Junior Golf Tournament To Begin June 12

The First Annual Junior Golf Tournament will be held at the River Greens Golf Course Friday, Saturday and Sunday, June 12 through 14. Bagwell Lumber Company is sponsoring the event.

Tournament golfers are scheduled to appear from neighboring cities in addition to those entering the contest from Avon Park. The players will come from Wauchula, Sebring, Lakeland, Groveland, Frostproof, and Ft. Lauderdale.

"The fairways and the greens are in fine shape for the tournament," Tommy Bagwell said today. The tournament is open to boys from the ages of 12 to 17. After the first round, the contestants will be divided into four flights. Winners and runners-up in each flight will receive trophies. "All contestants will be given a barbecue dinner Sunday following the final round of play," Bagwell stated.

Starting times will be 10 A.M. on Friday and Saturday, and 12 noon on Sunday. The entry deadline is Wednesday, June 10, and the entry fee is \$5.

In case of rainout on any tournament days, play will be extended one day and play will finish on Monday the 15th.

Starting times and forenoon play will be postponed until the clubhouse the evening before each day's play.

Entries may be made and further information can be obtained by contacting Tommy Bagwell at Bagwell Lumber Co.

TOMMY AND Lois Bagwell show the trophies to be awarded to the winners and runners-up in each of the four divisions of the Junior Golf Tournament slated to begin Friday, June 12, at River Greens Golf Course.

Property Owners Support New County Zoning Laws

The influential Property Owners Association Tuesday formally announced support of county zoning. The association's executive secretary Col. Guy Campbell, in a statement at county commission meeting, said the Property Owners in endorsing the proposed comprehensive zoning resolution, also recommended setting up enforcement procedures and the adoption of building codes.

Col. Campbell said, "In the beginning this will probably cost the taxpayers money, but the Property Owners expect it to become self-supporting."

Public hearing on the comprehensive zoning resolution, prepared by the county's Planning and Zoning Commission, is set for 1:30 P.M. on Tuesday, June 16.

Road Problems
A series of road problems, some related to the loss of US 27, filled much of the time at Tuesday's commission session.

County Administrator-Engineer Charles Morgan reported that the state Department of Transportation had refused four requests to relocate the first crossover on US 27 North of Bair's Den, to provide additional access from Highway Park to US 27, to provide acceleration and deceleration lanes at Holiday Inn South of Lake Placid and to provide an additional crossover in the Lake Placid area near Lake McCoy Dr.

The last two requests are to be reviewed when DOT engineers visit Highlands County this week. Morgan said he had requested an "on-the-ground" study of the Holiday Inn and Lake Placid area traffic problems.

Court Space
On behalf of Highlands County Bar Association, Ernie Breed of Sebring wrote to the county commission endorsing County Judge Mervin Rehner's proposal that the second floor now being planned for the courthouse annex be a judicial center.

The Bar Association named Judge Clifford Kelly, Judge Mervin Rehner and Breed to a committee to confer with the commissioners about the proposal.

Judge Rehner proposed claiming two courtrooms, law library, witness and conference rooms in the annex plan.

The annex architects — Reynolds, Smith and Hills — are presently conducting a "space study" to determine needs of elected officials for the next five years. Commissioners said Tuesday the Bar Association letter will be referred to the architects.

Other Business
In other business Tuesday the commissioners voted to provide funds for psychiatric evaluation of Beverly and Harold Dyer. The children's mother, Mrs. Odessa Lou Dyer, and her boyfriend, George Clemens, face charges in connection with the death of Beverly and Harold's two-year-old sister Sharon.

Telegrams were sent to the Highlands County Legislators asking support of Senate Bill 286, a state appropriation for

construction of a new National Guard armory in Avon Park.

Payment was refused on a pauper burial charge. The deceased's family claims to be making payments to the funeral home.

Padelford Wins Golf Course Championship Tournament

Defending champion Bob Padelford won the Third Annual Avon Park Golf Championship Sunday, May 31, at the Avon Park Golf Course. Padelford defeated Tommy Crutchfield of Sebring in the Class A division of the tournament.

Padelford received a trophy for placing first in the tournament. He beat Crutchfield with a score of five and four.

John Gray defeated Malcolm Watters in the Class B division with a score of two up. In the Class C, Al Yarbrough tallied three and two to win over Chuck Smith. Jim Turnbull took the Class D trophy with a one up against his opponent, Bob Lee.

Since no handicaps were allowed in the tournament, the four divisions were grouped with golfers with similar handicaps in each division.

In consolation play, Ricky Dressel topped Jack Duggan with a two and one in the Class A. The Class B winner was Andy Miracle, who defeated John Giddens with a three and two.

Smockey Padgett scored a five and four to beat Jim Martindale in the Class C consolation play. Chuck Watson defeated Jim Fann with a one up in the Class D division.

Twilight Tournament
Ben Hill Griffin III and Det Griffin took first place in the Twilight Mixed Scotch Foursome on Tuesday, May 26. The Griffins scored a net 16. In second place were Jim and Julie Johnson with a net 18. But and Mary Ostling trailed the Johnsons with a net 19.

Fourth place in the twilight tournament went to Al and Ida Allen with a net 20. Russ and Ruth Stevenson took fifth place and Chuck and Norma Watson placed sixth.

In Wednesday's pro-amateur play, first place went to Bob King, Malcolm Watters, Hugh Dowling, and Kari Swanson with a low ball of 56.

Key Giddens and Norma Watson took first in the ladies' Blind Partners one-half combination handicap. The duo had a net best ball of 30.

Ricky Dressel scored a net 28 and won the nine selected holes tournament on Sunday. Fred Peterson and Smockey Padgett tied for second with a net 29.

George A. Kelsey, Avon Park Elementary School principal since 1950, was honored Friday, May 27, at a dinner at the Jaramata Hotel. Approximately 150 school officials, teachers and citizens of the area were present to praise Kelsey for his 46 years of service to schools.

Morris T. Brooks, master of ceremonies, introduced the speakers who praised Kelsey and gave personal reminiscences of experiences from former years.

Rep. Gordon Tyrrell of Pensacola, Kelsey's son-in-law, read a joint resolution of the Florida House of Representatives and the State Senate honoring the principal.

The resolution noted that Kelsey's career began in Okeechobee in 1924. In the following year, Kelsey moved to Highlands County, where he has been since that time.

Kelsey received further recognition from Gov. Claude Kirk, United States Senators, Spessard Holland and Ed Gurney, State Senator William Boyd, and Commissioner of Education Floyd Christian.

Organizations which honored Kelsey included the U. S. Department of Health, Education and Welfare, the University of Florida College of Education, the Florida Education Association, and the Florida Congress of Parents and Teachers.

Highlands County school officials who attended the dinner honoring Kelsey were School Superintendent George Douglas, School Board Chairman Henry G. Bailey, and board members Franklin Ward and Raymond Wells.

Rep. Tyrrell and his wife Annabelle, one of Kelsey's daughters, and their five children, came for the celebration. Mrs. Dick Reddick, another daughter and Mr. Reddick and their two children also attended the event.

Mrs. Ralph Ellis, representing the faculty of Avon Elementary School, presented Kelsey with a colored television set.

Tuesday, May 26, was proclaimed by Mayor Robert J. Barben as George A. Kelsey Day. On that day Kelsey was honored with a reception by the PTA and the elementary school teachers. Kelsey was presented with a polaroid camera from the students, and a movie camera and projector from the PTA.

A red rose corsage was presented to Mrs. Kelsey by Mr. and Mrs. J. C. Murphy. The room was decorated with red roses provided by Mr. and Mrs. Murphy, and with a bouquet from Ridge Florists.

116 Students To Graduate In Ceremonies Monday Nite

The largest graduating class in Avon Park High School's history, the 116-member Class of 1970, will join together with parents and friends in the class's baccalaureate service scheduled to be conducted in the high school auditorium Sunday, June 7, at 8 P.M. Rev. Paul J. Trissel, pastor of the Church of the Nazarene will deliver the baccalaureate sermon.

Rev. Duane R. Zoller, minister of the United First Methodist Church, will lead in the invocation. Following the invocation, the Avon Park High School Mixed Chorus and Girls Chorus will sing a special musical selection under the direction of Mr. Kenneth Eberly. Elder Thomas J. Brown, elder in the Apostolic Church of Jesus will read the scripture, and will be followed by Mr. Trissel, pastor of the First Baptist Church, Rev. Aden Childress is scheduled to give the benediction.

Graduation Program
The graduation program will begin on Monday, June 8, at 8 P.M. at Memorial Field. Featured speaker of the evening will be Miss Holly Reddick, valedictorian of the class.

Following the processional play by the Avon Park High School Band, Michael Bradbury, another graduating senior, will lead in the invocation. Senior soloist John Hannon and the Avon Park High School Band will provide the special music.

Salutatorian Miss Sandra Dorsey and Student Church President Fay Hall are scheduled to give their addresses, with presentation of awards to follow.

Supervising Principal A. W. Cravens will present the valedictory, salutatory and senior honor student awards. Assistant Principal Leon Garner will present the Bailey medals and the American Legion medals to men and women seniors.

Highlands County General Supervisor of Education J. Homer Bible will award the First Federal Scholarships. Senior Bill Nickoley is scheduled to receive the \$1,000 county scholarship, and Leroy Collins is to receive the \$250 scholarship to South Florida Junior College.

Vice Chairman of the Highlands County School Board F. Ray Wells will present the 116 class members with their diplomas. Valedictorian Miss Holly Reddick will then present her address.

Marshals for the baccalaureate and commencement exercises will be Suzanne Skipper and Walter Nunnally.

to follow. Supervising Principal A. W. Cravens will present the valedictory, salutatory and senior honor student awards. Assistant Principal Leon Garner will present the Bailey medals and the American Legion medals to men and women seniors.

Highlands County General Supervisor of Education J. Homer Bible will award the First Federal Scholarships. Senior Bill Nickoley is scheduled to receive the \$1,000 county scholarship, and Leroy Collins is to receive the \$250 scholarship to South Florida Junior College.

Vice Chairman of the Highlands County School Board F. Ray Wells will present the 116 class members with their diplomas. Valedictorian Miss Holly Reddick will then present her address.

Marshals for the baccalaureate and commencement exercises will be Suzanne Skipper and Walter Nunnally.

George Kelsey

George Kelsey Honored At Farewell Dinner Friday

George A. Kelsey, Avon Park Elementary School principal since 1950, was honored Friday, May 27, at a dinner at the Jaramata Hotel. Approximately 150 school officials, teachers and citizens of the area were present to praise Kelsey for his 46 years of service to schools.

Morris T. Brooks, master of ceremonies, introduced the speakers who praised Kelsey and gave personal reminiscences of experiences from former years.

Rep. Gordon Tyrrell of Pensacola, Kelsey's son-in-law, read a joint resolution of the Florida House of Representatives and the State Senate honoring the principal.

The resolution noted that Kelsey's career began in Okeechobee in 1924. In the following year, Kelsey moved to Highlands County, where he has been since that time.

Kelsey received further recognition from Gov. Claude Kirk, United States Senators, Spessard Holland and Ed Gurney, State Senator William Boyd, and Commissioner of Education Floyd Christian.

Organizations which honored Kelsey included the U. S. Department of Health, Education and Welfare, the University of Florida College of Education, the Florida Education Association, and the Florida Congress of Parents and Teachers.

Highlands County school officials who attended the dinner honoring Kelsey were School Superintendent George Douglas, School Board Chairman Henry G. Bailey, and board members Franklin Ward and Raymond Wells.

Rep. Tyrrell and his wife Annabelle, one of Kelsey's daughters, and their five children, came for the celebration. Mrs. Dick Reddick, another daughter and Mr. Reddick and their two children also attended the event.

Mrs. Ralph Ellis, representing the faculty of Avon Elementary School, presented Kelsey with a colored television set.

Tuesday, May 26, was proclaimed by Mayor Robert J. Barben as George A. Kelsey Day. On that day Kelsey was honored with a reception by the PTA and the elementary school teachers. Kelsey was presented with a polaroid camera from the students, and a movie camera and projector from the PTA.

A red rose corsage was presented to Mrs. Kelsey by Mr. and Mrs. J. C. Murphy. The room was decorated with red roses provided by Mr. and Mrs. Murphy, and with a bouquet from Ridge Florists.

Avon Citrus and Rotary Tie In Little League

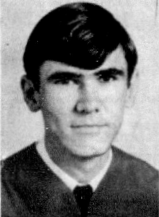

The Avon Citrus Bank team fell from the ranks of the undefeated last week in Avon Park Little League play as the Lions defeated them an 8-1 defeat last Friday evening and Rotary moved into a tie for first place with the defending champion Bankers.

