

Girl Scout News

The Girl Scouts of Troop 21 busily laid plans to attend the International Festival at their last meeting. This will be held at Winter Haven on April 18. The girls will bring "roose bag" lunches and will later visit Cypress Gardens.

A new Scout was welcomed into the troop of this meeting. She is Miss Kathy Collinsworth.

As further proof that the rainy camp-out at Camp Sebring did not dampen their spirit, the troop has requested permission to camp at Camp Wildwood on April 23-26. They are eagerly awaiting a reply.

Along coastal areas of North and South Carolina are miles and miles of shallow crater-like depressions, the origin of which has never been fully explained. Maybe — a shower of meteorites.

RELIEF OR NO COST?
Symptoms of distress arising from **STOMACH ULCERS POOR DIGESTION HEARTBURN DUE TO EXCESS ACID**

Over 10 Million Packages of **WILLARD'S TABLETS** have been sold. Willard's helps neutralize excess acid, which is one of the chief causes of stomach distress, and is designed to place a temporary seal, sealing over the irritated surface of the stomach. This coating helps protect these irritated areas from excess acid in the process of digestion.

Live better "in the 70's"

Switch to electric comfort conditioning!

If you're thinking of electric heating and cooling for your home then see your dealer now, before the summer air conditioning rush begins.

You'll find there's nothing quite like the satisfying, over-all warmth of electric heat... or the refreshing coolness of electric air conditioning.

And what could be more convenient. There's no worry or bother. No pilot lights to be cleaned. No burners to be adjusted. There are no fuel tanks. No sooty dirt.

Your dealer can show you how you can enjoy year 'round comfort electrically and still stay within your budget. See him soon.

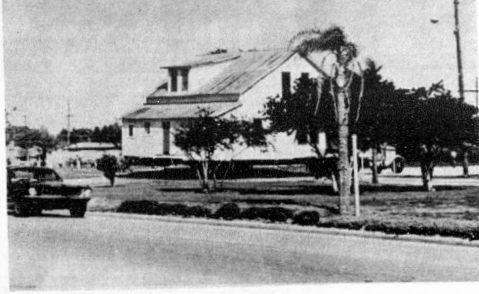

What a great way to start the '70's!

We'll pay \$50.00 towards making you more comfortable!

Any Florida Power Corporation residential customer who removes flame-type heating and replaces it with whole-house electric heating and cooling between now and May 31, 1970 will receive a \$50 installation allowance from us. (Minimum capacity, 18,000 BTU's.) Ask your dealer or contractor for all details.

Mr. and Mrs. Kenneth Taylor of Holden, Mass. and Mr. and Mrs. Charles Shepard of East Weymouth visited Thelma Chalmers on Saturday. Mr. Shepard is visiting 50 year members of Orphans Hope Masonic Lodge of East Weymouth, who are now residing in Florida.

On Sunday, Mrs. Gladys Crothers and Lester Meserve both of Whitman, Mass. and Mrs. Emilie Pratt of East Bridgewater, Mass. visited Thelma. They are staying at Sebring.

Mr. and Mrs. Clarence Francisco of Amsterdam, N. Y. called on Mr. and Mrs.

Frank H. Foote on Wednesday. On Friday, Mr. and Mrs. Lynnville Myers and Mr. and Mrs. Owen Fought paid them a visit.

Mr. and Mrs. Reed of Michigan, Mr. and Mrs. Finner Bellinger of Fond du Lac, Wis. and Mr. and Mrs. Edward J. Rivenburg of Bradenton and his sister, Mrs. Emma Sarno of Amsterdam, N. Y. also called on Frank and Maud.

Ruth and George Burgess of Clearwater and granddaughter, Nancy Burgess and visiting Mary and Albert Hemmiller. They are going to Cypress Gardens and Cape Kennedy.

Walter and Emma Hemmiller who left for home Saturday, also were visitors of the Hemmiller.

Lu Detrick's sister, Myrtle Fortney from Belle Fontaine, Ohio is here on a visit. Mr. and Mrs. Norton from Clearwater, called on Lu and Guy Detrick during the week.

The covered dish dinner held March 14 was a big success. It was attended by 66 people. The committee is to be congratulated for a job well done.

Scout Troop 814 Host To Family Meeting

Scouts of Troop 814 were hosts to members of their families and friends Monday evening, Feb. 23, when they held their mid-winter family night in the hall at Our Lady of Grace Catholic Church. Approximately 50 parents and scouts were on hand for the occasion.

Larry Bond, in charge of Advancement for the Troop, officiated at Tenderfoot investiture and the following scouts were advanced to the Tenderfoot rank: Robert Boardman, Gary Singletary, Gary Curlee, Steve Adinolfi and Dennis Hill. Chuck Beckhal was recognized as Den Chief for his work with Cub Pack 814.

Winding Creek Patrol exhibited its unique collection of reptiles coming to Florida. They classified and described the various specimens and told how they preserved them. Highlight of the exhibit was the large live Blue Indigo. They demonstrated forced feeding since, they explained, not all species will eat in captivity. They showed precautions taken by the patrol to avoid infecting the snakes through handling.

Pinetree Patrol displayed some articles they made of wood which are used on vestitures after which both Pinetree and Cougar entertained with skits.

The three patrols making up this troop showed the patrol flags which they themselves designed and made. Winding Creek scouts designed and made their own original arm patch which they wear on their uniforms. Scoutmaster Johnny Johnston announced plans for Troop 814 to attend Flaming Arrow this coming summer and told of the successful campout this past week at We-dun-it, the official No. 814 camp, under the leadership of Capt. Curtis McMerrill and Larry Violette, after which the Mothers Committee served hot coffee, cake and fresh orange juice.

CARD OF THANKS

My thanks to Dr. H. W. Coleman and the nurses at Walker Memorial for the kindness and care that I received during my stay. To my friends and neighbors I also thank them for their cards, flowers, and prayers.

Avon Park Flying Notes

By Eleanor Trescott
Jim Reinfert attended the DeSoto celebration and Air Exposition at the Sarasota-Bradenton Airport, Saturday, Mar. 14. This consisted of an antique fly-in, a fly-by, and a display of the newest aircraft.

Billy Crews of Wauchula was recommended and received his multi-engine rating at St. Petersburg this past week.

Ed Szal, a winter visitor from Lake Placid who has been flying at the Avon Park Flying Service during the winter, has returned to his home in Hillsboro, Ill.

Stanley Wells of Avon Park, flew to Tampa Sunday to visit friends.

Even though the March winds do blow, there were some cross-country flights last week. Frank Hall of Avon Park made a dual cross-country flight to Lakeland Winter Haven. Jamie Trescott of Avon Park High School flew a solo cross-country flight to Arcadia and Okeechobee.

Bill Backley and friends of Avon Park flew to Eau Gallie Sunday in the Cessna 172. John Swain of Venice, an occasional visitor, flew into Avon Park Sunday.

There have been two solo flights made recently. Tom (my Carmichael) of Wauchula and Bill Curtis of Lake Placid, made two nice white benches at the Avon Park Flying Service for the comfort of those who stay on the ground and watch the planes go by.

Any hill is too steep for one who dabbles climbing.

WHAT SECRETS does Robin and the Easter Bunny share? Little three-year-old Robin Albritton, daughter of Mr. and Mrs. Maurice Albritton, dressed in

her Easter outfit sits with a live bunny planning her big day. Robin and the "Sun" staff wishes everyone a Happy Easter.

Easter Sunrise Services Sunday

The Community Easter Sunrise Service will be held in Donaldson Park 6 A.M. Sunday. This annual service is sponsored by the Avon Park Ministerial Association and people of all faiths unite in observance of the resurrection of Jesus Christ. Donaldson Park, near beautiful Lake Verona, is an ideal place to commemorate the happenings of this great event as it occurred.

An instrumental ensemble of high school students will provide special music, and Vic McKunas, band director of the high school, will lead the singing. The message will be brought by Rev. Ross J. Sype, chaplain of Walker Memorial Hospital. Also on the program will be Rev. E. B. Boykin, president of the Ministerial Association and pastor of the First Assembly of God, Rev. Alex Day, pastor of the Church of God, and Rev. Paul Trisler, pastor of the Church of the Nazarene.

City Elections Will Change To 2nd Tuesday in December

The City Council held their regular meeting Monday, Mar. 23, at 7:30 P.M. George Haynie was present and requested that city elections be

changed from Tuesdays to Fridays to get more people out to vote.

Jack Hancock, city attorney, reported on proposed change in election dates. He said the first Tuesday in December would be satisfactory since city registration books would not have to be

closed during state and county election.

Jack Duggan reported discussion at legislative hearing on county collection of taxes for the city. The attorney read a resolution requesting the law permit cities to have the option as to whether or not the county would collect their taxes. A motion was made by Martin and seconded by Howard to adopt resolution on tax assessing and collection by the county.

Malcolm Crews said that \$10,000 had been included in Highlands County secondary road budget for the coming year and plans were made to modernize and improve traffic signals at U. S. 27 and Highway 64 at Main Street and Lake Avenue, as well as other locations within the county.

The city clerk extended an invitation to the city council and their wives to meet with the state directors of the Florida State Firemen's Association at the meeting Saturday, April 18 in Avon Park. They will view the site proposed for state offices and have entertainment and a barbecue at Florida Power clubhouse.

A letter from the Airport Committee was read which recommended that all obstructions to visibility at the airport be removed, that grass and weeds on runways be treated and that a group of oak trees at the Southeast corner be cut. Mr. Scott stated that FAA had approved the present fence. Dan Bennett said there were worse obstructions at the airport than his cattle. He offered to set his fence back 800 feet west and to double his present lease payment to \$200.

Mr. Scott said he had checked the visibility with two planes and another pilot and would recommend that the cattle be removed. Motion by Mr. Scott, seconded by Mr. Howard to accept offer of Dan Bennett to lease pasture for \$200 per year and move fences back 800 feet. Bill Lee said if the cattle were moved he would like to bid on the hay rights. Sale of tax certificates and schedule for advertising and sale were outlined by the city clerk.

Mr. Martin discussed zoning problems with trailers. The building inspector had recommended that a minimum of 15 trailer spaces be required before a trailer park license was issued.

Offer of \$5,500 for a tract of land for a computer center was received. The council instructed the city clerk to get a survey, an appraisal and approval of city engineers. Duggins & Associates prior to council action.

STRAINS of "The British Grenadiers" and "Scotland the Brave" were heard at the pre-race ceremonies at the Avon

Park Band marched up and down the Sebring track.

Andretti Wins Grand Prix Before Record 57,500 Crowd

"Who is this little piccolino!" Alex Ulmann, promoter of the Grand Prix race, was asked years ago as a famous racing driver watched Mario Andretti.

The cool little Italian from Nazareth, Pa. proved Saturday before a record-breaking crowd of 57,500 spectators that he is the world's greatest as he drove a backup Ferrari to victory in the 12 hours of Endurance here. Racing officials agreed this was probably the greatest race in 20 years of Sebring racing. Both distance and lap records were smashed with the winning car averaging 107.05 miles per hour on the winding 5.2 mile course.

Andretti in the screaming blood-red car from Modena, Italy, roared across the finish line a scant 23 seconds ahead of a Porsche driven by Peter Revson, the 21st fortune hunter and a master road racer.

One-Legged Merle Star A veteran sports editor, watching the Porsche, which was co-driven by Revson and movie actor Steve McQueen, who had his left foot in a bulky cast declared: "If a one-legged movie star wins this race, you wonder if this is racing!"

Andretti, a winner here in 1967 with Bruce McLaren in a Ford Mark IV and second last year by only a lap in a Ferrari, had his starting car, the No. 19, develop gear box trouble. It had a six lap lead at that point.

Andretti switched to the surviving Ferrari with the best chance of winning. The No. 21 of Nino Vaccarella and Ignazio Giunti in the final hour and took over the lead in the final 20 minutes.

Ferrari Off Front At 9:30 P.M., announcers at the race were saying it wasn't much of a race with the No. 19 Ferrari of Andretti and Arturo Merzario of Italy so far in the lead. In 15 minutes ev-

everything had changed and the enormous crowd was suddenly up tight.

"Where is the No. 19 Ferrari, we've lost it somewhere on the course," came the announcement over the public address system.

The crowd groaned. Many did not know that Andretti had realized the No. 19 car was faltering, was jumping out of gear, and was switching to the No. 21 car, which team manager Dr. Franco Grunzi felt had the best chance.

At the time of the switch, the No. 21 was nine laps back of the then-leading Porsche of Pedro Rodriguez of Mexico City and one lap behind McQueen.

Merzario was in the No. 19 as it limped past the stands and came to a dead stop behind the timing stand. Merzario walked the pits to the pits.

Meanwhile, the Porsche team, hampered for a victory, at 7 P.M. transferred Jo Siffert to the Pedro Rodriguez car thus putting the team's two fastest drivers in the same car. Then three hours later the Rodriguez Porsche developed problems with the right front hub and limped slowly into the pits. It was a two second stop.

With just seven minutes left before the checkered flag was to drop for the end of the race, Andretti screamed into the pits to pick up a couple of gallons of gas to get him to the finish. It was a two second stop.

In third place behind Revson-McQueen was the Alfa Romeo of Masten Gregory and Tony Hixemans, a sweet place for the Alfa, which was running under the 3 liter class.

At the half-way point of the 12 hour race, the Ferraris were in the first three positions and running away from the competition. First was the Andretti-Merzario car, second Giunti-Vaccarella and third Jackie Ickx (last year's winner) and Peter Schetty.

Seven Laps Back Seven laps behind the leader and not believed to be in serious contention was the McQueen-Revson car. This was the first Ferrari win since 1967, although Andretti in a Ferrari best set with overhauling problems was only one lap behind the

County Zoning Committee To Hold Hearing April 1

A proposed comprehensive planning and zoning resolution—giving a rough time at its initial public hearing on Nov. 19—has been revised and comes up for a second hearing on Wednesday, April 1.

The hearing, at 10 A.M., is set for the county commission meeting room at the courthouse. If approved by the county Planning and Zoning Commission next week the resolution will be ready for submission to the Highlands County commissioners who will hold another public hearing prior to final adoption.

Sebring Board of Realtors and mobile homeowners led the attack at the November hearing. A total of 20 revisions has been made and six of these apply directly to the regulation of mobile homes.

Planning and Zoning Commission Chairman Mary Ellen Ward said, "A number of developers, realtors and individual land owners have presented problems which have been carefully considered. Some problems were found to be a result of misinterpretation of the regulations or interpretation out of context. In other situations, inconsistencies within the proposed regulations were identified and corrected."

Long Document The total planning and zoning resolution runs to more than 100 pages, the result of more than two years of study and work by the planning and zoning commission.

Planning and Zoning Director John Scott said few copies of the complete plan have been issued because of the length.

The revisions amount to approximately eight pages out of the 100 plus in the total plan. The proposed revisions, in brief, are as follows:

—The minimum floor elevation for concrete block houses will be eight inches and 12 inches for frame construction.

—Flood land shall be not less than three feet above mean high water level.

—In any district where dwellings are permitted, residential dwellings and customary accessory buildings may be erected on any single lot recorded before the zoning resolution.

—No parcel of land of less than minimum size may be cut off for a separate lot.

—No building permit will be issued for a lot with less than 30-foot street frontage.

townhouses are permitted in residential zones if provided with central and water and sewage facilities.

—Flexible developments are to be submitted for approval of each layout.

—All junk must be removed

and placed in licensed junk yards or dumps within six months after official notification.

Definitions of some terms—such as modular home, camping grounds, mobile home subdivision and mobile home parks—are included in the revisions.

A major portion of the \$4.5 million issue will go to build new schools in Avon Park and Sebring. Working documents for the identical schools are to be received at a special school board meeting at 7:30 tonight (Thursday).

The present time schedule for dedications is to be ready by May 1 and bids to be opened the first week of June.

Some of the bond money is earmarked for expansion of elementary schools. At the April 1 meeting the school board is to receive the working drawings for the addition to Lake Placid Elementary.

Minor League Meeting March 30 Application forms to play Minor League Baseball were distributed at Avon Elementary this week.

It is expected that 200 boys will be eligible to play. All boys who apply and who attend practice sessions will be guaranteed opportunity to participate.

A meeting of the boys and parents will be held at Avon Elementary Cafeteria Mar. 30 at 7:30 P.M. Both parents are urged to attend with their boys.

The Red Devil varsity baseball squad hit the win column last week with wins over Lake Placid and Fort Meade after dropping the first three games of the season. Tuesday night a week ago the Devils lost to Frostproof by a score of 5-2 here at Head Field but last Thursday night the Avon Park nine jumped on Lake Placid for a 12-1 victory in five innings and on Friday night Fort Meade went down in defeat in a five inning game by a score of 10-1.

Last Tuesday night the Devils were to play Lake Placid again here at Head Field and tonight (Thursday) they will host the Naples Eagles in a game scheduled to start at 7:30 o'clock out at Devil Field. Next Tuesday the Devils will travel to Frost-

proof and try to gain a split with the tough Bulldog squad.

Clark Jackson pitched a one-hitter against Fort Meade last Friday night as the Devils shut out the Miners in a five-inning game 10-0.

The Miner pitcher got Fort Meade's only hit—a single—in the top of the fourth. Jackson struck out 7 batters and walked four during his five innings on the mound.

Rightfielder Eddie Edd led the Red Devils at the plate with a double and a single in three trips to the plate and shortstop Dennis Hart had a triple that drove in two runs in the top of the fourth. The Devils took the 10 run lead after five innings of

School Bonds To Be Issued April 28

Tuesday, April 28, has been set as sale date for the \$4.5 million bond issue for Highlands school construction program.

Superintendent of Schools George F. Deane said today the board now hopes that the bond issue, to be paid out of ad valorem taxes, will sell for well below the 7.5 per cent legal maximum interest. The market for similar issues now stands near 6 per cent he noted.

A major portion of the \$4.5 million issue will go to build new schools in Avon Park and Sebring. Working documents for the identical schools are to be received at a special school board meeting at 7:30 tonight (Thursday).

The Red Devil varsity baseball squad hit the win column last week with wins over Lake Placid and Fort Meade after dropping the first three games of the season. Tuesday night a week ago the Devils lost to Frostproof by a score of 5-2 here at Head Field but last Thursday night the Avon Park nine jumped on Lake Placid for a 12-1 victory in five innings and on Friday night Fort Meade went down in defeat in a five inning game by a score of 10-1.

Last Tuesday night the Devils were to play Lake Placid again here at Head Field and tonight (Thursday) they will host the Naples Eagles in a game scheduled to start at 7:30 o'clock out at Devil Field. Next Tuesday the Devils will travel to Frost-

proof and try to gain a split with the tough Bulldog squad.

Clark Jackson pitched a one-hitter against Fort Meade last Friday night as the Devils shut out the Miners in a five-inning game 10-0.

The Miner pitcher got Fort Meade's only hit—a single—in the top of the fourth. Jackson struck out 7 batters and walked four during his five innings on the mound.

Rightfielder Eddie Edd led the Red Devils at the plate with a double and a single in three trips to the plate and shortstop Dennis Hart had a triple that drove in two runs in the top of the fourth. The Devils took the 10 run lead after five innings of

proof and try to gain a split with the tough Bulldog squad.

After the darkness of Calvary, came the light of the resurrection. Now, in these days of division and upheaval, things sometimes look dark, too. That's why it's important for us to remember that Christ has conquered death and has shown us the way to obtain life everlasting for ourselves. This Easter, as we rejoice in His victory over the tomb, let us pledge to turn to our tasks with renewed faith and hope, striving to follow in His footsteps. A happy and holy Easter to all!

My Cross

I could not bear, except for Thee,
The cross, carved out, and made by me.
By idle tongue, by work undone;
I hanged my Christ at Calvary.

I blasphemed Him, I cursed the Three;
That gave salvation unto me.
I spat at Him; I could not see
How Christ I hanged, at Calvary.

By habits formed, I slave became,
And deeper sank in sin and shame.
Because of what I willed to be,
I hanged my Christ at Calvary.

His pleading look as He hung there,
Was greater than any soul could bear.
For when these things in flesh I do,
I crucify my Christ anew.

BUREAU OF ALCOHOLIC REHABILITATION

alco-

By JOHN A. WILLIAMS
Editor, Information Services

Driving through some beautiful orange and grapefruit groves on the way to work this morning—the sun was brilliant, the air in the 60's—a typical Chamber of Commerce day for the image that all of us in Florida like to project.

But like many other conscientious drivers I was looking ahead, in the rear and side-view mirrors and keeping an alert eye to the left and right sides of the car.

This of course necessitates looking at the ground. To tell you the truth, it ruined my morning.

Under those beautiful trees ripe with varied colored fruit reflecting the sunlight beneath another reflection. This one not quite so pretty.

Beer cans, and my friend I mean beer cans.

Not just one or two that might possibly have been thrown out of a passing auto sometime in the middle of the night by hundreds. Some were bent, some crushed, some intact.

It struck me, not only of man's continuing discernment for littering the highways—which we already hear plenty about—but of all those unknown human beings who had consumed the

alcohol one inside those cans. Now, I don't know if any of them were or are alcoholics. But experience dictates that probably many are.

Perhaps I'm a little too philosophical, but the sudden contrast between the pure bright trees and the empty, dirty booze cans underneath them struck me as a little bit sad.

Stopping the car I ventured back into the groves. More empty. And not one of them contained a soft-drink label.

And you know, I would really like to know just how much beer and liquor is being consumed in those groves. Natural curiosity, I guess.

For the alcoholic, drinking on the job, whether it's in a citrus grove or a plush executive office in a processing plant, means trouble. It means he should seek help.

If you must drink or know of someone who must, you may request more information by writing to the Bureau of Alcoholic Rehabilitation, Information Services, P. O. Box 1147, Avon Park, Fla.

The only cost is a stamp. The reward might be some vital, factual information—maybe removed from an someone's life.

LEWIS LLEWELLYN

Greatest Event Of History

When President Richard Nixon welcomed Astronauts Armstrong, Aldrin, and Collins home to earth from their historic journey to the moon, he exulted, "This is the greatest week in the history of the world since the creation!"

