs. James Cravey, Mrs. Harvey Jackson and Mrs. Charles Brown served glazed donut holes, coffee and orange juice to the Girl Scouts and their guests.

Track Team Comes In Second at Meet

Avon Park's track team came in second behind a strong Fort Meade squad at the season's opening meet held at the Fort Meade track last Thursday afternoon. The Miners checked off 40 points to walk away with the four team meet. Avon Park finished with 30 points. DeSoto of Anacosta totaled 27 points and Sebring scored 21.

The Red Devils had three first places and a tie with two Fort Meade boys for a fourth. L. J. Brown shared first place in the 120 yard high hurdle relay with Thomas and Givens of Fort Meade with a time of 11.9 seconds. L. J. Brown took first in the 100 yard low hurdle relay with a time of 22.1 seconds. Brown won the 400 yard relay with a time of 2:05.4. Brown and Givens of Fort Meade were Jim Brown, Jim Brown, Jim Brown, and Jim Brown.

The other two Avon Park relay teams placed second in the 800 yard relay and the 1600 yard relay. DeSoto took first place in both of these relays.

Avon Park's Lucas Taylor and Robert Kahan came in second and third behind Brown in the 100 yard relay. Taylor and Kahan placed second and third in the 400 yard relay behind William Ming of Fort Meade.

Other Avon Park boys aiming points for the Devils were: Willie Brown with a 30.8 second run in the 100 yard dash for fifth place. Clyde Sumbly with a third place in the mile run with a time of five minutes, 25.1 seconds. Taylor and Brown with a fourth and fifth place in the 800 yard low hurdle. James Hauling with a fourth place in the half mile with a time of two minutes, 27.7 seconds. Seider with a fifth place in the 200 yard dash. Tim Bravelli with a fourth in the 400 yard dash. Taylor and Brown with a second in the high jump with a five foot, five inch jump.

The Red Devils will be competing against Fort Meade and Mulberry in Fort Meade this afternoon Thursday starting at 4 o'clock.

JOE KINSEY, JR.

MAJOR C. T. HOOTEN former commander of the Avon Park Bombing Range stayed the weekend at the range with approximately 20 cadets from the Air Force Academy took a tour of Cape Kennedy. The group was expected in early Friday but their plane developed engine trouble and they did not arrive until 11 P.M. Friday night. With Major Hooten was Capt. Clarence L. Craven of Spartanburg, S.C. who is being discharged next week and will be going with United Airlines and Sgt. William Hamey of Colorado Springs. Major Hooten said he would like to express his apologies for not being able to see it his many friends like he had planned.

Band Auction Nets \$662

The Avon Park High School Band Association wishes to thank the merchants and citizens of the community for the success of the annual auction, held last Saturday afternoon on the Mall. Although the total receipts of \$662 was less than the amount raised last year, members of the association were pleased. The auction had been originally scheduled for February 23 but was called because of rain. An attempt was made to hold it the following day but frigid temperatures drove would-be buyers to the shelter of their houses.

The third and final attempt was made Saturday and patience and persistence were rewarded by a bright and sunny day. Auctioneer Joe Kinsey, Jr. started the auction promptly at 2 P.M. and by 6 P.M. had disposed of all items. The executive committee of the Band Association was high in its praise of Kinsey's efforts as he never faltered in four straight hours of auctioneering.

The Band Association wishes to express appreciation to its members who worked so long and diligently in making the auction a success. Ruth and Lew Nickoley, Donna Ferguson, Gita Bradley, Lew Miller, Mr. and Mrs. Fred Kinsey.

Mr. and Mrs. Mahon Hoard, Mr. and Mrs. Ira Shader and Mr. and Mrs. Floyd Stevenson will be in the Florida Sunshine Saturday evening to see the Tigers and Twins play baseball. All are from Cleveland and the Detroit Tigers.

Guests of Mr. and Mrs. Harold Wolcott on Sunday were Mr. and Mrs. J. C. Smith, Mrs. Mary Smith, and Mrs. Gladys Tussing of Avon.

