150 People Attend Joint Art Show Sunday

The art show and reception held jointly by Mrs. Peggy S. Donnell and Mrs. Dorothy Van Marla at the Art Gallery in Sebring, Sunday, Mar. 17 was enjoyed by approximately 150 people.

A number of the paintings shown by the two Art League teachers were sold, but the display remains at the Gallery for the public to view.

Decorations for the event centered around the St. Patrick's day motif and were carried out at the refreshment table. The table was covered with a green cloth overlaid with lace, upon which was placed a centerpiece composed of gold horseshoes, little leprechauns and greenery.

Cakes provided by members of the hostess committee were frosted in green and decorated in the St. Patrick's theme. Green punch and coffee were served the guests by Mrs. Doris Sodergren, chairman.

Flowers and centerpiece decorations were provided by Mrs. Eugene Hoke and Mrs. Lillian Depp.

Mrs. Pabor presented the gavel to Mrs. Decker, who made a few remarks. She outlined the responsibilities of the members in making the Garden Club an effective organization.

Following the installation the group reassembled at Griffin's Restaurant for a social hour and banquet. Tables were appropriately decorated with hibiscus and callias as well as St. Patrick's day arrangement of green and white carnations and callias as well as a tiny Irish leprechaun perched on top.

Mrs. Pabor asked the Lord's blessing on our activities and the food. A fine social hour followed.

Preceding the Federation meeting the Founders Circle met with Mrs. W. C. Touchard for a business meeting with Mrs. Tracy Malt, lady president. The Federation Circle met for their regular business meeting at the Florida Power lounge, with Mrs. Hubert Bussard presiding.

On April 23 the Federation of Garden Clubs will have a plant exchange on the mall across from Delaney's.

The sun delivers to the earth each day an amount of heat equivalent to that produced by the burning of 121 trillion tons of coal.

Mrs. Hugh Cloud, chairman, presided over the meeting. Mrs. Paul McFarland was in charge of the program assisted by Mrs. I. H. Ford, Mrs. R. H. Lashan and Mrs. Hugh Cloud. Refreshments were served by the hostess Mrs. Hasket preceding the meeting.

NEWLY INSTALLED officers of the Federation of Garden Clubs, Avon Park for 1968-69, left to right: president, Mrs. Guy Decker; vice president, Mrs. J. F. Wagner; recording secretary, Mrs. R. S. Reeves; treasurer, Mrs. P. C. Boney; corresponding secretary, Mrs. Thomas Clarke; historian, Mrs. George Kelsey.

Garden Clubs Install Officers At Meeting

The 1968-69 officers of the Federation of Garden Clubs and the two circles, Founders and Hibiscus, were installed by Mrs. D. P. Sellars, flower show judge and a member of the Wauchula Garden Club, at the Florida Power lounge, March 14. She used the multicolored flowers as a symbol in her effective installation.

Officers installed were: officers of the Federation: president, Mrs. Guy Decker; vice president, Mrs. Jacob Wagner; recording secretary, Mrs. R. S. Reeves; corresponding secretary, Mrs. E. G. Todd; treasurer, Mrs. P. C. Boney; and historian, Mrs. George Kelsey.

Founders Circle officers: president, Miss Lida Brandt; vice president, Mrs. E. G. Todd; recording secretary, Mrs. Thos. B. Clarke; corresponding secretary, Mrs. Karl W. Swanson; treasurer, Mrs. Henry Hartman; historian, Mrs. James B. Wainright.

Hibiscus Circle officers: president, Mrs. M. W. Bishop; vice president, Mrs. Hubert Bussard; recording and corresponding secretary, Mrs. W. B. Dick; treasurer, Mrs. J. M. Jones; historian, Mrs. George Kelsey.

The retiring president, Mrs. C. W. Pabor gave a fine report of her two years in office, then Mrs. R. S. Reeves, presented her with a corsage of carnations, the leaves in the corsage were dollar bills, cleverly arranged.

Mrs. Pabor then presented the installing officer and the incoming president with corsages.

At the business session, preceding the installation, presided over by Mrs. Pabor, reports were given by the various officers. Mrs. Decker, Flower Show chairman, reported a successful flower show. Each retiring president of the two circles reported on circle activities for the past two years.

Mrs. Alice Sherman reported on the Arbor Day planting of a bottle brush tree on the mall. They were assisted by the Girl Scouts.

Mrs. H. E. Barker, garden teacher chairman, asked for \$8 orchid pots for the APCI.

At the close of the business session, Mrs. Pabor presented the gavel to Mrs. Decker, who made a few remarks. She outlined the responsibilities of the members in making the Garden Club an effective organization.

Following the installation the group reassembled at Griffin's Restaurant for a social hour and banquet. Tables were appropriately decorated with hibiscus and callias as well as St. Patrick's day arrangement of green and white carnations and callias as well as a tiny Irish leprechaun perched on top.

Highlands County Medical Society Assembles For Monthly Meeting

The Women's Auxiliary to the Highlands County Medical Society of Sebring, held its monthly meeting March 18 in Sebring, in the dining room of the Elks Club. Dr. and Mrs. H. H. Botts were in charge of the table decorations, which carried out the St. Patrick's Day theme, with green foil shamrock shaped doilies, mint cups, green and white foliage featuring at the speaker's table, the typical green hat of the Irish.

After the doctors and wives had enjoyed dinner together the groups separated to present their respective programs.

Mrs. Annamary Botts, president, introduced the speaker of the evening, Mrs. W. C. Rittenburgh, home demonstration agent of the Highlands County Extension Office. Her subject, food and your weight, was a talk well received and accompanied by interesting picture slides.

Meeting was adjourned at 10 o'clock after the business session.

Members attending were: Sebring, Shirley Burley, Annamary Botts, Lila Johnson, Lily Sangqually, Vall Weems and Bee Workman, Avon Park, Betsy Coleman, Thel Hartwell and Mark Outing.

DOGWOOD

When you look at the lovely white and pink blossoms of the wonderful spring dogwood, you are not looking at a flower, but four white or pink leaves. Actually there is a tiny cluster of flowers, and the surrounding leaves just look like petals.

Whether you are looking at leaves or blossoms—it is still a beautiful sight. And we've heard a child say: "Mommie, look at the popcorn trees!"

If you have a shut-in friend, and you want to bring the wonderful world of God's beauty to them... send a potted plant. This is a very special way to say: "Get well soon." Call us, we'll deliver them.

Tracksters Take Second Place At Meet

Avon Park tracksters took second place again behind Fort Meade in a five team meet held in Fort Meade last Thursday afternoon, tying with Mulberry with 80 points. The Meade team was the first to score, leading in fourth with 40 points, and Hardee ran last with 30 points.

The only first place the Red Devils managed to take was the mile relay run by Jim Williams, Jim Burresia, Louie McNeil, and Robert Walter with a time of three minutes, 42.3 seconds. McNeil came in second in the low hurdles with a 21.7 seconds time and Tyson Brown placed second in the breast stroke event with a 19 foot, eight inch effort.

The Faculty 300 yard relay team and the spirit medley relay team both took third place behind Fort Meade and Mulberry. The Avon Park 300 yard relay runners had a time of one minute, 38.4 seconds and the spirit medley team finished with a time of two minutes, 18.6 seconds.

Robert Walter came in third in the 440 yard dash with a time of 53.8. Lucius Taylor broad jumped 19 feet, 4 1/2 inches for a third place, and Brown took third in the high jump with a five foot, four inch vault.

Two points for fourth place were contributed to Avon Park by Brown with a 16.0 second running of the high hurdles, Clyde Sumriny in the mile run with a five minute, 14.2 second time. Brown with a tie for fourth in the low hurdles, Tim Bravell with a 38 foot, nine inch toss of the shot put and Smoot Callaway with a 23.9 seconds time in the 220 yard dash.

Chuck Long scored one point with a fifth place in the shot put, tossing it 36 feet eight inches and Sam Jones, who just moved to track from baseball, took fifth place in the half mile run with a time of two minutes, 30.9 seconds.

Today (Thursday) the Red Devils will compete with Hardee and DeSoto High in Arcadia in a three team meet and next Thursday the Avon Park team will run in the Frostproof Invitational Meet.

Tickets On Sale For High School Musicales

Redeemer Women Hold Meeting

The Episcopal Church Women met for their regular monthly meeting in the parish house of the Church of the Redeemer on Wednesday, March 13.

Refreshments were served before the meeting by hostesses, Mrs. Edith Young and Mrs. Lila Brand.

The meeting was called to order and Mrs. Charles Bland presented the devotion. Father Knapp presented the last in a series of prayers in "Prayer in the Church and Home." This was in preparation for communion. After the talk, questions were answered and Mrs. Edith Brand.

An automatic transmission can be an extremely costly major repair from \$100.00 to \$300.00. So I thought today we would discuss a little preventive medicine.

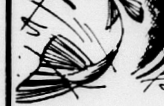

First, frequently check the oil level. This is done with your engine running when the oil is circulating. If there is any leakage, this is the first sign of possible problems. The repair then may be done expensively. Have it checked immediately by a reliable transmission specialist. If you are out on the road and because of overheating or a blown seal, lose all of your transmission oil, DON'T TRY TO LIMP IN to save a towing bill. That \$7.50 towing charge can save you \$200.00.

MAXIMUM LIFE FROM YOUR TIRES IS REALIZED ONLY when your tires are properly balanced and wheels expertly aligned! For dependable balancing and alignment take advantage of 19 years experience! Bring your car to BORDER'S "one stop" TIRE OIL SERVICE CENTER, 200 West Main, Avon Park, Phone 3-4154. Complete inventory of PREMIUM AS WELL AS BULK PRICED TIRES. YOU CAN BE SURE WITH PURE.

Services will be held nightly at 7:30 with a special Summer service meeting conducted at 7:15 each night by Dr. H. E. Murphy of Winter Haven, gifted ventriloquist and magician who has talents to present Christian entertainment.

