THE TRIP WILL DO YOU GOOD!

Colonel Sander's Sez:

Don't throw away your April 16 issue of TV Guide until you've taken the half-dollar out.

No, this isn't the return of The Millionaire.

It's Kentucky Fried Chicken's big Academy Reward. You just bring us the fifty cent piece that's printed in our TV Guide ad, buy a bucket of chicken, and we'll give you a real half buck.

It might not be $64,000. But then, you won't have to answer a lot of questions, either.

The Things We Say

By Rob Shannon

After World War II strained relations between the Soviets erupted between the strained relations between the Allied powers. Shots have been fired and men have been killed in Korea and now in Viet Nam. There is little doubt that the Soviet Union aided the enemy there was no declaration of war on either side we are still fighting the "cold war."

But it's getting warmer all the time and anything like calling a spade a shovel.

Signs of the "cold war" appeared even before World War II ended and Sir Winston Churchill spoke of an "iron curtain" between Russian-occupied Russia and the Allies as "two camps."

The "cold war" then is an expression commonly used to describe the tensions that exist between the Western powers. They still exist. Battles are fought with words, economic and political pressures and even threats. It could develop into a hot or shooting war, but until that happens it is referred to as the "cold war."

Spice Cabinet

An interesting planter can be made from eggs holders and egg shells. Draw a circle about the size of a nickel on the side of the egg. Pie this hole out to size of circle. A nail makes a nice tool for the best. Rinse with water and let dry thoroughly. Glue egg to a homemade pedestal made by gluing a detergent can lid to a paper towel tube. When dry, paint egg and base with various colors of enamel. When dry, fill the shells (do not pack) with soil and plant seeds. About a week before Easter, plant three bean seeds in each shell, and water not too much. Place in a sunlit window for seeds to sprout.

Avon Park High School News

LINDA CRAVEY

Senior Girl Of The Week

Linda Dianne Cravey, daughter of Mr. and Mrs. J. M. Cravey, of Avon Park, is this week's Senior Girl of the Week.

Linda came to Avon Park in 1964 from Mobile, Ala. She is a member of the Avon Park High School Glee Club, one of the librarians, and is treasurer of the Future Homemakers of America. She was also a Homecoming Queen candidate this year.

Her favorite food is spaghetti and her pet peeve is "People who don't have a good sense of humor."

After graduation this June, Linda plans to get a job and go to South Florida Junior College.

—NAOMI LAWRENCE

MIKE COLEMAN

Senior Boy Of The Week

Micheal Wayne Coleman, son of Mr. and Mrs. Jimmie J. Coleman, Avon Park, is an active member of the senior class.

Mike came to Avon Park in 1963 from Clearwater.

He is president of the Avon Park Glee Club, a member of the track team, Devils Club, and Future Teachers of America.

Mike says his favorite foods are steak, spaghetti, and pizza. His pet peeve: "People who try to be something they really aren't."

After graduation this June, Mike plans to continue working at Kwik Chek and in September join the Air Force.

—NAOMI LAWRENCE

MRS. CHLOE LOOKHOFF

Teacher Of The Week

This week students of Avon Park High School have selected Mrs. Chloe Lookhoff, English and Spanish teacher, as the teacher of the week. Mrs. Lookhoff has been teaching in the Avon Park schools for 20 years.

She is a graduate of Maryville College, with a AB degree.

Mrs. Lookhoff is a member of the local, state and national education associations. She is also a member of the Council of English Teachers, Safe and National Association of Spanish Teachers. She is the president elect of the Highlands County Class Room Teachers Association, and the advisor of the Elizabeth Driggers Chapter of APHS Future Teachers Association.

In interviewing Mrs. Lookhoff, she recalled that her pet peeve was "students who make monkeys of themselves, swinging back and forth on one or two legs of their chairs."

She spends her past-time outdoors communing with nature, and drowning little Minnows.

—LARRY E. WATERS

'Phys Ed' Has Junior Meet:

The Avon Park High School physical education department held an intra-class track meet for seventh and eighth graders last Friday afternoon. Section 8-2 won with 29 points. Section 7-3 came in second with 26 points, and 8-1 placed third with 22 points.

The girls participated in two events with the following results: 50-yard dash - 1st Hancock (7.1 sec.), 2nd Strickler, 3rd Bennett. 100-yard dash - 1st Hancock (12.5 sec.), 2nd Strickler, 3rd Franza.

Results of the five event boys meet were: seventh grade - 50-yd. dash - Wells (6.7), Harvard, and Johnson; 100-yd. dash - Hart (12.0), Wells, Hall; 220-yd. dash - Hart (27.1), Hensley, and Hart; 440-yd. run - Nunnallee (66.9), Turner, and Harvard; 440-yd. relay - section 7-3 Franza, Hall, Hart, and Johnson (56.2).

4-H Clubs Need Support

Avon Park 4-H Clubs are in need of some parents, support and interest.

There are a number of boys and girls interested in 4-H, but they cannot function in clubs without the help and interest of parents.

Any boy or girl between the ages of 10 and 19 is eligible to join a 4-H Club if they are willing to carry out a 4-H project.

A meeting was held on Monday, April 18, 1966, in the Florida Power Lounge.

Menu For Week April 25-29

BY SUE O'STEEN

Last week the high school was evaluated, as most of you know, and the lunchroom is considered a part of the school so it was evaluated, too.

Wednesday the Student Council was called in for a meeting with the visiting committee. In this meeting they were ask what they liked and disliked about the school. They listed these things on the blackboard and then discussed them one by one. One of the things discussed was the lunchroom.

The students gave their views on the meals and the facilities. One student said that the meals were very good for the price and that you could not find that good of a meal anywhere for that price. Another student said that sometimes that they run out of food and have to substitute it and that they don't substitute very well.

I would like to say something about that matter. In the first place they do not know how many are going to eat in the lunchroom, so they prepared for the number that was served the day before. Unless, of course, they have something they know the students like and then they prepare for the number they served the last time they fixed that meal.

I think, all in all, that the students like the meals that are served to them by the workers.

The menu for the week of April 25-29 will be as follows:

Monday—sloppy joes, lima beans, fruit cup, potato chips, milk.

Tuesday—delicut sausages, baked beans, slaw, hot rolls and butter, apple pie, milk.

Wednesday—beef pot pie, tossed salad, strawberry shortcake, milk.

Thursday—country fried steak, broccoli, rice, tomato wedge, hot rolls and butter, cherry crisp, milk.

Friday—tuna salad on lettuce cup, english peas, buttered potatoes, pineapple upside-down cake, milk.

Daffynishions

Cannibal—One who is fed up with people.

Motorist—A person who keeps pedestrians in good running order.

Suit of armor—Knight gown.

Practical nurse—One who falls in love with a rich patient.

Ice—That freezy skid stuff.

Home-Ec Classes Observe Children

For the past two weeks, the advanced Home Ec. classes have been observing children from birth up to nine years old under the supervision of Mrs. Vivian Mosely. The mothers and children are invited by individual class members with Mrs. Mosely's permission.

Mrs. Billy Sewell and daughter, Shannon, visit one of the classes, as pictured.

Mrs. Sewell discussed infant care, schedules of eating, sleeping, wardrobe, equipment, and cost of caring for a baby.

Mrs. Sewell is the wife of Mr. Bill Sewell, who is the coach of the B Squad basketball team of Avon Park High School.

With Deepest Sympathy

We, the students of Avon Park High School, would like to express our deepest sympathy to Mrs. Marion Mac Crea whose husband died April 2.

"Mr. and Mrs. Mac," as they are called by the students, have been running the "Stand" (Verona Lunch Stand) for many years—even before some of us started to school.

The "Stand" has been a part of our high school lives for as long as we can remember.

We will truly miss Mr. Mac.

FTA Sponsors Tea for Evaluators

Thursday, April 14, the Future Teachers of America gave a tea in the high school cafeteria for the faculty and members of the evaluation committee.

Refreshments consisted of cupcakes prepared by members of the FTA, iced tea and coffee.

Those serving were: Sharon Childress, Sharon Snellgrove, Bonnie Fisher, Barbara Doerr, Martina Barber, Gary Neal, Fred Crawford, and Larry Trescott. The tea was planned by Barbara Doerr and Mrs. Lookhoff, FTA sponsor.

Everyone seemed to enjoy themselves and the FTA received many compliments.

Tax Adjustment Act Passes

Quoted from "Washington Newsletters from George Smathers, United States Senator, Washington, D. C., March 25, 1966, Number 2-66:

The President has signed a six billion dollar revenue bill which will help finance the Vietnam war and apply some of the fiscal restraints. As one of the managers of the bill in the Senate and in conference, I think the final version of the bill will do, at least a temporary job. Here are some of the important tax changes you should expect in the weeks ahead:

1. Effective May 1, individual income tax will be withheld on a graduated scale in six salary brackets.

2. Effective on telephone bills to be presented in April, the excise tax rate on telephone calls will go back to 10 percent.

3. Effective immediately, excise taxes on automobiles will return to the 7 percent rate.

4. Large companies will have to be on a current pay-as-they-earn basis by 1967 instead of 1970.

5. Self-employed persons will have to make their social security contributions in quarterly instead of annual payments.

6. Contributions to political dinners or purchase of advertising in programs and political booklets, will no longer be permitted as a business deduction.

Also, servicemen will be allowed to send, duty-free, $50 instead of $10 worth of gifts from combat zones.

Roller Skating Program Set

An Avon Elementary roller skating program will start Wednesday, April 27, at 3:30 p.m. at the Starlight Rink in Sebring (Fairgrounds).

The program is under the direction of Jack Battle and Ann Karnick. It is open to all elementary students. Participants must furnish their own transportation to and from the rink.

A cost of 35 cents per person will include admission, instruction, and prizes. The program is scheduled for each Wednesday afternoon.

Future Farmers In Contest

The Future Farmers of America Chapter participated in the sub-district contest in Wauchula last Friday, April 15. Bobby Joe Runner, winner of the Chapter public speaking contest, represented us in Wauchula. Also, Dean Lemler represented us in the tractor driving contest. The parliamentary procedure team which Mr. Griffin said, "Is doing a good job" represented Avon Park well. Bill Richards represented the Chapter in the harmonica contest.

Evaluator Gets Birthday Cake

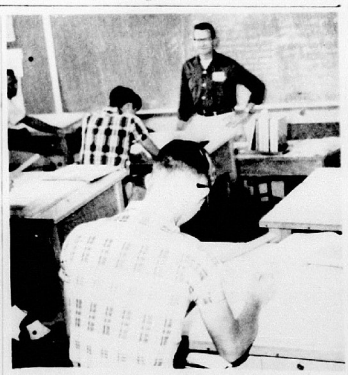

Miss Helen Watson, who's birthday was Wednesday, was taken by surprise when she was presented a cupcake with a candle at the Future Teachers of America Tea.

Miss Watson is a member of the Evaluating Committee which evaluated Avon Park High School last week.

Miss Watson is a transplanted Canadian who graduated from Florida Southern in Lakeland.

She has been teaching Girls Physical Education at Palm Beach High School for three years.

STUDENTS work at their individual speed in Mechanical Drawing.

Students Taught Handiwork

While interviewing Mr. Goff, he explained that the fundamentals of Mechanical Drawing lead to complicated aspects of the subjects. In high school, it is elementary, but helpful to the student who has future plans of continuing this training in college. Mechanical Drawing is essential to the student with plans of being an Engineer, or construction worker of various descriptions.

In the study of Mechanical Drawing, the class has text books, labwork, and drawing which is done in the classroom. Each student works according to his own accuracy, ability, and speed.

Other than the Mechanical Drawing class, Mr. Goff is the instructor of Shop I and General Shop. Shop I and Shop II.

Shop is attended by 7th grades only. This is a class where the students work with wood materials. The work of these students is consistant with their age and ability. Each student, to a certain extent has a choice of projects, however, the need of the project is stressed in making the decision.

General Shop is a little more advanced. This is attended by 8th grade students. They also work with wooden materials but they plan their own work and work according to their plans.

Shop I is still more advanced. In this you progress more as you go. During the first semester, the students work with wood and the second semester they work with metal. With wood, they make cabinets and small furniture items.

The type of metal they work with is sheet metal and wrought iron. They make such things as funnels, scoops, and make seams by joining metals, etc. Also in Shop I, each student becomes acquainted with each machine in the shop building and learns how to operate them.

The Shop II class is a new course which was offered for the first time this year. Three businessmen from our community come each day to teach these classes.

The subjects taught are:

Auto Mechanics by Bill Hood.

Air Conditioning by Bill Motsinger.

Electronics by Bill Thompson.

This is being taught on an experimental basis with the hope of continuing. With adequate funds and supplies, and of course, the interest needed, it will be continued next year.

Any student who is interested, in order to be assured of having the course offered next year, should express his opinion now, either to Mr. Goff, Mr. Garrett, or Mr. Wilhite.

Scout Troop 157 Wins First Place At Gulf Ridge Scout-orama Outing 2-24 rop with pix

First place was garnered by Boy Scout troop 157, sponsored by the Avon Park Rotary Club, during the Scout-orama at Winter Haven, April 15-16.

The local Scouts entered a booth in the annual competition of the Gulf Ridge Scout Council's program emphasizing use and safety of firearms, according to Scoutmaster Maurice Phillips.

He had trained them to high perfection in the use of fire arms which was demonstrated by the boys during a live demonstration, a part of their display.

This was shown in marksmanship and various firing positions given as a part of the demonstration.

Approximately 600 boys between the ages of eight to 19 from an estimated 50 troops in the Council assembled at the Citrus Exposition grounds at Winter Haven during the two day program.

Four types of Scouting activity were shown: booth, selected by the Avon Park group, demonstration of skills including skits and stage productions, Indian dances, pioneering activities and rope-making, and, Scout ceremonies.

All phases of Scouting were including during the annual two-day gathering from Cubs Scouts to Explorer troops.

Winter Haven Coin Show Set

The coin display judged best in the nation last year by the American Numismatic Association will be featured next weekend (April 23-24) at the Winter Haven Coin Club's 6th annual Coin Show at the American Legion Hall.

The elaborate display, showing a map of the world and the coins of each country, is owned by Bill Birr of Winter Park.

There is no admission charge and the doors will be open from 10 a.m. to 10 p.m. on Saturday and from 10 a.m. to 5 p.m. on Sunday.

Atlas To Meet Japanese Foe

Omar Atlas will wrestle Japanese Keomuca in the top spot on Friday night's wrestling matches at the Avon Park National Guard Armory. The matches will start at 8 p.m.

In prior meetings the two opposed each other in team matches but this time they will go it alone.

In the regular team match George Drake is paired with Jose Soto to oppose Charlie Carr and Pedro Godoy.

Bill Howard has as his opponent Jerry Malberg.

SHUFFLING

Thursday was played on Wednesday. Kate McAlexander and Charles Feinsterman won over John Floyd and Herbert Shanger in the Main Event. Gertrude Feinsterman and James Chamberlain won over Elizabeth Clarke and Everett Paxton in Consolation.

Helen Gaul and John Ekland won in the main event on Saturday. A. McAlexander and Ray Johnson were the runners-up. In Consolation the winners were Helen Floyd and Charles Feinsterman over Allene Howard and Herb Shanger. There were 36 players.

PINOCHLE

John Nutter won high score of 681 in the pinochle games on Monday, April 11. Second high went to Loretta Simpson with a score of 666. There were five tables in play.

SATURDAY SUPPER

Thirty-nine came to enjoy the many foods brought in by the good cooks of the Club. There were 11 from New York and seven from Michigan. The hosts were Mr. and Mrs. Clarence Higgs and Mr. and Mrs. Darwin Haviland. Lawrence Robinson asked God's bless ing on the food.

Mr. and Mrs. Frank Borrows celebrated their 55th anniversary. The folks wished them all happiness.

Mrs. Clarence Higgs celebrated her birthday as all sang happy birthday to her.

Ethel Bennett read about Easter clothes of long ago, including long underwear and high top shoes. Mr. Robinson told a story about Abraham Lincoln, and Seymour Brush told one of his funny stories. Sorry that Myrtle Heffernan's name was omitted last week as one of the hostesses.

OVERHEARD AT THE CLUB

The Charles Romills bought a home on East Pine before leaving for their home in Niagara Falls, New York this week.

Eldred Gruber left last week for his home in Palmyra, Mich. His pet skunk accompanied him. They found three baby skunks and, of course, fed and cared for them, there by becoming very attached to them. The one left is all white with just a touch of black.

Mr. Gruber's wife, Dorothy, and daughter, Jean, remain here until the end of the school year.

The Earnest Heaths returned to their home near LaPorte, Ind., to find an unwelcome guest, a squirrel, had taken up residence. It chewed up many things, ending up under a pillow.

The Fred Thorleys of Minerva, Ohio find it's hard to get down to everyday things like cleaning house, after their winter of play in Avon Park.

The Maynard McKinnons came home to Buchanan, Mich. in time for a round of spring activities in their clubs, including a spell of jury duty for Mac.

The Claude Bynners in Hillards, Ohio found it so cold when they got home that all they could do was sit in the house.

The Alton Wetmores left Saturday for their home at 1294 Forge Road in Kent, Ohio. Mrs. Wetmore is to enter a hospital for treatment for her arthritis.

The Glenn Longs are leaving for their home in Plant City, Connecticut. They, was their first winter here in Avon Park, were so impressed with the town and the Winter Guest Club, they bought a hanger, so will be returning in the fall.

Others leaving this past week for their homes in the north are: The Paul Sweetengers and the Ira Shaders to Royal Oak, Michigan; The Robert McBeths to Plymouth, Ohio; the Joseph Coombs to Solon, Maine; the Paul Hoppes to Eden, New York; and Irving Beougher by bus to Laurelville, Ohio.

DANCING

Guests at the Friday evening dance were Mr. and Mrs. John Evans of Akron, Ohio, guests of George Kloha. Also Mrs. Helen Gaul's sister, Mrs. Ruby Meeker of Benson, New York. About 50 attended the dance with its round and square dancing. There were four squares for the square dancing. About 16 attended the Monday night dance.

Stocks 'Make' Ex-Dishwasher A Traveler

An interesting visitor in Avon Park last week was Clarence Blank, ex-dishwasher and janitor who made $750,000 on the stock market.

After years at working at odd jobs such as rummaging for bottles in Fairbanks, Alaska when they brought 10 cents each at a time when the contents sold for 75 cents, sweeping stores, dish washing, Blank retired at age 31.

With the bottle money he had managed to save—$800—he bought 100 shares of airline stock when selling at $8 a share. "I kept buying and selling until I made $10,000.

By then he had worked out the Blank "system." From then on the ball has been rolling up-hill." Having had only a third-grade education, he spelled dividend as "divident" until corrected.

Often in the last few days, Mr. Blank could be seen walking into town from Lake Isis where he was staying with Mr. and Mrs. Herbert Jank.

A young man of 70 years, he does a lot of walking to keep in shape, and is in excellent health. At present, Blank is touring the country via bus on an excursion, summer special.

He stops off about a week at a time at interesting places to get acquainted and to catch up on his walking.

Later next fall he plans another trip to Europe.

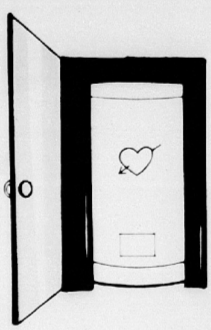

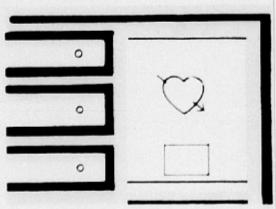

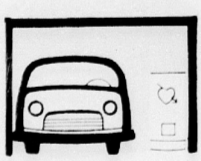

He has visited San Francisco, San Antonio, Buffalo, New York, Puerto Rico and Nassau, so far this year.

He does not plan to live in "desultory retirement" any time soon.

The Marines in Viet Nam are being issued the new tropical combat boot which incorporates a spike-resistant inner sole and screened drain holes to let water out.

LOST about two weeks ago a black and tan part Beagle puppy 10 weeks old. If knowing whereabouts please contact Talmadge at The Avon Park Sun office.

QUO VADIS

WHERE ARE YOU GOING TONIGHT? WHAT ARE YOUR PLANS FOR RELAXATION THIS WEEKEND? We have many various places of amusement and places to see, if you haven't visited them — try them — you'll like them.

Take the entertainment list being offered for the family at the HILANS THEATRE in Avon Park. Walt Disney's BAMBI is playing. If you have missed this motion picture, make it a point to see it with your family now. It broke box office records, while playing at the Radio City Music Hall in New York City.

RIDGE LANES has Family night on Sunday. One of the features during the week is Bowl Your Weight on Wednesday — this is only one of the special events planned for your Summer Fun Festival.

Take a trip to PLACID TOWER in Lake Placid, where Jean Whitaker, owner-manager, offers everyone a free Florida Orange Juice Break. Carpet golf is also available there. Next to the Tower is the TOWER VIEW RESTAURANT where chef-owner Carl DiGiacomo offers you good food for reasonable prices and good service — whether it be breakfast, lunch or dinner.

If you are in the mood for excellent Italian cooking, stop at CLAYTON'S RESTAURANT on U. S. 27, south of Sebring, and try Chef Mike's mouth watering tasty variety of Italian dishes on the menu.

Nearby, on Lake Wales, on US 27, Mr. George's COPPERTOP STEAK HOUSE offers the gourmet Charbroiled tender tasty steaks with all the trimmings—Don, the bartender in the lounge, can serve the most delicious dry martinis that you can enjoy in frosted crystal glasses —while Johnny whips up your favorite dance music on his rhythm built-in piano and organ.

Just north of Wauchula on US 17 in Fort Meade, EL CID LOUNGE offers you, your favorite drink and a Go Go Girl show for entertainment.

Sports fans can still plan to see their favorite wrestlers every Friday evening at the Avon Park Armory.

Call Shelley MARRS at the Avon Park Municipal Airport if you wish to take a quick trip for shopping, business or pleasure. His rates are very reasonable.

Some Skipper

PLEASURE CRUISE — A canoe ride at Callaway Gardens, Ga., takes on added enjoyment when the skipper is someone like comely Rose Powell.

Disney's Delightful 'Bambi' Returns

Brimming with enchantment and feautring some of the most delightful cartoon charcters ever created, Walt Disney's feature-length animated cartoon, "Bambi," returns to the screen with all of its original magic, drama and spectacle to thrill new movie audiences everwhere.

The hero is a deer named Bambi, who from the time of his birth is squired through one forest adventure after another by a forthright cottontail, Thumper, a self-appointed information bureau. Thumper chaperones Bambi's growth, teaches him the art of ice skating, and helps him enlarge his daily vocabularly. In the course of their activities they befriend a wistful skunk named Flower and all goes well until predatory Man and a forest fire interrupt their idyll.

A host of other wonderful cartoon charcters reintroduced range in personality from a matronly quail to a blustery owl, the other sane voice in a forest abounding with Spring romance. Faline, a lovely doe, attracts the now-maturing Bambi, while his pals Thumper and Flower are unblushingly captured, respectively, by a lady rabbit loaded with allure, and a shy but determined femme-skunk.

Although Bambi and his friends are separated temporarily when their paths diverge, they are reunited when disaster strikes their forest home.

THE WISE OLD OWL gives some very good advice to three young friends, (l to r) Flower, the skunk, Thumper, the rabbit, Bambi, the deer in this scene from Walt Disney's feature-length animated cartoon, "Bambi," filmed in brilliant color by Technicolor and based on the famed novel by Felix Salten.

Housing Program Ahead Of Schedule

Avon Park's Housing Authority is far in advance in preparation of plans for the start of construction here on the $1,250,000 project.

This was the gist of information given the City Council Monday night by Don Correll, executive director of the Authority, the only paid person of its personnel.

J. T. Landress, AP Authority chairman, and James Tuten, ball, member of the Authority and temporarily secretary of the group, were present with Correll.

The latter told the Council that originally the Authority had been given a Sept. 1 deadline for presentation of workable plan for federal approval. Since, the Authority has been given a workable plan by HUD and that has extended to Atlanta.

Reason for the federal request that the Avon Park program may be placed on the agenda for the May meeting of the Authority's Atlanta office.

Councilman Clarence King was informed that bids from reliable contractors must be received in the construction.

But, Landress told the Council, Authority money will be kept in the Avon Park area where possible. This statement was supported by Thornhill.

The trio was pledged full support of the Council in any of its actions by Council President James Doerr.

Mayor E. A. DeLaney, instigator of the creation of such an Authority for Avon Park, its largest in history, disclosed creation of the Authority and recognition by the federal government approximately a year ago.

Junior College Temporary Building Fund Is Lagging

Efforts to raise $60,000 for temporary quarters to house the fledgling South Florida Junior College have become bogged down.

And, in one instance, that at Wauchula, legal verbiage has crystalized the city's preventing it to contribute to the temporary building fund.

Although the Junior College took nearly two hours of the Wauchula City Commission meeting Monday night never a motion was presented. As each attempt was made to gain action it was smashed down the city attorney, observers present reported.

That official, they said, told commissioners any proposal went against the city's charter. And, as a result every effort toward a monetary pledge from Wauchula ended in legal morass.

Other cities in the two county area have realized no legal bar to prevent them from aiding in getting the college "on the road" come Aug. 19.

This has been the date set by Dr. William Stallard and his staff for getting students registered and the college in motion.

City of Sebring has pledged $5,000 to the temporary fund. Bowling Green chipped in with $2,000 and approximately $3,000 additional has come from individuals in that Hardee County community.

Avon Park started the ball rolling shortly after formation of the SFJC Citizens Committee Inc., when Mayor E. A. DeLaney announced the pledging of $10,000 during a Kissamis Club luncheon at which Dr. Stallard spoke.

Aims and goals of the junior college were unfolded by the educator, president of the embryonic institution of higher education trying to get on its feet in Avon Park.

Stallard then explained the state does not provide funds for temporary quarters, nor for renovation of any buildings, thus necessitating others sources.

The Citizens Committee is

Highlands Girls School Taking Applications

The Highlands School, located on property formally occupied by the Pinecrest Lakes Club, has opened its enrollment for the 1966-67 session beginning Sept. 6.

Col. Leslie C. Blankinship, founder of the school for girls said that even though it is late in the season, vacancies do exist in grades 9 through 12 and the post graduate class.

The Highlands School will limit its enrollment to 100 girls for the first year.

The 108 room building will house most of the school facilities, including dining room, recreational room, class rooms, administrative offices, etc.

Carolina Military Academy at Maxton, N. C., which has an enrollment of 250 cadets, was started by Colonel Blankinship four years ago. He is also chairman of the board of trustees of Vardell Hall, a girl's school at Red Springs, N. C., which he founded in 1961.

This school is operating at capacity with 250 boarding students and a number of day students from the south-central Carolina region.

The plan for an exclusive girl's preparatory school at the Avon Park site has developed rapidly. Its founder plans to combine gracious living with high academic standards. Small classes and careful supervision by an experienced faculty and staff will be the key note of the new operation.

Subjects offered will include English, mathematics, history, science, languages, music, art, and business. Main purpose in a curriculum of this type is for college preparation with terminal courses being offered only in the field of business.

Colonel Blankinship said that applications are being accepted at the Highlands School, Avon Park, Florida.

MAYOR PENS LAW DAY proclamation for observance of the day Sunday May 1, and throughout May. Looking on is County Judge Mervin Rehrer as Mayor E. A. DeLaney signs proclamation. —SUN PHOTO

Law Day Is Proclaimed Here As Part National Observance

"Laws and courts exist to protect citizens," states a proclamation signed by Mayor E. A DeLaney, for observance of Law Day USA on May 1.

It is a national observance established by the Congress of the United States and proclaimed by the President.

It is being observed this year as a part of the observance of the 174th anniversary of the Bill of Rights. The latter has been called a notable milestone in the life of "our republic and in man's quest for freedom and justice under law."

DeLaney's proclamation notes that "lawyers help each citizen and business to know what these rights—laws and courts—are and to benefit from them and enforce them."

"The rights and freedoms which Americans accept as their birthright are made possible only by unswerving public acceptance of and obedience to the rule of law. In today's complex society there is a particular need for understanding on the part of every citizen that respect for the law is vital to the preservation of individual liberties and a free and ordered society."

In proclaiming Sunday as Law Day USA, the mayor observed that it is a day set aside for all Americans to reflect on our heritage of individual liberty under law and to focus attention on the responsibilities of citizenship. The theme for the observance this year carries a timely message for every American: "Respect the Law—It Respects You."

His proclamation calls on all citizens, organizations, churches, and schools to recognize this special day through appropriate programs May 1 or during the month of May.

Red Devils Battle Way Into District Playoff By Winning Two Close Games Last Week-end

The Red Devil baseball team moved into the Class B District 6 championship play-off by victories over Lake Placid (4-2) and Zephyrhills (4-1) last Thursday and Friday at Head Field in the sub-group meet.

Tonight (Thursday), the Devils will meet the Clearwater Central Catholic nine in Clearwater for the first of a best-of-three game play-off series. Friday, the two Class B Group 6 sub-group champs will play again at Head Field, and if a third game is necessary, a flip of a coin will determine the site of the Saturday night game.

Clearwater defeated Santa Fe of Lakeland, 5-1, in the ninth inning Saturday night to take the other sub-group tourney.

In opening game rounds Santa Fe defeated Mulberry and Clearwater beat Lithia Pinecrest to advance to the finals.

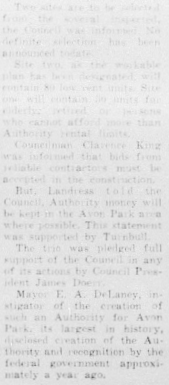

Avon Park and Clearwater Central Catholic split a two game series during the regular season with the Tornadoes winning in Clearwater, 2-1, and the Red Devils winning here at home, 20-2, on a no-hitter hurled by Mike Knapp.

Last Thursday night, Zephyrhills opened the sub-group action with a 9-3 win over Frostproof, and then Avon Park came from behind in the last of the sixth in the night cap to defeat Lake Placid, 5-2.

In the Avon Park-Lake Placid game, the Red Devils scored first in the bottom of the third when secondbaseman Jim Powell doubled and scored on a single by Spencer Oberle. Carl Holden had moved Powell to third on a single.

Lake Placid took advantage of walks and stolen bases to score two runs and take the

His address is: L-Cpl Kenneth E. Cook, 2156079, H&HS-2, S.M.T. MWHG-2, 2nd MAW, FMFLANT, MCAS, Cherry Point, N. C. 28533.

Young Attends Convention

Postmaster Robert D. Young of Avon Park, was among the more than 200 Florida postmasters and guests who attended the 30th annual state convention of the Florida Chapter of the National Association of Postmasters, April 16-19, at Jacksonville.

Postmaster Young was a member of the Legislative Committee and served as chairman.

Polling Places Listed For Tuesday Voting

Election officials, announcing location of polling places, do not expect much interest Tuesday for state and county primary selections.

No new polling places will be used in the primary Tuesday, but for many of the county's 12,134 voters there has been a change in their precinct number.

Precincts have been combined but now do not total 22 as in years past.

After the last general election Supervisor of Registration Roland X. Droit renumbered precincts to correspond with units in operation—numbering from 1 through 14.

Only three precincts—1, 3 and 10—remain unchanged. Precinct 1 will, as in the past, vote at the Avon Park Tourist Club.

Precinct 2, formerly 5, will vote at the Avon Park voting building. Precinct 3, still 3, is to vote at the truck route building at Avon Park. Precinct 4, formerly 7, will vote at Pinecrest.

Northern most of Sebring's precincts will be precincts 5 and votes at Hart's Memorials on US 27. Precinct 6, formerly 14, votes at Triangle Drive in.

Within Sebring are four polling places. Precinct 7, formerly 15, votes at the Highlands Homes administration building. Precinct 8, formerly 12, votes at the Sebring Tourist Club. Former precinct 11, now known as 9, votes at the Lemon Street USO building. Precinct 10, as in the past, will vote at American Legion building.

Precinct 11 now located in the DeSoto City area, formerly called Precinct 18, votes at the DeSoto City Hall.

Former Precinct 19, now 12, votes at the Lorida school building. Former Precinct 22, now 13, votes at the Lake Placid American Legion building. Precinct 21, now Precinct 14, votes at Women's building in Venus.

Polls open at 7 a.m. and are open for 12 hours.

Federal Grant Will Allow Alcoholic Center To Start Family Therapy For In-Patients

Florida's program to combat alcoholism in the state has been expanded—due to a $65,141 federal grant—to include comprehensive therapy for the family of the alcoholic.

The Florida Alcoholic Rehabilitation Program (FARP), through a Hospital Improvement Project grant from the National Institute of Mental Health (NIMH), will add—for the first time—family therapy to the in-patient hospital in Avon Park.

The five year grant of some $326,000 will also allow for followup visits to the patients and their families after the patient's discharge from Avon Park.

FARP Administrator Joseph C. Ziesenheim, said, "The total period may be extended to 10 years with NIMH approval.

Ziesenheim added, "The grant requires no matching funds on the part of the state, however, as in other HIP's, if the project is proven successful, the state is expected to maintain the services as part of its alcoholism program."

Two Public Health nurses under the direction of a Clinical Social worker will cover 14 counties: Brevard, Highlands, Lake, Orange, Osceola, Polk, Seminole, Volusia, DeSoto, Hardee, Hillsborough, Manatee, Pinellas, and Sarasota.

This densely populated area was selected because it represents 2.2 million inhabitants and in direct proportion, almost half of the admissions to Avon Park during the 1964-65 fiscal year came from this region.

Co-director of the project, Drew Ellis M.S.W., formerly chief clinical social worker at FARP, said, "Since FARP is concerned with finding more effective ways of treating alcoholics, the proposed plan for treating alcoholism as a family illness, including after care services, should make a significant contribution to this end."

Little League Program Scheduled To Start In Avon Park Saturday, May 7, With Parade

The Minor Division of the Avon Park Little League, under the direction of J. T. Landress, has just finished it's season and managers of the regular Little League teams have completed the selection of their rosters for the 1966 season.

These groups can be seen practicing almost daily as they prepare for the opening day games scheduled for Saturday, May 7 starting at 4 p.m.

Committees have been named by the League president, Judge Mervin Rehrer, and they have met to map out their program and duties for this coming season.

Present plans call for a pre game parade and opening ceremony preceding the throwing of the first ball to start the regular season.

Sponsors say, "It is encouraging to know that approximately 100 young boys have availed themselves of the Minor League Division of Little League where it was possible for them to receive organized and well supervised recreation and learn some of the fundamentals of baseball.

"Now that this season has been concluded, the regular Little League season will offer well supervised and managed recreation for six teams involving approximately 70 boys.

"The president of the association has stated that he knows of no better deterrent for delinquency than organized recreation such as Little League offers."

Burns Scholarships Announced For Highlands County Students

Two new Haydon Burns Scholarship Foundation scholarships, and the continuation of four others, are being announced by E. H. Norris, Highlands County chairman for the Scholarship Foundation.

The new scholarships, both to Florida State University, are being awarded Edith Marie Payne, a June graduate to be of Sebring High, and Daniel Hudson, Sebring, graduating from E. O. Douglas High.

Highlands County scholarships awarded last year which are to be continued include that of Mary Elizabeth Sullivan of Avon Park. Miss Sullivan is attending the University of Florida.

According to Norris, each of the four year scholarships amount to $1,000.

Hopes are being held that Highlands County quota of Scholarships will be doubled next year.

LHA Answers Questions About Low-Rent Units

"What will low-rent housing cost in local taxes?" is one of the questions answered here by Don Correll, Executive Director, Housing Authority of Avon Park.

The low-rent housing cost in local taxes is nil, according to the Local Housing Authority official. He continued, "No tax levy is required, no increase in taxes is necessary. The federal government, through loans or guarantees of loans, makes possible the financing of housing, and makes an annual contribution to enable rents to be set within reach of low-income families."

In answer to critics who say "Low-rent housing is free," Correll replies that tenants must pay their rents just as Mr. Average Local Citizen. He adds: "The rents are by law lower than those charged in the private market, permitting low-income families to enjoy decent housing within financial reach."

Latest offinal figures show that more than 17,572 units of low-rent housing are currently in operation within this state.

There are no units in this city, but, according to Correll, the planned 130 units are badly needed.

Latest figures show there are now 736,832 units of low rent housing throughout the nation under development and 606,796 of these units have been completed and most of them are occupied.

In the Atlanta Regional Office of the Public Housing Administration, through which your Local Housing Authority Board operates, there are now 619 local housing authorities in an eight-state area (Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, and Tennessee). These 619 authorities are in 580 localities. Some local authorities operate a low rent housing program in more than one locality, particularly a county or regional-type authority. In this eight-state area there are now 136,928 units of low-rent housing under management, while another 32,660 units are under development, such as the 130 units here in Avon Park. In the State of Florida alone there are 51 local housing authorities operating in 71 localities with 17,572 units of low-rent housing under management and another 4,108 units under development.

Many of the units mentioned above have been designed especially for our senior citizens, just as 50 of the 130 new units we plan will be designed for those who have reached the golden years of their lives. Presently, in Florida 25 local housing authorities have low-rent housing programs for senior citizens with 1,910 units of these especially designed units completed and another 1,999 units in various stages of development.

Juveniles May See Names Told To Public

A bill which would make basic alterations in the reporting of Florida Juvenile Court proceedings is being drafted for consideration by the next session of the Legislature.

It and other possible proposals were studied by Florida Juvenile Court Administrators Association members at a workshop in Silver Springs last week.

W. Robert Lindsay, Highlands County Juvenile Court counselor and secretary-treasurer of the Association, said one of the bills provides for the names of juvenile offenders to be released to news media.

It would also provide for the fingerprinting and photographing of juveniles.

Juvenile counselors are hopeful that a bill will be introduced to provide a Juvenile Court Consultant Bureau for Florida.

Such a bureau would be a means of helping juvenile courts coordinate approaches to common problems, Lindsay said.

In addition, the workshop participated in discussions on court work. In a study of law enforcement techniques the suggestion was advanced that even the smallest police departments and Sheriff Departments train at least one officer for juvenile work.

Administrators association recommended that the law schools of the state institute at least one course on juvenile court procedures.

Conference Cites Stand On Civil Rights

Excerpts from resolutions, voted by delegates to the 53rd annual meeting of the Florida Conference of the United Church of Christ, Daytona Beach, April 20.

Drawn up by a committee headed by the Rev. Irvin Cheney of Daytona Beach and presented by the Rev. Arthur L. Teikmanis of Winter Park, certain resolutions were discussed and voted after minor changes. They include a call to ministers and lay members "to develop and support forms of service to artists, intellectuals, scientists and volunteer groups, and to work through church and community agencies in aid of drug addicts, alcoholics, prisoners, parolees and delinquent youth."

Turning their attention to public education, the Conference voted to work to "improve equal educational opportunity for all, to support increased compensation and higher standards for public school teachers, and to work for the repeal of laws that permit only "freeholders" to vote on proposals concerned with financing our schools."

In the area of civil rights, the delegates declared that "any form of discrimination on grounds of race alone is a sin," and called upon the churches "to refrain from patronizing or sponsoring any activity at a place that discriminates against anyone on grounds of race, and to encourage members to decline to purchase supplies or services from firms that reveal discriminatory racial practices in the employment of personnel."

A final resolution on the United States in Viet Nam urges "Through communications to the President and our United States Senators that our government continue and increase its efforts to bring all concerned parties to the Conference table and that advice to bomb Hanoi and other North Viet Nam population centers be rejected."

SS Questions and Answers

By ED PERKOWSKI
Social Security Representative

Question—Is the amount of widows benefits the same whether I take it at 60 or 62?

Answer—If you choose to take widows benefits at 60, the amount will be less than if you waited until 62. At 62 or older the widow may receive 82½ percent of what the deceased husband would have drawn had he lived. If the widow files at 60, she would receive approximately 71½ percent of the husband's amount. An example would be that at the time of the husband's death, the amount of his benefit would be $100.60 per month. If the widow was 60, she could receive a monthly benefit of $72, but if she elected to wait until she was 62 to file for monthly benefits, she could receive $83 per month.

Question—I am a widow 61 years old and have never received widows benefits on my husband's earnings. When can I start to receive these benefits?

Answer—You may apply for widows benefits now.

Question—I received a lump-sum death benefit when my husband died but could not receive monthly benefits because I was not old enough. I am now over 61 and last April I married a man who is only 58 and is still working. Can I now file for any benefits on my first husband?

Answer—Yes. Since your remarriage was after age 60, you still can receive benefits on your deceased spouse's record. However, your benefit will only be 50 percent of what your first husband would have received instead of the higher widows amount.

headed by Robert M. Gay, district manager of the Inter County Telephone System.

Other officers include T. J. Ward, vice president; David Lanier, secretary; Charles Whitehead, treasurer.

A vice president and a director were named from Sebring, Lake Placid, Wauchula, Zolfo Springs, Bowling Green to assist in soliciting funds and assisting the college staff in its start.

Work has been under way in the Brickell and Todd buildings on E. Main Street where college facilities will be located, the library and office in the latter. Work has been completed for location of the college there.

Todate, according to Stallard, approximately $28,000 of the needed $50,000 has been received or pledged.

Crews of carpenters plasterers and painters have been working steadily for several months and have completed work in the Todd B & B building.

Installation of new partitions and ceilings in the Brickell building is rapidly nearing completion but the expensive work of plumbing, lighting, heating and air conditioning still lies ahead. Speed with which this work will proceed is dependent upon the success and rapidity of the fund drive, all concerned say.

According to Jack DeLaney, volunteer purchasing agent for the committee, all funds have been committed and more is needed for materials and equipment to keep the crews going without delay.

"The Avon Park Correctional Institute has generously loaned us a crew of men to help with the renovation. These men are needed for other projects at the institution and we must make best use of their time. We cannot afford a delay now," DeLaney stated.

Gay reported that of the total raised todate $6,262 had been received from the Avon Park area, $2,500 from Sebring area, $1,324 from Bowling Green area, and $350 from Wauchula area.

Gay noted that Bowling Green had turned in the highest per capita amount of more than $1.10 per resident. Fred Cotney and Mack Bryan had enlisted the aid of Bowling Green women to spearhead a house-to-house canvas that collected the record amount.

"Every citizen in Highlands and Hardee counties has a vital stake in South Florida Junior College," Gay said. "This money is needed now. I sincerely hope that each citizen will recognize the urgency of this need and will send in his contribution rather than wait to be asked for it."

Gay stated that checks should be made to South Florida Junior College Citizens' Committee and can be mailed to Charles Whitehead, Avon Citrus Bank, Avon Park.

Contributions are tax deductible as contributions to an educational institution.

Gay said that contributors' names would be listed publicly in May.

County Students To Be Honored At Banquet

Invitations were sent to 50 Highlands County seniors this week, all of whom will be guests of honor at the fourth annual banquet of Scholarship Recognition, Inc., May 7, at the Sebring Hotel.

Students invited have maintained a "B" or better average during their four years in high school. Twenty-six honorees are from Avon Park; five from Lake Placid, and 19 from Sebring.

The banquet will be hosted by the membership of Scholarship Recognition, Inc. numbering about 100, all either civic or business leaders of Highlands County.

Frank W. Walker, Sebring, chairman, said Judge G. Bowden Hunt will be guest speaker.

Judge Bowden Hunt is judge of the Juvenile and Domestic Relations Court of Polk County, a position he has held since 1943. Prior to this he taught school, was a probation officer, and a social worker with the State Department of Public Welfare.

Absentee Ballots Are Being Voted

Absentee ballots for the first primary election to be held on May 3 are now available at the Highlands County office of Supervisor Roland X. Drout in the Sebring Courthouse.

By April 25 Droit's office had issued 116 Democrat ballots and two Republican.

The following qualified electors who will not be able to attend the polls on election day are permitted by law to cast absentee ballots:

1. Persons who will be absent from Highlands County during the entire time the polls are open;

2. Those who are physically disabled to the extent that they are unable to go to the polls on election day without the assistance of another.

3. Those who will be unable to attend the polls on election day because of the tenents of their religion.

4. Poll workers or voting machine deputy custodians or deputy sheriffs who are assigned to a different precinct other than that in which they are registered.

Official application for a ballot must be made to the Supervisor of Elections either in person or by mail, upon a blank to be furnished for that purpose by the Supervisor of Elections. The application must be executed before a Notary Public or other officer authorized to administer oaths and also signed by two other witnesses. These blanks can be furnished only to individual voters desiring to make application for absentee ballot and must be delivered to them personally or mailed to them direct upon request. Application blanks cannot be furnished to one person to be delivered to another. Applications must be returned in person by mail.

Voters desiring to do so may make application for and cast their ballot in the Registration office in Sebring.

Applications for absentee ballot may be accepted up to 5 o'clock p.m., May 2. All absentee ballots cast must be back in the hands of the Supervisor of Elections not later than 5 o'clock p.m. on this same date in order to be counted.

Teen-Age Gals Lead Parade To The Altar

Half the women marrying last year for the first time were teenagers, the State Board of Health reports. This was an 11 percent increase over 1955.

Only 18 percent of the men married last year were teenagers compared with 13 percent in 1955.

The board said a survey of marriage statistics show that for the 10-year period, men who had never married were about three years older than women; that among previously divorced persons men were about five years older than women at remarriage.

Widowed men were approximately nine years older than women at remarriage.

Of a total of 49,399 marriages in 1956—second only to the record of 53,912 in 1943—56 percent were first marriages; 16 percent involved divorced persons, and both parties had been widowed in 4 percent of the marriages. Fourteen percent of single persons of both sexes married divorced or widowed individuals.

There were 25,029 divorces recorded in 1955, the average of which ended six years of married life. However, 13 percent of the couples had been married 20 years or more. Minor children were involved in 55 percent of the divorces.

Extreme cruelty (79 percent) and desertion (17 percent) were major legal causes of divorce. Only 28 percent was contested. The wife was granted divorce in 68 percent of the decrees.

SHUFFLING

The last state-wide amateur tournament, called "The Last Round Up," was held at Woodall's Mobile Home Village at Lakeland on April 18-19.

Three teams from the Winter Guest Club competed with 130 teams from all over the state. They were C. H. Fensterman and Kate McAlexander, Helen and Jack Floyd, and Harry Gibson and Gertrude Fensterman.

Two of the teams came home with trophies. Mrs. Alexander and Mr. Fensterman won second place in the main event in the A Division. The Floyds came in third in the B Division, putting them into the A Division. We can be proud of our good players.

Cleo Lane and A. McAlexander won on Wednesday in the main event. Bertha Brush and Jim Brown were the runners-up.

Consolations winners were Ora Gibson and Tom Clarke over Leo Wagner and Harold Armes.

Thirty-two players were in the line up.

On Saturday, the "remnants" as Fern Haas said, played in the tournament, although there were 42 in the line up. Winners were John Floyd and James Chamberlain over Chris Cabezas and Estelle Sawyer. Ray Johnson and Leo Wagner won in Consolation with Dorothy Wilde and Myrtle Hefferman the runners-up.

CARD GAMES

Five tables were in play at pinochle last Monday. High score went to Sadie Benson with a score of 86, with Mr. Reddick coming in second with a score of 68.

Only two tables played at bridge on Tuesday. Bertha Brush won high score.

DANCING

Both on Monday and Friday those who love to dance come out for the square and round dancing. There were only 16 on Monday and 32 on Friday nights. Mrs. Beulah Cale came as a guest of Vonna Beall. Mrs. Cale, Mrs. Beall's sister-in-law, is visiting her from Cambridge, Ohio.

POT LUCK SUPPER

The Seymour Browns and the Dana Hersons were the hosts at the supper on Saturday evening. Mrs. Brown was celebrating her birthday, and Mr. Brown served ice cream. We all sang Happy Birthday to her and wished her many more happy years.

The last new member this year is Louis Hnebel of Sturgeon Bay, Wis. He has been a member for 11 years, but this is the first that he has been here this year.

Another guest was Beulah Cale, Vonna Beall's sister-in-law.

The supper was served buffet style with 39 in attendance, 9 from New York and 9 from Michigan.

Howard Kellogg returned thanks for all the good food. Stories were told by Arlene Lane, Bessie Paxton and Mr. Brown. And we adjourned by singing "God Be With You."

OVERHEARD AT THE CLUB

The Milton Higgs stopped overnite in Newmarket, Va., on their way home to Dewitt ville, N. Y. When they woke up next morning it was to find four inches of snow.

Those returning to their northern homes this past week are the Paul Nais to Bedford, Pa., the Moody Beaches to Hilliard, Ohio, the Joseph Gauts to Utica, N. Y., the Seymour Browns to Farmington, Mich., the Everett Paxtons to Crawfordsville, Ind., the Frank Burrows to Carrollton, Ill., the Horace Coles to Gainbridge, Ind.

Russell Smith has recovered so well from his recent illness that they are ready to return to Tiro, Ohio.

Red Cross Aids Servicemen

There are many families in Avon Park that know of the services of the Red Cross. Last week there were six families who called upon the Red Cross for help.

One family, due to a death wanted a serviceman told of it by a chaplain. The Red Cross office thru a cable to the overseas field director, got this message delivered.