Avon Citrus and Rotary both had 8-1 records after play ended last week with First Baptist in third place tied with Leon's both with 5-3 records. In fifth place was the surging Lion squad with a 6-4 mark. I. H. Ford and Kiwanis were tied for sixth place with 1-7 records and Bagwell was in eighth place with a 1-4 record.

Tuesday night, May 26, the Lion squad jumped on Kiwanis in a 2-5 win behind the five hit pitching of Mike McKenzie. For Kiwanis, Dennis Hulon and Bryan Rimer hit a double each and Bert Beumel, Gene Hayward, and Raleigh Turnbull all had a hit. While each tied for a single, while Keith lined out two doubles and a single. John Barker had a double and a single, John McKenzie both had a double, and Ike Edridge and Mike McKenzie both had a single for the 11 hits the Lions got off three Kiwanis pitchers.

In the second game on May 26, Leon's edged out Bagwell 16-15 in a seven inning game that saw both teams really hitting the ball. Leon's got 18 hits off Jim Jackson and Dale Sisemore but Bagwell slammed out 15 hits including two homers by Jim Jackson off pitchers Billy Young and Mark Lewis. All of Leon's hits were singles. Mark Lewis got 4, Charles Pough, Mike Minard, and Reggie

BILL NICKOLEY

Nickoley Wins First Federal Scholarship

First Federal Savings and Loan Association of Sebring announces that William "Bill" Nickoley, a 1970 APHS graduate and son of Mr. and Mrs. Louise Nickoley of Lake Lillian is the winner of a \$1,000 scholarship to the college of his choice.

Bill scored the highest total in the county on the Florida 12th grade test and the school and college abilities test SCAT.

He also plans to use this scholarship at the University of Missouri School of Mines at Rolla, Mo., where he has been accepted for the Fall semester of 1970. He hopes to major in mining and engineering.

In Avon Park High School, Bill has been an excellent student especially in math and science. He also was a member of the school's High Q team that participated over TV station on Channel 13 in Tampa.

Bill will receive his certificate from J. Homer Bible, General Supt. of the Highlands County public school system on commencement night.

First Federal also awards three scholarships to South Florida Junior College. The local winner has not been selected but will be named before awards day which is Friday, June 5 at 8:15 A.M. in the high school auditorium.

WINNERS IN THE Third Annual Avon Park Golf Championship. Left to right, front row, consolation tournament winners: Ricky Dressel, Class A; Andrew Miracle, Class B; Smockey Padgett, Class C; Chuck Watson, Class D. Second row, runners-up in the

championship tournament: Tommy Crutchfield, Class A; Malcolm Watters, Class B; Chuck Smith, Class C; Bob Lee, Class D. Third row, championship winners: Bob Padelford, Class A champion; John Gray, Class B; Al Yarbrough, Class C; Jim Turnbull, Class D.

Your Social Security

Question — My daughter was disabled shortly after birth. She is now going on thirty. Is it true that she could draw monthly benefits from my record when I retire or die?

Answer — A child totally disabled before the 18th birthday may be entitled to monthly benefits no matter what that child's age when the parent retires or becomes totally disabled.

Question — My neighbor says he received a big check for his first social security payment. Then his checks got smaller. Why is this?

Answer — He undoubtedly qualified for back benefits because he was old enough, and had not been working during at least part of the time in the year prior to filing a claim.

Question — We share a maid with other neighbors. Could we take turns in making the social security reports on her?

Answer — Sorry, but each person who pays the maid at least \$10 cash wages in the calendar quarter is required by law to make reports.

Question — My children receive benefits from their deceased father's record. If I die, will they get benefits from mine, since I am working?

Answer — They cannot draw both at the same time, but they would get the larger of the two questions — Does Federal law require a physician to furnish itemized bills for Medicare?

Answer — Medicare will not pay unless itemized bills are submitted. There is no Federal law saying a physician has to do this — but anyone is certainly entitled to an itemized statement of charges for any thing.

SENATOR HOLLAND SPEAKS HIS AND MILLIONS OF MINDS SCHOOL SYSTEM IN TURMOIL — The matter of greatest concern to Florida and other Southern States is that of trying to implement school integration order of the federal courts, and "guidelines" promulgated by the Civil Rights Division of the U.S. Office of Education, a branch of the Department of Health, Education and Welfare. Stated briefly, these moves by the federal agencies in many counties are disrupting many public school systems and destroying well-planned programs of education of our children — all for the sake of integration of the races.

The principle of freedom of choice (which I believe to be a constitutional right) has been held invalid by the courts because it does not bring about total integration at the rate the courts think it should, so, disregarding the fact that schools have historically been placed so as to conveniently serve the needs of the population located in cities, towns and counties, whether these populations are black or white, the court says that, because the races are not balanced in the school bodies.

The current auto crusade can, of course, be attributed in large measure to the book "Unsafe At Any Speed" by Ralph Nader.

His campaign has been responsible, either directly or indirectly, for 28 mandatory safety equipment items presently being installed during assembly.

There has been time already to prove that safety equipment can save lives and reduce bodily injury as well as cut back casualty costs. Hence, while the consumer ultimately pays for the increased costs of this equipment, the savings in total casualty losses could eventually check the spiraling inflation of insurance costs.

While the furor over auto safety is not a big plus factor in terms of profits as far as auto producers are concerned, it does have definitely favorable implications for certain auto producers.

Stopping On Time — One area of safety that has been stressed and is still under careful scrutiny concerns braking systems. Anti-skid devices developed by Kelsey-Hayes are now available as optional equipment.

LEWIS LLEWELLYN

Long May Our Land Be Bright

How long is it since you sang, "My Country, 'Tis of Thee"? A lady in Port Orchard, Washington, thought that it had been too long since that famous old song had been sung in her church.

On Mother's Day — when mothers are accorded special privileges and special honor — she stood up in the back of the church and suggested that the congregation sing it together.

Someone else suggested that the congregation stand while they sang it from beginning to end, including the fourth stanza, which says:

"Our fathers' God, to Thee, Author of liberty,
To Thee we sing,
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, Our King."

Time to Join in Prayer? There are those among us who trample our flag, burn it, or tear it to shreds, using the red stripes to make red armbands, so that they may express loyalty to an alien power or an alien philosophy.

A few weeks ago, I suggested that those who would unite in

prayer for our nation in these troubled times write and tell me of their decision — with the goal of forming a nationwide committee of 1,000 to pray regularly that God will guide us and lead us out of our distresses, as we acknowledge our dependence on Him.

Responses have come from many states — from New Jersey to the state of Washington, and from Ohio to Texas.

The mayor of a midwestern city wrote, "I ardently believe in the power of prayer and heartily support your request to pray for God's guidance in our nation's crisis."

Another reader wrote, "I am wondering if there will be 1,000 that will promise to pray for our nation. How I wish it would be nearer one million."

One such letter said, "We claim the promise contained in II Chronicles 7:14."

What is the message of this Scripture verse?

"If My people, which are called by My name, shall hum-

ble themselves and pray and seek My face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin, and will heal their land."

"Protect Us by Thy Might" — Some believe that prayer is ineffective. Sometimes it is. The Bible tells us why, in certain cases, this might be so: "If I regard iniquity in my heart, the Lord will not hear me."

But the remedy for this is set forth in Psalm 38:18: "I will declare mine iniquity; I will be sorry for my sin."

Do you agree that our great need in these tense times is to turn again to God and follow His guidance in our national affairs — as well as in our personal lives?

Will you join in this nationwide movement to thank God for His blessings and ask Him to give special guidance to our leaders?

Too long we have let the noisy minority lead some of our institutions to the brink of destruction.

Let's join now in praying, "Protect us by Thy might, great God Our King!"

Business and the Stock Market

by BABSON'S REPORTS

Copyright 1970

Auto Accessories — Safety By Babson's Reports Incorporated, Wellesley Hills, Mass.

June 4, 1970. In recent years there has been increased emphasis on auto safety in terms of equipment, directed toward both the protection of the occupants riding in an automobile and the reduction of costly casualty losses due to accidents.

The current auto crusade can, of course, be attributed in large measure to the book "Unsafe At Any Speed" by Ralph Nader.

His campaign has been responsible, either directly or indirectly, for 28 mandatory safety equipment items presently being installed during assembly.

There has been time already to prove that safety equipment can save lives and reduce bodily injury as well as cut back casualty costs. Hence, while the consumer ultimately pays for the increased costs of this equipment, the savings in total casualty losses could eventually check the spiraling inflation of insurance costs.

While the furor over auto safety is not a big plus factor in terms of profits as far as auto producers are concerned, it does have definitely favorable implications for certain auto producers.

Stopping On Time — One area of safety that has been stressed and is still under careful scrutiny concerns braking systems. Anti-skid devices developed by Kelsey-Hayes are now available as optional equipment.

ment, while Bendix Corp. has adaptive braking systems for heavy-duty trucks utilizing a special purpose computer.

A recent requirement has been the dual-master cylinder and the option of front brakes employing a disc-brake system.

Research is now being carried on toward development of an automatic braking complex which can be operated by either an electronic sensor or even a mini-computer.

Borg-Warner has an air-aid control system using an electronic sensor-electronic module, which is activated electrically for trucks and tractor trailers.

Because of the sharp increase in the number of registered cars and trucks, these devices have sizable markets, in both the original equipment and the replacement parts fields.

Bodily Safety — In the line of safety from collision impact, Eaton Yale & Towne has developed the auto-crash restraint arrangement.

It is in the form of a protective device commonly referred to as the "air bag," which inflates instantaneously upon impact to cushion the driver from the steering wheel, dashboard, and windshield. Almost immediately after the collision, the air bag deflates so that the driver will not be pinned behind the wheel.

Government Involvement — The federal government,

through the Department of Transportation, has placed orders for the development of an automobile which will be safe for the occupants even when crashed into a concrete wall at 50 mph.

At the same time, the car eventually produced must also be capable of rolling over at 70 mph with the passenger compartment remaining intact. It is from the testing involved in such instances that design changes will sooner or later be formulated.

In the past, federal and state authorities have spent vast sums on roadbuilding.

From now on, the hitherto neglected factor of safety will come into play.

Future Outlook — Although some of the aforementioned safety inventions promoted by auto accessory firms appear to have excellent potential, it must be kept in mind that the outstanding auto companies probably have the ability to manufacture most of these items themselves.

Nevertheless, because of the increasing outcry for safety equipment and the unwillingness of some states to wait any longer for at least minimum requirements, the Research Department of Babson's Reports expects the firms herein mentioned to take advantage of their advanced technology to participate in the "boom for safety" now under way.

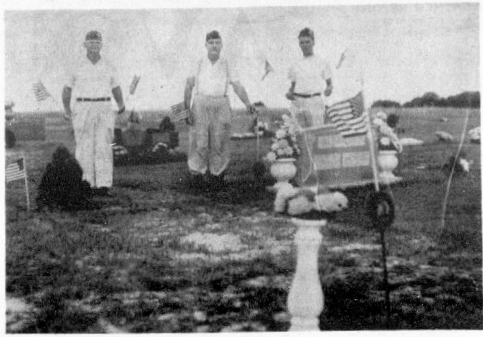

Some Things Haven't Changed (School's Out)

MEMBERS of the Vocational Lawn Maintenance class of South Florida Junior College transfer juniper shrubs from a nursery trailer to the SFJC truck. The shrubbery a gift from Franklin and Mary Ellen Ward of "Wards Nursery" included Podocarpus, two varieties of juniper, East Platina holcy, gardenias, dwarf holly and pyracantha. These plants are to be used around the campus buildings. Class members assisting with the loading are: Ray Stephens, Eugene Johnson, James Sodrel, Michael Caldwell and Willie Davis.

"AND AS 'EL GRECO' worked on his painting!" Thus Dean Tallent makes art history more meaningful to students at South Florida Junior College. In taking the class to the quiet shade of the recreation pier, Professor Tallent left the monotonous hum of the classroom air conditioning units to explore the work habits and accomplishments of some of the great artists of the past. Busily taking notes are Howard Christmas, Debra Allison and Robert Ferguson.

MEMBERS of the American Legion Post 69 placed 180 American flags on the graves of veterans Saturday at Bougainville Cemetery. From left to

right are Mike Janik, Phil Briggs, commander of Post 69, and Alonzo Hadd, Jr.

