New Post Office Will Open In October

The Avon Park Post Office will move its new facility during the month of October. The exact date will be announced later in the Avon Park Sun.

The new post office boxes at the new facility will open by key lock instead of combination locks. The keys for the boxes in the new facility were made available to patrons on Wednesday, Oct. 30. They may be picked up at the second window of the present post office by post office box patrons.

Patron parking at the new facility will be in front of the new facility which faces South Verona.

The telephone number at the new post office facility will remain the same, 433-3825.

July Stickers Are Now Delinquent

Motorists with red car inspection stickers on their windshields which are punched "July" now are delinquent, having expired at midnight Tuesday.

Motorists with red car inspection stickers on their windshields which are punched "September" have through January of 1970 to get their inspections, John Gerken, who is in charge of the inspection station, announced.

The pink stickers on which "October" is punched will not have to be renewed until February or March.

MILTON HOWARD, Robert J. Barben and Don Sedyński are shown as they are sworn in at the Avon Park City Council's reorganizational meeting.

Wednesday, Barben is the new mayor and Howard and Sedyński are councilmen.

Red Devils Defeat Mulberry Meet Ft. Meade Here Friday

The Avon Park Red Devils variety returns home to Memorial Field this week ready to take on the tough, undefeated Fort Meade Miners for a nip-and-tack 20-22 victory over the Mulberry Panthers at the beautiful Phosphate Bowl last Friday night.

The Red Devils got their first taste of victory last week by simply scoring first and then matching touchdowns with the Panthers who had no respect for the Avon Park defense in the second half. Devil halfbacks Willie Joe Seigler and Roy Clait teamed up with quarterback Don Sisemore to grind out 306 yards

on the ground, 37 yards through the air, and to score 14 points each in the high scoring game. Reserve fullback Walter Nunnallee filled in for the injured Steve Hart and carried a couple of times, but spent most of the offensive game blocking for the two dazzling halfbacks.

It may be a tid-bit harder this week, however, as scouting reports on the Fort Meade Miners indicate that the tough Polk County team is probably at least two TD's better than Mulberry and somewhat stingier on defense. The Miners have an 11-0 win over Hardee High of Wausatcha and a 24-0 shut-out over

Frostproof. Miner backs Phillip White and Glenn Aycock proved too tough for the Frostproof Bulldogs last week as White scored twice and Aycock once for the Fort Meade team.

But there is no question but that it will be a fired up Red Devil squad that take to the field tomorrow night to meet the Miners. The win over Mulberry was a morale builder and the young and eager Devil rookies are sure to use their newly found confidence to great advantage. The ground game looked very impressive against the Panthers and the defense stopped the

Local Cattle Must Be Tested In State Brucellosis Program

Cattle in non-tested herds in Highlands and 11 other counties in the state which have not reached modified-certified status in the State-Federal brucellosis program, must go to slaughter or to a quarantine feed lot if they enter intrastate or interstate trade.

This is the decision of Dr. John B. Healy of Jacksonville, Federal veterinarian in charge for the U. S. Department of Agriculture.

An exception would be establishing a qualified herd in one of those counties by special testing, he said.

August 1 Deadline
Healy's statement followed federal regulations which went into effect August 1. Modified certified means the incidence of the disease has been reduced to the point that not more than one per cent of the cattle and not more than five per cent of the herds are affected.

Dr. Angus Ragsdale, USDA veterinarian here, estimated that per cent of Highlands County herds have been tested.

County Agent Bert Harris, Jr., commented:

"This will speed up the testing in the county to comply. In some cases it will be a hardship but it cannot be avoided. Ninety-eight per cent of the country has gone down this path and we will just have to follow."

11 Other Counties
The 11 other counties besides Highlands are Alachua, DeSoto, Glades, Hillsborough, Marion, Martin, Palm, St. Johns, St. Lucie, Seminole and Hardee.

The August 1 USDA regulations involved intrastate and interstate shipment of cattle from

modified certified counties and states to non-modified certified counties and states.

The new regulations were designed to provide better protection against introduction of brucellosis (Bang's Disease) into modified-certified areas from counties that have not attained this status.

Florida is one of seven states which has not reached modified-certified status in the national brucellosis testing program. The other six are Texas, Louisiana, Oklahoma, South Dakota, Nebraska and Hawaii.