Another family had had a member ill, and a serviceman overseas was quite concerned. He asked the field director for a health and welfare report. The chapter investigated and found the patient recovered and back at work. This information was wired to the field director.

In another case, a service man stated he had been sending an allotment home and after checking it was found nothing had ever been received. This information was sent to the field director for further action.

There have been notifications of births and other types of cases.

The American Red Cross has announced a special emergency campaign to raise $9,000,000 for meeting its Viet Nam and disaster relief responsibilities. Highlands County Chapter's share is $656.00.

Just $1 from one out of every five persons in Highlands County would more than meet this quota. Send contribution to the Red Cross Headquarters, 17 N. Commerce St., Sebring.

Mecks Takes Part In Games

USS ORISKANY (CVA-34) (FHTNC)—Boatswain's Mate First Class Paul A. Meeks, USN, son of Mr. and Mrs. Lee R. Meeks of Route 1, Avon Park, participated in exercise "Gray Ghost" April 12-22, off the coast of Southern California, aboard the attack aircraft carrier USS Oriskany.

Exercise "Gray Ghost" was the first major First Fleet exercise conducted this year, and it involved 48 ships, air units and support forces practicing the many aspects of naval warfare.

Werks Ends Aviation School

MEMPHIS, Tenn. (FHTNC)—Marine Pfc Joseph W. Werks, son of Captain and Mrs. Joseph W. Works of 322 Tulane Circle, Avon Park, was graduated from the Aviation Maintenance Administration course at the Naval Air Technical Training Center, Memphis, Tenn.

The six-week course provides aviation commands with personnel trained to meet the increasing problems in aviation maintenance administrations. Students receive instruction in typing, publications and aircraft maintenance systems, aircraft accounting, logs and records, airplane receipt and transfer, engineering accounting and operations.

Prior to attending this course, he was graduated from the two-week Aviation Familiarization course at Memphis.

City To Paint Guest Club

The City Council told a delegation from the Winter Guest Club at its Monday night meeting that the city will paint the club building, both inside and out, repair flooring and 10 courts.

However, the last item will have to wait until next year's budget. The city is running out of money.

It is estimated that it will take $400 to resurface each court, or a total of $4,000.

Bids will be sought for the painting and floor work, Leo Wagner, new club president, was told.

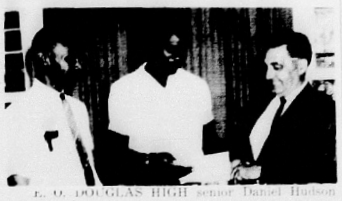

With Wagner at the meeting were club members Tom Clarke, vice president; Charles Fensterman, former president, and Harry Gibson, shuffleboard chairman.

Club officials estimate their 578 members who are not city businessmen spend more than $1,000,000 annually in the Avon Park area. This is made up from costs of lodging, food, gasoline, entertainment and repairs.

And, says Clarke, several each year are investing in area homes or land. He cited himself and Mrs. Clarke who bought a $23,000 home last year and became permanent residents. Several others also were mentioned.

Re-Elect
JAMES G. (Jimmy)
CREEL
COUNTY COMMISSIONER DIST. 4
Democratic Primary, May 3rd

An Open Letter To The Voters:

Dear Citizen of Highlands County:

On May 3, the voters will again have the opportunity to select a County Commissioner from District 4. You have permitted me to hold this office for 12 years. I now solicit your continued vote and support for the re-election of JAMES G. (JIMMY) CREEL as County Commissioner from District 4.

I am a lifetime resident of Highlands County, am married and have three children. I have been successfully engaged in the citrus nursery business for the last twenty years in Lake Placid.

I am completely familiar with the problems of our County, and have a proven record of leadership in its growth. During my service as Commissioner, I initiated and supported a move to deposit all County funds in interest bearing deposits. Last year this resulted in earned interest to the taxpayers of $44,722.31.

During my service, I have vigorously supported the four-laning of U. S. 27. During my term, the Avon Park four-laning was accomplished, the Sebring to 98 four-laning was let, and the four-laning from 98 to south of Lake Placid is scheduled to be let in June.

As a father, I am vitally interested in the public school system. During my service as County Commissioner, we initiated the practice of giving one-half of the race track revenue to the public school system. This enables us to have better schools without additional taxation on the citizens of Highlands County.

During my service as County Commissioner, we have actually reduced your County millage, and I pledge that I shall continue to seek ways to reduce taxation in this County.

I earnestly solicit your continued support and vote on May 3, for JAMES G. (JIMMY) CREEL, as your County Commissioner from District 4. I pledge an aggressive and businesslike administration if I am elected to this most important office.

Sincerely yours,
James G. (Jimmy) Creel

County Judge's Court Action

A Lake Placid man lost his driving rights for a year and drew fines totalling $375 when he appeared in County Judge's Court Monday on a series of charges.

Robert Lee Green (also known as Ebenezie Green) pleaded guilty on a driving while intoxicated charge, to driving without a license and to jumping bond.

For driving while intoxicated he was fined $200 or 90 days in jail, and his driving rights were revoked for a year. For driving without a license he was fined $25 or 15 days in jail. For jumping bond he was fined $100 or 60 days in jail.

On a charge that he removed property under lien Green, who is 34 years old, entered a not guilty plea and on that count he is to be tried in May term of court.

Peter Jacobs, 20, of Hollywood, waived preliminary hearing when he appeared in county judge's court Monday on a charge of forgery. The case was referred to the State Attorney for investigation.

Cadettes Part Of Ceremony

Girls of Cadette Troop 117 attended the International Festival of Girl Scouts at the Lake Wales Amphitheatre Saturday, April 23.

Attending were Winnie Davis, Penny Carroll, Diane Mathers, Barbara Flowers, Sue Ferguson, and Melody Taylor.

Meron Henry was International Friendship chairman from Troop 117. Two Cadettes who planned the American Flag ceremony were Janet James and Becky Timek, and were working on their challenge of Active Citizenship. They had to plan the ceremony and pack guts who were in it with them. They were Jan and Leslie Holcomb and Betty Ann Oliver. Senior Scouts of Sebring, Cathy James and Donnelle Brassell of Troop 117, Renee Viets and Jill Stone, Juniors of Troops 79 and 206, and Gloria Bennett and Julie Fuppuna, Brownie Scouts of Troops 67 and 161.

Each troop was responsible for collections for the Heart of Florida Girl Scout Council which totaled $900.

Cypress Gardens features water skiers from 10 states and a foreign country, while in the past almost all 50 states and seven nations have been represented.

Rural Patrons Must Keep Roads Open

Postmaster R. D. Young is asking the cooperation of patrons and road authorities in keeping roads passable, and approaches to mailboxes open. Highway officials are responsible for keeping roads in good repair and patrons must keep approaches to mailboxes open.

POD Form 1666, Your Mail Box Needs Attention, will be used in May to notify patrons of Rural Routes to keep box approaches clear, and will also notify patrons of any other item that they should correct in order that their Rural Box meet specifications.

Unless approaches are clear, it may be necessary to temporarily withhold delivery of mail.

Rural carriers are not required to perform service on foot when roads cannot be negotiated by the vehicles normally used, but they are expected to make every reasonable effort to serve as many of their patrons as possible without undue physical exertion or added financial cost.

If excessive detours are necessary to effect delivery of mail, patrons should temporarily relocate their boxes on the new line of travel, arrange to receive their mail through other patrons' boxes, or make other arrangements for their mail until travel on the roads affected can be resumed.

In May a week is designed for special publicity to focus attention on rural mail boxes, all rural patrons are urged to see that their boxes meet the standards set by the Post Office Department.

It must be in good condition with a door that opens easily and a flag and must be securely attached on an upright sturdy post. It must be placed on the right side of the road as the carrier travels.

Congregational Service Change

Summer schedule is now effective at the Union Congregational Church, according to Rev. Herbert D. Graetz.

Pastor of the Avon Park church has announced that there will be only service Sunday morning during the summer, that starting at 10 a.m.

A change of meeting time for the Sunday School also will take place, with the children's services starting at 8:45 a.m.

As parishioners will note, this brings earlier church services for Congregationalists during the summer, and, there will be only one service during Sunday, other than those for the youth departments.

Tenor—Ah, fill the cup.

Tenor—Ah, moon of my delight.

Bass—As then the tulip.

Quartette — Alas, that spring should vanish with the rose.

Slain Man's Sister Dies

Mrs. Gladys Arriks, sister of Clarence Edward Ashburn, who was killed by a rifle bullet April 16, was killed in an automobile accident Friday, April 22, in Ashburn's funeral procession at Spring City, Tenn.

Mrs. Arriks, an Avon Park resident, had gone to Tennessee to attend the funeral and was one of two killed and 18 injured, according to unconfirmed reports here.

The other person killed was understood to be a Mrs. Smith otherwise unidentified.

Among the injured were six children, it is understood, two of four of the Ashburns. All, though several reported critical, are improving, local friends were informed.

Mrs. Wilma Brady Ashburn, 30-year-old wife of Ashburn, Monday pleaded not guilty to a charge of first degree murder in connection with his death.

She is being held in Highlands County jail at Sebring.

Anglers Given List of Things They Should Do

This is the time of the year for peak fishing and boating activity and according to W. B. Copeland, chairman of the Game and Fresh Water Fish Commission it is also the time of year in which the Commission's wildlife officers spend many hours searching for sportsmen who have failed to return from their outings according to schedule.

To save needless worry and lost time as well as assist Florida's wildlife officers in searching for lost fishermen Copeland listed a series of "things to do" to help insure a successful fishing trip and a safe return.

Fishermen should inform their family of exact fishing location, route of travel to and from the area, and estimated time of return. Be specific as to location as many of Florida's rivers are long and cover many miles.

Fishermen and boaters should be familiar with and observe all boating and water safety regulations and practice safe boat handling.

If not familiar with the water, hire a guide or fish with someone that is acquainted with local conditions.

If a fisherman is late or missing, the family should not attempt to organize a searching party, but should notify the office of the County Sheriff who will call on the wildlife officers and others who are familiar with the area and equipped to conduct a search.

Copeland said, "Fishing and boating can be a wholesome and safe recreation and Florida's wildlife officers are available to help in any way possible, but the responsibility is on the participant and water accidents can be prevented by observing safety rules."

Outstanding attractions in the Sarasota area include the John and Mabie Ringling Museum, Asolo Theatre, Circus Hall of Fame, Cars of Yesterday, Sarasota Jungle Gardens, Floridaland and Warm Mineral Springs.

As Ricardo Montalban looks on, Debbie Reynolds entertains the Sisters of Samaritan House with her guitar and songs in this scene from Metro-Goldwyn-Mayer's "The Singing Nun." Unfolding the heartwarming story of a Dominican nun with a great gift for music, the picture features the lilting song, "Dominique," and many other hits of the Sun's Music. Filmed in Panavision and color, "The Singing Nun" co-stars Ilgues Mourchead, Chad Everett, Katharine Ross, Ed Sullivan, as himself, and guest star Greer Garson as "Mother Prioress."

SEEN AT THE Democrat political rally in The Mall last Saturday afternoon.

Democrat Candidates Cite Platforms At Rally Staged In Avon Park Mall Saturday Afternoon

Democrat Candidates Cite Platforms At Rally Staged In Avon Park Mall Saturday Afternoon 3-24 rsp

Democrat candidates for county and state office Saturday cited their platforms and political ideas in the second of three rallies being held by the Highlands County Democrat Executive Committee.

The rally was held at the bandshell in the Avon Park Mall. Mayor E. A. DeLaney introduced speakers to the small audience.

The race for county commission, District 4, led off the speaking. M. Jean Whitaker, Lake Placid businessman and owner of Placid Town, told the audience if elected he would see that more concern was given to retirees.

Incumbent James G. Creel said he stood on his record, and that he always supported schools and good roads.

In the three-man race for District 2, county commission, Earl Crutchfield said recreation areas are needed in the county, especially around Arbuckle Creek. He emphasized safety on roads.

Another District 2 candidate, Kator Butler, told the audience he would see that every railroad crossing in the county got signal lights. He also promised to spread the county's gasoline business around to every filling station.

District 2 incumbent commissioner J. A. (Jake) Butler said he was best qualified of the candidates and that his record was evidence of this fact. He said he had seen to it that two boat ramps had been built, and that during his administration Highlands County and its three principal cities had become one great community.

State Rep. S. Chesterfield Smith, of Arcadia, who is running against Rep. Morris Adams of Avon Park in the new legislative schuffle, said he would stand on his 16 years in the legislature, his record of supporting schools and the four-laning of U.S. 27.

Rep. Adams said during his term in the legislature, he had helped get capital outlay money for the new South Florida Junior College, and appropriations for the Alcoholic Rehabilitation Center and the correctional institution, both in Avon Park.

Three candidates for the new 27th senatorial district comprising Highlands, Hardee, Charlotte, Sarasota and Manatee counties, also spoke. John Wood, Sarasota city judge, said if elected he would fight a cut in race track funds to smaller counties. He also favored taking the state road board out of the governor's hands.

Sarasota insurance executive Russell Jordan, also a senate candidate for the 27th district, reminded the audience he served in the legislature and worked on reapportionment and education committees. He promised no local bills would be supported by him unless they first had local legislative hearings.

Incumbent Sen. Hayward H. Davis said he had served four years in the senate in four special sessions and two regular sessions. He said he was the only man in the race with present experience and seniority. He took credit for helping the South Florida Junior College money bill through the legislature.

Attorney Hue Nunnallee spoke for incumbent Comptroller Fred (Bud) Dickinson, pointing out the importance of the post in relations to state and banking fiscal matters. He said Dickinson, who is a Governor Burns' appointee, deserves a full term.

James Turnbull, speaking for gubernatorial candidate Scott Kelly, said the Lakeland candidate would bring integrity to the governor's office, and that Kelly was the only native Floridian in the race.

Wayne Albright spoke for governor's candidate Robert King High, saying the Miami mayor would bring big business into line if he were elected.

There were no speakers for Gov. Haydon Burns.

More Voters Are Registered

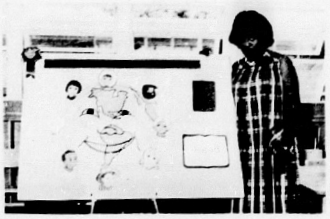

Statewide voter registration tabulations show that 1,047,748 more persons are eligible to vote in the May primaries this year than were registered in 1964, according to Tom Adams, secretary of state.

A total of 2,259,374 have registered. This compares with 2,241,626 who were eligible to vote in the 1964 primaries, Adams stated.

The new registration figure reflects the usual decrease that occurs following the biennial purge of county voting polls. Peak registration was reached in 1965 when a total of 2,491,109 were eligible to vote in the special election.

Paint Damaged

A small amount of paint was damaged in a fire at Highlands County jail Friday shortly after 4 p.m. It was caused by overheated grease on the jail kitchen stove, Sheriff's Department staff members said the fire was quickly extinguished, and damage was slight.

SECOND PRIZE winner in the Hopewell's School observance of Library Week. It was prepared by fifth graders under Mrs. A. J. Sims' sponsorship. Standing with the exhibit is Helen Britt, Hopewell librarian.

Hopewell Observes Library Week

Last week was an unusual one on Hopewell's campus. In an effort to celebrate National Library Week, the campus buzzed with excitement. Banners flew high indicating that the theme, "Read, Read, Read. Keep growing. Read . . . and Know What You Are Talking about . . . Read," were certainly being fulfilled.

Everyone wanted to be an integral part of the celebration. Therefore, the students with their teachers decided to work on displays depicting the theme.

Artistic ability shown in each display served as motivating factors for students to improve their reading habits. The exhibits are now in the library.

Judges were Mrs. D. Lanier, Mrs. B. J. Smith, J. Moore, Mrs. A. L. Best, and W. L. Davis.

First place went to the second graders and their sponsor, Miss E. J. Jackson, for their display on the Five Chinese Brothers. Second place was awarded to the fifth graders and their sponsor, Mrs. A. J. Sims, for their exhibit on "Mountains Through Books." Third place went to Miss M. E. Buxton and her first graders for their display on "The Big Snow" by Berta and Elmer Hader.

You can't replace EXPERIENCE

Automation was a science fiction word 25 years ago. Yet Broward Williams' experience in that field was responsible for his first assignment when he went to work in the State Treasurer's office. As a representative of a national business machine company, he had helped many banks convert from a pen and ink bookkeeping system to machines. His first job with the State Treasurer's office was to systematize the bookkeeping procedures there. During his 24 years with the State Treasurer's office he has dealt with the many phases of banking, finance and insurance that are a responsibility of your State Treasurer. In the time he has served as State Treasurer, his experience has made it possible to effect an orderly, smooth changeover, along with the institution of many entirely new programs. Broward Williams has a thorough knowledge of state government, experience in all phases of the insurance industry and proven ability to administer this vitally important Cabinet post.

Sermonette

REV. HERBERT D. GRAETZ
Union Congregational Church

"And Jesus said unto him, why callest thou me good? There is none good but one, that is God." St. Mark 10:18.

His mother suggested that he ask God to help him to be a good boy. She was surprised that night, when he prayed: "Dear God, make me a good boy but don't be in a hurry about it." One has to admit that he was honest before God. No doubt, his conception of what goodness meant differed from that of his mother.

We think of goodness as a desirable virtue. What we forget is that goodness rests on what a person is and believes. Thoreau thought so when he said: "The greater part of what my neighbors call good I believe in my soul to be bad." I think it is fair to say that he probably meant things as well as thoughts and actions.

Here is an illustration from primitive life. A savage was once asked: "What is evil?" He answered: "Evil is if some one should steal my wife and cattle." When asked: "What is good?" he replied: "Good is if I will steal someone's wife and cattle." He had his own idea of what is good.

We remember that the priests in ancient Israel consented to the stoning of the prophets who questioned the lack of social morality in their day. Those same priests would have told you that they themselves were good and that the world needed their kind of goodness. What about the Scribes and the Pharisees who were responsible for the crucifixion of Jesus, the Son of God. They would be the first to tell you that they were good men. Theirs was an exclusive type of goodness, the holier than thou attitude, that is found yet today in certain families, churches and peoples.

We have been told that "it is dangerous to be good because we human beings are the sort of people we are," well meaning on the whole but so stubborn in our attachements to our interests and prejudices that we would rather stone our prophets and reject our Saviour than allow them to change our lives for the better.

So often when a man is good, according to his own standards, he has a closed mind as far as others' rights are concerned, and more often than not, a closed heart as well. Goodness must have a source deeper and more lasting than ones' intent.

Jesus gave the world a real understanding of the true source of goodness, when the Rich Young Ruler addressed him as **"Good Master."** Jesus answered him by saying: **"Why callest thou me good? there is none good but one, that is God."** St. Mark 10:18. For Jesus, God alone is good! The doctrine of the perfect goodness of God was held by every pious Jew. The divine goodness at the heart of Jesus came through his commitment to God in utter lowliness. Both by example and by his words Jesus teaches us that goodness comes through self-surrender to the Will of God which is Holy. The good life has its roots in Eternal Goodness.

Prof. Palmer of Harvard University made this wise observation: "The most beautiful thing in the universe is the rightly fashioned life of a good person. You know how true that is. No doubt you have made the remark: "I'd like for you to meet my friend, it will do you good just to know him." It would not be out of place here for me to say: "I'd like for you to know my Saviour. Through him you can know the good life."

St. Paul speaks of the contagious moulding power of the life of the Lord Jesus Christ. **"And because for us there is no veil over the face, we all reflect as in a mirror the splendor of the Lord; here we are transfigured into his likeness, from splendor to splendor; such is the influence of the Lord who is Spirit."** II Corinthians 3:18.

What we think of Jesus helps us make the choices that determine the kind of person we are. You will recall that Jesus challenged the Rich Young Ruler to sell what he had, give to the poor and to come and follow him. This the young man refused to do, with bowed head he went away sorrowful. We know that he missed a great friendship. When he saw Jesus and his disciples walk on, he did not realize they were walking into the greatest human experience of all history. He kept what he had to himself, and for himself, and dropped into nonentity.

Centuries later another young man, the son of a rich merchant, accepted discipleship to Jesus. He was prompted to dispose of his wealth and to serve the poor and the sick. His life became a focal point of goodness in Italy in his own generation. Today he is remembered as a saint, St. Francis of Assisi, the founder of the Franciscans. The significance of this man's life grows greater and more appealing as the years go by.

The tiny protozoa continually divides itself into three. Ever starting anew. In a sense, the protozoa achieves immortality by ever giving itself away. So it is with man: "In the dividing of his energies and concerns into the service of others, he begins to find himself and save himself."

We can better understand the good life of St. Francis of Assisi, if we read, to our profit, the following prayer which he wrote.

"Lord, make me an instrument of thy Peace!
Where there is hatred - let me sow love,
Where there is injury - pardon,
Where there is doubt - faith,
Where there is despair - hope,
Where there is sadness - joy!
O Divine Master, grant that I may not so much seek
To be consoled - as to console,
To be understood - as to understand,
To be loved - as to love, for -
It is in giving - that we receive
It is in pardoning - that we are pardoned
It is in dying - that we are born to eternal life."

AP Minister Will Speak At Wauchula

First Christian Church of Avon Park announces that their minister, Stanley Johnson, will be in charge of the evening services, May 1, at First Christian Church of Wauchula.

Members and friends of the church of Avon Park are invited to attend this service and fellowship with the folks of Wauchula.

Jerome Schiltz To Fill Pulpit

Filling the pulpit at the First Presbyterian Church Sunday will be Jerome Schiltz.

He attended Asbury College in Wilmere, Ky., and held a pastorate of churches in Ohio, and has preached in many Ohio and Florida Churches. For many years he assisted his father, the Rev. E. E. Schiltz.

He is a member of the Gideon Society, and was a Methodist exhorter for over 30 years.

His wife is our church organist.

New hours for Sunday School and Church Service until Oct. 1 will be as follows: Sunday School 9 a.m., Church Service 10 a.m.

Episcopalian Delegates For Parley Named

The Parish of the Redeemer, Avon Park, will be represented at the coming Diocesan Convention meeting at Miami Beach, May 12, 13, and 14. The Episcopal Churchwomen meet at the same time and place.

From Avon Park will go Mrs. Eugene Hise, Mrs. Arthur Irwin, and Mrs. Paul Calvert. Men from here, with the Rev. John L. Knapp, will be Paul Calvert, George Buck, and James Johnson.

The men delegates, together with members of the Vestry, are asked to attend a pre-convention meeting to be briefed on the budgets and other items at All Saints', Lakeland, next Sunday, May 1, at 3 p.m. There are controversial matters and questions of such wide range, that these briefings are being planned all over Florida for this purpose.

Any and all Churchmen are welcome to attend.

Card of Thanks

I wish to thank the staff of Walker Memorial Hospital, the Pink Ladies and Candy Stripers for their many kindnesses; also my friends for their flowers and cards during my recent illness and stay at the hospital.

WOMEN'S SECTION

Mrs. MicKunas Touring State

Mrs. Victor (Ann) MicKunas left Avon Park on Sunday afternoon to join with the University of South Florida Fine Arts Chorale in a concert tour of South Florida.

Ann, who is known throughout Central Florida for the beauty of her voice and the quality of her musicianship, is appearing as soprano soloist with the University Chorale, singing the aria "Eatrami" from the opera of that name by Verdi, and the solo part of the famous "Sextet from "Lucia," by Donizetti.

Among cities in which the group is presenting one or more concerts are Clearwater, Dunedin, Largo, Coral Gables, Miami and Hialeah.

They conclude their tour this Thursday.

Darrell Bailey To Get Degree

Darrell Bailey, a 1962 graduate of Avon Park High School, is presently completing his student teaching activities in the biology and physical education departments of East Rome High School.

He will graduate in June from Berry College, Rome, Ga., with a BS degree.

THEY WILL SING AND PLAY Sunday afternoon, starting at 3 p.m., at the High School Auditorium for benefit of the Avon Park Library. The group is sponsored by the Woman's Club in the benefit performance. From the left are Donald Meiser, Jerrold Perkins, Jack Smith, Miss Marilyn Keller, Mrs. Ann MicKunas and Buford Jasper. The musicale will include "In A Persian Garden" from the Rubaiyat of Omar Khayyam by Liza Lehmann and Johannes Brahms Liebeslieder Waltzes. The public is invited.

Miss Sharon Lee Dunn of St. Petersburg Pledges Troth with Walter Eugene Bigbie on Saturday

In a charming ceremony performed at the First Methodist Church of St. Petersburg Saturday evening, April 23, at 7:30 o'clock, Miss Sharon Lee Dunn of St. Petersburg became the bride of Walter Eugene Bigbie of Avon Park.

Mrs. Bigbie is the daughter of Mr. and Mrs. Edgar Hart Dunn, Jr., of 2200 Bandera Way, N.E., St. Petersburg. Mr. Bigbie is the son of Mr. and Mrs. Ross Conrad Bigbie of Lake Lee Drive, Avon Park.

Officiating at the double ring wedding ceremony uniting the couple were Dr. J. Millican McLeod and Dr. Aiken W. Moore.

Miss Bigbie's wedding gown was made of silk organza and imported, pearl-trimmed peau d'ange lace. The fitted bateau bodice had a scoop neckline, scalloped with appliques of the lace and notched Dolor sleeves.

The controlled bodice skirt was complemented with the lace appliques in front, with the panels cascading down over the full Chapel train in back.

Three tiers of elbow length imported English silk illusion framed a lovely crown of pearl and lace, fashioned in petals.

The bridal bouquet was of stephanotis, white sweetheart roses, and ivy and lace leaves.

Her attendants wore floor length gowns of aqua Venice lace, and chiffon over taffeta. The Empire bodice of the lace had a scoop neckline and cap sleeves. A band of satin encircled the raised waist, and caught in a bow with streamers enhancing the back of the sheath skirt.

The attendants carried clusters of pink and lavender anemones, turquoise glamellias, and lily-of-the-valley.

Maid of honor was Miss Beverly Ann Kelly of Orlando.

Her bridesmaids were Miss Sally Joanne Mitchell of St. Petersburg, Miss Mary Jean Tutte of St. Petersburg, Miss Hilda Faye Jones of Orlando, and Mrs. Ronald Charles Crown of Clearwater.

Paul Conrad Bigbie of Haines City was his brother's best man.

Ushers were Mark Edward Owen of Miami Springs, Thomas Lewis Bass of Avon Park, CWO George Leon Peacon of Ft. Rucker, Ala., and Lt. Wilson Orlando Green, aide of Ft. Rucker.

The reception was held at the Suwannee Hotel at St. Petersburg.

Assisting in serving at the reception were Miss Barbara Smith of Orlando, Miss Eleanor Culbreath and Miss Carolyn Pierce of Tampa, Miss Beth Bell and Miss Beverly Hayman of Hollywood, Miss Jill Shivers of St. Petersburg, and Miss Winsome Dunn of Gainesville.

Miss Gerry Cohoe of St. Petersburg was in charge of the bride's book.

Mrs. Hamlet Hoppe Simons was hairpiet at the reception, and Miss Andrea Jane Fuller, soloist at the wedding ceremony.

The couple went to Jamaica on their honeymoon trip.

They will be at home at the Dales 114 Inn Apartments, Daleville, Ala., following their return to the states as the bridegroom is stationed at Ft. Rucker, Army Base, Ala.

The bride was born at Holyoke, Mass., and graduated from St. Petersburg High School in June, 1961. She graduated from Florida State University with a BS in nurse-

MRS. WALTER EUGENE BIGBIE

ing in August, 1965. At the university, she was a member of Delta Delta Delta sorority.

The bridegroom is a graduate of Avon Park High School, and attended FSU. He graduated with a BS in Business Administration from the University of Florida, and is a member of the U.S. Army. He was commissioned at FSU. He was a member of Delta Tau Delta fraternity.

He served as a helicopter pilot with the Army in Vietnam, and at present is a flight instructor at Ft. Rucker Army Base. He is taking graduate courses in aerospace management.

MR. AND MRS. WAYNE OLIVER

Miss Helen Thomas, Wayne Oliver Exchange Vows In Ceremony

Miss Helen Thomas became the bride of Wayne Oliver in a lovely wedding at the First Baptist Church of Avon Park Friday evening, April 22, at 8 o'clock. The couple repeating their vows before Rev. Alton Childress, pastor of the church.

The bride is the daughter of Parvis Thomas of Avon Park and Mrs. Vivian Searcy of Sebring. The bridegroom is the son of Mrs. Nina Oliver of Lake Placid.

Given in marriage by her father, the bride wore a gown of white satin and chantilly lace. Her bouquet was of white roses. And, her finger-tip veil was white highlighted by pearls and sequins.

Matron was Mrs. Linda Newsome and her maid of honor was Miss Sarah Whitehead.

Best man for the bridegroom was James Oliver, his brother. Ushers were Harvey Hill and Wesley Newsome.

Velvet Hill was the flower girl, and Wesley Watson the ring bearer.

Mrs. Searcy was attired in a pink, two-piece suit of Chantilly lace. She wore a corsage of pink and white carnations.

Mrs. Oliver, the bridegroom's mother, wore a baby blue dress trimmed in white lace. Her corsage was of blue and white carnations.

A reception was held for the couple's friends in the church social hall where Miss Cheryl Watson presided over the bride's book. Serving at the reception were Mrs. Jimmy Green, Miss Faye Yawn, Miss Judy Hasler, Miss Linda Thomas and Miss Trudy Pritchett.

For her wedding trip Mrs. Oliver wore a pink, two-piece suit with white lace covering. A white bow adorned the bodice. Her corsage was of white roses formed from the center of her bridal bouquet.

Assisting with the wedding and reception were Mrs. Neil Roberts and Mrs. Kelly McClure.

On their return from a honeymoon to the coast the couple will reside at Lake Redwater, Lake Placid.

Phil Briggses Dinner Hosts

A pot luck dinner was enjoyed by several friends at the Phil Briggs recently.

Present were Mr. and Mrs. Herbert Sewart of Lake Anoka, Mr. and Mrs. George Copland of DeSoto City, and Mr. and Mrs. Arthur Wood of Mt. Carmel, Ill., Mrs. William Beall and her sister-in-law.

The evening was spent playing cards.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid using a tiny energized unit has been perfected by a man who himself is hard of hearing and has been for over 10 years. With his new and exclusive unit, speech is crystal clear. If interested, suggested you write HEARING AID E, 926 State St., Erie, Pa. You will receive full information at no cost or obligation whatsoever.

Fair Dates Set

Dates for the 62nd edition of the Florida State Fair have been announced by M. B. Tweedell, fair general manager.

The world's largest winter exposition, which traditionally opens in Tampa the first Tuesday in February, will be held Feb. 7, 1967, through Feb. 18

Wrestling Card Set For Friday

Something different is to be dished up at the Avon Park National Guard Armory Friday night during the weekly wrestling matches in a mixed team match.

Klondike Bill, behemouth 320-pounder, bewhisked too, teams with Miss Dixie Jordan, feminine grappler from Georgia. They will tangle with Jack Benoit and Miss Judy Grable of the Coral Gables Grables.

It will be man against man and woman against woman at the outset, then anything can happen, says the promoter.

In a second team match Tarzan Tyler and Tony Nero will clash with Omar Atlas and Tito Carreon.

Jose Soto will meet George Drake in a third match. Both are clever and scientific which should make for a good set to.

LEGAL NOTICE

It's half-past spring!

pick a warm day soon and check your air conditioning...

Now you'll get prompt service on whatever needs to be done . . . and on improvements you decide to make.
You'll avoid the rush if you turn on your air conditioning now . . . and check its every room as cool as you like it!
Need new filters? Repairs? Maybe it's time for a new unit.
Or a whole new system?
Have you asked about heat pumps . . . for automatic year-round comfort?
And if you do not yet enjoy the blessings of air conditioning, now is the time to install it.
Because many dealers and contractors offer off-season inducements. Many offer attractive easy terms.
Before you know it, summer weather will arrive. For the sake of your own cool comfort, for the sake of economy, do something about your air conditioning now!

check list for efficient, economical air conditioning

FILTERS — Clogged filters make unit work harder and cause higher operating costs. Normal home use requires cleaning or replacement at least twice each cooling season.
OUTDOOR SECTION — Keep clear of plants or other obstructions. Anything that interferes with air flow makes unit work harder and increases operating costs.
INDOOR GRILL — Keep clear of furniture or drapes. Anything that interferes with delivery or return of air will not allow unit to cool properly.
VENTILATION — An attic that is not properly ventilated becomes a heat trap—attic temperatures can go up to 150° on our Florida sun. Ventilate and you'll decrease heat gain through the ceiling and the amount of cooling you need.
INSULATION — A properly insulated home results in lower operating cost. Tests show that up to 50% less residential cooling is needed when you have adequate insulation.
PAINT COLOR — Dark-colored walls absorb more heat than light colors. Light colors save cooling costs.
SUN SCREENS — Large picture windows and sliding glass doors on the east or west side admit heat and cause unit to work more. A sun screen may be advisable. Awnings help, too.
SHADE — Trees that shade your home are like money in the bank. Wide roof-eaves shade the walls and reduce cooling costs.

operating hints:

AWAY FOR THE DAY — Turn fan-switch to "auto" for best humidity control while you're away and for comfort when you return.
AWAY WEEKENDS — Raise thermostat setting about 5° with "auto" fan setting for additional economy.

ELECT

JOHN WOOD
STATE SENATOR
DEMOCRAT

DESOTO, HARDEE, HIGHLANDS, MANATEE and SARASOTA COUNTIES

REMEMBER HOW JOHN WOOD STANDS ON THESE ISSUES WHEN YOU VOTE

JOHN WOOD IS DEDICATED TO:

1. Reversing the trend of the Federal Government take-over.
2. Retention of Race Track Funds on equal basis for all counties.
3. Roads built on need rather than politics.
4. Quality education for all our children.

A VOTE FOR WOOD IS A VOTE FOR

PURE Lucky Cars

Play this easy new game at your Pure Oil dealer's

First Prize:

Win $10,000 Cash

12 FORD MUSTANGS

100 23" COLOR TVs

$500,000 WORTH OF PRIZES!!!

113 GRAND AWARDS... PLUS THOUSANDS OF GASOLINE PRIZES...NOTHING TO BUY.

Each time you visit a participating Pure Oil dealer you'll get an entry card with a 5-car "raceway" printed on it. Just wipe it with chlorine bleach to find out where "Your Car" finishes.

If "Your Car" finishes first, you win 10 gallons of PURE Firebird* Super and become eligible for the grand prize drawing. If "Your Car" finishes second, you win 5 gallons of PURE Firebird Super and a chance in the grand prize drawing. Finish third? You're "still in the money" since you, too, can become eligible for one of the grand prizes. Full rules are on every card.

So come on, get lucky. Enter as often as you want ... there's no purchase required.

PUBLIX BRINGS YOU AN EXCITING NEW WAY TO WIN CASH

"let's go to the races"

SOUTHGATE SHOPPING CENTER
Sebring, Florida

STARTING TIME: SATURDAY, April 23rd
WFLA-TV-8, Tampa (5:30 P.M.) / WINK-TV-11, Fort Myers (5:30 P.M.) / WDBO-TV-6, Orlando (6:00 P.M.)

NO PURCHASE NECESSARY

...by matching winning horse numbers in TV show races with winning horse numbers on FREE cards given now at PUBLIX!

HERE'S ALL YOU DO...

Simply pick up a "Let's Go To The Races" card given free at your nearby friendly PUBLIX. You hold your card until the "Let's Go To The Races" color TV Show each Saturday. The first show is next Saturday, April 23rd and the first cards are available now at PUBLIX.

There are five complete horse races run during each show. Famous sportscaster, Jack Drees, calls the races. After each race you watch the TV screen for number of the horse that WINS only. You compare the number on your card under WIN. If the number on your card matches the number of the horse finishing first to WIN, then the number on the card is circled and this is the winning card. You do this for each of the five races during each 30 minute show. A first race winner pays $5, second race winner $10, third race winner $25, fourth race winner $100, and fifth race winner pays $1,000.

In the event you do not watch the TV show, you can check your card for winning numbers at your PUBLIX on Monday, Tuesday and Wednesday after each weekly TV Show.

Winning cards are to be presented to PUBLIX managers for verification no later than the Wednesday after the show. Winners will receive their award promptly after verification.

New cards are given weekly only at PUBLIX starting a week before each show. Every weekly card has a separate color and is clearly numbered with the number of the week of the TV Show. No purchase is necessary to receive a card.

Employees of PUBLIX Markets, their advertising agency, and their immediate families are ineligible to participate.

● **GET YOUR FIRST "Let's Go to the Races" CARD at PUBLIX...NOW!**

REMEMBER... You do not have to watch the TV show to win. The five winning numbers for the week will be posted at all PUBLIX Markets each Monday for your convenience.

THE TRIP WILL DO YOU GOOD!

Colonel Sander's Sez:

Don't throw away your April 16 issue of TV Guide until you've taken the half-dollar out.

No, this isn't the return of The Millionaire.

It's Kentucky Fried Chicken's big Academy Reward. You just bring us the fifty cent piece that's printed in our TV Guide ad, buy a bucket of chicken, and we'll give you a real half buck.

It might not be $64,000. But then, you won't have to answer a lot of questions, either.

The Things We Say

By Ruby Shannon

After World War II strained relations developed between the Soviet Union and the West. Battles are fought still on economic and political fronts rather than with guns and explosives. It could be called a cold war but until that time it was referred to as the "cold war."

Signs of the "cold war" appeared after World War II started and Sir Winston Churchill spoke of an "iron curtain" that divided Europe into two. A Russian referred to Russia and the Allies as "Two camps."

Shots have been fired and men have been killed in Korea and now in Viet Nam. There is little doubt that the shots are "hot spots," but as there was no declaration of war on either side we are still fighting the "cold war."

The "cold war" then is an expression of modern times. It got the name because of the strained relations between the Soviets and the Allied powers.

An interesting planter can be made by following these directions: Draw a circle about the size of a nickel on the side of the egg. Pie this hole and remove the yolk. Next three centered five holes best. Rinse with water and let dry thoroughly. Glue egg to a homemade pedestal made by gluing a detergent bottle to a cardboard can lid base with various colors of enamel. When dry, fill the shells (do not pack) with soil and plant a few Easter plant three bean seeds in each shell and water sparingly not to sunlit window for seeds to sprout

QUO VADIS

WHERE ARE YOU GOING TONIGHT? WHAT ARE YOUR PLANS FOR RELAXATION THIS WEEKEND? We have many various places of amusement and places to see, if you haven't visited them — try them — you'll like them.

Take the entertainment list being offered for the family at the HILANS THEATRE in Avon Park. Walt Disney's BAMBI is playing. If you have missed this motion picture, make it a point to see it with the family soon. It broke box office records, while playing at the Radio City Music Hall in New York City.

RIDGE LANES has Family night on Sunday. One of the features during the week is Bowl Your Weight on Wednesday — this is only one of the special events planned for your Summer Fun Festival.

Take a trip to PLACID TOWER in Lake Placid, where Jean Whitaker, owner-manager, offers everyone a free Florida Orange Juice Break. Carpet golf is also available there. Next to the Tower is the TOWER VIEW RESTAURANT, where chef-owner Carl DiGiacomo offers you good food for reasonable prices and good service — whether it be breakfast, lunch or dinner.

If you are in the mood for excellent Italian cooking, stop at CLAYTON'S RESTAURANT on U.S. 27, south of Sebring, and try Chef Mike's mouth watering tasty variety of Italian dishes on the menu.

Nearby in Lake Wales, on US 27, Mr. George's COPPERTOP STEAK HOUSE offers the gourmet Charbroiled tender, tasty steaks with all the trimmings—Don, the bartender in the lounge, can serve the most delicious dry martinis that you can enjoy in frosted crystal glasses —while Johnny whips up your favorite dance music on his rhythm built in piano and organ.

Just north of Wauchula on US 17 in Fort Meade, EL CID LOUNGE, offers you your favorite drink and a Go Go Girl show for entertainment.

Sports fans can still plan to see their favorite wrestlers every Friday evening at the Avon Park Armory.

Call Shelley MARRS at the Avon Park Municipal Airport if you wish to take a quick trip for shopping, business or pleasure. His rates are very reasonable.

PLEASURE CRUISE — A canoe ride at Callaway Gardens, Ga., takes on added enjoyment when the skipper is someone like comely Rose Powell.

Disney's Delightful 'Bambi' Returns

Brimming with enchantment and feautring some of the most delightful cartoon charcters ever created, Walt Disney's feature-length animated cartoon, "Bambi," returns to the screen with all of its original magic, drama and spectacle to thrill anew movie audiences everywhere.

The hero is a deer named Bambi, who from the time of his birth is squired through one forest adventure after another by a forthright cottontail, Thumper, a self-appointed information bureau. Thumper chaperones Bambi's growth, teaches him the art of ice skating, and helps him enlarge his daily vocabularly. In the course of their activities they befriend a waffle skunk named Flower and all goes well until predatory Man and a forest fire interrupt their idyll.

A host of other wonderful cartoon charcters reintroduced range in personality from a matronly quail to a blustery owl, the one same voice in a forest abounding with Spring romance. Faline, a lovely doe, attracts the now maturing Bambi, while his pals Thumper and Flower are unblushingly captured, respectively, by a lady rabbit loaded with allure, and a shy but determined femme skunk.

Although Bambi and his friends are separated temporarily when thier paths diverge, they are reunited when disaster strikes their forest home.

THE WISE OLD OWL gives some very good advice to three young friends. (l to r) Flower, the skunk, Thumper, the rabbit, Bambi, the deer in this scene from Walt Disney's feature-length animated cartoon, "Bambi," filmed in brilliant color by Technicolor and based on the famed novel by Felix Salten.

Family Affair

When Prospect Heights, Colo. Mayor Louis A. Pierce meets with the town council, it's like a family reunion.

Town trustees are brothers Frank and Louis Adamic and their wives and Tony Strainer and his wife Mildred. Mildred Pierce, wife of the mayor, is the town clerk.

REVOLUTIONARY HYDRA-STATIC DRIVE

EXCLUSIVE WITH CASE

10 and 12-horsepower garden tractors

Fun to drive? You bet, with plenty of 10 and 12-horsepower muscle to sail into any job. It's so easy with Hydra-Static Drive, the revolutionary transmission with no clutch, no stopping to shift. It's standard equipment on the Case 190 and 150 tractors. The 120 is a mechanical drive, 10-horsepower compact, loaded with standard equipment! All Case tractors give you deluxe contoured seat, attachment lift lever, 12-volt key start, sealed beam headlights, roomy toolbox, 12-month, no-hour-limit warranty. All from the most respected name in tractors—Case!

Choose from a full line of all-season tractor attachments!

Adams And Creel Defeated At Polls

Highlands County voters gave their support to the "home county boys" in the Florida Legislature contests. In two county contests voters favored new faces, unseating incumbent James Creel and favoring Earl Crutchfield in a close race which throws him into a run-off with incumbent commissioner J. A. "Jake" Butler.

Lake Placid's Jean Whitaker has the Democratic nomination for County Commission District 4, but he will face Republican William True next November.

Senator Hayward Davis led the ticket in this county with a total of 4,910 votes. In the five-county district he received 15,900—far ahead of either of his opponents but whether it is far enough to escape a run-off is dependent on the absentee votes.

R. G. "Russ" Jordan, with 8,266, and John R. Wood with 7,527 have a combined vote of 15,793. With several hundred absentee votes in the five-county district, question of a run-off is unsettled.

Highlands County's Morris Adams ran a strong race against DeSoto's veteran Rep. Chesterfield Smith, but the Avon Park resident lost 5,060 to 5,698.

In Highlands County Adams received 3,642 votes to 1,237 for Smith.

Davis won every one of Highlands' 14 precincts. In only one precinct — Avon Park's large precinct 1—were his opponents able to gather as many as 100 votes between them. The total vote in the Senate race was Davis 4,910; Jordan 293, and John R. Wood 269.

Davis received 1,974 in Hardee County; 1,978 in DeSoto; 3,892 in Manatee; 1,146 in Sarasota.

Both Jordan and Wood ran well in their home Sarasota County. Jordan received 222 in Hardee, 444 in DeSoto, 2,888 in Manatee and 4,419 in Sarasota for a total of 8,266.

Wood's out-side-Highlands totals were 355 in Hardee, 686 in DeSoto, 2,273 in Manatee and 3,946 in Sarasota for a total of 7,527.

In the three-county representative district the winning Smith showed about equal strength in each county. In Highlands he received 1,237, in Hardee, 1,731; in his home DeSoto, 2,730.

Adams, who is a relative newcomer to politics, showed good strength in Hardee and DeSoto Counties getting 781 in Hardee and 637 in DeSoto.

In Highlands his 3,642 votes were distributed over the 14 precincts. He easily won in each precinct.

Competition was hotest in the county commission race for the District 2 (Sebring) seat. Newcomer Kator Butler ran best in Precinct 1 where he received 53 votes and a scattering throughout the rest of the county gave him a total of 310.

After the results were posted Tuesday Kator Butler indicated he had not decided whom he would support in the run-off on May 24.

Jake Butler and challenger Crutchfield each won seven precincts. Crutchfield won the edges of the county and Butler took the middle.

The final vote—2658 for Crutchfield and 2580 for Butler—will change a little after the approximately 100 absentee votes are recorded but a run-off is certain.

The only two party race in the county next Tuesday will find another political novice representing the Democratic party. Whitaker with a vote of 3182 defeated James Creel who is next Supervisor of Elections for the County. Creel received 2,917 in Precinct 4 and 2,

Whitaker received 31 precincts. Creel took precincts 2, 9, 13—Whitaker the rest.

Avon Park Voters Give Overwhelming Support To Kelly and Incumbent Commission Members

Avon Park voters gave overwhelming support to Scott Kelly in his bid for the gubernatorial nomination. Incumbent cabinet and Commission members won Avon Park endorsement for new terms.

Absentee votes—Supervisor of Registration Roland X. Drott said about 100 were cast—were counted by the County Commission as the canvassing board on Wednesday. The number is too small to make any difference in any of the county-wide results in the state races.

In Avon Park's Precinct 1 Scott Kelly, from neighboring Polk County, received 863 votes to 216 for Haydon Burns, 168 for Robert King High and 2 for Sam Foor.

"JAKE" BUTLER

EARL CRUTCHFIELD

In Avon Park's Precinct 2 Kelly received 166 votes to 64 for High, 41 for Burns and 32 for Foor. High carried in precincts 2 and 9 and the other 12 precincts went to Kelly.

The Republicans of Highlands County did not agree with the rest of the state. In this county Richard B. Muldrew received the largest number of votes—166 to 164 for Claude Kirk who won the GOP nomination.

Avon Park Republicans gave Muldrew 18 votes in precinct 1 to 16 for Kirk. In Precinct 2 the vote was Muldrew 2 and Kirk 1. Precinct 3 divided evenly—17 for each, and Precinct 4 gave Kirk 14 to 2 for Muldrew.

In the other state-wide races the encumbents received the support of the four Avon Park precincts.

For attorney general Earl Faircloth to 153 for Barney F. Cobb.

For comptroller Fred O. "Bud" Dickinson received 954, Ronald Brugh, 579; Larry Kelley, 159, and Walter Franzel, 58.

State Treasurer Broward Williams received 886; Bob Harris, 578, and Ray Gann, 56.

In the Florida Public Service Commission races William T. Mayo led with 845, Phillip S. Brewer was second with 350, and W. D. Maynard, 240. In the second group for the Service Commission, the veteran Jerry Carter came out with 704 for the Avon Park precincts.

Emmett S. Roberts received 351; Joe Boyd, 176, and Mack H. Jones, 108.

Region High School Baseball Contest Slated Here Friday

The Class B Region 3 high school baseball championship game will take place at Read Field Friday night at 7:30 with the Avon Park Red Devils hosting the Oviedo Lions, winners of Group 5.

The Red Devils are now 14-4 for the season, including a current play, and Oviedo has won 10 and lost 0 this season. Two years ago the same two teams met here for the regional play-off game with Avon Park winning, 1-0, and eventually taking the state Class B title.

According to Oviedo assistant coach Jack Duncan, the Lions have played mostly an AA and A competition this year. Six Lion batters have hit between .300 and .350 for the season. Their ace hurler, Walter Beasley, has posted a 5-1 mound record.

Aiding Beasley were Sonny White (4-2), and Bob Fugate (1-3). All are right-handers. Senior Mike Partin handles the catching chores.

Leading Lion hitters have been secondbaseman Simon Harper, center-fielder Bill Mikler, rightfielder Andy Mikler, firstbaseman Tim Colbert, third-sacker Don Boyd, Fugate, and shortstop Hank Tuft.

Oviedo defeated St. Cloud and Ocoee to win the sub-group championship, then defeated Eustis, 12-3, for the B-5 title.

The Red Devils will bring an equally impressive record into the game. Mike Knapp, the Devils lefthanded ace, has a 6-3 mound record. Ronnie Jack-

Little League Season Opens Saturday With Parade, 3 Games

This past Monday night all the players of the regular Little League met at the Avon Elementary School together with their managers and coaches and received their uniforms and final instructions for the 1966 season.