Avon Citrus and Rotary Tie In Little League

(Continued from Page One)

Tolbert all got 3 each, Chip Carter and Mark Griffin both rapped out two singles and Billy Young had a single. Jim Jackson had a double to go with his two homers for Bagwell. Dale Sisemore and Gerald Barfield both had a double and two singles. Mort Jackson and Ed Joel Wright had two singles, and Bobby Holland and Jimmie Spurlock both had a double each.

Only one game was played last Thursday night. The second game was rained out after Rotary won in a five inning game called due to the 10-run lead rule. Rotary won the game 11-1 with winning pitcher David Barber giving up 5 hits to Bagwell. Dale Sisemore was the big gun at the plate for Bagwell. The first sacker hit a double and two singles while team-mates Jim Jackson and Joel Wright added a single each. Rotary got 9 hits off two Bagwell pitchers. David Barber got a double and a single. Mike Cobb had two singles, and Ed Dorsey, Tony Underwood, Dan Dorsey, Fred Starr, and Billy King all had one single each.

Only one game was played last Friday night also but it was a big one for the Lions who upset Avon Citrus Bank 9-1 as Lion pitcher Timmy Massey held the Bank batters to two hits—a double by Lee Anderson and a single by Johnny Pipkin. The Lions connected for 5 hits off young Rick Anderson. John McKenna hit a double. Mike McKenzie had two singles, and Johnny Barker and Ike Eldridge both hit a single for the winning Lions. The second game was rained out and either the Thursday or Friday night games have been made up yet.

The Monday night games scheduled for June 1 were postponed until this Saturday night so fans will be able to see lots of ball games this weekend. Tonight (Thursday) Rotary takes on Avon Citrus in a game of the first place teams and First Baptist meets Kiwanis. Tomorrow night (Friday) the Lions play Bagwell and Leon's plays I. H. Ford. Saturday night Kiwanis take on Rotary and Bagwell meets First Baptist.

JIM BRADY

Avon Park Motor's New Service Manager

Bill Owens, owner of Avon Park Motor Co. announces that Jim Brady, of Sebring is the new Service Manager of Avon Park Motor Co.

Jim and wife, Violet, and their three children, Jimmie, Robert, and Henry are planning to move to Avon Park shortly.

He is an experienced Ford Service Manager and was born and raised in the Tampa Bay area.

Square miles and square people are each needed to make a nation great.

No Car Tags Until July 1

When it was announced last week that reserved license tags could be paid for and picked up by June 1, it started a crowd at the tag office.

The tags had to be paid for by June 1 — but they can not be picked up until July 1. So a lot of people made a useless

trip. Tag Agency Supervisor Roland Drost said some people who had reserved tags failed to pay for them by June 1 — so some choice numbers now are available. No tags can be picked up until July 1, however.

Perry James To Head Eckerd's Campaign Here

Republican candidate for governor Jack Eckerd announced today that he's picked Dr. Perry B. James to head his campaign organization in Highlands County.

"Dr. James is the kind of involved businessman who will make our state great," Eckerd said.

The Clearwater Republican noted that Dr. James is among 18 county chairmen picked so far in his campaign. The counties organized to date hold 90% of Florida's Republicans.

"I cannot advocate a philosophy of private enterprise," said Dr. James. "Without giving it my moral and active support when good men run for government office, Jack Eckerd is everything a governor should be."

Dr. James lives with his wife, Daisy, at 4 Jasmine Way in Sebring. They have three grown children. Dr. James is president of James Grove Service and Harvest Co. and is a Mason and a member of the Rotary.

The Avon Park Sun, Avon Park, Fla., June 4, 1970-3

BOY SCOUTS from Pack 814 with Scoutmaster C. F. Johnston participated in Memorial services Saturday, May 30 with a flag-raising ceremony at the Avon Park Post Office. Left to right, Scoutmaster C. F. Johnston, Jr., Assistant Scoutmaster Charles Klein, Senior Patrol Leader Barry Beumel, Cub Scout Eddy Garner and bugler, Michael Eberle.

Sebring Hearing Aid Center

43 N. RIDGEWOOD DR., SEBRING, FLORIDA

Cape Engineer Speaks At Lions Club Ladies' Night

The Avon Park Lions Club celebrated their gala annual Ladies' Night at the Lion's Den, Tuesday, June 2. Speaker for the event was Eldon O. Raley, of the John F. Kennedy Space Center.

The festivities began with a special dinner in honor of the ladies and entertainment was provided by the Avon Park Correctional Institute Band. Installation of new officers was completed by Duane Perkins, Lions District Governor of Lakeland.

MEL TILLIS TO APPEAR
Hardee County Jaycees are presenting the Mel Tillis Show of Grand Ole Opry at 8 P.M. June 11 in the Wauchula city hall. The State's Finest Country Sound, also will appear. There is an admission charge, with advanced seats selling for slightly less than box office.

North America ranks third in population among the continents of the world.

E. O. RALEY

all three stages of the Apollo and Saturn V space vehicles. He has been associated with the Space Center since 1961.

Passengers Escape Injury In Accident

A car owned by Bill Briscoe, of Avon Park, and driven by Chester Clark, Sr., of Sebring, in backing out of a parked place at the Minute Market on N. Ridgewood Drive, hit the parked car of market employee Curtis Palmore. Patrolman Marvin Spires estimated damage to the Palmore car at \$10. The accident happened at 10:45 P.M. Memorial Day.

A truck owned and driven by S. Y. Hart, of Avon Park, going East on Pine Street in Avon Park at 3:30 P.M. Friday and a car owned and driven by Willie Vinson, 18, of Avon Park, hit at the corner of Pine and Hart Ave. Hart applied brakes, but they failed and the cars came together. Florida Highway Trooper F. D. Williams estimated damage to the truck at \$200 to the car \$300. With Hart were Gilbert Douglas and Wiley Lassiter of Avon Park. The latter suffered bruises.

When the going gets tough, the tough get going.

Population Of Highlands Will Exceed 30,000

Taking of the population census is all over for another 19 years. And if you haven't been counted — forget it. "I think Highlands County will be lucky to hit 30,000," said Martin J. Grubler, one of the two supervisors in Highlands County. But that's pretty good considering the count in 1960 was 21,600. It's about a 10,000 growth.

Martin J. Grubler, one of the two supervisors in Highlands County, said his part of Highlands County counting is complete "and I would venture it is within 98 per cent of being perfect." The county was split into three sections, of which Grubler had one, mostly rural. He estimated that about 10,000 people were counted in his section. He said an accurate county count should be announced "in the very near future."

Sandra and David will be married on June 13, at 7 P. M. at the Church of God.

Piano Recital Draws Large Audience Sat.

Forty-three pupils performed at the annual Piano Recital of Mrs. Lillian Johnson last Saturday evening, May 30, at the Church of God in Avon Park. The pupils in the recital ranged in age from a first grader, Miss Gayla Starling, to juniors in high school. The individuals played a variety of selections and several guests and one teacher, after each finished his selection and left the stage.

Bach was the honored composer of the evening and each pupil was presented a statuette of the famous composer by Ray Johnson, husband of the regular piano teacher, after each finished his selection and left the stage.

Mrs. Johnson singled out Gail Metheny and Sherwin Mackintosh for special congratulations and a gift of a statuette of Mozart for winning superior ratings at the district band contest this Spring.

A reception for the pupils and Mrs. Johnson was given by parents of the pupils immediately following the recital in the social hall of the Church of God, Cake and punch were served with nuts and candies from a table decorated with a lovely imported lace tablecloth covered with green and white flowers. Orchids and a painting with a musical theme by Miss Carolyn Woodard also were used to decorate the hall. A bust of the honored composer, Bach, was displayed near the recital table. Before the recital the guests were entertained by Mrs. Jamie Fletcher at organ and Sherwin and his Mackintosh at the piano.

Pupils performing in the recital were: Linda Derkman, Rhonda Landress, Joy McCullough, Gail Metheny, Darrell Fletcher, Pam Williams, Linda Wittman, Phyllis Johnson, Traci Hill, Christine Kips, Gayla Starling, Sharon Hill, Linda Hill, Sally Woodley, Susan Woodley, Robyn Heckard, Suzanne Williams, Tyina Gilard.

Also Conna Ford, Theresa Wittman, Donna Crews, Ann McDaniel, David Metheny, Phyllis Boardman, Nancy Cain, Debbie Woodard, Ronnie Horton, Rita Horton, Elaine Woodard, Barbara Ewell, Gina Johnson, Robin Hyatt, Darrell Scott, Cindy Woodard, Tammy Welch, Darrell Woodard, Susie Crews, Rhonda Johnson, Sue Skipper, Linda Bonnett, Cheryl Woodley, Sherwin Mackintosh, and Gina Starling.

G. J. Batchelor Dies May 26

Gibson J. Batchelor, 69, of 605 N. Verona died May 26. He was born at Duplin County, N. C. and has been coming to Avon Park for the past 15 years. He was a disabled World War I veteran and a Baptist.

Survivors include two daughters, Mrs. Ramona B. Hilde of Opa Locka, and Mrs. Sybil B. Lanier of Bradenville, N. C.; one sister and one brother.

Services and interment was in Wallace, N. C. Mizzelle Funeral Home in charge of local arrangements.

Girl Scouts Return From Camping Trip

Girls in Troop 21 have just returned from a camping trip at Palm Beach camp grounds, where they were guests of the owners. Boy Scouts from Troop 161 met and greeted them and also joined them for song-fests around the campfire in the evenings. The girls enjoyed seeing the Boy Scout Councils Scoutorama. Waterfront activities were popular and as a special treat, a trip to West Palm Beach's beautiful shopping mall and lunch at a restaurant.

Troop 21 will be well represented at the Girl Scout Day camp with nearly the entire troop, including the new officers. Since the "fly up" ceremony there are now 20 girls in the troop. The new Cadettes will be initiated at their first camping trip to be held June 18-21, at Myakka River State Park.

Patrols were selected for the Summer Scouting session and the following new officers elected: Queen Fish Patrol, leader, Jane Eberle, Asst. leader, Bobby Newton; Wildwood Patrol, leader, Gail Culbertson, Asst. leader, Kim Smith; Challengers Patrol, leader, Kathy Collingsworth, Asst. leader, Susan Green. Troop Scribe is Kathy Turner; Treasurer, Gloria Bennett, and World Friendship Fund Chairman is Jane Eberle with the help of Susan Green.

The Court of Honor met at Mrs. Tim Fishers home on Saturday morning and set up camping dates for the next six months and have written for reservations at the various campsites.

The girls of this troop have voted to become a Red Cross Disaster Action Team. To qualify for this program the girls must have the following badges and skills: Red Cross Standard and Advance First Aid, Introduction to Red Cross and to Disaster Service. Instructions in disaster action team responsibility and functions. As members of this team they will receive in service training and additional training in survey, shelter, mass feeding, communications and giving of individual assistance.

MRS. T. M. WEEKLY and Mrs. Peter Boney are shown leaving the Patriot coffee preceding the Memorial services held at Sebring Shores last Saturday morning.

MRS. LEON GARNER's class of First Graders enjoyed an educational trip to the Wayne Whitmire home on May 28th. They had studied a unit on farm life and home pets. While there, they rode the Whitmire pony. Some of the students had never ridden a horse. Mrs. Marcella Kepta, mother of one pupil, drove the bus. This was the first bus trip for some of the children.

Another project undertaken by this energetic group of girls and their leader is called project Grandmas. Each girl will adopt one of the women at Rest Haven and visit her regularly taking small gifts and remembrances.

Don't worry about tomorrow. When it comes, it will be today.

STETSON GRADUATE

Miss Sharon Jane Lawrence graduated from Stetson University Sunday, May 31, with a BA degree in English.

Let us congratulate her on her achievement.

Charlie Childs Dies Friday At Home

Charlie Ross Childs, (pop Childs) 80, passed away May 29. He was born in Hartford, Ala. and had lived in Avon Park since 1926. He and his widow, Mrs. Eura Childs had celebrated their 60th wedding anniversary. He was a member of the Church of Nazarene.

Survivors include his widow, Mrs. Eura Childs; four daughters; Mrs. Katie McCoy,

Orlando, Mrs. Myrtle Ellis, Lake Placid, Mrs. Marie (Wm.) Renfro, Avon Park, and Mrs. Charlie Mae Gocio, Sarasota; two sons, Russell Childs, Avon Park, and James Childs, of Tavares.

One brother, Emmett, Chocoma, Ala.; three sisters, Mrs. Katharine Cheshire, Hartford, Ala., Mrs. Sally Collins, Chocoma, Ala., and

Mrs. Ollie Register, Geneva, Ala.

