Devils Meet Sebring There Wednesday

The Devils scored twice in the first quarter—on Seigler's 71-yard scamper and on a 30-yard drive that was climaxed with a 20 yard burst off right tackle by Seigler for the TD. The try for the two point conversion after the first TD was a run that was stopped short of the goal line but Seigler tossed a pass to end Clark Jackson in the end zone for the two point after the second score to give Avon Park a 14-0 lead at the end of the first period.

Early in the second quarter the Devils drove to the Brahman 15-yard line with a 30-yard pass gain by Seigler to Jackson highlighting the advance. But a Chobee sack stopped the threat with a pass interception at the nine. The Brahman moved for two first downs before they punted out to Avon Park's 24-yard line. From that point the Devils cranked up their offense again and moved down to score in nine plays. Roy Clait and Seigler alternated running the ball with Seigler breaking loose for a 35-yard pickup midway in the drive. Then after a five yard penalty which set the ball back to the 16-yard line, Seigler streaked in for his third touchdown. An attempted kick by Seigler was no good. The half ended as Devil defensive back Frank Davis intercepted a pass and returned it to the Avon Park 40.

In the third quarter Avon Park scored again when Chobee was unable to move the ball and punted to the Devil 41-yard line. Clait, Seigler and Hart ground out the yardage in short gains to the Brahman 29-yard marker and then Seigler broke loose again and outran the Okeechobee defense for his fourth score. This time Seigler's foot for the point after was good.

A short punt by the Brahman after their next unsuccessful drive gave Avon Park possession on its 45 line in the third period. The Devils then drew a 15-yard yard pass tossed by Willie Joe Turner before he left the game as the reserves came on to take over. From the 31, as the fourth period started, Dennis Hart, Walter Nummalle, Steve Hart, and Keith Richards took turns moving the ball down to the 3-three line. Then Hart pounced through the middle for the touch down and Seigler kicked the point after setting the score at 34-0.

The Devil defense held Okeechobee.

(Continued on Page 6A)

Realtors, Property Owners Oppose Zoning Regulations

Under the new county zoning resolution, people no longer would be able to operate a business from their homes.

Owners of mobile homes who are living in other than a mobile home park or subdivision would be required to move to a park or subdivision within five years.

Metal frame and wood construction buildings will have to either be removed, or altered or converted to a building or structure designed for a use permitted in a district within six months after their time periods—12 years for metal frame, seven for wood frame.

The county board of the provisions of the proposed county zoning resolution which came under fire from the Realtors' president Wednesday at a public hearing at Highlands County Courthouse. The resolution sits up standards in the unincorporated areas of the county only.

Roy Alexander, president of the Highlands County Board of Realtors, presented a lengthy criticism of the proposed resolution.

He pointed out the hardship which would be worked on mobile home owners who would have to move, often leaving behind rooms and other improvements which had been built to suit their mobile homes.

He pointed to the hardship on a small business or professional man, perhaps retired, who would have to give up his business and move to a living in his home.

He pointed out the hardship to owners of metal and wood frame construction who would have to give up usable buildings.

There are frame buildings aged many years beyond such limitations in this county," said Alexander. "They are well preserved with many useful years left."

Another regulation which brought a question from Alexander was that filled land be left alone for five years before being moved above mean high water level.

There is a big difference in the zoning board's map and the level," Alexander pointed out. In some of the Westinghouse owned acreage near Lake Loalop, this could mean 2 1/2 feet. Erin Park subdivision would not meet this requirement, he said.

"It is the intention of the zoning board to make subdivisions now in existence to be exempt from such requirements."

As to the off-street parking and loading restrictions:

"Holiday Motel," he said is reported intended to enlarge its restaurant and the property would be provided with parking space. The restriction would apply.

Elementary PTA Will Meet Tonight

The PTA of Avon Elementary School will meet November 20, 8 P.M. in the school cafeteria. The theme of the meeting will be a follow-up on American Education Week. The Avon Elementary Library will sponsor a sound filmstrip "If the Shoe Fits," as a salute to parents from teachers. This is a sort of golden-slipper salute to all parents from the school—if the shoe fits—put it on. Just for contrast, the filmstrip includes a section on the "unapproachable cast of characters," some of whom you may have met along the way, and can remember—now—with a smile.

A short play on Education will be presented by David McDuffy's Sixth Grade. Entitled "The Greatest American," it stresses the worth of all persons and the opportunities for greatness through education.

An art exhibit will be on display before the meeting. Featured will be samples of classroom art which have been done under the leadership of Mrs. Katherine Callaway, Avon Elementary School Art teacher.

Musical selections will be presented by Mrs. Ann McMillan, music teacher, and the fifth grade chorus. Included will be "Carol of the Bells," "Hopes," and "Calyssio Noel."

restrain them from increasing eating space and giving better service."

As to the prohibition of school bus drivers from parking their

bus at their place of residence. "Why?" asked Alexander. "It probably saves money for school buses cut thereby avoid dead heading and possibly saving a

round trip. These are tax dollars."

As to non-conforming mobile homes, he cited the example of Tylahs on Lake Sebring.

"Tylahs is on two residential lots divided into mobile home spaces and sold as individual mobile home lots. They do not meet the five acre requirement. Under previously read regulations, they would have to move out in five years, the lots being too small to meet other home building requirements. The resolution would make Tylahs worthless to six retired families."

A CONCERT PIANIST will open 1969-70 season Saturday night at Avon Park in the Community Concert Series. He is Nebraska born Ernest Ulmer.

First Community Concert of Season Will Be Held Here Saturday

The Highlands County Concert Association will present its first concert of the 1969-70 season Saturday night at Avon Park High School Auditorium at 8 P.M. Saturday.

The artist is Ernest Ulmer, pianist.

Nebraska-born Ulmer comes from a musical family. His father was a self-taught trumpeter and conductor of one of the bands which were the cultural asset of mid-western towns at the turn of the century. He is also an accomplished violinist.

Mr. Ulmer arrived in New York City, after earning degrees at the University of Nebraska, via World War II army service and study in London. There he played for composer Nicolas Jopier, president, Roy Reidy, vice president, Carolyn Tomlinson, secretary, Mrs. Ann Jackson, treasurer.

Directors are: Sebring — Mrs. Helen Peck, Mrs. Bette, Mrs. Tom Smith, Mrs. Howard Brown, Mrs. Frank Morgan, Miss Norman and Miss Naomi McMillan.

Lake Placid — Mrs. Jerry Peoples, Mrs. Vester, Mrs. Cecilia Hendry, Mr. Marshall Pollard, Mrs. Marshall Pollard and Mrs. Doris Hawkin.

Avon Park — Mrs. W. C. Touchton, Mr. George Walper, Mr. Don Meiser, Mrs. Charles Metcalfe, Jr. Miss Ann Groves, Mr. Richard Thayer and Mrs. Richard Thayer.

Tickets On Sale For Avon Park Sebring Game

Reserved seat tickets to the visitor's stands will be on sale at Leon's Sports Goods Store for the Avon Park vs Sebring game to be played Wednesday, Nov. 26, in Sebring. There will be 310 reserved seats and a ticket will cost Avon Park fans \$1. Local fans may also buy general admission tickets at Leon's in order to keep from standing in line at the gate. There will be no reduction in price if the admission ticket is purchased in advance.

Wednesday, Nov. 26, the reserved seat and general admission tickets will be moved from Leon's to the high school after 12 noon. Regular hours at Leon's are from 8:30 A.M. to 6 P.M.

COMMANDERY

Hollywood Commandery No. 31 K. T. Stated Goodwill will meet at 8 P.M. Monday, Nov. 24 at the Avon Park Masonic temple. There will be inspection by D. D. Gr. C., 4th district. There will be a rehearsal opening at 8 P.M. Sunday in the Avon Park Masonic temple.

prestigious contest awards. Instead, he has pursued a more rewarding musical career, including four years of chamber music with the Manhattan Trio, a season with Violin Ruggieri Ricci, and a tour and six New York concerts with the Robert Shaw Chorus.

These activities did not preclude solo performances, and he has been heard in times in New York solo recitals, has toured Europe as a recital pianist, and has appeared throughout the United States in recital and with orchestras.

Other concerts scheduled are January 22, at Sebring, Columbia Operatic Trio; February 21, Avon Park, Longstreth and Eccosa; March 4, Sebring, the music of Don Shirley.

Officers this year are Buford Jasper, president; Roy Reidy, vice president; Carolyn Tomlinson, secretary; Mrs. Ann Jackson, treasurer.

Directors are: Sebring — Mrs. Helen Peck, Mrs. Bette, Mrs. Tom Smith, Mrs. Howard Brown, Mrs. Frank Morgan, Miss Norman and Miss Naomi McMillan.

Lake Placid — Mrs. Jerry Peoples, Mrs. Vester, Mrs. Cecilia Hendry, Mr. Marshall Pollard, Mrs. Marshall Pollard and Mrs. Doris Hawkin.

Avon Park — Mrs. W. C. Touchton, Mr. George Walper, Mr. Don Meiser, Mrs. Charles Metcalfe, Jr. Miss Ann Groves, Mr. Richard Thayer and Mrs. Richard Thayer.

Board Approves Sale of \$1,400,000 In Bonds

On the recommendation of its fiscal agent in the sale of bonds for the Highlands County capital improvement projects, the Board of County Commissioners voted Tuesday to sell \$1 million of the authorized \$1.5 million bonds.

The commissioners also voted that the sale be conducted at the Courthouse at 11 A.M. Dec. 10.

The fear has been expressed that the bonds, for which race track monies are pledged, if not sold now, might never be, because the Legislature may take away all race track monies from the counties.

The recommendation to delay the sale of the additional half million of the bond authorization was made by Courtland Rudolph, fiscal agent of the county, who said the sale of the bonds in general is not economically favorable at present.

Rudolph pointed out that sale of the additional \$500,000 of bonds at this time would make the debt service unnecessarily high. He also observed that the sale of bonds in general is not economically favorable at present.

In response to a request of River Branch Estates, the commissioners gave permission for the county to deposit on their lands gravel from ditches along county roads in their area. Disposal of the gravel in that way averts the expense to the county of hauling the dirt to distant points, it was pointed out.

Reporting to the commission for Charles O. Morgan, county administrator-engineer who was out of town on other county business, Eugene Hamlin, county purchasing agent, announced the resignation, effective tomorrow, of James Bridges of Lake Placid, county road superintendent. Since April he has held the position.

He requested permission to advertise in applicable publications for applicants to succeed Bridges.

Commissioner Robert Skipper opposed a motion for the advertising on the grounds it would attract applicants from outside the county region, whereas he believed an area man could be found to fill the position. The board granted permission to place the ad despite Skipper's opposition.

Occupants Begin Moving Into New Housing Project

The Housing Authority of Avon Park announced this week, that construction and landscaping has been completed on both the Delaney Heights and Lakeside Park developments.

The first tenants began moving into the Lakeside Park project this past week end, and families will continue to occupy additional units as fast as possible. The response has been very good in the number of applications that have been received.

At present, there are many families on the waiting list for future occupancy. These are the regular, low income, rental units and consist of apartments ranging in size from one to five bedrooms. Each apartment is equipped with electric refrigerator and gas heater, stove and hot water heater.

