Fellowship GA Girls Visit Bok Tower

Twelve GA girls from Fellowship Baptist Church accompanied by their sponsors, Jeanette Roan and Faye Avery, spent a pleasant afternoon at Bok Tower Saturday, Nov. 21. Along with the girls and their sponsors were two guests, Carol Jenkins and Laveria Patterson. After eating a picnic lunch at the recreation area of the Singing Tower, the girls went sightseeing. On their return home they stopped over at Spook Hill. After this day of excitement, all of them were very tired.

They were not too tired, however, to pass out Thanksgiving baskets on Wednesday night, Nov. 25. Instead of staying home and relaxing on this first night of Thanksgiving, the girls went to the Bok Tower.

After all these activities the normal person would not wish to stir out of the house but these dedicated girls spent their Friday night, cleaning up the church building itself. For refreshments they had popcorn and hot chocolate.

Devils Defeat Blue Streaks 33-8 Wednesday

The Avon Park Red Devil football team completely outclassed the Sebring Blue Streaks last Wednesday night in the annual Thanksgiving Eve game held here at Memorial Stadium. They handed the Streaks a 33-8 defeat before a crowd of chilled fans.

It was the fifth straight win for the Red Devils who finished the season with a 4-1 record after losing the first three games on the schedule. The Sebring team finished out the year with a record of four wins and six losses. In addition to giving the Devils a winning season, the victory over Sebring also gave Avon Park the Highlands County Championship since they also defeated the Lake Placid Green Gragons.

Thirteen seniors were on hand to aid in the defeat of the Blue Streaks last week and two other seniors were not able to play in the final game. End Mike Smith was out with an injury and defensive back Dennis Hart was not eligible for the final games.

Both boys contributed to the success of the team however, and will be missed from next year's squad. The other seniors who accounted so well for themselves as they came back from a dismal start to finish strong were: center Ricky Dick, tackle Danny Albright, guards Don DeLacey and Mike Ribner, ends Joe Franks and Clark Jackson, and backs Walter Nunnallee, Frank Davis, Steve Hart, Doyle Boyd, Freddy Johns, Greg Albright and Jim Magesheimer.

Again last week, the strong running game of the Devils was the key to the win as the offensive evenly rushed 231 yards to push the Streaks. The Devil defense also was tough on the ground as they held Sebring to a meager 18 yards of rushing in the second half and gave up only 28 yards for the game on the ground.

The Streaks also completed only four passes for a total of 69 yards with most of that yardage coming on two completions that accounted for the only Sebring score of the game and the third completion that gave them the two point conversion.

The right side of the Avon Park offensive line was especially tough as seniors Donnie DeLacey at guard and Danny Albright at tackle teamed up with center Ricky Dick to open holes for the running backs to slip through all evening.

Playing in the first really chilly weather of the season, the Devils had trouble on the opening kick-off and fumbled the ball after a return to the Avon Park 45-yard line where Sebring recovered and drove to the 15 with the aid of a Devil 15 yard penalty. But on a second down, 10 still needed, Sebring quarterback David Hines passed deep into the Avon Park end zone and defensive safety back, Don Sismore came up with an interception to kill the drive and give the Devils possession on their own 20 yard marker.

Avon Park's first score came late in the first period after a Devil defensive player had recovered a Sebring fumble on the Sebring 32 yard line. Sismore sneaked for two yards, Nunnallee picked up two more, and then Steve Hart burst through off right tackle and showed his heels to the Sebring secondary as the hard-driving senior dashed for the 20 yard scoring run.

Early in the second period, on Avon Park's next possession, the Devils drove in for a second TD from their own 30 yard line. The drive included 20 yards worth of penalties against the Devils which meant they actually moved the ball 80 yards to score. One pass was completed in the drive, a 10 yard gain from Sismore to Nunnallee. Sismore had 43 yards of rushing in the drive as he found the quarterback snafu play going well against the Sebring defense.

But the final TD run came on a sweep around left end by scamper-back Frank Davis from 18 yards out. The try for the extra point was a pass that was no good setting the score at 14-0. Sebring had the ball twice in the second quarter but was unable to move for even one first down and Avon Park drove to the Blue Streak eight yard line late in the second period only to lose possession on a fumble back to the 17 yard line. The half ended with Avon Park in possession near the 30 yard line.

After an outstanding halftime show by both bands, the Devils came back to kick off to the Streaks. Three running plays netted Sebring no yardage at all and Ronnie Handley punted 35 yards to the Devil 30 yard line. From that point, Avon Park mounted another drive that culminated in the third TD for the Devils.

The Devil Red Devil offense ground out the 70 yards with short gains. Halfback Steve Hart accounted for 40 yards of the 70 and he also got credit for

the touchdown as he powered through the middle for the final three yards. This time Sismore's kick for the point after was good putting Avon Park out front 21-0.

Midway in the third quarter, the Sebring team got on the scoreboard with a couple of long passes in the final quarter. Avon Park High School will be cooperating with the T.B. Association collecting funds in front of the downtown. Pam Tride and Kwik Check.

This is one of the many service projects that the Keyettes have participated in this year. Support your T.B. Association. You'll be glad you did.

It Was A Safe Holiday In Avon Park

Although the nation as a whole reported approximately 600 deaths and Florida reported 10 deaths in the entire state, Avon Park is proud to announce that with all the traffic and extra visitors in the City, there was not one report of an accident to this Chief of Police, Earl Gordon, said, "he was proud of this record as there was plenty of traffic but care was taken and good driving practice was evident, only a few speeders had to be arrested. For over a 100 hour weekend on a holiday this is a fine record."

Those arrested for unlawful speeding and ordered to appear in court were Arlan Gifford, Clyde Fry, Jr., and Kenneth Smith, all of Avon Park. Others on various charges were Emory Subbs, Avon Park, operating under the influence of a alcoholic beverages; Kelly Shelton, Scottsboro, Ala., public drunk; Edward Deaton, Avon Park, improper start from a parked position, and Johnny Boud, Tampa, public drunk.

Smoking Says: During Thanksgiving vacation 20 Cadette Girl Scouts, selected from the seventh, eighth and ninth grade Girl Scouts in a five council area, under the leadership of Mrs. and Mrs. Tom Montova of Auburndale, packed packed on the Florida Trail.

The girls carried all personal gear, tentage, food and equipment for the entire trip. The girls hiked from 8 to 10 miles each day, along the Suwannee River section of the Trail. Each night after supper they enjoyed fellowship around the campfires.

Mrs. Bobbi Newton, daughter of Mr. and Mrs. Welch Fisher was one of the four girls selected to lead from the Heart of Florida Council.

Episcopal Church Women To Have Luncheon at Ostling Home

The Episcopal Church Women of Avon Park will meet for the regular monthly meeting on Wednesday, Dec. 9, at the mid-week communion service.

For this week only, the service will be at 10 A.M. Members will drive out to the home of Mrs. Burton Ostling, Pinercrest, for the Christmas covered dish luncheon. Members are asked to bring a dish to pass and their own table service.

Mrs. Ostling is preparing a Christmas program, which will come after lunch. Members will not want to miss this, her programs are always so delightful.

This will be the last meeting in 1970, and it is hoped all members will make a special effort to attend.

The church school staff will meet on Monday, Dec. 7 at 8 P.M. in the parish of St. John's. Inquirers' Class meets Tuesdays now at 8 P.M. in the office.

The Vestry meets Wednesday, Dec. 9, at 8 P.M. in the office. The Wednesday service on December 9 will be set back to 10 A.M. because of the Advent luncheon meeting following at the home of Mrs. B. C. Ostling.

LOCAL CLERGY MEETS MON. DEC. 7 The December meeting of the Avon Park Ministerial Association will be at Grifflin's for lunch at noon, Monday, Dec. 7. Important business.

Let's Love In Deed

Love is the only word we all agree on, no more. Hippies and preachers proclaim through, "Love one another" while all of us in between repeat the chant, "Love one another."

The sentiment is so popular that in Dallas, Texas, "Love one another" is the wrap-up word for a television show.

"What the word needs now is love, sweet love." We all agree "That's the only thing that's the just to little of."

Television has shown us, week after week, what it means to have "Love, American Style" and even "Love on a Rooftop."

A novel picture for us now "The Love Machine." A current movie studies "Lovers and Other Strangers."

And these are just titles. Love is the declared topic of popular plays from "Beard" to "Hair."

What is Love? It seems the majority of our entertainment today is a portrayal of love.

So there's really no excuse for not knowing how to "love one another," is there?

Unfortunately, there is. Almost nobody today knows how to love. And these entertainments have never given help him. See they have explained, yes. Doctors Johnson and Masters have made sex into a test-book science but, at least, they haven't confused sex with love. Love is not sex, but to anyone, it is a three-letter word.

"Love" is, indeed, the only word we give all for but we don't agree what "love" means.

Love is the willingness to give, not to get. The true measure of love is the measure of my willingness to give.