"Our situation (in Florida) is not hopeless," Dr. Healy said in meeting with representatives of the state livestock markets, cattlemen's associations and the Florida Department of Agriculture and Consumer Services' Division of Animal Industry, which enforces the state portion of the combined brucellosis testing program.

Complicating the Testing
Complicating the testing program is USDA's removal last week of Federal matching funds for brucellosis testing at livestock markets.

Dr. Clarence Campbell, state veterinarian and director of the DAI, said it is not certain whether Florida can continue participation in the livestock brucellosis testing unless an equitable payment arrangement can be worked out for veterinarians.

Further complication is the appeal of a September 1968 Martin County Circuit Court decision to the U. S. Supreme Court. The lower court decreed that Florida didn't have the power to test for brucellosis. That decree was overturned by the State Supreme Court.

A group of cattlemen who challenged the state police power have carried their appeal to the Federal Court, which has not ruled whether it will hear the appeal.

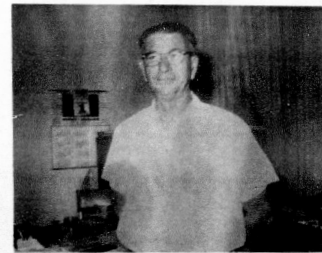

Dr. Healy said ceasing of Federal matching funds for testing at the livestock markets is over, but in that Florida has been the only state for a year or more that has received such Federal matching funds. Curtailing of the Florida program

was announced September 15.

Dr. Healy pointed out non-tested cattle must be marked by some means and must be separated from tested animals which are in intrastate or interstate shipment to modified-certified states or counties, or both classes must go to slaughter or quarantine feed lots.

Enforcement is going to be a problem because of lack of staff and road-checkpoints. "But there are ways to find out about mixed and separated shipments. It fails

ure occurs, the end result will be Florida's loss of its 55-county modified certified status and the state's return to the beginning for a whole new testing program in its 67 counties," he said. Sixteen states and the Virgin Islands have eradicated brucellosis from cattle. They are Arizona, Nevada, Utah, Washington, Connecticut, Massachusetts, Maryland, Massachusetts, Michigan, New Hampshire, New Jersey, New York, Rhode Island, Vermont, Wisconsin, and California.

Anyone interested in attending this course should register at South Florida Junior College before October 7. Further information may be obtained by calling the Registrar's Office at the College.

1969-70 Dove Hunting Season Opens Saturday; 70 Acres at Bombing Range May Be Available

The 1969-70 dove hunting season opens at noon Saturday — but until some time Friday it will not be known if the 70-acre tract of the Avon Park bombing range which was seeded and stocked as a dove field will be available to hunters.

Glynn Ivey, game management chief of the bombing range, said announcement will be forthcoming some time Friday from Maj. J. O. Brown of the Florida Wildlife Service.

The Avon Park field is one of four public dove fields located in the South Florida region. The others are Croon near Brooksville, Cecil M. Webb near Punta Gorda and Sarasota near Sarasota.

The charge for using these fields is \$2 daily except for residents over 65 and they will be issued permits without charge. Hunters are reminded that the daily bag limit has been temporarily from 12 to 18 birds daily.

Hunting will be allowed statewide from noon until sunset through Nov. 2. Shotgunners plugged to three-shell

ammunition and rifles are prohibited from taking migratory birds. The second phase dove hunting season is from Nov. 13 through Nov. 20. Third phase opens Dec. 13 and continues through January 5. If the Avon Park field is opened — and because of a shortage of doves it was thought it might not be — it would be opened only Wednesdays and Saturdays.

Dogs used on any wildlife management area during the designated open season must wear a collar bearing the name and address of the owner.

An estimated 3,000,000 doves are harvested by Florida hunters each year. Only 142 doves were harvested last season at the Avon Park range, as compared to 337 the previous year.

Florida sportsmen this year have been involved in a wildlife research experiment. For one thing, they will participate in a "experiment bag limit" change.

According to Dr. O. E. Frye, Director of the Game and Fresh Water Fish Commission: "More

doves are harvested by more hunters enjoying more hours of hunting recreation than any other species of migratory game in the Southeast. Studies over the past years will provide background with which to compare the results of an increased bag limit of this most important game bird."

Other hunters will be asked to clip one wing from each dove taken during a day's hunting and drop the packet in the mail.

After the season, wildlife biologists will examine the wings to determine the age of the birds and thereby the reproductive success of dove populations.

