Obey The Laws

Every law abiding citizen fears and detests the sporadic violence and vandalism that have become so much a part of daily life in the U.S. They sense, and rightly so, that if not controlled, the present state of affairs can weaken the very foundations of representative government and personal liberty.

A short time ago, the nation's leading law enforcement officer, Mr. J. Edgar Hoover, long-time director of the Federal Bureau of Investigation, was interviewed by the Associated Press and used the occasion to give some very pointed advice to private citizens. Mr. Hoover believes our present troubles stem primarily from our own growing indifference to right and wrong. He says, "A rising contempt of and disrespect for law and order lies at the heart of the growing violence in America today. This disrespect is reflected in many ways: a spiraling crime rate, riots, civil disobedience, rebellion on our campuses, and the rise of extremist racial and vigilante groups."

Our permissive attitude toward civil disobedience can do great damage. As the FBI chief observes, "To break the law even 'gently' can have eventual tragic consequences." Mr. Hoover also says bluntly, "We are living in an age when too many citizens are thinking about their 'rights' and 'privileges' and too little about their 'duties' and 'responsibilities'."

Of course, many of us have heard a similar indictment of the current behavior of U.S. citizens. Implicit in them is the answer for those who still wonder what they can do to help correct the situation. In Mr. Hoover's words, "Citizens can set a personal example of obeying the law, themselves and encouraging others to do likewise. Far too many adults set bad examples for others to follow. We must encourage respect for our flag, our history, our principles of free government."

Beyond this there are specific ways in which the private citizen can aid law enforcement. The press can report facts promptly and accurately in situations of lawlessness. We can all take an interest, as business and industrial leaders are now doing, in helping to correct the conditions such as poverty, discrimination, poor housing and so forth which help breed crime. When civil disorders occur, the private citizen can help by obeying the instructions of the police or other authorities on the scene. Encourage others to do the same. Don't circulate rumors and misinformation. Furnish relevant data promptly to the local authorities. Don't condone lawlessness, rioting and looting.

These are a few of the more pertinent points covered in the AP interview with Mr. Hoover. His words of stern admonition to his fellow citizens are timely—Lake Wales News

FLORIDA ALCOHOLIC REHABILITATION PROGRAM

alcoholics
topics

By PAUL C. FORAKER
Editor, Information Services

Alcoholics Anonymous recently took a survey of its membership and found that there are almost twice as many alcoholics between the ages of 30 and 49 than in any other age group.

To be more specific, the poll showed about 57% of AA members were between 30 and 49. The report was given by Dr. John L. Norris, chairman of the board of trustees of AA, when he spoke in Washington, D. C., last September during the 26th International Congress on Alcohol and Alcoholism.

There are now more than 12,000 AA chapters in the United States. But "Bill W.," the founder of the organization, says that since the beginning of AA 30 years ago the organization has barely scratched the surface of the problem of alcoholism.

"Our problem is one of communication, of getting people to see a drinking problem to come forward for treatment and help," he says. "The trouble is that in the early stages the alcoholic cannot help himself to believe that he cannot handle this problem himself."

Bill W. says that since the founding of AA, it has probably helped 400,000 alcoholics to quit drinking. But there are six million alcoholics in the United States today, and probably more than 20 million around the world.

Florida Alcoholic Rehabilitation Program works closely with

AA with many times providing information follow-up work. The patient after he leaves FAARP, inpatient Center at Avon Park following completion of the 24-day treatment cycle. The benefit of this program may not know the basics of AA, the organization is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from alcoholism.

Only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; members are self-supporting through their own contributions.

AA is not allied with any church or denomination, nor is it involved in political or religious issues. It does not wish to engage in controversy and neither endorses nor opposes any cause.

Primary purpose of AA is to encourage its members to stay sober and help other alcoholics achieve sobriety.

More information on AA can be supplied by writing P. O. Box 499, Grand Central Station, New York, N. Y. 10017.

FAARP has literature of all kinds on the problem of alcoholism. It's your for the asking by merely dropping a line to FAARP, Information Services, Box 1147, Avon Park, Fla., 33825.

What Should We Be Thankful For?

On this Thanksgiving Day, how can we be thankful?

Engaged in a long-drawn-out war which has cost the lives of some of our finest men—and which our military men are not permitted to win—we seem to be unable to bring it to a conclusion.

Hopes are repeatedly raised, and then dashed to earth, as our enemy seeks to gain by negotiation what he could not win on the battlefield.

We wait to see what trickery he will try next—and whether our leaders will be deceived again as they have been in the past, by Communist promises, intended to secure an advantage, but never intended to be adhered to.