The six sponsors of teams in the Little League this year, as last year, and their respective managers, are:

Lions Club—J.T. Landress and Richard Dick.

First Baptist Church—Willis Robinson and Jim Barnes.

Florida Avenue Baptist Church—Raymond Batts.

Rotary Club—Bill Thompson and Virgil Sizemore.

Bagwell Lumber Company—George Heatherly and Harold Greenway.

Avon Citrus Bank—Wesley Newsome.

Bob Hanford has again agreed to serve as chairman of the stand operation committee. He will be assisted by the mothers of the boys on the various teams. The mothers of a particular team will staff the refreshment stand for a week at a time taking turns on a regular schedule.

Last year the refreshment stand netted more than $300 and aided immeasurably in financing this excellent youth program.

Major John Townsend will again serve as chairman of the opening day program which will start at 2 p.m. Saturday May 7. Participants in the parade will include the Junior High School Band, the various teams and their managers, the Fire Department, city officials, Little League officers and others.

In order to add more color and to provide some participation for the young ladies in this age group, there will again be a cheerleading section. Miss Linda Summons has agreed to be the chairman of the cheerleaders.

The grounds committee headed by Durrah Martin has been busily at work preparing the field and the grounds for the opening of the Little League season. Among the improvements to be noted will be a hard surfacing of the area around and adjacent to the refreshment stand, repainting the dugouts, the refreshment stand, and the announcing booth, as well as much needed repairs to the stands.

The regular league schedule will start on Saturday afternoon immediately following the opening day parade and ceremony at the field. All six teams will participate, the first game starting at 4, the second at 6 and the third at 8.

Little League officers for the 1966 season: President, Mervin Rehrer; vice president; Bill Thompson; secretary, Leon DeLaney; treasurer, Fred Davis; player-agent, Clarence Smith.

Ministerial Association Names Officers

Officers who will be seated in September were elected by members of the Avon Park Ministerial Association during their meeting at Camp Wingmann on Monday, May 2.

Rev. John H. Knapp of the Episcopal Church of the Redeemer was host for the 12 members attending from Avon Park's Churches. They praised the fine meal served them by their host.

Elected were Rev. Addison G. Hardee, president; Rev. J.E. Lighty, vice president; Rev. Stanley Johnson, secretary-treasurer.

Recommendation was made, in cooperation with the new VISTA program, to furnish all cookies for the refreshments to be provided for the opening of the Noah's Ark Day School.

Dedication of the school will be held Sunday, May 8 at 8 p.m.

Guest of the Monday meeting was Rev. Ray who will be leaving Avon Park in about two weeks to accept a pastorate at Marion, Ala.

BEVERLY TURNER, "Miss Flame" of Avon Park Firemen's Association, will represent the city in the state-wide "Miss Flame Contest at Orlando tonight. —SUN PHOTO

Equipment Bids For Jr. College Are Awarded By School Board

In a special meeting Tuesday night the Highlands County School Board approved appointment of a physical education instructor and coach for South Florida Junior College and awarded bids for more than $55,830 worth of equipment and furniture and building material for county schools.

South Florida Junior College President Dr. William Stallard recommended appointment of Dunning Terrell, Hardee High School's successful basketball coach, to the new Junior college faculty.

In the past two years the Terrell-coached Hardee cage team has won its conference championship. He earned his bachelor's degree at Louisiana Tech in 1949 and his master's degree at Louisiana State University in 1952.

He is married and has two children. His son Mike will be a student at South Florida Junior College this Fall. Mr. and Mrs. Terrell are active in the work of First Baptist Church, Wauchula.

The School Board went along with recommendations from a special committee which reported on bids submitted for furniture and school equipment—much of it for the new Junior College.

The bid for student microscopes was awarded to Unitron Instrument Co. of Newton Highlands, Mass., on a low bid of $3982.

The contract for supplying materials for four portable classrooms was awarded to Townsend Sash Door & Lumber Co. of Lake Wales on a low bid of $10,173.

On typewriters the bids went to International Business Machines of Tampa on a bid of $7,800 IBM "Selectric." McCord's Business Machines of Sebring was awarded the bid for variety of business machines, mostly for use in the high schools. The bid was for a total of $8,571.

Furniture bids, totalling $25,604, were awarded at the special meeting on May 3.

Members of the committee which submitted the report on bids were Garland Boggus, E. Ray Wells, Dr. Stallard, Nancy Eberle and Billy C. Cason.

The regular May meeting of the school board will be held on May 10. The hiring and assigning of teachers is the principal item on the agendum for that meeting.

$130,000 Bond Ordinance Set For Sewage

An emergency revenue certificate ordinance, or resolution, calling for the issuance of $130,000 in revenue certificates was passed by the City Council in special session Tuesday afternoon.

Passage of the 40-page ordinance saw the council unanimous during the three read-

Precinct 2 gave its votes to High—at total of 184 for the Mayor of Miami to 48 for Kelly, 40 for Burns. The 8 votes precinct 2 gave to Foor accounted for 25 percent of that candidate's vote in Highlands County.

Precinct 3 was solidly behind Kelly with 222 votes for him while High was picking up 74 votes, Burns 53 and Foor 3.

Precinct 4 followed a similar pattern: 102 for Kelly, 33 for High and 23 for Burns.

In the county as a whole the vote for Democratic nomination for governor was 3,624 for Kelly, 1,258 for High, 1,216 for Burns and 32 for Foor. High carried in precincts 2 and 9 and the other 12 precincts went to Kelly.

The Republicans of Highlands County did not agree with the rest of the state. In this county Richard B. Muldrew received the larger number of votes—166 to 164 for Claude Kirk who won the GOP nomination.

Avon Park Republicans gave Muldrew 18 votes in precinct 1 to 16 for Kirk. In Precinct 2 the vote was Muldrew 2 and Kirk 1. Precinct 3 divided evenly—17 for each, and Precinct 4 gave Kirk 14 to 2 for Muldrew.

In the other state-wide races the encumbents received the support of the four Avon Park precincts.

For attorney general Earl Faircloth to 153 for Barney F. Cobb.

For comptroller Fred O. "Bud" Dickinson received 954, Ronald Brugh, 579; Larry Kelley, 159, and Walter Franzel, 58.

In the Florida Public Service Commission races William T. Mayo led with 845, Phillip S. Brewer was second with 350, and W. D. Maynard, 240. In the second group for the Service Commission, the veteran Jerry Carter came out with 704 for the Avon Park precincts.

Emmett S. Roberts received 351; Joe Boyd, 176, and Mack H. Jones, 108.

Jim Rehrer Is Promoted

Jim Rehrer, son of Judge and Mrs. Mervin Rehrer, has received his promotion to SN-3 third class petty officer sonarman.

He is in the reliability program and was granted his secret clearance.

This week he is stationed in Norfolk, Va., from which he will leave for a two weeks of sea duty. He will then return to his home base in Charleston, S.C.

Red Devils Win Two Straight From Clearwater For Title

Avon Park Red Devil baseball team knocked off Clearwater Central Catholic two straight games last week to take the Class B Group 8 championship and earn the right to host the Region 4 game at Head Field Friday night at 7:30.

The Oviedo Lions, winners of the 1-5 title, will furnish the opposition for the Red Devils in the single game to determine the Region 3 entry in the state Class B tournament next week.

Mike Knapp hurled a three-hitter against the Central Catholic Marauders at Jack Russell Stadium in Clearwater last Thursday night as Avon Park won the first of a best-of-three game series, 8-2. The senior lefthander allowed three singles walked seven and fanned five during the seven inning game.

The Devil batters rapped out nine hits off two Clearwater pitchers. Right fielder Dean Lemler had a double and a single, and Jim Powell, secondsacker had two singles to lead the Devils. Hitting singles were Carl Holden, Spencer Oberle, Mike Knapp, Bill Knapp, and Ronnie Jackson.

Avon Park took advantage of a big third inning during which they scored six runs on five hits, two walks, and two Marauder errors. A triple play by Clearwater ended the Devil scoring in the third. The first baseman caught a bunt fly with the bases loaded and tossed to first for the second out. The second baseman, covering first, threw to third to catch another runner for the third out.

Clearwater scored one run in the fourth on two singles and a walk and gained another across in the fifth on a hit, a walk and two Devil miscues.

Avon Park iced the game down in the fifth, scoring two more runs on Lemler's double, a wild pitch, an error, and a single by Ronnie Jackson.

In the second game of the series Emmitt Money, Devil junior righthander, also held the Marauders to three single as Avon Park took a 3-1 win for the title. Money struck out 10 batters and issued five walks during his seven innings on the mound.

The Red Devils played errorless ball as they backed up Money defensively. They collected 6 hits off losing hurler Joe Bishop. Spencer Oberle, senior thirdbaseman, slammed out two doubles and a single for his best night at the plate. Emmitt Money, Dean Lemler, and Joe Strickler added a single each for Avon Park.

The Devils scored in the bottom of the first when Oberle doubled and Money singled him home. In the last of the third Ron Jackson led off with a walk and Holden moved him to second with a sacrifice bunt. Then Oberle doubled again to drive in Jackson. The Devil's third run came in the last of the fifth. Joe Strickler led off with a single, moved to second on a passed ball and was driven in by Oberle's third hit.

Clearwater scored its lone run in the top of the sixth. The lead off batter walked but was forced out by the next batter. Money then fanned the third batter for two outs. The run scored on a single by catcher John Kisz, but centerfielder Mike Knapp threw out the baserunner headed for third on the same play to retire the side.

The Marauders were retired in order the top of the seventh as secondbaseman Jim Powell threw out the first two on grounders and caught a fly for the final out.

To Fill Pulpit

Filling the pulpit at the First Presbyterian Church will be Jerome Schulz. His sermon will be, "Mother." There will be a solo by Miss Diane Landress.

At this service there will be a special offering to go towards the support of the Dunlap Orphanage, Brighton, Texas.

New hours during the summer months are Sunday School 9 to 10 a.m., Church Service 10 to 11 a.m.

$130,000 BONDS

(Continued From Page 1)

ings of the measure.

It pledges revenue of the Water Department and existing sewage system to pay off the certificates over a 10-year period, the first payment to be made in 1967 in the amount of $10,000.

Starting in 1968, payments are to be made at the rate of $15,000 annually through 1976 when the entire issue will be paid.

The certificates are to be issued in amounts of $1,000 and $5,000.

Monies derived from the certificate, or bonds, sale are to be used for the construction of a 500,000 gallon per day sewage disposal plant and pumping station estimated to cost approximately $285,000.

The city has been pledged 30 percent, or approximately $45,000 in federal funds to supplement the city's expenditure. However, a time limit was placed on federal funds and the city is rushing to complete legal phases for sale of the certificates and have money in the bank to meet federal requirements.

It is stated in the ordinance adopted Tuesday that certificates will be retired only through revenue from the Water and Sewer Departments. They in no way may become a lien on these departments or the city, the ordinance continues.

It notes that "it is deemed necessary, desirable and in the best interest of the city to combine said water system and sewer system into one consolidated water and sewer system, and they are hereby combined into one."

Revenues received in the future from the operation of the combined systems are expected to be sufficient for their operation and maintenance during each year certificates are outstanding. Dawkins and Grantham of Orlando, Fla., bond attorneys who prepared plans for the plant and station, have estimated.

All sinking funds and reserves are to be kept from revenues of the two departments.

Adoption of the ordinance "authorizing the construction and acquisition of additions, extensions and improvements to the sewer system of the combined water and sewer system, and issuance of $130,000 water and sewer revenue bonds, ends a year's dispute.

It marks an end to efforts to extend sewage lines under a plan to issue $750,000 in revenue certificates. These were to pay for the sewage disposal plant and station, as well as extension of lines.

The proposal was defeated by voters in a referendum last Dec. 7.

Since then efforts have been made to get the disposal plant and pumping station started by issuance of bonds, or certificates. Councilman J. R. (Jack) Duggan spearheading the move.

Passage of the motion calling for issuance of the $130,000 issue occurred April 11 on a 3-2 vote. Councilmen Durrah Martin and George Boutet, who backed a larger issue, were still hopeful of gaining more funds for extension of sewage lines.

Following adoption of the motion by Duggan which was supported by Councilman Clarence King and Council President James Doerr, both Boutet and Martin pledge complete harmony with any project for improvement of Avon Park's sewage system.

This action by the two was reaffirmed Tuesday afternoon.

Benny Spires In Viet Nam

VUNG TAU, Viet Nam (AHTNC)—When the main body of the U. S. 25th Infantry Division's 1st Brigade walked ashore in Vung Tau April 28, PFC Benny Spires of Sebring, arrived in Vietnam.

An automatic rifleman in Headquarters Company, 4th Battalion of the brigade's 23d Infantry, PFC Spires, son of Mr. and Mrs. Reason A. Spires, Rt. 2, Box 14, Sebring, joins other 25th Division elements already in Vietnam. The division was formerly based at Schofield Barracks, Hawaii.

The 19-year-old soldier entered the Army in January 1966 and was last stationed at Fort Richardson, Alaska.

His wife, Virginia, lives at Route 1, Box 813, Avon Park.

College Citizens Committee Reports Funds For Temporary Quarters Coming In Slowly

Contributions and pledges to the South Florida Junior College Citizens fund for renovation of temporary quarters continued to grow at a slow rate last week.

Robert M. Gay, chairman of the Citizens Committee, reported that as of May 2 pledges totaling about $28,000 had been received with $10,719 of this deposited in the special account in the Avon Citrus Bank, Avon Park.

Of the pledges received, the City of Avon Park led off with $10,000 of which $3,000 had been paid. The City of Bowling Green pledged $2,000 and have paid $400. The City of Sebring pledged $5,000 and the first payment is expected shortly.

At a special meeting of the Wauchula City Council last week City Attorney John Burton advised that in his opinion the city could not legally contribute to the Junior College.

No action was taken by the council but a citizens drive for contributions is expected to collect substantial funds during May.

Gay listed the following contributors of amounts of $100 or more received through May 1: Avon Park: Ted J. Ward, $500; William F. Ward Foundation, $1,000; Wells Motor Co., $300; Morris Adams, $100; Lena Thomas, $100; One Hour Cleaners, $100; A.F. Rotary Club, $100; V & W Farms, $100; Winn-Dixie Grocery Co., $500; Inter-County Telephone Co., $250 (of $1,000 pledged); Roy Scims, $100; Earl Green, $60; DeLaney Hardware, $50; Carver Plastics, $25; Fairyland, $25; Georgia Mason, $25.

Sebring: Tropical State Bank, $1,000; Consolidated Financial Corp., $1,000; First National Bank, $500; Carson Properties, $100; Frank Mraz, $10. The Central Builders Supply contributed $200 in materials.

Wauchula: Kiwanis Club, $100; Wauchula-Hardee Chamber of Commerce, $100; J. W. Earnest, $100 and W. G. Kirk, $50.

Bowling Green: Bowling Green Lodge, F&AM, $100; Businessmen's Club, $100; Sellar's Sunrex Market, $100; Nicholson Supply, $100; M. E. Brown, Inc., $100; Norman Scaffe, $50; Doyle Parker, $25; C. B. Anderson Jr., $25; Fred Cothey, $25; Adeal Hancock, $25; George Brown, $25; Gwendolyn Paschal, $25; Mrs. Ora Speith, $25; Dr. James Whitehurst, $25; Mack Bryan, $15; V. E. Bryant $15; Earl White, $15; Ernestine Judah, $15; J. E. Gill, $15; Arthur Witt, $15; Ralton Albritton, $15; H. E. Cooper, $10; D. McLeod, $10; J. B. Edwards, $10; Verna Whitfield, $10; A. Surrency, $10; I. M. Locklar, $10; E. Lawrence, $10; and W. Jackson, $10.

Masonic Supper Will Be Held Friday Night

A covered dish supper will be held at the Masonic Temple Friday at 6:30 p.m. for families of members of the Eastern Star and Masonic orders of Avon Park.

Meat, bread, and drink will be furnished so families are asked to bring a vegetable, dessert, or salad for the supper.

All members are urged to attend and enjoy an evening of fellowship. The supper will be over in time to take part in any other activities planned for the evening.

Baptist Church Plans Revival

Between May 9 and 15, the Florida Avenue Baptist Church will hold nightly revival meetings, announced Rev. Lester E. Miller, pastor.

The week's services will start Monday night at 7:30 o'clock and will end with a dinner in church social hall Sunday, May 15 prior to the final sermon.

Rev. James Wingate, pastor of Mt. Pisgah Baptist Church, Fort Meade, will be the evangelist. Rev. Robert Miller, pastor of the First Baptist Church of Zolfo Springs, will be song leader and soloist. There will be special music each evening with choirs of the church participating.

A special youth service is planned Friday, May 13, also a fellowship in the church social hall.

Florida Avenue Baptist Church is located on Florida Avenue at Canfield Street.

son, righthanded senior hurler, has won 3 and lost 0. Emmitt Money, a junior righthander, is 5 and 1.

Six Red Devils are batting over .250 for the 18 games. Mike Knapp leads with a .429 average. Money is hitting .366. Bobby Coleman has a .346 average, and Joe Strickler has four for 12 at bats for a .333 average. Dean Lemler has a .257 average and Spencer Oberle has a .250 average. Carl Holden is hitting .200.

Devil secondbaseman Jim Powell has proved to be an outstanding gloveman turning in fine defensive plays.

Red Devil coach Ralph Hill, in his second season as head baseball coach, probably will start Mike Knapp Friday with Carl Holden behind the plate. Money will play first, Powell will handle second, Coleman will be at short, and Oberle will be on third. The outfield probably will have Bill Knapp in left, Ronnie Jackson in center, and Dean Lemler in right.

Reserves ready for action will be firstbaseman Joe Strickler, outfielders Hoppy Rewis, Johnny Elder, and Roscoe Bass and catcher Gary Neal.

Political Signs Are Removed From Mall

Trees lining Avon Park's Mile Long Mall are no place for political signs.

Works for one gubernatorial candidate found this out Sunday when police, when they saw the signs nailed to tree, rapidly removed eight of them.

We have an ordinance banning anything other than trees foliage from the Mall, said Police Chief C. S. Carroll in reporting the incident.

And, he added, that workers of that political candidate were far from home base because were in the land of another hopeful.

The candidate involved by his workers, said Carroll, was Haydon Burns.

ANYTHING CAN HAPPEN around a gas pump, and sometimes does. When a "semi" pulled into Border's Service Station on W. Main Street last Friday and tried to back out after loading with gas it accidently hit the pump. The impact twisted it, tore loose the pipe to the submerged tank and pulled out power lines connected to the motor. A spark, then fire. C. A. Stimson, who has a filling station next door, rushed over with a fire extinguisher and kept it under control until arrival of the fire department. Damage was confined to the pump.—SUN PHOTO

Red Devil Track Team Will Participate In Class B, District 7 At Fort Meade Friday

The Red Devil track team will participate in the Class B, District 7 meet at Fort Meade Friday afternoon and evening.

The Devils will be competing against seven other schools as they attempt to qualify for the state meet to be held in Gainesville next week.

Preliminary running events and all field events will get under way at 3 p.m. with the finaling finals to start at 7 p.m.

Avon Park is expected to run strongly in the distance races, the 100 yard dash, the 220 yard dash and the quarter and half mile races.

Running the 880 yards relay for the Devils will be Bobby Battle, Mickey Wells, Robert King and Tom Nunnallee.

They will run with the sprint medley team that will receive the baton first. That will be Jim Burrescia, Tom LaFlam and Bill Wall will represent Avon Park in the mile relay.

Jim LaFlam, Kenny Dixon and Jack Crumpacker are expected to run strongly in the half mile race. John Wright is the favorite in the 880 yard run.

In the mile run, Bill Wall and Harold Calloway will both run the 100 and the 440 and Crumpacker will run in both of the distance events.

Minor Eastman and Bobby Burrescia will add valuable points in the high hurdles to round out the Devils' best chances in the running events.

Henry and Alfred Hedig and Calloway will all double in the discus and shotput. Mickey Wells will run in the pole vault and Eastman will enter the high jump event and Earl Sims is expected to place in the broad jump.

Coach Jack Dixon has other places in each of the track events will qualify for the state meet.

Church of Redeemer To Send Delegates To State Convention

Among the more than 2,000 Episcopalians expected at the annual convention of the Diocese of South Florida at Miami Beach, May 12-14 will be six from Avon Park's Episcopal Church of the Redeemer.

Rev. John L. Knapp, rector, said Churchwomen will be represented by Mrs. Eugene Hall, Mrs. Arthur Irwin, Mrs. Paul Calvert. The men representing the church will be Paul Calvert, George Buck and James Johnson.

The Diocese operates Camp Wingmann and the Bishop Hobart Retreat, both located in Avon Park.

The convention will convene over a $1 million budget. Apart from administration, the largest segment of the budget is designated for mission and Church extension within Florida.

Episcopal Diocese of South Florida is one of the fastest growing dioceses of the Episcopal Church in the nation. Its membership consists of 16,456 baptized persons.

The major concern of the convention will have to do with the business of operating the Diocese. The convention will also give attention to its responsibility outside of the Diocese, particularly in terms of entering into relationship with the Diocese of Jamaica.

Band Parents Meet Monday

The next regular meeting of the Avon Park Band Association will be held on Monday evening, May 9 at 7:30 in the band room. This will be the last meeting before summer vacation and there are several important topics to be discussed.

This is the first meeting at which the newly elected officers will preside.

State Association For Retarded Children Holds Annual Meeting At Lakeland

A delegation from Highlands county will be attending the 13th annual meeting and workshope of the Florida Association for Retarded Children, May 5-7 at Holiday Inn, Lakeland.

Among those attending will be the teachers of the Ridge Area Day School, Mrs. Mildred Webber and Mrs. Sally Putnam with Mrs. G. F. Ward, president of the Florida Association for Retarded Children. Commuting from the area will be officers of the Ridge Area Association for Retarded Children, Rev. Thomas Jones, Thomas W. Johnson, coordinator, Pupil Personnel Services, Highlands County Board of Education; Miss Ann Karrick and Miss Pat Lagoni.

Mrs. Virginia Hubbell, coordinator, State Division of Mental Retardation, and G. Frank Lyn Ward, regional vice-president, National Association for Retarded Children, will participate in regular sessions of the meeting.

Keynote speaker for the opening luncheon is Jerry Weingold, executive director, New York Association for Retarded Children.

Allen Mennefee, Department of Health Education and Welfare will lead a panel on planning for the retarded and NARC's first vice-president will be speaker at Friday evening's dinner program.

Senator Beth Johson, Orlando, will be installing officer for the newly elected officers of the state association on Saturday evening with the

Rev. John Mangrum, St. Mary's Episcopal Church, Tampa, formerly of the Church of the quet speaker. Tours of the Polk Assn. for Retarded Children's Workshop for the Handicapped and the Marion Lea Training School will be conducted Friday morning. The remainder of the sessions will be devoted to programs and panel discussions on ways and means of turning "Plans into Programs for the Retarded," theme of the conference.

Sessions for teachers of the exceptional child, directors of day care centers and recreation for the retarded as well as special help for parents of the retarded are being offered.

Women's Division of Chamber Donates To College Fund Drive

Members of the Women's Division of the Avon Park Chamber of Commerce, meeting Monday night at the Florida Power Lounge, donated $25 to the South Florida Junior College temporary building fund.

Members also planned a benefit tea for the new college which is located in temporary buildings on E. Main Street of Avon Park. Date of the tea will be announced later.

The Women's Division is presently holding an intensive membership drive to increase its rolls. Annual cost of membership is $1, and they say "you will consider it a dollar gained-not lost."

Mrs. Ann Johnson is membership chairman.

Members, like men of the Chamber of Commerce, the former point out, are working for the betterment and growth of Avon Park.

Their general theme is that this city, both for the year-round resident and winter visitor, is a better place to work and play.

Space Circuits

For maximum reliability, all welded electronic printed circuit boards used in various space program applications are specified in commercially pure nickel.

New De Molay Chapter To Be Instituted

This Sun., May 8 at 2:30 p.m. in the Masonic Temple, Wauchula, the Peace Ridge De Molay Chapter sponsored by the Peace Ridge Scottish Rite Club will receive their Charter and have installation of officers.

The 9 o'clock Interpolation will be presented and John Alwood, Avon Park, will give the "Flower Talk".

The Order of De Molay was founded in 1919 by Frank S. Land and was named for Jacques De Molay, a Crusader of the 13-14th Century and the last grand master of the Knights Templer who was burned at the stake by the king of France as a martyr to loyalty and toleration.

Any young man 14 to 21 years old who is of good character can ask or be asked to join. He does not have to be related to any Mason. However, he must be recommended by two Chapter members or a Senior De Molay and in either case also by a Master Mason.

An invitation to attend this is extended to all interested in the De Molay. Any boy between 14-21 years who is interested is urged to bring his parents. This is an open installation so all may attend. There will be a film shown also depicting the Order of De Molay.

All Masons and their families are urged to attend.

LaDawn Long Has Birthday

Donaldson Park was the scene of a birthday party in honor of four-year-old LaDawn Long, daughter of Mr. and Mrs. Kenneth Long Thursday afternoon, April 28.

Helping LaDawn to celebrate were Kari Jane Long, Steven Traverse, Secara Albritton, Sherri Wells, Steven Wells, Nancy Beth Coos, Teresa, Tammy and Jerry McKeon, Gary Johnson, and Steven and Melissa Grive.

After a period of fun and games, LaDawn and her guests were served the traditional birthday cake, ice cream, and soft drinks.

They then gathered around while LaDawn opened her gifts.

As the party closed the little guests were presented favors of toy watches, candy and balloons.

Food Program For Needy To Start June 1

Commissioners of Highlands County have started a Food Commodity Program for the needy people of this county. Distribution of food will begin June 1.

If you are a recipient of state or county assistance, check your local office to see if you qualify, or contact Howard Milner at 1048 Hawthorne Rd., in Sebring.

THANKS TO ALL!

I wish to commend my opponent for a clean campaign, and thank my friends and supporters and all who voted for me in Tuesday's election. Your efforts resulted in my nomination on the Democratic ticket for the office of County Commissioner of District 4.

I am most grateful for everything that was done in my behalf, and ask a continuance of this fine support in the general election in November.

Educational TV May Be On Way Here

Proposals for Highlands County participation in educational TV will be presented to the board of public instruction soon, Donald Hanson, certificate of qualification in visual education for the county schools said today.

Hanson, along with High lands County School Superintendent George Douglass and General Supervisor for High lands County Schools Hollon Bible, met last week with Mrs. Lucy DuCharme, audio-visual supervisor and educational television supervisor for Polk County, and Bill Lastinger, of the staff of WEDU.

WEDU, which operates on channel 3 out of Tampa will be discussed as possibly the Summer, Lastinger reported. By the opening of the 1966-67 school term its power will be up to a point that the station can reach Tampa commercial stations he said.

Hanson said 141,000 students viewed educational programs during the current school year, and 395 different schools had one or more classes receiving some instruction via television.

Evaluation committees which visited the county this year from Southern Association of Colleges and Secondary Schools recommended that consideration be given to use of educational television as a means of enriching the present instructional programs in the Highlands County Schools.

Commission Meeting Short

Highlands County commissioners whipped through a short agenda in a quarter of an hour Tuesday.

During the short meeting Cook Earl Rich reported that almost 8,000 has been turned into the county from the sale of dog licenses.

The board authorized purchase of a desk for the County Health Department and removal of a large oak tree which stands on the edge of the new machine building at the courthouse.

County Attorney Hue Nunnaliee reported that condemnation proceedings have been filed on right-of-way for the Parker Island Road.

The Attorney offered to contact the State Road Department about a misunderstanding which has arisen about a request for lowering culverts near the Sebring Golf Course.

The road department, in a letter read Tuesday, said lowering the culverts would cost $1,400 and "would not benefit the road" and suggested that the cost be borne by the property owner, this case the city of Sebring.

The commissioners said the area is already torn up for the four-laning of Highway 27 and they had thought that the change requested (to improve the golf course drainage) would be slight.

Droit Feels Change Should Take Place

Maybe someone doesn't like me," groaned Roland X. Droit as he faced the prospect of having a meeting settled by ballot and an election coming together.

Time extension given the purchasers of state bags involved the deadline to May 20.

Many Highlands County autowners have not bought their 1966 tags, and Droit, county tag agent, is expecting a last minute rush.

On May 24 second primary election will be held. Any necessary run-off between those who place second and third will be decided by the May 31 general election.

Droit also is supervisor of registration and elections.

Bond issues totaling nearly $2 million will be voted on in the June 14 primary. Included is revamping of voter lists for the fall voting and general election. Voting will be scheduled by precincts of taxpayers or property rather than party ownership.

There also was the discussion about changing mobile homes from motor vehicle tags to the personal property tax roll then back again.

Local Airman Is Advanced

Airman James R. Cummings, son of Mr. and Mrs. James Cummings of Avon Park, has been selected for training at Sheppard AFB, Texas as an aerospace ground maintenance specialist.

The airman, a 1965 graduate of Lake Douglas High School, received his associate degree at Clearwater County Community College at Daytona Beach. He recently completed basic training at Lackland AFB, Texas.

Better Forest Management Urged In Highlands By Committee

The Highlands County Fire Prevention Committee urged better forest land use practices at their regular meeting held last Thursday at the Florida Forest Service Headquarters south of DeSoto City.

The committee was organized in January, 1960 for the purpose of assisting and advising the Florida Forest Service on matters of a local nature relating to forest fire.

The committee went on record as endorsing increased action in every forest management, especially reforestation programs in Highlands County.

With the construction of new roads and the expansion of present roads in north Florida, south Georgia and Alabama, it is expected that the demand for pulpwood and other forest raw materials will increase during the next few years. Highlands County and many landowners could find a very profitable land use through reforestation and forest management.

The committee will assist in the development of demonstration planting and the certification of tree farms in Highlands County. At present the county has no certified tree farm. The tree farm system is a forest products industry sponsored program that give public recognition to landowners who are doing a good job of forest management.

County ranger, Roy Williams of the Florida Forest Service, in a report on the current fire situation, told the group that five months of wildfires so far during 1966 was up, while the number of acres lost was down.

Williams said through the month of March the records show that 48 fires burned in the county, while only 32 burned during the same period last year. Of these 28 are classed as miscellaneous.

Miscellaneous fires include improved pasture, right-a-way fires, field, house, car or any other non forest land fire. The major cause of wildfires in the county are smokers and brush burning according to Williams.

Williams told the group there is a need to get more people to call the Highlands County prior to any burning so that equipment will not be dispatched needlessly.

Dry muck areas should be protected by firelines before setting prescribed burning.

The committee agreed that more prescribed burning needs to be done in the county and that landowners should contact the Forest Service for assistance and technical help in setting up a wise fire use program. Several years ago the committee sponsored several Fire Behavior Demonstrations in the County.

Carroll Payne of Sebring was re-elected Chairman of the committee.

State Products In Spotlight

Public attention will be focused on the importance of agriculture and food production to our state's economy during "Florida Products Week" being observed May 2-7 by Winn-Dixie Stores throughout Florida. This is the most extensive promotion of Florida Products of its kind.

Governor Burns has issued a proclamation urging special tribute to our agriculture, which has helped to give us the highest standard of living in the World.

Driver Given Jail Sentence

An Avon Park driver has been sentenced to jail on two driving charges. Emory M. Stubbs, 31, pleaded guilty to driving while intoxicated and to driving while license was suspended.

On the driving while intoxicated charge Judge Melvin Rehrer sentenced Stubbs to three months in jail, plus a fine of $250 or three months more in jail, and his right to drive was revoked for maximum time allowed by Florida law.

A driving without a license charge was dismissed and a driving while license was suspended charge filed. On this count Stubbs was sentenced to three months in jail and fined $100 or 60 days more in jail.

Don't Fondle Little Beast — They May Bite

Wild pets may pose a potential harm to people, and many species of wildlife, particularly so-called "pet" deer frequently turn on their benefactors according to W. B. Copeland, chairman, Game and Fresh Water Fish Commission.

He said, Nature's yearly crop of babies in the woods are cute, cuddly and often appear lost and forlorn, but they are not fair game for adoption by well-intentioned, ill-informed good Samaritans, and listed several reasons for not touching young wildlife.

It is illegal to possess any game animal or bird or protected animal or bird except under permit issued by the Commission.

Young animals and birds are usually not lost. Their parents are almost always nearby waiting for you to go away.

Young wildlife can take care of itself, if you leave them alone.

Little animals grow rapidly and can become both a problem and dangerous.

Many animals most often brought to us pets are the most common carriers of such diseases as rabies.

Handling young animals and birds will sometimes cause the parents to abandon them. Human scent left on the young often upsets Mama, sometimes so much that she will have nothing more to do with Junior and he ends up being truly orphaned. So look, but do not touch, if you come across babies in the woods.

Elementary Junior Bowling Loop Holds Supper, Awards Night

Avon Elementary Junior Bowling League held its annual supper and awards program last Friday night at Ridge Lanes to climax the 1965-66 season.

Highlight of the evening was an adult—student doubles tournament which was won by Jimmy Crocker and Louis Lagoni. Becky Tomek and her mother Ruth Tomek were second and Sylvia Tomek and her dad Ed placed third in the two game scratch tourney.

High games bowled by students during the tournament went to Becky Tomek (166), Jimmy Crocker (165) and Eddie Ezell (153). Adults bowling high games were: Ed Tomek (199) and (190); Geo. Heatherly (191); Louis Lagoni (188), Ann Karrick (181); Bob Cushman (178); Kenneth Eberle (177); Don Ford (175), James Allen (170), and Ruth Tomek (170).

The league season was divided into two sessions with prizes awarded in the different age divisions for both sessions. Champions for the first session were: Marion Limcangco, Melody Heatherly, Chris Cushman, and Diane champions were Mike and Gary Bagwell.

Mike Bagwell walked away with high game and high series awards bowling 199 for high game in the first half and 190 for high in the last half. His two high series scores were 489 and 508. Mike also won honors for having the high average for both sessions—130 and 135.

The most improved bowler awards went to Gary Bagwell for first session and Paula Allen during second session. Eleven bowlers received special recognition for posting a 100 or better average: Eddie Ezell, Becky Tomek, Toni Cates, Claire Lanier, Susan Lee, Wally Pierce, T. J. Kinyon, Joey Martin, Walter Jackson, and Mike and Gary Bagwell.

ABJC patches were awarded to the following bowlers: 100 Club—Claire Lanier, Susan Lee, and Becky Tomek. 125 Club—Mike Bagwell. 400 Club—Susan Lee and Becky Tomek. 450 Club—Susan Lee, and 500 Club—Mike Bagwell.

The Highlands Women's Bowling Association trophies were awarded to Becky Tomek in the Bantam Division and Ruth Cain in the Senior Division. The Ridge Men's Bowling Association awarded trophies to junior bowler Joey Martin and bantam bowler Mike Bagwell.

Mike Bagwell and Becky Tomek won the Bowlers of the Year awards for this season.

Four boys were honored for perfect attendance: Kent Filppula, Mike Eberle, Gary Bagwell, and Mike Bagwell.

The junior bowling program is under the direction of Miss Ann Karrick.

An adult-student bowling program will get under way for the summer on Thursdays at 7 p.m. Check at Ridge Lanes for further information.

Checks Return Makes History

State Comptroller Fred O. Dickinson, Jr. reported a history-shattering precedent—a legislative claim bill payment was returned to the state.

Dickinson said the historic occurrence resulted in the state receiving a rebate of $863.

Flagler County Tax Collector Dale B. Brown Jr., was the recipient of the relief bill funds, and it was Tax Collector Brown Dickinson explained, who this week returned the $863 to the comptroller.

Dickinson said that Brown explained that his office was robbed of $863 in February of 1965, and reimbursement from the state was obtained through the relief bill passed by the 1965 Legislature.

The thief was apprehended subsequently and made full restitution of the stolen money, Brown explained, making it possible for the Flagler County official to return the money to the State's general revenue fund.

Dickinson said he was informed by R.G. Higgins, general auditor for the Comptroller's Office that "in all of the office's experiences and records in handling state funds, this is the first occurrence in which an amount paid through a relief bill has been refunded to the state.

Giant Motor

The largest mine-hoist motor in North America is being built for International Nickel's Creighton Mine in the Sudbury District of Ontario. The motor will weigh 72 tons and will generate 6,500 horsepower.

Smart Shopper Knows About The Difference

Are you a smart shopper?

For instance, do you know the difference between a cut and-sewn sweater and a full-fashioned sweater?

Cut-and-sewn sweaters are made from pieces that have been cut from a knitted fabric and then sewn together, says Miss Elizabeth Dickenson, clothing and textiles specialist, Florida Agricultural Extension Service.

Full-fashioned sweaters, she points out, are formed right on the machine. As the machine shifts to add or subtract stitches, it produces two parallel rows of fashion marks which are most visible on both sides of the arm-hole seams. The stitches between the marks are parallel to the seams, while those outside the marks run at an angle to the seams.

Since full-fashioned sweaters are more expensive to make, cut-and-sewn styles are sometimes designed with imitation fashion marks.

Miss Dickenson says this can be detected because the stitches run the same direction on both sides of the fake fashion marks.

Both types of sweaters are equally washable. Check the manufacturer's tag to see whether a sweater should be washed by hand or laundered by machine.

4-H Home 'Ec' Scholarships Offered Juniors

A total of nine 4-H Home Economics scholarships valued at $6,300 will be awarded again this year on a national selection basis by four firms. The scholarships are specifically for present or former 4-H Club members who will be college juniors in the fall of 1966, and who plan to major in home economics.

Donors and scholarships are as follows: two $800 grants will be given by Sunbeam Corporation. The S&H Foundation, Inc., and The West Bend Company. Three $500 grants will be offered by Pyrofax Gas Corporation.

Candidates should make application before Oct. 1, through the county or state 4-H Club office. They must submit an account of their 4-H activities and their freshman and sophomore scholastic records. Only one girl per state can be considered for each of the scholarships, according to the Cooperative Extension Service which selects the finalists.

Girls on need of such a scholarship should contact the county extension office or write directly to their state 4-H Club leader for the special 4-H scholarship fund application blank.

Condemnation Suit Filed

A condemnation suit was filed in Circuit Court last week for two small parcels of land needed for right-of-way and drainage easements on State Route 619. This road connects State Route 29 and State Route 621 in the southern part of the county.

A total of 1.47 acres is involved in the suit. Defendants are Alex and Isabell Kress, who reside in Michigan; J.K., W.H., Alice and Margrette Stuart, all of Bartow, and Highlands County Tax Collector.

The suit, filed by County Attorney Hue Nunnaliee, has been assigned to Judge Clifton M. Kelly.

Seaworthy Hardware

A popular hardware for small boats is made of nickel stainless steel because the material is strong, tough, and resists corrosion and abrasion.

Postal Savings System Ends

Public Law 89-377 set the closing date of April 27, for the Postal Savings System. Hereafter, no deposit will be accepted in an existing account and no new postal savings accounts shall be opened.

If you have a Postal Savings Account, you are requested to contact the Post Office for the purpose of closing out this account. Interest on deposits shall cease to accrue on the anniversary dates of the respective certificates occuring in the 12 month period ending April 27, 1967. For further information call your local post office, GL 3-3825.

'Ag' Fraternity Selections

Dr. Marvin Koger, professor of animal science, College of Agriculture, University of Florida, has been named "Professor of the Year" by Alpha Zeta, honorary fraternity for students in agriculture.

Dr. Koger's award was based on his outstanding contributions to agriculture through teaching, research, and other fields of interest. Dr. Koger was selected for the recognition by student members of the fraternity.

James Billie Gomillion of Milton was chosen by the fraternity as the outstanding senior student in agriculture. Gomillion's selection was based on his scholarship, leadership, and service during his senior year. He is now a graduate student in forestry in the College of Agriculture.

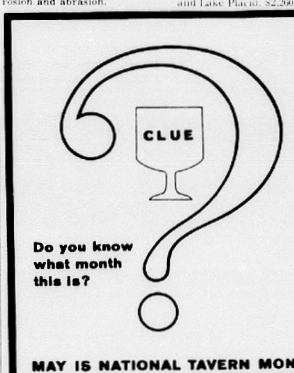

Dr. H. G. Hamilton and Colin D. Glann, two charter members of the Alpha Zeta annual banquet recently, when the Professor of the Year and outstanding senior student awards were made.

Avon Park Tax Return Rises

Avon Park's share of the March cigarette tax return will amount to $5,194.85, according to Ren Morris, director of the State Beverage Department which handles the tax collection.

Morris reported statewide the March collection totaled $3,820,018.13. Of this amount $2,905,258.21 went to the state general fund and the remainder distributed to qualified municipalities.

Sebring received $9,067.73 and Lake Placid, $2,260.62.

MR. AND MRS. JOSEPH LYNCH

Avon Lakes Couple Celebrate Golden Wedding Anniversary

Back in 1910 in western Pennsylvania in the town of Ridgeway a young lad named Joseph J. Lynch completed his apprenticeship as a machinist and decided he would see something of the country.

Pursuing his new trade in the early days of the automobile industry when hundreds of small companies were building cars Joe traveled throughout the country as a "boomer" machinist working in some 40 shop from coast to coast over a five-year period. Landing in Oil City, Pa., birthplace of the great oil industry, he decided to settle down and entered the employ of the National Transit Pump and Machine Company.

Living there in the city of her birth was a charming Irish lass named Mary A. Spring, who following her graduation from high school was employed as a stenographer and secretary.

Joe and Mary chanced to meet and became friends, friendship led to engagement and on May 4, 1916 they were united in marriage in St. Joseph Catholic Church by Msgr. Peter J. Sheridan.

In 1926 they moved to Detroit where Joe entered the employ of the Ford Motor Company remaining with them for 31 years.

Following his retirement in 1957 they came to Avon Park and completed the first home on Lake Olivia at Avon Park Lakes where they now make their home.

In commemoration of their 50 years of happy married life a special Mass was said in their honor Wednesday morning at Our Lady of Grace Catholic Church by Father Edward C. Biss, pastor of St. Peters Catholic Church in Charlotte, N.C., a cousin of Mr. Lynch.

Wednesday evening the couple were guests of honor at a reception given at the Avon Park Lakes clubhouse by the Women's Group of the Association. Committee members for the reception were the Misses Bertha and Gertrude Desautels, Mrs. Maude Bedard, Mrs. William J. Lavelle, Mrs. Jean Bailey and Mrs. Paul J. Calvert.

Both the Mass and reception were attended by a large number of friends and neighbors in addition to the relatives who came to attend the festivities and join in offering congratulations to the honorees.

Among the out-of-town guests in addition to Father Biss were Mary's sisters, Miss Nora Spring and Mrs. Jane Ravey of Oil City, Pa.; her brother and wife Mr. and Mrs. William J. Spring of Detroit, Michigan; her nephew and wife, Mr. and Mrs. Lee Ramey of Fort Lauderdale; her cousins, Misses Eleanor and May Burke of Deerfield Beach; Joe's sisters and husband, Mr. and Mrs. W. Walter and Mr. and Mrs. J.E. Hibbard of Miami.

Bride-elect Is Honored With Shower

Miss Donna Roan, who was married to Alan Dillon Saturday, April 29, was feted Saturday, April 23 at a miscellaneous shower in the Florida Power Lounge.

Hostesses were Mrs. Betty Barker, Mrs. Lea Selph, Mrs. Leona Sanders, Mrs. Alma Ellis, Mrs. Jeanette Roan and Mrs. Lucile Coffman.

Miss Roan wore a corsage of dainty red and white roses, presented to her by Miss Helen Tuften.

The theme of red and yellow roses was used throughout the Lounge.

The hostesses presented Miss Roan with an electric steam and dry iron. She received many beautiful and useful gifts from the guests.

Refreshments of punch, cookies and nuts were served.

Mrs. Hasket Entertains Group

Members of the Frances Horton Missionary Circle of the First Baptist Church met in the home of Mrs. A. C. Hasket recently. The business session was followed by a social period.

MRS. WILLIAM W. SURRENCY

Miss Evelyn Simmling Weds William Wayne Surrency Here

A simple but impressive wedding ceremony was performed Saturday, April 30 at 6 p.m. uniting Miss Evelyn Simmling of Heidenheim, Germany and William Wayne Surrency of Avon Park. Mr. Surrency is the son of Mrs. Mary Ellen Surrency.

Rev. Miller of the Baptist church officiated at the double ring ceremony.

The bride was beautiful in her plain white, street length dress.

The couple was attended by the bridegroom's mother and sister-in-law, Mrs. Frances Surrency.

The couple left immediately after the ceremony for a short honeymoon trip.

They expect to make their home in Avon Park. He is employed by the Sebring Utility Co.

Cheerleaders Plan Spaghetti Supper May 17

Next year's cheerleaders at APHS are preparing a treat May 17 just in case you forget Mother's Day that Sunday.

On that date a belated Mothers Day spaghetti dinner will be served between 5:30 and 7:30 p.m. at the Avon Elementary Cafetorium.

Tickets will be 75 cent for students and $1.25 for adults.

Cheerleaders plan the dinner to raise funds to make their annual trip to Leesburg where they will attend a training camp to prepare them for next school year's cheering leadership.

Their May 17 menu will consist of spaghetti, ice tea, cold slaw, Italian bread, cake, pie or cookies—all prepared by the girls.

Candy Stripers Buy Candy Cart

Candy Stripers of Walker Memorial Hospital met Tuesday, April 26 at the hospital and voted to purchase a Candy Cart. Express Wagon as their project to be used for children during their stay at the hospital.

They are holding a cookie sale at the Auxiliary desk in the hospital this week. Proceeds will go toward payment of the cart which has already arrived.

Their next meeting will be held with the Pink Ladies, May 16.

New Officers Are Seated At Patriots Chapter, DAR Meeting

Members of Patriot Chapter, DAR, enjoyed a luncheon meeting Monday, May 2, at Booram Hall, St. Agnes Church, Sebring.

Mrs. J.A. Vasek, regent, presided at the business meeting, which was opened by the chaplain, Mrs. C.R. Disher, and Mrs. Al Schutt, chairman Flag Committee.

Committee Chairmen gave year end reports.

Mrs. William J. Lockett, director, District VI, presented Mrs. Vasek with the Past Regent pin.

The chaplain, Mrs. Disher, installed Chapter officers who will serve during 1966-67. The officers installed were: Mrs. L.B. Ford, regent; Mrs. Ralph Koerber, vice regent; Mrs. T.R. Lane, chaplain; Mrs. J.A. Vasek, recording secretary; Mrs. A.M. Layden, corresponding secretary; Mrs. John Watson, treasurer; Mrs. E.J. Nickerson, registrar, Mrs. Arthur Dunn, historian, and Mrs. C.C. Cadieu, Librarian.

Mrs. Vasek and Miss Thelma L. Merrill presented reports on the DAR Edmund Dubiere Continental Congress which convened in Washington, D.C. April 17 through April 22, at Constitution Hall. The theme was "Where the Spirit of the Lord is, There is Liberty."

The DAR president general, Mrs. William Sullivan stressed that "national apathy allows subversive organizations, communists, atheistic groups and lawlessness to warp our public consciousness of moral values."

Mrs. Sullivan read greetings from President Johnson who quoted an 18th Century member of the English Parliament, Edmund Burke: Burke said, 'People will not look forward to posterity if they never look backward to their ancestors.'

Hostesses at the Monday meeting were Mrs. L.M. Quillen, Mrs. W.H. Arenson, Mrs. Diaur, Mrs. E.J. Nickerson, Mrs. W.W. Terrell and Mrs. C.R. Disher.

Mrs. Godwin Hostess To Philathia Class

The Philathia Sunday School Class of the First Baptist Church met in the home of Mrs. Edith Godwin for its monthly meeting Monday night, May 2.

The Class elected to study The Book of Revelations and Mrs. Lucy Robinson, class teacher, lead in the study of the first Chapter.

She distributed leaflets to show Genisis Complement in Revelations. An interesting study followed.

Mrs. Robinson closed with prayer.

A fellowship later was enjoyed by Mesdames, Ruth Thomas, President; Dolly Doubelly, Lois Fout, Geraldine Wright, Evelyn Lipe, Lauraline Artley, Katie Garlisle, Lucy Robison and the hostesses, Jewel McClure and Edith Godwin.

Tables set up in the living room were covered with beautiful tablecloths from Portugal which created a bit of conversation. Delicious cake, banana splits, nuts mints and tea were served.

Permits Reach $27,650 Mark

Building permits issued by the city in April totaled $27,650, including two new dwellings. Largest job, however, is the addition of four units to the Southernaire Motel by Roy Taylor.

A $9,000 permit was obtained for the addition. W. W. McFarland obtained a $2,000 permit for placing aluminum siding to his dwelling. Gerald Wicker of 301 N. Verona obtained a $2,000 permit for addition of aluminum siding.

Renovations and additions for the month totaled $16,150 while two new dwellings planned by Gaston Hall Jr., on 4th Street totaled $6,500, and Jim Waller obtained a $3,000 dwelling permit.

New Diphtheria Case Reported

A six-year-old Lake Placid boy is the county's newest diphtheria victim, Highlands County Health Director Dr. William F. Hill, Jr. said the new victim, who is white, is a first grade student at Lake Placid Elementary.

