Our Legislators Will Hold Public Hearings Here Thursday, Mar. 19

The Florida legislative delegation representing this district will hold public hearing here March 19 to consider local bills they will present at the 1970 session.

The hearing is called for 10 A.M. in the commissioner's room of Highlands County courthouse and at 2 P.M. at Avon Park. Present will be Sen. Wilbur Boyd, Representatives Jim Tillman, Donald Heath and Granville Crabtree, Sr.

At that time, persons or organizations desiring the legislators to introduce legislation can present it.

County Engineer Administrator Chuck Morgan said the county has no bills for consideration this time. But the City of Sebring will have three, which later they plan to place before the voters.

These are three of the nine amendments turned down by the voters some months ago. But city councilmen have since come to the conclusion that voters will pass these three. None will cost tax payers money.

One of them would provide for the establishment of a pension plan for city employes by ordinance. This failed by only 68 votes. Another would give Sebring Utilities Commission the right to purchase items up to $1,500 without bid.

The third seeks to bring the charter's section on bonds into line with state law, thus permitting them to go ahead with more sewers in the city on a pay as you go plan and help arrest pollution of Lake Jackson.

Jury Says Guilty, Norah Beverly Gets 20 Years for Attempted Rape

A sentence of 20 years in the state penitentiary was passed on Norah Beverly in Circuit Court Mar. 4 after a jury of four men and two women found him guilty of assault to rape.

The jury deliberated for an hour before returning its verdict. Judge Clifton M. Kelly denied a motion for a new trial but said Defense Counsel Hugh Cates would have 30 days to seek an appeal. Judge Kelly, in the sentencing, said Beverly was to be given credit for the 208 days he has already spent in the county jail.

Members of the jury were John B. McClure, Gerald Godbee, William Stephenson, Joyce Peavy, Sarah M. Burris and Billy Yarbrough.

Assistant State's Attorney J. O. Macbeth was the prosecutor.

Charges Dropped

As expected, the State Attorney's office announced last week that charges were being dropped against Ennis Walter Blakely, who had been charged with making counterfeit money.

The court had ordered most of the evidence in the case suppressed, and the District Court of Appeals upheld Judge Kelly's ruling that the evidence had been irroperly obtained.

A grand larceny case against James Edward Vaught and a possession of stolen property case against Hughlett Beasley were also nolle prossed.

A burglary by breaking and entering charge against Ray Ingram was dropped, but Ingram changed a not guilty plea on a grand larceny charge to guilty of petit larceny. He was sentenced to 60 days in the county jail and given credit for time already served.

Robert Lee Solomon withdrew his not guilty plea to grand larceny and pleaded guilty to petit larceny. On this charge sentencing was deferred day-to-day and term-to-term. A burglary by breaking and entering charge was dropped.

Sam North, who pleaded guilty to burglary by breaking and entering, was sentenced to one year in the penitentiary.

Frank Ankrum pleaded guilty to carrying a concealed weapon and a pre-sentence investigation was ordered.

Charles Travis Williams and John Edward Boyd, who had been charged in a single case of burglary by breaking and entering with intent to commit a misdemeanor, pleaded guilty and a pre-sentence investigation was ordered.

Dennis Kirby Richardson, charged with robbery, pleaded guilty to assault and battery and was fined $150 or 60 days in the county jail.

Concealed Weapon

Tom Martin, who had previously pleaded guilty to carrying a concealed weapon, was placed on probation for two years and fined $500 after the court had received a pre-sentence investigation.

Marvin Waylind Cratic, charged with larceny of an automobile, pleaded guilty and was sentenced to two years in the state penitentiary.

Earnest McGee, Jr. and Moses Jackson, charged in a single case, with concealing stolen property, pleaded guilty and were sentenced to 51 days, the time already spent in the county jail, and ordered released.

Leroy Kemp, charged with aggravated assault pleaded guilty to assault and battery.

John Thomas Minors, who had been charged with forgery and uttering a forced instrument, was placed on five years probation. The court did not enter adjudication in the case.

David Hicks, charged with carrying a concealed weapon and aggravated assault, entered guilty pleas and a pre-sentence investigation was ordered.

City Council

(Continued from Page One)

the Council agreed to discuss it at a later date.

Also in Monday night's discussion, was the fact that Mr. Todd needs a man to assist him with sewage operations. Todd will reach retirement age in July, and the city needs to be training a man to replace him when he retires.

A motion was made by Howard and seconded by Martin to install a street light on West Bell Street East of Hart Avenue, and to write a letter to Florida Power recommending more light on U. S. 27 South. There are several business establishments located on this stretch of "27."

The Council also voted to reduce the Coca Cola Bottling Company's sewer charge to the commercial rate of $10.00 per month during period they are not bottling.

It was announced that a Basic Law Enforcement course will be offered at South Florida Junior College March 30th through June 26th. Anyone interested in police work is urged to sign up for this course.

Will Morality Be Benefited?

A church-sponsored seminar on morality will have as featured speakers such celebrated experts on the subject as Anson Mount, public affairs director of "Playboy" magazine; Julian Bond, leftist Georgia legislator; and Dr. Joseph Fletcher, advocate of situation ethics, the so-called "new morality."

This has been announced by "The Christian Index," Southern Baptist publication for the state of Georgia, referring to The National Seminar on Morality in Atlanta, March 16-18.

If the desire of the sponsoring group is to have a program which will get attention, it seems that they have achieved at least this part of their purpose.

Qualified Experts

However, to ask these men to speak on morality is akin to asking Adolf Hitler or Ho Chi Minh to speak on the subject of mass murder.

In the time of the apostle Paul, an interesting program on the subject of martyrdom would have been assured if the committee had been able to secure the Emperor Nero as a speaker.

Or, perhaps, bringing the matter down to the present day, for a seminar on illegitimacy one might ask Mia Farrow—who certainly knows something about the subject—to be a speaker.

What worthwhile views can one expect from "Playboy" on morality?

"Playboy's" contempt for Christian morality is well known.

The Bible says, "Have no fellowship with the unfruitful works of darkness, but rather reprove them."

Here is what Dr. Fletcher says in his book, "Moral Responsibility": "The Bible clearly affirms sex as a high order value. . . . There is nothing explicitly forbidding premarital acts."

He also says, "Sex is not always wrong outside marriage, even for Christians."

In another place in the same book, he says, "There are two distinct questions to ask ourselves. One is: Should we prohibit and condemn premarital sex? The other is: Should we approve of it? To the first one I promptly reply in the negative. To the second I propose an equivocal answer, 'Yes and no—depending on each particular situation.' "

"The radical psychic ambivalence of the old discredited antisexual tradition . . ." he declares, "is not gone yet but its cure is well on the way."

"False Teachers"

Dr. Fletcher is professor of Social Ethics at a seminary in Cambridge, Mass. Is he one of the people to whom Peter was referring when he wrote, "There shall be false teachers among you, who privily shall bring in damnable heresies . . . and bring upon themselves swift destruction"?

Peter adds, "And many shall follow their pernicious ways, by reason of whom the way of truth shall be evil spoken of . . . While they promise them liberty, they themselves are the servants of corruption, for of whom a man is overcome, of the same is he brought in bondage."

The views of Mount and Fletcher are well known. Why should a Christian organization provide them an aura of respectability as they disseminate their vile propaganda aimed at destroying morality?

BUSINESS and the STOCK MARKET

by BABSON'S REPORTS

CONTINUING GROWTH FOR COMMERCIAL BANKS

By Babson's Reports Incorporated, Wellesley Hills, Mass., March 12, 1970. Commercial bank earnings increased during 1969 because of the strong demand for loans and the high interest rates. However, the same high interest rates also limited and, in many instances, eliminated growth in deposits.

This is particularly true in business-oriented banks located in major money centers such as New York City. These banks were forced to find other sources for funds such as Eurodollars which demand interest in excess of the domestic prime rate. The result was a profit squeeze for many commercial banks.

Changes In Reporting Procedures

New regulations have resulted in a basic change in the way banks report earnings. They must now show two different sets of earnings — net operating earnings, which include loan losses, and net income, which reflects losses or gains from security transactions. In 1969 this tended to suppress earnings somewhat, but in future years the next income figure will be greatly influenced by the securities market.

Thus, banks may enhance or depress these earnings if they desire. Managing the bank portfolio, consisting primarily of bonds, will be more difficult. A decision must be made whether to upgrade the bond portfolio and obtain a better yield for several years and sacrifice reported net earnings for the year involved, or maintain the status quo for the sake of the year-to-year earnings picture.

Another factor is the new regulation on bond appreciation now taxed as regular income rather than as capital gains for commercial banks. Regardless of the decision made on investment policy, net income is subject to fluctuations under the new method of reporting incomings.

Country Banks

The country banks, which are consumer banks, fared somewhat better last year than banks in major money centers, but disintermediation prevented even greater earnings growth. During the latter part of 1969 there was a strong run on Certificates of Deposit, and these banks were forced to find other sources of money.

One Philadelphia bank circumvented Regulation Q of the Fed by offering $20 million 7¾ percent subordinated notes in denominations of $100 to attract funds from the small investor. This had proven quite successful, and it was virualized that these notes could be further utilized if money remained tight.

However, the Federal Reserve Board is considering closing this loophole by imposing a minimum $20,000 denomination and a minimum maturity of five years per note.

The increase in the minimum denomination of Treasury Bills from $1,000 to $10,000 should result in more deposits for commercial banks, as the small investor losses what is considered the safest and most liquid form of savings other than bank deposits. The Fed's ruling in late 1969 to allow banks to pay higher interest on time deposits proved to be too little, too late.

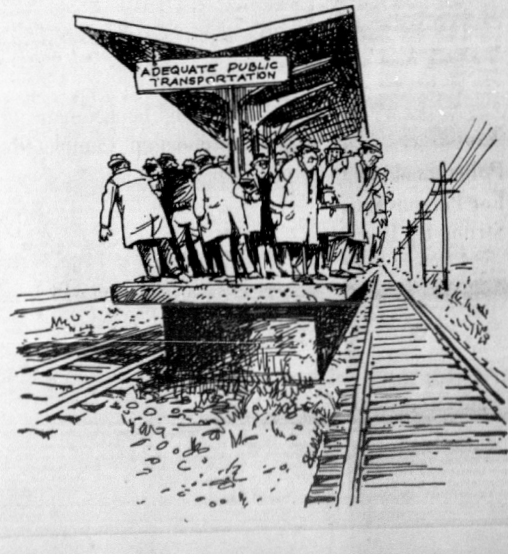

Lower Interest Rates Expected

The Research Staff of Babson's Reports foresees a reduction in interest rates during the year, which should result in expanding deposit for all banks. At the present time there are indications of some easing in the demand for loans.