Up to the final line, that exchange nearly illustrates what love is, as defined by man's most knowledgeable book on love, the Bible. Paraphrasing, the Bible says, "We know love by the actions of Jesus, who gave His life for us. We ought also to give our lives for our brothers."

Employees of Post Office Decorate For Holiday Season

The employees of the Avon Park Post Office have decorated their post office in keeping with the holiday season. We hope the festive decorations will remind everyone that the Christmas season will soon be with us.

Postmaster R. D. Young has some special ideas about how Christmas can be made merrier for all the postal patrons.

Visit the post office early while the crowds are still

small. Buy all the extra stamps you'll need. Each year some late comers are disappointed when the stock of Christmas stamps are sold out, but because of the special nature of this issue when we sell out our allotment there is no way to get additional stamps. Right now there is plenty for everyone.

Wrap your packages neatly and well. A loose piece of wrapping may get caught and

rip. Pad your gifts se-

curely so there is no rattling and there is sufficient support for other packages. The sack carrying your glass cup may have two or three bowling balls riding on top of it. A card or piece of paper inside the package carrying your name and address and that of the person to whom the parcel is addressed will insure delivery in case the wrapping comes loose.

Remember, all greeting cards must carry first class

(6c) postage and all will be afforded first class treatment.

Always write or print addresses carefully and use ZIP Code in both mailing and return addresses.

Have a merrier Christmas by mailing early.

The supper dishes often are done on the installment plan-between TV commercials.

Biggs Selected For Membership In Kemper Club

In recognition of excellence in insurance, sales and service, Hubbard Biggs of Hubbard Biggs Agency, at 704 Highway 27, North, has again been selected for membership in the Kemper Insurance President's Club.

M. D. Buford, executive vice president of the Kemper Insurance Group, extended the membership and stated that "The outstanding job which you are doing for your

policyholders must surely be a source of pride to you. We want you to know that your friends in the Kemper Organization are deeply appreciative of what you have done."

The President's Club is the highest accolade by the Chicago-based Kemper Organization for outstanding sales and service accomplishments.

Biggs also attained membership during the year 1969.

Southland Trailer Court News

By BESSIE PAXTON
Mrs. Verne Benson of Sioux Narrows, Ont. is visiting her aunt, Alta Robinson and other relatives in Avon Park. She is enjoying our weather and thinks it's much better than Canada, but will return home December 4.

Elwood Stroupe arrived in the park Wednesday from his home in Ohio and will spend the winter here. His son-in-

Nine shuffled Friday afternoon in the parking lot of Rev. Hutcheson and Dorcas Young won over Christine Snyder with a score of 155 to 81.

Harriett Meisel has been in the Memorial for a week. Monday she will have a portion of a needle removed from her foot from which she has been suffering for several weeks. She is in room 201.

Sgt. and Mrs. David E. Watkins, son, Lewis Clark, and little daughter, Jeannie Marie, spent Thanksgiving vacation with his grandmother, Louise Garrison. They left Sunday for their home in Jacksonville where Sgt. Watkins is serving in the Marines.

George Monks remains about the same. His daughter, a at his bedside. Mr. and Mrs. Reave Wandover from Bradford, Pa. have purchased a mobile home from Winnie and Russell Lumpkin and will move in this week.

The Lumpkins have purchased a mobile home in the Riverfront Trailer Park at Tavares. Their address will be 120 Park Drive.

Ben Henningham will be leaving Walker Memorial soon and will be staying with Mrs. Ruth Stoddard, 117 S. Highlands Ave. for awhile.

We are glad Ben can leave the hospital and be with these friends. He wants to thank folks in the park for all the little kindnesses shown him during his illness.

Especially does he want to thank Byron Jeremy who has helped him with the many chores that must be taken care of. We would not forget to mention Bee Jeremy who has done so much to make him more comfortable.

Also one can see Omer and Leslie Snyder with wrenches and hammers replacing Ben's furnace pipes. Also one can see tree pruners, ladders and good material being used by the Snyders.

Ben's "Thanks" to each and every one.

The Jim Ritchies visited their son at Ft. Myers over Thanksgiving holidays.

Tim Everett Kniters arrived in the park Sunday morning from their home in Westfield, N. Y. They left cold weather in New York, but found a warm welcome here Sunday.

Friendly greetings were exchanged at noon Thursday as 45 guests came to the hall for the annual Thanksgiving dinner.

We had only to look about and see the lovely decorations of colored leaves and strutting turkeys to remind us it was Thanksgiving day.

Tim Everett Kniters who is trying his ability at school in art brought several of decorations. As the clock struck 12, the serving table laden with food, Rev. Hutcheson called to mind the first American Thanksgiving observed by our Pilgrim fathers 350 years ago. He reminded us of the sincere thankfulness they felt after a previous winter of suffering and starvation. He said "Let us not forget the faith, the courage, the hope and the determination they had to establish for themselves a new home in a new world."

Several guests were present. Louise Garrison introduced her grandson and wife, Sgt. and Mrs. David E. Watkins and their young son, Lewis Clark. The Josephs introduced their cousin, Russell, of Brooklyn, N. Y. Elwood Stroupe introduced his son-in-law, Alton Lumpkin, of Xenia, Ohio.

Betty Peterson, general chairman, thanked Golda Daun, chairman of the dinner preparation and her many helpers for their service this Thanksgiving day. Those in charge carried dinners to three of our park members who are ill. We were invited to return at 5 P.M. for supper. Fifty-six came to finish the day's festivities of eating. Evening guests were little Miss Jeannie Marie Watkins and her mama.

Mrs. Lois Tylar and daughter, Kay, of Tallahassee called on Ann Anthony Friday afternoon.

Alta Robinson and her niece, Vernice Benson, had Thanksgiving dinner with Mr. and Mrs. Keith Debo on Highland Ave. Twelve people enjoyed the hospitality of the Debos.

The Davidsons visited friends at Hammock Trailer Park at Sebring on Sunday.

Marvin and Hannah Tebo returned home Saturday after spending Thanksgiving holidays with friends at Allendale. Also the Perrells returned home Monday after spending the holidays with relatives at Miami Springs.

Latest news about Ben Henningham is he will have surgery Wednesday to correct a hernia. This will keep him in the hospital several days longer.

Sgt. Lipscomb Receives Army Medal

Sgt. James P. Lipscomb, 22, whose mother, Mrs. Dorothy F. Walker, lives in Lake Placid, recently received the Army Commendation Medal while serving with the 13th Support Brigade at Ft. Hood, Tex.

Sgt. Lipscomb earned the award for meritorious service during his last assignment with the U. S. Army Depot, Long Binh, Vietnam. Sgt. Lipscomb is presently serving as a re-enlistment noncommissioned officer in the 56th Repair Parts Company of the Brigade's 533rd Supply and Service Battalion at Fort Lee. He entered the army in May 1968.

The Sergeant's father, William R. Lipscomb, lives on Route 3, Avon Park. His wife, Gail, lives in Kilbuck, Tex.

Jaycees To Sponsor Kids Party

The Jaycees in Highlands County are combining their efforts this year to sponsor a Christmas party December 22 for 200 underprivileged youngsters in Highlands County, according to Ernie Norris, co-ordinator of the event.

The party will be held at 2 P.M. at Holiday Inn for the youngsters whose names will be obtained from the County Welfare department. Each youngster will receive a personal gift, wrapped up in his or her name on it.

"We'll have youngsters ages six to 12 from Avon Park, Sebring and Lake Placid," said Norris. "They'll be taken by school bus to Holiday Inn where the Inn will have a dinner served to each one, plus fruit and Christmas stockings. Entertainment will also be provided by the Inn with some coming from Miami and West Palm Beach."

Miracles Visit Parents On Thanksgiving

Mr. and Mrs. Andy Miracle, Jr. of Gainesville were in for Thanksgiving to visit their parents, Mr. and Mrs. Andy Miracle, and Mrs. Earl Dunavent.

Also home to enjoy the holiday season was Bill Miracle, who is an admissions counselor at the University of Georgia, Athens, Ga. It's a rare occasion when both brothers got home at the same time.

Enjoying the Thanksgiving dinner with the families were Mr. and Mrs. Art Dunavent of Leesburg, Ind., who are spending the Winter months in Avon Park. Art Dunavent and Earl Dunavent are brothers.

There seems to be no race or tribe of humans on earth, whose members do not use paint or grease, or oil of some sort, for bodily decoration.

Sympathy was running high as traffic slowed up at Bill's corner, Wednesday — Nov. 24, about 5:30 P.M. In fact some cars stopped and the occupants got out and came over to the scene of action. Some looked as though they were sorry they had stopped. "Blood" was running freely from faces, arms and legs. Clothes were a shamble and burns were evident on several bodies of teenagers. Groans and cries from the injured brought tears to the eyes of some of the on-lookers.

A big masculine hand was placed on the shoulder of one of the victims as the man said, "Son, what in the world happened? I never saw so many broken bones and 'blood' in my life, and he was right. There were compound fractures of hands, elbows, arms and legs. One young man was groaning because of a broken back. And two young ladies who had been placed on the floor of the Red Cross station wagon would not be pronounced 'dead on arrival' when they reached the hospital.

