Look To This Day was written by Wilma Dykeman and is a book gift to the Avon Park Library. Wilma Dykeman has also produced The Fair Family and The Tall Woman.

Much has been written about the Ugly American. Hat, Rhinoceros and Winston, the publishers of this 1968 book, tell us that "somewhere the American of good intent, the one who tries to be decent and warm human being, has fallen victim to the way-side. The honest people around us, the understanding that we all hope to get and to give, the experience of nature, the joy of children are somehow lost in the negative strategy which assaults us every day."

Look To This Day gives us one woman's thoughts and feelings. She tells us with views from three generations, her mother's, her husband's, and her two sons what an uncompleted life can be with a universal viewpoint at home, exploring the United States, and traveling in Europe. This is a book not to be skimmed or rushed but to be savored as a gourmet would a delectable dish.

TAX COLLECTIONS UP
Sales tax collections, an indication of business activity, registered a 74.83 per cent increase in collections for month state wide and in Sebring, 95.32 per cent over the same month a year ago. Highlands County collections were \$107,294.12, indicating a substantial increase in sales of merchandise.

Noted Musician, Composer Makes His Home In Avon Park

When a man can write an attractive composition which pupils find agreeable to practice, beneficial to the development of their technique and musicality, and a good vehicle for providing musical entertainment, not only for pupils but for anyone who likes music, he has put something worthwhile into the lives of others.

Charles E. Overholt has not endeavored to be a prolific com-

poser but he has some very attractive and satisfying numbers. His grandfather was a physician. His father took up the music profession despite parental objections. His mother also taught piano before her marriage, and so it is easy to understand when the family moved to Chicago, how Charles E. Overholt and his two sisters were provided with a musical education at the Chicago Music College. Mr. Overholt studied under teachers as Hugo Kortschok, Hugo Herman and Alexander Sebald in violin, Felix Borowski in composition, and Harold B. Marzoff in harmony and with Walter Knipfer in piano.

Within a year the name of Charles E. Overholt was up as a winner in scholarships in every department in which he was studying. At graduation he won the highest medals in violin and composition.

After graduation, he served on the faculty of Simpson College as head of the violin department, director of the college orchestra and instructor in harmony.

In 1911 he married a young lady who also was a graduate of Chicago Musical College, who plays the piano, flute and all woodwind instruments. Overholt returned to Chicago to serve as a violin teacher in the Chicago Musical College and also did private teaching in Chicago before locating in Burlington, Iowa. Then came several years of absence from musical activities because of the first World War. He saw service in France, advancing from private to sergeant and then at Sumner, France his commission as lieutenant.

After the war, the Overholts located in Rushville, Ill., where he entered the piano business. Large classes of pupils and their successes in school music contests and college scholarship tests made teaching again of paramount interest and also led the Overholts to become affiliated with the public school system of Rushville.

After eight or nine years in Rushville, several years intended for rest purposes at Summerville, Missouri led to music teaching there in the public schools. Mrs. Overholt taught private piano and he directed the high school band and orchestra in Birch Tree, Missouri. His pupils won five out of six of the first ratings given in a contest in which they participated.

The next move took them to Butler, Missouri where both soloists, band and orchestra won first ratings in district and state contests. After several years in Butler, Overholt accepted the position of head of the orchestra department of Arsenal Tech. in Indianapolis, Ind.

He is familiar with all the instruments of the band and orchestra and can play each one of them. His major instrument is the violin and he is also very proficient on the piano. He is a past member of the American Guild of Organists.

The Overholts have been retired for the last decade living in Avon Park, although Overholt turns out a composition now and then mostly for organ. He also has many published compositions for piano and violin.

