ROTARY DISTRICT Governor, Swede Benson, St. Petersburg, and Rotary Club president, George Walper, Avon Park, were taken on an inspection trip through the new South Florida Junior College campus by Will Beumel, Dean of Instruction and Dean Griffin, Dean of Voc-

ational and Technical Education. They paused for a moment on the covered student recreational pier over Lake Glenada. The learning Resources building forms the background. Left to right are Griffin, Benson, Beumel and Walper.

Governor Claude Kirk Will Dedicate College Today

An address by Florida Governor Claude R. Kirk, Jr., will climax formal dedication ceremonies for the South Florida Junior College campus, set for 11:15 A.M. today.

The ceremonies will be in the amphitheater on the shores of Lake Glenada.

The 80.6 acre campus lies between Lakes Glenada and Lelia, West of U.S. 27, between Sebring and Avon Park. Nine buildings are in the first phase of campus construction now being completed.

Not all of the construction has been finished, but junior college officials expect the school to have moved all operations to the permanent campus by the opening of the winter semester in January.

The Governor is to be introduced today by South Florida Junior College President William A. Stallard.

Other speakers scheduled for today are Dr. Lee G. Henderson of the division of community junior colleges and Warren Harrell of the vocational, technical and adult education division, both in the state Department of Education; John E. Burtcher, president of the S.F.J.C. Student Government Association; Wilmont Vickrey and William R. Frizzell, architects, are to participate in the program, as well as Rex E. Bond, chairman of the district board of trustees.

The prayers at the ceremonies will be led by Rev. Aden D. Childers, and Father Antonio Pena, both of Avon Park.

Members of the Student Government Association will direct parking for the ceremonies today, Dr. Stallard said.

Following the dedication program, a luncheon for a small group of guests will be held at Griffin's Restaurant in Avon Park.

William Pugh Charged With Attempted Murder

A family argument at a Ben Hill Griffin farm in Avon Park ended with one man in Highlands County jail and a second in serious condition in Walker Memorial Hospital.

William Pugh, Jr., is charged with attempted murder. Kenneth Kinney, a relative of Pugh's, reportedly suffered gunshot wounds in his left arm and chest, possible damage to his liver and spine.

Deputy Wayne Palmer, who investigated for Highlands County Sheriff's Department, said the fracas occurred at 7:30 Friday night.

RATES REDUCED

The Florida Public Service Commission today ordered Florida Power Corporation of St. Petersburg to revise its schedules to reduce its rates \$2,500,000 annually, effective January 1.

The PSC chairman said that a reduction would mean that effective February 1, gave general commercial and industrial users an annual cut of 10.5 per cent, from \$672,563, and municipal service

"We should have been more than pleased to have a large number of guests for the luncheon today," Dr. Stallard said.

"but because of limited space we must have a very small group," the college president said.

"The Governor is to be introduced today by South Florida Junior College President William A. Stallard."

Thomas Clarke Dies Saturday In Hospital

Thomas Roger Clarke, 73, died last Saturday, Nov. 29, at Walker Memorial Hospital.

Mr. Republican, as he was known in Highlands County, had been a resident of Avon Park for the past five years coming from Berrien Springs, Mich.

He was born in Edwardsville, Ill., and was in industrial paper sales for major paper companies for 20 years, before going into his own business at the age of 37, known as The Clarke Sales Co. in Berrien Springs, Mich.

The Clarke family moved to Avon Park November 1964, where both he and his wife, Elizabeth, were active in the Winter Guest Club, and Republican party in Highlands County.

He was also a member of the First United Methodist Church, a Kiwanian, Mason, and a former vice president of the Winter Guest Club as well as precinct committee-man for the Republican party.

In March of this year, Tom and Elizabeth celebrated their 54th wedding anniversary. They were married March 24, 1915 in Chicago, Ill. Their only daughter, Mrs. Jane West and her husband, John M. West, live in Kansas City, Mo. with their four children, Denise Ann, Diane Marie, John Stephen and Susan Elizabeth. Also surviving are his two sisters, Mrs. Fred (Hazel) Wassmuth of Chicago, Ill.

Services were held Monday, Dec. 1, at the Scott's Stephenson-Smith Chapel at 2 P.M. with the Reverend Duane Zoller officiating.

In lieu of flowers, donations were made to the Cancer fund.

Honorary pallbearers were Ray Johnson, Col. W. C. Atkinson, George Haynie, Don Evers, Harry White, Milford Dill, Gordon Eismann, and Blaine Kerr.

