SFJC Vocational Tech Classes Begin June 18

South Florida Junior College will begin the Summer term of Vocational-Technical classes on June 18. Expanded offerings this year will provide a greater variety of courses for adults and students in the Central Florida area.

Included in the schedule this Summer are classes in Typing, Basic Electronics, Advanced Electronics, and Basic Communications for adults in this area.

Also included are courses for school lunchroom personnel in Highlands, DeSoto and Hardee counties.

Members of the community who desire to take any course offered by the Vocational-Technical and Adult Division of South Florida Junior College are advised to apply immediately for enrollment. The offices in the library building will give enrollment information and process applications so that students may begin class on June 18.

Further information concerning the Summer program can be obtained from the admission office of the college.

During the Revolutionary War, when the Continental Congress was in session, 90 Philadelphia men donated \$14 million dollars to the cause—a lot of money, then, with wages a dollar a day—or less.

Avon Mobile Home Park News

There was a buzz of excitement Friday, May 30 about 3 P.M. as Emmette and Sallie Wright, their two sons, David and Jonathan, and Mrs. Wright's mother, Mrs. Nina Miller arrived at the Park. Mrs. Miller and the Wrights are formerly of Ashland, Ky.

They are the new owners of the Park. Mr. Wright was general sales manager for the Castle Showcase Company of Ashland, Ky. having been employed with that company for 18 years before coming to Avon Park.

Mrs. Wright is the former Sallie Maxine Miller of Huntington, W. Va. and a graduate of Ashbury College, Wilmore, Ky. with an A.B. degree in music. She has taught organ and piano for six years in college.

Their oldest son David is 18 years of age and graduated from Paul C. Blazer High School in Ashland, May 27. David will enroll in South Florida Junior College this Fall. Their youngest son, Jonathan is 16 years of age and will be a junior at Avon Park High School this Fall. They also have a married daughter, Janice (Mrs. Davidson) in Ashland, Ky. Mrs. Miller is 67 years old and the widow of H. W. Miller of Huntington, W. Va. Mr. Wright states that his goal is to operate the "friendliest park in Avon Park, and that all the residents shall be one great big family."

Mr. and Mrs. Louis Biggers left Tuesday to spend some time in the North. They plan on being in Chicago, and to visit Mr. Biggers' mother in Detroit, who is 98 years old.

Mrs. Helen Hickey had as a recent guest her son-in-law, Merrill Friend from Bayville, Long Island, N. Y. Mr. Friend had spent some time visiting in Palm Beach.

Mrs. Bea Tingle had returned home after spending some time with her son and daughter-in-law in Clearwater.

Walter Douglas left Tuesday for Chicago to spend some time with relatives.

The residents of the Park had a "get acquainted" party in dinner at the recreation hall Monday night honoring the new owner of the Park, and his family, the Emmette Wrights. There were 32 present for the dinner. Larry Robinson as master of ceremonies. The table prayer was given by Clyde Pugh. Following the dinner Mr. Robinson welcomed the family, and in

response Mr. Wright introduced each member of his family and spoke of how happy they all were to be situated in the Park. Several announcements were made by Ora Myers, regarding an article which appeared in June 5th issue of the Avon Park Sun. The notice stated the Fire Dept. would not respond to calls over the city limits. Owners of the Park signed two petitions filing protests and said petitions will be presented to the County Commissioners of Highlands County.

Mrs. Robert Gibbs who had been a patient in the hospital for over a year was present at the dinner much to everyone's pleasure. She thanked all the residents for the many kindnesses shown her throughout her illness. Following the dinner there was community singing with Mrs. Wright at the piano and was concluded with all singing "Bless Be the Tie That Binds." This was a most enjoyable evening for all who attended.

Remond from Orval and Oma Marshall stating that the fractured ribs Mr. Marshall received when going North was healed. We are happy to hear of his complete convalescence. They send their regards to their friends in Avon Park.

The June 6 program will feature two rehabilitated alcoholics who recently completed a 28-day cycle of treatment at Florida Alcohol Rehabilitation Center, Avon Park. The two young men are both in their 20's. They will chat for the first 15 minutes of the program with Jim Whitaker, a social worker at the Center, also in his 20's.

The second 15 minutes of the program will be a discussion between the two young men and three University of South Florida professors who will serve as moderators on the program. The three are Dr. Elton Smith, Dr. Robert Burke, and Dr. Edward Silbert.