If one is thinking in terms of human accomplishment, as the president obviously was, there is much to support this evaluation.

But if one is thinking in terms of the effect on human destiny, the week during which Christ died and rose again must have first place.

History Changed

The course of history was changed when the innocent Carpenter of Nazareth was executed by order of the Roman governor, Pontius Pilate.

The world has never been the same since that Man died on a hill, outside Jerusalem.

If His death had been the end of the story, people might have forgotten the unjust execution—but the event that occurred on the third day after His death has shaken the world.

His disciples were electrified by the news that He had risen from the dead!

Skeptics were convinced, as hundreds of those who knew Him saw Him alive after His death.

Though some people still disbelieve, not being willing to accept the reality of power that transcends the normal and natural, the evidence is overwhelming.

Whether one is a Christian or not, it is impossible to ignore the fact that the followers of the Nazarene have changed the course of history.

Roman emperors, in the first two or three centuries of the Christian era, used Christians as their victims in "sporting" events in their arenas, as lions and other wild beasts devoured the martyrs.

It is recorded that the Emperor Nero, in a lighted night-garden party by having Christian martyrs covered with pitch, fastened to posts surrounding the place where the party was to be held, then set afire to furnish illumination.

His Power Prevails

Yet, within three centuries after His death, the Roman Empire embraced the Christian religion. The persecutors of Christians could no longer resist the strength of their faith.

er resist the strength of their faith. The power of Christ prevailed over His enemies, so that they acknowledged Him as Lord.

The resurrection of Christ is central to the message of Christianity. The Apostle Paul wrote to the Corinthians, "If Christ be not risen, then is our preaching vain. If Christ be not raised, your faith is vain. Ye are yet in your sins."

"If in this life only we have hope in Christ," he continued, "we are of all men most pitiable."

The resurrection of Christ is the difference between Christianity and all other religions. This is why Christians confidently affirm, "We are serving a living Lord."

Yet, in this nation which was founded by men and women who boldly testified to their faith in Christ, there are today many who have failed to take their stand.

What better time than now—at Easter, when we celebrate Christ's resurrection—to take your place among the followers of Christ, our risen Lord?

BUSINESS and the STOCK MARKET

BUSINESS CAPITAL OUTLAYS HOLD FIRM

By Babson's Reports Incorporated, Wellesley Hills, Mass., March 26, 1970. In view of the economic downturn in progress for some months, it has been widely felt that outlays for plant and equipment would soon begin to ease significantly. But the latest government survey of business plans indicates that there is little intention on the part of businessmen to sharply curtail capital spending.

Businessmen Moving Barriers

The evidence of business confidence implied by the unexpectedly lofty projections of capital investment plans was a big surprise because of the tremendous "odds" which ordinarily would tend to dampen business capital spending. In addition to the downslide in business, there is the extremely high cost of borrowed capital and the relative shortage of credit, resulting from the anti-inflation monetary policy. In the past, tight money has been the "waterloo" of booms in capital expenditures, at least for the time being.

In addition, the tight squeeze on profit margins is usually a powerful force in curbing expenditures of this nature. This is particularly true when there is a growing surplus of productive capacity, which is precisely

the case at the present time, Upward Trend Sustained

If the capital spending plans reported by participants in the survey are fully implemented the 1970 should chalk up a brand new record for new plant and equipment expenditures of more than \$83 billion. This is an increase of close to 11 percent over actual outlays of more than \$75 billion in 1969.

The trend of capital spending obviously is still strongly upward, and the rate of year-to-year increase is only slightly lower—down 1 percent—compared with 11.5 percent rise scored last year versus 1968 results.

Looking Behind The Scenes

An answer to the contrary behavior of business capital spending plans may be gained from the breakdown by industrial categories. True, the 1970 capital budgets of manufacturing firms do reflect business and credit conditions to a degree, with the anticipated year-to-year rise of not quite 10 percent trailing last year's 11.7 percent advance over 1968. Railroads have budgeted another hefty increase in capital spending, while the projected 20.7 percent rise is less than the 20.5 percent advance of 1969.

Materially stronger performances are expected in utilities and air transportation. Pub-

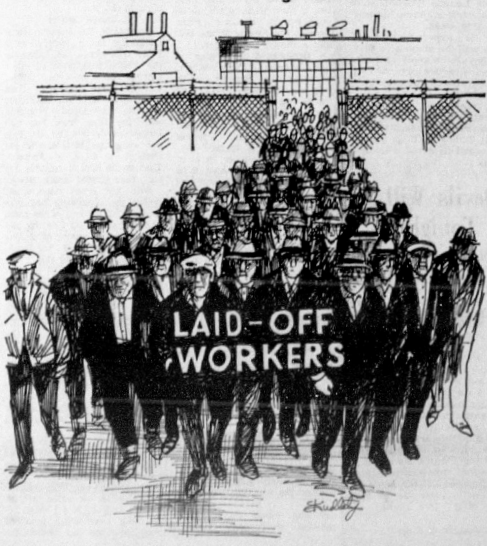

lic utility firms are planning to increase capital expenditures by more than 18 percent this year, compared with the boost of nearly 14 percent for 1969. The rate of increase in the air transportation industry is even more impressive.

Tough On Inflation Fighters

The unexpectedly generous capital budget allocations make the fight against inflation tougher. The Administration and the monetary authorities were hoping for a more substantial deceleration in plans for a new plant and equipment in order to dampen inflation. The measures can be applied to reverse the ailing economy. The veering program may cause some delay in credit easing measures designed to aid business. However, because of the knowledge that credit-easing moves will take time to bear fruit, the Federal Reserve Board may be forced to act sooner before recession becomes entrenched.

Nevertheless, there is a bright spot in the picture. This fact of economic activity will continue to exert a strong bolstering impetus on business. The ambitious plans may not materialize completely, but even if there is some downward revision, there will be a good deal of stimulus to the economy from capital expenditures.

play. Also hitting for Avon Park were Mike Bagwell, leftfielder; Don Sisemore, centerfielder; and Rickie Dick, catcher. All three had a single each.

In Lake Placid last Thursday night the Devils went to work for three innings and then broke loose to score four runs in the fourth, three in the fifth, and five in the sixth to take the 15-1 win. Lake Placid scored its lone run in the last of the sixth on a hit and two Devil errors.

Danny Albright started on the mound for Avon Park against the Green Dragons and went 2 2/3 innings giving up no hits and no runs but walking four men while striking out seven batters. Don Sisemore came in for one out in the third facing only one batter who popped out to the rightfielder and then Jackson came on in the fourth to finish out the other three innings. Jackson gave up 2 1/2 runs, one run, struck out seven batters and hit two batters to issue free trips to first.

The Red Devil batters collected 7 hits off Dragon pitchers Eszter and Branch in the six innings of play. Eddie Exell paced Avon Park with a double and a single. Don Sisemore rapped out two singles. Mike Bagwell and Clark Jackson slammed out triples, and Dennis Hart hit a single.

Don Sisemore absorbed the mound loss in the Frostop game. The Bulldogs got 6 hits off the young lefthander—all singles—and scored five runs to win 5-2. The Red Devils committed 3 errors in the game to assist the Bulldogs win.

Senior Bulldog hurler Murray Wilson kept the Devils in check although he gave up six hits during the full seven innings game. Wilson pitched out 16 Red Devil batters and walked only two.

Hitting safely for Avon Park were Dennis Hart, with a double, the only extra-base hit of the game; Don Sisemore with two, Mike Bagwell, Greg Albright, Mike Eszter, and Clark Jackson with a single each.

Winn-Dixie Will Give Scholarships

Application blanks for the 1970 Winn-Dixie-Florida Farm Bureau Scholarship Awards are now available at the Highlands County Farm Bureau office, according to Richard C. Drenth, Highlands County Farm Bureau president.

The \$1,500 four-year scholarship awards will be given to a boy and girl high school graduating senior as the top prize in a state-wide competition.

Applications from all 64 county Farm Bureau organizations will be judged by a special committee to choose the outstanding boy and girl. Applications will be judged on basis of scholarship, extra-curricular and performance in writing an essay on "Why I want to go to college."

Second place awards of \$100 each, and third place awards of \$50 each will also be made.

"We would like to encourage any boy or girl of a Farm Bureau family to pick up an application blank at the Highlands County Farm Bureau office in Sebring, 22 E. Center Street."

Residents Will Pay More Taxes This Year

How much will the government be collecting from residents of Highlands County when tax day, April 15, rolls around?

It will be more than it was last April when local contributions, including the amounts paid via withholding taxes, added up to approximately \$7,000,000.

It will be well above that, the Treasury Department expects, because earnings in the local area were larger, on average, than they were the year before and because the 10 percent surtax was in effect throughout the year.

The size of the tax load borne by area residents is estimated from figures released by the Internal Revenue Service covering the State of Florida as a whole.

They show that individual income taxes collected in the state last year came to \$2,150,000, with local taxpayers producing some 0.33 per cent of the total.

Rambling Thoughts

By O. L. SHOBE

DO NOT USE SLANG!

I remember when my pater called me gently by his side and in his sternest accents started to tell me my sins. I proceeded with his rantings till he filled my soul with pain, and the neighbors started boarding up to meet a hurricane. I'm completely flabbergasted from my belly to the ground how you can see Queen Lizzie's English with the slang you sling around.

There is nothing more entrancing than a pure and cultured gab, and your sloppy brand of hog-wash sounds distasteful, punk and drab. You teenagers think this gabble of the allies smart and cute, but if you do not check it, it will make you shoot the breeze.

There's nothing cheers my gizzard like our language unadorned, and my liver needs a flip-flop when I hear it from my child. Let no balderdash humors uncontrolled slide over your tongue for the time to grab your habits are the days when you are young.

After that, the old man soaked me if I entered his shebang with my Billingsgate coupled with the faintest hint of slang. He would drag me to the attic where we kept our mice and rats and grab a polo mallet and play solos on my aorta. From these lessons gently I learned on my conscience with a club, I conceived a complete aversion to the talk of Boob and Duh.

Now I hate the hard-boiled patter such as Pops and gangsters use. For Dips worked a reformation from my domineering to my shoes. Slang is such a sloppy habit, just a lousy, shoddy vice that will queer you with the Highbrowers that will put your chance on ice.

Watch this writer when you're tempted to indulge in vulgarity; imitate his classic he-haw and you're bound to reach the top, keep your conversation lofty; shun the bag of freaks and loons and you'll feast on beer and skittles while the youngsters starve on grutes. You can gather from this classic of pure metered meter-street that I am a Highbrower who has won from Slobs like YOU and ME.

THE BIRTH OF THE AMERICAN LEGION

When I was rambling around in the Women's Club Library in Lake Wales, a tiny village in Polk County, I found "The Birth of the American Legion" by Victor Laszlo. (This is the frontispiece, verbatim, and I am going to tell the readers of this column how the Legion got started.

Some of the originators suggested, "American Legion of Honor," as the name, but it was cut down to where it is today.

The night in February, 1919 twenty young AEF officers met in Paris at the invitation of Lieutenant Colonel Theodore Roosevelt, Jr., the eldest son of the 26th President of the United States. Roosevelt had an idea why not an association of United States veterans of the World War?

"Out of this meeting eventually developed the American Legion, the world's largest veterans' organization, one devoted not only to the interest of the ex-servicemen, but also to the interests of a free America."

It was this organization which made it easier for United States veterans to doff their uniforms and assume civilian attire—attitudes, in a high degree, ex-servicemen, but also to the interests of a free America."

"To aid United States veterans' return to civilian life, while still retaining the bonds of comradeship formed during their military service, what is now The American Legion Magazine, a monthly with more than a million readers, was launched as a weekly on July 4, 1919, with George A. White, formerly with the Portland, Oregonian, as editor."

I ask the News to run this in my section of this paper to inform some of the paper's readers how this organization started, to help me to get a full story myself and had for gotten part of what I once did know.

PREMILE TO THE CONSTITUTION OF THE AMERICAN LEGION

"For God and Country, we associate ourselves together for the following purposes: To uphold and defend the Constitution of the United States of America; to foster and perpetuate a one hundred percent Americanism; to preserve the memories and incidents of our association in the great wars; to inculcate a sense of individual obligation to the community, to the nation, and to combat the autocracy of the few; to promote peace and goodwill on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate our comradeship by our devotion to mutual helpfulness."

Question—How about the family of a disabled worker? Can they draw benefits too? Answer—Yes, the family of a worker receiving disability benefits can receive, just as the family of a retired worker. These family members include unmarried children under age 18, children 18 through 21 if they are unmarried and attending school full time, or unmarried children 18 or older if they were disabled before reaching age 18 and continue to be disabled. Benefits are payable to the wife who has an eligible child with her or if she is age 62 or older.

Question—The law provides a six-month waiting period, so payments are not made for the six months. Payments to a disabled worker and his family, or to a disabled widow or widower cannot begin until the seventh full month of disability. In your case the waiting period began with June, ended with November, and the first payment was for December.

Question—My husband has a bad case of emphysema and won't be able to work for a long time. What proof must he bring with him when he comes to file his claim? Controversy Over Who Should Sell Vehicle Tags Discussed

Controversy over who should sell motor vehicle tags generated the only general discussion at the annual public hearing on state legislation. Less than 20 persons were on hand for the hearing in the courtroom Mar. 19.

City Attorney J. O. Macbeth and County Attorney Hue E. Nunnallee presented one bill each, and school Superintendent G. F. Douglas' statement concentrated on general legislation.

Supervisor of Registration and Tag Agent Roland C. Drott, his chief deputy, Jimmy Whitehouse, presented a short bill to set the supervisor's tag agent salary at \$10,500.

Drott pointed out that Highlands is the only county in the state combining the duties of supervisor of registration with tag agent. Under this unique combination the supervisor is paid \$10,500 and the tag agent nothing.

A general law adopted by the 1969 Legislature sets the registration officer's salary for a county of this size at \$6,000. Officials now in office will continue to draw the salary at which they were elected — in Drott's case, \$10,500.

Drott told the legislators that his tag agent "we take in over \$1 million a year. For \$6,000 — when my term expires — it will be hard to get a man to accept this responsibility."

Representative Granville Crabtree opened the discussion with his question, "What would you feel about putting the tag agent in the tax collector's office as it is in other counties?"

Commissioner Earl Crabtree argued it would cost more money to transfer duties to the tax collector and hire a deputy at \$6,000 or \$6,000 per year to head the tag sales.

Representative Donald Heath suggested that assignment of the tag sales "is a local problem and the people should have a vote on it."

Col. Guy "Lucky" Campbell, secretary of the Property Owners Association, asked whether the state had "appraised" the value of the job of selling tags.

Rep. Crabtree responded that the general law "contemplates that duty being under the tax collector."

Crabtree urged Drott to seek an attorney general's opinion on whether the state's general salary law can be changed for a single official.

Superintendent's Pay
School Superintendent Douglas also registered discontent with the state's general salary law. Douglas and Highlands County School Board Chairman Henry Bailey have expressed a desire to return to the pre-1969 situation which allowed the local school board to set the superintendent's salary.

Douglas told the legislators that harmony between the superintendent and school board is essential for the educational welfare of the children. Where an elected board sets the salary for an elected superintendent, there usually is harmony," Douglas said.

In response to Douglas' request for more money under Minimum Foundation and greater flexibility in use of capital outlay funds, Sen. Wilbur Boyd said: "In all candor, I don't see any more money for schools from state funds."

Boyd did promise the Highlands superintendent more work. Boyd, who is chairman of the

Senate Education Committee said Douglas, during the 1969 session, "did a splendid job" as a special consultant on legislation about education and added that he is again appointing Douglas as consultant.

The superintendent relayed to the legislators the Highlands school board's official disapproval of a general law to require mandatory negotiations with public employees. The local board said the bill now proposed puts the responsibility "right back on the local board" but with complications.

Few Bills
The only bill requested by the county committee would repeal a local bill providing for the county's paying 50 percent of the cost of hospitalization and accident insurance for county employees. The commission has expressed a desire to go under a general state law which would permit the board to pay 100 percent of the insurance costs.

City Attorney Macbeth presented one bill providing for a referendum on more city sewers.

Capt. Carroll Lloyd, commander of the National Guard and in this area, thanked Sen. Boyd for pre-filing a bill to continue a \$90,000 appropriation for a new armory at Avon Park. Most of the construction money would come from a federal grant.

Commissioner Jean Whitaker asked for support in seeking state funds for a proposed agricultural district. "Agriculture is the backbone of your community. I'd be glad to back a request that comes up," Boyd promised.

Rep. Crabtree asked, "Are special districts being contemplated this year — special fire districts or racing districts?" A question that brought laughter and a quick, "No."

77 Arrests Made During Race Week

"It was a pretty good crowd; I've no complaints," Deputy Sheriff O. L. Raulerson said today in commenting on the contacts law enforcement men had with the fans who turned out in record numbers for the 20th running of the Sebring Grand Prix of Endurance.

Raulerson said 77 arrests were made Thursday through Saturday. He estimated that 40 per cent of the arrests could be classified under the general heading "disorderly conduct."

He said another 40 per cent were related to drunk charges. "We have not heard of any arrests on drug charges," Deputy Raulerson said. "Narcotics agents were here working in the crowd, but we have not heard of any drug-related arrests — just old-fashioned drunk charges."

He estimated the remaining 20 per cent of arrests as traffic charges which were filed by Florida Highway Patrolmen and included arrests made throughout the Sebring airpark area.

During the race season last year law enforcement units reported a total of 36 arrests. "We didn't have much of an increase," noted Raulerson, who was serving as spokesman for the Highlands County Sheriff's Department.

Race officials have estimated that half of the crowd attending the 70 race could be classified in the college-age bracket. Sheriff's department staffers said race fans who ran afoul of the law came from every age bracket. "Some were young; some were old," Raulerson said.

Track Team Will Host Six Team Meet Here Today

The Avon Park Red Devil track team will host a six-team meet here today (Thursday) at the high school track located east of Memorial field starting at 4 P.M. The Devils will have only one other meet here this season — the Highlands County Meet on April 16-18 — fans are urged to come out this afternoon to see the Devils compete in 15 track events with boys from five other schools — Ft. Meade, Moore Haven, Okeechobee, Hardee, and Lake Placid.

Next Wednesday, April 1, the Devil track team will go to Arcadia for a meet on the DeSoto High track.

Last Thursday the Avon Park team faced a real tough competition from Haines City and Fort Meade at a six-team meet held on the Miner track and managed only a third place behind the Hornets and the Miners. Haines City won the meet with 110 1/2 points. Fort Meade took second place with 104 1/2 points, the Red Devils scored 53 points to place third. Okeechobee finished fourth with 40 points. Mulberry was fifth with 26 points, and Hardee finished last with 22 points.

Walter Nunnallee was the only Red Devil to take a first place in the meet. The junior hurdler won the 120 high hurdles with a time of 18:35 seconds.

Taking second places for Avon Park were Roy Clait with a 19 foot, 2 inch broad jump and the 880-yard relay team which clocked in with a very impressive time of 1:34.1. Running the 880 relay for Avon Park were Walter Nunnallee, James Perdue, Roy Clait, and Willie Seigler.

The sprint medley relay team, the mile relay team, and Clait in the 100-yard dash brought in third place points for the Devils. Seigler, Jim Magenheimer, Clait, and Perdue turned in a time of 2:10.9 in the sprint medley relay event. Sam Dasher, Scott Curt, Gary Nickolas, and Joe Francis ran the mile relay in 3:57.4 for six points and Roy Clait finished third in the 100 with a time of 16.4 seconds.

Gary Nickolas and Jim Magenheimer took fourth place in the 440-yard dash and the high jump. Nickolas ran the quarter mile in 55.6 seconds and Magenheimer jumped 9' 8" for his three points. Walter Nunnallee tied Wright of Fort Meade for fourth in the 180 yard low hurdles with a time of 22.5 seconds and Willie Seigler finished in a three-way tie for fourth place in the 100.

Avon Park, Sebring Exceeds Seal Goal

Sebring and Avon Park are two of the six communities in the four-county Mid-State Tuberculosis and Respiratory Disease Association to exceed their goals in the 3rd annual Christmas Seal campaign.

In contributions through Mar. 20, both Avon Park and Sebring exceeded receipts of last year's drive. Against a quota of \$3,500 Sebring has given \$3,673. Avon Park, with a quota of \$1,800, has given \$1,822.

Lake Placid has contributed \$1,680 against a quota of \$1,200. The drive in Avon Park was headed by Ted Ward. In Sebring Mrs. Mabel Thompson and Mrs. Sam McCollum were drive leaders, and for Lake Placid area the leaders were Marshall S. P. Pollard and Mrs. McCollum.

"The success of the Christmas Seal drive in Highlands County is due, in very large measure, to the enthusiastic help received from a group of our 114-15 year old residents," Mrs. McCollum said today.

"These young people placed posters throughout the county and conducted a successful tag day," Mrs. McCollum said.

Other communities exceeding their quotas are Babson Park, Lake Wales, Lakeland and Winter Haven, all in Polk County. Other counties in this association are DeSoto and Hardee. The total contributed, \$56,478, is 800 short of the goal.

Records Were Smashed In Grand Prix

Speed records set at the 1969 Grand Prix of Endurance were shattered here in Saturday's race.

Leo Kinnunen, of Finland, in the No. 14 Gull-Porsche, set a new fastest race lap at 3:23.77 minutes for a speed of 122.527 miles per hour. This compares to the Jackie Ickx-Jackie Oliver 1969 record in a GT-40 Ford of 1:24.82 miles, average speed 102.363 mph.

Sixty-eight cars started in this year's race, but only 28 finished.

Woman's Club Tour of Homes Said Successful Event

The Tour of Homes project, sponsored by the Woman's Club, proved most successful Thursday, Mar. 19. Viewing started at 1 P.M. until 3 P.M. Tea was served at the club house where maps were distributed to ticket holders. Looking for homes, marked with red flags, Mrs. J. E. Hayes and Mrs. Samuel T. Norris were hostesses for the tour.

