Now, Now Mr. Ayres

We'll be voting on a new Florida State constitution November 5 and most of us probably have only a sketchy idea of what's contained in it, if that.

It's so doggone long and couched in such legal terms that it seems like too much of a task for most of us to wade through it. It's been running in its intricacy in the Sebring News. Have you read it?

State Rep. Granville Crabtree, from this district, spoke here recently, and although he agrees the new constitution lacks much, it still is better than what we've been existing under since 1885. And there are many good reasons why the average citizen should vote for it.

And now across our desk comes an analysis of the proposed constitution from the county attorney of Marion County, Willard Ayres, Ocala.

Mr. Ayres wants to keep our old constitution and he has some interesting thoughts although we don't agree with all of them. However, he does bring up some things that ring a bell. Says Ayres:

"The inevitable results of its (the Constitution) adoption will be that the lawyers of the state will have a field day for the next 20 years bringing and defending the thousands of lawsuits which will inevitably be required to obtain a judicial interpretation of all of the new language."

Of course the old one's being tested constantly by our legal folk.

And then he points out that the new Constitution provides for annual sessions of the Legislature.

"Each session always produces a tremendous flood of new laws," he pointed out. "Annual sessions would undoubtedly result in doubling this output and the annual sessions would result in greatly increased costs to the taxpayers. Annual sessions would result in professional legislators who would be highly paid full time politicians."

But then, how many business firms do you know who can operate with their bossmen getting together only every two years?

Then he attacks the proposed post of lieutenant governor as being of "no need," just a "new high political office which would obviously be used as a stepping stone to run for governor."

Yet such a plan has worked out well in other states.

Mr. Ayres has his points, but not enough to convince us.

To Hell With—

Who was it spurred his men into battle with: "To Hell with Spain, remember the Maine?" We don't recall.

But the current battle cry of our government these days could be "To Hell with the expense—remember the NAACP."

Highlands County school board is faced with the problem of completely integrating the schools at considerable expense of either building new schools or bussing children to remote schools so that Uncle Sam will be assured things are about half and half color wise. And there is a time table. It has to be done by a certain time or lose federal school money.

Integration is coming—in fact it's pretty well here, but the government has a real get tough policy that has a complete disregard for the taxpayers. Things were getting done in Highlands County at what seemed to most of us a sensible rate of speed.

And with the serious need for new buildings in the county and an electorate that doesn't want to spend the money, our school board has its hands full.

The more we see how the federal government operates, the more we wonder about the distribution of common sense among those folks.

Granted that it's the law and it's got to be done and it's going to be done, but it seems to us there should be some middle solution which would not make things so inconvenient for everybody, including the children affected.

There is an argument that with integration, standards will be raised with better teachers and facilities for the colored children and this seems only fair. But would a year or so more time to set things up than is being allowed make such a whole of a difference until things could be worked out sensibly and with more consideration for everybody?

LEWIS LLEWELLYN

If Foundations Be Destroyed . . .

When this nation was established anyone who might have predicted to propose that the Bible should not have a place of highest respect in the schools of this land would have been laughed to scorn.

"No nation in all history has ever been founded by people so zealous as the people of the United States of America," said Dr. Clarence Cranford recently in his weekly column which is copyrighted by the Division of Christian Education, National Council of Churches of Christ in the U.S.A., under the book, "The Bible in America," by P. Marion Sims, as the source of some of his material.

Laws Based on Bible

When Rev. John Cotton prepared a proposed list of laws for the governing of New England, he points out, Cotton gave a Bible reference in support of each proposed law.

Schools were established for the purpose of educating the children so that they would at least be able to read the Scriptures.

What Reaction? Could they have foreseen that on the day the reading of the Bible as a required part of the opening of the school day would be banned by court order, what would have been their reaction? Doubtless! Doubtless! Doubtless!

Perhaps we would value the Word of the Lord more highly but we do not so readily avail.

In the book, "God's Smuggler," which tells the story of a Christian missionary who has run great risks in taking the Bible to those who want to be behind the Iron Curtain, there is a record of an incident which shows how much some people hunger for the Word of God.

BABSON'S

POINT OF VIEW

Fourth Quarter Business And Financial Forecast

On the eve of the vital fourth quarter, business expansion with a strong assist from inflation is continuing. In most instances, comparisons with a year ago are favorable. The duration and extent of this expansion will depend on fiscal and monetary policy, the trend of consumer prices, the income and attitudes of consumers, and the course of our involvement in Vietnam.

For the October-December period, our Babson Forecast for the economy is moderately bullish. Careful analysis of personal factors points to more pluses than minuses, even though most of the gain over a year ago will reflect inflationary pressures.

INDUSTRIAL PRODUCTION—While digestion of heavy strike-locked inventories, a less exuberant advance in total outlays for plant and equipment, and other selected economic dislocations or setbacks will likely temper the return in the Federal Reserve Index of Production over the next three months, we feel the trend will still be up. Fourth-quarter comparisons with the 1967 period should approximate and even exceed the year-over increase over a year ago.

GROSS NATIONAL PRODUCT—The economic measuring gauge will edge higher in coming months. We are sticking to our earlier prediction that the GNP will round out the year by showing an average increase over 1967 of better than 4%. The fourth-quarter gains will provide additional stimulus for retail trade in the pre-holiday buying season.

MONEY SUPPLY AND INTEREST RATES—Failure of the tax surcharge to cool the inflationary fires—plus the unwillingness of LBJ and the Congress to slash federal spending—practically assures a powerful demand for loans of all kinds this Autumn. Once again the money managers, the Federal Reserve, are left standing alone to blunt the onslaughts of rising costs and prices. But we look for no determined action by the Fed until after elections. And any move toward curbing credit could hardly have an impact on the economy until 1969. Hence, we expect interest rates to hold around historically high levels. Any decline will be moderate. However, availability of accommodations—at a price—should present no problem for second borrowers.

CAPITAL OUTLAYS—Despite probable cutbacks from earlier expectations, business spending for new plant and equipment promises to continue expanding through the closing months of this year. Best bet is that for 1968 as a whole the increase in capital outlays versus a year earlier will be about 4%, the federal tax surcharge notwithstanding. A plus, but no strong support for the economy.

FARM PROSPECTS—A moderate but very welcome boost in farm prices has occurred in recent months. This, together with a larger volume of farm marketings and a 10% increase in government payments to farmers, augurs well for fourth-quarter results. Production except for cotton is running higher than last year. Although they are slated to top those of last year by nearly \$15 billion, they will be offset by cash receipts and government payments. Look for net realized farm income to be at least 3% above the \$14.2 billion attained last year, with income per farm possibly topping the \$5,000 figure.

FOREIGN AFFAIRS OUTLOOK—Despite heavy casualties inflicted this Summer on the North Viet and the Viet Cong, their resolve to fight on appears strong. The odds favor no immediate easing, but President Johnson will certainly push for agreement with Hanoi calling for mutual de-escalation or perhaps even a cease-fire should certainly not be ruled out. But even if peace—should come, cutbacks in military spending would be slow to follow. The Czechoslovak occupation by Russia, the increasingly hostile attitudes of Israel and Arabs, and our commitments in other areas dictate a continued firm U.S. military posture and continued high defense expenditures.

IMPACT OF TAX SURCHARGE—So far, the braking effect upon the economy of the 10% federal tax surcharge has been but faintly discernible. Inflation predominates, unleashed by the upsurge of wages and prices, a still rising money supply, and expanding total government expenditures. During the coming three months the impact of the tax surcharge on business will be more noticeable, though it will vary depending upon size of income and other considerations, including the ratio of debt to assets. At any rate, the tax surcharge will do no more than slow the advance in business during the October-December period.

EMPLOYMENT, WAGES, AND PRICES—Currently, the number of employed in the nation tops the year-ago figure by

1.3 million, and only about 3% of the labor force is unemployed. For the final three months of the year, we are forecasting at least a normal seasonal rise in employment, and we predict that unemployment will be somewhat further down-sized, trend moderately higher, but the outlook for the year is bright.

CONSUMER INCOME AND PURCHASING POWER—Among the most stable factors of general business (especially as it affects retailers) is the continued smart uptrend in total personal income. This, together with the stable forward momentum of the economy, Personal income rose \$5.5 billion in July to a seasonally adjusted annual rate of \$68.2 billion—a boost of 9.4% in a year. Preliminary appraisal suggests that gains over such deficits as broken-down and outdated machinery, unpaid bills, unmet needs and in equities in our tax structure.

These things I have found through research on city records.

Now that we have elected these men who take from their businesses and might their precious leisure time to attempt to run the city as you and I expect them to, we should stand behind their decisions. And so that they can make their decisions, we must attend the council meetings and make known our wants and needs.

