Recreation

(Continued from Page One)

Elementary boys and girls are reminded that they may take part in all sorts of activities at the Avon Park Sun. Mrs. Loretta Ellis is in charge of activities at Avon Elementary and Mrs. Lorraine Howard runs the program at Hopewell in the mornings and then both of these instructors are at Avon Elementary in the P.M.

Swimming instruction for boys and girls in elementary grades one through six and pre-school children will start next Monday morning. Pre-determined hourly classes during the day according to Mrs. Margaret Collins, instructor in the Highlands County School Enrichment Program.

Mrs. Collins, who holds a Red Cross Water Safety Instructor's certificate and has attended aquatic schools, will give instructions in the beginning, advanced beginning, intermediate, and advanced classes during the next two weeks to those who register in advance of the class period. Boys and girls or their parents may sign up the students for the classes at the elementary recreation room where Mrs. Loretta Ellis is on duty from 8:12 A.M. and 1 to 4 P.M. each week. Students may also call Mrs. Collins at her home (433-6218) to sign up for the classes so they may arrange the schedule. Mrs. Collins will also be at the Avon Elementary office from 8:00 to 8:45 A.M. next Monday to register swimmers.

In the past the summer program has offered a two week session of assembly line swimming instruction using parents and high school students to assist with the concentrated course but this summer the instruction will be offered in one hour classes with no more than 10 students per class. Mrs. Collins hopes to teach a course for pre-school beginners in the afternoon because of the pre-school academic program offered these boys and girls in the mornings.

Mrs. Collins served as waterfront director at a girl scout day camp which was held here in Avon Park recently and is especially interested in having the girls who need to complete a course started at this camp to sign up for two weeks of instruction.

Non-instructional appointments approved were for Mrs. Lorraine McGhee, assistant secretary at Lake Placid Elementary; Fred Schrock, Jr., custodian; Fred W. Jeanes, P.D. custodian, Avon Elementary-Hopewell.

Health Insurance. At the meeting Tuesday the board accepted the Superintendent's recommendation that the board pay five dollars per policy for health insurance for all school employees.

Jim Blackman Ford won the bid for new classrooms for Ridge Area Day School for Retarded Children, \$3,138; and for a one ton truck for commodity delivery, \$2,771.

Stump Construction won the bid for building three portable classrooms at Lake Placid Elementary, \$2,300.

Franklin Ward and John Witek were named to represent the school board on the new county Tax Equalization Board.

Will This Prophecy Come True?

"Everything is going to be come unimpairedly worse and never get better again."

This is what novelist Kurt Vonnegut, Jr., told the graduating students of Bennington College in a commencement address.

Is this despondent prophecy a true projection of present trends and will these trends continue unabated till disaster overwhelms us?

"I used to think that science would save us," Vonnegut told the Bennington College audience. But now it is evident that, while science has put into our hands the power to attain a better life on this planet, it has also given us the power to extinguish life.

Real Crisis
Some men who have devoted their lives to the advancement of science have overlooked the fact that the moral and spiritual insight which is needed in order to know how to use the vast new powers which science has placed at our command.

Novelist Vonnegut's gaze into the future may be more accurate than we would like to think.

If we continue to follow our present course, there is only disaster ahead.

Crime continues to increase. Drug abuse has become a national calamity.

Revolutions are at work, destroying what others have spent years in building, openly stating that they are revolutionists — and little is done about it.

The nation has been flooded with obscenity and pornography. Immorality is condoned and venereal disease has been declared to be epidemic in some sections of our land.

The situation in which we find ourselves must be recognized as a moral and spiritual crisis.

It must be understood that the answer to our dilemma is not to be found in science, or in education or in material abundance.

The question is: will we recognize the true character of our problem in time — and will we take the course which will save us from catastrophe?

What Profit?
There was a Teacher long ago who asked a pertinent question:

"What shall it profit a man if he shall gain the whole world and lose his own soul?"

Are we in danger of losing everything because we have been pursuing the wrong goals?

In our desire to have more of everything to enjoy, have we lost sight of the really worthwhile?

There is nothing wrong with enjoying material abundance. The Bible says that God "gave us richly all things to enjoy." God wants us to enjoy life.

But the spiritual must be given top priority.

What have you put first in your life?

Are you a part of the solution — or are you a part of the problem?

Have you given serious consideration to the Master's question — "What shall it profit..."? For you this is a fateful decision.

It may be true that "everything is going to become unimpairedly worse." But it need not be true, in your life, that things will "never get better again."

God is still the Ruler of the universe. Are you on His side?

MRS. JOHN MACCALLUM, 24 W. "E" St., Frostproof, and her four-year-old son, Leon, lower left, blowing bubbles, attended the recent six-day session for pre-school hearing impaired children at Camp Challenge, Florida's Easter Seal camp in Lake County. Kibitzing with Mrs. MacCallum is John Seamans, program staff member who is director-audiologist at Children's Rehabilitation Ranch, Lakeland, where Leon receives treatments. The special Camp Challenge event aided parents in a better understanding of their near-deaf child's speech and language problems.

PROSPECTS GOOD FOR DRUG COMPANIES

By Babson's Reports Incorporated, Wellesley Hills, Mass., July 1, 1970. By the end of this year the Food and Drug Administration, under its new leadership, intends finally to complete its review of the effectiveness of several thousand drugs. So far it has acted on only about 15 pct. to 20 pct. of the approximately 4,300 drug products subject to the study which was authorized by Congress in 1962.

What drugs will eventually be affected is, of course, anyone's guess. Indications are, however, that the industry will be faced with a tremendous job of re-labeling and restricting promotional claims for hundreds of products considered to be ineffective. A few products will probably be banned, a step which has already been taken in the case of certain anti-biotic combinations found wanting.

Sales and Earnings Trend Upward

The results of the aforementioned review of the efficacy of drugs is likely to be the major negative element in the total drug picture this year. The industry, however, has been the subject of the government pressures for a long time and still has succeeded in wrapping up good gains every year. We have no reason to suspect that there will be a sharp slowdown in 1970.

The Research Department of Babson's Reports looks for sales and earnings of most of the leading drug companies to record

some further progress in 1970 just as they have for many years. However, the strong growth rate of the past may be tempered somewhat due to the present pace of the economy. As far as the longer term is concerned, growth prospects are generally optimistic.

Favorable Factors

This year as well as in the future most of the outstanding drug companies should benefit increasingly from their previous diversification efforts. The foremost pharmaceutical producers now have broad product lines encompassing cosmetics, chemicals, hospital equipment and supplies, both ethical and proprietary drugs, veterinary items, electronic medical instruments, pollution control products, etc. Because of this wide diversification they are not so adversely affected by a slowdown in one particular segment.