Mrs. Harry Longacre took the weekend with her mother, Mrs. J. C. Groves, Martha, in October. On Saturday afternoon they saw the races at Bon White Raceway and on Sunday they saw the Sideswale Art Exhibit in Winton Park. Paintings by Mrs. J. C. Groves, Mrs. Martha, and other Florida artists. They saw the Florida State Fair, they saw the Minnesota Twins, Orlando, Fla. and the Detroit Tigers. Liked in the first exhibition of the Florida State Fair with a 10 inning game 5-4.

On Saturday evening, we had a solo by Mildred Long and violin music by Paul Roth, followed by slides of Florida, given by Mrs. J. C. Groves by Earl and Dorothy Baxter, who explained the pictures. Games were played later.

Pinochle scores from Monday night were 1217 for Lucile Shoemaker and 1164 for Mrs. J. C. Groves. Mrs. Lucile Yates will host the games.

Notice of School Desegregation Plan Under Title VI of the Civil Rights Act of 1964

This notice is made available to inform you about the desegregation of our schools. Keep a copy of this notice. It will answer many questions about school desegregation.

SECTION I DESEGREGATION PLAN IN EFFECT
The Highlands County public school system is being desegregated under a plan adopted in accordance with Title VI of the Civil Rights Act of 1964. The purpose of the desegregation plan is to eliminate from our school system the racial segregation of students and all other forms of discrimination based on race, color, or national origin. Your school board and the school staff will do everything they can to see to it that the rights of all students are protected and that our desegregation plan is carried out successfully.

The plan adopted by the Board of Public Instruction and approved by the office of Education on June 25, 1965 is based upon a combination of non-racial, geographic, attendance zones and a freedom of choice plan. All grades (1-12) are applicable this school year (1967-68).

For those who live in the geographic zones, Section II of this notice will provide complete information. For those who live outside of an attendance zone, Section III of this notice will apply.

SECTION II NON-RACIAL ATTENDANCE ZONES
1. Under the desegregation plan, the school each student will attend depends on where he lives. An attendance zone has been established for each school in the system. All students in the same grade who live in the same zone will be assigned to the same school, regardless of their race, color, or national origin and regardless of which school they attend now.

2. TRANSFER TO SCHOOL IN ANOTHER ZONE
A student may transfer from the school to which he is assigned only under the following conditions:—transfers for any other reasons will not be permitted.
a. To continue or initiate a course of study not available in the school in residence zone.
b. To attend school with member of family.
c. Special needs such as physical, or other handicaps as identified by parent, doctor, etc.

3. NOTICE OF ASSIGNMENT
On or before March 18, 1968, the parent, or other adult person acting as parent, of each student enrolled in this system will be sent a letter telling him the name and location of the school to which his child will be assigned for the coming school year. The letter will also give information on how school bus service provided for the student's neighborhood. A copy of this notice will be enclosed with each letter. The same letter and notice will be sent out on the above date for all children the school system expects to enter the school system for the first time next year. It includes children entering first grade. If the school system learns of a new student after the above date, it will promptly send the student's parent such a letter and a copy of this notice.

4. MAPS SHOWING ATTENDANCE ZONES
Maps showing the boundary lines of the attendance zones of every school in the school system are freely available for inspection by the public at the Superintendent's office. Individual zone maps are available at each school.

5. REVISION OF ATTENDANCE ZONES BOUNDARIES
Any revision of attendance zone boundaries will be announced by a prominent notice in a local paper at least 30 days before the change is effective.

SECTION III FREEDOM OF CHOICE PLAN (For those who do not reside in attendance zones)

1. THIRTY-DAY CHOICE PERIOD
Each student or his parent, or other adult person acting as parent, is required to choose the school the student will attend next school year. The choice period will begin on March 18, 1968, and close April 19, 1968.
2. EXPLANATORY LETTERS AND SCHOOL CHOICE FORMS
On the first day of the choice period, an explanatory letter and this notice will be sent by first-class mail to the parent, or other adult person acting as parent, of each student then in the schools who is expected to attend school the following school year. A school choice form will be sent with each letter, together with a return envelope addressed to the Superintendent. Additional copies of the letter, this notice and the choice form are freely available to the public at any school and at the Superintendent's office.

3. RETURNING THE CHOICE FORMS
Parents and students, at their option, may return the completed choice forms by hand to any school or by mail to the Superintendent's office, at any time during the 30-day choice period. No preference will be given for choosing early during the choice period. A choice is required for each student. No assignment to a school can be made unless a choice is made first.