Letters To The Editor

Editor

I have had enough—and feel compelled to write you this protest letter about the weekly space you are giving to Bob Hanford for him to lambaste honorable citizens and also for him to campaign freely for his candidates for the city council.

He claims to know so much about running the affairs of the city, and who is qualified to do the job, that I wish to ask him why he has made such a failure of running his own private life and his own business ventures? It is not my intentions to embarrass anyone publicly, as he has tried to often to do to others, but the people who know Bob Hanford know what I am talking about. If he is so anxious to recast the Christian philosophy, why has he had to move from church to church in the city to try and find one where he is acceptable?

I have been in Avon Park nearly 40 years. I feel like I know the people and the character of the town rather than the reputation of the average place to live. The people Bob keeps trying to beat down are the ones who have made the city what it is. They have a great deal more invested here than you will ever have in the city's reputation—I wish to say, "Why don't they go back to where they came from, if they aren't satisfied with the way things are being done?"

Wm. Oldimer

Won or Lost?

Editor

Now that the race is over and I have lost, but have I won? I have had many valuable people on the right and wrong sides of the fence in the present city councilmen. We must not penalize our councilmen or their constituents for decisions made. We must not allow personal gains to warp our sense of right.

We are, as a city, providing more and more services for more and more people and the cost is rising. Sooner or later the day of reckoning will come. We cannot expect, each year, to carry over such deficits as broken-down and outdated machinery, unpaid bills, unmet needs and in equities in our tax structure.

These things I have found through research on city records.

Rambling Thoughts

By O. L. SHORE

GO TO ELECTION

I use my trenchant, battle pen to help along the cause of men and make the sad world brighter, to give all good ambitious wings, to help the poor to better things and make their burdens lighter. The page wherever my words appear is a sacred atmosphere; it is helpful and uplifting; it hands out morals by the ton, and shows the people how to shun the rocks with which they're drifting.

You say my other pages reek with filthy "cures for cancer." Impertinently, sir, you speak, and I refuse to answer.

All causes good and pure, and everything that should endure I'm always found supporting; and in my lighter moments I fly to heights of imagination, fly the soft-eyed muses court. To those who wander far astray I, like a shepherd, point the way to paths and fields Elysian; no wordy motives will my pen as I assist my fellow men to no meanness mars my vision.

You say I print too many ads, until for youths' perusal of those pills and liver pads? I gave you one refusal to argue that, so shut your flaps and cease your foolish chatter; it is beneath me to discuss a purely business matter.

I point out all the shabby tricks which now disgrace our city. (These tricks which I shame the devil; I ask the voters to place upon a higher level.) Through endless wastes of words I roam to make the fire-side and the home the nation's school; and glory, and purity's mist ring again in every effort of my pen, in every word and story.

You say my paper isn't fit for aught but toughs and muckers? That all the fathers come to it when they would flee the suckers? Your criticism takes the ums: It's surely most surprising!

X! I have to see the man who runs the foreign advertising!

"AID AND COMFORT TO THE ENEMY"

While the Chicago episode did a lot of unmeted damage to the Democrats in this country, one cannot say that it was a blow to the spirit of the public enemy. Moscow and its friends. As was planned by the originators of the riots, the "talkers on the North Vietnamese side got a kick out of the scenes of horror that were taking place in Missouri. Mike Mick, all over the world (and those in Hades) dreamed those little teen-agers waving North Vietnamese flags and throwing human manure on the police of Chicago.

Now they chief spokesman for Hanoi, opened the session the other day by saying these words to the people who really resent American sentiment: He also praised in kind words Senator McCarthy and McGovern and the remaining followers of the late Robert F. Kennedy, the patriotic American citizen who encouraged the college kids to send blood plasma to the poor, wounded Communists, brutally shot by American boys. Kuan

to read more of the history of Communist Russia and of the horrible massacres all over the world, and their belated recall, be of some value to all that tends to make life on this planet worth living.

We have to mention this, but in their forecast of what would be done at Chicago, besides terrorizing the Democratic party's deliberations, it was mentioned that there would be a vast fornication debauchery on the lake front. This is Communism at its "finest hour."

OLD FOLKS GETTING SICK OF KARL MARX

By putting two or more facts together, a bright mind like mine (ahem!) can see, and then, get enough of them to together to make one think he has one great big fact discovered. One of the values to spring it on his readers; something like Chris Columbus did when he sailed to the "New World."

The signs are not wanting that the old-line Communists group are beginning to feel like they are going to have to do something spectacular to keep their heads above water in the dump heap. Billy Graham, the well known minister of the Gospel, has recently returned from a tour of Europe and the hot-bed nations under Soviet Communism, and, in a TV program last week, he told his audience, from outlining people here and there, that the people under their dominion are led up with the spirit of Russia, and wonder which they write and twist.

Everybody, Rev. G. has a message for you. He says, "Get off the iron chains that hold them in the bondage framed up by Karl Marx, the self-appointed dictator of the world. The beat who never paid a debt he could avoid it; never took a bath from one month to another, and was a dirty stinker every way you can think of."

The old Romans declared that when the gods wanted to destroy some one, any ruler or nation, they first made them so mad and let the lunatic go on with the job. They did not know about it, knowing that the mad person could be counted on to finish the job himself sooner or later. The old Romans were right. Billy Graham told them that they wish to do anything a little different from what Moscow wants. "Commies" come swooping over the border and puts the kibosh on the people's freedom.

Right fighting for the cause of the people of Karl Marx: "You have nothing to lose but your chains." Yes, that is the truth, and it is getting more evident to the captive that they have to buy the chains from Russian factories, and they are spending money to war about it. Billy Graham told his audience that this is the attitude of the old Communists. He talked with.

"More Comfortable Than a Stretcher"

Do you have a family car? I suggest these considerations: Is it a full service operation? Do they offer the extended service such as emergency road service—pick up and delivery of your car? Do they make major or minor repairs? Have an inventory of batteries, batteries, and accessories at fair and ethical prices? Will they help you with trip plans, providing maps and assist you with routing, etc.

Do the personnel seem solicitous and genuinely interested in you and your motoring needs?

May I suggest that you stop in and get acquainted with us? There is a difference between a gas station and a service center—

FOR QUALITY PURE OIL PRODUCTS AND ACCESSORIES bring your "bride and joy" to BORDER'S PURE OIL SERVICE CENTER! It's "baby" like it was our own! 200 West Main, phone, GL 3-4154.

4A—The Avon Park Sun, Avon Park, Fla. Sept. 26, 1968

A.P. Grange Hold Meeting At Fullmer Res.

On Thursday evening, Sept. 19 Mr. and Mrs. F. H. Fullmer, of 404 Oak St. opened their home for the meeting of Avon Park Grange No. 203. Due to bad weather, only a few members were in the North, some being ill and others having guests, only a few members arrived. No business meeting was held.

A letter was read from Mrs. Henry Hunt, Jr. Secretary of Sarasota Grange announcing that the First and Second Degrees will be conferred at their next meeting on September 27. All members are invited to come and bring any candidates they may have. Sarasota Grange meets at the Odd Fellows Hall, North Washington St., Sarasota. Meeting opens at 7:30 with Degrees at 8 P.M.

A discussion was held on a desirable place for the Grange to meet, but no conclusion was reached. Refreshments were served by Mrs. Fullmer and Mrs. Thomas Supina.

The next meeting will be held at the home of the Fullmers, 404 Oak St. on Thursday evening, Oct. 3 at 8 P.M.

Brenda Johns, Grover Wheeler, Jr. Exchange Vows Saturday

The Florida Baptist Church was the scene of the impressive ceremony uniting Miss Brenda Johns in holy wedlock to Grover Cleveland Wheeler, Jr., Saturday, Sept. 21 at eight o'clock. The bride is the daughter of Mr. and Mrs. Lawrence Edward Johns of Avon Park. Mr. Wheeler is the son of Mr. and Mrs. Grover Cleveland Wheeler, Lakeland.

Mrs. Dolan Hill organized and accompanied the bride. Mrs. DeWayne Lemire, the double ring ceremony was performed by Pastor Harrison Greys. The altar was decorated with fern and lily of the valley and the white kneeling bench. Twin nine branched candelabra were arranged on each side with potted plants and two large baskets of white gladioli and white aspidistra.

Given in marriage by her father, the bride wore a formal gown of tulle and organza with a sprig of iridescent sequins and tiny seed pearls. Her cathedral length train was held in place with tiny organza bows and was also equipped with lace and seed pearls.