However, this is slight, and the overall demand is still brisk. Many banks would prefer to reduce the expensive borrowing they have done, such as Eurodollars, than to expand loans. This would improve liquidity and should mean better profit margins.

Another advantage of lower interest rates would be found in the bond portfolio of banks, which would gain in value. We are currently recommending for purchase Chase Manhattan Corp., Republic National Bank of Dallas, and Western Bancorporation.

Condemnation Suit Ends Tuesday

A lengthy condemnation suit for road right-of-way in the Lake Placid area wound up late Tuesday in Circuit Court. Several parcels for additional right-of-way for the four-laning of US 27 were involved.

On Tuesday afternoon the jury selected Monday were Fern B. Miller, Lloyd G. Neddo, James D. Hall, William Browning, Robert L. Vickers, Mozelle D. Arnold, Horace E. Shackelford, Lawrence E. Johns, Harry R. Douberly, W. W. Peeples, William H. Dutton, Jr., Clarence E. Polston.

Ralph L. Ward and Allen W. Pollard were seated as alternate jurors.

Public Hearing On Zoning April 1

County Commissioners Tuesday designated Wednesday, April 1 as the date for the County Planning and Zoning Commission to conduct a public hearing on revised provisions of the controversial proposed zoning law.

The designation was voted after the Planning Commission requested permission to publicly advertise the new hearing which will be conducted in the County Courthouse at 10 A.M. that day.

The original public hearing on the proposed zoning law in its initial form brought so many protests last Nov. 19 that the County Board a month later instructed the Planning and Zoning Commission to revise the proposed law and to submit it to another public hearing.

Many of the protesters at the original public hearing claimed it appeared that the proposed law would too severely restrict them in the use of their property, especially in regard to trailer and mobile home sites. It was also emphasized at that time that the public had little authoritative knowledge of the provisions of the proposed law.

The board was told that the Planning Commission will have copies of the ordinance available next week.

The fate of the proposed law may be determined to a considerable degree by the public hearing, but officials whether the proposals are enacted into law will rest with the County Commissioners. The Planning Commission is to submit the proposed law to the County Board after the April 1 hearing.

Sanitary Code Prohibits Outdoor Privy

The outdoor privy, so long a part of rural America's countryside, is moving toward legal extinction in Florida. Dr. J. C. Brooks, Jr acting director of Highlands County Health Department, this week released a reminder that "Florida state sanitary code prohibits any person or persons from living in any habitation unless provided with toilet facilities connected to an approved septic tank system or sewage disposal plant."

Bill Power, sanitarian for the Highlands County Health Department, said the old-fashioned privy may be legal "in some circumstances." He said residents "in the middle of a 100-acre tract with no neighbors," would not be pushed to meet the septic tank code.

The state's code also provides that "use of an individual septic tank system by more than one property, building or by any other permises is prohibited except under certain sections of the state law. Only one mobile home, travel trailer or camper may be allowed on each property unless in an approved trailer park."

"No septic tanks should be installed in Highlands County without a permit and inspection," Power said.

Lindsay Resigns As Juvenile Counselor

W. Robert Lindsay, Juvenile Court counselor in Highlands County for 8½ years, has resigned to take a job with the Silverlake Plantation in Monticello beginning Monday.

The first full-time counselor to the court here, Lindsay said he needed to find a less demanding job. The post here pays $10,000 per year.

In his new position, Lindsay will work with State Sen. Warren Henderson of Venice, Reps. Jim Tillman and Don Heath, of Sarasota, owners of the plantation, during the upcoming legislative session. The plantation is a combination of cattle ranch and recreation area.

Lindsay was a moving factor in getting the Youth Care home in Highlands County. He earned the Gopd Government Award from Florida Jaycees in 1965, the Walter Scott Criswell award from Florida Juvenile Court Counselors Association in 1968 as the one who made the greatest contribution to the state juvenile court program in the preceding year. He has served as secretary of the Florida Juvenile Court Counselors Association for five years.

Rambling Thoughts

By O. L. SHOBE

MODERN DOCTORING

I took some dope to make my head quit aching; it did the trick, but set my stomach wrong; and that old organ, all the by-laws breaking, just raised high jinks and bucked the whole day long.

I took some dope to set my stomach working as in the days when it had fair renown; the dope did that, but set my muscles jerking, until it took three men to hold me down.

I took some dope to set my muscles steady; they soon calmed down and started cutting hay; but then my liver acted up, already, and threw a fit and spoiled my happy day.

I took some dope to quell my liver's riot — some bitter stuff disguised with cherry jam; no sooner was that liver soothed to quiet, than shooting pains wheezed through my diaphragm.

I took some dope — but why prolong the anguish? I'm taking dope for this disease and that, for something new each day to make me languish, one day a boil, the next an aching slat.

Pursuing health, all kinds of pills I swallow, the more I take, the more I have to buy; each pill demands another pill to follow — hand me the bitters, for I am getting dry!

I'M AN OPTIMIST, BY GUM!

We're always glad when he stops in — the pilgrim with the cheerful grin, who won't admit that grief and sin are in possession; there are so many here below, who coax their briney tears to flow, and talk forevermore of woe, with no digression! The man who takes a cheerful view has many friends and then a few; for they like to hear his glad halloo, and loud kiyoddie; they like to hear him blithely swear that things are right side up with care; and they like to hear upon the air, his cock-a-doodle. The Long Felt Want he amply fills, he is a tonic for the ills that cannot be touched with liver pills, or porous plasters, he helps to make the desert bloom, he plants the grouchers in the tomb, he's here to dissipate the gloom of life's disasters!

WHAT STATE HAS THE LONGEST COAST LINE?

Florida has a longer coast line than any other state in the Union. California is second in the extent of its seacoast. It should be borne in mind that unless the scale of the maps employed and the method of measurement are given, a numerical statement of the length of the coast line of a body of land conveys no definite information, because the results will vary so widely there will be no common basis of comparison.

WHAT DOES "SPITTING IMAGE" MEAN?

We often hear a person described as the spitting image of another. The phrase is believed an incorrect variation of spirit and image, which first became spirit and image and then spitting image. There appears to be no foundation for the belief spitting image is a corruption of spirit.

WHAT DOES THE MALTA CROSS REPRESENT?

The Maltese Cross was originally the badge of the Knights of Malta, a religious and military order formed in the twelfth century to relieve the poor and the strangers in the Holy Land. Known as the Hospitalers of St. John, one of their functions was to provide military escorts to pilgrims going to visit the Holy Sepulcher in Jerusalem. After the fall of Jerusalem and Acre, the order removed to the Island of Rhodes, where it was known as the Knights of Rhodes from 1309 until 1522 when it was vanquished by Sikyman II. The Knights then established themselves on the Island of Malta where they soon came to be known as the Knights of Malta.

WHAT IS THE NATIONAL FLOWER OF WALES?

The daffodil is now considered the national flower of Wales, but historically the leek, an onion-like plant with a small, tender bulb and edible leaves, is the Welsh national emblem or badge. For centuries it has been a popular custom among the Welsh to wear leek blossoms on the hats on the first of March, the feast day of Saint David, their patron saint. This commemorates a traditional victory of the Welsh under King Cadwallader over the Saxons in the sixth century. The leek is not indigenous to Great Britain, having been introduced by the Romans. (This writer (Shobe) suggests for Sebring to plant leeks, whatever they are.) (They have lots of them at Mountain Lake nursery.)

Your Social Security

Question—I think I am near retirement age, but I do not know. I cannot get a birth certificate, and I know I will need proof of my age for Social Security. What can I do?

Answer—Call your Social Security Office, and they will tell you what you need to prove your age. If necessary, they can sometimes help you get this proof.

Question—My doctor will not bill Medicare for his money. He insists I pay for every visit. Isn't he supposed to bill Medicare when I show him my Medicare card?

Answer—Your doctor does not have to bill Medicare. He is completely within his rights to ask for payment from you if he wishes. You should request an itemized bill each time you visit him, and send those bills to Medicare yourself. Medicare will then pay you. If you need help, telephone your Social Security Office.

Question—I saw a doctor in New York while I was there on vacation. Someone told me I would have to send his itemized bill to Medicare in New York, even though I live in Sebring, Fla. Is this correct?

Answer—Yes, you must send the bill to the Medicare Division in the state where you receive the services. Your Medicare Handbook lists the address.

Question—If I am treated in another state, must I meet another $50 in that state?

Answer—No, you must meet only one $50 deductible for each year. Information about your Medicare account is kept in Baltimore, and every state consults these records before any payment is made.

Duckett Again Takes a Crack At the Jetport

Here we go again! Despite the fact that the bunch that call themselves the Jetport Authority readily admit that it is nothing but a publicity stunt on their part, they keep plugging along to get into the news. But Lord help us, if by any chance their publicity stunt should "back fire" on us and thru default the Jetport was located here. Surely no other place wants it.

It must be due to either ignorance, perversity or an insatiable desire for publicity, for if they could read, they would find in every newspaper plenty adverse evidence. For instance in both the Sunday papers we get here, there are at least a half dozen articles describing the woes some have to put up with. For instance Haynes Johnson article, page 1 Miami Herald describes the plight of Los Angeles. It is a long story and I suggest they read it, but I quote a little from same, "Every minute or so, day and night a jet airplane rumbles low over the houses on the way to nearby Los Angeles Airport. As the jets skim over with a deafening noise, trailing a thick cloud of black smoke, they leave in their wake tangible evidence of their passage. "You can't keep the house clean" says Mrs. Winona Coleman, "It sifts in through the cracks and the windows. The plaster is cracking and I know the noise has affected my hearing." There is a letter in the Tampa Tribune, describing a similar situation over Tampa Airport. And so the stories go, on and on.

Some fellow here claims he talked to 135 people opposed and that all but three of them changed their minds. Hogwash, they mustn't have had any minds in the first place. I do not make any claims to be an expert on such a matter, but I still do have the use of my senses, I can see them, hear them, feel them and smell them when they go over and if they come much lower, wouldn't be surprised to taste them.

That a jetport here is not even feasible was evidenced many times this past Winter. Some days the smog over our lake did not clear up until almost noon. Where else can one find signs on the roadside reading "Caution, Fog and Smoke" like in Polk County?

With all the country fighting pollution, let's not invite it.

MRS. BESSIE DECKER receives an award recognizing her beautification work around Avon Park, by Bill Reck, president of the Avon Park Chamber of Commerce at the annual banquet last Thursday night.

R. B. ENOCH accepts the award for recognition for his help in the field of carpentry for different organizations and for the Highlands County Fair booth. These awards were given in working toward goals parallel to the Chamber of Commerce.

Dr. William Harvey, discoverer of circulation of blood in the body, willed to his fellow physicians his greatest treasure —36 pounds of coffee, at his death in 1657. He urged them to meet once a month, and to enjoy this treasure as long as it would last.