4. CHOICE FORM INFORMATION
The school choice form lists the names, locations and grades offered for each school. The reasons for any choice made are not to be stated. The form asks for the name, address and age of the student, the school and grade currently or last attended, the school chosen for the following year, the appropriate signature, and whether the form has been signed by the student, his parent, or other adult person acting as parent, who identifies the student and the school he wishes to attend will be deemed just as valid as if submitted on the choice form supplied by the school system. The names of students and the schools they choose or are assigned to under the plan will not be made public by school officials.

5. COURSE AND PROGRAM INFORMATION
To guide students and parents in making a choice of schools, listed below, by schools, are the courses and programs which are not given at every school in this school system.

A. All Elementary Schools offer the same course of study.
B. All Junior High Grades (7-9) offer the same course of study (with the exception of Vocational Home Economics and Vocational Agriculture at Hopewell).

C. Avon Park High School offers the following courses not offered at other schools:
(1) Latin, Economics, Adv. Shop, Adv. Math, Biology II.
(2) Diversified Cooperative Training, Physical Science.

D. Sebring High School offers the following courses not offered at other schools:
(1) Adv. Biology, French, Journalism, Latin, Diversified Cooperative Training.

E. Lake Placid High School offers the following courses not offered at other schools:
(1) Humanities.

F. E. O. Douglas School will only have grades 1 thru 8. All senior high students (grades 10-12) will be assigned to the remaining high schools in the county.

6. SIGNING THE CHOICE FORM
A choice form may be signed by a parent or other adult person acting as parent, of any student who has reached the age of 15 at the time of choice, or who next enter the ninth or any higher grade, may sign his own choice form. The student's choice shall be controlling unless a different choice is exercised by his parent before the end of the period during which the student exercises his choice.

7. PROCESSING OF CHOICES
No choice will be denied for any reason other than overcrowding. In cases where granting all choices for any school would cause overcrowding, the students choosing the school who live closest to it will be assigned to that school. Whenever a choice is to be denied, the reason will be determined by a uniform standard applicable to all schools in the system.

8. NOTICE OF ASSIGNMENT, SECOND CHOICE
All students and their parents will be promptly notified in writing of their school assignments. Should any student be denied his choice because of overcrowding, he will be promptly notified and given a second choice. Among all other schools in the system where space is available.

9. STUDENTS MOVING INTO THE COMMUNITY
A choice of school for any student who will be new to the school system may be made during the spring 30-day choice period or at any other time. The student will be given an explanatory letter, this notice and the school choice form will be given out for each new student as soon as the school system knows about the student. At least seven days will be allowed for the return of the choice form when a choice is made after the spring 30-day choice period. A choice must be made for each student. No assignment to any school can be made unless a choice is made first.

10. STUDENTS ENTERING FIRST GRADE
The parent or other adult person acting as parent, of every child entering the grade system (elementary, junior high, or kindergarten) (if not offered), is required to choose the school his child will attend. Choices will be made under the same free choice process as for students new to the school system in other grades, as provided in paragraph 10.

11. PRIORITY OF LATE CHOICES
No choice made after the end of the spring 30-day choice period may be denied for any reason other than overcrowding. In the event of overcrowding, choices made during the 30-day choice period will have first priority. Overcrowding will be determined by the standard provided for in paragraph 6. Any parent whose first choice is denied because of overcrowding will be given a second choice in the manner provided for in paragraph 8.

12. TESTS, HEALTH RECORDS AND OTHER ENTRANCE REQUIREMENTS
Any academic tests or other procedure used in assigning students to schools, grades, classrooms, sections, courses of study, or for any other purpose will be applied uniformly to all students without regard to race, color or national origin. No choice of school will be denied because of failure at the time of choice to provide any health record, birth certificate, or other document. The student will be tentatively assigned in accordance with the plan and the choice made, and given ample time to obtain any required document. Curriculum, credit, and promotion procedures will not be applied in such a way as to hamper freedom of choice of any student.