Her elbow length multi-tiered veil of illusion was held in place by an organza rose nestled in matching lace, seed pearls and crystals. She carried a cascade of white roses centered with a white orchid which was lifted to wear on her wedding trip.

Mrs. Gloria Hart, Avon Park served as matron of honor and wore a formal gown of green velvet fashioned in the princess lines with built-in train of matching organza. She wore a head piece of green velvet bow and matching veil of cranberry and white bouquet of cranberry daisies with autumn leaves and green streamers.

Miss Lynn Walton, maid of honor, wore a formal gown, fashioned in princess lines featuring a bodice of green velvet. Highlighting her gown was a skirt of multi-shaded green crepe. Her head piece and bouquet matched the matron's.

Trina Hill Avery served as flower girl wearing a floor length gown of gold crepe trimmed with a gold drop belt, rising in front to empire style with green velvet ribbon ending in a green velvet bow. She wore a head piece of bronze daisies.

Gray Whidden was ring bearer.

Jimmy Hart served the groom as best man. Ushers were Richard and Gary. The groom's brother, Billy Wheeler of Lakeland.

For her daughter's wedding, Mrs. Johns wore a pink ensemble, tie of sheath style skirt length dress and matching coat with heavy velvet lining. Her corsage was white carnations with pink ribbon.

The groom's mother wore a dress of peach lace over taffeta and matching shoes. Her accessories were white and she wore a corsage of white carnations.

The couple went on a short wedding trip to Silver Springs and plan to spend their honeymoon in the mountains in several weeks. The bride wore a

Federation Wm. Attend Annual Board Meeting

Mrs. Edgar Smoot and Mr. Glen Roper represented the Woman's Club of Avon Park at the Florida Federation of Women's Clubs at the 74th Annual State Board Meeting which was held September 16, 17 and 18 at the Robert Meyer Motor Inn in Orlando.

Workshops were held each day. Judge Richard M. Sauls presided at the "Moon Glow" banquet on Monday, Sept. 16. Mrs. James C. Matheny was the moderator for the Leadership and Protocol Program which preceded the adjournment.

Kindergarten Program Gets Underway Oct. 1

A pilot program in public kindergartens gets underway October 1 with centers opening at O. Douglas, Howell and Carver schools. The kindergartens, financed by a federal grant, will be open to children of migrant workers.

Each of the three centers will operate on double session and will accept 25 children. Registration for the classes begins at 9 A.M. to 4 P.M. and continues through 4 P.M.

Children may also be registered from 9 A.M. to 4 P.M. on Friday and Saturday.

Classes will begin at 8:15 A.M. Tuesday.

Teachers for the new classes will be Mrs. Bernice Safford at Carver and Mrs. Elaine Farrell at Howell.

The teachers plan to help the children prepare to enter first grade in September, 1969. To enter the kindergarten classes the children must be at least four years, nine months old now and not yet seven years old.

The parents must be migratory agricultural laborers (this includes workers who pack and process agriculture products). The parents must have moved across county or state lines at least once within the past 12 months. The parents are now in a temporary residence.

Parents who have birth certificates are urged to bring them to the time of registration. Investigations will be made to determine if the child is a migrant worker, school officials said.

Morning sessions will begin at 8:15 A.M. and conclude with lunch—about 11:30 A.M. The afternoon sessions will begin at 1:15 P.M. in time for the children to participate in the school lunch, and end at 2 P.M.

At the present time there are no plans to start kindergartens at the children, Joel Evans, coordinator for the kindergarten program, said since many of the migrant parents have to work much before eight in the morning, many of the children will be coming to the kindergartens

Avon Personals

By Happy Stum

Rev. and Mrs. Jesse F. Ray, residents of Avon Park, are finding retirement to be a full, exciting and happy. Rev. Ray served as interim pastor, First Baptist Church, Zolfo Springs the first seven months of this year. When that place of honored service was over, he and Mrs. Ray took a few days for rest and fishing at their retirement home on Lake Lotela. Then they took four weeks to visit friends, relatives, churches and various places, such as Niagara Falls, the Grand Canyons of the East on the Genesee River in western New York, and other places and sights of great interest. They are now back at their home in Avon Park and ready to be called on by a church needing their work as interim or supply pastor.

Rev. Charles Danforth attended the annual conference of the Seventh-day Adventists, churches and administrators, in Glacier View Camp, Colo., 8900 feet in the Rockies. After the meeting he met his family in Michigan, where they vacationed in Detroit, Holly and Flint together. While in Michigan he performed a wedding ceremony and spoke to two former pastors, returning from Florida, they left their daughter Susan at Southern Missionary College in Chattanooga, Tenn., where he is starting nursing training.

Mr. and Mrs. Joe Fann, Mr. and Mrs. Charlie Williams, and Mr. and Mrs. Jimmy Fann of Frostproof attended the Gator Air Force Academy game in Tampa last Saturday.

Mr. and Mrs. Edgar Smoot drove to Port Charlotte and Coral Gables over the weekend, where they visited former neighbors and friends. They drove on Alligator Alley and made the loop from the west to the east coast.

Mr. and Mrs. Leon DeLaney and family and Mr. and Mrs. Jim Heim were in Boca Grande over the weekend on a fishing trip.

Mr. and Mrs. Joe Perez were called to Tampa last Wednesday by the illness of Joe's father, Jose Perez who was taken to the hospital. His condition has improved and he is now resting in his home.

John Newton, son of Mr. and Mrs. Welch Fisher who was injured in a swimming accident a few weeks ago, continued to show improvement. He is still confined to Lakeside General Hospital.

Denny Montideo who has been in a body cast since a car accident some time ago, is reported to be improved enough that his cast will soon be removed.

Mr. and Mrs. John Lasse drove to Tampa Airport last Sunday to get Carl Wertzbar who returned from Springfield, Ill. following the funeral of his wife.

Mr. and Mrs. Harold Burke of Chicago have returned to Bonnie Bay Estates for the winter season.

Mrs. Lura Hussey of Tampa has moved her 12 x 40 Mobile Home to Bonnie Bay where she will reside permanently.

Resurrection Lutheran Church is serving coffee and cookies following the Sunday morning 9 o'clock service to promote fellowship, good will and a general social time.

A.P. Federation Garden Clubs Hold Meeting

The Avon Park Federation of Garden Clubs met in the Florida Power Lounge, Thursday, Sept. 19 for their regular meeting with the president, Mrs. Gay Decker in the chair.

After a short business session the program chairman presented the guest speaker, Mrs. Garrett Swindall of Bartow, who is chairman of the horticulture for District 9 of the State Federation.

Mrs. Swindall spoke on the use of hanging plants, having on display three lovely specimens. She passed out papers of instructions on planting and hanging plants and a list on the conservation list.

Instructions included the proper material for containers, the lining, the planting medium, steps in preparation and the care.

Plant material listed as suitable for hanging are annuals, (petunias, verbena, etc.), Aparagus, sprengerii (emerald feather) begonias, tuberous and semperpariens, bougainvillea, carissa, dwarf hybrids, clerodendrum (bleeding heart vine), chlorophytum, (spider plant), coleus, "trailing queen," spicata, ferns, fittonia, also hedera (English ivy), lantana monstera, orchids, peperomia obtusifolia, philodendron, rhipsalis, saxifraga (strawberry begonia), scindapsus, senecio, mikanoides, (German ivy), zygocactus, (Christmas cactus) zebrina (wandering Jew).

Plants were exchanged by members who are to care for these until next March when they will be on display, to show what "hanging care" can do for a plant.

A question and answer period brought out much information on the care and culture of hanging plants and the importance of learning the needs of different plants.

EDNA HENDERSON who is vacationing in Royal Oak, Mich., is shown with her son, John and Ira Shader, a winter guest visitor in Avon Park, who with other guests were enjoying dinner at the Detroit Yacht Club, Edna does the honors pouring for the guests.

Comptrollers Note Record In Spending

TALLAHASSEE—Comptroller Fred O. (Bud) Dickinson, Jr., released a summary of state finances for the 1967-68 fiscal year today noting a record \$2.68 billion in the revenue and spending and sales taxes.

Spending and sales taxes brought in the most money while counties received the lion's share of \$309,899,472, cities \$45,151,203.

"Florida government is, and has been for several years, big business. It is important for every citizen in the state to have an opportunity to see where the money came from and where each penny was spent," Dickinson said.

According to the report, a total of \$1,052,700,220 was collected during the year from taxes and fees. Also included in revenue was \$345,931,066 in aids and donations and \$22,613,964 in earnings on investments and deposits.

The sales and use tax was the state's largest revenue producer with \$337,882,686 or 34 per cent of total tax revenue. Gasoline taxes were second with \$181,848,799 or 17.2 per cent of the total, Dickinson reported.