Services were held June 1, at 2 P.M. at the Chapel of Scott-Stephenson-Smith, Funeral Home with the Rev.

Joe Benson of Sebring officiating.

He was laid to rest in Bou-

Production Credit Association Ranked Sixth In Nation

Southwest Florida Production Credit Association of Bradenton, in competition with 46 other PCAs in the nation, ranked 6th, 11th, 12th and 19th in four separate categories, according to Herbert E. Cook, general manager of the association.

Mr. Cook, citing figures furnished by the Farm Credit Administration in Washington, said

that as of December 31, 1960, the association ranked sixth nationally in total net worth owned by farmers at \$4,914,271, 11th in the nation in members loans outstanding at \$28,952,000, 12th in the nation in largest average balance outstanding at \$24,842,000, and 19th in capital stock owned by members at \$2,069,535.

The Avon Park Sun

Avon Park, Fla., June 4, 1970-1A

The association serves farmers with \$9.48 million in operating and capital investment credit on an intermediate-term basis in the counties of Charlotte, DeSoto, Glades, Hardee, Hendry, Highlands, Lee, Manatee and Sarasota.

A complete service office is maintained at Sebring, William H. Brown, manager.

Some people are late bloomers — no one except close neighbors had heard of Henry Ford or Abe Lincoln by their 40th birthday. Grandma Moses and Roger Bacon were unknown at age 75 — Jack Benny started out as a fiddler, Fred Allen as a librarian, Jack London as a

Traffic Violations Leads In Cases Before County

Daniel and Vanessa Spires, of Sebring, pleaded guilty to a probation charge in county judge's court last week and each was fined \$25 or 10 days.

There was one of a long line of cases, mostly traffic violations. Gayle Stoenman Johanson, of Sebring, pleaded no defense to

failure to have vehicle under control, accident, and was fined \$30 or 15 days.

Willie Rogers Bell, of Lake Placid, pleaded guilty to driving on the wrong side of the road and was fined \$40 or 20 days, and failure to appear and was fined \$30 or 15 days.

Horace McNeil, of Avon Park, pleaded no defense to failure to use due care, accident, and was fined \$35 or 15 days. He pleaded guilty to a charge of failure to appear and was fined \$30 or 15 days.

William Howard Cokerham, Sebring, pleaded guilty to improper passing on hill and curve and was fined \$35 or 15 days.

Wayne Arnold Faust, of Sebring, pleaded guilty to unlawful speed and was fined \$25 or 10 days.

Craig Stewart Dukes, of Avon Park, pleaded guilty to failure to appear and was fined costs of \$10 or five days. She also pleaded guilty to having no valid inspection sticker and was fined \$15 or five days.

Ruth Boney, of Avon Park, pleaded guilty to making a worthless check and was fined court costs of \$15 or five days if restitution is made; \$150 or 60 days if restitution is not made.

Willie McCray, Lake Placid, pleaded no defense to a charge of assault and battery and was fined \$60 or 30 days.

James Arthur Hawk, Avon Park, pleaded guilty to a drunk charge and was fined \$25 or 13 days.

Unlawful Speed
Sharon Ann Hale, Lake Placid, pleaded guilty to unlawful speed on vehicle license plate and was fined \$25 or 10 days.

Moses Harry Smith, Lake Placid, pleaded guilty to driving on a stop sign and was fined \$25 or 10 days.

Wellington Emmanuel Clarke, Lake Placid, pleaded guilty to improper passing and was fined \$35 or 15 days.

Midford Williams Cochran, Lake Placid, pleaded no defense to a charge of unlawful speed and was fined \$25 or 10 days.

Tom Dennis Cochran, Venus, pleaded guilty to unlawful speed and was fined \$40 or 20 days.

Siever Thore Conrad, Avon Park, pleaded guilty to disobeying a stop sign and was fined \$25 or 13 days.

Kelly Lee Davidson, Sebring, pleaded no defense to improper change of course and was fined \$25 or 13 days.

William Penn Hunter, Avon Park, pleaded no defense to failure to yield and was fined \$25 or 10 days.

Reckless Driving
Henry Lee Peters, of Sebring, pleaded guilty to reckless driving and was fined \$35 or 15 days.

Joseph Gommilion, Avon Park, pleaded guilty to reckless driving, willful and wanton, and was fined \$40 or 20 days.

Lovestor Marshall, Lake Placid, pleaded guilty to unlawful speed and was fined \$30 or 15 days.

Calvary Wilson, Lake Placid, pleaded guilty to operating a motor vehicle with improper muffler and was fined \$30 or 15 days.

A charge of unlawful speed against John Saceman of Lake Placid was also pressed.

Jesse James Murray, Lake Placid, charged with allowing an unauthorized person to drive his car, had a \$50 bond extracted and was fined maximum points.

Cases of failure to use due care, accident, and no valid driver's license lodged against James Rhodes, of Lake Placid, were dismissed.

Restraint bonds were: Hazel Griffith Moon, Sebring, \$35, allowing an unauthorized minor to drive; Jesse Graham Watson, III, Sebring, unlawful speed, \$25; Bernice Fenders, Sebring, (two charges) drunk, \$50; drunk, \$40.

Shown is the sixth grade class and their teacher, Robert Ott, assisted by R. L. Fletcher in a clean up campaign held last Thursday from Winn Dixie to the Florida Power Office.

Priest Drowns In Little Red Water Lake

A Catholic priest who had been visiting his mother at Sand Beach, died in a drowning Monday after a sailboat capsized in the middle of the lake.

The Rev. Joseph Brunner, 36,

Earl Elijah Newsome, Avon Park, unlawful speed, \$35.

Arthur James Watson, Avon Park, unlawful speed, \$35.

James Arthur Hawk, Avon Park, failure to have vehicle under control, accident, \$35.

"Look for the Advantage"

RECIPIENTS of Erskine College honorary degrees Sunday, May 24, receive congratulations from those who cited them for the degree during commencement exercises ending Erskine's 131st year. From the left are Dr. W. H. Sturtevant, Bartow, Fla., who cited Joseph H. G. (Sarah Bell) Gambrell for the doctor of humanities degree; Dr. Patrick; William S. Liming, vice president for development at Erskine, who cited Mrs. Charles G. (Sarah Bell) Gambrell for the doctor of humanities degree; Dr. Gambrell; Dr. William Harris Blair, Gastonia, N.C., who cited the Rev. William Oates Ragsdale, Avon Park, for the doctor of

divinity degree, and Dr. Ragsdale. Dr. Patrick is a business and civic leader in Greenwood and a leader in Erskine College and A.R. Presbyterian Church work. Dr. Gambrell, only daughter of the late William Henry Bell, Charlotte, N.C., is an executive with Bell Stores and a generous supporter of higher education. Dr. Ragsdale, who recently moved to Avon Park from an eight-year A.R. Presbyterian pastorate in Lancaster, has been an outstanding pastor in the A.R. Presbyterian church and is currently serving his second term on the Erskine Board of Trustees. (Photo by D. K. Lee, Jr.)

Rev. William Ragsdale Receives Church Youth Honorary Doctor of Divinity Degree Attend Spring Banquet

The Rev. William Oates Ragsdale, who recently became pastor of the Avon Park Associate Reformed Presbyterian Church after eight years as pastor of the A.R. Presbyterian Church in Lancaster, received the honorary doctor of divinity degree from Erskine College Sunday, May 24.

The degree was conferred upon Dr. Ragsdale during commencement exercises ending Erskine's 131st year.

Dr. William Harris Blair, Gastonia, N.C., cited Dr. Ragsdale for the degree. The citation read:

"William Oates Ragsdale, son of E. Hannah Ragsdale, and Emma Oates Ragsdale, was born at Russellville, Ark. on September 29, 1915.

"Before entering Erskine when he graduated in 1937, he attended Arkansas Polytechnic College. In 1939, he graduated from Erskine Theological Seminary and in

1940 received the Bachelor of Theology degree from Princeton Theological Seminary. Mr. Ragsdale engaged in post-graduate studies at Columbia University and at Harvard University. He received the Master of Theology degree from Princeton Seminary in 1948.

"In 1938, Mr. Ragsdale was licensed to preach the Gospel by the Mississippi Valley Presbytery and in October, 1940 was ordained to the Gospel Ministry by the Calawha Presbytery. He served as Chaplain in the United States Army 1942-46. During his fruitful ministry in the Associate Reformed Presbyterian Synod, he has served in three prominent pastorates and recently began his work as minister of the Associate Reformed Presbyterian Church, Avon Park.

"Many outstanding programs and boards of his denomination have profited from his zeal, fidelity and knowledge. The New Life Movement, Board of Foreign Missions, Board of Church Extension, Board of Erskine College and Committee on Ecumenical Relations. He has been actively engaged in community affairs, having served on the Board of United Fund, member of Chamber of Commerce and President of Alston Wilkes County, Georgia, and Society of Lancaster County, South Carolina.

"Mr. Ragsdale excels in the field of personal evangelism and has made a great contribution to the Kingdom through this witness as hundreds of human beings have been brought into an encounter with the living God. He has distinguished himself as a devoted pastor, profound preacher, faithful presbyter, intelligent citizen, a friend of man and servant of God.

"Erskine College honored to bestow upon William Oates Ragsdale the degree of Doctor of Divinity."

Twelve young people from the church of the Nazarene of Avon Park attended the annual N.Y.P.S. Spring Banquet at Morrison's Cafeteria in Winter Haven Friday evening.

The banquet, held in the Green Room, honored high school seniors of the Lake-nazarene churches in Lakeland, Crystal Springs, Winter Haven, and Lake Wales.

Rev. Paul Trissel, pastor of the Avon Park Church of the Nazarene was master of ceremonies.

Young people attending from Avon Park were Don Alexander, Julie Filmona, Debbie Scott, Jeff Scott, Earl Bennett, David Wright, Jonathan Wright, Nancy Scott, Kay Siretany, Yvonne Smith, and Rev. and Mrs. Paul Trissel.

Some people are short on cash, others, short on character. The truly unfortunate ones are short on both.

Cooperative Vacation Bible School Scheduled For June 15-24

A cooperative Vacation Bible School will be held at the Union Congregational Church June 15-24. Beginning at 8:30 A.M. and closing at 11:30 A.M. There will be a refreshment and recreational period at 10 A.M. each day.

The churches participating in this cooperative school are the Congregational, Episcopal, Methodist and Presbyterian churches.

The children from these churches are urged to attend and children who are not attending other Bible Schools are invited to come and enjoy the activities of this school.

There will be classes for children four years old through six.

In the kindergarten, Mrs. Don Lacy from the Episcopal Church will teach the first year olds. Mrs. Sherman Francisco of the Episcopal Church will have the five year olds, and Mrs. Sybil Lay of the Methodist Church will be the assistant teacher.

The teachers of the first and second grade children will be Mrs. Archie Reed and Mrs. Tom Hallam of the Presbyterian Church. Teachers for the third and fourth

grade will be Mrs. Cecil Skipper and Mrs. David Lauer of the Congregational Church and Mrs. Wayne Cribb of the Methodist Church.

The teacher for the fifth and sixth grades is Mrs. W. C. Smith and Mrs. Robert Barben is the assistant teacher.

The helpers for these classes will be young people from the four participating churches.

The ladies class of the Congregational Church will be in charge of the refreshments.

The director of the school is Mrs. Eugene C. Hise of the Episcopal Church and Mrs. Paul Jones of the Methodist Church are the assistants.

A good time is planned for all.

Sanborn Heads Drive For Fire Department

R. H. Sanborn was chosen to head a 16-member committee to organize and activate a volunteer fire department for the citizens of the northwest corner of Highlands County. The area to be covered includes these lakes: Byrd, Damon, Brentwood, and Lillian, and the Highland Lakes area.

According to Sanborn, the response of the citizens of the area has been encouraging. The group directed the committee to proceed to incorporate as a non-profit corporation.

The immediate plans of the committee are to draw up a charter and by-laws.

Annual Parish Picnic Slated For Sunday

The annual Parish Picnic for the Church of the Redeemer, Avon Park, will be at noon Sunday, June 7 at the mess hall area at Camp Weyburn.

All parish families and individuals are cordially invited and asked to bring their own picnic dinner. Beverages will be provided. Swimming and fun in the afternoon. People need transportation are asked to call the church office.

