Board Approves Constitution Revision

Highlands County commissioners have voted to put a move for calling a constitutional convention to revise the new state constitution approved in the November election.

At their meeting Tuesday the Highlands commissioners voted to authorize the county attorney to prepare a resolution calling for the convention and petitions which may be circulated in the county.

Sarasota County's commissioners launched the drive taking advantage of a provision in the 1968 constitution. This new section says the constitution may be revised by a citizen petition signed by 15 per cent of the total number of voters cast in the last Presidential election.

The Sarasota County resolution declares that certain provisions of the 1968 constitution are "disastrous" to county commissions around the state but does not spell these out.

Highlands Commissioner Cecil Skipper pointed out that the new constitution was voted down in Highlands and 43 other counties. Heavy "yes" votes in a few large counties were the new document.

Commissioner Jean Whitaker said, "I am glad to see the move to revise the constitution started in one of the larger counties. It shows that not just little counties are opposed."

The Sarasota County resolution is dated December 1, 1968 and it sets November 5, 1969 as the deadline for circulation of the petitions within that county.

Highlands commissioners said that petitions would not be ready for circulation for some days because of the illness of County Attorney Hue E. Nunnallee. They said they assume Nunnallee would be able to get papers ready by early in the new year.

Red Cross Request
Nunnallee's illness also delayed board action on a request from Highlands County chapter of Red Cross to use a room in the county courthouse annex for an office.

County Health Director Dr. J. D. Workman, who is currently serving as Red Cross president, said the office allotted to a county nutritionist has been vacant for several months and he does not anticipate finding a new nutritionist for a long time. He suggested that this vacant office could be used by the Red Cross.

Commissioners said state law may prohibit the county from contributing office space to a private organization. Mrs. Florence Peach, Red Cross executive director in this county, said the organization is chartered by Congress which gives it a unique standing.

She added that the present office on North Commerce has no heat, the ceiling is falling, the walls are peeling, rain comes in and is "generally a disgrace."

Other Business
In other business Tuesday the county commissioners granted Sebring Lions Club permission to install rum ball machines in the courthouse annex and to buy a new typewriter and portable tape recorder for his office. The expenditure of about \$200 is to come from the assessor's excess fees. Martin said he had given the commissioners an estimate of \$500 for excess fees, but this figure will be closer to \$200.

Approved a resolution commending Commissioner Cecil McIntyre and Sheriff Broward Coker for "fine dedication to their jobs." Tuesday was the final meeting for the two officials who did not seek reelection this year.

Yule Seal Sale Reaches 68% Of Goal
This year's Christmas Seal Campaign has now reached 68% of its quota. Dr. Fred Lenfestey, area campaign chairman, announced that through the fourth week of the Campaign \$38,385.21 had been contributed towards the goal of \$56,700.

Contributions to date with the quota in brackets: Highlands \$4,589.50 (\$4,500); Avon Park \$1,315 (\$1,300); Sebring \$2,497 (\$2,500); Lake Placid \$1,470 (\$1,500).

Sheriff-Elect Joe D. Keene Names Staff This Week

Sheriff-elect Joe D. Keene this week announced who he'll have working for him when he takes office January 7—and there were some new names with quite a few of the old.

There will be no chief deputy. Bonno Maria Abruzzo, who has been employed 40 years in county offices and most recently by the county judge, will become bookkeeper, replacing Percy Ott.

Deputies retaining their jobs

are J. C. Murdoch, Harvey Wayne Harris and James Brant Boeman. Sebring, Charles Edward Selgrove, Sr., Denby Roy Jackson, Avon Park, Charles Rucker and Jan Ira Rhodes of Lake Placid. Murdoch has been a deputy 19 years, Rucker, 18, the others seven to 10 years.

Deputies new to the office will be Leonard Buggett, who is a city policeman in Washington Heights, Sebring; Glenn

Hartsfield, Avon Park, a shift supervisor of personnel for 10 years with the Avon Park Correctional Institution; and One L. Raulerson, Jr., Lake Placid, for five years with the Florida Highway Patrol.

Joining Miss Abruzzo in the office are Norma Wiggins, as a clerk-matron, former employee of the office of county judge, and Mrs. Victoria Crist, clerk-matron, who has been a matron for 15 years in the sheriff's office.

All but Noble Patterson, who has been with the sheriff's office two years, and will continue in his post, are new in the radio operator and jailer division. They are Samuel Mitchell, Merced of Lake Placid, who has been radio operator with the Florida Highway Patrol office in Highlands County, Lewis Polard, Jr., Lake Placid, who is in the land clearing business, and William Floyd Yarbrough, Sr., who owns Yarbrough's Tire Service.

"I am very pleased with the people chosen," said Sheriff-elect Keene. For the present there will be no chief deputy. Beginning in February, all deputies in the sheriff's department in addition to their work will attend a three month, 200-hour school on general law enforcement at South Florida Junior College. The course is of four, five, six, seven, and eight weeks. Deputies from Hardee and DeSoto counties also will attend. This is required under a law recently passed by the Legislature.

Present plans call for Murdoch, who currently is chief deputy, to be a field supervisor and investigator and Raulerson to be a field supervisor. Rucker will come into the office in Sebring as chief jailer and office supervisor. He also will handle civil papers and other work.

Mrs. Ann Williams plans to retire, but will stay on for a while to train the new workers. Deputy Gerald King now is in a sheriff's department on the East Coast. Deputy Don McIntyre has resigned to go to school. Peggy Ott is leaving but has no immediate plans. George Crist is leaving and has announced no future plans. Mrs. Ruby Tomlinson will be retiring, but has no future plans.

Keene succeeds Broward Coker, sheriff 18 years, who is retiring. He won election in a victory at the polls over Bob Barringer, former chief deputy. Keene formerly was Florida Highway Patrol sergeant in charge of this three county area.

Scouts Selling Christmas Trees
Buy your Christmas tree from the boy scouts on the Mall. They are selling Christmas trees on the Mall again this year. Price range \$1.00 to \$4.00.

Cigarette Tax Distributed To Counties
The State Beverage Department will distribute a total of \$8,996,227.12 in cigarette taxes this month. These taxes, and sales during the month of October, are almost double those collected in October of 1967. That figure was \$4,800,000.14.

Of the total collected, \$4,817,798.00 will go to the municipalities, \$4,000,000 to Florida's 67 counties and the remainder, \$3,731,809.56, to the General Revenue Fund.

Although the collections have almost doubled, actual cigarette sales are still below last year's figures by about a million packs. The Enforcement Division of the State Beverage Department continues to receive complaints concerning cigarette violations. However, the majority of cases made are the result of the department's license renewal inspection program. There have been several small seizures of untaxed cigarettes recently, but no more arrests have been made, a statement from director A. R. Birmingham said.

HEW Dismisses Charges Against Highlands Schools

The first round in the Department of Health, Education and Welfare move to cut off federal funds to the county schools has been awarded to Highlands County school board.

Administrative proceedings against Highlands County board are ordered dismissed according to decision by Arthur R. Flynn of Boston, Mass. hearing examiner. The federal government said it drops charges January 3-to file exceptions to the decision.

