Gordon Eisenman, New President Of Avon Park Kiwanis Club

New officers were installed at the regular weekly luncheon meeting of the Avon Park Kiwanis Club at Griffin's Restaurant Tuesday at 12 noon. Five officers were installed by J. A. McCallister, Lt. Governor of Lake Wales. Mr. McCallister is Lt. Governor of Division 10, Florida District of Kiwanis International, and past president of the Lake Wales Kiwanis Club.

Installed were: Gordon Eisenman, president; Dr. Jim Williams, first vice president; Tom Tataris, second vice president; Harold Nute, secretary; Ted Ward, treasurer. President Gordon Eisenman has been in Avon Park for 3 years. He is co-owner of Big T Oil Company and is active in the First Baptist Church, where he has served for the past two years as Training Union Director; teaches Sunday School and was recently elected as a deacon.

Vice President Dr. J. Williams, who moved here in 1961, is research director of the Florida Alcoholic Treatment and Research Center. He attends the Congregational Church where he is chairman of the Lay Life and Work Committee and is a

member of the board of deacons.

Second Vice President Tom Tataris, who graduated from the University of Tampa, has lived here for 3 1/2 years and is senior residential sales representative for Florida Power Corporation. He has been active in Kiwanis, particularly in boys and girls work, having served as manager of the Kiwanis Little League team.

Secretary Harold Nute has resided here for 22 years. He is an agent for Gulf Life Insurance and is Sunday School Superintendent for the Methodist Church. Treasurer Ted Ward is a retired realtor and long time resident of Avon Park. He is a past president of the club, member of the boards of directors of South Florida Junior College and Avon Park Chamber of Commerce and is active in other civic and church activities.

Also installed at the meeting were four new members of the board of directors: Paul Zuck, Dan Walsh, Jim Danforth and John Church. Kiwanis International is a men's service organization whose stated purpose, "Service to Youth, Community, and Nation," is an apt description of the work its members undertake. They are business and professional men who voluntarily share in the burden of community leadership.

It was founded in Detroit, Mich., January 21, 1915. At their annual convention in Denver, Colo. in 1924 they adopted the six Constitutional Objects which form the written basis of Kiwanis philosophy. They are:

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business, and professional standards.

To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

J. A. McCallister, Lt. Governor Division 10, Kiwanis, is shown as he administers the oath of office to Gordon

Eisenman, new president, Avon Park Kiwanis.

OFFICERS of the Avon Park Kiwanis Club, left to right, Bill Owens, retiring president; Gordon Eisenman, president;

Dr. Jim Williams, 1st vice president; Tom Tataris, 2nd vice president; Harold Nute, secretary.

DIRECTORS of the Avon Park Kiwanis Club, left to right, Dan Walsh, George

Haynie, Aden Childress, Curtis Nelson, Paul Zuck, Jim Danforth.

It takes two people to really hurt: a friend, and an enemy. One makes the dirty dig, and the other hurries to you with the news.

Termites have been known to bore a tunnel 60 feet long, through dirt as hard as a rock, to reach a source of water.

Early in the Spring of 1848, the flow of water at Niagara stopped entirely for some 24 hours. People rode back and forth across the river bed on horseback, and the wreckage of several boats was examined, also a stack of guns dumped overboard during the War of 1812. Cause? Ice had blocked the outlet from Lake Erie. When this broke, the current resumed its normal flow.

It takes more than a gold watch to make retirement tick.

Youth Care Is Seven Years Old

Youth Care, Inc., the organization of public spirited citizens in the county which built the new juvenile home, is seven years old this month.

And accordingly, this is the time for the annual membership drive. They expect to raise \$10,000 through the drive this year. The big item is for the mortgage payment for the year—\$6,500. Then there is \$1,000 earmarked for a playground to include volleyball court and ball diamond; another \$1,000 for an incinerator and rollaway bed for relief parents in the office, and \$2,500 for shrubbery and expenses of clearing the remaining property for shelter for equipment.

Current membership in Youth Care, Inc. is 400, the corporation has fiscal assets of \$95,900 with a \$35,000 mortgage at seven per cent interest payable in eight years. The shelter for dependent, delinquent and under privileged children can accommodate 24 children and two houseparents.

Today the home has eight children, the youngest six weeks old, the oldest 16. The children remain in the home from several days to whatever time it is necessary to determine what is best for the child.

At the drive got under way, Mrs. Walter (Virginia) Rehman, president, asked and answered a few questions.

Why is a funds drive essential each anniversary month? The lease-back of the home to the county is \$4,800 per year while the payment on the mortgage is \$4,200 with 7% interest making a total payment of \$9,000 this year.

Episcopal Churchwomen Will Meet

The Episcopal Churchwomen will meet on Wednesday, Oct. 8, in the parish house of the Church of the Redeemer after the regular midweek Communion Service.

A "Coffee" at 9:45 A.M. business meeting at 10 A.M. when Mrs. E. Hall and Mrs. A. Wester will report on the progress of the drive for funds for the new addition to the church kitchen.

Mrs. Kari Swanson is in charge of the program and will present a skit, based on work carried on by the UTO. This should be a very interesting program.

On Sunday, Oct. 12, Mrs. E. Hall and Mrs. A. Wester will co-host at the 10:30 A.M. Coffee Hour. They will thank all the members who have worked with them in the building fund drive, also all who have so generously contributed to the fund. Members are asked to make an effort to attend.

Mrs. Rena Smith has her plans complete for the three-day rummage sale starting October 2, to October 4. Sale will start Thursday, Oct. 2, at 1 P.M. to 5 P.M. Friday, 7:30 A.M. to 5 P.M., Saturday, 7:30 A.M. to 1 P.M. She has a large amount of material, including household items, baby and adult clothes, glassware and china. All at bargain prices.

City Employees Meet With Council

The city employees met at city hall on Wednesday afternoon, Sept. 24, to select the pay raise that would be acceptable to all employees.

The Council in setting up the budget for the fiscal year 1969-70, realized the rise in the cost of living and voted to set aside \$10,500 for pay raises for the employees. They presented three proposals for the employees to decide on, hoping to present something beneficial within their limited revenue.

It was suggested to give more hospitalization with an added life insurance or a straight five percent raise, and an added alternative was with a three percent raise.

In a special meeting of the City Council on Thursday, Sept. 18, representatives of eight different insurance companies appeared with bids from their companies. After a lengthy discussion, the council voted 3 to 1 to select Blue Cross - Blue Shield of Florida to be the insurance company to present to the employees.

The city had carried Blue Cross - Blue Shield for a number of years as a group insurance on a voluntary basis with the employees picking up the tab.

Last Wednesday, the employees were presented with the three proposals. Donald Pate, representative of Blue Cross-Blue Shield presented the insurance coverage to the employees and after much discussion and questions, a secret ballot was taken. The straight 5 per cent raise received 12 votes; 23 votes were for the new group coverage plan, free for the employee with family coverage paid by the employee, hospitalization with a three percent raise received only 2 votes.

Now Showing at Southgate Theatre

This medieval regal clan of England's Henry II brilliantly depicts the lost, convivory and greed of their era in Joseph P. Levine's Avon Embassy Film, "The Lion in Winter," starring Peter O'Toole and Katharine Hepburn, in Panavision and Color, which opens... at the... Theatre. Above, from left: Timothy Dalton, O'Toole, Anthony Hopkins, Mrs. Hepburn, John Castle. Seated, from left: Nigel Terry and lovely Jane Marrow. Martin Poll produced.

Athens Baptist Prepares For Revival

Athens Baptist Church is preparing for a revival which opens October 6.

Guest speaker will be Rev. Ralph W. Stone, pastor of Palma Ceia Baptist Church, Tampa. Rev. Stone has often been featured on television and radio and is in demand for revivals.

Rev. Stone attended Stetson University and graduated from Wesleyan College in Fort Worth, Tex. He completed his studies at Southwestern Seminary. After graduating from the seminary, he was the pastor of Miller Memorial Baptist Church in Orlando until he was called to Palma Ceia Baptist Church three years ago.

Rev. Michael L. Swann, pastor, extends a cordial invitation to everyone to attend the old fashioned revival. There will be special singing nightly. Services begin at 7:30 P.M. October 6 through October 10.

Athens Church is in the Bereah Church on West Bereah Rd. on the Avon Park-Port Meade Road cut-off.

Devil "B" Squad Drops Opener; Will Meet Arcadia Thursday

The Avon Park Red Devil "B" team dropped its opening game of the season to Fort Meade by a score of 6-0 here at Memorial Field last Thursday night but, the Devil "B" will be trying to hit the win column tonight (Thursday) when they host the Arcadia junior varsity here at 7:30 P.M.

Avon Park had trouble getting its offense moving against the Fort Meade team all evening, gaining only 34 yards on the ground and being unable to complete a pass. The Red Devils also lost the ball twice with fumbles. But young Eddie Ezell and Danny Lewis showed some good promise with several of their plays. Ezell slammed the ball for one eight yard gain and Lewis had a seven yard run late in the game.

The Red Devil defense gave up over 100 yards of rushing yardage to the Fort Meade jayvee offense, but held them to a lone touchdown without the extra point. The junior Miners scored late in the first quarter after recovering a fumble on Avon Park's 37-yard line and marching for the score in spite of 20 yards of penalties. The point after was apparently scored on the first attempt but 15-yard penalty moved the Fort

Meade team back to the 18 and this time the Devils held. In the second quarter the Miners drove to Avon Park's 20-yard line before the Devil "B" defense held and again in the third period Fort Meade drove to Avon Park's 28-yard line only to be stopped cold at that point. The junior Red Devil's deepest penetration came late in the final period when they recovered a Miner fumble on the Fort Meade 38-yard marker and moved to the 23-yard line before another Avon Park fumble stamped out the last chance for the Devil "B" to score.

Coach Dewayne Lemier says his boys made too many mistakes but played hard, aggressive football and he expects them to come back strong this week against the even tougher Arcadia Bulldog junior varsity.

Gospel Sing Sunday

A gospel sing will be held at the Church of the Nazarene, 707 W. Main Street, Avon Park, October 5, at 2 P.M.

The "Senn Family" from Lakeland will appear. Friends and members of neighboring churches are cordially invited to attend.

"House Divided" Brings Disaster

By DAVID LLEWELLYN

"If a kingdom is divided against itself, that kingdom cannot stand. And if a house is divided against itself, that house will not be able to stand." Learn from these words of Jesus.

Solomon in his later days was a man as described by the apostle James, "a double-minded man, unstable in all his ways."

And the nation suffered under his confusion. Allegiance to the God of Israel began to be subverted by Jeroboam. While Solomon remained alive, Jeroboam began to lead his people to death by the sword.

Jeroboam's failure to train his children helped Jeroboam grow up the years of Solomon's reign as Jeroboam learned to despise the Lord and the responsibilities of political and spiritual leadership.

"Divided Against Itself" The "house divided against itself" resulted in a "kingdom divided against itself." The people were right in not following the insensitive and selfish Jeroboam, who never even considered their spiritual welfare. But they made no better choice in Jeroboam.

Jeroboam was crafty. Afraid that the 10 tribes that seceded to him would eventually join the tribe of Judah under Rehoboam as a result of worshiping in Jerusalem, he set up golden calves at Dan and Bethel and declared the preposterous

lies: "Behold thy gods, O Israel, which brought thee out of the land of Egypt."

We today are not far from the situation of the Israelite nation. We, too, have leaders who are searching for meaning apart from the word of God.

We, too, have a younger generation of leadership rising who, like Jeroboam, have no real interest in spiritual life, or who, like Jeroboam, are perverting true Christianity for their own interests.

Recently Adam Clayton Powell gave a television sermon from the pulpit of the New York City Cathedral in Harlem in which he talked about Jesus' command, "Do not resist him who is evil; but whoever slaps you on your right cheek, turn to him the other also."

Reverend Powell, the congressman, commented to this effect: "The man didn't say that to you when the go gets you on your other cheek also, and I say KICK THE HELL OUT OF HIM."

Is Our Foundation Firm? We, too, have let our personal spiritual houses fall apart and have no basis from which to challenge our local or national leadership when they contradict the Word of God. We often refuse to confront deceit or apathy even when it appears in our own house or family.

The thing can be praised in Malalay Murray O'Hair — she battles for what she believes. Why don't we? For one of two reasons. Either we don't really believe anything, or we don't really know what we believe.

In your foundation firm, your house structurally sound—or is it your time for a termite check? "Except the Lord build the house, ye labor in vain that build it."

Fellowship Baptist Church Will Hold Annual Homecoming Sunday

Annual homecoming celebration will be held Sunday, Oct. 5 at Fellowship Baptist Church, located at 1090 Thomas Street in Avon Park.

Special activities will include dinner on the grounds at 12:15 P.M., immediately after the morning worship service. Gospel singing will begin at 1:30 P.M. and continue until 3:30 P.M.

The gospel singing will include congregational and choir music, plus special numbers by the Happy-Three, the Happy-Ettes, and Ridge Trio, all of Avon Park. In addition, one or two out-of-town singing groups are

also expected to participate.

All present and former members of Fellowship Church, plus the general public, are cordially invited to attend both the dinner and gospel singing. "We are looking for this to be one of the greatest days in the history of our church," says Pastor Harrison Crews.

Sunday School will be held as usual at 9:45 A.M. morning worship at 11 A.M., Training Union at 6:30 P.M., and evening worship at 7:30 P.M. The church is located one block east of U. S. Highway 27 in the north part of Avon Park.

Constitutional Amendment Favored

When Highlands County voters go to the polls Nov. 4 in a special election, they will face a decision on a constitutional amendment which to many is confusing.

The amendment will be an improvement and a money saver, according to County Administrator-Engineer Chuck Morgan. Rep. Granville Crabtree, and should be approved by taxpayers.

But State Rep. Jim Tillman, while admitting it has good features, says he voted against it "because I feel the people ought to have a say-so when the taxpayers' credit is being pledged. They should know what it is for."

The four men were queried by the Sun when it appeared many voters do not know what the election is all about. The amendment would reinstate the state's authority to issue revenue bonds or tax anticipation certificates until June 30, 1970, without taking the matter before the voters in a referendum election. The new constitution had set June 30, 1969, as the deadline.

By voting for the amendment, taxpayers could in effect give the governing officials the power to work to the best advantage of all the citizens," said Morgan. "It would also eliminate costly referendum elections which in many cases have far too small a turnout and cost the taxpayers money."

Morgan said that the amendment does not currently affect any county projects and "we do not have to go to referendum" on the agricultural-civil facility for which racetrack revenues will be pledged.

"It is a necessary power to fulfill public works programs we need to do. And if you have to submit it to the electorate, you have a lapse of time and the bond market to contend with."

"This method of financing keeps taxes down and constitutes a pay-as-you-go proposition. Over a period of 25 years, it means that some of the people using a building being financed would help pay for it."

A \$76,847.62 verdict was returned against the Sebring Coast Line Railroad by a Highlands County Circuit Court jury Thursday in favor of Jack H. Wellington, of Avon Park, who claimed negligence in the death of his daughter, Sue Ann, 14.

Miss Wellington and Miss Pamela Carlton, 13, Miss Carlton driving, were killed when the car was hit by a northbound train at the Avon Park-West Main Street crossing.

The verdict is expected to go to appeal. Wellington was represented by the widely-known trial attorney Perry Nichols, of Miami, famed for his ability in obtaining large awards for clients in damage suits.

Featured singer will be Lynn Carol, also of Sebring, who recently recorded her first release in Nashville.

Other local singers will appear with the band during the Pantry Pride engagement.

Radio Station WSEB will have its broadcast of both shows, and Pantry Pride will give away country music records.

On opening day, October 15, there will be free lollipops and balloons for the kids and gift needles for the ladies. Mr. Antley announced. A drawing will be held Saturday night, Oct. 18, for a set of gold flatware for eight. Store hours for the first week will be 9 A.M. to 9 P.M. Wednesday and Thursday, Friday, and 9 A.M. to 7 P.M. on Saturday.

Additional special events and promotional activities will be announced for the following week.

Pantry Pride is known as a leader in the field of discount food merchandising through ultra-modern techniques of high volume distribution and merchandising.

More than 9,000 food and household items will be available in the new store. These will include all the nationally known brands as well as Pantry Pride's own labels.

Bombing Range Will Open For Dove Shooting

Although the Avon Park Bombing Range was not open for the beginning of the dove season last weekend, it will be open Wednesday and Saturday from now on during the established open dove season.

Mr. J. R. director of the game and Fresh Water Fish Commission has ordered that 75 acres in the range be seeded and sowed in three sections will be available to the hunters.

Firemen Sponsoring Boat Races Here This Weekend

The second annual Avon Park Regatta sponsored by the Avon Park Fire Department and Peace River Outboard Racing Association will be held Sunday, October 12 at 1 P.M. at Lake Tulare.

Saturday the Firemen will have a fish fry at Donaldson Park from 5-7 P.M. \$1.00 per plate. This is in celebration of National Fire Prevention Week.

The Miss Flame Beauty Contest will be held October 18 at 8 P.M. in the High School Auditorium. Twenty-two girls will be competing for the title of Miss Flame.

In the boat races there will be eleven classes with three boats each, run over a course of approximately one mile.

All contestants in the boat races are 1969 members of the American Powerboat Association.

Cash prizes will be awarded to the first, second, and third place winners in each class.

Classes that will compete in the race Sunday will be A, B, C, and D Stock Hydro, AU, BU, CU, DU, Husaboot, and A, B, C and F Outboard Hydro comb, and special event KG 7 Hydro.

Building Priority Heads List For Board Meet

A review of the building priority list for Highlands County schools is on the agenda for the October board meeting tonight.

The \$45 million bond issue approved by the voters last June includes funds for work on existing schools as well as money to build new high schools in Avon Park and Sebring.

To date Highlands County School Board has initiated programs to get the new high schools underway, and the meeting at 7:30 tonight (Thursday), the board will review the proposed schedules for work at the older buildings.

Superintendent George F. Douglas has pointed out that although the board has authorized the construction of new schools, it is necessary to have a plan for the existing schools to become compulsory by the Autumn of 1971.

Red Devils Tie Fort Meade; Will Meet Haines City Friday

The Avon Park Red Devils variety football team's unscathed record last Friday night but was unable to put them in the defeated column as the two close rivals battled to an 18-18 tie in an exciting game that saw Avon Park take the lead late in the first period while the Miners tied the game up three different times.

The tie left Avon Park with a record of 1 win, 1 loss, and 1 tie and set Fort Meade's record at 2 wins and 1 tie.

Neither team could score a conversion point but three of the six TD's were scored with runs longer than 60 yards.

Tomorrow night (Friday) the Red Devils will be home again with the Haines City Hornets invading Memorial Field for a battle. The Hornets won their opener against Kissimmee 24-12 but have since lost to Bartow 25-0 and Auburndale 22-6 for a 1 and 2 record. The Haines City team is coached by a new coach this year and the squad has several speedsters in the backfield although they are not as large a team as some of the past Hornets squads.

Devil back Willie Joe Seigler put Avon Park on the scoreboard first last week. Both teams had been unsuccessful in two attempts to get a drive going after the opening kick-off and late in the first period Devil nose man Larry Tolbert broke through to throw the Miner quarterback for a long loss.

Avon Park took over possession on the Miner 35-yard line and Don Sissmore moved four yards on two keeper plays before Roy Claitt shot to the Miner 15-yard line for a first down. From that point it was just "watch him" as Willie Joe Seigler broke loose around left end and ran 15 yards into the end zone for the TD. The Devils tried a pass for the two-point conversion and it failed.

The Miners struck back fast. They returned the kick-off to their own 35 and Glenn Aycock evened the score as he broke loose on a 65

A Billion Dollar Story

We're all aware that inflation is here and making deeper inroads on our paychecks each week, but would you like to hear the billion dollar angle?

The U. S. Chamber of Commerce reports that in the past eight years inflation has:

Eaten away an estimated \$113 billion from the life insurance reserves.

Eroded \$15 billion from the value of U. S. government and other bonds.

Reduced the value of pension fund reserves by more than \$17 billion.

Robbed people of \$32 billion from their savings.

Added more than \$100 billion to the cost of living.

Reduced the value of people's checking accounts by \$10 billion.

Billions!

Employ the Handicapped

This is National Employ the Physically Handicapped Week. From the first observance a quarter of a century ago, it has grown into a nationwide year-round program to increase job opportunities for our nation's handicapped citizens.

Today throughout this nation the handicapped are doing jobs that 50 years ago nobody believed they would be able to do.

Teachers are teaching from wheelchairs, people with severe heart conditions are doing light work, mentally retarded are finding simple jobs at which to work, the blind are doing many things, from farming to operating newspaper routes.

The committee promoting the physically handicapped is headed by Harold Russell, probably this nation's best known multiple amputee. They have a slogan:

"It's ability, not disability, that counts."

Your Social Security

Question—I will be 62 years old and plan to retire. I was born in Italy and my birth certificate is written in Italian. Will this delay my claim for social security?

Answer—No. The Social Security Administration has examiners who can evaluate documents in any language.

Question—I was married last month. I would like to have my married name shown on my social security card. What must I do?

Answer—Fill out a request for a change of your social security records. You can get a form for this by calling or writing any social security office.

Question—I am 18 and plan to enter a state university in the fall. My mother is a widow and is drawing social security for my younger brothers. Will the academic scholarship I won affect my social security checks?

Answer—No. A scholarship is

not considered as earnings for social security purposes and you will still continue receiving checks.

Question—My mother is a widow and draws social security. She was recently confined to a mental hospital. What will happen to her checks?

Answer—Someone will have to agree to receive her checks for her and use the money on her behalf. Contact your social security office on this.

Question—I'm getting social security and didn't expect to earn any money. But I've returned to work and will probably earn about \$2000.00 this year. What should I do about my social security checks?

Answer—If you earn over \$1600 for the year, part of your benefits will have to be withheld. If you actually earn \$2000.00 for 1969, \$1600.00 will have to be withheld. Your social security office can give you a more detailed explanation.

Letters To The Editor

Editor Sun: Your "letters to the editor" September 25 intrigue me, as the writers of both letters I consider to be good friends for whom I have a great deal of respect. However, some good friends can get involved in "police mentality" and others just don't know the score.

Personally I have no objections to a "slight police raise" if the terrific cost of the department to the city can be reduced by cutting down the size of the force and other savings. I can check might reveal that most of our police are not overworked and that some even have time for a bit of the sleep that the firemen get paid for.

Furthermore, I'd like to see some statistics on how many ordinary citizens are killed or injured, and how many compared to the number of police killed or injured. Is the answer to that more police? Is "police protection" becoming merely protection for the police at public expense? Are we widening the

gap between police cooperation with the public and police control of the public? Let's not waste too much sympathy on the poor police. It might tempt me to tell more about some of the night "Wolf" patrols at public expense. I don't "whisper" everything I know.

Doctors Oppose Sex Education

Advocates of sex education for our children in public schools continually emphasize that the program has been endorsed by the American Medical Association.

But do they tell you that it has been condemned in no uncertain terms by the Association of American Physicians and Surgeons? This really prestigious association of medical men has gone on record against sex education in the schools.