Bahais Meet Here For Seminar

Some 60 members and friends of the Baha'i Faith from all over Florida assembled in Avon Park over the past weekend for a seminar planned but beautifully executed seminar. Dr. Hippesman, associate professor of criminology at Florida State University was the speaker.

His topic for the seminar was "How the Baha'i Faith Releases Human Potential."

The seminar was held at the Florida Power Co. their lounge on Main St. was made available for the meetings.

Friends from various parts of the state, began gathering in mid-morning Saturday and by 1 P.M. the lounge was well filled. Three sessions were held, the first beginning at 1 P.M. and the last ending about 1 P.M. Sunday.

The two-day seminar was sponsored by the Baha'i of Avon Park and the State Chapter of the Baha'i Faith.

A striking feature of the gathering was the unity permeating its diversity of people.

The seminar was titled "How the Baha'i Faith releases the human potential." was not treated as a lecture. Instead a booklet of selected writings of the Baha'i Faith, prepared by Dr. Hippesman, was given, each person present and this, "motley crew" of individuals who would not normally be thrown together, were shuffled and reshuffled in groups until each one present began to feel himself one unique piece of the "puzzle of humanity" finding where and how he or she could best "fit" among other parts of the "puzzle."

Though extremely busy Dr. Hippesman had carried a heavy load of responsibility in making the gathering possible. Guests left with warm feeling for the city, and look hopefully to future gatherings in Avon Park.

An interview with Dr. Hippesman may be heard over radio station WWSB during the noon hour Friday, June 5.

Veterans Hear Morrison Speak On Legislation

Veterans of World War I of the U.S.A. Barracks 1150 met recently for their regular monthly meeting at 409 E. Main Street, Commander A. Morrison of Barracks 500, Melbourne was present and gave a most interesting and informative talk relating to the veterans of the state of Florida.

Commander Morrison, who is also National Aide to the camp of veterans brought the members up to date on the National picture and informed them as to legislation pending which would be beneficial to veterans, their widows and orphans.

Following the meeting the members of Barracks 1150 decided not to hold any further meeting until September. Following their meeting the veterans joined the Auxiliary for a carry-in luncheon.

The Ventry of the Church of the Redeemer will meet Wednesday, June 10 at 8 P.M. in the church office.

Should We All Be One?

By DAVE LIEWELYN
"Before I built a wall, I'd ask to know
What I was walling in, or
What I was walling out,
And to whom I was like to give offense.
Something there is that doesn't love a wall,
That wants it done."
— From "Mending Walls" by Robert Frost

Walls are for privacy, for separation, for exclusion.

We wall ourselves in socially by homes and cars and clothing — and we do this equally rapidly, whether we are poor or rich or otherwise.

We wall ourselves in personally by habits and prejudices that superficially assess and condemn other people.

We wall ourselves in psychologically by patterns of life, and self-criticism, and discouragement, which unfairly depress our potential.

When someone begins to wall himself in physically — by refusing to leave his neighborhood or home, or by locking himself away from others in his house or in his room — it is because he has already been impressed invisibly.

Most of us physically retreat from people only rarely, just long enough — into the office, or bedroom, or vacation — to regain our composure. Spiritually, however, our retreats from one another are more frequent — and often, permanent.

Christian Unity Desirable

Vast segments of Christian society have walled themselves — "barricaded" might be more accurate — permanently away from other types of true believers. So they have become more "denominationalists" than Christians.

Barrier Broken Down

Paul says, concerning such divisions, that Jesus "himself is our peace. Who made both groups into one and broke down the barrier of the dividing wall."

The proper basis of ecumenism is made clear in this Epistle passage. Peace in the whole church is made "in Christ Jesus" and "by the blood of Christ" "by abolishing the law," "by reconciling to God" — and not just to one another — "through the cross," "in one spirit" — the Holy Spirit — "having been built on the foundation of the apostles and prophets."

The New Testament laments the walls that believers have constructed between each other by artificial rules. It urges all believers to accept the whole teaching of the New Testament in the "made one" through Christ Jesus.

Two Sentenced By Judge Kelly

Robert Michael Bush, of Winter Park, pleaded guilty to burglary by breaking and entering Popper's Market before Circuit Judge Kelly last week.

The judge put him on probation for three years and ordered that restitution of \$32.64 be made.

Willie Lee Sanders, of Avon Park, was given two concurrent five year sentences on his plea

By Judge Kelly

of guilty to burglary by breaking and entering. He will get credit for 62 days served in jail. Sanders broke into the Blue Note Tavern, Avon Park, taking property belonging to Henry Adams and Benny Fordham, Floyd Foreman's home in Avon Park, and Pollard's Grocery, Avon Park.

We are proud of you, graduates, and we wish you the best of luck in all future endeavors.

Fifth Grade Presents Spring Concert Monday

The fifth grade classes of Avon Park Elementary School presented their annual Spring concert Monday, June 1, in the elementary school cafeteria. Mrs. Ann Mickunas directed the talented youngsters and Mrs. Vera Standfield accompanied the group.

Participating in the events of the evening were about 140 fifth graders in about 14 different musical groups. The largest was the fifth grade chorus. From this group were taken the melodic band, the two bell bands and the ukulele band.

The first section of the concert consisted of folk musical selections sung by the chorus. Then the melodic band played a variety of numbers. One of the highlights of the concert was the solo sung by Tami Cason with the chorus accompaniment. The first bell band entertained with "To a Wild Rose." The eight carven girls who performed included Denita Wray, Pam Griffin, Cindy Bass, Ranya Saunders, Cathy Williams, Terry Underwood, Mary Coleman, and Lucy Jackson.

The members of the first bell band included Craig Landress, John Sperry, Beth Ormond, Margaret Turnbull, Dale Sisemore, Laura Weber, Sue Nunnallee, Robert Prescott, Jack Collins, and Cindy Taylor.

The members of the second bell band played "America, the Beautiful." That group consisted of John Mickunas, Sherri Collier, Pam Griffin, Tami Cason, Kelly Hill, Brenda Cooper, Cindy Bass, and Ricky Anderson.

Special costumes were made for all the girls and boys participating in the Charleston dance. The young ladies wore long dresses and the young men wore felt top hats and armbands. The eight girls dancing the Charleston were Margaret Turnbull, Sue Nunnallee, Laura Weber, Cindy Taylor, Tami Cason, Sherri Collier, Brenda Cooper, and Kellie Hill. The boys included John Sperry, John Mickunas, John Ferguson, David Cloud, Scott Thompson, Larry Ellis, Tommy Lewis, and Jan Johnson.

MRS. ANN MICKUNAS leads the fifth grade chorus as Tami Cason sings her solo in the Annual Spring Concert at Avon Elementary.

FOUR OF THE eight girls dancing the "Charleston" during Avon Elementary's Spring Concert are, left to right: Kellie Hill, Sherri Collier, Brenda Cooper, and Sue Nunnallee.

son, Larry Ellis, Tommy Lewis, and Jan Johnson. The ukulele band played several numbers and had as a special guest star "Tiny Tim." Norris Brooks, new principal of the elementary school, donned a wig so he could "Tiptoe Through the Tulips," as "Tiny Tim."

The program was climaxed with a presentation to Mrs. Mickunas of a corsage and a gift from collections from the fifth grades.

Mr. and Mrs. Thomas W. Hardy have returned home from the past weekend visit with Mr. and Mrs. Albert Schaff in Boca Raton.

Mrs. Irving Stotts and mother, Mrs. Fannie Heinke were the luncheon guests of Mr. and Mrs. Frank Haskin last Tuesday.

Mr. and Mrs. Frank Alley have had as their guest for the past week, Mrs. Joseph Kennedy from Miami. Mr. Kennedy arrived last Friday for a few days visit.

Mr. and Mrs. Ralph Harless and daughter, Pattie from St. Albans, W. Va., arrived last Saturday and will spend several days at the lakes at the guests of Mr. and Mrs. Maurice Bush. Harless is the sister of Mrs. Bush.

Mr. and Mrs. Charles Balding were visitors in Lakeland last Wednesday.

Mr. and Mrs. Frank Bellew and Mr. and Mrs. John Norval from Tampa, were the luncheon guests of Mr. and Mrs. George E. Hurst last Thursday.

entered the hospital on Monday and was to undergo eye surgery this past Monday. He is in the St. Anthony Hospital, Room 260, St. Petersburg.

Forty members of the Avon Park Lakes Association enjoyed the Memorial Day pot luck dinner at the club house last Saturday evening at 6 P.M. Hostesses for the dinner were Mrs. Berville Collins, Miss Pearl Routhamer, Mrs. Elmer Hurst and Mrs. Walter Beach.

ROTARY CLUB NEWS

The members of the Rotary Club are always pleased to have a "home town boy" present our program, and we are especially proud when the program centers around our own area. The meeting on Wednesday was such a program. It was presented by Larry Hooper, a life-long resident of Avon Park and instructor of electronics at South Florida Junior College.

Larry showed slides of the different types of land area around Avon Park and Highlands County. He pointed out many features of this land which many of us were not aware of. First he showed pictures of the sand hill or scrub land with its small trees, palmetto, moss and flowers. The variety of flowers and their beauty was very interesting. Larry explained the purpose of this type land and its animals to the overall plan of nature.

Next we saw pictures of the flatland or pine woods area. Again this area is blessed with much beauty which we are not aware of. Also, Larry pointed out the changes which have taken place in this area over the past years.

Most of the changes have been the undergrowth of small trees, shrubs and the hardwoods. Several years ago when the woods were burned every three to five years this undergrowth could not survive. As a result of the strict forest fire restrictions and fire protection the pine timber is slowly being choked out by the competition from other trees.

Larry's presentation of the pictures and his knowledge about the area was of a very

professional manner. It was easy to see his real interest in the subject and he transferred much of this interest to each member and guest present.

Beautician School Scheduled To Begin In Fall at SFJC

The beautician school planned for South Florida Junior College will be a reality next Fall. Equipment now is being received and plans made to open the School of Beauty at the college.

Women in the community interested in attending this school and becoming beauticians should

apply immediately to the college and plan to take the entrance exam scheduled for next Monday, June 8, and the two major professional baseball leagues. In this area the sponsor is E. O. Koch Oil Co.

Tommy C. Lewis Wins In Baseball Contest

Competition was particularly tight in the top and bottom brackets in Highlands County's first Pitch, Hit and Throw contest May 23. The four top winners—Adrian Toney of Sebring, Steve Shumard of Wauchula, Tommy C. Lewis of Avon Park and Ricky Ragland of Sebring—will go to Ft. Lauderdale on Saturday, June 6, to participate in the South Florida district round of Pitch, Hit and Throw.

The first round was at Firemen's Field. The contest is sponsored nationally by Phillips 66 and the two major professional baseball leagues. In this area the sponsor is E. O. Koch Oil Co.

In taking first place honors for the nine-year-old's Adrian Toney barely edged Bob Thwaites of Sebring by a five-point margin. For the 10-year-old Steve Shumard easily defeated the second place Robert Leaphart, Jr., of Sebring.

Patricia Braasch Graduates From LaCrosse State

Patricia R. Braasch of Rt. 2, Avon Park, is among 509 candidates for degrees to be honored at La Crosse State University's 61st annual Spring Commencement exercises, scheduled for May 28th at Memorial Stadium.

Mrs. Alf Gundersen, prominent local, state, and national civic leader, will deliver the commencement address. President Samuel G. Gates is to confer degrees and award diplomas to 473 seniors who are candidates for Bachelor of Education, Bachelor of Science, Bachelor of Art degrees, along with 37 others who will receive Master of Science degrees. This represents a total increase of 61 graduates over last year when 448 seniors participated in Spring Commencement.

Patricia, who is the daughter of Mr. and Mrs. Milton Braasch, will receive a Bachelor of Science degree from the College of Health, Recreation, and Physical Education with her major in physical education.

As a student, she was active in the Fencing Club, Hockey Club, and was selected to the All-Midwest Field Hockey Team II. Her future plans include serving two years in the U. S. Army-WAC.

Wesley Smith, chapter president.

dem, will report on the AARP national convention held in Oklahoma City from May 18-21. He was one of 14 elected delegates from Florida, there being 384 delegates present.

The association now has 645 chapters with almost one and a half million members.

The public is cordially invited to attend a ham supper Sunday, June 7 at 3:30 P.M. at River Green Golf Course.

\$3 per couple for non-members which includes green fee, and \$2 for members.

TO HOLD SUPPER

Hostesses for the evening, Judge and Mrs. Mervin Rehner, Wayne and Audrey Renner and Hugh and Agnes Dowling.