Throat cultures have been taken on all the Lake Placid first graders and each member of the new victim's family.

This is the fourth case of diphtheria in the county this Spring. The other three cases were among Sebring school children and the Lake Placid boy apparently has had no contact with these children, Dr. Hill said.

The Health Director again emphasized the need for parents to keep immunizations up-to-date for themselves and their children.

Other survivors included a son, two daughters, a brother and two other sisters, as well as 13 grandchildren.

Books Needed For SFJC Library

The job of starting a college library from scratch is a tremendous one — and expensive. But Miss Leila Sebring, librarian at South Florida Junior College at Avon Park, is tackling the job with vigor and enthusiasm.

"Our funds for purchases for the first year are rather restricted," Miss Sebring explained. "Thus we are asking citizens of Highlands and Hardee Counties to donate to the library any technical books or back issues of technical magazines they can.

"One of the most desired magazines is the National Geographic. Back issues are often difficult to find and quite expensive to purchase. We would welcome any back issues of the National Geographic as well as Science, Saturday Review of Literature, proceedings of the Florida Horticultural Society, and technical magazines in the fields of art, music, education, science, engineering and agriculture."

Miss Sebring is a graduate of Radcliffe College and has served as librarian for the National Cathedral School, Washington, D.C. and the Anglo-American Caribbean Council in Washington. Most recently she has served in the same capacity at the Florida Citrus Experiment Station, Lake Alfred, where she compiled one of the most complete libraries in the world on citrus.

Miss Sebring is a descendant of the founders of Sebring, Florida and Sebring, Ohio.

Persons desiring to donate books and magazines to SFJC may leave them at the library on E. Main St., across from the post office, between 9 and 4. Mail may be addressed to Miss Sebring at South Florida Junior College, P. O. Box 845, Avon Park.

Rebekahs Meet

Eleanor Seavern Rebekah Lodge No. 66 met at the Youth Center Monday night with Gladys Hagen presiding as noble grand in the absence of the noble grand, Mamie Aymistead who is ill at the Walker Memorial Hospital.

Bertha Barker and Lula Fisher were hostesses and served refreshments.

Stallards To Be Feted At Reception

Dr. William A. Stallard and Mrs. Stallard will be feted at a public reception this evening between 7 and 9 p.m., at the Sebring Woman's Club. The club is located at 8000 W. Lakeview Dr. Sebring.

Tonight's reception was arranged by the Sebring Chamber of Commerce to introduce Dr. Stallard, president of the South Florida Junior College which will open at Avon Park Aug. 19 to many who have not met the educator.

More than 500 invitations have been sent to school authorities and personnel, public officials, officers and members of civic, patriotic, religious and fraternal organizations in Highlands and Hardee counties.

Considerable interest is being shown since announcement was made of the wide variety of 50 elective two-year courses that will be available to students attending SF-JC.

Mrs. Theon Sebring and Mrs. Stanley Davis head a large committee of the Woman's Club of Sebring in charge of making arrangements for the reception which will afford the citizens of Highlands and Hardee Counties an opportunity to meet the president of this new educational institution.

THANK YOU
Voters

I am proud of the overwhelming support the people of Highlands County gave to me in the May 3 Primary, and am very grateful. I will continue to do my best in our Senate.

Play School Will Open Under VISTA

Opening of the Noah's Ark Play School at Green Street and S. DeLaney Avenue May 9.

The board of directors will hold a dedication of the play school Sunday, May 8 at 3 p.m. according to Rev. W.W. Wells, chairman of the board. The ceremony will be held at the Mt. Olive AME Church adjoining the property.

Mrs. Frank Sukiaffe, regional director of the Community Action Fund, will be guest speaker.

Directors, including Wells, Robert Hanford, vice chairman; Mrs. Robert Wilson, secretary-treasurer; Mrs. Donald Eastman, Mrs. Rex Furr, Dr. William Hill Jr., Frank Lyons, John Nelson and Joseph Perry, as well as the staff, are expected to be present.

Volunteer teachers and the U.S. VISTA personnel also will be present, the latter being Mr. and Mrs. Steve Wiland who have been working in the area several months in the interest of the program.

The play school is a non-profit community action project to provide day care service and educational cultural experience for pre-school age children from primarily, the lower income families, according to Wells.

Present facilities limit the "Ark" to 25 passengers and "crew," he added.

Honorary board members include Mayor E.A. DeLaney, members of the Bi-Racial Committee, Rev. J.W. Daugherty, Rev. A.G. Hardee, Mrs. Charles Shepherd.

Mr. and Mrs. L.E. Dietz of near Chattanoga, Tenn., are leaving the latter part of the week for their home.

Weekly Mat Shows End

Weekly wrestling shows which have been featured at the Avon Park National Guard Armory each Friday night have been terminated. They will not be held on a regularly scheduled basis until next fall, according to Pat O'Hara, the promoter.

He says there will be matches from time to time during the summer at the Armory.

"Our Man Flint" Marks Return for Lee J. Cobb

The famed character actor Lee J. Cobb, who has been busily engaged on TV in "The Virginian" series, returns to films with his portrayal of a chief of spies in "Our Man Flint," a 20th Century Fox release in CinemaScope and DeLuxe Color.

Once again Cobb had the opportunity to add luster to the reputation he has earned as an actor in Hollywood. It is said that regardless of what sexy stars appear in pictures with Lee J. Cobb, the character he plays is the one that stays with the audience. They may forget the title of the film, the beauty of the women, or the exploits of the handsome male star, but some scientist, doctor, father or grandfather role played by Cobb remains the dominant figure in their minds.

Cobb is an actor who never got to make love to the leading lady, a character artist who has been tagged by biographers as one of the world's greatest. The proliferation of his technique over the years is a continual amazement to critics. He has moved along all entertainment lanes — theatre, motion pictures and TV — with equal command in each medium. And while he has yet to play a character under 45 years of age, he has managed to attain a versatility which hypnotizes watchers and delighted critics.

To give a hint of his versatility, some of Cobb's roles thus far have been union boss, monster, Chinese War Lord, scientist, outlaw, sheriff, Prime Minister of Siam, an editor, thief, gangster, and of course, the aging salesman, Willy Loman, in Arthur Miller's "Death of a Salesman."

In "Our Man Flint" he plays the head of ZOWIE, the Zonal Organization of World Intelligence Espionage, and thus tries to manage the undisciplined super-spy Derek Flint, played by James Coburn. Also appearing in the film are Gila Golan, Edward Mulhare and Benson Fong.

"Our Man Flint" was directed by Daniel Mann and produced by Saul David from a screenplay by Hal Fimberg and Ben Starr.

Mrs. Rutz Will Speak To AARP

Highlands County Chapter 222 of American Association of Retired People will meet Monday, May 9, at 7:30 in the Sebring Hotel, Sebring.

Mrs. Anthony Rutz, missionary, educator and business teacher, will be the guest speaker. Mrs. Rutz served under the Methodist Board in Cuba for a number of years. She taught business administration, shorthand and typing at Pinson College Camagüey, Cuba.

Her husband, Anthony Rutz was one of the American pioneers in sugar cane and citrus industry, he also owned large cattle ranch lands. When Castro took over the Rutz were forced out of Cuba by the Castro government which resulted in great financial loss to them. They arrived in Florida in early 1964 with the only possessions they could bring in a suitcase each.

They now live in Avon Park where Mrs. Rutz is presently teaching in the public schools.

All members are urged to attend and visitors are welcome to hear this outstanding speaker.

Prospective Teachers Want To Know If Unwed Men Available, Too

"What kind of equipment do you have in your schools?"

"Tell me about the community."

These are the first questions college students are asking this year when interviewed by teacher recruiters.

"This is new," said James Ferrel Smith as he reported on the teacher recruitment trips he has made in several Southern states. "The new teacher wants to know that classrooms are in good condition, and that good, up-to-date materials will be available.

"The kinds of buildings and equipment available are often a good indication of the community's attitude toward education. Then too, students I interviewed had just finished practice teaching. Some had learned first-hand how hard it is to do a good job with inadequate supplies, and others had found how helpful good equipment is," Smith commented.

Curriculum coordinator for Highlands County schools, Smith has made two out-of state trips this year in search of teaching talent.

"I was looking for quality," he says, "and that is always in short supply. I do think some of better prospects were interested in the things I told them about our schools.

"I was glad they asked about the community because I think this is a point I can really brag about; we have fine communities here. Any part of the county would be a good place to live."

Only one point gave the recruiter some trouble.

"Young, unmarried women like to know whether there are many unattached men living here. I must admit I don't know many bachelors," Smith wryly observed.

Teacher assignments for the coming school year will be made at the May 10 meeting of the School Board. Superintendent George Douglass has told the board that he is most hopeful that he will be able to recommend a full slate of "fully certified, top quality teachers."

"We may not make it," Douglass admits, "but we are trying."

I Want To Thank The People Of Highlands County For Their Support

I am sorry that I will no longer be able to serve them in the Legislature but feel sure that the Honorable Chesterfield Smith of DeSoto County will do a good job.

On Living Graciously

"But one thing is needful: and Mary hath chosen that good part, which shall not be taken away from her." St. Luke 10:42.

If we want to experience a fine, abundant life, we must pay some attention to the practice of those spiritual disciplines which give tone to life, deepening and enabling it.

Jean Millet was a famous French painter. He came from peasant stock and some of his greatest paintings were of the everyday life of the peasant. One of them, known as "The Angelus," shows a peasant man and woman standing with bowed heads in a field where they have been laboring. About them is the evidence of their toil. Their heads are bowed in prayer in answer to the evening bell which is being rung in the steeple of the church in the background. Millet has succeeded in creating an attitude of reverence in which one senses humility and the love of God.

Dean Russell in talking about the tuning of the Carillon at Duke University said: "Not only must the primary tones be harmonized but also the 'hum' or overtones, which should be a major sixth below the 'strike note'." He goes on to indicate that in this regard people are like bells. They are fundamentally good but often the overtones of their lives just don't harmonize with those of their neighbors. In order to overcome this lack of harmony, it is necessary that the purposes of life be attuned to the eternal nature of things.

In the Scripture, from which our text is taken, Martha is concerned about many things, all of them transitory. While Mary gives her attention to one thing which is of an infinite, divine nature.

We cannot say that Martha's concerns, as she works to prepare a meal, are of no value. As a matter of fact it is the concern for the finite, transitory things that keeps the world running. The world in which making a living and maintaining a position occupies the major part of one's time, talent and means.

Instead of giving her time to the preparation of many dishes, when, as Jesus said, one dish would have sufficed, how much better it would have been if she had given some time to sharing with Mary in the divine spirit of love which Jesus had to offer, and to have learned of him how best to life!

Our blindness to the divine mysteries is not because we have willed it but because certain faculties within us have been preoccupied with the choirs. We have forgotten our true nature, that God breathed into man and he became a living soul, that God set eternity in the human heart.

Religion is more than a set of beliefs and activities. We need to be personally related to the divine concern, to practice a spiritual discipline. Without which we eventually discover that our character is no longer rooted in God and, because of that fundamental lack, life is dying away.

If we fail to cultivate the spiritual life, there will come a day, when we shall meet a man, the graciousness of whose presence, will cause us to despise ourselves. When we find such a person, we shall find one to whom the spiritual occupies a large place in life. Of such a person one can say what Justice Brewer said of President Woolsey of Yale University: "He was the greatest man who ever touched my life." We will discover that the overtones of such a life are constituted of the Christian graces.

The tuning of bells consists in scraping metal from the lip of the bells "until the desired overtones are obtained." Here is an object lesson for us. We must pray God to help us to overcome small faults and failings, to exercise a little more thoughtfulness and courtesy in our relations with others.

We must learn to take time to test our lives before God, to open dark corners in our souls, to wait for the coming of indications of His purpose. To look upon Christ till our lives are changed into what he would like us to be.

The peasant man and woman, in Millets' picture, have paused for prayer. We, too, need to take some time for meditation, for sitting down with the Bible to fill the mind with God's truth and to live awhile in His Presence. Prayer becomes communication in which our souls are refreshed. The inner man actually feeds upon what Jesus referred to as the "Bread of Life." In this connection, it can be said that Mary's sitting at the feet of Jesus is more than a pretty picture, it is a way to great, creative and gracious living.

A man ought to be interested in the realization, in his own life, of that which has been described as "the graciousness of the Lord Jesus Christ." If we can attain to that, even in part, we shall leave the world a little better because we have passed this way. Our lives will be a harmonious blessing to those with whom we mingle day by day. May all such be able to say to us: "Ah, yes. Life goes better when you are near."

County Red Cross Chapter Seeking Funds

Highlands County Chapter of the American Red Cross today begins a special 15-day drive to raise $6,56, as its fair share of the 89 million Special Emergency Campaign for urgently needed military and disaster operating funds.

There will be no door-to-door campaign which is aimed at corporate contributions and donations by mail.

"Red Cross commitments in Viet Nam are extensive and costly," said Mrs. Florence Peach, County chapter executive secretary. "Our services to military personnel and their families and expenditures—as a result of Viet Nam, continue to escalate. Disaster Funds are virtually exhausted. Meeting the full special campaign goal is essential if we are to do justice to our obligations to our fighting forces and to the victims major disasters which surely will happen in the coming months."

Contributions should be sent to Red Cross Emergency Ad. 17 N. Commerce Street, Sebring.

Episcopal Youth Joint Meeting

Episcopal young Churchmen of St. Agnes', Sebring, will be guests of the young Episcopalians of Redeemer, Avon Park, Sunday, May 8 at 5:30 p.m. in the Redeemer Parish House.

Feature of the program will be a presentation by the Rev. Dr. John Mulder on the Genius of the Anglican Communion, with pictures. Devotions and light refreshments have been assigned.

Miss Joan Webber is advisor to Reedemer's EYC, and Miss Sue Ayerst is the president.

All high school youth are cordially invited from both communities.

The Deanery EYC Rally is May 15 at St. Paul's Winter Haven, from 4 p.m. to 6:30 p.m. Reservations in advance.

Lutherans To Consider Call

A special congregational meeting of the Resurrection Lutheran Church will be held at the Church on May 8, immediately after the worship service. This is being held to consider a call to a new pastor. All members of the Congregation should plan to be present, if possible.

Mrs. Hundley of Lakeard, will be at Resurrection Church on Wednesday evening, May 11, at 7:30 p.m. to meet with the ladies of Atonement Lutheran Church, Sebring, and Resurrection Church.

Church Vestry Meets May 18

Due to the ECW program and the Diocesan convention, the Vestry meeting of the Church of the Redeemer for May will be postponed from May 11 to May 18 so that reports can be made from the convention.

The meeting will be held in the Parish office, starting at 7:30 P.M.

Refreshments will be served.

Royal Arch Meeting Set

Members of the Highlands Chapter, 42, Royal Arch Masons, will hold a stated conclave Tuesday, May 10, at 8 p.m. at the Avon Park Masonic Temple, W. Main Street.

Work in the MM Degree will take place.

Refreshments will be served.

Work in the MM Degree will be held Sunday, May 8 at the Masonic Temple.

Card of Thanks

We sincerely appreciate all the kind expressions of sympathy extended to us during our recent bereavement. The flowers and food sent to us, and your many acts of kindness will always be remembered.

Florida Avenue Baptist Church is a well-known edifice for Christian worshippers in the Avon Park area. The church, located on S. Florida Avenue several blocks off W. Main Street, recently dedicated its new parsonage for Rev. Lester Miller and his family. Services are held both morning and evening on Sundays, with mid-week prayer services at 7:30 o'clock Wednesday evenings. It is a friendly church for both resident and visitor.

Off He Goes

Two Colville, Wash., high school students recently volunteered their algebra teacher for the first trip to the moon.

The Civil Aeronautics Board said it had received the following letter. It declined to mention names.

"We would like to volunteer the services of a well-known and very renown (sic) man. We think he is qualified to perform any task. His name is ——. He is willing to go to the moon, preferably one way. If he cannot be used there, please send him elsewhere. He's our algebra teacher."

Life With The Rimples

By Les Carroll

To the Rescue

A Coast Guard patrol boat on its way to investigate a report of a capsized sailboat off San Francisco recently, sank itself when a seam in its fiberglass hull split open.

"We're used to this," said Electrician's Mate David Gabel, one of the three Coast Guardsmen rescued.

"We're not used to sinking of course, but to getting wet."

Spice CABINET

• Before peeling oranges or grapefruit, try putting them in hot water for 30 seconds. It loosens the peelings and helps to remove them easily.

• Small frozen juice cans are excellent to store refrigerator cookie dough. Save an end to push the dough out. Cut and your cookie is preshaped!

• Use a buttered ice cube tray when making fudge and you will find that the fudge hardens quicker.

Cheerleaders Elected For Next Year

The newly elected cheerleaders for the next school year are Mary Lou Cramer, Susan Gentry, Pat Holden, Lisbeth Liles, Pam Maness, Melanie McClure, Marilyn Smith, Reggie Weber, and Celia Albritton.

They had two weeks of practice and went before a screening committee of teachers before going in front of the student body.

Each girl did three basic jumps, an individual cheer, and a group cheer. The cheerleaders were elected by secret ballot for ability, poise, personality, and pep.

Already the girls have started working in order to pay their way to the ACA Academy in Leesburg, July 24-29. Cost will be $40 per girl plus expense for the trip to Leesburg.

For the past two months the cheerleaders have sold popcorn and Cokes at all home track meets and sold popcorn at the home baseball games.

They plan a spaghetti supper Tuesday, May 17 at the Elementary Cafetorium, from 5:30 to 7:30 P.M. Tickets will be sold by the cheerleaders for $.75 for children under 12 years of age and for $1.25 for 12 and over.

If you would like to buy a ticket but find it inconvenient to come to the cafetorium, the cheerleaders will have a catering service. This will be the main money-raising project the girls sponsor.

At camp, the girls will be under the supervision of trained staffers and of Bill Horan. There they will learn new cheers, jumps, chants, songs, and more about cheering, the history, methods used, and etc.

The girls sponsor is Mrs. Margaret Collins. All are hoping for a successful year like last year.

"We cannot recognize the new cheerleading squad without praising the old one. The 1965-66 cheerleaders were the "closet" squad that Avon Park High has seen in a long time. The entire year went without a single major squabble. The girls owe this to the sponsor," said members of the new squad.

Last year's squad included Linda Simmons, Pam Maness, Susan Gentry, Mary Lou Cramer, Melba Mitchell, Karen Pearl, Lisbeth Liles; co-capt., Georgia Franza, Diane Boland, and Linda Wester, Captain.

Mr. Maness plans to have a cook-out for last years' squad. The date is undecided.

Each girl is "patiently" waiting for the next school term to begin, and especially for the football and basketball seasons to start.

All feel it an honor and a priveledge to be selected to represent the school next year and hope they can be a good example of their school.

Teacher Of The Week

This week Avon Park High School selects Miss Joy Criner as teacher of the week. Miss Criner is a graduate of Mississippi State Teachers College for Women, and has been teaching home economics, English, and physical education this year.

She is a member of all local and state teachers associations, and a member of the Florida and American Home Economics Teachers Association.

Miss Criner's pet peeve is "Students who are irresponsible for their homework."

Her favorite pastime is cooking, sewing, and being with people.

Avon Park High School is very fortunate in having Miss Criner here with us this year.

Avon Park Honor Students Top List To Attend Saturday Banquet

More than half the 90 students to be honored at the fourth annual scholarship recognition banquet Saturday, May 7 are graduating seniors of Avon Park High School.

The banquet will be held at Sebring Hotel and will honor those students of Avon Park, Sebring and Lake Placid High Schools who have maintained a B or better average through four years of high school.

The guest list includes 26 Avon Park seniors, 19 from Sebring High and 5 from Lake Placid.

Principal speaker will be Polk County's juvenile and domestic relations Judge Bowdon Hunt.

Walker, chairman of Scholarship Recognition, Inc., will present keys to the honored students.

Other participants on the program will be Billy C. Carson, invocation, D.D. Cunningham, the welcome, George Douglass, presentation of award winners.

The speaker is to be introduced by Rex Bond.

Judge Hunt is one of the few Florida judges not a lawyer. The veteran juvenile officer was a social worker and probation officer prior to his election to the Polk County Juvenile and Domestic Relations Court bench in 1945.

In announcing the guest list for the 1966 banquet Chairman Walker said, "The last three banquets have been huge successes and we expect this year's to be equally so. We sincerely wish to honor and recognize the students who possess good sound excellence in scholarship, which is the most basic of school activities."

Avon Park students to be honored include Judy Faye Batson, Gail Susan Bennett, Diane Susan Boland, Patricia Ann Carroll, Robert Wesley Coleman, Linda Myrce Dorsey, Candice Von Flint, Georgia Ann Franza, Dorothy Jeanne Grove, Sharon Yvonne Haines, Jackie Evelyn Hall, Carl Frederick Holden, Jacqueline Constance Jackson, Peggy Dawn Johnson, Janice Arline King, Sarah Elizabeth King, Michael Pierce Knapp, John Kelly McClure, James Waylon Mitchell, Elouise Kathryn Monsalvatge, Spencer Martin Oberle, Clara Frances Pate, Patsy Louise Scott, Nancy Elizabeth Seibold, William DeRoy Thomas, Charles Stokley Warrington.

Lettermen Club Banquet Scheduled

On Saturday, May 28, at 7 p.m. the Lettermen Club will hold its annual banquet for members and their dates at Griffin's Restaurant.

They will be served roast turkey with all the trimmings.

New members will receive Letterman jackets which they earned by working at baseball and basketball games throughout the year.

Mrs. Margaret Collins and Coach Joe Franza are the sponsors for the group.

Debates In Speech Class

For the past six weeks the fifth period speech class has been involved in team debates which will be given next week.

A debate is to question or argue on a topic on both the affirmative and the negative sides.

The teams:

Bob Rush and Leon Watson, affirmative, Tom Drake, Miles Smith, negative. Topic "Should Capital Punishment be Abolished?"

Don Pyle and Jim Renfro versus Betty Hutchinson, Barbara Harden and Linda Coat, affirmative, versus Larry Waters and Alfred Heling. "Income Tax."

Mary Kress and Elizabeth Kress versus Linda Sizemore and Barbara Dyer. Tom Nunaillee and Bill Wild will take the affirmative against Jimmy Powell and Danny McMasters on the topic Teen Age Marriages.

This should be a very exciting week for the only speech class in Highlands County.

Mr. Doty, the speech teacher, has helped the students a lot to get ready for this debate.

I think one of the more interesting debates will be on "Capital Punishment." This subject is widely discussed in the United States today.

MRS. REDDICK, seventh grade English teacher, is pointing out several interesting books for her students to read.

Fifth Grade Works On Dolls

Last week as an assignment the fifth graders were given a doll to make. A pattern was made, given each to student, and the work began. The class studied the Japanese culture of Mrs. Katherine Calloway, took famous characters from a book called "Our Country's Story" and dressed them.

Some of the famous characters were George Washington, Wilber and Orville Wright, Eli Whitney and his cotton gin, Daniel Boone, General Grant and many, many others.

The fifth graders also decorated the bulletin board in the lunch room for Easter. They took bare of the bulletin board a display about "Space Reading."

Lightpoles In Sections

Newly developed street light poles are made from nickel steel, less steel sections, each six feet long. Exceptionally lightweight, the poles can be assembled and erected at an installation site by two men in less than 15 minutes.

2 To Make Plant Survey

Two Highlands County educators will be members of the team of 40 making the plant survey in Palm Beach County the week of May 8-13.

They are Ralph Hendry, principal of Sebring area schools, and Donald Hansen, coordinator of health, driver education, physical education and audio-visuals, will be visiting the Palm Beach schools throughout the week.

The team is making the plant survey which is required and made by the state Department of Education at least every five years.

Two Books Will Be Reviewed: Synopis of Each Given Here

This week we aare going to review two good books in the library.

The first one is "The Good Earth," by Pearl S. Buck.

The reader soon becomes unaware of distinction of race, of period, of locale. These people are born, play, toil, suffer and dream as all humans have done, under whatever sun, on whatever patch of our common earth. Wang Lung, rising from humble farmer to wealthy landowner, gloried in the soil he worked, held it above his family, even above his gods. But beneden the kindly soil and him were interposed flood and drought, pestilence and revolution. We see him first on his wedding day, and through him and his children, trace thee whole cycle of life, its terrors, its passions, its persistence, its annihilations and its meagre rewards."

The second book is "PT 109 John F. Kennedy in World War II" by Robert J. Donovan. In the early morning of Aug. 2, 1943, in Blackett Strait in the Solomon Islands, the Japanese destroyer rammed and sank an American PT boat, leaving its crew for dead in a sea covered with flaming gasoline. The skipper of the PT boat was a skinny, handsome, boyish lieutenant from Boston named John Fitzgerald Kennedy. Lt. Kennedy spent 30 of the next 36 hours in the water. Ten other men survived to tell of his cool courage.

On that August night, Lt. Kennedy urged his men to temporary safeth on the floating hulk. The next morning he dragged one of his crew, horribly burned, three miles through Pacific waters by clutching the strap of the man's life preserver between his teeth. With his crew safe on an island, Kennedy plunged back into the water the next night and swam for miles in an effort to intercept another PT boat on patrol. He was washed ashore in the morning, exhausted, half unconscious, with only the news of his failure for his hungry, injured and frightened men.

In PT 109, there are other extraordinary tales of Lt. Kennedy and of the South Pacific—tales of air raids and Japanese Zeros, of midnight attacks on Japanese barges and "blind" patrols in enemy water. There are lighter moments, too—young Lt. Kennedy scrounging for food for his crew, famming a fellowing dock, and discovering that his "houseboy," in Tulagi had been a cannibal.

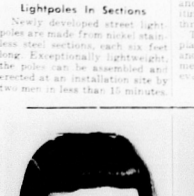

Finall there is the untold story of Lt. Kennedy and another PT Boat. —PT 59—in which he is rescued the remnants of a Marine company driven into the sea by the Japanese. At night, and with insufficient gas to return to his base, he ran beneath enemy guns to pluck fifty men out of the water and off their sinking craft and take them to safety. One of them died in Kennedy's bunk.

If there is nay doubt anwhere—all the way to Moscow—about the toughness, coolness in the face of danger, and the courage of our thirty-fifth President, PT 109 should dispel is swiftly and completely.

Supercold Steel

Although at extremely low temperatures most metals will become very brittle, a special 9 per cent nickel steel has been developed to remain unaffected by temperatures as low as -320°F. Invented in the research laboratories of International Nickel, the steel is used primarily for containers to handle, store and transport supercold liquid gases.

Senior Girl Of The Week

Candy Von Flint, daughter of Mr. and Mrs. Eugene Flint is a very active member of APHS.

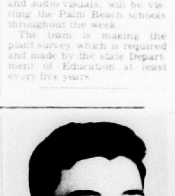

She is a majorette in the Avon Park High School Marching Band, is a member of the Honor Roll, Future Teachers of America, and is advertising manager of the Annual Staff.

Her pet peeve—"People who are never on time."

In her free time Candy enjoys swimming, twirling her baton, and reading.

Favorite food is —"Steak."

After graduating this June, she is going to Newberry College in South Carolina and study general courses.

Senior Boy Of The Week

Jimmy Ervin Powell, son of Mr. and Mrs. John W. Pierce, is a good athlete at APHS. Jimmy came to Avon Park in 1960 from North Florida.

He is a member of the Avon Park Devils Club, football, basketball, and baseball teams.

His favorite food is anything eatable.

His pet peeve is "People who try to be something they really aren't."

Jimmy's favorite pastime is swimming, and sports in general.

After graduation this June, Jimmy is going to join the Air Force.

BOYS RIDE BRONCO, but this one is of iron and ropes, in physical education classes. The "bronco" is the idea of Coach Joe Franza who had the critter made for his "cowboys" and rough riders. The only thing approximating the real thing is the saddle.

Boys In Physical Education Dept. Are Riding Bucking Broncos

Coach Franza has made a contraption to help the boys in physical education classes interested in the Wauchula rodeo in May.

It is made of a barrel with a saddle on it and is connected to three poles and suspended with inner-tubes.

Some of the boys who have ridden it say that it is "Almost as wild as a real bull."

Plinkers Must Keep Itchy Finger Still

Florida is one of the few states in the nation that can boast of a sizable population of bald eagles, and the Game and Fresh Water Fish Commission urges "shooters and plinkers" to observe state laws protecting eagles, hawks and owls, along with most other bird species, when looking for moving targets in the open countryside.

Ted R. Copeland, Commission chairman, pointed out that all Florida Birds are protected against hunting, capturing or molesting except English sparrow, crow, starling, black and turkey vulture. It is also unlawful to destroy the eggs or nests of any protected bird species.

Muck Fires Starting To Plague Area

One of the odors of spring in South Central Florida seems to be the pungent smell of burning muck. Despite the relatively wet winter, 10 muck fires have burned during the past two weeks.

Lack of sufficient rain for the past several months allowed the upper surfaces of the muck areas to dry out.

Polk County leads the list with 9 of the muck fires. Hillsborough has one.

Major muck problem areas are centered along both sides of Interstate 4 in Hillsborough County, the central area in Polk by bounded by Bartow, Lakeland, Polk City, Haines City, Lake Wales and south to the county line. Highlands County muck problem areas lie to the north of Avon Park, around Sebring and the south end of Lake Istokpoga.

At least four and probably more of the 10 muck fires have started from careless or indifferent legal burning. The others are attributed to illegal burnings.

The danger from burning muck comes from the great amount of smoke produced as the centuries old organic matter smoulders. In past years Polk county was plagued with many serious or fatal accidents attributed directly to a mixture of fog and the smoke from many muck fires forming an impenetrable blanket on the highways.

- Unscrew or loosen jar lids before putting them in the refrigerator. They will open easier.
- To make a new garbage can last twice as long, seal the bottom from moisture with melted paraffin.
- When sheets become worn in the centers, use the outsides to make pillow cases. Trim them with pretty borders made on the zigzag machine.
- To remove stains from rubber sink mats, rub briskly with rubbing alcohol, rinse thoroughly, and scrub with a good cleansing powder. Rinse.

School Pranks

San Francisco police have had a fence constructed in hopes of quelling the latest teen-age fad. Officers said teen-agers recently have stolen cars, set them afire and shoved them over cliffs "just for the thrill of watching them explode." Auto theft inspector Rudy Nieto said, "It's become quite a fad among the high school kids."

Now— U. S. Savings Bonds Pay More Interest

4.15% when held to maturity

Higher interest on the Bonds you already own, too!

U.S. Savings Bonds are a better way to save than ever

Because now all Series E and Series H Bonds bought after December 1, 1965, will earn the new, higher interest rate of 4.15% when held to maturity. That's only 7 years for Series E — 9 months quicker than before. All H Bond interest checks will be larger beginning in June 1966.

And your outstanding Bonds will earn more, too, from now on. So, you don't have to cash in your present Bonds to get the attractive new rate.

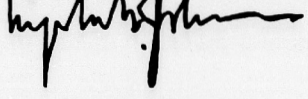

Ask about buying Bonds where you work or bank. For America's future. And yours.

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who serve as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us are called upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."

Ancient Pakistani City Is Getting A New Look

LAHORE, W. Pakistan (UPI) — For good or bad, industrious Pakistanis using slide rules, prestressed concrete and a yen to go modern are bustling about the ancient streets of Lahore, applying new face makeup to one of the world's oldest cities.

In the heart of town, on ground where historians say men have lived and walked for 4,000 years, modern buildings are sprouting up with designs suggesting nothing of Lahore's proud and distant past.

The landmarks of the ages still hold forth, of course, along the city's well-trod tourist routes.

There is the 11th Century Lahore Fort where the earliest Muslim conquerers beat off defenders; the Badshahi Mosque, reputedly the world's largest house of Muslim worship, the sprawling Shalimar Gardens kept immaculately manicured for 329 years.

Prominent on the far end of The Mall, Lahore's principal commercial boulevard, still stands the Zamzama Cannon. Its 9½-inch muzzle pointing straight into the traffic, a standing monument to wars fought 200 years ago when its thunder was feared as the H-bomb is today.

Three generations ago Kipling celebrated Lahore and the Zamzama when his fictional Kim awoke from the shade of the gun's massive ironwork and strode forth in one of the most popular novels ever written about British India.

But today there is no British India and the latter day Kim who pauses to daydream by the Zamzama will be a young Pakistani probably watching sleek European automobiles whiz past and wondering if he'll ever own one.

A few blocks down the street past doubledecker London buses waiting for traffic signals and an endless string of vendors offering betel leaves to idling workers, tea to the ladies and film for the tourists, construction cranes hoist beams and concrete up the sides of yet another building taking shape on the city's changing sky line.

On the business end of the tree-lined Mall, where the broad boulevard dissolves into a spacious civic center, a modest $1.5 million office building facing the circle was completed last year. Another one, bigger and more expensive, is going up on the opposite edge of the center.

Neither structure would capture a second glance in a western city of 2 million population. But jutting above Lahore's Mohgul domes, they stand out like fashion models at a barn dance.

All done in Italian modern architecture, there are so far five such conspicuous buildings completed in downtown Lahore.

Once a stopping place of conquerers, Lahore today is a thriving trade center, the provincial capital of West Pakistan and the cultural hub of the nation's 115 million people.

Millions Visit Florida Parks

Tallahassee, April 20 — A record number of tourists are continuing to visit the State's Parks and Historic Memorials with the heavy summer tourist season still to come.

State Parks Director Bill Miller announced today that more than three and a half million people have visited the State's 31 operating Parks and Historic Memorials since last July, the beginning of the Florida Board of Parks' fiscal year.

The tourist total from July 1 through March 31 showed a 415,220 increase over the same period last year - a boost of 17 per cent.

Hugh Taylor Birch State Park in Fort Lauderdale leads in the attendance figures with 909,872 so far this fiscal year. Second is St. Andrews State Park near Panama City Beach with 363,018.

Other parks around the state reported: Anastasia near St. Augustine, 224,188; Bahia Honda on Bahia Honda Key, 119,660; Highlands Hammock near Sebring, 113,361; Collier-Seminole near Naples, 91,600; Crystal River Historic Site at Crystal River, 23,732; Dade Battlefield at Bushnell, 40,096; Florida Caverns at Marianna, 51,422; Fort Clinch at Fernandina Beach, 122,316; Fort George at Fort George, 54,863; Fort Pickens near Pensacola Beach, 224,391.

Public Payroll Grows in State In Five Years

A skyrocketing of public employment in Florida has accompanied the state's population growth and the expansion of its economy, especially in the past five years, the Florida State Chamber of Commerce reported in its Weekly Business Review.

Employees in Florida of government at all levels (except the military) numbered 303,743 in October of last year, 37 per cent more than in October, 1960. The national average increase was 21 per cent.

This total was made up of 56,596 federal civilian employees (up 19 percent), 55,582 state employees (up 41 per cent) and 192,565 local government employees (also up 41 percent).

Expressed in terms of full-time man-hours, there were 229,711 persons on state and local payrolls last year. Local schools accounted for 84,147 of these (21,921 more than in 1960), and higher education for 17,112 persons (7,997 more than in 1960). Public hospitals employed 30,343 last year (up 13,935 persons); and all highway and street departments together had 16,300 job holders (up 2,969 persons during the five years). Police and local fire departments employed 17,005 persons last year (3,960 more than in 1960). Administration, health, sanitation, recreation, natural resources and a variety of lesser categories accounted for the balance of the total employees.

The monthly payroll of the 229,711 state-local jobholders in Florida came to $96 million in October last year as measured by a special study of the U.S. Census Bureau. The average monthly salary per employee was $418 in Florida last year, compared with $493 nationally.

Our Service Manager is a MONSTER!

At first glance, Kenneth Wells looks and acts like a normal human. To further substantiate his human qualities, he's happily married, has a family, eats pizza and roots for the Red Devils.

To know Ken Wells is to like him. Most of our service customers do. And for a very good reason— he is the guy ultimately responsible for the care and repair of your car—and he does one heck of a good job!

As our Service Manager for the past three years, Ken has an enviable record as a skilled knowledgeable technician. Every month more than 350 cars go out of his department, covering a range of minor carburetor adjustments to complete motor overhauls and body repair.

Without fail, one or two (never more!) of those 350 monthly service customers has a complaint. In their eyes that nice, likeable, friendly, competent Ken Wells is transformed into a monster.

When that happens, we clean Ken's sparkplugs, tighten his fan belt, and oil all of his movable parts. After all, 348 people a month think he's a very human Service Manager.

PROPOSED SITE for campus of South Florida Junior College fronts on U. S. Highway 27 and has frontage on two lakes—Lake Glenada and Lake Lelia. The Florida Alcoholic Rehabilitation Center buildings are located just east of the proposed campus area.

SITE SELECTED FOR SOUTH FLORIDA JUNIOR COLLEGE

ARC Property Is Selected For Permanent Site of JC

Permanent location of South Florida Junior College on land now owned by Florida Alcoholic Rehabilitation Center seemed virtually certain after Highlands County School Board voted to make formal request for release of the site.

Formal request to the state institutions commission was made on the recommendation of the state Department of Education.

Dr. Lee G. Henderson, assistant director of the state's division of community junior colleges, in a letter to Superintendent George F. Douglass, said, "It is our opinion that if you can acquire approximately 80 acres of land at the Alcoholic Rehabilitation Center, the access road to the Center can be rerouted and if water and sewerage are available, the Alcoholic Rehabilitation Center site is by far the most desirable site yet offered for the junior college."

Douglass read to the School Board a resolution passed by the County Commission pledging construction of a new access road to the Center at no cost to the schools.

Dr. William Stallard, president of South Florida Junior College, said the City of Avon Park has pledged four acres of additional land, adjoining the ARC site on the south, and Avon Park citrus grower Bill Sachsenmaier has offered to contribute 10.1 acres to the north if the ARC site is accepted as the junior college location.

"While these offers have not been placed in writing," Dr. Stallard said, "I am certain they are firm offers and would bring the total acreage for the campus to about 82.5 acres.

Joseph C. Ziesenheim, administrator of the ARC, said the Center uses city water from Avon Park.

The city had indicated it would cooperate with establishment of a junior college, mentioning water supply help.

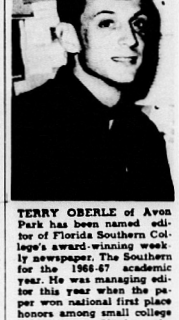

Sewerage may present more of a problem since the ARC treatment plant is designed "for just about the load the Center places on it," Ziesenheim said. "I am sure we can work it out," the administrator added.

The ARC site includes approximately 225 acres. The proposed junior college site would be on the western border, lying next to Hwy 27.

The proposed campus would include shoreline from two lakes.

Dr. Stallard told the School Board Tuesday that 100 applications, with fees, had been accepted. He added many more applications are being processed.

So far, he said, the heaviest concentration of applicants is from Hardee County High School, but the percentage of graduating class enrollees is highest at Lake Placid High School.

TERRY OBERLE of Avon Park has been named editor of Florida Southern College's award-winning weekly newspaper, The Southern for the 1966-67 academic year. He was managing editor this year when the paper won national first place honors among small college publications. Oberle, who will be a senior in journalism major and a member of Theta Chi fraternity. His parents are Mr. and Mrs. R. O. Oberle.

Piggyback Facility Comes To AP As Seaboard Displays Setup

Piggyback transportation has come to Avon Park.

Facilities for handling trailer trucks—12 of them at a time—have been installed permanently at the Seaboard Air Line yards just north of W Main Street, and only a step away from the passenger depot.

A ramp for loading and unloading the trailer trucks has been installed, as well as overhead lighting for night handling. And, a long cement walkway on the west side of the flatcars attests to the permanency.

G.K. Leftwich, district freight and passenger agent for SAL, said the new facility is the only permanent piggyback facility between Auburndale and West Palm Beach.

The recently opened operation was shown to area business leaders and shippers Friday.

Roy Seims, well-known Avon Park rancher, speaking as transportation chairman for the Avon Park Chamber of Commerce, remarked that the facility "shows the interest and faith that SAL holds in the Avon Park area which is becoming a shipping center for several counties."

Leftwich said SAL expects shippers to truck perishable to Avon Park to be loaded on the flatcars equipped to handle piggyback transportation. Each flatcar is equipped to handle two trailers, making it possible to load 12 at a time, if needed.

Non-perishables also can be handled, he said.

Shippers in southeast Polk, Highlands, Hardee and DeSoto Counties are expected to use this means of getting perishables to market.

SAL agent in charge at Avon Park, Ray Cook, noted that a number of loaded flatcars had left here hooked to regular scheduled piggyback freight trains.

As the operation was being explained by SAL officials who had come here Friday to display the operation a regular scheduled piggyback train headed southward for West Palm Beach, its next destination.

Present Friday in addition to Seims were Fred Jahna, cement contractor; Charles Williams, dairyman; Tom Collins, cattleman, John Johnston, and Frank Hall, citrusman, in addition to the rail officials.

Thirteen Members Of Track Team Will Compete In State High School Proram At Gainesville

Red Devil track coach Jeff DeCoin and athletic director Joe Frasca will take 13 members of the Avon Park track team to the state Class B meet in Gainesville tomorrow Friday) to compete against other qualifiers in the 18 events.

The preliminary events will get under way at 9:30 a.m., and the finals will begin at 1:30 p.m.

The Red Devil team brought home a runners-up trophy from the Class B District 7 meet held in Fort Meade last Friday as they lost to Sebring by ½ point for the championship trophy that would have given Avon Park an unprecedented record of obtaining four district titles in one season.

Competing without top sprinter Harold Calloway, who re-pulled a leg muscle in the qualifying round for the 100-yard dash, the Red Devil track team put forth a tremendous effort to take second place on the wet track.

Winning first places were Tom LaPlam, with a new school record time of 2 minutes 3 and 4-10 seconds in the half mile run; Bill Wild with a 51.4 second running of the quarter mile; and the mile relay team of Tom Nunnalloe, Jim Burrowes, LaPlam, and Wild with a time of 3 minutes, 34.6 seconds.

Henry Heilig qualified for state competition with second place in both the shotput and the discus events tossing the shot 42 feet, 5½ inches and throwing the discus 126 feet, 6½ inches. The Devils sprint medley relay team also took second place with a time of 2 minutes, 8.6 seconds. Tom Nunnalloe, Robert King, Mickey West, and Bobby Barbon made up the team.

Qualifying with third places were Mike Coleman with a 15.6 second running of the 120-yard high hurdles; Bill Wild who turned in a 10.5 in the 100-yard dash; Kenny Dixon with a 2 minute, 10.8 second running of the half mile; and the 880-yard relay team made up of Barbon, West, King, and Nunnalloe. The four Devils ran the relay in 1 minute, 36 seconds.

Scoring points for the Devils but not qualifying for the state meet were Alfred Heilig with a fourth place in the shotput; Khal Sims with a 19 foot, 5 inch broad jump that was good for fourth place, and Jack Crankshaw who took fifth place in the half mile run.

Making the trip to Gainesville Thursday afternoon will be Mike Coleman, Bill Wild, Tom LaPlam, Kenny Dixon, Tom Nunnalloe, Robert King, Mickey West, Bobby Barbon, Jim Burrowes, Henry Heilig, Harold Calloway, Billy Richards, Khal Sims, and team manager Bud KING.

AP Meet Key West In Titular Contest

Head Field will be the site tonight (Thursday) and Friday night of the Class B state high school baseball tournament with the Avon Park Red Devils hosting the meet.

Opening game of the tourney at 6:30 tonight will match Bonifay's Holmes County High School nine against Callahan, and the host Red Devils will take on Mary Immaculate of Key West in the nightcap at 8 p.m.

The winners will meet at 7:30 Friday night to determine the state B champion.

The Red Devils enter the meet with the most wins as they boast a 15 — 4 overall mark. Mary Immaculate has a 10 — 4 record. Bonifay is 6 — 3 and Callahan won 7 and lost 5.

Avon Park coach Ralph Hill will have right handed junior hurler Emmett Money and Knapp to choose from for mound duty against the Key West Catholic team tonight. Money has a 5 — 1 record and Knapp is now 7 — 3 for the season. Ronnie Jackson has a 3 — 0 mound record also.

The two pitchers are leading the Devils at the plate with Knapp hitting at a .441 clip and Money rapping the ball for a .360 percentage. Short stop Bobby Coleman has a .345 season average, reserve first baseman Joe Strickler has 4 hits for 12 at bats for a .333 average, and Dean Lemieux, rightfielder, moved up over .300 this week to give the Devils five hitters in that rank.

Third baseman Spencer Oberle has a .258 average, catcher Carl Holden is hitting .190 and leads in runs scored with 19 and Bill Knapp, leftfielder is hitting .200.

Jim Powell, the Devils hot secondbaseman, has scored 7 runs and has a .250 batting average. Ronnie Jackson, who sat out much of the season with an injured knee, handles the centerfield job and is hitting .087. Hoppy Rewis has served as utility man for the Devils filling in where needed during the season and Johnny Elder alternates with Bill Knapp in left field. Gary Neal is a reserve catcher and Roscoe Bass has been some action in the outfield and reaches first base when the Devils are on offense.

Avon Park carried a berth in the finals together by defeating Oviedo Monday night, 8 — 4, behind the four hit pitching of Mike Knapp. The senior lefty gave up the two runs in the top of the first inning and then closed the door as he fanned 12 Lion batters during the seven inning stint. Knapp, posting his seventh win of the season, walked only four batters.

The Red Devils scored a shaky first two innings as both runs were scored only after Fall out boys Knapp and Neal walked leading off the inning to put runners on first and second bases. Both advanced on a Oviedo error to score seven batters later and one run.

Dean Lemieux with two doubles and a single led Avon Park at the plate. Working batter Mike Knapp added a double and a single and Powell, Ronnie Jackson and Emmett Money each had one RBI with a single in the ninth and Bill Knapp also singled for Avon Park's total of 11 base hits off three Oviedo pitchers.

THE RED DEVIL mound staff which posted a 15-4 season record is ready for duty in tonight's Class B state tourney game against Mary Immaculate of Key West at 8. Coach Ralph Hill is expected to call on either junior righthander Emmitt Money (5-1) or senior lefty Mike Knapp (7-3) to start tonight. Jackson has a 3-0 record. First Christian To Worship At New Location

First Christian Church of Avon Park will worship at their new location, 1005 Walnut as of Sunday, May 15.

Even though they are still in the process of remodeling and renovation, services will be held in the new building beginning with Bible School, Sunday, May 15, at 10 a.m.

Following the morning worship hour May 15, there will be a fellowship dinner in the new building. Everyone is invited and urged to attend. Those planning to attend the dinner should bring their table service and food for their family.

Announcement of a dedication service for the new facilities will be made at a later date.

Small Business Group Assists Junior College

The Small Business Association of Avon Park voted to send a check to the new South Florida Junior College, feeling the city and members of the community must express themselves toward the new college.

The SBA holds meets on the first Tuesday of each month.

All small business men are urged to come to the next meeting June 7.

School Board Names Administrators For Two Avon Park Schools; Douglass Reports On TV

Administrators were appointed for two Avon Park schools at the May meeting of the Highlands County Board of Public Instruction.

Superintendent George F. Douglass recommended the appointment of Aaron Craven as assistant principal of Avon Park High School, and Malcolm Dagley as assistant principal of Avon Elementary.

Cravens is a member of the Avon Park High School faculty teaching, in the current year, social studies and Latin.

The new assistant principal for Avon Elementary is a newcomer to this county's schools, but he is a veteran school administrator.

Dagley is a native of Illinois and for the past 12 years has been principal of North School in Mt. Carmel, Ill. This school—grades one through eight—has about 800 students.

Earlier this spring the School Board had approved creation of the assistant post at Avon Elementary—which the superintendent reported has the heaviest administrative load of any school in the county.

Dagley, a specialist in elementary education, holds a Bachelor's and a Master's degree from Indiana State University and has taken additional graduate work at Indiana State and at Utah State University. He is married and has five children.

Planning for classroom instruction occupied most of the time in a three-hour session of the school board on Tuesday.

The board approved contracts for 95 teachers and began discussions of possible use of educational television in the 1966-67 school year.

The superintendent estimated that cost of launching the television instruction would be approximately $15,000—for purchase of 50 television receivers and a fee of $1.25 per student to this area's educational station, WEDU in Tampa.

"Educational television is no panacea," Douglass told the board," but it is a fine enrichment for our program and can provide one answer to our overcrowded conditions all over the county."

He said classes could be planned to use television in a single large room for a basic course and during that one period several smaller classrooms could be freed for use by other classes.

He and the teachers present at the meeting emphasized that television is a supplement and not a replacement for classroom instruction.

School Board Member R. L. Padgett said he finds the educational programs offered by commercial stations very interesting and asked that the superintendent develop a more complete report on the WEDU curriculum and services.

AARON CRAVENS

The board approved boosting the Highlands participation in the regional audio-visual library, increasing support from 25 to 50 cents per pupil.

On the recommendation of the superintendent and Tom Johnson, coordinator of pupil personnel services, the board voted to enter a cooperative program with Florida Vocational Rehabilitation.