There is a large Day-Care Center with a complete kitchen in the main office building of the Lakeside Park project. At present, the center is being operated by Noah's Ark and the Vocational Day Care classes of South Florida Junior College.

Applications are continuing to be taken for both projects at the Housing Authority Office at 404 Lakeside Park. The Authority is encouraging elderly people in the low income bracket to make application for occupancy in the Delaney Heights project. A person must be 62 years of age and have a net family income of no more than \$3700 per year to be eligible.

The units in the Delaney Heights Project consist of efficiency and one bedroom apartments. They are equipped with electric kitchens, tile baths and gas heat. In this project there is a community building that is

designed to furnish recreation for the tenants. There will be a well equipped community hall, arts and crafts room, shuffleboard courts and a coin operated laundry. All residents of Avon Park are invited to visit and inspect both of these projects at dedication ceremonies to be held on Sunday, Nov. 23 from 3 to 5 P.M. Noah's Ark Day-Care Center at the Lakeside Park Project is planning an open house at the same time.

South Florida Junior College Panthers Open Season Tonight

Thursday night at 7:30 at the Avon Park High School gym, South Florida Jr. College Panthers will open their home season against Edison Jr. College of Fort Myers. Edison is touted to be the class of Division 4 this year having picked up two Hillsborough High of Tampa players plus 610 Barry Timmons of Miami and Edison will be a tough opponent to open with. They have a very tall and quick team.

On Saturday night the Panthers host former Globe Trotter, Marques Haynes and the Fabulous Magicians in an exhibition game at the Avon Park High gym. This game will provide plenty of action and entertainment for all the family. This game will get underway at 8 P.M. Saturday night.

Monday night the Panthers will open conference play at the Avon Park gym against Florida College of Tampa. Game time is 7:30. The Panthers entered the Orlando College tournament last weekend and won two of the three games played. Thursday they topped Lake Sumter 83-78. Lost to Orlando 83-73 Friday night and romped over Jones of Jacksonville 85-72.

Two Panthers, Willie Marovich and Chuck Smith were voted to the all-tourney team. Season tickets are still on sale for all home basketball

and baseball games. Whether you are able to attend all home games or not, it's good business, to support your local Jr. College Athletic program—Buy a season ticket.

We were rusty and it became apparent that we still have some work to do to get ready for the likes of Edison Florida College, Brevard, Manatee. These boys did a fine job playing away from home in the opening game of the year and were lucky to have three fine gentlemen Dan Walsh, Will Beumel and Powell Waite to direct the team in the absence of Coach Terrell who was attending his mother's funeral.

Pre-game ceremonies this Thursday night will begin at 6:30 when the college women faculty will greet the college girl students in a basketball game. The faculty will be led by "Gee" Guready, Phillis Love, "Chamberlain," Barbara Simmons, Lucy Dermond, Joyce Jackson, and Mrs. Boone. The students will present Judy Terrell, Mary Knight, Pam Manes, Emily Beatty, Nancy Mitchell and others whose names were not available at press time.

Dr. Stallard will give a brief welcome address. Will Beumel will introduce the players. Monday, Nov. 23, the students will present the first ball and Rev. Childress will give the invocation.

Sun Will Publish Early

The Avon Park Sun will publish one day early next week for the benefit of advertisers and to give our employees the Thanksgiving Day holiday.

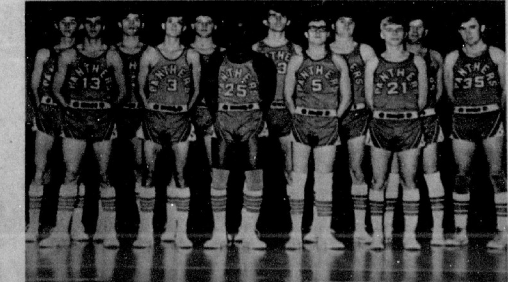

Deadlines will be moved forward, the news deadline to 5:30 P.M. Monday, classified and Sun-Shopper advertising Monday noon, Church page Friday, (tomorrow) 5 P.M.

School Board Will Review Projects Cost

Projects costs for the county school building program will be reviewed at a special school board meeting tonight. School Superintendent George F. Douglass said the meeting, in his office, will begin at 7:30 P.M. (Thursday).

At the regular school board meeting last week Douglass told the board that costs for the new high schools at Avon Park and Sebring may cost to \$50 per square foot—about a 30 percent increase over the cost for the elementary school which is now being completed.

The Superintendent said the board and architect for the high schools "need to review" the preliminary plans in light of the skyrocketing costs.

SOUTH FLORIDA JUNIOR COLLEGE
Panthers will play three straight games in Avon Park starting November 20, Edison, at 7:30 P.M., Nov. 22, The Fabulous Magicians at 8 P.M., and Monday night at 7:30 P.M. Florida College, Left to right, front row, Bob White, Okeechobee; Charley Maggenhamier,

Avon Park, Don Savage, Avon Park, John Beatty, Wauchula, and Mick Turner from Hope, Ind. Back row, Rodney Hollinger, Sebring, Jerry Stevenson, Frontproof, Bill White, Sebring, John Graham, Sebring, Will Marovich, Wauchula, Edgar Moseley, Wauchula and Chuck Smith, Punta Gorda.

FIRST FARM CITY WEEK AWARD was presented to Walter E. Nierstheimer, (left) of Avon Park, by Bert Harris, Jr., county agriculture agent, who praised Nierstheimer for his hard work, dependability and good attitude in promoting the Farm City observance.

Are We Premature?

A new county zoning ordinance controlling land use in Highlands County is upon us—and unless considerable happens it looks like it's going to be passed.

But are we ready for county zoning yet? Granted that we all want the best land use for the county. But is a rigid zoning resolution like the one that's been presented the answer to the problem?

The good people who have come up with it have worked long and hard and conscientiously to prepare this ordinance, but there are segments of our population which don't think this particular resolution is what we need and others who don't think we need it quite yet.

It means, among other things, that landowners who want, say, to turn a pasture into a noble home park, a subdivision or to some other use must go hat in hand for any change to the commission, the zoning director, the county commission. And maybe they will feel they have been treated fairly and maybe they will not after all this.

It also means the appointment of a building inspector for the county and the expenditure of many dollars because if you don't get a good one it's rough on everybody—costly delays, bad decisions, harassment even.

We feel that the men in office now are honest men. This may not always be so.

The present zoning commission is made up of a civic-minded housewife, who is chairman, and a graduate of the University of Michigan in city-community planning; a grove owner, a citrus caretaker, a rancher-businessman, a lawyer, a plumber, a school teacher, and a large landowner, all fine upstanding people.

We feel, however, it is imperative that a builder, a real estate man and an architect sit on this board which deals in actions so vital to the people in their fields of endeavor.

All in all, we feel that more time, much more time, should be given to the dissemination of information county-wide on this zoning resolution, because we're going to have to live with it forever.

Most people in this county haven't the faintest idea of what it's going to do to the county, and if they own property, to them. They should find out. It affects every property owner.

We think much more time is needed before this zoning ordinance is put into effect.

Highlands County Zoning Board Meets With Builders, Developers

There appeared to be scant interest in the new county zoning resolution when the Highlands County Planning and Zoning Commission met last Wednesday night with builders and developers.

There were only 16 people in the audience, several of whom were neither builders nor developers. But the provisions of the resolution, had alarmed some of those who were Builders Clarence Dawes declared:

"You are killing any small business man. My property will be worthless the way this board is working. I could only put two buildings on my land now instead of four. My understanding is that every lot must have 100 feet frontage on the street. Say is 1,000 feet deep — you're licked."

He added that "a builder used to be able to put eight houses on an acre, now you are cutting it down to three or four. I do not think people understand this enough to have it go through now."

Retorted county planning and zoning commission director John Short: "We are trying to upgrade the area."

Said Zoning Commission Chairman Mary Ellen Ward: "We want a healthy community. Can our economy stand not to be clean? We are in line with counties of similar size which are progressive and this would indicate we are not overly stringent."

Builder-developer R. L. Rice said the requirement that houses be 19 inches above the ground level "is higher than any place I have ever built. It is 14 inches in Coral Gables, 12 and 10 elsewhere. I would think 12" is high. It would only add costs to the builder and purchaser. In some places six inches would be enough, so where do we stop?"

Said Mrs. Ward: "We hope you will have a building code to support the resolution."

Miller Asks Do We Really Want County Zoning?

Editor

Are the people fully informed of what is going on in the county about county zoning?

Have you discussed this with your friends? Do you know what this county zoning is all about?

Let me say at first that I feel we need zoning within our cities, and within areas near our cities, but do we need county-wide zoning and can our people afford the increase in cost?

Certainly I feel that the Board of County Commissioners should have gone to the people asking if they wanted county-wide zoning before adopting an enabling act.

Let's discuss certain items within our proposed regulations.

Section 27. Schedule of Fees and Charges—Upon recommendation of the Planning and Zoning Commission, the County Commission shall establish a schedule of fees, charges, and expenses, and a collection of procedure, for building permits, variances, special exceptions, appeals, and other matters pertaining to this resolution. This schedule shall be posted in the office of the enforcing official, and may be altered or amended by the County Commission.

"No permit, certificate, special exception, or variance shall be issued unless and until such costs, fees, charges, or expenses have been paid in full, nor shall any action be taken on proceedings before the Board of Adjustment on Planning and Zoning Commission unless and until preliminary charges and fees have been paid in full."

I certainly know that our zoning board has worked long and hard these last two years, but according to the present regulation the land will be zoned based on its present use. Is this wise? Consideration of the landowners' desires for the immediate future should be given some consideration.

Under comprehensive zoning regulation 5, subheading (d), page 2—the term "Building Code of Highlands" is mentioned. What kind of a building code are we talking about? Certainly we need regulation here, but a code unrealistically restrictive could slow down construction within Highlands County and are the people ready for this?

Under Mobile Home Park (page 8)—under this section it rules out any mobile home park of less than five acres. I certainly feel this too strong a rule and smaller tracts should be given consideration.

I certainly feel another point should be given consideration. Even at this late date, if we are to have county-wide zoning why not hold a referendum and allow the people to decide what they want.

Presently, our county zoning board is beginning to hold public hearings.

It is my understanding that the Board of County Commissioners intend to adopt these regulations soon, probably within the next two months. I certainly feel that ample time be given, say six months or more to give the people time to decide what they really want before adopting such a code.

Roger E. Miller

Mrs. Ward replied "I think your warnings are probably well taken."

Commission member Ted Shoemaker interposed that "if you have a competent inspector who soon learns the ones who cheat and those who do not."

The Realtors were to have another go at the resolution Wednesday of this week.

Mobile home representative Bob Yort of Lake Placid brought up the problem of land that he now owns but does not intend to develop for perhaps 15 years.

"What do I have to go through then?" he asked.

"We anticipate you apply to the planning and zoning director who would refer the problem to this body and we then would recommend to the county commission," Mrs. Ward replied.

Commission member Bob Barben said "I think mobile homes should be in mobile home subdivisions or parks. I think a mobile home deteriorates values of the general home or house."