School Superintendent George F. Douglas, who received formal notice of the dismissal Monday, is pleased but not elated. "We haven't won anything. The decision clarifies the issue. It certainly underlines the pressing need for citizens to petition the school board to hold an election to approve a bond issue to finance a building program."

He points out that the hearing examiner is sympathetic with giving Highlands County time to meet building needs.

Flynn wrote: "The Hearing Examiner is troubled by the existence of two questionable Negroes, namely Huger and Douglas, and as to their future disposition."

Flynn adds that to "immediately dispose of" the two Negroes would be to "make the school board look like it was not fiscally reasonable and would in fact be disruptive to the entire community to the extent that it would impede integration."

He commends the Highlands County school board for having acted "in good faith." He wrote they "have lived with this problem for many years, have shown laudable advance, and all this has been accomplished without resort to intimidation or racial problems."

Flynn noted that HEW does not specifically forbid a segregated neighborhood school if it is "realistic, objective and impartial." He adds that the HEW compliance officer has made no attempt to eliminate Carver School, which is located in a totally integrated Negro area.

Douglas said today Highlands County cannot in good faith "continue to use substandard facilities" at the three all-Negro schools.

He said construction of new classrooms would make it possible to reduce enrollment in each of these schools so that no temporary buildings are in use. It would also remove junior high classes from E. O. Douglas and Hopewell. The junior high enrollments are too small to warrant the expense of an adequate program possible, the Superintendent said.

Hearing Examiner Flynn says he gives "full faith and credit" to the Highlands County school board's statements that the inadequate junior highs and the inadequate facilities at the three all-Negro schools "will be phased out in the near future."

Flynn commends the Highlands school board for being "marching to this end and they should not be forced to run to accomplish this purpose as the alternatives suggested by the Department (HEW) in broad

terms are not realistic or immediately obtainable. The present plans are working as expeditiously and have had promise of shortly achieving total desegregation of all schools."

Douglas said he expects the federal government to exercise

the right to appeal this decision. He said an appeal would keep the administrative proceedings on a time schedule which would result in cut-off of federal funds to the Highlands County schools in mid Spring.

He added that he is frequently asked whether a change in the

HEW leadership will halt the proceedings, and the answer is no. These proceedings are a part of the operation of the Civil Rights Act of 1964 and the President will not change when the Secretary of the Department of HEW does. School Attorney Frank Bryant has explained.

Warren B. Wall Takes Minister's Position at Correctional Institution

The Avon Park Correctional Institute have as their Chaplain Warren B. Wall, who is empathic about his feeling that his proper role is as a counselor and has a vast experience to draw from in helping men to meet their needs.

In an interview with Chaplain Wall, it doesn't take long to realize that he is the one man, in the positions he takes—and he is a positive individual who believes in taking a position. He states that the trust of his experience has been the realization that what he serves by preaching, is "faithful and convincing. He serves best when he serves as a friend. This is the spirit in which this man, APCI Chaplain Wall, will meet you when you meet him—anywhere."

Born in Tampa in 1921, father of five children, Chaplain Wall and his wife Florine are an interesting family to meet. Mr. Wall has a talent in music and teaching.

Chaplain Wall received his earlier education in Hillsborough County, graduated from Turkey Creek High School and served in the Air Force in World War II in both Great Britain and France. On his return from the war, he attended Business University in Tampa, entered Stetson University and graduated with a B.S. degree. After Stetson he received a B.D. degree from New Orleans Baptist Theological Seminary and has earned credits towards a Masters in Religious Education and a Doctorate in Theology. With these credentials he comes to APCI with past experience as Chaplain in the Louisiana Correctional system and the Florida Division of Corrections at Lowell before coming to APCI.

Residents of Avon Park Lakes received warm praise from the Highlands County commissioners Tuesday as the county body approved accepting for maintenance certain streets within the subdivision.

Six years ago the subdivision residents voted themselves into a special tax district to raise the money to build the streets in the area to meet county specifications. All the main streets now are hard surfaced.

Keyes served as spokesman for a delegation which attended Tuesday's commission meeting to make formal request that the county accept the roads for maintenance.

Commissioner H. Earl Crutcher praised the efforts of the Avon Park Lakes residents. "I wish all subdivisions who have this problem of sub-standard streets would follow Avon Park Lakes example."

County Engineer Charles Morgan pointed out that some counties have obtained special legislation which permits residents to give a given area to share road improvement costs with the county. He explained that this enables the county and property owners to negotiate assessments to be paid over several years.

Work Begins On RAARC Training Center

In spite of falling temperatures, the first work day at the site of Ridge Area Association for Retarded Children's new developmental training center took place Sunday afternoon, at the day school campus in Avon Park.

Parents and friends of prospective students worked together to prepare and renovate the facility donated by Mr. and Mrs. Rubin Ramer of Sebring to house the new service for young retarded children in the north end of Highlands County.

Since J. A. Wise had already completed his donated plumbing services and repairs, the working crew was able to scrub, clean and polish one full room before cold weather took over at dark.

An inventory of repairs and an assessment of services to be secured were made. Tools and equipment were inspected and plans made for their renovation. Volunteers to work with the program are being solicited.

As crew members were departing and the conventional good wishes for "Merry Christmas" were exchanged, a mother whose seven-year-old retarded child will enter a training program for the first time, exclaimed "This is our Merry Christmas! Just to have a school for our child is a real Christmas gift."

RED CROSS STILL NEEDS MORE
The second quarterly meeting of the Board of the Highlands County Chapter of the American Red Cross was held in Avon Park at the Walker Memorial Hospital, Dec. 11.

The chapter is in great need for a 1969 Ford Drive Chariot, as well as volunteers for other purposes. Those wishing to volunteer for this cause should contact Dr. J. D. Workman, chapter chairman.

The chapter has only \$3,000 to cover all the needs, for a remainder of seven months.

NOTICE
Due to the Christmas holiday, the Avon Park "SUN" will go to press one day early. Dead line for news and ads will be Monday Dec. 23, noon.

Executive Director Appointed For Ridge Area Day Schools

The appointment of Joel H. Ross as executive director for Ridge Area Association for Retarded Children was announced today by the officers of the association. Steve Roberts, association president, said Ross will take up his new duties the first of January.

His office will be located in the Avon Park unit of Ridge Day School for Retarded Children.

Ross and his wife are putting the final touches on a new home at 221 Hill Avenue in Sebring Hills. They come to Highlands County from Clearwater, where for the past 15 years, Ross has been an office supervisor for a cement plant.

He is a native of Bloomington, Ill. He attended public school in Bloomington and professional school in Chicago. For 23 years he was a funeral director in Illinois.

Mr. and Mrs. Ross have two daughters. Mrs. Joan Walters of Sebring and Mrs. Cynthia Hoffman a Jacksonville school teacher.

Ross credits Mrs. Walters' with arousing his interest in working on behalf of retarded persons. As a public health nurse on the Highlands County Health Department staff she encountered many retarded persons and became acquainted with the program for them.

3 Commissioners Named To State Association

Three members of the Highlands County board of county commissioners have been named to committees of the State Association of County Commissioners.

