THE AVON PARK Red Devil football coaching staff showed these smiles before the varsity lost the opening two games of the season but hopes are high for a victory over Fort Meade this week to get the Devils in the win column. Pictured kneeling on the right is Athletic Director and Head Football Coach Joe Franzia starting his 18th year as head football mentor for the Red Devils. Kneeling on the left is backfield coach Ralph Hill, a former Red Devil back, and also head baseball coach for Avon Park. Standing on left is the new varsity line coach Larry Pickett. Pickett was head "B" squad coach last year and replaced Duke Landreese as line coach for the varsity this season. Paul Roberts, head "B" squad coach this year, is new in the Highlands County school system but served as head coach at Frostproof two seasons ago. Last year Roberts was head football coach at a large South Carolina high school.

Red Devils Travel To Fort Meade Friday Looking for First Win

The Avon Park Red Devils will be looking for their first win when they travel to Fort Meade to take on the Fighting Miners tomorrow night (Friday) in the third game of the season.

Last week the Devils gave Mulberry a 13-0 win here at Memorial Stadium in a poorly played game that will surely discourage all but the strongest of Devil fans. Since Avon Park plays away for the next four weeks, it is possible that the Devils may pull themselves together and win enough on the road to lure back a crowd for the next home game against Arcadia on November 1.

The only bright outlook for this week's battle is that the Miners have also lost their first two games and perhaps by larger margins than the Devils. Wauchula handed Ft. Meade a 20-0 defeat in the season opener and last week Frostproof also shut them out by a score of 16-0. Fans may be confident that both teams will be working hard to find an offense that can move the ball consistently so perhaps the game will turn into a real offensive explosion.

The Panther-Devil game last Friday was played mainly between the 30-yard lines. On Mulberry's opening series of plays they were thwarted when Devil Neil Caswell intercepted a pass at the 50 to give Avon Park possession. The Devils moved quickly to the Panther 27-yard line before one of many five yard penalties set them back and two plays later Caswell returned the favor by fumbling and Panther guard Clinton Glover recovered for Mulberry.

Avon Park's defense held for three downs and the Panthers punted deep. Again Avon Park looked like it might move and picked up a quick first down in two dashes by Willie Segler and Billy Richards. Then two consecutive in-motion penalties clipped the drive off and Avon Park was forced to punt out. From then on until the end of the half it was a matter of penalty yardage and punts with neither team crossing the other's 30 yard marker.

In the third quarter Avon Park took the kick-off and Segler returned it to the Panther 40-yard line. Then the Devils drove to the Mulberry 17-yard line before

Mulberry stiffened and another pesty five yard penalty against the Avon Park offense drove them back to give up the ball on the Mulberry 25-yard line on downs.

Mulberry broke David Hardee loose for a 32 yard gain from scrimmage midway in the third period but then the drive bogged down and the Devils took over at the quarter ended.

Avon Park moved to the 50 before they were forced to punt again and this time David Hardee gathered in Gene Landreese's punt and scampered 86 yards through the Red Devils for a touchdown to put Mulberry on the scoreboard. Steve Mullis kicked the extra point to give the Panthers a 7-0 lead.

Avon Park started the following drive on their own 30-yard line but a 15 yard penalty set them back to their 15 and after two incomplete passes, another five yard loss had them on the 10. A short kick which traveled only 9 yards before it went out of bounds gave Mulberry a break with the ball on the 20-yard marker.

The Panthers drove in for their second touchdown in five plays with fullback Danny Passmore sneaking through the middle of the line for the final nine yards and the score. The try for the point after was no good.

With time running out young Don Siemsen passed the Red Devils from their own 25-yard line down to the Mulberry 30 before Rotlie Stencil intercepted a pass on the 15 to stop the threat and Mulberry ran out the clock on the ground to take the 13-0 win.

Statistically the Red Devils held the edge on Mulberry but the 86-yard punt return and the short punt which set up the Panther's second score proved the downfall of the Devils.

First Phase Of Dove Season Starts Saturday

The first phase of the dove hunting season opens Saturday, running almost a month until November 2.

Legal hunting hours for dove are from 12 noon to sunset.

The Florida Game and Fresh Water Fish Commission is advising dove hunters to locate promising dove fields before wandering aimlessly in search of a place to hunt once the season opens.

When hunting on private lands, hunters are advised to get advance permission before they enter and to share their bag with the land owner.

One of the more important things, the wildlife men advised, is to obtain the proper hunting license and wildlife management area stamp, now available at the office of county judges or their authorized license agents.

It is illegal to hunt doves—over bait—or by means, and use of bait—or on or over any area where grain, salt or other feed capable of luring or attracting such birds is placed, deposited, distributed or scattered except as the result of a normal agricultural planting or harvest. Over areas where grain crops have been cut down, dragged down, knocked down, burned over or otherwise manipulated and left on the ground.

The season on deer, bear, turkey, squirrel and quail opens November 9.

Subpenas Are Mailed For Maxey Trial

Witness subpoenas for persons being called to testify in the trial of John J. Sweet, 52, for the murder of millionaire cattle and citrus baron Charles Von Maxey were being put in the mail this week.