Mrs. Ward appealed to people who have suggestions for changes in the resolution to "put them in writing." She said the general practice of the commission has been to recognize existing land uses, and the resolution recognizes this is primarily an agricultural county.

The commission, she said, has been working for two years on to four nights a month to "develop a useful zoning plan."

Members of the commission

LEWIS LLEWELLYN

Should We Back War Protesters?

Can a Christian support the "moralists," the protesters, the marches, and other means of demanding that we immediately abandon our allies in South Vietnam?

The answer is, "Yes, if he doesn't mind being on the same side as the Communists."

These words may stir the ire of some who consider themselves perfectly loyal citizens, opposed to Communism, but also opposed to the present U.S. policy on the war.

But let us face the facts.

Reds Pleased

In an open letter to the leaders of the October "moralist" North Vietnamese Premier Pham Van Dong addressed these people as "Dear American Friends."

Gus Hall, general secretary of the U.S. Peace Party in the U.S., has referred to the October 15 "moralist" as the most "magnificent demonstration of anti-imperialist sentiment in the United States." When he says "anti-imperialist," you know he means anti-American.

A Viet Cong document, dated

October 27, taken from the body of a man presumed to have been either a Viet Cong courier or a liaison officer for the Communists in Viet Nam, said, "In support of the upcoming struggle of the American people for peace of South Viet Nam and the withdrawal of U. S. troops from South Viet Nam, we are to launch intensive attacks in all aspects on the enemy on November 14-15."

Since it is clear that the Communist, on an international basis, are coordinating their activities to coincide with the marches and "moralists" here, every Christian should think twice before being involved in these activities.

Are church leaders who urge participation in such public demonstrations and marches actually following the Master — or are they going in the opposite direction?

When the Master said to His disciples, "Follow Me," it is this what He meant us to do?

When Christians assist Communists in attaining their objectives, it is an act of almost incredible naivete — assuming that it is not deliberate dis-

loyalty — because, when Communists take over a country, church leaders and prominent Christians are among the first to be eliminated by the firing squad.

What will have to happen before Christians who have allowed themselves to be led into cooperating with this anti-Christian movement come to themselves and begin again to listen to the Master?

Way of Redemption

When will churches turn from the perilous path of social and political action to the proclamation of the good news that man's redemption comes not through a changed society but through a changed person?

There is in the Bible no prescription for the transformation of society in any other way than that, "If any man be in Christ, he is a new creation. Old things are passed away. Behold, all things are become new—and all things are of God."

There is no danger in the proclamation of this message—only a great hope for improvement in individual lives and in the society in which we live. But there is grave danger in the course now being followed by some of our church leaders. Will they turn in time?

\$4,386,000 Is Spent On Autos Each Year In Highlands County

Highlands County's auto population is large and is steadily growing larger, according to the latest figures on car registrations.

Local residents, enjoying better incomes in recent years, have been going for the new models in a big way, trading in their older ones or keeping them as second cars for themselves or for their teenage children.

As a result, the family car market is in prospect being spent today for the purchase of cars. More money is being spent, also, to maintain and service them.

The expenditures in local service stations alone, for gas, oil, repairs and incidentals in the past year added up to \$4,386,000. By way of comparison, five years ago it was \$3,850,000.

The facts and figures on auto populations and operating costs are given, for all parts of the county, by the Standard Rate and Data Service.

It shows that there were 138 passenger cars in use in Highlands County for every 100 families at the beginning of this year, a relatively high ratio.

In addition to the better incomes earned today, which have brought car ownership within

the reach of most families, other factors that have contributed to the increase in the auto population are the better roads that are now available and the great need of the automobile for transportation, now that so many more people are living in suburban areas.

In Highlands County, it has produced an increase in automobile registrations from the 10,480 listed in 1964 to the 12,120 reported this year.

As for the near future, the National Industrial Conference Board believes that "a bulging auto market is in prospect fueled by younger and more affluent families."

It finds that consumer spending for new cars is increasing faster than disposable personal income. Currently, about six percent of the average family budget goes for car purchasing.

BABSON'S POINT OF VIEW

By Babson's Reports Incorporated, Wellesley Hills, Mass., November 20, 1969. While World War II caused great disruption throughout the world, it did accelerate advances in weapons and technology. An obvious example was the development of the atomic bomb, which hastened the end of the war with Japan. At that time there was great promise for the peaceful use of atomic energy, primarily as a new source of electric power. However, in the years since 1945, relatively little progress has been made in this field as compared with the pace of developments in the 25-year space following the discovery of oil and electricity. While nuclear generating stations abound, their power production ranks small as a percentage of total output.

The Atomic Age

Nevertheless, there is no doubt that we are now in an age that will see growing demand for electric power and the proliferation of nuclear reactors to supply this demand. It has been estimated that by the end of the century much of the electric power produced in the United States will derive from the atom. But before then this infant industry must undergo a certain amount of reworking. Currently some electric utilities are bypassing nuclear reactors in favor of the easier-to-build coal- or oil-fired plants rather than nuclear plants with long construction lead times and escalating costs. These are serious roadblocks to their widespread use as sources of electric energy.

A New Union

Another industry is coming into the picture as well as nuclear reactors, however. The chemical industry uses large volumes of steam in some of its processes, and nuclear power is ideal for this purpose, sometimes with electric power a secondary product. Other applications of the atom are being cited, ranging from desalination of water to direct extraction of minerals and chemical elements.

Uranium and Nuclear Fuels

If we believe in bright prospects for nuclear energy, it is obvious that somewhere in the future there will be a great demand for fuel to feed the reactors. By 1980 domestic demand for uranium oxide is expected to exceed 20,000 tons annually. World-wide requirements added to this indicate a large market for the scarce "yellow cake." Further evidence of faith in nuclear energy is given by the attraction that nuclear engineering has for the oil companies.

Already, petroleum concerns have become renowned geologists and have accumulated a wealth of data in the course of oil drilling. Most major oil companies have positions in oil, coal, and natural gas; so uranium and nuclear research round out their total energy posture.

Where We

Following are examples of the types of nuclear activity in which oil companies are involved. Many are not yet in commercial production in these fields, but in time nuclear reserves could be important.

Standard Oil of N.J. — Exploration in the far West plus proven uranium reserves in Texas, estimated at 5 million pounds. Babson's Reports currently favors purchase of Jersey.

Continental Oil—Nuclear fuels

Oil Companies and the Nuclear Age

for the utility industry; participation in mining and oilfield stimulation via nuclear explosives. Bu.

Gulf Oil — Reactor development, nuclear fuel assemblies, and uranium exploration. Subsidized a leader in reactor construction. Kerr-McGee — Exploration.

Olin Colip Dies Friday

Olin Colip, 79, died Friday, Nov. 14. He was born in Hamilton County, Ind., and had lived in Avon Park for the past 11 years.

He was formerly with the FBI. He was a Methodist, a Mason and a member of the

mining, and processing of uranium. Substantial backlog of commercial orders for nuclear goods and services.

Atlantic Richfield — Represents spent nuclear fuels. Develops a plutonium-cadmium pacemaker for human heart stimulation.

Elks.

He is survived by his widow, Mrs. Sally Colip. Masonic services were held Saturday at Scott-Stephens-Smith Funeral Home. Burial was in Bougainville.

EPISCOPAL CONVENTION

Last month two sections of the former Episcopal Diocese of South Florida separated to form two new dioceses: Southeast Florida and Southwest Florida. The Rt. Rev. James L. Duncan was elected Bishop of the former, and the Rt. Rev. William L. Hargrave, Bishop of the latter area. The remaining area, Central Florida, will meet in special convention at the Cathedral Church of St. Luke, in Orlando, December 3rd. The business will be to elect a secretary, elect a bishop to succeed the Rt. Rev. Henry I. Lottitt, and to adjust the constitution and Canon to conform to the new area geographically.

Some Diocesan Boards and Committees will have to be brought up to normal size due to former membership residing in areas of the new Dioceses. Bishop Gray has for older people, and Camp Wignam will be owned by the Diocese of Central Florida, but administered by Boards with all three Dioceses represented. Finances will be shared likewise.

Delegates to the coming Diocesan Convention from the Church of the Redeemer, Avon Park, will hold over from the last convention: James A. Johnson, Paul J. Calvert, and George R. Cone, with Karl E. Swanson as alternate. The Episcopal Churchwomen of the new Diocese will convene Wednesday, Dec. 10th at Orlando to organize for the new Diocese. Delegates holding over from the last Convention will be, from Redeemer, Mrs.

Episcopal Women Hear Of Church Changes

The Episcopal Church Women met Wednesday, Nov. 12 in the parish house of the Church of the Redeemer for the regular monthly meeting. After a short "coffee", Mrs. S. Francisco called the meeting to order. Mrs. George Love led the devotion with Bible reading and prayer. Mrs. Ed Hall introduced Father Antonio Pons, of Our Lady of Grace Catholic Church, speaker for the day. He gave a very interesting talk on the changes in the Roman Church and the relationship of the Roman Church to other churches.

The business meeting followed. Mrs. Ed Hall reported on the program of the drive for funds for the addition to the church kitchen. The vestry has asked for estimates and hope to start building in a short time.

Mrs. Sherman Francisco told members that the date of the Winter Park convention coincides with the next meeting on Tuesday, Dec. 16. This will be the Christmas covered dish luncheon. Members are asked to bring their own table service and dish to past. Dessert and beverage will be furnished.

It was reported that Spaghetti Day had served a good number of guests but all bills had not been turned over to Mrs. Ed Hall and she was unable to give the full report.

Next meeting, December 16. It is hoped for large attendance for the last meeting in 1969.

If dolphins are as intelligent as suspected, they'll refuse to communicate with man.

Children Dine On Venison

The 16 children who are currently housed at the new juvenile home are rally living it up this week at the dinner table, where they are being served venison.

The game and fresh water fish commission people brought them a doe which had been shot accidentally. The bigger boys at the home butchered the animal and put it in the freezer.

There are other goodies at the home this week. President Virginia Helman reported. The Don Pillinger have given a bike to the home, and Hobbs Hill has planted the planter at the front door. Mrs. Lanny Swift has donated \$190 toward a softball diamond.

Mrs. Helman said Youth Care has had \$500 donated this far toward a playground expected to cost \$1,000, which includes the baseball diamond.

The children now at the home range in age from a three month old girl to a 16 year old girl.

GREAT THINKERS AGREE:
Christ: "As a man thinketh in his heart, so is he."
Marcus Aurelius: "Your life is what your thoughts make it."
Hindu teachings: "Man becomes that of which he thinks."
Buddha: "The mind is everything — what you think, you are."

Funeral services were held Sunday, Nov. 16, at 2 P.M. from the Mizell Funeral Home with Rev. Duane Zoller officiating.

Services and interment will be held Wednesday, Nov. 19, at the Harry W. Moore Peace Chapel, Indianapolis, Ind. Burial was in Memorial Park. She is survived by her husband, Mr. Harold Michels, and sister, Mrs. Josephine E. Hardy of Indianapolis; One niece and two nephews.

Thanksgiving Communion This Sunday

The Lord's Supper will be celebrated this Sunday morning at the 10:30 o'clock service of worship at the Union Congregational Church. Rev. John L. Knapp, rector of the Episcopal Church of the Redeemer will preach the sermon. Mrs. Samuel O. Norris will be the soloist. This service is sponsored by the Avon Park Ministerial Association.