13. CHOICES ONCE MADE CANNOT BE ALTERED
Once a choice has been submitted, it may not be changed, even though the choice period has not ended. The choice is binding for the entire school year to which it applies, except in the case of (1) compelling hardship, (2) change of residence to a place where another school is closer, (3) the availability of a school designed to fit the special needs of a physically handicapped student, (4) the availability at another school of a course of study required by the student, which is not available at the school chosen.

SECTION IV INFORMATION WHICH APPLIES TO ALL PLANS

1. ALL OTHER ASPECTS OF SCHOOLS DESEGREGATED
All school-connected services, facilities, activities, clubs, and programs are open to all on a desegregated basis. A student attending school for the first time on a desegregated basis may not be subject to any discrimination or waiting period for participation in activities and programs, including athletics, which might otherwise apply because he is a transfer student. All transportation furnished by the school system will also operate on a desegregated basis. Facilities will be desegregated, and no staff member will lose his position because of race, color or national origin. This includes any case where less staff is needed because schools are closed or enrollment is reduced.

2. ATTENDANCE ACROSS SCHOOL SYSTEM LINES
No arrangement will be made for any student living in the community to attend school in another school system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin. No arrangement will be made, or permission granted, for the school system for any student living in another school system to attend school in this system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin.

3. VIOLATIONS TO BE REPORTED
It is a violation of our desegregation plan for any school official or teacher to influence or coerce any person in making a choice or to threaten any person with penalties or promise favors for any choice made. It is also a violation of Federal regulations for any person to discriminate, threaten, coerce, retaliate or discriminate against any individual for the purpose of interfering with the free making of a choice of school. Any person having any knowledge of any violation of these prohibitions should report the facts immediately by mail or phone to the Office of Civil Rights, Department of Health, Education & Welfare, Washington, D.C. 20540 (telephone 202-885-6232). The name of any person reporting any violation will not be disclosed without his consent. Any other violation of the desegregation plan or any discrimination based on race, color, or national origin in the school system is also a violation of Federal requirements, and should likewise be reported. A complaint with a completed report should first bring it to the attention of local school officials, unless he feels it would not be helpful to do so. If local officials do not correct the violation promptly, any person familiar with the facts of the violation should report them immediately to the Department of Health, Education & Welfare at the above address or phone number.

Resident Dies In Orlando

Funeral services for Mrs. Mary Zeal Stevens, 77, early pioneer of Sebring, were held Saturday in Orlando. Rev. Luther Tucker and Rev. J. Edward Conway officiated.

Mrs. Stevens was the daughter of the late John B. Zeal, who came to Sebring with the founder, George E. Sebring, as his associate in selling real estate. He was largely responsible for bringing many of the pioneers here to make their home and interesting the early group of Salvation Army officers to buy retirement homes in Sebring.

He built the Stevens home, still standing next to the Lakeview Towers condominium on Lake Jackson, which was remodeled some years ago.

She is survived by her husband, Stewart A. Stevens, a son, Dr. John S. Stevens, and two grandchildren, Carol and John, all of Orlando. Col. and Mrs. J. A. Stephan of Sebring attended the funeral. Mrs. Stevens and Mrs. Stephan were roommates at Rollins College and had maintained a warm friendship through the years. Many of the pioneers of Sebring will remember Mrs. Stevens and her father for their good deeds in the early days.

We thought you should know about the funeral price, third in line for the throne who was saving for a rainy day.

Southland Trailer News

Evening players were out for shuffle tournament Tuesday afternoon. Byrd Jennings and Myrtle Heffernan won the final game with 79 over 64. The match was played in front of 74. Several social games were played later.

Twenty-nine came for Coffee Hour Tuesday morning. Several announcements were made and final plans for the hobby show to be held the following Wednesday were discussed.

The Paces are now located in the Beaver trailer. We are sorry to know that Mr. Pendergast has been ill, but happy to report he is recuperating at home.

The Beavers who came to Southland in January left Wednesday for their home in Shelby, Ohio. We wish them a pleasant spring and summer at home and hope they will return in the fall, in good health.

Mr. and Mrs. Russell Bible of Gary, Ind., were recent visitors on the Paces. They are vacationing in Florida for several weeks. Russell and Everett are rooming.