Band Will Perform At Festival

The Avon Park High School Band will perform in the District VII Florida Bandmasters Association Band Festival March 14, held at the Kathleen High School gymnasium.

Panthers Defeat Palm Beach 4-1; Meet Winter Haven Monday

Monday night at Head Field in Avon Park, South Florida Junior College Panthers gained sweet revenge over West Palm Beach Junior College as they averaged a 6-2 loss to the Beach boys by trimming them 4-1.

Roy Nelson and Robert Sizemore combined to limit Palm Beach to one run and only five hits. Nelson started on the mound and had to leave the game in the fifth inning after being struck on the head by a pitched ball. Nelson remained in the hospital overnight for observation and x-ray on Tuesday. He had given up one run on two hits in the third inning.

Sizemore came in to pitch the sixth through the ninth innings and after a shaky start when he walked the first two batters and loaded the sacks with another walk after one out finally settled down and in the ninth inning retired the side in order.

Rex Smith and Jose Vena were the batting stars as Smith rocked the ball for a single and triple and scored two runs. Vena scored one run and had two singles.

The Panther's George Hines set the tempo when he caught a real smash from the lead off batter and threw him out at first.

This win made the Panther 1-3. Wednesday afternoon at Head Field the Panthers were to play Edison in a return game. This is the last practice game and Monday at Winter Haven the Panthers engage in a rugged 10 straight doubleheaders as they engage Polk in a bill to open conference play.

Two Businesses Broken Into Over Weekend

Two Avon Park establishments were broken into over the weekend, Police Chief Earl Gordon reported. Floyd Foreman's beer garden was entered some time between midnight Sunday and Monday morning. An undetermined amount of money was taken from the cigaret box and the cigaret machine was tampered with. Entry was gained through a rear bathroom window.

An adding machine valued at $100 was taken some time between Saturday night and Monday morning from Revell's Crate Mill. The thief cut a hole in the office ceiling to gain entrance.

Tour of Homes Scheduled For March 19

The annual Tour of Homes sponsored by the Woman's Club of Avon Park will be held Thursday, Mar. 19 from 1 to 5 P.M. Tea will be served at the Club House from 1 to 3 P.M. and tickets may be purchased there at that time. Tickets are also on sale at the Avon Park Library and at Turner Furniture Co. The price is $1 each. Men are especially invited on this tour because antique cars will be shown at one of the homes.

Miss Gurganus Feted With Bridal Shower

Miss Debbie Gurganus, bride-elect of Mike Vanderbilt was honored with a bridal shower last Saturday night at the Florida Power Lounge.

Hostesses, Mrs. Lois Fout and daughter, Miss Cheryl Fout and Mrs. Daytona Ormiston decorated the lounge in a beautiful theme with yellow and white daisies placed at vocal points, which accented the crystal punch bowl and dainty cakes topped with wedding bells.

A hand mop decorated in the form of a bride donned the mop bucket made from a trash can, flanked with the traditional bridal umbrella bringing forth the gifts.

Debbie was attired in a lovely green linen dress with lace top and sleeves with a matching yellow carnation corsage and white accessories.

Mrs. Lee Gurganus, mother of the bride wore a red carnation corsage.

The hostess gift was a four slice toaster and a bathroom trash can filled with all the extras one would need to equip a modern bathroom and medicine cabinet.

The young couple will be married March 28, at 8 P.M. at the First Baptist Church.

Hostesses will be Mrs. Art Turner, Mrs. Donald Hartwell, Mrs. T. M. Weekley and Mrs. Walter Ost.

Cake from Colonial Days

Well known in Washington's time was this delicious orange cake which had its origin in the Williamsburg colony. The recipe is modernized to use present-day ingredients, like Swans Down Cake Flour, but is faithful to its early American heritage. The orangy glaze helps retain the cake's moist and lovely eating quality.

WILLIAMSBURG ORANGE CAKE

2½ cups sifted cake flour
1 teaspoon baking soda
½ teaspoon salt
½ cup butter or margarine
2 cups sugar
2 eggs, slightly beaten
1 teaspoon vanilla
Entire peel of 1 orange, finely chopped
1 cup finely chopped raisins
½ cup coarsely chopped walnuts
1 cup buttermilk or sour milk*
½ cup orange juice

*Or use 2 tablespoons vinegar plus whole milk to make 1 cup.

Sift flour with soda and salt. Cream butter. Gradually blend in 1 cup of the sugar. Beat in eggs. Add vanilla, orange peel, raisins and nuts. Add flour mixture alternately with buttermilk. Pour into well-greased 9-inch square pan. Bake at 350° for about 40 minutes, or until cake tester inserted in center comes out clean.

Meanwhile, combine remaining 1 cup sugar with the orange juice. Remove cake from oven and spread glaze over top of hot cake. Return to oven and heat at 350° for 10 minutes, or until glaze bubbles. Cool glazed cake in pan.

Radio Station Proposed For Avon Park

The Federal Communications Commission has granted Avon Electronic Services, Inc., permission to construct a Standard AM broadcast station in Avon Park. The proposed station would operate on 1390 KHz with a power of 1000 watts.

Charles Esposito, president of the local corporation and general manager of the proposed station, said construction will start immediately on the modern building which will be located at Rt. 17A and Lake Pioneer Drive. A completion date is not available at this time.

The call letters, WAPR, were requested for the proposed station and have also been granted by the FCC.

The station has been in the planning for over three years. Although Esposito is better known in Orlando as "Chuck Shane" for his popular D.J. shows, "Chuck" says he looks forward to living in and serving the Avon Park area.

THIS SATURDAY, Mar. 14, at 7:30 P.M. at the high school gym is the annual Junior Woman's Club-Lions Club basketball game. A special program has been planned for the halftime which proves to be an evening of laughter.

Tickets may be obtained from any member of the Junior Women or Lions Club or at Albritton's Barber Shop. Pictured above are members of the Junior Women practicing for the big game.

RAY-ARC Raises Money For Retarded

With flowers and songs RAY-ARC (Ridge Area Youth Association for Retarded Children) March 7 raised funds for work with the retarded.

Teenagers who make up the membership of RAY-ARC had made paper flowers —pink carnations, the symbol of mental retardation—and sold them in downtown Sebring, at Southgate Shopping Center and in Avon Park.

In Sebring the flower-selling was accompanied by music—Laura Rose Cason played guitar to accompany singing led by Libby Kahn. The 9 A.M. to 4:30 P.M. efforts netted $101 in Sebring and $62 in Avon Park.

RAY-ARC sent a $70 contribution to the National Association for Retarded Children and the rest of the money was retained for sponsorine activities for retarded children in Highlands County.

"The fund drive was a great success for RAY-ARC because of all the wonderful people who contributed and showed their love and concern for these exceptional children," the youth group president Becky Tomek said today.

A TOTAL of 153 persons was served charcoal steak dinners at the Florida Citrus Mutual meeting here Thursday. Right to left at this table are the speaker, Dale Carlton, John Barben, Robert Barben, district director for the mutual, and Billy Barben.

Sheriff Doing Excellent Job On Fruit Thief

"Sheriff Joe D. Keene and his deputies are doing an excellent job in protecting citrus groves and equipment in spite of a shortage of manpower and money," according to Larry Thompson, head of Fruit Protection Division of Florida Citrus Mutual.

Thompson, an FBI agent for 23 years, added, "The Sheriff's Department here and throughout Florida are being called on for an increasing number of services and these growing demands are outstripping their resources.

"In spite of this, fruit thefts this season have been held to a minimum, and although grower losses by theft and vandalism reached more than $21,000 by the end of last year, the increase in these two areas of crime is far below the national average."

Thompson urged growers to cooperate more fully with Sheriff Keene by keeping their equipment in places less tempting to thieves and by reporting suspicious persons in their groves or their neighbors' groves to the sheriff's office immediately.

Litterbugs Will Now Get Fine

The day of friendly warnings to litterbugs by officers of the Game and Fresh Water Fish Commission is about past, according to Major Brantly Goodson, chief of the Commission's Law Enforcement Division.

Florida wildlife officers have been instructed to arrest individuals apprehended in the act of littering or dumping garbage, refuse or rubbish on public property.

The litter enforcement program will also cover Florida's rivers, lakes, streams and canals. The litter law also applies to private property when garbage, refuse, or rubbish is dumped without prior consent of the property owner.

Goodson pointed out that littering is a misdemeanor, and a litterbug may be fined up to $100 and imprisoned for three months. A second offense carries a maximum fine of $500 and six months in jail.

Shuffling

Louise Bell and Alton Wetmore won in the main event on Wednesday. Alice Clarke and Clyde Getchell were the runners-up. In consolation the winners were Ellen Coombs and Allene Howard over Ruth Jordan and Leo Wagner.

In the "Bs" the winners were Ella Roennenburg and Grace Hildreth over Ed Healy and William Bayes. Harold Wolcott and Jennie Eason won in consolation with Don Mason and Paul Hoppe the runners-up.

On Saturday the winners in the main event in the "A" class were George White and Floyd Stevens over Estelle Swyers and John Wolf. In consolation Georgina Wernham and Tom Hance won over Hazel Thompson and Harry Wilde. There were 12½ courts in play.

The "Bs" had 7½ courts in play with Chris Steen and Kathryn Krichbaum winning over Harold Wolcott and Howard Long. Consolation winners were Otto Kroeger and Merrill Murphy over Sarah Kerr and Cecilia Healy.

Only a few more tournaments to win your points for a trophy.

Card Games

Ann Janke and Connie Kehoe won the two high scores in pinochle this past Monday afternoon.

There were seven tables of bridge players on Tuesday, with Maurice Brevoort winning the high score. Allene Howard came in second.

On Thursday afternoon there were 7½ tables of duplicate bridge players. North-South winners were Juanita Carr and Fred Bolton, Louie Resiner and Lillian Hayes and Lillian and Maurice Brevoort. East-West winners were Harry Lyons and Al Storandt, Sarah Spindler and Claude Bynner and Dorothy and George Hanners.

Crafts

The Hobby Show will be set up on Wednesday afternoon. They will be looking for a big crowd as they always have, for the articles displayed have always been so interesting. The Hobby Show will open on Thursday morning at 10 o'clock and stay open until 5 in the afternoon. If you have anything to display, bring it in on Wednesday or by 9 on Thursday morning.

Entertainment

Save the evening of the 19th, for Paul Swearingen announces that there will be a variety show on that night. And you know his shows, always a lot of fun. So plan on coming. The Avon Mobile Home Park Ladies Glee Club will be singing. They are good.

Last Thursday evening was an evening of dancing. There were not too many there, but those who came had a good time.

Dances

The Harold Wolcotts and the Paul Nass' served refreshments to the 60 folks at the dance on Friday evening. There were many visitors at the dance. Grace Amick, a former club member, of Indianapolis, Ind. Those who knew her were so glad to see her.