Johnson told the board that under this new program about $50,000 per year in services can be added to the county's program for the education of persons (over 14 years of age) who are physically, mentally or emotionally handicapped.

The local board will provide office space and through state and federal channels the services of two counselors. This will be a supple-

High Will Be Here Saturday

Mayor Robert King High and Senator Scott Kelly will be in Avon Park Saturday, May 14, for a reception in the Palm room of the Jacaranda Hotel at 11:30 a.m.

The two are on a hand shaking trip that includes a reception in Sebring at the Santa Rosa Hotel at 11:00 a.m. and at then to Avon Park and on to Wauchula.

The public is invited to attend the reception and hear what Mayor High has to say about [illegible] and Senator W. Albright, chairman of Highlands County High for Governor campaign.

ment to the counseling services now being offered in Highlands schools, Johnson said.

The school board was told Tuesday that federal programs in the county schools in the coming year will amount to about $1 million dollars. For his "over and above working day" efforts in developing federal programs, Fred Hamm, county curriculum coordinator, was voted a pay supplement.

The supplement will be worked out on an hourly basis, Finance Officer Charles Lairsey said, but the total figure will be about $1,000.

Avon Park High School Band Director Victor MicKunas appeared to request the board's permission to plan for the band to attend the Cherry Blossom Festival in Washington, D.C. in April, 1967.

He said the trip would involve about 80 students and would cost $80 per student. During the summer the students are to work for at least $50 of the cost, and MicKunas said the band has accumulated about $3,000 for such a trip.

The trip was approved "provided the financing can be worked out."

Other trips approved by the Board Tuesday were for the Lake Placid exceptional child class to visit Highlands Hammock State Park, for the Fred Wild Math group to visit Everglades Wonder Garden, Thomas Edison home and the botanical gardens in Ft. Myers.

The board approved the superintendent's report on student transfers under the county's school desegregation plan.

Transfers of students from E. O. Douglas grades 11 and 12 to Lake Placid and from E. O. Douglas grade 12 to Avon Park High were all denied. Douglass explained that these grades are not included in the approved desegration plan for the 1966-67 year, because of crowded conditions in the Lake Placid and Avon Park High Schools.

A series of other transfers for lower grades were approved. These requests were granted without reference to race; Douglass pointed out that transforms do not provide any place for indicating race. The reason most frequently given for wishing to transfer was to continue a course of study already begun in a given school.

Dr. Norman Tylar of Lake Placid, Dr. Burton Ostling of Avon Park and Dr. A. H. Foster of Sebring were named to give physical examinations to bus drivers.

The board awarded contracts for supplying physical education equipment. The bids were divided with $1,951 going to Clearwater Athletic House and $2,804 going to Leon's Sporting Goods of Avon Park. Members of the bid committee were Garland Boggus, Aubrey Morris, Tom Holton and Padgett.

Faculties Desegregated

Superintendent Douglass recommended transfers for more than a dozen Highlands County teachers. Half of the transfers were from the faculties of former white schools to the teaching staffs at predominantly Negro schools: Lena Suggs of Avon Park High School, Shirley Furr and Claire Farrell of Avon Elementary were assigned to Hopewell school Myrtle Ward, Inez Rogers and Mayme Williams, all of DeSoto City Fred Wild transferred to E. O. Douglas and Donald Thielke of Sebring High to E. O. Douglas.

Other transfers approved for the 1966-67 school year are Cecilia Hendry from DeSoto City-Fred Wild to L. Placid High School, Vera Bray from DeSoto City-Fred Wild to Avon Elementary, Sennie Browdy from Hopewell to E. O. STUMBLING BLOCKS

While Florida's proposed new constitution ideally will be a basic document confined largely to broad principles of public policy, its framers will have to wrestle with many a troublesome detail before achieving success.

Most authorities will agree that the present out-dated and patch-worked constitution contains many provisions that should not be there. Sometimes constitutional amendment has been used as the vehicle for legislative action on matters too hot for legislators to handle on their own.

And, through the years, the old constitution has acquired some provisions obviously inequitable on the basis of population factors—as, for instance, those spelling out distribution of gasoline taxes and state racing revenue.

The latter item proved to be, at least temporarily, an insurmountable stumbling block the other day for the constitutional revision committee dealing with taxation.

At first the committee agreed to omit the requirement for equal distribution of racing taxes among the 67 counties. Then it voted to eliminate entirely the section on pari-mutuel wagering. But finally it shelved the whole problem for further study.

Their indecision is understandable. It is a ticklish problem complicated by the anticipated necessity of gaining voter approval for the constitution as a whole.

Small-county voters who have for years battled against reapportionment did so in part for fear of just such a proposal.

The small counties depend on their share of the racing tax—which amounts to about $250,000 a year—to finance most of their operation, including schools. In some of the smallest, it almost eliminates the need for ad valorem taxes.

To the larger counties, receiving the same dollar amount, the race track revenue is negligible; although on a per capita basis it could be an important factor to their budgets.

While the inclination in urban areas, with their new-found voting power in the legislature, may be to demand immediate correction of such a tax distribution inequity, this may be one of the areas where restrain is indicated.

In general, the smaller counties are the poorer counties. If this financial prop is removed, some of them would face serious difficulties in supporting already inadequate schools; and new sources of state revenue would have to be found to fill the vacuum.

Perhaps it would be more logical and more equitable to pool the race track revenue in a state educational fund and allocate it wherever the greatest need is shown.

But this need not be a constitutional provision. With a properly drawn new constitution, it could be done by statute with the added advantage of flexibility.

Florida has long since outgrown its 19th Century charter; the new one should be built to last.

Court Asks To Force Sheriff To Sell Lot

A Palm Beach realtor is seeking a writ of mandamus ordering Sheriff Broward Coker to sell a lot in Lake Blue Estates at Lake Placid.

According to the complaint filed in Circuit Court here May 5, Sheriff Coker "refuses to act solely because a homestead tax exemption has been filed on the property which is owned by Arlene J. Davis Mason.

The 15th Circuit Court (in Palm Beach County) has issued a writ of attachment commanding the sheriff to attach the property, and in mid-March the Circuit Court in Palm Beach issued a writ of execution.

According to Alley, Maass, Rogers, Lindsay and Chauncey, legal counsel for Lantana Boatyard, Inc., Sheriff Coker has attached the property but refuses to sell it to satisfy a judgment of $1,815.31 granted in the 15th Circuit.

Records in Highlands County Tax Assessor Billy Martin's office show that a homestead exemption was granted in 1961 for the Lake Blue Estate lot owned by Mrs. Mason, and the exemption has been renewed annually, the last time on March 8, 1966.

A hearing on the writ of mandamus has been set before Judge Clifton Kelly on Monday, May 23.

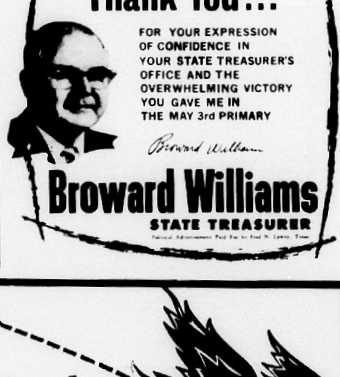

Correction

In announcing new officers of the Avon Park Ministerial Association last week, The Sun inadvertantly named Rev. Stanley Johnson as the secretary-treasurer.

The new secretary-treasurer who will be seated with other officers in September will be William B. Johnson, chaplain at APCI.

The Sun apologizes for for the error.

Bowers Estate Suits Dismissed

A pair of civil suits seeking damages of almost $400,000 from the estate of Joe Bowers has been dismissed at the request of both parties.

The suits were filed by the family of the late Elizabeth Honeycutt. Joe Bowers, widely known Highlands County businessman, killed Miss Honeycutt and himself in a shooting spree in Lake Placid business district on April 8, 1966.

One suit was filed by Annie Gould, mother of Miss Honeycutt. Robert L. Gould, stepfather, and Mrs. Sarah E. Parrish, grandmother of the deceased. The other suit was filed by Mrs. Gould as the administratrix of the estate of Miss Honeycutt.

In each of the suits $99,503.50 was asked for funeral and medical expenses, for mental pain and diminution of the estate. Each suit asked punitive damages of $100,000.

William J. Bowers, administrator of the Joe Bowers estate, was named as defendant. Hayward Davis was the plaintiffs attorney, and R.P. Dunty, Jr. represented the defense along with the Miami law firm of Smathers and Thompson.

Circuit Judge Clifton Kelly signed the order dismissing the complaints "with prejudice and without cost of either party."

Elected to membership in the state association's House of Delegates by his local group, Dr. Hartwell will help decide—along with delegates from the other 42 county medical societies—the FMA's policies.

IT'S LEGAL..

why listen to false "campaign" talk?

Here are the facts:

Below is a statement from an Attorney General of Florida that it is NOT UNCONSTITUTIONAL for a public-spirited citizen to be a member of a county commission and hold a city office, too. As previously stated, J. A. (Jake) Butler, incumbent County Commissioner and Mayor of Sebring, will NOT seek re-election next term for the $1 A YEAR honorary post as mayor of Sebring. He will devote his time to the Highlands County Commission.

Contrary to false 'campaign talk' the following is documented proof that he, or anyone, can hold positions in both city and county governments.

City Council Member—County Commissioner Candidate—May Serve As

QUESTION: May a person serve as a member of a City Council and at the same time be a candidate for the office of County Commissioner?

To: Honorable R. Bruce Meffert, County Commissioner, Marion County, Ocala, Florida:

Section 15 of Article 16 of the Florida Constitution provides, among other things, that "no person shall hold, or perform the functions of, more than one office under the government of this State at the same time." However, it seems that a municipal office is not "an office under the government of this State," within this provision.

Unless the charter or ordinances of a municipality contain a prohibition, there is apparently no express provision in our law which would prevent a person from holding a County Office and a Municipal Office at the same time. (Attorney General V. Connors, 27 Fla. 329, 9 So. 7).

It is true that under the common law, one person could not hold two offices which were incompatible. This rule derived from principles of public policy and its propriety is obvious. (42 Am. Jur. 926, Section 59; 46 C. J. 941-943, Section 46).

Even so, I am unable to ascertain any incompatibility between the offices of City Councilman and County Commissioner.

Still further, the prohibition at common law seems only to be against HOLDING two incompatible offices, therefore it appears that there is no prohibition against holding one office and campaigning for another with intent to resign the office held, if the office campaigned for is obtained.

It is therefore my opinion, qualified by any charter or ordinance provisions of the municipality, that the question should be answered in the affirmative.

Richard W. Ervin
Attorney General
State of Florida

City Attorney's Opinion:

April 27, 1966

Honorable J. A. Butler
Mayor, City of Sebring
Sebring, Florida

Dear Mayor Butler:

This is to advise that I have made a study of the Charter of the City of Sebring, Florida. After careful consideration of same, it is my opinion that there is nothing in the Charter that prohibits you from being the Mayor of the City of Sebring and also a County Commissioner of Highlands County at the same time. Accordingly, there is no prohibition against your running for County Commissioner while you are the Mayor of the City of Sebring.

I trust this answers your question. If I can be of any further assistance, please let me know.

Very truly yours,
Joseph O. Macbeth
City Attorney

Bass Better, Is Working

Mel Bass, injured several months ago in a hunting accident, is reported recovering satisfactory.

Mr. Bass suffered a concussion and fractured cheek when a parachute flare exploded March 12 at the Avon Park Bombing Range.

He returned to the Watson Clinic at Lakeland May 4, where he had been confined several weeks following the accident, to have the wires removed from his cheeks.

The family stated that he is in fine spirits and has returned to his position as public relations director for the Jahna Concrete Co.

Mr. Bass wishes to thank his many friends for their prayers in his behalf, their flowers, cards and visits during the time he was hospitalized.

Callaway Gets Meet Invitation

Harold Callaway, fleet APHS dash specialist, has been invited to participate in the fourth annual Sunshine Dairy State Invitational Track Meet at Miami, May 28.

The meet is sponsored by the South Miami Jaycees and Southeast Florida Dairy Institute.

Invitations "are based on the top performances of athletes contributed throughout the season.

The first list, naming 64 boys, is preliminary to the final and official invitation list, which will be announced immediately after the state track meet in Gainesville.

Those on the first list, which includes Callaway, are "athletes who have clearly qualified for our meet, and the invitations are official," a spokesman said.

Callaway was selected for his performances in the 440 yard dash.

Dr. W. G. Hawk Will Speak At Church Supper

A family night covered dish supper will be held Wednesday night, May 18, at 6:30 at Wesley Hall of the Methodist Church.

Dr. W. G. Hawk, conference superintendent of EUB in the Lakeland area will be the guest speaker.

Council Gets Health Dept. Information

The City Council Monday night received a letter from William F. Hill Jr., director of the County Health Department, regarding the possibility of a Youth Corps program this summer.

No action was taken on the letter, which follows:

"Through the years, the Health Department with the cooperation of the cities and the County Commissioners has tried to maintain a satisfactory sanitary home environment. This has been successful only to the point of a few days or weeks, following an annual push. In view of this, our department is considering applying for a grant from the office of Economic Opportunity for a Neighborhood Youth Corps to help with a year round push for better sanitation.

"The Youth Corps Program designed to provide employment for young men and women, ages 16-21, who are unemployed or who are school dropouts. It is also designed to teach these young people the responsibilities of citizenship and community life. My purpose in writing is to alert you to the fact that there is an interest in such a project, and for the sake of coordination and efficiency, you are invited to consider whether you would be interested in participating.

"You are not limited to sanitation, this is one field in which I am interested. Any job not being done for the because of insufficient local funds, can be considered.

"All of these projects will go into the recognized community action program of Highlands County. Ferrell Smith of the County School System, is president of our local organization.

"I would appreciate a definite answer by June 1, 1966. Also, please offer any suggestions you have."

Group Will Attend Annual Church Meet

A number of persons of the Avon Park Church of the Nazarene plan to attend the annual Florida District assembly of the church at the New Everglades Hotel, Miami, May 20-24.

Heading the party will be Rev. J.E. Lightly and Mrs. Lightly, the former pastor of the local church.

Others will include Mrs. M.S. Corwin, president of the Women's Missionary Society; Sunday school superintendent Kenneth Filippula, Young Peoples Society president, Mrs. Geraldine Dailey; Mrs. Edward Barker, Mrs. C.L. Scott, Mrs. Joyce Simmons, Jackie Scott, Noel Scott.

Annual reports will be made at the assembly by pastors of the 102 churches in the district representing 9,000 members. A combined Sunday school enrollment of 20,000 persons was reported for the year.

Dr. John L. Knight, Orlando, will give his annual message as district superintendent. He also will outline plans for 1966-67 church year.

District officers will be elected.

Church of the Nazarene maintains about 625 missionaries in 47 countries.

MacDill Street Is Named For Late Colonel Harold McClelland

Dedication ceremonies officially named a new street at MacDill Air Force Base "Mc Clelland Drive" Friday, May 6, in honor of the late Col. Harold M. McClelland who passed away on July 17, 1965.

Col. McClelland was born in Avon Park, Fla. Feb. 22, 1919. He attended Avon Park High School and the University of Tampa. He was graduated from Flying School, Maxwell AFB, Ala., in 1941 and commissioned a second lieutenant in the U.S. Air Corps.

The next year he spent as a fighter pilot with the 45th Fighter Squadron, 15th Pursuit Group, Hawaii.

During the period September 1942 to December 1944, he flew 270 combat missions in the Pacific piloting P-38, P-39 and P-40 aircraft. During this period of his combat career he was assigned to the 339th Fighter Squadron, 8th Fighter Group, New Guinea, as a squadron commander.

In January, 1945, Major McClelland was assigned to the Atlanta Air Base, Atlanta, Ga., where he served as air base commander and base operations officer.

During the period June 1947 to June, 1949, Major McClelland attended the University of Florida, Gainesville, where he obtained his BS degree.

In July 1949 he was assigned as a pilot instructor at Randolph AFB, Texas.

The next three years he served with the Flight Training Group, Craig AFB, Alabama, as a group commander.

In November, 1952 he was assigned to the Far East Air Forces. He served as deputy commander and during this period he established a world's jet fighter distance record, flying a Republic F-84 Thunderstreak from Tokyo, Japan to Newcastle, Australia.

In 1956 he assumed duties as director of operations for the Fifth Air Force at Nagoya AB, Japan.

Between September, 1958 and June, 1958, Col. McClelland attended the Air War College at Maxwell AFB, Alabama.

In July, 1958 he became chief, career Development Division, Hq. USAF, Washington, D.C. serving in that capacity until May, 1961.

He was appointed chief, Personnel Policy Division, Hq USAF, in May, 1961, serving in that position until his assignment to MacDill as 12th Tactical Fighter Wing commander.

Under Col. McClelland's command, the 12th TFW was the first wing in the Air Force to convert to the McDonnell F-4C Phantom II jet fighter.

Col. McClelland was a rated command pilot with more than 4,100 flying hours accumulated mostly in fighter aircraft.

Among the awards and decorations he received were the Distinguished Flying Cross with three Oak Leaf Clusters, and the Air Medal with six Oak Leaf Clusters.

McClelland Drive will remain as a constant remainder of the service he gave to his country and the leadership qualities exhibited by Col. "Mac" that made him a leader of men.

Brig. General Frank J. Collins, Commander, 836th Air Division, made the dedication. The mayor of Avon Park, E.A. Delaney and Mrs. McClelland were present for the ceremony.

Kirkland Heads High Workers

Avon Park citrus grower and groceryman Mannin Kirkland has been named area coordinator for gubernatorial candidate Robert King High in Highlands, Hardee and DeSoto counties.

Kirkland, a strong Kelly campaigner in the primary, served seven terms on the Avon Park City Commission and is active in civic affairs.

High also announced the assignment of former Circuit Judge Ben D. Kinney as consultant to the state headquarters in Miami.

Kirkland has named a steering committee to assist with the campaign in Highlands County.

First appointees are M. E. Stephens, III, Bill Dunn, Roger Miller, Bill McArdle Richard Hyatt, Von Maxey, Jim Tompkins and Harry Lee. All were active in the Scott Kelly campaign.

A source close to Kelly indicated "at least 90 percent" of the Kelly organization in Highlands County has accepted responsibility in the High campaign.

VFW Post To Meet Monday

A meeting of the newly formed Veterans of Foreign Wars Post will be held Monday, May 16 at 7:30 p.m. at Sun Shine Club, Sun Ray Homes. The building is located at Georgia Avenue on US Hwy 27 N.

Officers will be elected at the Monday meeting, according to William H. Coswen, one of the organizers.

All veterans who have served with the Armed Forces in time of war and off continental United States, honorably discharged, are invited to attend.

Body Found By SAL Tracks

Identification of the body of a middle aged man found beside the Seaboard Air Line Railway tracks last Saturday has not been established.

Sheriff Broward Cokers of fice, which is attempting to solve the identity, so far had not been able to do so late Tuesday.

His office reported the accident Saturday, saying the victim probably had been struck and killed by a train sometime Friday night.

The body was found beside the Seaboard track about 20 yards from Air US 27 between Avon Park and Sebring.

Spectacular Star Discovery Chad Everett Is "Johnny Tiger"

Actor Chad Everett, skin glistening from his exertion, canoe Shandering down an incline, bare-waisted, in the middle of a cattle stampede.

This in itself was unusual since it was a film scene for the Nova-Hugh production, "Johnny Tiger," ad such risky business is usually assigned to a stunt man. But Chad is an expert horseman and athlete and producer Hugh and director Paul Wendkos allowed him to join the regular wranglers in the cattle stampede during the scene in the Indian village.

The sequence is one of those in the film starring Robert Taylor, Geraldine Brooks and Chad Everett. Here is an Indian, wild by nature and inclination, who at the same time has a brilliant mind. Torn between the old Indian tradition and superstition and the urge to progress, he is a victim of two forces, both of which he considers worthy of his loyalty. He has to choose between them, and he has something to contend with."

SHUFFLEBOARD

The shuffle courts are a wonderful place to be at 6:30 in the morning. There is always a breeze, sometimes a chilly breeze, and a sweater needed. On Wednesday evening 26 folk gathered to play in the tournament.

Reed Simpson and Caroline Webber won in the main event. Jennie Baker and Kate McAlexander were the runners-up. Consolation winners were Jack Floyd and Sarah Kerr over Bertha Brush and Lura Pickell.

After the downpour on Saturday afternoon the courts were dry enough to play at 6:30. There were seven courts in play.

The final game was rained out, so they tossed a coin to select the winners. They were Kate McAlexander and Clay Kull over Jack Floyd and Jim Brown. Bertha DuPont and Jennie Baker won in Consolation with Helen Floyd and Ray Johnson the runners-up.

CARD GAMES

In Monday's pinochle games the winner was Mae Potter with a score of 918. Dee A. McAlexander came in second with a score of 908. Five tables were in play.

POT LUCK SUPPER

Arlene Lane was the hostess for the Saturday evening Pot-Luck Supper at the Club House. There were twenty-nine in attendance, sharing in the fellowship of eating together. Afterwards all either shuffled or played cards.

CHIT-CHAT

Overheard at the Club: The Glenn Longs celebrated their 42nd wedding anniversary on the 28th of April with their family in Plantiville, Connecticut.

The Paul Hoppes in Eden, New York had a good rhubarb pie from their own garden.

Horace Cole has his garden all planted in New Cambridge, Indiana, also he has joined the Kiwanis Club. Looks like he will be busy.

The Floyd Stevens went the long way home to Allegan, Michigan to visit their daughter and family, Mr. and Mrs. Larry Weber in Springhill, Louisiana. In Michigan they found plenty of rain, too much to do much farming.

Leo Wagner, the Club's president, reports a pleasant trip home to Adrian, Michigan. Found it quite cool there.

Mr. and Mrs. Jack Floyd will be returning to their home near Rochester, New York this week. They were delayed a couple of weeks by Mrs. Floyd's illness.

Skate Program Is Under Way

The Avon Elementary skating program is underway with between 50 and 60 boys and girls participating each Wednesday afternoon at 3:30 at the Starlight Rink at the fairgrounds in Sebring.

Any student may join the program but must furnish his own transportation to and from the rink. Instruction and prizes are included in the admission price.

The program is under the direction of Miss Ann Karrick and Jack Battle, physical education instructors at Avon Elementary School.

Local Persons Attend Church Conference

The annual District meeting of the Florida Women's Fellowship of the United Church of Christ, District 7, was held at the United Church of Christ, Venice Gardens, Monday, May 9.

Theme was "The Christians Calling in An Age of Dilemmas Affluence versus poverty. Guest speaker was Rev. Kenneth E. Bishop of New York.

Those attending from Avon Park were Mrs. Donald Eastman, Mrs. Phillip Webber, Mrs. Orville Castine, Mrs. Richard Dickerson, Mrs. Frank Edwards, Mrs. Ada Jockinsen, Mrs. William F. Robbins, and Mr. and Mrs. Frances Ward.

Scholarship Is Awarded

Mr. and Mrs. Roy D. Taylor of the Southernaire Motel have received word that their nephew, Jay Rodney Beasley, son of Mr. and Mrs. Lucius Beasley of Barnwell S.C., has been awarded a Baptist scholarship grant and an honors scholarship. The scholarship was awarded by the Baptist College at Charleston S.C.

Both scholarships are renewable annually as long as the student maintains a high average and continues to exhibit attitudes of Christian citizenship, laws, Taylor said.

Project Gets Council Okay

Members of the Avon Park City Council Monday night gave unanimous approval to the Watershed Project involving 12 lakes in Highlands County. They border approximately 25,000 area with three in the Avon Park area.

Sanford Hartt, chairman of the project, told the Council the program involves flood control, irrigation and maintenance of a consistance level.

He said the project, which may cover several years, is being furthered in hopes that it may become a federal projects in which the government may pay 90 percent of the cost.

Hartt envisioned recreation areas bordering the lakes as a part of the flood control and irrigation program.

In reply to Councilman Clarence King's question regarding any possible cost to the City of Avon Park in approving the project, Hartt replied there would be none.

Landowners holding property bordering the lakes may have to pay a pro rata share of the costs of canals and structures, he added.

King, in making a motion supporting the program, said he felt it is a worthwhile project. Councilman Durrah Martin voiced approval of support, as did other councilmen in voting to back the project.

Hartt told the Council that the Highlands County Commission had given its support, as has the Highlands County Soil Conservation District.

Three fire alarms involving 2 structures and one automobile caused $1,280 damage during April, according to the fire report given the council. Fire losses for the fiscal year to date total $22,665.

Applications Being Received For May 24 Absentee Ballots

Applications Being Received for May 24 Absentee Ballots 24

Applications are being received by the supervisor of registration for absentee ballots for the May 24 primary.

Results of the first primary, May 3, have not been officially posted with the county election officials so that printing of ballots may be started, Highlands County Supervisor Roland X. Droit said Monday.

The results, officially posted for Highlands County, show that a total of 6783 of the county's 12,134 voters went to the polls on May 3. The count was 6451 Democrats and 332 Republicans.

Absentee ballots, counted on May 4, showed about the same patterns of voting as the election day balloting. Governor Haydon Burns received 31 absentee votes to boost his Highlands County tally to 1247 third in the four-way race for the gubernatorial nomination.

Robert King High received 24 absentee votes to bring his total to 1282, and Scott Kelly, easily the winner in this county, received 104 absentee counts to bring his county total to 3728.

Only three candidates received more than 100 of the absentee votes-Kelly, incumbent Attorney General Earl Faircloth and State Senator Hayward Davis. The 147 Davis votes pushed his Highlands County tally to 5057, by far the largest number of votes any candidate in the Highlands balloting received.

In the intra county races the incumbent commissioner for District 4, James Creel ended up on the short end of the race with Jean Whitaker 2728 to 2254.

The tightest race was between incumbent J.A. "Jake" Butler and challenger Earl Crutchfield for commissioner in District 2. After the absentee count Butler had 2668 and Crutchfield 2677. A third candidate, Kenor Butler, gathered over 300 votes.

Another close Butler-Crutchfield is predicted for the May 24 primary.

Teachers and Students Opinions Given On Teenage Marriages

MR. WARD—"In my opinion, teenage marriages are very foolish. Teenagers are not ready for the responsibility that marriage puts on them. Even in the best of circumstances, I believe them to be highly undesirable."

MRS. BEST—"I definitely think that they should wait until they broaden their outlook and education. They should give themselves a chance to get to know themselves, what they really want, and to evaluate their future."

PEGGY JOHNSON—"In my opinion, I believe teenage marriages to be satisfactory if the couple involved are mature enough to take on the responsibility. By the use of the word mature, I mean, the willingness of each person to do his share to make their marriage a success. They should try to consult each other on their problems and together work out the solution."

BARBARA HARDEN—"I believe teenage marriages to be wholly undesirable because today's teenagers have not reached that stage of maturity that is necessary to make a marriage prosperous.

During the teenage years, it is impossible to judge whom you would desire your life's companion to be."

LEON WATSON—"They're all right, but it really is too soon to settle down."

SHORTY ARNOLD—"I think that it's stupid"

MR. DOTY—During our interview with Mr. Doty he gave us a number of good examples and points that we feel are well worth passing on.

Mr. Doty stated that because of the limited horizons of the young people that they are unable to cope with the situations that an early marriage will present. Mr. Doty gave a number of examples of students from our own high school who had dropped out of school to get married. He said that the results were most unfavorable.

MRS. WILHITE—"I am not in favor of early marriages—I think teenagers should give much serious thought to choosing a life mate. Much unhappiness can be brought about by not stopping to think 'Is this the person with whom I can live a happy and useful life and through my own peace of mind bring happiness to others?' Very few teenagers are mature enough for marriage."

Next weeks topic will be "A Girl's Opinion of the Ideal Date."

"Ec" Students Study Labor Unions In U. S.

This week, the students in Economics have been studying the history of labor unions in the United States. They have learned that a union is an organization of workers established to promote their common interests in relation to their employers. The students learned why labor unions developed and what the weapons were of industrial strife.

Some of the terms that were discussed this week on labor unions were the following: a yellow dog contract, feather bedding, blacklist, and the strike. Why did the growth of big business encourage the growth of labor unions? Who was the "father of organized labor" in America? Should you join a union? These are only a few of the questions discussed in Economics this week.

The Economic students have really enjoyed studying this chapter on labor unions.

The Wind Or Him

The wind spoke to me so softly and kind.

Forgave my sins and cleared my worried mind.

Then he told me all about Mankind.

Then quicker than I could wink my eye, the wind began to die.

I spoke, like lightening from the sky, but there was no reply.

Where have you gone wind? Aren't you going to forgive my sins?

Maybe it wasn't the Forgiver of Sins, but only a gust of wicked wind.

Wilhite Tells Of Top Honor Students

Supervising Principal A. B. Wilhite of APHS has announced top honor students of the local high school for the 1966 graduating class.

Charles Stokely Warrington Jr., son of Mr. and Mrs. Charles Stokely Warrington Sr., 711 Park Ave., will be Valedictorian. "Chuck," as he is known, has maintained a a 3.8 2 average in high school.

Robert Wesley Coleman, son of Dr. Herbert W. Coleman, Lake Lotela, will be salutatorian. Bobby has earned a 3.77 average in high school.

Both boys' high school records are quite similar as they have participated in extra curricular activities, being officers in quite a few groups and being active in major sports representing Avon Park High School in an excellent manner, Mr. Wilhite remarked.

Both attended Boys State at Tallahassee as juniors last summer.

Warrington has been accepted at Georgia Tech on the cooperative plan and will major in engineering.

Coleman is registered at the University of Florida which several months ago awarded him a football scholarship. He will major in the field of medicine, following in the footsteps of his father, prominent area physician and surgeon.

Steve Weber Will Attend Science Parley

Steve Weber of APHS will attend the third annual Florida Junior Science, Engineering and Humanities Symposium on the University of Florida Campus, starting today. It will end Saturday.

The three-day program is sponsored by the U.S. Army Research Office and the Martin Company of Orlando.

Fifty-six high school teachers from throughout the state and more than 200 of the state's brightest high school juniors will participate in the program, which emphasizes the importance of both sciences and humanities to the national culture and general welfare.

New Members Of National Honor Society

Last Thursday three new members, Peggy Johnson, Candi Flint and Patsy Scott, were inducted into the National Honor Society. They were chosen on the principles of leadership, scholarship, service, and character.

The guest speaker was Dr. William Stallard, the president of South Florida Junior College, who emphasized the importance of making the most of your talents or capabilities.

Bob Coleman, James Mitchell Gain Honors

Robert W. Coleman, stand out APHS scholar and athlete, and James W. Mitchell are to receive state honors scholastically.

The State of Florida is giving official recognition this year for the first time to its top high school scholars, and these two represent Avon Park.

The office of the Florida Board of Regents will mail out to principals of more than 200 public and private high schools Regent Scholar Certificates to be awarded 1,833 seniors in Florida.

Supervising Principal A.B. Wilhite of APHS says the two will receive their certificates during commencement exercises of the Senior Class.

Young Coleman will be salutatorian of this year's graduating class. He has maintained a 3.77 average during his four years of high school work.

He is the son of Dr. H.W. Coleman.

Senior Looks To The Future

There was once, so the story goes, three little pigs. One built his house of straw, the second built his house of sticks, and the third, of course, used stone. We all know the rest of the story, but I am reminded of the senior class of 1966, and I wonder how many of the 98 seniors have gathered enough stones of knowledge in the past 12 years to build the future. We will hope to build that future so that neither the wolf, the Communist, nor anyone or anything can huff and puff and blow our house in.

Cheerleaders Seeking Support For Supper

Cheerleaders of APHS plan spaghetti dinner for May 17 in the Elementary Cafetorium from 5:00 to 7:00 P.M.

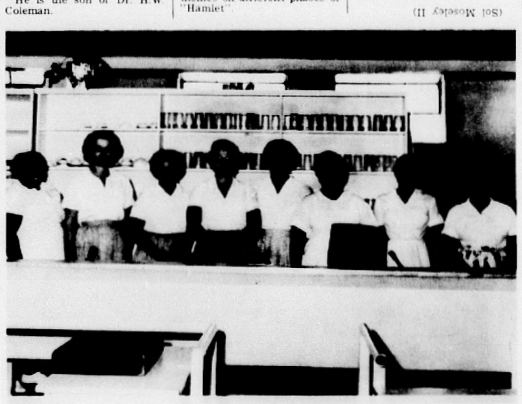

Tickets are being sold by the cheerleaders. The prices are .75 for students and $1.25 for adults.

If you would like to buy a ticket but are unable to attend, the cheerleaders will have an catering service. All you have to do is call the Elementary Cafetorium, or give your name and address to the cheerleader from which you purchase your ticket.

The cheerleaders of APHS would appreciate your support in helping to back their dinner, and with your support they will be able to attend the ACA Academy in Leesburg this summer.

Mrs. Suggs English Department

In Mrs. Sugg's English class this week, we have been putting on dramatizations of scenes in "Hamlet" and "Macbeth." The students donned colorful costumes in putting on these skits for the various classes. On Thursday we had a test on our French Vocabulary. On Friday we handed in themes on different phases of "Hamlet".

Fellowship Hall Setting For Pack Meeting

The April Pack meeting of Pack 156 was held on Thursday evening, April 28, in Fellowship Hall at the Congregational Church. This meeting was packed with a one cub sibling by Den Two cubs, David Hamm, Ricky Spurlock, Danny Davis, Frank Farrell, Nicholas Fells, David Cook, Jeff Scott and Mike Stroud.

Committeeman T. A. Lawrence led the pack and guests in a number of songs during the evening which were enjoyed by everyone.

Den Three presented a skit on the monthly theme, "Mother Nature's Backyard." featuring "Smokey" the bear in a story about fire safety in the woods. The cubs played the parts of "trees", "the north wind","the gurgling stream," etc. The cubs taking part in the skit were, Mark Smith, Ricky Lanier, Richard Burt, Jamie Tomlinson, Greg Jarvis, Henry Lanier, Tommy Lawrence, Steve Childress, John Wright.

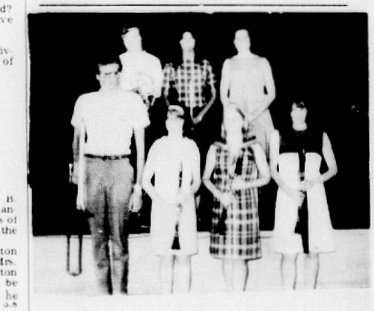

Den Four also presented a "skit" entitled "Throwing Peanuts in the River." The skit opened with one cub sitting on the stage who asked each of the other cubs as they walked by "what have you been doing all day" and the answer of each was "Throwing Peanuts in the River." After all had gone by, "Peanuts" arrives, clad in a towel and soaking wet, who was none other than one of the cubs. Those who played in this skit were Jim Turnbull, Chuck Evans, Raleigh Turnbull, Hal Worden, Frankie Worden, Dennis Crews, Glenn Stone, Chris Owens, Mike Evans, and David Metheney (Peanuts).

Den One cubs displayed their handicraft work which they had done during the month. Among the items shown and explained to the audience were plants they had grown, collections of insects, wooden crosses they had made and a display of different kinds of snakes.

The attendance award was won by Den Four for the best attendance of cubs, parents and guests at this meeting. This den was presented with the Pack Flag to keep during the next month.

Achievement awards were made to Ricky Spurlock, Danny Davis, Garnett Oliver and Nick Fells who all received Silver Arrows. Denner Bars were presented to Mike Stroud. Assistant Denner Bars was presented to Jeff Scott.

The meeting was closed by all cubs joining in a living circle and singing "Taps".

Walker Memorial Hospital Joins Others In U. S. In Observance of National Hospital Week

to know it's there and he hopes he never has to use it.

During National Hospital Week, residents of Avon Park join in the nation in paying tribute to those dedicated men and women who make up the hospital family.

Administrator George Walper of Walker Memorial Hospital has stated facts that make this article possible.

Walker Memorial Hospital emerged from an Army Air Corps Barracks approximately 18 years ago. Seventh-day Adventists were invited to convert the building into a hospital.

Through Mayor E.A. DeLaney, funds were raised by public subscription to remodel and equip the hospital. Mr. Baldwin, was the first administrator, with Mr. Walker as head of a committee of the Ridge Area Hospital. Upon the death of Mr. Walker, the hospital was renamed, Walker Memorial Hospital.

Dr. C.J. Larsen came to the hospital from Florida Sanitarium, in Orlando as the first medical director. Mr. Lynn came eight years later.

The former barracks were transformed into a presentable and efficient hospital for patients.

A new wing was added to the old building and opened two years ago. Increasing the bed capacity by 53 beds.

This hospital is now equipped for all type of care and emergencies. Extended care for long term patients plus residence patient care is available on the third floor of the hospital. Physical therapy, for all stroke victims and other needs is available by a licensed physical therapist.

A part of the new wing is reserved for an obstetrical area, including a nursery. X-rays, labratories, radiology used in treatment of many diseases and diagnosis are available.

Surgery is an active part of the hospital for area doctors.

The Emergency room is available 24 hours a day. Efficient care and attention for the emergency patient is one of the important services.

Walker Hospital has a civil defense program for disaster victims, along with a nurses aide training.

The Pink Ladies Auxiliary, along with the Candy Stripers—volunteer workers for the hospital,— are almost indispensable. Their willing help, pleasant manners and deeds are long remembered by the patients.

This and more is what Avon Park has in Walker Memorial Hospital.

ORDINANCE NO. 460

AN ORDINANCE AUTHORIZING THE CONSTRUCTION AND ACQUISITION OF ADDITIONS, EXTENSIONS AND IMPROVEMENTS TO THE SEWER SYSTEM OF THE COMBINED WATER AND SEWER SYSTEM OF THE CITY OF AVON PARK, FLORIDA, AND AUTHORIZING THE ISSUANCE OF $130,000 WATER AND SEWER REVENUE BONDS.

BE IT ENACTED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, FLORIDA:

ARTICLE I

STATUTORY AUTHORITY, FINDINGS AND DEFINITIONS

Section 1.01. AUTHORITY OF THIS ORDINANCE. This ordinance is enacted pursuant to the provisions of Chapter 159, Florida Statutes, and ordinances thereof, and other applicable provisions of law, and pursuant to the Charter of the City of Avon Park, Florida (hereinafter called the "City"), and is hereinafter sometimes referred to as the "Bond Ordinance".

Section 1.02. FINDINGS. It is hereby found and determined that the City now operates and maintains a municipal water system for the collection, treatment and disposal of potable water and a municipal sewer system for the collection, treatment and disposal of sanitary sewage, and said systems are hereinafter collectively called the "Water and Sewer System". That the City derives revenues from rates, fees, rentals and charges for the services and facilities furnished by said Water and Sewer System, and said revenues are now pledged or encumbered to the payment of the principal of and interest on $200,000 Water Revenue Bonds heretofore issued by the City under ordinances duly adopted by the City, and $120,000 Water and Sewer Revenue Bonds, Series 1958, dated April 1, 1958, and $120,000 Water and Sewer Revenue Bonds, Series 1960, dated April 1, 1960 (hereinafter collectively called the "Outstanding Bonds").

That the City now operates and maintains a municipal water system for the collection, treatment and disposal of potable water.

That the City derives revenues from rates, fees, rentals and charges for the services and facilities furnished by said Water System, and said revenues are now pledged or encumbered to the payment of the principal of and interest on $200,000 Water Revenue Bonds heretofore issued by the City under ordinances duly adopted by the City, and $120,000 Water Revenue Bonds, Series 1958, dated April 1, 1958, and $120,000 Water Revenue Bonds, Series 1960, dated April 1, 1960 (hereinafter collectively called the "Outstanding Bonds").

That the City now operates and maintains a municipal sewer system for the collection, treatment and disposal of sanitary sewage.

That the City derives revenues from rates, fees, rentals and charges for the services and facilities furnished by said Sewer System, and said revenues are now pledged or encumbered to the payment of the principal of and interest on $120,000 Sewer Revenue Bonds, Series 1960, dated April 1, 1960 (hereinafter called the "Outstanding Bonds").

That it is necessary and essential to construct and acquire additions, extensions and improvements to the Water and Sewer System, including Sewer System, as provided herein, and to finance the cost thereof by the issuance of Water and Sewer Revenue Bonds of the City, as authorized herein.

That the inhabitants of the City will be benefited by the construction and acquisition of said additions, extensions and improvements to the Water and Sewer System, and it is hereby found and determined that the net revenues to be derived in each year hereafter from the operation of the City's combined Water and Sewer System, including said additions, extensions and improvements, will be sufficient to pay the cost of operation and maintenance of said Water and Sewer System during such year, and to pay the principal of and interest on the Outstanding Bonds maturing and becoming due during such year, the principal of and interest on the Water and Sewer Revenue Bonds to be issued pursuant to this resolution maturing and becoming due during such year, and all payments required by this resolution to be made during such year, and all other payments provided for in this resolution.

That the principal of and interest on the Water and Sewer Revenue Bonds to be issued pursuant to this resolution, and the sinking fund, reserve and other payments provided for in this resolution, are payable solely from the net revenues derived by the City from the operation of its Water and Sewer System, and it is not within the contemplation of the parties to this resolution or of the City to pay the principal of and interest on the Water and Sewer Revenue Bonds to be issued pursuant to this resolution or to make any of the sinking fund, reserve or other payments provided for in this resolution from any funds raised or to be raised by taxation, and said Water and Sewer Revenue Bonds to be issued pursuant to this resolution shall not be a general obligation of the City but shall be payable from the Water and Sewer System revenues and other property whatsoever of the City pledged for the payment thereof.

Section 1.03. AUTHORIZATION OF CONSTRUCTION AND ACQUISITION OF ADDITIONS, EXTENSIONS AND IMPROVEMENTS TO WATER AND SEWER SYSTEM; COMBINED WATER AND SEWER SYSTEM. That there is hereby authorized the construction and acquisition of additions, extensions and improvements to the Sewer System of the City's combined Water and Sewer System, consisting of, but not limited to, the construction and installation of lateral sewers, force mains, lift stations and other facilities, extensions, improvements and additions, necessary, incidental or convenient thereto, all in accordance with the plans and specifications prepared by Dawkins & Grantham, Inc., consulting engineers, heretofore approved by the Florida Department of Health and approved and to be approved by this Council at an estimated cost of not exceeding $130,000, which said cost shall be deemed to include the cost of the construction and acquisition of said improvements, including Sewer System, and any and all other real property, easements, properties or rights-of-way therein or therefor, any other properties deemed necessary, convenient or desirable in connection therewith, and all costs and expenses for plans, specifications, surveys and estimates of costs and of revenues, expenses for plans, specifications, surveys and estimates of costs, fees, financial advisors or consultants, of any administrative expenses, and of all other expenses necessary or incidental to determining the feasibility of said improvements, and all other expenses as may be necessary or incidental to the financing, authorization, sale and issuance of said Bonds, and construction of the improvements, extensions and additions authorized by this resolution, and putting the same into operation, and such other expenses as may be stated in the ordinance or resolution adopted prior to the issuance thereof.

Section 1.04. ORDINANCE TO CONSTITUTE CONTRACT. In consideration of the acceptance of the Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this resolution shall be deemed to be and shall constitute a contract between the City and such holders, and the covenants and agreements herein set forth to be performed by said City shall be for the equal benefit, protection and security of the legal holders of any and all such Bonds and the coupons appertaining thereto, all of which shall be of equal rank and without preference, priority or distinction of any one Bond or coupon over any other thereof except as expressly provided therein or herein.

Section 1.05. DEFINITIONS. The following terms shall have the following meanings in this ordinance, unless the text otherwise expressly requires:

(A) "City" shall mean the City of Avon Park, Florida.

(B) "Act" shall mean Chapter 12514, Laws of Florida, Acts of 1927, as amended and supplemented, and other applicable provisions of law.

(C) "Bonds" shall mean the $130,000 Water and Sewer Revenue Bonds authorized to be issued pursuant to this resolution, and the interest coupons appertaining thereto.

(D) "Holder of Bonds" or "Bondholder" or any similar term, shall mean any person who shall be the bearer or owner of any Bond or Bonds registered to bearer or registrable to bearer or registered and registrable as to principal Bond or Bonds which shall be at the time registered to other than bearer or registrable to bearer.

(E) "Water and Sewer System" or "System" shall mean said Water and Sewer System presently owned, operated and maintained by the City, and shall include all additions, extensions and improvements and additions thereto, hereafter constructed or acquired, either from the proceeds of said Bonds or from other funds, together with all lands or interests therein, plants, buildings, machinery, pipes, meters, furniture and other tangible property, real or personal, useful or intangible, now or hereafter owned or used by or for the facilities and operations of said Water and Sewer System, and shall mean all the facilities of said Water and Sewer System as they shall exist at the time of the issuance of any of the bonds of this resolution and any Sewer System, or any part thereof, any additions, betterments, extensions, or any part thereof, any additions, betterments, extensions, or any part thereof, and any additions, betterments, extensions, or any part thereof, and any additions, betterments, extensions, or any part thereof, and

interest on or the principal of any of the Bonds issued pursuant to this resolution, as the same shall become due, or in the making of the reserve, sinking fund or other payments required to be made by this resolution, or in the event that the City or any officer, agent or employee thereof shall fail or refuse to comply with the provisions of this resolution, or shall default in any covenant made herein, and in the event that any such default shall continue for a period of thirty (30) days, any holder of such Bonds or any trustee appointed to represent Bondholders as hereinafter provided, shall be entitled as of right to the appointment of a receiver of the Water and Sewer System in an appropriate judicial proceeding in a court of competent jurisdiction, whether or not such holder or trustee shall be seeking to have or have sought to enforce any other right or exercise any other remedy herein conferred upon or reserved to the holders of the Bonds.

(h) ENFORCEMENT OF COLLECTIONS. That the City will diligently enforce and collect, or cause to be enforced and collected, all rates, fees, rentals and other charges for the services and facilities of the Water and Sewer System, and take all steps, actions and proceedings for the enforcement and collection of such fees, rentals and charges, which shall become delinquent to the extent permitted or authorized by the Act and the laws of the State of Florida.

Charges for the use of the services and facilities of the Water and Sewer System, as aforesaid, are hereby pledged to the payment of the Bonds and the City further covenants and agrees that, to the extent permitted by law, it will not furnish or permit any person, firm or of the furnishing of both water services and sewer services to all delinquent users of only one of said services, but that all such delinquent rates, fees, rentals or other charges together with reasonable interest and penalties thereon, shall be paid before the same are discharged, and shall adopt or cause to be adopted, reasonable rules and regulations governing the furnishing of water to such delinquent users and sewer services to delinquent users of said Water and Sewer Systems, and that all such delinquent rates, fees, rentals and penalties, have been fully paid and discharged, in the manner provided by the Act and the laws of the State of Florida.

(i) CONNECTIONS WITH SEWER SYSTEM. That the City will, to the fullest extent permitted by law, require all lands, buildings and structures within the City which can use the facilities and services of the Sewer System, to connect with and use the facilities and services of such Sewer System, and will not permit any other sewage collection, disposal, purification, treatment and disposal of sewage and industrial wastes.

(k) CONSULTING ENGINEERS. That the City will retain Hawkins & Grantham, Engineers, of Orlando, Florida, or other qualified and recognized engineers, to supervise the construction of the additions, betterments and improvements to the Water and Sewer System of the combined Water and Sewer System and, if and when deemed necessary after the completion thereof the City will retain on an annual basis said or other qualified and recognized engineers, to inspect and make a report as to the operation and management of the Water and Sewer System, and the operation and maintenance thereof, and to generally supervise the operation and maintenance of said Water and Sewer System, and perform the duties relating thereto provided for in this resolution.

(l) INSURANCE. That to the fullest extent permitted by law, the City will not grant or cause or consent to or allow the granting of any franchise for the rendering of any competing facilities or body or agency or instrumentality whatsoever, for the furnishing of water services and sewer services in said area.

(D) ISSUANCE OF ADDITIONAL PARITY BONDS. That no additional parity Bonds shall be issued pursuant to the Act and issued pursuant to this resolution out of the revenues of the Water and Sewer System shall be issued after the issuance of the Bonds pursuant to this resolution, except upon the following terms and conditions:

Additional parity Bonds payable from the net revenues of the Water and Sewer System may be issued from time to time for the purpose of financing the construction and acquisition of additions, extensions and improvements to the Water and Sewer System, only if the average annual net revenues of the Water and Sewer System for any twenty-four (24) consecutive months during the immediately preceding fifteen (15) month period immediately certified by the Consulting Engineers, shall be equal to not less than one hundred forty (140) percent of the maximum annual debt service, principal and interest which will mature and become due in any succeeding year thereafter on the Bonds and parity Bonds then outstanding pursuant to this resolution including any additional parity Bonds theretofore issued, then outstanding, and (b) the additional parity Bonds proposed to be issued, and (b) the Outstanding Bonds, then outstanding.

In determining the amount of net revenues for the purposes of the above paragraph, the Consulting Engineers may adjust the net revenues by adding thereto the following amounts:

(1) The net revenues computed for any period on the same basis as aforesaid, as estimated for the Water and Sewer System of any water or sewer utility which the City might have constructed or acquired during such period, or which the additional parity Bonds or which the City shall be acquiring from proceeds of such additional parity Bonds, in the case of the latter acquisition thereof, has been operating for a part of the same base period or periods.