The annual hobby show held Wednesday, Mar. 6 was well attended by park members and friends outside the park. It takes time to visit a hobby show and notice the many unique and interesting exhibits people create to express their ideas. The committee and helpers are to be congratulated on their success of their efforts. Refreshments of home made cookies and coffee were served.

Been quite a lot of excitement at the north end of the park this past week when the Borkas and the Maxwell exchanged locations. Ringette seats were available, also standing room could be had to watch the maneuvers.

Mr. and Mrs. Ralph Thrasher of Bloomington, Ind., who are touring Florida, called on the Ayres a few days ago. Mr. Thrasher is Mrs. Ayres' brother.

Mr. and Mrs. Ken Bigford of Mallowtown, Ont. came Tuesday to join the park and will be located for several weeks in the Kolk trailer. The Bigfords are neighbors of the Grants in Canada and so nice they can be located as neighbors in Southland.

At the half Friday night, five tables of cards were played, one of bridge, three of 500 and one of euchre. Was unable to get scores for 500 and euchre, but must mention Betty Peterson was high in bridge with 4120. Hats off to Betty.

About 40 turned out Saturday night for bingo at the hall. Amusing how pushing those buttons around hoping to win has a way with people.

Mr. and Mrs. Russell Lawhead of Tecumseh, Mich. were recent guests of Mary Strickland. They are cousins of Mary and were on their way to Ft. Myers.

Recent visitors at Waltons were Mr. and Mrs. Hugh Pendergast of Miami and Mr. and Mrs. Ted Coit of Cleveland, Ohio.

Word has been received from Mrs. Lee. She thanks the group for the card to her when Mr. Lee passed away. She will locate in their home state.

The McGlarys were pleasantly surprised when Mr. O. Johnson, an old friend from Wisconsin, stopped to say hello. Also Mr. and Mrs. Cramer, old friends from back home in Wisconsin, called.

Spring is here—or is it summer? With it comes paint time and cleaning time. Take a look at some of the latest transformations. McGlarys have bought the Kolk trailer and you could almost hear the humming of bees as you walked by. In the grand finale, there were newly washed walls and windows, new furniture and drapes, new steps and a new paint job outside. To sit in that easy chair for a moment or two and experience the feeling of accomplishment must have been a real joy. Then Harvey had further improved their apartment in "The Villa" by adding dividers for their porch, thus affording privacy and a place for flower boxes and vines.

The Borkas' daughters left yesterday after several weeks visit in Florida.

The Lacey left this morning for their home in N. Y. after several months in Southland. We wish them a safe trip home.

Friday Bingo
A record crowd of 162 members and friends attended the Friday night bingo party at the Sebring Flks, which is held every week as a charity project. Seventy-five winners 100¢ home a total of \$291 in prize money.

St. Patrick's Day dance will be held at the club, Saturday night, March 16. A live orchestra from Lakeland will provide the music. Plan to attend.

Sgt. Melvin R. Bundy Gets Aid From Highlands Red Cross

Sgt. Melvin R. Bundy is married to a Korean girl, Heon. They have two children, Sou and Tina, who live in Avon Park. The Bundys received a letter on March 4th that Mrs. Bundy's mother, still in Korea, was acutely ill with tetanus.

The mother-in-law, Kim Kum Sung, lives near Ock Air Base where Sgt. Bundy was stationed when he was in Korea. Sgt. Bundy tried to reach the family through commercial communication systems but was unable to get through. So he turned to the Red Cross and Mrs. Peach for assistance.

Hospitals in Korea do not admit patients without advance down payment. He came to the Red Cross office hoping to get a message through to the family that he would wire the money so the mother could be admitted to the hospital.

Mrs. Peach received permission from the Southwestern Area office to go ahead and service the case. Through AMCBOS, again, Mrs. Peach and message to the Red Cross field director to verify mother's condition and advance a loan to the family so the mother could receive hospital care she needed with Sgt. Bundy depositing money here to cover the loan.

This was accomplished and the Bundys are most appreciative and available for pictures.

The men's and women's Glee Clubs of the University of Florida, will perform at the Wauchula city auditorium, Saturday night at 8:15, sponsored by the Kiwanis Club, Dr. Alfred S. Kivans, of 114 club, announced yesterday.