Red Devils

(Continued from Page One)
five yards out and Sebring's kick made the score 42-7.
Devil coach Joe Frantz sent in the second team at this point and Okeechobee moved deep into Devil territory again taking advantage of two 15 yard penalties against the Avon Park defense and hitting an 18 yard pass. But the Devils reserves held at the five yard line and finally drove the Brahmas back to the 10 yard line and took over at that point with just less than four minutes left in the game. The starting offense came in and moved the ball to the Okeechobee 40 yard line with Richard's 30-yard advance paving the way. Then the second string offense came in for Avon Park and moved in to score in spite of numerous penalties against both teams. Fullback Walter Nunnallee scored the final Avon Park touchdown from two yards out and halfback Dennis Hart ran in the extra point to set the final score at 49-7 as the clock ran out.

The Red Devils backs rushed for 315 yards against the Brahmas with Bill Richards racking 126 yards in 16 carries. Willie Joe Seigler picking up 113 yards in 12 totes, and Neil Cassell gaining 66 yards in six carries. Ed Curtis Horn led the punt and kick-off returns with his 70 yard scoring return.

Linemen Orlando Lathan, Randy Ward, Harace Watson, Tommy Toanwood, Ed Beck and Tom Nunnallee tangle in their second consecutive game of outstanding play both offensively and defensively to pace the Devils to their second win.

Women's Council Christian Chr. Have Luncheon

The Women's Council of the First Christian Church enjoyed a luncheon at the church, Wednesday, Nov. 12 at 12 P.M. The tables were decorated with fall leaves and autumn tuckers. Mrs. Herbert Rutherford and Mrs. Charles Bolding were hostesses.

The ladies brought gifts for the Christian Old Folks Home in St. Louis, Mo. After the luncheon, a business meeting was presided over by Mrs. Rutherford. Mrs. Alfred Haviland read the minutes and gave the treasurer's report. Mrs. Arthur Fouty led the devotion and gave an interesting talk about the Christian Old Folks' Home.

Word from the Dean Corrado telling us they expect to leave Urbana, Ohio, around the 20th. We are looking forward to their return.

We learn that Marion Howell, LaPorte, is convalescing from a recent surgery at the "E" St. Div. Hospital, that city. They are looking forward to the Winter in the Park.

Mr. and Mrs. Cliff Young of Longport, Ind., are visiting with Mr. Young's mother and sister and brother-in-law, Mr. and Mrs. Ora Meyer. They spent last Thursday in St. Petersburg.

Sen. Griffin Will Speak at Farm- City Banquet

The second annual Highlands County Farm City Week banquet will be held Tuesday, Nov. 26, in Sebring. The banquet will begin at 7 P.M. and will feature the guest speaker, Senator Ben Hill Griffin, Jr., of Frost proof. The banquet is being held in the skating rink building at Fivemom's Field in Sebring. The meal will be a steak dinner.

The banquet is being sponsored by the 10 civic clubs in Highlands County. Highlands County Cattlemen's Association, Inc., Highlands County Farm Bureau, Highlands Soil and Water District, and the Chambers of Commerce in Avon Park, Sebring, and Lake Wales.

The purpose of this banquet is to bring agricultural and business people together to promote a better relationship and an understanding between the two. The banquet is a major business and social event where touches every income in the county.

Tickets to the banquet are available through the sponsoring organizations. Farm City Week started out as a project by Kwanin International to acquaint the urban population with farm problems and to bring about a better understanding between the rural and urban existence.

Maybe mothers should peek into their handbags before fanning at Sebring about all the craps days later, it was shot near Dubuque, Iowa.

In August of 1931, a chap handed an eagle at Cortland, N. Y., and released it. Seven days later, it was shot near Dubuque, Iowa.

MORTGAGE FINANCING

from the builder

It's possible at Jim Walter Homes

100% FINANCING • BUILT ON YOUR PROPERTY

There's an easy way and a hard way to build a home. You could choose a builder, scrape up a down payment, apply for a mortgage loan, and then wait... or you could go see Jim Walter and forget all the rest. When you have your new home built by Jim Walter, everything else is almost automatic. Immediate 100% financing is available to all qualified property owners directly from the builder. Jim Walter will build almost anywhere you own property with no down payment. You need no cash — not even for closing costs.