Officer Glen Hartfield of the Highlands County Sheriff's office was helping to sort out the victims. He placed two in the back seat of the squad car and then hastened to help The Ridge Ambulance Service as they loaded the most serious victims.

The crowd of curiosity seekers was increasing and the business at the grocery store at Bill's Corner may — or may not — have been enhanced. The victims were finally loaded in the Sheriff's car, the ambulance, the Red Cross station wagon and several private cars.

The Sheriff started the siren, and prepared to lead the carload of victims. This was the disaster drill sponsored by Walker Memorial Hospital. A truck, carrying radioactive material was supposed to have collided with several cars at this corner, injuring 16 people.

A bystander asked Mrs. Kay Dunnaway, co-ordinator of the disaster drill, why was all this necessary? "The answer was 'We did not do this to frighten the public or call attention to the hospital, but it is very important that we know how efficiently Walker Memorial can function in case of real disaster and one could very well happen.' The man replied 'You're right! It makes a person feel better to know somebody's prepared for this sort of thing.'

Upon arriving at the hospital the Deputy Sheriff blocked off traffic on Highway 27, to allow victims to be brought to the designated entrance of the hospital. Since this was a nuclear disaster drill the regular emergency entrance was sealed off and well guarded by security guard, and all the victims were processed through the physical therapy department.

Mrs. Elmer Davis, director of nurses, with her staff, put into practice what had been learned in civil defense classes. Each patient was checked for radioactivity and those who were contaminated had to be processed for decontamination. After this procedure Doctors Larsen and Hartwell, both of the WMH Medical Staff, determined if the patient should be taken to first aid, surgery, or be admitted for observation.

Watching this procedure one could hardly believe that only a few minutes before, Sheriff Hartfield had called the hospital to report the disaster and inform them that radioactive victims were being brought in. This meant that WMH switchboard operator went into immediate action. Givins his call priority the notified George Walper, Administrator; Dan Sanderford, Assistant Administrator; Mrs. Elmer Davis, Director of Nurses.

They immediately checked the

number of personnel on duty, and began calling employees back into service that had gone off duty at 5:00 P.M.

In minutes decontamination heads and a substantial number of their staff were on duty. From the way some of them were dressed it looked like a "come as you are" party. But there was a disaster reoriented and their appearance most likely due to the exercise.

It would be impossible to give credit, by name, to all who participated in this very important exercise. Dan Sanderford, who directed the drill; and Mrs. Kay Dunnaway, who co-ordinated the exercise. "We have had the finest co-operation from everyone," the Sheriff's department did a fine job as always.

Officer Wayne Harris came over several days in advance and viewed very helpful in laying the plans for the drill. Mr. Lee and Mrs. Light from the Ridge Ambulance Service did a very professional job. They donated their time and service for this very worthwhile endeavor.

Mrs. Florence Peach, of The American Red Cross directed the makeup job with the assistance of Mrs. Carolyn Martin, R.N., Mrs. Shirley Smith, L.P.N., and Mrs. Virginia Smith, L.P.N.

At George Walper, Administrator was observing the drill from various vantage points he stepped outside — on the lake side of the hospital — and noticed that the sound truck of Radio Station WSEB, of Sebring was on hand to cover the action.

The cold wind from the lake didn't prevent station manager Guy Erway, and Mary Gaul, announcer, from getting the story they had come to cover. Mr. Walper expressed his appreciation to WSEB who has been very cooperative with WMH in every way.

Mr. Walper's expression of appreciation also went to the Sheriff's department, Ridge Ambulance Service, Highlands County Civil Defense Department, who furnished the radioactive material used in the exercise. The Red Cross, The Avon Park Sun, who had three photographers covering the story.

Mrs. Eloise Sharpe, Mrs. Ann Carter and Lou Miller worked tirelessly at all vantage points of the drill. A big compliment went to the students of Highlands Junior Academy for the fine job they did. The principal, Mr. Flach and a teacher, Mr. David Waller are to be commended for their choice of youth and for motivating them to participate in this important drill.

After the exercise was over, everyone who participated went to the dining rooms of WMH for refreshments served by Mrs. Gene Hulson, Food Director.

Opinions were given as to how successful the drill had been. The week ending today was discussed as well as the strong ones. Dan Sanderford, director of the drill was quoted as saying "This has been a concentrated effort to test our qualifications. I hope we never have a disaster, but if we ever do we'll know more how to proceed in the saving of lives, and to everyone else who helped Walker Memorial to be better prepared to do our duty toward mankind."

Mrs. Charlotte Thompson and her sister and husband, Mr. and Mrs. Walter Duffy from Lake Wales returned home from a two day trip to Ft. Myers last week. They visited and enjoyed their Thanksgiving dinner in Clearwater enroute home.

Mr. and Mrs. Charles Balding were visitors in Winter Haven last Monday.

Mr. and Mrs. Donald Schlen from Brandon and her mother, Mrs. A. Peepers from Colorado were visitors here recently to the home of his parents, Mr. and Mrs. John Schoen.

Mr. and Mrs. Jack M. Calvert and children, Kevin and Kathy from Longwood were the Thanksgiving day dinner and overnight guests of his parents, Mr. and Mrs. Paul J. Calvert.

The annual meeting and election of officers for the Board of Governors of the Avon Park Lakes Association will be held at the club house on Monday, Dec. 7 at 7:30 P.M.

Mr. and Mrs. Archie Leigh and Mrs. David Waldron were the dinner guests of Mr. and Mrs. Wayne Weiker on Thanksgiving day.

Mr. and Mrs. Robert McCallum returned recently from Rochester, N. Y. where they spent the past six months.

Mr. and Mrs. Cyril Behrman entertained at a Thanksgiving dinner at their home for Mr. and Mrs. Clifford Schmid.

Mr. and Mrs. Raymond Peterson have moved into their new home on Lake Isis recently.

The annual Christmas party will be given at the club house on Thursday, Dec. 17, at 7:30 P.M. with the exchange of gifts not over \$50. The ladies will get a gift for a lady and the men for a man. The regular pot luck dinner will not be held this month.

Mr. and Mrs. George Tryon from Miami left Sunday afternoon after spending the Thanksgiving holiday with his brother and sister-in-law, Mr. and Mrs. Ed Tryon.

Ladies, remember to come to the coffee at the club house on Tuesday morning, Dec. 8 from 10 A.M. to noon. The officers of the Woman's Group will be looking for you.

Post Office Prepares For Christmas

The post office doesn't stop playing Santa for all the people, but they do ask for some co-operation from the local residents.

Robert Young, postmaster, reminds the residents that not only to mail early but mail early in the day as this does tend to help to move the mail faster.

Use your Zip Code on all mail as the package mailing rate is determined by the Zip Code number and also the designation of your Christmas cards.

The post office is all decorated and ready to accept your mail in the spirit of Christmas.

Lines at the parcel windows will be much shorter and will move faster if every one prints clearly and use Zip Codes on all parcels.

But be assured that your parcels and mail will reach their destination if you will cooperate and mail early and prepare them properly in the meantime happy shopping and happy holiday season.

Heart Beats
The rate of the heart beat is partly related to the size of the body, ranging from as low as 25 beats per minute in horses to 500 per minute in mice.

Walkers on Friday and left Monday morning by plane from Tampa to return to their home in Louisville, Ky.

Mr. and Mrs. W. T. Haines and Mr. and Mrs. Edgar Benson visited Mr. and Mrs. Walter Meyer in Winter Haven.

Mr. and Mrs. Frank Alley returned home Sunday from Miami where they spent the Thanksgiving holiday with his daughters and husbands, Mr. and Mrs. Dan Boedeker and Mr. and Mrs. Joseph Kennedy.

Mr. and Mrs. Paul J. Calvert were visitors in Orlando last Tuesday and enjoyed dinner with their son and family before returning home.

Red Cross Appeals For Pakistan Funds

A nationwide appeal for funds to provide life-giving help for three million Pakistan victims of the worst disaster in world history has been launched by the American Red Cross.

Florence L. Peach, Executive Secretary of the Highlands County Chapter of the American Red Cross reminds contributors that such contributions made through the American Red Cross and marked for "Pakistan Relief," are tax deductible.

How does our Ford Team save you money?

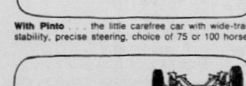

Here are six Better Ideas to tell you how.

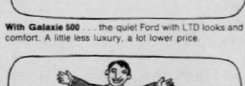

With Pinto... the little car that's big on wide-track stability, precise steering, choice of 75 or 100 horses.

With Galaxie 500... the quiet Ford with LTD looks and comfort. A little less luxury, a lot lower price.

With Ford Pickups... Ford's F-100 with Twin-I-Beam front suspension works like a truck, rides like a car.

With Used Cars... new Fords bring us so many trades, our Ford Team can offer you a great selection.