Walter Pierson, Wauchusa humanist and pianist, will be in charge of special revival music which will be featured nightly along with stirring congregational singing.

All plans were made for a unit supper Wednesday evening, March 20 at 1 P.M. This will be in connection with the regular potluck supper scheduled on that date. Rebecca and Lem Hostetter will be leaving April 1 for their home in Bristol, Pa. They expect to return next Fall. We hope they have a pleasant summer.

Recent guests of Mr. and Mrs. Wm. H. Bittel were Mr. and Mrs. Mack Fairchild of Cowling, Ind. and Mrs. M. M. Merriam of Peru, Ind. and Mrs. E. E. Brown of Toledo, Ohio. Mr. and Mrs. Robert Cramer of Midland, Mich. Mrs. Etha Landis of Baswell, Mich. and Mrs. John Landis of Midland, Mich. All winter guests in Sebring were dinner guests March 10 in honor of Mr. Bittel's birthday.

More improvements in the park can be seen. Paint brushes and tools are being used on the grounds. As he can be seen with Harry Barth as he puts a new glass on the house in Watford, N. Y. We hope they have a pleasant Summer and will return to Southland in the fall.

Mr. and Mrs. Wm. H. Bittel visited recently in Sebring with Mr. and Mrs. D. Snyder of Huntington, W. Va. and with Mr. and Mrs. Percy Klempner of Sebring and Peru, Ind. They also met a former friend of N. Manchester, Ind. the Rev. D. O. Goff, 80 years old, still active and living alone in Sebring.

What a privilege the park group had Tuesday evening when a couple of road gubbers at the hall to see pictures of the Kirovsk trip to Europe. And what a compensation to them for their efforts that it was made possible to take this trip.

The "Heder Project," which is a branch of "Heder Service" located in different parts of United States and other countries, is doing a good work in relief of refugees in Germany, Holland, Austria and other countries. It is through this channel the Kirovsk were asked to have charge of 47 beds of refugees on a cattle boat to Germany.

What a joy it was to them to receive a letter from the Heder Service, which is a colony of appreciative refugees, in order to have milk which their children needed. These letters were donated to the "Heder Project" and the Kirovsk had a part in their efforts that it was made possible to take this trip.

The pictures showed devastation of war everywhere, especially in the cities. They also showed rural living of thirty people and beautiful natural scenery much of it unspoiled by ravages of war.

The overseas transportation of war orphans was paid by the U. S. government and the inland transportation by German government. Our thanks to the Kirovsk for bringing us these pictures.

Four tables of 500 and one of 200 were played at miscellaneous cards Friday night.

Mr. and Mrs. B. G. Vanlinden of Palmetto, La. called on the Purdies last Thursday.

Ray and Pearl Krewer left Saturday morning for their home in Illinois. They also stayed Monday morning for their home in Ohio. We enjoyed having these people with us for a short time.

Mr. and Mrs. Roy Allison of Battle Creek, Mich. are spending a couple of weeks in the park and visiting with Stewart Ditts. They are making Southland their headquarters and visiting around the state. They have enjoyed their trip and scenery of Florida very much home.

Mr. and Mrs. Angus Cameron of Norland, Ind. came Monday for a visit with their parents, Emily and Herb Renaud. Also Miss Leila Cameron of Norland, a cousin, came with them. A card has been received from Mrs. Coate thanking her friends and neighbors in the park and several living elsewhere for the flower arrangements sent to her at the time Mr. Coate passed away. She thanks you all as a group, since it is very difficult for her to write now.

Mr. and Mrs. Hindley of Ohio are located here for a week or two. They are on the lot across from the hall.

JOHN GRAY holds a 10 pound, 13 ounce bass, caught in Lake Isabelle Monday while fishing with a reel and rod using a spoon and skirt for bait. This has placed Gray in third place in Leon's Fishing Contest.

12 Pounds, 15 Ounce Bass Leads In Leon's Fishing Contest, 400 Signed

Herman King took first in Leon's Fishing Contest with a bass weighing 12 pounds and 15 ounces. This luncheon was caught in Lake Isabelle on a live shiner.

Ruben Perrelli is in second place with a bass weighing 11 pounds 11 ounces caught on a live shiner in Lake June. In live shiner in Lake June. In live shiner is Robert Wood with a bass weighing 9 pounds and 12 ounces caught in Lake June.

The Kirovsk are located at the North end of the park. The Kirovsk are located at the North end of the park. The Kirovsk are located at the North end of the park.

Church of God Will Repeat Dinners

Due to a great demand the Ladies Aid of the Church of God will repeat a luncheon on Friday, March 22, starting at 10:30 A.M. until 12:30 P.M. The dinner will be delivered upon request, phone GL 3-4831, price \$1.

Menu: turkey and dressing or chicken. Choice of green beans or English peas. Choice of cold stew or potato salad. Rolls and coffee.

The ladies are better equipped to serve in the church dining hall and make deliveries and will have ample food. The demand was so great last week, it was a complete sell-out. Get your orders in early that your food may be delivered hot.

9 pounds 1 ounce caught in Lake Arbuckle on live shiner. In seventh place is L. A. Kelly with a bass weighing 8 pounds caught in Lake Livingston on a Dalton Special lure. Ardel H. Yegor is in 8th place with his bass weighing 6 pounds and 12 ounces caught on a live shiner in Lake Arbuckle.

There is plenty of time left to win a big free prize in Leon's Fishing Contest which closes March 30. Over 400 have signed up for this contest. Are you one of them? If not stop by Leon's today and register.

Ten deluxe prizes will be given to the winners.

For the Media

THE NEWS MEDIA will have it better than ever before at this year's Grand Prix. The communication nerve center is a 'Sony' closed circuit TV monitor unit and Victor electrowriter communications system.

DOWN THE BUFFET LINE in the "Pit Stop" for VIPs are Prof. Dean Fales, right, and Mrs. Fales, who yearly offer a trophy and \$1,000 to the winner of the Trans American division of the 12-hour. The Fales are from Kennebunkport, Me. Again this year the buffet will be catered by the Mitchells. Left to right on the busi-

ness side of the table are Tom Mitchell, Dr. Joe Mitchell of Pompano, Bob Mitchell of Tampa, Mary Ann Cason Singletary, Sophy Mae Mitchell, II, and Mrs. Tom (Sophy Mae) Mitchell. All that fresh Florida fruit in the foreground may look like decor—but it disappears onto plates in record time.

Bathing Beauties and The Alitalia Airlines Cup

THE COVETED ALITALIA Airlines cup, which goes to the winner of Sebring's 12-Hour Grand Prix of Endurance, is held here by beauty queens Elizabeth Jevnass, left, and Norma Sherer. At left is Alitalia's Roberto Simoni and at right Raceco-Miami's

John Gun who will race here in the 12 and two hour. Alitalia will present the winners' trophy for the eighth straight year Saturday when cars such as Raceco's Ferrari make the historic 12 hour grind. twelve hour grind.

DRIVER PETER GREGG, left, of Jacksonville, will be driving one of the quickest of the numerous Porsche in the three hour race—the Brumos of Jacksonville. Here he is with Baron Von Hanstein who captains the Porsche team. (Terry Keller Photo)

This One Could Take It All

JOHN WYER fine tunes his Ford GT-40 during pre-race Sebring tests, as mechanics and onlookers stand by. This is the car which turned the fast-

est lap times during the trials, about 2 mph faster than the record of 111.032 mph set by Chaparral last year.

THE CONFEDERATE FLAG leaves little doubt that this was a bunch of southerners staking a claim to this bit of airport for the races. Relaxing in the solid comfort of lawn chairs and soaking up a bit of sunbath they

were one of last year's sights. The stars and bars was one of many flags flying in the camping area. Note the solid comfort in the cot at left of picture. (News Photo)

Judge Rehrrer Suppressed By Birthday Party

Forty-five friends completely surprised Judge Merwin Rehrrer on his birthday Saturday night, Mar. 18 at the home of Mr. and Mrs. Hugh Dowling, Park Ave.

Under pretense the judge, his wife and daughter, Laurie were invited to the Dowling home to celebrate the Dowling twins birthday, which was being held in the guest house.

The guests assembled in the home, keeping out of sight while the judge was escorted in to "meet some one." Doors started to open and friends appeared from everywhere. It was a true surprise party and for once the judge seemed to be confused, but quickly recovered his composure.

After opening many gifts from his friends and much visiting, refreshments were served along with the traditional birthday cake. Can-dies lit up the cake which the judge blew out as he made a wish.

Both are seniors at the Highlands School for Girls and entertained their senior class with a cook-out. Thirty seniors from the school attended along with Mr. and Mrs. Doug Culbreth. She is a dance instructor and he is an instructor in the school.

The birthday cake in green carried out the St. Pat theme along with the cook-out around the pool.

Haywood Commandery No. 27, K.T. will hold their stated convocation Monday, March 25 at 8 P.M. in the Avon Park Masonic Temple.

Visitors are welcome. Uniforms in order.

Jack Floyd is home from the hospital and shows much improvement each day.

Merrill Wilmont is home from the hospital and feeling fine again. He wishes to thank his friends for their good wishes, cards and flowers.

MRS. ELGIN BAYLESS of Sebring presents Mrs. Alec Ulmann with a hostess gift at Sebring Shores Country Club where a party was held Friday Mar. 15 in honor of her and her husband, prior to the Sebring races, which they sponsor. Known as Mr. and Mrs. Sebring Races, they were entertained with a style show after which refreshments were served.

Roland L. Jones Succumbs

Roland Lee Jones, 84, died Friday, Mar. 15. He was born in Jonesboro, Tenn., lived in Canada and came to Avon Park three years ago from Bowling Green.

He was a member of the Presbyterian Church in Avon Park and served as an elder. He is survived by his wife, Mrs. Ruth C. Jones and three sons, Mrs. Erma Robinson of Riverview, Tampa.