The two singing groups are separate and autonomous musical organizations at the University. John R. Grishy is the director of both groups.

The Men's Glee Club is the oldest organization on the campus and was organized in 1907, while the women's club first performed in 1948 when the university first became coeducational.

Stringer of office and credit manager.

Full time employees are: Shoe Dept.: Ernest Lee and Alvin Mudleston, Ladies Dept.: Mary Cox, Sarah Roberts, Nell Griffin, Nettie Lee Whiddow, Men's and boys' Dept.: Jackie See and Roy mims, Oneta Revell, alterations. Part time employees—Sadie Brown and Mrs. Jackie See.

You will be happy to know that we are carrying many of the same brand names with some new ones added. We have sought quality merchandise.

New store hours will be 8:30 A.M. until 5:30 P.M. Monday through Friday. On Saturday we will be open until 7:30 P.M.

To show our appreciation for your loyal support over the years we have many valuable door prizes to be given away, so be sure to come in and register for these door prizes.

We would like to take this opportunity to extend a cordial invitation to each one of you to visit our new store. You will find our personnel friendly and eager to serve you.

History of J. W. Earnst & Co.

J. W. EARNST & CO. had its beginning in 1909 when Wauchula was a small town with a population of 600 people. It was first known as Earnst-Radliff Company. The store was housed in a two-story frame building on the south side of Main Street between Fifth and Sixth Avenues. The store room was small and its stock was divided into two departments, men and ladies, it also carried a line of household goods.

In 1909 it was decided that more space was needed so Earnst-Radliff moved across the street to a new and large room which had been constructed on the first floor of the new Peace River Hotel building. In 1909 Mr. Earnst became the sole owner of the store, the name was changed to J. W. Earnst Dry Goods store and was operated by Mr. and Mrs. J. W. Earnst.

By 1916 Wauchula had become a thriving community, modern conveniences such as sidewalks, paved streets, automobiles and electricity had appeared. Good fortune had blessed the store until it was necessary to hire more employees and business personnel. At this time Mr. W. E. Cochran a nephew of Mr. Earnst became associated with the store.

In 1921 Mr. J. A. Lane became part of the store and served faithfully until his death.

In 1925 Earnst formed a co-operation of the business. It became known as J. W. Earnst & Company, Inc. At this time both Mr. Cochran and Mr. Lane became members of the firm. Mr. Earnst retired from business in 1934 and sold his entire stock to Mr. and Mrs. W. E. Cochran and J. A. Lane.

By 1944 the store again had outgrown its space so the stockholders purchased the 3-story Peace River Hotel and completely remodeled it into a modern department store.

This store was in operation until the fire of Sept. 1968. At this time the J. W. Earnst Co., Inc. was completely destroyed.

County For Nim

Within 30 minutes after the
 ficial starting time for qual
 ified candidates for county
 fies, 18 different candidates
 formally entered races for n
 different offices. Qualifying
 county and state offices be
 at noon on Tuesday and r
 times through April 5.

Other possible candida
 asked the county commis
 office for packs of qualify
 papers, but were not among
 "early birds" and at the c
 of the first day four county po
 were without candidates.
 There were no surpris
 among the early qualifiers. S
 en are incumbents, and all ch
 lengers had announced intent
 to run. Most sought after po
 county commissioner from t
 trict 5.

J. Don Hunt, Robert Skip
 and Bill Haynes are in the r
 for the commission post n
 held by Carl McIntyre, who
 announced that he will not r
 Other posts for which com
 titution is assured are sherif
 supervisor of elections and
 agent Joe D. Keene and R
 ert H. Barringer, for some w
 have been campaigning for
 sheriff's job. Incumbent Bro
 Coker plans to retire.
 A. C. "Austin" Heacock
 challenging veteran supervi
 of elections and tax agent
 land X. Drost.

Harvey Harris and W
 "Bill" Ewing have indicated t
 plan to challenge Commis
 Ben McGee who is after a th
 term from district 3, but ill
 did not formally file with
 first qualifiers. Ewing filed p
 ere late Tuesday, and Har
 filed Wednesday.

Only other candidate to qu
 ty after the initial run
 Tuesday was G. Frantley W
 who is seeking the district
 school board seat being vaca
 by R. L. Padgett.