How Close to Treason? On the home front, we see college and university students being manipulated by those who are friendly to our enemies. How close to treason is a group of students or pseudo students waving

red flags and chanting "Ho, Ho, Chi Minh?"

While some, alerted to the dangers of lung cancer and other diseases, are quitting cigarettes, others are militantly demanding that the smoking of marijuana be legalized.

At morals sink lower and lower, such crude and senseless become disgustingly common on theater screens.

What have we to be thankful for? We can be thankful that our founding fathers established this nation on a firm foundation of trust in God. This gives us a point of reference—a place to look back to so that we can again get our bearings in an increasingly serious situation.

Thank God for Freedom

We can be thankful that we live in a land where no dictator or communist holds over us the power of life or death, and that we are free to speak and to be heard.

Emphasizes
Missions**

First Baptist church is emphasizing Southern Baptist foreign missions during December with special observances of the Week of Prayer for Foreign Missions and churchwide participation in the Little Moon Christmas offering.

The church has a goal of \$5,000, as its part in the overall goal of \$15,000,000 for the entire Southern Baptist Convention. Funds collected in the Little Moon offering will be used only for mission needs overseas, Rev. A. D. Childress, pastor, said. The offering is named for a nineteenth century Baptist missionary to China.

Sponsoring the mission emphasis is the church's missionary education organizations, Women's Missionary Union and Brotherhood. Mrs. Forrest Johnson is W.M.U. director and Mr. Harold Warden is Brotherhood director of the church.

Part of the special observance is the Week of Prayer for Foreign Missions, December 1-8. During that week activities will begin with a Mission sermon by the pastor on Sunday and Prayer programs will be held in the church auditorium each day as follows: Monday, at 10:00 A.M.; Tuesday evening at 7:45; Wednesday evening at 7:45; the Men's Brotherhood will be in charge of the program, Thursday, at 10:00 A.M., concluding with an evening service at 7:45, Friday evening.

Annual Powder Puff Game**

This past Saturday afternoon, an historic first took place at the Avon Park High School football field. The first annual Powder Puff game was the event involving two well coached all star aggregations of the freshmen and sophomore young ladies of South Florida Junior College.

A fighting band of freshmen girls defeated a stubborn sophomore team 19 to 7. The freshmen struck first with a flashy back by the name of Nancy Mitchell scoring from about 15 yards out. The try for the point failed. That made the score 6 to 0. All this action took place in the first quarter.

In the second quarter, Nancy Mitchell got loose again and streaked 65 yards down the sideline untouched for another touchdown. Again the try for point failed. The score at half time stood at 12 to 0 with the freshmen in command.

The sophomore girls finally got into the scoring column in the third quarter. Martha Knight scored on about a 45 yard dash. A key block was thrown by Rachel Carter. Susan Freeland scored the extra point with a dash into the end zone. The score at that time was 12 to 7 and the game was in doubt.

The freshmen were not to be denied though as they put on a determined drive to up the count to 19 to 7 with Sherrie Richardson scoring the touchdown. The extra point was added by the Avon Park flash Nancy Mitchell.

All of the girls on both teams played an outstanding game. The freshmen coach was Tim Gillis and the sophomore were directed by Ronnie White.

The officials were Ralph Miller, Dan Walsh and Hardy Jackson, members of the faculty at South Florida Junior College.

Redeemer Observes Advent Sunday

December first, next Sunday, begins the traditional Church Liturgical Year with the beginning of the Season of Advent. Much of Christendom observes this Season as an approach to Christmas, anticipating the great Holiday marking the birth of Christ. The tone of Advent is something like Lent, with an accent on prayer, serious thought on the meaning of life and our future. The Episcopal Church of the Redeemer urges its people to mark Advent Sunday by being in Church services as a proper preparation for Christmas. It could well be celebrated with Corporate Communion and the faithful and attending services as families.

The Altar Guild meets after the Wednesday Eucharist, November 27th at 9 A.M. in the Church.

The young people plan to enjoy an overnight at Camp Wingman on December 6-7, leaving the Church yard at 5 P.M. Each will bring bed linen and sheets of sleeping bag pads for food and insurance. The return will be Saturday afternoon following. At Camp, we will share with the youth of St. Andrew's, Tampa, and St. Matthew's, St. Petersburg. Mr. and Mrs. Lenora Schreiner are adult sponsors for our youth group. Our Church School staff plans a Christmas Pageant for December 20 at the family service that Sunday morning at 9:30. We need every youngster in our Parish to participate and urge parents to see that they are in Church every Sunday to make ready for this celebration. Some special music is to be included.