Chairman Ben McGee will serve on the compensation and retirement committee. Jean M. Whitaker is to be vice chairman of the roads and highways committee. Cecil P. Skipper has been appointed to the finance and taxation committee.

The county commissioners will hold a seminar for commissioners January 20 and 21 at Tallahassee. At their meeting Tuesday the Highlands County commissioners approved attendance at the seminar for this county's commissioners and if several plan to attend the meeting date for this board may be changed to Wednesday, Jan. 22.

Last Weekend For Christmas Mail

It is urgent that any remaining Christmas mail be sent out over this weekend.

Postmaster Bob Young said that across the nation every piece of Christmas mail that can possibly be delivered will reach its destination on time. However, unpredictable delays can cause unexpected delays plus the strain on transportation facilities caused by last week's peak of out-going mail.

Last week the Avon Park Post Office handled about 100,000 pieces of out-going mail. Normally, Avon Park handles this amount during a month. This will be the peak load of out-going mail. It is reasonable to believe this same situation has occurred over the entire nation.

Now the local Post Office employees are bracing themselves for the onrush of incoming mail from the students of Avon Park. They will be delivering to local residents, during the next week, the same amount of mail they normally deliver during an entire month.

Nationally, over 9.7 billion individual pieces of mail will be delivered during the month of December.

CITY HALL CLOSED
City Hall will be closed December 25 for the holiday, including the 26 and 27.

FARP Wins Image Award

A first place in the annual Golden Image contest sponsored by the Florida Public Relations Association has been won by the Florida Alcoholism Rehabilitation Program, Avon Park.

Don Thieme, Director, Information Services, received the award Saturday FARP was entered in the category, government, which had the most entries and was the only entry to receive a unanimous decision of the judges.

FLORIDA ALCOHOLIC REHABILITATION PROGRAM

alco-topics

By PAUL C. FORAKER
Editor, Information Services

Facts are always interesting because unlike opinion, they have credibility and they often tell a far more fascinating story than opinion and fiction put together. And of course we're all aware that opinion without fact is worthless.

Here are a few facts which may prove to be not eye-openers to some, based on statistics made by Harold A. Muiders, Ph.D., of the University of Iowa, Dec. 19 for 1963:

A total of 71% of all Americans drink to some degree. Broken down by sex, 79% of all males drink, while 63% of all females use alcohol. This reflects a notable increase in the percentage of Americans who drink compared to a similar study made at the close of World War Two, when only 50% of the total population drank. Of this number, 75% were males and 25% females.

Among the ages of 21 and 45 do the most drinking—78% in this age group. Only 66% in the 46-55 group drink, while the percentage of those over 55 who drink slides to 59%.

Religiously, here's the breakdown: Sixty-three percent of those who call themselves Protestants drink, 80% of the Catholics, 90% of the Jewish faith uses alcohol.

There's an interesting parallel which can be drawn between drinking and the size of the town

in which an individual resides. Generally speaking, the smaller the town, the proportionately less drinking.

For example, 79% of those living in cities with a population of one million or more use alcohol to some degree. But those living in cities under one million are less likely to be boozers—that is, only 70% of those drink. And only 40% of all rural people are drinkers.

The Middle Atlantic states furnish the largest percentage of drinkers, with 80% of them imbibing to some degree. This area includes New York, New Jersey, and Pennsylvania. The area of least drinking is centered in the four states of Mississippi, Alabama, Tennessee, and Kentucky, where only 33% drink!

It's also interesting to note that while individuals with a four-year college education drink at the rate of 80%, those with less than four years of college drink at the rate of only 70%.

Here in Florida, it's the job of Florida Alcoholic Rehabilitation Program to do what it can to prevent alcoholism and to encourage treatment for those who have become alcoholics.

One of the ways we can help prevent this problem is to disseminate as much information on the subject as is possible. Write today for literature. Just address: FAAR's Information Services, Box 1147, Avon Park, Fla., 33825.

Do You Believe?

It won't be long now before the soothsayers—the astrologers who write columns for the daily newspapers—will be coming out with their forecasts.

They'll get huge exposure in the papers. Lots of people who live by astrology will believe pretty much all they read as something of a foregone conclusion.

And the astrologers will go on being about 50 per cent right, which is about what lots of us could do, using a little good guessing.

The January 14, 1968, issue of The Miami Herald carried the predictions of Katrina Theodosiou—called British astrologer—whose forecasts, they said, had been 80 to 90 per cent accurate over the years.

Here were her major predictions—and you can top up the box score.

Death will claim DeGaulle, Mao Tse-tung, Ho Chi Minh, Chiang Kai-shek.

President Johnson will be reelected, barring a breakdown in health.

For the Republican nomination, Richard Nixon and Gov. Nelson Rockefeller appear to be the strongest contenders, but especially Rockefeller at the time of the Republican convention.

Mrs. Charles Robb (Lynda Johnson) will become a mother.

Vietnam War to continue.

There will be a breakthrough in search for cancer cure.

Romance for Jackie Kennedy but not marriage to Lord Harlech.

Conservatives will replace Labor government in Britain.

Government of Formosa will collapse after Chiang's death.

More frequent race riots in United States.

Red China will be admitted to United Nations.

Blood baths in Africa.

LEWIS LLEWELLYN

Is There Room For Him Today?

Is the Supreme Court trying to keep Christ out of our schools, even at the time when we celebrate His birth?

This question has caused some controversy among educators, some of whom are interpreting the court's ruling on prayers in schools to mean that every traditional Christian holiday observance must be banned from the public schools.

Even the singing of Christmas carols such as "Silent Night" and "Joy to the World," some feel, are forbidden.

Recently a poll, conducted by "Nation's Schools," a publication serving the field of education, revealed that 15 percent of the schoolmen polled believed that Christmas programs in schools should be left to the discretion of the school board. Three percent favored no Christmas programs at all.

Most Favor Continuing. However, 82 percent favored continuing the traditional Christmas observances in schools.

An Illinois educator said, "I think the idea of separation of church and state has been blown out of proportion."

A Wisconsin school administrator

trator said, "We can't go along with denying rights of the majority who enjoy Christmas because of the professed rights of the few."

The question is: Should the Supreme Court rulings on prayers and Bible reading in schools be interpreted to mean that there is no room for Christ in our nation's schoolrooms?

Ever since the time of the birth of Christ, the attitudes of men have divided mankind into two groups—the wise men who seek Him, and the others who have "no room" for Him.

His Birthday. When He was born, you remember, it was not in a kingly palace, but in a manger.

It was not even in the relative comfort of a room in the Bethlehem inn, because there was no room for them in the inn.

No, the newborn Prince of Peace was born in a manger, and laid in a manger—perhaps in the stable where travelers who were staying in the inn kept their horses or donkeys.

RABSON'S

POINT OF VIEW

Wellesley Hills, Mass., Dec. 19: As a mixed picture, the stocks of the leading drug companies presented a mixed picture. Many issues are selling near their all-time highs. But others such as Parke Davis, G. D. Searle, Syntex, Smith Kline & French, and Upjohn are priced substantially below their 52-week highs.