Rep. Tillman to Run Again For Seat in House

Representative Jim N. Tillman announced today he will be a candidate for re-election to the House of Representatives, 11th District, for Charlotte, DeSoto, Highlands and Sarasota Counties.

A resident of Sarasota County, Tillman, a Republican, was elected to the House of Representatives in 1962. During the regular session of the Legislature, Tillman was one of the few freshman legislators with as many as six committee assignments. He served on Agriculture, Citrus, Game and Fish, Public Health, Public Safety, Public Health and Welfare and State Institutions.

He also served on the judiciary committee drafting the anti-crime legislation.

A cattle rancher and criminologist, Representative Tillman is a graduate of Florida State University with a bachelor's degree in criminology and corrections. He has made more visits to Highlands County than any other member of the present delegation.

Prior to running for public office, the candidate worked as a deputy sheriff in Leon County from 1959-61, served as juvenile counselor for Sarasota County Juvenile Court from 1961-63, and served as Chief Counselor for the Juvenile Court from 1963-65. He is also an Air Force Veteran.

Before enumerating the faults of others, it is best to take time to count ten... of your own.

Retired Persons Meet Tuesday

Highlands County Chapter 222 of NARP held its regular meeting Tuesday, March 12, at Sebring Manor Hotel. President Wesley R. Smith called the meeting to order and led in allegiance to the flag.

Speaker for the evening was Carl W. Walquist, service representative and Florida manager of Colonial Penn Life Insurance Company, beneficiary life insurance program. All phases of the NARP group insurance, health, auto and life were touched upon during this talk and a question and answer period followed.

In 1967 plans were made for the NARP group insurance which is by far the best plan on

Patience, Boat Owners; Titles Will Be Coming

Conservation Director Randolph Hodges has asked Florida boaters who have applied for Certificates of Title to have patience.

Hodges said the Conservation Department is processing the applications as rapidly as possible and titles will be received by the applicants in due time.

A 1967 Legislative Act requiring owners of boats powered by motors in excess of 30 horsepower to obtain Certificates of Title for their craft became effective January 1.

Hodges said the handling of the mass of applications for boat titles takes from 30 days to six weeks from the time the applications are received until the title is mailed to the boat owner.

Hodges emphasized that the requirement of the law that no boat be operated until it is titled will not be enforced by the Florida Conservation Patrol and other law enforcement agencies until the Department has caught up on the backlog of applications now on file.

The long-awaited book, *Christy*, of Catherine Marshall's was published towards the end of 1967. Although Catherine Marshall is the author of several books and many magazine articles, her best-known books are *Mr. Jones Meets The Master* and *A Man Called Peter*.

Christy Haddleton, Mrs. Marshall's mother, tells her experiences. In 18 or 11 months of her life in Cutter Gap, Tenn., through the pen of her daughter, the place is real; the people are real; the experiences are real.

Mrs. Marshall has used all of these to fashion them into a novel. But what is the truth of these events? Truth can never be contained wholly in words. It comes from the heart, too.

Mrs. Marshall has used her imagination after hearing the experiences and visiting Cutter Gap with her mother.

Down in the valley, valley so low,
Hang your head over,
hear the wind blow,
hear the wind blow.

Hang your head over,
hear the wind blow,
hear the wind blow.

This folk song seems to set the mood and color for Cutter Gap, a section of Southeastern Tennessee, which later was to form part of the Great Smoky Mountains National Park.

When Christy left the train at Ft. Pima in January 1912, she believed she had been "called" to teach the mountain children. In one sense, this impetuous, beautiful girl wished "to taste life

Your Homestead Exemption Must Be In by April 1

Highlands County Tax Assessor J. W. "Bully" Martin issued a final warning today that April 1 is the last day to make application for homestead exemption.

"According to our latest count, there are 412 persons in the county who have not renewed their homestead exemption for 1968," Martin said.

"We hate to see anyone fail to take advantage of his tax savings," he added.

Also, there are several hundred personal property taxpayers who have not yet filed returns. There is a mandatory 10% penalty for late filing of personal property tax returns, and we just do not like having to assess this penalty.

Martin urges all taxpayers who have not taken care of the renewal of homestead, or the filing of personal property returns, to do so without further delay.

to the full."

This is the story of a girl's disillusionment of strange mountain customs, of humor, suspense, adventure, fast-talking music of a love triangle, of soul-filling beauty of mountain sights and smells. This is a slice of real life. "Here is a powerfully moving book of great depth, with real answers to man's deepest needs and a joyful reading experience from the first page."

It's too bad that mankind isn't, that freeways aren't, and that diehards don't.

Rev. W.G. Martin Instituted As Rector of Church

Rev. Walter Gable Martin, member of the Class of 1944 of Avon Park High School, was instituted as rector of St. John's Episcopal Church in the Kensington area of Philadelphia, Pa., at the Feast of St. Patrick, March 17.

Rev. Martin is the son of Mrs. Annie Gable Martin of Marietta, Ga., and the late Walter Sydney Martin, former Avon Park resident. His father was clerk-operator for the Seaboard Railroad in Avon Park from 1914 until his death in 1949. After his death, Mrs. Martin moved back to her native Marietta.

Instituting officer for the Rt. Rev. Robert L. DeWitt, bishop of Pennsylvania, was the Very Rev. H. Roberts Lorenz, dean, Fairmount Deanery, which constitutes a large portion of the diocese's inner-city churches and missions.

Rev. Osborne R. Littlefield, D.D., rector, Church of St. Michael and All Angels, Baltimore, Md., preached. It was Fr. Littlefield, who as dean of the Cathedral Church of St. Luke, Orlando, presented Fr. Martin for confirmation and ordination.

The Rt. Rev. Msgr. John McFadden, pastor of Corpus Christi Roman Catholic Church, and Rev. Theodore Logothetis, pastor of St. Demetrius Greek Orthodox Church, Upper Merion, Pa., friends of the new rector, were present in procession and were seated in the sanctuary.

The 41-year-old Anglican priest was graduated from the University of Florida, Gainesville, in 1948. He worked for several years as a news reporter and night city editor prior to entering seminary at Nashotah House, Nashotah, Wis., from which he was graduated in 1956. He holds a Bachelor of Arts and a

Bachelor of Divinity degree.

In conjunction with these assignments, he has also served as chaplain at Hahnemann Medical School Hospital, the hospital of the Women's Medical College

of Pennsylvania, the Episcopal Fellowship of St. Thomas-the-Psalmist, Throat, and the Detention Center of the Philadelphia Prison System.

He is a Mason, a member of Alpha Tau Omega, and is an associate member of the fraternal Order of Police.

About half of the world's present crop of a billion children will never reach adulthood—due largely to unsanitary living conditions, and improper diet.

About one million acres are taken out of production each year by roads, homes, factories, theaters, parking areas, artificial lakes, etc.

THE OVEN
THAT CLEANS ITSELF
FOR LESS THAN A DIME
Now you can rid yourself of the Cinderella drudgery of oven cleaning—even without the help of a fairy godmother. Never again must you cope with the mess of oven-cleaners, brushes, rubber gloves, sponges and buckets.
Instead, you simply latch the door on those spatters and spills, set a dial — and your oven comes clean electrically. Sides, top, bottom, racks and drip pan gleam like new for less than a dime's worth of electricity!
Need we say more? Except to suggest that you see the self-cleaning electric oven soon—at your appliance dealer's. He'll also show you flameless units that guard against scorching and boiling over, precision controls, rotisserie broilers—all the marvels of modern electric cooking!
Reddy can't turn a pumpkin into a coach—yet. But every year electricity does more and more for you.

110 Attend Picnic

At Highlands Hammock
The day of the Michigan picnic was a bright sunny day and the 110 folks who attended had a most enjoyable time. It was held at the Youth Building in Highlands Hammock Park last week.
Paul Seawarigen was master of ceremonies. He asked everyone to tell who they were and where they were from in Michigan. Then they sang many of the old songs. Everybody then visited about and they knew some played horseshoes.
Leo Wagner returned thanks, not only for the good food but for good friends and good fellowship.

FIX IT TIP
For repairing small
holes, such as those left by
picture hanger nails, and
fine cracks in plastered
walls, use a prepared
spackling compound or
caulk filler. This is available
dry for you to mix with
water, or in a ready-to-use
paste form. Both forms dry
slowly and are easy to
blend.

For larger holes, use
patching plaster, which
sets in 15 or 30 minutes.
Mix only what you can use
in that time.

SEBRING RACE

AVON PARK, FLORIDA, THURSDAY, MAR. 21, 1968

THIS MAY BE FASTEST GRAND PRIX

Mr. and Mrs. Grand Prix

Alec and Mary Ulmann, the handsome couple who guide the Sebring races each year have added an apartment in Sebring's Fountainhead to the homes they have in New York, the Hamptons, Long Island and in Europe. They are the ones who brought the race to Sebring. At first it was a hobby. It now is an important international racing event.

10:00 A.M. to 10:00 P.M.—12 Hour Grand Prix of Endurance (F.I.A. and Transamerican Manufacturer's Championship) for SP, S, GT, and Over 2 Liter Trans-Am

Victors Drank Champagne

Mario Andretti, left, and Bruce McLaren, right, wore victory grins as they held the Alec Ulmann and Altitalia Airlines cups, full of champagne, and Miss Grand Prix, Carol Kelly, drank a Cola to their win. The two piloted a Ford Mark IV to victory last year. Andretti was 1966-67 U.S. Automobile Club champion and McLaren won the 1966 Le Mans. Their Ford was 12 laps and 60 miles ahead of the nearest competition—another Ford.