"Search," a color film, will be shown at the Family Night supper on Sunday evening at 6 o'clock in Fellowship Hall. This film stresses some of the pressing problems being faced by the church in Rhodesia as that country reaches toward self-attainment. Much has been written in the press about this African country since it broke away from Great Britain. An interesting evening is assured. This program has been arranged by the Neighborhood and Missionary Education Committee.

Members and friends of the church are asked to bring a covered dish and table service.

Shakespeare: "There is nothing good or bad, but thinking makes it so."

"ARE YOU..."
"CAREFUL WITH FIRE!"

Telling the News Before It Happens

By DAVE LLEWELLYN

Many people were skeptical in March, 1967, when Maurice Woodruff, one of the world's most trusted clairvoyants, predicted that Richard Nixon would be the next president of the United States — and they were amazed, a year and a half later, when the election results confirmed the prophecy.

How does that affect you? What if that prediction had been made a hundred years before Nixon had been born, by a foreigner who had never been in America—would you be impressed? What would be Nixon's most important action while in the White House? Would you be surprised? Well, you don't have to wonder about this hypothetical case, because a prophecy equivalent to this has been fulfilled.

Puzzling Prophecy?
About 27 B.C. Isaiah the prophet prophesied for Jehovah: "I am Jehovah... that saith of Cyrus, He is My shepherd, and shall perform all My pleasure, even saying of Jerusalem, She shall be built; and of the temple, 'Thy foundation shall be laid.' (Isaiah 44:28)

The prophecy must have been puzzling to the people of Judah, because it called for this Cyrus—a man who was not yet born—to rebuild a city and temple that hadn't been destroyed!

After 100 years passed and the prophecy seemed no closer to fulfillment, Jehovah through Jeremiah began to proclaim when these events would occur: "I will send unto Nebuchadnezzar the king of Babylon, My servant, and will bring them against this land... And these nations shall serve the king of Babylon 70 years."

Lutherans Plan Christmas Party

The November meeting of the Lutheran Church Women of Resurrection Lutheran Church was held at the church with a good attendance. Meeting opened with prayer by president, Mrs. Lucille Hurst.

Devotions were led by Mrs. Mervin Rehner, secretary and treasurer reports were discussed, several projects were heard by the members.

Plans were made for the Christmas party, Rev. E. G. Greig closed the meeting with prayer.

Next meeting will be December 10, as a Christmas party with the husbands as guests.

Children Dine On Venison

The 16 children who are currently housed at the new juvenile home are rally living it up this week at the dinner table, where they are being served venison.

The game and fresh water fish commission people brought them a doe which had been shot accidentally. The bigger boys at the home butchered the animal and put it in the freezer.

There are other goodies at the home this week. President Virginia Helman reported. The Don Pillinger have given a bike to the home, and Hobbs Hill has planted the planter at the front door. Mrs. Lanny Swift has donated \$190 toward a softball diamond.

The children now at the home range in age from a three month old girl to a 16 year old girl.

Highlands County Medical Society In Lake Placid Holds Meeting

Highlands County Medical Society and its Auxiliary held their monthly dinner meeting Monday night in the Grand Prix room at the Holiday Inn of Lake Placid.

Mrs. Kathleen Tyler, of Lake Placid, in charge of table decorations, carried out the theme of Fall colors in the beautiful centerpiece and small cornucopias holding vegetables, etc., surrounded of Winter Haven, presented a program on "Echocardiography" by the doctors, while the doctors wives held their auxiliary business meeting in an adjoining room.

Mrs. Betty Coleman, auxiliary president, presided at the

meeting. Committee reports were called for and given. Also a report on the Fall Conference held in Gainesville, was given by the two delegates who attended.

Mrs. Pat King of Avon Park, Auxiliary members attending from Lake Placid were Lisa Eisenhardt and Kathleen Tyler. From Sebring, Shirley Hurley, Lillian Johnson, Norma Renegar, Lorraine Waters, and Yail Weems. From Avon Park, Betty Coleman, Neethangiz Jak, Pat King, Grace Larsen, Edie Martin, Irene Osborne, and Mark Ostling.

Ann Karrick Presents School Board With Appreciation Certificate

The initial response to Highlands County's first attempts at ungraded schools is good, according to a preliminary report Supervisor J. F. Smith gave to the Highlands County School Board.

At the November meeting the board received Smith's first report on the programs begun at Hopewell and E. O. Douglas schools this year. He said parents and teachers like the new approach.

Lake Placid Elementary library was given permission to enter into a lease-purchase agreement for new books at a cost of \$53 a year for three years.

Lake Placid Junior Woman's Club was given permission to distribute in the ninth grade civic classes of the county a booklet by Judge Bowen Hunt on teenagers' relation to law.

Avon Park Girl Scouts were denied use of a school bus to visit the Florida state fair.

Florida Power Auxiliary Meets Monday

Teachers for Hopewell and Douglas attended a special school fair for two weeks before classes opened in September and special consultations are being held throughout the year to "work out the bugs as they appear."

The Florida Power Auxiliary met Monday night, Nov. 17 at the Lounge at Main Street.

Louise Birt, president presided over the business meeting. Plans were made for their annual Christmas party.

The children's party will be December 19 at 7 P.M. at the Club house on Lake Letela. Mrs. Carolyn Gray was appointed chairman of gifts, with Mrs. Elsie Sharpe and Mrs. Vi Mosley Birt assisting.

Mrs. Lacy Derkman appointed to the refreshment committee assisted by Mrs. Mary Ellen Fletcher.

Adult party will be held December 20, and the Teen-Age party "which is looked forward to each year" will be December 22 at the Clubhouse on the lake. Chairman Elsie Sharpe assisted by Mrs. Wilma Kanger, Mrs. Carolyn Gray, Mrs. Louise Birt and Mrs. Vi Mosley Birt.

Officers were elected for the following year. President Elsie Sharpe, Vice President, Wilma Kanger, Secretary, Wilma Kanger, Treasurer, Olga Bridges.

Assorted bars and cookies were served with coffee and hot chocolate by hostesses Louise Birt and Wilma Kanger.

The December meeting will not be held, being replaced by the Christmas festivities. It will be announced later the date of the January meeting.

Town Topics

Ann Carter
GL 3-4355
GL 3-4351

Mr. and Mrs. Harold Nute are the proud grandparents of a baby boy, born November 15, to Rev. and Mrs. K. C. Cannon (Chuck and Sally) of Madison, N. J. Little Aaron Scott, weighed seven pounds, eight ounces, and joins a two year old brother, Timothy.

Circle III of the United Methodist Church will hold their annual soup sale at the church, 11 till 2 P.M., November 22.

The Business Women will sell fruit cake on the street this Saturday. Stop and buy.

Mary Lou Stewart, daughter of Mr. and Mrs. Ben Stewart of Avon Park who is a student at the University of South Florida, was home over the weekend with three guests, also students of the University, Cathy Kirtstein, Diane Mahoney and May Lou Dodge. While here they had a cookout at Highlands Hammock and visited other places over the county.

Weekend guests of Mr. and Mrs. Henry Caffee were Mr. and Mrs. H. D. Overstreet from Melbourne Beach and Mr. and Mrs. Bill Baker and sons, Tracie and Jordon.

Mrs. Mildred Logan and Mrs. E. K. Moore visited with their nephew, Dr. W. Y. Bennett in Pensacola. They visited with friends in Appalachicola while there they attended the Seaford Festival.

Mr. and Mrs. Wendell Smith and Kim attended the wedding of Mrs. Smith's niece, Lynn Marie Carnes to Mark Holaburg at the Palm Beach Towers last Saturday.

The junior high majorettes taught by Bill McDaniel participated in a twirling contest last Thursday. Laura Rehner received a trophy for the best twirler. Judges were Ann Mickunas, Loretta Ellis and Van Ott.

Carl Holden, son of Dr. and Mrs. H. W. Coleman, a former Avon Park Red Devil star, who is a senior at Norwich University, Northfield, Vt., finished his football career in a blaze of glory. Carl was the line backer and point after touchdown kicker. In his final game he kicked eight straight P.A.T.'s, as Norwich defeated Worcester Tech 56-0. This eight straight P.A.T.'s set a New England college record.

Carl kicked 20 out of 24 tries for the season.

St. Fred Crawford, son of Mr. and Mrs. Algie Crawford is home on a 15-day leave from his home base in San Antonio, Tex. He will spend Thanksgiving with his family before returning to receive the award.

Steve and Neil Roberts, of Ridge Florists, have moved to their new floral location, 420 W. Main St.

Their place of business is beautifully landscaped and they have added to the building with their glass window in front. Look for their annual open house for Christmas.

Hess Oil Distributors held their annual Christmas party at the Diplomat Hotel in Hollywood last Wednesday and Thursday.

Alton Elder from Hess Oil, Avon Park was one out of 10 of the top dealers in the state to receive recognition. This was Alton's second year to receive the award.

Over 300 Hess Oil Dealers from the state of Florida attended.

Rebekah President Visits Here

Sister Sally Rowe from Jacksonville, President of the Rebekah Assembly of Florida made her official visit to Eleanor Seaverns Rebekah Lodge No. 65 Monday night Nov. 17.

A banquet was held at Wesley Hall at the First United Methodist Church at 6:30 P.M. Monday night with the singing.

Lillian Seeger and Bessie Jewel Howard was in charge of the table decorations. Flowers and fruit were donated by Ramsey's Ben Franklin with small tokens from St. Stephens Smith Funeral Home.

Middle Funeral Home, Starlings City Market, Ridge Florist, Easons Department Store, Hooper's Real Estate, Hooper's Moving Co., and Mrs. Vicki Flowers sang several selections for the entertainment.

After the banquet the meeting was held at the Lions Club house where Mrs. Rowe emphasized friendship. Assembly Vice President Hans Robinson and President Lois McCreary, and Marshall of the Assembly, Myrtle Spill, District Deputy President Lois McCreary from Sebring, were honored guests for the evening.

Visitors were from Arcadia, Sebring, and Winter visitors.

Hostesses for the evening, were Bertha Barker and Virginia Carmichael.

Mrs. Wayne T. Wolfson

CARD OF THANKS
Expression of thanks is tendered to the neighbors and many friends for their loyal, faithful acts of kindness during the long sickness and passing of Wayne R. Wolfson.

History Of Grange Given At Meeting

Avon Park Grange No. 203 held November 11 with Master Louise Clarke, in the chair. Four of our Winter guests were welcomed back. Mr. and Mrs. Lloyd Wyant of Castle, N. Y. and Mr. and Mrs. Keith Debo of Clyde, Ohio.

Avon Park Grange will host Pomona Grange No. 10 in the Florida Power Lounge on Friday evening, Dec. 5 at 8 P.M.

Mr. and Mrs. E. H. Fullmer, of Mr. and Mrs. Lloyd Wyant, were planning to spend several days at Daytona Beach where the National Grange is now in session.