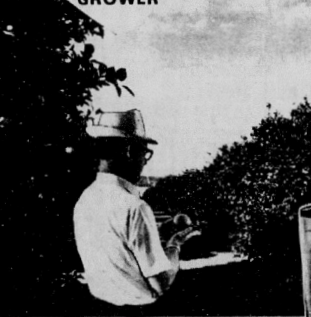

With Service... our Ford Team offers factory-trained mechanics, right equipment, right parts, right away.

Meet the Ford Team... we back up our cars. We know Fords and we'll play ball to keep you happy with yours.

LEWIS LLEWELLYN

Will Israel Be Attacked?

What will happen next in the tense Middle East?

Is there any real hope for a negotiated settlement of the crisis?

"History teaches us," said Abba Eban, Israel's ambassador to the United Nations. "That men and nations behave wisely, once they have exhausted all other alternatives."

His view is that Egypt has pretty well exhausted the alternatives and will have to recognize that it must accept the fact that the nation of Israel exists and must be dealt with.

Asked about the possibility of direct Russian military intervention against Israel, he replied that Russia was obviously interested in establishing its power in the Mediterranean area, but he did not see this as an indication that she was interested in invading Israel directly.

The distinguished ambassador is, no doubt, gauging Russia's intentions on the basis of information available to him from both public and confidential sources, but he may have overlooked one source which has proved to be highly accurate and dependable.

Armageddon Near?

The Bible tells us that Russia will attack Israel—with a vast army and with many allies. It also tells us the motive for the predicted attack.

The Bible says, "Thus saith the Lord God, 'Thou shalt say, 'I will go to the land of Egypt, to take a rest, and to take prey—I will turn there and will take prey—the desolate places that are now inhabited and upon the people that are gathered out of all nations. Thou shalt come as a cloud against My people Israel, as a cloud to cover the land. It shall be in the latter days.'"

The result of the battle is also prophesied. Israel will suffer enormous casualties at the hand of Russia and her allies, but her enemies will be destroyed in the great battle known as the battle of Armageddon.

Not long ago, when I was appearing on a radio interview program, the man who conducted the program told me that he had had a number of telephone calls from people asking whether the battle of Armageddon was coming soon.

"Is the battle of Armageddon near?" he asked me. "Will it come before Russia's attacking Israel, with the United States going in to support Israel?"

The answer is this: The Scriptures do not tell us when this great battle will occur. It is clear that Russia will fight against Israel, but I know of no indication that the United States will be involved.

History Rewrites

Some of Russia's allies are mentioned, including Libya, which is already in the Red-oriented group, but also including some which are not now allied with Russia—such as India, which has recently been mentioned in the Bible. It is interesting to note that the Bible also mentions the desolate places that are now inhabited and upon the people that are gathered out of all nations. Thou shalt come as a cloud against My people Israel, as a cloud to cover the land.

Auto Casualties

70 Times Higher Than Vietnam

Have you every stopped to think why your insurance rates are so high and why they keep going higher?

During the first six months of 1970, American casualties on highways were 70 times as many as there were in the war in Vietnam during the same time.

Between January and the end of June of this year, The Insurance Information Institute estimates that more than one and three-quarters million persons were killed or injured in traffic accidents.

Traffic accidents reported for the first half of the year across the country, was almost seven million, which is an increase nearly nine percent over last year.

Americans killed or wounded in Indochina during the same period, reported by the Defense Department were 24,882.

A staggering seven and a half billion dollars was the total economic loss from highway accidents between January 1st and June 30th. This is an some \$68-million over the first half of 1969.

And still we wonder.

The recent award makes a total of four awards which Information Services has received in the last five years.

Little League Association Meets Tuesday

The Avon Park Little League held an organizational meeting at the City Hall Tuesday night. Among matters of business discussed were the remodeling of the concession stand, new restrooms, additional bleachers and possible location of another playing field.

It was suggested that special All Star uniforms be purchased next year for use by the boys chosen to represent Avon Park in District Tournament.

All officers were re-elected. Darrell Martin will be serving his third term as president; Alton Elder was re-elected vice-president; Malcolm Crews, secretary; Leon Delaney, treasurer; and Tom Anderson is to serve again as chief umpire. J. T. Landress was asked to be in charge of securing sponsors for Minor League and Little League teams.

There were 12 officers, coaches and umpires present for this meeting. Another meeting will be held in February with the parents of boys who will be playing Minor League next year.

Park Academy's fifth grade students went on a field trip December 1 to Busch Gardens.

The students rode on the monorail and enjoyed a visit with the animals at Boma. They also visited the Swiss House and saw the exciting bird show. Then the students visited the Dwarf Village and souvenir shop to take home mementos of the field trip.

All the children of Park Academy were on the trip except Dexter Ostling, who was sick.

Chaperones enjoying this field trip with the students were, Mrs. Louise Gregg, teacher, Mrs. Mark Ostling, Mrs. Joanne Hartt, Mrs. Allie Cain, Mrs. Nell Roberts, and Mrs. Kylene Thompson.

Bureau of Alcoholic Rehabilitation

alco topics

By John A. Williams

Editor, Information Services

Excessive drinking is complex when it's narrowed down to causes.

So, it follows, that treatment must also be complex.

The Bureau of Alcoholic Rehabilitation does not judge the success of its psychosocial approach to the problem drinker by the number of Florida's 180,000 alcoholics who eventually wind up in treatment.

It's what they do after treatment that is the true measure of success of any treatment program, no matter what approach is taken.

The goal of any treatment program for the alcoholic is to prepare the person for return to productive employment and a good adjustment to every-day living.

A continuing education program for both professional and lay citizens is the most essential part of any community effort to bring many agencies together that in one way or the other are in the business of treating the problem drinker.

The Bureau of Alcoholic Rehabilitation has what we think is a good working program to aid in rehabilitating Florida's some 180,000 alcoholics.

It works closely with all organizations in dealing with the addiction problem of alcohol and other drugs. This includes medical, psychiatric, psycho-drama, small and large group treatment, and experiments with all women groups as well as dealing with the problem on a family basis.

And let's not forget Community Services which seek to aid the alcoholic once he returns to his home community and even give the encouragement to have the alcoholic treated in his home community so he or she will not have to be from family, job or friends.

It is done through County Health Centers, Mental Health Clinics, and Halfway Houses throughout the state.

The alcoholic is a lonely person. He needs to be confronted honestly with his problem until he is not afraid to admit to it and feel comfortable among others without his alcoholic crutch.

All this takes time, forbearance and more often than not much sympathy — as long as it is not the type of sympathy that gives him an excuse to continue in his drinking pattern.

And as with all problems facing today's upright society it takes government, public and private funds.

For further information on the illness of alcoholism, write to the Bureau of Alcoholic Rehabilitation, P. O. Box 1147, Avon Park, Fla. 33825.

We are ready and willing to help wherever we can.

ASSISTANT SCOUTMASTER Rick Bedford is shown as the Tenderfoot rank was presented to 22 new members of Boy Scout Troop 154. Shown, left to right, are Terry L'Heureux, Joe Stewart, Billy Austin, and Charles Goodwin. Scout Butch Farless (far right) is shown helping with the awards.

TOM MONTOYA, Scoutmaster of Troop 567 of Auburndale, is shown as he presented a program on light weight backpacking equipment to the Parents Night of Boy Scout Troop 154 last Monday. A large crowd was in attendance for the event, which was also shared by Troop 809 of Sebring.

Boy Scout Awards Presented At Candlelight Ceremony

Boy Scout Troop 156 held a combined Parents Night and Court of Honor on Monday, Nov. 30, at the Union Congregational Church.

Activities were shared by Troop 809 of Sebring. In attendance were the parents and families of the Scouts, and members of the Girl Scout Troop 21, with their leader, Tim Fisher.

In an impressive candlelight ceremony, the Tenderfoot rank was awarded to 22 members of Troop 156. Scoutmaster Larry Hopper, Rick Bedford presented the awards to Clifford Henry, David Edge, Andy McDaniels, Gregg Correll, Ken Light, John DuPriest, Donn Pearl, Joe Stewart, Allen Reed, Claude Dennis, Dennis Rutherford, Billy Austin, Terry L'Heureux, Robert Crawford, Stephen Ford, Donald Shaw, Charles Goodwin, and Fred Starr.

Various awards were presented to members of Troop 809, by their Scoutmaster Pat Chambliss.

Following the awards ceremonies an interesting program on lightweight backpacking equipment was presented by Tom Montoya, Scoutmaster of Troop 567 of Auburndale. Mr. Montoya showed numerous pieces of equipment which he had made, to economize on both weight and price. He showed how a Scout could carry all his gear, clothing and food, necessary for a 3-day hike in a pack weighing no more than twenty pounds.

Avon Mobile Home Park News

By RUTH E. ROBINSON

We extend a warm welcome and wishes for a very happy Winter season to the newest returnees to our little community including Mr. and Mrs. Elliott Parviz (Dad) from Peru, Ind. Mr. and Mrs. Waldo Peterson (Minnie) from Hancock Iowa, Mr. and Mrs. Warren Byrre from Bourbon, Ind. and Mr. and Mrs. Welcome Miller (Dad) also of Bourbon, Ind. Mr. and Mrs. Miller expressed much appreciation to their friends for the many notes and cards which they sent to them this Summer during the illness of welcome. He has recovered nicely and is now enjoying the activities of our park.