The June 13 program will feature the two young rehabilitated alcoholics as they talk with two college students, with the telecast moderated by Dr. Smith. Both programs will be directed by Jack Thornton.

Principal's Message to Seniors

At this time each year, we all have mixed emotions. Sadness because of missed friendships, lost opportunities, unfulfilled dreams; Happiness because we are proud of a job well done, looking ahead to new opportunities, new lands, and new friends. We seldom experience these two extreme emotions at the same time. When we do, it is hard to understand; and when and if we do understand, it is usually too late to fully appreciate the importance of the event.

To me, the greatest waste in life is one's failure to use abilities God has given to the fullest. A day once missed cannot be brought back and relived. Commencement means just that a new beginning, so do not worry about days wasted. You have spent them well. Just live each day as if you had to publish a truthful autobiography in your home town newspaper each week.

"You just cut and cut as her," commented Circuit Court Judge Clifton Kelly as he sentenced Johnnie Dingle of Lake Placid Monday to spend two years in prison for aggravated assault on Maybelle Pugh. Bobby Butler, of Avon Park, convicted of violating his probation by possession of a firearm by a felon, was sentenced to spend two years at hard labor.

Both men have been in jail and were given credit for time served. Joseph J. Barofski, accused of forging a worthless check, was discharged into the care of relatives after the judge noted that he had been on probation for a long time.

Harry Robinson of Avon Park entered not guilty pleas on charges of aggravated assault and attempt to murder William King April 19.

Raymond Lee Ows and John Wesley Truss were ordered to trial next week after they pleaded not guilty to burglary by breaking and entering April 27 at the Fannie Smith Cafe, 100 Highlands Ave.

The same group gathers every Monday afternoon for their game of ginocle. Winners of high scores were Loretta Simpson and Lura Pickell with 828 and 617. Dances continue on Monday and Friday evenings with one and two squares. George and Grace Kloba were at the dance on Friday evening, having returned from a two week vacation in Akron, Ohio.

There was a nice attendance of 46 at the Memorial Day pot luck supper on Friday evening, with Anne Janke and Yonna Ball as hostesses. Elmer Good asked the blessing.

The birthdays of Zeno Warner and Sylvia LaFollette were acknowledged by the singing of the birthday song, with Ota Gibson accompanying the singing. Clarence and Harriet Higgs were celebrating their 14th wedding anniversary, so all sang the anniversary song to them.

All enjoyed hearing Harry Gibson sing a bass solo "How Great Thou Art." Sylvia LaFollette gave two readings, "Flanders Field" and "A Soldier Talks to God." After several group songs, the meeting was concluded with the salute to the flag. The regular supper next week will be on Saturday evening. You all come.

Chit-Chat
The Russell Smiths spent a weekend with their son, Robert Smith and wife in Bridgeport, W. Va. The Smiths have been busy since their return to Tiro, Ohio.

Everyone we hear from up North seems to be busy with their gardens, getting the seeds planted, tomato plants in and enjoying the first lettuce, the Maynard McKinnons in Buchanan, Mich., the Glenn Longs in Plantville, Conn., and the George Mills in Cavendish, Vt. Even George Mills, that they must share the garden with the birds and small animals.

Nora Werner had as her guests her sister-in-law and husband, Mr. and Mrs. Luther Paris of Orange, Calif. They spent a week with her.

Nora Werner's niece, Carla Schenkel, who has just graduated from high school in Connersville, Ind. will be arriving in Florida soon to drive home with Nora to Milton, Ind.

Remember, my P. O. Box is 1265.

Commencement exercises are at 2:30 P.M. in Memorial Coliseum. Candidates for the degree, from this area, are: Milton Francis Stokey, Jr., Bach of Avia, Md.

Live carefree with FLAMELESS Electric Cooling and Heating

Enjoy the Great Indoors!

FLAMELESS ELECTRIC cooling and heating makes indoors as great as all outdoors

We know a jogger who'd rather jog in the family room... a golfer who'd rather swing at home... a lover who'd rather park on the couch in front of the TV set.

What do they have in common?

FLAMELESS ELECTRIC cooling and heating. With one unit—an electric heat pump—it keeps homes cool in summer, cozy in winter, automatically. It's cleaner because soot, dust and dirt are filtered out. That helps many health conditions, such as allergies, prickly heat, heart strain and respiratory problems.