The Lecture hour stressed the anniversary of the Grange and Thanksgiving. The Grange was organized December 4, 1867 and now has nearly three quarters of a million members in 39 states, Canada and the Philippines. 7,000 local or subordinate Granges, and owns 5000 Grange Halls. The National Grange is the preeminent, financial and legislative body of the Order. Meeting in annual session, composed of delegates representing the several states.

A brief history of Avon Park Grange was given by the secretary, Mrs. A. R. Haviland. The first officers of Avon Park Grange were installed November 8, 1868. Two contests were presented by the lecturer, Mrs. E. H. Fullmer. When the frost is on the pumpkin was recited by Keith Debo. The local number was a report on Highlands School for Girls. Thought for the day—We can start worrying about the future of our nation when people try to get out of it instead of into it.

Refreshments were served by Mr. and Mrs. A. R. Haviland during the social hour. The next meeting will be held November 23 at 8 P.M. in the Junior Sunday School room of the First United Methodist Church at which time officers will be elected for 1970.

Southland Trailer Court News

By Bessie Paxton

Tuesday last week Ann Antony, Emma Gerdes and Golda Dunn went to Ft. Myers to visit Leona Hopkins who lived in our park for a number of years. She was not feeling so well as when they last saw her. On their way they stopped in Punta Gorda to visit the Senators, who have occasionally visited in the park.

Mrs. Wooten was presented with a corsage and both were presented with a gift of a new television set.

NEW RECORD
Florida Power Corporation's 270 employees have reached a new all-time high in number of safe man-hours worked without a lost-time accident. A P. record began on January 15, 1969.

The new record of 4,000,000 man-hours without a lost-time accident continues to add to a record begun on January 15, 1969.

Snake. Variation is the spice of life. We are told. The ladies ate a good lunch and had a fine time.

Saturday was a cold day for the "flea market" at Sunny Ridge Trailer Court. However, several from our park entered articles. We hear these public sales are to be once a month. So call or see Mr. Johnson at Sunny Ridge to learn the details of entrance.

Ben Henningsham, together with several other Knights Templars attended Winter Haven Commandery to pay honor to the Grand Commander of Knights Templar of State of Florida, who with many of his official family also called.

Mr. and Mrs. Walter Gingery and their son, Dr. Robert Gingery of Bloomington, Ind. were recent callers at the Hutchens. Dr. Gingery is pastor of First United Methodist Church of Bloomington.

Hetta Cook, Harriet Meisel, Winnie Lumpkin and Hattie Hutchens attended Circle 4 luncheon at 12 Noon of WSCS of First United Methodist Church on Tuesday.

Mr. and Mrs. Stanley Shilling of Orange Villa Estate at Sebring visited Hetta Cook and Harriet Meisel recently and Sunday afternoon Hetta and Harriet visited the Shillings.

Belated 'Happy Birthday' Winnie.

Elmer and Blanche Kirkcote called on her uncle, Chester Byerly, of Sebring, Sunday afternoon. They all attended the "Hymn Sing" at the Winter Guest Club at Sebring.

Friends were happy to see Russell Lumpkin accompanied with Byron Jeremy out for a walk Tuesday afternoon. We hope some good washings and more sleep are inviting for more walks.

On Wednesday Betty Peterson and Carol McCreary, Golda Dunn, Laura Bernthal and Dorcas Young visited for a shopping spree. On the way Betty ran over a large snake. We have always heard a gentle driver should be in every car. The male snake has not been reported. Father Adam's plight and sees no reason to let a snake live. Secondary however, the ladies drove on hoping they had killed the

Mr. and Mrs. Fred Wooten Celebrate Wedding Anniversary

Mr. and Mrs. Fred Wooten, of Frostproof, were honored with a surprise dinner party, November 11, honoring their 50th wedding anniversary, at the beautiful home of Mr. and Mrs. Phil Wooten on Lake Ida.

The theme of the traditional wedding scene was carried out with wedding bells added to decor.

Helping to celebrate the occasion were Mr. and Mrs. Phil Wooten, Mr. and Mrs. Noel Shiver, Frostproof Park, Mr. and Mrs. R. P. Love, Lake Walea; Mr. and Mrs. Guy Richards, Frostproof, Mr. and Mrs. Wymon Wooten, Frostproof, Mr. Virginia Lyles, Frostproof and Lake Walea, Carney of Lake Walea.

The honored couple have seven children, 25 grandchildren and four great-grandchildren.

Mrs. Wooten was presented with a corsage and both were presented with a gift of a new television set.

Business Women Plan Yule Party

Plans were completed for the annual Christmas party for the Business Women's Club during their meeting Monday, Nov. 17, held in the club house.

In keeping with Thanksgiving, traditional arrangements of harvest scene, decorated the tables.

President Esther Johnson presided over the business session. Reports were read and approved. It was voted to contribute money to the Chamber of Commerce toward the city Christmas decorations.

Claxton Fruit Cakes are going fast. What is on hand will be offered for sale by members of the club, Saturday, Nov. 22, in front of Touchton's Drug store. Buy your fruit cakes from them for your Thanksgiving dinner. Priced at \$1.25 per pound and full of nuts and fruit.

New members and guests were introduced. Thirty members attended.

Hostesses, Rena Smith, Neva Atherton and Ann Carter.

Hibiscus Circle Tour Highlands Hammock

On Thursday, Nov. 13, members of Hibiscus Garden Circle enjoyed a tour of Highlands Hammock conducted by Mr. Marshall, the ranger.

Following the tour members of the guests enjoyed lunch in the park. During the lunch a business meeting of the circle was held with Mrs. George Kelsey, president, in charge. It was decided by the members to take as their Christmas project the decoration of the pier of the new post office, permission having been given by R. D. Young, the postmaster.

Mrs. Kelsey appointed a committee to carry out the project. Members were requested to meet on December 11 and of the bazaar which will be on December 4 and 5 on downtown Main Street.

Frank Pollard Dies Sunday In Arcadia

Frank Pollard, 63, 772 S. Hibiscus Ave. died Sunday in Arcadia. He was born in Polk County and had lived for 18 years in Arcadia. He was a citrus buyer, real estate broker and a member of the First Christian Church.

Survivors include, his widow, Mrs. Maxine Pollard, Arcadia, one daughter, Mrs. Fay Raulsen, Arcadia, his mother Mrs. Susan Pollard, Avon Park, four brothers, Arthur, Avon Park, Moseley, Avon Park, Isaac Frostproof, and Dewey Pollard, Lake Wales, and one sister Mrs. Nedie Roger of Arcadia.

Services were held Tuesday, November 18, at the Roberts-Grady Chapel in Arcadia with the Rev. H. M. Hiden officiating.

Burial in Oak Ridge Cemetery, Arcadia.

Fund For Decorations Pass \$2,000 Mark

The fund raising drive for Avon Park's new Christmas decorations has passed the \$2,000 mark this week, according to Robert R. King, Jr., chairman.

Donations amounting to \$135 were received during the past week from Wells Motor Company, C. E. Crews, Delaney Hardware, T. J. Ward, Avon Park Woman's Club, and Mrs. McKinley Cook, Jr., and Neimars.

Crews from the City of Avon Park, Florida Power Corp., and United Telephone Co., installed the decorations this week. Plans are to light them at Thanksgiving.

DEVIL'S TALE

Vol 1, No. 2

Avon Park High School, Avon Park, Fla.

Nov. 20, 1969

HOMECOMING QUEEN, runners-up, and escorts from left to right are, Donald Johnson, Janice Fletcher, Mike Slear, Diane Murphy (Miss Homecoming), Harvey Jones, Sandra Dorsey.

Menus Given For TG Week

Preceding the Thanksgiving Holiday November 27-28, the school lunch menu will consist of a variety of foods. They are as follows: Monday the 24th: Beef-A-Roni, tossed salad, peach cobbler, French bread, milk and butter. Tuesday the 25th: Turkey, dressing, Cranberries, broccoli, pumpkin pie, bread, milk and butter. Wednesday the 26th: Hamburger on a bun, cole slaw, green beans, onion rings, milk and butter.

CARD OF THANKS
APHS Glee Club appreciates all who bought candy from members of the club. Over \$2,000 has been collected, but the total figure isn't complete.

EDITORIAL

A Hairy Question

A person's hair is his own and so is his school. We believe that if the rule on hair in our high school was changed or at least modified a little the responsible people here wouldn't go to any great extremes and look like slob.

There are many conflicts, pro and con, but the main argument is that the irresponsible people in the school would abuse the right to wear their own hair style, growing exceedingly long hair and having it unkempt. These people could be dealt with just like the people wearing so-called long hair are dealt with now.

Why should the majority of responsible, caring people be restricted on the basis that a minority will abuse the right?

There is a period of change NOW and Avon Park can't be isolated from it.

Mike Slear

CELIA ELDER, Miss Flame for 1969-70, shown above.

Alcohol Expert Conducts Class For One Week

Miss Criner's second period Modern Family Living class had a very exciting week November 3, through 7.

The class invited Don Thiemme, Director of Information Services for the local alcohol center, to talk on alcoholism.

For the first four days the class talked, debated, and discussed the topic of alcohol.

The one question that continuously popped up was, "Why shouldn't teenagers drink?"

During the week the class saw several films. Mr. Thiemme also handed out some very interesting brochures.

Friday, Nov. 7, the entire class took a field trip to the A.R.C. The students interviewed four of the patients from the Center.

The class agreed the week was most enjoyable.

Boundaries

The Isthmus of Tehuantepec forms the northern boundary of Central America and the Isthmus of Panama forms its southern boundary.

Three From APHS Chosen As 'Outstanding Teenagers'

Three APHS students, Diane Murphy, Susie Skipper, and Walter Nunnallee, have been chosen as Outstanding Teenagers of the year for this school. They were nominated by a group of teachers as the basis of their ability and achievement.

These students are now eligible to compete for the Governor's Trophy to be given to the outstanding student in the state. The state winner will then compete for recognition and a scholarship in the national contest. The scholarship is provided by the Outstanding Americans Foundation.

Veterans Day Assembly Features Civics Class, Glee Club Speaker

A patriotic program was presented to the student body on November 11, to commemorate Veterans Day.

The Glee Club sang five songs. They were: "Lift Every Voice and Sing," "With All Your Hearts," "Battle Hymn of the Republic," "Give Me Your Tired, Your Poor," "Red, White, and Blue March."

Mr. Paul C. Foraker's 5th period Civics class presented a skit. The cast dressed as old veterans and acted as if the members were in a veteran's meeting. They had a guest speaker and they all drank martinis (Sprite with an olive in it).

The members of student body were the guests at the meeting, in which they joined in the activities.

The cast had fun putting the play on for the school. It included: Bill Phillips, speaker; David DeLaney, teacher; veteran; Jill Stone, waitress; Couples: Nedda Streth and Jarvis Hart, Debbie Robinson and Edward Culbertson; Connie Howard and Lorenna Williams; Miss Bass and Gary Bagwell; Carol Wicker and Charles Seelgrove; Narration by Carolyn Woodard and Carolyn Woodard wrote and produced the play.

Guest speaker for the assembly was Dr. William A. Stallard, president of South Florida Junior College.

Course Given By 9 Schools — APHS Is One

ECOP (Engineering Concepts Curriculum Projects) is a new course being offered at APHS this year. One out of nine such classes in the state, the course teaches logical thinking and the students learn by doing things.