Illeon Kull introduced several nieces and nephews, Mr. and Mrs. Elmer Witzki, Mr. and Mrs. Clarence Meyers, and Mrs. Greta Heitman, all formerly of Detroit, Mich. Now they live in Florida. Also Richard and Helen Dickinson had as their guest, their sister-in-law, Mrs. Eva Dickinson of Suffield, Conn.

Supper

The William Bayes and the Layton Thompsons hosted the Saturday evening supper at the Club. Mr. Thompson welcomed the guests and gave the invocation.

Twenty-five of the 80 guests were from New York. Guests introduced were Mr. and Mrs. Eugene Anderson from Falconer, N. Y., Ross Jardine of Clarion, Penn., Ila Williams from the Brentwood Mobile Court, Mr. and Mrs. Charles Finch, of Hanna, Ind., Mr. and Mrs. Adolph Stuerzebecher of Leicester, N. Y., and Mr. and Mrs. Rubin Prichard of Bucyrus, Ohio. The Prichards were celebrating their 28th anniversary. Miss Ida Markel told of a former member of the Club, Germaine E. Smith who lives in Walkil, N. Y. and will be 102 years old on March 30. He is in good health.

Hazel Higgs gave her weekly hospital report: Edith Stevens is home and doing well, with her therapy, Harmon Heffner is home slowly convalescing, Jennie Baker and Florence Baker are still in the hospital, Duke Christenson is again in the hospital for surgery, and Myrtle Hefferman is also in the hospital.

Nelson Reynolds entertained the group with an organ recital. The organ was a Gem Roller organ from Sears and Roebuck of 1902 vintage, and advertised to sell at $3.95 at that time. The rolls are wooden and was operated by a crank. Made us remember the days when we used to hear the organ grinder and his monkey on the street.

The program was concluded with group singing led by Lloyd Wyant, accompanied by Mrs. Hyatt.

News of the Week

Ada Heinrich passed away on March 4. Our sympathy goes out to Floyd, and we will miss Ada, especially in the craft class.

Our sympathy also goes out to the Mayon Hoards at the loss of their 8 year old grandson, who was taken with leukemia, Kevin Giles of Detroit, Mich.

The Paul Swearingens have been entertaining their daughter, Mary Elizabeth Sherman of Royal Oak, Mich.

Ann Janke was in Miami to attend the wedding of her sister's son, Ford Pollard and Alice Fikes.

The Harold Faulkners enjoyed their visit to Plant City to see the parade in the Strawberry Festival this past week.

Zeola Kellogg has had as her guest, her brother, Willet Kirkham from Elizabeth, Ind.

Harmon and Gladys Heffner wish to express their deep appreciation to their many friends at the Winter Guest Club and people of Avon Park, for their many kindnesses and prayers during Harmon's recent stay in the hospital.

Two new members this week, Evelyn Masuch and Marge Masuch of Westland, Mich. This makes 611 members.

Leo Wagner was the guest of honor at a birthday dinner Sunday, Mar. 8 in the home of Mr. and Mrs. Fred Wood. Mr. Wagner is the brother of Mrs. Wood. Mr. and Mrs. Alton Wetmore were also guests on the happy occasion.

There will be a hymn sing at the club house on Sunday, Mar. 15.

The first life insurance policy in U. S. was written in Philadelphia, in 1792. Six more policies were written over the next five years.

TV's Flying Fisherman Coming Here

Gadabout Gaddis, star of the new G. G. Productions' full length motion picture, "Fishing USA" will be in Sebring in person on Tuesday at Southgate Theatre, and on Wednesday at Hilans Theatre in Avon Park.

The irrepressible, 73 year old sportaman, who attributes his longevity to enjoying his work in the outdoors, believes that fishing provides a tonic (as well as a challenge) for people.

"People who like to fish are good citizens," Gaddis says. "I have never come across an angler who was a bad guy."

Gaddis, who began to fish at the tender age of seven and turned it into a remunerative career, is also the star of the series "Gadabout Gaddis, the Flying Fisherman" which is seen in 76 television stations across the country. The show was nominated for an Emmy last year.

Although many fishermen enjoy solitude, Gaddis claims that more and more families are spending their vacations fishing together.

"Fishing vacations are inexpensive and fun," says Gad. "Federal and state agencies cooperate by making campsites easily accessible and available for modest rentals."

Since women have become fishing enthusiasts, Gad adds that their interest adds to the family's pleasure as well.

"And," he says with a smile, "They're pretty expert."

Two Scout Leaders Will Attend Meeting

Mrs. Dan Evers and Mrs. Welch Fisher will travel to Green Cove Springs on Friday where they will attend a Cooperative Inter-Council Training meeting at Camp Chowenwaa.

These active Girl Scout Leaders will attend one of seven courses offered, entitled Day Camp Directors Course. The information they will receive at this meeting will enable them to plan an even better Day Camp for our local girls. This year the Day Camp will be held at the Florida Power Club House, June 8-12.

CRADLE ROLL CALL

Mr. and Mrs. Jack Seims of 122 Parkview Road, Sebring, are parents of a son, Jackson Jeb, born February 28 at Lake Wales Hospital. Birth weight was six pounds, seven ounces. The new baby is being welcomed by a 3½ year-old sister, Lucille Lola. Mr. Seims is the son of Mrs. Roy Seims of Avon Park, and the late Mr. Seims.

824 Voters Purged From Voting List

The names of 824 voters have been purged from the voting lists in Highlands County.

In many instances, according to the elections office, the removal will be temporary if those on the list personally visit the elections office and indicate their desire and eligibility to vote.

The purgings, done under state statute, results from many voters failing to vote in the past two elections and also failing to respond to mailed inquiries as to their eligibility to vote. In some cases the mailed inquiries could not be delivered.

The list of potentially disenfranchised voters is posted in the Highlands County Courthouse in Sebring.

Now Taking Applications For Nurses

Applications now are being accepted by Polk Vocational Technical Center for the September, 1970 class in Licensed Practical Nursing.

A limit of 65 students is accepted each Fall according to M. A. Travis, Director. Classes meet five days per week for a full year.

Both men and women may enroll. Applicants do not need to be high school graduates, however, qualifying entrance tests are given to all applicants.

Those interested are invited to call personally at Building 405, Bartow Air Base.

153 Citrus Growers and Familes Attend Meeting

Mostly there was good news for growers attending an area meeting of Florida Citrus Mutual here Thursday night.

Some 153 growers, families and friends attending the meeting at Firemen's Field, heard that this has been one of the finest grapefruit seasons so far as to returns to growers in a long time.

And that progress is being made on a higher density concentrated orange juice product. Speaker of the evening was Dale Carlson, head of the Grower division of FCM.

A higher density product, he explained, would use three more oranges to the can, thus reducing sales unit cost and would, with less water content, also reduce shipping costs.

"We appear to be nearing success with high density citrus," he declared. "The citrus commission will test the market this Summer."

Carlton said he did not know the reason for the good grapefruit market, but that perhaps "there is a strong national trend for dieting."

Orange juice sales are good, he said, and demand during December, January and February for concentrate was 10 per cent above last year, setting an all time record in sale of chilled orange juice.

If crop estimates are right, he said "we will have 20 per cent more product to sell. We believe the estimate is not right.

When the estimate came in, two cooperatives promptly dropped the price, convinced they could get more for the fruit later if they could drop from $1.75 to $1.53.

"Mutual is trying to find a better way to make the estimates and is bringing in experts from throughout the United States and asking them to examine the techniques to get a more accurate crop estimate," he said. "Mutual will do everything to get the kind of accurate estimate to market the product we are producing at a profit to growers."

Carlton gave a report on one of the big problems—the cost of harvesting. The machines with the most promise, he said, are "those that get hold of the tree and shake the fruit off." This machine, he said, can be leased for 25c per box as compared to the 35c to 40c growers now pay for harvesting.

One of the new products soon to go on the market, he said is an isotonic orange juice, competing with Gatorade. The isotonic was tested gy Pillsbury on the Spartans football team at University of Tampa. It will be on the market next year.

Other potential new products are an instant breakfast drink, a carbonated orange juice, which leaves the consumer without a sticky feeling, powdered orange and grapefruit juice.

Carlton also touched on Mutual's successful efforts to retain import duties on foreign citrus and citrus products, the procurement of supplmental harvesting labor, and the elimination of a major tax loophole which encouraged large, speculative plantings of citrus.

Mutual's field men prepared and served a charcoal steak dinner and orange juice prior to the meeting.

THE AVON PARK CHORUSES under the direction of Kenneth Eberle will participate in District Contest at Manatee Junior College in Bradenton on Saturday, Mar. 14. The Girls Chorus selections are: "What Tongue Can Tell Thy Greatness Lord," by Bach; "Blessing, Glory and Wisdom," by Wagner; "How Greatly Thou Art Glorified," by Bortniansky. The Mixed Chorus selections are: "Go Not Far From Me, O God," by Hullah; "This Still Room," by Whittier and Davenport. The Girls Chorus participated in State Contest in Hollywood last year. A superior rating is mandatory for participation in this contest. Hopes are for another superior rating for both choruses.

Old Timey Hymn Singing Sunday

We invite you to join in the singing of the "Ole Timey" hymns on Sunday night at 7:30, at the Congregational Church. A quartette from the Chancel Choir will sing, too. Last meeting there was a lively dialogue on the kind of man that may be evolved in this Mod world. Will he be manipulated by mass communications, enslaved by drugs or will he be freed to participate in his spiritual growth?

Come this coming Sunday evening to continue this study. The Rev. Herbert Graetz, pastor of the church will lead the topic, "The Church in this Mod World." We'll be looking for you on the 15th.

STEVE FERGUSON

Steve Ferguson Is Taking Refrigeration Course at SFJC

Steve Ferguson, a young man who knows what he wants. In September of 1969 Steve enrolled at South Florida Junior College in the Air Conditioning - Refrigeration Program. Not particularly enthusiastic about the program, he decided to give it a few days' trial and ended up finding a career.

Since enrolling at the college, Steve has been undergoing training in the classroom studying the theory behind refrigeration; he has been involved in the laboratory shop work, learning to make the theory practical; and in addition he had added to his experiences by becoming employed in Avon Park and following his chosen field.

Mr. and Mrs. Bob Thompson, of the Appliance Center, Avon Park, saw a definite future for Steve and decided that while working and gaining experience he could also benefit their business, and so Steve has become a regular employee during hs out of school hours.

Recently Steve undertook and passed an examination to enter the Refrigeration School of the United States Army. This in itself is quite an accomplishment, since technical knowledge and skills are required to qualify for this school.

Where did it begin? Steve credits Walter Miller, instructor of refrigeration at South Florida Junior College, for having guided him into refrigeration and providing the instruction necessary for him to become successful. Mr. Miller states that Steve is only one of the young men in class showing great promise of success and that he is extremely proud of the students studying refrigeration at South Florida Junior College.