No Shortage of Mortgage Money!

Because he's doing the financing, Jim Walter can make buying a new home easier in other ways too. We'll help you cut costs, and thereby keep your monthly payments low, by making it possible for you to do some of your own interior finishing. When we build your new home, we'll leave as much of the interior unfinished as you tell us to. (Try doing this with conventional financing.) We'll even supply the materials you'll need to do the job and include them when we finance your home.

When you're ready to build, remember Jim Walter, and you can forget all the rest.

Pioneer Resident Died In Wauchula

Mrs. Mildred E. Dunn, a resident of Wauchula for the past 56 years, died in her deep Sunday, Nov. 17 at her home, on North 4th Ave. She was a beautiful and spirited a beauty salon in Wauchula until her retirement a few years ago. Her only immediate survivor is her sister, Mrs. Ruth Clouse of Avon Park.

Funeral services were held Tuesday, Nov. 19, 10:30 A.M. at the Coker Funeral Home in Wauchula with Rev. M. Feltz, D.D., officiating. Burial in Wauchula Cemetery.

Two things every parent should give their children—roots and wings.

Southland Trailer Court News

Mrs. Florence Wilson of Ft. Myers, cousin of Harriett Meisel, called Monday forenoon and took lunch with Harriett and Hettie Cook.

Mr. and Mrs. Clark Johnson of Muscatine, Iowa were visitors of the Baldwins Sunday. Mrs. Johnson is Mr. Baldwin's sister.

Twenty-eight were out for 'Coffee Hour' Tuesday morning, several for the first time this year. General Chairman, Sam Walton, appointed Goldie Dunn, Emma Gertes and Russell Lumpkin the nominating committee to select chairman and helpers of the various committees for the coming year. Sam also appointed Betty Peterson as temporary general chairman to take his place until the new chairman is selected and elected. Bee Jeremy is doing an excellent job as chairman of the Coffee Hour since Lu Detrick has moved.

We want to thank Caroline Morrison for all the excellent typing she has done to get our 'set of rules' in shape for the new people who take over the coming year.

Great day in the morning! Clouds come before the sunrise. Feast your eyes on the new black top down northward way, which is just completed. Clouds were every thick for a day or two, but Monday cars were back in carports with a new floor and the clean-up gang will be on hand soon.

Also, new plumbing has been installed in the restroom in connection with the shop; grass seed is popping up all around; the white wash seem to be whiter and glossier; and these Florida birds with long legs and necks are gradually renewing themselves.

Your shuffleboard chairman is glad to report, it were out to play Friday afternoon. Bryon Jeremy and Rev. Hutchens won with 77 points. Dorcas Young and Betty Peterson were the

runners-up. We would like to have our new people join in shuffling. Our courts are available any time.

Miscellaneous cards were played at only three tables Friday night. When those chilly nights come and the evening walk is not so inviting, nor the shuffle courts, we hope card players will find the Hall an inviting place.

Bob Elsthorpe of New York came Thursday to join the park for the winter. Mrs. Elsthorpe could not come just now on account of the serious illness of her son-in-law. His daughter now lives in Orlando and he spent the last night of his trip with her. Mr. Elsthorpe looks fine and we hope she will be able to join us before long. And have you noticed the new Buick he is driving? He laughingly said he should have said 'not instead of yes' but he kept thinking of the good feel of a new car.

Winnie and Russell Lumpkin spent Sunday and Monday of last week visiting the Hadleys at Tavares, who have recently arrived in Florida. Many will remember the Hadleys. Mrs. Hadley is Winnie's sister.

Francis McCrea of Batavia, N.Y. has joined the park and is located across from The Hall. He is a friend of the Lees who were with us last winter. We hope he will enjoy his stay in Florida.