Here is the complete text of the resolution:

"Whereas the role of sex has been greatly overemphasized of recent years and the overemphasis is continuing, and

"Whereas sexual perversion, premarital sexual intercourse, and extramarital sexual intercourse are being presented as permissible in a modern, progressive society, and

"Whereas there is a national movement principally promoted by SIECUS (Sex Information and Education Council of the U.S.) to introduce instruction in sexual technique and "Family Living" into all grades of the

schools, without accompanying moral or religious instruction, and

"Whereas such premature and improper instruction can harm young people irrevocably and permanently and thereby weaken the family and the nation, and

"Whereas it is immoral and unwise to separate sexual conduct from moral concepts, which are properly within the jurisdiction of the family, and"

"Whereas compulsory education in sexual perversion in Sweden has caused medical leaders there to deplore the results, and

"Whereas it is a matter of serious concern to society when technical sexual information is prepared and presented in such a manner as to appeal to the prurient interests of people, in conflict with moral order as embodied in Judeo-Christian ethics;

"Therefore, be it resolved that the House of Delegates of the Association of American Physicians and Surgeons, Inc., in regular session assembled in Chicago, Illinois, this 12th day of

April, 1969, opposes incorporation of instruction in sexual technique or "Family Living" into the schools of the nation."

If all of the people who agree with this concise statement of principle would make their influence felt now, this demoralizing program could be stopped in many schools.

The Biblical standard of moral conduct has not changed. God still tells us, "Thou shalt not commit adultery."

The Scriptures still warn of the consequences of immoral conduct.

The sands of time are strewn with the wreckage of civilizations in which this warning was ignored.

Shall we be the next to suffer this fate? Or shall we rise up and protect ourselves against this attack on the morality of our children and young people?

Airlines— Is the Fog Lifting?

By Babson's Reports Incorporated, Wellesley Hills, Mass., October 9, 1969. Plagued by the weighty restraint of inflating costs, the nation's airlines continue to suffer from a severe profits squeeze. Thus far in 1969, reported earnings have nose-dived. The outlook for the remainder of the year does not indicate any significant rebound.

There were some extraordinary reasons for this poor performance. The airlines have been hit by a number of factors, including the 11-day labor strike against American Airlines. Nevertheless, the main ings picture have been rising expenses, inadequate fares, and declining load factors. Revenues have continued to trend upward, but costs have risen faster. As a result profit margins have been subjected to an intense squeeze. In short, the airlines are in a period of profitless prosperity.

Help From Fare Boosts
Earlier this year a fare increase of 3.8% was authorized. Despite this advance, several airlines reported lower 1969 second-quarter earnings than in the corresponding period last year. Three major carriers were forced to omit quarterly dividends on their common stock.

Primarily, this was due to increased expenses, but, also, traffic did not grow to the degree anticipated. Furthermore, this profit decline is being accentuated by the huge capital outlays for new jetliners and supporting ground equipment.

In the future, these new jets are expected to provide major cost reductions and allow productivity gains. However, some airlines are having difficulty arranging financing for this equipment. Western Air Lines, a financially hard-pressed carrier, canceled a \$150-million aircraft order. To stop further deterioration of the airlines' finances, the industry requested

and received a second fare increase this year. Although this increase amounted to 6.3%, it is still not sufficient to allow an adequate rate of return.

Intense Competition Rules
Why the airline industry flounders? The fierce competition that exists between the carriers is a major cause. In an attempt to gain a greater share of the market, the airlines add more, costlier, and bigger planes to their fleets. They also provide more services, try to lure more travelers with economy plans.

But the fact is that there are too many carriers serving the same routes. The CAB, which is responsible for route awards, seems to grant new operating territories to satisfy every line's demands as much as possible. This type of policy inevitably leads to smaller and smaller pieces of the pie until each of the carriers is left with only a few crumbs. Under these conditions, there is an awkward period when profits from lucrative routes decline to marginal proportions because traffic simply cannot grow fast enough.

Emphasis on Lossing Profits
Airlines are pursuing another tactic which could enhance their profitability. The holding company concept recently employed by the nation's railroads to facilitate diversification is being adopted by some airlines. United Air Lines has already established such a corporate vehicle. This provides an easy way to separate airline activities from related ventures such as hotels, car rentals, and restaurants—which are peripheral to passenger and freight transportation. By isolating their transportation business, airlines hope to achieve a more equitable fare structure.

Looking Ahead
Despite the gloomy near-term outlook, prospects for the 1970s

seem brighter. Capacity additions are expected to be less than traffic increases, allowing load factors to bounce back. Due to the industry's leverage factor, traffic gains above the break-even level permit large amounts of revenue to flow to operating profit. There is a good possibility that next year will see some earnings turnarounds. Hence, current problems of the airlines should diminish in intensity during the decade ahead. The bulk of the industry's problems seem already to have been discounted by the stock market.

Florida Probation and Parole Commission Explains System

Recent, as well as past, criticism by some prison officials regarding stringent parole requirements in Florida is apparently engendered due to a complete lack of knowledge and understanding of the elements in systematized parole.

In Florida, to provide the very best means of protection for society against further victimization, parole releases are predicted upon the professional experience and analysis of each individual case by five parole Commissioners with a cumulative total of over 140 years experience dealing with abnormal behavior of criminal offenders.

Parole releases require a majority vote by the Commission, thereby affording additional protection to society.

Should an individual who is reported to be "tricky" inside the prison be "turned loose" merely to depopulate the over-crowded prisons? Perhaps the offender should be prosecuted for his heinous acts committed while in prison.

Should "perverts" be freed to ply their trade on unsuspecting children just because there are not enough psychologists, psychiatrists or space within the penal system?

The Florida Probation and Parole Commission is justifiably proud of its success rate of over 78 percent since its inception in 1941—and proud that this is one of the highest, if not the highest, in the nation.

The Commission's system of high selectivity in parole release may be counter-clockwise to recommendations of some officials who fail to understand the exigency of being cautious concerning indiscriminate release of criminals, but it is clockwise to the desires and demands of the victimized and a society in which is very much concerned about the alarming increase in crime.

Reportedly, about 67 percent of the law violators committed to state prisons are repeat offenders. However, in Florida, because of the careful selection and professional supervision, only approximately 7 percent of those released on parole are revoked because of new offenses. The majority which are returned to prison have committed technical violations which indicated the probability of the parolee committing a new offense. This is crime prevention and parole at its best.

The courts and the judicial process, although rehabilitatively centered, recognize the inevitability of certain individuals—to commit new crimes. Therefore, prison sentences are imposed to allow an individual to achieve adequate maturation and introspection under a closely guarded atmosphere until ready to return to society. Otherwise, probation city.

would have been invoked. The courts have full confidence and the people have mandated in the constitution that the careful process of selectivity is desirous for maintaining maximum protection to society.

It is also an injustice to release an offender prior to his readiness and ability to cope with orthodox conditions of our modern complex society, unless intensive supervision and guidance can be provided within the community.

Indiscriminate parole release of non-deserving inmates would have deteriorating effects on the morale of other prisoners.

Presently, the Commission's supervisory staff is laboring under a workload units almost twice the national recommended average. Releasing additional high risk criminals for the staff to supervise would be an abortive effort and a waste of time.

Second, society must be willing to accept the individual back into the community as an integral member.

Third, necessary professional personnel must be available to provide the degree of intense supervision necessary to maintain the existing law abiding citizen.

The vast majority of prisoners are quite capable and on-conscience would depict an attitude of "readiness" for release, but what happens when this mirage is lifted, and conditions are beset with reality?

A "one-stop" service involving prisoners, probationers and parolees may have the advantage of relieving the crowded prison conditions, but where are the checks and balances for the protection of society and guarantee of success? Our constitution provides for a system of government consisting of judicial, executive and legislative branches in order to maintain a balance of jurisprudence.

A system of checks and balances is retained by providing that an agency completely independent of the prison system make release decisions and the responsibility for successful supervision of releases is clearly defined with the releasing agency. It is felt the people of Florida, including the criminal offenders, deserve this discretion, wisdom and prudence in dealing with criminal rehabilitation.

The Florida Probation and Parole Commission will assist and commit its staff to ward any needed corrections reforms which are pledged to improve the process of rehabilitation and crime prevention, but it does not feel promiscuous release of individuals on parole is the solution.

Old Settlers Club Will Celebrate 25th Anniversary October 29

The 25th Anniversary of the Old Settlers Club of Avon Park will be held at the Congregational Fellowship Hall at 2 P.M., on October 29. A good program is being arranged by the officers and refreshments will be served. Members are those who have lived in Avon Park for at least 20 years. Many who now live out of town use this occasion as a homecoming to visit with their old friends here and those others who return.

Officers presently serving are Ted J. Ward, president;

E. A. DeLaney, Sr., vice president; Mrs. Hayes Maxwell, secretary; and Mrs. Jesse Bennett, treasurer. Mrs. Cora Wray is the historian and she has quite a large collection of pictures that were made around the turn of the century. She is urging others to loan their pictures for the occasion, those of people and buildings.

The annual election will be conducted by the retiring president. Time will be given for interesting anecdotes of the beginnings of Avon Park and its claim to fame.

District Nine Women's Clubs To Meet

The annual District Nine tour of Florida Federation of Women's Clubs will be held at the clubhouse of Lake Wales Woman's Club, Lake Wales, Thursday, Oct. 16, with Mrs. W. H. Williamson, Auburndale, District Nine director, presiding.

Registration and social will begin at 9:30 A.M. with Lake Wales Woman's Club and Lake Wales Junior Woman's Club as hosts. The regular meeting will convene at 10 o'clock. 52 Members Of Woman's Club Attend Salad Bar

Fifty-two members of the Woman's Club enjoyed the salad bar, opening the Fall season of the Club on Friday, Oct. 2 in their club house.

Theme for the year is "Americanism."

Mrs. Edgar Smoot, president welcomed the members and their guests. The Club is celebrating its 50th anniversary this year.

In keeping with the event, a gold color scheme was carried out in decorations. A gold cloth under net covered the speaker's table. Individual tables were covered appropriately with 50th anniversary napkins at each place setting. The centerpiece for the refreshment table represented future growth of the club with an arrangement of flowers centered with a girl sowing seeds.

Mrs. Samuel Norris gave devotions. Mrs. George Walcott, in charge of music, introduced her guest singer, Anna Mae Parker, who was accompanied by Mrs. Edna Jackson.

Ten new members were introduced by Mrs. T. Hayes Maxwell. Honors were given to Mrs. Cora Wray as the club's oldest member. The club was organized in 1919 with Mrs. Henry Stephenson as the first president.

Mrs. Mervin Rehner program chairman introduced Mrs. Gordon, Electric Home Economist for Florida Power, speaker of the day, who demonstrated new recipes and distributed them to the members.

Business meeting followed with reports from Mrs. N. H. Booth, Jr., recording secretary and treasurer report by Mrs. Talmadge Rogers.

Dues are now due. The year books are being distributed with payment of dues.

Mrs. Smoot gave the report of the Fall Board meeting held recently in Naples. Plans were made for money-making projects for the Club.

Mrs. Louise Fanner gave a very favorable library report.

Craft classes will be held every other week in the club house at 9:30. Watch your paper for dates.

Hostesses were Mrs. Paul Calvert, Mrs. Jim Thorpe and Mrs. Francis Pfeffer.

Speaker for the November 1 meeting will be Mrs. Karl F. King, second vice president of Florida Federation, speaking on gardening and the Honorable Paul G. Rogers, United States Congressman, speaking on "Americanism."

Buying a Home? Here Are Things You Should Know

The most useful guides for a family when they decide they want to own a home is a chart of wants and capabilities. Five things have to be taken into consideration: (1) should they build, (2) buy in a subdivision, (3) buy a custom-built house, (4) buy a house a few years old, or (5) buy an older house?

Now list the factors important to the family down the side. By factors we mean such considerations as nearness to work, shopping, transportation, size of the house, modern conveniences, maintenance, low price, financing, and others. When all these factors are decided, added and compared, the family has at least a rough idea of what type of house will best suit their wants and their income. Then decide what is possible.

Wants must be balanced against reality. Facing reality helps when a family consults a Realtor, for they realize and the Realtor knows what range of houses on the mar-

ket, or coming on the market might suit them. The Realtor's professional help and advice is the family's safeguard against future disappointment.

ROTARY CLUB NEWS

By Crawford Thompson
Program Chairman Andy Miracle introduced Leslie Burch, Regional Education Director of the Diversified Cooperative Training Program of the State Department of Education.

DCT, as it is more popularly termed, is a combination of academic and vocational instruction, designed for non-college-bound students, and made possible by the cooperation of local businessmen. Students receive, as a rule, four hours of classroom training in the mornings, followed by four hours of on-the-job training coupled with productive work in the afternoons. Industry thus becomes a very practical part of the education of the student.

Students enjoy a five-point plan stressing social growth, the benefits of free enterprise, the acquisition of profitable skills, development of a positive attitude and wholesome outlook and general competence. They earn and learn and grow as individuals.

Employers find that students are more eager and try harder than off-the-street applicants, and that many stay on after training to become superior employees. In return, employers do a thorough job of teaching and help their students to become genuine business assets.

The DCT Coordinator, in an effort to guide his students toward a well-rounded, fully-realized state, tests them for aptitudes, teaches them how to apply for jobs, and once his students are employed, he visits them at work, suggests ways of making the most of each situation, works closely with the employers, and seeks to develop in students good work habits, a sense of responsibility, and the satisfaction of achievement.

Currently, 27 local students are enrolled in the system and learning a great variety of skills.

They call 'em disc jockeys because they spend so much time horsing around.

DEAN GRIFFIN, Director of Vocational Technical Division; Robert Burnett, president of Vocational Tec. Club; Wau-chula; Larry Davis, vice president, Zolfo Springs; Ray Hall, secretary and

treasurer, LaBelle, look over the situation of whether to seed or sod at the buildings of South Florida Junior College.

Band Association Meets Monday To Discuss Plans For This Year

The Band Association as usual will meet the second Monday of the month which will be Monday, October 13, 7:30 in the Band Room.

Mrs. McDaniel, membership chairman, reports only 60 memberships so far, which is very small when one considers there are 87 in the Senior Band and 60 in the Junior Band and many young ones coming along whose parents should be sending their \$1.00 membership in to Vic Mic-

Kunas. President Gerald Wicker, promises many interesting items on the agenda.

Should a storage house be built at the field for Mrs. Ed Sharpe and her committee of 13 who run the concession stands at the football field to keep their supplies?

There are 8 or 10 new uniforms just received which complete the outfitting of the band but they aren't yet paid for. Uniform rentals should have

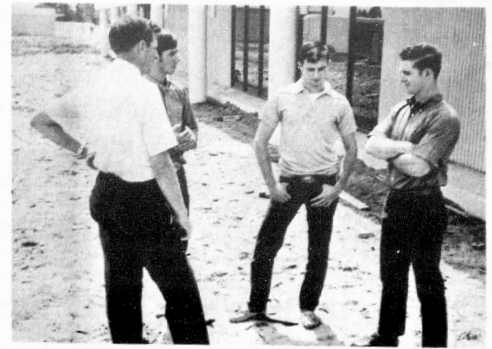

been paid some time ago. As a reminder for those who are delinquent, October 13th is the deadline, after that rental goes up \$1.00.

Mickunas is enthusiastic about the shows to be given at the next four home games but the one Friday night the 19th will be a real spectacular. A circus theme, specialty acts, ponies, tumblers, Rev. Bert Lawrence as a clown, and what is that surprise ending?

The Senior Band is composed of students grades 9-12 except for the glittering strutting color guard who are 8th graders. However, all parents of all band students be vitally interested if they expect their sons and daughters to keep up their enthusiasm.

One present problem is where to make the doughnuts — presently made on Mr. Wicker's porch, hand sold every Friday night at the game — 25 dozen a night are sold-out in no time. Do you know of a possible spot — if so call Bud Worden, doughnut chairman. Mr. Wicker, Pres. and Mr. Johnnie Johnson, Vice-President will welcome you your membership and your ideas.

The Avon Park Sun, Avon Park, Fla., Oct. 9, 1969-38

ROBERT BURNETT, Ray Hall and Dean Griffin, Director of Vocational Technical Division discuss the best thing to do for the lawn.

CITRUS CROP FORECAST

The first USDA citrus crop forecast of the 1969-70 season will be announced at 3 P.M. Eastern Daylight Time, October 10. Florida growers can obtain the forecast for Florida and other States by calling the Florida Crop and Livestock Reporting Service in Orlando shortly after 3 P.M.

ANS

TODAY the body conscious clothes in the slink cling fabrics require stitching with a special thread. Talon's Polyspun Thread is compatible to the popular cire knits, polyester nans and crepes. Polyspun has a continuous polyester filament wrapped in cotton; the cotton sheath provides heat resistance, makes the thread sew and appear like cotton, while the polyester core provides strength and elasticity. Polyspun assures smooth seams, preventing puckering in detailed fashions, such as the harem mini-dress pants shown here. The suit is Simplicity pattern 8033 in misses' size.

First rule in how to climb the ladder of success: Don't step back to admire your work.

to the 32-yard line to the first play from scrimmage. Miner speeded up. White took the snap and scooted 60 yards. Second Fort Meade the things up 12 yards. The Miners tried a the extra point and no good.

The Miners kicked. Devil back Dennis turned it 18 yards. Avon Park 24. Two plays later a loss. Park but on. From the 26, Williams put on another exciting runs and yards for his second game. A delay game penalty moved the extra point try run for the two points. Avon Park 26. Fort Meade 16.

The Miners were denied however took the following and marched 71 the tying touchdown for one 13-yard pass. The entire drive was ground and the action came from the Devils with Miner quarterbacking in with the ball for the two points. The drive was stopped by a defense to keep tied 16-16.

The Devils drove first down and then the fourth period. Then the Miners took over and were forced from the 13-yard line. Park took over and made a first down with a couple of minutes in the game. The Miners made a first down roughing the kicker gave them new life moved to the 30-yard line. Then on second with six yards in the first down, the intercepted the eighth and returned the 31. On the last game the Devils Beynon for a five to assure the hard-score.

Seigler again led Park backs in rush 130 yards for 11 on average of 11.8 yards. The fleet senior pushed his points 25 for the third played. Claitt rushed yards and Steve Harts 73 yards.

The Red Devils held the explosive offense to 272 yards ground and 100 yards the air stopping action within the Devil line. In spite of the pointment of a the Red Devils played standing game and able to go through of the season in column if all played well.

"B" Squad Defeats Arcadia 20-0

The Avon Park put on a second a splashy last Saturday here at Memorial win over the Arcadia. The squad in a game from last Thursday a score of 20-16. Park "B"s are will face the S team in Sebring (Thursday) at Coach Dewey's hopeful that the Devil jayvacs against Arcadia. A end half will ease a win against S night.

Avon Park re opening kick-off day and moved one first down kicked the ball. The junior Bullock move the ball on but were held down when they air. They split the threw a 10-yard following plays gains of 10 to 20 and the Arcadia drove all the score and also two point covers an 8-0 lead at the first quarter.

Early in the Avon Park move on the ground and then Leon the help of good from his line, the pass that was on Nathaniel Park another running terback McRae. Water with a that was good for the extra point. no good so the 8-8 in favor of After the kick mixed running four pass fore again.

to the 32-yard line and on the first play from scrimmage Minner speedster Phillip White took the hand-off and scooted 68 yards for the second Fort Meade score to tie things up 12-12. This time the Miners tried a pass for the extra point and it was no good.

The Miners kicked off and Devil back Dennis Hart returned it 18 yards to the Avon Park 28. Two running plays netted a loss for Avon Park but on third down, from the 16, Willie Joe Seigler put on another of his exciting runs and moved 74 yards for his second TD of the game. A delay of the game penalty moved Avon Park back to the eight on the extra point try and the run for the two pointer was no good. The score—Avon Park 18—Fort Meade 12.

The Miners were not to be denied however and they took the following kick-off and marched 71 yards for the tying touchdown. Except for one 13-yard pass play the entire drive was on the ground and the actual score came from the 3-yard line with Minner quarterback going in with the ball. A run for the two point conversion was stopped by the Devil defense to keep the game tied 18-18.

The Devils drove for one first down and then punned as the fourth-period wore on. Then the Miners were held deep in their own territory and were forced to punt from the 13-yard line. Avon Park took over on the 50 with a couple of minutes left in the game. They couldn't make a first down but a roughing the kicker penalty gave them new life and they moved to the Minner 32-yard line. Then on second down with six yards needed for the first down, the Miners intercepted a Devil pass on the eight and returned it to the 31. On the last play of the game the Devils threw Beynon for a five yard pass to assure the hard-fought tie score.

Seigler again led the Avon Park backs in rushing with 130 yards for 11 carries—an average of 11.8 yards per try. The fleet senior halfback pushed his points scored to 32 for the three games played. Claitt rushed for 83 yards and Steve Hart gained 73 yards.

The Red Devil defense held the exclusive Minner offense to 272 yards on the ground and 63 yards through the air stopping one drive within the Devil ten yard line. In spite of the disappointment of a tie game, the Red Devils played an outstanding game and should be able to go through the rest of the season in the win column if all players stay well.

"B" Squad Defeats Arcadia 20-16

The Avon Park "B" team put on a second half scoring spurge last Saturday night here at Memorial Field to win over the Arcadia Jayvee squad in a game postponed from last Thursday night by a score of 20-16. The Avon Park "Bees" are now 1-1 and will face the Sebring "B" team in Sebring tonight (Thursday) at 7:30 o'clock. Coach Dewayne Lemler is hopeful that the momentum the Devil Jayvees gathered against Arcadia in the second half will carry over to a win against Sebring tonight.

Avon Park received the opening kick-off last Saturday and moved the ball for one first down and then kicked the ball to Arcadia. The junior Bulldogs tried to move the ball on the ground but were held until third down when they went to the air. They split their ends and threw a 10-yard pass. The following plays were pass gains of 10 to 20 yards each and the Arcadia offense drove all the way in to score and also to make the two point conversion to take an 8-0 lead at the end of the first quarter.

Early in the second period Avon Park moved the ball on the ground for two plays and then Leon McRae, with the help of good protection from his line, threw a 20 yard pass that was caught by end Nathaniel Packer. After another running play, quarterback McRae hit end Bud Wester with a 16 yard pass that was good for a TD. But the extra point attempt was no good so the score stood 6-8 in favor of Arcadia.

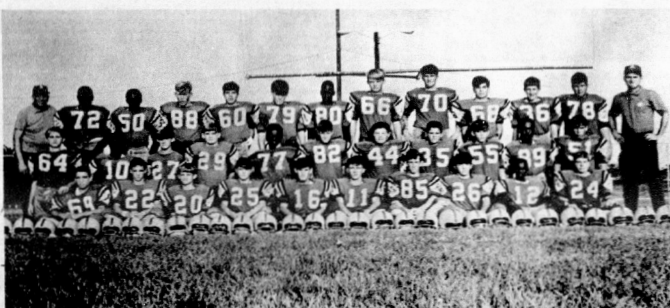

After the kick-off, Arcadia mixed running plays with several long pass completions here again and at half-

Damage From Flooding In County By Jenny Estimated at \$1,000,000

An estimated \$1,000,000 damage from flooding was done in Highlands County as Tropical Storm Jenny slashed her way across the state Thursday.