Get in step with people who know how to live... the clean, flameless, carefree way. Get FLAMELESS ELECTRIC cooling and heating and enjoy the great indoors.

\$50 installation allowance to any of our residential customers who removes flame-type heating and replaces it with ELECTRIC WHOLE HOUSE cooling and heating between now and July 31st. (Minimum capacity, 18,000 BTU's.) Ask your dealer or contractor for all details.

Be comfortable all year 'round. A wish for you from

the Folks at Florida Power

helping to build better communities

Following one of the three suggestions offered by the Rev. Billy Graham in the June 1969 issue of the Reader's Digest, and "telling it like it really is," there is a moral code to follow, "God's."

Now for all to read, especially the youth of our wonderful America...

Deuteronomy 9:10 "And the Lord delivered unto me two tables of stone written with the finger of God:"

The 10 Commandments as given in the Bible, Exodus 20:3-17

I
Thou shalt have no other gods before me.

II
Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; and showing mercy unto thousands of them that love me, and keep my commandments.

III
Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain.

IV
Remember the sabbath day, to keep it holy. Six days shalt thou labour, and do all thy work: but the seventh day is the sabbath of the Lord thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maid-servant, nor thy cattle, nor thy stranger that is within thy gates: for in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the Lord blessed the sabbath day and hallowed it.

V
Honour thy father and thy mother: that thy day may be long upon the land which the Lord thy God giveth thee.

VI
Thou shalt not kill.

VII
Thou shalt not commit adultery.

VIII
Thou shalt not steal.

IX
Thou shalt not bear false witness against thy neighbor.

X
Thou shalt not covet thy neighbor's house, thou shalt not covet thy neighbor's wife, nor his manservant, nor his maid-servant, nor his ox, nor his ass, nor any thing that is thy neighbor's.

Malachi 3:6 "For I am the Lord, I change not:" James 1:17 "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning." John 17:17 "Sanctify them through thy truth: thy word is truth."

Psalms 89:34 "My covenant will I not break, nor alter the thing that is gone out of my lips."

Psalms 119:165 "Great peace have they which love thy law; and nothing shall offend them."

Hebrews 13:8 "Jesus Christ the same yesterday, and today, and forever."

Titus 1:2 "In hope of eternal life, which God, that cannot lie, promised before the world began;" 1st John 3:4 "—in is the transgression of the law."

Mayor Doerr Proclaims June 9-14 Little League Baseball Week

Mayor James M. Doerr this week proclaimed June 9-14 Little League Baseball Week and urged all citizens of Avon Park to recognize and give support to the program of Little League Baseball.

The proclamation said Little League Baseball is symbolic of America and the highest concepts of democracy, citizenship and teamwork.

There are more than two million boys under 12 years of age who are helped to become responsible Americans of the future and thousands of adult volunteers, whose only motive is to cultivate a wholesome, beneficial climate of formative training and who give unstintingly of their time and energies to this.

The Little League foundation has become the keystone of the future and the cornerstone of permanency for the great movement in the broad area of our country's youth.

The Little League pledge reads: I trust in God, I love my country and will respect its laws, I will play fair and strive to win but win or lose, I will always do my best.

Avon Citrus won two games last week to move into second place in Avon Park Little League standings with a record of six wins and four losses.

The First Baptist team remained in first place with a win and a loss to set an 8-2 mark. The Kiwanis nine won its only encounter of the week and is now in third place with a 5-4 record after action last Monday night, June 2.

On Tuesday, May 27, Rotary won its second game of the season by taking a 9-0 win from Bagwell in the first game and Avon Citrus upset First Baptist 3-1 in the nightcap.

Last Thursday night the Kiwanis team won 10-8 over Rotary in the early game and the Lions poured it to the Bagwell nine 14-3.

On Monday night Avon Citrus thumped Bagwell 6-1 and First Baptist won its eighth game with a 12-2 score over Rotary.

Standings after June 2 games:

BAHA' ULLAH

(Day Star of the universe)
The Founder of the Baha'i Faith says:
Waste not your time in idleness and indolence. Occupy yourselves with that which profits yourselves and that which benefits others. The most despised of men before God is he who sits and begs. Cling unto the rope of means, relying upon God, the cause of cause. Every soul who occupies himself in an art or trade this will be accounted an act of worship before God.