State's Attorney Glen Darty said that the trial will get underway at 9:30 A.M., October 22, in the Bartow courtroom where a jury of nine men and three women found themselves unable to agree a year ago.

Darty said the order for out of state witnesses already has been issued to Massachusetts. Most of the out of state witnesses are being called from the Boston area.

Darty said he is calling "pretty much" the same witnesses he did a year ago. This will include Maxey's widow Irene, who the state has said may be a hostile witness this go-round.

The buxom Irene has been seen socially with her former lover, Sweet, since the trial. Friends of Sweet say he has been in Massachusetts, his former home, recently. Irene, 47, is living with her daughter, Marjorie, 18, in a Pompano Beach apartment.

Circuit Judge William Love again will try the case.

The murdered Maxey was found shot and stabbed to death in his luxurious ranch home West of Sebring, October 3, 1966.

Duggan Elected President Of City Council, Lane Takes Second Place

Jack Duggan was elected president of the Avon Park City Council Tuesday at its reorganizational meeting and

Rodney Lane, vice president Duggan, an insurance man, has served one term before on the council and Lane, an

Avon Park business man is serving his second year of a two year term before the council voted to re-

hire all city employees with a pay increase which is in the budget at four percent. Lane said he thought the

employees should be given a three percent increase and use the other one percent to adjust the rate of depreciation which was pointed out that some of the laborers are getting the same salary as the foreman and sometimes more. A meeting is scheduled for Monday night with all department heads to work out the details.

President Duggan assured the department heads that the council would back them all the way in hiring and firing employees.

City Attorney Jack Hancock was reappointed for another year to finish out the unexpired term of Hue Nunnallee who resigned in May.

Another minor change and which is the least changes ever made by a new council as far as employees and city policies was that the city after December 30 will no longer make payroll deductions for employees who buy merchandise from local stores. The bill will have to be paid by the employees themselves. Also employees will be required to turn in all time worked each week.

In the old business of the council it was brought up that people are parking trailers behind stores and service stations and residents living near the trailers are complaining. The council agreed that anyone wishing to park a trailer or start a trailer park must obtain a state permit first.

Doerr and Rodney Lane, vice president. Standing, Russell Scott, Milton Howard, city clerk, Malcolm Crews and Durrah Martin.

Local Realtors To Attend Convention

Realtor Ted J. Ward, president of the Avon Park area Board of Realtors, will attend the 32nd annual convention of the Florida Association of Realtors, October 10, 11, and 12 in Jacksonville.

Other members of the Board planning to attend are Hubert K. Biggs and Robert R. King.

Highlights of the convention will include the disclosure of the "1968 Realtor of the Year" and the "1968 Associate Salesman of the Year." 15 awards to Boards and individuals, the election of the 1969 Association officers, educational and business sessions, seven noted speakers, and the appearance of TV star Donald "Red" Blanchard.

Fred O. "Bud" Dickinson, Florida Controller, will discuss the future tax climate of the Sunshine State. Another Floridian, Vin Pendleton, lecturer and writer from Orlando, will deliver a talk entitled, "As Stop Worryin'."

All 22 active committees of the State Realtors Association will meet, directors will hold a Board meeting, the Association's 32nd annual meeting will be held Saturday afternoon, state real estate institutes and councils will conduct roundtables and sessions, and salesmen will have a "Recognition Day" on Friday. Activities are slated for wives, and a golf tourney will be held Sunday morning.

County To Stop Paying Welfare Maternity Bills

Faced with sharply mounting doctors' costs, Highlands County Commissioners Tuesday voted unanimously to stop paying obsterical bills of welfare cases.

County Welfare Director Anna Dee Church said she has about 75 maternity cases a year and "I would say about 90 per cent are illegitimate."

She estimated continuing the program will cost between \$10,000 and \$12,000 a year but upon questioning added "maybe that is a little large—maybe I'm anticipating a full moon or something."

County Attorney Hue Nunnallee declared "Anna Dee has a problem Under Florida law, the father, illegitimate or not, is responsible. It is very difficult to enforce. I am afraid we have a group of people who habitually reproduce with different fathers and you could not determine one of them with a long handled spoon. And we pick up the tab and here we go again."

The problem of the busy reproducing welfare cases came up when Mrs. Church announced that the Highlands County Medical Association has informed her that from now on they had a

pled to charge welfare patients their regular and usual fees and obsterical cases who appear for delivery two-thirds of the usual fee.

Some doctors now charge welfare patients 75 per cent of their regular fees, some 50 per cent, some another figure and it varies. Mrs. Church pointed out.

It has been \$75 for delivering a baby and this will go up to \$125," she said. Her office has about 75 maternity cases a year.

Doctors fees last year through August cost the county \$12,223.34. Mrs. Church reported, \$5,442.50 for maternity cases, which is just doctors' fees, not hospital.

The commissioners' edict will go into force immediately with the exception of six cases, which Mrs. Church's office already has approved. It was also agreed that in difficult cases with complications such as those necessitating a Caesarian section, the county will come to the rescue.

What About The Pill?

The commissioners asked about the pill.