Thursday's day-long and evening torrential rains which had five and six inch rain gauges in the Lorida area, flooded an estimated 10,000 acres in the South and West sections of the county. This is the area below the Ridge in the Kissimmee River Valley.

District soil conservatist Sam Polston, who took a tour of the area Friday, estimated that damage "could run over \$1,000,000. I could hardly believe it. I had never seen anything in that area that bad."

Residents in the Lorida area said the flooding was worse than during Hurricane Donna in September of 1960, which took a heavy toll in property damage in the county.

Polston said he believes about 500 acres of groves were flooded, many homes, trailers and roads. Route 98 was under water for a two-mile stretch, and for the first time anybody can remember, the Seaboard Coastline railroad was under water near Elliott's Grocery on Route 98.

Parts of Route 66 and Sparta Road were under water.

Polston said he believes many of the citrus trees will be killed in groves which were flooded. He explained that with the large amount of water in the soil when Thursday's heavy rain came, the ground will remain soft and mush, killing the roots. Older trees are in the most danger, he said.

Polston toured the area in a pickup truck with conservation technician Claude Howerton and they came back convinced the development in that area now is such that a watershed project is needed.

"That's what I was doing out there," he said. "Development, both urban and agricultural, has been increasing. Because of no organized water control for the area, we were respectful that this would happen and it did."

Put Up Road Blocks
Polston said that when they got to Lorida about 10 A.M. Friday, the water had fallen about six inches over what it was at daylight. The county was busy putting up road blocks in the area, as water was eroding the roads, splitting them in the middle, and they were considered a hazard. However, most roads were passable. Arbutus Creek was out of its banks and had put Odham fish camp under water.

"This was a real local situation at Lorida," said Polston. "Most of the gauges registered five and six inches above, while the rest of the county got three or four inches."

All Lorida Under Water
On top of an already wet countryside, soaked by recent weeks of heavy rains, the downpour put "everything in Lorida practically under water."

He remarked humorously that "at Elliott's store on Route 98 you could fish right by the gas pump!"

Lake Istokpoga, however, only rose 1.2 feet above the most desirable level of 38.5 feet, but where near the record flood level of 44 feet in 1947-8.

Polston said he talked with some of the people in the Lorida area and they expect to call a meeting shortly and file an application for assistance under the small watershed act such as has been done in other project areas such as Upper Josephine and Jackson Creek. Flooding Creek, Istokpoga Marsh, Lake Placid Estates and West Chain of Lakes and Carter Creek.

Ball the Water
County Administrator, Engineer Chuck Morgan, Dick Starr of Ft. Pierce, regional sanitarian, and Thevenon Delaney, county sanitarian, toured the area on Thursday, finding pockets of 98, some spots on 66 and Sparta Road under water.

"This further points out the dire need for more subdivision regulations," Morgan said, "so that the lot buyer can rest assured he is purchasing a usable lot."

He pointed out that people who were flooded and who use private wells, should take the precaution of boiling water prior to use as recommended by the health department.

Road Collapsed Under Truck
Morgan was out again Friday. He reported the most badly damaged of the county's roads was the Arbutus Creek Road.

A county dump truck driven by Ralph Hulon was attempting to push the road about one mile North of Lorida at 2:30 P.M. Friday when the roadway beneath the truck collapsed, flipping the truck over on its back.

There was considerable worry here some months ago when the U. S. Supreme Court eliminated residence requirements for public assistance, but as yet Highlands County has not felt the impact.

Mrs. Sadie Salley, supervisor for the division of family services in the county, said "we have had very few requests — four or five." She added, that "but of course, the winter season is not yet here."

There had been feeling here as in other parts of Florida that Northern welfare recipients would flock to this warmer climate, pushing the state's welfare rolls out of sight.

A report from the Department of Health and Rehabilitative Services in Jacksonville, said that by mid-September, 55 families previously receiving county welfare were added to state public assistance who would not have been eligible prior to the court's decision.

The cost of money grants to the division for these families in August was \$2,679, with the federal government paying about \$2,003.73 and the state the remaining \$675.27.

Twenty of the 55 families were in the Duval, Monroe areas.

REP. MARY R. GRIZZLE

Discussion of Amendment on Ballot To Be Heard by Republican Women

By ADA S. MAYBERRY
Guest speaker at the meeting of Highlands County Women's Republican Club at 1:30 P.M. Thursday, Oct. 9, at city pier, will be Rep. Mary Grizzle of Clearwater.

A member of the Florida House of Representatives, Rep. Grizzle is the first Republican woman in Florida to be elected to the State Legislature. She is immediate past president of Florida Federation of Republican Women, and is listed in Who's Who in American Women.

Hulon fortunately was uninjured. This was at a point where a drainage ditch crosses the road and was washing out the road.

"It looks like where Arbutus Creek branch crosses Arbutus Creek Road we will have severe damage," Morgan said. "We had to completely bar this off Friday. Several portions of Arbutus Creek Road washed out between Route 98 and Hicks Road."

He added that "to me this points up the need for a water control project in that area as opposed to trying to accomplish drainage with roadside ditches. The ditches are there for road drainage — not to drain adjoining acreage. The conditions this past week were beyond their capacity."

Kissimmee Very High
Edna Pearce Lockett, one of the area's better-known ranchers, reported that the Kissimmee River (her home on the P-4 ranch overlooks it) was the highest she has seen it since the new canal system was put in. She said there was 12 inches of water in the Cornwell and Basinger areas Wednesday, Thursday and Friday.

The canal was completely out of its banks and pushing water over everybody's land, but she pointed out that it probably would have been worse if the canal were not there.

She will explain the amendments, which will be on the ballot in the November election. The public is invited to attend, and hear this interesting program.

Highlands County Women's Republican Club has been informed that it has received the Diamond Award Recognition for dedicated service in achieving the objectives of the National Federation. It is one of five clubs in Florida to achieve this recognition.

Post Office Box Patrons May Get Billed More

Your attention is invited to the following conditions regarding the mail service received by post office box patrons, some of which have been relaxed due to the previous shortage of post office boxes which will no longer exist effective October 26, 1969.

Postal regulation 151.334 of the Postal Manual, requires the Postmaster to charge the rental fee for the size box which would be required to handle the average daily mail volume, even though the post office box is too small to handle same. When this condition exists, the patron should rent a larger box, if available. We do have all sizes of boxes now available.

A serious problem in the past in the case of some families, due to the shortage of boxes, has been the receipt of mail by two or more families in the same post office box. Postal regulations do not allow receipt of mail addressed to relatives, except in the cases where the relatives live in the same household. The extra charge for volume exceeding the capacity of the box still applies in this case.

With the new key-type lock boxes, patrons may request one or two keys, according to his needs. Additional keys may be purchased for 50 cents each. In the case of lost keys, a charge of 50 cents will be made for duplicates. When boxes are given up, patron will be required to return the number of keys issued, or pay 50 cents per key. Worn or broken keys shall be replaced without charge, if the damaged keys are surrendered.

In order that we may provide the post office box patrons with improved postal service, you are requested to review your present post office box services, and where the above conditions apply, you are requested to contact the post office for the necessary change.

Junior Women Planning Big Parade

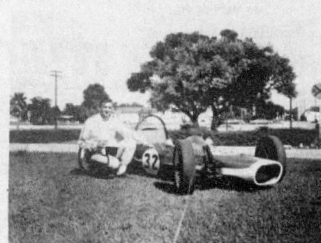

October is here again, and with it comes Halloween. Especially here in Avon Park, each year the members of the Junior Women's Club, along with other civic organizations and school clubs, participate in the annual Halloween parade and carnival, which will be held this year on Saturday, Oct. 25. Also, there will be a new treat this year—a genuine Red Race, details to be explained later! It is not too late to begin planning costumes to be worn to the festivities, because as you might guess, there are prizes for the best!

To be eligible to compete in the judging, the children's costume must be homemade, except the mask, which can be bought. A blue ribbon will be awarded to the child with the "most original" costume; the "most like Halloween" costume will be given the red ribbon; and the white ribbon will be for the "best all around" costume. The children will be judged and will march in the parade in the following order: Two different groups of pre-school age; 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, and 8th group. An example of group judging would be three children posing as the three bears—only one ribbon would be awarded to the group.

Junior Women are engaging in activities now for the exciting times coming up. For instance, at their next meeting, Tuesday, Oct. 7, they will bring two posters to enter in competition for a prize; afterward, the posters will be distributed throughout Avon Park to remind the coming events! Also, the Junior Woman who wears to the meeting the best homemade mask will be awarded a prize.

If you've attended the carnival before, you surely won't miss it this year—and if you haven't, please come and see what you've been missing! The Junior Women hope that each and every member of the community will come and make an afternoon of it on October 25. They promise fun for all ages! Remember, all the funds raised will be used for the benefit of the community.

County Board Will Hold Hearings

Public hearings on establishment of a bulkhead line for Lake McCoy will be held in Highlands County, before the county commission.

At its meeting on Tuesday the county board received authorization from the State Department of Transportation to hold public hearings and transmit all findings to the Trustees of the Internal Improvement Fund.

A dispute over proposed changes at Lake McCoy currently has the four-lane US 27 in that area at a standstill. The Internal Improvement Fund trustees must give their approval for lake changes, and property owners around Lake McCoy have protested making a full of the small, but deep, lake.

Exact date for the hearing was not set by the county commissioners Tuesday, but advertising of a hearing was authorized.

Pleads Guilty To Assault And Battery

Pleading guilty to a charge of assault and battery instead of the original one of aggravated assault, Rahlin McMinn, of Avon Park, Monday was sentenced by Circuit Judge Clifton Kelly to pay a \$25 fine, \$1 to the Florida police academy or spend six months in jail.

McMinn was arrested after a pistol assault on Carroll Tuten, of Charles Thomas Hughes, of Orange Ave., Sebring, was put on two years probation in the breaking and entering of Simmonds Bait and Tackle Store on US 27 South.

Dennis Richardson, of Frost-proof, pleaded not guilty to robbing at knifepoint from Jason Parsons of Avon Park.

Cecil Tatum, of Sebring, accused of breaking and entering the Four Aces Bar, did not appear. Judge Kelly ordered his bond of \$500 estimated, set new bond of \$1,000 and ordered him re-arrested.

Regular Sunday Service Will Be Made at New Post Office

Regular Sunday service, including receipts of mail through lock boxes and deposit of outgoing mail, will be made at the new post office facility on Sunday morning, Oct. 26, 1969 at 6:30 A.M.

Windows services will open at 8:30 A.M. Monday, Oct. 27, 1969, with full services, including expanded money order service hours, which were previously 9 A.M. to 5 P.M. and are now changed to 8:30 A.M. to 5 P.M. All patrons are advised that all services, including money orders and registry service, will be provided by each window.

Your new facility will be air conditioned for your comfort. Patron parking will be located in the front of the post office building, facing on Verona. Only large bulk mailers and firms will be allowed to enter the rear parking area to unload large volume mailings.

Some post office patrons have not yet picked up their post of file box keys and are invited to do so.

The new facility is a part of the modernization program of the Post Office Department under the able leadership of Winston M. Bloom, Postmaster General, and President Richard M. Nixon.

Crackdown On Serving Liquor To Minors and Reckless Driving

A crackdown on adults who serve liquor to minors and minors who are driving recklessly appears to be under way here. Juvenile Counselor Robert Lindsay pointed to the sentence handed out in county court last week to Earl Smith, of Lake Placid, who twice was found guilty of contributing to the delinquency of minors by furnishing them alcoholic beverages. Smith is serving two sentences totaling nine months.

And instead of revoking licenses for 30 days or giving a teenage driver probation, the county judge is revoking licenses up to a year, Lindsay said.

"The court is beginning to become sterner in the disposition of traffic cases," Lindsay pointed out, noting that six youths in the area were killed in traffic accidents in the past few weeks.

The court, he said, "has been rather lenient on juvenile drivers who get a ticket, but I do not believe this can continue."

Lindsay says he foresees more drastic action in the cases of minors consuming intoxicating beverages.

"The court now is taking action against adults as well as the children," he pointed out, pointing again to the Smith case. "Adults have been getting away too many years with carelessly giving liquor and furnishing liquor to minors without any consideration."

And it won't be just the adults

who are in trouble, Lindsay predicted. "The minors themselves," he said, "stand a very good chance now of being arrested and detained in the juvenile home."

Jr. College Baseball and Basketball Teams Prepare for Coming Season

South Florida Junior College baseball and basketball teams began hard work for the coming season under the tutelage of Coach Dunning Terrell.

The baseball team has been working out 3 afternoons a week on a shakedown cruise trying to eliminate the weak points and let the boys get acquainted. The regular baseball season doesn't begin until the latter part of February, but we need to know what we have as we don't have much time between basketball and baseball.

Returning from last year are All-Conference pitcher Roy Nelson, 62, 190 lbs. from Mobile, Ala.; Robert Sizemore, 67, 180 lb. pitcher from Avon Park; Mike Har-

Returning from last years squad that posted a 6-18 record with an all freshman squad are 6'3, 230 lb. Willie Marovich; 6'3 Chuck Smith; 6'0 Rog White, 5'10 Mick Turner, and 6'2 Ken Dixon. Newcomers to the Panther squad are John Beattie and Edgar Moseley, members of the fine Harder High team of Wauchula, 1965, that posted a 24-3 record. These boys returned in August from Vietnam and 4 years of military service. From Sebring come 6'4 John Graham and 6'0 Rod Hollinger. From Avon Park are Donald Strange 5'8, and Charlie Magenheimer 6'0. From Moore Haven comes Bill Whitener 6'3. From Frostproof comes 6'3 Jerry Stephenson.

"I'll make no predictions, but our attitude is much improved over last year," said Coach Terrell.

Vandals Shoot Power Lines

A vandal with a high-powered rifle knocked out electric service to large areas of Avon Park, Lake Placid and DeSoto City shortly before noon last Wednesday.

According to T. S. Ricketts, district engineer for Florida Power Corporation in Lake Wales, a 60,000-volt transmission line between Sebring and DeSoto City was severed by a rifle bullet about 11:30 a.m. Wednesday. The high-voltage transmission line dropped to the ground,

causing an electric power outage in large areas of the county. Power was out in these areas for as long as three and one-half hours.

Part of the severed line, with lead fragments of the bullet adhering to it, was turned over to the sheriff's office for further investigation.

Vandalism to a public utility is a federal offense, according to Ricketts.

Sebring and other areas serviced by Sebring utilities were not affected.

Following breakfast a business meeting was held with Mrs. George Kelsey, president, presiding. Plans for the Christmas tea were announced. A workshop for making articles for sale at the December bazaar will be held on October 16 at the Florida Power Lounge with Mrs. P. C. Boney in charge. It was announced that District 6 meeting will be at Winter Haven on October 23.

At the conclusion of the business meeting a silent auction of plants was participated in by those present.

The November club meeting will be a field trip to Highlands Hammock State Park where the forest ranger will be the speaker.

Local Residents In Highlands Drinking More Soft Drinks

Residents of Highlands County are pouring soft drinks down the hatch at a greater rate than ever.

According to a breakdown of national and regional figures, sales of the bubbly beverages broke all previous records in the past year.

It is estimated from the reports that local people consumed soda pop at the rate of 427 eight-ounce bottles per person.

As for the Highlands County population as a whole, it downed approximately 11,273,000 bottles and cans of soft drinks in the year.

That was 169 percent more than was consumed in the local area a decade ago. The total then was 4,193,000 bottles.

Elsewhere in the United States the rise was 108 percent and, in the State of Florida, 153 percent.

The data was derived from the annual reports issued by the soft drink industry and from Department of Commerce figures. They show that it takes more than 66 billion (billion is correct) bottles of soda pop per year to slake the American thirst for soft drinks.

Throughout the country, people vary greatly in their use of these thirst quenchers and in the

Tomek-Murphy Attend Youth Conference

Miss Becky Tomek and Miss Diane Murphy have returned from their trip to Miami Beach - where they attended the third annual YOUTH-NARC Conference. The girls were accompanied by Miss Ann Karkk, Mrs. Robert Hubbell, and Mr. and Mrs. Franklyn Ward.

Becky and Diane attended workshops and meetings on mental retardation. They met and talked informally with many of the delegates and gathered many new ideas for the Ridge Area Youth Association for Retarded Children.

The girls toured the state institution of Sunland in Miami and met several of the children and visited their classrooms.

Guest speaker at the candidate dinner, was David McCallum, the national sponsor of YOUTH-NARC and chairman of the Friendship Circle and Danure for Retarded Children.

Both girls enjoyed the conference and hope that RAY-AY will be made stronger through their efforts.

ROTARY CLUB NEWS

By LEE CORBIN

Dan Sordyanski introduced the guest speaker, Bill Norris, city attorney for Bartow, who is the representative for Municipalities in 1970.

Norris attended the last session of the Legislature representing the Florida Citrus Mutual. While there he kept tabs on possibilities of what is in store for local governments. One of the things mentioned was Municipalities can amend their charters by the enactment of a voters referendum. It was also learned that a possibility of increasing the Homestead Exemption from \$5,000 to \$10,000 is much in favor of those 55 years of age and over.

Money was another important issue. Everyone seems to be having financial problems and looking for a way out. Ways of increasing revenues is being sought in most every city, county, state, as well as federal governments.

Bartow is buying power from Florida Power on a wholesale basis and then reselling it to the consumers within approximately five mile radius. They are considering a similar set up on gas. Bartow sold 1,958,000.00 electric and it cost them \$1,102,000.00 giving them a net profit of \$856,000.00.

All cities, counties and states should seek ways to improve their relationships with its employees. They should evaluate the problem and act accordingly. A good place to start is salary-vacation-and other fringe benefits. There should be no difference shown to individuals. If the mayor deserves a traffic ticket then give him one. The same applies to you or me. We must create a good understanding between all individuals in the area we reside.

Speedy Beef Stew From Belgium

From Belgium comes the beef stew known as Carbonnade Flamande, a classical main dish richly endowed with onions and often flavored with beer. In the easy-to-stake recipe which follows, canned roast beef with gravy reduces the cooking time and work greatly without sacrificing the traditional good taste, and apple juice or cider supplies the typical subtle flavoring.

The canned roast beef with gravy which is the mainstay of the dish is fully cooked and nicely seasoned as it comes from the can. That means that the ingredients to be measured are few, and the only cooking required is simple and quick: the sautéing of the onions, the heating and thickening of the stew - a matter of about 20 minutes. That makes the dish a treat for the home cook as well as the diner, because of the work that doesn't have to be done!

Traditionally Carbonnade Flamande is served with whole boiled potatoes dressed with butter or margarine and sprinkled with parsley or chives. A green vegetable, crisp salad, and home-style bread, will complete a delightful main course.

EASY CARBONNADÉ FLAMANDÉ

- | | |
|--|---|
| 2 medium onions, chopped | 2 tablespoons chopped parsley |
| 1 tablespoon bacon drippings or shortening | 2 cans (12 ounces each) roast beef with gravy |
| 1 cup apple juice or apple cider | 1 tablespoon flour |
| Dash of pepper | 3 tablespoons water |
| | Whole cooked potatoes |

Sauté onions in drippings. Add apple juice, pepper, parsley and roast beef with gravy. Bring to a boil. Blend flour with water and stir in cook until mixture is thickened and bubbling. Serve over whole cooked potatoes.

Makes 6 to 8 servings.

DEVIL'S TALE

Published by Students of Avon Park High School Journalism Class

VOL. 1, NO. 1

AVON PARK HIGH SCHOOL, AVON PARK, FLA. 33825 OCT. 16, 1969

WILLIE JOE SIEGLER (No. 34) lit up the crowd as he plunged 61 yards to set up an Avon Park Red Devil touchdown against Lake Wales at the season open-

er September 19. The Devils sustained an 18-8 loss that night, but bounced back the following Friday night to defeat Mulberry 28-22 there.

Homecoming Planned For October 24

Homecoming is set for Friday, Oct. 24, with a pep rally scheduled to begin in the A.P.H.S. auditorium at 2 P.M.

Following the opening of the assembly, a snake dance will wind its way to the parking lot at the South side of the gym where a bonfire will be lit and a dummy representing Frostproof will be tossed in.

The Red Devils vs. Frostproof game is scheduled for 8 o'clock that night, with pre-game homecoming festivities beginning at 7:15 P.M. The pregame activities will include crowning of the queen and first and second runners-up will also be announced at that time.

Homecoming parade through downtown Avon Park will be held Thursday, Oct. 23.

Election of homecoming queen is a popularity contest based on poise and character of the nominees. Students are the judges, and it is up to them to select the girl which will best represent Avon Park High. Candidates are senior girls nominated by popular vote by various organizations and classes.

Names of nominees will be called in alphabetical order, and students will then vote, by secret ballot, on their choice.

Teen-Agers Helping With Retarded Children Association

What is NARC? The National Association for Retarded Children, a voluntary organization that promotes the welfare of the mentally retarded by advancement of research and treatment, and broadens public understanding of the problem.

This is NARC, an organization that some people of this high school are intending to be a part of. The group has already been involving themselves with the parents of the children in this area with a social get-together and at the film at the Ridge Area Day School, October 6.

At the social the kids and the youth who want to help get acquainted and just chatted, while the parents saw the interest of these teenagers and also the people who have made up a long list of projects and activities for these disadvantaged children.

Becky Tomek, newly elected president, and Ann Karkick, sponsor, are asking for support of the youth of Highlands County in helping the children of this area. This new organization does need your help. It will be worth while and rewarding to anyone who is interested.

FTA Elects New Officers at Meet

Elizabeth Driggers Chapter of Future Teachers of America elected officers at its regular meeting October 8.

Officers include Holly Reddick, president; James Crocker, vice-president; Gwen Sharpe, secretary-treasurer; and Patricia Meeks, historian.

The membership committee, made up of Marcia Rhodes, Cindy Stary, and Milton Howard, will accept recommendations from any teacher or student regarding prospective members.

Rairford Cons Give Program For APHS

"What not to do" was the subject of a very interesting program presented by three convicts from Rairford State Prison and their leader, Sgt. Ken Farwell.

The prisoners, "Jim, Dave, and Tom," are convicted on charges ranging from narcotics use to first degree murder. They are now serving time for these offenses.

The men are one of three groups, the other two being from prisons at Belle Glade and Apalachicola. They travel throughout the state presenting their program, hoping to keep teenagers on the right road.

After leaving here they went to Sarasota where they presented their program for a few days.

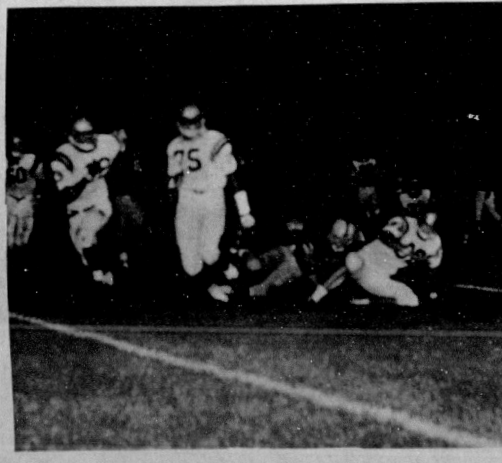

Juniors Name Class Officers

Avon Park High School 1969-70 Jolly Jolts Junior officers and sponsors are:

Winsky Hall, president; Tim Williams, vice-president; Susie Franza, secretary; and Susan Gore, treasurer.