School money was spent to buy equipment for the course. All this equipment is used for the course and the students may take it home with them overnight. Later in the year the students will be able to type questions to a computer in Atlanta and receive an answer in two seconds at the most.

The class is offered to high school students who feel they can do the work and who have the ability to learn. This year's class instructor, this year's roll includes: Lia Blackston, Beverly Wicker, Sandra Dorsey, Calvin Stone, Bill Nickolay, Mike Landress, Leroy Collins, John Newton, Ralph Henry, Jim Williams, and Bruce Streth.

Assembly Held Regarding Song

Student Advisory Committee called an assembly for grades 9-12 Thursday, Nov. 6, in the high school auditorium. Purpose of this assembly was to discuss the song "Dixie."

There has been controversy between the black and white students concerning this song. Mr. Garrett read viewpoints composed by both black and white students.

Several faculty members commented on the attentiveness and good behavior of the students.

Bandsmen Pick '69-'70 Officers

APHS Band officers for the year of 1969-70 are:

Milton (Manny) Howard, captain; Sarah Turnbull, Holly Reddick, Sarah Williams, Mike Bradberry, James Miller, Tommy Capel, Martha Mosley, Gwen Sharp, Glen Minns, Tim Williams, Carol Wicker, Edward Ezell, Barbara Miller, Tommy Capel, Sergeants: Butch Seelgrove, Corporal.

Drum marching contest will be in Leesburg November 22. Also the APHS Band marched in the Lake Placid November 7, and marched in for Avon Park for the Veterans Day Parade November 11.

Nov. 11—AP 14, Sebring 20.

What's it like being a Drivers Ed teacher? Mr. Fred Sandlin, driving instructor for APHS, said that being a Driver's Ed teacher wasn't any different than being any other teacher. You still have the responsibility of seeing that students do their part, and that they try.

The first five weeks of Driver's Ed is spent in class learning the fundamentals and responsibilities of owning and driving a car. The last part of the semester is spent learning how to drive, and actually driving.

Some of the students who take Drivers Ed have never driven before, most students agree Mr. Sandlin works hard on teaching them to drive.

NANCY CINI and Walter Nunnallee were chosen Miss Blabbermouth and Mr. Irresistible, by placing pennies in a can. Each penny counted as a vote.

KAMPUS KQUESTIONS

Do you think the student council is a worthwhile, helpful organization at APHS?

Mangy Howard—12 grade—"Yes, but I think the students should take more interest."

Debi Bowen—11th grade—"Yes, it helps kids understand more what the school is about."

Brad Giddens—10th grade—"No, you don't have any say-so about anything that goes on."

Cindy Green—9th grade—"I don't know."

T. J. Kinyon—12 grade—"Yes, because it sponsors the homecoming dance."

Jerry Wise—9th grade—"Sometimes it is, sometimes it ain't."

Mike Slear—12 grade—"No, it's a big farce."

Jim Williams—12th grade—"It would be much more worthwhile if it would serve as a student form for problems and student involvement."

Bill Phillips—9th grade—"Yes, they represent us to the faculty."

Foy Hall—12th grade—"Yes, and if you want to know, why see me."

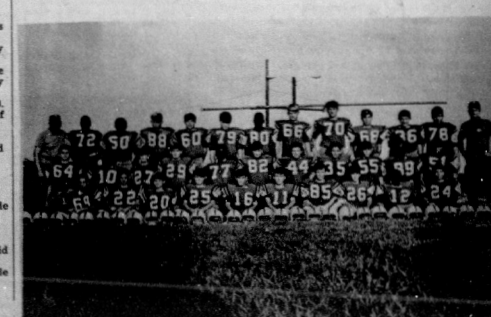

Tony Lewis—7th grade—"Yes, it helps to decide lots of things."

Jamie Tomlinson—7th grade—"Yes, because it helps students build up a piece of mind."

Officers Named By Soph Class

Tenth grade class of APHS elected new officers for the 1969-70 school year. They are as follows:

Donald Sizemore—president.
Howard Sizemore—vice president.
Laurie Burch—secretary.
Candy Reddick—treasurer.

8 SQUAD on the move—Front row, left to right: Ricky Lenter, Denny Lewis, Timmy Underwood, Bruce Peterson, Arlie Bass, Gregg Hart, Eugene Flowers, Jimmy Cole, Anthony Williams, Bill Phillips. Second row: Jimmy Hopson, Leon McRae, Roy Lamb, Eddie Ezell, Glen Gray, Bud Wester, Gary Meyers.

Del Murphy, Andy Prescott, Earl Strong, Charles Johns. Back row: Coach Culbertson, James Walker, Johnnie Edwards, Bobbie Stoops, David Mosser, Ray Culpepper, Nathaniel Packer, Ted Long, Tim Shields, Mike Talley, Wayne Todd, Virgil McLeavel.

More Devil's Tale On Page 2B

SHERRI ELDER shown above in the devil costume, shows a symbol of Red Devil spirit at the Homecoming game.

FHA Holds Initiation With Balloons, Oysters

New members of FHA had their informal initiation on October 13, under the supervision of Mrs. Violet Moseley, Miss Joy Criner, and Mrs. Sue Brown. It involved everything from sitting on water balloons to eating cow ears (yesters).

The formal initiation took place on October 27. The guest speaker was Reverend Danforth, chaplain of Walker Memorial Hospital.

Officers of FHA are:
President—Bonnie Rowland
President-elect — Patti Turnbull
Vice president of public

relations—Sarah Turnbull;
Vice president of program of work—Merna Henry;
Vice president of recreation—Cathy Lewis;
Vice president of projects—Diane Murphy;
Parliamentarian — Cella Elder;
Historian—Sharon Moseley
Secretary—Carla Lee;
Treasurer—Janis Barben.

The money making project of FHA is selling cookbooks and programs at the football games.

FHA is an active organization of 94 members.

Winter Guest Club News

Shuffling

Sixteen courts of "A" players were on the courts on Wednesday afternoon. Winners in the main were Kate McAlexander and Harold Faulkner over Russell Smith and Kellie Larue. Clay Kull and Fred Bolton won in consolation, with Larry Robinson and Alton Wetmore coming in second.

With 4 1/2 courts in play, Lois Johnson and Herman Young won in the "B" class. William Trapp and Steve Brown came in second. Consolation winners, Steve Steen and Jess Wilcox over Arthur Poling and Ella Roennenberg. Cleo Lane and Andy Clarke won in the main event on Saturday morning. Gladys Heffner and Fred Turner came in second. Caroline Webber and Judy Kerr won in consolation with Alton Wetmore and Welcome Miller the runners-up. There were 12 1/2 courts of "A" players.

In the "B" class Freida Steen and Grace Hildreth won with Sarah Kerr and Elmer Kiraofe the runners-up. Florence Young and Steve Brown won in consolation with Herman Young and Jess Wilcox the runners-up. All won in the finals on Saturday.

Card Games

On Monday afternoon in pinche with seven tables in play Helen Good came in first with 839 score. Sarah Kerr came in second with 760.

Tuesday afternoon there were seven tables in play in bridge. Aline Howard and Al Stornad both tied with a score of 5248.

There were seven tables playing duplicate bridge on Thursday afternoon. North-South winners were V. Leza and Inez Kenny first, second, Mr. and Mrs. R. E. Allen and third, Mr. and Mrs. Joe Nickerson.

East-West winners were Sarah Spitzer and Herman Wurster, Dorothy Wilde and Edith Bates, and Juanita Carr and Fred Bolton.

Crafts

Many ladies gathered around the table to decorate their stationery. Come out Thursday mornings and see what will be next.

Entertainment

There were 85 present at the bingo party Thursday evening with 20 prizes of cans of food and paper goods. This was conducted by Alton Wetmore and Howard Long. Coming Thursday will be card games, bring your own cards and have fun.

Dances

On Friday evening there was no leader, but Glenn Long got out the club record player, and put on some of the records, and everybody had a lot of fun. Square dancing and round dancing.

It is so good to see so many folks back from the North. There were 62 present at the supper on Saturday evening. All club members are welcome.

Fred Robinson asked the blessing on all the good food. In the roll call of states, New York again had a majority present. All sang "happy birthday" to Aline Lane. Robert Furry of Detroit, Mich. were guests of the Chockley.

Mr. and Mrs. Frank H. Foote called on Mr. and Mrs. Henry Phillips at Lake Letta's Trailer Park, they also spent Thursday evening with Mr. and Mrs. Earl Baxter in French and Belgian troops reached English ports safely.

Mr. and Mrs. Leo Bondy visited with Howard Flahbeck and Mrs. Doris Roach on Saturday evening and enjoyed a game of cards. On Sunday afternoon they entertained Mr. and Mrs. Tom Barnett and Mrs. Doris Roach for lunch on Monday, Thursday, Mr. and Mrs. Tom Barnett, Howard Flahbeck and Mrs. Doris Roach drove over to Cape Kennedy for the Apollo launch on Friday. It was disappointing due to the inclement weather.

Florence and Bill Thatcher are happy. Florence's sister and brother-in-law, Irene and Everett LeBlanc of Boston, Mass., have returned to Avon Park for the winter.

Mr. and Mrs. Frank Duquette visited their daughter and family at Fort Myers Beach over the weekend, returning Monday. They also visited friends from Illinois and Indiana in Bradenton from Wednesday until Friday. While there they called on Rev. Stockton Swaney and wife formally from Avon Park, who now make their home in Asbury Towers. They also had a picnic and toured Myakka River State Park. Upon returning home Friday they learned Mr. and Mrs. Orville Moore, friends from their home town, Huntington, Ill. had arrived in their travel trailer for a weekend visit. They were on their way to the Keys to spend the winter season.

Recently returned members: Sylvan and Catherine Baker of Urbana, Ohio, Ethel Brewer of Topeka, Kan., Minnie Brown of Groton, Vt., Mabel Buckelew of Seaside Park, N. J., Lillian Forbes of Lawrence, Mich., Clyde and Lucille Getchell of Wilton, Me., Verner and Roy Goodman of Rochester, Ind., Fern Haas of Adrian, Mich., Paul and Flora Hoppe of Eden, N. Y., Jess Hyatt of Minerva, Ohio, Elmer and Blanche Kiraofe of Lima, Ohio.

John and Kathryn Krichbaum of Columbus, Ohio, Earl and Ethel Laubschneider of Nauvoo, Ill., Hardy May of Buffalo, N. Y., Paul and Hulda Nasse of Flourtown, N. Y., Louis and Lillian Potter of McCary Pa., Louie Reiser of Bellow Falls, Vt., John and Anne Ruggio of Hartford, Mich.

Also Harry Simmons of Minerva, Ohio, David Stanley of Malden, Mass., Elmer and Lucille Thibien of Brighton, Ill., Henry and Aurette Trout-fetter of New Buffalo, Mich., George and Esther White of Washington, Iowa, Lloyd and Lorena Wyant of Castile, N. Y., Laura Bernthal of Saginaw, Mich., Caroline Morrison of Portland, Me., Elizabeth Peterson of Bay View, Mich., Stanley and Fannie Schilling of New Lebanon, Ohio, Layton and Elizabeth Thompson of Mio, Mich., and Dorcas Young of Ann Arbor, Mich.