"Yes, they get the pill," said Mrs. Church and they also get the loop (intra uterine device) from the pre-natal clinic, but when they run out of pills they don't come back for more—they just get pregnant."

Isn't a good many of these girls repeaters?" asked Nunnallee.

"Yes," said Mrs. Church. Somebody suggested that only one pregnancy be paid for.

"Then this is something like giving that dog a theoretical one bite—and tell them the next one is on them," said Nunnallee.

"No seconds," interposed Commissioner John Whitaker amid general laughter.

Declared Commissioner Earl Crutchfield: "I do not think it is right to ask the taxpayers to pay for somebody who has no responsibility."

Whitaker interposed that "a man has been coming to my house for six weeks to get on welfare—his wife is going to have a baby."

Discretionary, said Nunnallee. The county has to provide to certain degree for aged, infirm and indigent. Nunnallee said, "I do not believe this covers obsterics." The county is responsible, but this is not mandatory and it is discretionary."

The motion as made by Crutchfield disapproved the paying of doctor and hospital bills for obsterical cases except in unusual, justifiable cases.

Nunnallee pointed out the statute in the welfare aid case

Chief Gordon Cites Statistics Of Accidents

Police Chief Earl Gordon lists comparison of accident statistics for two years showing an increase in the accident and death rate within the city limits of Avon Park. He states the contributing cause is failure to observe stop signs and failure to yield right-of-way.

Accidents totaled 141 from Oct. 1, 1966 to Oct. 1, 1967. Total persons injured, 39; total persons killed, 1.

Accidents totaled 151 from Oct. 1, 1967 to Oct. 1, 1968. Total persons injured, 47; total persons killed, 4.

Man Drowns In Lake

Frank Lewis, of Alpine Groves drowned Saturday evening while fishing in Lake Isabel.

Lewis was wading when he stepped in a hole on the east side where a canal runs into the lake.

The Avon Park Rescue Unit under the direction of Mac Flowers recovered the body within 15 minutes after launching their boat.

Sarasota Man Donates \$1000 To RAARC

Ridge Area Association for Retarded Children is the recipient of a \$1,000 contribution from Frederic Williamson, a resident of Sarasota, who is an official of Francis I. duPont Company.

Steve Roberts, Jr., president of RAARC, says the funds couldn't have come at a better time. Roberts said, "This helped us meet expenses of this Summer's day camp program and has enabled us to make up on school facilities to provide for a pre-school program."

Roberts said the pre-school program will be started as soon as ample funds and personnel can be obtained.

The U. S. has 183 cities, each with a greater population than Nevada.

Officers To Be Elected Thursday

Directors, officers and all personnel interested in the Ridge Economic Opportunity Program, Inc. will meet Thursday, Oct. 3, in the auditorium of the courthouse annex in Sebring.

This non-profit organization was organized in Highlands County in 1962 to promote aid and assistance to the migrant and poverty groups in the county.

This meeting is called for the election of directors and officers for the year. Seven will be elected after which the directors will elect officers for the year.

For three years the group has been applying for federal assistance and so far have received none. Last year they applied for a year-round head start program but were turned down for lack of funds. This year we hope to try other federal sources for assistance.

At present there are three day care centers in the county trying to aid and assist the children of migrant and poverty stricken families and they all have to rely on contributions from interested citizens, churches

Watershed Project To Get Underway

Hopes have been dashed here that the third and final phase of the \$60,000 Upper Josephine-Jackson Creek Watershed Project would get underway early.

This is the section affecting the City of Sebring, Lake Jackson and Lake Charlotte. A letter to the Highlands County Commission and to Bob Barben, chairman of the Highlands Soil Conservation District, said the cutback in federal funds makes it impossible to begin work now on this phase, which is expected to cost some \$400,000.

The project is being paid for jointly by the government and about 1,000 property owners and Barben said most of the property owners have their money up, and have acquired right of way. The government pays the largest share of the cost.

A letter from Hampton Burns, state soil conservationist, said that "if all goes well, the money should be approved and should be ready for use in the early part of the next fiscal year."

This puts the date of construction start at July, 1969, at the earliest.

"We will do all within our authority to get it started next year," he declared.

Noting that construction costs are constantly going up, Barben urged the property owners involved and other interested citizens to write their Congressmen in an attempt to get the appropriation reinstated. The \$6 billion cut in federal money already has cost the Highlands soil conservation office two conservationists — Elmer Shackelford, who already has moved from the area, and Denver Albritton.

A part of the project concerns the spillway between Lake Jackson and Little Lake Jackson, which regulates the levels in the lake, particularly benefiting lakefront property owners in time of drought or flood.

The portion of the project already completed in the South end of the county is working effectively, conservationists say, but will work even more effectively when the entire project is completed. It already has reduced the flooding danger for many properties.

The first postage stamps were really postmarks, which dated the letter at the time it was mailed, and served to keep carriers from loitering along the way.