Sponsors are Mr. Bill Knecht and Mr. Andrew Miracle.

DEVIL'S TALE is published the third Thursday of each month by the journalism department of Avon Park High School, with the cooperation of the Avon Park Sun. Staff members include Janice Fletcher, Scott Gust, Nikki Hancock, Patricia Jones, Angela Kelley, Dorothy Martin, Clayton McNeil, Mike Slear, Bruce Strenth, and Joseph Todd. Sponsor is Paul C. Foraker, Journalism instructor.

HAINES CITY HORNET is brought down by unidentified Red Devil in action last Friday night which saw Avon Park de-

feat the visitors from Haines City to the tune of 42-7. Coming up from behind is Don Sizemore, No. 12.

Cheerleaders See Spirit On Rise

Avon Park High School cheerleaders are working hard this year to boost school spirit. They have arranged a cheering section at the football games for high-school students who are interested in cheering the team on to victory.

Pep rallies are filled with enthusiasm. They present skits and chants they learned at I. C. F. (International Cheering Foundation) camp this summer in Winter Haven. Their Red Devil mascot, Bruce Strenth introduces cheers.

Cheerleaders are selling pom-poms, and have a concession stand at the "B" and Skeeter Squad football games, in order to raise enough money for camp next year.

The membership consist of Patty Turnbull captain, Joni Young, Cindy DuBoise, Linda Hebensthal, Susie Franza, Celia Elder, Janie Harlow, Diane Murphy, and Miss Criner-sponsor.

Elementary PTA Will Meet Thursday

The Avon Elementary PTA will meet Thursday night at 8 P.M. in the school cafeteria. All parents are urged to attend and pay annual dues.

Amendments to the by-laws will be presented to the Association for adoption. Following the meeting teachers will be in their classrooms for parents to visit and observe students work.

EDITORIAL

Let's Not Be Dirty Devils

Looking at the high school campus, a person from out of town may think the students are apathetic about its appearance. The startling fact is they could be right. The Avon Park High School campus is dirty. It is unclean, and it is trashy. The paper that can be found in any area is disgusting and uninviting to any person, whether he is out of town or a student in the high school.

There have been numerous attempts at restoring the campus to what it should be—clean, free from trash and mowed. One attempt was the Student Council erecting trash cans at many places around the school. Another is the Key Club sponsoring a mass pick-up of the school grounds. Both were failures but not entirely. These ideas did set the precedent but did not complete the project.

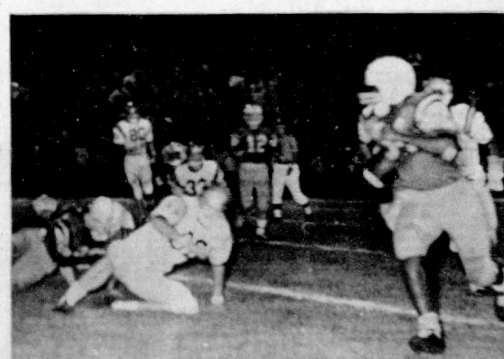

When asked about the problem, Mr. David Sechrist, Key Club sponsor, commented, "We are happier if we are surrounded by attractive things, music we enjoy, people who are friendly, and attractive surroundings."

Key Club President Colvin Stone, remarked, "A group of buildings doesn't make a school; it takes a group of people to make a school." He continued, "and when these people have their campus cluttered with litter it only shows how little self respect they have for themselves."

What the situation needs is complete cooperation from the students and faculty in really caring what the campus looks like, because truly the school is a reflection on the community and ourselves.

Come on people! Stow that trash in the appropriate place! Keep our campus clean!

TIES THINGS UP—Avon Park advanced to an 18-18 tie with Fort Meade when Willie Joe Siegler crossed the Miner goal line from a few yards out October 3.

The tie score gave the Devils a 1-1 record for the season up to the first weekend in October.

APHS Band Highlighting Grid Games

Every home game there are performances given by the Avon Park High School Band. At the band's first performance it entertained the crowd with a patriotic drill and fireworks.

September 26 the Pep Band went to Mulberry with the football team.

The second performance October 3 the band entertained the crowd with a toy soldiers drill. Avon Park High School Band, marching 88, presented an excellent Three Ring Circus, Tumblers, and Poses drill October 10.

Friday night the Band will present a salute to the 100th year of college football.

Officers Named By APHS FCA

Candy Sale Wind-Up Set For Today

World's Finest Candy is being sold by the Avon Park High School Glee Club. The sale will go on until after school today (Thursday). You can buy this candy from any Glee Club member in grades 8-12.

Every year the entire chorus and Girls' Chorus has a candy sale for District and State Contest, also for the students' music. Mr. Kenneth Barrie (the sponsor) said "the sale is going on better than ever."

The first performance for the Glee Club is November 11 at the high school auditorium. This will be a patriotic program with a guest speaker, who will be announced later. The Glee Club will also enter the Halliwell Carnival on October 25 in "e bed race. The Glee Club is planning a very exciting tape radio concert for Christmas.

Students Will Get Day Off

Students of Avon Park High School will be dismissed this Friday. The reason has been disclosed as a work day for teachers. (This marks the first holiday of the year for students.)

Kampus Kwestions

Do you think smoking should be allowed on campus?

Bill Smith—12th grade—"No, 'cause then sneaking off to the restroom wouldn't be any fun."

Nikki Hancock—12th grade—"Yes, if teachers can we should be able to."

Scott Moyle—12th grade—"Yes, I think we should get to smoke in the parking lot."

Joni Young—11th grade—"No, I've got a boyfriend who smokes and I don't like it."

Randy Jordan—10th grade—"Yes, I think we should have a smoking lounge."

Sue Ferguson—11th grade—"No, it causes cancer."

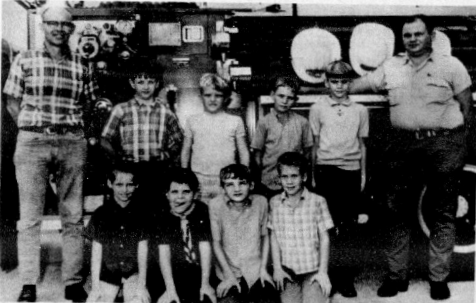

Nancy Pearl—11th grade—"No, We'd have butts and ashes all over the place."

Larlene Viets—9th grade—"No, just no."

Diana DuBoise—10th grade—"Personally I don't know."

Cadette Scouts Will Camp At Hammock

Cadettes of the Heart of Florida Girl Scout Council will participate in competition this weekend at Camp Kegan. The Cadettes are trying out for two co-operative council opportunities. The first is an Audubon adventure at which girls will camp at Highlands Hammock State Park and at Corkscrew Bird Sanctuary located in South Florida. This includes a trip through the Everglades and mangrove swamps and a visit to a Seminole Indian Village. The second opportunity is called the Swannee Safari. Its purpose is five days of fun, camping, and canoeing. Girls competing for this trip must have their Red Cross Swimming, Camp Craft Proficiency and Small Craft Badges.

For each event a patrol of eight girls will be selected from the Heart of Florida Council which covers Highlands, Hardee and several other counties. Patrols selected from Citrus, Suncoast, Gulfcoast and Gateway will also be included in these two trips.

Scouts from our new cadette troop which is under the leadership of Mary Paxman will be represented at this competition. This is one of the many opportunities open to girls taking part in the scouting programs.

Canadian Canal
The Welland Canal is located in Canada, about six miles west of Niagara Falls. This canal enables ocean-going ships and other vessels to pass the nonnegotiable cataracts.

the fifty-five yards to pay-dirt on the ground with the exception of one five yard pass from Sisemore to Franz and a five yard penalty against the Hornets. It was Seigler again who carried the ball into the end zone going this time off his right tackle and then cutting left to break into the clear and run the 30 yards for the TD. Sisemore's kick was good this time for a 36-7 score.

Late in the third period Avon Park got another scoring drive going when Dennis Hart intercepted a pass at his forty-three and made a beautiful run back to the Hornet 28-yard line. Coach Joe Franz sent in some reserves at that point and Hart, Sisemore, Nunnallee, and Steve Hart took turns carrying the mail until Steve Hart burst through from the one yard line for his first TD of the year. Sisemore was caught trying to pass on a roll out for the extra point and stopped short of the goal line. The score came down in the fourth period and the remainder of that quarter was played by Devil reserves and was highlighted by two lost Devil fumbles, a Hornet lost fumble and a pass interception by Devil Mike Smith who advanced the ball some 25 yards after pulling it in. The last several Devil plays were quarterbacked by Seigler and Avon Park had possession on the Hornet 11-yard line when the final whistle blew.

It would be hard to single out players on Avon Park's squad for special praise last week. The defense was tough and alert and forced the pass interceptions and fumbles with a good rush. Seigler and Claitt both ran exceptionally well and strong and young Don Sisemore had perhaps his best game of the season with 10 pass completions for 13 attempts, an interception to his credit, and numerous tackles to his credit on defense.

Seigler carried the ball 14 times from his halfback position for a gain of 131 yards making a 9.3 average per carry. Claitt, toted the ball 11 times for 66 yards and a 6.0 average per carry. Seigler is now averaging over 7 1/2 yards per carry in the first four games and has gained a total of just over 600 yards on the ground.

Former Red Devil Racking Up Points for Norwich University

One of the mainstays on the Norwich University football team's defensive unit for the past two seasons has been linebacker Carl Holden, a 1966 graduate of Avon Park High School.

Holden lettered as a sophomore in 1967 and last year earned a starting berth on coach Joe Sabol's club that finished with a 5-2-1 record. From his right linebacking post, Holden finished second on the team in defensive points and led the Cadets with three fumble recoveries. A hard tackler with finesse and extremely quick reactions, Holden also handles the extra point chores for the Cadets. Last fall, he set a new school record for extra-point percentage with 10 for 11 for a 91 percent average after taking over the job in the fourth game. He

also hit on two of four field goal attempts.

This season Holden has hit four of six extra-point tries for the Cadets who have won two straight after an opening game loss to Kings Point. In the Cadets' 27-0 victory over Coast Guard Saturday night he played perhaps his finest game as he recorded five individual tackles and assisted on nine others to lead the Norwich defenders, and he hit on three of four extra points.

The son of Dr. and Mrs. H. W. Coleman of Avon Park, Holden is an English major at the Vermont Military college. He was a member of his class honor committee during his sophomore and junior years and is also a member of the Norwich Varsity Club.

IT'S KICK-OFF TIME!

Red Devils Meet Wauchula

AT MEMORIAL FIELD FRIDAY NIGHT

DENNIS HART is one of the five Red Devil lettermen on this year's squad and has turned in some fine performances as defensive back this year. Hart is a junior back who has been hampered with injuries in the past. Against Haines City he made some TD-saving tackles and was a thorn in the Hornets' side all evening. Dennis alternates at halfback on offense and also is a deep back at times for kick-off and punt returns. He wears the number 11 on his jersey and is capable of exploding on offense and is dependable on defense.

SENIOR LINEMAN Larry Tolbert is one of the important reasons why the Red Devils are playing such exciting ball this year. Tolbert plays left guard on offense and then switches to the nose position on defense. He has been quick and aggressive and one of the "rookie" Devil middle linemen who has opened the holes for the backs in these first three games. Last week he threw the Hornet backs for several losses. Watch number 72 for some front line action against Wauchula next Friday.

Sims Resumes Principal Duties

E. E. Sims, principal of Hopewell School, returned to work October 9 for a part of the day. Sims has been hospitalized last month for treatment of a heart condition. He expects to continue his work at the school on a part-time basis for sometime.

Norris Brooks, assistant principal of Avon Elementary, has been assigned to Hopewell until Sims is able to resume the full responsibility as building principal.

Early "Electricity" The Greeks gave amber the name "elektron," since they found that amber, when rubbed briskly, could pick up straw and small bits of paper. This gave man his first knowledge of electricity.

Shuffling
There were 74 courts in play on both Wednesday and Saturday evening. Winners were Reed Simpson and Ler Wunter and Ruth Jordan and Ralph Crocker the runners-up. Mabel Crocker and Herb Shauger won in consolation over Dorothy Gruber and Bertha Brush.

Mabel Crocker and Herman Wunter won in Saturday's main event with Tyler Wunter and Ruth Jordan the winners. Consolation winners were Allene Howard and Doc McAleander over Blaine Kerr and Grace Romilly.

Card Games
High scores in pinochle on Monday afternoon went to Helen Good with 708 and to Jesse Parsons with 651. Three tables were in play.

At the first bridge game of the season two tables were in play. Vi Lexa came in first with 6260, Al Storandi came in second. Bertha Brush has charge of the bridge on Tuesday afternoons.

Dances
It's always fun to watch the dancing do the squares, so many spectators turn out. Those celebrating their birthday this past week were Ota Gibson, Herb Shauger and Ethel Kime. Happy birthday to them.

Supper
Fifteen turned out for the potluck supper Saturday evening. Mrs. John Dentler and Mr. and Mrs. Fred Robinson acted as host and hostesses for the evening. A delicious meal was served. Mrs. Dentler and Mr. Robinson entertained with music on the piano and mouth organ. Each one present was called on to tell their name, where they were from and how they happened to come to Avon Park to live. All enjoyed this and the evening was ended by all singing "God Be With You Till We Meet Again."

News of the Week
Ethel Swearingin is recovering nicely from surgery in Royal Oak, Mich. Let us cheer her with cards at 2449 N. Wilson, Royal Oak, Mich. 48073.

Mr. and Mrs. Lewis Becker are back in Avon Park after

spending the Summer in Connerville, Ind. They plan on making Avon Park their home now. Their daughter of Deland, spent the weekend with them.

Harry and Dorothy Wilde have settled into their new home here, after spending the Summer in Land O' Lakes, Wis.

Ninety members have their new membership cards for this year. Among them are three new members, Hazel Spencer of Muncie, Ind., and Thos. and Mildred Barnett of Ypsilanti, Mich. Old members back from the North Myrtle Heffernan, of Brockville, Ont. and Byron and Beanie Jeremy of Detroit, Mich.

Mrs. John M. West of Kansas City, Mo., daughter of the Thos. R. Clarkes, has been a guest in their home for the past ten days. She returned to her home this week.

The 1970 VW will stay ugly longer.

What hath Volkswagen wrought this year? A longer-lasting engine, that's what. It's more powerful than the old engine. (Top speed: 81 mph vs. 78 mph.)

It has better acceleration. But most important, it doesn't have to work as hard to get you where you're going.

Thus, according to every calculation known to man, it will last even longer. And just to make sure the engine and every other VW part leads a long, happy life, we have another surprise for 1970.

The Volkswagen Diagnostic Checkup. Now before the name scares you away, listen to what it is:

VW Diagnosis is an exclusive free service checkup by trained technicians using special diagnostic equipment.

The equipment is faster and more thorough than any mechanic alive.

And it's so advanced, it can actually tell you you have a problem early, before it becomes a real problem.

For instance, let's say the resistance in one of your spark plug wires is too high.

Nothing serious, but it could reduce your gas mileage and eventually foul up your spark plugs.

During a Diagnostic Checkup, our equipment can find and we can fix this problem in a matter of minutes.

When you buy a new VW, you're entitled to four of these advanced checkups free.

What could be a better deal than that?

You buy a bug.

We take care of the bugs.

"Operation Magellan"
The submerged round-the-world voyage of the atomic-powered USS Triton was called "Operation Magellan" because it followed closely the course charted by Ferdinand Magellan's expedition of 1519-21, except that it skipped the Straits of Magellan.

One copper mine in Chile holds 25 per cent of all known copper deposits on earth.

CARD OF THANKS
The family of Harry Mitchem wishes to express their thanks to the many friends who came to call in our hour of sorrow. We especially thank the pallbearers, Rev. Harrison Crews, for his kind word, Nancy Mitchell for the music, Wilson Smith, of Scott, Stephenson, Smith Funeral Home, all who sent flowers and food, Mrs. Maxine Mitchem and sons, Ed and Billy Mitchem and Mrs. Larry King.

Junior Women Ready For Big Halloween Parade

The Junior Women's Club makes final steps in planning for the annual Halloween parade and carnival to be held Saturday, October 25.

Posters have been distributed throughout Avon Park announcing details of the carnival and parade. First prize of \$50 was awarded to Chris Brojek for the best poster.

Charlotte McDaniel won the competition for the best Halloween mask of a lion, and received as her prize a "bewitching apron."

Come, join the fun at the Halloween festivities, beginning with the parade at 3:00 P.M. followed by the Bed Race, then the Carnival 5 P.M. to 7:30 P.M.

A bed race is a race where organizations enter a vehicle made out of an old bed. Each organization makes their own vehicle by putting any number or size wheels, steering wheels, brakes, gadgets, and so things. Vehicles cannot have a motor but is pushed by two capable, able, and willing members of their organization while one person rides the bed.

Announcer for this event will be Dick Hamm, Timmerkeepers, DeWayne Lenzler and Chet Brojek with Race official, Paul Furaker.

This race will take place IMMEDIATELY following the parade. The "Starting Line" will be on Verona Street in front of the Army down to Church St. and turn right to proceed around the loop, which dead ends at the lake, and then back up Verona to the "Finish Line" just North of the old Post Office. Each entry will be timed.

First prize will be \$100.00, Second prize is \$50.00 and third, \$25.00.

Organizations that entered their vehicle this far: Boy Scout Troop No. 814, Girl Scout, C. det Troop 117, Girl Scout Neighborhood Group, Christian Ladies, Art Club, Royal Ambassadors, Keyettes, Senior Class, Student Council, Key Club and Future Farmers of America.

The Junior Women wish to thank the following merchants who donated money to make this event possible: Avon Circle Bank, I. H. MAYOR BOB BARBEN, left, presents a plaque of appreciation to Mr. and Mrs. Alec Ullmann during the Grand

Prix Appreciation dinner held Tuesday night at Sebring Elks Club.

Ullmann Tells Future Of Racing In County

Alec Ullmann, the father of Sebring's great road race, bespectacled and smiling, happily remained before an applauding crowd of 173 diners gathered to honor him and Mrs. Ullmann Tuesday night.

And he said he would like to keep the race here.

"I am certainly hopeful we will continue and I think we will. I think the Sebring race will continue. I think it will continue in this area. We are considering the possibilities," he said.

He added "we have secured a certain amount of real estate. We will need your help. Now we are coming to what Sebring and Highlands County can do to keep this race."

Smiling broadly he noted "I would love to spend Winters here instead of sitting up in New York in the cold. But when you construct a new course, it does not cost peanuts."

The colorful Ullmann was the final speaker in a nostalgic and fun-filled evening at Sebring Elks Club — the Grand Prix Appreciation Dinner — sponsored by the county's three Chambers of Commerce.

The Ullmanns' contract to race at Sebring Airport expires in 1971 and in June they purchased 1,400 acres of land West of Sebring and announced they plan to build a racing complex there.

However, it requires approval

by the legislature — and other areas in the state have offered them inducements to move the race, a Sebring attraction since 1950.

Philip Riley, general chairman of that 1950 race was one of those reminiscing, while drivers Monty Thomas and John Gordon Bennett recalled that first race on a freezing cold Winter night. Mayor J. A. "Jake" Butler of Sebring recalled that he and Jack Masters had the only concession — providing hot coffee and cigarettes.

"There was nothing in the pits — nothing. They would dodge the cars on the track to come over and get hot coffee — or even hot water," Butler recalled.

Thomas recalled how "we ambled around in two little Morris Minors — and in more serious vein "we owe Alec and Mary a great debt for bringing international racing to this county."

Bob Gogen, an early driver, remembers that 1950 New Year's Eve "out in the boondocks, when our wives who kept lap charts were the real heroes." Gogen grinned and recalled the slow speeds of that day: the wives "could have used calendars."

Bennett, a racing driver for 29 years, called Sebring "probably the most difficult circuit in the world for a manufacturer

to win."

And he described Alec Ullmann, Briggs Cunningham and Reggie Smith as the three men who "have done the most for racing in the United States."

County Commission chairman Joan Whisker declared he has "learned to love and appreciate Mary and Alec for all they have done for Sebring," and urged "let's push to get the new track and get off our case."

Walker K. McGrath, Sebring Chamber of Commerce director, uncoiled the dinner.

Among those brought to the front for brief speeches were Russ Albritton, 1969-70 race committee chairman, James Pyle, president of the Fremont Association, Frank Bryant, founder member, Howard Livingston, former race chairman, Mayors Bob Barben of Avon Park and Alfred Moretz of Lake Placid, Terry Keller, News racing editor and president of the Ridge Runners.

Mayor Butler presented the Ullmanns with a key to the city and Mayors Barben and Moretz plaques of appreciation from their cities.

Teachers Form Council Of Reading

Highlands County teachers who are especially interested in the teaching of reading met Wednesday, Oct. 15, at the Woodlawn School to form a local Council of Reading and at the same time become affiliated with the Florida Council of Reading and the International Council of Reading.

The meeting was in charge of Joel Evers, elementary supervisor, and Mrs. Claire Rowe, county consultant on reading.

Mrs. Rowe explained the requirements, purposes, advantages and responsibilities of members. The membership is open to PTA members, inter-

ested parents as well as all classroom teachers, supervisors, reading specialists and administrators.

After a discussion period, the following officers were elected: Mrs. Mary Roberts, Lake Placid, president; Mrs. Shirley Furr, Avon Park, president-elect; Mrs. Betty Bassett, Sebring, secretary; Mrs. Marie Anderson, Lake Placid, Treasurer.

Mrs. Rowe and Mrs. Roberts will attend the Supervisor's sectional meeting of the Florida Council on Reading, today at Daytona Beach.

Funeral Services Held For Randle Taylor

Funeral services were held Monday morning in Frostproof for Randle Walker Taylor, 56, who died suddenly Friday evening.

Mr. Taylor, a resident of Frostproof for the past 15 years, died at the Lake Wales Hospital. He was a native of Quitman, Ga., and at the time of his death was a citrus worker for Wardlaw Brothers.

He is survived by his widow, Mrs. Onedell Taylor; four sons, Talmadge Taylor of Avon Park, Melvin, Harold, Randle W. Taylor, Jr., all of Frostproof; three daughters, Mrs. Ophelia Jeffers, Mrs. Carol Whitlock and Miss Harriett Taylor, all of Frostproof.

One brother, Rufus Taylor, lives at Frostproof. Six sisters survive: Mrs. Verdie Tyne of Highland City, Mrs. Gladys Cruce and Mrs. Alma Tuten of Perry, Mrs. Alpha Tuten of Daytona Beach, Mrs. Margie Lovett of Wauchula and Mrs. Grace Carter of Los Angeles, Calif.

Rev. James B. Wood officiated for the final services, and interment was in Silver Hill Cemetery. Marion Nelson Funeral Home of Frostproof was in charge of arrangements.

Survey On School Will Be Conducted

A survey of school enrollment at all levels from nursery school through college will be conducted in this area by interviewers of the Bureau of the Census during the week of Oct. 18.

Local interviewing by Mrs. Christine Oates will be part of a nationwide effort made jointly to measure the Nation's school and college population.