Cremation followed.

50 Called For Jury Duty December 8-12

Fifty citizens have been called for jury duty in Circuit Court the week of December 8-12.

One civil damage suit and a series of right-of-way cases are scheduled to be heard.

Central and Southern Florida Flood Control has filed suits against Robert K. Butler, Besse A. German and Okaloosa Island Corporation.

In the damage suit Bernard Goltz of New York is asking in excess of \$5,000 for injuries he alleges he suffered when the car in which he was riding collided with one driven by Fred B. Seagraves of Nashville, Tenn.

The cases are to be presided over by Circuit Judge A. H. Lane. Those called for jury duty are as follows:

Commissioners Cancel Sale Of Race Bonds

Plans for a million dollars' worth of capital improvements went on the shelf Tuesday when Highlands County commissioners canceled the December 10 sale of a race track tax bond issue.

The county's fiscal agent said Tuesday that no bids had been received for the bonds which pledge income from the state race track and jail taxes for repayment.

Goodbody and Co., the fiscal agent, recommended cancelling the sale next week and waiting for a more favorable bond market. The agent further recommended the county might seek legislative approval for a higher rate of interest.

Under the present law the interest ceiling is seven per cent and while the commissioners did not comment Tuesday on whether they would consider higher interest, they had at earlier meetings opposed all suggestions in that direction.

Almost half the funds expected from the bond sale had been earmarked for an agriculture-civic complex. The number one project on the priority list was a bridge on the US 27, West of US 27.

Other projects to be financed from the race track bonds were a second floor for the courthouse annex, new county road and race facilities, a large recreation building at Venus and a county office building in Avon Park.

Michael Cates, attorney for the Skipper Road property owners who besieged the county commission with demands for a bridge, said Wednesday he had not had time to hear reactions from these property owners about possible delays in obtaining the promised bridge, but, he said, he is certain the request for a bridge "from some source" will continue.

The annual election of officers of Highlands Shrine Club was held at the regular monthly dinner meeting at their club house, November 26.

Newly elected were president, Paul J. Colvert, Avon Park; first vice president, L. C. Hooper, Avon Park; second vice president, Clarence Farmer, Wauchula; and third vice president, Barney Reas, Wauchula. He-elect were secretary, Bert Walker, and treasurer, David Waldron, both of Avon Park.

Directors elected were C. Edwin Bailey, Adam Blair, and Paul Rogers of Sebring and Errol Russell of Frostproof.

Installation of officers will be held on January 28. The present officers and directors met last Tuesday night to formulate plans for the annual Christmas party.

Damage to the 1969 car of Charles English, 23, of Avon Park was estimated at \$2,000 after he hit three calves belonging to R. C. Dressel at 1:20 A.M. Friday. The accident happened 2.7 miles East of Avon Park on State Road 64. English was not injured. Corporal Dutchenver filed no charges.

Red Devils To Play Delray Beach In Class B Play-Off

The amazing Avon Park Red Devil football team will travel to Delray Beach tomorrow night (Friday) to play the Delray Carver eleven in the first game of the Class B football play-offs for the state of Florida. The game will be played at Seacrest High School's football field in Delray Beach with kick-off time set for 8 P.M.

The state athletic association has set admission prices at \$2 for adults and \$1 for students. Also set up in advance is the schedule for the Class B play-offs.

The winner of the Avon Park vs Carver game will play the winner of the Ocoee vs. Daytona Beach Father Lopez game in the second round of the tournament and then the winner of that regional game will play the team that comes out on top in the northern part of the state where Baker will play Port St. Joe and Alachua Santa Fe will play Bushnell, Sebring.

The Devils earned the right to represent District 7 in the play-offs by tying an 8-1 record which tied the Fort Meade Miner's record. Then on the basis of who's opponents had the most victories, Avon Park was declared the champion and will take on Carver, the B-4 winner.

Coach Joe Franz said he will be taking his team into an unknown situation since he was unable to scout the Carver eleven during the regular season. However, he does know something about the all-region team. First of all, the Carver team finished this year with a 1 record, losing only to Daytona Beach Father Lopez. Also Carver is the defending Class B champion having won last year after knocking off Turkey Creek in the opening round.

This year Carver defeated Boca Raton (34-20), Wymore Tech (25-6), Roosevelt (25-12), Lakeview, Howard Clark, Kennedy, and North Fort Myers. However, they won over North Fort Myers 14-13 and Arcadia defeated North Fort Myers this season also.