HE WOULDN'T GIVE UP: Pondering over the symbolic "Toot, Toot!" of a tug boat on a dime store shovel, Dr. William A. Stallard, president of South Florida Junior College, and Hue Nunnallee, college trustee, examine the plaque given Dr. Stallard at a surprise dinner Saturday night. Trustees and faculty had gathered at the home of Dr. and Mrs. Frank Handley in Sebring to celebrate the signing of the contract to begin construction of SFJC's first permanent buildings, made possible through the unrelenting efforts of Dr. Stallard to get together the necessary funds. The plaque reads: "Dr. Bill Stallard—Thanks to your digging we struck pay dirt." A loan of \$251,000 from the Internal Improvement Fund to the State Board of Education, and from the latter organization to SFJC, came through on September 18, bringing total money available for construction finally up to the \$1,620,000 low bid (without options) of Tampa's Jones-Mahoney Corporation.

4-Laning 27 From Avon Park To Sebring Started This Week

Work to four-lane a 6.3 mile stretch of Route 27 between Sebring's Fairmont Drive and Avon Park's State Road 64 was underway this week, as the heavy equipment moved in.

The 6.3 mile stretch between Fairmont and Route 64 will cost \$1,238,266.23 and Couch Construction of Dothan, Ala., was the successful bidder.

This brings the total of road work on heavily traveled Route 27 in the county now in progress to more than \$3,000,000.

Already underway since August is a 7.2 mile stretch from Route 98 South to Lake Henry Drive, costing a total of \$1,765,000, with J. W. Conner and Sons of Tampa the contractor.

When the two segments now a-building are finished, Route 27, nicknamed "Death Alley," will be four-laned from Lake Henry Drive to the Polk County line.

Contracts for three more segments will be let this fiscal year, B. C. Simpson, deputy district engineer of the State Road Department, said in Bartow.

After they are let, there will only be a 6.6 mile stretch left

from the Glades County line North into Highlands County on Route 27 to be four-laned. The contracts for this will be let in the 1972-73 fiscal year and it is estimated will cost the State Road Board about \$1,500,000.

The contracts which will be let this year were made possible when the Highlands County Commission sold bonds and pledged future gas tax revenues to pay off the bonds. They are, going South:

A little arithmetic discloses that about \$3,300,000 worth of construction will be let during this fiscal year, with another \$1,500,000 after that for a total of \$4,800,000 worth of road contracts yet to be let until Route 27 is completely four-laned through Highlands County.

Chief Aviation Storekeeper James E. Deering, USN, 31, son of Mr. and Mrs. Ben F. Deering of Route 2, Avon Park, is serving aboard the attack aircraft carrier USS Constellation. The San Diego-based carrier is engaged in her third series of operations off the coast of North Vietnam.

Mrs. Marcia Ward, a graduate of Avon Park High School, daughter of Mr. and Mrs. G. Franklyn Ward is presently attending Swarthmore College, 11 miles southwest of Philadelphia and has participated in the Swarthmore College Freshman Orientation program and is presently engaged in her chosen field of study.

Steve Cooper Feted On 6th Birthday

Steve Cooper, son of Mr. and Mrs. Billy Cooper celebrated his sixth birthday with a party at his home, given by his mother and assisted by Gail Bennett.

The traditional decorated cake was served with ice cream and punch. Favors of blowers, hats and balloons were given the guests. Games were played. Jim Casey won the prize for pinning the tail on the donkey.

Guests were Penny Cooper, John Edgar DeLaney, Patty and Billy Barber, Tommy Turnbull, Ricky Johnson, Kim McKenzie, Tracy Serdyuk, Ted McAfie, Anne, Jim and Debbie Casey, Pam Rewis and his sister, Brenda Cooper.

Field Trip Planned By Founders Circle

The next regular meeting of the Founders Circle of the Avon Park Garden Club will be held Thursday, Oct. 10. A guided field trip to B. Tower, Lake Wales is planned.

Members are asked to meet at the Flower Power Company parking lot at 10 P.M. Transportation will be arranged for those who desire it.

After the tour the ladies will meet at The Highlander Restaurant for lunch.

Mr. and Mrs. James Wainright have returned from a trip through the North and East where they visited friends and relatives. While in Chicago visiting their son, Claude, they celebrated their 50th wedding anniversary with a family dinner. Their daughter, Mrs. William H. Clark from Northfield, N. J. and their son, Dr. James Wainright from Lansing, Mich., also attended the celebration. The Saturday previous to the celebration, 30 of their relatives gathered for a family reunion.

Mr. and Mrs. Fred Robinson have returned to their home 917 W. Main St. after a five week vacation in New York State and Pennsylvania, where they visited friends and relatives.

Mrs. Steve Roberts has returned from New Orleans, where she attended a pre-natal meeting for the National Foundation March of Dimes, which was held September 23, 24 in the Roosevelt Hotel.

The Dr. John Kruse family have moved from the Wauchula Road to the former Jim Anderson residence on Twin Lake.

Roy Seims who is hospitalized for a heart condition is reported to be improving.

Mr. and Mrs. Hubert Busard spent last week with their daughter and husband, Mr. and Mrs. William D. Elwell in Fort Lauderdale. They enjoyed fishing with them from their new Chris Craft.

Word has been received of the death of Mrs. L. M. Green, Sr., mother of the late Patti Hill, who passed away at the age of 96 in a Jackson, Tenn., hospital.

Annual Candy Sale Oct. 3 APTS Chorus

The Avon Park High School Chorus will have their annual candy sale starting October 3 and ending on October 13.