200 Drivers Compete In Race At Sebring This Weekend

Nearly 200 drivers from as far away as Oregon competed in last weekend's running of the SCCA races at Sebring Air Terminal and Vince Giannotta of Orlando won the big one, the Ben Hammond Memorial one-hour on Sunday.

Although this was billed as non-spectator event, between 3,000 and 5,000 spectators converged on the track to enjoy racing in perfect Fall weather.

Although several racing cars suffered heavy body damage when they failed to negotiate Sebring track, only one driver was injured.

Pascual A. Tamburro, of Clearwater suffered a fractured right shoulder and was taken to Highlands General Hospital where he was held until Sunday.

Only two Highlands county racing drivers competed — Bob Gray of Sebring and Bill Hood of Avon Park and it was a bad day at Black Rock, with Gray posting low time for Saturday in B production, but burning out two engines.

Bill Hood was down on horse-power all weekend and to wind things up had to make a mad dash to Lakeland at the last minute for new tires.

In the one hour memorial race on Saturday Bill had to negotiate from the back of the pack, even though he passed a bunch of similar Formula V's, his time ran out and had to settle for a down-the-list placement.

Bob Gray didn't get anything his way either. As a matter of fact his weekend sounds like a good script for a Mack Bennett comedy. First, on Friday night, we went out to change the oil and back up a few odds and ends. The car, we thought, was right and ready for a good show, but in pulling the oil we found it was riddled with water, so off came the heads. At 3:30 A.M. a tired crew went home for about three hours of sleep before the first practice started.

Saturday's qualifying went almost like it was supposed to. Bob learns a track so quickly it scares most of the competition, and by the fourth lap he had posted low time for the day in B Production.

Bob kept lowering his own mark till he was six seconds quicker than anyone in his class. Outbreasting some of the disreputable cars with his drum equipped, six year old car, he made "wonders out of most of his crew that the brake work we had been doing for the past two weeks was a jam-up job.

Then on his ninth lap of practice it happened — the bearings in our three-race-old engine spun on the crankshaft. Immediately after practice we tore into the Vette to see just how bad it was. It was pretty bad.

Faced with fact that we would have to pull the engine and completely rebuild it within 20 hours was enough to stop most people. That bunch of grubby racers? Never!

Everyone grabbed a tool and started working and working. With the engine out, Herb Harmon and Gilbert Osteen of O and H Motors came to our rescue with all of their machining equipment. Dewey Owaltozy who works for O and H came back to work in the middle of the night and with their help we managed to get the wounded mill back together before dawn.

Working straight through from the previous morning this group of fellows that came to help Bob race got the impossible done. Ten minutes before the start of the race, our 327 came to life with its usual scatic scream.

Was this to be a Cinderella race? Could we patch it up strong enough to win? . . . Sadly, no. Bob said the temperature gauge was at 250 when he stopped.

Now he has to wait . . . for the scoring to be done. The top three go to the runoff at Daytona International next month, but we'll have to wait until next week before he knows for sure if he'll be in that elite group or not. Here's hoping he is.

All of the safety belts and headrests in production won't do a bit of good if there's a loose nut behind the wheel.

Stockholders Will Meet October 29

The 32nd Annual Stockholders Meeting of the Federal Land Bank Association of Wauchula will be held in Zolfo Springs on Wednesday, Oct. 29, at the Zolfo Civic Center on Highway 17, a new location this year. The meeting will begin with the business session at 10:30 A.M.

Doyle E. Conner, Commissioner of Agriculture, will be the featured speaker for the Annual Meeting.

Other activities of the meeting will include a report on the Association's progress during the past year, election of one director, and the report of the board of directors on important actions taken during the year.

A drawing for door prizes will be held immediately following the meeting, with all members and guests attending the business session eligible for prizes. Steak luncheon will be served.

Entertainment during the meal will be presented by Mr. Glenn R. Foster at the organ.

The Wauchula Association makes long-term Federal Land Bank loans to farmers, growers, and ranchers in Charlotte, DeSoto, Glades, Hardee, Hendry, Highlands, Lee, Manatee, and Sarasota Counties.

Judge Rehner To Preside Over Meeting

The Florida Council of Juvenile Court Judges is sponsoring a two day Training Institute for the newer Juvenile Court Judges of the State of Florida, at the Manger Inn, Tampa, October 16 and 17.

The four major group sessions will be: the actual Court Hearing; the work of the Counselor staff at Juvenile Court; Detention and Institutional training; and Protective services, foster home care and emergency shelter.

Judge Mervin Rehner, Highlands County Juvenile Court Judge, will preside over the sessions pertaining to Detention and Institutional Training.

The Youth Care Home of Highlands County is of major interest to all the judges of the state and beyond the state boundaries.

Avon Park Junior Varsity Team Defeats Sebring 22-6 Thursday

The improving Avon Park junior varsity downed the Sebring "B" squad 22-6 last Thursday night on the Blue Street jayvee's home field. It was the second straight win for Coach Dewayne Lerner's "B" team and set their record at 2-1 with a game set to be played against Lake Placid here at Memorial Field tonight (Thursday).

The Devil "Bees" kicked off a September 1st week and then held for four downs and took possession after a punt. Avon Park moved the ball on the ground for two first downs and then on fourth down with five yards needed on the Sebring 40, Eddie Ezell faked a punt and ran the ball around right end for a 40 yard TD. The conversion run by Ezell up the middle was good to give Avon Park an 8-0 lead.

Again good down field blocking by Nathaniel Packer and other junior Devils was the key to Ezell's scoring run.

The rest of the first half was a see-saw battle between the two squads. Avon Park had two long passes called back because of penalties.

In the second half, the fired up Devils scored twice in the third period. After Ezell and Danny Lewis had alternating carries and moved the ball to the 5-yard line, Lewis scored with a run right up the middle. The extra point was good with a pass from Leon McRae to Lewis to give Avon Park 16 points.

The final Avon Park score came on an 18 yard pass from McRae to Bud Wester. Wester dove into the end zone after

catching the pass with a Sebring defensive back hanging onto him.

Again this game the defense played well with a hard rushing line of Bobby Stoops, Tim Shields, Virgil McVayle, David Mosser (who played for Mike Talley who was moved up to the varsity this week), Ted Long and Earl Strong, and the back field of Artie Bass, Wayne Todd, Leon McRae, and good linebacking of Bill Phillips and Jimmy Cole.

The offense is improving with Wester, Ray Culpepper, Johnny Edwards, Del Murphy, Walker, Packer opening the holes and Lewis, Ezell, Bass, and Peterson running the ball. The quarterback, hucking still is alternated between McRae and Gregg Hart.

Coach Lerner used all 31 boys during the Sebring battle. Avon Park fans are invited to come out tonight and see the young squad take on Lake Placid's "B" team starting at 7:30 o'clock.

IT'S EASY TO TALK ABOUT POLLUTION... but quite another thing to do something about it!

Well, Florida Power is doing something about it. Like this super-size "ash tray" here being hoisted into place at our Crystal River plant. It's one of eight giant collecting bins designed to gather soot and fly-ash removed from stack emission from the new coal-fired Crystal River Unit Two scheduled to begin operation in December.

This bin is part of the new electrostatic precipitator, a highly sophisticated device to "scrub" stack emission before it gets into the air you breathe.

Altogether, it's one of the best pollution control devices available, costing several hundred thousand dollars. Just part of the \$1,500,000 Florida Power has spent during the last five years to help us all breathe easier.

Plans For New Dream City South
Of Here Announced This Week

Far-reaching and elaborate plans for a new "dream city" to be built on the 7,000-acre former Gregg Maxey ranch South of Avon Park were announced this week.

The ranch, purchased for \$1,910,000 two weeks ago by

Highlands County Title and Guaranty Land Co., will not be just another housing development, its planners say.

L. N. "Jack" Weiser, president of the land company and of Sun 'n Lake Estates, South of Lake Placid, one of the

county's most active and successful housing development, said the new town has been named Sun 'n Lake Sevon Ridge. Two golf courses will be built there are an industrial park, an air strip, and a shopping center in the planning.

An area called University Square at the Avon Park bazaar and near South Florida Junior College will contain faculty and student dwellings as well as shopping and recreational facilities.

Carlos Schoepf, nationally

known architect and city planner, has been retained for overall community planning. Mr. Schoepf and his associates also will design and establish the standards for the total community.

First stages of the development will include an imposing entrance, a four-lane, tree-lined drive to the lake and recreational center.

The recreational center will offer an imposing clubhouse, a white sand swimming beach, barbecue and picnic areas, golf putting green and other recreation.

Also to be built will be an executive sales office, model homes and apartments.

Two large parks located at the Northwest and Southwest property lines, will be developed. These parks will retain all of their natural beauty and will be designated as bird and wildlife sanctuaries. Rustic trails and walkways leading to picnic areas will be built.

Weiser estimated the work of developing Sevon Ridge will take eight to 10 years.

The strategic location of Sevon Ridge, Weiser pointed out, will offer manufacturers through its planned industrial park complete facilities including banking, abundant water and electrical power, an air strip, and main artery roads giving access to all of Florida. The developers will offer design and construction of modern factory buildings to fill specific needs as a service.

To transform Sun 'n Lake Sevon Ridge from a dream city to practical reality, much already has been done, Weiser said. Engineering studies are being completed, basic preliminary planning has been done and work now is in progress on final plans for the first phases of development and construction.

Ground breaking ceremonies are scheduled for development and construction are well under way in an area of \$1,000,000.

Weiser visualizes Sevon Ridge as a self-contained community, with its own regional shopping center, schools, churches, parks and municipal services.

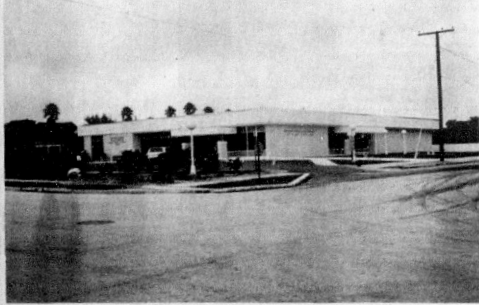

"It will bring to Highlands County not only great economic growth but the kind of people who will contribute much to its culture and civic advancement," he said.

A point not to be overlooked, he pointed out, is the elevation. Some of the property ranges as high as 300 feet above sea level and is among the highest land area in Florida.

"This rolling, heavily wooded land not only offers exceptional opportunity for aesthetic development, but also provides excellent drainage," he emphasized. "A network of waterways connected to sparkling lakes will preserve its natural beauty and add to the pleasures of living here."

The property has a total land area of approximately 11 square miles. Title insurance was handled by Lawyers Title Insurance Corp., of Richmond, Va., through the Highlands Abstract and Title Co.

Engineers for the project are M. B. Garris and Co., of Miami.

AVON PARK'S new Post Office on Verone Avenue will be officially opened to the public Monday, Oct. 27. The new facility has plenty of parking space and is a tremendous step forward for Avon Park.

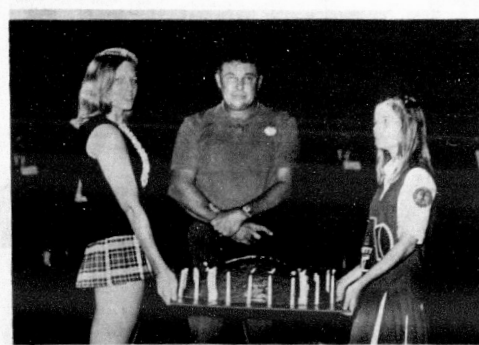

Move To New
Post Office Will
Be Saturday

All postal patrons are again reminded that the move to the new postal facility will take place this week-end.

The following will be the schedule of services available at the move takes place.

Window services will be available at the old Post Office building through 12 Noon, Saturday, Oct. 25. Post office box patrons will receive mail through the old post office boxes until 10 o'clock on Saturday, Oct. 25. Beginning Sunday, Oct. 26, at 8:30 A.M., post office box patrons who have picked up their keys, which are now available at the old Post Office facility, will receive their mail through their new Post Office boxes at the new Post Office facility, located at 100 S. Verone. Post Office box lobby will be open 24 hours a day.

Off street patron parking is located in front of the building facing S. Verone Ave. Entrance to the parking area will be from the building facing S. Verone on Pine Street, and will be on the south-east corner of the parking area which connects with S. Verone Ave. No left turn will be permitted from the exit. Patrons must turn to the right as approved by the traffic department of the Avon Park City Police Department.

NANCY PEARL and Patti Turnbull present Coach Joe Franza with the huge anniversary cake marking his 21st year of coaching at Avon Park High School at halftime exercises last Friday night.

Red Devils
Meet Frostproof
Here Friday

The Avon Park Red Devils made it a happy 21st anniversary celebration for Coach Joe Franza last Friday night as they hosted the Hardee High Wildcats 35-4 behind the impressive running of Willie Joe Seigler.

The three backs teamed up to grind out 228 yards of rushing and scored five touchdowns with the aid of outstanding offensive and defensive line work.

The halftime show was a program honoring the football centennial and the Devils own Coach Joe Franza who is serving his 21st year as a coach at Avon Park High School. Avon Park fans joined the band and representatives from the team as coached by Franza in honoring the Devils head mentor for his outstanding achievements here in the past 21 years.

The win over Wausatcha gave Avon Park a record of three wins, a loss, and a tie and the Devils will take that record into the big homecoming game tomorrow night against the Frostproof Bulldogs who currently have a 5-3 record. Homecoming festivities will begin before the game starting at 7 o'clock with the crowning of the crown ceremonies.

A pre-game rain soaked the field last Friday night but the drizzle stopped for the game and Hardee kicked an on-side kick to the Red Devils and recovered the ball on the Devil 30-yard line after an Avon Park lineman touched the ball. After driving for one first down, the Wildcats returned the favor coughing up the ball to an unknown Red Devil on a fumble at the 24-yard marker.

Avon Park could not move for a first down on its first offensive series and Siemore punted the ball short to the 30-yard line. From that point Hardee moved to the Devil 30 before lining the ball on downs. On the first play young Don Siemore kept the ball and shot out for a 18 yard gain putting the ball on the Devil 30-yard line. Seigler took over from there. The Devil speedster burst through off right tackle and then cut sharply to his left to move the 64 yards into the end zone untouched for the first Avon Park touchdown. On the conversion try Siemore faked a kick and passed to Seigler in the end zone for the two points to put Avon Park out from 8-0 late in the game.

Public Hearings On County Zoning
Plans Will Be Held November 19

Public hearings on Highlands County's first comprehensive zoning plan will commence on Wednesday, Nov. 19, and possibly carry over into November 20.

At their meeting Tuesday morning Highlands County commissioners executed some preliminary steps toward county zoning. No one appeared for the public hearing on changing from special Highlands County legislation to the state's new general planning and zoning law, and the commission formally changed to the latter.

Under the state law the responsible county agency is named the Highlands County Planning and Zoning Commission. Members named for the commission Tuesday are Andy Jackson of Venet and Mrs. G. F. Ward of Avon Park, four year terms; Bob Barben of Avon Park and Ted Shoemaker of Sebring, three years; Larry Davis of Sebring and Cole Danley of Lake Placid, two years; W. H. Cannon of Lake Placid and Floyd Clark of Sebring, one year.

Jackson was a new appointee Tuesday, the others have been members of the old county zoning board. Ward has served as chairman of the group since its inception in 1967.

At the request of the county zoning director, Jack Short, Tuesday, the others have been members of the old county zoning board. Ward has served as chairman of the group since its inception in 1967.

Short said arrangements had been completed with the Circuit Court for use of the county court room on November 19 and 20.

County Administrator C. O. Morgan asked the board to begin drawing up the specifications for the person to be hired as building inspector.

Short pointed out that the commissioners must also begin to seek citizens to serve term of three to five years on the county board of adjustment. The state law specifies that not less than five nor more than 10 citizens, appointed by the county commissioners, make up this board.

Short said that a series of special briefings will be offered by the Planning and Zoning Commission prior to the public hearings. First of these will be for the Sebring Planning and Zoning Board, October 28.

"Of course all our meetings are public meetings and anyone is welcome to attend," Short reminded the commissioners.

Suffers Leg
Injuries

Highlands County Planning and Zoning Commission headed into its final pre-hearing sessions without the services of its chairman, Mrs. G. F. Ward.

In the absence of Mrs. Ward, Vice Chairman Ted Shoemaker presided for the commission session Tuesday night.

Mrs. Ward suffered leg injuries in a fall several days ago and has been hospitalized at Lake-Land General Hospital.

Holyard Commandry No. 27, Knights Templar, will hold a stated meeting at 8 P.M. Monday in the Masonic Temple in Avon Park. At 7:30 P.M. October 23 there will be five candidates for the Order of the Temple at Winter Haven Masonic Temple.

Decoration Fund Drive Underway

The final plans were mapped this week for the new Christmas decorations to be used in Avon Park this holiday season. Avon Park Chamber of Commerce President Bill Beck announced that an order has been placed for 36 pole-mounted decorations which will be used on the Mall. Several sample decorations were installed last week in front of the Chamber office for viewing by local residents, and have received many favorable comments.

A drive is now underway to raise the necessary funds to pay for the decorations. The City of Avon Park was first to donate, with an appropriation of \$1200 in their budget. Robert R. King, Jr., has been named chairman of the committee which will be contacting local merchants and residents for contributions.

"This will be the first major change in our city's Christmas decorations in many years," said Beck. "We are sure that all merchants and residents will want to share in this project to improve the city's appearance during the Christmas Season." Checks may be made payable to the Avon Park Chamber of Commerce, and mailed to P. O. Box 1330.

Avon Park. "It has been proven, in other cities in the area that a complete Christmas light-

ing display can, and will, encourage shoppers to remain at home to do their shopping. We feel that our merchants

will benefit and the decorations will add to the enjoyment of all citizens of our area," Beck stated.

REX E. BOND, chairman of the board, Avon Citrus Bank presents check for \$200 to Bill Beck, president of the Chamber of Commerce, as the banks

contribution to the Chambers drive for funds to pay for the Christmas lights ordered to decorate the Mall during the Christmas Season.

Tax Collector's Grandson Drowns

Graveside services were held at Pinecrest Cemetery Tuesday for the young grandson of Highlands County Tax Collector W. H. Prescott, James Earl Fountain, Jr., 2 1/2 years old, drowned Saturday noon at Brandon.

Earl, who was the older child of James E. Fountain and the former Cynthia Prescott, wandered away from his family during a neighborhood picnic and fell into a pond where tropical fish are raised.

The parents, former Sebring residents, had resided in Brandon since December, 1966. In addition to his parents, the child is survived by a three months old sister, Julia, his maternal grandparents, Mr. and Mrs. Prescott, and paternal grandparents, Mrs. Frances Scott of Plant City and C. W. Fountain of Eaton Park.

He also leaves four great-grandchildren: Mrs. Viola Hendry of Daytona Beach, Mrs. Angie Prescott of Zolfo Springs, Mr. and Mrs. John E. Hancock of Plant City.

Funeral services were conducted at Brandon's First United Methodist Church Tuesday morning. Officiating ministers were Rev. Bob Coram and Rev. Ray Harrison of Brandon, Rev. A. R. Fagan of Orlando and formerly of Sebring.

Rev. Robert L. Bateman of First Baptist Church, Sebring, conducted the graveside services.

Conference On Children Scheduled

More than 1000 people throughout the state are expected to attend the three day conference of the Florida Association Children Under Six, in Tampa, on November 6, 7, & 8, at the Causeway Inn and the Sokol Beach Motel on beautiful Tampa Bay.

Key speakers will be Dr. Evangeline Ward, Dr. Daniel J. Jordan, Dr. Boyd McCandless and Ray Dantzer. The conference which will use a study group approach, will concentrate on "Look Listen, and follow through with young children." Speakers during the three day conference include experts throughout the United States.

When painting small pieces such as tables and chairs, you might find your basement workbench is an invaluable aid. Place these pieces upside down on the bench and do the underneath surfaces first. Then turn them right side up and finish painting. A bench makes it easier to cover each piece evenly with paint and you'll be able to spot drops and missed areas quickly.

Mr. and Mrs. H. Earle Bous (Vicky, at De Children's Shop) have just returned from a trip having first driven to Waynesville, North Carolina to view the Fall colors which were out in a blaze of glory.

Upon their return they visited in Atlanta where Mrs. Bous attended the pre-opening of a champagne party of the new Lord & Taylor store, which is well known in New York as a fine department and specialty shop. It is in a fabulous new shopping plaza adjacent to Saks Fifth Ave. with many new outstanding shops from the North being represented, such as Tiffany, Mark Cross and Dempsey Carroll plus many new shops and exclusive apparel shops.

Vicky observed how well dressed the Atlanta were in this area, far from way out, more conservative and very definitely smart in their attire.

The Plaza is about two blocks distant from Lenox Square, which caused so much favorable comment for Atlanta a few years ago, but which now in comparison might be termed mediocre.

A wonderful and progressive city, Atlanta!

Arthur Beck Honored by SAE Fraternity

Arthur L. Beck, of Lake Byrd Drive, has been honored with the Distinguished Service Award of Sigma Alpha Epsilon fraternity at a ceremony held on the Carnegie Mellon University campus at Pittsburgh on October 25, 1969.

The award was presented by the National President of SAE, Paul B. Jacob, Jr., of State College, Mississippi. Assisting was the recipient's son, Jay S. Beck, of Buffalo, head of the New York-Pennsylvania Province of the fraternity. One of the oldest and largest college social fraternities, Sigma Alpha Epsilon was founded in 1862 at the University of Alabama. It now has 172 active chapters on college campuses across the country. In Florida, there are chapters at the University of Florida, Florida State University, University of Miami, Florida Southern and University of South Florida.

Beck, a former national president of the fraternity was cited for his service to youth, and many other community activities. He is a past District Governor of Rotary International, a former YMCA Man of the Year, and Chairman of the Board of his Congregational Church.

South Florida Junior College Panthers are hard at work preparing for the pre-season basketball season at Orlando Junior College which is less than a month away.

The Panthers will begin a series of practice games in preparation for this November 13, Tuesday night they played A.P.C. and on Thursday afternoon will journey to Indian River for a crack at the tall, Indian River team that achieved national ranking last year.

The Panthers are slow in shape this year as two of them were hobbled with sprained ankles.

The Panthers have been working in groups to give Coach Terrell a quick view of their talents. Group one is John Beattie, Willie Marwiche, Ron White, Nick Turner, Chuck Smith and Jerry Stephenson. The other group which has been giving a good account of themselves are Don Strange, Rodney Kullinger, Ken Finlan, Edgar Mosley, John Graham, Bill Whitner, and Charlie Maginheimer.

Season tickets will go on sale November 1. These tickets will give all those who want to attend the Home basketball and baseball games a chance to save money and also will give all the people who just want to help the Junior College athletic program and who can't attend all home games, a chance to do their part.

Individual tickets will be of two kind. Individual that sells for \$10.00 and a family type that admits all members of the immediate family to all home basketball and baseball games for \$20.00.

Please watch for potential places to buy these tickets.