Dorsey Is National Merit Scholarship Winner

Miss Sandra Dorsey, daughter of Mr. and Mrs. Henry Dorsey, an outstanding Avon Park High School senior has been awarded a four year scholarship by the National Merit Scholarship Corporation.

Miss Dorsey has chosen Duke University at Durham, N. C. At Duke she will major in medicine.

The National Merit Scholarship Qualifying Test consists of four tests measuring broad aspects of educational development in basic academic areas: English usage, mathematics usage, social studies-natural sciences reading comprehension, and word usage.

The NMSQT is designed to measure the cumulative effect of educational experiences and the student's ability to apply his knowledge.

He must show what he can do with what he has learned. The test is not restricted to

STATE SCHOOL FUNDS
Highlands County schools received \$181,522 as their share of state school funds last month. Last year the county schools received \$183,691 for a month's share of state funds. The total distribution in the state last month was \$42,638,736.

CARD OF THANKS
I would like to thank Dr. Foster and Dr. Ostling, the nurses and pink ladies for their care during my recent stay in Walker Memorial Hospital. Also my friends for the lovely cards and visits.

\$1000 Scholarship Award

Graduation is one of the most important milestones along the highway of life. It is a significant accomplishment. Yet, while it marks the achievement of a successful program of training and education, it is not an ending, but in a real sense it is a beginning. We wish to congratulate each of the graduates in Highlands County.

We would especially like to congratulate the three students who are to be awarded First Federal Scholarship Awards (to help defray part of their college expenses), as well as those that were close runner-ups. The runner-ups are, from Avon Park: Patricia Meeks, George Stone, Ron Weber, Holly Ann Reddick, James Williams and Sandra Rose. From Lake Placid: Patricia Dixon, Barbara Dressel, Jane Over, Lisa Hendry, Owen Minick and Bert Harris. From Sebring: John Freeland, Stephen Mason, James Davis, Nicholas Arkhart, Stanley Leaphart, Valerie McGee, Cynthia Campbell and Frank Handley.

MISS SANDRA DORSEY

the content of any particular school curriculum. In general, questions do not ask for specific facts, but require the student to make accurate interpretations and critical evaluations of the problems presented. To answer the questions, he must exercise the same problem-solving abilities that are required for success in college.

The selection of an Achievement Scholarship winner is a process in which the student's ability, his record of achievements, and his personal characteristics are considered. Winners are selected on the basis of ability and promise.

The Selection Committee evaluates the combined data for each Achievement Finalist—his NMSQT and SAT scores, his academic record including rank-in-class data, courses studied and grades earned. In addition they consider information the Finalist has submitted about himself: his chief interests, significant extracurricular accomplishments, employment and any comments about these factors that he wishes to include.

The judgments of the committee are based on a combination of ability measures, academic and extracurricular achievements and the Finalist's and school statements which provide insight into the personal qualities, attitudes, interests and goals of the student.

More than 17,250 schools administered the NMSQT to about 743,300 students. Out of this group 15,000 semifinalists were selected. Out of this group 3,125 Merit Scholarships were awarded.

On Wednesday, May 27, 4½ courts were in play with the winners in the main event being Chris Cabezas and Blaine Kerr. Runners-up were Kate McAlexander and Clay Kull. In consolation, Ota Gibson and Sarah Kerr won.

Red Squad Wins Practice Game

The Red squad scored a TD in the first and fourth quarters to win the annual Red-White Intersquad Spring practice football game last Friday night by a score of 12-0 to close out the four weeks of work-outs by the Red Devil varsity hopefuls.

Red quarterback Don Sizemore figured in both scores as he sneaked the first touchdown over from four yards out in the second quarter and then passed to end Joe Franz in the end zone for the second score. White defensive back Walter Nunnallee broke through to block an attempted place kick by Sizemore after the first touchdown and the second attempt for an extra point failed when a run was stopped short by the White defense.

The Red squad used the following boys on offense: Jim Magenheimer and Joe Franz at ends; Ted Long and Dagny Albritton at tackles; Mike Rhiner and John Edwards at guards and Don DeLaney at center with Sizemore quarterbacking and Jarvis Hart at fullback and Frank Davis and Freddy Johns at halfbacks. Also seeing action on the Red squad were: Doyle Book, James Coleman, Wayne Todd, Greg Hart, Ray Culpener, Charles Johns, James Pearson, Jake Allen and Eugene Flowers.

The White squad used two boys at quarterback, Thad Tate, a sophomore (junior next season) and Danny Lewis who will be a freshman next season, both saw action in the quarterback slot for the Whites. At halfback the Whites had impressive Dennis Hart and Joseph Todd and Walter Nunnallee at full-

back. On the line the Whites had Clark Jackson and Bobby Stoops at ends, Mike Archer and Virgil McInvalle at tackles, Wesley Turner and Greg Albritton at guards, and veteran Ricky Dick at center. Also playing for the Whites were Clavton McNeil, James Smith, Bud Wester, Arnold Davis, Earl Strong, Randy Spisler, Haywood Batts, and Willie Davis.

The Red Devil boys looked very good after the 20 days of practice and gave the small scattering of fans who braved the rain hopes of a successful season next year. Six boys who are expected to play next season were out of action this Spring due to injuries: Steve Hart, Bill Phillips, Keith Richards, Mike Smith, Mike Talley, and Randy Ward.

Only hungry minds can be educated.

Scout Camp Begins June 8

All Girl Scouts who have not registered for the Girl Scout Day Camp are urged to do so this week.

There are now 86 girls registered for the five days of fun and learning. There will be swimming with Red Cross instructors in attendance and an opportunity to work on Junior and Senior Life Saving badges.

Two special courses for Senior Scouts will be a Program Aid and a Ranger Aid Course. Canoeing and many crafts will also be available. This is your last chance to register so please send your \$5 to Mrs. Peggy DeLaney, P. O. Box 401, Avon Park and get in on the fun that will begin on June 8.

CARD OF THANKS

The family of Judge Arthur H. Bartlett wish to express their sincere thanks to relatives, friends and neighbors for cards, flowers, money and kindnesses shown us in the death of our husband, father and brother.

We also wish to thank Dr. Samuel A. King, the staff of Walker Memorial Hospital for the good care and the Mizelle Funeral Home.

We honor the Class of '70

Yes, you are to be congratulated on your graduation from high school. Your diploma represents 12 years of school work. But remember this, Mr. and Miss Avon Park High Graduate, you have a lifetime ahead of you. The success of your life will depend not on your diploma but on you. Don't be afraid to set high standards and goals, and then buckle down and work to achieve your dream. You have only one life to live, so make the best of it. Strive constantly to keep a song in your heart, a willingness to work hard, reverence to God and love for your fellow man — and you will not fail!

Avon Mobile Home Park News

Sincere sympathy is extended to Robert Gibb in his sorrow, since Mrs. Robert Gibb passed away at Walker Memorial Hospital on Friday, May 29. An Eastern Star memorial service was given on Monday evening at the Stephenson-Smith chapel. The interment will be in Pennsauken, N. J. Mr. Gibb will be in the North for about two months as he is anticipating eye surgery, soon.

William Near, a Winter resident in our park is to have heart surgery on Tuesday at the Hamot Hospital in Erie, Pa. The home address is in Sherman, N. Y. 14781.

We are happy to report that Maude Nienkirk and John Wolfe are both home from the hospital and recuperating nicely.

Mrs. Ross Bennington, back home since last Wednesday, is glad to be here after her trip to Louisville, Ky.

Mr. and Mrs. Herman (Florence) Young are on their vacation for the Summer in Michigan.

Mr. and Mrs. Walter Coady took a trip to High Springs, to visit Flo's brothers, Gilbert and Amie LaCroux for a few days last week.

Mr. and Mrs. Robert Duthie enjoyed a visit last week with Mr. and Mrs. Don Easley from Lakeland. The Duthies will leave Monday, June 1, for about a month. They will see a grandson David, married on June 6 in Elkhart, Ind. Moving on to LaPorte, Ind. and Michigan City they plan to visit with friends, Paul Rotha, Louis Shoemakers and possible Dr. and Mrs. Dean Conrad in Ohio. Their itinerary also includes Canada, 1000 Islands, and the St. Lawrence Seaway.

We hear via the grapevine that Dr. and Mrs. Dean Conrad are fine after arriving home safely.

Mr. and Mrs. H. L. Jordan are home after fine weather and good roads with their flower garden all planted and everything well organized. Their address is 1214 Greenville Hwy. Hendersonville, N. C. 28739.

Mr. and Mrs. Harmon Hefner are having a pleasant Summer and feeling well. Soon they will be picking strawberries (40 to 60 quarts every other day). We would all like some of those, with cream! The next crop will be raspberries in July. It is

so nice to have our friends in the North write now and then.

Mr. and Mrs. Paul Roth wrote that they had been busy with Paul painting the house, cutting grass and taking care of their grandchildren for a week (including two Siamese cats) enjoying it all, never the less. Ginny was in the hospital for five days for x-ray tests, with a broken rib showing up instead of gall stones. She is doctoring and feels better, glad to be back on a regular diet, she said, "the food tastes so good."

"Our picture show" for the week was on Tuesday instead of Friday this week, with four interesting films entitled, "Honey and Bees," "Pageant of American Farms," "American Forester" and "Water Sports."

Saturday was a day of "fests" for Mr. and Mrs. Ora Myers as they celebrated their 34th wedding anniversary. The candy factory at Davenport, fed the sweet tooth of Ruby and Ory as Lawrence and Ruth Robinson who was invited to accompany them. Next, the fabric barn with all 10 rooms was an interesting array of materials for seamstresses. A stop for lunch in Orlando at the "Bit of Sweden" and finally a stop at "Disney World" for a preview of things to come in October 1971, climaxed the day. May you be blessed with many more anniversaries, Ruby and Ory!

Nazarene Youth To Wash Cars Saturday

Got a dirty car? Let the Nazarene Young People clean it! This Saturday, June 6, from 10 A.M. until 6 P.M. the teens will wash your car for only \$1, or for \$1.50 if you also want it waxed.

The car wash will take place at the rear of the Church of the Nazarene, located on West Main Street and DeSoto Avenue in Avon Park.

Come by and help the kids out!

May your life grow and branch out like a tree that is only going up in the world. Much luck and happiness to you — the blossoms of the future years.

Cole's Nursery & Irrigation

Highway 64 Avon Park 453-4649

Flying Notes Avon Park

All those places you saw going over Avon Park and landing last Sunday were in a spot landing contest. The object of the contest was to see if any pilot could land on the spot, a large white bullseye painted on a runway. The landings were made more difficult because of high and gusty winds.

There were 45 entries in three classes—student, private and commercial pilots. Winners in the student class were Charles Jordan, Avon Park, Charles Gosick, who is 14 years old and therefore had to take a rider with him who would give no instructions, and Jim Short, Clearwater.

In the private class, the winners were Robin Bickert and Bob Downin, both of Clearwater.

In the commercial class the winners were Dick Heath, Panama Canal Zone and Ed Wheeler, Avon Park. Special mention must be given to the judges for this event—Lee Hart and Carl Lindau of Sebring who did their job amid threats of tar and feathers and being accused of very poor eyesight. The winner roost following the competition was enjoyed by pilots, their families and guests.

The Ridge Flying Club held their meeting at the Avon Park Flying Service last week to discuss plans for future flying events which will include the floor bombing contest, June 14 and an air race, June 28.

Charles Hoke made a dual cross country flight to Lakeland and Wauchula and later in the week made a solo cross country flight to Okeechobee.

Danny Johnson, Sebring made his first solo cross country flight to Lakeland and Lake Wales last week.

Don Gosick began instruction with two new students this past week, Paul Gentry of the Highlands School for Girls and Randy Spehr of Sebring.

Sunday afternoon, June 14 there will be a floor bombing contest. This is an open competition for a pilot and co-pilot. A two pound bag of

CHARLES HOKE, President of Avon Citrus Bank, and Dr. H. E. Kost, of Sebring, view the beautiful art display painted by Dr. Kost, that is on exhibit at the bank.

Paintings On Display At Avon Citrus

A number of paintings by Dr. Henry E. Kost of Sebring will be on display in the Avon Citrus Bank during June. Dr. Kost is a member of the Highlands Art League and is also on the Board of Directors in charge of gallery facilities.

His style of painting is bold and vivid; he is also an experimenter in technique, as shown in his flower picture, where he glues fishnet to canvas and then painted the still life over it. In a larger painting, he has used white building sand sprinkled on wet painted canvas to give a textural effect to buildings and roadway in a scene of Spanish style buildings. This gives an effect of strength and reality.