Overseas expansion and increased foreign demand should be big factors in bringing about further gains for the domestic drug companies. Most of the firms are represented in — and are achieving substantial benefits from — the leading foreign markets.

Other Phases

A possible step-up in the introduction of new products may occur this year and over the near term. The new FDA Commissioner has expressed hope that the agency will be able to speed processing of new drug applications. Furthermore, research in the industry is beginning to move to more basic activity in heart disease and other areas which could result in some important breakthroughs.

Expansion of hospitals, nursing homes, and extended care facilities as well as more intensive government medical programs should all increase demand for products of the drug companies. Other plus elements include the elimination of the surtax, benefits from measures designed to reduce costs, and further increases in sales of many promising newer products that have been introduced in recent years by several of the most important firms in the field.

Some Attractive "Bays"

The stock market decline this year has opened up some good buying opportunities among the drug issues. Currently, the Research Department of Babson's Reports favors such conservative grade stocks as American Home Products, Bristol-Myers, Merck, and Sterling Drug. Another attractive purchase, though somewhat lower quality, is Rorer-Archam. As a speculation we favor Cutter Laboratories.

Your Social Security

Question — My mother and I are the only two surviving members of our immediate family. She recently had a stroke and is not capable of handling her own funds. Is it possible for someone else to be responsible for her social security check each month?

Answer — Yes, you should get in touch with your Social Security Office at once. An application should be filed on her behalf, and it appears you are the proper person to do this.

Question — I was in the hospital recently for 12 days. Part of this time I had to have private duty nurses around the clock. A friend of mine told me that Medicare would reimburse me for what I had to pay these private duty nurses. Is this true?

Answer — No. No reimbursement can be made by Medicare for services rendered by private duty nurses while you were in the hospital.

Question — I have an aunt who died recently. She was receiving a social security check each month. I am her closest relative and assumed responsibility for the funeral expenses. Do the funeral expenses have to be paid before I can file a claim?

Answer — No. You can file an application with the Social Security Administration, authorizing us to pay the funeral home directly. We could pay either \$250.00 or three times her monthly check, whichever is the lesser amount.

Answer — No. You can file an application with the Social Security Administration, authorizing us to pay the funeral home directly. We could pay either \$250.00 or three times her monthly check, whichever is the lesser amount.

Question — I had to drop out of school last year due to illness. I'm planning to return to another school this fall. Will the student's benefits I got after my mother's death start again?

Answer — Yes, but you will have to reapply for these benefits by contacting the Social Security Office. Of course, you still need to be under age 22, unmarried, and attending an approved institution.

Question — I have an aunt who died recently. She was receiving a social security check each month. I am her closest relative and assumed responsibility for the funeral expenses. Do the funeral expenses have to be paid before I can file a claim?

Answer — No. You can file an application with the Social Security Administration, authorizing us to pay the funeral home directly. We could pay either \$250.00 or three times her monthly check, whichever is the lesser amount.

COACH TERRELL of SFJC and Murray Wilson of Frostproof shake hands after Murray signed a baseball scholarship to play with South Florida. Former Frostproof Coach Paul Roberts was also

seated to watch the signing. Standing are Murray's brother Mark, his mother and father, Mr. and Mrs. Grady Wilson, and Frostproof Coach Bill Zeiss. Mr. Wilson died Sunday.

Frostproof's Murray Wilson Signs Two-Year Baseball Scholarship with South Florida J. C.

South Florida Junior College has awarded a baseball scholarship to Frostproof's star athlete and honor student Murray Wilson. As a pitcher, Wilson's record for

his high school career was 27 wins and 8 losses. He struck out 449 in four years of ball.

Wilson has been a starting pitcher for Frostproof since the ninth grade. He was chosen as an All-Conference player in the Colusa Conference during his freshman and sophomore years.

In addition to his baseball ability, he also excelled in football and was offered positions on several out-of-state college teams. Wilson passed over 5,000 yards during four years of football. He was an honor student at Frostproof High and scored 380 on the 12th Grade Placement Test out of a possible score of 485.

SFJC Coach Terrell said, "We are delighted to have a

boy of the baseball background that the Wilsons have demonstrated. Murray has the personal characteristics of honesty and integrity that we like at SFJC. We think he will be an asset to our athletic program and our academic standards at South Florida."

Wilson gave his father, Grady Wilson, the credit for his own success. He said, "I can't remember from Little League right on up, when my dad wasn't there with me—criticizing, encouraging, giving me the help I needed to succeed. I couldn't have made it without him."

The youth chose to stay close to home after his father's serious illness. He plans to major in business or physical education.

Venire Drawn For Jury Duty Next Week

International Citrus Corp., I. Verin and Steve Verin of Lakeland are listed as co-defendants in a worthless check suit. They are charged with buying citrus fruit from Jim Haynes and paying for it with a worthless \$3,807 check.

Allen Rivers of Avon Park is charged with second degree murder in the fatal stabbing of Ishak Rivers. A venire of 100 has been called for jury duty next week.

Mrs. C. Haddock Qualifies To Be Insurance Agent

Mrs. Juanita Haddock has been advised by Broward Williams, State Treasurer and Insurance Commissioner, that she has successfully completed an examination and met necessary requirements for qualifying as an agent of type 2, class 20 for fire, casualty and miscellaneous lines. This covers all lines except life insurance.

Mrs. Haddock will continue to be in charge of the insurance department of Robert R. King & Company. Bob King stated, "We wish to congratulate Juanita on this accomplishment. With technical knowledge gained, she will contribute greatly to service and insurance progress for customers of our agency."

Her husband, Dr. Carl F. Haddock, a dentist, is associated with Dr. Herbert Baughan in Avon Park.

Bill Passed To Limit Insurance Cancellations

A variety of bills affecting insurance were passed by the Legislature, including one concerning the cancellation of automobile liability policies.

The bill reduces grounds for cancellation of a private passenger automobile liability policy after it has been in effect for 60 days or more to three basic grounds.

These grounds are non-payment of premium, material misrepresentation of fact in securing insurance or in securing registration of an automobile; or the drivers license or motor vehicle registration of the named insured or that of a resident of the same household who customarily operates the vehicle has been suspended during the policy period or within 180 days immediately preceding the effective date.

Another bill passed concerns private passenger automobile bumpers. All automobile manufacturers now are required to warrant that automobiles of 1973 and subsequent models sold in Florida are equipped with an energy absorption system capable of withstanding a collision both front and rear with an SAE standard test barrier at a speed of five miles per hour without damage to the automobile and without sacrificing passenger safety. Bumper stilling models, the warranty must be for 10 miles per hour.