(2) In the event a change has been made in the rate schedules for services from the Water and Sewer System prior to the issuance of the then proposed additional parity Bonds for a part of the same base period or periods and such change has resulted in an increase in net revenues, in the opinion of an engineer, as estimate made by such Consulting Engineers of such additional net revenues for the same period or periods.

In determining the amount of net revenues for the above purposes, the Consulting Engineers shall adjust the net revenues by deducting therefrom the amount required during such base period to be deposited in the Renewal and Replacement Fund for the Outstanding Bonds.

The term "additional parity bonds", as used in this subsection, shall be deemed to mean additional obligations evidenced by Bonds issued under the provisions and within the limitations of this subsection payable from net revenues of the Water and Sewer System, as hereinbefore authorized, on a parity with Bonds authorized and issued pursuant to this resolution. Such Bonds shall be deemed to have been issued pursuant to this resolution the same as the Bonds originally authorized and issued pursuant to this resolution, and all of the covenants and other provisions of this resolution (except as to details of such Bonds evidencing additional parity obligations inconsistent therewith), shall be for the equal benefit, protection and security of the holders of any Bonds originally authorized and issued pursuant to this resolution and holders of any Bonds evidencing additional obligations subsequently issued within the limitations of and in compliance with this subsection. All of such Bonds regardless of the time or times of their issuance shall rank equally with respect to their lien on and source and security for payment from the net revenues of such Water and Sewer System without preference of any Bonds or coupons over any other.

The term "additional parity bonds", as used in this subsection, shall not be deemed to include bonds, notes, certificates or other obligations subsequently issued, the lien of which on the revenues of the Water and Sewer System is subject to the prior and superior lien upon such revenues of Bonds issued pursuant to this resolution, and the City shall not issue any obligations whatsoever payable from the revenues of the Water and Sewer System which shall be equally as to lien on and source and security for payment from such revenues with Bonds issued pursuant to this resolution, except in the manner and under the conditions provided in this subsection.

No additional parity Bonds, as in this subsection defined, shall be issued at any time, however, unless all of the payments to the respective funds provided for in this resolution on Bonds then outstanding, and all other sinking fund, reserve or other payments provided for in this resolution shall have been made in full to the date of issuance of said additional parity bonds, and the City shall have fully complied with all the covenants, agreements and terms of this resolution.

ARTICLE IV

MISCELLANEOUS PROVISIONS

Section 4.01. MODIFICATION OR AMENDMENT. No material modification or amendment of this resolution or of any ordinance or resolution amendatory thereof or supplemental thereto, may be made without the consent in writing of the holders of two-thirds or more in principal amount of the Bonds then outstanding, provided, however, that no modification or amendment shall permit a change in the maturity of such Bonds or a reduction in the rate of interest thereon, or in the amount of the principal obligation or affecting the unconditional promise of the city to levy and collect rates, fees, rentals and other charges for said Water and Sewer System, or to pay the principal of and interest on the Bonds as the same mature and become due from the revenues of the Water and Sewer System, or reduce such percentage of holders of such Bonds required above for such modifications or amendments, without the consent of all the holders of such Bonds.

Section 4.02. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions of this resolution should be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be held and void and shall be deemed separate from the remaining covenants, agreements or provisions, and shall in no way affect the validity of all the other provisions of this resolution or of the Bonds or coupons issued hereunder.

Section 4.03. VALIDATION AUTHORIZED. That Hue E. Nunnallee, Esquire, City Attorney, be and he is hereby authorized and directed to prepare and institute proceedings in the Circuit Court of the Tenth Judicial Circuit of Florida, in and for Highlands County, to validate and confirm the issuance of the Bonds authorized by this resolution and all proceedings and action taken relating thereto.

Section 4.04. ISSUANCE AND SALE OF BONDS. That said Bonds shall be issued and sold in such manner and at such price or prices consistent with the terms of this resolution and the Act as the City Council shall hereafter determine.

Section 4.05. EFFECTIVE DATE. This Ordinance is an emergency measure and it is hereby found and determined that the welfare of said City or a part thereof requires its immediate passage, and this ordinance shall take effect immediately upon its passage and approval by the Mayor and upon its being published one time in a newspaper published in said City.

Route For Road Is Condemned

In a hearing held Monday in Circuit Court Judge Clifton M. Kelly signed the order of taking for right-of-way for Highlands Avenue (the hospital road in Sebring).

James R. Tompkins and L. C. Hooper were named appraisers, and Judge Kelly ordered $3,000 placed in escrow to cover the cost of the parcels needed for the road improvements.

County Attorney Hue Nunnelee said after the hearing that he is hopeful that the few parcels involved in the case may be obtained without a trial, however, the State Road Department with the order of taking may proceed to advertise for bids.

Road Department officials said expressed hope that the contract might be let and work begun in early summer.

THE HEART OF THE HOME

"I am reminded of your sincere faith, a faith that dwelt first in your grandmother Lois and your mother Eunice and now, I am sure, dwells in you." 2 Timothy 1:5

The story is told of Heywood Broun, a New York columnist, visiting with an old clergyman on Christmas Eve just before the beginning of World War II. World conditions were such that the mood of Christmas was hard to come by. The clergyman took the Bible, opened it and asked Broun to read. He read: **"Then Judas, which betrayed him, answered and said, Master, is it I?** He said unto him, **Thou hast said.'** " St Matthew 26:25. He was then asked to read St. Matthew 26:27. **"And he took the cup and gave thanks, and gave it to them, saying, 'Drink ye all of it.'** " The clergyman paused for a moment and then said: **"Not even to Judas, the betrayer was the Wine of life denied."** Judas did not break the outreach of Christ's love. Most parents can understand that. Love never ends! Love and laughter are the secret of a happy home.

Will Durant talked about his search for happiness. He said: "I sought it in knowledge and found disillusionment; I sought it in writing, and found a weariness of the flesh. I sought it in wealth, and found discord and worry." One day he saw a woman waiting at a station. She was sitting in a car and had a little child asleep in her arms. The train came in. A man got off and came over where the woman was. He kissed her and the child, got in the car and they drove off together. Later that day, Durant heard the voice of his own little girl crying out: "Come out and play." He left his desk and went out. "So we walked and ran and laughed together," he said. That evening he was again at his desk writing. He jotted down these words: "Now it is evening, while I write. I hear the child's breathing as she sleeps in her cozy bed. And I know that I have found what I sought."

We must start with love in building family life. Christian love! With that in the heart we labour to give the child a sense of being wanted, a sense of security. We try to say and do those things which build up the child's confidence. The child must be corrected when wrong. A good parent does that, he also congratulates the child, when he has done the right thing. He doesn't neglect to say, "Well done!" A good parent strives to teach the child self reliance. Two boys had gone camping. When it began to rain, they called their mother and asked her to come and get them. "No," she said. "I'll ask your father to come out." That night the father slept with the boys in a small tent. They learned the valuable lesson that their preparations had been good enough to carry them through a very severe storm. They would weather it themselves the next time. A good parent does not simply send a child to Sunday School and Church, he goes with the child. They worship God together. Families that worship together, stay together.

I believe that we can say without danger of contradiction that the heart of the home is the mother. It has been said that before there can be a great man there must be a great mother. St. Paul substantiated this opinion when he said to Timothy: **"I am reminded of your sincere faith, a faith that dwelt first in your grandmother Lois and your mother Eunice and now, I am sure, dwells in you."** 2 Timothy 1:5. St. Augustine confessed that he himself had been saved by the constant prayer and effort of a good, Christian mother.

A traveler had been to Washington, D.C. On his return to Kentucky, he engaged in the following conversation:

"Howdy!"

"Howdy" replied the native. "What's been happening in the world?"

"Nothing much." He replied. "Has anything happened around these parts?"

"No, nothing at all. Nancy Lincoln gave brith to a boy."

Nothing at all. That poor fellow had forgotten that when God wishes to get anything done in this world, He doesn't send some cataclysmic disturbance, hurl thunderbolts or rock the world with an earthquake. He simply has a tiny, helpless baby born, perhaps to an humble mother in an obscure home. God places a dream within that mother's heart. The mother instills the dream within the child's head. Then, God waits.

Sandburg reveals something of the great heart of Nancy Lincoln in his story of her death. "She knew she was dying, called for her children, and spoke to them her last choking words. Sarah and Abe leaned over the bed. A bony hand of the struggling mother went out, putting its fingers into the boy's sandy black hair; her fluttering words seemed to say he must grow up and be good." Mothers are like that!

Of the faithfulness of a true mother there is no end. When Pompeii was excavated, there was found the skeleton of an invalid child held fast in the arms of his mother. The speculation is that the mother could have escaped alone but she went back in a desperate effort to save her child and both were trapped in the falling ash of the erupting volcano. There is something of God in a mother's love that follows a child even to a cross. The mother Mary, at the foot of the cross on which Jesus died, is an accurate picture of motherhood.

Last Sunday was Mother's Day. If you had sat down at that time and written your thoughts about your mother, they may have come out something like this:

"She was high of mind,
Firm of will,
Strong in convictions,
And determined in purpose.

She loved her flowers-
Her friends-
Her home-
Her children-
Her God.
She was a Southern gentlewoman,
The like of whom I shall not see this side of Eternity.
She was my mother."

J. E. Shiltz Will Preach

Bringing the message at First Presbyterian Church this Sunday will be Jerome Schiltz who will have as his message "Spiritual Progress, Decay and Death." Special music will be a solo by Mrs. Thelma Ward. An invitation is extended to all who will come and worship with us.

"Call off the hunt! I'd rather put with the FLIES!"

Announcement . . .

The Highlands Tag Offices in Sebring and Avon Park will be open to serve you this Saturday, May 14, for the convenience of all those who have not yet purchased their 1966 automobile tags. This will be the last Saturday you may do so before the May 20th deadline.

Spice CABINET

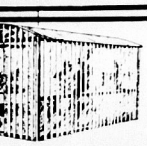

• For a handy cleaning tool, use nylon net. This is especially good for cleaning a fish aquarium. It can also be used to go through the filter tubes or on any glass surface that is hard to clean.

• Mark your knitting needles with nail polish to indicate inches for measuring needlework. When there are pieces to sew together, pin them first with bobby pins and it will not split yarn like regular pins.

• A strip of elastic, at intervals of several inches, across the front of dresser drawers will hold bottles, etc. This prevents possible spilling and keeps the drawer neat.

An old farmer, asked why he never married, explained:

"I'd rather go through life wanting something I didn't have than having something I didn't want."

Junior Women Plan Picnic For May 29

The monthly meeting of the Avon Park Junior Women's club was held Tuesday, May 3, at the clubhouse with President Lil Hassfurder presiding.

Miriam Filippini brought up discussion about the coming family picnic and it was decided to hold it Sunday afternoon, May 29, beginning at 1 p.m. at Highlands Hammock. Each family should bring food enough to feed their own family and then put all the food together pot-luck.

Carolyn Tomlinson and Neil Roberts agreed to work on some type of afternoon activity for the children and adults.

Anne Johnson made a motion and told of having about a type of project that might be worthwhile for the club members to work on during the summer. The idea was to invest one or two dollars and see how much the member could make it grow by the September meeting. Some suggestions made were such as making and selling cookies, cakes, candy pot holders, pick berries to sell.

Miriam Filippini seconded it and it was carried. Those present were to pass this suggestion on to those not in attendance.

Miss Johnson Is Honored At Shower

Miss Peggy Johnson, bride-elect of Jay L. Kindrick, was the honoree at a miscellaneous shower Saturday afternoon, May 7 at the Florida Power Lounge.

White linen tablecloths with bouquets of roses and gardenias with miniature bride doll formed the table decorations where the guests played games.

Miss Johnson was assisted in opening her many gifts by Mrs. R.C. Akin and Mrs. Otis Kindrick. Mrs. Vickie Cook was in charge of the guest book.

First Methodist Church Setting For Mother-Daughter Banquet

The First Methodist Church was the scene of the annual Mother and Daughter Banquet on Thursday, May 5. Approximately 150 guests attended. They were served punch on entering the church by Mrs. Collette and Ruth Detting-er.

Theme for the occasion was a simulated garden and guests entered the banquet room through pink rose arbor entwined with maiden hair fern.

Miniature potted artificial flowers were given as favors.

The punch bowl was encircled with gardenias and tables were appointed with many variety of flowers, completing the theme.

Members of the Men's Club of the Church, in their little white aprons, were very efficient in serving a delicious dinner to the guests.

Helen Harris welcomed the guests, after which Mrs. Alverna Rutz gave the devotionals and prayer.

The meaning and significance of the garden flowers, to every day life, was given by Mrs. Hubert Buzzard.

Mrs. T. Hayes Maxwell and Mrs. George Kelsey sang two duets. The first was a spiritual number, the second a tribute to Mothers, written to the music of Brahms Lullaby.

They were accompanied on the piano by Mrs. Frank Henderson.

Corsages were presented by Mrs. J.C. Farrell to the youngest mother, Mrs. William Kliemn and the oldest mother, Mrs. Nina Franklin.

Four generations were present at Mrs. Franklin's table. Mrs. M.L. Rogers received a corsage for the most children.

The Wesley Guild sponsored the event.

Mrs. Stewart Hostess To 8 & 40 Salon

Highlands County Salon No. 685, 8 and 40 met Tuesday evening May 2, at the home of Margaret Stewart on Lake Avenue.

Activities for the summer months were planned.

Attending were Jessie Bell DeVane and Pauline Dionne of Lake Placid; Mamie Arnold, Jean Hill and Virginia Wood, Sebring, and Dorothy Sasser, Verna Heim, Florence Dunne and Ruby Helms of Avon Park.

The hostess served a delicious dinner to her guests.

Conner Will Be Speaker

Florida Commissioner of Agriculture Doyle Conner will be the principal speaker at the annual meeting of the Sebring Chamber of Commerce Tuesday, May 17, at 6:30 at the Sebring Hotel.

Woman's Club Holds Final Meeting

A covered dish luncheon at noon on Friday marked the final meeting of the Woman's Club for the 1965-66 year.

Mrs. Paul E. Braddock Sr., of Auburndale, retiring director of District 9, was the guest speaker.

She conducted the installation ceremonies for the following officers for the ensuing two year term: Mrs. T. H. Maxwell, president; Mrs. Samuel O. Norris, first vice-president; Mrs. H. Otto Krieger, second vice president; Mrs. William S. Clemmans, treasurer, Mrs. N. H. Booth Jr., recording secretary; Mrs. John E. Hayes, corresponding secretary and Mrs. Edgar P. Smoot, registrar.

Hostesses for the luncheon were Mrs. H. K. Biggs, Mrs. David C. Barrow, Mrs. William J. Becker. They were assisted by Miss Sandra Biggs. They used a profusion of garden flowers to decorate the club house.

Each of the retiring officers was honored with a corsage of gardenias., and Mrs. Braddock was presented with an appreciation gift from the Club.

Mrs. T. H. Maxwell presided during the meeting. Mrs. Andrew W. Miracle gave the devotional message as a memorial to the late Mrs. George C. Adams who was the club chaplain. A book will be placed in the Library to the memory of Mrs. Adams and also one to the memory of Miss Myrtle Wilson, who was a former member of the club.

Judge Mervin Rehrer was invited to speak briefly on the observance of Law Day USA, representing the legal profession of the county on the 175th anniversary of the Bill of Rights.

John Hasson, a Junior High School student, was the guest soloist. He was accompanied at the piano by Mrs. Edna Jackson.

Mrs. Charles A. Sargent read the history of the club's accomplishments for the past year.

The scrap book which has been compiled by Mrs. Frank Thayer, was on display.

The president thanked the officers, chairmen and members who have made the club year a success. A new member was welcomed into the club. A vote was taken to purchase some new chairs with surplus money in the treasury.

A brief report was given on the FFWC Convention held in Clearwater, and also on the Workshop held in Winter Haven.

The president thanked all who helped to make the Vocal Concert, which was held last Sunday, such a nice success as a library benefit. The secretary was instructed to write letters of appreciation to the six people who so generously donated their time and talents for the affair.

Letters of thanks will also be written to the APCI and the City for the assistance in getting the palms and shrubbery planted on the club grounds and to Mrs. L. D. McGibboney for donating the palms, and the APCI gardens for the plants.

Following the installation, the new officers were seated and announcements made concerning the new year's work. Mrs. Krieger announced a meeting of the program committee to be held at the clubhouse, Friday May 20, at 9 a.m.

The meeting was adjourned for the season.

Mrs. Renfro To Attend Meeting

Mrs. Anita I. Renfro, an Avon Park area resident and representative of Liberty National Life Insurance Company, will attend the company's 1966 Torch Club with Mr. Renfro at the Roosevelt Hotel in New Orleans, May 16-18.

The Torch Club is composed of the leading salesmen of Liberty National. The three-day program will feature inspirational addresses centered on personal and professional growth.

Numerals On Fertilizer Bag Tell You Chemical Contents

Know your fertilizers.

When any element is in short supply for plant growth, it has to be furnished by some type of fertilization.

Fertilizers differ in their composition, depending on how much of each of the different plant foods they contain and the source of these nutrients, says G.M. Volk, soils chemist with the Florida Agricultural Experiment Stations at Gainesville.

The chemical symbols of N, P, K on the fertilizer tag telling you what the various plant foods are in the bag you're buying can be confusing.

For example, a 100-pound bag advertised as a 3-8-8 analysis means there are three pounds of nitrogen, eight pounds of available phosphoric acid and eight pounds of water-soluble potash, said Volk.

The first figure always indicates nitrogen (N), the second phosphoric acid (P) and the third potash (K).

The chemist explains that these figures are percentages or units in fertilizer terminology. A 3-8-8 fertilizer has only half as much nitrogen, but twice as much potash, for example, as a fertilizer listed 6-8-4.

Some fertilizers, he says, are very similar in analysis. The same amount of N-P-K may be applied simply by changing the amount you use.

When comparing one fertilizer analysis with another it's usually best to keep the nitrogen constant, because plants are sensitive to deficiencies or excesses of this plant FOOD, Volk said.

The amount of various fertilizer materials needed to supply the plant foods in a 100-pound bag usually do not add up to 100 pounds when mixed together. The remaining portion is made up of a conditioner or filler, or both. A conditioner helps prevent a fertilizer from becoming too moist or too hard on standing. They also may provide some of the plant foods in the formula.

The 100 pounds of weight. They often consist of dolomite, raw phosphate or sand, Volk says, and usually have a certain amount of conditioning value, but have no great amount of available primary plant food.

Whitcomb Is New President

Donald Whitcomb, son of Mr. and Mrs. M.G. Whitcomb of Avon Park, was recently elected president of the United Campus Christian Fellowship at Florida Presbyterian College at St. Petersburg.

The United Campus Christian Fellowship is made up of college men and women of four major denominations.

Represented in the group are members of the Presbyterian (U.S. and U.P.U.S.A.), Congregational (United Church of Christ), Christian (Disciples of Christ), and Evangelical United Brethren Churches. Together, they represent almost 800 members on campus.

The chaplain of the college serves as official advisor.

Donald is a sophomore and religion major at the college. He is a member of the United Church of Christ. A 1964 graduate of Avon Park High School, he is an active member of Union Congregational Church in Avon Park.

Improvements To Mail Boxes Being Urged

The Post Office Department has designated the week of May 16-21, when rural, city motorized, and box delivery star route patrons are encouraged to examine, and improve where necessary, the appearance of their mailbox.

Purpose of Mailbo Improvement Week is to call attention to the need for providing mail receptacles which are designed to protect the mail from the weather, and which are neat in appearance, conveniently located, and safe to use.

Mailboxes that meet the above four important requirements contribute to a more efficient delivery operation and the result is an improved service to the entire route.

There are two approved styles of boxes, mailboxes of the approved type are required, whenever a mailbox is newly installed or a present receptacle is replaced. Patrons still using obsolete, top-opening boxes may continue to use them in the same location, provided they are kept in serviceable condition and otherwise meet the requirements outlined above.

The ame of the owner and the box number must be shown on the side of the box visible to the carrier as he approaches, or on the door where boxes are grouped. Patrons are encouraged to group boxes wherever practicable, especially at, or near cross-roads, at service turnouts, and at other places where a considerable number of boxes are located.

Veterans World War One Meet

Dear S.
I don't mind being taken on long rides to get taken back without having to buy anything. I am pledged (on bended knee) to marry only the woman who can appreciate all the advantages of the VW Station Wagon. How distinctive looking it is. (It will laugh.) How I can fit my stationery in it. Camping equipment. Oh my nine children. The excellent traction in snow because of the weight of the motor over the rear wheels. And of course, the delightful novelty of getting over 20 mpg with this compact box. Please call me up for a convenient date. If a woman answers, hang up. My wife isn't quite ready for the idea yet.

Here's the Answer

Head Start

A 9-year-old boy was ordered to appear in juvenile court in Cupertino, Calif. when it was found he emptied milk his mother had poured in a vacuum bottle, and took a jug full of beer to school instead.

Family Affair

A group of stray cows wandered onto ranch property near Snohomish, Wash., knocked over a fence and damaged a yard. The homeowner, who called the sheriff for help, was Mrs. Rosemarie Moo.

SAFE CARS

TEXT OF THE LETTER TO U. S. SENATOR WRITTEN BY HARRY CHESEBROUGH, VICE PRESIDENT CHRYSLER CORP.

Dear Senator Ribicoff:

Your recent request for information gives us an opportunity to cast some light on one facet of the extraordinary effort that is made in our industry to assure the quality of our products and their safe and satisfactory use by the public.

From the start of our 1960 models, Chrysler Corporation has produced 7,589,988 vehicles in our United States plants. This production represents the design, fabrication and assembly of 106 billion individual parts by an average of 100,000 workers annually in our plants and a much larger number of workers in the plants of our 19,000 suppliers in nearly every state in the union.

It is a tribute to the diligence and craftsmanship of these tens of thousands of American auto workers and to the industry's quality control that fewer than one out of every 100,000 parts and assemblies have had to be re-examined after leaving final assembly plants because there was a possibility of less than satisfactory performance.

It is also testimony to the auto industry's dedication to product excellence that it has never spared effort or expense to locate and correct, where necessary, parts that may have slipped through the most stringent quality surveillance.

Time and again we have called in and checked thousands of vehicles to locate and correct a minute number of parts that were not to our satisfaction. Currently we are in the process of checking 16,704 cars and 83,520 wheels to locate 260 unsatisfactory welds. We are campaigning to alter a brake part on 6,995 vehicles on the basis of a single reported malfunction that neither we nor the reporting agency have since been able to duplicate in exhaustive road tests. And we are calling in 182,000 cars to check the tightness of a suspension strut nut.

Attached, as you requested, is a summary of the 24 such campaigns we have conducted during the past seven model years. To the possible detriment of our industry and the hundreds of thousands of workers who make it up, some publicity capital has been made of the fact that our industry has always conducted such campaigns as the ultimate step in a long and thorough process of quality control. Yet the very fact that we have always done so, voluntarily and without outside pressure , is witness to our dedication to the safety and the quality of our product.

Sincerely,
HARRY CHESEBROUGH

Identity Of Dead Man Established

Identity of a dead man found near the railroad tracks at Lakemont has been established as Floyd G. Dodso, 58, a native of St. Louis, Mo.

The body was found early on May 7 by the crew of a Seaboard Airline train which was pulling into the Lakemont siding. The man apparently had died from injuries suffered when he was struck by a train.

There were no identification papers on the body, but a Social Security card was found nearby and the Sheriff's Department began checking to determine whether the card belonged to the dead man.

Through fingerprints submitted to the Federal Bureau of Investigation it was determined that Dodson card did belong to the dead man. The FBI report was received here May 12. The Sheriff said no armed service record was located nor was his department able to locate any family.

The body was interred at Sebring.

Woman Found Dead Thursday

A two and a half day search for a Lake Placid woman ended in tragic discovery of her battered body near her home. Sheriff's deputies found the body of Ella Mae Goldsmith Jackson in a shed not far from the house where her husband died Monday night, May 9.

John Jackson, the husband, died from gunshot wounds, and his death was ruled suicide. He left a note. Sheriff Broward Coker's deputies said, and in the note he indicated he had slain his wife.

An immediate search was instigated for the wife and continued until the discovery Thursday. Deputies estimated the time of death as Sunday night. Indications were that she had been beaten to death, Deputy J. C. Murdock said.

The case has been officially ruled a murder-suicide.

Funeral Homes Ask For "Dry Run" Fee

"Either you help us out or you'll have an ambulance service on your hands," the Highlands County Commissioners were told Tuesday morning.

Tyrone Dowden of Stephenson Funeral Home staff appeared at the commission meeting to present a plan for the county to assume some financial responsibility for the cost of ambulance calls made to accident or crime scenes.

The board members said the way most opposed to such a plan has tabled action Tuesday pending an investigation of the Florida laws on such expenditures.

Calls to move prisoners from the county jail to a hospital are paid by the sheriff's budget, and indigent patients may be moved by ambulance with the welfare budget picking up the tab.

At present time financial responsibility for ambulance calls made to accidents or crime scenes is unclear. Some counties (among them Polk, Dowden said) are signing contracts which provide payment from county funds. Dowden said he is not proposing wide-sweeping responsibility. He suggested a flat fee of $20 for each call when a patient is not moved.

This is termed a "dry call," and while they are not frequent, Dowden said, they are a "real drain on the small hospitals."

Recent wage-hour cases (limiting employees' "on call" hours to 46-hours per week) are causing many funeral homes to drop their ambulance service, Dowden said.

Dowden said his proposal is made with the idea that Stephenson would be serving the southern half of the county and an Avon Park Funeral Home would take the calls in the northern half.

Sheriff Broward Coker and Commissioner J. A. Butler suggested that other funeral homes might wish to participate and a monthly schedule could be worked out.

In accident or criminal cases when a person is moved that becomes a billed for ambulance service. Dowden said he does not propose to change that, but to provide for the dry calls only.

He contended that the wage-hour law would not be

Mr. and Mrs. A. B. Wilhite Retiring At End Of Present School Year

A reception honoring Mr. and Mrs. A. B. Wilhite will be held at the Florida Power Lounge on West Main Street Saturday, May 21, from 7:30 until 10 p.m.

All friends of the Wilhites are invited to drop in during the evening. Refreshments will be served and at 8:30 a special program reviewing the careers of the couple will take place.

At the end of the school year June 30, two persons who have been closely identified with Avon Park High School since 1942 will be retiring. Mr. A. B. Wilhite who has been Supervising Principal of the Avon Park School and his able assistant and wife, Mrs. Ann Wilhite, who has been the Avon Park School Secretary the same length of time.

Mr. Wilhite, a native of Elberton, Georgia, received his B. A. degree at Erskine College in 1927. While in college Mr. Wilhite was quite active in sports and student affairs. He served as vice president of the Student Body and president of the Senior Class. He was quite active in the Affairs of the Baptist Youth in College and has continued to take an active part by teaching Sunday School Classes and being a deacon in the Baptist Church.

After receiving his Bachelor's degree Mr. Wilhite came to Florida as a science teacher and athletic coach at Okeechobee where he produced undefeated teams in football, baseball and even in girl's basketball. In 1932, he went to Sebring as assistant principal, assistant coach and science teacher. His next post in 1936, was that of supervising principal at Lake Placid where he remained until 1942, when he was appointed Supervising Principal at Avon Park. The Master of Arts degree was awarded Mr. Wilhite at Duke University in 1942.

While in Sebring Mr. Wilhite met Miss Ann Wilson a native of Griffin, Georgia, and they were married December 24, 1936. Mrs. Wilhite has served as school secretary since 1942. The role of a school secretary is so entirely different from that of any other secretary that is listed in the D.O.T. (Dictionary of Occupational Titles) separately. The tasks are so varied, so different, so compelling, so funny, so sad, so important and many other measurements but never, never dull. Needed—a band aid, a paper clip, cellophane tape, football reserved seats, stadium bonds—always the answer. "Ask Mrs. Wilhite."

Then, of course, there are always the records to be kept and each one is important. Indeed the school secretary is a unique job but one that Mrs. Wilhite has done so well.

The chance to enjoy some fishing, to find where the hunting is good, to travel to new places and to enjoy being grandparents to Joe and Greg Wilhite, sons of Capt. and Mrs. James A. Wilhite in Stetson University, Deland, Fla.

It would be better said that Mr. and Mrs. Wilhite are actively retiring from the Avon Park School System with a special emphasis on the word "actively" but they cannot really retire for they are leaving with the school, its students, its graduates and the faculty a large part of their hearts, their thoughts and their lives. They have touched the lives of many boys and girls and it will be remembered with deepest gratitude from those so touched.

Criminal Trials To Be Held Week Of July 11

A series of criminal trials will be held in Circuit Court the week of July 11, Circuit Judge Clifton M. Kelly announced the tentative trial week Tuesday.

On Tuesday morning the court appointed the public defender to represent several persons awaiting trial on felony charges, and pleas were entered by several defendants.

Wesley Lyons, charged with manslaughter, entered a guilty plea Tuesday. He had been charged in the shooting to death James Walter Sims on January 13. In court Tuesday Lyons was represented by S. C. Pardee. Judge Kelly ordered a presentence investigation.

Cecil Duane Kirkland, who had been charged with larceny of an auto, entered a plea of guilty to the lesser charge of unauthorized use of an auto. Sentencing was deferred.

Lillie Mae Wallace, charged with second degree murder in the slaying of her husband, entered a not guilty plea.

Richard Gowdy, charged with grand larceny, entered a not guilty plea.

At the hearings Tuesday the State's Attorney office was represented by J. O. Macbeth.

Directors Meet

The Board of Directors of the Avon Park Chamber of Commerce will meet Thursday, May 19, at 8 p.m. All members are urged to attend this meeting which will be held in the chamber office on Main Street.

South Florida Junior College Donations Up

The South Florida Junior College Citizens Committee announced Tuesday that the fund drive to provide temporary quarters for the college in downtown Avon Park had been given new impetus with several sizable donations. Last week Roy Kirby, District Manager of Florida Power Corporation, presented Chairman Bob Gay with a check for $1,000. Al Moretz, representative on the Citizens Committee from Lake Placid, announced the receipt of a pledge from the Lake Placid Civ Council for $1,000 and at a special fish fry held at the YMCA camp on Lake Grassy turned over a check in the amount of $500 as half payment on the pledge.

Approximately 200 persons attended the event and heard Dr. William Stallard, president of the College, discuss plans for the college which will open August 19. Moretz told those present that they could help the committee by mailing their contributions to South Florida Junior College Citizens Committee, Avon Park.

Gay reported that the City of Avon Park had made another payment of $2,500 on its $10,000 pledge. Other contributions received during the past two weeks are: Dr. Samuel King, $75; Women's Division, Avon Park Chamber of Commerce, $25; Doris Whittaker, $25; Tom Cooper, $10; Merle Abbott, $10; A. E. Abbott, $10; Edison Enterprises, $5; Betty Ray Roberts, $5; and Helen Arnsman, $5. A total of $14,979.40 has been deposited to the special account at the Avon Citrus Bank to date. A goal of $50,000 has been set for the drive.

All work has been completed at the Todd Building which will house the library and business offices. The major work of plumbing, lighting, and heating remain to be performed at the Brickell Building which will contain the new classrooms. A crew from the Avon Park Correctional Institute has been working for the past two months and has saved thousands of dollars in the revamping of the area for classroom purposes. Both buildings have been offered the college rent free by their respective owners, E. G. Todd and Walter Betts.

Camphor Street Closed To Public

In the light of the recent Avon Park School Evaluation report, it was suggested that Camphor Street which runs on the North side of the school from Lake Avenue to Verona Avenue, be closed to the public.

Starting Monday, May 23, the street will be closed for safety reasons from 7:30 to 3:30. Guy Garrett said the action was being taken in order to prevent an accident.

Avon Park Red Devils Win State Class B Baseball Championship

The Avon Park Red Devils won another state baseball championship last week with a 13-3 six inning win over Key West Mary Immaculate in the semi-finals and a 7-0 shut-out win over Holmes County High School of Bonifay in the finals of the Class B State Tournament held here at Head Field.

The state title was a first for second-year head coach Ralph Hill but was the second in three years for the Devils who took the Class B title two years ago. This year's squad set a 17-4 record losing only two to AA Winter Haven, one to A Sebring, and one to the Clearwater Central Catholic. The Devils won three of four games with the Clearwater team however.

In the tourney opener the Bonifay Blue Devils slipped by the Callahan Ramblers 2-1 to move into the finals. Bonifay took advantage of nine walks, a hit batter, and two costly errors to score two runs on two hits. Winning hurler Harold Wells gave up six hits and struck out nine batters during the eight inning game.

Winning run was scored by catcher Bobby Smith who went to first after being hit by a pitched ball, advanced to second when the next batter was walked, moved to third on an error by the Callahan third-sacker and came home when the Rambler catcher threw wild attempting to pick Smith off at third.

The Red Devils jumped off to a three run lead in the first inning of the game against Mary Immaculate but the Marines came back in the top of the third to tie things up as they scored three runs on no hits, a walk, and three Devil errors.

In the bottom of the fourth the Devils scored four more runs on two singles, two walks, and two errors by the Key West team. Then in the bottom of the sixth Avon Park iced the win down scoring six runs on four singles and three bases on balls.

Mike Knapp, winning pitcher, pitched no-hit ball for the six innings, walked four, and struck out 13 batters while his team committed two errors.

Randy Sterling, the losing freshman hurler for Mary Immaculate, walked 11 Devils and fanned 8 as he had some control trouble in the last three innings.

Emmitt Money, playing firstbase, had two singles to lead the Devils as the plate. Holden, Oberle, Mike Knapp, Coleman, Lemler, and Powell all had one single each as the Devils touched Sterling for 8 hits.

In the finals the Red Devils played an outstanding defensive game to shut-out the Bonifay Blue Devils while they blasted out a homerun, a double and four singles to score 7 runs for the 7-0 win.

Devil junior righthander, Emmitt Money, held the Bonifay hitters hitless for six innings before the lead-off batter singled up the middle and the third batter rapped out another single before Money could retire the side with three strikeouts. Money fanned 11 batters and walked only 2 during his seven innings of pitching.

Jim Powell, Devil second baseman, took care of the two men who reached base on balls as he executed two double plays. In the second inning Powell fielded a ground-er, tagged the man advancing to second and fired to first for the second out. Then in the sixth frame the scrappy infielder caught an infield fly and tossed to first for his second double play of the evening. The Devils played errorless ball.

Offensively the Devils were tough too as they displayed the type of ball that won the state championship for them. Carl Holden led off the first inning with a double but didn't score as losing hurler Harold Wells, going his second game in two nights, fanned the last two batters after Holden was sacrified to third.

In the third inning, Holden did score on a walk, a stolen base, and two infield outs. He came home when Emmitt Money was thrown out.

With the score still 1-0 going into the bottom of the fifth frame, the first two Devil batters drew walks and third-sacker Spencer Oberle slammed a homerun over the left field fence to score three runs. Oberle hit a foul ball over the fence just before he lofted his homer over after taking a full count. Then Money singled, Mike Knapp singled and Lemler singled after Coleman flied out to the left fielder. Powell flied out to the right fielder and then Joe Strickler singled to drive in Knapp and Lemler. The big inning ended when Strickler was called out for missing second base after moving to third on a throwing error by the catcher.

Avon Park supervising principal A. B. Wilhite introduced Guy Garrett to the large crowd of partisan fans and the popular ex-coach and high school principal presented the trophies to Class B state runner-up Bonifay and state champion Avon Park. The boys of both teams received individual baseballs for their winning efforts. The Devils received gold baseballs and the Blue Devils were presented silver baseballs.

TOM LaFLAM shows here how he finished first at the Class B state track meet in the 880-yard run last week setting a new Class B record in that event with a time of 2:00.1. LaFlam's was the only first for the Red Devils who finished sixth in the meet.

Tom LaFlam Breaks Class B Record In 880-Yard Run

Red Devil distance runner Tom LaFlam led the Avon Park track team to a three-way tie for sixth place at the Class B state track meet held in Gainesville last Friday as he won the 880-yard run with a Class B record breaking time of 2:00.1.

Bill Wild, senior sprinter, brought home a second place in the 440-yard dash with a time of 50.6 seconds behind Keith Neyland of Florida High who turned in a 50.1 second running of the quarter mile.

Mike Coleman placed fourth in the 120-yard high hurdles race with a time of 15.4 which set a new school record. Coleman and Mike Furr both held the old record of 15.6 seconds.

Other members of the Red Devil track team performed well but didn't place in the tight Class B competition. The Devils mile relay team was running well before a collision on the track eliminated them from the competition.

The Class B meet was won by Clermont with 49 points. The Highlanders only first place was the mile relay.

The 1966 Devil track team, coached by Jeff DeCola, set eight school records in the 10 running events this year. Only the 180-yard low hurdle time of 21.6 seconds set by Mike Furr last year and the mile relay record set by Wild, Furr, LaFlam, Callaway (3:29.5) last year at the state meet held up this season.

In the five field events all previous records held.

Kindergarten To Receive Diploma

The public is invited to attend.

Red Devils Win District Championships In 3 Major Sports

Avon Park Red Devil varsity athletic teams set outstanding records this year as they won district championships in three major sports and came within 1 point of winning all four.

The football team, coached by head coach Joe Franza, line coach Guy Garrett and assistant coach Bill Sewell, won the Class B Region 4 title with an 8-2 season record and then lost to Eustis 13-6 in a play-off for the southern group championship.

Coach Lee Maness's basketball squad won the Class B Group 14 title with wins over Clewiston and Immokalee and went to the finals of the regional tournament in Mulberry losing out to Jupiter by 5 points.

The Devil baseball team, coached by Ralph Hill, topped them all by winning the district, regional, and finally the Class B State Championship. The Red Devils set a 17-4 record for the season.

Coach Jeff DeCola's track team lost a heartbreaking Class B District 7 meet to Mulberry by ½ point to take the runners up trophy. The Devil's top sparkler, Harold Callaway, who holds school records in three individual events and ran on two relay record teams, was injured in the final regular season meet and was unable to participate in district or state competition.

In spite of the loss of Callaway, the Red Devils tied with Ft. Meade and Citrus County for sixth place in the tough Class B state competition. Tom LaFlam set a new Class B record in the 880-yard run with a time of 2 minutes, 4.10 seconds and Bill Wild placed second in the 440-yard race. Mike Coleman also placed fourth in the 120-yard high hurdles.

Five boys lettered in all three of the sports which won district titles or better this year. Seniors Carl Holden, Jim Powell, and Bobby Coleman; Junior Emmitt Money; and sophomore Dean Lemler earned letters in football, basketball, and baseball.

Twelve other boys earned letters in two of the four major sports. Winning football and track letters were seniors Robert King, Bill Wild, and Tom Nunnaliee and juniors Harold Callaway and Bobby Barben. Earl Sims, a junior, earned a letter in both basketball and track.

Juniors Roscoe Bass, John Elder, and Joe Strickler lettered in football and baseball and seniors Ron Jackson and Spencer Oberle lettered in basketball and baseball as did sophomore Bill Knapp.

Many other boys contributed to the outstanding athletic season at Avon Park high school this season including those who lettered in just one sport and those who participated in varsity or "B" squad competition but didn't earn a letter.

The excellent won-loss records in each sport were matched by sportsmanship displayed by Red Devils who represented Avon Park in many different Florida communities. Avon Park fans are proud of the 1965-1966 athletes and coaches at Avon Park high school.

Postmaster Urges Local Citizens To Convert Postal Savings Deposits Into U. S. Savings Bonds

Postmaster R. D. Young today urged local citizens who have funds on deposit in the abolished Postal Savings System to convert their holdings into United States Savings Bonds.

Postmaster General Lawrence F. O'Brien, who is Chairman of the Federal Savings Bonds Campaign, has appealed to the 900,000 Americans who have $285,000,000 on deposit with the Post Office Department to convert their investments into United States Savings Bonds," Mr. Young stated.

"I join him in urging local citizens who have Postal Savings Accounts to make that change which will be of great benefit to both themselves and our country. Savings Bonds offer every advantage of convenience and security formerly available through Postal Savings Certificates plus many other advantages unique to Savings Bonds.

Among those special advantages, the Avon Park Postmaster said, are Savings Bonds' new, higher interest rate of 4.15 percent and the great intangible benefit of supporting our country in the fight for freedom in the world and for economic progress and security here at home."

Mr. Young said details about the procedure for conversion can be obtained from the postmaster of any Postal Savings Depository Post Office which includes Avon Park.

The Postal Savings System, in operation since January 1, 1911, was discontinued April 27, 1966, by Act of Congress. The Post Office Department presently is liquidating its accounts and on July 1, 1967, will transfer all unclaimed assets of the System to the Treasury Department.

The decision to abolish the Postal Savings System was made because of declining interest in it by the general public as a savings and investment medium. Higher interest rates paid by financial institutions and other means of investment had attracted the bulk of funds which formerly went into Postal savings and the convenience factor was negated by expanded hours of service by banks.

The original purposes of the Postal Savings System were to (1) get money out of hiding, (2) attract the savings of immigrants who were accustomed to saving at post offices in their native countries, (3) provide safe depositories for people who had lost confidence in private banks and (4) provide more convenient depositories for savings of working people who were unable to bank during regular banking hours.

"Those purposes have long since been fulfilled," Postmaster Young commented. "and, as Mr. O'Brien has emphasized, no greater purpose could now be served by funds on deposit in the Postal Savings System than to put them to work for America in the form of United States Saving Bonds."

Low-Rent Housing For The Elderly Coming To Avon Park

Most elderly families in need of decent standard housing in the future will have to look to the low-rent public housing program for the homes they can afford to rent, Don Correll, Executive Director of the Avon Park Housing Authority, declared here today after receipt of information on the status of the housing for the elderly program in Avon Park.

Correll said a total of 23 cities in Florida are enrolled in the public housing program to build homes specifically for the elderly.

"We must be alert to this rapidly growing need for decent homes for elderly people," Correll said. "Through the advance of medical science, the increase in the elderly population already has reached the point where one out of three persons who has reached the age of 60 has a parent or close relative over 80 to be concerned about.

"More than half the aged families in the United States have annual incomes of less than $3,000 per year, and about one third have less than $2,000 per year. About one-half of the single aged persons have annual incomes of less than $1,000 per year.

"Now it is plain for anyone to see that families and persons with such low incomes cannot afford to pay the rents required for standard private housing." Correll said an elderly person is defined as one who has reached the age of 62.

Okra is assumed to have been introduced to the U. S. by French colonists of Louisiana in the early 1700's. Okra is sometimes called "gumbo."

Junior College Will Compete In Two Sports

When South Florida Junior College opens its doors for the first time in August, all will be new including the first athletic teams. The SFJC Panthers will compete in basketball and baseball in the Central Florida Junior College Conference.

Teams in the conference are St. Petersburg Junior College, Manatee Junior College of Bradenton, Polk Junior College of Bartow, Brevard Junior College of Cocoa, Lake Sumter Junior College of Leesburg, and Orlando Junior College.

Kingpins of the conference last year, and expected to field strong teams again, are Manatee, St. Petersburg and Brevard. Improved clubs at Orlando and Polk are expected to give these three a run for the money. Lake Sumter and South Florida, newcomers to the conference, will field teams of unknown quality, and in the case of South Florida, both baseball and basketball teams will be composed completely of freshman.

Coached by the very successful Dunning Terrell, whose Hardee High School basketball teams have compiled an outstanding record, South Florida will compete for the division championship. Though at a decided disadvantage as regards experienced manpower, Coach Terrell says, "We feel that if a thing is worth playing it's worth playing well. We will play any junior college team, any time, any place, with the sincere intention of defeating them. That's our philosophy and we will stick to it. Of course, we are about five to ten years behind most of the teams we will play, and it will be hard to catch them in one, two, or even three years. We just hope we can field a representative team this first year."

Robert King High and Scott Kelly Here For A Politiical Rally: 300 People Attended

A crowd of Scott Kelly-Robert King High enthusiasts gathered at the Jacaranda Hotel for a political rally here Saturday. Committee members estimated that 300 persons turned out for the joint appearance of gubernatorial candidate High and his new campaign partner Kelly.

For Kelly this was his second trip into Highlands County in the 1966 political wars, and his was the major burden of the speech-making for stops here and in Sebring Saturday.

Kelly was the easy winner of Highlands County's support in the first primary when he netted 57.6 percent of all Democratic votes cast in that election. Backers now claim that 90 percent of his county organization followed him into the High camp when the Polk Countian threw his support to the Miami Mayor.

The committee which arranged Saturday's rally in Avon Park was Wayne W. Albright and Mannin Kirkland. Kelly and High flew into Sebring Air Terminal Saturday morning then moved by helicopter into Sebring and on to Avon Park to land in front of the SAL depot. They were met there by Albright, Kirkland and other backers.

Mayor E. A. DeLaney introduced Griffin who was followed by Kelly and High. The campaigners moved on to Wauchula and then to Lake Wales and Winter Haven—repeating at each stop much the same themes stated in the Avon Park rally.

Welfare Director Asks For Increase Of Maternity Fee

At the request of the Mrs. Anna Dee Church, county welfare director, the board voted to increase payment for indigent maternity cases, at the Highlands County commissioners meeting Tuesday morning.

The county has paid physicians $50 for prenatal care and delivery. The welfare director said fewer and fewer of the county's physicians are willing to take obstetric cases, but the County Health Director had negotiated a new payment schedule—$75 for delivery and the County Health Department will handle prenatal care.

The commissioners approved filing of application for the county juvenile home to participate in the federal surplus commodities program.

Juvenile Court Counselor W. Robert Lindsay attended the commission meeting to thank the board for the prompt help which had been given the home when its water pump failed.

Commissioner Ben McGee and County Purchasing Agent Gene Hamlin arranged for an emergency supply of water to be delivered to the home, he said, and Lionel LaFlow Inc., and Riles Pump and Equipment Co., drilled and equipped a new well "so reasonably I think we can handle the expense out of our regular budget and not have to ask for extra money," Lindsay reported.

The board approved placing a deposit of $15,000 for 90 days in First National Bank on its high bid of 4.56 percent.

Commission Chairman Cecil Skipper said he had written to the Governor about the placing of culverts, which are being installed as a part of the Highway 27 four-laning, in such a way as to improve the drainage of the Sebring Golf course. The State Road Board had ruled that secondary road money could not be used in this project. So far no reply has been received from the Governor.

In other business Tuesday the board proclaimed May 22-28 Florida Extension Home Economics Week.

Authorized advertising for bids for rock.

Approved a resolution abandoning Kissimmee River Estates as a subdivision and returning the land to acreage.

Homecoming At New Zion Baptist Church May 22

New Zion Baptist Church of Ona, Fla., is celebrating it's 100th anniversary with two special days. First will be the regular yearly homecoming day on Sunday, May 22, 1966. Rev. Dow Durrance, former pastor, will speak in the morning. Rev. J. B. Folds, Field Secretary for Florida Baptist Convention will speak in the afternoon. Former pastors attending the afternoon service will be given an opportunity to bring a testimony to the church.

The second special day will be September 25 which will be "Centenial Day." Rev. O. O. Roberts, a former pastor, will be preaching at the morning service and Dr. John Maguire, Florida Baptist Executive Secretary, will be preaching in the afternoon.

The church is known for it's outstanding evangelistic fervor and Missionary spirit. As a result of it's influence, Miss Valda Long of the Foreign Mission Board of the Southern Baptist Convention, is now stationed in Nigeria as a missionary.

SFJC Visited By Educator

Dr. David Kelly of the Southern Assn. of Colleges and Schools visited and inspected temporary facilities of the South Florida Junior College on Wednesday, May 4.

Doctor Kelly indicated that plans for the College are proceeding well ahead of schedule and offered no specific suggestions other than the program which is currently in progress. He verbally stated that SFJC would be given immediate recognition as a Corresponding Institution, and authorities of the College are awaiting official confirmation of this statement.

While no new junior college or university can be fully accredited by the Southern Association until three classes have been graduated, this recognition as a Corresponding Institution means that when official accreditment is received, it will be retroactive to include all students including those registering at the College this fall.

Applications are being received at the College offices at the present time, and all prospective students are urged to submit application forms at their earliest possible convenience if they plan to enter college in August, 1966.

Road Dept. Receive Bids

The State Road Department offices will receive sealed bids until June 2, for work on roads of which Highlands County will be included for rework.

One of the roads to be reworked is S-17-A between U.S. 27 and U.S. 98 in Sebring. A total of 1.499 miles are to be reworked including small drainage structures, concrete sidewalks, and incidental items.

The other Highlands County road will be a Federal Aid Project of SR-70. A curve is to be realigned approximately 2.0 miles southwest of Brighton.

Also on SR-70 from a point approximately 2.2 miles east of U.S. 27 to approximately 5.5 miles east is to be reworked. The total length of this road reworked will be 3.994 miles.

NOTICE

My Law Office will be closed during entire months of June and July, except for handling Prosecuting matters.

A PERSONAL MESSAGE FROM YOUR GOVERNOR

YOU are Florida's most important citizen. Florida's government is your government. Florida's governor is your governor.