Information about Highlands Art League activities, art classes, membership, etc., may be obtained by calling Mrs. Charles Hoke at 433-5089.

Veto Of Appropriations Bill Causes School Problems

The beleaguered Highlands County School Board had a new set of problems dumped on it this week when Governor Claude Kirk vetoed the state's appropriations bill.

Finances now get partial de-segregation as problems to come before the school board at its meeting at 7:30 tonight Thursday.

In anticipation of a large turnout for the meeting Superintendent George F. Douglas scheduled the session for the courtroom on the court house second floor.

Unassigned Contracts
Veto of the appropriations bill leaves the county school administration holding a handful of unassigned teachers' contracts. "The contracts are all ready, all we need is to fill in amounts," Superintendent George F. Douglas mused.

Under state regulations teachers' contracts are to be signed by July 1. "The county has tried to hold up its end of the traditional appropriation bill, but this last-minute uncertainty of the veto of the state confuses the matter," Douglas complained.

He said that "so far as Highlands County is concerned the appropriations bill left a lot to be desired, although state-wide aid attempts to clear up discrepancies that have long existed. It attempted to correct the deficiencies which result from high enrollment and low property tax base."

Net Increase
The Highlands Superintendent said, "The appropriations bill provided a net increase of \$107,283 in state aid for Highlands County schools. Increased aid is absolutely essential for us to meet increasing costs in educational facilities, both instructional and non-instructional."

Douglas indicated that he believes that increases in the cost of living warrant higher pay for school personnel. He said Highlands County Education Association had suggested new salary schedules for teachers here.

"I'll recommend new salary proposals for all personnel once the appropriation bill has been passed," Douglas said. "Unassigned word is that the Superintendent will recommend a raise of about \$400 per year for Highlands County teachers."

Douglas said the school board "can't wait until the state finances deliberations" to proceed with some planning for the 1970-71 budget.

Bids To Be Opened
The school board has two meetings scheduled for today. At 2 P.M. today the board will meet to open bids for the construction of Avon Park and Sebring High Schools. Board Chairman Henry Bailey indicated the board hopes to award contracts for about \$4 million.

September 1971 is target date for putting the new high schools in use. Later this summer contracts for additions to Lake Placid Elementary and Fred Wild School are to bid.

Colonel Larson Commands Avon Park Bombing Range

Lt. Colonel John T. Larson, Jr., has assumed command of the Avon Park Air Force Base. Larson was previously a flight commander and flight instructor in the 42nd Tactical Flight Squadron stationed at MacDill Air Force Base in Tampa. He replaces Maj. T. P. Weeks, Jr., who formerly commanded the range.

Col. Larson's initial contacts with Avon Park came when he acted as a supervisor of range operations while stationed at MacDill AFB. A veteran of the Vietnam War, the Colonel is in his 10th year of service with the Air Force. His training began in Marianna, in 1954, and he was then moved to Greenville, Miss., where he received advanced flight instruction. From Greenville, Col. Larson moved to Craig Air Force Base in Selma, Ala. Between 1959 and 1961, he served in the Philippines.

Upon returning to the United States, the commander of the 42nd Tactical Flight Squadron, he was assigned to the 42nd Tactical Flight Squadron at MacDill AFB. He was then assigned to the 42nd Tactical Flight Squadron at MacDill AFB. He was then assigned to the 42nd Tactical Flight Squadron at MacDill AFB.

LT. COL. JOHN T. LARSON, JR. Commands Avon Park Bombing Range

half months in Vietnam. This is the same type of jet which practices maneuvers over the Avon Park range.

Col. Larson's most recent posting before coming to Avon Park was a flight commander of one of the four flight squadrons stationed at MacDill. In this capacity, he supervised seven other flight instructors who train pilots to fly the F-4. He also acted as a scheduling and program officer for air operations. Col. Larson was a commander at MacDill that he came to Avon Park to supervise operations as a range officer. He enjoys swimming long distances, and runs about two miles a day.

Community Relations
According to the commander, special cooperative tours of the bombing range are available to those in-

terested in seeing the facilities. Prior contact with the administration of the range is essential, however.

Concerning community relations with the Air Force personnel, Col. Larson said, "I'm trying to find a system so we can find out more about what is going on locally." The commander suggested fishing, outings, and other activities of mutual interest as possibilities for interaction between the two groups. According to Col. Larson, most of the personnel of the Air Force Base have had one or two tours of duty in Vietnam. About 50 percent of the personnel are career men.

In speaking about the possibility of a sequester in part of the area of the bombing range, Commander Larson

Next Sunday Is Flag Day

President Nixon yesterday designated next Sunday as Flag Day and the start of National Flag Week.

In a special proclamation, he urged Americans to fly the flag throughout the week at their homes and other suitable places. "We honor the flag for what it is and for what it demands of us," Nixon said, adding that it "symbolizes the dignity of man as it did when these early Americans created it."

109 APHS Seniors Graduate At Memorial Field Monday

In the largest graduation in Avon Park High School's history, 109 seniors received diplomas at Memorial Field on Monday night, June 8.

Miss Dorsey and Miss Reddick were Miss Maria Bhowmik and Miss Tomok. They were the senior members of the National Honor Society.

J. Homer Bible, General Supervisor of Education for Highlands County, presented Bill Nixley with the \$1,000 Methodist Church and Leroy Collins with the First Federal \$220 scholarship to attend South Florida Junior College.

After the presentation of diplomas by Wells, as the climax of the program, Miss Reddick gave her address. She pointed out that to have personal fulfillment, people must have hope, and must assume new responsibilities as they are presented. She also said, "Even though we may have our values already formed we must be careful not to fall into the trap of immaturity; to remember that to fight for what is right is bravery but to fight just to fight is stupidity; to

learn to love; not to lose hope; — to realize that something is not always make sense."

Baccalaureate Held Sunday
Rev. Duane R. Zoller, minister of the First United Methodist Church, led in the invocation at the baccalaureate service Sunday, June 7 in the high school auditorium. Special music was provided by the Mixed Chorus of the high school.

Kenneth Eberly directed the group in singing "Lift Every Voice and Sing."

Elder Thomas J. Brown, of the Apostolic Church of Jesus, read the scripture. The baccalaureate sermon was delivered by Rev. Paul J. Trissel, of the Church of the Nazarene. Trissel reminded the seniors that their lives will be sermons themselves. Pastor of the First Baptist Church, Rev. Allen D. Childers pronounced the benediction.

Supervising Principal A. W. Cravens presented the valedictory award to Miss Holly Reddick. Miss Dorsey received the salutator award. Honor students in addition to

Avon Park Residents Contribute \$1500 To Highlands County Cancer Crusade

Mrs. Andrew Jackson, General Chairman, Highlands County Cancer Crusade has announced that over \$8,135.00 has been contributed in the 1970 educational and fund drive campaign. A. B. White, Avon Park Chairman, reported close to \$1500 as the contribution of local businesses and residents. Checks mailed directly to the fund drive are not shown separately but are part of the fund drive total.

Dr. V. Gregg Watters, President, Highlands County Unit of the American Cancer Society, described the educational and service work of the county unit in the following way. "In response to several inquiries we have received recently," said Dr. Watters, "we wanted to tell the people in Highlands County of the services offered locally by the American Cancer Society. We provide dressings, hospital beds, wheel chairs, and other sick room equipment and supplies for the cancer patient. Limited short term aid is available upon request by the family physician and approval of the county Medical Advisor to the local Unit. The American Cancer Society will pay round trip transportation for indigent cancer patients to cohab centers and tumor clinics, including special cases such as leukemia patients, to the National Research centers."

We have rehabilitation and counseling services for laryngectomies, mastectomies, and ostomy patients. There is guidance and assistance available for all needy High-

land County cancer patients, and if any person in the county should need help, they may call the following:

V. Gregg Watters, M.D., Sebring, 385-0222; A. B. White, Avon Park, 453-3771; Mrs. R. A. Bannerman, County Service Chairman, Sebring, 385-7088 or Mrs. Andrew Jackson, Lake Placid, 465-6491.

In addition to our service program educational programs for children and adults are available which include lifesaving, literature, films and talks by physicians speakers. We conduct year-round lifesaving educational programs to alert the public to the warning signals of cancer.

David Clark Receives Honor Award In Tokyo

David Clark, son of Rev. and Mrs. Gene Clark of Tokyo, Japan, and a junior in the American School in Tokyo, was recently presented the National Honor Award.

He also was presented the highest award given to a male member of the American School for the junior class, the Harvard Book Award.

This award is sponsored by Harvard University and goes to the junior who shows the most promise as a scholar and as a citizen. This selection is made

by the principal and the faculty.

David was elected by the faculty to the National Honor Society, based upon scholarship, leadership, service and character.

As a sophomore he was selected under the Robert Kennedy Foundation for six weeks of study in Europe and will leave from New York for Europe this month.

David is the grandson of Mr. and Mrs. R. H. Lawton of East Winthrop Street in Avon Park.

BARBARA MILLER, co-chairman of the reception committee and Martha Mosley, both juniors, pose with Mr. and Mrs. Charles Rowland, guests, and other people at the reception following graduation ceremonies.

ROTARY CLUB NEWS

By DAVID LAWRENCE

The Club was treated to a very interesting and timely program last Wednesday when Chief Deputy O. L. Raulerson spoke to the Club on the subject of "Drug Abuse in Highlands County."

Program Chairman "Corky" Pardoe introduced Sheriff Joe D. Keene who in turn introduced the speaker.

Deputy Raulerson passed out to the members samples of marijuana or "grass" for their inspection. There was also a narcotics kit and a small marijuana plant on display together with pictures of drug addicts.

In his opening remarks, Deputy Raulerson said the Department was asking all citizens and service clubs for their assistance in helping with the drug abuse problem in Highlands County, this being the problem of all citizens and not just the Sheriff's Department problem where the welfare of children is concerned. He stated that the Department was fortunate to have received excellent assistance from citizens and local law enforcement thus far in providing them with information as to drug abuse and that it was hoped that this would continue.

Several members of the Department are working on this practically full time now. One of the methods of becoming better informed on the problem he said, is through interviews with students in the schools. Many students have been interviewed in Avon Park as well as Sebring but he added, just because a student is questioned does not mean that the student is involved in any drug abuse, only that statements of many may lead to those who may be directly involved.

Law enforcement officials are interested in drug abuse not only for the reason that it is a serious crime and the effect it has on the welfare of young people but also because of the great economic burden on society which results. The drug addict is a non-productive member of society and must in many cases obtain funds illegally to finance his addiction. Treatment and rehabilitation is expensive and then of the cases for rehabilitation of heroin addicts, for example,

Cancer—

(Continued from Page One)

cer bringing to everyone new and accurate information about prevention of the disease and encouraging periodic physical examinations.

The American Cancer Society provides professional information to members of the medical and allied profession, supports numerous cancer seminars throughout the state and provides scholarships for training of cytotechnicians and health education students.

We also support the National Research Program, the National Medical students, and approved Florida research projects. The Society meets the standards of the National Health Council for National Health Agencies, and is a member of the Council.

The American Cancer Society is the only National Voluntary Health Agency dedicated to the control of cancer through comprehensive year round programs of Research, Education, and Service to cancer patients. The Society pleads the full use of every dollar in the fight to save lives from cancer please give the program your full support.

CARD OF THANKS

We would like to express our thanks to Drs. J. Osborne and Samuel Kintz also the nurses and sink ladies for their care while we were confined to Walker Memorial Hospital. Would also like to thank our many friends and neighbors for the beautiful flowers and cards we received to and the Rev. W. Rastdale for his visits and prayers.

We also appreciated the food brought to our home by friends and neighbors. Your kindness will never be forgotten.

Heleen and Jack Floyd
Pd. Adv.

An auto dealer in Indianapolis, Ind., places a copy of the May Testament in the glove compartment of every car he sells.

90% return to their former addiction.

Most drugs such as heroin, marijuana and LSD are obtained, imported illegally, extremely expensive by the time they reach the user with organized crime realizing a tremendous profit from the trade.

When a person uses, or tries, marijuana, Deputy Raulerson said, this does not necessarily mean this will lead to heroin or other addiction in every case, but more important is the frequency of marijuana users moving on to the use of barbiturates, particularly true in the case of young people. Many "pulls" and other items are readily available in the home medicine cabinet and many youngsters, through curiosity, rebellion or depression will try one thing after another, leading to stronger and stronger doses.