The Carver team is known to be a predominantly passing team and uses the screen and the bomb very effectively according to coaches of teams who have played the strong South Florida team. Quarterbacking the team is an excellent passer named Tenn.

Avon Park will of course be counting on the running of Willie Joe Seigler and Roy Claitt along with the sharp passing ability of Don Sizemore. Don Sizemore is outscored the Carver eleven. Undoubtedly the Devils will continue to play a strong defense as they did for the Sebring game. Devil defensive backs have intercepted 20 passes this year, but the Devils have given up considerable yardage through the air.

The Red Devils have a young team this year with only five seniors on the varsity. Those seniors are: Seigler, Claitt, Larry Talbert, Howie Godwin and Tom Culbertson. The line uses ends Clark Jackson, Ed Simpson and Don Sizemore. The offensive backs are senior Larry Talbert and junior Gregg Albritton and the center is Jimmy Dick. The offensive backfield has sophomore Don Sizemore at quarterback; junior Steve Hart at fullback; and senior halfbacks Claitt and Seigler.

On defense freshman Jarvis Brifford is a defensive back and junior Frank Davis plays a defensive halfback. Dennis Hart also plays a defensive back slot and Walter Nunnally sees lots of action as a linebacker. Other Red Devils who have performed excellently for Avon Park this season are Donny Delaney, Jimmy Magenheimer, Charles Jackson, John Richardson and Freddy Johns.

The 1968 Red Devil team went to the finals of the state play-offs to a score of 28-12. The 1968 Avon Park team also won the District title but lost to Eustis in the opening round.

Another public hearing will be held on the proposed county zoning resolution.

At the meeting Tuesday morning the Highlands County commissioners formally instructed the county planning and zoning commission to hold an additional public hearing before bringing a comprehensive zoning resolution to the county commission for action. No date was suggested for the hearing.

Planning and Zoning Chairman Mrs. Mary Ellen Ward submitted a letter to the county commission requesting additional time for the zoning group to review findings of the November 19 hearing and to prepare revisions in the proposed resolution.

Engineer-Administrator Charles Morgan explained that the zoning commission had hoped to present its recommendations to a county commission meeting.

We're in a Fight

All over this country, newspapers seem to be involved in a fight for the people's right to know.

Everywhere, it seems, somebody or some group is seeking to manage the news—and lots of times to just keep it out of the newspaper for one reason or the other.

We hear lots of reasons why, this or that or the other things should be kept out of the paper. Usually because the complaining person thinks he or his group was not shown in the proper light. Or because by keeping out some item or items, somebody is able to do favors for somebody or in some way grind their own axe.

Others think that only the good things should be printed—that nothing bad should be printed whatsoever. This could only result in a pretty lukewarm newspaper and a lot of you would just plain quit buying the paper.

We always marvel at the people who think they know what should be in a newspaper and how it should be run. We wouldn't be so presumptuous as to tell these same people how to run their business. They would be highly insulted if we did, no doubt.

When we are told by various people that they don't think such and such should be published in this newspaper—we can only reply that a newspaper is only the mirror of a community. We mirror the bad with the good, because there is bad with good.

We try to give you this community's news, good or bad, to the best of our ability. We regret many times that there is bad with the good. But that's how it is.

We are rather flattered that people sort of feel that the newspaper belongs to them. Although it is a commercial enterprise. We have business houses who kick like a bull steer when it comes to advertising—but they feel that any activity of their firm which reflects great credit to them—and in a way entices people to their establishment—should be used—even if they do not advertise.

This is news, they say. So is a great big announcement of a sale by a commercial establishment. It is great news, because it alerts you to bargains. But the firm pays for this "news" because space is the only thing we have to sell. And they buy our space because they feel it will benefit them.

It seems that week after week we run into the same old problems—the people's right to know—the people who don't want them to—non-advertisers who expect a free ride—the vendors who think they know what the newspaper should print, how it should be run.

The people's right to know is important to us. Keeping alive through selling our advertising is important to us. Keeping our subscribers and our advertisers is important to us.

But every once in awhile all this gets pretty thick and we have to blow off steam.

Which we just did!

Legal Gambling?

A member of the state legislative delegation which represents Highlands County, Donald Heath, of Venice, has pre-filed a bill which would legalize gambling in Florida. Republican Heath proposes the income from gambling to avoid raising the gas tax by one cent and taking money from automobile license tag revenues to finance the 16-year road building program of the state.