Board Will Adopt Road Priority List

In a special meeting on Friday, at 9 A.M., Highlands County commissioners will adopt a secondary road project priority list and a budget for the proceeds of the recent race track tax bond sale.

The road priority list will be presented to State Department of Transportation officials in a hearing at Bartow on Tuesday morning, Mar. 17. Much of the county's share of secondary road funds are pledged to the fourlaning of US 27, so the project list in recent years has been short.

Highlands County commissioners have now received the net proceeds — $962,778 — from the sale of $1 million in certificates of indebtedness to be repaid from the commission's share of state racing taxes.

The bonds were purchased by Goodbody & Co. of St. Petersburg, who in turn have placed bonds with other investment agencies. First Bank of Lake Placid purchased $400,000 worth of the certificates at 6.25 percent. Other purchasers were First National Bank, Central Plaza Bank & Trust Co., both of St. Petersburg; American National Bank of South Pasadena.

A deposit of $117,068 has been made locally. Tropical Bank & Trust Co. was high bidder for a $110,000 deposit for 90 days; the bid was the legal maximum of 6.75 percent, compounded daily.

First National Bank holds a deposit of $7,068.

As a part of the marketing procedure the county commission had adopted a priority list of projects, but the commission had also said the list would need to be revised after the sale.

A second floor for the courthouse annex and a county agriculture-civic center have been mentioned as top priorities for the race track funds.

When Can We Have Peace?

By DAVE LLEWELLYN

Peace is what the people of the world are yearning for today.

Yet the history of mankind is the history of warfare. The uneasy peace which now exists between the great powers is a peace based on balance of terror —each side fearing the devastation which the other could wreak on its cities, with instant death for millions.

Peace is what we want—but peace with self-respect and an opportunity to live our lives to the full in freedom.

Historically, peace has been imposed on the world by the mightiest military power of the time.

History records a succession of empires—Babylonian, Egyptian, Assyrian, Babylonian again, Persian, Grecian, Roman. The Pax Romana was the long period during which Roman arms enforced peace throughout the entire world that the Romans knew.

Yet it was during the Pax Romana that the Prince of Peace was killed on a cross.

Personal Peace

In the last long conversation which Jesus had with His disciples before the crucifixion, He said to them, "Peace I leave with you. My peace I give unto you."

The peace of which He spoke was a peace which He had even while He faced the indescribable agony of the cross.

It was an internal peace, not dependent on His circumstances, which could not be destroyed by others, no matter what they did to Him.

This inward peace was manifested while He hung on the cross. He prayed for those who had crucified Him, "Father, forgive them, for they know not what they do." He said to the repentant robber, "Today shalt thou be with Me in paradise." He had peace, even in the midst of pain.

It was this peace which He promised to give to those who follow Him.

Paul and Silas had this peace when they prayed and sang till midnight while in prison, with their backs bleeding.

Peter had this peace when he slept in the prison cell on the night before the day on which King Herod was planning to have him killed. The king's plans were frustrated when God sent an angel to set Peter free.

Prince of Peace

Jesus Christ—the Prince of Peace—was promised by God through Isaiah in these words. "Unto us a child is born, unto us a Son is given, and the government shall be upon His shoulder; and His name shall be called . . . the Prince of Peace." (Isaiah 9:6)

There will come a time when He will rule in righteousness and peace throughout the world.

That day may be distant. We do not know God's timing.

But the peace of which He spoke to His disciples may be ours now as we walk in His way. He wants us to have this peace in our lives.

This is the peace to which Paul referred in Galatians 5:22. "The fruit of the Spirit is love, joy, peace . . ."

James also wrote of it in these words: "The wisdom that is from above is first pure, then peaceable . . . And the fruit of righteousness is sown in peace."

AVON PARK SUN

Mayor Barben Is Co-Chairman Of Grand Prix Parade March 20

Elegant, glittering floats, marching units, horse units, clowns, bands and race drivers driving winning cars of the past 20 years of Sebring's Grand Prix.

This will be the Grand Prix parade Friday afternoon, March 20, through downtown Sebring.

Jackie Ickx, who won last year's Grand Prix in the John Wyer GT-40 Ford, will drive the six year old car in the parade.

It will be a bigger parade than last year and for the first time all three cities of the county will take part. There will be antique cars, including a Cunningham of Briggs Cunningham. Major General George P. Seneff, MacDill Air Force base, will be the parade marshal.

A total of 11 floats thus far is entered, according to Col. Guy "Lucky" Campbell, who with Mayor Bob Barben of Avon Park and County Commissioner Gene Whitaker of Lake Placid, are co-chairmen for the event.

"It was a fine parade last year, but we think this one will surpass it," said Campbell.

Bands from the county's three high schools will march and play and there is a possibility a marching band from Wauchula will take part.

A dozen antique cars, which will be on display from 1:30 to 4 P.M. at Southgate parking lot, will take part in the parade under their own power. There will be a Shrine clown car from Tampa. The CowBelles of Lake Placid and 4-H Rough Riders will have horse contingents. Sebring police and the Sebring fire truck will be in it.

The theme, as in other events this year for Race Week, is "20th anniversary" since this is the 20th running of the Sebring race.

The parade will start at Southgate, where the cars will assemble with other mobile units, beginning at 4 P.M. Marching units including Boy and Girl Scouts, American Legion and VFW will integrate with these at the Elks parking lot.

The parade will then proceed North on Lakeview Drive to Ridgewood Drive, North on Ridgewood half around the Circle and down N. Ridgewood to a termination point in the vicinity of the Municipal Power plant.

Several honor guests will ride in the parade including movie star Steve McQueen, possibly star James Garner who was in last year's parade, Alec Ulmann, president of the Automobile Racing Club of Florida and promoter of the Sebring race, Mrs. Ulmann, Mr. and Mrs. Eddie Ulmann, Reg Smith, Elmer Sherwood, president of the Automobile Hall of Fame which sponsors the race, King and Queen of the Grand Prix ball and others.

At the termination, there will be sandwiches and soft drinks for those participating. Women of Sebring Shores are organizing to provide sandwiches.

Again this year, many of the floats will be professionally done and the area's prettiest girls will ride them. On the float of the Tower and First Bank of Lake Placid will be Seminole Indian girls in costume.

Signed up for floats are the cities of Sebring, Avon Park and Lake Placid; a Chamber of Commerce float sponsored by the three chambers in the county; Coppertop Restaurant of Lake Wales; Southgate Merchants Association; Downtown Merchants Association; Hall of Fame; Morris Adams Pure Oil Dsairtbutor; Great Fruit Co. of Highlands County; First National of Sebring and Avon Citrus Banks, and Tropical Bank & Trust Co.

Sister Of Fireman Killed In Accident

Miss Mary Jane Downs, 33, was one of four persons killed with two others critically injured Sunday March 8, when a private plane crashed into a swamp while taking members of the Florida School for the Deaf and Blind on a joyride.

Miss Downs serving as house mother and counselor at the school although she was partially blind, was Baptist.

Survivors include her father, William Downs and mother Mrs. Eulalah Aeschilman, both of Avon Park, a sister Gayle Downs of Avon Park and five brothers, Larson, Roy E. and Kyle all of Avon Park, Clifton of Bartow and Thomas E. who is in Korea.

Services were held today Mar. 12 at the First Baptist Church with the Rev. Aden Childress assisted by Rev. Clyde Geren, Chaplain of the Polk General Hospital.

She was laid to rest in Bougainvilles Cemetery. Scott Stephenson Smith Funeral Home in charge of arrangements.

SENTENCED FOR ASSAULT

Norah Beverly, 22, of Avon Park, was sentenced to 20 years in prison Friday by Judge Clifton Kelly in Circuit Court. He was convicted of assault with intent to commit rape on an Avon Park woman by a jury of four men and two women.

Sentences Poacher To Replace Deer Killed Out of Season

A few months ago, Wendell Skipper was arrested for killing a deer out of season near the Jesse Vaughn Road at the canal by wildlife officers.

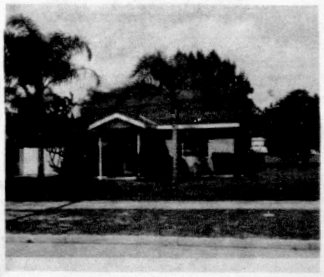

His sentence was to pay the cost of replacing the buck—$150. Which is the way Judge Mervin Rehrer handles such cases. So he did.

Friday was the day a Virginia white tailed buck was shipped here and released at the approximate spot the other buck was shot. This is also standard procedure.

Officiating at the release of the new deer was wildlife officer Eddie Wheeler, district wildlife officer Grady Phelps and game manager Glynn Ivey.

The buck last was seen scooting off in the direction of Highlands Hammock State Park a half mile to the North. The wildlife officers allowed as how he might find a few new girl friends here, so he won't be too lonesome.

Test For High School Diplomas March 12-13

Tests leading to high school equivalency diplomas will be given at the county courthouse today and tomorrow (Thursday and Friday), J. Homer Bible, general supervisor of Highlands County schools who is in charge of the tests, said all candidates must appear at 8:30 A.M. today.

Some persons will need to return on Friday to complete the long tests, Bible said.

Florida residents 20 years of age or older may take the tests. To qualify for a Florida high school diploma it is necessary to earn high school credit in American history and government or demonstrate competency in these subjects by examination.

Bonnie Brae Mobile Home News

A St. Patrick's Day covered dish dinner will be held at 5 o'clock sharp on Saturday, Mar. 14. The committee consisting of Hazel Jedrey as chairman, Catherine Curry, Dorothy Whitney, Faye Darling will be assisted by Ruth Smith and Carrie Jones.

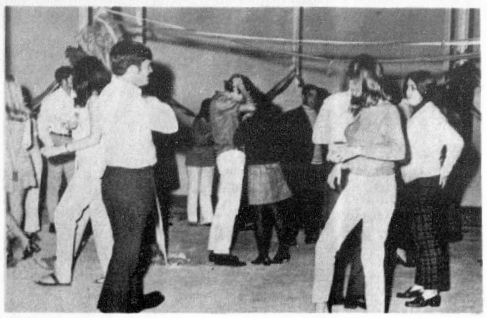

We are sorry to report that Leland Darling is in Walker Memorial Hospital.

We want to extend a welcome to Dr. and Mrs. Boyer. Their new Mobile Home was moved into Bonnie Brae Monday morning.

Harry and Ellen Hunt who have been here for the Winter moved their travel trailer onto a new spot yet to be completed in the new section, on which they plan to put a Mobile Home next Fall.

Diane and Carl Peters of South Wellfleet, Mass. are visiting Diane's grandmother, Thelma Chalmers, on their two weeks vacation. While here they spent Sunday visiting her other grandparents, Mr. and Mrs. Harold Hall of Sarasota. Mrs. Ina Lasker and Mrs. Alma Ehmke of Amsterdam, N. Y., spent 3 days visiting Thelma.