We now have a membership of 320.

The famous cherry trees which now beautify Washington, D.C. were imported by the wife of President Taft, who was a great lover of flowers.

Bonnie Brae Mobile Home News

This week we welcome back Mr. and Mrs. Lowry Kimer, Mr. and Mrs. Russell Finney, and Mr. and Mrs. Elvin Phillips.

We wish to extend a warm welcome to Mr. and Mrs. Albert Sorensen, who are new residents of Bonnie Brae. They purchased the Mobile Home of the Alfred Keiths who have left for Arizona.

It is good to see Ruth Clowe residing in her new Mobile Home. Welcome back. Sorry to report that Mrs. Lee Detrick after a few days at home had to return to Walker Memorial Hospital.

Sunday, Nov. 9, Mr. and Mrs. Harry Twink and Mr. and Mrs. Terry Lovelock of Kissimmee, were guests of Mr. and Mrs. Tom Chockley. On Tuesday, Mr. and Mrs. Robert Furry of Detroit, Mich. were guests of the Chockley.

Mr. and Mrs. Frank H. Foote called on Mr. and Mrs. Henry Phillips at Lake Letta's Trailer Park, they also spent Thursday evening with Mr. and Mrs. Earl Baxter in French and Belgian troops reached English ports safely.

Mr. and Mrs. Leo Bondy visited with Howard Flahbeck and Mrs. Doris Roach on Saturday evening and enjoyed a game of cards. The famous cherry trees which now beautify Washington, D.C. were imported by the wife of President Taft, who was a great lover of flowers.

COLVIN STONE, Key Club President, was first to be bombarded by water balloons at the Halloween carnival October 25. This year's annual Key Club booth was the most profitable booth made by the club. Besides water balloons there were also surprise balloons filled with shaving cream and egg. Other dummies were Daryl Bennett, Jimmy Maghenheimer and Mike Slear.

Evacuation's Extent

The Allied evacuation of Dunkirk during World War II was begun May 26, 1940, and was completed June 3, when some 338,000 British, French and Belgian troops reached English ports safely.

Instead of trying to camouflage plumbing elbows and pipes in a basement room, paint them a bright, solid color to add interest to the room. Stripes or spirals can be used for a psychedelic effect.

"Hue and Cry"
The phrase "hue and cry" originated in early English common law with the practice of pursuing a criminal with horn and voice. When a felony was discovered, the victim raised a "hue and cry" and his neighbors were bound by law to join in the pursuit of the suspected criminal.

THE OVEN
THAT CLEANS ITSELF ELECTRICALLY...
FOR LESS THAN A DIME

There are other self-cleaning ovens. But only an ELECTRIC self-cleaning oven gives you the advantage of complete oven cleaning without excessive heat escaping into your kitchen... That's because it's flameless.

You simply latch the door on those spatters and spills, set a dial... and your entire oven comes clean electrically. Sides, top, bottom, racks and drip pans gleam like new for less than a dime's worth of electricity.

Need we say more? Except to suggest that only an ELECTRIC self-cleaning oven soon — at your appliance dealer's.

Reddy can't turn a pumpkin into a golden coach — yet. But every year flameless electricity does more and more for you.

The Folks at Florida Power Corporation
— helping build better communities.

\$25. allowance
Now is the time to go electric! Florida Power Corporation is offering a \$25.00 installation allowance to residential customers who switch from a flame-type to an electric range. Just call our local office for details.

We care where our product is served.
Beer served in pleasant and wholesome surroundings is the aim of the United States Brewers Association. And we are always striving to do something about it.

The USBSA is represented by field men around the country. They meet with proprietors of establishments where beer is sold. They work in every way possible to promote a set of high standards wherever beer is served.

This USBSA effort means even more enjoyable places for America's great beverage of moderation.

Avon Mobile Home Park News

LUCILLE DUTHIE

By Lucille Duthie
The first Woman's Club meeting was held Friday, Nov. 13 in the recreation hall at 1:30. There were 35 members present. The president, Dorothy Baxter presided over the meeting. New members introduced were, Florence Young, Audrey Near, Sally Wright, Helen Andrews, Katie Zoffie, and Frieda Williams. These ladies were welcomed into the group. We were happy to have Mrs. M. DePoy, a former resident of the Park back with us. Minutes of the previous meeting were read and the secretary-treasurer, Ula Miller gave her reports. Plans were made for the annual Thanksgiving dinner. The turkeys and hams are gifts from the owners, Mr. and Mrs. Edmund Wright. Committees were named as follows:

Preparing the turkeys and hams: O. Marshall, Larue Longenecker, Sally Wright, Dorothy Baxter, hostess; Agnes H. in better, Ed Stephens, and Ula Miller; decorations, Ruth Wootch, Olive Burnett, and Florence Young; monitors, 1st Ave., Mrs. Bell, second, Larue Longenecker, third, Mrs. Marshall, fourth Agnes Heimerger, fifth, Rose Krantz. The Thanksgiving and Christmas dinner will be served at 12:30, monthly car-pools at 12:00. Following the meeting, contests were played under the supervision of Helen Smith. Prize money to Martha McBeth and Mrs. DePoy. Residents on second street served the refreshments. Larue Longenecker and Ruth Wootch in charge of refreshments and Helen Smith, games. There will be a ladies shuffle card Tuesday morning at 1:30, weather permitting they will shuffle in the afternoon. Mrs. Louise Bell is the instructor. Mrs. M. DePoy and Frieda Williams and guest, Mrs. Genie Degler, New Carlisle, Ind. arrived last week. Mrs. Degler returned to Indiana last day. Mr. and Mrs. Floyd Stevens were hosts at the Monday night pinocle, November 10, in the recreation hall. High scores went to Mable Crocker and Louis Shoemaker. Mr. and Mrs. Robt. Duthie were hosts the 17th with Agnes Heimerger and John Wolf. Host for the 24th will be Mr. and Mrs. Herman Young. We are happy to report that Mrs. Doris Johnson and Mrs. Lillian Gibbs have been released from Walker Memorial Hospital and are back home with us again. Mr. and Mrs. Ora Myers, Mr. and Mrs. Basil Krantz spent Wednesday in St. Petersburg. Mr. Myers attended a board meeting of the Federation of Mobile Home Owners. Mr. and Mrs. Paul Geib of Akron, Ohio were visitors of Mr. and Mrs. L. Geib, brother and sister-in-law. They were on their way to Miami. Mr. and Mrs. Earl Baxter spent Monday in St. Cloud, visiting his brother who is a patient in the hospital. Those returning to the Park the last week are Roy and Marge Giron and Paul and Ginny Roth. We are happy to have them back with us. Mr. and Mrs. Harold Faulkner spent Monday visiting in Naples. Mr. Olive Burnett is in charge of the Tuesday night games. We had our first one last Tuesday night. We hope to have greater attendance this Tuesday. Mr. and Mrs. Walter Pepper from Urbana, Ohio were recent guests in the homes of Mr. and Mrs. Harold Faulkner and Mr. and Mrs. Hubert Smith. Mr. and Mrs. Joe Landers from Lima, Ohio spent Friday afternoon with Mr. and Mrs. Hubert Smith. The afternoon was spent sight-seeing around Avon Park. Mrs. Nila Sherman had as guests Thursday afternoon and evening her sister-in-law, Mrs. Ralph Slates and her daughter, Donna Mae Becknagel, also two other friends, Mrs. Clara Ackerman and Mrs. Margie Slates, all of Toledo, Ohio. The entire group are touring Florida. Mr. and Mrs. Glenn Long and Mr. and Mrs. Harold Wolcott enjoyed a trip to the Lion Country Safari last Thursday. This is near West Palm Beach. They noted it was well worth the trip. Mr. and Mrs. Harold Kadins from Seattle, Wash. and Bob Miller of Freeport, Ill. are visiting Lula Maddrell. Bob will return to Freeport shortly but the Kadins expect to spend the winter in Florida. Mrs. Lawrence Robinson and Mrs. Harry Longenecker attended the W.S.C.S. at Sarasota District Retreats Wednesday and Thursday of last week. This was held at the Puyallup Center, Lake Placid, Rev. Don White

Avon Park "B" Squad Finishes Season Thursday with 7-1 Record

The Avon Park "B" squad finished out its eight game schedule with a 26-6 win over the Lakeland team Thursday night in Lake Placid. The "B" squad is the best junior varsity record in the memory of this writer and perhaps sets a record for Avon Park since only recently have "B" squads played an eight game season. The "B" squad dropped the opening game of the season by a score of 6-0 to Fort Meade and then proceeded to win seven straight games including a 26-0 victory over the baby Minors in a repeat game played in Fort Meade. Last week in Lake Placid scored the first Devil touchdown after quarterback Leon McBee had thrown to end Robby Sloops for a long gain. McBee scored the second TD on a quarterback keeper. The freshman quarterback had hit end Nathaniel Packer with a pass to move the ball to the Placid end and Bruce Peterson had advanced to the 3-yard line. Then a score was called back with a five-yard penalty and Peterson was called on again to drive to the end zone. He did it. End Nathaniel Packer scored his first TD of the season on a 12 yard pass play from McBee for the third Devil score and the final touchdown came on a pass interception by Timmy Underwood. The freshman defensive player intercepted the ball on his own fifteen yard line and ran back down the sideline for an 85-yard score. The Lake Placid touchdown came late in the game to set the final score 26-6. The same score as that of the varsity game between the two Highlands County teams. The game was made up predominantly of ninth and tenth graders although there were three juniors and four eighth graders on the team and the four eighth graders all started every game with the exception of one who missed a game with a broken bone. The juniors on the team were tackle Tim Shields and lineman Johnny Edwards. The eighth graders, who normally would play on the junior high team, were

quarterback Greg Mart, halfbacks Danny Lewis and Archie Bass, and end Nathaniel Packer. Sophomores on the squad were backs Jimmy Cole, Roy Lamb, and Eddie East, who missed the last game and a half due to a broken arm, and linemen Ray Culliperry, Bobby Stoops, Ted Lone, Earl Strong, and Mike Talley. Freshman members of the successful "B" squad were Leon McBee, Anthony Williams, Timmy Underwood, Bill Phillips, Del Murphy, Wayne Todd, Charles Johns, Andy Prescott, David Moser, Jimmy Hopson, Ricky Lanier, James Walker, Glenn Gray, Virgil Melville, Bud Wester, and Eugene Flowers. Coach Dewayne Lemler and line coach Ed Culbertson initiated the two platoon system with the "B" squad this year. The success of the wealth of capable material. Coach Lemler credited this system with ability of the team to come from behind by two touchdowns in two different games to take the victory. Coach Lemler also commented on the excellent job Coach Culbertson had done with the boys on the line. The defense was a major factor in all the wins and also played an outstanding game in the one loss holding the tough Fort Meade team to one TD. The Devil "B" team scored a total of 146 points and gave up 60 points. Four of the opponents' TD's were scored in the last four minutes of the game when the Avon Park team had at least a two touchdown lead. Coach Lemler says that the key to this year's success was the boys' willingness to work hard, to do their best, to trust God, and to do their best without worrying about failure. Several members of the team will move up to the varsity squad to finish out the season with the "A" team which is also having a very successful season. Avon Park fans should be proud of the members of the jayvee squad not only for the fine record but also for the excellent sportsmanship the boys displayed during the eight games. The Red Devils have a tradition of good sportsmanship and the "B" team this year lived up to that tradition.