Four pretentious homes were listed for this tour. Starting in the Lake Lillian section, the first viewed by this writer was the newly built white brick home of Mr. and Mrs. Sanborn, a retired manufacturer, has an office and machine shop with over floor space than the large home, directly in back of the home where he carries on his hobby of restoring his collection of antique cars. He has nine at present, his pride and joy is a 1903 Oldsmobile. Among the collection of antique fire trucks, which he used to help fight a fire on his home, is a 1903 Oldsmobile. Mrs. Sanborn's hobbies include china and oil painting.

Beside her workshop display she has hand painted tile in each bathroom and in her all-electric kitchen, with a refrigerator, stove, and electric range. Mrs. Sanborn's hobbies include china and oil painting.

Following around the lake to the home of Mr. and Mrs. C. W. Rodgers most livable home, we found a small, modestly, neatly furnished home with a semi-detached cottage. Both have hobbies. Mr. Rodgers plays saxophone and does oil painting. Mrs. Rodgers sings and plays the beautiful organ. Mrs. M. O. Dawson and Jennifer Pugh, who were the guests with organ selections. Original oil paintings by Mr. Rodgers adorned the walls of their living room and every room in the home. His studio opens on to a patio, where he displays his artistic talent. Mrs. Edgar Smoot and Mrs. D. Hartwell were co-hostesses.

The home of Mr. and Mrs. Albert Cain on Highway 17 south, located on Lake Lotela was the next visit. The front entrance is through a modern Spanish court into an attractive, comfortable spacious living area, typically Florida. Mr. and Mrs. Cain have one young daughter, Nancy. He is in the citrus business and both are active in their church affairs. The spacious well furnished three bedroom and three bath home, is beautifully landscaped with circle driveway that also leads to a matching combination bath house, boat house and play room for their daughter. Mrs. Anna DeHarden was co-hostess.

Last but not least was the beautiful spacious recreation home of Dr. and Mrs. B. C. Ostling, enlarged to accommodate this family of five. This expansive floor space is furnished with interesting details giving an air of informality. There is a love beach on Lake Lotela with gear which holds their speedboat and pontoon, and also a large swimming pool, complete with a slide.

Mr. and Mrs. John C. Lasse Celebrate Their 50th Anniversaries

Mr. and Mrs. John C. Lasse of Bonnie Brase Mobile Estates, in Avon Park, will celebrate their Golden Wedding anniversary March 28th, to hear J. R. "Jim" Lawson, President of the Avon Park Chapter of the Florida Power Auxiliary.

Mr. and Mrs. Lasse were married at Hilltop, Wis. by the Rev. Keith Ramthun. Their best man was Ervin Lasse of Milwaukee, Wis. and the late Trena Wietzel was maid of honor.

They have four children, Rose E. Berger of Milton, Wis., John F. Lasse, Ann Scott and Vera Stillman all of Janesville. They were blessed with 19 grandchildren and six great-grandchildren.

Their daughter, Ann Scott and her husband and two sons will spend the anniversary at the home of Mr. and Mrs. Lasse. No special celebration is planned for them and gifts have been asked to be omitted.

The Civil Defense Department is really a unit of government set up to assure continuity of government in emergencies. It could be termed as Government in Action in Emergencies.

The network would be able to function even without public power. It would rely on participation of amateur radio operators and appreciate organization called RACES, or Radio Amateur Civil Emergency Service.

The Lions consider themselves a part of the civic conscience of the Avon Park community and appreciate hearing from Jim Lawson on a matter of civic importance.

An evidence of having a civic conscience, member Lions also heard a letter read which was received from a recipient of night conservation services provided through the club's community assistance program.

The Highlands County Health and Welfare Departments make regular reports on the state of eye health throughout the county and identify instances where eye care is needed by eye health cannot be provided without assistance.

The letter read was one such instance. Additionally, the Lions provided for eye examinations, glasses and surgery in a number of deserving cases. All who help the Lions through participation in fund drives directly help in worthy community assistance programs such as the sight conservation item reported.

Rev. Herbert D. Graetz will be in the pulpit at the 10:30 o'clock service. The Chancel Choir, under the direction of Mrs. Walter McKenna, will sing "Beautiful Savior" by Emig, "I See His Blood Upon a Rose" by Robert "Come Ye People Rise and Sing" by Sateren, and "Were You There" by Howarth.

The Maundy Thursday Candle-light Communion Service will be held at 7:30 o'clock. Rev. John E. Pickens and the pastor will be officiants. Mrs. Samuel O. Norris will be the soloist. All followers of the Lord Jesus Christ are invited to attend.

The annual Sunday School egg roll and picnic will be held on Saturday afternoon, Mar. 28, on the spacious grounds of the home of Mr. and Mrs. David Lanier on Lake Lotela. Anyone desiring transportation, please be at the church by 3:30 o'clock. A program for all age groups has been planned. The activities begin at 4 P.M.

At noon on Wednesday Schult will address the Avon Park Rotary Club then move on to Lake Wales for another reception and conference.

He will be accompanied on the tour by Press Secretary Earl Wells, former Highlands County newspaperman.

Schultz, serving his seventh year as a Duval County representative, is now in his third year as speaker of the Florida House of Representatives.

In his speech at Avon Park he will outline issues expected to come before the Legislature in its 1970 session. Schultz has indicated the primary issues will include an effort to hold the line on taxes (which Schultz supports), the need for an overall transportation system, conservation, pollution control, improved management of the Department of Transportation.

The meetings began Friday evening and continued through Saturday afternoon.

The featured speaker was Emilio Knechtle, a well-known Seventh-day Adventist Layman who spoke on the subjects, "I Found Him Whom My Soul Loveth," "How to Know Christ as a Person," and from "Eden Eden."

At 5 P.M. Saturday, Mr. Knechtle conducted a question and audience discussion.

The featured speakers are as follows: Peggy Wells as the Garden of Gethsemane; Jimmy Garner, the golden gate; Allan Dahn, Calvary; Carol Hall, Golgotha; Gordon Eisenman, the Cross; and Mary Bass, the Tomb.

The Church Choir, under the direction of Mrs. Charlotte McDaniel, will provide appropriate music by singing, "Walked Today Where Jesus Walked" and "The Resurrection and the Life." Jerrold Perkins at the organ, and Hal Worden, drummer, will use these instruments to contribute to the dramatic effects.

Church drama is an effective means of worship, of teaching, and of inspiring; and, though seldom used, it is a powerful way of presenting the Biblical story and its teachings.

The church pastor, Rev. Aden D. Childress, urges all to attend this Easter drama on Sunday evening, Mar. 29.

LADIES FROM the Walker Memorial Seventh-day Adventist Welfare Society pictured with disaster clothing and bedding packages.

Seventh-day Adventist Women Attend Health, Welfare Meeting

Members of the Health and Welfare Society of Walker Memorial Church attended the state Health and Welfare Federation meeting last week. The meeting was held in Winter Haven with members of the Federation from the Ridge and surrounding area attending.

S. L. Dombrosky, newly elected Lay Activities Secretary and head of the Health and Welfare Department of the Florida Conference of Seventh-day Adventists conducted the day-long meeting.

The Walker Memorial Church reported at the meeting that 105 complete disaster clothing packages have been prepared by the Walker Memorial Church members and taken to the disaster headquarters in Orlando.

Each clothing package contains a complete outfit of clothing for a person of a particular size. Packages are prepared for persons of all ages and all sizes. Disaster packages are also prepared for maintaining bedding and other articles needed in case of disaster.

D. R. Castonia, pastor of the Walker Memorial Church stated that the camp meeting usually lasts 10 days. However, every fourth year a two-day campmeeting is held by Seventh-day Adventists in Florida because of the worldwide quadrennial General Conference which this year will be held in Atlantic City in June.

The meetings began Friday evening and continued through Saturday afternoon.

The featured speaker was Emilio Knechtle, a well-known Seventh-day Adventist Layman who spoke on the subjects, "I Found Him Whom My Soul Loveth," "How to Know Christ as a Person," and from "Eden Eden."

At 5 P.M. Saturday, Mr. Knechtle conducted a question and audience discussion.

An Easter drama, "I Saw Him," will be given Sunday evening, Mar. 29 at 7:45 P.M. at First Baptist Church. Written by Sarah Walton Miller this Easter dramatization depicts the events and emotions

during the crucifixion and resurrection. The 11 characters are physical places and things, in and around Jerusalem, who tell what they saw, thought and heard about Jesus' last hours.

The featured speakers are as follows: Peggy Wells as the Garden of Gethsemane; Jimmy Garner, the golden gate; Allan Dahn, Calvary; Carol Hall, Golgotha; Gordon Eisenman, the Cross; and Mary Bass, the Tomb.

Schultz Will Speak To Rotary Club

Florida House Speaker Fred Schultz has scheduled a tour of Highlands County for Tuesday and Wednesday (Mar. 31 and April 1) when he will be guest of honor at a reception and coffee in Sebring and guest speaker for the Avon Park Rotary Club.

Schultz, a Jacksonville businessman, is a candidate for the United States Senate seat now held by retiring Senator Spessard L. Holland.

At noon on Wednesday Schult will address the Avon Park Rotary Club then move on to Lake Wales for another reception and conference.

He will be accompanied on the tour by Press Secretary Earl Wells, former Highlands County newspaperman.

Schultz, serving his seventh year as a Duval County representative, is now in his third year as speaker of the Florida House of Representatives.

Boy Scouts Will Attend Camporee

Boy Scout troops from this area are planning to attend a councilwide camporee at the Ross Allen Reptile Institute at Silver Springs, April 17, 18 and 19.

About 4,000 Scouts and Leaders from Gulf Ridge Council, plus guests from other councils, are expected to attend.

There will be hiking along a five mile trail, with one place where scouts will have to raft, swim or canoe across Silver Springs. Among the attractions will be the glass bottom boat rides, jungle cruise, the dinosaur ranch, and the world famous reptile institute.

The resurrection of Jesus Christ is the central event of human history.

The life of Jesus has always received abundant favorable attention, even from men who do not believe any of the claims or proofs of Jesus' divinity - yet the Bible declares clearly that the death of Jesus was the purpose of His life and that His resurrection is essential to validate His teaching.

Just before surrendering Himself to be crucified, Jesus confessed: "Now my soul has become troubled; and what shall I say? Father, save me from this hour." But for this purpose I came to this hour."

For you who believe Christ, it is easy to accept the truth that the cause of death has been destroyed even though we have no empirical evidence to verify it, even though men apparently have gone on dying precisely as they had died prior to Christ's resurrection.

But what for those who have not believed? What is there to justify their putting confidence in God to overcome death for them?

At least two things: First, the facts of the resurrection story. No one has been able to explain satisfactorily the events of Easter morning in any other way.

The old theory that Jesus never actually died but was in a swoon when he was entombed has long been discredited by the unanswered questions of who rolled away the stone, who released Him from the mummy-like burial wrappings, how did He feel the disciples on later appearances, and how can His life and teachings be explained if He was contemplating and predicting a deception?

Avon Park Flying Notes

By Eleanor Trescott

Joe Smith of Wauchula, vice president of the student government association of the South Florida Junior College is running for vice president of the student government association of all the junior colleges in Florida. To assist Joe in his campaign Danny Smith also a student at the South Florida Junior College is flying Joe in the Cessna 172 to various junior colleges in Florida. Last Friday they flew to Fort Myers and Bradenton area. The next flight will be to West Palm Beach and Ft. Lauderdale. Danny hopes to be able to fly Joe to most of the Junior colleges in Florida, that is if the finances become available.

Stan Trescott of Avon Park made two solo country flights last week, one to Lakeland and Lake Wales and the other to Okeechobee and Arcadia. Paul Landen of Bowling Green made a dual cross-country flight to Sarasota and Venice.

Two Sebring men are now the proud possessors of their private licenses. Carl Lindlau and Lynn Williams were recommended and received their private tickets last week. Now they can take their family and friends for a ride.

Gene Hecht, of Bartow began his flying lessons last week.

Park Embarger of Norwalk, Ohio is about to Avon Park who formerly flew an Aeromax Champ "being checked out in the Cessna 150 at the Avon Park Flying Service."

Planes are being made for the showing of several Federal Aviation Administration films at the Avon Park Flying Service in April. Watch for the date.

The Hutchens received word from Mary Baxter's daughter, Mrs. Ruth Burch, that Mrs. Baxter had a stroke Tuesday of last week and is picked up only at noon. She has been spending the winter in Lakeland and had a reservation to return to her home in Indiana when stricken. She is in room 646, Lakeland General Hospital. Lakeland, and will appreciate cards from her friends. The Hutchens were to see her Thursday of last week and she is recovering nicely.

Kenneth Barr attended the races at Sebring Saturday. After picking the camper with food and bedding; did his own cooking for three days and nights, and liked it. Lady Barr of the race, the bus-buzz-buzz of races; stayed at home and liked it.

For the information of members of the park mall at the box near the park on Florida Avenue will be picked up only at noon. If mailing letters is urgent they can be dropped in the box at the mall.

Visitors with Dr. and Mrs. Dinnel during the past week were Stephen Houghton of Hesper, Ont. Mr. and Mrs. Fred Ellis of Brantford, Ont. Mr. and Mrs. Russell of Hesper, Ont. Mr. and Mrs. Wm. McKee and Mr. and Mrs. Cliff of Brantford and St. George, Ont.

Red Devil "B" Squad Wins Two Games To Even Score 2-2

The Avon Park "B" squad

baseball team won two games last week to bring its record to 2-2. On Tuesday, Mar. 17, the Jayvee squad traveled to Okeechobee and won by a score of 3-1 over the junior Brahmins. Last Thursday afternoon the Devils "B" hosted Lake Placid here at Head Field and Avon Park took a 14-2 decision in a five inning game.

Last Tuesday the "B" squad was scheduled to play Lake Placid again this time in Lake Placid and this afternoon (Thursday) the Devil Jayvee team will host Okeechobee here at Head Field. Next Tuesday Coach Lemler's boys will play in Wauchula.

Timmy Underwood pitched the entire game in Okeechobee giving up only 4 hits to the Brahmins. Avon Park scored in the top half of the first on two walks and a hit by Artie Bass. The Junior Devils scored the other run in the top half of the fourth inning on a hit by Ray Culpener. Okeechobee scored its only run in the bottom of the fourth frame.

Artie Bass took care of the mound duties for Avon Park in the Lake Placid game. The game went only five innings due to the 10-run lead rule. Avon Park batters collected 15 hits of the Lake Placid pitchers.

The Red Devil "B" squad starting line-up has had David Meeks at catcher, Ray Culpener at first base, Greg Hart at second, Leon

McRae at shortstop, John Todd on third with Tim Underwood and Artie Bass sharing the pitching duties. Underwood also plays in the outfield and Bass doubles at third base. In the outfield are John Wright, a first baseman; Billy McKowan, a second baseman; and Bobby Lee who plays in the outfield.

Life may be hard by the yard, but it's a cinch by the inch.

NORTH CAROLINA HAM YAM SKILLET

4 medium-sized yams (about 2 pounds)

1 medium-sized onion, chopped

1 1/2 cups cooked ham strips

3 tablespoons bacon drippings or salad oil

Pare raw yams and dice. Combine yams with onion and ham. Heat bacon drippings or salad oil in 10-inch skillet. Spread yam mixture evenly over bottom of skillet. Cover and cook, stirring occasionally, over low heat 20 minutes or until thoroughly cooked. Makes 4-6 servings.

THE RAISING OF Lazarus, testifying to the unique divinity of Jesus is an unforgettable scene of the Day of Triumph that will start playing at the Hilans Theatre on Sunday, Apr. 5. Comments from the recent private screening of this movie were by Miss Mildred C. Myers, Board of Public Instruction, Avon Park, stated "A wonderful picture, excellent acting. Every man, woman and child should see it." Rev. Duane R. Zoller, United Methodist Church, Avon Park stated, "One of the most accurate pictures on the life of Christ I have seen. An inspiration to my faith and a challenge to be a better disciple. We need more films like this today." Mrs. J. M. Lewis, Our Lady of Grace Catholic Church, Avon Park, "Magnificent movie, very moving, educational for children and adults. I would come and see it again. Again, it was very touching and moving."

20th Anniversary Race Had Biggest Crowd -- 57,500

SPORTS

Mar. 26, 1970

MISS DUNE BUGGY, Ladonna Davis, posed with Mario Andretti for this one. "Some dunes," said an admiring bystander!

TWO of the cars in the picture above were among the first five to win overall. The No. 21 Ferrari, behind the No. 35 Matra Simca, is the one driven to victory by Andretti, Vaccarella and Giunto. The No. 34 Matra Simca driven by Pescarolo and Servoz-Gavin finished fifth. The No. 35 is the Gurney-Ceveri car.

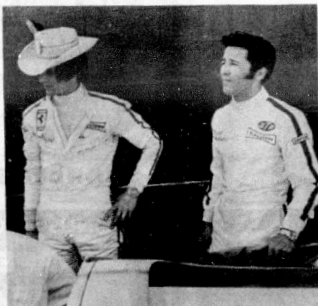

Photos by Mike Hetherington

CLOWNING AROUND before the race were Dan Gurney, bottom, and his co-driver Francois Ceveri. "He has monkey blood," commented Gurney, of the piggy-back shenanigans.

THE PITS and grid were jammed with spectators just before the 11 A. M. rolling start of the cars. That's the famed Jag tower in the background.

ARTURO MERZARIO, left, looked like a sure winner with Mario Andretti, right, until their No. 19 Ferrari blew its gear box on the back stretch. Mario already had transferred from the ailing car to the No. 21 and Merzario walked back to the pits.

PHOTOGRAPHERS clustered around before the gear box went bad. Driver Mario Andretti then transferred to the No. 21 Ferrari.

DRIVING the No. 73 Sprite to a win in class was the Ring Free all-girl racing team headed by Janet Guthrie. Left to right are Rosemary Smith, Judy Kondratieff and Sharlene Seavy, with Janet in background.

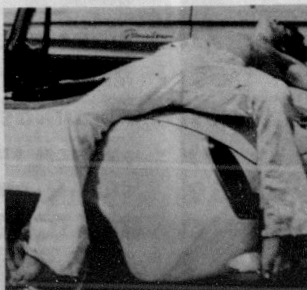

THE FAMOUS cast on the famous foot of the famous movie star Steve McQueen. "What a race," commented one racing editor, "if a one-legged movie star can win it!" McQueen broke the foot in three places in a motorcycle accident a few weeks ago.

THE ODD-LOOKING fence is guess what! Would you believe the plastic holders of six-packs? Looks like somebody drank a lot of beer.

ALL THE WAY from Georgia is a long tiring trip. Getting some needed sleep in the mid-afternoon sun was this well endowed young racing fan.

WHATTA WAY to sleep! Whoever he is, he seems to have solved the problem of catching a few winks in a crowded situation.

HERE IS the little Crosley which won the first Sebring race 20 years ago. At the wheel is its present owner, Dr. Harry Frye of Miami. This and several other cars which won past Sebring races, drove the course before the cars started racing, giving fans a little extra treat.

Shuffling

Forty-four teams from the Central District played in the District "Two Trophies Or Less" tournament at our Winter Guest Club on Monday and Tuesday, Mar. 16 and 17. Burdette Howard had the courts all waxed and in fine shape for the fun.

Several local teams competed, with Catherine and Sylvan Baker winning first place in consolation.

On Wednesday in the local tournament winners in the "B" class were William Bayes and Don Mason over Merrill Murphy and Chris Steen. William Trapp and Arthur Fisher won in consolation with Grace Wallace and Stanley Schilling the runners-up.

George Coombs and Merrill Wilmot won in the "A" class with Hazel Thompson and Andy Clarke the runners-up. Consolation winners were George White and Clay Kull with Louise Bell and Glenn Long the runners-up.

Before the tournament on Saturday all those who have their 100 points were given their trophies. "A" trophy winners were: Fred Bolton, Chris Cabezas, Clyde Getchel, Harmon Heffner, Welcome Miller, Alva Thomson and Alton Wetmore. Those receiving their trophies in the "B" class were: Steve Brown, Wilford Culver, Paul Hoppe, Lois Johnson, Art Jordan, Harvey Kroening, Otto Kroeger, Howard Long, Louis Potter, Ella Roenneburg, Frieda and Christine Steen, Chester Thayer, Harold Wolcott, Florence and Herman Young.

Henry Troutfetter and Glenn Long won in the "A's" on Saturday over Cleo Lane and Robert McBeth. Gertrude Fensterman and Kellie Larrew won in consolation over Ernest Thomas and Harold Faulkner. Doc Fields and Phyllis Hawkins won in the "B's" with Helen Smith and Jean Culver the runners-up.

Consolation winners were Grace Hildreth and Grace Wallace over Jennie Eason and Cecelia Healy. Glenn Long completed his 100 points on Saturday.

Card Games

Six tables were in play on Monday in pinocle. High scores went to Allene Howard and Bill Johnson. High scores in bridge on Tuesday went to Julie Hawkins and Maurice Brevoort.

Six tables were in play. Thursday is duplicate bridge day. There were 84 tables in play. North-South winners were Maurice and Lillian Brevoort, Bud and Julie Hawkins, and Eleanor and Joe Nickerson. East-West winners were: William Longenecker and Charles Brush and Bertha Brush and Inez Kenny.

Entertainment The last show of the season under the direction of Paul Swearington topped all previous performances in originality and excellence.

Part of the show was in pantomime with records and for all the world the audience was sure just who was singing.

Pantomimists were: Herbert Woolfcraft with a trumpet, Glenn Long and his band, Jo, Lois Johnson singing Doris Day's "Whatever Will Be, Will Be," and Doris Day herself. Wyant in his choir robe singing Tennessee Ernie Ford's "How Great Thou Art."

The quartet, Ray Johnson, Dan Ketter, Charles Pearce and Harry Gibson, with Caroline Webber as the soloist, sang "Mighty Like a Rose." Paul Hoppe was lazy and performed on his accordion letting the record do the work.