Deprist Faces Illegal Credit Card Use Charge

Credit card troubles will bring two defendants to trial on Circuit Court's long docket next week.

Donald Gene Deprist of Bowling Green is accused of using his Bank Americard after it had been revoked. According to the information filed by the state's attorney, Deprist had used his Bank Americard issued by Tropical Bank & Trust Co. to charge \$1,751 worth of goods and services although notified by the bank that the card had been revoked.

Edward W. Christian of Haines City is accused of charging over \$100 on a Phillips 66 card issued to Mrs. Louise Bennett.

The tougher law on concealed weapons is reflected in the docket for Circuit Court. The charge formerly a misdemeanor is now a felony.

Edwyn Ruckhaber of Columbus, Ga., T. W. Higginbotham of Sebring, Melie Syvester of Sebring all face concealed weapons charges next week. Higginbotham is also charged with aggravated assault.

James Hodo with assault to murder.

Williams Says Company Doing Illegal Business

State Treasurer-Insurance Commissioner Broward Williams warned Florida residents that Bankers Commercial Life Insurance Company of Dallas, Tex., is not licensed to do business in Florida.

"This company has undertaken a massive direct-mail campaign in Florida in violation of state laws," Commissioner Williams said. Material mailed by the company is directed primarily to senior citizens and promotes the company's "Medicare Companion Service Department."

"We have checked out this company, and their finances do not meet requirements of Florida law," Commissioner Williams added.

Farmers Begin Water Control Work

Farmers and ranchers in Highlands County are once again beginning to do water control work which has been delayed for several months because of too much rain.

Among those doing ditch construction for water control are Harold Albertson of Venus, Bruce Mount, Westly Corporation and Gerald Darrin of Lake Placid, Rucky Dresse of Avon Park, and George W. Perdue and Carlene Falls of Sebring. These systems are designed to remove the excess water during the rainy season with structures to hold back water during the dry season.

J. H. Dodson of Lake Placid, was assisted with the design of a sprinkler irrigation system for a citrus grove which is now being installed. Marvin Kahn of Sebring, also was assisted with a design of a sprinkler irrigation system for a new tract of land being planted to citrus.

Jim Fitch, W. F. Underhill and Edna Lockett, all of Ft. Banger, were assisted with the development of complete conservation plans for their ranches.

Miss Bonnie Street and Marion Steele Speak Vows at Lutheran Church Sunday

Resurrection Lutheran Church in Avon Park was the scene of the marriage of Miss Bonnie Lucille Steele of Avon Park, and Marion R. Steele, Jr., of Sebring, at 2 P.M. Sunday, June 21. Parents of the couple are Mr. and Mrs. Lucille Steele of Avon Park and Mr. and Mrs. Marion R. Steele of Palm River, Sebring.

Rev. John Walters of Sebring officiated at the double-ring ceremony, following a program of wedding music provided by Mrs. Vera Stanfield, organist and Lucky Dixon, soloist. Mr. Dixon's numbers were "If Ever I Could Leave You" and "Whither Thou Goest."

The altar bouquets were of white gladioli and white daisies and the wedding baskets which flanked the altar were of the same white flowers set against a background of palms.

The family pews were marked with clusters of springer centered with white satin bows and wedding bells.

The bride was given in marriage by her brother-in-law, Richard Lewis of Dalton, Ill.

The bride chose a designer formal A-line gown of silk organza over English net and apron of lace. The demure bodice of lace was styled with an encased sash neckline, with designs of miniature pearls accented each scallop.

A pearl trimmings gown with streamers was at the waistline. The wrist length sleeves were designed by appliques of lace over organza, and the cuffs were turned back to reveal designs of miniature pearls.

The bride's mother wore a light blue silk shantung apron dress with a cowl neckline complemented with a bow to rest in the skirt, creating a soft fullness at the hemline.

Her sheer chapel veil was held in place by a forward headpiece of ivory lace and pearls. Deep borders complemented the train. She carried a bridal bouquet of miniature daisies and roses with ivy over a white Bible.

Mrs. Richard (Ruth Ann) Lewis of Dalton attended her mother as matron of honor. Bridesmaids were Mrs. June A. Scalone of Chicago, Ill., the bride's sister and Miss Teri Patterson of Waukegan, Ill.

They were identical floor length A-line lavender gowns. Bodices were styled of white lace with high necklines and wrist length sleeves of georgette, light cuffs and complemented with buttons to match their dresses. Their headpieces were lavender satin bows with streamers.

Purple and White Flowers
 The matron of honor carried a cascade bouquet of purple statice, lavender daisies, white mum puffs and white carnations. The bridesmaid's nosegays were of the same flowers.

Miss Gail Scott and Bobby Coleman Marry In Double-Ring Ceremonies at Orlando Saturday

The Orlando Baptist Temple in Orlando was the scene of an impressive double-ring ceremony uniting in marriage Miss Patricia Gail Scott of Orlando and Robert Wesley Coleman, Avon Park, Saturday, June 20.

The bride is the daughter of Mr. and Mrs. William H. Scott, Orlando and the bridegroom is the son of Dr. Herbert W. Coleman, Avon Park and Mrs. Lucille Coleman, Biloxi, Miss.

Verlon Rawls, organist accompanied Lloyd Cardwell, soloist with vocal selections, "One Hand One Heart," and "The Pledge."

Rev. Norman Dickerson performed the double-ring ceremony at the altar decorated with standing baskets of bridal white glads and mums accented by the satin kneeling bench.

Given in marriage by her father, the bride wore a floor length formal gown of white dotted veil trimmed with Viennese lace daisies, with a full detachable chapel train. Her fingertip veil of silk illusion was held in place by a spray of matching lace daisies. She carried a cascade of "bridal orchids." Phalaenopsis and cattleya orchids accented by yellow and white satin streamers.

Miss Audrey Kroups of Cocoa Beach served as maid of honor with Miss Pat Holden, stepister of the bridegroom, and Miss Diane Young, Lake City serving as bridesmaid. They wore floor length gowns of yellow dotted swirl trim with rick rack and lace daisies, with an empire waistline and long sleeves. Their headpieces were yellow and white lace daisies. They carried white baskets of white daisies with yellow centers, babybreath and Florida greenery carrying out the bride's color theme.

Carl Holden served his cut brother as best man. Ushers were William J. Scott, brother of the bride, Robert Rebol, Ft. Lauderdale, and Mac Steen, Melbourne.

Robbie Rebol and Mac Steen were both toast masters of "Bobby" on the Unibers of Florida football team with Mac being captain of the team.

Mother of the bride wore a candlelight crepe dress trimmed with beading around neck and sleeves and wore a cattleya orchid corsage.