On the whole, however, the drug market has fared reasonably well, especially when considering the difficulty of problems and pressures it has had to bear.

THE "WHIPPING BOYS" During most of the present decade the drug industry, which has been under the close scrutiny of the Food and Drug Administration, has been called on the carpet for high drug prices, monopolies, price fixing, patent infringement, and other irregularities. Although the FDA has been leading the attacks against the industry, other government agencies and even Congress have also taken swings at the drug group. Without doubt, the pharmaceutical producer has been the favorite "whipping boys" of the 1960's.

The constant pressure on this industry has had more than a psychological effect. Actually, it has resulted in a serious slowing down of new drug introductions even though the industry's research expenditures have remained very high. For example, in the first half of this year only 33 new drugs were approved by the FDA as compared with 48 in the first half of 1967.

Furthermore, there were only 143 pending applications for official approval of new drugs as compared with 169 in the earlier period.

Due to the slowdown in new products, plus greatly increased competition, the drug industry's profit margins in late years have been on the downward trend.

Though sales have continued to increase, recent reports from the Pharmaceutical Association indicated that the average net income of the drug industry as a percentage of sales decreased in late 1967 to 10.1%.

It is interesting to note that in 1967, the industry's research expenditures have remained very high. For example, in the first half of this year only 33 new drugs were approved by the FDA as compared with 48 in the first half of 1967.

Drug Stocks Are So-So In Today's Marketplace

comparates with a high of 11.3% recorded in 1963.

MORE TO COME. Although the drug industry has been under fire often in recent years, there may be still further roadblocks ahead for many companies.

For the last few years the National Academy of Sciences has been studying thousands of prescription drugs to find out which ones are ineffective. Their report has not yet been made public, but when it is, there are certain to be new prescription drugs now on the market that will have to be re-evaluated.

Under new federal legislation, medicines must be proven not only safe but also worthwhile.

Naturally, all of the drug industry's problems cannot be blamed on the FDA or other agencies that have been applying pressure. For example, some companies expanded too rapidly.

Others fell victim to patent expirations, which allowed competitors to move in. Still other companies were too dependent on a limited number of products and were thereby hurt by severe competition.

And, lack of a sufficient number of new products from research in late years has handicapped certain other drug companies.

FUTURE OUTLOOK Over the short to intermediate term, it does not seem likely that most drug companies will make strong earnings progress. Over the long term, however, there would appear to be enough positive growth factors to assure continued gains. The best performing segments of the industry will probably be hospital supplies and medical electronics.

However, the stocks of most of the companies prominent in these areas already reflect the bright future.

Currently the stock of well-diversified Merck & Co. appears to be in a very favorable position for continued long-range gains. Its research efforts have been particularly successful in late years. As a "comeback" candi-

date, G. D. Searle would appear to be a not unusual, of course, to find the "pill" produces some currently popular side effects. Searle is one of the leading producers of the "pill," but is also prominent in medical electronics.

Peace will come slowly as long as 1. nations honor wars by statutes and monuments, 2. history books with accounts of wars, 3. men of thought and peace are pushed to the sidelines, and 4. nations have more soldiers than teachers. (Now, every nation in the world has more soldiers than teachers, except Costa Rica.)

Eighth Grade Defeats Sebring. Coach DeWayne Lemier's eighth grade basketball team put together an outstanding team effort last Friday afternoon to take a 47-15 victory from the Sebring Junior high team in Sebring. The Avon Park eighth grade team lost to the Sebring seventh graders by a score of 25-15.

Today (Thursday) the Avon Park Junior high team will host the Sebring team here at the high school gym at 4 P.M. The public is invited to the action.

Coach Lemier praised the eighth grade team for their teamwork which featured Leon McRae, Nathaniel Packer and Anthony Williams in a pressing defense and also praised Bud Wester for his outstanding job of rebounding for the Avon Park team.

Also playing for the winning eighth grade team were Ronnie Williams, Dick Filippa, Fred Ferguson, Danny Carpenter, and Eugene Powers.

Devils Hold 2-3

Record: Play Here Friday

The Red Devil varsity basketball team moved to a 2-3 record last week as they lost to the Frostproof Bulldogs in Frostproof last Friday night by a score of 64-46 and won over Okeechobee here last Saturday night by a 67-66 score.

Friday night (tomorrow) the Red Devils will close out their pre-Christmas schedule here against Moore Haven. On Jan. 3 the Devils will go to Haines City for the first of three road games to open the 1969 portion of the schedule.

The Devils played good ball in Frostproof but the superior height of the Bulldogs proved to be insurmountable, and Avon Park fell 64-46. Devil Don Strange led Avon Park's scoring with 14 points.

Charles Magenhoefer who hit for 14 points. Four Frostproof boys hit in the double figures with Frankie Smith leading with 12 points.

John Stephenson hit 17, John Stephenson contributing 12, and Pittman scoring 10.

Last Saturday night the Devils jumped off to an early lead against the Okeechobee Brahms and were never tugged as they went on to take the 67-66 win. At the end of a first quarter Avon Park led 25-8 and the Devils slowed down in the final quarter hitting for only 8 points while Okeechobee warmed up and scored 16 to set the final score at 67-66.

Frostproof guard Don Stuenkel led the Avon Park scoring with 19 points. Don Strange had 14 points, and Loris Welch, Clyde Sundry, Charles Magenhoefer and Roy Claff all hit for 7 points each. Willie Segler, Horace Watson, and Joe Hardy contributed 2 points each to close out the scoring for Avon Park.

Peace will come slowly as long as 1. nations honor wars by statutes and monuments, 2. history books with accounts of wars, 3. men of thought and peace are pushed to the sidelines, and 4. nations have more soldiers than teachers. (Now, every nation in the world has more soldiers than teachers, except Costa Rica.)

Eighth Grade Defeats Sebring. Coach DeWayne Lemier's eighth grade basketball team put together an outstanding team effort last Friday afternoon to take a 47-15 victory from the Sebring Junior high team in Sebring. The Avon Park eighth grade team lost to the Sebring seventh graders by a score of 25-15.

Today (Thursday) the Avon Park Junior high team will host the Sebring team here at the high school gym at 4 P.M. The public is invited to the action.

Coach Lemier praised the eighth grade team for their teamwork which featured Leon McRae, Nathaniel Packer and Anthony Williams in a pressing defense and also praised Bud Wester for his outstanding job of rebounding for the Avon Park team.

Also playing for the winning eighth grade team were Ronnie Williams, Dick Filippa, Fred Ferguson, Danny Carpenter, and Eugene Powers.

Rambling Thoughts

By O. L. SHORG

ANALYSIS OF THE VOTING JOB

The Lake Wales News, O. B. Bruce, editor, sizes up the recent election in an editorial that covers the truth about the whole thing, and shows brains of more than one horse power.

PARTY REALIGNMENT There is probably less chance of an immediate party realignment than seemed to be likely prior to the presidential election—when it appeared a third party might control the balance of power in electoral votes and make itself a permanent force.

Richard Nixon won the election without third party support and the election system was not confronted by a constitutional crisis. But the election indicates a shift in strategy might be forced on the Democratic Party: that some realignment with it might result from events of recent years and the resulting voting on November 5th.