In the disbursement column, Dickinson listed \$1,044,844,183 for operating expenses including education, highways, welfare and others.

The cost of administering state government amounted to only 1.7 per cent of total spending during the fiscal year," Dickinson said in pointing out the \$46 million general government expense.

Rehrers Entertain

Judge and Mrs. Mervin Rehner entertained 25 youths from Resurrection Lutheran Church and St. Anthonie Lutheran Church in Sebring, at their home Sunday afternoon. Rev. and Mrs. Elmer Gregg were guests.

After enjoying a general get-together, playing games, etc., they were entertained with a hamburger barbecue with all the trimmings.

They plan another get-together in Sebring next month.

Would You Believe?

Now is the time to take action to have your heating system checked over and put in good working condition before the October rush.

OES Chapter 85 Honor Member On Birthday

A covered dish supper was held in the room at Masonic Temple, September 19 by the Order of Eastern Star 85 in honor of the birthday anniversary of Wesley Lockwood who has performed many deeds of kindness for the chapter, as looking after the lawn and the building, over the past years.

It was a complete surprise to Wesley who said he is twice the age of Jack Benny. He received beautiful gifts and a birthday cake. Fifty-nine friends attended the party.

The first meeting of Leigh Chapter after summer recess will be held next Tuesday, Oct. 1 at 8 P.M.

Mrs. Toy May Futch, Worthy Matron, urges all members of Leigh Chapter and visiting members to be present.

MRS. MARIAN PETERSON DICK, volunteer worker as a pink lady at Walker Memorial Hospital receives her 2000 hour pin and a white orchid from Jerry Medanich, assistant administrator of the hospital. The presentation took place Monday night at the regular meeting of the pink ladies.

Board Working On Desegregation Plan For County

A desegregation plan for Highlands County schools—acceptable to residents of this county and the federal Department of Health, Education and Welfare—must make uniform provisions for the whole county.

And that is one of the biggest problems facing the school board members who know they have unique situations in each attendance area.

The board hopes to work out a plan which will probably have elimination of the three all-Negro schools as its basic proposal.

In Sebring E. O. Douglas School has 268 Negro students in grades one through nine. The buildings, for most part, are old and well along in their life cycle. There would be little main involved in walking away from most of the buildings—but he did. The 40 acres at E. O. Douglas is one of the largest county school sites, part of it is in groves, the lay of the land well suited to school construction.

Carver School at Highway Park has both old and new construction, and the overall condition of the school is good. The location is a handicap. Carver is in the midst of a low income all-Negro community. Any white students coming to that location would have to be bused a considerable distance. Carver now has 192 Negro students, all living within walking distance of the school.

The problem in Avon Park is

Silence Is Golden

It is better to remain silent and be thought a fool than speak and remove all doubt. This column is a calculated risk.

And there are two sides to every question. A statesman is one who can take both.

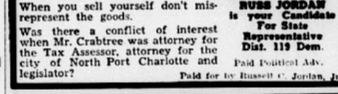

Representative Crabtree, why did you not make a statement on salaries to commission on aging?

Nothing influences a legislator like a rich client back home.

When you tell yourself don't misspell the goods.

Was there a conflict of interest when Mr. Crabtree was attorney for the county and attorney for the city of North Port Charlotte and legislator?

Science Church Sunday Service September 29

"And Abram said unto Lot, Let there be no strife: I pray thee, between thee and me and between my herdsmen, for we be brethren." This verse from the Book of Genesis is part of the Lesson-Sermon titled "reality" to be read in all Christian Science churches this Sunday.

Related passages from the denominational textbook also will be read. Among these will be the following: "Abram, Fidelity: faith in the divine life and in the eternal Principle of being" (Science and Health with Key to the Scriptures) by Mary Baker Eddy.

J. G. HARRILL, 506 W. Pine St., fishing from the bank at Josephine Creek, landed this eight pound, 10 ounce bass after it had struck his live shiner three times.

Episcopal T.V. Program

If local interest will be a series of TV programs produced by the National Episcopal Church entitled, Lamp Unto My Feet. These will be aired Sundays at 10 A.M. over Channel 13 WTVT-TV Tampa. On September 29 the program includes scenes from the opening services of the recent Lambeth Conference attended by all Anglican Bishops around the world, including our four from the Diocese of South Florida, also a press conference with the Archbishop of Canterbury and a summary by our Bishop Bayne, who will be at Camp Wiggan next month for the annual Clergy Conference of our Diocese.

On October 13 a panel discussion on Lambeth with the Bishops of Colombo, India; Sierra Leone, Africa; the Archbishop of York; and Bishop Bayne.

Also this next Sunday, Sept. 29 we call all parishioners and friends to our first covered dish supper of the season at 6 P.M. in our parish house. A very fascinating program has been planned including a sound color movie of adventure and inspiration. This will interest the young people as well as adults. Each is to bring his table service and a passing dish. Close by 8 P.M. Mrs. George Buck is in charge of the supper and Mr. G. F. Ward the program.

On Thursdays at 3:30 P.M. the rector holds classes for school youth in church instruction at his office. All welcome.

The first sedan-type (closed) auto body produced in U. S. on a production basis was used on the 1913 Hudson.

Soft On Crime?

Some people say when you pat a politician on the back his head swells. But the bigger his head gets the easier it is to fill his shoes.

Representative Cabtree why did you run away from the vote on year terms to those who carried guns in commission of crimes.

If a nation values anything more than freedom, it will lose its freedom and the irony of it is that if it is comfort or money it values more, it will lose that too—Maughan

First Baptist Church Plans For After Game

The First Baptist Church plans each year an after game fellowship social following all of the home football games. These fun and fellowship periods will begin Friday night in the social hall of the First Baptist Church immediately following the Mulberry-Avon Park game. These events include games, stunts, music, fellowship and inspiration period and refreshments. This week Million Bass and a committee of teen-agers are in charge of the fun period. Several of the ladies of the church are preparing refreshments. The inspirational period will be directed by Miss Ila Kay Gureddy.

This fellowship period is planned to include 8th grade and up students and their dates. Otis C. Strickler, Minister of Music and Education, emphasized that students of all faiths or of no faith are invited as well. Rev. Aden D. Childress is pastor of the church.

George Walper Nominee To Administrators

George W. Walper, Administrator of Walker Memorial Hospital was admitted as a New Nominee in the American College of Hospital Administrators on Sunday afternoon, September 15, at a convocation ceremony held in Convention Hall in Atlantic City, N. J.

The announcement was made by Donald W. Cordes, ACHA President and Administrator of the Iowa Methodist Hospital of Des Moines. Mr. Cordes presided at the professional society's 34th annual convocation. The ceremony marks the opening of the ACHA's annual meeting, traditionally held in conjunction with the convention of the American Hospital Association.

The ACHA is a professional society comprised of more than 7,000 of the leading hospital and health care administrative personnel in the United States and Canada.

Oldsmobile, for 1969, has simplified its medium price class lineup. All series in the '69 family divided into two categories, a vinyl top as standard will be known as Delta 88's, and will include the Delta 88 Royale. Delta 88 Royale has been increased to 124 inches.

Oldsmobile Takes On New Look In 1969

Oldsmobile for 1969 is introducing a new look in the '69's, a longer and sleeker Toronado with a major change in rear end appearance, and power train improvements designed for greater economy and performance in F-85 models.

The new '69's will be on display at I. H. Ford Motor Co., Thursday through Saturday. Among cars on display will be Oldsmobile Delta 88 and Cutlass Supreme.

Oldsmobile styling and engineering advancements, as attractive as they are, will compete for the customer's attention this year with a wide range of new safety-related product improvements, said dealer Donald Ford.

From a marketing standpoint, Olds has simplified its medium price class lineup. All cars in the '69 family are Delta 88's. These cars, with wheelbases increased to 124 inches, are the Delta 88, the Delta 88 Custom, and a newly created top-of-the-line hardtop coupe, the Delta 88 Royale. A vinyl top is standard equipment.

The new '69's, restyled, are longer looking cars with longer hood, longer rear deck and greater luggage capacity. The popular 90 luxury sedan has been expanded to two models. The 1969 Toronado, lengthened 3 1/2 inches, displays a dramatically redesigned rear end.

The new F-85 has achieved a sportier look. A special rally hood paint scheme replaces the previous side rally stripe. A-700's major engineering advancements are the expansion of many F-85 models of the power

train philosophy introduced in 1964 and results in performance and fuel economy gains. A swing tailgate, hinged to open either as a door or as a loading platform, is optional on 1969 Oldsmobile Vista Cruisers and Cutlass station wagons.