Mrs. Lucille Coleman, mother of the bridegroom, wore a pale green dress with a cattleya orchid corsage.

For her wedding trip to Gainesville, the bride wore a turquoise linen street length dress trimmed with white. She wore a corsage of cattleya orchids lifted from her bridal bouquet.

Reception
 The reception was held immediately following the ceremony at the Swanee Village Country Club, Orlando. A white cupid holding a spray of glads and daisies donned the center of the punch table, which was covered with a white satin full skirt cloth. Eckerd To Speak To Republicans

Jack Eckerd, GOP candidate for governor, has accepted an invitation from the Highlands County Young Republican Club to be the guest speaker at their annual dinner meeting July 18.

The dinner is being held at Holiday Inn in Lake Placid, and will begin at 7 P.M. with a hospital hour in honor of Mr. Eckerd. The dinner starts at 8 P.M.

Tickets for this may be obtained from any Young Republican club member. In a meeting last week Dr. Perry B. James, the Highlands County campaign chairman for Jack Eckerd, and Dan Evers, Highlands County Young Republican Club chairman, in a joint statement, confirmed that Mr. Eckerd had accepted the club's invitation to be their guest speaker.

Newly elected officers will be installed at the dinner meeting and this is expected to be a gala affair. Tickets are on sale now and persons interested in attending are urged to buy their tickets now as they are limited and will be sold on a first come basis.

Also persons interested in becoming associate members of the Highlands County Young Republican Club can do so by paying the membership fee.

Winter Resident Dies In Erie, Penn.

William F. Near, for the past four years winter resident of Avon Park, passed away while undergoing open heart surgery in Hamot Hospital in Erie, Pa. on June 2. Born near Jamestown, N. Y. on November 21, 1902, the son of Hercules and Mary Coxon Near, he attended Sherman High School and for ten years was employed by the Pennsylvania Railroad.

Mr. Near, a strong supporter of mechanization and modern farming methods, acquired and put to use the first automatic barn cleaner and the first pipe line milker in Chautauque County.

He was a member of the Dairymen's League Federation, Clymer Conservation Club, Sherman Grange, a former member of the Odd Fellows and was an active worker in the North-Harriet United Methodist Church.

Four years ago, forced to sell the farm which had then grown to include 387 acres, due to ill health, Mr. Near retired. He and his wife moved to a second house on the original farm. Spending winters in Avon Park, both became involved in local activities and made a wide circle of friends.

Mr. Near is survived by his wife, Audrey Austin Near, three sisters and three brothers, all in New York and Pennsylvania and several nieces and nephews.

Interment was in Sherman, N. Y. cemetery.

The couple exchanged wedding vows in a double-ring ceremony performed by Chaplain Fruit, with baskets of glad and greenery forming the background. At the close of the ceremony, the bride's mother sang "The Lord's Prayer."

The bride given in marriage by her father wore a formal gown of candlelight lace over silk organza with the bodice enhanced by the round overlay of lace at the neckline. Her traditional long handmade lace-veiled had been worn by her great-grandmother in England.

The bride carried a single long stemmed pink rose with satin streamers and a white Bible.

Attending the bride were her sister-in-law, Mrs. Darrell Beschen, Jr., son of Mr. and Mrs. Peter Marovich, Wauchula, on May 16 at the Homestead Air Force Base Chapel.

Walper Speaks To Rotarians About Hospital

George Walper, administrator of Walker Memorial Hospital spoke at the Rotary Club's weekly meeting last week. Walper spoke about the progress which the hospital has made since it began in 1948 and of the economic and service benefits it has given the community. He also talked of the plans for the \$1,700,000 addition on which construction is to begin this fall.

Walker Memorial has made an important contribution in the area's economy. Last year, \$948,170.00 was spent for labor at the hospital.

In the realm of community service the hospital is increasing its ability to meet the needs of the area's citizens. Its present plan for expansion will add 67 patient beds in its 39,495 square feet of floor space. In addition, the new section will include an operating suite with three major operating rooms and work areas, a four-bed recovery room, a nine-bed intensive care unit, a kitchen and dining area, a pharmacy, a medical records unit, a physical medicine facility, and space for administrative offices.

The hospital has added Dr. Price, a pediatrician, to their staff. Dr. Price plans to join the hospital early this fall. Pathologist Dr. Cass will serve Walker Memorial and Highlands General.

The original structure of the hospital was built in 1925 as a land development enterprise. During World War II the building was an Air Cadet training center known as Lodge Avon Air Military Academy. After the war, a group of men realized that the hospital was needed and a drive for establishing one was begun. Ed Todd and Paul Garber were two of the men who pushed the project and by 1947 the city had raised \$150,000.

Walker Memorial officially opened on January 6, 1948. In 1963, the 53-bed south wing with an operating suite, X-ray unit, and other facilities, was added to the hospital. A new laboratory and chapel were completed in 1967.

In 22 years of operation the hospital has admitted 42,000 patients and delivered 8,000 babies. Last year, they admitted 2,962 patients, gave 28,171 hours of patient care, performed 800 operations.

Miss Beschen and Pete Marovich Marry at Homestead Air Base

Miss Kathleen Beschen, daughter of Lt. Col. and Mrs. Darrell Beschen of Miami became the bride of Peter Marovich, Jr., son of Mr. and Mrs. Peter Marovich, Wauchula, on May 16 at the Homestead Air Force Base Chapel.

The couple exchanged wedding vows in a double-ring ceremony performed by Chaplain Fruit, with baskets of glad and greenery forming the background. At the close of the ceremony, the bride's mother sang "The Lord's Prayer."

The bride given in marriage by her father wore a formal gown of candlelight lace over silk organza with the bodice enhanced by the round overlay of lace at the neckline. Her traditional long handmade lace-veiled had been worn by her great-grandmother in England.

The bride carried a single long stemmed pink rose with satin streamers and a white Bible.

Attending the bride were her sister-in-law, Mrs. Darrell Beschen, Jr., son of Mr. and Mrs. Peter Marovich, Wauchula, on May 16 at the Homestead Air Force Base Chapel.

Jordan Gives Tips On Buying Carpet

Charles Jordan of Carpet Master gives some helpful hints in selecting and buying carpeting:

Make sure that you are getting sufficient yarn per square yard to hold up under your specific use (20 oz. per sq. yd. or more).

Carpet is broken down into the following groups and must be considered as to which will give you beauty and a good wearing and cleaning factor—Level Loop, Level Loop Random Sheared, Hi-Loop Sculptured, Hi-Loop Sculptured Tip Sheared, Tweeds, Shag.