Grange Observe Booster Night Tuesday

Avon Park Grange No. 203 observed Booster Night and Neighbors' Night when they met in Wesley Hall of the First United Methodist Church on Tuesday, Oct. 14. The gathering opened with a pot luck supper at 6:30 and was followed by an open meeting at 8 o'clock. Twenty-five visitors were in attendance, which included two National Grange officers, seven State Grange officers, and the State Grange Prince, Jack Andrews, of Sarasota, who will compete for title of National Grange Prince on November 15 at the National Grange annual session at Daytona Beach. The meeting was called to order by the Master, Louise Clarke, who welcomed the visitors. She read a letter from the National Grange Master, John W. Scott of Pennsylvania, and one from President Richard M. Nixon written to John W. Scott, praising the Grange for its worthwhile activities.

Minister Clarke introduced the lecturer, LaVerne Fuller, who, in turn introduced the Lecturer of Hardie Grange, Clara Nickerson. The Lecturer of Lake Placid Grange was unable to be present. A balanced program was presented, which included two numbers by Hardee Grange and two by Lake Placid Grange. Grange Policy—The Grange is more than a farm organization. The purpose is to serve the total interest of the community and the nation. It is a family fraternity, serving members from 14 years and up, while the Junior Grange members are 6 to 14 years.

The "Granger Laws" were explained by the Chairman of the Legislative committee, Louise Edmondson. Every law student is required to make a special study of these laws which brought about the end of railroad monopolies, and others, and originated the Interstate Commerce laws. A talk was given by Wilb Just, a National Grange Deputy, and slides were shown by the State Master, Robert Proctor, while his wife read the Bible quotations used in Grange ritualism. Remarks were made by other visitors. Two applications for membership were received.

Thought for the day—Be friendly with folks you know. If it were not for them you would be a total stranger. Refreshments were served following the meeting.

An Anniversary cake was cut by Mr. and Mrs. Alfred Haviland who celebrated their Golden Wedding anniversary on October 8. The next meeting will be held in the Junior Sunday School room of the First United Methodist Church at 8 P.M. on October 28.

Invitational is to be held at the Avon Park course Friday, Oct. 24. Shotgun start at 9 A.M. Lunch and prizes are covered in the \$3 entry fee. Ladies are expected from Lake Placid, Sebring, Wauchula and Lake Wales. Course will be closed for regular play until after 1 P.M.

A Golf Clinic will be started for the ladies this Thursday, Oct. 23. Advanced pupils will start at 8:30 A.M. and a group for beginners at 9:30 A.M. The clinic will run for ten weeks (one class a week) at a cost of \$10 for the course. Non members are invited.

Winners of last week's Pro Am on a best ball basis full round were Jack Duggan, Dick Thayer, John Gray and Bob Lee, taking top honors with a net 56.

Mr. and Mrs. James V. Ward Celebrate 50 Wedding Anniversary

Mr. and Mrs. James V. Ward celebrated their 50th wedding anniversary Sunday afternoon with open house, at their home, 153 N. Florida Ave.

The serving table was covered with a gold cloth, and centered with crystal punch bowl with golden wedding punch. A money tree entwined at the bottom with yellow daisies, was placed at the end of the table. The miniature bride and bridegroom of yesterday held its appropriate place at the table.

A centerpiece of bronze and golden carnations in the living room with white wedding bells trimmed with gold carried out the golden theme.

Mrs. Ward, attired in a lavender knit A-line dress wore a corsage of golden carnations with a flair of bronze ribbon to greet their many guests, friends and relatives that visited throughout the afternoon.

Many lovely gifts and cards were showered upon the couple which they will cherish.

Attending at the guest book, Debbie Dennis and Patricia Cravey, with Mrs. Jim Cravey and Mrs. Dot Childers assisting with serving of the sheet cake topped with the 50th anniversary and golden roses.

Five of the couple's seven children attended: Mrs. Betty Reed and her daughter, Sharon from Delavan, Wis.; Mrs. June Cravey, Bedford, Tex.; Mrs. Wanda Sullivan,

Boston, Mass.; Bill Ward, Wauchula, and Mrs. Lorine Ludwig of Avon Park. The two unable to make the trip were Mrs. Lucille Cobble of Sanford and James H. Ward of Mariam, Ind.

Albrittons Attend Class Reunion

Mr. and Mrs. Maurice Albritton have returned home after attending the Sentinel Class of 1949 class reunion in Waltham, Mass.

Mrs. Albritton, (the former Nancy Blomberg), graduated with the Class of 49 of 355 graduates.

The reunion was held at Sidney Hill Country Club in Chestnut Hill on Saturday, Oct. 11 with a cocktail hour, buffet dinner, and sentimental program and dancing by the music of a combo playing the "ole" time favorites of 50 years past.

Nancy took a lot of kidding from her classmates on her southern drawl, and it took a map decision on who had come the longest distance, the Albrittons moved out by Stanley Cullen, class clown from Oklahoma.

"Ole" Waltham High is now occupied by Junior High students.

They enjoyed going, visiting with relatives and friends but glad to be home.

Clarie Johnson - Sgt. James Varnes Wed In Homestead Base Chapel

Miss Clarie Elaine Johnson and S/Sgt. James Nelson Varnes were married October 24, at 1 P.M. at Homestead Air Force Base chapel.

The bride is daughter of Mr. and Mrs. L. H. Minkel of South Miami Heights and the bridegroom is the son of Mr. and Mrs. James E. Varnes and the grandson of Mr. and Mrs. N. S. Varnes of Avon Park.

Chaplain Maurice B. Hibbard performed the double-ring ceremony, with the wedding music provided by organist, Mrs. Redhead.

Given in marriage by her mother, Edwin R. Johnson, the bride wore a floor length gown of white crepe, A-line skirt, short sleeves. Her bride veil flowed from a tiny flowered headpiece of silk tulle. Her bridal bouquet was of white tulips and carnations.

Miss Linda Keil served as

maid of honor. She wore a floor length blue satin dress and carried a bouquet of white and blue carnations.

Johnny Varnes, brother of the bridegroom, served as best man.

Sgt. William Seyfried and A/C Jerry B. "on served as ushers.

ROTARY CLUB NEWS

By Dr. Wm. Stallard

Hue Nunnallee is the latest member of the No-Preparation Speech Club which seems to gain momentum with each passing week. He did a fine job, however, of explaining the problems surrounding the sale of bonds based on receipts from the Race Track Fund.

Hue explained that Highlands County, along with other small counties was trapped in a situation where by loss of Race Track Revenue was almost a certainty unless these monies were tied up in a some long-range obligation.

A number of worthwhile projects appear in the making if the bonds can be sold, not the least of which is a courthouse annex for Avon Park. Much interest was evidenced by the club membership as questions which followed Hue's talk indicated.

Shuffling

Thirty-six folks turned out for the tournament on Wednesday evening. It was a nice warm evening, and pleasant to be there. Grace Warner and Lloyd Young came in first with Ota Gibson and Doc McAlexander coming in second. Consolation winners were Chris Cabezas and Larry Robinson with Bea Tingler and Dorothy Wilde the runners-up.

Saturday evening it rained, so no tournament.

Card Games

Monday afternoon there were three tables of pinocchio players and the high score went to Aline Howard with 823. Charles Lawrence came in second with a score of 753.

Dorothy Wilde had the highest score in bridge on Tuesday afternoon. Her score was 4290. Chris Cabezas came in second with 4060. Two tables were in play, and Bertha Brush is the chairman.

Dances

The dance continues as they have under the leader-

ship of Art Gorsuch. Guests, Friday evening included Vonna Beall's sister-in-law and husband, Mr. and Mrs. Walter Smith of Jacksonville. The many spectators enjoyed the dance on both Monday and Friday evenings.

Supper

Sixteen came out for the supper on Saturday evening. The Lewis Springs and the Elmer Goods were the hosts and hostesses for the evening. Mr. Spring returned thanks. In the roll call New York had more folks than any other state.

After all had partaken of an excellent meal, a short program was enjoyed. There was the salute to the flag, followed by several readings by Mrs. Springs, Mrs. Good and Fred Robinson. The program was concluded with the group singing of "God Be With You Till We Meet Again."

Chit Chat

The first board meeting of the season was held on Tuesday evening, with vice president, Burdette Howard presiding. This was possible with the return to Avon Park of Glenn Long and Caroline Webber to make a quorum.

Mac and Jo McKinnon have been spending some time in Washington, Iowa while their daughter, Mary Newwirth is recuperating from a hospital stay. She is doing fine. The McKinnons expect to be in Avon Park in the middle of November. Ethel Swartzstein should be home from the hospital in Royal Oak now. We hope she will be well enough to return to Avon Park real soon.

Duke Christensen is still in the hospital at Sault Ste. Marie, Mich. He is slowly recovering.

The Russell Smiths will be back in Avon Park the last of the month. Mr. Smith is the president of the Tourist Club.

The club house was full of folks playing cards Saturday evening. Those who couldn't shuffle on account of the rain, those who had been at the supper, and some regulars, who always have a game there on Saturday evening.

The membership is now up to 108. Latest to join this week are, Ralph and Eva Lambert of Defiance, Ohio; Arthur and Leola Poling of Winchester, Va.; Glenn and Mildred Long of Plantville, Conn.; Kellie and Elia Larver of Windsor, Ill.; and Al and Minnie Carleton of Jamestown, N. Y.

Sylvan and Catherine Baker have spent a month camping in the Smokies and Pennsylvania—to enjoy the changing colors—now they are back in Urbana, Ohio visiting with their families before returning to Avon Park.

Joe and Helen Gant report they have had a fine summer and a good garden, plenty of tomatoes and are now packing for their return to Avon Park.

Retired Persons Meet Sun Coast Director

Highlands County Chapter 222 of AARP held their regular monthly meeting October 14 at 7:30 P.M. in the Sebring Manor Hotel with 110 persons attending.

President Rev. R. Wesley Smith presided. Mrs. Wesley Dehn had the devotions after which the group sang "God Bless America." Mrs. Evelyn Richens was at the piano. Rev. Smith introduced Kenneth Waite and wife of Sarasota. Mr. Waite is the new Sun Coast Area Director and Rev. Smith is the Associate Director, the two of them had been making plans for the quarterly meeting of the Sun Coast Council of AARP, this will be a workshop and will be held October 23 at St. Petersburg.

Mrs. Mitchell, president of the Venice chapter, accompanied Mr. and Mrs. Waite on the trip here.

We were pleased to hear that Florida holds first place in membership, California which had been in first place has dropped to second place. The total national membership has passed the

(1,600,000) one million six hundred thousand mark and still growing.

Andy Snyder and his wife Joyce showed colored moving pictures which they took over the past 30 years while they lived in Alaska.

The Snyders are living on Crescent Drive in Sebring and plan to make this their permanent home.

The next meeting will be Tuesday, Nov. 11 at The Manor, as usual.

Still heating your water over a flame?

SWITCH TO AN ELECTRIC WATER HEATER NOW AND SAVE \$25!

From now until the end of December, we're offering a \$25 installation allowance to our residential customers who switch from a flame-type to an electric water heater.

You'll find an electric water heater costs less to buy, less to install and less to operate than a gas water heater.

For electric water heaters are the only water heaters that can be safely placed

in any room in your home. No flues are required. This means shorter pipe runs, less heat waste.

There are no sooty burners... no odors.

And with an electric water heater you have the advantage of our special low water heater discount rate. Just call our local office for details.

Switch NOW and save!

Drive the Simca Runabouts. New way to go from the Chrysler People.

Our new 1969 Simcas. They're built for active people who need the practicality of an economical second car, but who also like to drive a small car with big-car feel. For '69, our Runabouts are loaded with unusual features. Like the extra door in back of the Simca GLS 1204s. It makes them part-

time sedans and part-time wagons. According to your whims. And they have front wheel drive, for that big-car feel on expressways and to take you places ordinary cars can't go. Through mud, sand and snow.

You'll also find reclining bucket seats, 4-speed transmissions, full carpeting, disc brakes, radial-ply tires and map pockets on the doors. Our 1969 Simca Runabouts. They're all backed by the Chrysler People, and priced very very low. That's standard too.

The center over the punter's the finally fell on Avon Park's and it was Avon took just one straight through capital on the field before the game finally broke on the Wauchula. But the Devils penalty from the Sismore kept gain. Then Hartt took the one-half yard line, 5. Roy Clait took the goal line for the drive up the middle for the PA but Avon Park to the dressing room. On the first drive of the second of the Clait broke loose cat 19 and raced secret score. But Red Devil nullified put Avon Park. Widest 34-yard line died on the 20-yard penalty against the Devils the offense off.

Late in the third Park scored again yard penalty act cats midway in Sismore scored second of the even to his right straight through. Again the 30 booted the extra Park had a 28-0 lead period came to a halt. Early in the first put the icing intercepting a pass. Hardie fullback yards for the TD second touchdown and brought his effort for the season. Sismore kicked four attempts on and set the score. Hardie put together and most serious fourth quarter cats drove from the Devil 18-yard fourth down punted in the 4. Devil defender to cats last chance score.

The Red Devil out the clock and from their own 40-yard line before an 11 yard gain son was the last drive.

Red Devil Winning

The Avon Park continued its Thursday night shut-out over Memorial Field third straight. Devil "Bees" dropped the by a score Meade.

Tonight's Jaycee team Meade in a 2 junior M starting at 7. Coach Dew hoped that squad can tie the Fort Me.

Last week its quarters to 7 point advantage touched down a Zeeli's drive from four yards sustained drive and Danny for the two was no good.

In the second week Bobby accepted a L out in the 4 yards down the score. 7 were scored. McRae to B Avon Park halftime.

the first quarter. Early in the second quarter Avon Park drove to lose the ball on downs. Hardee moved out to the 27 where they were forced to punt. The center shot the ball over the punter's head and when he finally fell on it, the ball was on Avon Park's one-yard line and it was Avon Park's ball. It took just one drive by Siemore straight through the middle to capitalize on the Wildcat mistake and put the Devils six points further ahead. This time Siemore kicked the extra point and the Devils led 16-0.

After an unsuccessful drive by both teams, Hardee took over on their own 30 with 2 1/2 minutes left in the first half. On the first play, the Wildcat quarterback flipped a pass which was intercepted by Devil back Steve Hartt. Hartt scrambled all over the field before the Hardee defense finally brought him down on the Wauchula two-yard line. But the Devils drew a 15 yard penalty from that point for an infraction after the whistle blew. Siemore kept for a 10 yard gain. Then Hartt picked up yardage to the one-foot line, but lost back on the next drive to the one-yard line. So hard-driving Roy Claitt took the ball over the goal line for the third score on a drive up the middle. Siemore's kick for the PAT was blocked but Avon Park took a 21-0 lead to the dressing room at halftime.

On the first Devil offensive drive of the second half, Roy Claitt broke loose from the Wildcat 19 and raced in for an apparent score. But clipping by a Red Devil nullified the score and Avon Park back on the Wildcat 34-yard line. That drive died on the 20-yard line after another penalty was assessed against the Devils and cooled the offense off.

Late in the third period Avon Park scored again after a 44 yard drive which was aided by a 15 yard penalty against the Wildcat midway in the drive. Don Siemore scored the TD—his second of the evening—on a roll out to his right and then a cut straight through into the end zone. Again the young left-footer booted the extra point and Avon Park had a 28-0 lead as the third period came to a close.

Early in the final period, Seigler put the icing on the cake by intercepting a pass tossed by the Hardee fullback and racing 62 yards for the TD. It was W. J.'s second touchdown of the game and brought his total scoring effort for the season to 66 points. Siemore kicked his third out of four attempts on extra points and set the score at 35-0.

Hardee put together its longest and most serious threat in the fourth quarter when the Wildcat drove from their own 40 to the Devil 18-yard line. Then a fourth down pass was intercepted in the end zone by a Devil defender to stop the Wildcat's last chance to get on the scoreboard.

The Red Devil reserves played out the clock and moved the ball from their own 20 to the Hardee 40-yard line before time ran out. An 11 yard gain by Lorenzo Nelson was the longest run of the drive.

Halfback Roy Claitt continued to impress Devil fans with his hard-driving run. Claitt picked up 75 yards with 15 carries last

week and has a total of 356 yards of rushing gained for the five games with almost a five yard average per carry.

While Joe Seigler continues to lead the Devil backs with a total of 702 yards in 91 carries for a 7.7 yard average per carry.

The shut-out was the first game of the season that the Red Devil defense held an opponent scoreless and it took a good effort on the part of the entire defense to hold the Wildcat out at the end zone. Three pass interceptions and one fumble recovery were turned in by the defense.

Red Devil "B" Squad Continues Winning Streak; Beats Lake Placid

The Avon Park "B" squad continued its win streak last Thursday night with a 28-0 shut-out over the Lake Placid junior varsity here at Memorial Field. It was the third straight win for the Devil "Bees" after they dropped the season opener by a score of 6-0 to Fort Meade.

Tonight the Avon Park jayvee team will play Fort Meade in a return game on the junior Miner's home field starting at 7:30 o'clock and Coach Dewayne Lemler is hopeful that his improving squad can turn the tables on the Fort Meade eleven.

Last week the young Devils scored in the first three quarters to rack up the 28 point advantage. The first touchdown came on Eddie Ezell's dive up the middle from four yards out after a sustained drive led by Ezell and Danny Lewis. The try for the two point conversion was no good.

In the second period Devil end Bobby Stoops intercepted a Lake Placid pass over in the flats and ran 10 yards down the sideline for the score. The extra points were scored on a pass from McRae to Bud Wester to put Avon Park out front 14-0 at halftime.

The Devil "Bees" scored twice in the third period. A pass from McRae to Wester was good for the 20-0 yards and the TD to culminate a 70 yard drive. Again the extra point try was successful leaving the score 28-0. The final score came on a

20 yard around right end by Eddie Ezell and a pass from Leon McRae to Danny Lewis put two more points on the score board on the conversion try and Avon Park had a 28-0 victory.

Coach Lemler was able to give all 31 boys playing experience again last week as all the boys are showing improvement. The "B" team almost uses a two platoon system with the following boys moving the offense: quarterbacks Leon McRae and Greg Hartt; fullback Bruce Peterson; ends, Nathaniel Packer and Bud Wester; tackles, Tim Shields and Ray Culpepper; guards, Del Murphy and center, Charles Johns.

Then on defense it's these boys who take over and hold the opposition: ends, Bobby Stoops, Earl Strong or Eugene Flowers; tackles, James Walker and Ted Long; guards, David Messer and Virgil McInlave; linebackers, Bill Phillips and Jimmy Cole; and backs Artie Bass, Wayne Todd, Roy Lamb, McRae and Hartt. Others who see action on the kick-off team or during some other part of the game are: Gary Meyers, Tim Underwood, Andy Prescott, Jimmy Hopson, Ricky Lanier, Glenn Gray and Ray Revels.

Coach Lemler had praise for the play of each of his boys and urges fans to make the trip to Fort Meade tonight to cheer youngsters on to their fourth consecutive win.

Youth Care Children Gets Good Grades

Since Youth Care opened its new juvenile home last Spring, a total of 64 children have been processed to date. And those currently at the home are being bused to school and generally getting very good grades.

Youth Care is in the midst of its annual drive for funds this month to maintain the facility. "It is the dream of the court as well as the congregation we will see the day when a commitment to a state training school will be unnecessary — that rehabilitation will be forthcoming on a county level," said Juvenile Counselor Bob Lindsay.

In a report to the Board of Commissioners for July, August and September, Lindsay said there have been actually and officially 88 cases before the court in those months.

Only five children were placed in the county jail and these were held for out of county courts. A total of 31 were placed in the juvenile home.

Lindsay declared: "It is felt that eventually with additional staff, school and community resources and volunteer services our program here will be one of the most successful in the state."

Lindsay said the morale of the youngsters at the home "is probably at its greatest height."

Old Settlers Will Meet October 29

Wednesday, Oct. 29, is the date set for the 28th annual meeting of the Old Settlers Club, and it will begin at 2 P.M. at the Congregational Fellowship Hall. Refreshments will be provided by the Committee.

Election of new officers and directors will be the main item of business. This will be conducted by the retiring president, Ted J. Ward, E. A. DeLaney, Sr. is vice president; Mrs. Hayes Maxfield is secretary and Mrs. J. R. Bennett is treasurer; Mrs. Cora Wray is the historian.

Any person who has been a continuous resident of Avon Park for at least 20 years is eligible to be a member of the Old Settlers Club. Many of the members now live away from Avon Park and it is hoped that they will take this opportunity to come back as a Homecoming celebration with others who are or have been residents of this city.

Invitations have been sent to all those addresses are known but others should be invited by their local friends to this get-together. Pictures taken when Avon Park was quite young will be viewed. Others are desired for the day as these are always enjoyed by everyone.

The Old Settlers Club wants everyone to join in that the traditions of the past may be remembered in the future. There are to be but the 20 years in Avon Park makes one eligible. How about you?

Ladies Aid Will Serve Baked Chicken

The Ladies Aid of the Union Congregational Church will serve a baked chicken supper on Tuesday, Oct. 28, from 4 to 6:30 P.M. in Fellowship Hall. Reservations for the supper must be in by Friday, Oct. 24.

As an added public service there will be tables of home-baked food and gift articles. Those attending will be able to select fancy goods for Christmas gifts and pick up delicious baked pastries to be served at home.

Young People Will Trick or Treat For United Nations Children's Fund

Young people from participating churches and the Key Club of Avon Park High School will conduct their annual drive for the United Nations Children's Fund this Saturday night. If one of them comes to your door, please give.

UNICEF goes where the need is and supplies drugs and food to sick and starving children. Last July the organization sent 5000 tons of children's food to war-ravaged Biafra, in Africa. Much of this aid was transported through the good offices of Catholic, Protestant and Jewish agencies. The shipments continue at the same rate or more each month. The lives of thousands of children are being saved.

UNICEF is sending in up to \$100,000 worth of medicine per month, including antibiotics, drugs to combat malaria, dysentery, worms and anemia. Besides this, 100,000 doses of measles vaccine and 120,000 doses of smallpox vaccine were given. This effort is being continued both in Biafra and Nigeria.

The work to save children's lives in Biafra, Africa, is only one segment of UNICEF's great program which benefits needy children in 129 countries. Wherever disease or hunger threatens their lives, UNICEF moves in to bring the help made possible by concerned people in our lands. The executive board of the United Nations Children's Fund is made up of representatives from 30 nations.

observances of United Methodist women throughout the United States. The "Call to Prayer and Self-Denial" of United Methodist women focuses on mission study, a much needed offering for special world and national projects, and a deepened spiritual life. More than 1,250,000 in 36,500 local societies and guilds in all 50 states will join in the observance.

The Call is sponsored by the Women's Division of the Board of Missions of The United Methodist Church. The Division, one of the four major units of the Board of Missions, is the national body which all local Women's Societies and Guilds function.

The theme of the 1969 Call to Prayer and Self-Denial, "Let the Earth Bring Forth," from Genesis 1:24, emphasizes not only the need to feed the hungry today but also to teach them new ways to bring forth from the earth.

When God Is Rejected . . .

By DAVE LLEWELLYN
Is America beyond hope of spiritual re-awakening?

We have exchanged our former moral ideal of spiritual purity, and permanence for our present standard of immediate, transient pleasure.