Frye reminded sportsmen they can contribute to the dove management program by returning doves in bags, by sending in wings when requested, and by supplying information on personal harvest when contacted by telephone.

He concluded: "With a species as important as the mourning dove we need additional knowledge for adequate management plans."

Mulberry offense at the five once again at the one yard line to put down serious threats. The defense also set up the second TD by recovering a fumble on the Panther 7-yard line. In all the Red Devils recovered four Mulberry fumbles.
Avon Park took the opening kick-off and speedy back Roy Claitt broke loose for a 30 yard return to the Devil 40-yard line. From that point the Devils drove steadily down the field for the first score of the game with Seigler, Claitt and Nunnallee eating up the 55 yards in short and long gulps. Claitt took the ball into the end zone from about two yards out as he slanted off the right side of his line. Seigler added the two points for the conversion with a burst through the middle of the line and Avon Park had a quick eight point lead.

The Devils then kicked to Mulberry and big end Arthur Jones hauled it in at his own 35 and proceeded to run through the entire Devil team to the 11-yard line before Willie Seigler caught up and grabbed his pants to pull him down from behind. But the Avon Park defense stiffened and held for four downs and the Devils took over on their own five yard line. Another long, time consuming drive then took place with Sizemore, Seigler, Claitt and Nunnallee all gaining yardage until they reached the Panther 30-yard line.

There a 15 yarder on fourth down pushed them back and forced a punt. But Sizemore took his time getting the punt off and Clark Jackson was down covering when the ball hit and let it roll to the Panther one-yard marker before he dove it to put Mulberry deep in the hole.

On Mulberry's third down a back fumbled at his own 7-yard line and Devil end Clark Jackson recovered. Two tries were all Willie Joe needed to put six more points on the scoreboard as he drove in from two yards out on an off-tackle burst. Seigler's run for the two-point conversion was stopped short but Avon Park had a 14-0 advantage early in the second period.

Mulberry's offense came alive on the following drive and they moved the ball from their own 38-yard line to score in only eight plays with the help of a 15 yard penalty against Avon Park midway in the drive. Panther quarterback Rick Morrison ate up the yardage with his option end runs and big fullback "Lucky" Williams bulled through the middle of the line for the rest of the yardage. Williams went in for the TD from less than a yard out, but the run by Morrison for the 2-point extra point was no good.

Avon Park scored again in the second period after Claitt returned the kick-off 15 yards to the Devil 35-yard line. Claitt and Sizemore moved the ball to the Devil 47-yard line in three plays and then Seigler burst through the right side of his line and raced 53 yards for the third Devil score of the evening. He simply outran the Panther secondary after he had eluded the line and line-backers. Again the Devil's try for two points failed giving them a 20-0 advantage.

The Panthers then drove all the way to Avon Park's one foot line only to loose the ball with a fumble recovered again by Devil end Clark Jackson. Avon Park edged out to the seven and punted short, but Mulberry drew a 15 yarder after the punt which moved them back to the Avon Park 45. With time running out in the first half, the Panthers went to the air and moved to Avon Park's four yard line before the whistle blew. The score stood 20-0 at halftime, but both teams had showed offensive power.

Mulberry got tough in the third quarter. They took the kick-off and marched 62 yards for a touchdown in only nine plays and a 15 yarder against the Devils. This time it was halfback David Hardee scoring on a short burst through the middle from two yards out and he also ran in the two point try to close the gap in the score to 26-14.

Avon Park had only three running plays and a 34 yard punt in the whole third period as Mulberry held the Devils short of a first down and then drove from their own 10 yard line for a go-ahead score which came early in the fourth period. Again it was David Hardee shooting in from the one for the TD and he also carried across for the two point conversion to put Mulberry out front 25-28 with 11 minutes and 19 seconds left in the game.

The Red Devils offense never faltered as it started a drive from its own 19-yard line and moved on the ground to the Panther 27-yard marker. There things looked bad for the visitors who faced a fourth and seven yards needed situation. But young Don Sizemore dropped back and tossed the ball over the scrambling Panther linebackers to the elusive Roy Claitt. Claitt picked the ball out of the air and followed his screen of blocking in the 10 and then burst free to go in standing up for the winning touchdown. Claitt took a pitch out to his left and ran around the end for the two point conversion and took Avon Park out front to stay 29-28.