Selling the "World's Finest Chocolate" of two different types. The famous bar for only 6c, one quarter pound, contains almonds. The other type is Imperial Almonds, roasted, covered with chocolate and then covered with a candy coating. One half pound box sells for \$1.

The candy profits will be used to buy much needed new music and to pay for the expenses of motel rooms, food, transportation and various entry fees at the state contest. The chorus will buy new blazers, they feel their robes are old and outdated and to old to wear.

This will be the first money making project of the year. Other projects will include supper, a carnival booth, car wash, etc.

The community is asked to support this project and help the chorus in their worthwhile projects. They are not asking for a gift of money, they are offering the "World's Finest Chocolate" at a minimum price, so they may make the necessary profit to promote their interests.

28 First Graders Get Acquainted With Walker Memorial Hospital

Twenty-eight first graders adorned with party hats and accompanied by parents toured Walker Memorial Hospital the evening of September 25. This tour is a part of a program planned by Mrs. Ruth Bonney, R.N. Inter-Prex Education Director, to acquaint children in the Avon Park area with life behind hospital walls. The evening activities begin at 7 P.M. with a story by Mrs. Marjorie Cook of Medical Records about Suze's visit to a hospital and the good time she had while there. After the story, the children are taken first to the

Admitting Office where each child is given an identification band for his arm. The next stop is at the Nurses Station where M&M "pills" are prescribed before continuing on to the Emergency Room where a Band-Aid is applied to the "injured areas." The highlight of the evening is always the ride on the elevator which deposits the group again at the North Lobby where rides are taken by all on the stretcher and in wheelchairs. The evening ends with refreshments similar to those received during a real hospitalization and a Walker Memorial Hospital balloon to take home as a souvenir. The children of Mrs. Ellis' classroom from the Avon Park Elementary School were the guests of this month's "Get Acquainted" Party, and throughout the 1968-69 school year, it is the plan to include the first graders in the other classrooms of this school as well as first graders from Hopewell Elementary School and Highland Lakes Junior Academy.

Charles Morgan Is New County Engineer

Highlands County's first engineer, administrator will be Charles V. Morgan, engineer for the county of Sarasota, who was announced Tuesday as the choice of Highlands County Commissioners.

The post, a new one, paying \$18,640 a year, will be activated October 26 when Morgan takes over. This will be the highest paying non-elective job in the county.

Commissioners for some weeks have been seeking just the right man for the post and the decision they announced Tuesday was a unanimous one.

Phillips-Elkhill Wedding Sept. 28

Mrs. Jewel Etta Mae Phillips of Lake Wales, became the bride of Rudy Elkhill in a singlering ceremony performed Saturday evening, Sept. 28 by Judge Mervin Rehner in the Rehner home.

The bride wore a navy blue ensemble with black satin accessories. The couple were attended by Mr. and Mrs. Rene Davis.

Mr. Elkhill is Supervisor of Hood's Dairy. They will reside in Avon Park.

Episcopal Wm. To Sponsor Rummage Sale

The Episcopal Church Women will sponsor a three-day rummage sale, to be held in the parish house of the Church of the Redeemer, corner of Verona and Pines at St., starting October 3 through Saturday, Oct. 5. The sale will open at 1 P.M. to 5 P.M. Thursday, Oct. 3, 7:30 A.M. to 1 P.M., Oct. 4, 7:30 A.M. to 1 P.M., Oct. 5. Mrs. Rena Smith is chairman of the event, she has a large selection of clothing, toys, dishes, household items, books, etc. A number of Holy gains await the lucky customers.

The Lakeland Deaconry meeting to be held at Camp Wingmann, will be hosted by the Episcopal Church Women of Avon Park. Mrs. John Wright is chairman in charge of registration. Reba Turner is chairman of the coffee hour and luncheon. Charge for lunch is \$1.50. Registration at 9 A.M. Communion at 10 A.M. followed by meeting. Lunch at 12 noon. Meeting ends at 2 P.M. Members meeting ends at 2 P.M. The regular E.C.W. meeting will be held on October 10th next meeting, Wednesday, Nov. 13 at the mid-week communion.

Annual Fall 'Deanery Day' at Camp Wingmann

The Annual Fall 'Deanery Day' for 14 Episcopal Churchwomen of the Lakeland Deanery will begin at Camp Wingmann's Conference Center next Monday at 9 A.M. to 10 A.M. registration. The ladies of the Church of the Redeemer in Avon Park are the host. The Holy Eucharist will be celebrated at 10 A.M. by the Rector, the Rev. John L. Knapp in the Conference Center Chapel assisted by neighboring clergy. After the service and coffee break, the ladies will be divided into interest groups for buzz sessions at the Conference Center.

Luncheon will be served in the camp mess hall at 12:30 P.M. with the summer and final reports at the luncheon tables. Mrs. Lena Wright of Avon Park is chairman of the luncheon, and reservations should be sent to her. Delegations from Lakeland, Bartow, Mulberry, Plant City, Auburndale, Lake Wales, Fort Meade, Wauchula, Sebring, Lake Placid, and Avon Park are expected as well as Diocesan leaders. Mrs. Donald Rogers of Fort Meade is the Deanery Directress for the Episcopal Church women. Many clergymen are expected.