Mr. and Mrs. William Barnett and children Heath, Yvonne and Jeffery of Belleville, Mich. were guests of their parents, Mr. and Mrs. Thomas Barnett. While here they visited Marchant Stadium, Lakeland, Disney World, Orlando, Singing Tower and Spook Hill, Lake Wales, and the Pineapple Farm, Lake Placid.

GAILY DECORATED with the school colors of orange and white streamers with orange crepe paper blossoms, the pre-cast concrete walled automotive mechanics shop at South Florida Junior College reverberated with the dance tunes of a rock and roll band last Saturday evening. This is the first dance on the Junior College campus and was sponsored by the student government association in connection with the National Junior College week and was open to all junior college students and guests. The dance decorating committee made good use of the suspended air, water and electrical outlets to hang the gay decorations that helped promote a festive spirit despite the slow drizzling rain outdoors.

fishing line-up from EVINRUDE

The 1½ hp Mate only weighs 20 lbs. but it can really push the weight around. It can propel a loaded canoe twice as fast as you can.

The new 4 hp Lightwin is perfect for the fisherman who stalks his prey in the weeds and shallows. Also available in folding model.

The 6 hp Fisherman is the smallest Evinrude with big-motor features. Full gearshift. Deluxe design.

The 9½ Sportwin is so low and quiet you might almost forget it's there. It's the most popular motor Evinrude makes.

The 18 hp Fastwin will get you there fast and economically. The most trouble-free motor ever made by Evinrude.

JAMES KELLY, Lake Placid, instructor of the Commercial Lawn Management course at South Florida Junior College watches while Edward Gibson, Lake Placid and Weldon Jacobs, Sebring, carefully finish planting pittosplorum around the entrance of the agriculture machinery shop. The planting of the ornamental shrubbery is part of the practical instruction of the lawn management course of the junior colleges' vocational technical division.

ROTARY CLUB NEWS

By Dr. William A. Stallard

Franklyn Ward introduced Don Brooks, District Scout Executive of the Gulf-Ridge Council of Boy Scouts of America. Don has a responsibility for all the teenage boys and girls in our area as far as activities are concerned.

He pointed out the fact that we are all good at coming up with excuses for our failure to perform as expected. In this regard he said there are really only three basic categories of individuals: those who make things happen, those who watch things happen and those who have no idea as to what is happening. A good Rotarian is one who makes things happen.

About one of every five boys in Highlands County has brought in a new member for Scouting this year. Rotary could profit from this example. The Scout Oath is a good one for all of us to attempt to live up to and was not designed merely for youth. In closing, he enumerated the Scout Groups in Avon Park and indicated a good record and pattern of growth for this area.

A BIRTHDAY dinner was given in honor of J. J. Brown on his 89th birthday at the home of Mrs. Frank Newman, 300 Seneca Dr., Avon Park Lakes, on Sunday, Mar. 8. Hostesses for the occasion were three of his daughters, Mrs. Gladys Young, Mrs. Louise Shows and Mrs. Frank Newman. Members of the family and friends shared the memorable occasion with Mr. Brown. The large birthday cake was decorated in hues of Spring and centered with the traditional 'Happy Birthday' wish. Cake and ice cream were served to friends who stopped in during the afternoon to extend best wishes to Mr. Brown. Pictured above Mr. and Mrs. J.-J. Brown.

Avon Mobile Home Park News

By Florence Young

The regular monthly meeting of the Ladies' Club will be held in the recreation hall Friday, Mar. 13 at 1:30 P.M. The ladies of First Avenue will be hostesses. All the ladies of the park are invited.

Lucile Duthie had a high score of 1368 in pinochle on Monday evening. High scorer for the men was John Wolf with 1280.

The weekly hymn sing was well attended Saturday evening in spite of the rainy weather. Warren Byrer led the singing. The program was in charge of Mr. and Mrs. Harry Brown and Mr. and Mrs. Maurice Fero. Their baby picture contest was well received, and awards were won as follows:

Blue ribbons for baby pictures to Louise Bell, Eva Brown, Dorothy Fero Baxter and Maurice Fero, Orval Marshall, Ora Myers, Larry Robinson, Harold Wolcott.

Blue ribbons for adult pictures to Louise Bell and Harold Faulkner.

Second prize red ribbons for baby pictures to Katherine Baker, Marjorie Faulkner, Vera Fero, Rowley Ghaster, Marian Lovell, Bess Raas and Floyd Stevens.

Red ribbons for adult pictures to Howard Bell and Ruth Wolcott.

Third prize yellow ribbons for baby pictures to Sylven Baker, Nellie Becker, Howard Bell, Martha McBeth, Gladys Heffner, Louie Shoemaker and Harold Wolcott.

Yellow ribbons for adult pictures to Mr. and Mrs. Raymond Fries and Mr. and Mrs. Harry Longanecker.

Guessing contest winners were Katherine Baker, first prize; Marjorie Faulkner, second prize; Louise Bell and Margaret Fries tied for third prize.

The Tri-Color award went to Dorothy Baxter and Maurice Fero for a brother-sister picture. Mr. and Mrs. Emmette Wright acted as judges of the pictures of which there were more than 80.

The Park's first double-wide mobile home was purchased by the Robert McBeth's. It has been installed on a lot on First Avenue.

Home from the hospital and recovering from recent illnesses are Edith Stevens and Harmon Heffner. Bess Raas was admitted to Walker Memorial Hospital last week and is reported making satisfactory progress. Mrs. Lucile Shoemaker was admitted on Sunday.

Mr. and Mrs. Arthur Brummitt of New Carlisle, Ind. called on Mr. and Mrs. Harold Wolcott last Sunday.

Mr. and Mrs. R. C. McBeth have returned from Ft. Lauderdale after spending the weekend with Mrs. McBeth's sister and husband, Mr. and Mrs. M. L. Bacon.

Word has been received by the McBeths from Mr. and Mrs. Mayon Hoard of the death of their little grandson of Mrs. Hoard on March 4. Death was due to leukemia.

Mr. and Mrs. Robert Duthie spent Thursday and Friday in Jacksonville visiting Mrs. Duthie's sister, Mrs. Blanche Dunlap, a patient in St. Judes Manor. They also visited Mr. and Mrs. Don Easley in Lakeland.

Mr. and Mrs. Cecil Hale left Monday for their home in Dayton, Ohio.

Callers at the Orval Marshall home on Friday were Mr. and Mrs. Bruce Kline, Mr. and Mrs. George Ranken and Mr. and Mrs. George Parker.

Mr. and Mrs. Ross Scovels of Indianapolis, Ind. called on Mr. and Mrs. Orval Marshall Sunday afternoon.

Mrs. Grace Amick of Indianapolis, who has been visiting with the Marshalls left Saturday for Dunedin, and is expected to leave there for Indianapolis on Monday.

Mr. and Mrs. Glenn Snellenberger of Arcadia called on Mr. and Mrs. Harold Wolcott on Sunday.

The park community is saddened by the death of Dal Kalb, who passed away Sunday after a short illness. Burial will be in Elkhart, Ind. Mrs. Lois Kalb and her son Keith, who arrived from Fort Wayne, Ind. on Saturday, left for Elkhart on Monday morning.

Harmon and Gladys Heffner wish to express their deep appreciation to their many friends and neighbors for their many kindnesses and prayers during Harmon's recent stay in the hospital.

Girl Scout News

Troop 21 could very well borrow the motto of the U. S. Post Office and make it their own. For "Neither snow nor rain nor heat nor gloom . . ." will keep these girls from camping. Last weekend found these Girl Scouts camping at Camp Sebring, building fires and cooking in the rain. Some of the girls had made patrol flags and brought them with them to give their campsite a festive look. They worked on badges, had a long hike and really enjoyed themselves in spite of the rain.

Troop 21 will meet at the Catholic Church on Monday afternoon to clean up and set tables for the St. Patrick day dinner, to be held there.

CARD OF THANKS

I wish to thank my friends and neighbors for their kindnesses, flowers and cards shown to me during my recent stay in the hospital.

10 resounding reasons why you should buy a new Chevrolet instead of a new something else:

1 Higher resale value. Year after year. No other car in Chevrolet's field gives you as much back on your initial investment.

2 Deep down value. Exclusives like flush-and-dry rocker panels and an extra set of fenders keep Chevrolet looking good longer.

3 Smooth, smooth ride. Because of Chevrolet's computer selected springs, Full Coil suspension and advanced body mounting system.

4 Impressive styling. The impression is that it's an expensive car, if you want to make an impression.

5 Massive interiors. Result? Room to stretch out or to sit tall. Chevrolet has more front leg room than any other car in its field.

6 Side-guard beams. Chevrolet puts more between you and the outside. Steel beams built into every door.

7 A finish that lasts. It's unfortunate other cars in Chevy's field don't have a Magic-Mirror finish because it sure keeps its shine.

8 Exceptional engines. Chevrolet's standard 350-cubic-inch V8 runs on regular fuel. Plus there are five more engines available.

9 Tremendous selection. Of colors. Of accessories. Of engines. Of transmissions. Of fabrics. And of models. There are nine big Chevrolets alone.

10 America's favorite. Something a new "something else" can't claim. If actions speak louder than words, doesn't this say something to you?

DON GOSSICK of the Avon Park Flying Service dismantles a Stearman.

Avon Park Flying Notes

Eleanor Trescott

Art and Stella Gilbart of New Canaan, Conn. flew into Avon Park Flying Service in their Cessna 182. They were weekend guests of Carl and Peggy Lindlau of Sebring.

Billy Cason of Sebring made a cross-country flight last week to Naples and Fort Myers in a Cessna 172.

Jim Jordan made a solo cross-country flight to Ocala and Zephyrhills last week. Charles Jordan made a solo cross-country flight to Naples and Fort Myers.

Results of the FAA written tests recently taken by local flyers have been received and for the most part were favorable.

Tentative plans for a fly-in breakfast at the Avon Park Flying Service are being made. The Ridge Flying Club will help with the arrangements.

Most Northerly Capital

Reykjavik, Iceland's capital city, is the most northerly capital in the world. Thanks to the Gulf Stream, it is warmer than New York City in winter.

Old Stearman Being Rebuilt By Two Avon Park Residents

During the early 1940's, many residents of Avon Park will remember the two wing aircraft that were flying at the Avon Park airport for the U. S. Army Air Force Primary Training Program. The aircraft were Stearman model biplanes built by the Boeing Aircraft Company.

Sometime this year, a Stearman will again take the air at Avon Park. Don Gossick of Avon Park Flying Service and Eddie Wheeler of Avon Park have acquired a Stearman and are in the process of restoring the plane to the original configuration of World War II days.