In Highlands County there seems to be little problem in regards adult (over 25 drug) abuse, he said, but younger people are securing some items outside the county. Citizens of Highlands County are fortunate in one respect, he added, in that the drug abuse problem is not as great as in other metropolitan locations as, in one county, drug abuse in the elementary grades has been uncovered.

Everyone should be aware of the problem he concluded and perhaps another way to help avoid the problem in Highlands County would be for adults to show an interest in what students will have to do during the summer months.

CARD OF THANKS
The family of Charlie Ross Childs wish to express their thanks for the flowers, food, prayers and other kindnesses extended during the loss of their loved one.

Governor's Veto

(Continued from Page One)

to a 90-day cancellation clause, was unanimously carried at this session of the council. The public spirit of the club shown by past donations to worthy causes, was a factor in this unanimous approval.

In a third action along this line, approval was given for the city to assist in construction of a baseball infield at South Florida Junior College.

A request by Loren Bennett, representing the Avon Park Recreation Committee, Bennett submitted for Professor Sims of the Hopewell School who was unable to appear due to the high school graduation exercises held at the same time. When the frame buildings at the Hopewell School were up for sale, this recreation committee has been the successful bidder on one of them.

Plans have been made to move the building to a lot on Carolina Ave. between 1st and 2nd Streets. Bennett appeared before the council to request that the city help in the cost of moving which will amount to \$1,900.00. Plans were made for the building inspector to check the building and site and to make his recommendations. The

Mistaken Identity Causes Resident Embarrassment

A case of mistaken identity has given Dorothy (Mrs. John) Baldwin of 505 Tulane Circle, Avon Park, problems she never dreamed she could have.

The former owner of Southland Trailer Court found all of a sudden that her credit was no good — and for awhile even her friends would not tell her why. And they were not wrong.

And finally somebody pointed to an item in the Avon Park Sun, which also was published in The Sebring News. It related that Dorothy Baldwin, of Avon Park, pleaded guilty to a worthless check charge and was ordered to make restitution and pay a \$15 fine.

But there are two Dorothy Baldwins. And the Dorothy Baldwin who was sentenced for the worthless check charge lives at River Ridge Ranch, Route 2, Avon Park. The two Baldwins are not related and do not know each other.

"People were even sending me clippings of this to my friends up North," related a distraught Dorothy Baldwin of Tulane Circle. "It has been very embarrassing."

Mrs. Baldwin (Tulane Circle) only hopes that the people who saw the item will see this one. And those who sent off the damaging story to her Northern friends will send this one off.

NOTICE TO CREDITORS
FLORIDA STATUTES
SECTION 711.01
IN RE: ESTATE OF MARGARET P. BROWN, deceased.
TO ALL CREDITORS AND PERSONS HAVING CLAIMS OR DEMANDS AGAINST SAID ESTATE: You and each of you are hereby notified that the undersigned, as executor of the Last Will and Testament of MARGARET P. BROWN, deceased, has filed in the County of Volusia, Florida, a true and correct copy of the said will, and that the same will be opened for public inspection at the County Clerk's Office, Volusia County, Florida, at the office of the undersigned, on or after the first day of June, 1970. Two copies of each claim or demand must be filed with the undersigned, and shall state the place of payment of the claim or demand, and the amount thereof, and shall be verified by affidavit of the claimant, and shall be filed on or before the first day of July, 1970. Any claim or demand not so verified and filed on or before the first day of July, 1970, shall be barred from participation in the distribution of the assets of the estate. Dated this 11th day of May, 1970.
PAUL F. LANTIER, Executor.
PAUL F. LANTIER, Attorney.
May 11, 1970.

Zoning Board will be given the opportunity to approve or disapprove. Considering the density of the population in this area of the city and its lack of recreational facilities, this would appear to be a very worthy objective.

Radar Equipment

One of the less popular duties of a city council is the placing of various restrictions on the activities (and inactivities) of its constituents. It is contrary to the nature of any of us to like restrictions. Among the restrictive actions taken by the city council at this week's meeting was the third and last public reading of ordinance No. 320, an ordinance adopting the Southern Standard Plumbing Code with some modifications. The ordinance now goes to Mayor Barben for his signature or veto.

Ordinance No. 321, an ordinance providing penalties for owners refusing to clean up vacant lots in the city limits, was read by City Attorney Hank Acker. A second reading by title only was approved by the council and endorsed by Attorney Acker.

A motion by Serdynski and seconded by Howard, to require written reports on electrical inspections was also passed unanimously by the council.

There have been frequent discussions over the past year in regard to various buildings in the city being fire hazards and needing condemnation. Councilman Martin at this meeting volunteered to survey the city accompanied by the city building inspector to determine what buildings need to be condemned.

One building, owned by Maude Burkett on Castle Street, was approved for demolition, after written permission was given by the owner. Other demolitions are expected following the above-mentioned inspection tour.

Some personal violations often unconsciously made, were noted. A local plumber is to be re-

quested to move his reserve wares toward the back of the lot, making the street view a little more attractive. Also, a petition signed by 23 neighbors concerning the noise and unsanitary condition of a property which has literally "gone to the dogs," received consideration by the council. In this instance the city clerk has been requested to write the County Health Department asking them to investigate and take action.

The "restriction" which may perhaps be most widely felt and most widely resented in the long run could be the purchase of radar equipment for the city police. Some time back the city of Sebring loaned their radar equipment to the Avon Park police, and our police proved its efficiency by a remarkable number of arrests. In fact it was noted by one councilman that its very efficiency was the reason Sebring was glad to take a weeks "vacation" in loaning their radar equipment to Avon Park. It seems "some of the wrong people" had been picked up by the Sebring police. This is one of the problems of a "computerized" age, where people are treated as "numbers" rather than as individuals.

Apparently the motion to purchase this equipment for \$1,370 was the only motion in this session of the council to pass by the bare majority of three votes. Durrah Martin opposed borrowing money to purchase the equipment and Milton Howard objected to its use. Mr. Scott, Mr. Serdynski and Mr. Duggan voted Aye and the motion passed.

Other Actions

Among other actions taken by the Council this week was the third reading of ordinance No. 319 which changes the date for city elections to the first Tuesday in December. This goes to the mayor for his signature or veto.

Motions to install seal curbing on South Florida Ave. and to repair the street edge on S.

Highlands Ave. were carried unanimously. Street patching at 116 North Glenwood and water drainage across private property on North Florida Ave. were discussed.

Mr. Charles Howe was appointed to fill the vacancy on the Airport Commission, created by Charles Whitehead moving from Avon Park.

The Civil Service Board requested that the City Attorney make a study concerning the status of department heads and to issue an opinion as to whether or not they were covered by Civil Service, following a referendum of city voters on the question.

COL. LARSON, standing, points to the intersection of the two lines on the nuclear target and shows how a pilot's score on a bombing mission is calcu-

lated. The plotter receives readings from two towers equidistant from the target and the point of intersection shows exactly where the bomb hit.

New Commander

(Continued from Page One)

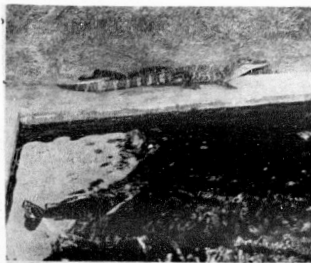

pointed out that there is no way to have commercial jets and bombing occurring simultaneously.

Range Facilities
The major facilities of the bombing range include an administration building, a base exchange, a dining hall, and an airman's dormitory. The base also has a residential area for married personnel and for staff of the Avon Park Correctional Institution. Construction of a softball field and an auto hobby shop has received federal approval for obtaining the necessary funds, and these projects should be completed within six months. A new dormitory, a new dining hall, and 12 new housing units remain as proposed construction from the future.

The bombing range is one of only seven or eight Air Force ranges in the U.S. The purpose of the air base is to give pilots training in various types of bombing and tactical maneuvers. "Bravo" and "Charlie" ranges are two "control" ranges. In these areas, Air Force pilots from MacDill AFB and Homestead AFB practice strafing, dive bombing, rocket delivery, simulated nuclear bombing, and low altitude bombing.

When bombing takes place at either of these sites, the distance from the targets is measured and the effectiveness of the bombing is scored. In this way, the pilots can increase their accuracy and proficiency in bombing.

In non-controlled operations, the pilots are trained in tactical maneuvers. For such operations, a portion of the range has been simulated to appear as similar to an actual situation as possible. The area

TWO SMALL alligators and several sizes of turtles live in the cement pond outside the administration building at the bombing range.

has a runway, a special forces camp, an enemy convoy, gun installations, and a surface-to-air missile site.

Additional Land Uses

Since the total land area of the range is 167 square miles, the U.S. government leases 95,000 acres to cattlemen. As part of their conservation project, 14,000 acres in pine trees, and plants in the Florida Game and Fresh Water Fish Commission also aids in the wildlife conservation through its operations at the range. Further use of the land is made by the APCL, who are proceeding with the development of a nine-hole golf course. Farming and caretaking is also carried on

by the men in the institution. The joint use of land thus causes the range to be operated as efficiently as possible.

Nazarene Church Missions Group Meets June 1

The Nazarene World Missionary Society held its first officer's meeting of the fiscal year June 1, at the home of Mrs. Mabel Corwin at Avon Park Lakes.

The purpose of the meeting was to discuss new ideas for the new year which would increase interest in the monthly meetings which are held the second Wednesday of every month.

DON SERDYNKI, of Home Juice Co., and an Avon Park City councilman, shows a handful of dried citrus pulp to South Florida Junior College Dairy Science students Pedro Cifuentes and Orlando Santoyo of Columbia, South

America during a class visit to the local concentrate plant. The tour included a stop in the cold storage room. The tropical country students reaction to their first zero F. cold was almost instantaneous. (Photo by L. Miller)

Flag Tourney Set For July 4 At Golf Course

The Avon Park Golf Course is sponsoring a Flag Tournament on July 4 for men and women, and will include a barbecue dinner following the event. Each player in the annual tournament is given the number of strokes of the sum of the pars plus the handicaps.

In Tuesday's Mixed Scramble Tournament, each player was allowed to use only three clubs for the course. Some used woods instead of putters. Winners in the tournament were Russ and Ruth Stevenson and Art and Claire Irwin with a net 26. Four groups tied for second place with a net 27: J. C. and Elaine Walker and Harry and Sue Hood; Dick and Ed Martin and C. S. and Jean Crotty; Winky and Libby Hall and Al and Ida Allen; J. T. and Dot Willford and Jim Turnbull and Helen Young.

In additional action at the course, Wednesday's Pro-Am tournament was won by Bob King, Don Ford, Harry Hood, and Jake Wagner with a score of minus one.

On Thursday, Ladies' Day, Libby Hall and Ruth Stevenson tied with a net 25 in the Crier's Tournament. In Saturday's Blind Partners Tournament, Steven Padgett and Bill Brown won with a net 59.

Installation of the new sprinkler system has been completed for the front nine holes and will begin immediately for the back nine.

To many, the ideal occupation is the one that doesn't keep them occupied.

FREEDOM DOCUMENTS

The Declaration of Independence. The Constitution. The Bill of Rights. Lincoln's Gettysburg Address. Now you can get exact reproduction of all four famous documents on real parchment paper.

The documents are beautiful 10 x 14 inch (sizes 11 x 14 and 14 x 16 inches). These reproductions of traditional freedom are now offered at an extremely low price—just \$2.99 for the entire set of four.

CHARLES BAKER sits in his McCulloch powered kart holding the second place overall trophy which he won in competition Sunday at the St. Pete Jaycees.

Grand Prix Street Race. Baker is building a track facing US 27 south of Sebring.

Kart Enthusiast Places Second

Charles Baker took second place overall and second place in the C Open Class at the St. Pete Jaycees' Grand Prix Street Race Sunday, June 7. In the race, Baker ran the fastest qualifying time and the fastest course time over the 8 mile course. His top speed during the race was 174 m.p.h.

Baker, who drove a twin engine McCulloch MC-101, was edged out of first place overall by Chuck West. Baker will compete in the National Kart Race at the Indianapolis Speedway on July 4. Baker, West, and Coy Williamson and Rodney Williamson are members of the Gator Racing Team, West and the Williamson live in Orlando.

Baker is building a kart track south of Sebring facing US 27 and expects the track to be in driving condition in a month. Baker's track will be used by local kart enthusiasts for racing and this fall the track will be the site of a sprint race monitored by the Kart Association. Baker, who works with the Sebring Mower Sales, is willing to help any local boy who needs advice in building their own karts. He lives at Lakeside Heights in Avon Park.