Also scheduled for Camp Wingmann October 11-13 is the Annual Fall J. Rally of the Episcopal Young Churchmen, grades 7-9. Redeemer expects to be represented at the convention which will draw young people from all over the diocese of South Florida, from Ocala to Key West. Some outstanding leaders are going to be on hand. Reservations must be made with the rector in advance.

Science Church Sunday Lesson

"Unreality" is the subject of the Bible lesson-sermon in Christian Science Churches this week. The Golden Text, from the Gospel of John, is "Judge not according to the appearance, but judge righteous judgment." Among related passages to be read from the interdenominational textbook, Science and Health with key to the scriptures by Mary Baker Eddy, it is the following: "Human thoughts have their degrees of comparison. Some thoughts are better than others. A belief in truth is better than a belief in error, but no mortal testimony is founded on the divine rock. Mortal testimony can be shaken. Until belief becomes faith and faith becomes spiritual understanding, human thought has little relation to the actual divine." All are welcome.

LUTHERAN WOMEN TO MEET
The Lutheran Women from Resurrection Lutheran Church will hold their regular meeting at the home of Mrs. George Marsh, 338 East Pine Street, Wednesday, Oct. 9, at 1 P.M. Regular meetings are held the second Wednesday of each month. Members and guests are urged to attend.

Brother Of Avon Park Resident Killed

John A. Brojek, 21, a freshman student of Edgewood State College, was killed early Monday in a one car accident, when his car struck a utility pole. Brojek was alone at the time of the accident which occurred just North of Waterford. A graduate of Strong Vincent High School, he had been employed at the Erie City from Works and served with the Marine Corps two years until his discharge in May of this year as a lance corporal. He was stationed at 29 Palm, Calif.

Surviving are his parents, Chester and Verle Stewart Brojek, two sisters, Melinda and Susan Brojek, a brother, Chester Brojek, Jr., of Avon Park; his maternal grandparents, Mr. and Mrs. Leon Stewart of Avon Park; several aunts, uncles and cousins.

Funeral services were held Thursday morning 9:30 A.M. followed by a Requiem High Mass at St. Stephen Church with burial in Calvary Cemetery. Military graveside services were conducted by the U.S. Marine Corps 4th Truck Co.

Marshall Funeral Home in charge of arrangements. Attending the funeral from Avon Park were his brother, Chester Brojek, Jr., his grandmother, Mrs. Leon Stewart and his aunt, Mrs. Lon Collier, all from Avon Park.

Amundson and Byrd reached the North Pole within a month of each other, in May, 1926.

Fellowship Baptist Church To Hold Homecoming Sunday

Fellowship Baptist Church will hold its annual homecoming Sunday with "dinner on the ground" following the morning worship service and a time of gospel singing beginning at 1:30 P.M. All past and present members of the church are invited to attend, plus the public in general, according to Pastor Harrison Crews. The church is located at 109 Thomas Street, just East of North U. S. Highway 27 in Avon Park. Work on the church's new facilities is now nearly completed, with only a few finishing touches remaining to be done. The church will host the Orange Blossom Baptist Association's annual meeting the night of October 21, and it is hoped all work will be completed by that time. During the past year Fellowship Church has more than doubled its average attendance at both Sunday school and Training Union, as well as its worship services. Church attendance now averages 21, with an average of 14 boys attending Pioneer RA's each week, seven attending Crusader RA's, and 15 enrolled in the G.A. program.

alco- topics

By PAUL C. FORAKER
Editor, Information Services

Gary L. is an alcoholic, and as such, he is different in his personality, mood, reactions, and activities from all other alcoholics. A five-year alcoholism research program at Cornell University recently concluded that "alcoholism is not a single entity or disease, but a symptom associated with several ailments or syndromes."

Yet, even though the "typical" alcoholic cannot be described precisely, the vast majority do have in common four or five personality traits. From these, a recognizable although sketchy profile of the alcoholic can be drawn.

First, Gary has a low capacity for handling tensions. Anything that creates tension, such as anger, anxiety, hostility, frustration, any of these appear to be the "Achilles heel" of the alcoholic. Gary has a low threshold for feeling rejected; he has a readiness to withdraw or become disorganized in the face of frustration and adversity; he tends to side-step troublesome situations; he makes concessions to avoid unpleasantness; he tends to delay or avoid decisions; he fears committing himself in any definite course of action.

Second, Gary has a pronounced dependency characteristic. The traits most characteristic of the alcoholic are those concurrent with infancy. The chronic alcoholic notoriously seeks to be taken care of, either by other people or by institutions.

Third, Gary often shows evidence of marked hostility toward those closest to him. Perhaps because he is so dependent, however, this hostile core is usually repressed. Some of the excessive guilt and remorse suffered by many alcoholics stems from the partial release of this hostility under the influence of liquor. They remember "murderous" dreams and hallucinations experienced during a drinking bout, or are mortally afraid of what they may have done during an alcoholic blackout.