A number of significant new safety-related product improvements make their appearances as standard equipment on 1969 Oldsmobiles. Restraints will reduce possibility of whiplash injuries. Larger rear view mirrors are 12 inches wide.

Ocala Story In This Week's All Florida

Ocala and Marion County take the spotlight in All Florida Magazine next week. "Green Grass Country" touches on history, cattle, horses and agriculture. All Florida is a regular weekly supplement to The Sebring News and Avon Park Sun.

Dave Whitney's "Fabulous Four" is the story of Marion County's bid for top rating in the thoroughbred field with great racing like Needles, Carry Back, Roman Brother and the record breaking Dr. Fager. All Florida is a regular weekly supplement to The Sebring News and Avon Park Sun.

WAUCHULA, FLORIDA

MEMBER FEDERAL SAVINGS AND LOAN INSURANCE CORPORATION
WHERE YOU SAVE DOES MAKE A DIFFERENCE®

Registration Deadline October 5

If you're planning to vote for
the next President of the United
States this year—and the Flori-
da Constitution and county
state and other national officers—
you have until October 5 to
register.

That's just 16 days. Election
day is November 5, October 5 is
a Saturday, but Supervisor of
Elections Roland Drott's office
will remain open all day.

Two groups of citizens who
have failed to fulfill their resi-
dency and age requirements
can vote for president and vice
president under certain condi-
tions.

In one group are new resi-
dents who have not fulfilled the
residency requirements required
of electors at the time of the
holding of the national election,
but who have become Florida
residents and are registered
electors in the state from which
they have moved.

These new residents may vote
a special ballot for president
and vice president, but they
must do so Drott's office before
October 5 and fill out the re-
quired form.

Also, new residents who by
reason of age alone were not
eligible to register in the state
in which they resided prior to
their becoming a resident of the
State of Florida, may vote a
special ballot for president and
vice president if they have
reached the age of 21 years.

They can vote until Monday,
Nov. 4, at 5 P.M., by going to
Drott's office between now and
October 5 and filling out the re-
quired forms.

Drott again urged voters to be
sure and check to see if they are
registered because about 1,300
names of voters who had not
voted for two years were re-
cently purged from the books.

Secretary of State Tom Adams
has estimated that there are
over 2,000 voters in this county
who are eligible to vote who are
not registered.

BARBECUE & JACKPOT DAY
The River Riders Club of Ft.
Meade plans a J. Eckpot Day and
barbecue to be held Saturday,
getting underway at 4 P.M. at
their arena just South of Ft.
Meade on Highway 17. Home-
made barbecue will be pre-
pared on the arena grounds and
will be served from 5 P.M. on.
The public is invited.

A mound-builder's grave in
Florida recently yielded a skele-
ton of a 7½ foot tall man.
(Desoto and Narvarez often
mention very tall people in this
area, in the early 1900's).

CITIZENS WHO MET at City Hall
to formulate plans for proclaiming
October "Beautification Month."—
Left to right, Rev. C. M. Fogle,
Church of God, member of bi-racial
committee; Mrs. George Kelsey,
member of Ithicus Circle, Garden

Club; Milton Howard, Chairman
Streets and Sanitation; Mrs. Murray
Wilson, member Business Women;
George Haynie, Chairman of Public
and Business Affairs, Kiwanis; Mrs.
Robert Barben, Founders Circle, not
pictured.

October To Be Beautification Month

September was proclaimed
"clean up month" and very
successful with much litter
and debris being cleared
away from unsightly places.
Litter has been kept under
control on Main St. with the
installation of litter bins.

With the advent of October,
it is now time to think of
beautifying our fair city and
mail. So October will be
beautification month. City
Clerk Malcolm Crews, will
ask every club to appoint a
member who will help pre-
pare a master plan and be-
come a beautification com-
mittee.

Mrs. George Kelsey, rep-
resenting the Ithicus Circle of
the Garden Club; Mrs.
Robert Barben, Founders
Circle; George Haynie, chair-
man of Public and Business
Affairs; Milton Howard,
chairman of Streets and Sanitation;
Hazel Wilson, Busi-
ness Women's Club and Rev.
C. M. Fogle, Church of God,
member of bi-racial com-
mittee, met in the City Hall to
plan for this drive.

Any site that needs mow-
ing or debris to be hauled
away, old cars and such,
should contact one of the
above people giving the ad-
dress of the place to be
cleared.

May Avon Park be clean
and beautiful, eye appealing
to winter guests and tourists.

Three Named To Draw Desegregation

A three man committee—
Superintendent George F. Doug-
lass, Attorney Frank Bryant and
Board Chairman Henry Bailey—
has been named to make pre-
liminary drafts of a new school
desegregation plan.

The plan will be studied by
the entire school board at its
October 10 meeting. The com-
mittee to draft a plan was named
at a special meeting last week
when the school board voted to
seek the federal Department of
Health, Education and Welfare
approval for a new approach to
school desegregation in High-
lands County.

School Attorney Bryant had
recommended preparation of a
new plan which would, hope-
fully, get to Washington before
a formal hearing in October.
The Highlands County schools
are facing loss of federal funds
because the desegregation plan
now in force will not eliminate
segregated schools by the be-
ginning of the 1969-70 school
year.

At the special meeting on
September 10 the school board
named Mrs. Agnes Jones to the
Fred Wild School faculty. She
replaces James E. White who
resigned to accept a full-time
pastorate.

William Allen was granted an
on-call contract at E. O. Doug-
lass School. Mrs. Juanita Ed-
wards was named head cook for
DeVisto City School lunchroom.

Guy Willard was named sub-
stitute bus driver, and Sam
Keen was appointed driver for
the students being transported
from Sebring and Avon Park
High Schools to the area voca-
tional school at South Florida
Junior College.

Weich Scientific Co. was
awarded the bid for a micro-
scope. The bid of \$1,620 was not
the lowest submitted but lower
ones did not meet specifications,
Purchasing Agent Garland Bog-
us explained.

The have has money; the
have-nots have everything credit
will buy

Red Devil "B" Squad Will Open Season In Fort Meade

The Avon Park "B" squad
football team will open its
seven game schedule tonight,
(Thursday) in Fort Meade
against the Miner junior
varsity starting at 7:30
o'clock. The Devil "Bee" are
coached this season by De-
Wayne Lemler and Paul
Roberts.

The 26 man squad has
been working out since be-
fore school started but has
just firmed up the past two
weeks after the varsity squad
cut younger boys after the
scrap scrimmage two weeks
ago. Fighting for a starting
position in the backfield are
halfback candidates Thad
Tate, Eddie Ezell, Keith
Richards, Freddy Jahna, and
Steve Hancock. Walter Nun-
malie is trying for the full-
back job along with some of
the halfbacks and Winkie
Hall, Steve Hancock, and
Steve Jarvis Hart are all
getting some experience in
the quarterback slot.

On the line Donny De-
Laney seems to have an edge
on the center position with
Julian Kendrick practicing
in that position as well as at
guard. Other guard prospects
are David Barnes, Alonzo
Johnson, Winston Smith, and
Mike Talley. At tackle are

Mike Archer, Greg Albritton,
Tim Shields, Jack Bennett,
Tom Vanderbilt and Johnny
Lee Edwards. Working out
at the end positions are Joe
Franza, Tom Culbertson,
Randy Johnson, Steve Jarvis
Hart, Jim Magenheimer,
Mike Rihner, and Hershell
Haywood. Newcomer Robin
Johnson will be looked at in
some line position while he
is becoming eligible.

Coach Lemler is hopeful
that the squad which is light
this season will make up in
desire and spirit what it
lacks in size and weight. Last
year's "B" squad set a 3-3-1
record and the Fort Devils
are determined to better
that mark this season.

Cheerleaders for the junior
varsity team this year are:
Joyce Strickler, Patty Tum-
bull, Kathy Kirkland, Susan
Franza, Laurie Birch, Joanie
Young, Cindy DuBoise, and
Celia Elder.

Next Thursday night, Oct.
2, the Devil junior varsity
plays in Arcadia and then
opens at home on October
10 against Sebring. The re-
mainder of the schedule:
October 17, Haines City,
home; October 24, Ft. Meade,
home; October 31, Arcadia,
home; Nov. 7, Sebring, away.

Scottish Rite Ladies Night Oct. 2

All Scottish Rite Masons of
Peace Ridge Scottish Rite Club
are reminded that the 1968-69
meetings start with Ladies Night
at 7 P.M., Wednesday, Oct. 2.
This is a dinner meeting, and
reservations may be made with

Barringer's Restaurant, (Em-
ery Griffin's) in Avon Park.
All Scottish Rite Masons and
wives are invited to attend.
Phone or mail reservations by
October 1.