Traveling here and there were Mrs. William Near and Mrs. Caroline Webber who went to Key West to spend Thanksgiving with Mr. and Mrs. Timothy Mower, arriving home on Sunday evening last week. Mower, Mrs. Near's niece who spent a weekend with Audrey a short time ago, accompanied by her husband, Mr. and Mrs. Baxter enjoyed a trip to St. Cloud on Sunday to visit Mr. Baxter's brother and wife, Mr. and Mrs. Arthur Baxter.

Dr. and Mrs. Nathaniel H. Davis have just returned from a trip to south Florida. They were guests of the South Florida Unit of the Wally Byam Club. The group met on Sunday, Nov. 22 on the fairgrounds at Homestead. There were 425 Airstream trailers present for the meeting.

The South Florida Unit is one of more than 25,000 Airstreams across the nation. The South Florida unit had a planned program of recreation, entertainment and business. The rally served Thanksgiving dinner to more than 800 Airstream families on Thanksgiving day at the Capri Restaurant in Florida City. The rally closed on Sunday, Nov. 29, with a memorial service. Every Airstream family across the nation closes with a religious service on the closing day.

Following the Rally, Dr. and Mrs. Davis went down to the Everglades for a few days. They camped at Long Pine Key and Flamingo in the Everglades National Park. This was a most enjoyable trip. Mrs. C. Bland Neukirk was a guest at the home of Mr. and Mrs. Louis Biggers on Saturday. They are former residents of our park and were pleasantly surprised by a group of friends from Lake Letta Estates. Guests were Mrs. Ernest P. Bland, daughter Cynthia, Mr. and Mrs. Harold Kinsinger, Mr. and Mrs. Frank Rinko, Mrs. Bland Neukirk, and Mrs. Blanche Robinson. A gala time was had by all.

Mary's sister and brother-in-law, Mr. and Mrs. M. Bacon of Fort Lauderdale wrote that they arrived home safely after their Thanksgiving vacation with Mr. and Mrs. C. B. Bland. Mrs. Lawrence Robinson appreciated the many cards of sympathy from her friends and was glad to return to her home in the warm South.

In view of the resuming of Winter activities, the following listing of officers and activities might be helpful to newcomers, with the term of office listing to January 1971. The Steering Committee, Lucille Duthie, Ora Myers, Harry Brown and Glen Long; Nominating Committee, Ruby Myers, LaBelle Longenecker, and Bessie Long; Women's Club Committee, chairman, Regina Roth, Millie Becker and Ruth Robinson; Special Events, chairman, Mayon Hoard, Vero Pero; Acting President, Harry Brown, Margaret Pries and Margaret Belcher; Women's Shuffle Committee, chairman, Louise Bell, Mabel Crocker and Katherine Baker; Men's Shuffle Committee, chairman, Floyd Stevens; Dr. George White and Lawrence Robinson.

Remember Friday, Dec. 11 at 1:30 P.M. is the monthly Woman's Club meeting in the Recreation Hall. Let us all try to be there, ladies. Just a reminder of our yearly Christmas party for all residents of the park on December 18, at 7 P.M. Bring a gift to be exchanged. A man bring a man's gift, and a lady a lady's gift. Be sure to mark it.

Weekly activities are as follows: Monday, 10 A.M., shuffle, instructions by Dr. White and Louise Bell; 1:30 P.M., crafts; 7:15 P.M., pin-cle games; Tuesday, shuffle for both men and women, A.M. and P.M.; Wednesday, 7:15 P.M. bingo; Wednesday, 7:15 P.M., Euchre; Thursday, men's shuffle, singles; 7:15 P.M. 8 P.M. movies. Saturday, inspiration and special events. This past Saturday, Dr. Dean Conrad spoke on "Philosophy for Living" and nutrition to 42 people. Very interesting and helpful. Dr. Conrad brought to mind, again, our bodies are the temple of God

and should be kept fit mentally, physically, and spiritually. A book was distributed titled, "The Fountain of Youth."

Last Thursday a large group viewed films entitled "Hawatha Pioneer Trail," "State of Colorado" and "Miss Universe."

Last week's pin-cle scores showed Mrs. Ginnie Roth as winner with high score of 854, and John Wolf with 857.

Euchre at the recreation hall with Alva Derr in charge on Dec. 2 showed Alva Derr with 117 for men and Gladys Heffner with 127 for women. Derr will be in charge again next Wednesday.

Mr. and Mrs. Walter Erickson of Schenectady, N. Y. visited Margaret and Raymond Fries this week.

Mr. Fletcher, age 46, who graduated from Avon Park High School in 1943 had been a resident of Whitehurst Rd. and Plant City for the past 20 years. He was owner of F and M Concrete in Plant City.

He is survived by his widow, Mrs. Kathleen Fletcher, Plant City; one daughter, Miss Jennifer Sue Fletcher, Plant City; two sons, Eddie Fletcher and Randy Fletcher, both of Plant City; parents, Mr. and Mrs. W. D. Fletcher, Avon Park; one sister, Mrs. E. F. Seymour, Newport, N. C. and one granddaughter. Funeral services were held Tuesday, Dec. 8 at 2 P.M. from Colonial Funeral Home Chapel in Plant City with interment in Memorial Park Cemetery.

December 31 Is Deadline For Medicare

December 31 is the deadline for filing Medicare medical insurance claims for services received October 1, 1969, through September 30, 1970, according to W. E. Arnold, social security district manager in Lakeland.

"Under the law, Medicare can pay your medical insurance claim only within a certain time after treatment or other service. If you have Medicare medical insurance and received covered services during the period of October 1, 1969, through September 30, 1970, claims must be filed before the end of this year," Mr. Arnold said. "After December 31, 1970, Medicare cannot pay on these bills."

Mr. Arnold said that a completed "Request for Medicare Payment" form should be sent to Medicare, Blue Shield of Florida, Incorporated, P. O. Box 3225, Jacksonville, Florida 32201. If the doctor or supplier does not complete his portion of the form "Part II," a remitted bill must accompany the "Request for Medicare Payment." Either the remitted bill or Part II of the claim form must show the date, place, and description of each service and the charge for each service.

Students Tour Bureau Of Alcoholic Rehabilitation Center

Students from the classes in the Modern Family Living class, were able to have a question and answer session Sunday, December 6th at the Bureau of Alcoholic Rehabilitation in Lakeland. This included a special week's instruction on alcohol abuse which included films, literature and discussions headed by Don Thorne, Information Services director. In evaluation of this project one senior said, "I think kids in school should have this information."

Highlands School To Hold Open House

Residents of Sebring, Avon Park and Lake Wales, as well as other central Florida cities, are invited by the board of trustees of The Highlands School to attend an Open House Sunday, Dec. 13, from 3 to 5 P.M. Numbers of alumnae and parents of current students are expected. All others interested in seeing the school, including parents of prospective students, are welcome. Refreshments will be served throughout the afternoon by members of the social standards committee which is sponsoring the event. A concert by the Highlands School Chorus, directed by Mrs. Evelyn B. McCallie, head of the music department, and assisting artists, will be given at 4 P.M. The program will include a ballet by dancers from Wauchula, a jazz routine titled "Birmingham" by students, a vocal solo by Mary Bowen, two piano solos by Mrs. McCallie, and carols by the chorus.

Avon Park Flying Notes

By ELEANOR TRESCOTT

An antique aircraft show was held at the DeSoto County Airport at Arcadia, Saturday and Sunday. A number of local flyers attended. Bill Douze participated in several maneuvers on Saturday. Jim Benfro and his mother flew down as did Jamie TreScott and his mother, Walt and Sandi drove to Arcadia on Saturday and Mr. and Mrs. Ernsberger also drove down on Sunday. It was a good show with many antique and experimental planes on display.

Sunday was an important day in the life of Mark Gossick. Mark was recommended for and received his private pilot license after a rigorous flight test. Susan Alder of Sebring made a solo cross-country flight to Lakeland and Bartow.

Joe R. Sherris and family of Palatka, came into the Avon Park Flying Service Sunday in a Cessna 182. He took his 84 year old aunt for a ride while visiting here. You're never too old to start flying.

Janie TreScott made a solo cross-country flight to Kissimmee Sunday morning, and in the afternoon took Duke Hamilton of Sebring High School for an aerial photography flight around Highlands County. Don Gossick had several charter flights this past week in addition to his instructor's work. Heard at the Airport, "These lady pilots who can fly an airplane but can't sit it down when they have finished with it."

Ten Arrests Reported By Police

Ten arrests were reported by Avon Park police department over the weekend. Six were arrested for motor vehicle violations and were ordered to appear in city court for hearing at the next session of city court. Arrested were Donald Bader, Sebring, charged with failure to use due care; Lois May Walker, Lake Wales, no drivers license; Johnny Griffin and Sanford Paul Hartt, Avon Park, unlawful speeding; Mike Wesley Slaus, Avon Park, failure to use due care; James Cochran, Lake Wales, unlawful speeding.