For decades the Democratic Party depended on an alliance of industrial state liberals and Democratic Dixie to win elections. This alliance no longer exists. President Eisenhower struck heavy blows against it and the recent election seems to have finished the job of destruction. It is for the former 11 Confederate States, only Texas as went Democratic on November 5th, and this is misleading because had not Wallace drawn off 600,000 Texas votes, Nixon would have carried it.

Thus Humphrey, in a normal two-man contest, would not have carried any Dixie state. He would have been carried because of Wallace's vote—such as Pennsylvania, Maryland, even, perhaps, Michigan. If one of the Wallace and Nixon votes, over 40 million voted for a change—31 million for the Democrats. Practically all the black vote went Democratic; this obviously was not enough.

Unless the Democratic party can regain more of the white lower and upper middle-class vote, especially among the young, who are increasingly Republican, trouble for the party in national elections lies ahead—Lake Wales News.

From the way this man figures the election, and think he is right, the Democratic Jackass has a good chance to "read 'em and weep!"

GO EASY ON LBJ President Johnson can be pardoned, I think and hope, for his suggestion of personality attacks against the Democrats. It is a sign of friendly co-operation with the President-elect, Nixon. Nixon showed a most remarkable deference to Johnson ever since his election, giving him to understand that he only wished to work for the welfare of the nation by grasping his hand and helping him to carry some of his heavy burden during the "interregnum."

"I've been in Latin. Allowing for the fact that he has received hundreds of letters containing threats on his life and the fact that a large number of security checks have been checked from around the White House who sought a chance to kill him, and the further fact that the life of a President is one that shortens his life and runs his life."

Fourthly, a universal religion or none at all, so as to stop people all over the earth from believing in anything but what they believe. As though that amounted to much. Fifthly, plow under every tobacco field and clear the educational system, then, something to eat and wear.

Sixthly, stop making fool grains into whiskey, beer and such stuff. Seventhly, have a Kennedy-Fried Chicken house and McDonald-Hamburger joint within walking distance of every town.

Eighthly, make every damp hule shut his mouth and get a job at something useful, in club or in the street.

"Can you think of anything I have missed?"

MR. AND MRS. RALPH (BILLY) FOLSOM

Couple United In Double-Ring Ceremony at First Baptist Church

Miss Virginia (Ginger) Causey became the bride of Ralph (Billy) Folsom in a double-ring ceremony at 3 P.M. Saturday, Dec. 14 at First Baptist Church. Avon Park. Parents of the couple are Mr. and Mrs. C. F. Causey, 10331 SW 36th Street, Miami, and Mrs. Betty Folsom of Sebring.

Rev. John Childress officiated at the ceremony, following a program of musical music presented by J. Perkins, organist, including favorite selections of the bride couple.

A Christmas theme was accentuated in the church decorations. White baskets of gladioli and chrysanthemums with sprays of holly caught in red tulle were placed on either side of an arch. The arch beneath which the couple exchanged their wedding vows, was encircled with permanent holly. Tall white tapers burned in white holders decorated with holly, against a background of palms. The couple knelt on a satin covered profile kneeling bench. Reserved pews were designated by white satin bows entwined with holly.

Bride Wears Satin
Given in marriage by her father, the bride wore a white tulle gown with long puffed sleeves, a Victorian collar and appliques of gladioli and chrysanthemums. The bride's hair was styled in a chignon with long curls. She carried a bouquet of white carnations, orchids, and variegated holly. The bride's veil was from Dr. H. W. Coleman. Her only ornament was a gold watch bracelet, a gift from her great-grandmother.

Miss Robin Lee Causey of Miami, attended her sister as maid of honor, wearing a willow green organza floor-length gown. The gown was styled with short sleeves and a Victorian collar in train effect, which was trimmed in lace. She carried a pearl crown with willow green veil and carried a cascade of variegated holly and white mums, tied with red and white satin streamers.

Miss Jenny Gault of Miami, Miss Kay Rutland and Miss Marie Folsom, sister of the bridegroom, both of Sebring, served as bridesmaids. They wore dresses styled identical to the bride's, by one gown by the bridegroom's mother, and their willow green veils were attached to pearl crown tresses. Their flowers were cascades longlets of holly and mums like the one carried by the maid of honor.

The bride's mother chose a pink brocade sheath with matching coat and pink accessories. Her flowers were a white orchid in corsage.

The bridegroom's mother wore a blue silk linen dress suit, with blue accessories, and a white orchid corsage.

Gary Rapp of Sebring, attended as best man, and ushers were Jimmy Guse, Dave Travers, both of Sebring, and Roy McMillan of Bartow.

MRS. ALICE SHERMAN and Mrs. T. M. Weekley in authentic Japanese costumes pause before the beautiful Snow Queen Japanese doll which was

on display in the Oriental room at the Arthur Turner home where the Federation of Garden Clubs held their tea December 12.

THE CHRISTMAS Boutique Room, where gifts and trimmings of all types were sold for the benefit of the Federation of Garden Clubs, an added feature this year, was widely patronized and added a nice profit. Mrs. Peter Boney, chairman in

charge is selling a unique plaque to Mrs. Herbert Rutherford, while prospective buyers, Mrs. Mervin Rehner and Mrs. Hugh Dowling admire the articles. Assisting Mrs. Boney is Mrs. Flo Joines.

Garden Club Annual Tea Big Success

The permanent Santa Claus stationed on north Highway No. 27 directed a large number of guests to the Arthur Turner home on Highlands Lake where the Federation of Garden Club held their annual tea.

Guests were greeted with a well decorated mail box wearing Merry Christmas to all. The carport was arranged with Santa and his helper elves, their pack of gifts and traditional trimmings leading to the Boutique where many articles and gifts could be purchased. This was a new feature of the Tea.

Many guests were well pleased with the results of their sales.

Mrs. James Wainwright decorated the main entrance with an arrangement of pine cones, velvet ribbon in the shape of a tree. Wrought iron railings colored lights and holly were entwined on the porch and permanent well shaped trees outside.

On entering, guests were given a tour of the home, which was lavishly decorated in keeping with the holiday spirit. Of special interest, was the Oriental room, which was arranged with many Japanese dolls and ornaments. Hostesses for this

tea were Mrs. Alice Sherman and Mrs. T. M. Weekley who were dressed in authentic Japanese costumes.

The Tea Table covered with a gold cloth overlaid with net was centered with an arrangement of mums, Christmas ornaments and greenery on unbalanced scales. Party sandwiches and dainties were served with either tea or coffee. Little Patty Barben dressed in red passed a basket of mums to the guests.

Mrs. Guy Decker, president of Founders Circle and Mrs. Lydia Brant poured. Mrs. Otto Krieger, president of Hibiscus Circle and Mrs. A. C. Wester relieved them. Others who poured during the tea and open house were, Mrs. W. C. Touchton, Mrs. L. D. McComb, Mrs. E. G. Todd, Mrs. I. H. Ford, C. A. Faber, Mrs. George Kelsey, Mrs. J. F. Wagner and Mrs. Alice Sherman.