Fourth, Gary is an egocentric characteristically. He is wrapped up in his own problems and concerns, and is largely indifferent to the needs of others. Even those who are outwardly sociable often remain emotionally separate from other people. It has been said that this egocentricity is closely akin to the primary narcissism seen in early infancy when, for the baby, recognition of his own needs and their gratification is the only reality.

Florida Alcoholic Rehabilitation Program is in business to help the 180,000 "Gary's" in the Sunshine State to point them in the direction of total sobriety and useful living.

If you'd like more information at the Program, or if you are interested in the subject of alcoholism from any angle, free literature is yours for the asking. Just write FARP's Information Services, Box 1147, Avon Park, Fla. 33825.

Honor Society Attends Dist. 8 Convention

By EMILY ROWLAND
The Avon Chapter of the National Honor Society travelled to North Fort Myers High School, Saturday, Sept. 21. The purpose was to elect officers to the District 8 Convention of the National Honor Society in which Highlands and Hardee Counties are included. Avon Park was the only school represented from both counties.

Those who attended the convention were: Patricia Miller, Marcia McDugald, Jeanne DuBoise, Emily Rowland, and David Woodard. Also, Mr. J. A. Lovelace, National Honor Society Sponsor, Mrs. Lovelace, and Mr. John Howard.

The meeting was called to order in the North Fort Myers High School library at 10 A.M. After the regular business, nominations were called for president, vice president, and secretary-treasurer.

Marcia McDugald, a senior from Avon Park, was nominated for the office of vice president. Speaking on Marcia's behalf, David Woodard acted as campaign manager giving her qualifications for the office. Although Marcia was not elected, the Avon Chapter was satisfied with the election and the fact that Avon Park had a real voice in the state policies of the National Honor Society.

Discussions were then held from 10 high schools concerning projects and privileges proposed by the members of the organizations.

The convention was very impressive and thoroughly enjoyed by the Avon Park honor students. It is hoped that the Avon Chapter of the National Honor Society will continue to attend future conventions in the interest of the school.

Avon Park Campground News

Mr. and Mrs. L. E. Dietz of near Chattanooga, Tenn., are at their home on N. Peniel Ave.

Mrs. Susie Hughes arrived at her home at 3140 S. Arco Ave. Saturday. She spent part of her time at Indian Springs Campground in Georgia.

Rev. Billie Holstein underwent surgery at West Palm Beach Tuesday of this week. Mrs. Margaret Roe continues to be a patient at Walker Memorial Hospital.

Avon Mobile Home Park News

By LUCILE McPHERSON

Mrs. Bernice Tingler who has been spending the Summer in Michigan returned Monday to her home in the Park. She reports as having a nice vacation but good to be home again.

Mr. and Mrs. Walter Coody, Mrs. Rosa Bennington and Mrs. Lucile McPherson drove to Clearwater Thursday to spend the day. They visited with Mrs. Lucie Wilson, who with Mrs. Bennington left Saturday for a two weeks vacation at Roanoke, Va.

Mrs. Olive Kerwin is moving into her new apartment in the Golden Acre Villa. We will miss Olive very much as she has been a resident of the Park a long period of time. Good luck Olive.

Word from Floyd and Edith Stevens, Allegan, Mich., informs us that they expect to be back at the Park the 26th or 28th of October. They reported nice Fall weather in Michigan, and no frost.

Mr. and Mrs. Bland Niekirk have returned home after spending the Summer in Hendersonville, N. C., and in Illinois and Indiana. They came home with a beautiful new Chrysler. Congratulations Maude and Bland.

Word from Mrs. Paul (Giny) Roth telling us that Paul is convalescing nicely from a recent operation. He will have to have a number of "check-ups" and it will be the first of December before they can leave LaPorte, Ind. for Avon Park.

Mr. and Mrs. L. E. Geib drove to Crystal Beach Wednesday to attend a joint birthday celebration. This was to honor Mrs. Geib and Ralph Mackley. After a sumptuous dinner they drove to Hazeysmoke Lake, a new development. Congratulations Gladys and Ralph.

Ruth and Larry report having a nice vacation and that the country is beautiful with all its Fall colors. They expect to return to Florida soon.

Mr. and Mrs. L. E. Geib are the proud owners of a beautiful, all electric 1960 Sun Home, mobile home. It is placed on their original lot 75, on 5th Ave. We wish them health and happiness in their new home.

Mrs. Harry Longnecker spent the weekend at Ocoee visiting her son, Don and family.

ROTARY CLUB NEWS

By GEORGE WALPER

Judge Marvin Behner spoke to the men of the Rotary Club of Avon Park on the new Highlands County Juvenile Home known as "Youth Care Home."

Of the 17 counties in the state having juvenile homes, Highlands is the first county of under 100,000 to have such an institution. Here, in an "open" home, in which visitors are welcome, children who previously may have not had home environments in which to live are given an opportunity to sense this security.

The present juvenile home was a residence which was contributed to the county for this purpose. For approximately 5 years it has housed up to 15 children at one time, ages 8 through 15. Through these years, 306 children have entered its doors for periods of one day up to one and a half years.

Food and supplies are furnished by the county. Recreation equipment and items which make for an adequate youth center, have been contributed through the generosity of community individuals.