Community Lay Advisory Com.

At the monthly meeting of the Community Lay Advisory Committee on Education, president Bob Cushman welcomed new members to the committee and announced that the working membership now stands as follows: Mollie Jane Barben, Clara Boone, Ann Carter, Marguerite Carver, Virginia Crews, Estelle Dixon, Emily Dorsey, Clarice Ford, Alma Hooper, James E. Jones, Mariana King, Sulette Lann, Catherine Moore, Violet Mosley, Griselda Murphy, Nancy Nunnallee, Archie Reed, Winnie Skipper, Mrs. Smith, Ann Stevens, Mary Ellen Ward and Messrs. Frank Burns, D. E. Cornell, Silver, Edward E. C. Crews, Bob Cushman, Gordon Dow, Guy Garrett, Dick Hamm, Cleveland Henry, Leamon Kelly, Myril Robinson, Ott Strickler, Malcolm Tatum, Edna Tomes and David Woodard. Advisory members are Mrs. Chas. Shepherd, Messrs. Smokey Padgett, Ernest Sims and A. B. White.

Four basic areas of school programs have been selected for study by the following sub-committees: School Facilities, chairman Gordon Dow; School Funding, chairman Mrs. Marguerite Carver; School Curriculum, chairman, Guy Garrett; and School Policies, chairman, Mrs. Clarice Ford.

Preliminary study reports were heard from three committees. A growing awareness of the complexity of serving an expanding community within existing facilities was apparent as committee members discussed regular annual increases in student enrollments, migratory workers and late enrollment, expanded programs including kindergarten for children of migratory workers. Problems of maintaining accredited schools were outlined and considered in relation to providing stop-gap measures to alleviate overcrowding.

Some of the difficulties of meeting HEW regulations pertaining to school integration were reviewed as part of the greater problem of providing education within existing facilities with the funds available. Major concerns were expressed by some members of the committee. While no concrete recommendations were formulated, the committee is working toward a growing understanding of the complicated business of furnishing education in public schools.

GENE LANDRESS, who is the secretary of the Avon Park Chapter of the Future Farmers of America, is shown with the calf which he plans to enter in the Highlands County Fair this year. He has been a member of F.F.A. for three years, and last year he received the Star Chapter Farmer Degree. He has had outstanding projects in his supervised farming program. Last year, he entered an Angus steer in the Highlands County Fair livestock show. The calf weighed 783 lbs. and sold for more than \$400. His calf this year was purchased from Smith's Shorthorn Ranch in Winter Haven. The calf weighed 550 pounds when purchased and has gained 2 pounds a day, and now weighs around 800 pounds. The Avon Park F.F.A. chapter has eight livestock entries in the fair this year and we hope one of them is the Grand Champion. Gene's calf could be the one.

DON LAYE who is the vice president of the Avon Park Chapter of the Future Farmers of America is shown with the calf which he plans to enter in the Highlands County Fair this year. This is the first year that Don has raised a calf for show purposes since he first entered F.F.A. work three years ago. The Avon Park Chapter has high hopes of winning championship honors this year in the livestock show at the County Fair. There will be a total of eight entries from the Avon Park F.F.A. chapter out of a total of 21 for the entire county.

FHA Meet Held At Florida Southern

Saturday November 9, some of the members of the Avon Park Chapter of the F.H.A. attended the District 7 meeting held at Florida Southern College at Lakeland. The students and chaperones left at 7:30 A.M. by way of school bus. The theme of the meeting this year was "Citizenship Challenges You." The guest speaker was Mr. Uphay, a businessman from Lakeland. He gave a speech on citizenship and its challenges to each of us. Elections were held during the meeting for each of these offices: District President, District Vice President, District Chairman, and District Reporter. Miss Becky

He served as pastor in churches in North Carolina from 1962-1965. He is now presently employed at the Highlands School for Girls, where he serves as counselor, chaplain, and instructor.

ID Cards Issued To Students

Last week ID cards were issued to the students. The students have been told that, no one is to leave the campus at lunch if Mr. Garrett's name isn't stamped on the back of the card. To be able to get this stamp, a note must be in the office from your parents giving their permission.

The administrators were asked reasons for this rule. Mr. Craven stated the rule was set forth by the Board of Public Instruction.

17, 8, 9th grades must remain on campus unless a parent comes home only. 210, 11, 12th grades are permitted to leave for lunch (anywhere) if a note from one of the parents request it. ID cards will be checked of those leaving school often. If the ID cards does not have Mr. Garrett's stamp on it, the student is returned to the office for council.