This Stearman was built in Witchita under United States Army contract and was turned over to the U. S. Army Air Corp, January 1, 1943. It remained in army service as a primary trainer, possibly even being in Avon Park, until Jan., 1946, when it was released from the service.

It was sold with a group of similar aircraft to a dealer in Mississippi. The aircraft papers show that on March 25, 1946 it was flown to Fort Myers, and at that time converted to a single seat duster and sold to an aerial application firm in Belle Glade. There it was used for spraying until 1962. Since that time it has sat idle and neglected, until January, 1970 when Don Gossick and Eddie Wheeler bought the plane, loaded it on a truck and hauled it up US 27 to start its new career once again as a training plane.

Wheeler says that within the next 12 to 18 months, the Stearman will fly again—better than ever.

DAMAGE SUIT FILED

A damage suit has been filed in Circuit Court as an outgrowth of Christmas Day fracus at the Beach Front Restaurant in Avon Park. Ann L. Brown charges that Minnie Williams "wrongfully assaulted" her and cut her. The plaintif is asking damages in excess of $500 which includes funds for medical treatment.

Southland Trailer Park News

By Bessie Paxton

Mr. and Mrs. Clarence Reichman of Ft. Myers and Mr. and Mrs. Clarence Fitzenrider of Bryan, Ohio were guests of George and Mildred Hindsley last week.

Martha Ayers, Ruth and Mike Beaver and Neville Clark were in Ft. Myers Saturday.

We wish William Bittel and Elmer Kiracofe, whose birthdays are March 10th a 'Happy Birthday.'

Eight, just enough to fill both courts, came out to shuffle Friday afternoon. In the play-off Byron Jeremy and Elmer Kiracofe won over Blanche Kiracofe and Dorcas Young by a score of 68 to 42. In consolation, Stewart Dilts and Myrtle Wetts won over Charles Wetts and Goldia Daun by a score of 81 to 56.

Several from the park attended the installation of officers of the local Eastern Star Friday evening. State officers performed the installing ceremonies. Marie Monxx was again installed as Ruth.

Some of our park members who recently suffered with colds are improved and others have caught the flu bug this week.

Mr. and Mrs. Frank Stoltzfus of Sarasota were callers at the Hostetter home last Saturday.

Dr. and Mrs. Edgar Kiracofe wintering in Sebring will be guests for noon dinner of the Elmer Kiracofes. Rebecca and Lem Hostetter will also be guests. The occasion will be to celebrate Elmer's birthday.

Mr. and Mrs. Lloyd Slocum and Mr. and Mrs. Edwin Humphrey from our home town, Warsaw, N. Y., who are visiting the Slocums were dinner guests of Hetta Cook and Harriet Meissel, recently.

Several park members have visited Myrtle Heffernan who is in Walker Memorial Hospital. Myrtle is feeling better, will have more x-rays soon, and hopes to return home sometime the latter part of the week.

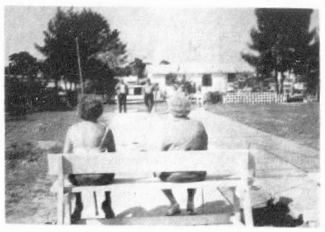

Mr. and Mrs. Reuben Colclissor, Mr. and Mrs. Robert Cramer and Mrs. John Landis, all of Michigan and wintering in Sebring, were callers of the Bittels Sunday afternoon. They surprised the Bittels, brought ice cream and cake to remind Mr. Bittel of his birthday Tuesday, Mar. 10.

Mr. and Mrs. Russell Bible of Gary, Ind., were visitors of the Paxtons Wednesday afternoon and evening.

Roetta Hall and Evangeline Gleason, Hetta Cook and Harriet Meissel attended the New York picnic Friday at Highlands Hammock park.

Sam and Rose Walton and the Paxtons had a pleasant day Thursday. They drove through several mobile home courts they had not seen for several years and ate dinner at Lake Placid Tower. Later did some shopping at Sebring.

Mr. and Mrs. Leonard Reynolds of Rochester, N. Y. and Mrs. Daniel Weir of Plant City called to see Marie Stroobant Monday. When Marie goes North in May she will be with Mr. and Mrs. Reynolds in Rochester.

FIFTY-SIX residents and their guests and nearby property owners of Lee's Trailer Village held a covered dish dinner last Sunday at their new recreation area. The two shuffleboard courts have just been built and were used Sunday for the first time. Besides shuffleboard, horseshoes, card games, checkers, scrabble, and aggravation were played.

Wild Horses

Only one species of wild horses is extant—Przewalski's horse, found only in the plains of the Altai Mountain region and extreme western Mongolia.

Brentwood Mobile Court News

Mr. and Mrs. Ole Thompson have had as their guests for ten days Mr. Thompson's sister and husband, Mr. and Mrs. George Boos of St. Louis, Mo.

Mr. and Mrs. Kelso Richard from Toledo, Ohio were overnight guests of Marie and Bill Good.

Mr. and Mrs. M. B. Rath of Lorain, Ohio spent the week with Mr. and Mrs. Wm. Good. The Raths attended the Airstream Conclave in Sarasota before coming to Avon Park.

What's this Harry Tyson winning 5 bingos this past Wednesday evening. Congratulations Harry it was a long time coming.

Mrs. Marie Brown and Mr. and Mrs. Irvin Hartman were guests of Mr. and Mrs. Orley True Sunday. Mrs. Brown and Mrs. Hartman are relatives of Mr. True.

Since a break in the weather the shuffle court is supplying considerable entertainment carrying over into the evening.

TOP LEADERS in Florida Association for Retarded Children who attended the Ridge Area Association for Retarded Children recognition dinner Tuesday were (left to right) Herbert Colmer, director of Central Florida Sheltered Workshop, Orlando; Mrs. Theodore Norley of West Palm Beach, president of FARC; Miss Ann Karrick, president of Ridge Area Association, and Jack W. McAllister, Tallahassee, executive director of FARC.

Retarded Assn. Honors Workers

Individuals and organizations who have made outstanding contributions toward helping retarded children were honored in the first Ridge Area Association for Retarded Children recognition dinner.

Approximately 125 persons attended the dinner in Avon Elementary Cafetorium on March 17.

Miss Ann Karrick, Avon Park High School physical education teacher who is current president of RAARC, was master of ceremonies for the dinner.

Out-of-town guests were presented by G. Franklyn Ward. Short addresses were made by Herbert Colmer, director of the Central Florida Sheltered Workshop in Orlando; Mrs. Theodore Norley of West Palm Beach, president of Florida Association for Retarded Children, and Jack W. McAllister of Tallahassee, executive director of the state association.

Miss Karrick reviewed the history of RAARC and named a "man of the year" for each year of the association's history.

W. F. Ward, founder of the Ward foundation which has supplied much of the capital funds for the association, was listed as "man of the year" for virtually every year.

Others who shared the honors with Mr. Ward were Mr. and Mrs. G. Franklyn Ward, Mrs. Sam King, Mrs. Henry Heilig, Paul Bennett, Steve Roberts, Morris Adams, Miss Becky Tomek and Mrs. T. O. Martin all of Avon Park.

Miss Pat Lagoni, Rev. Tom W. Jones, Thomas R. Johnson, Jr., Mrs. R. H. Hubbell, all of Sebring.

Highlands County commission and school board were honored for their contributions to the services for retarded persons.

The students of Highlands County high schools were praised for their efforts, particularly for work toward obtaining a mini-school bus and for work in individual retardates through Ridge Area Youth Association for Retarded Children (RAY-ARC).

Awards to honored individuals, businesses, civic and religious organizations were presented by Norris Brooks, David Robinson, Miss Lagoni and Mrs. G. F. Ward.

Colmer, director of the Central Florida Sheltered Workshop, urged the local association to expand its program to include work opportunities for older children.

Ferrari Is Major Threat To Favored Porsche In Big Race

Slimmed-down Ferraris will post a major threat to the favored Porsches in the 20th anniversary running of the Sebring 12-Hour Grand Prix of Endurance Saturday.

And a late realignment in the Ferrari drivers furthering their chances will pair Mario Andretti, defending champion of the Indianapolis 500-Mile race with Jackie Ickx of Belgium, last year's winner.

In another last-minute switch, it was announced that for the first time in its 20-year history, the race will get under way from a "rolling start" rather than from the traditional LeMans start.

The increased Ferrari challenge for the overall win was disclosed as technical inspections were conducted blood-red cars from Modena, Italy, have been reduced more than 200 pounds each and the lesser weight is expected to make them more competitive.

The rolling start of this year's race, which replaces the colorful spectacle of drivers dashing 45 feet across the track to jump into their cars and roar away, was caused by an official directive.

The Commission Sportive Internationale ordered the Le-Mans start abandoned for safety reasons, although there never has been an injury attributable to the LeMans start in the 19 previous runnings of the race.

Reg. Smith, secretary of the meeting, said cars will start in rows of two each when the pack of 70 is turned loose at 11 A.M. They will be placed in descending order of speed with the fastest cars at the front of the pack, the slowest at the rear.

The "pole car"—fastest qualifier in time trials to be held today (Thursday) and Friday — will be on the left side of the front row with the second fastest qualifier next to him.

10:45 Grid To Be Cleared

At approximately 10:45 A.M., the grid will be cleared and at 10:50 A.M. the cars will move off on the pace lap, preceded by the official pace car.

They will make one lap of the 5.2-mile road circuit. The pace car will pull off and enter the pit lane after passing the timing booth. The driver of the "pole car" will maintain the pace from that point up to the start-finish line in front of the Jaguar Tower, where the starter will display the green flag to send the thundering field of cars off on the 12-hour speed contest.

Porsche Favored

The Gulf Porsche team from J. W. Automotive Engineering Ltd. of Bucks, England, is generally regarded as the team to beat this year.

Porsche won the world's manufacturers' championship last year. And, John Wyer, head of J. W. Engineering, presided over the 1969 Sebring triumph of Ickx and Jack Oliver of England in a Ford GT-40.

One of the two Porsche 917's of the Gulf team will be driven by Pedro Rodriguez of Mexico and Leo Kinnunen of Finland, who were the victors in the only previous race of 1970 counting toward this year's manufacturers' championship, the Daytona Beach 24-Hour Race in January.

The other 917 of the team, driven by Jo Siffert of Switzerland and Brian Redman of England, was second at Daytona and will have to be reckoned with here.

European Cars Strongest

Strongest competition to the Porsches and Ferraris is expected to come from the Alfa Romeo and Matra factory teams.

Andretti three-time United States Auto Club driving champion, will head the Ferrari team, which will field four of the new 512S model.

Ferrari 512 drivers include Peter Schetty of Switzerland, Ignazio Giunti and Nino Vaccarella, both of Italy, and Californians Ronnie Bucknum of La-Canada and Chuck Parsons of Pasadena.