Winter Guest Club News

Shuffling

Shuffling in the summer seems to be the main recreation of club members, for in the evenings there are always four or five courts in play.

On Wednesday evening there were six and a half courts in play. Winners in the main event were Charles Romilly and Chris Cabezas over Doc McAlexander and Duke Christensen. Ota Gibson and Charles Fensterman won in consolation, with Charles Brush and Henry Herdick the runners-up.

Winners on Saturday were Kate McAlexander and Charles Romilly over Blaine Kerr and Clay Kall. Consolation winners were Grace Romilly and Duke Christensen with Herb Shauger and Harry Gibson the runners-up.

Cand Games

Lura Pickell had the highest score in pinocle on Monday afternoon with 759. Ann Junk came in second with 695. Three tables were in play.

Dance

Quite a few folks were at the dance Friday evening, but quite two squares, but many round dancers. And a good time was had by all.

News Exchange

Edith Stevens wrote that her twin brother Ernest Thomas, had been in the hospital in Howell, Mich. for they expect to come to Avon Park in the middle of October. They brought their home here from Art Jordan.

Floyd and Edith Stevens expect to be here the end of October, after visiting their daughter in Louisiana. The George Mills of Caledonia, Vt. in the Green Mts. say they share their garden with the animals. Rabbits eat the corn. The deer eat the peas beans, but leave the green ones for the Mills. Between the groundhogs and the robins the Mills don't have many blueberries. They will be returning to Avon Park as soon as the autumn color is at its peak, about the middle of October.

The Ralph Crockers have returned to their home in the Avon Mobile Home Park after a busy summer watching all the grandchildren in Connecticut, Ohio.

Mr. and Mrs. Wm. Stauring of St. Petersburg visited Mr. and Mrs. James Chamberlain on Mr. Chamberlain's birthday. The Staurings and the Chamberlains were neighbors in Schenectady, N. Y. for many years.

Audra Cole in Cambridge City, Ohio, writes how much she enjoys reading the Sun about her friends in Avon Park. She misses them and wishes she could come south in the winter.

INSURANCE WOMEN

The Florida Association of Insurance Women will hold its 12th annual convention at the Holiday Inn, Palm Beach, Sept. 27-28 with Rep. Joseph Humphrey, R-Boynton Beach, as guest speaker.

INVITATION TO BID

The City of Avon Park, Florida, will receive sealed bids for the new Jacobsen Greene Mower with the following specifications:

10 H.P. 2 cycle engine, solid state ignition system, 3 inch reel with 9 steel blades, 22 inch cut, drive fully engaged unit, running in oil, heavy-duty chain and planetary gear drive, heavy duty axle, fixed main drive clutch, cutting height from 1/4 inch to 1 1/4 inch with grass catcher.

Bids will be received until 5:00 P.M. Monday, October 14, 1968, at City Hall. The City reserves the right to accept or reject any or all bids.

New 1969 Ford To Be Shown At Avon Park Motors

Ford passenger cars for 1969 are highlighted by all-new Ford and Mustang lines, new performance-oriented Mach 1 and Cobra models, a luxury Mustang Grande, new engines and more comfort and convenience across the board.

Our 1969 Ford is an all new car from the completely redesigned body to the interior. Better idea of a light cockpit instrument panel," said Vernon Lanier of Avon Park Motor Co. The Ford line will debut Friday and Saturday of this week with refreshments and door prizes.

Those attending the showing—and the public is invited—will see Ford, Galaxie, LTD, Fairlane, Fairlane Cobra, Fairlane GT, Falcon Futura, Mustang, Mustang GT, Mustang Mach 1, trucks and others. Lanier said "Mustang for 1969 introduces two new models—the hot performance Mach 1 and the luxury car with sports car handling, the Grande. The Fairlane lineup introduces a new series, the performance-oriented Cobra.

A new grille and a new tail lamp design highlight the 1969 Thunderbird modifications. The Falcon, Ford's economical family car, includes an optional 200-horsepower engine."

Ford has 21 models with lower and longer exteriors and a wider stance for better handling, new instrument panel, new engine options, and an energy-absorbing frame.

Fairlane's 16 models include Fairlane, Fairlane 500, Torino, Torino GT and the hot new one-Cobra.

Thunderbird has major ornamentation changes and engineering improvements and a new option is an electrically-powered sun roof with a "headlight" on warning light.

There are seven Falcon models, offering more hip and shoulder room than many competitive models.

Thunderbird's "Unique in All the World" image is enhanced for 1969 with design and engineering improvements and new options. Two-door Landau models (above) feature a more formal roof line with wide pillars replacing the rear quarter windows. Highlight of the 1969 options is the electrically-powered sun roof (below). Available on Landau models, the sun roof is opened and closed by the flick of a switch on the roof console.

Faye Gordon Will Attend Meeting

The Florida Home Economists-In-Business will be the luncheon guests of Florida Power and Light Company of Sarasota at their fall meeting to be held in Sarasota on September 28 at the Statler-Hilton Inn on Lido Beach.

Mrs. Florence Gilmore, Director, Public Relations, Ringling Museum, Sarasota, will be the guest speaker.

Those attending from this area will be Miss Faye Gordon, Home Service Adviser for Florida Power Corporation.

The Avon Park Sun

A JOHN PERTT NEWSPAPER

Avon Park, Fla., Sept. 26, 1968-18

True Grit written by Charles Portis is one of the latest Library Guild presentations, a book to be enjoyed by the young adult and adult members of the family. A somewhat different version has already appeared in The Saturday Evening Post.

Simon and Schuster, the publishers of this short story say of it "with its excitement, its aliveness, its comic sympathy and originality. True Grit sweeps the reader up and gallops him off into a classic American adventure in a classic American landscape, freshly and brilliantly perceived."

The action—and what action—begins on page 1. "Matie Ross, a 14-year-old girl from Dardenelle, Ark, sets out in the winter of 1959 to avenge her daddy who has been killed by a no-good drunken outlaw. Since Mat-

tie would not ride into the Indian territory alone, she convinces a one-eyed Rooster Cogburn, the meanest available U.S. marshal, to go along with her to help. Her indomitable vitality and harsh innocence by turns amuse and touch the reader. What happens to Rooster, Matie, and the gang of outlaws rings with the dramatic richness of legend.

1969 Mustang.
All new, all over 5 great models. More engines than ever.

They're like no Mustangs you've ever seen before! Longer. Wider. Roomier. Front and back. And far, far sportier. Take the new Mustang Mach 1. Or luxurious Grande. Choose hardtop, sport-roof or convertible. Then dip into a long list of options and design your Mustang.

1969 Torino.
The winner's back for more... with two hot new Cobras to boot!

Torino for 69 comes on just as hot as the luxury as you please. Engines range all the way up to a 428 cu. in. Cobra Jet. Ram-Air V-8. For Torino sport with extra savings added, choose from eight new '69 Fairlanes. See all 52 of the new '69 Fords today.

1969 Ford.
Longer. Wider. Quieter. And alone in its class.

For 1969 Ford's goes as wide as Cadillac. Smooths your ride with a longer wheelbase than Chevrolet. Has more front headroom and legroom than a Chrysler Imperial. The 49 Ford LTD is designed to ride even quieter than the LTD that rode quieter than Rolls Royce.

The place you've got to go to see what's going on—Your Ford Dealer.

Legion Auxiliary Celebrates 50th Anniversary

Mrs. Joseph (Ellouise) Kuhn, department president of Florida, from Plant City, was the guest speaker at the

American Legion Auxiliary. 50th anniversary celebration held Monday, Sept. 23 at the Legion home on W. Bell St.

The planned dinner was served from long tables covered with white, arranged with pathways of Florida

greenery mingled with gold permanent flowers and gold candelabra and candles. Stars holding the guest speakers picture were set in large gold and given as favors. Golden palm leaves were used throughout with a large gold 50 back of the podium. The anniversary theme will be used throughout the year.

Rena Smith, president of Auxiliary 69 opened the meeting with singing the Star Spangled Banner and the Pledge of Allegiance. She then introduced past department president, Mrs. John Arnold, who was chairman of the event and introduced the dignitaries. Rena gave the welcome address with response by Mrs. Ruth Parrell, past department president of Sebring.

Mrs. Kuhn spoke on the troubles in Vietnam and the world, the improvement in benefits for veterans since World War I and the programs for the auxiliary units for the year. Scholarships were stressed which are out-right gifts to those who qualify and the importance of poppy sales.