Tomek a junior from A.P.H.S. was the only member of our chapter who was seeking election to an office. She was elected to the office of Vice President of Recreation, along with two other girls.

EUGENE BRENNER

Teacher Spotlight

Mr. Eugene Brenner a dynamic person, is the easiest to recognize of the new teachers, because of the full, flowing handle bar mustache, possibly an indication of his personality — one of new and up-to-date ideas. A native of Miami, Mr. Brenner attended the Newark school of fine art for six years in New Jersey, receiving a degree in Industrial Design, and a Bachelor of Science degree from Florida Atlantic University. Mr. Brenner first became interested in art in the 4th grade, and today his major interest is the fields of sculpture and ceramics. Other interests include traveling and photography, and at one time he was manager of a used car lot.

Mr. Brenner is a truly happily married man and it is obvious that he is contented when he is with his wife and little daughter.

Patricia Perez, George Parnell, Jr. Wed In Home Ceremony

The Joe Perez home was the scene of the impressive wedding uniting in holy wedlock Patricia Vivian Perez, daughter of Mr. and Mrs. Joe Perez and George Martin Parnell, Jr., son of Mr. and Mrs. George Martin Parnell of Creswell, Fla., Friday evening, November 22 at 8:00 o'clock.

Vows were exchanged before an improvised altar in front of the fireplace. Large baskets of white gladioli and mums flanked either side of the fireplace, centered with the white satin kneeling bench. The mantle centered with a large cross, held two seven branched candelabra with white tapers which provided light for the ceremony. Appointments of roses, mums and gladioli were used at advantage points throughout the home. Given in marriage by her father, the double ring ceremony was performed by Rev. A. G. Hardee.

The bride chose a two piece ensemble of gold bonded tulle and a single white orchid corsage trimmed with pearls and tulle of the valley.

Her sister Mrs. Wayne Cribb served as matron of honor and wore a pale pink sheath dress of crepe, matching satin trim and long lace sleeves, white accessories. Her corsage was made of white carnations.

Joe Evans of Avon Park served the groom as best man.

The bride's mother wore an aqua sheath dress of bonded knit for her daughters wedding with black accessories. Her corsage was fashioned of white carnations.

Mother of the groom, chose a two piece ensemble, sheath dress and short jacket, of opalescent crepe, black accessories and a corsage of white carnations.

After a short wedding trip the couple will reside on Route No. 2, Avon Park, where the groom is employed at the V & W Dairy Farm. The bride is a beauty operator at Virginia's Beauty Salon.

Reception
The reception was held in the home immediately following the ceremony. Miss Gail Newmark attended the bride's book.

The three tiered cake topped with a miniature bride and groom in a boat of tulle was placed on a table covered with a white hand crocheted cloth, made by the bride's grandmother. Party sandwiches, nuts and fruit were served with the cake on this table. Miss Betty Creech served the punch, and Mrs. John McKown served the cake.

Guests attended from Pensacola, Lakeland, Orlando and Sebring.

A reminder to all that the community Thanksgiving services will be held at the First United Methodist Church Thanksgiving morning at 9:00 A.M., sponsored by the Avon Park Ministerial Association. Redeemer Women Report 'Spaghetti Day'

The spaghetti day sponsored by the Episcopal Church Women of the Church of the Redeemer, was a great success. Nearly 200 persons were served and all agreed it was most delicious and satisfying. The midday serving was quite popular.

A choice of dessert was pleasing to most of those attending. Mrs. Ed Hall, thanks her committees for their help in planning and serving and the wonderful help in the kitchen and dining room, also those who stayed to help clean up after the event.

The next meeting for the Church Women will be Wednesday Dec. 11 after the mid-week Communion Service. This will be the Christmas meeting and will feature a covered dish luncheon. Mrs. Carolyn Thayer will be the speaker and it is hoped all members will make an effort to attend.

A Thanksgiving Prayer

God grant that we may at all times think clearly and bring our actions into harmony with the spiritual laws of the heavenly King, the father of our spirits. Amen.

Christmas Stamps Go On Sale

A richly-colored Angel Gabriel, with wings of peacock feathers, will be one of the most familiar sights this Christmas.

The 1968 Christmas postage stamp will reproduce a portion of "The Annunciation," by Jan van Eyck, the great 15th century Flemish artist.

The vertical stamp will be printed in five colors, with red in the Angel Gabriel's bearded robe dominating the design.