Porsche Or Ford Could Take It All

By ROSE MALLORY RICE
Fans may see the fastest 12 Hour Grand Prix of Endurance and Endurance's 10 year race history Saturday.
And at the same time, the biggest battle of the year between the American and foreign cars.
It would be a German Porsche year—or a GT-40 Ford year.
But there are so many top entries snapping at their heels this could be anybody's race. The green flag drops promptly at 9 A.M. to start the race, an hour earlier than last year. The big 7 liter American Ford which won last year are not in it this year because of a new international ruling—and it is doubtful the fans will miss them. Because the up to five liter cars with their lighter engines and the same horsepower have already turned in trial times on the course which were faster than the roaring big cars needed to win last year.
If numbers mean anything, Germany's Porsche with 18 cars entered in the 12 Hour may have the best chance to cop the coveted Altitalia trophy. And keep in mind they took Daytona 125 a few weeks ago.

Trials Indicative
But if trials at Sebring two weeks ago are indicative, a GT-40 Ford of John Weyer may take it all. Three GT-40's are entered. A Weyer Ford bettered the 1967 lap record of 111.002 by at least two mph, unofficially, during trials.
And the American International team captained by movie star James Garner and with such outstanding drivers as Scooter Patrick and Dick Gould strand of Manhattan Beach, Calif. could win in a Lola Chevrolet Patrick was in the third place car last year. A Porsche, which was nudged out of second place by only four seconds.
And then there is the Hemi-turbine prototype of Ray Herpenz—and 10 Camaros with drivers like Roger Penske of Philadelphia. And seven Corvettes, with drivers such as famed Pedro Rodriguez of Mexico. And 10 Mustangs with stars behind the wheel like Horst Kuech of Waikanae, Ill.; Francois Farneau of Montreal, Canada; and Jim Downing of Atlanta.

Should Be Exciting
It should be one of our most exciting races.
Joachim Bonner of Geneva. (Continued On Page Six)

Field For The 3-Hour Is Completely Foreign

It will be a safe bet to put top money on a foreign car in the new three hour race for under two liter cars which will be run starting at 1:30 P.M. Friday.
Every car entered is a European make, although with three exceptions, the driving teams are American.
Thirty-one cars are entered and 13 of them are Porsche 911's. The speedy and sturdy German cars always have done well in Sebring, and Porsche, apparently feels Sebring is an important competition considering the large number they have entered.
This brings us to the big one, the 12 Hour. Trying for the overall win will be four almost totally different kinds of cars. John Weyer team of Ford GT-40s seem to be the cars to beat. Running in the sports category the baby blue machines will be using the five liter or 302 CI Ford engines sporting Gurney-Veslake heads and Weber carburetors.
The Ford group of John Weyer will be relying on the driving talents of Jacky Ickx, Brian Redman, Paul Hawkins and David Hobbs. Edward Nelson will be teaming with long-time Sebring favorite David Piper in Nelson's privately entered GT-40.
In the same category will be the new to Sebring Lola T70 (Continued On Page Six)

Track and Touring

By TERRY KELLER
News Racing Editor

Race time is here and Sebring is buzzing with activity, cars with out-of-state tags all over town. Young people rushing in and out of stores all ways an hour late and in a hurry. Local people who are to a frazzle trying to keep up with the needs of 50,000 people, yes the 12 Hours of Sebring is here.

Three races will be run on the 5.2 mile Sebring circuit, two on Friday, and, of course, the 12 Hours at 10 A.M. on Saturday. The first race on Friday will be the 3-hour International Formula Vee race at 11 A.M. These are the open wheeled machines using stock V8 components.

Most of this race will be run in real close quarters but a few front runners might be mentioned here. First would be Pedro Rodriguez in the Fortia Viking Racing Team's Capital Formula V. The whole Zink family team from Knoxville, Tenn., will be on hand to do battle with the interior beach contingent from the Miami area.

The number two bash on Friday will be the under two liter sedan race of three hour duration. With over a dozen Porsche 911 entries it's a safe bet to pick a German car as an overall winner. Brumos Porsche machine of Jacksonville with Peter Gregg at the wheel will be up front as will be Fred Baker and Fred Oertel in like 911s.

Local favorite might be Lee Cutler of Sarasota who competed here last year and who is always a hard charger. A complete field of Alfa Romeo GTZ, Lancia Fulvia, Renaults, Ford Anglias, Hillmans, Saabs, NSUs and the three wheeling antics of the Austin Mini Coopers will give the paying public their money's worth of wheel to wheel racing.

This brings us to the big one, the 12 Hour. Trying for the overall win will be four almost totally different kinds of cars. John Weyer team of Ford GT-40s seem to be the cars to beat. Running in the sports category the baby blue machines will be using the five liter or 302 CI Ford engines sporting Gurney-Veslake heads and Weber carburetors.

Formula V's Should Be Good 2-Hr. Show

A hotly competitive race between the tiny little cars with the Volkswagen engines and the look of Indianapolis will sort of put the frosting on the cake for race week here.

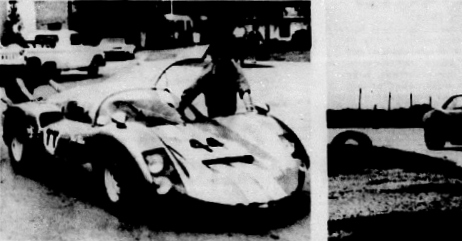

The first of the three races to be run this weekend, the Formula V cars will square off in the run for the checkered flag at 11 A.M. Friday.

Top speed for the racers is about 125 and competition is so close the race could be won in the last few minutes, racing buffs say. The names of the cars—Zink, Capital, Austro Van, Snark, Beach MK are strange to Sebring.

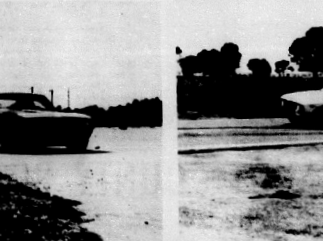

This will be the only race this year which will see women drivers—and there will be only two of them—Janet Guthrie of Great Neck, N.Y., and Liane Engeman of Amsterdam, Holland, teamed with Harold Kieves, Sr., of St. Petersburg. They will be in Ken Chandler's Zink. Both won trophies in last year's 12 Hour.

Among the drivers will be Joe Chitwood, Jr., of Tampa, driving his own Beach MK. He also will drive in the 12 Hour, where he placed 11th last year.

Many of these cars are driver owned—Milo Vega of Tampa, Jack Hurst, Richardson, Tenn., Charles Kemp, Jackson, Miss., to name a few. Vega has a Beach MKSC, Hurst a Beach MKSC, Kemp a Saab.

THE CARRERA 6 Porsche this year will be racing for the sports category trophy. Driving Carreras will be Armando Capriles and Alfredo Alencio of Caracas, Venezuela; John Gunn, Miami; Rudl Lins, Bludenz, Austria and Karl Foltek, Zurich, Switzerland. (Photos by Terry Keller)

THE CHEVROLET CAMARO of Smokey Yunick of Daytona Beach, should be one of the cars to watch if Smokey can get it aligned with the rule book. Drivers will be Smokey, Lloyd Ruby, Wichita Falls, Texas, who won here in 1966, and Al Unser of Albuquerque, N.M.

PETER GREGG of Jacksonville will drive this Brumos Porsche entry from Jacksonville in the under 2 liter sedan race on Friday. Among other Porsche drivers—and there are 13 Porsches entered in this race, are Bruce Jennings, Towson, Md.; Herb Wetson, Hewlett Bay, N.Y.

225 Lawmen To Help Out During Race

Sheriff Broward Coker again this year is prepared for big as well as little trouble at the races with about 225 additional men called in from other counties.

And he hopes his troubles again are only minor ones, like last year's 174 race-week arrests, which were mostly of the shoppe variety—disorderly conduct, disturbing the peace, drunk and possession of alcoholic beverages, mostly by minors.

Nevertheless again this year there will be a full track, four National Guard ambulances for emergencies, and two paddy squads from the Florida Department of Corrections, plus a full complement of Florida Highway Patrol officers.

Again this year, the sheriff's kitchen is being guarded to serve at least 3,000 meals. And again, H. Smith of Okeechobee, who for 10 years has had charge of the kitchen, will be back. Smith, a former assistant head steward at Avon Park Correctional Institution, now is an electrical lineman.

Augmenting the local sheriff's office will be men from sheriff's offices in Hillsborough, Duval, Leon, Polk, Lee and Manatee counties. There will be approximately 50 highway patrol troopers and officers, eight beverage agents, 30 men from the Highway Patrol, 15 men from the Sheriff's Reserve Unit, two from the Florida Forestry Service, 10 to 15 from Avon Park Correctional Institution and some regular deputy sheriffs from Pinellas, Hillsborough, Lee, Manatee, Polk and Collier counties.

Capt. Jake Bauserman of the Florida Highway Patrol will handle traffic off the track and on Friday will assist with traffic on the field.

Extra equipment—traffic cones, batteries, lights and such—began arriving in the sheriff's office early in March. Extra men began to arrive as early as Monday of this week with peak staff to be on hand Friday.

Beverage agents will be particularly on the lookout for violation of state laws on sale of liquor to minors. They last year confiscated beer found in trucks of several cars filled with minors.

Sheriff Coker said he tries to avoid asking for any extra help from city police in Lake Placid, Avon Park and Sebring. "Traffic control alone would be enough to keep all their men busy for the whole week," he said.

His own regular staff has been on special duty all week. There is no time off during Race Week, he said. "Every one is on 24 hour call. Then when the race is over our extra help all has to go home. We're exhausted, but we have to dig in to catch up on anything that had to slide while we were busy with the race."

Sebring Will Be Nation's Busiest Airport Mar. 23

A full crew will man the control tower at Sebring Airport during race time as the Federal Aviation Administration fully expects this will again be the busiest airport in the nation race day.

Last year, the tower handled between 600 and 650 landings and takeoffs on race day. Five flight inspectors have been assigned to Sebring for that day. Ken Grady, chairman of the Airport Authority said. Again this year, Lt. Bob Dorf, crew chief from the United States Navy, will be in charge. The Miami Advisory Service will be here race day for the filing of complete flight plans.