We are witnessing the near-total transfer of our spiritual confidence from the only God who ever actually appeared in our world — Jehovah God, who lived in Jesus Christ — to astrologers, dramatized victimizers, scientism, cultism, racism ranging from snake-handling to Scientology, psychomystics, mystics, and erotic sensualists.

We have come to entertain ourselves by watching homosexual sexual love-making, sadism, masochism, and detailed portrayals of violent sex and hatred — through movies.

Truth Told
We are seeing the truth of God twisted into falsehood by the hands of anti-Christians within the clear sight of unconcerned or over-tolerant believers.

Mild Christians for example, are praising the rising emphasis on the spirit of love, not realizing that though its advocates often claim Jesus as their teacher, they are denying the on-to-personal relationship of love between God and man, husband and wife, parent and child.

They are substituting, instead, a universal, intimate love relationship of all people, which uses the sensual and positive nature of man and calls it good.

But America is not the first nation to have gone this far. The degeneracy of the nation of Judah under King Ahaz pre-empted even that of the First United Methodist Church.

Highlands County Has State's Lowest Per Capita Tax Rate

Highlands County's 14.124 basic millage figures out to the lowest per capita tax rate in Florida, according to a report made to the Highlands County commissioners by Tax Assessor J. W. "Bully" Martin.

At their meeting on Tuesday the county commissioners officially certified the county tax rate for 1969. Payment of county taxes will begin the first week of November.

In his report Tuesday, Martin noted, "Although the taxing authorities have been forced to make a slight increase of .079 mills, the basic millage of 14.124 keeps Highlands County in its enviable position of having one of the lowest tax rates in the entire state."

He said five counties have a lower millage than Highlands, but the population of those five combined is less than the population of this county. Martin said the low per capita rate of county taxes is a result of "careful business management on the part of our county officials and our good property values."

In his report he noted, "Despite sizeable losses in personal property, as a result of legislative action requiring investor and livestock to be assessed at only 25 per cent of full cash value, and the extension of \$5,000 homesteaded exemption to each qualified multiple apartment owner, the actual net gain in total taxable value increased \$9,538,313 this year."

The increase in real property values is due primarily to new construction, including residential, commercial and industrial plants. In addition, there is a steady growth in agricultural land improvements such as pasture land and citrus acreage."

Total 1969 valuations for non-exempt properties is \$27,743,425. The homesteaded exempt values advanced more than \$1.5 million to \$27,569,900.

Taxes Top \$1 Million

Gross taxes levied for 1969 are \$1,121,515.06 or an increase of \$272,022.

The county school system gets the biggest bite — \$1,786,317 or 37 percent of the total. Last year the schools got less money, \$1,684,156, but that was almost 59 percent of the total tax bill.

The county commissioners share advanced to 36.7 percent and will net the county \$1,148,907.

Highlands General Hospital district held the line on its

millage so while its income will advance more than \$500 — to \$141,596 — its percentage share of the county tax dollar is down to 4.5 percent.

Central and Southern Florida Flood Control District (which does not include all of Highlands County) increased its millage and its share of the tax dollar advanced a half percent to 1.75 per cent. Its income will rise almost \$20 thousand to \$94,660.

The state intangible taxes levied in the county for 1969 total \$91,025.

Visitor Likes Municipal Golf Course

Dear Editor:

Avon Park should be congratulated on its Municipal Golf Course and the tournament sponsored by the Florida Home Fruit Company last month.

The layout, architecture, and condition of the golf course compares favorably with any in the state. The tournament was well planned and handled very smoothly, a credit to the members and the sponsoring company.

This was a fine tournament, held on a fine golf course, in a very fine city.

Sincerely,
Wayne H. Brownell,
D.D.S.

PICTURED ABOVE are those members of the SGA who are about to depart for their State Convention at Orlando.

LEFT TO RIGHT are: Carla Rice, Pam Maness, John Burtcher, Scott Shoemaker, Phillip Curlee, John Alwood, Betty Anne Baker, and Wayne Brantley; all delegates to the Florida Junior College Student Government Association State Convention.

Eight SFJC Students Attend Student Government Convention

South Florida Junior College was, for the first time, able to send eight delegates to the Florida Junior College Student Government Association State Fall Convention, which was held in Orlando on October 2, 3, 4.

At the previous FJCSGA conventions, SFJC had only been able to send four delegates. Because of the increased enrollment, however, South Florida's Student Government Association felt that SFJC could financially afford to send the full number of delegates allowed, and in so doing, equal our representation with such colleges as Miami-Dade JC.

John Alwood (alternate), Betty Anne Baker (voting delegate), Wayne Brantley (alternate), John Burtcher (voting delegate), Phillip Curlee (voting delegate), Pam Maness (voting delegate), Carla Rice (alternate), and Scott Shoemaker (alternate), were accompanied by Mr. Harvey Jackson III, Adviser. All nine joined into the SFJC station wagon on Thursday at 11:00 and began their short journey to the Statler Hilton Inn in Orlando.

After arriving at their destination and getting settled in their rooms, the scheduled events began. At 3:15-4:00, the president of FJCSGA, Steve Levy, welcomed the entire group which now consists of 31 member colleges. The first business meeting took place after the banquet, 7:30-9:30. From 10:00 to 12:00 there was a dance with music furnished by "The Chosen Few."

On Friday, the work really began. Everything had run according to schedule Thursday, but Friday proved to be even more rewarding. Bill Castellano, convention chairman from hosting Valencia JC, planned everything so carefully that the convention ran "almost too smoothly," as was stated by Mr. Jackson.

Friday afternoon from 2:53-4:00 four workshops were presented, one from each district in the state. Wayne Brantley took part in our District III workshop. Wayne presented his idea on "How to Make FJCSGA Work," in which he explained how each member college could be made to function properly in regard to carrying out resolutions passed at state conventions by using a telephone system.

Eleven resolutions had to be presented and voted upon before the third general session scheduled for 8:00-10:30 came to an end. The following resolutions failed to receive a favorable vote from the, at the time, 30 member colleges:

1. A resolution concerning the creation of a Miss Junior College of Florida Pageant and related activities concerning the moratorium of classes on October 15, 1969.

2. A resolution concerning the membership of Brevard Junior College-South Campus in FJCSGA, and a resolution expressing FJCSGA support

of the individual serviceman in Viet Nam were passed unanimously.

The other resolutions were agreed upon by a surprising large majority of the voting delegates (each college has four votes only). A resolution concerning student representation on the Board of Trustees, a resolution concerning the adoption of the guidelines for the construction of the student bill of rights, a resolution concerning a plan for prepared packages for conventions, a resolution concerning the destruction of the Everglades, and a resolution recommending that Florida Junior Colleges Student Government Association go on record as supporting additional statewide activities in the Florida Junior College Conference were also passed.

All the business having been taken care of, the delegates departed to various rooms, some to sleep, and some not to sleep. At any rate, the convention was a success. The delegates were working closely together and bringing about the needed re-unification of FJCSGA.

Panthers Complete Baseball Practice

South Florida Junior College Panthers will complete almost two months of Fall baseball practice the last of October. The Panthers have been working three afternoons a week and will go to two afternoons a week in November.

Here is a run down on personnel by positions:

Catcher—In an effort to bolster the catching department, the Panthers used three boys this Fall to give depth to the catching department. Freshmen Glen Sizemore of Avon Park, George Hines of Sebring, and sophomore Cesar Martinez of Ocala and Mike Harak of Tampa Catholic.

Pitching—A total of six pitchers have been working out this Fall. They are returnees Roy Nelson, left handed all conference pitcher from Mobile, Ala., and right handed Robert Sizemore from Avon Park. Sizemore looked sharp against Polk last Thursday. Freshmen chunkers are right-handed Michael Coots from Bradenton, Ill., Larry LaFlam from Avon Park, and southpaws Rex Smith from Arcadia and Cecil Walley from Viniger Bend, Ala.

Devils Will Meet Arcadia Friday Night

The Avon Park Red Devil football varsity moved into first place in the Class B District 7 standings last Friday with a 52-21 victory over the Frostproof Bulldogs here at Memorial Field before a stadium-packed homecoming crowd. It was the fourth win for Coach Joe Franz's Devils who also have one loss and one tie for the season.

The Avon Park eleven will take its 4-1 record down to Arcadia tomorrow night (Friday) to take on the DeSoto High Bulldogs who have a 4-2 mark with wins over Sebring (7-0), Cypress Lake (18-12), Venice (19-15) and North Fort Myers (21-10). The two DeSoto losses came from Naples (4-0) and Charlotte High (20-0) in the first two games of the season.

Last Friday night's homecoming game was the last home game for the Red Devils who now hit the road for the final four games.

The weather was cool and windy as the lovely homecoming candidates were presented before the game. The 1969 homecoming queen, Miss Mary Murphy, daughter of J. C. and Gracela Murphy, was crowned by last year's queen, Miss Janice Fletcher, was chosen as first runner-up and Miss Sandra Dorsey won second runner-up honors to make up Miss Murphy's court.

The first quarter of the Avon Park-Frostproof game was a real thriller as the Red Devils recovered a fumble on the opening kick-off and drove 26 yards for a quick TD. Willie Joe Seigler and Roy Claiter alternated carrying the ball to the end zone and then Don Sizemore sneaked it in for the score on fourth down. Sizemore, scored around left end for the two-point conversion putting Avon Park out 8-0.

Frostproof came right back and tied things up on the next series when quarterback Murray Wilson heaved a long pass to end Bill Franklin for a 61-yard scoring play. The big end got behind the Devil defense and scampered in after hauling the pass in about the 40 yard line. Wilson hit back Nick Davis in the end zone with a pass for the points after he tied things up.

On Avon Park's next offensive series, the Devils moved to the Frostproof 40 before they were forced to punt. Sizemore's punt went into the end zone and the Bulldogs took possession on the 20. Wilson moved the team for one first down but on third and 10 needed. Don Sizemore intercepted a Wilson pass at the 40 and 45 and Avon Park took the ball in for another TD in just two running plays.

Halfback Roy Claiter, who put on quite a running show during the game, picked up four yards on his first carry and then broke through the middle in a counter play and ran 41 yards for the touchdown. Sizemore tried to pass for the conversion but no one could get open and he was downed on the 10 yard line. Score was 14-0.

A short, on-side kick-off gave Frostproof possession on the Bulldog 40 and a 15 yarder against Avon Park set the Bulldogs on the Devil defense with a first and 10 to go. The Bulldogs moved to the 15 on the ground and then Wilson, found Franklin again with a pass that the tail end took in for the score. An attempted kick for the point after hit the side bar and bounced back to leave the score tied up 14-14. The Bulldog score came just seconds after the second quarter had started.

Avon Park spent the rest of the second quarter moving out from under three turnovers while holding the Bulldogs deep in their own territory until the final seconds of the first half when they moved into Devil ground as the whistle blew.

Roy Claiter scored his second TD of the evening following the Bulldogs kick-off. Steve Hartt returned the kick to the Devil 20 and then Claiter burst through the middle again on the first play from scrimmage and raced 81 yards into the Frostproof zone. Sizemore kicked the PAT setting the score 21-14.

Late in the second period the Devils scored again following the Bulldogs kick-off. Steve Hartt returned the kick to the Devil 20 and then Claiter burst through the middle again on the first play from scrimmage and raced 81 yards into the Frostproof zone. Sizemore kicked the PAT setting the score 21-14.

Late in the second period the Devils scored again following the Bulldogs kick-off. Steve Hartt returned the kick to the Devil 20 and then Claiter burst through the middle again on the first play from scrimmage and raced 81 yards into the Frostproof zone. Sizemore kicked the PAT setting the score 21-14.

DIANE MURPHY, daughter of Mr. and Mrs. J. C. Murphy was crowned Homecoming Queen Friday night at the football field. Miss Murphy escorted by

Mike Slear, first runner-up, Janice Fletcher escorted by Donald Johnson and second runner-up, Sandra Dorsey escorted by Henry Jones.

Beverage Dealers Complain About Changing Sale Hours

"Make up your mind so we can know what to expect," was the theme of two local business women who appeared before the council at its last meeting. Mrs. Wright and Mrs. Prescott well known licensed dealers in alcoholic beverages within the city limits of Avon Park, presented their problem. "For the past 22 years we haven't known what to expect from one year to the next," they told the council.

The reason for the appearance of liquor interests at this particular meeting of the council was the scheduled first reading of city ordinance 507, an ordinance revising sale hours for alcoholic beverages inside the city. At the previous meeting the council has asked the city attorney to prepare the ordinance for its first reading. This was in accordance with the majority wishes of some 700 people who even bothered to express an opinion in the last city election. Three of the four questions on the ballot September 9 were concerned with the sale of alcoholic beverages. About 500 "prohibition-prone" voters out of 3000 eligible to vote within the city limits expressed the desire to have the hours cut.

Blamford, a city councilman himself some years back asked who put the question on the ballot in the first place. Councilman Martin stated it originated with a requester, say Sunday sales. Always having been a popular "gripe" of the traditional-

ly righteous, the question had been put on the ballot to get people off the back of the councilmen, so they could direct their attention to other problems of the day.

Mr. Duggan stated he was not in favor of any change reducing the hours below those set by the rest of the county. Bob Hanford stated that following the appearance of the ministerial association before the council some months ago in an attempt to shorten the hours of liquor sales, he had talked with some of the ministers. He told the clergymen he felt he himself would have been with the then majority of the council in voting down a change. "I'm not a drinker myself," Mr. Hanford stated, "but I feel that when the city licenses the sale of liquor and collects taxes on same it had an obligation to see that those who are licensed are not penalized for being in the city limits." A number of dispensers have found it safer to move just over the line outside the city. If the city gives them a license it is under obligation to give them an equal break with non-licensed dealers just over the border.

Serdyanski our newest commissioner, stated that since it had been put on the ballot for a public opinion he felt the council should abide by their decision.

In a motion to table the ordinance, Mr. Howard and Mr. Duggan voted "aye" while Mr. Scott, Mr. Martin and Mr. Serdyanski voted "nay". The motion for first reading of the ordinance followed and was carried by the same three to two vote.

Everette Bean is the new minister of the Avon Park Church of Christ. He and his family have moved here from Tennessee where he had preached for the past 12 years. Bean is a native of Salisbury, N.C. His wife, Jane is a native of Birmingham, Ala. They have two children, a girl, Linda, 8, and a boy, Larry, 11. They reside at 10 Palmetto Circle.

Bean attended college in Montgomery, Ala. and has preached in Alabama, Georgia, North Carolina, and Tennessee prior to coming to Avon Park.

The church of Christ at Avon Park cordially invites you to attend its services at 200 S. Forest Ave. Sunday Bible Study is at 10 A.M., Sunday morning worship is at 11 A.M., Sunday evening worship is at 7 P.M., and Wednesday night Bible Study is at 7:30 P.M. If the minister can be of service to you please feel free to call upon him.

Hunting Season Opens Saturday

Thousands of hunters will be at their favorite shooting stands one-half hour before sunrise Saturday to join in the opening of the 1969-70 hunting season on resident game birds and animals. Avon Park bombing range will be open.

Hunting is allowed from one-half hour before sunrise until one-half hour after sunset for resident game. Migratory birds may be hunted from one-half hour before sunrise to sunset, except dove which may be taken from 12 noon to sunset.

Florida dove hunters will be out to put their guns away for a two-week period or swing their attention to other game birds and animals when the first phase of the dove season closes at sunset Sunday.

According to the Game and Fresh Water Fish Commission the first phase season which opened October 4 will end at sunset on Sunday. The second phase of the 1969-70 season for hunting migratory moving dove will open at noon on Saturday, Nov. 15 and continue through November 30.

The third and final phase season will open December 13 and continue through January 3.

Dove hunters are allowed a daily bag limit of 18 birds, and legal hunting hours are from 12 noon to sunset.

County Attorney Gets More Than He Asks For

After years of no payment County Attorney Hae E. Nunnallee didn't feel he should be overpaid, so he deliberately figured his first fee for right-of-way suits "on the low side,"—too low according to the State Department of Transportation.

At the October 7 meeting of the Highlands County Commissioners Nunnallee explained that, using the new DOT schedule as a guideline, he had worked out fees in line with the amount of work done.

At the October 21 meeting it was learned that the state department will not approve Nunnallee's conservative charges. Using its scale DOT re-figured the bills and raised one bill from \$600.00 to \$1,342.32. On another suit DOT computed Nunnallee's bill at \$2,363.90; Nunnallee asked for \$1,275.

The Highlands County Commissioners approved Nunnallee's submitting vouchers requesting payment at the rates set by DOT.

In another, however, the county saved money. Chairman, Jean Whitaker requested that this monthly travel allowance be reduced from \$100 to \$125 per month. He explained that travel by County Engineer-Administrator Chuck Morgan would offset any decrease in his travel.

Collections Up On Sales Tax

The steady upward of Florida's sales and use tax collection continued in September. Statewide the collection was 12 per cent additional tax money above that realized in September a year ago.

In Highlands County collections for September 1969 were \$118,272.52 as compared to \$12,622.29 a year ago. Collections during August were \$121,115.29. The September increase was 12.91 per cent.

Voters to Turn Out Tuesday And Decide Amendment

Highlands County voters will go to the polls Tuesday to vote on an amendment which probably means more to this county than to any other in the state. This is the amendment to the Florida State Constitution which provides for reinstatement of the state's authority to issue bonds or tax anticipation certificates until June 30, 1975, without taking the matter before the voters in a referendum election.

"If this amendment is passed it will mean that South Florida Junior College will be out of debt," explained President William Stallard, and as no cost to local taxpayers.

The money is there and we will get it over a period of years, he explained, if the amendment is not passed.

But if the amendment is passed it will enable them to repay the Highlands County Board of Public Instruction the balance of their \$36,000 loan, and will permit repayment to

the International Improvement Fund of approximately \$140,000. The money was borrowed to enable the college to complete its first phase of construction, now in progress.

"The passage of this amendment probably means as much or more to us in Highlands County than to any other county in the state," he pointed out. Passage of the amendment and sale of bonds would mean immediate availability of approximately \$90,000 in capital outlay money to South Florida Junior College.

Generally the amendment will be an improvement to the way things are set on the state level and a money saver, according to County Administrator-Engineer Chuck Morgan. City Clerk Jack Stroup and State Rep. Granville Crabtree, who have urged it to be passed.

Crabtree pointed out that the cost of financing keeps taxes down and that it's a pay-as-you-go proposition.

A total of 12,991 voters are registered to vote in Highlands County's 15 precincts. Of these 11,159 are Democrats, 2,256 Re-

publicans and 176 other parties. A total of 1,487 Democrats and 63 Republicans are Negro voters.

Council Gives Phone Company Time To Make Offer On Franchise Tax

Representatives of the Telephone Company again felt the heat of amending recentment that for 30 years they had been free of any city tax while other utilities had paid as much as 4% in recent years. Justly or unjustly, according to which side you were on, several companions were made between the Telephone Company and the Florida Power Co. The Florida Power, it was claimed had not only been paying a four percent tax but had rendered extensive voluntary services to the city.

While the telephone claims it would have to pass on any increase more than one percent to the consumer this was refuted by letter to President Duggan from the state commission. Suggestions were made that the Phone Co. render a cash settlement in addition to their offered one percent. Immediately use by the city. (This perhaps would offer some compensation for the years the phone company has prospered while paying no tax—so can the

undercurrent.

Other suggestions were that the Company consider free service for city government phones etc. Eventually it was agreed to permit the phone company another two weeks to come up with a better offer, shortening the length of the franchise as well as other considerations. Ed McMillan, spokesman for the Telephone Company said he would have to have the council many times again in the next 30 years.

Other Action By The Council

Other action of the council at its October 31 meeting included the following:

The rates for 11 Commercial affecting some 30 users, was discussed. However, it was felt that any reduction of rates for any group would be unwise at the present time. A motion was made and unanimously carried by Mr. Howard, that no change be made in the rates. All concurred but Mr. Scott voted "aye."

In a discussion concerning raises for any city employees the feeling was much the same. However, certain obvious inequities resulted in a motion to give a five dollar raise to Mrs. Ruby Carlson, assistant to the city clerk, and to Mr. Morris, a mechanic, and Wilbert Crawford.

Mayor Barben recommended the reappointment of the present policemen. A motion was then made and unanimously carried to employ the police force on a permanent basis.

Martin Kirkland, John Giddens, Jr., and Durrah Martin were unanimously named for the Zoning Board.

Mr. Howard made a motion and Mr. Martin seconded it that Don Serdyanski and Alan Elder be appointed to the Civil Service Board. In a substitute motion by Mr. Scott and seconded by Mr. Serdyanski, Don Serdyanski and Charles Smith were nominated. With Mr. Duggan voting "aye" the substitute motion carried.

As there had been some discussion in the previous council meeting about his lunch stand on South Lake, meeting city regulations, Mr. Colby Tullis appeared before the council, to answer any questions which might arise. Councilman Scott asked about the sanitary facilities and the parking space. Mr. Tullis stated his action toward making more parking space available and the recent check by County Health Department and the State Board of Health. Hotel Commission verified his compliance with regulations.

The Florida Gas Company represented by Mr. W. V. Seltzer and Mr. E. L. Mims appeared before the council to explain the delay in fulfilling their claim that the demand for gas has exceeded their expectations and has caused them to need an additional distribution by costing some \$200,000.00. The engineering required necessitated a delay in the filing of their application with the Federal Power Commission. The Commission's approval is expected within the next sixty days. To compensate for their delay they are at present supplying Relay Crates with a supply of propane gas.

A letter was read by City Attorney Hancock from Mr. Hancock, Department Heads are exempt from the Civil Service Act. Also policemen were to be appointed by the mayor in accordance with the rules and regulations of the Civil Service Act.

Mr. Duggan recommended that James Heim be named chairman of the Zoning Board and the Council agreed.

The new post office requested a twelve minute parking on the North side of the property. This recommendation was tabled until the next meeting of the council.

Veteran's Day Proclamation Witnessed By City Council

The significance of Veteran's Day this year was made more impressive than usual when Mayor Barben read the proclamation before the city council and signed it with the entire council as witnesses. Phil Briggs, Commander of the American Legion Post No. 57 and representing the veterans appeared before the council requesting the day be duly recognized and proclaimed. He then relinquished the floor for the mayor to read the proclamation.

Mayor Barben referred to the availability of flags in Sebring and requested the Legion to do the same in Avon Park. Briggs referred to Legion efforts in a survey of local businesses and claimed the businessmen didn't seem very interested at the time.

The American Legion in Sebring, he said, furnished flags and put them up on some ten or more days each year, at a cost of \$10 per year. Mayor Barben requested the new mayor be made and expressed the feeling that the degree of interest has changed.

Everett Bean is the new minister of the Avon Park Church of Christ. He and his family have moved here from Tennessee where he had preached for the past 12 years.

Bean attended college in Montgomery, Ala. and has preached in Alabama, Georgia, North Carolina, and Tennessee prior to coming to Avon Park.

The church of Christ at Avon Park cordially invites you to attend its services at 200 S. Forest Ave. Sunday Bible Study is at 10 A.M., Sunday morning worship is at 11 A.M., Sunday evening worship is at 7 P.M., and Wednesday night Bible Study is at 7:30 P.M. If the minister can be of service to you please feel free to call upon him.