Betty Ray Roberts, president of the Lake Placid Unit presented the speaker with a United States Bond. Greetings were given by Mrs. Robert O'Callaghan, 8 District President of Fort Myers. Mamie Arnold, Clara Tepert and Viola Vorisek were dinner chairman.

Legion and Aux. Donate Curtains To Sunland

The Highlands Post 69 American Legion has contributed sufficient funds for four sets of curtains at Sunland Adult Center, Arcadia. This donation completes the 24 sets of curtains needed for the pilot project which the Woman's Club of Sebring is sponsoring.

"We are pleased to cooperate with the Woman's Club in making the cottage more livable for these retarded people," states Phil Briggs, Commander of Post 69.

"We realize that these are people from Highlands County. They are, continued Commander Briggs, members of families who are our neighbors, friends and comrades.

"For the past ten years we of the American Legion and Auxiliary have sponsored parties at both the Carlton and Deer Fields when it was all under the supervision of the Department of Mental Health. This, said Commander Briggs, is just one of the many services that we of the American Legion and the Auxiliary provide for the community and the veterans.

Thomas Attends Florida Southern

Eugene Thomas of Avon Park is a member of this year's freshman class at Florida Southern College. A graduate of Avon Park High School, he plans to major in industrial arts. He lives at 2707 French Ave.

Methodist-related, Florida Southern is a four-year, co-educational college of liberal arts and sciences with an enrollment of 1500 students. Founded in 1885, it is the state's oldest private college.

The Bible Speaks To You On Radio

Many businessmen fear making a wrong decision in their work. But goals based on an understanding of God lead to right decisions. Listen Sunday, Sept. 25, 9 A.M. WJCM to "Making Right Decisions On The Job."

curtains and throw pillows which were donated to Sunland Home in Arcadia by the American Legion and Auxiliary.

Introducing the new Lincoln-Mercury cars.
Three different cars you've never seen before, for people who have never been in our showroom before.

New Marquis. The most dramatically styled car since the Continental Mark III.

You won't see a medium-priced car like this in any other showroom. Marquis has a dramatic elegance, a majestic beauty that only the creators of the Continental Mark III could make. With this styling and the surprising price, you have no excuse to settle for a dull little car.

New Marauder X-100. Now you don't have to sacrifice comfort if you want a sporty road car.

A full-size road car with more thrills per inch than anything that has ever been in our showroom. You get a choice of bench, Twin-Comfort, or bucket seats; styled aluminum wheels, a horn that blows by squeezing the steering wheel rim, a 429-cu. in., 4-barrel V-8 and rakish fender skirts—all standard.

New American Cougar with a continental accent.

Cougar owners will tell you how much fun they are to drive. That hasn't changed. But the looks have. Compare it to the foreign sports cars. Anything the Europeans can do we can do better. Cougar is now available as a convertible. And Cougar continues to be the best-equipped luxury sports car in its class. A big 351-cubic inch V-8 is standard. So are concealed headlamps, sequential rear turn signals and bucket seats.

Joan D. Jackson, Sgt. Gholston To Exchange Vows November 2

Mr. and Mrs. Charles Marion Jackson announce the engagement and approaching marriage of their daughter, Joan Delores Jackson to Sgt. George Richard Gholston, Jr. of St. Louis, Mo.

The bride-elect is a graduate of Avon Park High School, Class of 1968, and is now employed with the United Telephone Co.

Sgt. Gholston graduated from the Soldan High School in St. Louis and is presently stationed at the Avon Park Bombing Range.

The wedding will take place on Saturday, Nov. 2 at St. Mark Baptist Church of Avon Park.

Cravey Opens Rug Cleaning Business

James M. Cravey, newly retired from the Merchant Marines has established a new rug cleaning service for Highlands County which he owns and will operate.

This new method not only deep-cleans but dry-suds the carpet, your carpet is hardly damp, no danger of mildew and no harm to the sizing.

Cravey was a graduate of Avon Park High School, born and raised here. He has his home on Lake Angelo where he resides with his wife Vernell and daughter Patricia. They have two married children, daughter Linda Coleman and son, James M. Cravey, Jr. and two grandchildren.

Appointments may be made during regular business hours GL 3-3033, estimates will be gladly given for any type of rug cleaning for homes or churches.

A recent survey showed that city dwellers buy 34% of the cars, suburbanites some 36%, and rural families, 15%. Some towns account for remaining 25%.

Eighth Annual Punt, Pass And Kick To Be Held October 14

Boys age 8 through 13 in the Avon Park area can begin registering for the eighth annual Punt, Pass & Kick Competition on Tuesday, Sept. 3 with trophies and trips awarded. Football-minded youths for skills in punting, passing and kicking.

Headquarters for registration in Avon Park is Avon Park Motor Co., Avon Park, where entries will be accepted from September 3 through October 4. Entrants must be accompanied by a parent or guardian. There is no charge as the entire competition is absolutely free to all entrants and all equipment such as footballs and kicking tees are provided. No body contact is involved in PPAK competition.

When they register, boys receive a free booklet of competition tips written by Green Bay's star punter, Bart Starr, the Atlanta Falcon's punting specialist, Billy Lothridge, and St. Louis Cardinal's kicking leader, Jim Bakken. The booklet includes exercises for better physical fitness oriented to boys of PPAK's competition ages.

In addition to the booklet each registrant receives an attractive PPAK lapel pin.

The basic principle of PPAK underlines fairness in competition to give every boy an equal chance to win, pitting contestants only against those their own age. Points are awarded for each foot of distance the ball travels on the fly, with points subtracted for each foot the ball lands to right or left of center line.

Eighteen handsome trophies will be awarded locally by Avon Park Motor Co. Gold trophies to first place finishers, silver to second and bronze to third, with first place winners going on for further competition in Zone contests.

Winners of Zone competitions will receive trophies and numerous awards certificates. Zone winners move to District competitions where 216 District champions will be awarded trophies and go on to compete for Area championships. Area champs travel to division events in NFL stadiums in St. Louis or Atlanta where 12 finalists are chosen—six from the NFL Eastern division and six from the NFL Western division. Winners are accompanied by their fathers to all Area and Division competitions.

The 12 Division winners go, with both parents, to the Orange Bowl in Miami, Florida, for the National Finals during the annual NFL Play-Off Game. Then all 12 National finalists and their parents will go on a "Tour of Champions" to Washington, D.C.

The Punt, Pass and Kick Competition is sponsored nationally by Ford Dealers and the National Football League. Co-sponsors in Avon Park are Avon Park Motor Co. and Avon Park Schools. Registrations continue through October 4 at Avon Park Motor Co., Avon Park, for all boys 8 through 13 years of age.

Bill Knapp Completes Indoctrination

Midshipman Fourth Class William L. Knapp, 18, son of Mr. and Mrs. John L. Knapp of 20 E. Pleasant St., Avon Park, has completed his initial phase of Midshipmen indoctrination at the U. S. Naval Academy in Annapolis, Md.

During the 10 weeks of Summer training he and other "Plebes" were introduced to and met the standards of discipline, conduct and performance required of Midshipmen.

He spent hours on the drill field, days on the rifle range and more hours sailing in the academy's 26-foot sailboats.

The Summer training period came to an end with a Parent's Open House Weekend when the Midshipmen's parents visited the academy and were able to observe the progress made by their sons.

With the Summer over and the upper classmen returning to Annapolis, the emphasis now shifts to academic subjects and integration into the 4,000-man Brigade of Midshipmen.

BUSINESS ZONES
Sales Tax collections in Highlands County for August, 1968, totaled \$101,678.26 as compared to \$65,047.79 in August 1967, an 81.25 per cent increase, recommended increased sales of merchandise in the county. Sales tax collections for July of 1968 were \$106,217.63.

The Avon Park Sun, Avon Park, Fla., Sept. 26, 1968

Mary McLeod Dies Friday

Mrs. Mary E. McLeod, 50, died Friday, Sept. 20. She came to Avon Park eight years ago from Miami. She was a Catholic.

Survivors include her husband, Larry McLeod; two brothers, Edward McCallion of Philadelphia, Pa., and Frank McCallion of Miami.

Funeral services were held Monday, Sept. 23 9 A.M. at the Scott-Stephenson-Smith Funeral Home with Father Armand Gregoire officiating. She was laid to rest in Bougainvillea Cemetery, Scott-Stephenson-Smith Funeral Home in charge of arrangements.

BIRTHS

Walker Memorial Hospital
Mr. and Mrs. Ernest W. Smith of Avon Park, are parents of a daughter, Michelle Renee, born September 13. Birth weight was six pounds, 11 ounces.