Avon Park then kicked an co-

side kick and Lorenzo Nelson recovered for the Devils after the ball had traveled more than 10 yards. But Avon Park fumbled and lost the ball to the Panthers four plays later. Then Mulberry drove to its own 46 and returned the compliment fumbling into the arms of Randy Ward. There were still two minutes left in the game but the Devils used it all up moving to the Mulberry nine yard marker before they lost on downs as time ran out.

Willie Joe Seigler had his best offensive game of the young season gaining 107 yards on the ground and Roy Claitt picked up 86 yards on the ground and added 27 more with a pass reception. Claitt also averaged 17 yards for three kick-off returns. The Devil interior offensive line with Ricky Dick at center, Randy Ward and Danny Albritton at tackles, and Greg Albritton and Larry Tolbert at guards played an outstanding game opening up holes for the two halfbacks to dash through all evening long.

Highlands Stamp Tax Increases

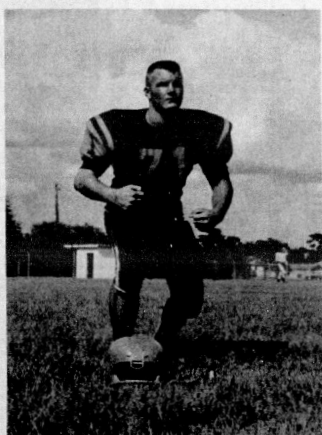

TALLAHASSEE — State documentary stamp tax collections last month slumped 8.1 per cent below collections recorded in August, 1968, Comptroller Fred O. "Bud" Dickinson, Jr. reported today. But Highlands County collections for 1968 totaled \$8,513.41, up from August 1967's \$8,330.10.

The county's 1969 surtax collections were \$3410 as compared to 1968's \$1072.50. Main cause of the slump in collections has been in the loss of power by the state to levy documentary taxes on banks. They were exempted by a Supreme Court ruling that provided the exemption for national banks of state taxes. State law extends the exemption to state banks and savings and loan associations.

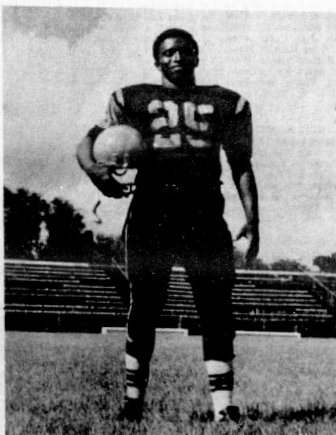

IT'S KICK-OFF TIME!

Red Devils Meet Ft. Meade

AT MEMORIAL FIELD FRIDAY NIGHT

RED DEVIL TACKLE Danny Albritton is turning in an outstanding performance at his offensive position in his first year on the varsity eleven. The junior line-man was forced to the sidelines last season with an injury but has made a spot for himself this season with his teammates Randy Ward in the tackle slots. Danny also holds down the right side of the defensive line. Fans should keep their eyes on big number 71 who weighs around 190 pounds and uses every ounce of it against Devil opponents.

HALFBACK ROY CLAITT scored the winning touchdown on a 27-yard screen pass play against Mulberry last Friday as the Red Devils took a 28-22 victory in the Phosphate Bowl. The 145-pound senior scooter also went over for another TD and ran a two point conversion to score half of Avon Park's points. He gained 86 yards on the ground and 27 yards with his pass reception. Claitt, who wears the number 25 Devil jersey, also returned three Mulberry kick-offs for a total of 51 yards.

Board Files Suit To Validate Bonds

Highlands County School Board has filed suit in Circuit Court for validation of a \$4.1 million general obligation bond issue.

10 the Highlands County tax
payers approved a bond issue to
provide funds for construction
of two new high schools and
additional classrooms for ele-
mentary schools.

School Board Attorney Frank Bryant lists the State of Florida and taxpayers, property owners and citizens of Highlands as defendants.

A.M. on Monday, Nov. 3, for anyone opposing the bond said to show cause why the request for validation and confirmation should not be granted.

The last session of the Legislature granted the school board authority to sell up to \$1.5 million in bonds backed by

board's share of state race taxes. Board Attorney Bryn said suit for the validation of that bond issue will be filed later.

tion bond issue is more highly rated in financial circles and may be marketed as early as December, Superintendent George F. Douglass said today.

