

First Baptist Will Teach Mission Book

The First Baptist Church on Wednesday, Nov. 19, 7:30 P.M. will be setting for a different concept of teaching a mission study book. The entire church is cooperating in the study of Sons of Ishmael: How Shall They Hear?

The book is of timely interest with Lebanon under attack by other Arabs and with Nasser threatening "a blood bath" in Palestine.

With costumes, dramatizations, an interview technique, music with visual effects and a devotional by a foreign missionary, Rev. Charles Lawton, the study will appeal to many people.

Various members of W.M.U. Brotherhood and youth organizations will be assisting the chairman, Mrs. I. H. Ford, Gerald Wicker and Mrs. M. T. Suggs in presenting the study. Mrs. E. A. Martin is helping with the posters.

Local Air-Conditioning Company Receives Distinguished Award

The Avon Park air conditioning contracting company of Long and Seneff, Inc., received a distinguished dealer award in a brief presentation ceremony conducted by the Federal Air conditioning distributor at Long and Seneff's place of business on Highway 27 last Thursday afternoon by representative Duke Mahler.

Sunday School Lesson

"Be of Good Cheer"

By DAVE LLEWELLYN

Charlie Brown and Linus of the "Peanuts" comic strip, one winter, noticed Charlie's dog Snoopy shivering out in the cold, so they decided to comfort him.

"Be of good cheer, Snoopy!" Charlie said, and Linus added, "Yes, be of good cheer!" But they left Snoopy out in the cold.

Sound familiar? Have you ever felt like a dog out in the cold, getting a sympathetic pat on the head instead of true comfort?

Means of Comfort

God gave to man a woman to comfort him and to the woman her family and friends to each other, but these comforts, we know, are not enough.

So God gave Himself—as Jehovah in ancient times, then Jesus for about 33 years, now as the Holy Spirit, called by Jesus "the Comforter."

One means of God's comfort now is the family of believers. "Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort; who comforteth us in all our affliction, that we may be able to comfort them that are in any affliction through the comfort wherewith we ourselves are comforted of God." (II Corinthians 1:3-4)

At least two principles seem to govern God's work of comfort. The first is a perspective of life, one usually considered gloomy and fatalistic: "All flesh is grass and all the goodness thereof is as the flower of the field; the grass withereth, the flower fadeth; surely the people are grass."

Someday Your Family Will Need The Answers To These Questions

THIS PRACTICAL FAMILY GUIDE MAKES SURE YOU WILL HAVE THEM. YOURS FOR THE ASKING.

Bereaved families too often are confronted by estate tax tables, missing papers, and questions that should have been answered ahead of time — but weren't.

This easy-to-read booklet tells you:

- how to claim life insurance benefits — and how you can protect these benefits now
- how to claim veteran's, company, fraternal and Social Security benefits
- why you need a will — and what to do about it
- how to buy a cemetery plot
- how to make sure the information your family will need is available when it's needed

You will want to keep this booklet among your important papers—as a sort of stand-by family counsel—or that will answer your questions in time of need. These are not questions that may arise. They will arise, sooner or later, in every household.

This booklet is about you and your family. We think every family man should read it. Return the coupon and we'll be glad to send you a copy. At the same time we'll send you full information, including prices of single and family plots. All without cost or obligation.

"B" Squad Travels To Lake Placid Tonight With Six Straight Wins

Coach Dewayne Lemler's Avon Park "B" squad will travel to Lake Placid tonight (Thursday) to take on the Green Dragon junior varsity in the final game of the season. The Red Devil "Bees" won 18-6 over Sebring here at Memorial Field last Thursday to push their win streak to six straight and set a 6-1 record.

A win over Lake Placid tonight could give the "B" squad one of the best records in years, but hard-running back Eddie Ezell was injured in last week's game and will not see action tonight. How well the team can operate without Ezell will determine the outcome of the last game to some extent.

Against Sebring last week it was the pass that made the difference. A 70-yard pass play from quarterback Leon McRae to end Bud Wester accounted for the first Avon Park touchdown in the first quarter. The extra point try failed.

Then in the second quarter end Bobby Stoops took a hand-off on an end-around play and ran some 30 yards for another Red Devil TD. It was a perfectly executed play and the boys ran strong into the end zone. Again the extra point try failed. In the final quarter McRae hit Wester with another touchdown pass to put the young Devils out front 18-0. Late in the game the Sebring Jayvee squad moved for its only score which came just before the final whistle blew. They were unable to make the conversion points so the game ended with the score set at 18-6.

Coach Lemler used his boys giving each one as much action as possible. The Devil "Bees" have an offensive team, a defensive team, and a kick-off team and duplicate boys only when necessary. The boys have all done a good job this season and Avon Park fans can well be proud of both the coaching staff and the team for the play this year.

Women Apply For Position In Air Force

During the past fiscal year the United States Air Force's WAF Officer Program had more applicants than could be absorbed and, according to Sgt. Contorno, local Air Force recruiter, the same situation could develop this fiscal year.

An officer in the Women in the Air Force faces a challenge unparalleled in civilian industry. From the very day she pins on her lieutenant's bar, comment of Sergeant John Contorno, "she becomes an executive in one of the largest concerns in the United States."

Sgt. Contorno further explained that college education gained by WAF officers is instantly recognized by the Air Force. Air Force career fields for these young women are tailored to fit their degrees. Often, the only transition is Officer Training School and a technical school to adapt the graduates knowledge to a related Air Force specialty.

"Our women officers are highly respected by their male officer counterparts, as well as the non-commissioned officers and airmen whom they supervise. How many civilian industries," Sgt. Contorno added, "would promote a recent college graduate to a job of such importance?"

The sergeant added that when you include free medical and dental care, the chance for world-wide travel, educational and recreational opportunities, and a paid 30 day vacation the first year, and every year, life as a WAF officer becomes pretty hard to beat.

For more information on a career as a WAF officer contact Sgt. Contorno. His office is located at Federal Building, in Lakeland, or call 683-8857 for an appointment.

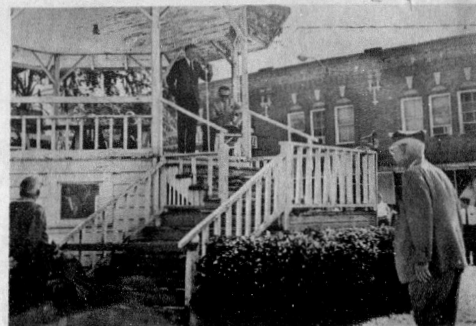

PTA Will Meet Nov. 20

The PTA of Avon Elementary School will meet November 20, 8 P.M. in the school cafeteria. The theme of the meeting will be a follow-up on American Education Week. The Avon Elementary Library will sponsor a second filmstrip "If the Shoe Fits" as a salute to parents from teachers. This is a sort of golden-slipper salute to all parents from the school—if the shoe fits—put it on. Just for contrast, the filmstrip includes a section on the "unsupportable cast of characters," some of whom you may have met along the way, and can remember—now—with a smile.

A short play on Education will be presented by David McDaniel's Sixth Grade. Entitled "The Greatest American" it stresses the worth of all persons and the opportunities for greatness through education.

An art exhibit will be on display before the meeting. Featured will be samples of classroom art which have been done under the teaching of Mrs. Katherine Callaway, Avon Elementary School Art teacher.

Musical selections will be presented by Mrs. Ann McKunak, music teacher, and the fifth grade chorus. Included will be "Carol of the Bells," "High Hopes," and "Calypsos Noel."