Have you noticed that Rudolph has quite recently acquired new horns? Upon further looking around you will see that his big brother also has new horns. Didn't know horns grew so quickly. Maybe McClary got the 'bee' to make new horns for these deer. Oh! the mystery is solved.

Rudolph brought them from his Wisconsin home and these two deer are the proud possessors of new horns. Their bodies seem to be sleek and renewed, too. A little paint, varnish and ingenuity can revamp most anything.

Sun. Ray Sunday afternoon.

Mr. Baxter entered Walker Memorial hospital Monday morning. He is having difficulty in breathing and they felt it best he go to the hospital. Monday evening he was quiet and feeling more comfortable. We hope his stay in the hospital will be only a few days.

Welfare Service In Need Of Clothing

If your home burned to the ground tonight, where would you turn for help? To a neighbor? A relative? Who would be ready to help you? The answer, according to Mrs. F. W. Schmehl, is the Avon Park Seventh-day Adventist Welfare Service, located in the Avon Park Seventh-day Adventist Church on Lake Lillian.

During the first eight months of 1961, reports Mrs. Schmehl, the local SAWS welfare center helped 11 families in this area, representing 66 persons. The aid included 714 pieces of good-quality clothing in addition to canned food, bedding, and \$200 in cash.

The local welfare program represents 312 volunteer hours put in by 23 volunteer SAWS workers.

In addition, 310 pounds of clothing was shipped to the SAWS distribution center in New York City for distribution in disaster areas in any of the 200 countries where SAWS operates.

Local persons needing help or wishing to donate time or usable clothing or other materials should call Mrs. Schmehl at GL 3469. She indicates the center is currently in short supply of sheets and children's clothing, especially for boys.

The Avon Park SAWS agency is open Tuesdays from 9 to 12, and from 2 to 5.

THE CHOIR from the Dunlap Children's home on tour to all Presbyterian churches were entertained Sunday evening, Nov. 19 at the First Presbyterian Church. Their purpose is to acquaint the churches with the work of the home and increase their interest in all their activities. Superintendent W. A. Hethcox and his wife, Dorothy, their director, accompanied them.

This is the only home of the A. R. Presbyterian Church, located in Brighton, Tenn., and is supported by gifts from all churches of the denomination.

The members of the congregation took these 25 children into their homes for the night and to Highlands Hammock the next day for a picnic lunch.

Presbyterian Conference Will Be Held In Lake Placid

The Florida Brigade Men's Conference will be held at the Presbyterian Conference Center in Lake Placid this weekend. This Southeastern area meeting of the Christian Service Brigade will hold a mass leadership training conference. Forty to 50 men from across the state are expected to participate in this event. This Southeastern area meeting of the Christian Service Brigade is conducted by George H. Harvey of Columbia, S. C. The purpose of the brigade is "winning and training boys for Christ."

This weekend the Conference Center will also host a Senior High Youth group from Miami Shores Presbyterian Church, Miami. This senior high group will have a planning retreat and expects to have approximately 40 young people involved in the program.

The Associate in Educational Development of the Synod of Florida, United Presbyterian Church, USA, will have their Fall meeting at the Presbyterian Conference Center November 22 and 23. This group is a specialized team which visits congregations and evaluates their Christian Education programs.

The Lutheran Church in America's Board of Theological Education will conduct a continuing education course for pastors at the Center, November 23-24. The program will be led by Robert C. Schultz of East Northport, N. Y. Arrangements are made by Albert G. Oppold of Winter Haven.

A couples club, "The 70ers," of Ft. Lauderdale, will spend the Thanksgiving holidays at the Center. Fourteen families will return for their fourth annual retreat at Lake Placid.

Youth from several independent congregations have been invited to participate in a Thanksgiving conference sponsored by the Calvary Independent Presbyterians of Ft. Lauderdale. Larry Lyon plans the youth programs. They have held summer conferences at the Presbyterian Conference Center for a number of years.