UNTELL LINCOLN The new Lincoln Mark III will be unveiled race day March 23 at the track. It will be the official car at the track and will be featured in the pre-race parade.

Journalist

BERNARD CAMBER, of France, editor of the European edition of Sports Car Graphic, and a member of the staff of the movie Grand Prix, will be in Sebring to cover the races again this year.

Our Growth Is Larger Than "Growth" Area

Orlando is classified as a growth area and last year bank deposits increased in a year's time 15.3 per cent.

In Highlands County, the growth for the past year was 36.4 per cent. Things looking more have gone nowhere but up since the depression years. Whittier banks in the county down to one in 1934 and total deposits of \$170,319. As of December 31, 1967, the county had four banks with total deposits of \$42,907,000.

Loans have grown in Highlands County from \$13,546,000 in 1967 to \$25,200,000 as of December 31, 1967, reflecting confidence in its banks and in the county.

300 Drivers Get Medicals Before Race

Work began early in Race Week for the volunteers who staff the medical services. Approximately 300 drivers must be given medical examination before they enter competition here and the examination station at Race Headquarters has been at work since 10 A.M. Monday.

At noon Wednesday the examination work was shifted to the track's medical headquarters. Services for spectators and race personnel are available at the track today and examinations will be continued at the track beginning today and continuing through Saturday.

On Saturday the ambulance service will include helicopters for quick transportation of serious emergency cases to Mount Park Hospital in St. Petersburg.

Dr. Paul Wallace, a member of the Mount Park Hospital staff, is director of the race medical services, and seriously injured persons who may need long-term hospital care are taken to St. Petersburg so it will be more convenient for Dr. Wallace to continue treatment begun at the Sebring track.

Throughout Race Week the staff of Highlands General is on emergency schedule, and the great majority of all injuries and illnesses among drivers and spectators receive treatment there.

Professional Volunteers Doctors of registered nurses and 30 to 40 physicians from all parts of the nation volunteer services for the race. Trained first aiders and Red Cross Gray Ladies augment the professional personnel.

Donald Hansen of Sebring has been coordinator of medical services for more than a decade and holds that position again this year. Mrs. Jack Zoss of Sebring is chairman of the Red Cross Gray Ladies.

Medical headquarters at the track is located on the paddock side, and on the spectator side near the walk-over bridge a mobile hospital is set up. Two first aid stations also operate during high attendance hours at the track.

Clerk of Course

JOHN M. J. BAIS, clerk of the Sebring races, is charged with clearing the course for the race, the placing and direction of the racemen, radio people, police, ambulances, fire trucks and such. Bais is manager of the North American Racing Team at times other than Sebring. He speaks fluent French which helps with the foreign entries.

Florida at its Very Best!

AVON PARK

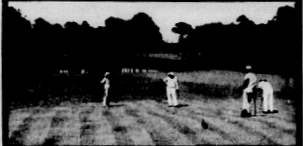

With a mile-long mall through the center of the city, Avon Park is surrounded by orange groves and cattle ranches, which account for the major portion of income for its residents. Home of the South Florida Junior College, Avon Park is a city of culture and homes. Other state institutions located nearby are the Avon Park Correctional Institution and Florida Alcoholic Rehabilitation Center.

SEBRING

The county seat of Highlands County is the home of the Sebring 12-Hours of Endurance Race, one of the World's most famous races. Citrus and cattle provide the main source of income. Tourism is an important part of the community's business and social life. Retirees, in increasing numbers are finding homesites on the city's many lake fronts and subdivisions.

LAKE PLACID

The third largest city in Highlands County is fast becoming a mecca for home owners, many of whom are getting away from the hubbub of the big cities, and have found peace and contentment. Aside from being a city of homes, Lake Placid has a sound economic background arising from citrus, cattle, and flower and vegetable growing. Two golf courses and many lakes provide ideal recreation. Placid tower is one of Central Florida's most outstanding attractions.

Disneyland Will Help Sebring A

In addition to the amount each year for race week, it shortly will have an impact on building Disneyland.

This city should get impact from Disneyland in miles to the North than the South of the huge project.

This is the estimated highly respected economist. Florida Business, put out by Research Publishing Corporation in St. Petersburg.

The letter, "Nations, some related in a radius of 100 miles, ferality on a major like U. S. 27. Tourist created by Disney attraction will then have the area value, already shown in the Orlando area, with the extensions of the complex along the area.

The letter goes on to state that the area is a hub of the peninsula, a place seeking to see three fastest growing of the state simultaneously. Gold Coast, East Central, West Central, will not see significance of Sebring. Sebring lies within miles of 73 per cent state's population, having as well as highway contact with all points.

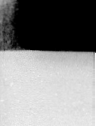

As to the area where the race is held, central area of the air has virtually all improvements necessary for industrial development already installed, including water, electric, sewer, water, electric, streets. There is a very situation in wholes distribution and warehouse bringing offers many advantages to industry."

The letter goes on to state that the development of the industrial park will remain the site of Grand Prix.

These Cars Won Over The Years

The first Sebring race, held New Year's Eve, 1900, was a six-hour event and it was won by Fred Wacker and Frank Burrell in a Cadillac Aillard. They recorded a speed of 66.96 mph.

Succeeding winners and drivers of the 12-hour, inaugurated in 1902, were as follows:

1902—Frazer Nash, with Harry Grey and Larry Kulak
 1903—Cunningham CMR, with John Fitz and Phil Walters
 1904—Olds, with Stirling Moss and Bill Lloyd
 1905—D Jaguar, with Mike Hawthorn and Phil Walters
 1906—Ferrari, with Jan Mann and Fangio and Eugenio Castellotti
 1907—Maserati 4.5 liter, with Juan Manuel Fangio and Juan Beltra
 1908—Ferrari, with Peter Collins and Phil Hill
 1909—Ferrari, with Phil Hill, Oliver Gendebien, Dan Gurney and Chuck Daigh
 1960—Porsche, with Oliver Gendebien and Hans Herrmann
 1961—Ferrari, with Phil Hill and Oliver Gendebien
 1962—Jaguar, with Jack Brabham and Lucien Bianchi
 1963—Ferrari, with John Surtees and Ludovico Scarfotti
 1964—Ferrari, with Mike Parkes and Umberto Maglioli
 1965—Chaparral No. 3, with Jim Hall and Halp Sharp
 1966—Ford XI, with Ken Miles and Lloyd Ruby
 1967—Ford MK4, with Mario Andretti and Bruce McLaren

The above are overall winners.

Other 1967 Wins
 Fastest and record lap went to Mike Spence and the 2F Chaparral in two minutes, 48.6 seconds, an astonishing average speed of 111.032 mph.

The replacement of the tricky Weiler turn by a couple of high speed curves last year named Green Park. Chicanes made the 5.2 mile Sebring circuit faster than ever before. This was proved beyond doubt in practice when both Mario Andretti and Bruce McLaren returned identical times of two minutes, 48 seconds (111.42 mph) as compared to the 1966 record of Dan Gurney with two minutes 54.8 seconds (107.86 mph).

Of the over two liter sports prototypes, A. J. Foyt later to win at Indianapolis and Lloyd Ruby in a Ford were second.

In under two litre, Gerhard Mitter and Scooter Patrick in a Porsche were first, Hans Hermann and Jo Siffert in Porsche second.

In the production sports group, Umberto Maglioli and Nino Vaccarella won in a Ford GT40, 3000 to 3000 cc. George Brown and Bill Campbell in a Porsche 906, 1600 to 2000 cc. May Billy Turner, M.D. Smith and Yogi Fretina, 1900 to 1300 cc. in an Austin Healey Sprite.

Reg Smith With Race Since 1950

The hard working race secretary for the Sebring races, Reginald S. Smith, whose life revolves around the race, still has that clipped British accent he had when he worked with Alex Ulmann in promoting the inaugural race December 31, 1950.

Smith makes his headquarters here year round, although he has a home in Ft. Lauderdale.

The friendship between Smith and Ulmann, president of the Automobile Racing Club of Florida began in 1949. They had a common interest in sports car racing. Smith, assigned to the British Purchasing Commission staff in Washington, D. C. during World War II, had returned to the capital as European car sales manager for an imported car dealer, specializing in Rolls Royce, Bentley, Jaguar and other B. M. C. cars.

Smith's work with the Sebring races became easier when from 1964-1966 he was general manager of WACO

REGINALD S. SMITH
 Motors, Miami, also dealing in foreign cars. Miami was closer to Sebring and from that first year, Smith helped at every race. In 1960-62, he was general

manager and part owner of Performance Cars, Inc., at Ft. Lauderdale and in 1962 went to work full time for the ARCF in organization, promotion and general management for the Sebring race.

Mr. and Mrs. Smith have a daughter, Deborah and two sons, Reginald, whose avocation is sports car racing, and who is a licensed F.I.A. racing driver, and Douglas, a member of the famed "Impact of Brains" group featured on television and at East coast and New York hotels. Both boys attend University of Miami.

Smith now is vice president of Automobile Racing Club of Florida.

NEW STARTERS
 The starter for the 12 Hours of Endurance this year will be Dr. Harry Fry of Miami, with Jack Rittiger of Orlando as the deputy starter. The honorary starter will be Maj. Gen. David Jones, former Dixie Little Blazer. He is now with the Eastern testing range.

Hall of Fame Officials Plan Recognition

SEBRING AND COUNTY officials join business men in planning the only Automobile Hall of Fame in the world. Five automotive pioneers will be immortalized by election to the Hall of Fame this year and presentations will be made by Alec Ulmann at the Sebring races March 23. Left to right are Norman Heston, presi-

dent Sebring city council, Jean Whitaker, county commissioner, Bill Young, city councilman, Al Radebaugh, director of the Green Giant Co., Melvin H. Baker, founder and principal stockholder in National Gypsum Co., and Sebring Mayor Jake Butler. Not shown is Hall of Fame president Elmer Sherwood. (News Photo)

Era Of Bug And Superbug Auto Hall Of Fame To Tap Five Greats May Be Here

Titled Driver

BARON Von Hainstein, Porsche factory competition manager, will be here with Porsche entries to the 12 Hour. Big winners at Daytona, the Porsche entries this year are the ones to beat.