CHIEF OPERATOR Dot Simpson, Ardath Charlton, service assistant and Charlotte Wright, operator, holds a quick pose at the party festivities at the traffic department of the Telephone Company, Friday.

AND AWAY THEY GO—Laura Pearce and Catherine Mitchell, both assistant chief operators hold their pose before they made their grand entrance to the Halloween party at the Telephone Co. last Friday.

THESE OPERATORS of United Telephone Co. dress up for their Halloween party last Friday afternoon, left to right, Mary Ellen Fletcher, Edna Reynolds, both relief service assistants and Faye Woodman, operator.

Avon Park Junior Varsity Out Scores Ft. Meade in Return Match

In a return match, the Avon Park Junior varsity outscored the Fort Meade jayvee squad by a score of 26-10 to move to a 4-1 record with three games left on tap for the 1969 season.

Tonight (Thursday) the Red Devil "B" squad will travel to Arcadia for a re-match with the junior Bulldogs. Avon Park defeated Arcadia 26-16 in an earlier meeting here at Memorial Stadium.

Last week in Fort Meade the game opened with the junior Miners kicking deep to Avon Park. The Devils ran it back to their own 12-yard line but were unable to move for a first down and were forced to kick on fourth down. A charging Miner busted through and blocked the punt to give Fort Meade possession on the Avon Park 23-yard line. In several plays the Miners scored and then ran the extra point to take an early 8-0 lead.

On the following kick-off the Devils ran the ball back to their 24-yard line and again were unable to move for a first down. This time, as Avon Park attempted to punt, a host of Miners charged in and blocked the kick. One Miner picked the ball up and ran it in for a second Fort Meade touchdown. The extra point try was no good but Fort Meade had a 14-0 advantage.

The next two times the Devils had the ball they lost it first on an intercepted pass and second on a fumble. The fifth time the Avon Park offense got the ball, Eddie Essel finally broke loose around left end for a 40-yard touchdown romp. The extra point try was short and the two teams went to the dressing rooms at halftime with the score 14-0 in favor of Fort Meade.

Avon Park had to kick-off to

start the second half but they managed to hold the Miner offense and take over the ball on the Fort Meade 40-yard line. Then with a combination of passes to Bud Wester and hard running of Danny Lewis and Eddie Essel, the Devils pushed over a TD. The score came on a 10-yard pass from Leon McRae to Wester. The extra point was also a pass from McRae to Wester to tie up the game 14-14.

The next two times Avon Park got the ball the offense moved quickly in for touchdowns to take a 26-14 lead. Again it was the running of Lewis, Essel and passes to Wester which kept the drives moving. Essel scored Avon Park's last touchdown. The good blocking on the offensive line in the second half and an aggressive defense kept the Devils in the game.

Fort Meade scored its final TD with just 30 seconds left in the game.

Coach Dewdney Lemler again had a great praise for his offensive line which has Del Murphy and Johnny Edwards at guards; Tim Shields and Ray Cuipepper at tackles; Charles Johns at center; and Nathaniel Packer and Bud Wester at ends. The defensive team has Bobby Strope and Earl Strong at tackle; David Mosser and Virgil McLevele at guards; Ted Long and James Walker at tackles; and Bill Phillips, Jimmy Cole, Wayne Todd, Artie Bass, and Ray Lamb at backs.

Coach Lemler said he felt this game was definitely won on team effort and praised his boys for not giving up in the first half when everything seemed to be going against them. The young Christian coach stated, "If God be for you, who can be against you?"

Telephone Operators Dress Up For Halloween Party Friday

Telephone operators of United Telephone Co. got all wound up in the Halloween spirit when 56 operators dressed up to take part in a day of fun as well as work last Friday.

The Traffic Department was decorated in the manner of Halloween, spooks, goblins, witches, even the elevator put you in the spooky mood.

Refreshments decorated by the operators themselves were served throughout the day and night. Other departments were invited to share in the good food and small talk that went on in

the Lounge during that day. Prizes for the most original costume went to Trudy Young, Charlotte Wright for the most like Halloween, Judy Cottle dressed as a farmer was awarded the silliest.

Young Married Class Holds Party

The young married fellowship class of the Florida Avenue Baptist Church held a Halloween party this past week. Everyone wore their clothes backward and the decorations were the traditional spooks and witches.

Those attending the covered dish supper: Mrs. Doyle Lamb, Mrs. Larry Bond, Mrs. Shelly Marrs, Mrs. Virgil Choate, Mrs. W. Crews, Mrs. Wanda Williams, Mrs. Dale Landress, Mrs. Eddie Wheeler, and Mrs. David.

T-Sgt. Stewart Serving In Turkey

U. S. Air Force Technical Sergeant Leon L. Stewart, son of Mr. and Mrs. Leon A. Stewart of 1707 Golden Age Villa, Avon Park, has arrived for duty at Incirlik AB, Turkey.

Sergeant Stewart is an aircraft electrician with a U. S. Air Force support unit. He previously served at McCoy AFB, Fla.

The sergeant attended Avon Park High School. His wife, Mary Lou, daughter of Mr. T. J. Jenkins and their son, Jimmy, accompanied him to Turkey for a two year tour of duty.

Williams Held

Charles Travis Williams of Winter Haven, charged with breaking into the Southern Hotel at Avon Park, has been bound over to Circuit Court to face breaking and entering charges.

In County Judge's Court last week Williams waived preliminary hearing. Bond has been set at \$1,000.

Panthers Meet Central Florida Thursday

With three weeks behind them and less than three weeks to go, South Florida Junior College Panthers are beginning to shape up. Lack of speed and size seem to be two weaknesses the Panthers will have to overcome. To date the Panthers have running as a first team unit 63 Willie Marovich; 63 Chuck Smith; 64 Jerry Stephenson; 63 Ron White or 510 Mick Turner and 510 John Beattie.

This group seems to have the edge on the other six boys because of experience. However, John Graham 64, Ed Moseley 63; Bill Whitner 63; Donald Strange 510; Rod Holinger 61, and Charles Maeburn 60 have shown true freshmen characteristics as they have played well at times and at other times have shown real inexperience.

At home against Indian River they looked good but in Fort Pierce they were very erratic, possibly being away from home made a big difference.

This Thursday night at Avon Park gym the Panthers will play a practice game against Central Florida of Ocala beginning at 5 P.M. No charge for those who want to preview the Panthers.

ROTARY CLUB NEWS
By Powell Watts
Dr. Robert Herbold, a former physician from Illinois, presented a most interesting program. Dr. Herbold is currently a missionary to Nigeria and is employed by the Sudan Interior Mission. The primary purpose of the Sudan Mission is the spiritual well-being of the Sudan natives. The Sudan Interior Mission operates a Leprosy Hospital for the treatment and rehabilitation of leprosy victims. Patients receive medication from trained personnel, rather than the crude treatment of the witch doctors.
Dr. Herbold stated that there are over 10 million cases of leprosy in the world and only a few receiving the proper care. Leprosy occurs through prolonged contact with filth. It is only mildly contagious and is transferred through contact with a person with the disease. Children are more susceptible than adults, but leprosy is not inherited. Leprosy affects the nerves, causing limbs, fingers, and toes to become numb and useless.
Dr. Herbold said that leprosy can be cured in three to seven years with the proper treatment. The most effective drug being used is Diaminodiphenyl Sulfone (DDS).
Rehabilitation of the patients is achieved by allowing them to gain self-respect and usefulness by living as normal as possible in the Leprosaria. If physically able they prepare food, have separate dwellings and farm small plots. Some patients help in schools, clinics and hospitals. The patients are taught trades and skills which will help them gain respect and acceptance when they are discharged.

'69 Agriculture Census Will Be Taken By Mail

The 1969 census of agriculture will be conducted entirely by mail with no census taker involved. W. F. Herlong, Chairman, Florida Agricultural Stabilization & Conservation Committee said today.
According to the Chairman, the Bureau of the Census has announced that in January, 1970, every operator of a farm or ranch will receive a census form by mail and will be asked to fill it out and mail it back.
Chairman Herlong said the decision to use the mail method is the latest in a series of plans to gain efficiency and economy by using the greatest possible extent in conducting all censuses.
He emphasized that the completed questionnaire for each farm, ranch or other agricultural operation will be completely confidential.
Information about the 1969 Census of Agriculture is expected to be available in all County ASCS Offices by Dec. 1. The Chairman said farmers will receive the 1969 Agricultural Census questionnaire by mail on or about Jan. 1, 1970. The questionnaire should be filled out and mailed back to the Census Bureau not later than Feb. 15.

Southland Trailer Court News

By Eva Lou Denton

Twenty persons attended the second coffee break of the season last Tuesday morning. These weekly get-togethers are gaining in attendance and popularity.

New arrivals from the North last week, were Rev. and Mrs. McHutcheon, Mr. and Mrs. Mike Beaver, Mr. and Mrs. Everett Keister, and Mrs. Goldie Dawn.

Two ladies from Rochester, N. Y., Mrs. Hall and Mrs. Gleason have purchased the trailer formerly owned by Mr. and Mrs. Horn, and will sell it at the club house on Southland. Welcome to the Park folks, we hope your winter with us will be a pleasant one.

Michael Chapel, small son of Park owner, Mr. and Mrs. Tubel Chapel, is enjoying a new bicycle, a birthday gift from his parents.

Mrs. Rebecca Hostetter recently purchased a new 12 by 52 foot Challenger trailer, is having a beautiful landscaping job done by Cole's Nurseries.

Lois Garrison, and George Montz is also having extensive landscaping work done.

Harvey and Hilda McClary former owners of Southland, now retired, were pleasant visitors in the Park Wednesday.

Now is the time for all good shuffle players to come to the aid of their friends who want to learn the game and play this winter.

Don't forget to bring to the recreation hall Friday, Oct. 31. All good and loyal Southlanders should be there.

Southland Trailer Park is the only Park in Highlands County holding a four star Wood rating. Most trailer parks in Florida so honored have a elected or appointed social director. Why not Southland? Let's talk it over and start the ball rolling.

MR. AND MRS. ADAM WEINTRAUT celebrated their Golden Wedding anniversary last Thursday night at the club house of Avon Park Lakes. Shown here as they cut their cake marked with the traditional 50th, the couple give a rewarding smile.

Mr. and Mrs. William Constantine returned recently from an eight week trip, stopping at the club house on Thursday, Oct. 30 at 1 P.M. The ladies are asked to come and sew.

Mr. and Mrs. Alfred Behrman left last Friday for their home in Franklin Square, Long Island, N. Y., after visiting with his brother and wife, Mr. and Mrs. Cyril Behrman for several days.

Mr. and Mrs. Edward Dowd left last Saturday by plane from Tampa for their home in Cambria Heights, N. Y., after spending several days at the Lakes with Mr. and Mrs. Gerard Ligiero. Mrs. Dowd is the niece of Mrs. Ligiero. While here they bought lots and plan to build a home in the near future.

Mr. and Mrs. John Schoen celebrated their 46th wedding anniversary on Monday, Oct. 27. Our congratulations to them.

Mr. and Mrs. Francis A. Belfer returned from a three day trip to North Miami visiting friends last week. While there they took a boat trip to see the Queen Elizabeth.

The nomination of officers for the Avon Park Lakes Association will be held at the club house on Monday, Nov. 3 at 7 P.M.

Mr. and Mrs. Robert Stone, Jr., from Delaware, Ohio, arrived last week and spent several days with his aunt and uncle, Mr. and Mrs. Scott W. Starr. His parents have been here for three weeks, and they all left for a visit to the East coast before leaving for their home in Ohio.

Nurses Will Meet Tuesday

The District 27, Florida Nurses Association will meet at Cottrill Memorial Nursing Home on Tuesday, November 4 at 8 P.M.

Registered nurses and licensed practical nurses are invited. Corporal Duttonchaver will talk about "Drug Abuse". Judge Mervin Belter will give comments and a question and answer period will follow.

MISS BEVERLY TURNER

Beverly Turner-Chester Clarke Announces Their Engagement

Mr. and Mrs. John D. Turner of Avon Park announce the engagement of their daughter Beverly, to Chester Clarke, son of Mrs. Katherine Clarke of Grand Prix Drive, Sebring and Chester Clarke of Macon, Ga.

Miss Turner is an Avon Park Graduate and attended the Patricia Stephens Modeling School

in Tampa and the Fine Arts Modeling School in Winter Haven. She was an airline stewardess for the past year with North East Air Lines out of Miami.

Mr. Clarke is a graduate of Sebring High School and attended the University of Florida and the University of Georgia. He is a member of the Pi Kappa Alpha Fraternity. He is presently serving a tour of duty with the U.S. Army at Kilborn, Tex.

A February wedding is being planned.

Couple Announces Engagement

Mr. and Mrs. Legare Smoak of Sebring, announce the engagement of their daughter, Barbara, to Charles Clemmens III, son of Mr. and Mrs. Charles Clemmens, Jr., of Orlando.

Miss Smoak was graduated from Sebring High School and Jones Business College in Orlando where she earned an Associate in Science degree. She is now employed with A. G. Edwards & Son in Orlando.

Mr. Clemmens was educated in Orlando schools, graduating from Oak Ridge High School and Valencia Junior College. He is now attending Florida Technological University in Orlando, studying in the veterinarian field.

Miss Smoak is the niece of Mr. and Mrs. Spencer Pickett. A December wedding is planned.

Bonnie Brae Mobile Home News

Mrs. Helen Gillis of Bolton, Conn. who accompanied Mrs. Thelma Chalmers back to Avon Park visited for a week before visiting her son, Robert and family of Barrington, Ill. While here her other son, Malcolm of Jacksonville, spent a day at Avon Park.

We are sorry Lee Detrick and Alice Tansil are in Walker Memorial Hospital. Wishing you a speedy recovery. Please hurry back.

Mary Knapp who has been cycling around the park on her 3 wheeled bicycle has acquired a companion to cycle with, Irene Budkie has just received her new 3 wheeler.

The shufflers could hardly wait for the paint to dry on the newly painted shuffle courts. The paint was barely dry when Thelma Chalmers, Daisy and Wm. Brown, Floyd

Boy Scouts Camp At Grassy Creek

Boy Scout Troop 156 sponsored by the Congregational Church spent two days and one night camping on Little Grassy Creek northeast of Avon Park.

Scoutmaster E. M. Lawrence, Norman Cook, Jimmy King, C. Livingston and Rufus Rhymes assisted in the transportation to the camp site.

The Scouts experienced the thrill of seeing a wild bee tree and swimming in the creek.

Boy Scouts attending, Tony King, Calvin Livingston, Butch Farris, Bobby Latham, Glen Stone, Walter Newton, and guest Elton Lawrence Jr.

Larry Hooper will be the new Scoutmaster of Troop 156, he is a past boy scout of Avon Park.

Knapp, Harry Mason, Joe Moreno, Sam Putman and the Browns of Michigan were shuffling.

We welcome back Frank Foote as Bonnie Brae's official bingo caller every Tuesday evening. Marie Linotte officially opened the coffee hour Thursday morning. It was very well attended and enjoyed by all. Thanks a lot Marie.

A warm welcome to all the recent arrivals from the North, also a warm welcome to Ruth Glowe who has moved her new mobile home into the park.

The friends of Frank Robertson who is hospitalized in Virginia will be glad to know he has shown some improvement.

Harvey Budkie are enjoying their lovely new screened-in patio, and the Steve Bohaychysky are in the midst of having a screened-in patio installed on their beautiful new mobile home.

On Sunday evening colored slides on eastern Canada and the New England states were shown by Thelma Chalmers. It was a pleasant evening enjoyed by one and all.

We are sorry to see Jack and Juanita Hall leave Bonnie Brae. Jack has been transferred to Lakeland. Good luck Juanita and Jack.

Cong. Rogers Will Speak At Woman's Club

Civic and Foreign Affairs Department of the Woman's Club will have charge of the November 7 meeting, which will be held at 2 P.M. in the club house.

Speakers, Mrs. Karla King second Vice President of Florida Federation speaking on "Federation" and Congressman, Paul Rogers speaking on "Americanism."

Judge Rehner Contributes To Memorial Fund

Judge Mervin Rehner of Highlands County has sent Judge Joe Dan Trotman a contribution "toward a memorial fund for a juvenile home" honoring the three men from here who were on their way to Sebring to see a juvenile home that had just been completed there, making plans for such a home here.

Judge Rehner said "these men gave their lives for this worthy cause" and his contribution was sent to help with a juvenile home here.

We think this is completely fitting and anyone who wishes to help with such a fund might give their contribution to County Judge Joe Dan Trotman. Perhaps an organization can be set up in the near future to handle contributions toward such a fund.

AMERICAN LEGION TO American Legion including the Veterans organization of Highlands County will sponsor a parade Nov. 11, at 9:45 A.M. Merchants are being asked to close their doors between 10 and 12 noon on that day.

Mr. and Mrs. Adam Weintraut wish to express their thanks and appreciation for those that made their 50th wedding anniversary such a memorable occasion which they will never forget.

Mr. and Mrs. Donald Laycock of Hollywood, Florida announce the arrival of a son, James Erick born October 6, 1969. Judy Laycock is the former Judy Cochran, daughter of Mrs. Lucille Cochran.

TRIPLE LINK MEETS The Triple Link Club of the Rebekah met at the home of Bessie Jewel Howard with Berna Barker and Louise Clarke co-hostesses.

Election of officers, President, Lillian Seeger, Bessie Howard Vice President, Nancy Shay, Secretary and Jackie Murray Treasurer.

Initiation of new members will be held at the November 8th meeting.

DAR TO MEET Patriots Chapter, Daughters of the American Revolution, will meet Monday, November 3, at 12:30 P.M. for a covered dish luncheon at Broom Hall. The luncheon will be followed by a program on National Defense with Mrs. L. M. Quillen of Sebring as chairman of the program.

Winners of Avon Park Ladies Golf Association Invitational, left, Barbara Sachsenmaier and Mildred Ford.

Sachsenmaier-Ford Wins Ladies Golf Tournament

The Avon Park Ladies Golf Association entertained 45 women golfers from Placid Lakes, Lake Wales, Waucho, Sebring and Avon Park on Friday, Oct. 24.

Unfortunately the weather did not cooperate, however, some guests braved the elements and played the lovely golf course, rain or not.

Others remained in the clubhouse and played bridge. A lovely buffet luncheon was served, prepared by Lila Ogilvie. All the tables were decorated with pumpkins and a general Halloween theme was carried throughout the clubhouse.

Many door prizes were given so that every guest went home with some prize or token. All seemed to have a grand time and we hope it will be repeated next year.

The tournament winners were: Overall low gross: Barbara Sachsenmaier of Avon Park. Overall low net: Mildred Ford of Avon Park.

Both these ladies shot a very nice 89 and a match of cards determined the gross and net.

Other winners were: Low net Perry of Sebring; Terry Akin, Avon Park; Marge Schuster, Waucho; Al Linville, Sebring; Carol Green, Placid Lakes; Dot Wirick, Placid Lakes; Claire Irwin, Avon Park; Ruby Taylor, Lake Wales; Mary Sprinkle, Placid Lakes; Bea Bingham, Placid Lakes; Claire McLamb, Lake Wales; and Mark Ostling, Avon Park.

Our Pro, Alex Ogilvie has started a ladies golf clinic on Thursday mornings. There are two classes, one at 8:30 for advanced players and one at 9:30 for beginner golfers. It was a joy to see so many women out there.

We hope more women of Avon Park will come out to enjoy and learn this fine sport plus the pleasant association of friends.

Redeemer Dinner Sunday

The first all parish covered dish supper of this season at the Parish House of the Episcopal Church of the Redeemer in Avon Park will be this Sunday, Nov. 2 at 6:15 P.M. All parishioners and guests are expected. There will be activity for the youngsters provided after the meal at the rectory. Each individual or family brings his own table service and a passing dish, or other food item.

The guest speaker will be Lewis E. Cooke of Sarasota. He has been in the real estate business for some years. Long a member of the Church of the Redeemer in that city, he served many terms on the vestry, as delegate to Diocesan conventions, and national conventions, as well as a leader in the Diocesan Churchmen's Association. His topic will be the recent General Convention II at South Bend, Ind., and the world climate of the church. Sunday, Nov. 2 will be significant for other reasons too. It will be observed all over the Episcopal Church as the Fall Ingathering of the United Thank Offering of the Churchwomen. At Redeemer in Avon Park, Communion services will be held this Saturday, All Saints' Day at 9 A.M. and at the Chapel of the Holy Angels at Camp Wingman at 11 A.M. Regular Wednesday services continue at 9 A.M.

CUB SCOUTS participated in the annual Halloween parade Saturday afternoon in the rain, center of picture is Dan I of Pack 814, escorted by assistant Dan mothers, Mrs. Lila Behal and Mrs. Joy Ashley.

First Baptist R.A.'s Win Bed Race

On Saturday 25th, the day of the Halloween celebration, the Junior Woman's Club introduced the "Bed Race" to Avon Park. The First Baptist R.A.'s participated and won this race. Their bed was composed of an old bed frame and three bicycle wheels. The R.A.'s that drove and

pushed the bed to victory were Hal Worden, steering, Wally Pierce and Vic McKunas pushing. The R.A.'s received a plaque and 100 dollars for placing first. They plan to donate a large portion of the money to Foreign Missions and the remainder for R.A. sports and camping equipment.

Does God Really Send Judgment?

By DAVE LIEWELLYN

In 606 B.C. Jeremiah the prophet stood up in the temple at Jerusalem and declared these words of Jehovah: "If ye will not hearken to Me, to walk in My law, which I have set before you, to hearken to the words of My servants the prophets, whom I send unto you, even a rising up early and sending them, but ye have not hearkened; then will I make this house the Silek, and will make this city a curse to all the nations of the earth." (Jeremiah 26:4-6)

That God was going to destroy the city and house of God. But had they been open to the Spirit, God would have led them into understanding of this paradox. How do I know this? Because one perplexed believer brought his confusion to God and was given insight. That man was Habakkuk.

When Habakkuk learned that God was sending the Chaldeans in judgment on Judah, he was astounded that God would destroy His people and His house. Habakkuk objected: "Art not Thou from everlasting, O Jehovah my God, my Holy One? We shall not die." (Habakkuk 1:12)

God's Judgments Perfect
The righteous shall live by faith: as Jehovah's reply (2:4), and then God explained the prophecy to Habakkuk — that God did not merely predict the future, He predicted it according to a marvelous plan for the world that worked together all of His promises to the faithful and punishments of the foolish in a pattern comprehensible to man, but perfect.

The self-righteous nation could not understand the prophecy and rejected Jeremiah and Jehovah. The faith-righteous Habakkuk could not understand the prophecy either, but he asked God and was reassured.

Twenty-two years after Jeremiah's prophecy, God judged His nation Judah was annihilated and the remainder of the people taken captive into Babylon by the Chaldeans. Since then the Jews have re-established a nation in Palestine twice and built two temples, but the temples have been destroyed and Jerusalem remains even now a city under curse.

Repentance Lacking
But in Jerusalem there was little repentance in response to Jeremiah. Because they misunderstood the nature of Jehovah, they responded to the prophecy as a threat of punishment rather than as an opportunity for reconciliation.

The people had reason to mistrust Jeremiah. After all, it seemed contradictory to say that God would destroy them.