Fred Robinson had Spring Fever along with Lloyd Wyant, and only went through the motions as the record played the harmonica and bass harmonica.

All Jolson's famous record "Swanee" was portrayed by Dick Bates in a manner that Jolson could not have improved on.

All those who did their own "Thing" well as they always do were: Mildred Long and Albert Cushing in a duet, Albert Cushing with his violin and viola, accompanied by Agnes Dentler, Bud Hawkins with his saxophone rendered several old favorites with audience participation.

The Ladies Glee Club and the Avon Mobile Home Park sang beautifully. The Park should be very proud of them, and we hope they will sing for us again.

The Shuffle Aline, the backbone of all our entertainment, sang "America The Beautiful." The evening entertainment was brought to a close with all standing and singing "The Star Spangled Banner" as Old Glory unfurled in the background.

Dances Guests at the dances this week were: Mr. and Mrs. Gerald Sabrowsky and three of their six children, Jeanne, Brian and Dawn, from Manawa, Wis. (Mrs. Sabrowsky is the daughter of the Otto Kroegers); John W. Simons of Pulaski, Penn.; Tony and Helen Napodano of Hartford, Mich.; and Evelyn and Webb Heaslip of Minneapolis.

Crafts The meeting of pearl ropes was the main attraction this past week at the Craft class. Jo McKinnon, Lou Dennis and Lela Johnson were the instructors. It will be continued this next Thursday.

Jewelry and lens plans will be added to the agenda Thursday.

Supper Mr. and Mrs. Elmer Thibben and Mr. and Mrs. J. A. Hyatt hosted the Saturday evening supper, with 89 present.

Guests recognized were Mr. and Mrs. Owen Fought of Ligonier, Ind.; Mrs. Bert Pass of Buffalo, N. Y.; Ruth and David de Meigs of Clearwater, and Mr. and Mrs. Lyle Robinson of Tampa.

Mrs. Emmette Wright gave a piano solo, "Silver Bells." Mrs. Warren Byer sang two numbers, "Over Shadowed" and "You'll Never Walk Alone." Fred Robinson with his harmonica and his son, Lyle on his electric guitar played delightfully.

Meeting adjourned to card playing.

News of the Week Jennie Baker, a member of many years, was laid to rest last Saturday. We shall miss Jennie.

Floyd Heinrich wishes to thank all members and friends for their help in his time of sorrow.

Mrs. Elma Jane Wathen of Colorado Springs, Colo., is a guest in the home of Elizabeth Clarke.

Nellie Askew from Detroit, Mich. is spending several weeks here in Avon Park. Margo Garvey of Detroit, Mich., who has been visiting her sister, Thelma Garvey, has returned to her home in the North.

Oliver Kerwin drove home with Connie Kehoe to Clayton, N. Y. Oliver will be returning to Avon Park very shortly.

Fern Riggs of Detroit, Mich. has been admitted to Walker Memorial Hospital. Those still in the hospital are Duke Christensen, Harmon Heffner and Ray Millon. They are improving.

PICTURED are the people that helped out in teaching with the Craft Classes this past year at the Winter Guest Club. Kneeling, left to right, Elsie Dickerson, and Helen Good. Back row, Caroline

Youth Run Over By Car Saturday

Last Saturday at 6:12 P.M., two-year old Bridget Lively Jackson, son of Mr. and Mrs. Johnnie Mayker Jackson was run over by Jim Dunn, 30, of 835 S. DeLaney Ave. while at play in the driveway of his home, at 209 E. Booker St.

A witness Jimmie Rogers said the driver pulled into the driveway and ran over the child, and that he ran across the street and told him to back the vehicle off him.

Sgt. Selph of the Avon Park Police Department was called to the scene and the Avon Ambulance Service was called to transport the child to Walker Memorial Hospital.

After x-rays were taken Bridget was admitted to the hospital with one broken rib and possible internal injuries. Jim Dunn was charged with driving while intoxicated.

CLERK Betty W. Camp operating the "answer machine" in Florida Power Co. corporation's Avon Park district office.

Florida Power Has New Instant Answer Machine In Local Office

Instant answer automatically zip across the paper in Florida Power Corporation's "answer machine" in the Avon Park district office whenever a coded question is fed into it.

If a customer asks a question about a bill or a meter reading, the clerk types a few code letters on the communications terminal, and, almost before she can lift her fingers from the keys, the answer is appearing beneath the code letters.

Information requests may originate in Avon Park, DeLand or Apalachicola, but the answers all come from FPC's central customer accounting facilities in St.

Petersburg. That's where each of the company's almost 440,000 customers' records are kept. Each billing history, including meter readings, payments, deposits and other data, is available from the electronic storage files— instantaneously and accurately.

The new system operates over the utility's microwave radio network. And, according to District Manager Chuck Watson, it saves time and money for the company by eliminating local files and expensive, time-consuming research. But most important, he said, the system gives the customers better, faster, more accurate and complete service.

lavan Scholar Award by Wesleyan College in Macon, Ga. Over 400 high school seniors were nominated for the award by the principals of schools located in many states in the southeast. Miss Reddick, who was nominated by Aaron W. Craven, principal of Avon Park High School, is one of only 19 students who will receive the award.

According to Dr. W. Earl Strickland, president of Wesleyan, the criteria used in the selection of scholar recipients were academic excellence, leadership potential, personal integrity, social maturity, and emotional stability. In addition, each finalist was required to have a personal interview with a representative of the college. Neither race, religion, need, nor state of residence was a criterion, Dr. Strickland said.

Miss Reddick has been both active in extra-curricular activities at Avon Park High and church activities. She has served on the annual staff and student council for two years, is a member of the National Honor Society, and participated on the High-Q squad. She was awarded the DAR Citizenship Award, elected "Most Likely to Succeed," and nominated for Outstanding Student in America.

Elvin Phillips, On Tuesday, Mrs. Gladys Yoder of Topeka, Ind. paid Catherine and Elvin a visit. Mrs. Yoder is Elvin's sister.

The March pot luck dinner was held on Thursday, the 19th, in the recreation hall and was well attended. May on Hoard was master of ceremonies for the occasion. Mrs. Welcome Miller asked the blessing. Following the dinner...

half of his wife and himself presented beautiful trophies to the winners of the singles shuffleboard tournament. Mrs. Hazel Thompson being the winner in the ladies' division, and Kelly Larue the winner in the men's division.

Howard Bell read a humorous item from a Northern newspaper entitled "Spring Picnic." It was announced that the annual Indiana picnic is to be held in Bourbon, Ind. on August 12, and all residents are requested to give their mailing addresses to Edith Stevens, who will mail advance announcements of the occasion.

High scores in pinch in on Monday were won by Margaret Derr with 1468, and Bob Duthie with 1567.

The shuffleboard teams will go to Frostproof on Thursday, Mar. 26 for tournament play with the Frostproof teams.

Mrs. Susan Johnson of Sebring met with the Craft Class last Monday and gave demonstration of Artex liquid embroidery. Class members enjoyed making designs on handkerchiefs. Mrs. Johnson's efforts and those of Mr. and Mrs. Robert O'Connell of Sebring who made an earlier craft class, are appreciated.

The Saturday night hymn singing was directed by Mayon Hoard, and was attended by another capacity crowd. Following the singing, Mrs. Jerome Schults presented a medley of songs on musical bells and gave a most outstanding performance. Paul Roth played two violin selections—"Old Ragged Cross" and "Bereave," accompanied by Sallie Wright at the piano.

The Ladies' Glee Club took part in the program presented at the Winter Guest Club last Thursday evening. The chorus consisted of Mesdames Long, Roemerberg, Wagner, Belcher, Wollcott, Byrner, Baxter, Baker and Fero. Piano accompanist was Sallie Wright, and Margaret Fries directed. Mrs. Baker and Mrs. Long also sang a duet.

At the Saturday night pot luck program, Nita Byrner sang a solo number and Sallie Wright presented a piano solo.

Dr. and Mrs. R. Dean Conrad had as visitors on Tuesday, Mr. and Mrs. Lester Shaffer of Terre Haute, Ohio, who also called on a number of other Ohio friends. Dr. and Mrs. M. R. Avon Park Minor League Will Kick Off Season With Parade Saturday

The annual Minor League parade will be held this Saturday, Apr. 4, starting at Donaldson Park according to Little League president, Durrah Martin. Boys are asked to meet with their coaches at 3:30 P.M. and the parade will begin at 4 P.M. with the Avon Park Junior League.

passed out at Avon Elementary School sometime this week. Twelve teams will be in

Minor League this year. Dodgers coached by Harley Metherly; Giants, coached by Cecil Skipper and Robert

Palmer; Cards, coached by Dean Griffin; Mets, coached by Junior Dennison; Athletics, coached by Earl Spurlock; Braves, coached by Ron Collier and John Barnes; White Sox, coached by Earl Spurr; Indians, coached by John Elder and Dan Butler; Cubs, coached by Julian Moore and J. A. Wise, and the Pirates, coached by Bill Boyer and Buddy McKenzie.

Thomas Anderson will be the chief umpire again this year and he needs men to help. So if you have good eyesight, fair, and like to work for the needy contact him or Durrah Martin.

Mrs. Clarice Ford again this year is in charge of the concession stand. To be fair about it, every mother that has a child playing Minor League or Little League should not wait to be asked, volunteer and help, contact Mrs. Ford or a member of the Little League Association.

Following the parade four games have been scheduled for Saturday evening, starting off the Little League and Minor League season. Double headers will be played on Monday, Tuesday, Thursday and Friday evenings.

Hopes Dim For Jetport at Bombing Range

What probably is a major blow to hopes that Highlands County might get a jetport at the Avon Park Bombing Range was news this week that the range is vitally needed by the military.

Mrs. Malcolm Waters, active in a group opposing the jetport, received a copy of a letter this week written to Kenneth D. Morrison, area conservationist, by Col. Harold G. Palmer, USAF, MacDill Air Force Base, Tampa.

The colonel wrote: The Avon Park Bombing and Gunnery Range is vital to the maintenance of the combat ready posture for tactical fighter units of both the 18th Tactical Fighter Wing at MacDill AFB and the 42nd Tactical Fighter Wing at Homestead AFB. As a matter of fact, considerable effort is being expended in range improvements to support this facility on a long term plan.

"Since the loss of the bombing and gunnery range would have an extreme impact on the preparedness of defense forces, all efforts in this regard, we believe, would be vigorously opposed by the United States Air Force."

The colonel went on to say the facility further serves as a "valuable asset" to units of other commands, which include other unformed services.

"It contributes to military preparedness are not limited to just aerial forces, but is often the site of frequent ground exercises in support of various units through the state of Florida," he added.

He concluded, "Obviously, as far as our point of view is concerned, it is not feasible for use as a jetport/bombing and gunnery range."

Morrison is a widely known conservationist and director of the Mountain Lake Wildlife Sanctuary near Lake Wales. He had contacted Palmer to inquire about future military plans for the bombing range, which is located East of Sebring, which some sources had indicated as part of an Air Force phase-out program.

Mr. Gross holds a Bachelor's degree in Business Administration from the University of South Florida where he majored in Industrial Management. He is a former officer of the U. S. Navy. His last assignment was as Disbursing Officer aboard the USS Bushnell. In 1965 he was employed by the Martin Company of Orlando, with prime responsibility to edit computer input data, do programming, and responsibility in management systems analysis and design.

Mr. Gross is married to the former Miss Cynthia Metcalfe of Avon Park. In making the announcement, Mr. Bond stated that the Center is fortunate to obtain a young man of Mr. Gross' ability to return to our community as manager of the Center. He also stated that he hoped the City of Avon Park will act favorably on their request to purchase property in the Industrial Park for location of the Center.

People who misuse their cards and do not pay for charges incurred are subject to criminal action, it was pointed out. Baumgartner had a \$300 limit on his credit card and was arrested in Texas and returned here.

Commission Grants Phone Company Rate Increase

The Florida Public Service Commission on Friday authorized United Telephone Company to continue its present rates on a permanent basis and at the same time granted an increase of \$779,940 annually.

The increase for service related items was 64 percent of the amount asked by the Commission. The Commission held that the utility had virtually completed 64 percent of its 1967-68 improvement program, and it was felt this was a fair and reasonable increase on that basis.

United took over the system in September, 1967, every service offered was substituted upon a like-for-like basis. The company invested \$48,596,874 from that date through December, 1969, for capital improvements, and has budgeted \$17,800,000 for 1970. More than \$1,000,000 has been invested in this country.

United Telephone Co. United is a program, it was pointed out, for replacement of all open wire and by commission rule, must improve all service so as not to have more than eight parties on one line by the end of 1970.

Cancer Crusade In Highlands County Will Last Thru April

The Cancer Crusade, an educational and fund raising effort of the Highlands County Cancer Society, will be the special project of many local people during the month of April. Heading the Crusade along with her mother and wife of a practicing attorney but has accepted the responsibility for the Crusade along with her many other activities. She was recently named to the Board of Trustees of South Florida Junior College, is a trustee with Youth Care, Inc., and serves on the board of directors of the Rose Kellie Division of the Children's Home Society of Florida. She has been an officer of the Lake Placid Junior Woman's Club and a worker for the Highlands Community Concert Association.

In appointing Mr. A. B. Wilhite as Avon Park general chairman for the Cancer Crusade, Mrs. Jackson said to a well known figure to head the local campaign. Mr. Wilhite, former supervising principal of Avon Park Schools, has found that retirement from his professional position does not mean retirement from community service for his volunteer work now consumes many hours each day. Assisting Mr. Wilhite are the

following local chairmen: Mr. Larry Downs, residential chairman and Mrs. William H. Kittrell, III, co-chairman; Mrs. Robert Barben, education; Mrs. James Turnbull, special gifts; and Mrs. Betty Newman, business, and Mrs. G. F. Ward, public information.

A speakers bureau for the county has been set up to help disseminate information about cancer, its early detection and the opportunities for cure. Serving on the committee are Cosimo Martinetto, Dr. H. W. Coleman, Mrs. Russ Albritton, Andrew Jackson, A. B. Wilhite and Mrs. Beverly Deason, representative of the Florida Division of the American Cancer Society. Film strips, movies, pamphlets and a bulletin, books and displays are available for local clubs, for use in programs or general distribution or for school assemblies. Special events such as bowling for a cancer check-up and Cancer Sunday are tentatively planned for the area during the month of April. The residential chairmen will have committee members working throughout the city distributing information and seeking donations to the Cancer Fund.

David Bruce Mosser, Jr., age 15 was seriously injured when he collided with a train on his motorcycle last Thursday, Mar. 28 at about 7:35 A.M.

He was heading west on W. Candfield St. and the train, The Seaboard Coast Line Train No. 1 passenger train, was heading south, with engineer E. C. Harlett of Wildwood.

David attempted to swerve to the right in order to miss the train but the rear of the cycle hit near the second wheel of the front of the engine. The train was comprised of three units and 14 cars.

Chief Earl Gordon was called to the scene and the Avon Ambulance Service was called to take the youth to Walker Memorial Hospital.

The commission said while it was aware that the quality of service is not equal to the required standard in every respect, as prescribed by the commission in its rules and regulations, it does conclude that substantial improvement has been made which would authorize the commission to grant the amount needed to earn the 7.18 percent return.

The order also pointed out that the commission believes the company will be in a better position to handle the additional needed capital to finance its continuing improvement and expansion program if it has adequate earnings to carry the additional debt.

The commission said the service area of United has experienced exceptionally fast growth and in addition, the company has had other problems over which it had little control. Accidental cable cuttings by building contractors averaged 63 per month in 1969 involving 25 to 300 pairs and telephone wires each. With each pair of wires serving from one

to eight subscribers, the magnitude of the problem is clearly indicated, the order stated. Other complaints for which United was held not wholly responsible were open wire, standard buried cable and circuits with more than eight parties on a line, all of which were purchased from Inter-

BUREAU OF ALCOHOLIC REHABILITATION

alcoholics

By JOHN A. WILLIAMS
Editor, Information Services

One of the most interesting patients at the Bureau of Alcohol Rehabilitation is a boy named Sam. He looks about 65. He has one leg. And he is an alcoholic.

Why, I asked, would a man in Sam's condition want to get off the alcoholic spinning wheel?

The answer is not easy and Sam finds it a little hard to talk about.

The best answer is that Sam still is a human being. He is not stupid. Life, it seems, has dealt him two crippling blows. One, the loss of his leg — the other is that he is an alcoholic.

And so it is taking quite a bit of guts for Sam to salvage the remaining years of his life. But salvaging is the course he has chosen to take.

Talking in a quiet, gentle, almost apologetic manner, Sam looks back to his youth. From 18 to the present he has been a sometimes, then moderate, and now heavy drinker.

He is still thankful, now that he is sober and under treatment, for his life. Some call it the will to survive. Others call it self preservation — others are not always certain.

Luckily for Sam there are people willing and wanting to help him. But first he had to make the most awesome of all decisions. He must want to help himself.

I won't go into the many years of Sam's misfortunes. They include too much to tell. There are problems and accidents to fit into a short newspaper column.

Judge Gets Tough With Driving While Intoxicated Defendants

Albert Henderson, Highway Park, Lake Placid, was fined \$200 or 30 days and had his driving privileges revoked for a year for driving while intoxicated when he was in county judge's court last week.

He also was fined \$21 or 15 days for no drivers license and \$28 or 15 days for no valid inspection sticker.

Harold Jacob Rider, Lake Placid, was fined \$200 or 60 days for reckless driving.

Joe Jacobs, Jr., was fined \$175 or 90 days for reckless driving.

Henry James Byrd, Lake Placid, was fined \$25 or 15 days for unlawful speed and \$16 or eight days for failure to appear.

But what I'd like to point out is that it's never too late. Who knows what Sam can do if he remains sober and stays in treatment. Who knows?

If an alcoholic does not do anything else in life but relate his experience to another person, he has accomplished a great deal. When Sam leaves the Bureau of Alcoholic Rehabilitation in Avon Park, Fla. he plans to return to a Halfway House in one of the state's major cities.

Right now, his main desire is companionship and mental peace. Through his experience at the Center he hopes not only to be able to help himself but to talk to others who may be following behind him on the same path and help them too.

We've all known men like Sam. Most of us tend to look at the other way — forgetting that he is still a member of the human race and may have something to offer us all. Especially if he stays sober.

Sam wanted us to write a little about him in hopes that it might help another person from falling into the revolving barroom pattern of his life.

Neither God nor peace of mind can be found in the bottle, he asserts. We agree.

For more information on the illness that is alcoholism, now number three on the national scale of human illnesses, drop a letter or card to the Bureau of Alcoholic Rehabilitation, Information Services, P. O. Box 1147, Avon Park, Florida 33922.

You might be surprised at the results.

Robert F. Oladon, no drivers license, estrated \$51 bond; failure to read headlights \$36 bond.

Joe Tucker, failure to use due care, accident, \$21 or 15 days.

Edward Hartlett, Jr., improper passing, estrated \$25 bond.

Daniel Lee Ellis, improper passing, \$25 or 15 days.

James Lee Ploppers, failure to use due care, accident, estrated \$30 bond.

Jimmy Rose Hicks, driving on wrong side of highway, \$21 or 15 days.

Sam Thomas, improper passing, estrated \$25 bond.

Herman S. Hoasler, failed to obey detour sign, estrated \$25 bond.

Luther Selvy, failure to display valid inspection sticker, estrated \$25 bond.

Charles Edwin Atterberry, of Avon Park, pleaded not guilty to a charge of driving while intoxicated and his case was assigned to the May term of court.

Billy Dale Walker, of Avon Park, pleaded guilty to reckless driving and was fined \$150 or 60 days.

Joseph Walker, of Avon Park, was fined \$150 or 90 days for reckless driving.

Is This the Unity That We Want?

The Consultation on Church Union, which has been working for eight years to achieve organizational unity of at least nine U. S. Protestant denominations, voted — at its recent meeting in St. Louis — to move toward formation of a church which will number about 25 million members. If all of the COCU denominations vote favorably on the proposal.

If the new plan is adopted by these denominations, there will be a unity — organizationally which has been sought earnestly by many church leaders for many years.

However, the merger plan is running into opposition from both liberal and conservative church leaders at the grassroots level.

Some men are asking questions, such as: Will this bring about the unity that we really want and need? Is this the unity that was meant by Jesus when He prayed "that they all may be one — as Thou, Father, art in Me and I in Thee — that they also may be one in Us, that the world may believe?"

Is This the Unity? Some members of denomina-

tions which are expected to vote in just forming the Church of Christ Uniting are apprehensive about the statement that the newly-formed church will be committed to "the struggle with racism, poverty, environment, war, and the problems of the family man."

Is this really the unity to fulfill Christ's Great Commission, to "preach the Gospel to every creature?"

Certainly we should not and do not favor racism, poverty, pollution, or war — but what is the mission Christ gave to the church?

There is deep division now within many churches because some leaders have substituted social action for the spiritual activism which used to make the church a mighty power for good.

Will the announced COCU program produce the unity that is desired?

As incident which occurred recently at Asbury College demonstrates a different kind of unity.

Dean Custer Reynolds was conducting a rather informal chapel service.

In response to an invitation,

many students made decisions for Christ. The regular class schedule was suspended and the service continued spontaneously for 185 hours — students, faculty members, and others leaving quietly and individually, from time to time, then returning when they could and wanted to.

A New Unity One of those who made life-changing decisions — a student from Miami, Fla. — said, "I had taken trips on everything but for coming here. Drugs, sex, booze, with drugs you get high and then come down hard. With Christ, I'm going to try to stay on an even keel."

Dr. Frank Stanger, president of the seminary which is closely connected with the college, said, "I noticed a new sense of kinship, a new sense of unity, a new demonstration of love."

Let me call your attention again to the words of Dr. Stanger: "I noticed a new sense of kinship, a new sense of unity."

What kind of unity was Master praying for us to have? Organizational unity — or spiritual unity?

WHAT'S AHEAD FOR FARMERS

By Babson's Reports Coordinator, Wellesley Hills, Mass., April 2, 1970. Supply-demand trends and spiraling costs suggest that farm prices will work moderately higher in the months immediately ahead.