Last Day To Register

Lone item on the ballot for the election is a proposition to amend the Florida Constitution to allow the state to issue bonds to pay for the construction of a new state capital building.

stitution. The proposal would reinstate the state's authority to issue revenue bonds or to anticipation certificates until June 30, 1975. The new constitution had not been adopted.

Ten Highlands Property Owners Receive Fish To Stock Ponds

Ten farmers and ranchers in Highlands County received fish to stock their ponds this week. The fish were made available to the Soil Conservation Service by the U. S. Fish and Wildlife Service, Welaka.

These fishponds were developed by the property owners as a part of their long range soil and water conservation plans. Some of these ponds serve a dual purpose. In addition to being a fishpond for relaxation and recreation they also serve as a supplemental water supply for irrigation.

The ponds presently stocked with the above fish will be stocked with bass in the Spring after these fish have spawned.

Properly managed fishponds produce up to 1,000

pounds of fish per acre if sized enough. Many make the mistake of not fishing the ponds heavily enough resulting in a lot of small fish being accumulated in the pond.

Fish normally should reach pan or a pound in one year. Ponds should be fertilized regularly the same as pasture and lawns because fertilizers create food for fish.

The Highlands Soil Conservation District has assisted over a 100 farm pond owners in stocking them with fish. Other interested property owners may contact the local Soil Conservation District office in the courthouse annex for assistance in signing or stocking fishponds if needed.

ACTOR DAVID MCCALLUM will speak at youth conference.

Local Girls Will Attend Youth Conference In Miami Beach

Becky Tumeck and Dianne Murphy of the Ridge Area Youth Association for Retarded Children will be a delegate to the 3rd Annual National Conference on Mental Retardation, at the Americana Hotel, Miami Beach, Florida, Oct. 9-12.

YOUTH-NARC, sponsor of the convention, has arranged for Mrs. Patricia Hill, Secretary of IHEW to be the keynote speaker.

YOUTH-NARC is a national organization of young people dedicated to volunteer service to the mentally retarded. Sponsored by the National Association for Retarded Children, YOUTH-NARC serves as friends of the retarded on a one-to-one basis, and work in recreation, socialization and public education programs.

20 YOUTH-NARC leaders will attend Conference workshops on such topics as "Moral Questions in the Prevention of Mental Retardation" conducted by Dr. Harold McPheters, Atlanta, Georgia; "The Inner-City Retardate" and "Legislation for a Better Environment" respectively presented over by Beatrice Pleson, Executive Director, Hartford, Connecticut Association for Retarded Children and Cynthia Surdavan, NARC Director of Governmental Affairs, Washington, D. C. and a training session for Special Olympics coaches run by Rafter Johnson, Olympic Decathlon champion, and a director of Special Olympics, Inc.

Actor David McCallum is YOUTH-NARC's national spokesman. Mr. McCallum's growing concern for the youth of America and his long time work and interest in the problems of Mental Retardation make this a happy one.

Mrs. Thiele urged all clubs to participate in a short "Family Life Program" at club meetings. Also, tours will be planned to promote the cultural arts, citizenship, and international affairs.

A rummage sale will be held by the council at the Tourist Club in Sebring, October 18. A gourmet luncheon was served by Venus clubwomen. Next council meeting will be held in Avon Park, November 18.

Extension Homemakers Meet at Venus

Highlands County Extension Homemakers Council met at the Venus Club for the September 22 meeting. Club members from Sebring, Avon Park, Lake Placid and Venus attended.

Devotions and flag salute led by Mrs. Paul Heritage stressing citizenship day and patriotism. Song, "America" led by Mrs. Robert Thompson.

Mrs. Albert Thiele, council president, gave a lengthy account of July State Extension Council meeting in Gainesville. Delegate, Mrs. Frank Goff, gave a talk on knowledgeable experience in attending meeting.

"Annual Area Short Course" being held in Dade City, October 9, will be attended by some of the club members. Miss Ellen Landfair, Home Economics Agent discussed making of lingerie. The council group voted to give a donation to the annual 4-H Bazaar. A motion picture resolution will be published in the newspaper in near future.

ROTARY CLUB NEWS

By DON SERDYNSKI
Vernon Lanier introduced George Douglas, Highlands County School Superintendent.

George reviewed the progress being made on development and construction of the new high school for the county.