He further says citizens cannot afford additional taxes such as personal income tax, a sales tax increase, or the loss of tax exemptions by churches and benevolent clubs.

But is legalized gambling the answer? Miami has agonized over this for years and many of the merchants there will tell you they definitely feel the pinch when the tracks open. Or they used to. The merchants division of Miami Chamber of Commerce, to whose meetings this writer went regularly, was very much opposed to any more gambling than the area there had in the form of the race tracks and the (et alai) fronton.

Families of gamblers complained bitterly, merchants complained, and eventually the machines went out.

There was another matter, too. The gambling seemed to attract a pretty undesirable crowd of people.

We can't help but feel that Mr. Heath's proposed bill is not advisable. That the money gained, would be lost in other channels.

Having seen proposed legalized gambling beaten back many times before, we are not too concerned that Mr. Heath's bill will get very far. We hope it does not.

LEWIS LLEWELLYN

Atheist Against Prayer in Space

When astronauts Richard Gordon, Pete Conrad, and Alan Bean took off from Cape Kennedy for their historic moon exploration, Bean took with him a small scarf bearing Christian symbols, such as a Bible and a cross. It is expected that he will give it to his church, to be displayed there.

Other astronauts have read from the Bible and prayed while in space, manifesting their trust in God.

But while Gordon, Conrad, and Bean were on their way home from this lunar exploration trip, Mrs. Madelyn Murray O'Hair was in Austin, Texas, taking legal action to prevent future astronauts flying in U.S. spacecraft under the NASA program from reading the Bible or praying, as these men had done.

Impose Secularity?

Mrs. O'Hair seems to be determined to impose minority rule on the people of the United States—at least, insofar as prayer and Bible reading are concerned.

Will she succeed? Unfortunately, Mrs. O'Hair was successful in her earlier at-

tack on God in the schools of the nation.

The U.S. constitution provides a guarantee of "free exercise" of religion.

Nobody is asking Mrs. O'Hair to pray if she doesn't want to. Why should she presume to force others to live by her standards?

Why, in the name of civil liberties, do such people strive so hard to take away from others the civil liberties which they prize?

The Bible says, "The fool hath said in his heart, There is no God."

To this agree Dr. Werner von Braun, head of the space vehicle program, and many of the men who have made the recent historic journeys into space.

Should they be required to act like fools, restricted from any recognition of God while on such flights?

In our country, each person must be allowed to act like a fool or like a wise man, as he chooses.

Pray for Atheist

Col. Michael Collins, who piloted the Apollo 11 command capsule while his companions,

Neil Armstrong and Edwin "Buzz" Aldrin, walked on the moon, said in connection with the question of Bible reading and prayer in space, "I think maybe we ought to say a prayer for Mrs. O'Hair and maybe she will see the light."

Perhaps—but, whether she sees the light or not, she should not be permitted to impose her atheistic views on the rest of the country.

During the Apollo 10 flight, Commander Stafford said Mission Control in Houston to relay a message to the members of his church, since he was out in space on Sunday at the time of the regular services.

The message consisted of several Scripture passages—Psalms 8, Psalm 122, Psalm 146, and Isaiah 24.

Psalm 8 contains these words:

"When I consider Thy heavens, the work of Thy fingers, the moon and the stars which Thou has ordained, what is man that Thou art mindful of him?"

Don't you believe that our astronauts should be free to call on God if they need to—or want to?

Freeholder Objects To County Zoning

Editor

Avon Park Sun

Dear Sir:

I, as a freeholder and a resident of a rural area in Avon Park, would like to express my objections to the proposed County Zoning Laws.

1. Denial of having access to, or knowledge of, the laws to be enacted with no right to vote on such vital issues.

2. The denial to an individual of the right to supplement his retirement income by having a business in his home.

3. The 100 foot restrictions on lot size which would make valuable property worthless if an individual could not extend the boundaries of his property to meet the 100 ft. road frontage restriction.

4. The usurping of the individual's right to own and reside in a mobile home which was previously legal without regard to its asset to the community, while permitting run-down, unkempt and undesirable permanent residences to remain.

5. Denial of the right of the individual to erect or keep on his property usable and attractive utility buildings.

The planning and zoning committee was organized to serve the people of Highlands County and to protect the whims of all of the people.

punt off the side of Sismore's foot. From the Avon Park 35-yard line Sebring moved in 10 plays into the Devil's end zone with Rick Benschter hauling the ball in from about two yards out.

The two point conversion was scored by Sebring quarterback Bob McMillin on a sweep around the left end and Sebring took over the lead again 14-7.