With first-harvest strength being only partially canceled out by later selective action. While the odds favor a small boost in farmers' realized gross income to a record high of nearly \$36 billion for 1970, a continued upturn in production expenses will leave net income at, or perhaps a shade below, 1969 levels.

Cash Receipts

The Agriculture Department's Economic Research Service is forecasting a \$1.5 billion increase in cash receipts from farm marketings over the 1969 level of \$47.4 billion. Data compiled from private sources by the staff of Babson's Report pretty well bear out Agriculture's prediction. We also con-

firm the belief that the expected advance will reflect a larger volume of farm marketings as well as higher farm-product prices.

Evidence that there will be a larger volume of farm marketings is increasing. The Crop Reporting Board says farmers intend to plant 64 million acres

As was the case last year, however, most of the increase in cash receipts will come from livestock and products. The boost over a year earlier could well be as much as 4 percent.

Beef production is topping that of a year ago because of the large output of fed cattle. But demand is holding up well too and though prices for the year could lag 1969, cash receipts will be up on the basis of the higher volume.

As for hogs: Prices have been sharply above a year ago due to smaller supplies. But soon a wider margin over 1969 quotes will narrow as first runs of a spring pig crop — 4 percent larger than a year ago — are marketed. Further price declines should come later in the year. Even so, hog receipts for the year will top 1969.

Farm Income

Farmers' cost for production items, interest, taxes, and wage rates won't go up as fast — or

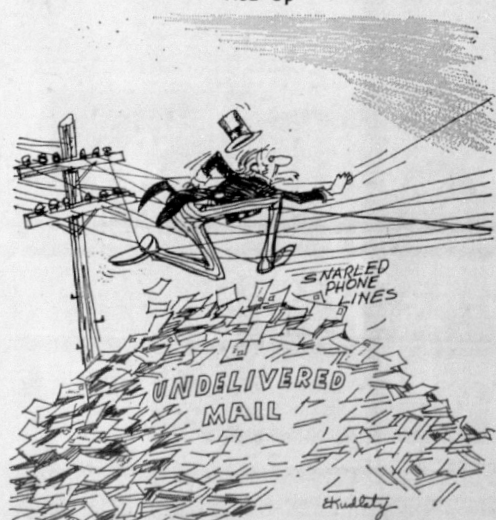

far — this year as in 1969. But higher usage of feed, fertilizer, and pesticides combined with larger outlays for replacement of worn-out machines will prevent any gains in the net income from farm operations on a national basis.

Nor will farmers' position vis-à-vis their city cousins show any real improvement, even though their receipts from non-farm sources may top those of 1969. Hence the ratio of the average disposable income of farm people to nonfarmers should be at or near 75 percent.

What Will Congress Do? The weeks just ahead will be critical for the future of farm programs. The White House farm bill, embodying flexible farm price support loans, has no chance of passage as submitted. Neither have most of the ideas advanced by farm organizations and farm state Congressmen. The once powerful farm bloc in Congress has weakened and can no longer dictate the shape of farm legislative programs.

As a result, any 1970 farm bill will be a compromise, reflecting to a larger degree than ever before the ideas of non-farm interests. Farm price supports may not yet be cut back very drastically, but they're on the way out.

Tied Up

Fred Schultz Speaks At Rotary Wed.

A prefiled legislative bill which would force consolidation of Highlands County with DeSoto and Hardee Counties within local approval must overcome the opposition of House Speaker Fred Schultz if it expects to pass.

Schultz, Jacksonville candidate for the U. S. Senate, on a swing through the three county area this week, said he is completely opposed to legislation which would not allow affected counties the right to approve a referendum.

Major issues to face the legislature, however, according to Schultz will include education, pollution control and conservation, transportation and crime and drug abuse.

The consolidation effort is the result of a bill filed by John Crider, also of Jacksonville, which would give the legislature authority to consolidate Florida's 67 counties into 19, with Highlands, Hardee and DeSoto linked together. If approved, it would become effective in 1972.

Schultz told the Avon Park Rotary Club he is not opposed to counties voting among themselves for consolidation or to combine certain operations, services or functions for economy purposes. He insisted, however, that there be no loss of representation and the legislature is overstepping its bounds in preempting this right.

The great problem in the area of education, said Schultz, is the inequitable distribution of funds to state funds to counties. At the moment, he said, education is almost predestined by the county he happens to reside in.

No man is wealthy enough to produce a great deal more service for other wages or hours; they took the job they could find and they did it well. If there was no job, they "went West" and created a job.

Italians who couldn't even speak the language pushed carts, wearily miles a day, selling whatever they could. Irish dug ditches, built railroads, Germans and others mined coal. English and Welsh mined coal. People of these and many other nations risked their lives so hard they didn't HAVE

Rambling Thoughts

By O. L. SHORE

Don't let your head swell up to greatly; don't let your stride be too broad; don't let your rank with him and his class peaches, some other people like the beaches.

Up into fame you think you're butting, be modest still and do no strutting; whatever line of work you follow, some other chap can beat you better than you.

Perhaps you're writing fine romances, whose sale to figure huge advances; but when the pride within you quickens, remember Bulwer, Scott and Dickens; their fame will live till worlds grow hoary, and perished is your jing-jam glory. Perhaps you're pin-crowding pictures, which have received more praise than strutters, and you barge out your chest and chorle, and think you're surely an immortal, but all your works are mere disasters, compared with chronics by the Masters. Whatever craft you are pursuing, whatever fancy stunt you're doing, it is becoming to be modest, for when your fame is at its broadest, it still looks cheap to men surrounding, be they of the same or lower soundings.

No human being should envelope himself with majesty and swell up, as though he had a halo or him-for greater men have gone before him.

IT IS A GOOD THING OUR FOREFATHERS DID NOT HAVE A GUARANTEED INCOME.

Avon Park Flying Notes

Robert Phillips of New York City spent several weeks in the Avon Park area recently. While in the area, Bob who has not flown in 20 years began his flying again and was checked out in both the Cessna 150 and the Cessna 172. Bob had formerly flown an Ercoupe.

Elliott and Beverly Young and son Burr of Peoria, Ill. spent the week in Avon Park flying here in their Cessna 310. While here they visited his mother, Mrs. Charles Brush, Lake Byrd. On Saturday they flew to Venice for a day at the beach and to visit friends.

Doug Mitten and family of Hesperia, Ontario flew their Cessna 180 from the Waterloo-Wellington Airport to Avon Park arriving here March 21. They left March 29 after having visited her parents at Southland Trailer Park.

Glider enthusiasts gathered at Sebring airport for a rally this past weekend. Bill Hiatt of Maitland, glided down at the Avon Park Air Service Friday afternoon. This was his second trip in his new Libelle. This beautiful white glider with a long sweeping wingspan is made of all fiberglass and manufactured in Germany.

Eugene Riley, son of Mr. and Mrs. R. A. Riley, Frostproof started flying again now that the Frostproof High School basketball season is over.

Three films including The Private Pilot from the Federal Aviation Administration will be shown at the Avon Park Flying Service, Wednesday, Apr. 15. Anyone interested in flying is cordially invited to attend.

WINNERS OF THE Highlands Golf Championship tournament, held recently at Placid Lakes Golf and Country Club in Lake Placid are second from left, John Saceman, senior division and Ouida McAulay, women's division, both of Lake Placid and Lou

Allemen, overall champion. At extreme left is Stewart Sprinkle, Placid Lakes golf professional and at right is Alex Ogilvie, Avon Park golf professional and Ed Touchton, sponsor of the tournament.

Lou Allemen Wins County Championship

The first annual Highlands Golf County championship, sponsored by Touchton Drugs, goes into the records. Due to inclement weather the last day of the tournament, the championship was cut to 54 holes. The seniors division was the only one completing the full 72 holes.

The final rounds for men and seniors were played at Placid Lakes Country Club and women playing at Avon Park Golf Course.

The winner of the championship flight was Lou Allemen. Tied for second Al Sanders and Ed Touchton. Sr. First flight was won by Pete Peterson. Second went to Dick Dressel. Third Ed Touchton, Jr. Second flight winner Mel Hardin. Second J. C. Walker. Third John Gray. Third flight won by Clem Lattimer. Second Robt. Saffold. Third Hugh Dowling.

Seniors Division (55 years of age and over) championship won by John Saceman, followed by Dick Dressel, second and Jim Johnson, third. In the first flight seniors, O. E. Parker was the winner, Dick Martin, second and Al Allen, third.

Women's Division champion is Ouida McAulay, Terry Akin, second and Martha Bagnato, third. First flight, won by Emilie Foster, second, Mary Jane Touchton and third, Betty Tompkins.

A bigger and better Highlands County championship is planned for next year. Committees from each club will be formed and suitable dates will be set up.

Board OKs New School Drawings

Working drawings for the new Sebring and Avon Park Schools were approved at a special Highlands County School Board session on Mar. 26.

During the three-hour meeting the local board suggested few changes in the plans as submitted by the architects of Watson & Co. of Orlando. The board asked that the cost for APHS be changed to Main St.

The change in the driveway, an alternate gym floor and sand grates for all outside exits are to be bid as alternates. Superintendent G. F. Douglass said the large group instruction area — which will serve as an auditorium — could be deleted from the first phase of construction if necessary.

The working plans are to be submitted to Tallahassee by April 15. The board is looking forward to distribution of specifications about May 1 and bid opening the first week in June. At its meeting last week the school board approved a 300-day schedule for construction for the schools which are to be placed in use in the 1971-72 year.

Minimum Opposition Heard At Zoning Meeting Wednesday

A minimum of opposition was expressed to Highlands County's new tentative comprehensive zoning resolution Wednesday.

However the county commission room overflowed into the hall with those attending the public hearing there, some pro, some con.

What some had felt would be an all-day meeting turned out to last a scant 45 minutes. The next hurdle for the resolution will be another public hearing to be called by the County Commission. No date is set for this.

Zoning Board Chairman Mary Ellen Ward said there are technical changes to be made before the resolution goes to the commission. No changes were made as a result of yesterday's hearing.

The audience, quiet for the most part, broke into applause at three points. Roger Miller, a subdivisor, got the biggest hand when he said "I think it is a shame the people are deprived of a right to vote."

He referred to the fact the resolution will become law without a referendum vote. County Attorney Hue Nunnally pointed out the state law, under which the resolution is drawn, does not provide for a referendum and the county is without power to call for one.

Alice DeVore presented a petition from homeowners in the Lakeside Heights subdivision complaining that non-conforming mobile home owners have come to the courthouse to register while other non-conforming users do not. She referred specifically to hog pens, horse pens, barbed wire and falling-down houses.

Don Cole, who described himself as a private citizen, said since November 19 Realtors are "running scared." This is really hampering land sales in Highlands County.

RICHARD LEIBERT, chief organizer of New York City's Radio City Music Hall since its opening, is the only soloist booked for next year's community concert series here.

EDUCATIONAL FUNDS

Florida counties were dealt \$49.8 million in state educational funds during March, with Highlands County getting \$201,967 as compared to \$108,289 a year ago. Greatest source of the money was the Minimum Foundation program. The remainder came from reallocations of amounts counties were due under MFP because of attendance changes since Fall.

Meeting called to order and visiting Rotarians and guests were recognized. Announcement made to give money to the United States Naval Academy. Art Wilhite introduced Bill Knapp who is attending the United States Naval Academy.

Bill then gave us an explanation of the United States Naval Academy and showed slides of different activities and buildings. They have an enrollment of 4200 people there, all of which had to be single to join.

He stated they had a new Admiral and that he had made several changes. One of the changes is everyone has to have a major. They have five libraries there.

Upon entering the Naval Academy all freshmen get a real short haircut. They then must have a haircut once each week not letting the hair get over 3 inches on top and having whiteheads around the sides.

Mr. Knapp is majoring in Russian language. We found the entire program to be very interesting.

Mrs. Anne Carter, Avon Park Sun, stated - "I was very impressed. One of the most interesting religious movies that I have seen. I highly recommend this movie."

Mrs. J. Fillmore, First Church of Christ Scientist, Sebring - "Words are really inadequate to express my deep feelings concerning this picture. It was very inspiring and truly a marvelous picture for youngsters. The material aspects of the picture, color, direction, etc., were excellent. The selections from the Bible chosen were very good and truly carry a message. Thank you so much for the privilege of attending. May I wish you all of my best with the picture."

Rev. John L. Knapp, Episcopal Church of the Redeemer, Avon Park - "Most impressive and colorful. Stuck quite close to scriptural account and get a message over to receivers."

Leon Garner, Principal of the Schools, Avon Park - "Very Good. Everyone should see it."

Elmo Roberts, Avon Park Jr. High Principal - "A very inspiring movie. I recommend it to all."

Jane Kelley, First Methodist Church, Avon Park - "Tremendous. It depicts in a very different way the tremendous impact of the Life of Jesus on the people who surrounded him—those who believed and those who do not."

Rev. B. E. DeWitt, First Presbyterian Church of Lake Placid - "In general the picture was very well made, and acted. The role of Jesus was very well done with scripture passages used rather effectively. This is indeed one of the better religious pictures."

Max E. Dannel, Deacon of the First Presbyterian Church, Lake Placid - "I have never seen a better film of Christ's Ministry and the effect on the people."

Rev. John T. James, Venus Baptist Church, Venus, Florida - "Revives our faith in the power and divinity of Christ."

Mrs. Lee A. Corbin, of H.C.C. Credit of Avon Park - "The most remarkable and inspiring religious film I've ever seen."

Avon Mobile Home Park News

By Florence Young

Thursday evening, Mar. 26, three color sound films were shown in the recreation hall. The films were entitled 'New England Trail,' 'Thomasasa Springs' and 'The Sun Shines Bright,' a film about Kentucky. The shuffleboard tournament scheduled to be held in Frostproof between the Park teams and Frostproof, was cancelled because of rainy weather.

High scores in pinocle on Monday evening were Margaret Fries with 1311 and Floyd Stevens with 1263. Bob and Lucille Duthie were hosts. The last hymn sing of the current season was held Saturday evening. The singing was led by Ennette Wright and Harold Wolcott accompanied. The program, which was in charge of Dorothy Baxter and Margaret Fries, included two Easter hymns by the Women's Glee Club, and two violin solos by Albert Cushing. Sallie Wright was the accompanist. Larry and Ruth Robinson presented slides from Museum of the Cross at Sarasota. The slides were on the 14 Steps of the Cross, and were accompanied by story recording and music.

Among the departing residents this week are Mr. and Mrs. Warren Byer, Mr. and Mrs. Nelson Reynolds, Mr. and Mrs. Paul Roth and Mr. and Mrs. Sylvan Baker.

Fishing enthusiast, Earl Johnston, reported some fine catches of bass recently at Kissimmee. These included a 7-lb. 8-oz. and an 11-lb. bass during two days of fishing. Mr. and Mrs. Henry Van Court of Schenectady, N. Y., were dinner guests Monday at the Margaret Fries home.

Mr. and Mrs. Harold Wolcott visited. Mr. and Mrs. Donald York of Center Hill; also Mrs. Mary Smith in Auburndale, recently.

Mr. and Mrs. Harry Burnett have as their guests Mr. and Mrs. Reynard Baldwin of Bellingham, Wash. They went to Cypress Gardens on Tuesday last week and fished at Okeechobee on Friday.

Mrs. Baldwin is a niece of the Burnetts.

Mr. and Mrs. Ray Duthie of Elkhart, Ind., were recent

visitors at the home of Mr. and Mrs. Robert Duthie. Ray Duthie is Bob's son.

Mrs. Lula Maddrell had as visitors her son and daughter-in-law, Mr. and Mrs. George Maddrell of Lodi, Wis., also their children Barbara, Jennifer, Paul and Dick and Gene Schick.

Mr. and Mrs. Robert H. Giles, wife Lorraine and daughters, Karen and Kimberly, were guests of Mr. and Mrs. Mayon Hoard. Mr. Giles is the son of Mrs. Hoard.

Mrs. Dallas Kalb and son, Keith, have returned to Avon Park for a few days to close up their mobile home for the Summer. The Kalbs wish to thank their many friends in the Park for their many kindnesses extended to them during their recent bereavement.

Mr. and Mrs. Alva Derr The Alva Derrs, Mrs. Helen Seig of Richmond, Ohio. The Derrs, Mrs. Seig and Mr. and Mrs. Harold Faulkner called on Mr. and Mrs. Paul Stuckley at Bradenton on Sunday.

The Alva Derrs, Mrs. Helen Seig and the Faulknors called on Mr. and Mrs. Robert Seig in Orlando on Tuesday.

Mr. and Mrs. Alva Derr left for their home in U. S. Ohio, Saturday morning.

Recent guests of Howard and Louise Bell were Mr. and Mrs. Fred Gardner of Clearwater, and Dr. and Mrs. M. C. Hunter and children from Bay St. Louis, Miss.

Mr. and Mrs. Russell Hulse were dinner guests of Mr. and Mrs. Roy Gitten on Friday.

Mr. and Mrs. Jack Miller of Okeechobee and Miss Bonnie Wallace of Lakeland were luncheon guests of the Gittens on Saturday.

Mr. and Mrs. Roy Gitten are leaving this week for North Carolina and Ohio.

Time is the greatest thief of a man's goodness; money is the greatest robber of character known to man.

There seem to be two kinds of opportunists: (1) those who stumble into, and (2) those who create.

Winter Guest Club News

ELIZABETH CLARKE Phone GL 3-6733

The new officers of the Club for the coming year, as elected by the board are: President, Russell Smith; first vice president, Burdette Howard; second vice president, Hazel Higgs; secretary, Everette Paxton; treasurer, Elaine Kerr.

Shuffling
On Wednesday, the "A's" were rained out, but the "B's" were able to finish their tournament in shuffling.

Jennie Eason and Ed Healy won over Helen Smith and Phyllis Hance. Merrill Murphy and William Trapp won in consolation with Alva Derr and Cecelia the runners-up.

On Saturday the weather was beautiful as the courts were full of players. Clay Kull and Mae Rankin won in the main event with Lloyd Young and Hubert Smith coming in second.

Consolation winners were Mabel Crocker and Floyd Stevens with Ellen Coombs and Harold Faulkner the runners-up.

In the "B" class the winners were Wilford Culver and Leonard Warner over Grace Hildreth and Twyer Wurster. Jean Culver and Elmer Kircade were consolation winners and Jennie Eason and William Trapp coming in second.

Clay Kull, Floyd Stevens and Lloyd Young now have their 100 points, so they are getting their trophies. They are "A" players. "B" players to get their 100 points are Jennie Eason, Leonard Warner, William Trapp and Grace Hildreth.

Card Games
Six tables of bridge players competed on Tuesday afternoon. High scores went to Lillian Blodgett with \$690 and to Leo Perti with \$390.

In pinch on Monday afternoon, with seven tables in play, Loretta Simpson and Frieda Sten had the high scores of 799 and 765.

Duplicate bridge had 84 tables in play on Thursday afternoon.

North-South winners were Eleanor and Joe Nickerson, Vi Lexa and Vangie Gleason, and Mr. and Mrs. Win Moon.

East-West winners were tied for first, Mabel and Chris Cabezas and Harry Lyons and Al Storaardt. Second and third winners were Herman Wurster and Charles Bruch and Sarah Spindler and Claude Byner.

Crafts
The making of pearl ropes seemed to be the attraction on Thursday morning. Coming up this next Thursday will be the painting of textiles. That will be fun.

Dances
Monday evening at the dance, cookies and punch were served by the David Morrisons to honor Mrs. Morrison's sister, Jessie Leach, on her birthday.

No dance on Friday evening, because it was Good Friday.

Supper
The Dan Kelters and the Reuben Prichards hosted the Saturday evening supper, with 22 present, 29 of which

were from New York. President Russell Smith gave the table prayer.

Guests present were: Mrs. C. E. Wathen of Colorado Springs, Colo., Mr. and Mrs. Irving Pelton of Fredonia, N. Y., Mr. and Mrs. Peter A. Curtis of Etna, N. Y., Mr. and Mrs. David H. Wilkinson of Venice, and John Smolen of Penn.

Sixteen reported that they were returning to their homes in the North this week.

Mrs. Leonard Warner invited all to come to the Avon Park picnic that is held every year in Palmyra, Mich. The picnic will be August 9 at 12 noon in the Community Hall.

This is pot-luck, bring your own table service, coffee furnished. Put this date on your calendar, and if you are anywhere near there, do plan on going. You will enjoy meeting with your friends.

Alton Wetmore came in late, and he explained why. His neighbor asked him to go with him to get a swarm of bees. They saw two swarms of bees, several wild turkeys, and a five foot rattlesnake with 10 rattles, that had been run over by a truck, but had to be shot to kill it.

A delightful program was given. Gladys Keiter read a poem about an Easter Bunny. Fred Robinson played his harmonica with Elizabeth Hyatt at the piano. Grace Wallace sang an Easter hymn, and Bud Hawkins played his saxophone with the audience joining in singing the chorus of the two numbers.

All adjourned to either playing cards or shuffling.

News of the Week
Harmon Heffner is reported doing very well from his surgery, but still in the hospital.

Ruth Jordan is in the hospital and will be having surgery.

Ray Millon is improving, but still in the hospital.

Shella Wurster has been admitted to the hospital, as has Grace Krenetick.

Duke Christensen and Ethel Parker have both returned to their homes after their stay in the hospital. Florence Baker has also been released from the hospital.

At the supper Saturday evening the birthday song was sung to Donald Mason.

Fiona Hoppe had a bad fall on the corner of Main and Lake last week. She wishes to thank those who came to her rescue, and especially Hazel Higgs for taking her home and giving her first aid.

The Maurice Brevoorts had as their guests during the Easter vacation her niece and husband and family, Mr. and Mrs. Eugene Sullivan of Compton, Ohio, and their three sons, Robert, Mark and David, and their three daughters, Geneva, Becky and Dottie.