These are some of the materials that carpet is made from:

Nylon (Dupont or Monsanto), Dupont 501, Acrylic fibers, Antron nylon, Kodel, Polyesters, Modacrylic, Dacron and Rayon. These are all good materials if bought in proper quantity. "It is my personal opinion and recommendation that you select carpet of 20 oz. per square yard or more. One exception is the weight of carpet with high density backing can be dropped to the 14 to 20 oz. range."

Don't be undersold on padding as this is fifty percent of the wear factor. I suggest that you stay in the 40 oz. or more range and up to 100 oz. with a medium of 60 to 80 overall. Remember you can carpet anything when you buy from Carpet Master. We work on a true fair trade mark-up.

Sunday Service Will Stress Patriotism

On Sunday, July 5, the morning worship service at the First Methodist Church will center around religious patriotism. Songs written about our love and concern for our country will be sung, and prayers will be offered for peace, guidance, and national well-being.

Mrs. Alvena Roth, former Methodist Missionary to South America and Cuba and Dean Griffin, Dean of Vocational Education at South Florida Junior College, will speak on the subject: "Why I Am Proud to Be an American." Miss Sharon Zorich will speak on "A Teenager's Dream for America."

This worship service will begin at 10:55 A.M. The public is cordially invited to attend.

BROTHERHOOD PICNIC

The men's brotherhood of The First Baptist Church of their families held a picnic at Highlands Hammock State Park Monday evening, June 29th.

Recreation consisted of games, movies, and a picnic basket that the families carried.

If a soup recipe calls for herbs or spices that don't dissolve—such as bay leaves or garlic cloves—toss them into a metal teaball and hang the chain over the side of the kettle. It will be easy to remove seasonings after cooking, or before if the flavors become too strong.

DON ROTH, Assistant Secretary and Public Relations Secretary of the Far Eastern Division of Seventh-day Adventists shows Carl Selby of Avon Park the correct way to wear the clothing from that area. Danny Roth, son of Don Roth also wears apparel from the Far East.

Don Roth Speaks To Seventh-day Adventist This Week

Pastor Don A. Roth, Assistant Secretary and Public Relations of the Far Eastern Division of Seventh-day Adventists spoke at the Walker Memorial Seventh-day Adventist Church this week. Pastor Roth visited to the United States to attend the General Conference of Seventh-day Adventists which was held in Atlantic City earlier this month.

Pastor Roth was in the area to visit his parents, Pastor and Mrs. Daniel P. Roth. Pastor Roth spoke at the worship service telling of the work of the church in the Far East. The Division he represents includes the Central Philippines, East Indonesia, Japan, Korea, and six other areas. At a vesper service Pastor Roth showed a recently made motion film of the work of the church in South Vietnam, where despite war conditions the work of the gospel goes forward.

The Far Eastern Division has the largest denominational educational program in the world outside of North America. Twenty-one hospitals in Asia are operated by the church. The membership in the area numbered 228,796 at the close of 1969.

Can We Get Help From the Maker?

By DAVE LLEWELLYN

In a science-fiction thriller you might see a scene like this: a sinister-looking robot stalking across the room toward a cowering couple.

"Stop it!" she cries in terror.

"I can't," he replies, as he stares at the on-coming monstrous machine.

"Why not?" she screams.

"Where did it come from?"

"It created itself," he sighs.

"That's why it is unstoppable. Only the machine itself knows how it operates. And now that it has lost control of itself, we are helpless."

And helpless they were, with nobody to rescue the world's last inhabitants, the victims of the self-made robot.

An unlikely end of the world, certainly. Yet this story contains a truth.

What Has Man Made?

What has man made of himself but a robot?

Isn't it true that we have polluted our world with a community of people who have lost control of themselves?

Isn't it so — that we have demonstrated ourselves consistently capable only of destruction?

Isn't it evident that we have set in motion processes of pollution and poisoning that have spread beyond control?

Isn't it now apparent that in "taming" Mother Nature we have created a monster?

Like the robots we have made ourselves to be, we respond to our rampaging world problems by going back to our programmed computers. We look for answers in the calculations that caused the problems.

Can we find solutions in time?

We hope so, but most people are pessimistic.

Help from Inventor

If only the robot's inventor were around to deliver us.

Too bad. It had no inventor. Too bad.

Too bad for us, too?

Yes — unless we can receive help from our Maker.

Yet it is precisely now that the question of our creation becomes significant.

Most of us don't care about our origin. The present and near future are our concern.

Yet it is precisely now that the question of our creation becomes significant.

If you are self-made — a robot — you'd better be able to solve all your problems, because you're all alone.

You'd better hope that the world can solve its problems, too — because you're all alone.

The Bible says, "In the beginning God created the heaven and the earth."

That is the Bible says that we are not alone.

Not Beyond Control

The Bible agrees with our newspaper that the world is headed for destruction — but it is not beyond control.

If God created the world — and us — He can change it, and us.

If we want Him to.

If we ask Him to.

Before you let your runaway world run over you, why not talk with its Creator?

One way to keep a smile on Dad's face during the dreary winter months is to begin meals with a piping hot bowl of soup. Soup adds a savory, warming touch that makes ordinary meals into "something special."

Home economists at Mogen David suggest this tempting taste pleaser: ... Bouillon. Combine in sauce pan, one 12 oz. can of tomato juice, a small onion thinly sliced, a carrot julienned, 1 tbsp. lemon juice and salt to taste. Heat to simmering; add 1/2 cup Burgundy wine before serving.

Never lool soup—summer. This will keep soup which forms on soup stock at a minimum.

Wine adds a distinctive flavor sensation to soup. When the alcohol content of wine reaches a low simmering stage, it evaporates rapidly, leaving only the full, rich flavor behind.

Golfers To Join In Flag Tourney Saturday, July 4

The Avon Park Golf Course will celebrate July 4 with their annual Flag Tournament and barbecue following at 7 P.M.

Alex Oglivie, the course's pro, said, "We expect between 60 and 70 people for the tournament." According to Oglivie, the event is open to men and women golfers and each one is given the number of strokes of the par of the course plus his handicap.

The winner, Oglivie says, usually plays to the first or second hole of his second round before using all his strokes. Each player plants his flag where he stops. The winner will receive golf merchandise.

In the June 24 pro-am points tournament, Bob Padelford, John Gray, Bill Beck, and Jack Warner won with a plus four On Ladies' Day Thursday, slaying the

luck nine-holes. Ruth Stevenson won the tournament with a low net score of 38. In Saturday's action, Neil Redd took first place with a low net of 72 for 18 holes.

The Egyptians used a water clock as early as 1500 B.C. — the Chinese had developed a spring driven mechanical clock by 700 A.D.