Neither team could score again before the half, although Avon Park moved to Sebring's 30-yard line and then Sebring moved back to Avon Park's 17 before Devil back Roy Claitt later, accepted a Streak pass on the 12-yard line and almost went all the way before he was tackled on the Streak 23. The half ended on a play that had off-setting penalties when Avon Park was in motion and Sebring was called for pass interference in the end zone to prevent another Devil TD. Claitt's pass interception return was good for 63 yards.

The Red Devils came back from the halftime pep talk trail 14-7 and proceeded to march down for a touchdown. Willie Joe Seigler set the TD up with a 53 yard kick-off return that put the ball on the Sebring 34-yard line.

Then Seigler and Claitt took turns moving the ball forward in short gains until they reached the 4-yard line. Then Seigler broke through and scored his 20th touchdown of the season and also ran the two point conversion to top Avon Park in the lead 15-14.

Late in the third quarter, after both teams had failed to keep a sustained drive going, Sebring started a drive from its own 16-yard line and moved quickly on passes, Avon Park penalties, and long runs to the Avon Park two. Then two plays deep in the fourth quarter, the Red Devils held on fourth down at the 23-yard line and took over at that point.

The Red Devils offense seemed inspired by the goal line stand of the defense and started moving into. Seigler dashed 30 yards and then he and Claitt moved the ball over the 50 before Claitt, on a second effort attempt, had the ball popped from his arms into the hands of Ronald Handley who dashed 60 yards down the sideline for Sebring's third TD of the evening. A pass from McMillin to Lenny Smith was good for the two pointer and Sebring was ahead again by a score of 21-14.

The Streaks tried an on-side kick after their quick score but Avon Park recovered on its own 43. Claitt picked up two yards and then Sismore dropped back and fired a long pass to Clark Jackson who took it in at the Streak 30 and outran the Sebring defense into the end zone for his fourth TD of the year. Seigler ran the try point over and Avon Park went ahead by the slim margin of 23-21.

Sebring went to the air midway in the fourth quarter to try to score again but Devil Frank Davis intercepted another pass at the Avon Park 25-yard line and hustled it back to the 40 to set up another score for the Red Devils. Roy Claitt, the Devils' running hero all year, picked up a couple of short gains and then slipped through the entire Sebring defense to dash 34 yards for Avon Park's fourth TD. Sismore kicked the point after and Sebring was tied 23-23.

runs of the year before hands of delighted Avon Park fans. Again Don Sismore kicked the point after his 17th out of 23 this year—and Avon Park's 23rd straight. A penalty for the extra point attempt at Avon Park's 15 yard advance the kick-off and Sismore kicked deep.

The Blue Streaks just came coming however, and quick moved to the Avon Park 25-yard line as time slowly ran out. Avon Park finally took over on down 23 its own 17 and ran out the clock to take the 37-22 win.

It was a thrilling game from the first kick-off to the final gun as the two Highlands County rivals both played outstanding aggressive football to the delight of fans who sat through a high drizzle late in the game.

Roy Claitt led the Devils in scoring with 12 points and a rushing yardage with 209 yards in 24 carries and also had a 63 yard interception return. Willie Joe Seigler moved his total points scored for the season to 132 with 10 touchdowns in the game and picked up 152 yards of rushing in 22 carries. Seigler finished the season with a total of 154 rushing yards on 165 carries for an 8.3 average and Claitt had for a total of 1024 yards of rushing yardage on 165 carries for a 6.2 yard average per carry. Claitt scored 68 points for Avon Park.

Don Sismore, a sophomore quarterback, passed 66 times and completed 30 of them for a total of 429 yards. He also punted 24 times for a 31 yard average per punt and kicked 17 of 23 extra points. The young quarterback was third high Devil scorer with 37 points scored on six touchdowns, two 2-point conversions runs, and the 17 kicks.

The Red Devils must have set an all time record for pass interceptions this year for Avon Park as they picked off 20 of their opponents' passes. Sismore, Dennis Adair, Mike Smith, and Frank Davis all had three interceptions each. Seigler, Clark Jackson, Nelson had two each and Walter Nunnallee and Clark Jackson picked off one each.

Defensive stand-out Larry Tolbert blocked three punts and all three led to Avon Park touchdowns.

The Red Devils scored a total of 325 points while giving up 128 in the 10 regular season games.