If you can't think of nice things to say about your neighbors, likely they could return the compliment.

fishing. All four left Wednesday

for their New York state

homes. Mrs. Beaumont is a

sister of Harriet.

Twenty-eight were out for

coffee Tuesday. All signed a

card to send Mary Baxter

who is in Lakeland Hospital.

The Keisters left for their

home in the North Wednesday.

Mrs. Keister's mother is

very ill and it was necessary

to leave sooner than they

anticipated.

Maria Stroobant spent Sat-

urday night and Easter Sun-

day with Ruby Davidson at

Leisure Acres. They enjoyed

the Easter dinner at the re-

creational hall at Leisure Acres.

Evelyn Fritz who has been

ill, has been able to go to the

past week and is much im-

proved and able to be out now.

Mark Greenberg who lived

close to the Hall has returned

to Tennessee to make her

home with her daughter.

They will be back in the

old trailer and left Fri-

day.

Glen and Mark Gunter of

Rockaway, N. J., young

brothers of Rebecca and Len

Hofstetter, spent several days

with the Hostetters this week.

Dr. and Mrs. Dinwiddie's

daughter, Mrs. family returned

to their home in Canada Sun-

day. They called by phone to

say they had a safe trip by

plane.

Harriet Meisel and Hetta

Cook attended a birthday

party on Thursday at the

home of Arlene Lane for Mrs.

Pannie Shilling and Mrs. Fred

Roberts.

Marian and Walter Zast-

row left Monday for their

home in Minneapolis, Minn.

Mark members were pleas-

antly surprised to have Ida

and Art Baldwin, who for-

merly lived here, arrive Mon-

day. They are located at

Holiday Park in Lakeland

and, like the new location

very much.

Most park activities were

cancelled this past week be-

cause of the Easter season.

Annette Patelle and her

mother, Mrs. Mary Patelle of

Waycross, Ga., arrived Sat-

urday to spend the day with

the Hostetters Saturday.

Mrs. Simmons who lives

immediately west of the of-

fice returned home Wednes-

day after being in Walker

Memorial for 15 days. She is

much relieved of the condi-

tion which has been a dis-

tributing factor at that time.

She wishes to thank the nurses

and doctors for their at-

tention during her stay in the

W. Jack Head Mildred Head

A firm whose terms are fair

and whose personnel is ac-

counting and efficient is as-

ured of a long and prosperous

business future, and Backoff

Furniture and Appliance Store

at 100 E. Main fits the de-

scription to a "tee". Mr. W. Jack

Head and Mrs. Mildred Head

take their task of "service to the

public" seriously and make no

compromise when it comes to

customer convenience and sat-

isfaction. They are the perfect ex-

ample of the steady, yet progres-

sive business people who form

the backbone of a "Who's Who

Review."

With a steadily progressive

growth, Backoff has become one

of the top furniture and ap-

pliance firms in our area and Mr.

and Mrs. Head's efficient and

businesslike mode of operation

has made this possible, without

losing sight of the customer.

They have a good sound busi-

ness, in a good solid city and

have sensibly geared their

progress to the needs of the

community.

They are termed the "depend-

able" by those who lead our

civic endeavors and a city can

be proud of such people who

are the backbone of its trade

center.

One of the more progressive

people of the Highlands area who

should be included is Mr. Claude

Cole of Cole's Nursery and Ir-

rigation, located on Wauchula

Highway.

Few men have such a thorough

knowledge of every phase of

plant growing and irrigation

installation. To say that Mr. Cole

knows this business from A to Z

is no way an overstatement.

The honesty which has charac-

terized his every transaction

has gained him the respect

and good will of his many

customers.

We are sure that with the

high standards that he has set

for the operation of business

that it will remain in a position

of popularity in this area for

years to come.

Ivanette Hopps

Mrs. Ivanette Hopps deserves

the highest praise for her part

in making Avon Park known for

her many years of service to

those people who feel that their

loved ones deserve the finest

care available. Her devotion to

the fine services of the Hillcrest

Nursing Home on Stratford Rd.

has spread the word of her

fine service to the community.

From the concept to the final

touches of decoration this nurs-

ing home has been a most im-

portant project. It has been de-

signed to meet a single objective,

to provide a rest home with the

finest standards that can be

available anywhere, at the low-

est possible price.

Mrs. Hopps who is a member

of the College of Nursing Home

Administration, has made sure

the home has the physical fac-

ilities to serve the needs, and

human resources too... ex-

periences and highly qualified

personnel carrying out the

orders of each guest's personal

physician and all personnel

Wendell Roberts

In bestowing credit upon some

people of the Avon Park area

who, in one way or another,

have contributed their bit to im-

prove both business and civic

conditions, we wish to say a few

words about Mr. Wendell Rob-

erts of Ridge Disposal Service

at 161 W. Main St.

He has set a standard for him-

self and the operation of his

garbage and trash removal

business and that includes

everything to improve the ser-

vice offered. This is proved by

the large volume of business he

continues to handle, much of

which is due to his unceasing

attention to detail and the cour-

teousness and good will each

person receives.

Mr. Roberts is also civic mind-

ed. He has been asked, cheer-

fully cooperated in those activi-

ties to which he has been able

to lend assistance.

We look to him to serve the

people of our entire area through

Ridge Disposal Service for

many, many years to come.

PORCELAIN FINE CHINA
according to its strictest definition. That means it's made of choice refined clays, fired three times at extremely high temperatures. Fine china you can readily identify by its thinness, its lovely translucence, its clear ringing when you strike it. Completely non-porous, acid and chip resistant. This is the same quality porcelain fine china regularly sold in better stores.

Fred Glaser Died Tuesday At Age 84

Fred C. Glaser, 84, died Tuesday, Mar. 31. He was retired from plumbing and heating business and had lived in Avon Park 15 years, coming from Glenwood Springs, Colo.

He was a Lutheran, Mason, and was born August 21, 1885 in Staton, Neb.

Survivors include his widow, Mrs. Helen Glaser, one brother, Walter L. Glaser, Indianapolis, Ind., one sister, Mrs. Martha Faulconer, Woodburn, Ore.

Services are planned for today, (Thursday), Apr. 2, at 2 P.M. at the Lutheran Church with the Rev. Elmer J. Gregg officiating.

He is laid to rest in the Mausoleum at Bougainville.

Scott-Shepherson-Smith Funeral Home in charge of arrangements.

CARD OF THANKS

I would like to thank my friends for the cards and flowers during my recent stay in Walker Memorial Hospital.

Louise Tomlinson

Librarians Receive Book On Cancer Facts

Continuing the educational and fund raising work of the Highlands County Cancer Society, A. B. Wilhite, Chairman, Avon Park Cancer Crusade for 1970, presented copies of the book "Facts About Cancer" to librarians of all community services. Receiving for their respective libraries were Miss Lila Sebring, South Florida Junior College; Mrs. Eugene Hise, Avon Park Library and Mrs. John Knapp, Avon Park High School Library.

A number of high school students have chosen some phase of cancer to investigate in, writing term papers. Their subjects include "Children and Cancer," "Rehabilitation of Cancer Patients," "Smoking and Cancer" and "The Warning Signs of Cancer." The new books will be a most welcome resource for both students and the general public according to the librarians.

Wilhite said that his local committee chairmen have many leaflets and pamphlets for use in the community, which provide vital information on how an individual can help protect himself against cancer. "We are asking each person to really 'take arms against a sea of troubles' by doing everything possible to protect himself from this dreaded disease. Furthermore, the knowledge that he has done so will be cause for peace of mind."

The safeguards include important cancer tests as part of a regular health checkup. Examples are the Pap test for uterine cancer and the prostate gland examination for one of the most common cancers in both men and women.

"One major concept is an activist approach. We believe that people want to be able to do something about cancer. So we present these safeguards to complement our Crusade slogan 'Fight cancer with a checkup and a check,'" he said.

Two of the safeguards can actually prevent two major forms of cancer. "Avoid excess sun" is a way of preventing skin cancer. And the leaflet states, "Cutting cigarettes means preventing most lung cancer. Over 20 million Americans have already quit. They're wise."

Application of the safeguards can lead to early detection of cancer, which can be treated most successfully. Today there are 15 million Americans alive and cured of cancer. If the safeguards were put into action that number could be higher.

Action, that's what we're stressing this April," Mr. Wilhite said.

On March 23, Flowers received a letter of congratulations from John E. Davis, Director of Civil Defense, congratulating him for being the first in his state to complete the new Office of Civil Defense "home study" course.

"The Civil Defense Director/Coordinator, during the nationwide field test. The knowledge gained in this course will enable Flowers to give this community more effective leadership in meeting emergencies."

Flowers Is First In State To Complete Civil Defense Course

Mack Flowers, assistant fire chief of the Avon Park Fire Department attended an "Emergency Operations Simulation" exercise, held at the public library in Coral Gables on March 26, 1970.

This exercise was conducted by the State Civil Defense Office and Florida State University in cooperation with Dade County and the city of Coral Gables. This was a simulated disaster dealing with hurricanes.

On March 23, Flowers received a letter of congratulations from John E. Davis, Director of Civil Defense, congratulating him for being the first in his state to complete the new Office of Civil Defense "home study" course.

Chamber of Commerce Favors Land For Computer Center

The Board of Directors of the Avon Park Chamber of Commerce went on record at their meeting last Thursday favoring a recent request for the City Council for land in the Industrial Park for use as a computer center.

There was silence for a moment and then Director Lynn Williams favored that "We carry out the intent of the letter in regard to Mr. Yeager." Director Charles Swank promptly seconded the motion.

Howell put the motion to the board. It passed unanimously, to a slight ripple of applause.

Declared Howell. "The meeting is adjourned." Then as an afterthought he grinned and added: "Good Night."

The special meeting followed one of last Friday at which charges of inefficient hospital administration were heard by Atkinson. And Mrs. William Guehrer, president of Sebring's Women's Club, retorted that Atkinson and the Republican executive committee were attempting to run the hospital by exerting influence over the board's members.

Four names were submitted to the Board as possible candidates for the vacant seat on the Board, created by the recent death of Lou

Hooper. James submitted were Jack Duggan, George Haynie, Malcolm Crews and Ed Carter. Voting will be completed before the next meeting of the Board, scheduled for April 16.

Commission Approve Pay Raises for County Employees

Highlands County commissioners meeting Tuesday unanimously approved a new salary schedule for county employees boosting pay for some an average of \$10 per week.

The new schedule covers only the employees paid from the road and bridge fund and the county general fund. For the remaining 24 weeks of the fiscal year the new schedule will boost county salary costs accordingly.

Morgan pointed out that he had been requested by the board to make a salary study "so this county would be in line with other counties in the state."

He said the new pay scale, which he said should be called salary adjustment and not considered a raise, "would conform with surrounding areas of the state."

At one point in the board's discussion Morgan said the new salary schedule "in no way affects merit pay raises October 1."

When questioned about amounts adjustment recommended for individual workers Morgan said he had, in general, recommended \$10 per week more for workers who are mid way in a classification, and

workers new within a classification were raised to the minimum in that bracket.

To maintain a salary break between workers in the road and bridge department and their foreman, the commission recommended a \$10 per week boost for the three division foremen.

The pay change will cost the road and bridge fund about \$9,600 for the rest of the budget year and the money will be available within the budget, Morgan said.

The largest salary boosts will come for the commodity supervisor and the stray animal impounding officer. Each one will get an \$80 per month hike. Adjustments for 12 positions will cost the general fund between \$2,400 and \$2,500.

The new salary schedule puts the range for the commodity supervisor post at \$580 to \$750 and for the dog catcher range \$500 to \$650 per month.

Under the old schedule the lowest paid county employees were laborers and mechanic's helpers, each starting at \$70 per week. The top pay was for the civil defense director \$745 per month, and purchasing agent, \$750.

Under the new schedule the laborers and helpers go to a minimum of \$75 per week, and the top salaries are provided for the purchasing agent and zoning director positions—which could go up to \$1,000 per month.

Commission Chairman H. Earl Crutchfield several times remarked about need for time to study the report, but when he suggested a possible delay, may be until Oct. 1, Morgan sharply reminded Crutchfield, "I was suggested by the board, and especially the chairman, to make this study and was chastised for not having a ready answer."

Commissioner Robert Skipper made the motion to approve the new road and bridge pay scale, and Cecil Skipper made the motion to adopt the new general fund schedule. By voice vote both motions passed unanimously.

Other business Tuesday is a four hour, 45 minute session — the county commission told garbage franchise holder Jess Robbins that the commission will have to have evidence that Grace's Mobile Estate management is charging for collection of garbage before the board can intervene in a dispute between Robbins and the mobile park management.

Notice of the state beverage control agency that an application from Merle Hathaway Group on State Road 76 for package sale of beer does not violate zoning regulations.

Approved County Attorney Hue E. Nunnally's bill for legal services in the US 27 right-of-way suit for 42 parcels in the Lake Placid area. Nunnally repeatedly explained that the \$9,631.25 bill had been computed on the state's minimum fee schedule and "it's this or nothing for 14 months work." Nunnally said The Department of Transportation pays all the legal fees for condemnation suits.

Adopted without debate the advertised budget for the race track bond money.

Red Devils Will Close Out Season With Games Friday and Saturday

The Red Devils baseball varsity moved to a 3-4 record last week with a loss to Frostproof by a 2-1 score, a 5-0 win over Okeechobee and a 3-1 victory over Arcadia. The Devils were to play Sebring here at Head Field last Tuesday night and will close out the regular season here tomorrow night against Fort Meade, and Saturday night against Winter Haven.

There is some doubt as to whether the Red Devils will make the district tournament. The top eight teams of the district will compete in the district and there are 15 or 16 teams in the district along with Avon Park. The tournament play will start next weekend. The teams to compete in the play-offs will be picked after this week's play.

The Devils lost a heart breaker in Frostproof Tuesday night a week ago. For four innings the game went scoreless as young left-handed

Don Sisemore faced veteran senior right-hander Murray Wilson in a mound duel. Then Avon Park's shortstop, Dennis Hart, rapped out a single to start off the top of the fifth. He then stole second and scored later on an error on the catcher. Hart got another single in the top of the seventh for Avon Park's only hit off Wilson.

The Devils held on to the one run lead until the last of the seventh. Then Murray Wilson drew a walk to start off the inning. He stole second, went to third on a passed ball and then came home to tie up the game on a walk and a single and then a Devil error allowed the winning run to score. Give Frostproof the victory.

The Bulldogs got only three

The Bombing Range Is Busy Place

Mrs. Malcolm Waters, who has opened the Avon Park Bombing Range as a site for the super jet recently paid a visit to the bombing range and discovered that a lot of things are going on there. And that some day if this country ever winds up its wars, it may be a good recreational spot for people. Here is Mrs. Waters' account of her visit to the range.

What is happening at the Avon Park Bombing Range? It is the desolate place that Skip Watson suggests? Not many local citizens know the answers, but Air Force Captain Curtis McMarrell does, and is willing to talk about how he and his men are working to make the Avon Park Range a unique conservation area, to be enjoyed by many people in the future.

Captain McMarrell, who is the only military officer in the Air Force today, has his program of operations over the past five years has been extensive. He has controlled burned many thousands of acres, built new roads, which included three miles of new roads, making total access roads to 74 miles. In 1969, 2,000 pounds of grass seed was spread and 10 tons of fertilizer used. The area has been planted to slash pine seedlings. The forest has also been planted to slash pine seedlings. The forest has also been planted to slash pine seedlings.

With co-operation from the Game and Fresh Water Fish Commission he has supervised the planting of over 74 million pine seedlings, run soil surveys, plowed 340 miles of fire-breaks this year alone. He has controlled burned many thousands of acres, built new roads, which included three miles of new roads, making total access roads to 74 miles. In 1969, 2,000 pounds of grass seed was spread and 10 tons of fertilizer used. The area has been planted to slash pine seedlings. The forest has also been planted to slash pine seedlings.

Conservation through education has also been one of the Captain's targets. Last year Air Force personnel, instructed local Girl Scout and Brownie troops on proper planting techniques in "Operation Tree Planting," when they planted 2,000 slash pine seedlings. The forest has also been planted to slash pine seedlings.

There is plenty of life in the Bombing Range Area, and Captain McMarrell, the Air Force personnel, instructed local Girl Scout and Brownie troops on proper planting techniques in "Operation Tree Planting," when they planted 2,000 slash pine seedlings. The forest has also been planted to slash pine seedlings.

Homecoming occurred in 1969, but the majority of the land was owned by ranchers who used it exclusively for cattle and sheep grazing. During the operations came later, and most of the mercantile pine was harvested and operations completed by 1969.

Now For Training Today the reservation is principally retained for the training area for Tactical Air Command pilots operating from numerous combat ready squadrons located throughout the Eastern Coast of the United States.

The range plays a vital role in the defense of the country since it is one of a few active target ranges designed to develop of combat effective tactics of Air Force crews. Active target areas utilize approximately 15,000 acres.

Another 4,500 acres are granted to the Florida National Guard for an artillery range, and further access is granted to the U.S. Army and the U.S. Army Reserve for field training operations.

During 1970 it is planned to plant 4,000 acres with another 275 million seedlings. Erskine, a 1,000 acre site in progress, which revenue is returned to the state for further reforestation. Contracts will be let to cut over 400 cords of pulpwood that are scattered and uneconomical for future crop. Millions of fire lines, battle zone areas, and control burning of more land is planned, and the wildlife food supply and

The average high school girl, if asked to name her favorite hymn would likely come up with "Silent Night."

Bravo!

Recent state audits of the various county offices have shown the officials in our county are doing a good job, with no criticisms of any consequence.

In this day of corruption, when you can pick up the paper almost any day and read about some official being indicted or charged, we feel we are fortunate to have officials who are doing an honest job, quietly and efficiently.

We wonder how many counties in this great country are this lucky.

LEWIS LLEWELLYN

Message of Hate Carried by Bombs

There are revolutionaries at work among us. The truth of this statement might have been exaggerated, some time ago. A few years ago, it would have been laughed at. But not now.

In a recent interview—published in the Avon Park Sun—by a man who admitted being involved in bombings, this man said, "We are revolutionaries, not reformers. We are not trying to frighten the Establishment, we are trying to destroy it."

Explaining why care has been exercised, so far, not to have anyone injured or killed in these explosions, he said, "Our purpose at this stage is not to have any injuries either to our own people or to people at the sites. At some future time, it might be politically correct to attack also the heads of major industries."

So we can expect that, some day, people will be killed.

"Oldtime bomb people will tell you that bombs are intended to carry messages," said the head of the bomb department in Seattle, according to Life.

What message are these bombs carrying to us? It is, of course, a message of

hated and destruction. The message is that a minority of our people have become so dissatisfied with conditions now existing in our nation that they have decided to destroy the nation as it now is.

One of the means of preparing us for our doom is to hit black people against white, and white against black. Another is to turn people against the police who protect them—calling the policemen "pigs," suggesting that they should be slaughtered.

If we succumb to the propaganda and begin to hate each other, the way of the destroyers will be made easy.

There is another way. Impractical as it may sound, it is the most practical approach to this highly explosive situation. It is the way of love.

Those who commit criminal acts must be punished, of course.

But we must not allow ourselves to be lured into hating people whose skin is not the color of our own.

Instead, we must understand that it is only a minority of each race that is interested in destroying. And many of them

have been misled by clever and unscrupulous men who play on the normal emotions of people to achieve their own nefarious ends.

Will You Do This? The soundest, safest, and surest way of defeating the hatred which is being planted among us is to do as the Master did—and as He told us that we should do.

Here are His words—just as appearing today as when He spoke them, on the mountain top: "Ye have heard that it hath been said, Thou shalt love thy neighbor, and hate thine enemy."

But I say unto you, Love your enemies... do good to them which despitefully use you."

This method doesn't always work immediately—they crucified the Teacher who loved His enemies—but it is always the way to triumph over hate.

It is the way for us to live peacefully together. And, if we all start right now doing as the Master did, we may turn back the forces of hatred and save ourselves from the destruction which evil men are planning for us.

Southland Trailer Park News

Thirty-two played bingo at the Hall Friday night. Robert Moynihan did the calling and Winnie Lumpkin passed out the winnings. George Hindley won the grand prize, \$100.00. The winners of the season will see you all next Fall.

Friday afternoon, eight came to play shuffle. In the play-off Elmer Kirafoe and Elmer Hefferman won over Harold Arms and Winnie Lumpkin by a score of 62 to 56. That is close and one more dice placed just right could have turned the table. Stewart Dills left last Thursday for home in Michigan. He plans to join the park again next Fall.

Those leaving the park for their homes in the North this week are Earl and Dorothy Maxwell, Neville Clark, Emily and Herb Remmel, George and Margaret Hindley, Kenneth and Grayce Barr and Robert and Arlene O'Connell.

The Maxwells have sold their trailer and will not return to the park next Fall. The Hindleys have sold their trailer and will not return to the park next Fall.

And, if we all start right now doing as the Master did, we may turn back the forces of hatred and save ourselves from the destruction which evil men are planning for us.

Auto Accidents Keep Police Busy

Last Thursday, April 2, at 11:17 A.M. Miss Susan Ruffing, 20, was traveling at a high rate of speed and lost control of her car, hitting the Standard Oil sign at the intersection of W. Main Street and Highway 27. She did not sustain injuries but the car was a total loss. Patrolman J. E. Townsend and Chief Gordon investigated the accident and Miss Ruffing was given a license, and driver's license, and sent to great for existing conditions.

On April 5, there were three accidents. The first occurred at 5:08 P.M. when Willie Floyd Sheppard, 23, of Rt. 71, Box 251, Frostproof, was traveling south on N. Anoka when he was struck by a 1964 Ford pickup truck owned by W. Bell St. Meade, who was traveling west on Bell St. The pickup truck was traveling at approximately \$1100 to both vehicles and passengers in Sheppard's pickup were injured but none in the Lanier vehicle.

Ast. Chief Campbell and Sgt. Selph were called to the scene. Willie Sheppard was charged with disobeying a stop sign involving an accident. The second accident occurred about 8 P.M. when open Mrs. Pauline Culpepper, 40, of 38 S. Central Ave. Avon Park, was traveling south on South Central and lost control of her vehicle hitting a stop sign and a pole belonging to Florida Power and Light Co. The pole was hit into causing the street light to go out.