That is why I wish it were possible for me to speak personally with you in your home. I wish we could sit and talk together about Florida's progress — and about our problems. I wish we might go over our state government together so that you might more fully understand just how it works for you.

But today Floriaa's population has passed the 6,000,000 mark — and it is not possible for your Governor to meet with you personally to discuss these important matters. Nevertheless, our relationship is a close one and most important to me — for your Governor has but one job: To serve you and all Florida.

You elected me with the largest vote given any candidate in Florida's history. I have been your Governor now for little more than a year. It has been a challenging time, filled with achievement and progress for our state.

Now I am asking you for a renewal of your strength, loyalty and support which has meant so much — so that together we can make the next four years a time of continued growth and accomplishment. Let us continue together to build a better Florida for each of us and for the generation that will judge our work tomorrow.

With my deepest personal gratitude, I am,

Most sincerely,

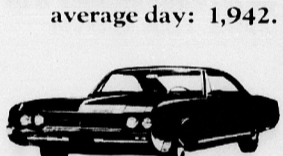

Haydon Burns

this many people buy new Oldsmobiles on an average day: 1,942.

How they love 'em (... and so will you!)

You'll love the sheer fun of driving an Olds! That feeling of confidence . . . the idea that Oldsmobile cares. Cares enough to bring you features you may never see, but which add to your comfort, safety and driving satisfaction. Rugged Guard-Beam Frame. Road-leveling coil springs. Rocket Engine with reserve power on tap. And features you might even take for granted—like an outside rearview mirror, back-up lamps, seat belts front and rear, and many more. Test-drive a Olds... from people who care, for people who care.

Recent visitors at the Edwin Comforts were their daughter, Gwen, of Miami, and cousins, Walter and Cora Bush, of Ocala. Gwen was on her way to open their motel in the Smokies for the Summer season.

The Wertzbars have been enjoying a two weeks visit from their daughter, Millicent Edwards, of Springfield, Illinois, who arrived on her father's birthday.

The Sengers drove Sam and Rosa Walton to Gainesville, Tuesday, where Sam had a check up at the University hospital. His eye condition shows improvement and will not have to return until later this Summer.

Southland was saddened to hear of the death of Mrs. Robert (Laura) Elethorp, and we extend our deepest sympathy to Robert and family in their bereavement.

It gives us all great pleasure to see Carl Overholt able to be around again—without the crutches.

Letters and cards from the Baldwins, Lasses, Hutchens, and others, who reached their respective homes in the bad weather, indicate they were all a little hasty in leaving Southland's good weather so soon.

Thursday afternoons are being devoted to the making of cancer dressings by the park ladies, these being needed by the Nursing Home and Red Cross. We invite more of our ladies to help out in this most worthy cause.

We are happy to welcome Marie Stroobant back from her several weeks visiting with relatives and friends in the midwestern states.

Mr. and Mrs. Edwin Comfort, and Evelyn Fritz, were in Fort Myers last Thursday to visit their nephew.

For the first time this season, it is planned to have the potluck dinner outdoors—to be held on Wednesday, May 18 on the lawn. Visiting friends and relatives are especially welcome.

Recent visitors of the Waltons were the R. P. Todds of Winter Haven. (Sam and Mr. Todd were old schoolmates in Indiana), and Mrs. Zeola Price of Avon Park and her friends from Indiana.

Welcome home Louise—we are so pleased to have Louise Garrison with us again, after her enforted hospital stay, and hope her complete recovery will soon be realized.

The Sengers are leaving Wednesday, with their travel trailer, to spend part of the Summer with relatives and friends in Ft. Wayne, Indiana, and Allegan, Michigan. En route they have appointments for their color tour programs, several of which Southland enjoyed through the Winter season.

Sam and Rosa Walton were the pleased hosts to Sam's nephew, Billy Brickey, wife and children last Sunday. The Brickeys live in Ft. Myers where he is a field representative for Inter-County Telephone Company.

In a letter from Earl Murphy dated May 12, he says "I rode the tractor all day, had on more Winter clothes than at any time in previous winters, and was nearly froze all day." Again—why are folks so anxious to leave our wonderful climate so early in the Spring?

Rev. and Mrs. O. E. Leonard, a former missionary to Cuba and Africa, now a pastor in Tampa, visited Rev. and Mrs. T. Homer Smith on N. Anoka Ave.

Rev. and Mrs. L. Chester Lewis left last Friday for their northern home, "Telavista," at Piedmont, Ohio.

The W.S.C.S. from Zolfo Springs Methodist Church met for a luncheon meeting at the home of Rev. and Mrs. T. Homer Smith. Rev. Smith use to be the pastor of the Zolfo Springs church.

Mr. and Mrs. Jerome Shiltz and Mrs. Margaret Roe visited Mr. and Mrs. Claude Chamberlain at Reddington Beach yesterday.

Congregational Church To Hold Youth Sunday

Young people will assist at the 10 o'clock service of worship at the Union Congregational Church this Sunday morning. Rev. Herbert D. Graetz, pastor, will preach to the subject, "Life Tests Our High Resolves."

Dr. William Stallard, president of South Florida Junior College, will be the speaker at a covered dish supper at 6 o'clock Sunday evening in Fellowship Hall in honor of the high school graduates of the church.

Mr. Guy Garrett, assistant principal, will introduce the graduates, who will receive congratulatory gifts provided by the Women's Fellowship.

All families in the church are urged to come. Bring a covered dish and table service.

Methodist Install Officers Sunday

On Sunday, May 15, during the morning worship service, officers and circle chairmen for the Woman's Society of Christian Service and the Wesleyan Service Guild were installed. The impressive ceremony was conducted by the Rev. Addison Hardee, pastor of the church.

Officers for the coming year are as follows: Mrs. Joseph Kent, president; Mrs. Dean Griffin, vice president; Mrs. Nobert Peterson, secretary; Mrs. Guy Decker, treasurer; Mrs. Allen Kindel, membership cultivation; Mrs. Stockton Swaney, missionary education; Mrs. George Kelsey, spiritual life; Mrs. I. L. Hall, program material; Mrs. Ney Smith, christian social relations; Mrs. Donald Brassell, supply work; Mrs. H. S. Winkler, publicity; Mrs. Willard Griffin, campus ministry; Mrs. A. G. Hardee, missionary personnel; Mrs. Edgar Smoot, local church activities; Mrs. Otto Kreiger, chairman of nominating committee; Mrs. Helen Harris, president of Wesleyan Service Guild; Mrs. Donald Brassell, Mrs. Ray Coburn, Mrs. F. Thayer, Mrs. Hubert Bussard, Mrs. Harold McGill, Mrs. Thomas Clark and Mrs. Billy Dixon, circle chairmen.

At the close of the service a gift was presented by the society to Mrs. John Bridges, outgoing president, for her years of service to the society and to the church.

Humane Society To Hold Open House Saturday

The Highlands County Humane Society will have an open house on Saturday, May 20, from 2 p.m. until 5 p.m.

Mrs. Mildred Stonholz will demonstrate obedience of animals at 3 p.m.

Refreshments will be served at this open house. No charge will be made for admission or refreshments.

The animal shelter is located off the Sebring Airport Road.

American Assn. Of Retired Persons Meet

The Highlands County Chapter No. 222 of A.A.R.P. held their regular monthly meeting May 9 at the Sebring Hotel with 96 members and guests present.

W. E. Dohn, president, called the meeting to order with the group singing "God Bless America." The devotion was led by Winfield Sink. The secretary's report was then given and accepted as read.

Mr. Dohn introduced Alfred Lang, first vice president, and Mrs. Bertha Brush, second vice president. These were elected at the first meeting of the Board of Directors. Both vice presidents pledged their co-operation in helping to make the meetings interesting and informative.

E. C. Ludington gave the latest report on the A.A.R.P. "Coordinated-Care" Insurance plans which will not just fill the gaps in Medicare, but will give added protection when it is needed. Those who already are insured under the group insurance will be receiving notice in the mail explaining the Coordinated-Care change over.

The Board of Directors, at a called meeting, voted that inasmuch as most of the officers would be away for most of the summer, that no meetings would be held during June, July, and August. Members will be notified by mail of the September meeting.

Glen Bowers introduced Mrs. Anthony Rutz who was guest speaker for the evening. Mrs. Rutz and her husband, Anthony Rutz, had lived in Cuba for a number of years before and after the Castro regime began. Mrs. Rutz served under the Methodist board as a missionary, educator, and teacher for a number of years. Her husband was one of the American pioneers in sugar cane and citrus industry. He also owned large cattle ranch acreage. When Castro took over, they were forced out of Cuba which resulted in great financial losses to them. They arrived in Florida in 1964 with all the possessions they could bring in a suitcase. Mrs. Rutz gave a vivid account of life under a Communistic government including the restrictions, rationing of food and other supplies.

Mrs. Rutz and her husband are presently living in Avon Park where she is teaching in the school system.

Mr. Dohn, in behalf of the local chapter, No. 222 of the A.A.R.P., presented Mr. and Mrs. Rutz with honorary membership in the chapter.

Mrs. Vera Rupp Died Sunday

Mrs. Vera Rupp, age 52, passed away Sunday while in Cleveland, Ohio.

Mrs. Rupp was born in Salem, Ohio and has been a resident of Avon Park for a year and a half. She was a member of the First Methodist Church in Newton Falls, Ohio.

She is survived by her husband, John Rupp, her parents, Mr. and Mrs. Ernest Kelly of Avon Park, one daughter, Mrs. Paul Green of Macedonia, Ohio, one sister, Mrs. Jack Kluckly of Frostproof, and two grandchildren.

Funeral services will be held Friday afternoon at 2 p.m. at the Scott-Stephenson-Smith Funeral Home in Avon Park, with Rev. A. G. Hardee officiating. She will be laid to rest in Bougainvillea Cemetery.

Scholarships Being Offered

Applications for two $500-a-year agricultural scholarships open to Florida FFA and 4-H Club members are being accepted by Dean Marvin A. Brooker of the University of Florida's College of Agriculture.

The scholarships were established two years ago by the Florida Thoroughbred Breeders Association and are awarded on the basis of scholastic ability and need, according to FTBA President Grant A. Dorland of Ocala.

Write Dean Brooker for application forms, which must be returned by July 1, 1966.

Rebekah Lodge Meeting Held

The Eleanor Sawyerns Rebekah Lodge met Monday in the youth center. They reported they were glad to have Mamie Armstead back as Noble Grande after her serious illness.

A thank you card was read from Thelma Sherwood from Arcadia who recently lost her husband. She was a former resident of Avon Park.

It was reported that due to the death of her sister, Louise Follaushee returned early to her northern home in Enfield, N. H.

Vote for

H. EARL CRUTCHFIELD
ON MAY 24th
COUNTY COMMISSIONER – DISTRICT 2
ONE MAN - ONE OFFICE

If elected I will be your full-time, single-office-holder Commissioner for District No. 2, unhampered by the double duties and conflicting interests arising from one person holding the office of both Mayor of Sebring and County Commissioner.

The County office and the City office were created separately by law, with different duties, responsibilities and qualifications to enable the holder of each important office to concentrate on only one public job. Whether the pay is large or small does not change these truths.

A person holding both of these offices when called upon to consider a question arising between the City and the County governments, is placed in a position of attempting to serve two masters. In considering such a question a double-office holder must decide with which office the loyalty lies, or, because of a conflict of interest, decide to disqualify himself from voting on such a question.

To disqualify himself would leave both the City government and the Commissioner's District without their entitled voter representative. To be compelled to choose between two masters is to destroy free, independent judgment.

Efficient operation of both City and County government suffers when, in effect, there is a consolidation of two political jobs in one person. It should not happen in any government.

Good government and the democratic process calls for: ONE MAN, ONE OFFICE! No office-holder can wear two hats; Crutchfield asks to hold only one public office.

REV. AND MRS. JOHN PICKENS

Rev. and Mrs. John Pickens Celebrate Wedding Anniversary

Rev. and Mrs. John E. Pickens of Avon Park and Madeira Beach celebrated their Golden wedding Anniversary on May 8th at Madeira Beach. They were honored by a Tea at the Madeira Beach Church by the Sea where Rev. Pickens is serving as associate minister.

More than 350 people gathered in the Fellowship Hall where they were served refreshments of wedding cake, sandwiches, nuts and mints, punch and tea and coffee.

A golden 50 adorned the top of the three tiered wedding cake and silver tea services graced each end of the lace covered table. Rev. John E. Pickens Jr., pastor of the church, served as master of ceremonies reading letters from many of the friends and well wishers who had known the Pickens over the years. The friends and members of the church had provided the couple with a golden money tree.

Rev. and Mrs. Pickens, five children and their families were brought in as a surprise during the morning church service. They are: Mrs. W. E. Fowler and son, David of Jacksonville; Mr. and Mrs. A. J. Southern of Valparaiso; Rev. and Mrs. J. E. Pickens Jr., Kathy, John III, and Richard of Madeira Beach; LCMDR and Mrs. John R. Moore, Gary and Debby of Key West; and Mr. and Mrs. Philip F. Rev. Robbins Ralph, Superintendent of the Florida Congregational Conference brought congratulations from the state office.

Attend Convention

Mr. and Mrs. Clarence King attended a convention in Miami, Sunday for the showing of the Pan American Fashion Mart on late summer and back to school merchandise. Showing was held in the Greater Miami Convention Hall.

Miss Betty Ann Gray and Daniel Lloyd Thomas Wed May 14

Miss Betty Ann Gray, daughter of Mr. and Mrs. Fred C. Driskell, of Houston, Texas, and Sgt. Arafus Braxton, became bride of Daniel Lloyd Thomas at the First Baptist Church on Saturday, May 14, at 8 o'clock.

Mr. Thomas is the son of Mr. and Mrs. L. A. Thomas of Tampa, formerly of Avon Park.

The candlelight ceremony was performed by Rev. Aden D. Childress against a back ground of white mums, gladiolas, and green palms.

The matron of honor was Mrs. J. T. Thomas, sister-in law of the groom.

Tyler Norris Thomas, nephew of the groom was best man.

The bride and her attendant entered on one side of the church and groom and best man from the other in a very impressive ceremony.

The bride wore a street length white lace over satin dress with a high round neck line and a pleated bouffant skirt, short veil and long sheer embroidered gloves completed her attire. She carried a white Bible topped with a white orchid.

Mrs. J. T. Thomas wore a two piece pink sheath suit with pink accessories. She wore an orchid corsage.

The grandmother of the bride, Mrs. Jessie Gray of Henderson, Texas, wore a pink brocade suit, with white accessories with an orchid corsage.

Music was presented by J. W. "Billy" Martin who sang "Wedding Vows" and "There Is No Greater Love" accompanied by Jerald Perkins at the organ.

Ushers were James Strength and Daryl Thomas.

Following the ceremony a reception was held in the church social hall. The cake and punch bowl was attractively decorated in the brides chosen colors.

Those serving were Mrs. Dan Antley and Mrs. Ray Wells serving the cake and Mrs. H. A. Baughan and Mrs. Virgil Mills serving the punch.

Miss Delores Reynolds presided at the bride's book.

Mrs. Ophelia Rhiner served as hostess for the reception and Miss Cheryl Gutcmit presided at the receiving line.

Mrs. J. T. Reynolds and Mrs. A. P. Cook was in charge of the planning.

After a short honeymoon the couple will be living in Tampa.

Business Women's Club Install Officers At Their Buffet Banquet Held Last Monday Night

The Business Women's Club held their last monthly meeting for the fiscal year Monday night with a buffet banquet at the Woman's Club club house.

Flowers of Spring were arranged through out the club house.

Officers for the following year were installed by Mrs. Thelma Merrill, installing chairman, President Helen Harris, with Mrs. Catherine Calloway as proxie, Exie Caffee, vice president, Esther Johnson, recording secretary, Elizabeth Mizelle, corresponding secretary, and Toni Elkhill, treasurer.

Highlights of the evening was the clubs own auctioneer Hazel Wilson, who did a splendid job raising bids throughout the auction.

Hostesses for the evening included: Miss Mattie Tompkins, Neva Atherton, Alice Johnston, Alverna Ruiz, Lucile Johnson, Lucie Jones, Ada Hallam, Violet Hollingsworth, and Merle Coullette.

Mrs. Rena Smith Entertains Senior Homemakers Club Last Tuesday

The Senior Homemakers Club of Avon Park met on Tuesday, May 17, at the home of Mrs. Rena Smith, who entertained outside in a lovely garden.

There were 15 members and two visitors present. Mrs. Mildred Thorpe, president, opened the meeting. Mrs. Olga Bridges gave the devotions.

A report on "Nutrition in the Eighties" was given by Mrs. Thorpe. A workshop for training club members will be held at the E. O. Douglas School on May 26 at 3 p.m.

Mrs. Kay Giddings gave a very interesting report on the recent 4-H conference.

A donation of $110.00 was voted for the library fund for the South Florida Junior College.

A picnic for the Homemakers of Highlands County, sponsored by the County Council will be held in Highlands Hammock State Park on May 24 beginning at 10 a.m. Each member bring a box lunch.

Plans were completed for our participation at the Homemaker's Camp to be held on June 1-4 at Camp Cloverleaf in Lake Placid.

A linen shower was given for Mrs. Evelyn Surrency.

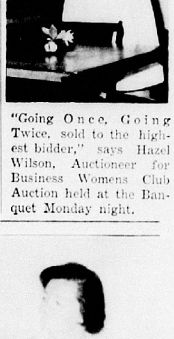

The lesson of the month, "Live Long and Like It," was very interestingly given by Mrs. Rena Smith. Mrs. Josie Heritage presented "The Five Keys to Life," and their meaning.

Meeting adjourned and the hostess served delicious refreshments of cake, coffee and fruit punch.

Next meeting will be held at the home of Mrs. Mary Ellen Surrency on June 21, at 9:30 a.m.

SFJC To Benefit From Junior Woman's Club Fund Drive

At the last meeting of the Avon Park Junior Woman's Club, the members voted to kick off a fund drive for the new South Florida Junior College Friday and Saturday, May 29-30. The club voted to donate $100 and hopes to raise $900 more on an all-out effort to reach the goal.

Fifty thousand dollars is needed by the middle of August to put the Junior College in temporary quarters and into operation. The money is needed for fixtures, air conditioning, and putting the two buildings into general classroom use.

It is hoped that every mother will realize the potential of an educational institution of this nature. The means of high education for their children at a very economical cost. The fund drive is planned in the same manner as the Mothers March of Dimes campaign. Every house in our community will be covered by a Junior Woman's Club member or other volunteer. It is hoped that everyone will try to put a little aside for this fund.

This is one of the most important phases in community development that Avon Park has had the opportunity to participate in. Not only the students but the whole community will benefit. It is important that every citizen in Avon Park participate in this campaign.

Mrs. Whitcomb has generously offered her kindergarten facilities for baby sitting services for the volunteers who will work in this drive. The Episcopal Church Parish House will also be available for a baby sitting service from 3 p.m. to 9 p.m. Mrs. Whitcomb's facilities will be available from 9 a.m. to 5 p.m.

Anyone interested in helping with the drive please call Nell Roberts, GL 3-3411, Margaret Collins, GL 3-6218 or Carol Tomlinson at GL 3-6734.

Hibiscus Circle Tours APCI

The Hibiscus Circle of the Avon Park Garden Club met at the home of Mrs. I. H. Ford on Lake Lotela, Thursday, May 12, at noon for a covered dish luncheon.

After lunch Mrs. Hubert Bussard, president, conducted a short business meeting.

The program consisted of a tour of the nursery at A.P.C.I. As members arrived they were met by Sgt. B. J. Carter, supervisor of the nursery and escorted to the conference room of the administration building where C. R. Hamm gave a very informative talk on the "Type of the Avon Park Correctional Institution and It's Rehabilitation Program."

Sgt. Carter conducted the nursery tour and explained the value of having a nursery as a part of the rehabilitation program. Shrubery and flowering plants showed results of intensive care. Orchids and roses were in full bloom and a beautiful sight to see.

The group visited the hobby shop which had a delightful display of crafts.

Problems Of Economic Insecurity

This week in Economics, students have been discussing problems of economic insecurity. Many Americans face the danger of economic insecurity, that is, not being able to make a living for themselves and their families.

Many of the causes for unemployment may be old age, ill health, injury, or having a position that has low standards of employment.

Do new machines cause unemployment? This question has been discussed in Economics this week. Many students said that new machines do cause unemployment; others said that these machines also have helped to give more jobs. There has to be people hired to design and prepare the machines. In all, machines do create more jobs than they destroy, increase productivity, and they also free workers for new inventions.

The Economic students learned that the government provides security for the unemployed. For the old age, the Federal Government set up the Social Security system, and for people who have been injured on their job or is ill, receives Workers' Compensation. These are a few of the things that provide security for the unemployed.

Are unemployment risks greater in some industries than in others? Should you save for your old age if you are covered by social security? How does the government maintain standards of employment? These and many other questions have been answered and discussed this week in Economics. The students have learned the many problems of economic insecurity and some of the remedies for them. This chapter in Economics has been very interesting and helpful to the students.

Junior-Senior Prom Held Saturday Night

Last Saturday night was the night of new hated bags, colorful dresses, tuxedos, and freshly polished shoes at the Avon Elementary Cafetorium. This was the night of the Junior-Senior Prom. You could feel the excitement in the air as the time for the occasion finally came.

Mr. and Mrs. Vic McKuhas, Mr. and Mrs. Aaron Cravens, and Mr. and Mrs. Andy Mizzle were the chaperones. School board members, superintendents, and high school teachers were invited as guests.

The parents, who had students in the junior class helped by furnishing food and with the decorations. The parents and sophomores helped served at the prom and were dressed in Japanese apparel to go along with the theme "Sayonara."

The band chosen for this occasion was "The Nightriders," from Daytona Beach, who have several top recordings.

The Junior Class officers that worked so hard for this prom were: Anne Graham, president; Steve Booth, vice president; Debbie White, secretary; Lisabeth Liles, treasurer, along with the officers were other juniors which served on different committees.

The food committee consisted of Debbie White, Kaye Taylor, Jane Nunnaliee and Becky Palmer.

The decorations committee consisted of Anne Graham, Barbara Wood, Jim Rodgers, Mike Sessoms, Gary Neal, Bob Runner, Beverly Turner, Lisabeth Liles, Steve Booth, Nancy Lighty, Mary Lou Cramer, Gary Briscoe and Joe Strickler. These people put forth a lot of effort so that the prom would be a success.

For the seniors, this was a momentous occasion—the last high school formal. Now that the prom has passed, the next occasion on the list is graduation.

Girls Opinion Of Ideal Date

Linda Cravey—"I'd like to date an athletic boy about 5'10", with brown hair and brown eyes. I would like him to take me dancing."

Janet Phillips—"He would be tall dark and handsome, and pleasing to be with, and easy to get along with. I would like him to take me to dinner then dancing."

Naomi Lawrance—"I would like a boy that talks intelligently and he must be understanding. On dates I like to go dancing and to the beach."

Linda Wester—"I like to date someone who enjoys sports and doing odd things. I'd like to spend the day at the beach, then go to a dance."

Barbara Harden—"He's tall dark and very handsome. He has black and brown hair and big liquid brown eyes. He has a very pleasing personality and extremely easy to get along with, and always wants to go where I want to go. I like to go to rodeos with him. Of course me is a bay with black mane and tail, because he is my horse, Billy Beau."

Peggy Johnson—"I'd like to date a blonde, blue eyed boy. One who is considerate and has good manners. I'd like for us to spend a quiet Sunday afternoon fishing."

Vandals Strike Avon Park High School

This past week vandals struck Avon Park High School again. The victim was the Red Devil lockers on the roof of the high school. Taken this time was the pitchforks and the devils arm. The missing pitchforks can't stopped the Red Devils. They won the State Baseball Tournament Friday night against Bonifay.

We, the students, feel this act was uncalled for. Such destruction of school property shows immaturity as well as brutal actions vandalism.

Folk Dancing

The eighth grade is planning a trip around the world in dance. They plan dances from America, Mexico, Greece, Philippines, Ireland, Belgium, France, Serbia, and Russia. The program will be given in assembly Friday, May 20.

What is folk dancing? It is learning and performing the dances of specific countries. The dances are an expression of the experiences and feelings of a nation. Students learn the cultural and historical background of other peoples—their beliefs, interests, desires and habits.

The design or pattern of a dance is based on combined steps, tempo, rhythm and style. There are gay dances, sad ones, dances of imitation and of ritual.

A Shadow From The Past

The other afternoon I heard some small children chanting some foolish rhyme; suddenly, the years rolled back and I saw myself, with a number of the boys, jumping around, yelling, and chanting, "school's out, school's out, the teacher turned the mules out"! I smiled to myself, and then I realized that this year it will be different. Good-byes are always difficult, perhaps, it will be that some of us will never return.

We will be leaving many friends, teachers and memories (both good and bad) the good times and the bad. The time has come, we are really ready to try our wings, so to speak. I chose the Marines, and am very proud of my choice—just hope the Marines may someday be proud of me.

On June 28, I leave everyone and everything I've ever known. I will cross over into the unknown. I feel that in leaving home and the loved ones, we might almost compare our exit to death. Who knows what lies in the future? Perhaps happiness, joy, and always some sorrow. There will be many new experiences, new people and more education. There is always so much to learn and to be done in this world.

Property Owners To Get Refund

At the County Commissioners meeting Tuesday morning, Commissioner J. a. Cox asked that funds which property owners had paid into escrow for connection to a water line from Lake Frances be refunded. The agreement had been for the device to maintain the water at a given level.

The agreement called out a charge of $50 per connection and $100 for residential and Southern Flood Control engineers calculated slightly different levels for each area so that those who paid the least thought the fund should be returned. The other commissioners agreed.

Clerk Earl Rich said the fund to be returned totals $3,914.50.

Coffee Shop To Close

Zig Callaway, manager of the Jacaranda Hotel, announced this week that the Jacaranda Coffee Shop will close Sunday, May 22, after the noon meal.

In announcing the close, Callaway said he plans to open a modern cafeteria in the hotel in August which can accommodate from 300 to 400 people.

The change was necessary to keep up with the growth of the area, he said.

One nice thing about Atomic Energy...

it keeps the traditional fuels on their competitive toes!

Guess who won last time bids were taken?
Coal!
And we are building the first two units of our new Crystal River power station on the basis of a long term coal contract.
It will produce electricity cheaper than oil or gas or nuclear fuel.
But coal isn't going to win them all.
Our studies show that time is on the side of the atom—its cost is coming down.
It might well be that our next plant expansion will see us using nuclear fuel.

"LIGHT ON BLIND CORNERS"

As long as the road is straight, we can see what to expect. But when the road turns, that's something different. When one drives south on North Butler Avenue and comes to Main Street, he must approach cagefully because he has to contend with what is known as a blind corner. He can't see what is coming on Main Street until he has driven into the intersection. This creates a hazard. Many of the corners that we must turn in life are just as hazardous and must be approached with care.

A minister had been called to another church in a distant city. His little girl was upset at the thought of leaving her playmates. In trying to explain the necessity of his going he told her that God had called him to go to the other church. She answered him by saying "Yes, but God doesn't talk." He then told her the story of how God had spoken to Samuel. "Yes," the daughter replied, "But that was in the old days."

The minister's move made quite a corner for his daughter to turn. I well remember my own experience on first going to school. I didn't want to go. As my brother and I came near the school, I laid my head against a board fence and cried. My brother talked to me. I cannot recall what he said but I do remember that the teacher was kind. That kindness helped me to turn that corner. There is danger in a situation like that for a child. There could be fastened onto him a pattern of reaction that would make it difficult for him to face the unknown the rest of his life.

We should teach the child about the great Friend who will stand beside him at every corner, and that God still speaks today. Fortunate is the child who has a faith that will enable him to say, "I do not know what the future holds, but I know Who holds my hand." The ingredients for that kind of faith are found in Psalm 59:10 "My God in his steadfast love will meet me."

Hugh Redwood, a British journalist, was staying at the home of a friend during a time of severe nervous strain. He chanced upon a Bible that was opened to Psalm 59. He noticed penciled on the margin of the 10th verse these words: "My God in his lovingkindness shall meet me at every corner." The truth of this was like light from the very heart of God. He was much cheered by the thought, it gave him courage to make his decision and to turn his corner successfully.

We well remember a visit we had from an overwrought woman. It developed that she was troubled because of her interest in another man. She was so strongly attracted that she wasn't at all sure of herself. We told her that other women have had to face the same problem. We reminded her of the old Spanish proverb: "We can't prevent the sparrows from flying over our heads but we can keep them from nesting in our hair." We talked about her family and explained that they were the source of true meaning for her life. We talked on about her family's dependence upon her, their trust and their love. So wanted God at that corner so we prayed together. A few days later she said, "It's all right now." Needless to say, we breathed a prayer of thanksgiving.

Rev. Theodore Ferris, rector of Trinity Church in Boston, says that nine times out of ten God will send someone to you, when you are at a blind corner. He may likewise send you to another to whom you can tell the whole story. We all have our inner troubles. We know the real truth of Omar Khayam's famous verse:

"I MYSELF AM HEAN'N AND HELL."

We've done wrong. We feel like the man who moved to another town because he could not face his friends, he feared that they might discover his secret. He found his condition in the new town no different than in the town he had just left. The trouble was, he could not leave his guilt behind.

The sense of guilt is a dangerous thing. There is hope, however, if a man can say: "My God in his lovingkindness shall meet me at that corner." Under such circumstances God offers forgiveness but always with the proviso, "Go thy way and sin no more." The Gospels are filled with stories of men and women who were given a second chance. It is never too late to start over again. Man's extremity can be God's opportunity.

Take for instance, the experience of Nathaniel Hawthorne. His job in the Salem Custom House was eliminated by a trick of village politics. He wrote to his friend George S. Hillard: "Under God's guidance I shall arrive at something better." His good wife faced the loss of his job with the remark: "Oh, then you can write your book." He wrote the book which is known to all lovers of American literature as "The Scarlet Letter."

When illness strikes, let us strive to meet God at that corner. Dr. Bonnell was asked by a doctor to see a patient who had given up the will to live. He went to the hospital. He took the man's hand and said: "Your doctor has told me that the way is now clear for your complete recovery. I am sure that God means for you to get well. Remember the words of Jesus: 'Have faith in God.' At this very moment His healing power is flowing into your body. Have faith in God. Have faith in God.'" The man's recovery began from that moment. He later said: "Somehow those words 'Have faith in God' anchored me to this life when I seemed to be floating somewhere between heaven and earth. It was a strange and unforgetable experience."

When the time of transition comes, surely our God in his lovingkindness shall meet us at that corner, too. Then we shall join the immortals where we shall breathe an air we've never known and look on a loveliness we've never seen.

In all of these experiences God says to us: "When you pass through the waters, I shall be with you." Yes, God is with us at every corner even to the last. My God in his lovingkindness shall meet me at every corner of anxiety, temptation, pain or loss, until the last corner of all, for "though I walk through the valley of the shadow of death, I will fear no evil for thou art with me."

Nazarene Church Hold Annual Dist. Assembly

New Everglades Hotel, Miami, will be headquarters for the annual Assembly of the Florida District Church of the Nazarene. It will begin Friday, May 20 and continue through May 24.

The Youth Missionary and Sunday School convention will be held on Saturday, May 21.

Dr. Young, general superintendant of the Church of the Nazarene will be presiding Elder over convention activities.

Sunday services will be held in the Miami Civic Auditorium with about 6,000 Nazarenes from all over Florida attending.

Church of the Nazarene has 104 churches in the state who gather annually for their business sessions. The assembly proper will begin on Monday, May 23, to conduct business affairs of the Florida District. Dr. John L. Knight, Florida District Superintendant for the Nazarene Church, will assist Dr. Young in the assembly business affairs.

A number of local members of the Church of the Nazarene will attend these sessions in Miami. Included in these will be the Rev. James E. Lighty, pastor of the local church, along with his wife and family, Mr. and Mrs. Kenneth Flippula, Mrs. Corwin, Mrs. Elliott, Mrs. Jackie Scott, Mrs. C. L. Scott, Noel Scott, Mrs. Jeraldine Dailey, and Mrs. Joyce Simmons.

ECW Hold United Meeting Wednesday, May 11

The St. Agnes Episcopal Churchwomen of Sebring and the Churchwomen of Lake Placid's St. Francis of Assisi Episcopal Church were guests of Avon Park's Episcopal Church of the Redeemer ladies Wednesday evening, May 11, at a dinner held at Camp Wingmann. In spite of the uncooperative weather the attendance was very good.

Preceding the dinner, Father Knapp took those interested on a conducted tour of the camp. For those who had not previously seen the camp this was a real revelation and those who had not visited the camp for some time were happily surprised with the numerous improvements and additions which have been made in the last few years.

After dinner, Father Knapp presented the history of the founding and growth of the camp. He told of the enthusiastic and vigorous part played in its founding by a young priest who is now the Bishop of the Diocese of South Florida. Bishop Louttit is not now quite as young as then, but he is still just as enthusiastic about the camp.

The story of a group of young priests who, while looking over this site for a camp, encountered a large delegation of red ants and suffered the usual consequences, seems amusing, although these young agents of our Lord probably did not find it amusing at the time.

Mrs. Knapp, who is anxious to have every churchwoman know of the important part this camp plays in the work of the Episcopal Church, the community, and many other groups, told of the present activities and facilities of the camp. Miss Frankie Waddell was the first camp made available for the use of groups of the retarded, and was an inspiration to others to also offer the use of their camps.

Dr. Bernardine, rector of St. Francis of Assisi Episcopal Church in Lake Placid, gave a talk on "The Episcopal Church in Europe." He was a reservoir of information on this, having spent many years in Europe in the service of the Episcopal Church, starting in the early 1930's. He delivered the information in such an interesting way that one felt they "were there" as he told of the European customs which often surprised him, such as at the first wedding at which he presided, the first baptism, the second funeral, and many others. Although he spoke for the suggested length of time, his talk seemed all too short.

It was indeed a most enjoyable evening, and all agreed that we should get together soon, especially if we can again have such interesting speakers.

Thirteen Brownies Of Troop 67 Flew-Up To Girl Scout Troop 206 Last Thursday

At a fly-up ceremony Thursday afternoon, May 12, 13 Brownies of Troop 67 flew-up to Girl Scout Troop 206. The ceremony was held in the garden of Mrs. Earl Hartt.

The Brownies were welcomed by the Junior Scouts who were dressed in full dress uniform and were standing in a horseshoe formation. Several scouts explained in short talks the meanings of various signs and symbols used in girl scouting.

Each Brownie finishing third grade this year was presented with her wings by Jeanie Ann Mays, Cecil Ferguson and Mrs. Melvin Green and was bid farewell. She crossed over a white bridge symbolizing her flying up from Brownies to Junior Girl Scouting, and was met on the opposite side by a Junior who led her to a place in the horseshoe. After rededicating herself, 40 Girl Scouts by making this promise she was presented with the Girl Scout pin by Mrs. Robert Barber in the absence of Mrs. Robert Newton, Troop leader. At the close of the ceremony refreshments were served by Troop 206.

At a theme following the third grade this year which marks the end of Brownies and the beginning of new experiences in Girl Scouting. As members of Troop 206, they will be divided into patrols and will begin badge work. As Junior Scouts they will learn camping skills and will go on camping, hiking and cookouts.

Brownies from Troop 67 who flew-up at the ceremony were: Sara Ferguson, Holly Green, Debby Autry, Georgia Bennett, Kim Chancellor, Holly Gibson, Lynn Greenway, Wendy Jordan, Heidi Kangeter, Becky Pate, Sandi Shaw, Cindy Stokes and Sue Ellen Tucker.

Joseph Watson Completes Training

Pvt. Joseph Watson, 19, son of Mr. and Mrs. John Watson, Route 1, Box 382, Avon Park, completed advanced artillery training at the Army Artillery and Missile School, Fort Sill, Okla., May 10.

Watson was trained as a cannoneer in field artillery.

His eight weeks of training included maintenance and firing of artillery guns, howitzers and heavy machineguns. Instruction was also given in ammunition handling and communications.

He entered the Army last December and completed basic training at Fort Benning, Ga.

Watson attended E. O. Douglas High School in Sebring, and was employed by Minute Maid before entering the Army.

Bus Drivers School Begins May 30 - June 3

The annual training school for Highlands County school bus drivers will be held May 30 - June 3, according to an announcement made today by Garland Bogus, transportation officer for the county schools.

Van Murdock, coordinator for the school bus driver and maintenance training division of the State Department of Education, will conduct approximately 20 hours of instruction for all the drivers and substitute drivers in the county.

Instruction includes a review of all Florida laws governing the operation of school buses. "Safety is the main theme and the constant stress of our training schools," Bogus said.

Elementary To Install Officers

Officers for next year will be installed by Avon Elementary School PTA at the school cafetorium Thursday night, May 19, at 8 o'clock, according to Jean Warden, retiring president.

Mrs. Hayes Maxwell will be the installing officer.

New officers to be installed: Mrs. Maurice Albritton, president; Mrs. James Stevens, first vice president; George Kelsey, second vice president; Mrs. Bob Barben, secretary; Mrs. W. S. Carver, treasurer; Mrs. Donald Ford, historian; Mrs. Robert Watts and Mrs. James Allen are to be the faculty representatives.

This meeting will mark the last of the school year.

Henry Adams Jr. On USS Waldron

Gunner's Mate Third Class H. Adams Jr., USN, son of Mr. and Mrs. Henry Adams of 319 Castle St., Avon Park, was advanced to his present rate while serving aboard the destroyer USS Waldron.

His promotion was based on time in service and rate, military appearance, performance of duties and passing the Navy-wide test for promotion.

Destroyers are high-speed ships used primarily in anti-submarine warfare. They also operate offensively against surface ships, defend against airborne attack, and provide gunfire support for amphibious assaults.

Citrus Budget To Be Presented At Meeting

Pre-School Day For First Graders

George Kelsey, assistant principal of the Avon Park Elementary School, wishes to announce Pre-School Day for pupils who will be first graders this fall. Pupils are to meet in the Avon Elementary School Cafetorium on May 25 at 2 p.m.

It is hoped that the parents will come with their children to school on this day.

The purpose of Pre-School Day is to help the children get acquainted with the school, the teachers, and the surroundings before coming to school this fall.

SHUFFLING

Sixteen played in Wednesday's tournament in shuffling. Main event winners were Kate McAlexander and A. McAlexander. The runners-up were Jim Brown and Gertrude Fensterman. Sarah Kerr and Burdette Howard won in consolation. Don Sellers and Gordon Baker were the runners-up.

On Saturday evening 22 were in the tournament. Kate McAlexander and Lois Johnson won over Tony Kerr and Jennie Baker. Consolation winners were Elizabeth Clarke and Grace Warner over Harold Armes and A. McAlexander.

DANCING

The dances on Monday and Friday nights continue to be well attended with both round and square dancing. Monday night there were two squares with many spectators. Art Gorsuch resigned due to conflicting interests. Jack Sellers will be the new dance director. He took over on Friday evening. There is room for couples or squares with 12 squares formed.

POT-LUCK SUPPER

The usual supper was held Saturday night with 50 there to join in the fellowship of eating together. Arlene Lane was the hostess. Lawrence Robinson returned thanks.

CHIT-CHAT

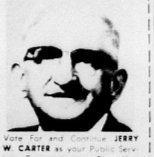

The Henry Wesas report a good trip to Hot Springs, Arkansas, where they have gone for the baths. The Jack Floyds have returned to their home in Eaton, New York. Caroline Webber has gone to her northern home in Mayville, New York. The Ivan Chambers are spending the summer in their home in Roanoke, Virginia. Lou Wagner is also there, after spending some time in the hospital in Adrian, Michigan for a check up. Eldred Gruber reports having most of his sweet cherries in the form recently experienced in Michigan.

Attendance at the Monday evening dance on May 16 was 36, the best in three years, in spite of the hot weather.

Jack White To Speak May 22

Jack White will be special speaker for both morning and evening services at the Church of the Nazarene on May 22, in the absence of the Rev. J. E. Lighty.

Rev. Lighty will be in Miami for the annual assembly of the Florida District Church of the Nazarene.

White is the director of Highlands County Youth for Christ, and speaks when needed, in various churches in the absence of their pastors.

He is specially devoted to the ministry of youth in the county and has proved to be a great spiritual asset to many churches in the community. The public is invited to attend these services. The Nazarene Church is located at 715 W. Main Street, Avon Park.

Civil Service Hunts Mechanic

The U. S. Civil Service Commission announces an examination for fixed industrial equipment mechanic, WB-11, $3.03 per hour, for employment with the U. S. Department of Agriculture, Agricultural Research Service, Gainesville, Fla. Persons interested may secure application from any post office where the announcement is posted and file them with the Executive Secretary, Board of U. S. Civil Service Examiners, U. S. Department of Agriculture, ARS, P. O. Box 5550, New Orleans, Louisiana 70150. They must be received or postmarked not later than May 25, 1966.

Five Bartow high school baseball players signed athletic scholarships to South Florida Junior college in Avon Park yesterday. They are (from left) Johnny Manning, Tom Stratton, Charlie Mooneyham, Tom Fitzgerald and Roy McMillan. Watching the proceedings are Coach Jim Williams, SFJC Athletic Dir. Dunning Terrell, and Coach Wayne Mundy.—(Democrat photo)

MIKE COLEMAN set a new school record as he came in fourth in the 120-yard high hurdle race at the Class B state meet in Gainesville last Friday. Coleman finished with a time of 15.4. The previous record for Avon Park in that event was 15.6 held by Mike Furr and Mike Coleman.

Two Damage Suits Dismissed In Circuit Court

Two damage suits growing out of Highlands County auto accidents have been dismissed in Circuit Court here.

Damages in excess of $30,000 had been asked by Mr. and Mrs. Lester M. Brown of Avon Park in a suit filed against Martha Bennett Hart and Pamela Hart Mitchell.

The suit, filed in July, 1965, charged that Mrs. Brown was seriously injured when the car in which she was riding was involved in a collision with a car owned by Martha B. Hart and driven by Pamela C. Hart. The car in which Mrs. Brown was riding was allegedly driven by Carolyn Newton Harris and was headed West on state road 64, and the Hart vehicle was said to be headed North on Hart Avenue. The collision was at the intersection of these roads on April 11, 1965.

In count one of the damage suit, damages in excess of $25,000 were asked, and in count two, damages in excess of $5,000 were asked. In the petition for dismissal the attorneys — Miller, Cone, Owen, Wagner, Nugent for the plaintiffs and Paderewski, Cramer, Robinson, Ginsburg and Ross for the Defendants—said a settlement had been reached, but no amount was given.

Judge Clifton Kelly signed the petition granting dismissal.

Patricia Lynn Bagnato—by her father, Joe Bagnato—had asked damages in excess of $500 from Mr. and Mrs. John Hippie. The Bagnato child had been struck by a car driven by Mrs. Hippie on North Lake View Drive on October 22, 1964.

The opposing lawyers—Howard Livingston for the plaintiff and the Langston and Massey firm of Lakeland for the defendants—jointly petitioned the court for a dismissal. The petition said a compromise settlement of $900 had been reached. Judge J. H. Wilson granted the dismissal request.

what are little girls made of?

Sugar and spice and everything nice. Little boys? Something about snails and puppy dog tails. We don't really like little girls better than little boys, we love all our little customers and realize that it's never too early to start good financial habits. We also try awfully hard to make everything nice for our grown up customers by offering every possible financial assistance available — checking accounts, savings accounts with guaranteed interest and all types of loans. In fact, you could say that's what BANKS are made of . . . COMPLETE BANKING SERVICE!

Everything nice? As nice as we can make it. By the way, when sugar and spice and puppy dog tails grow up we can help with their education.

TOWER VIEW RESTAURANT located on U. S. Highway 27 in Lake Placid opened in January of 1961.

Current owners and chef Carl DiGiacomo took over in June of 1962 and has made this dining spot well-known for its food, excellent coffee and good service.

Chef Carl migrated from Rochester, New York to Miami where he operated Alice's Restaurant in the Allapattah section for 20 years.

The Restaurant is open for breakfast at 7:00 a.m. including Sunday and closes at 9:00 p.m.

Special groups of 50 to 100 are given special attention by Chef Carl and partner Tom. They offer a wide variety of light meals including sandwiches, also delicious steaks, chops, roasts, and assorted sea food dishes hot or cold.

During the hot summer weather, try their special PAPPY'S salad bowl which is a meal in itself. Tasty morsels of chicken, egg, tuna, potato salad, greens. Once you have tried it, you will order it again. I just tells the hot but delicious.

There is always a large assortment of dessert to pick from including their house special Key Lime Pie.

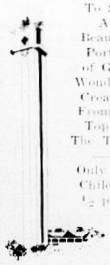

Don't forget whether you want Steak Lobster, Shrimp Cocktail, Chicken Hen, Top Sirloin or Beef As Ju Ju Tasty Sea Food Platter, Fried Clams or just a Spring Lamb. Baked Virginia Ham, Fried Chicken or just a Sandwich, stop at the TOWER VIEW RESTAURANT, the courteous service with the delightfully prepared savory food will please you.

Make a stop at the TOWER VIEW RESTAURANT soon.

WHO SAID IT COULDN'T BE DONE?

New York (NAPS)—When Rowland Hill came up with the idea of postage stamps in 1837, his boss, the Post Master General, called it one of the most extraordinary of all the wild and visionary schemes" he'd ever heard. But the stamps were a success, and today $2 billion are printed annually in the U.S. alone. Another "wild and visionary scheme" made possible by the invention of the transistor is the Jet Set — a TV portable TV set that looks like a work of art.

In the News

Secretary of State Dean Rusk was back in the news when he expressed confidence that South Viet Nam's Premier Nguyen Cao Ky would not delay elections in that country or stand in the way of the transfer of power to a civilian government.

TERRIFIC!

Is the word to describe CABLE TV by mother of 4, Mrs. Joe Harrell of the Gwenda Lee Shop in Sebring.

"Gives my family a varied choice of programs to satisfy us all!"

The GWENDA LEE SHOP now boasts two happy cable viewers - the other one, Mrs. Vida Hamrick enthusiastically agrees with Mrs. Harrell.

Finders Keepers

Ferrell Mangus' home remodeling project may more than pay for itself. When Mangus of Lovell, Wyo., tore down a kitchen wall, he found four sacks filled with more than $1,000 in silver dollars.

They Goofed

Mrs. Adeline Jones Drury of Du Quoin, Ill., said she became a vegetarian at the age of 23 when doctors told her she didn't have long to live. She celebrated her 100th birthday recently.

Can't Wait

Denver's Mrs. Joanna Baugher, 21, was called as a witness at an assault and battery trial, but she told the judge she was the only one who could feed her baby and the infant could not wait. He dismissed the jury and postponed the trial for more than a month.

AVON PARK SUN

WEATHER REPORT BY J. WILEY COTHRAN

VOLUME XLII NUMBER 31 AVON PARK, FLORIDA 33825 — THURSDAY, MAY 26, 1966 GL 3-4351 GL 3-4355 10c PER COPY

Bob High Defeats Burns Crutchfield Over Butler

DR. WILLIAM STALLARD, president of South Florida Junior College accepts a check for $100 from Lil Hassfurder, president of the Junior Woman's Club. At left Mrs. Nell Roberts and Mrs. Margaret Collins, are co-chairmen of the "Mothers March" that the Junior Woman's Club is sponsoring to raise another $900 for the college. The March will be Friday and Saturday, May 27 and 28.

Robert King High, Mayor of Miami, proudly walked into the lobby of the Everglades Hotel at 9:35 p.m. Tuesday shaking hands with everyone as he made his way to the Roof-Top Lounge to celebrate his upset victory over Gov. Haydon Burns for the gubernatorial nomination.

High will face the Republican nominee, Claud R. Kirk, Jr., in the general election in November.

Decisive margins in Avon Park and Lake Placid sweet Earl Crutchfield into the Highlands County board of commissioners. Incumbent J. A. Butler won each of the Sebring precincts but not by margins large enough to offset the Crutchfield vote in three of Avon Park's four precincts and the four southernmost precincts.

That Scott Kelly had been successful in securing support to Robert King High was apparent as 23 of the county's 14 precincts lineup behind the Miami mayor. Hayden Burns had run third in Highlands County in the first primary and proved no exception as he polled 1,247 votes to Kelly's 1,237 total in the May 3 primary. Burns' 2,961 votes in High's 3,242 votes in May 3 and 3,643 this week.

The total countywide was an increase of 2,087 out of 10,724 registered Democrats. The percentage of approximately makes it from the first

Percentagewise the Avon Park voting made a better record than the county-wide participation in 2,008 of the 8,840 Democrats in the first primary. Only 22.7 per cent

Early returns from among the Avon Park voting places at the Bob Boyd headquarters at Jean Theatre the run-off Fred Pickett, Public Service Commission. Taken as a whole Avon Park supported Carter 842 to 770 for Boyd. In precinct 3 Boyd was on top 66

The vote for Burns in precincts 1-4 was 666 to a total of 1,239 for High. Butler's Avon Park total was 1,247 to 1,236 for Crutchfield. James Creel, commissioner from district 4, was defeated by Jean

Whitaker in the first primary with results of the race this week awaiting word of newcomers in both the commission posts on the election this year.