Nine (9) architectural firms were considered for the construction of the new schools. From these, four were selected for consideration. After a study, including field trips to schools built by these firms, Watson and Company of Tampa, was selected to do the work. Two 40 acre sites have been selected—one in Avon Park, and one in Sebring. In November 1969, the specifications and school programs should be worked out and by January 1970, working drawings will be started. The school board hopes to have State approval by June 1970, and to let the contracts for construction in July 1970.

One of the greatest concerns of the board is the availability of labor for the construction of the buildings. This has been a problem in the past with firms coming into the county to do work.

Campers Assisted By Youth Association

Members of the newly formed Ridge Area Youth Association for Retarded Children report that recently observed and assisted a very special group of campers at Camp Wingmann.

The campers, residents of the Sunland Training Center in Ft. Myers, were enjoying a variety of activities during this 10th annual camping trip.

Each week for a period of three weeks, a new group of 125 handicapped children and youths were transported from the Ft. Myers Sunland for this event. Mrs. Loma Jacobs was in charge of the arrangements.

Approximately 20 members of the Ridge Area Youth Association visited the camp each Wednesday and Thursday evening during the three week period. On these particular evenings, dancing and talent shows were featured on the program.

Miss Becky Tumeck, president of the Ridge Area Youth Association for Retarded Children, said the members who attended these events were greatly impressed with the handicapped children.

New Restaurant

A new restaurant opened in Avon Park this past week under the name of Ralph's Restaurant and is located on US 27 North in the Starlite Building.

The new restaurant will specialize in short orders and sandwiches and in the near future they will have full course meals.

There will be a recreation room for youth with pinball machines, pool tables and music.

Girl Scout Training Session For Mothers Will Be Held Today

Thursday, Oct. 2, there will be a training session on the what, how, when and where of scouting. Starting at 8 A.M. and concluding at 3 P.M. This program will be held at the Florida Power Building on West Main Street.

A nursery will be provided for mothers of small children. Dot Fox, a volunteer Girl Scout worker from Lakeland, will be in charge of the meeting.

Mrs. Bob Barten, Mrs. Welch Fisher and Mrs. John Sechrist will also report on the Leesburg meeting attended by them last week. At Leesburg, the council members were brought up to date on what is happening in scouting today, in the local, state and national programs.

All Girl Scout leaders, assistant leaders, helpers, committee chairmen and anyone interested in scouting should attend this meeting. Each person will bring his own sandwich lunch. All Girl Scout Troops will begin their regular meetings this week.

Brownie Troop No. 67, will meet Wednesday with Mrs. Randolph Rewis, Mrs. Lewis Thompson, and Mrs. Charles Jordan. Brownie Troop No. 140 will meet Thursday with Mrs. Don

Serdynski and Mrs. Jean Swearing. Brownie Troop No. 143 will meet Monday with Mrs. Heston Watford and Mrs. Gary Roberts.

Junior Troop No. 206 will meet Thursday with Mrs. Hue Nunnallee, Mrs. Andy Miracle and Mrs. Leslie Crews.

Junior Troop No. 305 will meet Monday evening with Mrs. Carolyn Tomlinson and her assistant.

The Senior Troop will meet with Mrs. Lewis Mundi at a time to be announced. One new junior troop and one new cadette troop will hopefully be under way soon.

Shuffling
On Wednesday evening 32 folks lined up for the tournament. Doc McAlexander and Lloyd Young won in the main event. Ethel Kime and Bertha Brush were the runners-up. Grace Warner and Charles Brush were consolation winners over Jess Wilcox and Chris Cebaga.
On Saturday evening there were 84 courts in play with Toney Kerr and Charles Romilly winning the main event and Ralph and Mabel Crocker came in second. Consolation winners were Allene Howard and Dorothy Gruber over Sarah Kerr and Ella Roennberg.

Card Games
High scores in pinochle on Monday afternoon went to Henry Reddick and Otis Gibson with 645 and 632. Three tables were in play.
On Tuesday afternoon at 1:30 on October 7, bridge will start.

Dances
Just one square both Monday and Friday evenings. Just lacked one couple to make two squares. But it was a lot of fun for those attending.

Supper
Next Saturday, Oct. 4, the first supper of the season will be held. Arlene Lane asks you all to come and have a happy time.

Chit-Chat
Shella Wurster was released from Walker Memorial Hospital September 26. The Wursters made a hurried trip from Iowa, 1526 miles, so she could enter the hospital here. Ninety miles of the road they came on here in Florida is now closed, as three bridges were washed out on Highway 90.