The damaged TV cable line belonging to Highlands Cable TV. The automobile, 1965 Buick, was totaled and property damage to Florida Power and Highlands Cable TV. A bicyclist was totaled to approximately \$350. Sgt. Presley Selph investigated the accident and Mr. Culpepper was charged with failure to use due care.

Juan Rivera, 28, was involved in the third accident on Deloita drive. His car into a car belonging to Walter Jackson of 706 W. Wainwright St. at about 8:30 P.M.

Rivera was driving a 1964 Ford convertible. Damage to both vehicles was estimated at approximately \$70. Sgt. Selph was called to investigate and Rivera was charged with driving while intoxicated and having no driver's license.

On Monday, April 6, at about 4:04 P.M. Miss Dorthella Thompson was involved in an accident on Deloita drive. The other car driven by a runaway 12-year-old. She stated she had stolen the vehicle in Ft. Lauderdale. She was accompanied by three other juveniles whose names were not given. No injuries were sustained in the accident. When Miss Thompson got out of her car, she called the police, and her father told her they were running away. Ast. Chief Campbell investigated the accident and Chief Gordon and Sgt. Selph picked up the four juveniles on South Central Ave. and took them to the juvenile home. The car had been reported stolen by the Florida Highway Patrol earlier. Damages to both vehicles were estimated at approximately \$180.

Tuesday morning, April 7, at approximately 7:41 A.M. Chief Gordon was called to the scene of an accident at East Pine St. and Verona Ave. Tommy Doubrey, 28, was traveling west on East Pine St. He stopped for the stop sign but proceeded into the path of a vehicle driven by Julie Jordan, 18, who was reported stolen by the South Veritas. Julie sustained minor injuries but Doubrey was charged with failure to yield. Damages were approximately \$1100. Doubrey was charged with failure to yield.

There have been several fire alarms in the past few days. The penalty for a false alarm is \$50. One must realize the seriousness of having the fire department called out on a false alarm and have a major fire break out and no fighting equipment available to answer the real fire alarm.

by BABSON'S REPORTS

TAX REFORM ACT OF 1969

By Babson's Reports Incorporated, Wellesley Hills, Mass. April 9, 1970. Earlier this year the Internal Revenue Service reported an unusual lag in the receipt of tax returns for calendar 1969. This was attributed in part to the number of taxpayers waiting to learn the details of the Tax Reform Act, passed late last year.

However, all of the important changes in the tax law applied only to returns to be filed for taxable years after December 31, 1969. The Tax Act touches on corporations, mineral depletion allowances, charitable contributions, personal income, and a wide range of subjects that have not had tax changes for many years.

In order that readers may be informed on the effects of some of the more widely applicable changes, included here is a brief discussion of these alterations. As with any complex legislation, taxpayers are advised to consult their tax advisers as to the proper application of the new law in complicated situations.

Mostly For Individuals

With the change in tax surcharge from 10 percent through 1969 to 5 percent on January 1, 1970, and its elimination on June 30, 1970, taxpayers will compute the surcharge on their 1970 returns at 2 1/2 percent for

the entire year. The 2 1/2 percent figure does not relate to withholding during the year.

Personal and dependent exemptions have for many years been \$600 for each one claimed. This has been raised to \$625 for 1970, \$650 for 1971, \$700 for 1972, and \$750 for 1973 and later.

The minimum income level at which a return must be filed has also been raised to a general level of \$1,000. The increase is retroactive to January 1, 1970. The "catch-up" amount, which will not affect returns for calendar 1970.

For part-time workers, not only students and others who do not expect to earn enough to be required to pay a tax and who have not paid a tax in the past, there is a provision in the Act that means more take-home pay. After April 30 this group may file a certificate which will exempt them from having taxes withheld. This also relieves them from filing a tax return in order to recoup taxes formerly withheld.

For long-term capital gains, there is an alternative method of computing this tax with a

base rate of 25 percent. For long-term capital gains of \$50,000 or more, the rate has been raised to 28 percent in 1970, to be lifted further to 32 1/2 percent in 1971, and to 35 percent in 1972.

The controversial minerals depletion allowance was generally reduced for rates over 14 percent. The most debated of these was the rate for oil and gas depletion. Formerly at 27 1/2 percent, this was reduced to 22 percent.

For Oldsters and Youngsters There are several other provisions in the Tax Reform Act that are not directly related to taxes per se. One of these is interest to the retired person increases Social Security payments of 13 percent from January 1, 1970. The "catch-up" amount, which will not affect returns for calendar 1970.

For Investors Until now, capital losses on the sale of securities, whether long- or short-term, could be used to offset up to \$1000 of taxable income. This has been changed so that all short-term losses but only 50 percent of long-term losses may be commuted to offset income up to \$1000.

singles of Sisemore in the seven inning game and young Jerry Ganss and Wilson walked five. Wilson struck out 14 Red Devils and cut only one out to base free with a hit batter.

The Okeechobee Brahman came up to beat the Red Devils Friday night with an 8-1 record and went down in defeat to a real sharp playing Red Devil squad by a score of 5-0 as the Avon Park team got 5 hits off pitcher Stan Hare, a left-hander.

Junior right-hander Danny Albritton chalked up his first mound win with an impressive performance. Albritton gave up six scattered hits including a double but was never in serious trouble as the Devil infield played head-up ball. The Devils committed only one error in the seven inning affair.

Steve got Avon Park's only extra base hit—a double in the second inning. Also hitting safely for the Devils were Jimmie Ganss and Hart, Clark Jackson, and Greg Albritton with a single each. The Red Devils took advantage of the Okeechobee error score the five runs.

Last Saturday night the Avon Park squad played another game and defeated Arcadia 3-1 behind the three-hit pitching of Clark Jackson and Greg Albritton. Bulldog battles, put four on base, and gave up only one run in his seven innings.

Centerfield Don Sisemore yielded the big bat for the Red Devils against Arcadia. He slammed out a triple and a double to drive in two runs and he called for Sisemore, Steve Hart, Greg Albritton, and Bill Smith also hit for Avon Park getting a single each.

Again it was outstanding infield play and some good outfielding but the car was a total loss. Patrolman J. E. Townsend and Chief Gordon investigated the accident and Miss Ruffing was given a license, and driver's license, and sent to great for existing conditions.

High School Band Will Participate In 1970 Festival of States at St. Pete

The Avon Park High School Band will be participating in the 1970 Festival of States in St. Petersburg this week. This is considered as one of the South's largest civic celebrations and Florida's largest festival.

The theme of the festival this year is "In Merry Old England".

The band's first performance will be Wednesday night, April 8 at the Al Lang Field where they will perform with 22 other bands (14 from out of state). Don Streth, drum major of the Avon Park Band, was chosen to direct one of the massed band numbers. The Colonel Begey March.

Thursday afternoon, April 9, the band will rehearse with

the "Grenadier" Band from Bethlehem, Pa. and the Drum and Fife Corp. from Long Island, N. Y. in preparation for the coronation held that night in the Coliseum. The coronation will be televised on Channel 38, the St. Petersburg station. Don Streth, drum major, will escort Mr. Sun and Miss Sun Goddess to inspect the three bands and will then be presented with a "crown" by Miss Sun Goddess.

The band's April 10 performance of States parade begins at 1 P.M. and will be televised on Channel 38. The band will have the honor of being the first band to lead the parade. The band will return to Avon Park Friday evening.

School Board Will Discuss Teachers' Pay

Possible pay raises for Highlands County school teachers is on the agenda for discussion at the April school board meeting at 7:30 tonight (Thursday).

The professional affairs committee of Highlands County Education Association is scheduled for a salary schedule report. Last year the HCEA committee requested several fringe benefits emphasizing school board assistance for continuing professional education.

At present, beginning teachers are paid \$6,300 and the salary schedule ranges up to \$11,800 for teachers with the equivalent of a doctor's degree, 15 years experience and continuing contract in Highlands County. It is listed as one of the 10 top salary schedules offered in Florida.

The long agenda calls for further review of Highlands County school desegregation plans, appointment of administrative personnel (including school principals) for 1970-71, review of plans for the 1970-71 school calendar and plans for building at Lake Placid Elementary. Fred Wild elementary and a time table for construction of the new Sebring and Avon Park High Schools.

Boat Courses To Be Offered By Auxiliary

An eight lesson course on basic seamanship will be offered, sponsored by the U. S. Coast Guard Auxiliary, Fort St. John, Fla. The classes are open to the public.

The tournaments have now been changed to the evenings, since it is getting a bit on the warm side. There will be no more points, and all the folks will be playing together. And Wednesday was the first evening game.

With 13½ courts in play the main event was won by Caroline Webber and Tillie Retter. Henry Retter and Ernie Rouget were the runners-up.

Dorothy Gruber and Harry Gibson won in consolation over Nora Werner, William Near.

Saturday evening 17½ courts were in play. Consolation finished with G. Gibson and John Wolf winning over Mae Rankins and Henry Retter. The rain came before the main event finished, which will be played off on Monday evening.

Six tables of players were in play on Monday afternoon at the pinocle party. High scores went to Mike Demko and William Trapp with 789 and 781.

Friday afternoon in bridge, winners were Maurice Brevoort with a score of 5890 and Al Storaardt with 4870. They also had six tables in play.

North-south winners in duplicate on Thursday afternoon were Ida and Al Allen, Lillian and Maurice Brevoort, and Eleanor and Joe Nickerson. East-west winners were Edith Bates and Dorothy Wilde, Julie and Bud Hawkins and Al Storaardt and Harry Lyons.

Jean Lodington has charge of the duplicate, and there were 3½ tables in play.

There will be two more sessions of craft on the next two Thursday mornings. New projects may be done, or they may be finishing up what the ladies have already started. Hallie Wetmore does a fine job in teaching the various crafts, and all the ladies enjoy doing the things she teaches. The room is always crowded with folks eager to make something new.

Dances
Friday evening there were four squares of dancers. And everyone was having a hilarious time.

Guests for the first time, either just watching, and many came to dance were: Mrs. Dequenne of Massachusetts, and Jennie Maruzzi of Lynn, Mass., guests of Thelma Garvey. Mrs. Maruzzi is

MAYOR BOB BARBEN is shown as he welcomes House Speaker Fred Schultz to Avon Park. Schultz was guest speaker at Rotary Wednesday.

Schultz Tells Rotarians Four Major Issues Facing Legislature

Four major issues will face Florida's legislature when it convenes this week, House Speaker Fred Schultz told the Avon Park Rotary Club last week, including education, environmental control, roads and crime and drug abuse.

Schultz of Jacksonville, head placed education as the top priority and described the primary need for attention to be equalized the formula used for distributing state funds to counties.

It is unfortunate, Schultz said, that a child's education in Florida depends on where the student happens to be born in that wealthier counties have the advantage of raising larger sums for schools than the poorer areas. A more equitable distribution of state funds would alleviate this deficiency and do a great deal toward upgrading the overall educational system, he said.

Conservation and pollution control will take up more time during the session than any other single subject, Schultz said. He expressed optimism that lawmakers would come up with effective measures that will aid in

pollution control.

He listed municipal sewage as the greatest single pollution problem in the state, one that needs immediate attention. Over \$2 billion is needed for this area, Schultz said, but this sum will not be available. Instead, steps will be taken to provide funds to cities and counties to at least get started on the massive problem, he said.

Road needs throughout the state are critical, Schultz declared, and it is unfortunate that more than \$100 million available for construction in the Department of Transportation isn't being spent due to "politics and mismanagement." The "big mess" in the DOT might be solved to a degree with a reconstitution of the old State Road Board concept, the speaker maintained.

Boosting up local law enforcement agencies through a Minimum Foundation Program for Local Law Enforcement officials will be one of the best avenues for combating crime and drug abuse, Schultz told the club. In addition more effective education programs and rehabilitation efforts will be needed to enable former users to rejoin society as productive citizens, Schultz concluded.

Impala '400' Sale.

You save when you buy it. You save when you drive it.

When you buy any Impala V8 model during our "400" Sale, here's how you can get two popular extras at no extra charge.

You order your Impala equipped with a Turbo Hydra-matic transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. Items you'd probably order anyway.

Then we add our big 400-cubic-inch V8 at 263 hp that runs on regular gas, along with dual exhausts—both at no charge.

(The manufacturer's suggested retail price including Federal excise tax for the regular fuel 400 V8 and dual exhausts is \$93,753.)

But that's only the beginning. Because your Chevrolet dealer is really anxious

to deal these days.

And the Impala you're buying, of course, got to be America's No. 1 car, because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher.

All of which contributes to Impala's traditionally high resale value, too.

You're getting America's No. 1 car on sale. The car more people buy—year after year after year.

How can you beat that?

Putting you first, keeps us first. **ADDITIONAL**

An offering to cover the supper will be taken.

Every effort has been made to have this 75th anniversary a happy affair. It will be an opportunity to meet and know our new bishop. Many of the clergy formerly serving Redeemer will be present and be asked to remark on their experiences. Laymen who have lived here have been invited back as well. Sunday morning services on the 12th will be as usual, with the anniversary theme involved. This will be a "Red Letter Day" in the life of Redeemer, as well as in our community. We hope everyone interested will join with us.

A RED LETTER DAY
When the Right Reverend William Crane Gray arrived in Avon Park one Saturday, March 1897, he found everything in readiness for the greatest day in the life of the Church of the Redeemer. For, after considerable planning, much work and many prayers, Redeemer was about to be consecrated. It would be a great day for the community.

Early in 1894, a few citizens in Avon Park who were communicants of the Church of England, being encouraged and promised assistance from the Missionary District of South Florida, resolved to build a church. One location under consideration in the lot where the Church of the Redeemer now stands. It was named that John C. Davies, a young man who had purchased it during a visit to Avon Park in 1899. Mr. William King, one of the early settlers wrote to Mr. Davies asking a price and saying it was wanted for a church. The answer came promptly from Wales in the shape of a Warranty Deed—\$1.00.

The building was erected at once but was not finished inside for several years. However, services were held beginning early in 1895 by Mr. John F. Porter, a veteran of the Northern Army and then a Deacon. It is believed Rev. Porter was admitted to the Priesthood during the year 1895.

Bishop Gray covered many miles over the Diocese and made many trips to Avon Park during these early years. It usually began by railroad to either Fort Meade, Wauchula or Bowling Green, sometimes Zolfo Springs. Frequently he rode to Avon Park with the mail man, a number of times with friends in a horse and buggy or a wagon. Some of these trips were under extremely trying conditions. From this diary, printed in the Proceedings of the Convocation for the year 1897, we quote: "Tuesday, February 23, 1897. After traveling all day yesterday, from Ocoee, I reached Bowling Green last night. I am a

guest at the Thwaites Hotel. Held my service in this place at the 'Christian Place' of worship which was kindly tendered me for the occasion. A very large congregation was present from far and near. I preached on the Faith, Wednesday, Feb. 24, 1897. Mr. Charles Everett drove Rev. Mr. Porter and myself to Avon Park where I am the guest of Mrs. Cheape. The new church is nearing completion and is a beautiful specimen of our own mission churches. I am very much pleased with it. Thursday, Feb. 25, 1897, Holy Communion at 9:00 A.M. after which I had a full and protracted interview with the officers of the church in regard to present status. At 7:30 P.M. Rev. Mr. Richardson and Porter said Evening Prayer. I preached and confirmed five, making a total of eight at Avon Park this visit.

In another report dated Sunday, January 16, 1898, "On account of vacancy determined to give this Sunday to Bartow and Fort Meade. Had full services in Holy Trinity Church, preached and confirmed two persons. In passing, how very cold it was January 2 and 3. Such a spectacle and another bitter blow for Florida."

Of March 28, 1900: "Reached Avon Park after a night at Bowling Green and a long drive through the country. It was the Church of the Redeemer, which it was a pleasure to see. Rev. E. R. Richardson said: 'Evening Prayer and I preached to a fine congregation. This is one of the places that has suffered very greatly, not only from the freeze but also from other causes. I do trust that the future of this church is bright. The people who still remain in spite of all discouragements.' Continuing his report: 'In Bartow, 25 Sunday after Trinity. That night a service at Christ Church, Fort Meade. This place has almost been depopulated. It is very sad to witness the condition of the people who remain.'"

In 1902, the Convocation was held in Tampa at St. Andrews. It was the tenth Annual Convention. The Rev. E. R. Richardson was still the Priest-in-charge at the church and was the deacon. It is noted, in the record, that he was appointed on a committee on New Parish and Missions. Avon Park's Church of the Redeemer's Assessment was a \$350. Of April, Friday 26, 1902, he wrote: "Took train to Avon Park. Long trip from Orlando reaching Fort Meade at midnight. Was aroused in the hotel this morning soon after three to start at four in the mail wagon for railroad to either Fort Meade, Wauchula or Bowling Green, sometimes Zolfo Springs. Frequently he rode to Avon Park with the mail man, a number of times with friends in a horse and buggy or a wagon. Some of these trips were under extremely trying conditions. From this diary, printed in the Proceedings of the Convocation for the year 1897, we quote: "Tuesday, February 23, 1897. After traveling all day yesterday, from Ocoee, I reached Bowling Green last night. I am a

Drove to Avon Park the guest of Mrs. Cheape where I had a good rest. Had a number of callers. Find a valuable addition to the congregation an earnest churchman who is planting a pinery and an orange grove. It should be noted here that the eleventh annual Convention was held at the Cathedral of St. Luke, Orlando, 1903 in June, that year, he wrote: "On Tuesday, the 17th, took steamer down the river to Punta Gorda—then train to Wauchula where I held service to a large congregation especially of men. This is the first church service ever held in this place. Drove three miles out into the country with Mr. Bailey where I spent the night. The twelfth annual Convention was held at the Cathedral of St. Luke, Orlando, April 16, 1904. Took train to Wauchula. Friday, took early breakfast and was on a 22 mile trip to Avon Park. Reached Hotel Verona about noon where I am the guest of Dr. and Mrs. Courtney. A number of persons called on me there. Later, in company of Rev. Richardson I went to see the improvements on the church. It has been painted outside and in and looks greatly improved. Saturday, drove into the country on a number of calls mostly on the sick and distressed. In the evening was present in the hotel at a reception tendered me to meet church people and other residents of Avon Park."

Sunday, April 19, First Sunday after Easter. Assisted in the service by Rev. Richardson. I preached in the Church of the Redeemer at 10:30 A.M. The Evening Service was to a very large congregation. The Congregational minister having come and brought his congregation with him. Many seemed impressed and I trust good has been accomplished.

Probably the worst trip for the Bishop is recorded in this way: Friday, February 2, 1897. "Took afternoon train to Zolfo Springs where I spent the night enroute to Avon Park. Early in the morning I set out on my long drive of 25 miles to Avon Park in the mail wagon. With narrow seat, I drove on my feet and top too low to sit up straight. A cramped and uncomfortable ride. Reached Avon Park about six and went directly to the hotel. Fifth Sunday after Epiphany, Feb. 4. Had five congregations in Church of the Redeemer. Rev. Richardson assisted me in all services. Monday, February 3, 1897. "This proved to be one of my hardest days. Up at five, a hurried breakfast then off again with mail carrier. In his wagon until noon when we reached Zolfo Springs. Then learned of a train for Wauchula on the railroad six miles below. So, with some difficulty I secured a team and drove the long way to Fort Meade for my appointment at night. Alas! The driver did not know the road. Got lost and drove many miles astray and we had a hard time in the night getting

Thousands Find New Life

By DAVE LLEWELLYN
There was a "whoosh" like a great wind. Curiosity-seekers crowded around the building where 120 people were apparently babbling in peculiar language. Someone yelled, "They're drunk!" But Peter didn't want anyone to react as he saw the greatest transformation of men in the history of the world, so he spoke. "No, these people aren't drunk — it's only nine o'clock in the morning — but you're seeing people fulfilled. Remember John, through whom God said, 'I will in those days pour forth My Spirit and they shall prophesy.' Well, it's happened!"

And everyone knew that Peter was right, because the "babbling" had turned out to be in the languages of all the people in the crowd — and, worse, in many different nations, who were in Jerusalem at that time. Yet the speakers were all calm! And they were all declaring the power of God.

Thousands Respond
Peter went on quoting from John: "And it shall be that everyone who calls on the name of the Lord shall be saved." Saved from what? Saved from this: "You killed Jesus of Nazareth, through Whom God did many miracles among you. Right in front of you is proof that He overcame death and returned to God, because it is the manifestation of the Holy Spirit Whom He promised to send to us that you are right now seeing and hearing." "Do you need more proof? What about King David? He said to God, 'You will not abandon my soul to Hades, nor allow Your Holy One to undergo decay.'"

James Hodo Charged In Auto Accident On Highway 27

Clayton Hoover, 78, and Mabel Hoover, 75, of Vandalia, Ohio, were injured in an accident at 10:30 A.M. Saturday 1 mile South of Sebring on Route 27. They were treated at Highlands General Hospital and released.

The accident occurred when James Hodo, of Avon Park, accompanied by Willie Dolson and J. W. Marsh, of Avon Park, overtook and tried to pass the Hoover car traveling North on Route 27 just as the Hoover car crossed the center line. The Ohio car ran off the pavement onto the shoulder, sideswiped a power pole, slid back around and rolled over 1 1/2 times ending up on its top.

Trooper J. E. Vann charged Hoover with improper change of lane or course, estimated damage to his car at \$10,000 and to the Hodo car \$200.

Tractor Crash
A county road department truck driven by Dennis Richards, of Avon Park, was involved in an accident at 11:53 A.M. Monday 1 mile North of Sebring on Route S-17. Floyd Fulton, of Potomac, N. Y., was turning left onto S-17 from a driveway. Richards applied brakes in attempting to miss him, slid, went across the pavement, and hit the Fulton car. Trooper Vann filed no charges and estimated damage to the car at \$25 and to the truck \$285.