Whitaker has yet to face Republican William Turner in the November election.

Athletic Association Spring Sports Banquet Friday Night 7 P.M.

Avon Park Athletic Association Spring Sports Banquet will be held at the Avon Elementary Cafetorium tomorrow night (Friday) at 7 o'clock honoring members of the varsity and "B" squad basketball and baseball teams, members of the track team, and varsity and "B" squad cheerleaders.

Guest speakers for the evening will be Fred Montsdeoca and Red Mitchum. Montsdeoca is a former Avon Park Red Devil athlete, an ex-Florida Gator football player, and an experienced after-dinner speaker over the state of Florida.

Mitchum is also an alumni of the University of Florida and an ex-football player there. He is famed as an entertaining speaker at sports events and has served as master of ceremonies at the Gator Growl in Gainesville for many years.

Trophies will be awarded outstanding athletes for their performances this past season. Red Devil teams set excellent records in all four major sports, including a state championship brought home by the baseball team.

The most coveted award for the year will be the outstanding senior athlete trophy which is given by the association.

In basketball and track a trophy will be presented to the outstanding player in each sport and the most improved baseball player will receive a trophy.

The Ed Gough Memorial Trophy will be presented to the outstanding baseball player for 1966 and other awards including letters for athletes will be presented.

Tickets for the banquet may be purchased from Coach Joe Franza, Bob Barben, or any member of the association. They are also on sale at the barber shops and Leon Delaney's Sporting Goods Store. The price of $2.50 for the ticket will help defray the expense of the athletes meals.

Local Masons Awarded Top Honors

J. Paxton Hill, High Priest of the Royal Arch Masons and Eminent Commander of the Knights Templar, together with Noah M. Early, attended the Grand York Rite Convention, which was held at the Daytona Plaza at Daytona Beach last week.

The convention consisted of combined meetings of the Grand Chapter of Royal Arch Masons, the Grand Council of Royal and Select Masters and the Grand Commandery, Knights Templar of the State of Florida.

Sir Knight Wilbur M. Brucker, Most Eminent Grand Master of the Grand Encampment, Knights Templar of the United States of America was the principal speaker at the impressive service held at Seabreeze Church Sunday evening, which all Sir Knights attended in full dress uniform.

A high honor was conferred on Paxton Hill when he was anointed, consecrated and set apart to the Holy Order of High Priesthood, after which he was presented with a beautiful Masonic Bible.

Noah Early was awarded the Distinguished Service Medal. This outstanding award is given to one man each year. The recipient is the Mason who has given freely of his time, effort and travel in the furtherance of Freemasonry. Truly Noah Early, who has held almost every office in all branches of Masonry, deserved this honor.

City Council To Apply For Federal Airport Aid Funds

The Avon Park City Council was asked Monday night to make some major improvements in the local airport, by Shelley Mairs, operator.

Mairs said the airport needed restrooms and a pilots lounge. He offered to build a 15 x 30 foot building for the lounge and restrooms if the city would lease it for a period of approximately 25 years.

The council discussed the possibility of tying this project in with repaving of runways and installing runway lighting. This would permit the city to apply for Federal Aviation Funds, if applied for by July 15 of this year.

The council said they would investigate the matter and Mairs would be informed on any progress. Plans, costs and other information must accompany the application for Federal funds.

City lighting was also brought up by the council. It was generally agreed that a limit should be put on the installation of street lights. The council voted to put a light in the Donaldson Park and fix the restrooms. Also a light in front of the Catholic Church.

Also on the agenda was a letter from the Avon Park Chamber of Commerce asking for this years allocation of $1,000 from the city for it's operation. The city provides the C. of C. with this amount each year for the chambers work for the city. Money received from this fund will be used by the chamber to purchase 50,000 colorful brochures advertising Avon Park.

Mayor DeLaney suggested to the council that since Avon Park does not have a city beach, something should be done. Jimmy Doerr, president of the council, asked George Border to get a bid on pumping a beach on Lake Verona since the city owns the land and does not own land on Lake Tulane where the dock is now located.

Council voted to hire Wolfgang Halbig as life guard for Verona and Calvin Carter as life guard for Lake Lillian. The hours will be week days, 10 a.m. to 6 p.m. and Sundays, 12 noon to 6 p.m. Mr. Mairs accepted the responsibility of checking the beaches each day.

TED J. WARD, president of the Avon Park Board of Realtors, looks over the shoulders of Mayor E. A. DeLaney as the mayor signs a proclamation designating this Realtor Week in Avon Park.

Mothers March To Benefit SFJC Fund

The Junior Woman's Club of Avon Park is prepared to have a "Mothers March" for the South Florida Junior College Fund Drive to be held Friday and Saturday, May 27 and 28. The club will kick off this drive with a $100 donation and hopes to raise $900 more.

Every mother is urged to put forth as much effort as possible in support of this fine addition to our town. There will be 80 mothers marching for the drive.

The potentials of our Junior College are unlimited. The college will provide dividends for every resident of the Highlands-Hardee area, educationally, schoolastically, physically and culturally. Classes will be held not only for the youth but adults as well.

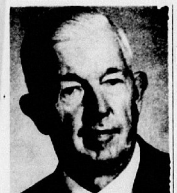

Never before have the residents of this area had the opportunity and priviledges this college will provide. We should all feel proud and should support the college with as much enthusiam and effort as possible.

Every resident is urged to give and give generously, as the benefits that will be received will far exceed the contributions. Through education our area will grow in many ways that will benefit all residents. Business will benefit economically by having more than 300 students pass through the area each day.

Working with the Junior Woman's Club are many volunteers. Among them are Mr. and Mrs. Robert Whitcomb who will have a baby sitting service at their Kindergarten for the workers of the drive from 9 a.m. to 5 p.m. on Friday and Saturday. A group of the members of the Senior Woman's Club, headed by Mrs. John Knapp, will provide a baby sitting service at the Episcopal Church Parish House from 5 p.m. to 9 p.m. during the drive.

Professor and Mrs. Ernest Sims have recurited volunteers to canvas and have reported good response and much enthusiasm.

Mrs. Neil Roberts, Mrs. Margaret Collins, and Mrs. Carolyn Tomlinson are co-chairmen of the drive and they have reported good support from the workers they have contacted to work on the drive.

RAEBURN BROWN

Raeburn Brown Died Friday In Bay Pines

Raeburn L. Brown, 69, died Friday, May 20 in Bay Pines Veterans Hospital.

Mr. Brown came here from New York City where he worked with the New York State Insurance Co. He was bookkeeper for the Avon Park Sun until retirement in 1961.

He attended the Congregational Church.

Survivors include his widow, Mrs. Sadie Brown; one daughter, Mrs. Susan Jane Gusefski, Atlanta; two sisters, Mrs. William B. Remington of New York City, and Mrs. Edward P. McDowell of Berkeley, Calif., and three grandchildren.

He was born in Tuscola, Ill., June 24, 1896.

Mr. Brown was a World War One veteran and served in the U. S. Air Corp. During World War Two he worked at General Motors in Linden, New Jersey, Eastern Air Craft.

Coming to Avon Park in 1925 he was associated with Eiseley Brothers Real Estate, in the development of Highlands Lakes.

He attended Ames College, Iowa, where he received his B.S. degree and was affiloated with Sigma Nu Fraternity.

Scott-Stephenson-Smith had charge of the services Monday, May 23 at 3 p.m.

Rev. H. G. Graetz officiated with burial in Bougainvillea Cemetery.

Soil Conservation District Receives Service Award

The staff of the Highlands Soil Conservation District was one of the four work units to receive a Superior Service Award in the United States Department of Agriculture's 20th annual Honor Awards Ceremony.

The ceremony was held on May 17 in Washington, D. C., and the award was received, on behalf of the Highlands staff, by Sam Polston, work unit conservationist. The awards were presented by Secretary of Agriculture Orville Freeman. Principal speaker for the ceremony was Vice President Hubert Humphrey.

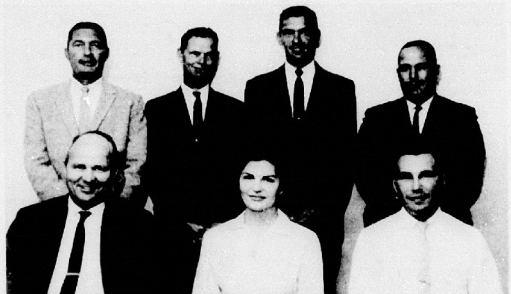

The Superior Service Award is based on over-all service and efficiency the staff has shown in assisting landowners, Polston explained.

The award is for "sustained services" as reflected in the amount of work accounted for and the amount of money spent over a three-year period.

The units which can show the greatest amount of work done for the funds expended are those honored. In addition to the Highlands unit one unit each from Louisiana, New Mexico, Pennsylvania and Oregon won recognition, and the Rio Grande Valley watershed unit in Texas was honored.

The Highlands Soil Conservation District staff will be honored on June 15 at a special Florida ceremony scheduled to be held in Gainesville on June 16.

Only member of the staff to attend the national ceremony was Polston. He flew from Tampa on May 15 and returned home late on May 17. During his stay in Washington, he along with other honorees at the USDA ceremony, were taken on a special tour of the nation's capital and the White House.

MEMBERS OF THE Highlands Soil Conservation District staff honored in the national Department of Agricultural awards are shown here; front row, (left to right) William Clark for more than three years inspector for watershed projects; Mrs. Clark, district secretary for a little less than two years; Sam Polston, work unit conservationist and head of the staff. He has been in the Highlands County work for more than 16 years. Back row (left to right) Elmer C. Shackelford, conservation aid with the staff less than three years; Thomas C. Holt, civil engineering aid, part-time with the Highlands staff for eight years and for the past three years full-time; Claud Howerton, conservation technician with the Highlands staff for 17 years, and Buck Elliott, surveying aid on the staff for three years. Holt has been transferred to the USDA office in Sarasota, and Elliott has joined the Sebring Post Office staff—but they were part of the honored "team."

Referral Center For Retarded Opens This Week

The state of Florida's first community referral center for the mentally retarded has been opened in Sebring. Mrs. Robert Hubbell, who is in charge of the center is one of the two persons named by the Florida Division of Mental Retardation for a pilot program financed by a special grant from the federal government.

Mrs. Hubbell, in Highlands County, and Eugene D. Bowen, in Jacksonville, carry the

1966 Realtor Week Opens, Board Announces Events

This week has been officially designated as Realtor Week, and the six members of the Avon Park Area Board of Realtors have made extensive plans for its celebration, said Ted J. Ward, the board's president, today.

He announced a schedule of events as the realtors in this area join with their more than 82,000 colleagues across the nation in directing public attention to their calling and the special character of the services they render.

"A Realtor is not 'just a real estate man,'" said Mr. Ward. "He is a professional in real estate who subscribes to a strict code of ethics as a member of the local board and of the National Association of Real Estate Boards."

Mr. Ward said Realtors take their code of ethics seriously. "It was one of the first adopted in the history of American business," he declared. "Under its 30 articles covering all aspects of a real estate transaction, the Realtor pledges fair treatment and the full scope of his real estate knowledge to both contracting parties—buyer and seller."

He added that Realtor is a coined term and service mark registered with the U. S. Patent Office under the trademark laws and as such should always be capitalized. It may be used only by members of NAREB.

The theme of 1966 Realtor Week is contained in its slogan—"Moving Up? Settling Down? See a Realtor"—announced Mr. Ward.

"The slogan underscores the quality of one of the Realtor's services in finding a larger or better home for an expanding family or a first home for a family," he explained.

"Two thirds of American families own their homes, a proportion unrivaled virtually anywhere in the world," he continued. "The advantages of home ownership—financially, in convenience, and in security—are obvious. With the many forms of financing available today, any family can invest in its future by 'moving up or settling down.'"

He also announced the following schedule for local observance of 1966 Realtor Week by the showing of a film, "Florida—Land of Action," at the Kiwanis Club on May 31 and at the Rotary Club on June 1, both at Griffin's Restaurant.

The Avon Park Area Board of Realtors was founded in 1951. Its parent group, the National Association of Real Estate Boards, was founded in 1908. With offices in Chicago and Washington, NAREB furnishes Realtors with the latest information in real estate developments, mortgage rates, economics trends, and other business factors.

Letter To The Editor

Why should Citizens of Avon Park donate to the fund for temporary quarters that will house our new Junior College?

1. Avon Park will benefit greatly by having the college located in Avon Park economically, socially, politically and culturally.

2. Most of the money will be used for fixtures and equipment, such as air conditioners, light fixtures, etc. that can be utilized for permanent use later.

3. Students from Avon Park area who would not otherwise be able to go to college can now have the opportunity for higher education.

4. If $80,000.00 is not raised by the middle of August, Avon Park will have taxed our citizens of tomorrow, and their children to pay for this community fund.

Do you want this to happen? Are you going to let this happen? Then Avon Park Junior Woman's Club has voted to have a Mothers March for our new Junior College. Please give generously to the volunteer who contacts you.

Thank you.

Counties Plan Ambulance Service

To avert a crisis come July 1, several counties are taking action to provide ambulance service for emergency calls. Highlands County Commissioners are making inquiry as to the legal aspect of providing such services.

According to the wage and hour laws, an establishment such as a funeral home, must provide for it's employees a minimum work week at the minimum wage scale of $1.25 hour. In 1967 as of July 1, 1966, with time and one-half for over 40 hours.

Ambulance service is classified as a separate business and must be accounted for on tax returns as such. This creates financial problems on the part of funeral directors, who are trying to operate these services along with present operations and staff.

The present charges for ambulance services, which is far below the actual cost of such services would need to be adjusted. Many funeral directors in the state have already suspended emergency ambulance services rather than risking their charges.

Mr. Mizelle, one of the funeral directors of Avon Park, stated that he has suspended what he terms "road calls," but will continue to maintain his invalid coach so long as the other directors continue their emergency services to the community.

Dixie Smith of Scott-Stephenson-Smith Funeral Home said he intends to operate as usual for the present while awaiting further developments as a result of the wage and hour committee that is meeting in Washington on the subject.

It has been confirmed that funeral homes in Lakeland, Winter Haven, and Winter Haven will cease public ambulance service July 1. Ambulance calls will be turned over to Herndon Funeral Service of Orlando to serve these cities. Herndon is currently doing business in Orange, Osceola and Lake counties. The firm announced it will base the present public rates for ambulance service but rates for indigents or prisoners would remain stabilized since the commissioners authorized a raise in county rates last month.

Sheriff Richard A. Stickley of Punta Gorda announced that he plans to have his department take over the responsibilities of rescue, first aid, and emergency transportation of injured persons in Charlotte County after July 20.

Mr. Scott of Avon Park, said that if the federal regulations applied to such establishments as theirs, it would require about 14 personnel to staff and operate one ambulance. Separate facilities might also be required such as buildings, phone service, vehicles, etc. Rates charged for services would, he said, have to be increased to meet the added costs of operations.

title community coordinator. In these two centers the state is attempting to provide guidance and authoritative advice on the services and resources available for the care of the retarded" in their respective communities.

Alfred E. Schmickel, of Tallahassee, director of community mental retardation programs for the state of Florida, said Mrs. Benoit is responsible for providing liaison between the community and the division office in Tallahassee to assist the community in planning for "well-rounded programs for the retarded."

She is to contact all the public and private agencies in the county to determine what services these agencies offer for the retarded. Parents of retarded children are to be contacted and kept informed of the services which are available to them as parents and for the children.

She will serve as a liaison between the Highlands County children who are enrolled in one of the Sunland Training Centers and their parents. She will be available to help the families whose children may some time in the future become Sunland residents.

Schmickel said families often need help in understanding the problems associated with mental retardation, in accepting it and planning to make use of all opportunities available for these retarded children.

The referral center was obtained for Highlands County through the efforts of the Ridge Area Association for Retarded Children, and the Highlands County Health Department.

Mrs. Hubbell came to Highlands County 12 years ago, shortly after she and her husband had been separated from the United States Air Force. She grew up in New York state and received training as a nurse in the Charles S. Wilson Memorial Hospital in Johnson City, N. Y.

She took her initial college work at Harpur College in Endicott, N. Y. and she studied at Syracuse University School of Nursing where she majored in ward management and education. At the outbreak of the Korean War she joined the Air Force and served as ward supervisor at Hunter Air Force Base, Savannah, Ga. She held the rank of first lieutenant when separated from the armed service nursing corps.

She has worked on the nursing staff at Walker Memorial Hospital. When a member of the Sebring Junior Woman's Club she served on the committee which established the Child Guidance Fund. She has been active in many of the civic and religious affairs of the community.

Highlands District Of Boy Scouts Of America Hold Annual Dinner and Court Of Honor

Tuesday, May 17, in the cafeteria of the Wauchula High School the Highlands District of the Gulf Ridge Council Boy Scouts of America, held their annual dinner and court of honor.

Troop 410 of Wauchula conducted the opening ceremony. Following invocation by Rev. Claude E. Stanfield of First Methodist Church of Wauchula, the scouts, scouters and their families served in a delicious covered dish supper.

Mr. "Scotty" Walker of Sebring served as chairman of the recognition service and court of honor which followed. While he explained the importance of scouting in the building of a boy's character and citizenship, several boys representing the three phases of Boy Scouting—Cub Scouts, Boy Scouts and Explorers—acted out a pantomime of duty to God, duty to others, duty to self, etc., to back ground music of "America."

Council President Dan Stowe, former vice-president for Florida of the Boy Scouts of America, gave the opening address. He stressed the importance of scouting, and the fact that it stands for high ideals.

He reported that in 1965 scouting reached almost 2,100,000 boys through Cubs, 1,850,000 through Boy Scouting, and 31,000 through Exploring program. There were 1,502,000 adult scouters.

At present, scouting reaches 24 out of 100 boys of scouting age. He stated that scouting joins the home, school and church in rounding out a boy.

The Boy Scouts of America was founded in 1910, and was granted a federal charter by Congress in 1916.

Stowe introduced retiring district chairman Jack Melendy of Wauchula. The latter thanked all who worked and cooperated with him through out the district this past year.

Melendy introduced neighborhood commissioners Norman Cook, Avon Park, Bob Foster of Sebring, Joel Evers and Norris Brooks of Wauchula, and A. E. Austin of Lake Placid, and presented scouters pins to these gentlemen.

Stowe then presented a plaque to Mr. Melendy in appreciation of his year's work.

Walker introduced Mr. Dott Pillinger of Sebring, new district chairman for Highlands District for the coming year.

John L. Townsend of Avon Park, will serve again as district commissioner, and Mr. Melendy as vice chairman.

Pillinger named his district operating chairmen as follows: J. Welch Fisher, publicity, Avon Park; Smith Rudasill, Sebring, advancement chairman, Norman Cook, Avon Park, camping; Charles S. Warrington, Avon Park, activities; Ford Heacock Jr., Sebring, finance; and Joseph Macbeth, Sebring, O. and E. Mr. Pillinger presented scouter pins to these men. Stowe scouter's pin.

Highlight of the evening was the presentation of special recognition awards to the Cubmaster, Den Mother, Scoutmaster, and Explorer Advisor of the Year. This is the first time this has been done in Highlands District but is expected to start a precedent for the future.

Named as Cubmaster of the year 1965-66 was David Lanier of Avon Park. Cub Scout Pack 156 John Tyson of Wauchula, Troop 410, was named Scoutmaster of the Year. Mrs. Eleanor Monsaivatge of Avon Park, Cub Pack 160, was named Den Mother of the Year.

Explorer Advisor of the Year went to Mitchell Hope, Explorer Post 410, Wauchula, who brought national recognition to the area by his work in archeology.

Mr. Ben Foster, Advisor for Seminole Lodge, Order of the Arrow, introduced Chuck Warrington of Avon Park, who is chief of the Kachina chapter, Order of the Arrow.

The latter told the qualifications for membership in this society of honor campers. Once elected from his troop or post, the candidate goes through a very strenuous ordeal in order to be officially accepted as a member. Since the theme of this organization is Indian lore, Warrington called upon several of the district OA boys to give a sample.

Dressed in brightly colored Indian costumes, complete with headdresses, and led by Danny Pogany, Eagle Scout of Sebring, these scouts gave demonstrations of several Indian ceremonial dances, to the delight of all present.

The count of honor was presided over by Smith Rudasill, advancement chairman. Representing the District Board of Review were Ford Heacock, Ben Foster, and Charles Warrington.

Heacock presented the Bronze Palm to James (Rusty) Hurley, Sebring Troop 481, for earning five merit badges beyond the Eagle rank.

Scoutmaster Maurice Simpson of Troop 481, Sebring, presented the following awards: John McCanahay, 1st class; Matthew Sherwood, 1st class and first aid; Kenneth Ziesenheim, 1st class and first aid, citizenship in the nation, citizenship in the community, motor boating, electricity, music, and scholarship; Stanley Darwin, 2nd class; Richard Robinson, 2nd class; Jack Stroup, 2nd class; Timothy Washburn, 2nd class and athletics; Thomas Emerson, citizenship in the nation, astronomy; Neal McCord, swimming, personal fitness, citizenship in the home, citizenship in the community and citizenship in the nation; Dale Oates, cycling, citizenship in the nation; Dale Sparks, hiking, home safety, first aid, lifesaving, swimming, camping, and cooking.

Eight boys received their tenderfoot pins: Dennis Mack, David Parnell, Robert Pelsany, Trippy Warren, Kenneth Davis, Larry Lockhart, Chris Miller and Larrie Young.

Scoutmaster Maurice Phillips of Troop 160, Avon Park, presented the following awards: second class: Dennis Saunders, Roy Reeves and Ray Reeves, first class: Don Ayer, Bill Knapp received the camping merit badge, and Jeff Pohle received the merit badge for first aid.

Scoutmaster Larry Bond of Troop 160, Avon Park, presented the following awards: Gary Neal, soil and water conservation, Roger Washburn, first aid, cooking, first aid and cooking, Steve Hancock, first aid and star rank advancement, as well as personal fitness merit badge; Mike Scott, horsemanship, Jake Allen, star scout, first aid, hiking, and model design and building.

The advancement award was won by Troop 481, Sebring, and the attendance ribbon went to Troop 410, Wauchula.

To open the Eagle Scout presentation ceremony, Pillinger explained the necessary qualifications for an Eagle Scout, and also told how the Board of Review is conducted to determine whether the Eagle candidate is qualified for the Eagle award, highest rank in Boy Scouting. The importance of family church, school and community cooperation was stressed.

Taking part in the Eagle ceremony were Ford Heacock Jr., Charles S. Warrington, Ben Foster and Jim Heim.

Mr. Rudasill spoke further about the Eagle Scout rank, then asked for the names of the candidates to be presented. Eagle Scouts Mike Sloan and Jack Brown of Avon Park, and John Baker of Lake Placid, escorted candidates Ricky Green, Gary Neal and Colvin Stone to the stage. Ben Foster asserted that these boys had qualified for advancement ress for this coveted rank.

Warrington emphasized the importance of leadership in the awarding of this rank, and testified that the Board had found that these boys fulfilled this requirement.

Heacock stressed the importance of character, and stated that the applicants had been checked out through their pastors, teachers, etc., and were qualified. Eagle Scout Chuck Warrington, representing the Eagle Scouts of this council, asked that these candidates be advised of their responsibilities before awarding this Eagle advancement.

Heim of Avon Park, gave the Eagle Scout Charge and to presented the and force fully presented the rank.

He emphasized that they will be expected to live the rest of their lives as marked men dedicated to clean living, honorable living, unselfish citizenship and reverence to God.

Rev. Tom Jones of First Christian Church in Sebring, then gave the benediction.

Temporary Injunction Halt Sale Of Pinecrest Hotel and Golf Course

A temporary injunction granted in Circuit Court Tuesday halted sale of the golf course and hotel for taxes.

The property, site for the National Sales Executives Academy, was sold to Lee Road, Inc., of Orlando, for $1,000 by Tax Collector W. H. Prescott at a public auction held in the tax collector's sale on Wednesday afternoon.

A complaint seeking a temporary and a permanent injunction was filed last Friday by the present owners of the property, Florida Federal Savings Bank, First Federal Savings and Loan, Clearwater Federal Savings and Loan Association. Tax Collector W. H. Prescott was named defendant in the suit.

The suit states that the plaintiffs acquired the property from National Air Space Academy by sale and a final decree of foreclosure on Sept. 8, 1965.

The plaintiffs state that the annual taxes are based on assessment made by the Highlands County tax assessor "as of January 1, 1965."

They contend that the tax assessment is "wholly illegal and void and contrary to law in that the property on January 1, 1965, until foreclosure sale was fully exempt from taxation by the State of Florida or any of its political subdivision since it was property owned by an educational institution."

The hearing before Judge Clifton M. Kelly Tuesday was attended by Dr. Perry James, former president of the academy; Roy Boyd, president of First National Bank; Frank Bryant, the plaintiffs' attorney; Tax Collector Prescott, and County Attorney Hal Nunnally, defense counsel.

"It is common knowledge that a school was located on this property. Therefore, a temporary injunction should be granted at this time although it does not really set the anything."

Nunnally said the county would not seriously contend that these owners should not have an opportunity for a full hearing."

Bryant said the plaintiffs' case is virtually ready for trial now, but no date was set for the hearing on the permanent injunction. The Judge pointed out that the whole parcel and use made of parts of it are involved in the suit.

Tax Collector Prescott said the tax bill is just under $6,000 with penalties which would be added for late payment.

Is it a furnished car, or a house with an engine?

It's both.

The Volkswagen Campmobile is built with all kinds of room. Inside, there's room for beds, tables, chairs, cabinets, icebox, pantry, water tank and gadgets.

It has everything that 2 adults and 2 kids need for living while camping. Or camping out.

And everything that 6 people, if you're thin, can live with. You might like the room, but you'll be crowded with all the beds and stuff. But there's plenty of room (for 6 or 7 passengers) and even more stuff!

The Campmobile has an air-cooled engine that averages 23 miles per gallon. It's over the rear wheels for good traction (even on sand or wet grass).

As soon as it gets you to a good campsite, all you have to do is turn the engine off. And take the house on.

$24,750 Taxes Remain Unpaid

Approximately $24,750 remains unpaid on the 1965 tax roll. According to an announcement made today by Tax Collector W. H. Prescott virtually all the personal property and intangible taxes have been paid, and the bulk items on the delinquent list are real estate items.

When advertising of the delinquent roll began last month 1,134 items were on the list. It is much longer list than the 1965 delinquent list Prescott said.

Payments are continuing to come in and the Tax Collector believes the list can be down to about 500 items by the time of the sale. This would be approximately the same number involved in the 1965 sale, Prescott said.

The sale of tax certificates is set for 1 p.m. on Wednesday, May 25, at the courthouse. The taxes unpaid to date represent less than 1 percent of the 1965 tax roll which totaled $2,966,648.

Little Bo-Peep Presented By Kay Whitcomb Kindergarten

The Kay Whitcomb Kindergarten graduation exercises for Little Bo-Peep were held Tuesday night, May 24, at the Avon Elementary School.

Personality, poise, yes even laughter are fully known personified Little Bo-Peep who had lost her sheep.

Rhymes from Fairy Tale-ville which every one had their own problems and couldn't help Little Bo-Peep find her sheep.

David Jabin, "Jack Be Nimble," could think of nothing but how to get over the candle stick. Nancy Tayloe, Cribb, "Polly Put the Kettle On," she had to make tea.

Mark Gobeyn, "Sing a Song of Sixpence," busy counting his money. Kim Taylor, Sandra Sauls and Rhonda Whitehead, "Three Little Kittens," had lost their mittens.

Tommy Lindgren, "Peter, Peter Pumpkin Eater," had a wife and couldn't keep her. Pamela Williams, "What can the Matter Be," was trying to find Johnny at the Fair.

Tom Butz, "Hey, Diddle Diddle," his cow jumped over the moon. Nancy Cain, "Rock-A-Bye Baby," had to rock the baby. Chip Carter, Michael Conroy and Mark Palmer, "Three Blind Mice," someone was chasing them.

Denise Willis, "Old Woman Who Lived in a Shoe," had so many children she didn't know what to do. Dexter Outling, "Old King Cole," was calling for his fiddlers three.

Patti Todd, "Little Miss Muffet," a real tiny fellow, was sweet. Debra Brassell, "Mary Had a Little Lamb," her lamb followed her to school.

John Barber, "Diddle Diddle Dumpling," his son John went to bed with his stockings on. Brenda Fletcher, "Peter, Peter," was looking at the cars.

Greg Hazelwood, "Rain Rain Go Away," was looking for Black Sheep. Stephen Roberts and Margaret Lynn Miracle, "Jack and Jill," they fell down the hill.

Gary Whidden, "Baa Baa Black Sheep," was going to get Robbie Alsabrook, "Little Jack Horner," was busy pulling out the corner. Melony Varnadoe, "Mistress Mary," busy in her garden.

Craig Skipper, "Little Boy Blue," wanted to go back to sleep, under the hay. Jack Ralph Harris, "Dear Jack in a Box," her pass was in the well.

Ralph Harris, "Humpty Dumpty," had to have a long talk with the doctor. Gary Brigman, "Tom Thumb," Mary, he had walked a mile.

Little Bo-Peep couldn't find her sheep, she left them wagging their tails behind them.

Television has nothing on these little grads for their parts were played with their own personalities. Each was the Bachelor of Rhymes Diploma. This was the Kay Whitcomb Kindergarten class for Miss Whitcomb.

Special guests of the evening were the members of the local AHS graduating class, Bobby Coleman, Robert King, Sally Beth King, S. Y. Moseley, Bobby Rush, Debbie Ward, Chuck Washington, Stanley Wells, Linda Wester and Bill Wild.

They were the sixth kindergarten class of 1966-67.

Miss Elba Jackson was pianist for the kindergarten class.

Mrs. Ralph Harris and Mrs. Tommy Lindgren had charge of the refreshments.

Mrs. Kay Whitcomb was assisted by Mrs. Ralph Harris and Mrs. Tommy Lindgren.

Mr. and Mrs. A. B. Wilhite Honored At A Reception Saturday Night

In spite of inclement weather a capacity crowd filled the Florida Power Lounge, May 21, for a reception honoring Mr. and Mrs. A. B. Wilhite, retiring Supervising Principal and Secretary, respectively, of Avon Park Schools.

The Wilhite's son, Captain and Mrs. James A. Wilhite, and sons, Joel and Greg, were here from Stetson University. DeLand, for the celebration. Capt. Wilhite is a R.O.T.C. instructor at Stetson University.

Those in charge of the reception were: Mrs. Devon Reddick, Miss Faye Gordon, Mrs. Ophelia Rheiner and Miss Sarah Sellers.

The refreshment table was spread with a red and white cloth, traditional school colors, where punch and dainty pastries were served. A floral bouquet of peace roses completed the table decorations. Two bouquets of red roses were used on the guest table and in the lounge.

Mr. Wilhite was presented with a white orchid corsage and boutonniere for Mr. Wilhite, by former student Steve Roberts and his wife, Nell.

Miss Joy Criner, Mrs. Cecil Skipper and Mrs. Fred Reddick served the punch.

Greeting guests at the door were Mrs. Anna Belle Wardell, Mrs. Devon Reddick and Mrs. Ophelia Rheiner.

In the receiving line with the Wilhites were Mrs. J. Fox Hall, Miss Sarah Sellers and Mrs. Joe Franza.

The guest book was presided over by John McClure, Spencer Meeks, Gail Bennett and Georgia Ann Franza.

At the appointed time, 8:30 p.m., the Wilhites were ushered out of the building where a large square was roped off for the ceremonies.

In behalf of the Chamber of Commerce, Mr. Ted Ward presented Mr. Wilhite with an engraved plaque commemorating his civic activities.

Coach Guy Garrett gave a brief history of Mr. Wilhite's commendable talents with warmth and sentiment. He stated that Mr. Wilhite had been a farmer, a miller, rock sawyer, steam fitter and plumber. He served on the planning board, deacon and teacher in the Baptist Church, scoutmaster, disc commissioner, district president of F.E.A., president of Ridge Athletic conference. In addition to these he worked at the school for 40 years in all capacities, bus driver, football and basketball coach, assistant principal and principal.

Further comments from Garrett were that Mr. Wilhite was known throughout the state as Mr. Education. He has been to over 35 State F.E.A. meetings and is a personal friend of almost every one that has been in education over the years.

College presidents, state department heads down to first graders are proud to call him friend. At the end of this school year, Mr. Wilhite will have graduated 24 classes and shaken the hand of 1,225 seniors while they received their diplomas. That's a record.

In Mrs. Wilhite's capacity, she has been right there to help and assist in the one thousand and one little things that it takes to give class to any occasion. Not even Mr. Wilhite could have done as good a job without her.

Through public subscription, throughout the county, schools, friends and former students funds were raised to purchase a Jeep for the Wilhites, to help them pursue their hobbies of fishing and hunting. Especially on Monday as Mr. Garrett said

Coach Joe Franza then presented the keys to the Jeep to both, in appreciation for their loyalty and service to the community. Coach Franza blew his coach whistle and free grain emerged from a cage. Mr. Wilhite was told to go get em.

The seventh grade students purchased the radio for the Jeep.

With deep appreciation Mr. Wilhite responded with many thanks to all and shared the days with the gang at the office who he said was the background and help in all he had contributed. As Mr. Garrett commented, "Now they can look back on a job well done as they fish and hunt together."

The Wilhite's plan to continue their residence in Avon Park and no doubt will assist in future events.

Garden Club Presidents Here Today

The City of Avon Park extends a hearty welcome to the Federation of Garden Clubs District Nine Presidents Conference.

District Nine consists of Highlands, Polk, Hardee, Lee, DeSoto and Charlotte counties.

There will be an all day meeting at the Jacaranda Hotel, today (Thursday) May 26.

Registration 9 a.m., meeting at 10 a.m. and luncheon 12:30 p.m.

Mrs. W. R. Buschweiler of Lake Wales, president of the District, will preside.

Mrs. I. H. Ford and Mrs. C. E. Lanier are co-chairmen for the conference.

College Fund Drive Reaches Third Of Goal

With deposits totaling upwards of the $300,000 mark, South Florida Junior College's committee reached the one-third mark Monday, May 23.

Approximately $200,000 is needed to completely replace the Todd and Brickell buildings for use as temporary quarters in the South Florida Junior College.

The college is scheduled to open on August 1. Over 500 students from Highlands, Hardee and DeSoto counties have already applied for the charter class.

Principal contributions received during the past week were: $5,000 from the First Federal Savings and Loan Association of Sebring, Bowling Green paid the second installment of $5,000 on its pledge, and individuals in excess of $500 received during the week were: Jack Placid, $2,000; Mrs. Bessie Barnes, $1,000; Hill Brothers Packing Co., Placid, $2,000; Hill Farms Dairy, Placid, $2,000 and I. H. Ford Motor Co., Avon Park, $500.

Other contributions were: Wilson Chalker, $50; Mabie & Lange, $25; C. M. Lawrence, $25; Jack Turner, $25; Electron Equip., $25; American Legion Auxiliary, Avon Park, $50; Automatic Clutch Service, Avon Park, $50; Clutch Tool, $50; Mid State Printing, $50 and Tyson Music House, $50.

William Hall, Director of Student Personnel, announced Tuesday that 116 applications had been received for the Fall term. Of these, 52 per cent are from Polk County, 21 per cent from Hardee, 15 per cent each from DeSoto and Polk and 1 per cent outside the area. Avon Park presently leads with 42 applications submitted.

Hubbard Biggs Attends Meeting In Orlando

Hubbard K. Biggs, who represents American Fire and Casualty Company in Avon Park through his Hubbards Biggs Agency Inc., has just attended a meeting of the Royal Palm Club held at the Robert Meyer Motor Inn in Orlando on May 16.

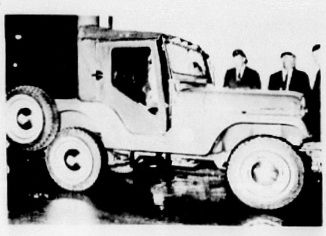

This club is the select group composed of the top individual producers of American Home office, Orlando. Mrs. Biggs accompanied her husband to Orlando.

Mr. Biggs has earned Royal Palm Club membership three years and was a attendee of the executive committee last year.

The members with their wives were honored Sunday evening before the meeting at a reception and buffet dinner by officials of the American Fire and their wives. While the Royal Palmers were in meeting Monday, Mrs. Charles E. Hager, wife of the American Fire President, entertained the wives at luncheon. Part of the afternoon was devoted to golf, swimming, shopping in the exclusive shopping centers of Orlando, followed Monday night by a dinner-dance at the Robert Meyer Inn.

Measuring Our National Income

This week in Economics, students have been studying how to measure our National Income as a whole. The main purpose of studying the economy is to learn about certain important measures of economic performance. By comparing these from month to month and from year to year we can tell whether our economic system is growing and expanding or is slowing down.

Measures of economic performance are called economic indicators. An economic indicator is a report on the economy as a whole or one part of the economy.

Students have learned that the gross national product covers the goods and services produced in the nation in a year measured by the prices paid for them. They have also studied the many things that is included in the GNP.

How can we measure the total production of goods and services in the U.S.? How can we compare total production or consumption in one year with that total production or consumption in other years? How is the gross national product divided? These are only a few of the questions discussed in Economics this week.

Cheerleaders Have Supper

On Tuesday, May 17, the cheerleaders sponsored a spaghetti supper.

Through the year the cheerleaders have been working to raise enough money to attend camp this summer. At the spaghetti supper the girls cleared $130. Now they have a grand total of $300 towards their camp fund.

The cheerleaders would like to thank all mothers and Mrs. Johnson for all the help that they gave them during the supper. The supper was well attended and enjoyed by everyone.

Thursday afternoon the girls elected captain—Pam Mathews, co-captain—Mary Lou Cramer. All the girls are looking forward to a successful season next year.

Good Luck!

6th Period Auto Mechanics

The 6th period auto mechanics, is reviewing and studying because the last week is here.

We feel that we have accomplished a lot this year in auto mechanics by rebuilding a car completely.

Our class consists of Kelly Davidson, Eugene Everett, Dennis Hood, Jack Crunkelton, Tony Veasy, Tony Todd, Lucky Dixon, Russell Perry and Tommy Walton, with our instructor Mr. Bill Hood, whom we all appreciate. He has given us one hour of his time each day from Will Rand Motors, and it will be very hard to replace an instructor as good as Mr. Hood.

History Class Study Chapter On Europe

The American History classes are now studying the chapter of Involvement in Europe.

Some of the main topics studied are: Europe's Armed Camps Plunge the World into War, America Bends Its Efforts to Stay Neutral, The United States Joins the Fight Against Germany, and Wilson Pleads to Establish a League of Nations. Under these topics are many small topics broken down to make the subject easier to understand.

This chapter is one step toward a higher education for those who study it. This chapter provides important and educational information about our country and other places in the world.

Seniors Attend Junior College

Several of the Twelfth seniors at APHS are planning to enter South Florida Junior College. We decided to ask several seniors if they were planning to attend college here.

Sue O'Steen—I had thought about going to South Florida Southern College, then I changed my mind to go to a college out of town. After I received a letter from Carolina inviting me here, I changed again. I thought staying at home would decrease a lot of my expenses, and I feel I'm familiar enough to maintain a higher average.

Janet Phillips—I am going to South Florida Junior College in the Fall to further my education in office work. This college has many subjects to offer, and I think it is wonderful that I am getting a chance to go. It will help me in the future to get a good job.

Ranney Prevatt—I am going to Massey in Jacksonville to further my knowledge in electronics. The reason I am going there is because I enjoy electronics and plan to work in it the rest of my life. Massey is an electronics school only so I feel I can learn more about it there than anywhere else.

Nancy Lankford—The reason I am not attending college in the Fall is because I can't afford the expenses and I want to work and save my money for marriage so I can help someone else through college.

Mary Smith—I am going into the Air Force because I want to serve my country to the best of my ability. This is the only way I feel that I can best serve my country.

Book Review

I'm going to review two more books this week. The first one is entitled "Jonathan Livingston Seagull."

The Long Beach Press Telegram says, "One must let go. Bold thought. This is the idea that Jonathan, a seagull, discovered and lived. The bait missed! Baldi's heart sank. He quit flying for a while, going after that food. There was still time to stop it in. Then a towering figure faced out in front of him, blocking him from the basket. Baldi fell backward, looking up.

One Baldi knew there was more at stake than just winning, as he and his team mates took to the court to play their biggest game.

In the world of sports, no other game draws crowds as large as basketball. It is fast and more packed with thrills than any other leading team sport. In The Long Beach, you also share in the excitement of the game, the crowds, the glory in winning, the disappointment in losing, as Buzz Bexter fights to win the game of his life.

The second book is "The Grapes of Wrath" by John Steinbeck. When in 1962, John Steinbeck was awarded the Nobel Prize for Literature, the Swedish Academy cited him for his "realistic and imaginative time realistic and imaginative writings, distinguished as they are by a sympathetic humor and social perception, and termed his classic novel, "The Grapes of Wrath," and "epic chronicle . . . a poignant description of life as it is lived by the common man."

When "The Grapes of Wrath" first appeared in 1939 it electrified an America still convalescing from the depression. Particularized in the story of the Joad family, the novel is a powerful condemnation of the "Okies" from their bank-foreclosed fields and farms, it is a dispossessed everywhere. Written out of passionate conviction by a master storyteller, "The Grapes of Wrath" is both a great social document of an era and a milestone in American fiction. Those who have read it before will find a new impact in the rereading of it, and those of a later generation who come to it for the first time will have the shock of a major literary discovery.

Local Teacher Attends Funeral In Mississippi

Mrs. Ethel McKelvaine, elementary teacher of Avon Park, flew to Forrest, Mississippi to attend the funeral of her daughter, Mrs. Fred (Marjorie) Jones. Mrs. Jones, 42 years old, passed away suddenly at her home in New York City, May 16.

Survivors are her mother, husband and twelve year-old daughter Jan.

Burial took place May 19 in Forrest, Mississippi.

SWIMMING RECORD

First person to complete the 14-mile Chain O'Lakes swim from Winter Haven to Florida Cypress Gardens was Ted Erikson of Chicago, who made the trip in four hours and 44 minutes on Nov. 22, 1961. Erikson also was the first person to swim Lake Michigan, and was the first American to swim the English Channel both directions.

4 Scholarships To South Florida Junior College To Be Awarded

Four scholarships to South Florida Junior College will be provided by First Federal Savings and Loan Association to 1966 seniors who need financial aid to continue their education.

Each scholarship will be for $150, the cost of a year's tuition to the new Junior college. One award will be made in each of the county's high schools—Sebring, F. O. Douglas, Avon Park and Lake Placid.

Selection of recipients will be made by a committee which includes Billy Cason, supervising principal of Sebring area schools; A. B. Wilhite, supervising principal of Avon Park schools; Ashby Reed of Lake Placid; supervising principal; J. Homer Bible, general supervisor, and Thomas R. Johnson, Jr., coordinator of pupil personnel services.

Bible, who made the scholarship announcement, said the major considerations will be the student's financial needs and ability to do college work.

Announcement of the winners will be made at the awards assemblies to be held in the schools. No alternates will be named.

First Federal has for several years made scholarship awards based on academic achievement only and winners of these scholarships were announced last week. The South Florida Junior College scholarships are in addition to those traditional awards.

VICTOR McKUNAS, Avon Park High School Band Director presents Candi Flint the Arion Award, which is the highest honor for a high school band member. The presentation was made at the band banquet held Friday night.

Annual APHS Band Banquet Held Friday At The Jacaranda Hotel

The Avon Park High School Band held their annual banquet Friday evening, May 20 at the Jacaranda Hotel.

Following the banquet, presentations were made to various musicians.

Miss Candi Flint received the Arion Award. This is the highest honor possible for a high school band member.

The graduating seniors were presented a medal as a token of their years of faithful service to the band. Senior members of the band are: Sue O'Steen, Arlene King, Candi Flint, Dargan McDougald, Ranley Prevatt, Delton Delaney and Ricki Pate.

All members who had completed two years of diligent service in the band were presented a band letter.

Two solos and two ensembles received medals for superior ratings at the state contest. John Mason and Alice Feikner, solos; Stephanie Wood, Anne Graham and Janie Nurmaker, duet; Delton Wright, Sharon Snodgrass and Susan Johnson, clarinet trio.

Band director Mr. Victor H. McKunas was presented with an appreciation from the students.

Following the presentation a dance was held. The music was furnished by the Outdoors from Haines City.

THE WORLD'S BEST HOPE

"Come, let us go up to the mountain of the Lord, to the house of the God of Jacob; that he may teach us his ways and that we may walk in his paths." Isaiah 2:3

The Vicar of Wakefield described his family life in the 18th Century thus: "We had no revolutions to fear, no fatigues to undergo; all our adventures were to the fireside, and all our migrations from the blue bed to the brown." In those words we see not only a man but a society living in the status quo. How different from the world in which we live.

Each day it seems brings new revolutions somewhere. In our modern world everything seems to be in a state of flux, nothing stays put very long. What of tomorrow? What shall result from the seething tumult and turmoil everywhere apparent today?

Suppose in our search for an answer we turn to the prophet Jeremiah. "I looked on the earth," he said, "and lo it was waste and void; and to the heavens, and they had no light. I looked on the mountains, and lo, they were shaking, and all the hills moved to and fro. I looked, and lo there was no man, and all the birds of the air had fled. I looked, and lo the fruitful land was a desert, and all its cities were laid in ruins before the Lord, before his fierce anger." Jeremiah 1:23-26.

We read that and think of what has been written about the holocaust and destruction that a nuclear war would bring to the earth. We realize that turning the world into an empty void can happen in our generation. Well, what are we to say to Jeremiah? Our answer is: "There is another side to the picture." It is given by the prophet, Isaiah. He wrote: "It shall come to pass in the latter days that the mountain of the house of the Lord shall be established as the highest of the mountains and shall be raised above the hills, and all nations shall flow to it, and many peoples shall come, and say: 'Come, let us go up to the mountain of the Lord, to the house of the God of Jacob; that we may walk in his paths.' For out of Zion shall go forth the Law, and the word of the Lord from Jerusalem. He shall judge between the nations, and shall decide for many peoples; and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war any more." Isaiah 2:2-4.

Some will say: "that's a beautiful picture but pretty remote and there doesn't seem much hope for its realization in the turbulent world in which we live." And we reluctantly agree unless our hope is in God.

How does one explain the two sharply contrasting points of view? Well, let's look at the religious history of Israel as the prophets did. We read that in the beginning there was chaos and that God created the world, thus bringing cosmos out of chaos. He placed responsible people in the world with whom He could have fellowship. That is why, as St. Augustine wrote, a man's heart is restless until it finds its rest in God. Man is at his best when his life is in harmony with the Will of God. The Scriptures say that man rebelled against God. Man not only turned away from God, he also often stood against his neighbor. He fouled up his world! In spite of this, God's love for man continues. He strives to bring man back into fellowship. That, of course, is the meaning of the incarnation, the coming of Christ into the world.

Jeremiah was but giving a true picture of what man can expect if he continues to deny God and insists on going his own willful and doomed way: "I looked on the earth, and lo, it was waste and void."

George Bernard Shaw was asked whom he would select to start over again, if God would send another flood as in Noah's day. He answered: "I'd let them all drown." Isaiah had a better hope, he looked for the restoration of the sovereignty of God in the minds and hearts of men. The coming of His Kingdom on earth which waits man's repentance and return.

What can one man do? As individuals we can repent and try to bring our lives in harmony with God's will as Jesus has revealed it.

Jesus trained his disciples to be active mediators of divine grace and love. You will recall that at the feeding of the 5,000, he blessed and gave the loaves and fishes to his disciples, they in turn gave to the people. As time went on they mediated more than earthly bread. They learned the true meaning of the love of Christ by sharing it with others. We are called upon to do the same.

The place to begin is where we are, in our own community. We can mediate the spirit of Christ in our concern for our neighbors, by spreading charity, tolerance and understanding.

In the name of Christ we should feed those who are hungry and work for a more even distribution of this world's goods. If we can succeed here we shall reduce the economic tensions that have so often led to bitterness and conflict.

We surely should support all united efforts to preserve world peace and uphold the hands of missionaries in foreign fields. In all this we shall struggle to increase and expand human rights and do the things that will secure freedom for all mankind in the name of Christ.

We shall succeed if our determination is similar to that of the English poet William Blake.

"I will not cease from mental fight
Nor shall my sword sleep in my hand
Till we have built Jerusalem
In England's broad and pleasant land."

The First Baptist Church of Avon Park has an interesting history of growth and service in the community. It was organized in 1913 and has grown to a membership of over 1200. The present sanctuary was erected in 1950 and is very attractive and worshipful in appearance; however, due to the growth of the congregation 2 morning services are necessary for about 8 months of the year.

Steps are being taken toward the building of a new sanctuary in the future. The church maintains a well organized program of education and Christian training. The music program includes 5 choirs. The present pastor, Aden D. Childress, began his ministry in 1957 and the minister of music and education, Otis C. Strickler, came in 1962.