The fourth of the 1961 Fall curriculum events sponsored at the Center will be held December 9-11. "Crises and Reconciliation" will highlight the turmoil of our days and the Christian's role in this turmoil. Dr. Gary S. Wilmore of the United Presbyterian Division on Church and Race of New York, a United Presbyterian minister, Hon. E. Wilson Purdy, Director of Public Safety for Metropolitan Dade County, and Rev. August H. Vandebosche, executive director of the Florida Christian Ministry, will conduct the conference.

Thanksgiving Services Will Be Held at Highlands Hammock

Special interdenominational Thanksgiving Day church services will be held for the first time in 27 years in the amphitheatre at Highlands Hammock State Park next Thursday and it is hoped a large crowd of worshippers will be on hand. Announcement of the service was made by Capt. R. G. Boyler, park superintendent.

"I'm most pleased to announce the resumption of these services," he said. "The last time Thanksgiving day services were held in the amphitheatre was around 1934."

Services will start at 10:30 A.M. and will be conducted by Rev. Lewis Llewellyn. The singing of the Sunshine Quartet will be featured Thanksgiving day and Sunday.

"If the nice weather holds, the amphitheatre should be just perfect for these services, if not the museum building is always available," Capt. Boyler said.

Otter's Aisle

One of the peculiar, but practical, antics of the sea otter is its manner of feeding on shellfish. The creature dives for a fish and a stone, lies on his back, places the stone on his chest and hammers the shellfish open.

About 1,000 species of plants have been identified in Big Bend National Park, Texas.

The Bible Speaks To You On Radio

The "dream" of a better life seems tantalizingly out of reach for many people. But the Bible shows us how a life full of justice, dignity, and respect can become a reality. Listen Sunday, Nov. 24, 9 A.M. to WJCM — "Is a Better Life Just a Dream?"

November 6 Meeting

Reported by Bob Gave
Dr. Robert Bob Anderson, Director of Mental Health, Winter Haven Hospital, was introduced by Ed Johnson, November program chairman. Bob is a graduate of the University of Florida Tusculum Medical School, is married and has three children.

Bob explained that mental health is simply an absence of mental illness, and that in order to prevent mental illness, mental health programs should be instituted early in young people's lives. Many "phases" that children pass through are signs of a possible temporary disorder, and if ignored or mis-treated will reflect adversely in later life.

We should move away from the idea you have to be crazy to see a psychologist. Staying at the local, at home feeling of the Winter Haven location, Bob contrasted this to the State Mental Hospitals which are usually far from home. Previously private treatment was available to the very wealthy only—some 2 to 3% of us could afford private treatment.

With the advent of Community Mental Health Centers, funded in part by Federal grants, psychological aid is more readily available to us. This neighboring facility permits full usage by residents of Polk and Highlands counties, permitting relatively disabled persons to live at home as out-patients. While we all hope we never need psychological help, it is reassuring to know help is as close as Winter Haven.

November 13 Meeting

Reported by Norman Todd
Emerson Clavel, a native Wauchula and an antique car collector since 1918 presented a most interesting program that featured pictures and comments that added up to a rather complete sketch of the auto industry through the 1900's. Clavel stated that the industry got started around 1880.

During the early years many, many manufacturers were engaged in producing autos. Sometimes they joined to produce cars such as the Pope-Hartford, but for the most part, some would fade out as others came forth.

Mr. Clavel showed some pictures of the very earliest cars which were reworked buzzards. The enterprising manufacturer mounted a one cylinder motor over the rear axle and transferred the power by chain and sprocket. Steering was accomplished by running a rod across the front. Early two seaters loaded from the rear.

Mr. Clavel had several good examples of this type of design. Also of much interest to members was an excellent picture of the wooden axle of the old Buick.

Two addies were the American understanding, a car with its frame suspended under the

axes, and the model that had a stationary crank shaft in which the motor turned around. In all, we were shown more than 20 different models ranging from the earliest Olds to the Stutz "Bear Cat."

Alfred Poole Died Tuesday November 19