There Will Be Titles at Race

Among the titled visitors coming to the races this year are Count Johnny Lurani and his daughter, Cleo of Italy and Baron Von Hainstein of the Porsche works in Germany. Bernard Cabier, owner of the French journalist and his daughter, Joan, will be here.

The Frederick Roystons of Pennsylvania, who parted their way here for many years and whose daughter, Patricia, a London debutante introduced the miniskirt to Sebring last year, will not be back.

It has been Ferrari and Sebring, Sebring and Ferrari, ever since the Sebring race went international in 1962 and became the 12 Hour Grand Prix of Endurance. Never has Ferrari finished out of the first six cars to cross the finish line. But a new era may be dawning with this year's racing as the Bug and the Superbug of Germany fight for honors on the Sebring race course. The Bug of course is the Volkswagen — and Volkswagen engines will exclusively power the little race cars which will compete in our first two hour race March 22 — the Formula V cars. The Superbug is Porsche, which has for many years been in the money in Sebring — and latched only eight seconds of the 12 hour last year. At Daytona last month, Porsche accounted for the first three places in the 24 hours and at Sebring this year it will be represented by four prototypes, which if they run to the form they have steadfastly displayed year after year in every type of course from the Florida flats to Sicily's mountains, will finish well up front. Brothers under the skin, the Bug and the Superbug represent the two ideas of the man who fathered them: Dr. Ferdinand Porsche, the Austrian-born pioneer whose very first car, which he designed and built at the age of 35, was the sensation of the Paris Automobile Salon of 1900. The VW realized his lifelong ambition to build a true "People's Car." The Porsche, which he barely lived to see comes as close as any marque past or present, to being the ideal sports car. Most Porsches, of course, are not meant to be raced, although they can be. Ferry Porsche, son of Dr. Porsche, runs the Porsche works today. The cars were developed from Dr. Porsche's original design and guided to racing fame largely by the hand of a talented and ebullient former racing driver, whose name he speaks his aristocratic heritage, Baron Hirsch von Hainstein. Von Hainstein has been in Sebring with his racing team before and he'll be here again this year. Dr. Porsche died 17 years ago at age 75, but his spirit lives very much in the Porsche plant, his son Ferry and Von Hainstein.

FOXY AGAIN
Cigar smoking, hard driving A. J. Foxy, only winner in Sebring's 1967 Grand Prix of Endurance who didn't finish the race but won second place anyway, was the only winner in this year's Indianapolis 500 to finish that race.

RACE PRACTICE
Engineering tests were going on yesterday and today at the field. This is the official race practice and usually draws a large crowd to the track.

Grand Prix Ball Queen

BETTY Mrs. E. G. Burton, Jr., the 1957 Queen of the Grand Prix Ball, will relinquish her crown to night at the annual ball which will be held in the Sebring Woman's Club. She was the Sebring Elks Club nominee for the queen contest. The ball is the largest pre-race social event. (News Photo)

Traffic Control Should be Tops Again This Year

Getting to and from the races and parking problems should

be about the same as they were last year, according to Reg Smith, race secretary.

Nothing like the horrendous snags which occur at Daytona.

"Again this year Lt. Paul Denham of the Miami police department and his lieutenants will be here to handle the problem."

"Everything went very well the past two years," explains Smith, "and we expect it to this year with Lt. Denham here."

Sebring Police Chief Lonnie Carl and his men kept things moving and almost accident free within the city limits last year, with only a couple of minor fender scrapings occurring. The chief and his men will be on the long hours of race duty again this year.

PORSCHE FOLKS TOGETHER
It won't be hard to find the Porsche people in Sebring. All 33 units at Holiday Motel have been taken over by this group for race week.

MX11 with a power plant by Ford's number one rival Chevrolet.

James Garner has entered two of the highly touted Lola-Chevy entries to be driven by Dick Guldstrand, Ed Leslie, Souther Patrick and Dave Jordan. Jo Butler has a Lola in the entry, but with co-driver Allen Avelson. The dark horse will be the pairing of Michael de Tilly and Hugh Dibley in a Lola that has seen quite a lot of endurance racing this past year.

The other half of this four-way taffy pull will be the three-liter, pre-1966 cars the German from Porschede, the American from the first time, have a superb chance of taking an overall win. Using their proven 2.2-liter opposed eight-cylinder engine, with a light weight, agile chassis, Porsche has both speed and the reliability to finish.

The Stuttgart team will have all the name German cars here to drive the four factory cars: Gerhard Mitter, Hans Hermann, Jo Siffert, Rolf Stommelen, Jochen Neerpach, Vic Elford and from New York Joe Ruppert.

The Hometown people are using a different approach to the problem of using the spare tire turbine for a power plant. This unique combination gives off a hot glow, as the heat and tall streams of heat waves to make

it took even more like a Cape Kennedy refueling.

Although it is different and unique, the Hometown TX has taken the league as the Porsche engine and has only a dozen moving parts so it ought to finish. Driving the showmobile will be Dr. Richard Thompson, Ed Leach and Ray Hoppert.

The overall race will be a thriller as we will see the Trans American sedan cars. For the first time we will see the five-liter sedans lock fenders in a

12-hour wheel to wheel duel.

Favorite in this group will be the two Sunoco Camaros from Roger Penrose (garage pilot) to Mark Donohue, Craig Fisher, Jo Weich and Bob Johnson. Competition for the blue Sunoco cars will be Smokey Yunick's Camaro, with both drivers Lloyd Ruby and Al Unser at the wheel.

Mustangs will also be looking for the Trans Am trophy with the two Shelby racing horses. Riding herd on the orange and yellow screamers will be Jerry

Titus, Ron Bucknum, George Palmer, Alan Moffat and Hans Knech.

Last, but not least, American Motors returns to pit row with two factory cars. Peter Revson, Skip Scott, John Martin and Jerry Grant will be sharing the Javelin's drivers seat.

A host of supporting cars have added the total entries to a new high of 70 starters. The 12 Hours of Sebring shapes up to be again, as it has in the past, America's greatest road race.

(Continued from Page One)

Switzerland, who won the Grand Prix at Sebring in 1962 will be in a Lola-Chevy MK11 with Alan Avelson.

Among other foreign entries are: Maure Blanton of Brussels, Belgium, and Henry Grandmire of Paris in a French Renault Alpine; Bob Tuller of Falls Church, Va., Trans Am winner in 1966, will be driving with Jim Dittmore of Rockledge Beach, Calif., in an English Triumph; Ed Alvarez and Ed Wilson of Miami will be driving Italian Ferrari Dino.

Gerhard Mitter of Hagen, Germany, and Hans Hermann of Stuttgart, Germany, who have raced here before, will be in a Porsche prototype. Raffaele Pinto of Torino, Italy, will drive a Lotus Fulvia and Donald Hooley of Warwick, England, an Austin Healey Sprite.

Andrew Holmes of England and Paddy Hopkirk of Ireland will be in a British MG. Rive Steiner of Zurich and Dieter Spoerry of Flims, Switzerland, (Dietrich's race here before) will be in Porsche.

Camaros or Corvettes
Many hope American Camaros or Corvettes or Cougars will take the Alitalia.

Among the Corvette drivers are Don Yenko of Canonsburg, Pa., Bud Gates, Indianapolis; David Dooley, Oklahoma City, and Herb Caplan, Sacramento. Behind the wheel of Camaros will be Lloyd Ruby, Wichita Falls, Texas, 1966 Grand Prix winner, teamed with Al Unser.

Test Drag a Javelin.

Don't laugh. The Javelin SST is even faster than it looks.

When equipped with a 343 cube/280-BHP 4-barrel V-8, and a 4-speed manual transmission with a 3.54 rear axle, it will move from a standstill to 60 in about 7.86 seconds and pin your backbone to the bucket in the process.

The engine pumps out a tough 365 lb.-ft. of torque at 3000 RPM. This SST in pure stock form will cover a standing quarter in 15.8.

But performance just begins there.

The real surprise comes in the Javelin's handling.

The Javelin can be equipped with front disc brakes, and a special handling suspension that includes a larger diameter sway bar and heavy-duty springs and shocks.

You'll notice the Javelin's

phenomenal control in tight turns and high-speed cornering.

Popular Science Monthly wrote that "The Javelin reacts almost the same at high speed as it does during low-speed maneuvers. Steering ratio was 18.1 to 1 overall and it felt just right for this car. Not too slow, not too fast. I particularly liked the action of the power steering. Aside from handling, the ride is excellent - tight and firm, yet comfortable enough for long-distance or everyday driving."

That's what the experts say. And they say it better than we do.

Language Of Flags Plays A Big Part

The language of the flags is an important one in racing.

A green one signals the start of the race, the checkered one ends it. But there is much more than the beginning and the end of the race for the wagers of the flags.

After the starter drops the green flag Sunday, signaling "you may begin—the course is clear," the chief flag and communications marshals, Jack Forcher, takes over and begins to direct the work of the licensed flagmen who are running 14 flag stations around the course.

Forcher has been a station flagman for many Sebring races. From his station in Jag tower he is linked by radio and telephone lines to the flagging points. The signal he would be most reluctant to order is the red flag—which calls all drivers to an immediate halt, that the course is too hazardous.

One of the more common flags is black, which tells a driver to stop in the pits. A blue means "you are being overtaken, give the other fellow room to get around."

A yellow flag means be careful. A track hazard, such as an oil slick, is signaled by use of a yellow flag with red strip. A white flag indicates an emergency vehicle, such as an ambulance, is on the course.

You'll Eat As Cheaply As Last Year

Good news for the thousands of hungry fans at the Sebring race—there is no increase in prices at the concession stands this year.