Shuffling
On Wednesday evening there was no shuffling. They bowed out to the seafarers. But Saturday, June 27, there were 34 courts in play. In the main event John Wolf and Eva Chamberlain won and Chester Seeger and Lawrence Robinson were the runners-up. Chris Cabezas and George Ormiston won in the consolation, the runners-up being Blaine Kerr and Ruth Robinson.

Dances
The dances were held the usual two nights but there was only one square each night.

Card Games
Three tables played pinocchio on June 22 with high score going to Charles Laurence and second to Sadie Benson. High was 544 and 520.

Supper
Six came out for the good supper Saturday night, June 27. Florence Beck asked the blessing. We had a nice variety of food and a good time. Next Saturday, July 4, Mr. and Mrs. Clay Kull will be host and hostess. We hope that many will come. It was reported that Mrs. Anne Janke is in Memorial Hospital under intensive care. She is little improved.

News
Grace Krenserick and Gertrude Fensterman visited Mrs. Martha Richmond, Mrs. Sadie Wyman and Mrs. Emma Kelly at Plymouth Harbor, Sarasota, on Saturday, June 27. Both Mrs. Wyman and Mrs. Kelly are in the infirmary.
Mrs. Ross Lager left Avon Park to spend the Summer with her daughters in Miami and New York City. She had been a guest at the Jacaranda Hotel.
Mr. and Mrs. Charles Brush are home after spending two weeks with their children at Urbana and Columbus, Ohio. While in Columbus Bertha was permitted to see her new great grandson in the nursery at the Columbus Hospital. The bouncing baby boy weighed eight pounds. Bertha and Charles visited

Faulkner and Claude Bynners. All our friends in Ohio are and enjoying life.

Irene Kull received a card from Evelyn Wunter. All are glad to hear that they had a good trip to Iowa.

Our thanks to Sy Moseley for his generous gift of cue sticks and dices that he gave to the Club.

NOTICE
Notice is hereby given that SEALED BIDS will be received by the Board of Public Instruction of Highlands County, Florida, at its office in the Court House at Sebring, Fla., up to 2:00 P.M. Tuesday, July 2, 1978, for the purchase of 100 copies of the following Plan Room: F. W. Dodge, Plan Room, Sarasota and Tampa, Mutual Builders Exchange, Lakeland.

Plans and specifications may be examined at the office of the Board of Public Instruction of Highlands County, Florida, at its office in the Court House at Sebring, Fla., and at the office of James A. Heim, AIA Architect, 24 West Main St., Avon Park, Fla.

All work shall be done according to plans and specifications prepared by James A. Heim, AIA Architect, 24 West Main St., Avon Park, Fla. Plans are on file and open to inspection in the Office of the Architect and also on file in the following Plan Rooms: F. W. Dodge, Plan Room, Sarasota and Tampa, Mutual Builders Exchange, Lakeland.

General Contractors may receive drawings and specifications from the Office of the Architect, 24 West Main St., Avon Park, Fla., upon deposit of \$25.00 per set with a limit of two (2) sets per Contractor. If within ten (10) days of date set forth herein, bids, said documents are returned to the Office of the Architect, Lakeland.

Bidding Documents will be sent by Registered Mail, Express, collect, unless otherwise requested. Each bid shall be accompanied by cash or cash equivalent check or cash bond in the amount of five (5) percent of the bid, payable to the Board of Public Instruction of Highlands County, Florida, as evidence of good faith and guaranteeing that the successful bidder will execute the contract and that he will not withdraw after the bids are opened and the Board of Public Instruction of Highlands County, Florida, has been notified by a surety company licensed in Florida to pay the bid bond. The bond, within ten (10) days after award of contract, said bond guaranteeing the performance of said contract, the premium of said bond to be paid by the Contractor.

The Board of Public Instruction of Highlands County, Florida, reserves the right to reject any and all bids and to waive any informality.

Mr. and Mrs. Eldred Jones from South Miami were the weekend guests of Mr. and Mrs. Ed Tryon last Thursday. They were enroute home from a vacation trip to Black Mountain, N.C.

Mr. and Mrs. George E. Hurst and Mrs. Margaret Harrison were the dinner guests of Mr. and Mrs. Maurice Bush last Sunday.

Mr. and Mrs. Adam Weintraut spent the weekend camping at the K O A Camping Site at Paradise Island.

Mr. and Mrs. Frank Schmid arrived last Monday from Queens Village, Long Island, N. Y., to occupy their home on Lake Olivia. They purchased the Riley house and moved into it Thursday. Mr. Schmid is a retired baker specializing in fancy pastries.

Mr. and Mrs. Robert Albert from Mr. Dora arrived last Saturday, and spent the weekend with Mr. and Mrs. Charles Baldwin. Mr. Albert and Mrs. Baldwin are cousins.

The special pot luck dinner will be held at the club house on Saturday, July 4 at 6 P.M.

Mrs. Harold Lechin and grandson, Jack Kennedy, returned last Monday from a two week trip to Syracuse, N. Y., where they visited friends and relatives.

Robert Bedard arrived last Thursday from Kensington, Md., to spend a month at the lake as the guest of his grandmother, Mrs. Maude Bedard.

Mr. and Mrs. Robert Batson from Pompano Beach are now

Sunday School Class 45 years.

Survivors are his widow, Mrs. Edna D. Kelsey, a son, Eugene W. Kelsey III and daughter, Mrs. W. E. McCully, all of Orlando; brothers, William Kelsey, Lake Placid, George Kelsey, Avon Park, and Edward Kelsey, Monticello Springs; sisters, Mrs. Mary Payne, Sebring, and Mrs. Lois Rucker, Lake Placid; and six grandchildren.

Burial was in Orlando.

Eugene W. Kelsey Dies In Orlando Thurs., June 25

Eugene W. Kelsey, Jr., 67, prominent Orlando businessman and church worker died Thursday.

He entered the construction business in Orlando in 1934 and was chairman of the board of Eugene W. Kelsey & Son, Inc. He came to Orlando in 1921 from Lake Placid.

Mr. Kelsey was a native of Collierville, Tenn. and was a member of Associated General Contractors of America, Orange County Contractors Association, Central Florida Builders Association and Orlando Lodge No. 69, F.A.M.

He was a director of Orlando Rescue Mission, a director of Orlando Baptist Terrace, a member and deacon of the First Baptist Church, Orlando, and a teacher in Intermediate Boys

MRS. DONALD FORD, who was manager of the concession stand, and Mrs. Malcolm Crews (not pictured) were given gifts of appreciation for their help in operating the concession stand.