The Alfa Romeo Spyder from Audodela S.P.A. of Milan, Italy, will be handled by Piers Courage of England and Andrea de Adamich of Italy; Rolf Stommelen of Germany and Nanni Galli of Italy, and Masten Gregory, an American living in Paris, France, and Toine Hezemans of the Netherlands.

Gurney Will Drive

Driving the new Matra Simca 650 from Equipe Matra-Elf of Velizy, France will be Dan Gurney of Costa Mesa, Calif. (replacing Jack Brabham who won't drive) and Francois Cevert of France and Johnny Servoz-Gavin and Henri Pescarolo, both of France.

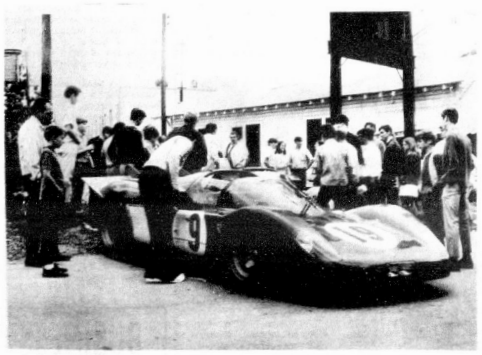

Another big attention getter will be a Porsche 908 Spyder driven by Hollywood Actor Steve McQueen and sports car ace Peter Revson of New York City, heir to the Revlon cosmetics fortune.

Ford GT-40's, similar to last year's winning car, will be driven by Piers Forester and Andrew Hedges, both of England, and by Ray Heppenstall of North Hills, Pa., Buzz Marcus of Wyncote, Pa. and Francis Grant of Philadelphia, Pa.

Top contenders in the Grand Touring class will be the two Owens-Corning Fibreglas Corvettes driven by Tony DeLorenzo of Troy, Mich., and Dick Long of Xenia, O. and by Jerry Thompson of Clawson, Mich., and John Mahler of Bettendorf, Iowa.

Attracting much interest from the male fans will be the all-girl team on the No. 73 Austin Healey Sprite of the Ring Free Oil Racing Team.

Drivers will be Rosemary Smith of Ireland, Janet Guthrie of Great Neck, N. Y., Judy Kondratieff of Lafayette, Calif. and Sharlene Seavey of Horner, N.Y.

THE NO. 19 Ferrari drew a large and admiring crowd at tech inspections downtown Monday. The blood red car will have Mario Andretti and Jackie Ickx driving, and it will be one to watch Saturday.

Residents May Be Asked To Vote on Proposed Sewer Plan

The City Council held a special meeting Monday night, Mar. 16, to further discuss a sewer program for Avon Park. Bill Thompson and Jim Bowyer of Dawkins and Associates, of Orlando were present to answer questions and make suggestions regarding the outlined plans.

Mayor Barben feels that in order to settle this issue, the people will have to vote on it. He suggests that a public meeting be held to take a straw vote to see if the residents want the council to go ahead with sewer plans or if they want to be allowed to vote on it.

It was stated that a new sewer system will have to be installed in a couple of years and rising costs will increase the total amount considerably.

A motion was made by Scott and seconded by Serdynski to proceed with a plan that will provide sewage lines for 90 percent of the Avon Park residents. The cost of this plan is estimated in the neighborhood of $2,800,000.

Bowyer stated the cost of engineering fees for the report and applications to borrow money from the Federal Government would be $3,000 and that a good deal of the work had already been done. The deadline for filing for Federal funds this year is May 4.

School Board Calls Special Meeting

Highlands County School Board has called a special meeting for 7:30 P.M. on Thursday, Mar. 26, to receive the working drawings from the school architects for the new Avon Park and Sebring High Schools.

Avon Park Red Devils Will Meet Fort Meade Here Friday Night

The Avon Park Red Devil baseball varsity dropped its two opening games last week losing to Sebring by a score of 4-1 on Tuesday night in Sebring and then bowing to Okeechobee 3-2 on the Brahman's home field last Friday afternoon.

The Devils were scheduled to meet Frostproof here at Head Field last Tuesday night in the first home game of the season and will play in Lake Placid tonight (Thursday) and then will be at home to Fort Meade tomorrow night (Friday). Next Tuesday the Devils will also be at home with a return game with Lake Placid. All home games start at 7:30 P.M.

Sebring's Jack Miller held Avon Park to a single hit last Tuesday night a week ago at Fireman's Field as they took the 4-1 win from the Devils. The hit was a single by Don Sisemore in the seventh inning after Greg Albritton had scored the Devil's lone run on a walk, and a couple of wild pitches.

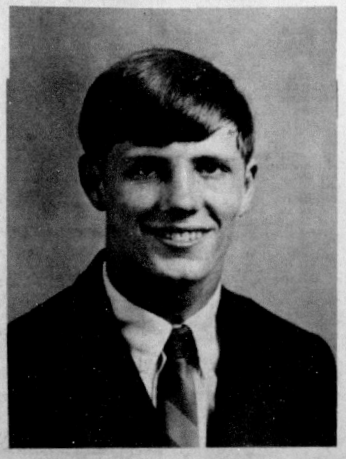

Clark Jackson started on the mound for Avon Park and hurled three innings giving up five hits including one double. Don Sisemore came on in relief to start the fourth and pitched the final three innings allowing only one hit.

The Red Devils committed five costly errors and were unable to score a run in the top of the sixth when they had the bases loaded with only one out. Miller struck out 12 Avon Park batters in the seven inning affair.

In Okeechobee last Friday afternoon on a cold windy field, the Devils lost out in the last of the sixth when the Brahman's broke a 2-2 tie and held on for the 3-2 win.

Again the Devils were able to get only one hit—a single by young Tim Williams—off winning pitcher D. Williams. The Brahman batters connected for a triple, a double, and four singles off Don Sisemore who went all the way for Avon Park.

Okeechobee scored one run in the bottom of the first and then another in the last of the fourth. Avon Park tied things up in the top of the sixth when Dennis Hart and Clark Jackson both scored on an error and a sacrifice. In the top of the seventh Tim Williams got to third with only one out but was picked off to snuff out the threat.

SOPHOMORE Don Sisemore was selected for the All-South Class B second team for this season's play on the basketball court. He made the All-Area second team in all classes and was chosen the most outstanding on the Red Devil squad this year and also won the award for free throws.

Sisemore Named Outstanding Player at Father-Son Banquet

The Avon Park basketball varsity held its annual Father-Son Awards Banquet at the Florida Power Clubhouse last Monday night.

Awards went to Donald Sisemore as the most outstanding player this season and also as the best free throw shooter. Thad Tate won the most improved player award and Joe Hardy took the rebounding award. Willie Seigler won the "coaches" award for his contribution during the season.

The varsity finished the season with a 10-11 record. The following boys received letters: seniors Joe Hardy, Willie Seigler, Philip Hall, Roy Clatt, Herbert Stukes and Mike Beck; juniors Jim Magenheimer and Joe Franza; and sophomores Donald Sisemore, Thad Tate and Wally Pierce.

Integration Plan Calls For One Complete Grade At Hopewell

After an hour of discussion, the Highlands County School Board, by a four-to-one vote, approved a new desegregation plan which calls for the closing of all-Negro Carver school and the integration of Hopewell and E. O. Douglas.

The desegration discussion came early in the Mar. 12 meeting, before an audience that filled two-thirds of the courtroom.

By the plan which Superintendent George F. Douglass presented, Douglas School, now all-Negro, would be changed into a county-wide school offering a special pilot program emphasizing individualized instruction for elementary students.

The county would provide transportation for any pupil in the county who desires to take advantage of the special program.

Hopewell School, now all-Negro, would become a part of Avon Elementary School and provide space for one grade only. All the temporary buildings at Hopewell are to be removed.

Carver School in Lake Placid will be closed and all students moved to the new Lake Placid Elementary.

The plan covers the 1970-71 school years only. By present schedules, the new high schools will be available by the Fall of 1971 and the county will move into a new middle school program for grades five through eight.

The final point in the nine-part plan calls for further study on possible use of the Carver and Hopewell facilities to determine whether they might be used as kindergarten centers or "such other use as may seem feasible under HEW guidelines.

Cason Opposed

Only opposition expressed to the plan, which generally follows recommendations made by Lay Advisory Boards from each community, was expressed by Board Member Ted Cason who cast the one "no" vote.

Immediately after presentation of the plan, Cason said, "This may be the best plan in the world but I won't vote for it until I know more about it. Why are we closing Carver? Why are we forcing children to attend Hopewell?"

Later Cason said , "I want Professor Nixon to know that I'm not against his program at E. O. Douglas. I'm against the children at Lake Placid and Avon Park having no choice."

At the request of Supt. Douglass, Prof. Nixon presented a resume of the program at Douglas. Douglass said a similar program was inaugurated at Hopewell this year but it had not succeeded so well as the one at Douglas.

"The principal at Hopewell had a heart attack early in the school year and we have had to make adjustments in administration which have not made it easier for a new program," the Superintendent explained.

Individualized Study

Nixon explained that instruction is highly individualized with each child progressing "as rapidly as he can and in different subjects he may be at different grade levels.

"People who have a child who is not succeeding at school will want this experience for their child. For the first time in my teaching career, I am this year, working with a situation where every teacher and every child is succeeding in some way," Nixon said.

He will be a part of the Highlands County team which will present the new desegregation plan at a hearing before HEW in Washington, D.C.

Government attorneys have assured Highlands School Board Attorney Frank Bryant that the new plan will be heard before the proceedings against the school board — based on the old plan — are continued. No date has been set for the hearings.

Bryant told the audience last week that he believes the part of the new plan dealing with Douglas is the only one which may be challenged. "We are fortunate that we are dealing with HEW rather than the courts," Bryan said, "HEW does include is not an attempt to maintain a segregated school but it's a bid to continue a unique program."

The new plan proposes the complete integration of staff and teachers "by assignment if necessary so that each staff and each faculty in each school will have approximately the same racial balance as any other school."

The school board will continue plans for enlargement of all elementary schools except Hopewell, Douglas and DeSoto City.

Councilmen List Road Priorities

Avon Park city councilmen and Highlands County commissioners met with members of the Department of Transportation's Bartow office yesterday to hash out the road priority list in the Avon Park area.

A limited access highway from Avon Park to Sebring, along a right-of-way owned by the Seaboard Coast Line Railroad, was listed as the top priority project for Avon Park in Gov. Claude Kirk's proposed 20-year road program.

THAT SAME limited access highway was also recommended by the commissioners and Sebring city councilmen at an earlier meeting with DOT representatives.

Other projects proposed for the Avon Park area included four-laning of State Road 64 from U.S. 27 to the Hardee County line; resurfacing State Road 64 from U.S. 27 east to Bombing Range Road, and extending Bombing Range Road east to State Road 60 at Yeehaw Junction.