Touchton's Home To Be Church Retreat

The luxurious E. G. Touchton home and grounds on Lake Letia, a total of 23 acres, have been purchased by Miami Shores Presbyterian Church to be used as a retreat. The sum paid was \$125,000 and the sale was negotiated by Bob King Real Estate of Avon Park and George Perline as co-brokers.

O. H. Martell, business administrator of the church, who was here to close the deal, said the retreat will go into operation "very soon, as soon as we can get organized." J. C. Calvert, senior minister of the church. The property contains "ample bedrooms," Martell said. There are six bedrooms and six baths in the main house, three apartments with kitchen and bath, a recreation room and three car garage.

Cedie and Harry Lemler, Alvin and Cecil Thompson arrived this past week. Welcome.

The pot luck dinner held Thanksgiving Day was a big success, 52 people attended. Marjorie Duquesne and her committee consisting of Margaret Brown, Ethel Putman and Doris Roach are to be congratulated. Blanche Hance was originally a member of the committee, but her children stopped on their way from Decatur, Ga. to their

new home in Fort Lauderdale to spend Thanksgiving Day. Although Blanche was willing to continue, the committee thought she should spend Thanksgiving Day with her family. Last week Dorothy Beigel was listed as part of the committee, however, this was in error. Dorothy had been part of the coffee hour committee. After the pot luck dinner a few people stayed to play cards.

Mr. and Mrs. Robert Bargest of Kissimmee, and Mr. and Mrs. LeRoy Looman of St. Petersburg, visited with Mr. and Mrs. Frank H. Foote and Mrs. Max Putman Wednesday afternoon. Lee Detrick wishes to thank her many friends for all their thoughtfulness, cards and flowers. Lee returned home Monday from Walker Memorial Hospital. It is good to have you home. Keep well, Mr. and Mrs. Lawrence

Ponderosa Pine Tree Dedicated In Memory of Mrs. Violet Clark

The dedication of a Ponderosa pine tree to the memory of Mrs. Violet Clark was held at Avon Elementary School, November 29, 1969.

Mrs. Clark taught at Avon Elementary School from 1954 to her retirement in 1965. Coming to Avon Park from Deland, she first taught in the second grade, then moved to fourth grade, which she was teaching at time of her retirement.

At the brief ceremony, Mrs. Charlotte Smith read the poem "Trees" by Joyce Kilmer, followed by a prayer of dedication by George A. Kelsey, principal of Avon Elementary School.

Mrs. Clark was vitally in-

terested in nature and conservation and she and her fourth grade students did much of the plantings and landscaping of the school grounds.

Friends in Avon Park received word of her death in late October. She is survived by a son, Wesley Clark of Miami Beach, a daughter, Mrs. Joanna Heard of Baltimore, Md. and four grandchildren.

John James Audubon, the naturalist, has three places in New York City named for him—a terrace, an avenue, and a telephone exchange. He is buried in a cemetery on 153rd Street.

Holden Makes 146 Points For Norwich

One of the outstanding performers on the Norwich University football team this season was linebacker Carl Holden, a 1966 graduate of Avon Park High School.

Holden led the Cadet defenders in defensive points with 146, 26 points higher than runner-up Pat Pascual. He led the club in tackle assists with 89, and he intercepted two passes and recovered a fumble.

One of the fastest linebackers in New England, Holden also handled the extra-point chores for the Cadets. He hit on 20 of 24 this season for a new school record, and his eight straight conversions in the rain and mud against Worcester Tech broke two New England records: most consecutive place-kicks after touchdown in a game and most place-kicks after touchdowns in a game.

LORENZO / DON'T YOU KNOW IT'S BAD MANNERS TO TALK WITH YOUR MOUTH FULL

KEEPING HOUSE for the Nixons will be Peggy Carey's job. A graduate of the American Hotel Institute, she has taken over as White House housekeeper.

"Red Mass" named for the color of the vestments worn by the officiating priest, is celebrated annually to ask God's blessings on the administration of justice in the United States. It began in this country about 1928.

SETS A NEW **World's Record**

Outboard Pleasure Craft Sanctioned and Certified Race

JON JON, our 15 foot CHECKMATE Family Runabout with a 125 H.P. Mercury motor attached to the transom, set a new world's record in the Family J class this past weekend over a 5 mi. closed course, Jon Jon's speed was 62.38 MPH. The old record was 56 MPH.

Most people don't buy a boat to set national records with . . . But everyone wants a good quality boat with proven equipment—Many times, in races across the country, we have proven that our boats and motors will perform well under any type conditions.