Avon Mobile Home Park News

By RUTH E. ROBINSON

Mr. and Mrs. Walter Coady and Mr. and Mrs. Gilbert Lacroix from High Springs, have just returned from their trip to the East Coast. Their first visit was with Kenneth and Agnes Heimberger in Waterford, N. Y., which they enjoyed very much. Their next stop was with Walt's niece and nephew, Mr. and Mrs. Dick Lacroix and his brother who is in a nursing home in Rutland, Vt. Relatives and friends in Connecticut were also on their visiting itinerary, as well as a reunion celebrating Mr. and Mrs. Coady's 50th birthday. They are glad to be back home after a very pleasant trip.

We are wishing a very pleasant and happy trip to Mr. and Mrs. John Wolf who left on Monday, June 29 for Ballwin, Mo. They will attend the wedding of their granddaughter, Linda on July 4th as well as attend a reunion of the Wolf family at the same place on July 3.

Walter Dorellas is leaving on Wednesday, July 1 for Bloomington, Ind. to pay a visit with his mother who is 98 years of age, as well as his brother and three sisters. He will then go to Hazelcrest, Ill. where he will join Mrs. Walter Douglas.

Mr. and Mrs. Emmette Wright and Jonathan are expected home this week from their vacation and we shall all be glad to see them return. It has been rather quiet here this past week with a minimum of folks and a letdown in activity. Just resting.

CARD OF THANKS

I wish to express my sincere appreciation to the large number of friends and acquaintances in Avon Park who have sent beautiful cards and letters of sympathy and friendship following the death of my beloved husband. Your kindness and concern have been a great comfort in my time of loss.

Mrs. William Near

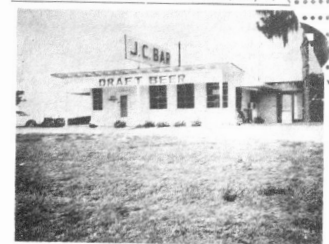

Business Is Up In Highlands Over May of '69

Business in Highlands County was better in May of 1970 than in 1969, state sales tax and gas tax collection figures indicated this week.

This county's increase in the sales and use tax collections for the month were \$146,107.92 compared to \$138,277.90, an 8.41 per cent increase. Statewide, the increased averaged 11.95.

Gasoline taxes also were up state-wide by a 5.41 per cent increase over last year for the month. Highlands County's gas tax collection for May of 1970 totaled \$100,045.30 as compared to \$90,337.66, representing 1,457,790 gallons sold, and putting us well above the state average at about 13 per cent.

The Avon Park Sun, Avon Park, Fla., July 2, 1970

THIS BUSINESS with 300 ft. of highway property, Mr. and Mrs. Goodnow sold to John Algire. The business is located on US 27, three miles south of Southgate Shopping Center, Sebring. The transaction was handled by Hubbard Biggs Real Estate Agency, Avon Park's oldest real estate agency. Ed Tryon is sales representative.

Council Chops \$50,000 From Proposed 1970-71 Budget

The Avon Park City Council held the line on taxes by chopping about \$50,000 of expenditures out of their proposed 1970-71 operating budget at their meeting Monday, July 6. Councilmen Durrah Martin and Don Serdyuk led the way in the reduction. A highlight of the meeting was the approval of a 10 per cent pay hike for all city employees.

The council will meet Monday, July 13, at 7:30 P.M. to approve the adjusted operating budget, and to act on the water department debt budgets. The proposed operating expenditures before the budget cut amounted to \$469,385, but were cut to match the anticipated income, which stands at \$427,100. The proposed water figures are presently \$171,600, an in-

crease of only \$800 over last year. The figures for the proposed debt budget have not yet been finalized. The present year's debt section amounts to \$99,965.39. An important feature discussed in the council meeting was the possible adding of a man to the police force for the primary purpose of supervising Hopewell School during school hours.

George Kelsey Is Honored By President Nixon

Retired Avon Park Elementary School Principal George Kelsey received a note of appreciation from President Nixon Monday, July 6. Kelsey, who has been in the Highlands County School system for 43 years, retired at the end of the school year in June.

The note from President Nixon said, "It is a great pleasure for me to honor your long and dedicated service in the field of education. I want you to know of my gratitude and warm admiration for the guidance and inspiration you have provided countless young Americans." The note completes a long list of honors and recognitions which Kelsey has received in connection with his retirement. Kelsey received a joint resolution of the Florida House of Representatives and Florida State Senate honoring him. He has also been recognized by Gov. Claude Kirk, U. S. Senators Spessard Holland and Ed Gurney, State Senator William Boyd, and State Commissioner of Education Floyd Christian.

Organizations which have also honored Kelsey include the U. S. Department of Health, Education and Welfare, the University of Florida College of Education, the Florida Education Association, and the Florida Congress of Parents and Teachers.

Mayor Robert Barben proclaimed May 26 as "George Kelsey Day" in honor of the retired principal.

Collapsed Bridge On US 27 To Cost Taxpayers \$300,000

"Unstable soil" is saddled with the blame and taxpayers with a bill "in excess of \$300,000" to repair the section of US 27 which slid into Lake Anoka shortly after the new lanes were opened last November.

In a letter to Highlands County commissioners, Edward A. Mueller, secretary of the State Department of Transportation, said a steel bulkhead is being recom-

mended and that construction will take eight months—after it gets started. Exact procedure for repair and reopening of the eastern two lanes of the newly four-lane

road is not settled. Mueller said the Public Roads Bureau of the federal government has been asked for the lake has a sinking has promised a decision by July 15.

The road bed at the South end of a new bridge crossing Lake Anoka collapsed, due to erosion, shortly after the new two lanes were placed in use in November, 1969. To cross the lake, traffic is cut back to two lanes and routed over the old bridge on the western side of the highway.

Highlands County commission helped to foot the bills for the four-lane bridge, and has repeatedly asked when the road would be repaired. After Mueller's letter was read to the board on Tuesday, the commissioners asked County Engineer Charles Mueller to check the price tag and time estimates. In a telephone conversation Tuesday afternoon, Mueller repeated the same figures.

Mueller told the Sun that fill at Lake Anoka was "done properly" for the lake has a sinking bottom and the fill keeps slipping.

He said soil conditions on the bottom of Lake Anoka are unstable and the problem is complicated by the natural slope of the bottom away from the fill area. He defended the design as the "tried and true way."

When it was pointed out that DOT has erosion problems with the fill where US 27 crosses Lake Jackson, Mueller replied, "Maybe we need to know more about soil."

Mueller, who has been on his DOT job for 10 weeks, said the Lake Anoka repair could be made several ways. "Some think it should be done one way and some another, but we have tried to come up with a solution which will minimize problems."