Duke Christensen is in the hospital at Saint St. Marie, Mich.

William and Margaret Trapp spent two months in Gary, Ind., visiting their son and daughter. They are now home here in Avon Park.

Fred and Clara Robinson are home from their trip to

New York, where they visited their son and daughter in Gowand, N. Y. They were gone about two months. Laura Pickell fell and unfortunately has a broken hip. She is in Walker Memorial Hospital.
Gertrude Fensterman has just returned from a three week visit with her mother, Mrs. Louise M. Farthing in Buffalo, N. Y.

F. T. McGRANAHAN of Vero Beach camped at Lake Bonnet Campgrounds over the weekend and caught his breakfast. This string of five nice eating bass were caught on a purple worm. The Lake is high but they're still biting.

LUCILE DUTHIE

The residents of our Park are in for a pleasant surprise when they enter our recreation hall. The meeting room and kitchen both have been newly painted and the new drapes are at all the windows—all in readiness for our Fall and Winter activities. For those who enjoy horseshow pitching, a new court is in readiness for their pleasure. The shuffle court

has also taken on a new look with all the benches painted white. Mr. and Mrs. Emmitt Wright are to be congratulated for making our Park so inviting.

Mrs. Nils Sherman and guest, Mrs. Loma Kiser of Dundee, Mich., and Mrs. Rosa Bennington drove to Tampa recently where Mrs. Kiser boarded a plane for her home in Dundee.

We regret to report John Blesser, Lawrence, Mich., and a former resident of our Park as being a patient in the Veterans Hospital in Ann Arbor, Mich. John's address is "John Blesser, 6th floor East, Bed 28, Ann Arbor." Since John will be confined in the hospital for an indefinite time he would be happy to hear from all his friends.

Mrs. B. Tingle is spending some time with her son and daughter-in-law in Clearwater. She expects her grandson back from Vietnam in a very short time.

Mrs. Larue Longenecker spent the weekend with her son and family in Orlando. Gladys and Lucius Geib spent Friday, Sept. 26 in Crystal Beach visiting Zella and Ralph Muckley. The occasion was the birthdays of Ralph Muckley and Mrs. Geib. All enjoyed a very pleasant time. Mrs. Geib wishes to express her thanks to her many friends for the cards she received for the occasion. Mr. Geib also wants to thank everyone for cards and acts of kindness done to him during his recent illness.

With the cold weather creeping up on our Northern friends, their thoughts are turning southward. Some plan on coming the first week in October, others at various dates during October and November. We will be happy to have them all back (safely) in the Park.

Registration Closes October 3 For Punt, Pass, Kick Contest

Time is running out for Avon Park area boys to register in the Punt, Pass

Stiff Sentences Handed To Reckless Drivers

Two fines of \$150 each on traffic charges were the stiffest penalties meted out by County Judge's Court last week. Gayle Shelton of Frostproof, charged with driving while intoxicated, entered a no contest plea to the lesser charge of reckless driving and was fined \$150 or 60 days. Mabel Edna Hall of Avon Park charged with driving while intoxicated, pleaded no contest to a reckless driving charge, and was fined \$150 or 60 days.

Other traffic charges and penalties were Gloria Duckworth Wooten of Avon Park, improper turn, \$15 or five days; Robert Gerald Emerson of Lake Placid, disobeying stop sign, \$35 or 15 days; Willard Stanley Durrance of Sebring, unlawful speed, \$25 or 10 days.

Larry G. Bruner, who had been charged with trespassing and destruction of private property at Highlands School, was fined \$21 on the first count and ordered to make restitution to the extent of \$30 and court costs on the second. If no restitution is made, the penalty will be a 30 day jail sentence.

Roy Marshall of Sebring, charged with destruction of private property, was ordered to make restitution and pay a fine of \$25 or 15 days. If no restitution is made the fine is upped to \$150 or 60 days in jail.

Two Lake Placid women were ordered to pay toward hospital bills as a part of their penalty. Betty Jean Hills and Doris Love, each charged with aggravated assault, pleaded guilty to the reduced charge of assault and battery.

Each is to pay half of hospital costs and a fine of \$25 or 60 days; but if the hospital cost is not paid, the jail sentence will be for three months.

Patty Bulmore of Lake Placid pleaded guilty to two counts of assault and battery and was fined \$25 or 15 days on each.