Mr. and Mrs. Ernest W. Smith of Avon Park, are parents of a daughter, Geraldine Narette, born September 14. Birth weight was seven pounds, eight ounces.

MATING SEASON IS HERE FOR TERMITES!

Yes, it's time for termites to fly out for their annual mating. These flying insects you see flying around or in your home or business could be warning termites coming out to choose a mate, after which they will return to the ground to lay eggs and start new colonies of worker termites. Some termite queens lay up to 75,000 eggs per day. To find out if you have termites before costly repairs are necessary, call

FOR FREE INSPECTION

Avon Park Ext. Homemakers Hold Meeting

The Avon Park Extension Homemakers Club held their regular monthly meeting Tuesday, Sept. 17 at the home of Mrs. Josie Heritage with 5 members present.

Mrs. Olga Bridges, president, presided and the devotions were in charge of Mrs. Heritage. This being Constitution Week she also gave readings about our Flag and Constitution.

This was the first meeting of the fall season and reports were read of the summer meetings. Plans were formulated for the coming months. Next meeting will be held October 15 at the home of Mrs. Bessie Johnson. Due to the resignation of Mrs. Imogene Rittenburg, they hope to have the new agent of Highlands County attend the meeting.

A delicious luncheon was served by the hostess.

Insect damage in U.S. usually nullifies the work of about a million workers.

FUTURE FARMER OFFICERS of America and their advisor, W. H. Powers, will attend the annual District VIII Future Farmers of America Officers Leadership Training Camp to be held at Lake Byrd Lodge September 28 and 29. Over 100 officers, advisors and guests are expected to attend. State Officers from District VIII will preside over the noon meal September 28 and close with the noon meal on September

29. Officers pictured, left to right: kneeling, Don Laye, vice president; Glen Sizemore, acting president; Jerry Keadrick, treasurer. Standing: left to right, Ralph Barnes, reporter; David Barnes, sentinel; Gene Landress, secretary; Billy Richards, parliamentarian; Ronnie Fletcher, chaplain; W. H. Powers, advisor. President Denny Monte De Oka not pictured.

Avon Mobile Home Park News

Mr. and Mrs. Milton Valentine have returned to the Park after a two month visit with friends and relatives in the North. We are happy to have them back with us.

Mr. and Mrs. Ralph Crocker (Ralph and Mable) also have returned to the Park for the winter after having spent the summer in Cincinnati, Ohio.

Mr. and Mrs. Nelson Reynolds from Lancaster, Pa. have been guests in the Park this week. They will be back with us this winter in their new Mobile Home. This will be the second consecutive winter they have spent in the Park.

Mrs. Rosa Bennington and Mrs. Lucile McPherson spent last Wednesday in Lakeland. We are sorry to learn of the illness of Mrs. Ora Meyers, Ft. Wayne, Ind. and Mr. Leo Warner. The Meyers had planned on an early return to the Park, but due to Ruby's illness no definite date has been set for their return. Mrs. Warner has been in the hospital all summer up to the last three

weeks when she was returned to her home, improved. We wish both Ruby and Bertha a speedy recovery.

The residents of Avon Mobile Home Park will be surprised and delighted at all of the improvements made during the summer. We have new black-topped streets,

well kept courts, landscaped shuffle court along with many other improvements. The owners, Mr. and Mrs. Franklin Halfacre have worked very hard improving the Park for the pleasure of the residents. We would also be remiss in not expressing our thanks to Walter Cooley, who also has worked hard keeping the yards looking nice. Thanks to you "All".
Lucile McPherson

Announcing! Central Florida's New and Only Motorcycle Dealer ART TIMPERIO MOTORS

U.S. 27 South, Sebring

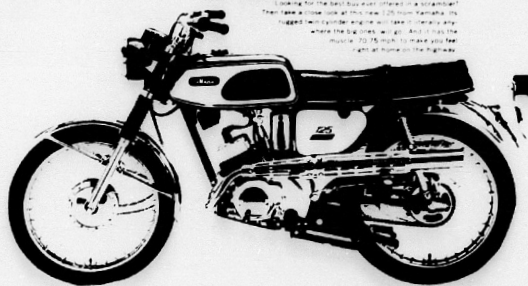

Featuring **YAMAHA** Cycles

From 66cc to 350cc, 15 new bikes to choose from.

Prices start as low as \$350. Immediate Delivery, Service and Bank Financing. See or Call EV 5-6353. Open 9:00 to 7:00, Except Sunday. Many Fine Used Cars to Choose From.

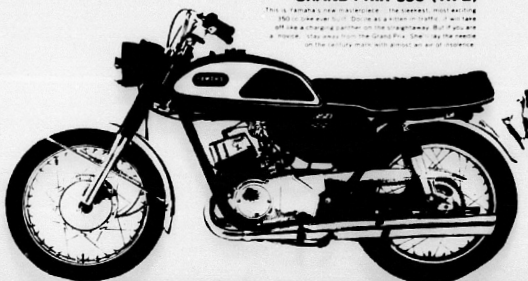

125 TWIN SCRAMBLER (YAS1-C)

Looking for the best buy ever offered in a scrambler? Then take a close look at this new 125cc twin Yamaha. Its rugged new cylinder engine will give you plenty of power where the big ones fail. And it's the only 125cc twin to make it into the highway.

GRAND PRIX 350 (YR-2)

This is Yamaha's new masterpiece. The fastest most exciting 350cc ever built. It's got an aluminum cylinder and gets you a charge partner on the highway. But it's also a beauty. Its sleek lines will make you feel like a champion on the track.

Chevrolet introduces 1969.

Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this.

Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive?

Just because competition doesn't, should we have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button?

Should we have given you less power, instead of the largest standard V8 in its field?

Some people think so. Our competitors.

'69 Caprice Coupe

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new".

The Hugger. And just look how it all hangs together. No gingerbread anywhere.

We've improved the interior, too. Quieter ride. Made the Astro Ventilation ventilate better. The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires.

Your Chevrolet dealer offers this advice: Go on, you other sportsters. Gnash your gears and look tough.

Maybe it will help. Putting you first, keeps us first.

FIX-IT TIP

Keep a can of aerosol shave cream and some paper towels near your work bench. A small amount of shave cream sprayed on your grimy hands does a dandy cleaning job. Your wife will thank you for helping to keep her towels and sinks clean.

It's a mark of a gentleman to let a lady take the last seat remaining on the bus. It's also a mark of slow reflexes.

To popularize and make use of the tremendous number of rough fish that abound in our waters is a massive undertaking, acknowledge the Mercury lads. First, we must overcome our reluctance to actually bring a mess of "yaller" suckers or "thunderpumpers" home. Then we must know how to turn them into dishes that delight the whole family.

Many of these are caught commercially, but find their way into the fish markets under assumed (and more palatable) names.

The "white perch" you buy may be "drum," "bonnies cat" or the old-looking paddlefish or spoonbill. Non-sport fish in saltwater receive an even more impressive array of monikers.

It's a mark of a gentleman to let a lady take the last seat remaining on the bus. It's also a mark of slow reflexes.

Radio and television newscasts are fine, but you can't wipe up spilled paint with a five-minute news-break.

You may be eager to learn about the excitable coat designer who got all worked up in his wrap.

HEATHSTONE

Cool it as much as possible in hot and humid weather, and lessen your chances of suffering heat exhaustion. Victims of heatstroke usually exhibit the following symptoms: pale and clammy skin; rapid and weak pulse rate; complaints of weakness, headache, or nausea; and cramps in stomach, legs or arms. The victim should lie down in a cool place with his head tilted back and lower his body. If the person is conscious, give him a salt water solution (one teaspoon salt to one quart water) — and then call a doctor.

Bobby Outdoors

ROUGH... BUT TASTY
The rough fish problem is a lot like the weather. Every one seems to hate it, but no action.

Unlike the weather, though, this is one problem that can be solved by eating it up if enough fisherman would let out their belts and overcome their repugnance towards the rough species.

The table quantities of many rough fish surprise even the most fastidious eaters, observe the experts at Mercury outdoors.

When properly prepared they are the old-looking paddlefish or spoonbill. Non-sport fish in saltwater receive an even more impressive array of monikers.

Many of these are caught commercially, but find their way into the fish markets under assumed (and more palatable) names.

The "white perch" you buy may be "drum," "bonnies cat" or the old-looking paddlefish or spoonbill. Non-sport fish in saltwater receive an even more impressive array of monikers.

It's a mark of a gentleman to let a lady take the last seat remaining on the bus. It's also a mark of slow reflexes.

Radio and television newscasts are fine, but you can't wipe up spilled paint with a five-minute news-break.

You may be eager to learn about the excitable coat designer who got all worked up in his wrap.