The new juvenile home, which is rapidly becoming a reality, is located on a beautiful 5 acre tract. The total estimated cost for construction is \$60,000. Of this amount \$20,000 is now on hand and the remainder is anticipated to come from contributions and financing.

This new structure will accommodate 24 children and will contain all the needed areas for recreation, as well as living accommodations for the home parents.

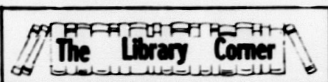

With occupancy scheduled for the first of the year, the need for furnishings are becoming more prominent. Various organizations have offered to furnish portions of the new facility. Those wishing to make contributions to the home are invited to do so. Gifts made to Youth Care, Inc., are tax deductible. Memberships are also encouraged.

As citizens in this community, we can feel justly proud of this facility. Our united investment in this program of youth rehabilitation will bring results in lives which the story of time will tell.

A JUNE PERAY NEWSPAPER

Avon Park, Fla. Oct. 3, 1968-18

Phyllis Whitney, whose most recent novel, "Hatter's Green," is also the author of "Columbella," "Seven Years of Appollo," "The Moonflower," and other intriguing mysteries. "Hatter's Green" is a modern story based in an old traditional English estate, Athmore.

The heroine, Eve North, writes, "The nightmare was one from which I could not waken. I was caught upon a chess board, a hazy scene of a game of life and death, and the green rook was hunting me. That tall rook of green black, who had it in his power to destroy the king and end the game."

She returned after three years separation from her husband, Justin North, to find all the people of Athmore had changed. She herself, at 22, had changed—perhaps, she hoped, had matured. She knew she had made many mistakes and dared to believe she can win back her husband's love. Everyone seems to be against her, even to the point of wishing her dead.

The climax is reached in the formal garden cut like a chess board with the game in progress, depending for its conclusion on the last move of the green rook and the white king.

Audubon Lecture At Hospital Oct. 10

An open invitation to a special national audubon lecture and program is being announced by the Walker Memorial Nature Club for the evening of Oct. 10 at the Highlands Lakes Academy auditorium near Lake Lillian—adjoining Walker Memorial Hospital.

It is believed to be the first such event in Highlands County and notably so because there will be no Admission Charge. Mr. Bruce Murray, field representative for the lecture department of the National Audubon Society, will present a color motion picture and narration on two subjects, "The Land of the Loon" and "Everglades: River of Grass."

Ben Ringer, president of the Walker Memorial Nature Club, states this worthwhile program will begin promptly at 7:30 P.M. and that all guests should be on hand early for good seats.

The piano likely started out as a harp of two or three strings, and when more strings were added, was called a dulcimer, a harpsichord, or a virginal. Musicians tell us that more inventive ability has been used on the piano than on any other musical instrument.

Red Devil Fullback Billy Richards Will See Action Friday Night

Senior Billy Richards, a two-year letterman with the Red Devil varsity, wears the number 20 jersey this season in the Avon Park backfield on both offense and defense.

The 155 pound back was switched from halfback to fullback this year to fill the vacancy left by Dean Lemmer in that slot.

Last season Billy scored four touchdowns for the Devils and had a 6.1 average gain per carry for the season. He was also the Devils' leading punt and kick-off return specialist averaging over 13 yards a return for some 25 times of hawling in the ball and trying to give the Devils good field position.

Probably the hardest running back on the squad this year, Billy gained 56 yards

in 17 carries for a 3.2 average against Mulberry last week. Statistics from the Lake Wales game were not available due to rain.

In addition to his fullback duties, the versatile back plays halfback or safety back on defense. He is a tough man to get by and along with Gene Landress he takes care of the deep pass defense and the secondary tackling.

In spite of the fact that he is small for the fullback position, this determined athlete is expected to make a name for himself this season with the Red Devils. He has a winning spirit and doesn't know what the word "quit" means so watch the number 20 on senior Billy Richards this season.

Paint Bodies

Many Choco Indians of Darien Province, Panama, still follow the once-universal practice of painting their entire bodies with a permanent blue dye. The dye is obtained from the edible fruit of the jagua tree.

Filppula's New Owners Ridge Bakery

Ken and Miriam Filppula are the new owners and managers of the Ridge Bakery. Open from 7 A.M. to 6 P.M. daily except Sunday. They are featuring wedding cakes and decorated birthday cakes, pies, all pastries and quick luncheons of sandwiches, salads, doughnuts and coffee. Friday is "party day" (meat pies) which are good to take out, reheated and serve hot.

Coming from Michigan, they have been residents of Avon Park for 14 years. Ken was stationed at the Bombing Range while in service and is now employed by the United Telephone Co. His wife, Miriam, was formerly employed by Avon Citrus Bank, but is now devoting her full time to baking and managing the bakery.

Nazarene Church Hold Study Course On Sun.

A study course on Christian psychology is being held in the Annex of the Nazarene Church every Sunday evening from 6 to 7 P.M.

This 12 week course for all ages is being given by a former pastor of the church, Rev. Earl Spurlock, well qualified to teach all ages. He is using the book "Story of Cerebras," by Albert Harper.

Regular Sunday evening services follow this study.