Mrs. Richard Reaves, Hibiscus Circle and Mrs. Charles Baker, Founders Circle were general chairmen.

Miss Marian Turner provided appropriate selections for the

Highlands Residents Are Heavily Insured

Residents of Highlands County are more heavily insured at the present time than they have ever been. Even though they have better financial protection than they ever had, thanks to social security and private pension plans, they have been adding to their life insurance holdings in recent years.

One explanation given is that the economic position of the average local family has improved, enabling it to broaden this form of protection.

The result is that the capital amount of life insurance in force in Highlands County has climbed to an estimated total of \$91,122,000.

This is but one of the ways taken by local residents to safeguard their future. They have also been putting more money into their bank accounts and investments.

Figures on the subject for the country at large and for each of the states, are presented in the current Life Insurance Fact Book and in other reports.

They show that the American people have saved away a tremendous sum of money—more than a trillion dollars—in life insurance policies.

Florida State's share of this total, according to the figures released, is \$25,957,000,000, a big increase over the \$12,419,000,000 reported in 1960.

Applied to Highlands County and to the average level of income prevailing in the area, ownership of life insurance comes to approximately \$10,900 per family locally.

This is a healthy 34 percent more than was held per family in 1960, \$7,700.

The figures show that ownership of life insurance is widespread in the United States but not universal. In families that consist of a husband, wife and small children, approximately nine out of ten breadwinners carry some insurance. About two out of three wives are also insured.

"WHERE GOOD FURNITURE IS NOT EXPENSIVE"

Disabled Vets Will Mail Christmas Cards

Mr. Edward Tepper and Mr. and Mrs. John P. Arnold visited the VA Hospital this past week taking with them 400 new Christmas Cards. These cards were given to the veterans that they would be able to remember a friend or loved one.

Many of these veterans are bedridden thus unable to visit the canteen to purchase cards. The visit to these men and women is more important than the card and they marveled that these volunteers would drive 110 miles to say Merry Christmas and hand out the cards.

Mr. and Mrs. Arnold are both trained VA volunteer workers and they and Mrs. Tepper are trained field workers for the American Legion and Auxiliary.

The Bible Speaks To You On Radio

Sometimes there doesn't seem to be much Christmas spirit left in a tense, war torn world. But look at neighbor helping neighbor — volunteers helping children in the ghettos, isn't that the Christmas spirit? Listen Sunday, December 22, 9:00 A.M. WJLM to "Is Christmas Relevant?"

Bonnie Brae Mobile Home News

Mr. and Mrs. Cecil Thomas of Barboursville, W. Va., arrived back last week and also so Mr. and Mrs. Edward Wehr of New Salem, Wis. They were at the Christmas party at the "Bonnie Brae" mobile home on Thursday. The James Whiddens have been transferred and have moved their mobile home to Port Myers, on Thursday. We wish them happiness in their new location.

Mr. and Mrs. Curtis Vandevender who have spent many happy years as residents of Barboursville, are moving this week to "Bonnie Brae" to be near their son Wyatt and wife, who have purchased a mobile home here, and will arrive shortly after January 1, 1969. Welcome the Vandevenders!

The Duquennes (Marge and Frank) have returned home after spending a week in Fort Myers while their grandson George, was hospitalized. George is the son of Mr. and Mrs. Joseph Burgess.

Word has been received from the Carl Burges and they will be here shortly from East Prospect, Pa.

The Currys (Catherine and George) were guests Saturday evening at the Jedreys (Hazel and Harry). "Cupcake" served one of her incomparable spaghetti dinners "Maine Style".

The Comforts are enjoying their enclosed Florida room which was completed this past week. Congratulations!

We are happy to have Mr. and Mrs. Palmer Snyder of North Liberty, Ind., as new winter guests of Bonnie Brae. Welcome!

Callers at Mr. and Mrs. Frank H. Foster this week were Mr. and Mrs. Alva Thompson and Mrs. Thompson's brother and wife. Mr. and Mrs. Lyndville Myers, all of Indiana, and Henry Wittekindt of Illinois.

Thelma Chalmers was a dinner guest on Sunday at the Harry Jedreys.

Joe Meyers was confined to his home over the week end. Sure to miss seeing Joe around the park with his cheery smile. Get well soon, Joe!

The final meeting of the committee for the Christmas party was held last Thursday. The owners, Mr. and Mrs. Frank Komash of Chicago have donated 3-25 pound turkeys which will be prepared by Griffin's Restaurant. The rest of the dinner will be prepared by the residents of the park. Dinner will be served on Friday, Dec. 20, at 5:30 P.M. It is asked that everyone bring their own table service and beverage. Those wishing to attend the dinner are asked to notify the committee no later than December 18. The committee reports of Thelma Chalmers, Evelyn Checkley, Maude Foote, Hazel Jedrey, Lorraine Robertson and Bonnie Sherman. At 8 P.M. that same evening a Yankee Swap party with exchange of gifts is planned, followed by singing of Christmas Carols. A pleasant evening is anticipated for all.

We all miss seeing Chris Shorten walking his dog morning and night. Chris has been confined to his home most of last week. Hurry and get well, Chris!

Catherine Hager was pleasantly surprised on Monday afternoon when a friend she hadn't seen for over 15 years came in the store where Catherine works. Margaret Shively, of Massillon, Ohio had been inquiring where Catherine was. Catherine was real surprised and embarrassed at not recognizing her old friend.

This cold spell certainly gave Lil Wehr, Catherine Curry and Hazel Jedrey a good excuse to start baking their Christmas cookies on Monday morning. The added heat from the ovens sure warmed up those mobile homes.

Catherine Hager had her second surprise on Friday afternoon when her nephew, Bill Burleson from Clare, Mich. and also radio station WJLM called on her.

The Thompsons (Shorty and Cecil) spent the week end with their daughter and family. Mr. and Mrs. Carl

Last Month To File Claims

The month of December is of extreme importance to men and women who are under Medicare, according to W. F. Arnold, district manager of the Lakeland Social Security office.

December 31, Arnold said, is the deadline for filing claims for reimbursement of certain medical bills. This year, he cautioned, claims for medical bills which are dated between October 1, 1966 and September 30, 1967 must be filed by the last day of this month, December 31, 1968.

Persons may make these claims by mailing them directly to Medicare, P. O. Box 225, Jacksonville, Fla. 32201, or by contacting the Social Security office. Mailed claims will be considered timely if they are postmarked no later than midnight, December 31.

Second Phase For Hunting Ducks

The second phase of the 1968-69 season for hunting ducks, geese and coots, and the third phase of the dove hunting season opened Saturday. Waterfowl hunting will be allowed from one-half hour before sunrise to sunset. Dove hunting will be allowed from noon to sunset.

According to W. B. Copeland, chairman, Game and Fresh Water Fish Commission, dove hunting will be allowed for 24 days with the season closing January 6. Waterfowl hunting will continue statewide through January 14.

The bag limit for mourning dove is 12 per day. The daily bag limit on ducks, other than mergansers, is four and may not include more than two wood ducks, two black ducks, two mallards and one of either the canvasback or redhead. The limit on mergansers is five daily of which not more than one may be a hooded merganser. The bag limit for geese is one per day, and the daily limit for coot is 10.