Four were arrested on public drunk charges. Bond was set at \$25, and ordered to appear in city court. Arrested were William Wesley of Oklahoma; Gary Carvans, Edgemoor, Alfred Williams, all of Avon Park.

CARD OF THANKS

To all our friends and neighbors, we would like to acknowledge with grateful appreciation for your kind expressions of sympathy, in the recent death of our loved one, and to those who brought food and sent the beautiful flowers, thanks so much for being so kind and thoughtful, and may God bless everyone of you.

EAST MAIN, AVON PARK

Southland Trailer Court News

By BESSIE PAXTON

Harry and Ann Barth came Wednesday from their home in New York to spend the Winter. They are well and had a pleasant trip down. George and Mildred Hinesley of Bryan, Ohio also came a few days ago. They are living in the trailer across from the hall this year, and are fine. Mr. and Mrs. Purdie of Minneapolis, Minn. came Thursday to spend the Winter. The Purdies are new people in the park, having purchased the Earl Maxwell trailer last Spring. Mr. and Mrs. Leo Breister of Fond du Lac, Wis., came Monday. They are also new here and are living in the office apartment across from the laundry. We are happy to have all of these folks and hope they enjoy the Winter.

Friday afternoon night went out to shuffle. In the play off Rev. Hutchens and Omer Snyder won over Byron Jeremy and Christine Snyder by a score of 70 to 29. Consolation winners were Edward Nibbett and Laura Bernthal, the score 92 over Marvin Tebo and Hail Nibbett with 58. Harriett Meissel returned home from Walker Memorial a few days ago, and is recovering nicely from surgery. She has for a souvenir part of a needle taken from her foot. Such things make nice souvenirs!

Twenty-seven were out for coffee Tuesday morning. We drained the pot and licked the platter, which was gratifying to Bee.

We had a revival of the sewing class Tuesday afternoon. Seventeen ladies came out to join the chat and work on various articles. Beads seem to be the most popular. However, some brought their hats, some embroidery and some dress making. Our chairman, Hallye Hutchens and Hannah Tebo suggested that after Christmas we make quilts for the Noah's Ark Nursery School. A call was made to the school and these quilts can be used during the cool days this Winter. The children, numbering 27, the day the call was made, were ready for their naps the smaller children and older ones on cots. Three ladies were in charge. They came to work at 6:30 and stay until four when the children are picked up. The quilt making idea seemed to be a favorite among our sewing group. Ladies of the park are asked to bring to the class pieces of light colored material laundered to be sure of last color and pressed. The softer materials are easier to sew, but material should be close woven enough to laundry well. We hope to have a good attendance at our Tuesday afternoon class and make several of these quilts. The lady in charge at the school also said they were in need of another baby bed. Anyone knowing of a baby bed to donate please contact Mrs. Hutchens, 433-4748.

Bill Zurgable is helping Elwood Stroupe make skirting for his trailer. Bill does a lot of handy man work around the park. He enjoys doing it, keeps busy and folks appreciate it. Forty turned out Friday night for bingo. Folks were curious about the advertised prize, and came hoping to win that prize. As it happened Michael Chapel's grandmother, who is visiting the Chapel, won the grand prize. We imagine young Chapel got the coveted advertised prize. (A good way to get people out for bingo).

Mr. and Mrs. Carrington of New York, grandparents of Toby Chapel, and Mrs. Toby Chapel, Sr. mother of Toby, have been visiting the Chapel for a few days.

There were three tables of cards Monday night at the Hall. It does not matter who wins, visiting and laughing is what counts.

Ben Henningham is recovering from surgery last Wednesday to correct a double hernia. Doctor tells him he can leave the hospital soon. Ben will then be with Mrs. Stoddard on Highlands Avenue. He is slowly gaining strength and we are sure Mrs. Stoddard's nice porch will be an inviting place to be and have friends and family.

Ann and Harry Barth, Emily and Herb Renaud entertained Neville Clark in honor of her birthday for dinner at Holiday in Sebring Sunday evening. Later they called on Edna Senger of Leisure Acres.

Mr. and Mrs. Glen Ruffner returned to the park Thursday. Mrs. Ruffner who had been here for some time returned to their home in Illinois for Thanksgiving holidays and after completing arrangements to leave home they both returned to Florida for the Winter.

George Monze remains about the same at their home here in the park.

Winnie and Russell left Wednesday. Berta leaves a hole in the ground for a good look at that last minute loading; an alarm clock

Group Takes Trip To Disney World

Tuesday, Dec. 9, Mr. and Mrs. Kenneth Barr, Mrs. Alta Robinson and her niece, Mrs. Benson were members of the all-day tour from Avon Park to the Kennedy Space Center and Walt Disney World. The tour was chartered by Nita and Jim Ritchie Tours (a service of Ridge Travel Agency, Sebring) with headquarters in their mobile home here in Southland. Also listed among the passengers were Mr. and Mrs. Harvey McCarty, former owners of Southland Court.

The tour was made by special chartered Greyhound bus, and started from and returned to the Winter Guest Club in downtown Avon Park. The tour was an early start, every seat was occupied, and all reported a wonderful time.

Nita and Jim remind all that they are now booking reservations on their next all-day bus tour to Year City and Bush Gardens in Tampa, Tuesday, Jan. 9 (including a narrated sightseeing tour through Year City with a local guide). All their tours and cruises are personally escorted by Nita and Jim. Contact them at Lot 102, or phone 433-5661.

W. F. Ward Celebrates 86th Birthday

William F. Ward celebrated his 86th birthday, November 17 at his home. Helping Mr. Ward to celebrate were Mr. and Mrs. G. F. Ward and Robin, Mrs. W. N. Gardner and Billy Gardner of Boca Raton, Greg Gardner of New York City and Mrs. W. F. Ward.

Yule Events Planned At Girls' School

Christmas events planned at The Highlands School, Avon Park, include a dinner on Wednesday, Dec. 16, and a vespers service to follow at 7 P.M. The latter will be presented jointly by the Highlands School Chorus and the Drama Club.

The chorus will sing a number of carols concluding with a pantomime of Moore's familiar "Twas the Night Before Christmas." Leslie Pollock, president of the Drama Club, will narrate for "The Littlest Angel," with students taking part in a pantomime of the popular Christmas story. Mrs. William Horn is the club's sponsor.

A fitting conclusion of the entire program will be the singing of "Silent Night" by the chorus.

PAUL CHAFIN and APHS band director Vic McKunas are shown with participants after the annual song flute and

junior band concert which was held in the high school auditorium on Dec. 3.

Annual Song Flute Band Concert Held

The annual Song Flute Band Concert was held Thursday, Dec. 3 in the High School Auditorium. Sixth grade students displayed musical qualities they had learned the past two months. Vic McKunas is instructor.

The purpose of this beginners band is to teach basic music theory, appreciation of music and to prepare the student for a real band instrument.

The program consisted of several popular tunes with solo parts on most numbers. A special group of "Can Can" dancers were also added to the program to provide a little excitement for the audience.

Mrs. McKunas' sixth grade chorus, sang, John McKunas and Toni Cavan, sang a duet "I can do anything better than you can" from the musical, "Annie Get Your Gun."

The junior band made up of 7th and 8th graders, was then introduced, and played "From Home Boogie" (Rocky Mountain Rock), and several other catchy tunes, in which the drummers were featured.

Most song flute band members enter the 6th grade band.

the second half of 6th grade and then enter the Junior Band the next year.

Everyone thoroughly enjoyed

the concert and it was agreed that the future of the Avon Park High School Grenadier Band looks great.

Construction of New First Baptist Sanctuary Making Progress

The sanctuary of the First Baptist Church on North Lake Avenue is showing signs of nearing completion. Work is proceeding and the building is now taking shape.

Groundbreaking took place in May and the building is adjacent to the present facilities.

This is the culmination of six years of work and planning and preparing the property and building committee with the approval of the church. The cost was quoted at \$505,000, which will include the new sanctuary and furnishings and a complete remodeling of the present facilities of the present sanctuary.

A seating capacity of 1,500 is planned and it will also include a study for the pastor, a music director's office, music practice rooms, choir robing rooms and class rooms.

In the remodeling of the present facilities, the downstairs will have a chapel and four new

classrooms. The upstairs will have six primary classrooms. The church library will be improved and enlarged. The class rooms and the business offices will also be renovated and have a new look.

The building committee members are E. Ray Wells, chairman; Paul A. McFarland, Malcolm K. Crews, J. H. Ford, Jack Delaney, Lee Gurganus, Mrs. W. C. Touchton, Mrs. R. H. Layton, Mrs. Larry Abitron, and Bennett and Mosley are the contractors in charge of construction.

Original plans for completion was that it would be completed in 240 days, which would bring the completion some time in January. It is no doubt that the entire building will be an asset to the City, with its beauty and stately structure gracing the Avenue.