ROTARY CLUB NEWS

By Lee Corbin
The meeting was called to order by President George Walper. Introduction of guests was made by Rev. John Knapp. Frankly Ward also introduced the Boy Scouts that attended. They were invited to eat lunch with us due to the feast award in the Halloween parade. Frankly Ward introduced our guest speaker and program for today. Along with Rev. Knapp, they stated there was a group called RAARC (Ridge Area Association of Retarded Children). They also organized a group called RAARC (Ridge Area Association of Retarded Children). Both Becky and Diane gave talks on the RAARC. They stated there are six million retarded children in the United States. Out of this 75 percent are able to regain and live a normal life. They teach everything possible to help rehabilitate the individual child. RAARC has been able to really get to the parents and put the program over. In the beginning they (the young teenagers) went out to the school and to the parents to get things going and let them know the purpose of the school and what is happening. Becky read a poem entitled "Heaven's Very Special Child". Some of the highlights of planned activities consist of: A planned picnic at Highlands Hammock; A booth at the Highlands Art League with the theme of Paria Art show; Trip to Okeechobee sheltered workshop; Christmas party; Trip to Fair, Va.

entire party; Swimming and bowling. The Ridge Area for Retarded Children was formed in 1957 and has grown ever since. They need your help and mine to continue to grow and help these boys and girls grow. Remember, your child could become retarded or handicapped at any time. Miss Karkick showed us films of the different activities and distributed copies regarding the school. The Ridge Area for Retarded Children was formed in 1957 and has grown ever since. They need your help and mine to continue to grow and help these boys and girls grow. Remember, your child could become retarded or handicapped at any time. HOOD'S EGG NOG

A FLORIDA TRADITION

Made from a generations-old family recipe. Creamy thick, silken smooth and elegantly flavored. Hood's Egg Nog is truly the traditional drink of Florida holiday hospitality.

Hood's Egg Nog has become a seasonal tradition simply because it is the best. And the freshest because it is made locally with the freshest local farm milk, cream and eggs. A very special egg nog. Hood's.

Red Devils

(Continued from Page One)

choke again after giving up a couple of first downs and the Brahman punter lofted the ball into the Avon Park end zone to give the Devils possession on their own 26. Keith Richards burst through for a 18 yard gain. Numalee picked up four yards, Steve Hart added 11 yards and Richards crossed the 50 on a short gallop. Then Sisemore dropped back and threw deep to end Frank Davis who had gotten behind his defender. The big junior end took the ball in and finished out the 49 yards into the end zone for his first touchdown of the year. Again Sisemore kicked the point after right through the uprights.

The Red Devil variety put on an offensive show in Okeechobee last Friday night in spite of the bone chilling winds that swept across the Brahman's field as the Devil offense moved the ball through, around, and over the big Brahman to score seven touchdowns for a 47-0 shutout that moved the Avon Park eleven closer to a possible Class B district 7 title.

Only Seigler remains on the Devils' regular schedule and as always that game looms big as the Avon Park squad attempts to stay ahead of Fort Meade in the district title race. Avon Park now sports a 7-1 record while the Miners who seem to be the Devil's only threat to the title are 6-1 with two big games ahead—a battle with Mulberry this week, and then the final game against Zephyrhills on the following Friday. Should Avon Park and Fort Meade finish the season with identical records, the title would be decided by the state athletic office which would use the records of each team.

ATTENTION TOURISTS

Welcome to Avon Park, and in appreciation of your cooperation and our 11th Anniversary. We will give you 50% discount on certain brands and 10% on food products.

We bake homemade bread of unbleached flour, no yeasting necessary.

The House of Better Nutrition

933 W. Main St. — Avon Park

opponents as a determinant. But Avon Park is looking forward only to the big Thanksgiving Eve game with Sebring which will be played on the Blue Streaks home field this year. The Streaks have had an off and on season this year under new head coach Paul Roberts who was with the Red Devils last season. Sebring lost its first three games to Bartow (19-16), Lake Wales (15-4) and Arcadia (7-0). Then they won the next three taking Mulberry (36-14), Okeechobee (36-0), and Naples (22-7). Next came a surprising 14-6 loss to Haines City and then a 32-12 win over New Smyrna Beach. This week the Streaks play in Lake Placid to change their 4-4 record.

The Sebring team has had quite some success with its passing game and Avon Park fans fear the pass although the Red Devils have intercepted 18 passes this season and have given up only six touchdowns on passes—three of those coming in the Frostproof game. The Devils have given up 700 yards of passing gains to opponents in the past nine games with 463 yards of this coming in the Frostproof and Arcadia games. Undoubtedly the Devils will be emphasizing pass defense this week as they work out with the Friday noon date ahead of them.

Last Friday night the Okeechobee fans must have thought that Willie Joe Seigler might be the Red Devil senior halfback grabbed the spotlight on the first play of the game with a 76-yard TD run that was called back with a five yard penalty against the Devils. The penalty didn't seem to discourage Seigler much as two plays later he

D.V.M. R. ANGUS RAGSDALE, (kneeling) of the USDA holding a test tube of centrifuged cattle blood shows animal science students from South Florida Junior College one step in the blood testing program for Brucellosis or Bang's disease on the large ranch at Horse Hammock. The centrifuges in the foreground are powered by the automobile electric system and are used to separate blood cells and animal fats from the blood serum. Watching Dr. Raggsdale are (left) Robert Burnett, Wauchula; Pablo Torres, Bogota, Columbia, S. A.; Gene Landress and Don Lave of Avon Park.

reentered his exciting run and this time raced 71 yards for a touchdown that stood up. Seigler then proceeded to riddle the Brahman defense for an individual total of 247 yards of rushing in 15 carries and scored three more TD's in the process for a total of 24 points. The strong, versatile back also passed for a touchdown late in the game when he relieved Don Sisemore at the quarterback post and hit junior end Joe Franz in the end zone with a scoring pass.

With time running out and trailing 4-0, the Brahman went to the air and moved quickly to the Devil thirty-eight. Then on fourth down with ten yards needed for a first, the Brahman quarterback was intercepted by Devil defensive back Dennis Hart who looked as if he would go all the way for an Avon Park score. But a Brahman player jumped up off the bench and tackled Hart at the Okeechobee forty. The Brahman drew a fifteen yard penalty for the impulsive act but Hart was robbed of a possible TD interception. Another personal foul against the Brahman moved the ball to the Brahman 11-yard line and Seigler went in at quarter-

back. He moved the ball to the three and then dropped back and passed to Franz in the end zone for the final score. Seigler also hit Franz with a pass for the two point conversion but a penalty against the Devils nullified the play and a second attempt pass for the conversion was no good but Avon Park had a 47-0 victory.

Devil back Roy Clait picked up 95 yards of rushing along with Steve Hart's 32 yards on the ground. It was Avon Park's finest offensive game as they picked up a total of 432 yards of rushing and passed for 108 more yards.

The Devil defense had its hands full all evening as the big Brahman charged right up the middle most of the time they were on offense. The Brahman were forced to punt 7 times and only averaged 24 yards per punt.

Willie Joe Seigler is closing in on the Avon Park scoring record. He has scored 19 touchdowns and for two point conversions for a total of 122 points in the nine games. He has also rushed for 120 yards with 140 carries for an 8.6 yard average per carry.

Wayne Wolf from Dies Nov. 10

Wayne T. Wolf from, 85, died November 10. He was born in Barre, N. Y. and came to Avon Park seven years ago. A retired business clerk and realtor, he had lived in Florida for the past ten years.

He was a past Master of the Clio Lodge, Hilton, N. Y. and a 32 degree Mason, and a Baptist.

Survivors include his widow, Mrs. Blanche Wolf from; two nephews, Charles Wolf from, Fort Lauderdale, and Donald Bigelow of Elba, N. Y.

Services were held Wednesday, Nov. 12, at 2:30 P.M. from Scott-Stephenson-Smith Funeral Home with the Rev. Graetz officiating.

Burial was held in Bougainvillea.

Zoning Commission Takes Issue With Criticism By Realtors

Taking issue with the Realtors' criticisms of the proposed county zoning resolution this week is Ted Shoemaker, Sebring plumbing contractor, and member of the commission.

Are 50'x100' lots needed for mobile homes? Yes, according to state law, septic tanks must be 50' from a well, lake or running water in a ditch, creek or canal; but if the trailers or mobile homes have sewage treatment plants meeting the Florida Board of Health requirements, 50'x100' lots are NOT required.

Removal of mobile homes from privately owned lots in five years ONLY if they are non-conforming, except when they are lived in by the owner.

The only setback requirement in agricultural zoning is 200' from residential property for pig farms, not cows and horses.

Prefab housing (modular) that meet the Southern Building Code will be permitted on individual lots.

There is an answer for all the questions posed by Mr. Alexander if he will read the plan. Is it proper to take parts out of text of a zoning instrument without understanding the whole plan and use it for publication? The Zoning Regulation which contains 80 pages plus 288 maps had 2 years consideration by seven people appointed by the county commissioners. Let us ask the people who have worked with the plan before it is erroneously stated in the newspaper. The law that the commission adopted for zoning and planning was worked on by the State Legislature for 12 years before it became law.

Is zoning important to rural communities? Yes! Urbanism and expansion of urban growth are steadily spreading throughout the country. Few if any areas out the country can sit back now and say, "We have always been rural and there is little danger of changing."

You have only to look at Highlands County for the past few years and see how it has grown. As urban areas grow and develop we are faced with an overall population expansion. Density of population will increase and we find fewer and fewer areas available for placing of people. Population experts are predicting

over 200 million people by 1975. We must then be prepared to guide the location of these people and the opening up of new residential areas. Zoning is an absolute necessity for the protection of the desirable features presently existing in our county.

Another reason for zoning and planning and probably the most important is that it is the only legal way in which a rural community can shape its own future instead of having its future shaped for it.

The purpose of zoning is to lessen congestion in the streets, secure safety from fire, panic and other dangers, promote health, morals and general welfare, prevent overcrowding of land and buildings and avoid undue concentration of population.

NOTICE TO CREDITORS
FLORIDA STATUTES
COUNTY JUDGE, HIGHLANDS COUNTY, FLORIDA
IN PROBATE
IN RE: ESTATE OF
HARVEY M. HARRINGTON

TO ALL CREDITORS AND PERSONS HAVING CLAIMS OR DEMANDS AGAINST THE ESTATE OF HARVEY M. HARRINGTON, deceased, late of Highlands County, Florida, at his office in the Court House of said County at Sebring, Florida, within six calendar months from the time of the first publication of this notice, the estate of said decedent shall be in writing, and shall state the amount of the claim and shall be sworn to by the claimant, or attorney, and accompanied by a bill for the dollar and such claim or demand not on filed shall be void. HARVEY M. HARRINGTON, deceased. Nov. 20, 1969, Dec. 4, 11, 1969