TERMITE DAMAGE

Termites do millions of dollars worth of damage to residential and commercial construction every year. No building is safe, in areas in which termites occur. From colonies in the soil, termite workers forage for wood. They also construct mud tubes over concrete or masonry, to reach wood. Their damage is seldom apparent until it reaches a serious stage, because they work within wood, and do not break the surface. Badly infested buildings may suddenly sag, because termites feeding has weakened main timbers. By the time that termite damage becomes apparent, costly repairs may be needed.

Lay Academy To Be Conducted By Rev. Martin

During the New Lay Mission Week, the guest Evangelist Rev. O. Dean Martin will conduct a Lay Academy in four sessions for Ambassadors for Christ, in which there will be training in theology and in motivation and methodology with training experience through witnessing in person to persons, evangelism.

Pre-training study groups for Ambassadors are being conducted on Sunday and Wednesday evenings by Mr. Clifford Smith, President of the Methodist Men's Fellowship.

Interested persons may attend the four Lay Academy sessions without enrolling.

ROTARY CLUB NEWS

By GEORGE WALPER

Senator Askey was introduced by John Giddens as speaker for Rotary Club on December 11. Senator Askey has served for 6 terms in the Senate and two terms for the House of Representatives. From 1967 and 1968 he has been the chairman for the House Appropriations Committee. As such he has had a first hand knowledge of the requests for funds and manner in which state funds have been distributed.

In spite of the fact that we now have a newly revised constitution, has not meant that problems have been all solved for the legislator. A few of those to be considered in the next session are: 1. a provision for new organization of 25 executive departments. This must be completed before June 30, 1969. 2. A revision of the judiciary court system with special emphasis as to whether the governor has a right to elect a lieutenant governor. 3. The fact that higher education facilities must be expanded greatly in the next few years. It has been calculated that between 1965 and 1975 that facilities for higher education would have to be tripled. A fact which Senator Askey commended Highlands County and specifically Morris Adams and Hayward Davis for our progressive thinking with our Junior College. 4. Law enforcement has received 1.5 million dollars as requested by Governor Kirk. However, it is estimated that an additional 15 million dollars is needed to adequately do the job.

We have not supported law enforcement in the past and must do a better job in this field. 5. In the field of agriculture, conservation is of importance to our state. We must continue to give special emphasis to this important area asset. 6. Title 19-Medicaid—must be activated within the next two years. At a cost of approximately 50 million dollars, the question is shall it be initiated? 7. With the tremendous prediction of growth for the

Farmers Offered Assistance In Soil and Water Conservation

Farmers who wish to establish soil and water conservation practices on their farms with Agricultural Conservation Program assistance should visit the ASNC County Office to discuss their conservation problems and file their requests. R. P. Grier, Chairman of the Agricultural Stabilization and Conservation County Committee said today.

It is important that farmers file their requests during the initial sign-up period in order to get the necessary approval and take care of the program details before the time is at hand to actually begin work, the chairman emphasized. The sign-up period will close Jan. 4.

Under the 1969 program, cost-share assistance will average about half of the cost of carrying out such conservation practices as establishing and improving vegetative cover, planting trees and improving existing

First Baptist Choir Will Sing Christmas Songs

The Chapel Choir of First Baptist Church will sing the Christmas cantata "The Wonder of Christmas" by John Peterson on Sunday evening, December 22, at 7:45 P.M.

In writing about the cantata, Mr. Peterson said, "There is a wonder in Christmas beyond that of any other season on our calendar. This is a perfectly understandable wonder when we consider the wonder of divine love that planned it—the wonder of divine power that accomplished it—the wonder of the providences and miracles that attended it—the wonder of the recurring event that Bethlehem is but part of the greater wonder of God's total redemptive plan for man."

Those who have special singing parts are: Marsha Wilson, Debbie Gargamas, Joyce Strickler, Sarah McClure, Merle Henry, Sarah Turnbull, Quentin Atkins, Ronald Batts, Joy Martin, Doug Gargamas, and Ralph Henry.

The choir will be directed by Miss Cheryl Guendli. She will be assisted by Jerrold Perkins at the piano and Otis Strickler, Narrator.

The public is most welcome to attend this service of music.

Aden D. Childress is pastor of the church.

DR. AMIN JAZAB, his wife and daughters are shown with a replica of the Temple of Baha'i Faith located in Chicago, Ill., which is the

temple of their faith. Dr. Jazab is the new physician for the Avon Park Correctional Institute.

Dr. Amin Jazab Starts Duties At APCI

Dr. Amin Jazab with his wife and two daughters, Elton and Aram, sixth and fifth graders, natives of Iran, Persia are residents in the A. P. C. I. as Physician and Surgeon.

Well qualified, he came to this country for further study July, 1963, interning in Colorado Springs, Col. He established his Surgical Residency in Nashville, Tenn. July 1966 and finished his surgical training and graduated eligible to start work at the Avon Park Correctional Institute.

Mrs. Jazab also graduated from Tehran University of Iran as Ph.D. in 1964. The message of Baha u'llah is the message of love and unity, the message of peace and understanding. War shall cease between nations and by the will of God, the Most Great Peace shall come; the world will be seen as a new world and all men will live as brothers. Dr. and Mrs. Jazab will explain their faith and religion to any one or group who would be interested.

Baha'i Faith originated in Persia (Iran) in 1844. The message of Baha u'llah is the message of love and unity, the message of peace and understanding. War shall cease between nations and by the will of God, the Most Great Peace shall come; the world will be seen as a new world and all men will live as brothers. Dr. and Mrs. Jazab will explain their faith and religion to any one or group who would be interested.

Union Church Christmas Service Sunday

The Chancel Choir of the Union Congregational Church will present their annual concert of the music of Christmas this Sunday evening at 7:30 o'clock.

A piano and organ duo will be played by Mrs. Clayton Bissade and Mrs. Earl Jackson. All time favorites will be sung, including "Venite Adoremus," "Jesu Balmisano," "Cantique de Noel," "In the Dark of Night" and "I know that My Redeemer Liveth." "Spout of Christmas" a fantasia by Bruno Rehold will be one of the features. The concert will be brought to a close by the singing of "Silent Night, Holy Night" with the stained glass Nativity Window illuminated. Seating for the evening will be Mr. and Mrs. Gary Hasson, John Hasson, Mrs. Samuels to Nurses and Mrs. Victor Mickunas. The public is cordially invited to attend.

A bright and beautiful Christmas Sunday service of worship will be held on Sunday morning at 11:00 o'clock. The singing by the Chancel Choir will highlight the service. Rev. Herbert D. Graetz will preach to the subject: "Waited, A Saviour." The Children's Christmas program by the Church School will be presented in Fellowship Hall on Monday evening, December 23rd, at 7:30 o'clock. This service will center on the eternal significance of the birth of Jesus. The illuminated Nativity Window will make this a memorable experience for all who attend.

On Saturday evening, December 21, from 7:00 to 8:30 o'clock, the members of the Junior High program Fellowship will present a live Nativity scene on the Mall.