Mrs. Baker, veteran concession chairman for Sebring Firemen, Inc., said the religious and civic groups who have most of the concession stands, decided weeks ago that they "could hold the line on prices this year."

Placed High, Avon Park Firemen, and Avon Park Lions Club.

A commercial food handler will set up a cafeteria near the hangers this year and the new food offerings will be increased this year, Baker said.

One commercial operator has offered to set up a half-shell as his sole product for some years, but this year has line is to include fried systems and crabs.

Additional power lines installed prior to the 1967 race make it easier for the campers—and their number grows each year—to cook some food.

Operation of the concessions for charity is a unique feature at the Sebring race. This year, 15 organizations have made plans to operate—mostly in permanent booths they improve from year-to-year.

Veteran operator is the Sebring Lions Club which has the only food booth in the paddock. Because it does serve pit crews and drivers as well as spectators, that booth is the first to open and the last to close.

Tim Hurner, chairman of personnel this year, said the Lions booth started to work at 8 A.M. on Wednesday. The booth closes about midnight on Saturday—all operators for a minimum of 50 hours during Race Week.

All the time food stands are operating the Sebring Junior Chamber of Commerce is shuttling in ice. Not less than 75 tons will be needed.

during Race Week he moves into a trailer at the track to supervise the concessions. He says each race is easier for him as the Sebring volunteers learn the ropes. "Experienced contributors to smooth operation," Baker says, "then he adds, and that means more money for charity."

KEEP DOWN DUST

To aid photographers and other media working at the edge of the race course, ARCF officials this year will spray a chemical to keep down the dust.

COUNTRY BAR

In addition to the fabulous food of Solly Mae and Tom Mitchell at the Pit Stop, Club, for the ARCF VIPs at the races, there will be the usual country bar.

Welcome Visitors...

We hope you'll feel so at home in Florida that you'll stay for good. !

Florida, of course, is different—that's why you came. It's sunnier, balmer, sandier, palmer. More spacious, herbaceous, ichthyaceous.

There's another difference you may not have expected. Most Floridians came from somewhere else. They're dyed-in-the-wood Floridians—with ties to the old hometown. And like "born-and-bred" Floridians, they love it... as if they had invented it. As if it were their baby. So they want you to love it, too!

We think Florida is the most exciting place in the world—the Prototype State of Tomorrow! And we Floridians try to make it the friendliest... to show our appreciation for the zip and zest you bring... and to win you over, bring you back, and keep you here for good!

NOTE TO FLORIDIANS: Busy as we are these days, let's all try to take time to be as friendly as we feel... make our visitors feel at home.

Socially Speaking

By ANN McALAY

With the day of the internationally famous Sebring 12 Hour Grand Prix of Endurance spectacular race almost upon us, the mood has been set by a two-week series of social events to be climaxed by Saturday's race.

International spectators and enthusiasts have been in the social spotlight amidst a mingling of Highlands County Society visiting dignitaries and well-known personalities.

Added to the events list this year was a Pig Roast, on Saturday, March 9, at the Sebring Shores Country Club, on sparkling Lake Sebring, for drivers, visiting, radio, television and newspapermen. Here for the official tests and practice that weekend.

A pre-race party and cocktail following night was hosted by the Sebring Shores Golf Club for members, guests

and race officials. Eddie Uhlmann, son of race organizer, served as master of ceremonies and presented trophies to winners of the championship and tournament held that week.

Officially kicking off the week of social events was the annual party honoring Mr. and Mrs. Alec Uhlmann, president and treasurer of the race, on Friday, March 11. The affair was hosted by Elmer "Doc" Sherwood, president of the Sebring Shores Country Club, of Fame and a special committee of the Sebring Shores Golf Club.

Highlight of the evening was the showing of "race fashions" modeled by local students of Sebring, Lake Placid and Avon Park high schools and students from the Highlands School for Girls. The showing set the fashion mood for "mod" racing fans as well as the 400 Highlands County society and civil leaders and visiting VIPs who were invited.

The annual Alec Uhlmann-ARCF Automobile Racing Club of Florida party on Tuesday, March 10, at the Sebring Shores Country Club, was attended by celebrities from here and abroad as well as a number of Highlands County societies, race of fashions, press, visiting dignitaries and famous drivers, including world champion, Dennis Hooper, Pedro Rodriguez and Miss Sierra "Smiley" Davis.

Featured entertainer was King of the Banjo, Joe Shimmer, famous banjo artist who has performed in top entertainment spots throughout the United States, including the fabulous Fountainbleau Hotel, on Miami Beach, the Arthur Godfrey Show, the Johnny Carson Show and the New York World's Fair.

The Tragic Television race film team hosted their annual "Pitstop Cocktail Party," last night, Wednesday, March 20, at the Kenilworth Lodge. The invitation list was comprised of drivers, race sponsors and visiting dignitaries.

Highlighting the busy week

More Social Events Than Ever Before

and growing in stature, is the most glamorous of all affairs, the annual Grand Prix Ball and Grand Prix Queen Coronation, sponsored by the Junior Woman's Club of Sebring. The ball, though Thursday, March 21, will be held at the Grand Prix Marquee of the Woman's Club, overlooking beautiful Lake Jackson, with an expected sellout.

Decorations in red and gold, will set a regal background for a sea of colors worn by lovely ladies in floor-length gowns, with their hair elegantly dressed.

Queen candidates and their escorts will arrive at the ball in a procession of "Cougars," to be presented before the unveiling of the new Continental Mark III. The new royalty will also reign over the 12 Hour Race on Saturday.

The evening will be crowned by the retiring queen, Mrs. Gatchel Betty Burton, following which she will be escorted around the ballroom by a guest celebrity, and will be attended by the five lovely ladies of her court.

Candidates and their sponsors are Mrs. Walter Harshman and Mrs. A. C. McAlay, Jr., Sebring; Mrs. Billy Martin and Mrs. Steve Roberts, Jr., Avon Park; Mrs. Paul Phipps and Mrs. Charles Humphreys, Lake Placid.

Expected celebrities are Miss Sylvie Hirsch, owner of the 37 Indianapolis winter turbine powered car, famous golf champion, Arnold Palmer, film star James Garner, of the motion picture "Grand Prix" along with racing greats and trade executives.

Another event of Thursday night is the Altalia Airlines Reception at Sebring Shores Country Club, following "night practice." The invitation list includes racing drivers, visiting VIPs and members of the U.S. and European press.

Also Thursday night is the annual "Pitstop" party for volunteer workers, pit stewards, timers, marshals and

other race officials, at Firemen's Field.

A dinner party, Friday night, will be hosted by race medical coordinator, Don Hansen and Mrs. Hansen, at their home. The affair will be attended by approximately 75 visiting doctors, their wives and race officials, including Dr. Paul Wallace, senior medical officer of the race from St. Petersburg.

Also on Friday night, winding up the week's social whirl, will be the annual Kenilworth Lodge Grand Prix Five Dance for hotel guests, visiting notables and the public (reservations only). Featured entertainment will be the sensational international singing star, Miss Vira Dova, a unique stylist who sings in 12 languages and is highly acclaimed throughout Europe and South America.

Dance music will be provided by the scintillating rhythms of the Danny DeSalvo orchestra. A Victory Brunch at the Elks Lodge Sunday, March 24, will be hosted by Andy Grana, president of STP Corp., vice president of Studebaker Corp. and owner of the turbine car which finished sixth at last year's Indianapolis race, driven by Parnelli Jones.

Following brunch, trophies will be presented to the lucky winners.

GRAND PRIX FOOTNOTES:

Among the socialite Palm Beach crowd who will be here living it up at the Pit Stop for VIPs will be Jim Kimbrell of Kimberly-Clark Paper Co., George Schaff, the candy man, Horace Schmiallapp, producer, Danny Phipps and William Spar.

A camera team from the U.S. State Department of Information Service were in Sebring week before last, for the official practice weekend and have also been here all this week. They are filming a full-length movie on the races which will be shown in Europe, Africa and Asia.

"Pit Stop" is the "In" Spot For VIPs

"Pit Stop," the swanky Members' Enclosure of the Automobile Racing Club of Florida, caters to VIPs at the Florida International 12 Hours of Endurance on March 23. Palms are being replaced and added, the main structure is being painted. Flags are starting to fly, flowers bloom, and it will not be long now before the big, elegant green and white striped marquee will be erected, giving a garden atmosphere to the scene, in contrast to the carnival atmosphere that will prevail elsewhere on the circuit.

The person responsible for this redolent oasis in the midst of the dust and grime is chic, blonde Mary Uhlmann, wife of the organizer and promoter of the International 12 Hours of Endurance. Back in 1967 Mary realized that while the average spectator was being catered to in every way to make his day of racing full of fun, and gaiety, with a ferris wheel for the kids, hot dog stands, camping areas and fish fries, the race was not attracting the International Jet Set. She set out remedying this situation and created a club that has not been equaled anywhere in the world for a sports event.

Visitors from Europe and all parts of the United States have become members and they are constantly avel to find in a small town in Central Florida, facilities and gourmet food at a rate that would find justice to a royal garden party.

Many members arrive by private plane on race morning and go straight to the club to refresh themselves with fresh strawberries, Florida's famous juice and coffee. Shortly afterwards, the action starts—drivers begin to assemble at their pits on the area below the club grandstand spectator area—the Governor or some other visiting celebrity will address them, and Alec Uhlmann will appeal for caution and common sense on the part of the contestants and the race will be off to a start.

WELCOME TO... SEBRING

... THE HUB OF FLORIDA!

Home of the Famous...