The church is under the direction of Mrs. Charles Metcalfe, Jr. For the past three years they have sung to a full house and now with the church auditorium being enlarged more can enjoy this program. All are welcome.

Associational "M" Night Held Monday

The First Baptist Church was the host for the Associational "M" Night (Mobilization) meeting on Monday, Dec. 7.

The adults met in the church sanctuary for their part of the program. The youth met in the Social Hall. There were 130 young people from all over the association who enjoyed a very interesting program of group singing, a film, music by the youth from Avon Park, a skit entitled "Mobilized," about youth being Mobilized for Christ, special speaker, Rev. Don Bronson from Wauchula, special music by the Hallelujahs from Avon Park, and for a closing, refreshments and fellowship.

Youth Presents Cantata At APCI

The Youth Choir of the First Baptist Church presented the Christmas Cantata "The Night The Angels Sang" at the Avon Park Correctional Institution on Wednesday, Dec. 9. The Youth feel this is their way of telling others the wonderful message of Christ and his birth. A large number of inmates were present to hear this message in song.

Summit House, on top of Pikes Peak, Colorado, is built on a pile of boulders, which are held together by ice.

Chorus To Present Yule Music

The Highlands School for Girls Chorus will present the annual program of sacred Christmas Sunday night at 7:30 P.M. at the First Christian Church, 1011 West Walnut.

The chorus is under the direction of Mrs. Charles Metcalfe, Jr. For the past three years they have sung to a full house and now with the church auditorium being enlarged more can enjoy this program. All are welcome.

One Million Drivers Face Re-Testing

A list of hints was issued today to help the one million Florida drivers who face re-examination when renewing their driver licenses in 1971.

Scheduled for re-testing next year are drivers born in odd-numbered years whose names begin with letters A through M.

The re-testing will begin January 1.

Testing in Sebring is done by D. H. Shea, Florida Highway Patrol examiner, at the American Legion home on N. Pine Street.

"We are determined to keep

the inconvenience to a minimum, while making certain that the standards as set by the Legislature are met by those tested," said Executive Director Ralph Davis of the Department of Highway Safety and Motor Vehicles.

"With advance study of the Florida Driver's Handbook, and upgrading of sight-bearing if needed, nearly every driver can pass on his first trial and not have to come back again."

Re-examinations will include tests of eyes and hearing, and a 10-question test of the driver's

recognition of road signs. No road test will be given, but some drivers may be asked to come back later to demonstrate they can drive safely.

Davis urged each driver to go as practical after receiving the Re-examination Notice, but before his birthday in any case. This will allow more time for him to correct any causes of rejection.

When he passes the test, the driver will receive a temporary permit good for 60 days driving

when clipped to his old license. Before the 60 days expire, he will have received his new license through the mail.

"Since the Re-examination Notice and license will be mailed, it is essential for each driver to send his correct new address to the Department whenever he moves," Davis said.

In 1971, drivers to be re-tested are those born in even-numbered years whose last names begin with letters A through M; 1973 adds years N through Z and 1974, even years N through Z.

DAVE LLEWELLYN

Your God Is Too Small

"God Is Alive and Hiding in Argentina," says a bathroom

A student newspaper captions a picture of Bibles in a bookstore, "God is not dead. He just isn't selling very well."

A chartered bus is emblazoned with the declaration, "God is not dead. He just doesn't want to get involved."

God's popularity, it seems, is on the wane. Why?

Why should adults see God as so irrelevant when children are still writing letters to God like this:

"Dear God,
Count me in.

Your Friend,
Herbie"

Or this:
"O Lord, Thank You for giving me my Dad and Mother. And there children, and dog and fish. Thank you for giving us a nice home to live in. And eyes to see it. And what we eat, and brains to think

Thank you for ever thing.
Love,
Maxine"

Why should adults reject God? Because their God is not an adult. Children grow up, but God remains childish.

Inadequate Views
YOUR GOD IS TOO SMALL is how J. B. Phillips puts the problem. It is no wonder that people ignore God. The only "God" most people have seen deserves to be ignored.

Here are seventeen inadequate views of God. Honestly, now, is your God not on this list?

Railroad Official Tells Rotary Companies Face Financial Crisis

A financial crisis in the railroad industry has brought the nation to a crossroads where a hard choice must be made between nationalizing the railroads or bringing them into the transportation system as "part of the family," Mr. H. S. Coltrane, Assistant General Manager Sales of the Seaboard Coast Line Railroad, said here December 2.

Addressing the Avon Park Rotary Club at Griffin's Restaurant, he said:

"Given fair and equal treatment with other modes, railroads can remain in private hands. They can be modernized and improved — largely at their own expense — and continue as a great national asset. Nationalization would convert this asset into a public liability."

Nationalization, Mr. Coltrane predicted, "could cost as much as \$60 billion just to transfer ownership," leaving unmet the industry's need for capital improvements and inviting "almost certain" operating losses.

He pointed out that, under government control during World War I, railroad operations cost U.S. taxpayers \$2 million a day, and the national systems of Japan and Western Europe currently operate at an average deficit of 20 percent.

"By every possible yardstick — the cost of acquisition, the effect on customers and competitors, the experience of foreign nationalization — it is clear that a government takeover of U.S. railroads would be no favor to the American taxpayer and economy," Mr. Col-

trane asserted.

He recalled that, in the past, U.S. railroads have taken care of themselves in the face of rising costs, expanding government help to competitors, discriminatory taxes, outdated regulations and policies that have forced the extermination of uneconomic services.

"But the years have taken their toll and brought the industry low," he added.

One-third of the railroads lost money last year and the downturn has continued, he reported.

Another major ASTRO recommendation calls for creating a single transportation fund, to which the railroads would contribute and from which they would be authorized to receive \$400 million a year for improvement of right-of-way and structures. In addition, the federal government would guarantee up to \$400 million in loans for similar purposes.

ASTRO also suggested guaranteed loans and other help on equipment purchases. And it proposed that government spend \$100 million a year for research in both the freight and passenger fields.

Pointing out that "the health and growth of our economy depend on the smooth functioning of the rail network," he noted that railroads hold the answer to problems like pollution and congestion and "alone can efficiently accommodate the growing volumes of goods that must be moved."

Forty Floats Entered This Year's Parade

The Annual Christmas Parade stepped out in a merry spirit with the tunes of jingle bells and carols last Tuesday night, opening the holiday season with 40 floats and units in the line of march. It was evident that Santa had arrived. With four Santa's in the parade it was a little confusing to some of the smaller children. The real Santa was riding on the firetruck.

Again this year many children were disappointed that they did not receive candy that was thrown from the floats and the firetruck. It seems that the older children got more than their share. Crowds of children followed the truck all through the route and knocked smaller children down and was very inconsiderate of others that were standing waiting their turn to get a bag of candy from Santa.

This said Alma Hooper, of the Chamber of Commerce "as always happen again and as always mistakes were made that will be corrected in future parades. We have learned a lot from this parade and next years will be a lot different."

All in all the parade was the best that has ever been in Avon Park. Many children and youngsters enjoyed it. May we say thanks to all that did such a wonderful job in making the Season a little brighter and sayer.

Our thanks to the Chamber for sponsoring the parade and all who gave their time and talents to make it a huge success.

Masons Meet At Griffin's Restaurant

The Peace Ridge Scottish Rite Masonic Club met at Griffin's Restaurant last Wednesday night for their annual Ladies' Night Christmas party and dinner.

After the invocation by Noah M. Early of Sebring, a delicious dinner was served, following which the President, Russell Farmer of Wauchula welcomed and introduced the guests with appropriate remarks.

A brief business session confined to election of officers for 1971 was held. Those elected were: President, Paul J. Calvert, Avon Park, 1st Vice-President, E. Elphorth, Avon Park, 2nd Vice-President, George M. Miles, Fort Meade, and re-elected Secretary-Treasurer, Emmet V. Lantry of Sebring.

Installation of the new officers will be held at the next regular meeting on January 6th.

Following the election the Entertainment Committee, Dr. V. B. Wolfe and Colonel William J. Atkinson of Sebring, distributed gifts to each of the ladies present. The Highlands School for Girls Choral Group of thirty young ladies, directed by Mrs. Charles G. Metcalfe, Jr. then entertained and were loudly applauded for their splendid rendition of a program appropriate for the Christmas season. Their presence has become a regular feature of the Christmas party.

Dr. Wolfe closed the meeting with a short talk on the significance of one of the songs and the principles of Masonry.

The greatest cold cure ever invented is payday, says one somewhat cynical boss.

Mrs. Farrell Returns From Tennessee Trip

Mrs. J. C. Farrell has returned from a three week trip to Paris, Tenn., where she visited her brother, James W. Farrell, and other relatives and friends.

One of the highlights of the visit was celebrating the 12th birthday of her grandson, Richard Caldwell. This is the first time Mrs. Farrell has spent a birthday with Richard in the nine years she has been in Florida. She is now retired from teaching in Highlands County.