District Supt. To Speak At United Methodist

The Reverend Charles Hamilton, District Superintendent of Sarasota District of the United Methodist Church will speak at both of the morning services Sunday, December 22, 8:45 A.M. and 10:30 A.M.

He was formerly pastor of College Heights Methodist Church in Lakeland before becoming

District Superintendent. The Annual Christmas Program to be given by adults young people and children will be given in the Church Sunday evening 7:30 P.M. under the direction of Mrs. Richard Derksen. After the program, Santa Claus will be in Wesley Hall where he will have gifts for the children.

Redeemer Women Hold Meeting Dec. 11

The Episcopal Church Women of Avon Park met Wednesday Dec. 11 in the Parish House of the Church of the Redeemer. This was the last meeting of 1968 and carried the Christmas theme in decorations. Tables were daily decorated with greenery and red berries. A Creche, surrounded by greenery, was placed on the mantel showing the Magi coming from the east. Mrs. Jane Betts, devotional leader, led in prayer and the singing of Christmas Carols. Mrs. Sherman Francisco opened the business meeting. Reports were read and approved. Mrs. Ed Hall thanked all who helped her "Spaghetti Day." She also introduced the speaker, Mrs. Charlotte Thayer, Diocesan Chairman of Women. Her talk "Are You Ready for Christmas?" was most interesting and inspiring. Among all the commercialism of modern times, one is apt to lose sight of the real Christmas. Her speech gave the real meaning of Christmas. A covered dish lunch followed and an especially large group attended.

The next meeting will be held in the Parish Hall on January 8, after the usual mid-week 9:00 A.M. Communion.

A Christmas Prayer

Let us pray that strength and courage abundant be given to all who work for a world of reason and understanding.

That the good that lies in every man's heart may day by day be magnified,

encouraged and rewarded. That man will come to be more knowledgeable

about not that which divides them but that which unites them. That each

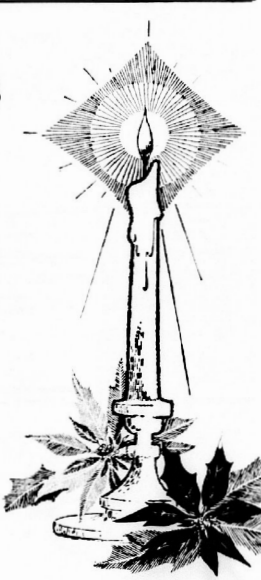

moment may bring us closer to a final victory not of nation over nation but of

man over his own evils and weakness. That man will see his faults of today for a

better tomorrow. That the true spirit of this Christmas Season and the blessings of

peace be ours. The peace to build and grow, to live hand in hand with

others, and to plan for the future with confidence.

Mrs. Floyd Stevens was guest of honor at a birthday dinner given in her honor by Mr. and Mrs. Charles Belden. In the evening, Mr. and Mrs. Stevens helped Mrs. Ralph Crocker celebrate her birthday. Mrs. Crocker's daughter from Connecticut, Ohio, baked and sent her mother the birthday cake.

Others there to enjoy the party were Mr. and Mrs. George Rankin and Mr. and Mrs. Blaine Kerr. Congratulations to both, Edith and Mable.

Mr. and Mrs. Paul Roth, LaPorte, Ind. are back with us for the winter. We all welcome "Ginny" and Paul.

Mr. and Mrs. Wm. Tingler, Baltimore, Md. are guests of his mother, Mrs. Bernice Tingler.

Mrs. Larue Longnecker received word that their granddaughter and husband have a new baby daughter. Mr. and Mrs. Kennedy, the parents live in Santa Barbara, Calif. and this is their second child.

Mr. and Mrs. Floyd Stevens expect to leave the last of the week for Springfield, Ia. to spend the holidays with their daughter, son-in-law and family.

Dr. and Mrs. Davis are leaving Friday for Richmond and Roanoke, Va.

Mr. and Mrs. Henry Wittekindt are expecting their daughter and son-in-law, Mr. and Mrs. Glen C. Malitzke, and son, Lawrence, Maywood, Ill. here for the holidays. They are expected to arrive December 22.

Mrs. Walter Douglas is leaving for Chicago Thursday to spend the holidays with relatives.

Mr. and Mrs. Blake Marvin of Frostproof spent Sunday with Mr. and Mrs. Louis Shoemaker.

Pinchle scores for Monday night as follows, ladies, Mrs. Ralph Crocker, 951; for the men, Jesse Yates, 1005. There will be no games after Christmas Eve and Mrs. L. Shoemaker were in charge of the games.

T. Weishyer 50 Year Resident Dies

Theodore Weishyer, 81, died Friday Dec. 13 in Walker Memorial Hospital. He was born in St. Louis and lived in Avon Park, 50 years.

He was a member of the Congregational Church. Survivors include two daughters, Mrs. J. Harmon Atkins, Avon Park and Mrs. I. M. Parnell of Tampa; a brother George Weishyer of St. Louis.

Funeral services were held Monday December 19, 2:00 P.M. from the Scott-Stephenson-Smith Funeral Home with Rev. A. D. Childress and Rev. Herbert Graetz officiating. He was laid to rest in Bougainvillea Cemetery.

Scott-Stephenson-Smith Funeral Home in charge of arrangements.

Most of the world's real advancements have been brought about by an exceedingly small percentage of its population, most of whom were looked upon as queer, during their lifetime.

MERRY CHRISTMAS

We're wrapping up best wishes for all our good

Sebring Kiwanis Give Check To

Ridge Area ARC

Dr. Samuel A. King, chair-
man, Ridge Area Association
for Retarded Children's 1968
fund drive accepted a check
for \$50 from Leon Tolar,
president, Sebring Kiwanis
Club. Dr. King congratulated
the Kiwanis Club on its
participation in the county
wide services of the associa-
tion.

The club has supported
the work of the Ridge Area
ARC since its organization
in 1957 and their funds have
been used to help construct
the day school, to dress
handicapped children for cold
weather, to sponsor special
professional help in diagnosis
of problems of the retarded
and to send retarded children
to Summer day camp.

This year the funds will be
used in the new develop-
mental training services in
Sebring and Avon Park for
the preschool handicapped
children.

tion had received \$1714 or
30% of their goal of \$5000.
The drive is being continued
and those wishing to contrib-
ute may mail their checks to
the Ridge Area Association
for Retarded Children,
P. O. Box 731, Avon Park,
Florida 33825.

Thursday Night Bingo Party

The American Legion will hold
their regular Bingo Party Thurs-
day night December 19 preced-
ed with a pot luck dinner to be
served at 6:00 P.M. A group of
children will be present to help
celebrate the party and receive
gifts.

Members are asked to bring
gifts for the children not to
exceed \$1.00 and also some affec-
tion for Christmas Cheer, Inc. along
with a dish to pass and your own
table service.

-The Avon Park Sun, Avon Park, Fla., Dec. 19, 1968

DR. SAMUEL A. KING receives a
check for \$50 from Leon Tolar, presi-
dent of Sebring Kiwanis Club, which
the club donated for the 1968 fund

drive for the Ridge Area Association
of Retarded Children. Dr. King is
president of the drive.