Jack Richardson of Lake Placid was fined \$50 or 30 days for assault and battery.

Richard Charles Drossel of Avon Park was fined \$21 or 10 days for fishing without a license. Sammie McDonald of Lake Placid was fined \$25 or 15 days for attempting to take fur-bearing animals without a license.

and Kick Competition. This competition, now in its ninth year, is open to boys 8 through 13 and is absolutely free. They will be competing for 18 handsome aluminum trophies to be awarded during the local competitions which are sponsored by Avon Park Motor Co.

Contestants will be competing against boys in their own age group in three football skills—punting, passing and kicking. Gold trophies will be awarded to the first place winners of each age group, silver to the second place winners, and bronze to the third place winners. There is no body contact and participating does not affect a boy's amateur standing.

Registration closes October 3, so all boys 8 through 13 are urged to go with their mom, dad or legal guardian to registration headquarters at Avon Park.

Everything is free and each boy gets a copy of the PP&K Tips Book which contains stories and tips by Don Merced and Mike Clark of the Dallas Cowboys and Billy Littlejohn of the Atlanta Falcons, and an introduction by Don Shula, the coach of the Baltimore Colts.

The local competition is scheduled to be held at Memorial Field on Monday, Oct. 6, at 5:45 P.M. Local first place winners then go on to Zone and then, possibly, District, Area, Division and National competitions where they compete for more trophies.

Also, all District winners go with their parents to Area competitions held in NFL team stadiums. The 12 National finalists compete during half-time in the annual NFL Play-Off Game in the Orange Bowl in Miami. They and the Air Space Museum.

Punt, Pass & Kick is a nationwide program that is sponsored nationally by Ford Dealers and the National Football League.

CARD OF THANKS
I wish to take this method to say thanks to the Walker Memorial Hospital and its staff for their unselfish care, while I was a patient there. Further, I wish to thank the hundreds of friends who sent good wishes by card, flowers, letters, telegrams, and telephone.

BOTTOMS UP—A practice run for the annual boat races will be held October 12, 1-5 P.M. at Lake Tulane. This annual event is sponsored by the Avon Park Fire Department.

Firemen Plan Big Celebration Fire Week

In conjunction with Fire Prevention Week October 5-11, the Avon Park Fire Dept. will again sponsor a Fish Fry-Boat Races and the annual Miss Flame Contest.

Assistant Fire Chief Mac Flowers, said that the Firemen expects a bigger turn out than ever before.

Fish Fry will be held October 11, at Donakson Park from 5-7 P.M. Donation of \$1.00 per plate.

Boat races will be held Sunday, October 12, 1-5 P.M. at Lake Tulane. Drivers from all over the state of Florida and the Southern States have registered for competition. Consolation stand will be open all day.

This year the Annual Miss Flame Contest will be held a week later on October 18 at 8 P.M. at the High School auditorium.

The reigning Miss Flame, Miss Becky Tomek, daughter of Mr. and Mrs. Ed Tomek, reports that approximately 25 girls have entered the race for the title of Miss Flame.

The Paper Company Buys \$77,700 In County Wood

St. Regis Paper Company bought some \$77,700 worth of wood grown in Highlands County during 1968 for its kraft paper mill in Jacksonville.

Most of this wood purchased in Highlands County is handled through local wood suppliers who are independent businessmen shipping wood to St. Regis.

According to figures compiled recently, St. Regis bought some \$8.4 million worth of wood in 56 counties in Florida where the company owns or controls 65,000 acres of forested land.

Landowners and tree farmers may secure forest management counsel at no charge from St. Regis foresters or wood suppliers shipping wood to St. Regis, a spokesman said.

The company manages some 1.8 million acres of woodlands in Alabama, Florida, Georgia, Louisiana and Mississippi. Though St. Regis is a large landowner, the company depends on other private landowners and tree farmers to supply more than half of the wood used by its three southern kraft mills.

This wood is made into more than 5,000 consumer products, ranging from paper to lumber to perfume, with some of these products manufactured by St. Regis and some of them by other companies.

At least 14 different 3 cent stamps have been issued, all using Washington's picture.

The United States paid 2 cents per acre for Alaska, 3 1/2 cents per acre for the Louisiana Purchase, 27 cents per acre for the Philippines, and \$294.70 per acre for the Virgin Islands.