He pointed out that further soil fill could be tried but would certainly contribute to pollution of Lake Anoka waters and probably require hearings to establish a new bulkhead line.

Conch Construction Co. of Dothan, Ala., was the prime contractor on the section of 27 which includes the Lake Anoka crossing, and the bridge was built on a sub-contract to Fairchild of Florida Construction Co.

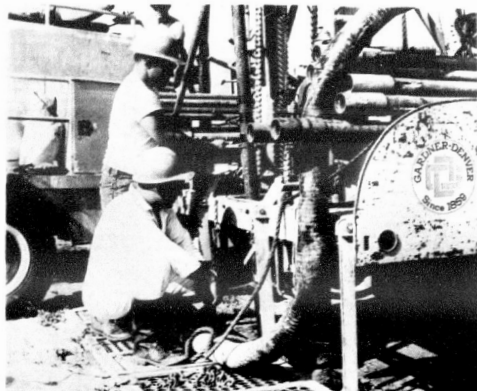

"The DOT supervisors of the project said they have 'no information on who will redo the bridge.'"

"Tuesday's commission meeting Chairman Earl Crutchfield was quick to point out that cost of the Anoka repair will be a state, not a county expense, and Mueller said federal aid is being asked."

School Board Gets \$42.6 Million

County school boards in Florida received \$42.6 million in state funds during June as compared with \$38.8 million for the same month a year ago. Comptroller Fred C. (Bud) Dickinson, Jr. reported today. Highlands County received \$163,692 as compared to \$166,524 last year.

Included in the allocation to counties was \$48 million in funds of the Minimum Foundation Program. An additional \$2.6 million was supplied by state sales tax.

Five County Positions To Be Filled In November

Politics heated up Tuesday as qualifying began at 12:01 P.M. for the September elections.

There are five county jobs to be filled—two on the commission, and three on the school board. In addition to this, there are a bevy of party jobs to be filled. There are committeemen and committeewomen in each of the county's 15 precincts and for each party.

As of Tuesday, it looked like a four way race for the District Four seat held by Jean Whitaker of Lake Placid. Qualifying were Whitaker, Lake Placid businessman James G. Creel, commissioner for 12 years who was unseated four years ago by Whitaker, Attorney Andrew Jackson, and B. T. "Bud" Bowen, roofing firm owner.

Whitaker and Jackson will oppose each other in the Democratic. This is the first venture into the political ring for Jackson and Bowen.

Two Democrats, County Commissioner Chairman Earl Crutchfield, who is in groves and grove caretaking, and Sebring City Council president Norman "Jag" Heston, building supply firm owner, qualified for the post in District Two.

All but Bowen were on hand in the minutes before qualifying time in the second floor courtroom office of Deputy Circuit Court Clerk Jim Pyle. Just like in some stores, the candidates took numbers to see who would qualify in what order. Whitaker was first, Heston second. Both men's wives were with them.

Bowen came in later in the day to qualify, as did Henry G. Bailey, chairman of the Highlands County School Board, who seeks re-election. John Wirick, Jr., of Lake Placid, filed to retain his school board post Wednesday morning.

Mrs. Ada Mayberry was present at noon to qualify for Republican precinct committeewoman, Precinct 10, and for state committeewoman.

There was a brief flurry of excitement Monday when an interpretation of new laws passed by the Legislature had rumors around that Heston might not be able to qualify because he had not notified the governor of his resignation from the City Council.

However, things were ironed out, and qualifying proceeded. The seat of Ray Wells of Avon Park on the school board is also up, and he is expected to seek re-election. The term of office is four years in both the commission and school posts.

Members of the County Commission received a base salary of \$8,000 per year, with the chair-

man earning an additional \$50 per month. School board members are paid \$3,000 per year, with the chairman earning an additional \$100 per month.

The qualifying fee for candidates for county commission is \$250; for school board, \$150.

Bud Wester Takes First Place In July Fourth Flag Tournament

Local 16-year old Bud Wester took first place in the men's division of the annual July Fourth Flag Tournament and barbecue at the Avon Park Golf Course. Wester played to two feet from the second hole on his second round before finishing the number of strokes allotted to him.

Jean Crotty took first place in the women's division by

playing to the green at the first hole on her second round. Forty-one men and 14 women played in the tournament and each golfer was given the combined number of strokes of his handicap and the par of the course. When the golfers finished their strokes they planted their flags, and the winners were

Firemen Will Sponsor County Music Jamboree

The Avon Park Firemen will sponsor a two-hour country music show at the Avon Park High School this Saturday at 8:30 P.M., according to Fireman William H. "Buddy" Rogers. Refreshments will be served at the show.

Country music jamborees were held last year with several area singers. The "Ridge Riders," Chief Good of WSEB in Sebring, and Lynn Carroll, who sang last year, will be featured again this year. Rogers said that plans are being made to make the country music shows a regular event.

RECEPTION FOR MATHEWS

Senator John Mathews, making his second bid in the past several years for the office of governor, will be honored at a reception at 4:30 P.M. Saturday at Griffin's Restaurant, Avon Park.

THE SOUTHERN END of the Lake Anoka bridge collapsed last November just after the Eastern two lanes of the

newly four-lane US 27 was placed in use. Unstable soil in the lake bottom is blamed for the collapse. (Photo by L. Miller)

Chamber Postpones Decision On Whether To Back Sewer Plans

The Avon Park Chamber of Commerce has not come to a decision yet on whether it will support or reject the proposed \$2,850,000 water and sewage plan. After a discussion of the matter, Chamber President Charles Watson decided to appoint a committee to further study the proposal.

The Chamber also discussed a money-raising project, reviewed a new schedule for membership dues, and considered including the City of Avon Park and the County Commissioners as members of the Chamber of Commerce Waterworks and Sewerage Plans.

Some of the Chamber's Board of Directors differed in their opinions on the feasibility of the proposed water and sewage plans. Board member Jack DeLaney did not want the Chamber to endorse the plan until further study of the plan has been made. Former city councilman Clarence King pointed out that he was not against the sewer plans but against the cost.

The Chamber discussed the possibility of having car plates printed with the name "Avon Park" and sold. This action was given to the committee. A suggested membership fee rate has also been put into a committee for

study. According to this plan the fees would range from \$10 for individuals to \$200 for banks.

QUALIFYING FOR county offices began Tuesday with lively races shaping up for County Commission seats in Districts Two and Four, gathered around the desk of Deputy Circuit Court Clerk Jim

Pyle are, Deputy Clerk Mrs. Dale McClelland, Pyle, Circuit Court Clerk Earl Rich, Jean Whitaker, Norman Heston, Andrew Jackson, Earl Crutchfield and James Creel.