Yellow, blue, brown, and green will supply other details. Avon Park, Fla., Nov. 28, 1968-18

There is no longer any price difference between first-class and third-class mail, issued or unsold, except with regard to weight. The penny difference has been eliminated.

First-class mail is 6 per ounce, while third-class mail is 4 for the first two ounces.

Since most Christmas cards weigh under an ounce, it will usually cost 6¢ whether you send a Christmas card first-class or third-class unsold. Postmaster Robert Young said.

So, unless you're sending unusually heavy cards, it will be advantageous to send this year's Christmas cards first-class and receive the forwarding and return privileges.

Postmaster Young estimates Avon Park's Post Office will process about 30,000 pieces of out-going mail during the month.

CARD OF THANKS

To all my friends at Bonnie Brae I give my sincere thanks for their thoughtfulness, especially Mrs. Meg Pryor and Henry and Joe Marino, during my recent hospitalization in Orlando.

Man seems to have conquered everything except colds and human nature.

Bonnie Brae Mobile Home News

Welcome back to Haze and John Laine who have been in Wisconsin for the last 4 weeks. They had started to return last Monday but John took sick on the road and had to return. They flew out of Chicago on Wednesday and was met by Theima Chalmers at Tampa. Their son-in-law, James McManis, and son Danny of Jacksonville, Wisconsin drove their car down and arrived late Saturday evening. Sunday John and James and Danny drove to Silver Springs, Monday to Cape Kennedy and on Tuesday they left Tampa to plane to fly back to the cold north.

Word has been received from the Harold Burke's that they have sold their home near Chicago and will return soon. They would be reintroduced to all their friends at Bonnie Brae.

We are sorry to hear that three of our Bonnie Brae family have been or still are at the hospital. Neil McManis of Alexandria, Virginia is confined to his home after a stay in the hospital. Bonnie Sherman has been in the Orlando Sanatorium Hospital but returned on Sunday. Friday, Joe Decker was admitted to Walker Memorial Hospital. A speedy recovery is wished for all.

It sure pays to advertise! Joe Moreno started advertising his birthday last April. This week there have been three parties to celebrate his birthday. Tuesday the Ted Grossman's and the Leon Van Buren's arrived with a birthday cake and later played a game of Pinochle. Friday night Henry and Joe were guests at Henry's sisters, Nellie McCann and Alma Neuser for dinner. On Sunday Mr. and Mrs. Curt Vandevender and Theima Chalmers had dinner at the Moreno's. Mrs. Vandevender cooked and brought over the dinner accompanied by a lovely birthday cake. Happy Birthday, Joe, from all in the park!

But by all our friends of other years are reminding. This week saw the arrival of the Curry's Catherine and George of Jackson, Michigan. The Paney's Laella and Russell of Huntington, Ind. and the Jerey's Harry and Harry of Harrington, Maine. So glad to have all arrive safely.

On Thursday the following women from the Park enjoyed the Tour of Avon Park homes. Mrs. Leatherdale, Mrs. Robertson, Mrs. Althofer and Mrs. Chalmers and Mrs. Helen Burns of Margaret Avenue. Saturday night there were about 40 to enjoy a pre-Thanksgiving Dinner at the recreation Hall. Those on the committee

were Theima Chalmers, Evelyn Cheekley, Ruby Purnell, Ester Purnell and Loretta Robertson. After a prayer by Bill Henderson everyone enjoyed the many varieties of food which goes with a Pot Luck Luncheon. Introductions were made by everyone, standing and giving their names. Former residents and their vocations. Carl Werthner played a few records on the radio which had been given to the park as memento of Lila his wife who passed away this past summer. The Purnells, Elties and May and the Foch's, Maud and Frank enjoyed a day in Tampa this past week.

A library within attracts men who can read women like a book.

Mr. and Mrs. Leathdale of Midland, Ontario have been in the overnight section of the park for a week before going to their winter home in Hollywood during the week.

Mr. and Mrs. Bobby Holmes of Lake of Egypt, Marion, Illinois visited with Mrs. Theima Chalmers on Sunday. They were on their way to Big Pine Key Fishing Lodge. Big Pine Key where they will spend the winter.

Busy Station
Two million passengers a day are handled by Tokyo's huge Shinjuku Station, which employs pushers to shoo horn people into the cars and then gather up articles lost in the process. Two pushers are normally assigned to each door, with reinforcements available in emergencies.

Famous Pigeon
The courier pigeon who saved survivors of the "Lost Battalion" in 1918 is stuffed and mounted in the National Museum. For carrying a message 25 miles in 30 minutes, Cher Ami, the pigeon, received the French Croix de Guerre.