Mrs. Harvey Hart of West Pleasant St., accompanied Mrs. Farrell to Tennessee. Mrs. Hart came to Florida from Tennessee and this was her first visit in 11 years.

School Extends Boards Rule

The board of trustees of The Highlands School has extended the area limit for five-day boarders to a 100-mile radius. Raymond H. Stokes, president, has announced. Formerly the radius was 50 miles. The new ruling will become effective on January 25.

Students who are presently enrolled on a regular boarding plan and whose homes are within 100 miles of the school may, if they wish, change to the new five-day plan. In this case, parents must contact the school prior to January 22.

Rodgers Teaches Kindergarten In Bakersfield City School

The Bakersfield City School District has become first in the nation to employ men as kindergarten teachers, on more than a trial pilot basis, since the kindergarten concept was originated more than a century ago, by a male educator.

The kindergarten concept was developed by a German, Friedrich Froebel, in the 19th century, but women have held the ruling position in pre-grade schooling. The first kindergarten class in America was in 1865 with the first public kindergarten in 1873. Mrs. Jerry Nelson, the district's general supervisor of kindergarten and primary classes said the objectives of the Bakersfield's revolutionary program are two-fold.

First to provide a male role for the children, an image which is more lacking in children's homes. The second, is to give boys, who tend to mature more quickly than girls, an opportunity to catch up with the faster girls.

The four men selected to implement the program represent a variety of backgrounds, but all share the ability to get excited about their new charges.

Newest to the field of education is 23-year-old John Rodgers, a graduate of Florida schools where he earned a bachelor's degree in chemistry, originally planning to go into secondary education, and then earned a Master's degree in early childhood education.

Rodgers hopes eventually to take up teaching of early childhood education on the university level, even though he is "really enjoying" the 20 in his class of 5-year olds at Col. Nichols School.

Surprised that he has received "no unfavorable reactions" from either the children or their parents, Rodgers described the "feedback" he's received from the children through their parents.

"One thing parents have told me, is the children like me very much. I don't know if it's a male-female thing, or how they'd react to a female teacher. But the parents say they are happy in school, and it's rewarding to find the children go home and talk about what they do in school and about me."

Close cooperation with the parents is a main point of the kindergarten program this year, and it's going to be a big help.

Only one session is taught by each kindergarten teacher

this year, explained Rodgers, leaving either the mornings or afternoons free for parent consultations.

All four men stressed the importance of early childhood education, and said Rodgers, who has experience with high school student teaching as well as with Head Start. "I knew when the children got to me (in the high schools) they were having problems. I couldn't teach them if they hadn't learned something earlier."

All of the four men agreed the beginning was very important. Rodgers stated, "It's kind of selfish, I guess, but I want to be the first teacher the children have. I want to be responsible for what they end up with."

Braswell Receives Bronze Star Medal

Army Specialist Four Timothy Braswell, son of Mr. Frances Braswell, 318 E. Second St., Avon Park, recently received the Bronze Star medal in Vietnam.

He received the award for distinguishing himself by valorous actions. The Bronze Star medal, adopted in 1944, recognizes acts of heroism performed in ground combat against an armed hostile force.

Specialist 4 Braswell received the award while assigned as a tank crewman in Troop A, 3rd Squadron of the 25th Infantry Division's 4th Cavalry near Cu Chi.

He entered the army in August 1969, completed basic training at Ft. Benning, Ga., and was stationed at Ft. Knox, Ky., before arriving overseas. He also holds two awards of the Army Commendation medal.

The 19-year-old Specialist, whose father, Edward Braswell, lives at 409 Lakeside Drive, is a 1969 graduate of Avon Park High School.

Dear Editor:
The Avon Park Sun had an article on the preservation of "The Old Bandstand." My husband and I cannot look at it from an "Old Times" point of view, but as new home owners and part-time citizens we enter our plea—Please do not destroy this grand old symbol of the past. That is one of the things that drew us to your beautiful little town—the lovely mail.

Oh if that old bandstand could talk—what wonderful stories it could tell.

Avon Park—your town—is noted for a wonderful place for people to retire, quiet, lovely, and warm, a typical Southern town.

It hurts to see tradition torn away for so-called progress. I know sometimes it is necessary, but not when it isn't mandatory and someone can do something about it.

Let the people who remember stroll again by the bandstand, and then listen to the band, the chatter of the children, and gossip of the grown-ups—through their memories. By the smile on their faces when they look at the "Bandstand," it will let those who do not remember, what they did.

Most sincerely,
Thank you for listening to our plea and we do hope and pray with all our hearts—the beauty and serenity of the mail—The Bandstand will be saved and restored.

Shuffling
With 174 courts of "A" players, Clio Lane and Hazel Thompson won on Wednesday in the main event. Clyde Getchell and Lewis Potter were the runners-up. Consolation winners were Louise Bell and Harold Faulkner over John Wolfe and George Ranken.

The "B" winners were Don Mason and Basil Krontz with Herman Wurster and Steve Brown coming in second. Etha Larrew and John Hary came in first in consolation with Helen Good and Albert Ross coming in second.

On Saturday "A" winners were Hazel Thompson and Harrison Hefner over Louise Prelop and Glenn Long. Otto Kroeger and Everett Paxton won in consolation with Helen Gant and Henry Retter coming in second.

"B" winners were Basil Krontz and Lewis Becker over Nora Werner and Bea Tingle. Lowell Pierce and Howard Long were consolation winners with Sarah Kerr and Stanley Schilling the runners-up.

On Friday the 11th there will be an all-state tournament. Alton Wetmore announces.

Card Games
In pinocle on Monday and Friday the high scores went to William Benson, 78; Fred Hughes, 77; Henry Reddick, 78, and David Dickerson, 68. Five tables were in play both days.

Bridge was played on Tuesday afternoon with five tables in play. David Stanley was first with 400 and Curtis Hawkins was second with 400.

On Thursday afternoon there were eight full tables of players with Jean Ludington in charge for first place, the J. H. Nickersons and the Curtis Hawkins. Evelyn Fritz and Vi Lexa were second, and the Maurice Brevoorts third. East-West winners were Florence Garcia and Genevieve Moran, Sarah Spindler and Claude Byner, and the Herman Wursters.

Crafts
The ladies were busily working on their pearl head necklaces. They are all just beautiful. One of the items to be learned will be the making of small Christmas trees from meat trays. They are good looking too.

Brentwood Mobile Home Court

The Holidays new mobile home arrived last week. Congratulations Lucy and Emil.

The Thanksgiving dinner given by Sue and Bill Bennett was well attended. Forty-six were present including new visitors. Also attending was the Franoes, new neighbors Ruth and Louis Nickoley, who has purchased Julia and Henry Grooms mobile home. Mrs. Liddle Thorne returned thanks. Lots of delicious food was consumed and everyone seemed to have a good time socially. We wish to thank Sue and Bill for a grand time and everyone who participated in making it a success.

Mr. and Mrs. Roy Geisinger have returned after spending the Thanksgiving holiday in Orlando with Mrs. Geisinger's mother and sister.

Mrs. Elza Hall has returned home after spending the Thanksgiving holiday with the Franoes. Mrs. Hall lives at Eagle Lake.

Mr. and Mrs. John Palm, St. Petersburg, spent Thanksgiving with Ellen and Victor Nymman. Also Mr. and Mrs. V. G. Trask from Elbe Sound spent the weekend with the Nymmans.

Mr. and Mrs. Karl Turney from Floral City were guests of the Tysons for the holiday. They enjoyed the dinner and the shuffling afterward. They want to thank everyone for an enjoyable day.

We will miss Julia and Henry Groom who left for Arcadia Saturday where they have purchased another mobile home. But, we hope they will be very happy in their new home.

Mr. and Mrs. John Harrison were guests Thanksgiving day of Lida and Bill Thorne. The Harrisons are from Bradenton. Gary Bennett spent the holiday with his parents, Mr. and Mrs. Bill Bennett.

Highlands Campers Meet Near Kissimmee

The Highlands Campers, a chapter of the Florida Family Campers Assn., Inc. held their monthly campout at the delightful Anchor in which is located on the river between Lakes (Hatch) and Kissimmee. There were 12 families attending. Membership is composed of families living in the Highlands (Ridge area) from Lake Placid, Sebring, Avon Park, Frostproof, Fort Meade and Lake Wales. The December meeting, or campout, will be held at Boggy Creek Camp, at the north end of Lake East Tohopekaliga and the January campout will be in conjunction with the Sandy Shoes Festival, Fort Pierce's big annual event.

Members are families who love the outdoors and like to travel. The J. Paxton Hills, (he is past president) just returned from a long trip thru the Canadian Northwest and

motor home or travel trailer, just so they love the outdoors and do not mind catching a nice bunch of fish occasionally, for the fish seem to cooperate just occasionally.

Banana's Food Value
The banana, which is eaten both raw and cooked, contains about 20 per cent of starch and sugar. Pounded for pound, it has a greater food value than any other common fresh fruit.