12 HOURS OF SEBRING!

Florida's hill and lake country, abounding in opportunity and good living, just the proper mixture of work and play, business for those who want it, relaxation and fun for those fortunate enough to afford it. Its 22 lakes in the surrounding countryside sport some of the state's best fishing. Thousands of acres of citrus, cattle ranches and truck crops provide a sound financial foundation. Sebring has four golf courses, with three more in the county, and there are dozens of thalassotherapy courts, hotels and motels and fine eating places. The longest fresh water beach in Florida, two and one half miles on Sebring's Lake Jackson and U.S. 27, has been approved by Sebring's City Council for construction in the immediate future. You will never regret Sebring! For further information, write or call Sebring Chamber of Commerce, 60 N. Ridgewood Drive, Phone AC 813, EV 5-8448, Sebring, Florida.

Welcome RACE FANS

to HIGHLANDS COUNTY FLORIDA

An Invitation...

The sponsors of this page extend to you an invitation to visit Highlands County and investigate the opportunities to be found here for business, investment and future residence.

Land values are rising, as they are all over Florida, but there is still land in large or small acreages which can be bought at reasonable prices.

Highlands County is famous for its citrus and cattle industries, and is a large commercial producer of Caladiums, Easter Lilies and Chrysanthemums. Vegetable growing is also a large and remunerative operation.

Industry is moving into Highlands County because taxes are low and a large industrial airport offers buildings, lights, water and sewer services, along with complete paved roads throughout the complex.

But, aside from business, there is another side to Highlands County. It offers recreation and entertainment for those who have leisure, and is one of central Florida's fastest growing centers for retirees. Recently, three large condominiums have been built and sold to new residents.

Seven golf courses of championship calibre afford golfers complete recreational facilities. Fishing, hunting and hunting are available in the many lakes and extensive woodlands in the county. Opportunities are here for making money, having fun, or taking it easy in the sun. Come and see us.

SFJC Receives \$475,155 Grant for Building Complex

A federal grant of almost a half million dollars assures an early beginning date for construction on the permanent campus of South Florida Junior College.

Dr. W. A. Stallard, SFJC president, received a telegram this week. "We are pleased to be advised of a new grant to South Florida Junior College in the amount of \$475,155 for construction of new seven-building academic complex."

The telegram was signed by Senators Seward L. Holland, George A. Smathers, Congress-

man James A. Haley. The federal grant matches money from the State Department of Education for construction on the campus East of US

Highlands County Red Cross Is One-Third of Goal in Avon Park

The Red Cross Drive scheduled to close March 30 will be continued indefinitely due to a poor response throughout the county. Avon Park with a quota of \$3000, is one-third on the way with total contributions of \$1000.00. Lake Placid with a quota of \$2000 has collected over one-half of its quota of \$2000 or \$2750.00. Contributions may be in the mail but unless the quota is reached the county may lose the aid and benefits of the Red Cross by July 1.

This past week, Florence Peach, executive secretary of the American Red Cross has made seven service calls within the Avon Park area plus the Lake Placid calls and Sebring calls. During the Grand Prix races, the Red Cross first aid unit with 47 volunteers, serviced 100 persons.

Mrs. Welch Fisher, First

aid instructor of the Red Cross taught a total of 153 seventh and eighth grade girls mouth to mouth resuscitation during a health course in physical education. Mrs. Theda Miracle conducts a physical education course every Monday at the Avon Park High School. Through her cooperation, Mrs. Fisher conducted her class at the high school.

Workers and money are needed to retain the service of the Red Cross in this county. A \$5 gift will make it possible for three military patients evacuated from Vietnam to place "home phone" (Continued On Page Eight)

Cancer Crusade Scheduled For April

Once again April has been set aside by Congress as Cancer Month and The American Cancer Society is launching its 1968 Educational and Fund-raising Crusade with emphasis being centered on Cancer's Seven Warning Signals.

A. B. Wilhite, Cancer Crusade Chairman for the city of Avon Park, has announced that the 1968 Educational and Fund-raising Crusade in Avon Park will be spearheaded by Mrs. Don Mattox, Residential Crusade Chairman, Fred Jahna, Special Gifts Chairman, and Kelton Hill, Business Chairman.

Mr. Wilhite explained that plans for the all-out April Crusade include the nationwide distribution of 40,000, 600 leaflets listing the seven warning signals of cancer. Every family in Avon Park will receive this leaflet—most of them will be distributed in person by volunteer crusaders during the month of April.

More than 2,000,000 volunteers throughout the nation are joining in the Crusade. Women, who are doing back and tired feet—and over-worked men with a high sense of being their brothers' keepers, will bring educational material and messages of hope to their neighbors and to colleagues.

Mr. Wilhite and his Chairmen hope that when your American Cancer Crusader calls on you, that you will listen to his life-saving message and give as generously as you can—your contribution to the American Cancer Society.

Official kick-off for the Residential Crusade Wednesday, Apr. 3, 10 A.M. at Woman's Club of Avon Park. Kits will be distributed at this time and Mrs. Don Mattox, Residential Chairman, is most anxious to have those participating in the Crusade attend the office.

Donor's Club of Avon Park has elected Father John Knapp for their president for the year 1968-69 starting July 1. Don Knapp is in the retiring position.

Other officers elected are: Donald R. Hassfurter, vice president; Mr. Bill Young, secretary-treasurer; John L. Townsend, Sergeant at Arms; Directors: Donald R. Hassfurter, Father John L. Knapp, Lewis R. Miller, Dr. William A. Stallard, Norman Todd, John L. Townsend, George A. Walper, Charles Whitehead, William B. Young and James A. Heim.

Don Knapp, executive director of the Housing Authority of Avon Park, will speak on the work of the Housing Authority at the general meeting of the Woman's Society of the First Methodist Church, Tuesday, April 2 at 8:30 A.M.

He will explain to what groups it will be available and tell of the advantages this public housing will bring to our city. Sponsored under the auspices of the Committee on Christian Social Relations.

The need to improve our public will demand the type of education needed in this modern world. It is my intention to provide the information and to continue to speak out for those instructional programs and building needs so very apparent in all school centers.

Efforts will be increased to obtain citizen participation in seeking solutions to the problems facing our schools in order that we might develop the support necessary to achieve the goals for a better educational system. "I am certain my 15 years experience in Highlands County school system and the immediate past three years as superintendent qualifies me to seek this important position." Douglass said.

One Job Unfilled Deadline for candidates to qualify for the primary election is 5 P.M. on Tuesday, April 2. To date the only county office which has no candidates is judge of the small claims court. The incumbent, David F. Lanier of Avon Park, has not indicated whether he will seek another four-year term.

City Council Propose New Hanger For Local Airport

The regular meeting of the City Council was held Monday night in the chambers of city hall with Council President St. Hill presiding.

Ordinance No. 481 regarding the lease of sale of intoxicating beverages was passed.

St. Hill appeared once again and received permission to park a trailer on Third Street, between Highlands Ave.

and Carolina, for his family to live while he was on tour of duty in Viet Nam.

It was suggested by St. Hill to Mr. St. Hill to obtain a petition from the surrounding neighbors stating that they had no objection to a trailer being parked in the area and have the petition at the special public hearing on April 1.

Mr. Melendone, of Donor Industrial Sales, Inc. presented blue prints and plans of a proposed fuel hanger at the airport. Attorney Hue Nunnallee suggested that plans, specifications and legal descriptions of the property be sent to FAA for approval.

The motion was passed for the city to advertise for bids on two different size buildings one 100 x 160 the other 100 x 80.

Both buildings to have 16 foot eaves the 100 x 160 building to have 16 foot eaves East and West end the 100 x 80 building to have 16 foot eaves East end and 14 foot up doors on West end.

Melendone was instructed to draw up specifications and have them ready for the city hall Thursday morning. Bids to be received until 5 P.M. on April 6.

Charles A. Whitehead, Jr. was appointed to fill the vacancy on the airport committee, created by Reggie Butler moving out of town.

The Council voted to pay city employees in all departments the same hourly wage for overtime as they receive for regular time. Also that employees at the airport be paid the same hourly wage as those in the park department.

Devils Win Three Straight To Host Arcadia Friday Night

After dropping three games in a row by a one run margin, the Avon Park Red Devils variety snipped back with 1-0 win over Lake Placid last Thursday night here at Head Field and a 17-2 five-inning victory over DeSoto High in Arcadia last Friday night.

The Red Devils will host DeSoto High here on Friday night and play Gaines High here in a make-up game on Saturday. Both games are set for 7:30. Next Tuesday night Okaloosa will play here in a single game.

The Devils 14 win over Lake Placid was a far cry from the 193 early defeat handed the Dragons by the Avon Park team in the Devils opening game of the season. Good pitching by Dragon hurler Buddy Brooks limited Avon Park to two singles and Devil pitcher Larry LaFram gave up just one questionable single to the lead-off batter in the first inning.

LaFram, who got singled in last week's account of the Sebring game, struck out 14 Lake Placid batters while walking only four for his month performance. The junior pitcher and shortstop was the batter who tripled instead of Steve Walker off Sebring hurler Boone Purvis last week.

Avon Park scored its winning run in the game frame when Robert Sizemore singled with one man already out. A balk by the Dragon pitcher moved him to second and he moved to third when two men were walked in succession. With the bases loaded, Bill Jackson lined one down the third base line and the third sacker three home late trying to get Simpson off the plate. A double play by the Dragons stopped the Devils scoring threat cold minutes later.

During the seven inning game and walked only three Buidlows. He was in trouble twice when Frostopf had men on second and third in the third inning with no outs but a strike out and a double play put out the fire, and in the fourth frame the Buidlows also managed to get a man on second and third but the next three men ground out to retire the side.

Bill Knapp chalked up his second mound win with an impressive two-hitter. Knapp struck out 12 Frostopf batters during the seven inning game and walked only three Buidlows. He was in trouble twice when Frostopf had men on second and third in the third inning with no outs but a strike out and a double play put out the fire, and in the fourth frame the Buidlows also managed to get a man on second and third but the next three men ground out to retire the side.

In Arcadia last Friday night the Devils scored 11 runs in the top of the first inning on four singles and a triple and then