Thomas Injured
Craig Daniel Thomas, 18, of Lake Placid, accompanied by Frank Hartwell, of Lake Placid, was injured in an accident at 11:30 P.M. Friday 2 miles North of Sebring on Route S-17 just North of Route 27.

Thomas was going South on Route S-17 and Katherine Orr accompanied by Robert Orr, of Asheville, N. C., was headed East on the road and had stopped for the stop sign at the entrance of Route 27 waiting for traffic to clear. Thomas applied brakes but failed to make the turn, pushing the Orr car 34 feet into the grass. Thomas was charged with failure to have vehicle under control by Trooper W. R. Hough. The Thomas car was damaged in the amount of \$1,000, the Orr car \$800. Thomas was admitted to Highlands General Hospital and released Sunday.

Lost Control
As a tractor trailer driven by Johnny Thomas, of Oklawaha, was attempting to pass a car driven by Doyle Miller of Lake Placid at 6:20 P.M. Tuesday two miles East of Brighton on State Road 70, Miller lost control. He ran onto the right shoulder, sideswiped back onto the roadway and into the side of the Thomas car, then went into the ditch to avoid additional contact.

Trooper W. M. Woods charged Miller with failure to use due care, assessed damage to his car at \$300, to the truck, \$800. Miller was accompanied by George Mattox, of Venus.

James P. Turnbull, of Avon Park, business manager for Highlands General Hospital, is free on his own recognizance after arrest on a charge of driving while intoxicated, following an accident the night of March 31 on Route 27.

According to the Florida Highway Patrol, a car driven by William E. Thomas, 73, of Se-

bring, headed South on Route 27, had pulled into a crossover. It was stopped waiting for Northbound traffic to clear when a car answering to the description of one driven by Turnbull, also headed South, pulled into the same crossover, and skidded into the rear of the Thomas car. Mrs. Sara Thomas, 73, a passenger in her husband's car, suffered minor injuries.

Four Injured
Four people were injured in an accident Sunday, March 29, in front of the Holiday Inn, Lake Placid. They were treated at Highlands General Hospital and released. They were Linda Sue Walker, 4; Pamela Lipscomb, 15; Ronald Lipscomb, 15; and Tony Morris, 16, Lake Placid.

Anti-Pollution Drive Force Tougher Laws

Tougher sanitary regulations, particularly in subdivisions, appears to be in the offing as a result of the current anti-pollution drive.

In a two-hour discussion with Highlands County commissioners Tuesday, Richard W. Starr, Jr., regional sanitary engineer for the state department of health, said the drive is toward limiting private septic tank use to areas where there are no more than two houses per acre.

The commissioners indicated Tuesday the new subdivision regulations they are working on will require central water and sewage services in subdivisions whose lots are less than 10,000 square feet.

The board has been considering requiring lots of 10,000 square feet and up for subdivisions where homes will be served by private wells and septic tanks. This would allow up to four houses per acre.

Starr said the state health authorities recommend only one house and well per acre. If a public water supply is used, two houses with septic tanks may be used per acre, but for greater density both central water and sewage treatment are recommended.

Starr said some studies in Florida indicate that a water table of 10 feet or more is needed for a septic tank to work well, and if the waste water begins to move horizontally before ground purification is completed, pollution may be spread for miles, Starr said.

He cited, as an example, the high bacteria count found in some springs in Highlands Hammock several miles from any concentration of houses or pastures.

Starr said because of growing interest in pollution problems, the Legislature may move soon to strengthen plat laws. "Florida is about 30 years behind in establishing minimum plat laws." Some states have legislation that required that a subdivision plat include plans for water supply and sewage disposal, he said.

The field day competition was set up by the three Avon Elementary physical education instructors, Mrs. Margaret Collins, Mrs. Lorraine Howard, and Randy Vaughan.

Mrs. LUND's sixth grade students won the Avon Elementary Field Day Monday, Mar. 30, by scoring a total of 25 points in the six events. Individual first place winners in each event are listed in news story on the annual affair.

Avon Park Track Team Wins Four Team Meet Friday

The Avon Park High School thin-clads put on quite a show for the home fans last Friday afternoon scoring 114 1/2 points to win a four team track meet in the first home meet since the season. The Red Devils were not so fortunate Wednesday, Apr. 2, when they were defeated by the Arcadia team.

Today (Thursday) the Devil tracksters will compete in a five-team meet against the host Bulldogs, Trinity Prep, Lake Placid and Okechobee. Next Thursday, Apr. 16, Avon Park will host the highlanders County Track Meet with Sebring and Lake Placid competing with the Devils for the county championship.

Avon Park 114 1/2, Lake Placid 66, Hardee 33, Moore Haven 28 1/2.

The Avon Park team took first place in ten of the 15 events in the meet held here last Friday afternoon to rack up the highest total points scored by a Devil team in several years—perhaps ever. Walter Nunalle won the 120-yard high hurdles with a time of 15.4 seconds and then also won the 180-yard low hurdles with a time of 24.5 seconds. Roy Claitt also took two first places winning the 100-yard dash in 10 seconds flat and then taking the 200-yard dash with a time of 23.6 seconds. Claitt and Nunalle also both ran on the 880-yard relay team which finished first with a time of 1:34.8. Running with the two sprinters were James Perdue and Willie Seigler.

Jim Magenheimer and Joe Franza took first and second place in the high jump event with jumps of 5 feet 4 inches. Wally Pierce won the pole vault event with a 9 foot, 6 inch vault and Jim Magenheimer tied for third place in that event with a jump of 9 feet even.

Scott Gust won the mile run in 5 minutes and 15 seconds followed by Eugene Flowers in second place and Colvin Stone in third place in that distance event. Leroy Collins took the half mile dash, and Mr. Holman's tug-of-war team—Carol Porter, Mary Coleman, Lynn Livingston, Linda Meeks, Larry Ella, Gerald Chaney, Thomas Hill, James Ross, Ralph Hill and Timmy Massey).

First place winners in the fourth grades were: Wanda Clay and Sam Dascher, 50-yd. dash; Maxine Tate and David Jahna, 100-yd. dash; Lisa Maddox and Eugene Haywood, softball throw; (Sharon Rigdon, Gail Moseley, Cathy Lane, and Karen Benhabth) and (David Starz, Claude Dennis, Gregg Correll and Mike Coleman), baton relay; (Carol Spurlock, Shirley Hart, Sandra Levenson, and Lisa Maddox), Eric Wilson, Franklin Baisan, and Alex son, Charles Pugh, and Alex son, David; Grand Prix relay; and Miss Dowd's tug-of-war team—Babs Maness, Rhonda Varnes, Kathy Morris, Linda Love, and Rhonda Rutherford) and (Mike McKenzie, Mike Cobb, Ricky Rowan, and Mark Gaines), baton relay; (Margaret Turnbull, Mary Spurr, Sharon Grant-

But the Red Devils captured 10 second places to hang in for third place.

Walter Nunalle took second in both the high and low hurdles with a 15.4 and a 21.9 time and again Claitt took second in both the 100-yard dash and the 220-yard dash. Magenheimer and Franza took second and third in the high jump with heights of 5' 8" and 5' 6". Wally Pierce jumped 10 feet for second in the pole vault and Gust and Jahna had a second and third in the one-mile run. Leroy Collins finished second in the 880-yard run and Colvin Stone took second place in the two-mile run.

Avon Park's 880-yard relay team came in second behind Arcadia and the Devil sprint-medley relay team finished third behind Arcadia and Frostproof. The Avon Park mile relay team also took a third place.

Also scoring for Avon Park was Willie Seigler with a third in the 220 and a fifth in the 100-yard dash; Mike Bradberry with a fourth in the discus toss; Eugene Flowers with a fourth in the two-mile run; Joe Franza with a fifth in the 880-yard run; Roy Claitt with a fifth in the long jump; and Milton Howard with a fifth in the shot.

Edwin Parham Dies In Hospital

Edwin A. Parham, 79, died April 3 at Walker Memorial Hospital in Avon Park. He was retired from the plumbing business and came to Avon Park from Jackson, Mich. 12 years ago.

He was a Baptist and belonged to Mason Lodge No. 332, and had 46 years of service in the local union No. 313.

Survivors include his widow, Mrs. Marie Whitney Parham. Services were held Tuesday, Apr. 7, at 2 P.M. in the chapel of Scott-Stephenson-Smith Funeral Home with the Rev. Aden Childress officiating.

CARD OF THANKS

The family of Harold Jackson would like to thank many friends for their acts of kindness during their loss of their loved one.

Paid Adv.

Other Red Devils scoring were: Mike Bradberry and Milton Howard with a third and fifth place in the discus toss; Sam Dascher and Gary Nicholas with a second and a fourth in the quarter mile dash; Bradberry with a fifth in the shot put event; Mike Risher with a fourth in the 120-yard high hurdles; Roy Claitt and Sam Dascher with a third and a fifth place in the long jump. The Devil sprint-medley relay team of Freddy Jahna, Eugene Flowers, Mike Hagan, and Jim Magenheimer came in second to contribute 7 points to the total.

Eighteen Red Devils contributed to the scoring in the big win over the Lake Placid, Moore Haven and Hardee High teams. Lake Placid came in second with a total of 66 points; Hardee was third with 33 points and Moore Haven finished fourth with 28 1/2 points.

Arcadia 102, Frostproof 76, Avon Park 68, Hardee 12.

The DeBots High track team of Arcadia won 12 of 16 events in Arcadia Wednesday, Apr. 1, and Frostproof took the other four first places to shut out Avon Park and Hardee in the winners.

Couple Attends Meeting On Air Conditioning

Morris Adams, owner, and Wayne Whitmer, manager, of Ridge Air Conditioning of Ridge Air Conditioning of Avon Park, were among about 200 southeastern air conditioning dealers attending a meeting here at which it was reported that central residential air conditioning installations in the U. S. passed the million a year mark for the first time in 1969.

The meeting here, at which Carrier Air Conditioning Co., which sponsored the meeting with its area distributors, said some 1,000,000 central air conditioning systems for homes were sold compared to 847,000 the prior year. Total dollar volume of central residential systems sold during 1969, including installation cost, was estimated at about \$1.2 billion, as this market continued to lead all others in the air conditioning industry.

In addition, about 4,810,000 room air conditioners were sold in the U. S. and more than four out of five were installed in homes.

The meeting was one of 12 entitled "Perspective '70" which Carrier is conducting around the country to acquaint dealers with new products and business developments within the industry.

This section dealing with outstanding citizens of the Avon Park area is an attempt to set in print the positions these citizens occupy in the eyes of their neighbors. No one wrote of himself in this section. The material was gathered by Bob and Phyllis Bullard as they found conditions.

Harold Peeples

People in this section have come to look to Harold Peeples Motor Inc. at 1835 W. Cornell Ave., for the finest in new and used cars and trucks and the operation of the business faithfully reflects the personality of Mr. Harold Peeples. He deserves our praise in business achievements and for being a good citizen of the community.

His American and modern business outlook—to offer better cars and trucks at lower cost—has contributed much to his success and has created a business which draws people here from miles around.

Harold considers it a pleasure to serve the people of the area. He has a strong obligation to his friends and neighbors, and can always be depended upon to aid in any commendable civic project.

He is firmly established in the business cycle of this area, has proven he is an enterprising businessman, qualified to operate a business of this type, and therefore, deserving of our tribute in this review.

Ray Bennett

The more progressive people in the world, business, especially those in building, are directly responsible for the progress of any community and one man who is literally helping to build the Avon Park area is Mr. Ray H. Bennett, Clearing Contractor at 1106 W. Main.

His thorough knowledge of land clearing and excavating plus experience and understanding of local conditions has made it possible for him to offer the very best in value to suit each customer's particular need.

Mr. Bennett has a great many friends because of his honesty which is apparent in all business dealings. His willingness to devote much of his time and energy to build up the finer elements of the community has made him appreciated not only by customers, but by all who know him.

All this plus a pleasant personality is responsible for his past success and we believe will bring many years of continued success.

Exie Caffee

The only thing you should know about Mrs. Exie Caffee is that "you'll like her." She thoroughly enjoys trading at Exie Caffee Gifts & Office Supplies at 13 S. Lake Ave.

Here individual attention is the keynote and the utmost in courtesy and hospitality is employed at all times. This is the friendly type business that is such an asset to any city. Mrs. Caffee knows this business from A to Z and knows the stock for function as well as price and retains the same satisfied patronage year after year.

With this type of business, that is so very much at home on the American scene, she is typical of the good business woman with a well organized stock catering to sensible spenders with good taste.

In civic matters requiring the cooperation of the business people, she has always rallied round the endeavor and this has been done with the same friendly attitude that has become so much a part of her every business transaction.

Russell Mizelle

Many people of the Avon Park area have contributed to the general progress, although their contributions have been without show and their quiet activity out of the limelight often goes unheralded. This issue spotlights the contributions of one such as the modest contributors, for each play a role in the development of the area.

Even though it is, perhaps, repetition of well known fact, we wish to highlight the successful career of Mr. Russell Mizelle of Mizelle Funeral Home at 129 S. Lake Ave.

Aside from offering the people complete and modern funeral facilities, he can be depended upon in civic affairs.

We wish to compliment Mr. Mizelle for his part in the business and social life of the section, for his contributions to civic ventures, and for his pride in operating a business that is honest, sound and up to date.

Louise B. Armstrong

In last week's Who's Who we stated that Mrs. Armstrong served the people of the Sebring area through the Credit Bureau, Tax Service and Insurance with offices at 903 W. Main. This also should have said the Avon Park area which was left out through error. We sold the typewriter that did this to a competitor.

Clint Gill Betty Gill

These well-known citizens of Highlands County are referred to by many friends as Clint & Betty, and few are playing so active a part in the section's development from a friendly business standpoint.

A large part of the success of Clint & Betty's Drive-In at 722 W. Main, we believe, is due to Mr. and Mrs. Gill's wonderful facility for making friends and winning the esteem of their customers. It is perhaps because they take an interest in other people and appreciate the patronage extended to this business.

During the time that they have operated this business, they have been keenly observant and alert to the conditions and needs of the community and have taken a pronounced and well noted position in matters affecting the welfare of this section.

The area is indeed fortunate to have such qualified persons who figure in its business life, and there is no better assurance of continued prosperity and growth for the area than to have friendly business people like Clint and Betty Gill.

Charles Howze

Three factors are paramount in attaining success. Your ability to do the job, your capability for getting along with the people you serve and work with, plus your actual desire to do the job well. Mr. Charles Howze of Howze Electric at 104 S. Forest Ave., Highlands County's only Gibson Appliance dealer, with his work and merchandise as an assurance of his ability, realize that many are held back by their lack of the human relations level, so in all business dealings the utmost in courtesy has been maintained and thus as many have realized, the job is a pleasure.

He has applied himself with all his skill and enthusiasm in the operation of his electrical contracting and appliance business, and this has proven profitable for him and his customers.

We compliment Mr. Howze on his standing in the business life of this area and thank him for his contributions to our area as a good citizen in community affairs.

Bill Owens

Through the years Ford Motor Co. has been recognized and respected as one of the leading automobile manufacturers in the United States, so it's only natural that the name of our local Ford and Mercury dealer, Mr. Bill Owens of Avon Park Motor Co. at 1 N. Verona Ave., should be mentioned in this review. It is only natural that people have preferred the special treatment and consistent quality they receive in this form and Bill has been wise in supplementing Ford's tried and true principles of service with the same generations, with special skills in dealing with the progressive business world.

He can unquestionably be counted with the really fine citizens of this area for he boldly states, "I am looking forward to doing business in the same place under the same ideal conditions. Being appreciative and dedicated to the people of this area, he has never refused to do his part for community advancement. Men such as this, without show, form the backbone of community living for they are honest, sound and up-to-date.

Edgar Johnson

The continued confidence people of the entire area have had in the trailers, trailer supplies, repair, storage, gas refueling and electric brake service offered by Sunny Ridge Industries of Avon Park, has made the business, and Mr. Edgar Johnson the man behind it worthy of mention in this review.

Maintaining the traditions of the past and merchandise of the present, this business has prospered even in today's competitive business world.

Mr. Johnson has shown a keen interest in the Avon Park area and therefore understands and appreciates local conditions. His thorough knowledge of this business and his honesty in all dealings has placed him in the group of those responsible people who aid in making this a good section.

Edgar Johnson and this business have merited the approval and good will they now enjoy and we are sure that they will continue to do well.

Gene Barker Harold Barker

Today, as in our pioneer past, progress is made by men who refuse to be satisfied with the success of bygone years. Mr. Gene Barker and his son, Harold Barker of Barker & Son Garage on E. Cornell, deserve the highest praise for being on the job with everything it takes—specialized training plus the equipment and talent needed to serve you swiftly, accurately and economically.

Gene and Harold worked hard to keep stride with the tremendous advancements in auto repairing and are constantly adding services as customer needs increase. They are not only aware of responsibility to their customers but to the community as well, and cooperatively work together with the good citizens who aim to make Avon Park a happy and prosperous place today and tomorrow.

Just as the history of the community is one of continued advancement, so is the progress report of Barker & Son Garage and the Barkers are to be commended for the efficient combination assuring future prosperity for both.

Clay Williams

The aim of Mr. Clay Williams to establish and maintain a water softening and plumbing service to meet the ever-growing needs of this area, has been fulfilled and the section can be proud to have this business in its general trade area.

Mr. Williams has shown a keen business judgment in having Clay Williams Plumbing Repair & Service on Hall St., large enough to provide the services expected of a modern firm; efficient, to give fast attention to the customer's needs; and small enough to know his customer and to extend his personal interest that is a part of every business transaction.

Clay is included in this review, however, not for his business alone, but also because he has always been one of the really good citizens who can be depended upon to go along with progressive civic projects. The fact that he finds time for these projects marks him as a man with pride in serving his neighbors and a desire to make this area a better place for all.

Charles Hoke

Believing that the factor of individual initiative has been the secret of personal and civic progress, Mr. Charles Hoke of Avon Park Bank at 2 W. Main, has conscientiously worked to improve the service of the institution and has exerted the same energy toward doing his part for community progress. He and the bank deserve prominent attention in a review of this type, although the fine qualities of both are well known to the people of this area.

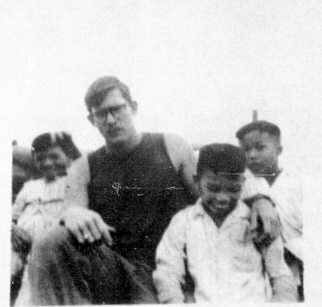

As in any business, the most serious responsibility is to maintain a successful and sound business. Much time and effort has been used in securing efficient and courteous personnel for the Avon Park Bank and a host of satisfied customers prove that the effort has not been in vain.

With such men as Mr. Charles Hoke in a position where he may play an important part in the business life of the area, the section is destined to grow and prosper.

Robert Barringer

It is Avon Park's good fortune to have attracted Mr. Robert Barringer with his expert restaurant business skill, to the area and it is a pleasure to highlight his service at the Griffith's Restaurant on U. S. 27.

He attributes his ability to serve better food to his personal knowledge of good food and the art and dedication needed to prepare it properly. We commend him for his willingness in knowing that to make the best you must begin with the best and to his assembling of essential help, working with us in mind—your pleasure. Mr. Barringer has the perfect solution to expert restaurant operation—begin with the best ingredients, cook with extra care, employ special people with skills and personal interest and the result is a restaurant such as the Griffith's Restaurant where the food is nourishing and reasonably priced. We are sure that he will continue to maintain his high standard in the business life of the area for many years to come.

PFC GARRY M. PARRISH now in the army, graduated from basic training May 23, 1969 at Fort Benning, Ga., and graduated from combat training July 25, 1969 at Fort Polk, La. Now is stationed at Vietnam. Brentwood Mobile Court News

Mrs. Allen (Deborah) Finch and infant daughter, Jennifer left Sunday for their home in Rochester, Mich. after visiting for 10 days with her parents, Mr. and Mrs. Dana Dedrick, of Grover Hill, Ohio and Brentwood Mobile Court.

James J. Miller, father of Mr. Dana Dedrick who spent the winter at the Jacaranda Hotel left for his home in Grover Hill, Ohio last Wednesday.

Patricia Lewis left Sunday for her home in Detroit, Mich. after spending 10 days with her parents, Mr. and Mrs. D. J. Lewis in Brentwood Court.

Her cousin, Marlowe also left for his home in Detroit on Sunday. Marlowe is the son of Mr. and Mrs. Frank Straka.

Nancy and Don Brown of Farmington, Mich. friends of the D. J. Lewis' and Frank Straka spent a week in Avon Park. They returned to their home on Friday.

All our visitors had a wonderful 10 days, swimming, boating and laying on the beach, but now that they have returned to the cold North, the court is so quiet and we miss all of them. We are happy so many families could have their loved ones with them through the Easter holidays.

Orley and Ruth True had a big day Saturday—they entertained a group of retired employees of Chrysler Corporation of New Castle, Ind. Those who came were Mr. and Mrs. Charles Pizzuto of Largo, Mr. and Mrs. William Blum of Lakeland, Mr. and Mrs. Adam Weintraut of Avon Park Lakes.

Others who could not attend due to illness were Mr. and Mrs. Roy Beard, Mr. and Mrs. Forrest Ratcliff, Mr. and Mrs. Allen DeWorpe, all of Winter Haven, Mr. and Mrs. George Woods of Ocala, Mr. and Mrs. David Williams of Port Charlotte, Mr. and Mrs. Roosevelt McGraham of Punta Gorda, and Freda Hayes of Largo.

The day was spent with the usual conversations of retired (old people).

Mr. and Mrs. Russ Minges and family spent a few days with Mary and Gus LaPorte on their way to Key West before returning to their home in Michigan. Mrs. Minges is the daughter of Mary and Gus.

Mr. and Mrs. Bill Goad spent Tuesday in Tampa, shopping.

Mr. and Mrs. Bernhard Lundvall of Hamilton, Ont., Canada are visiting Ellen and Victor Nymen for a week.

Mr. and Mrs. Ed Tappert of Traverse City, Mich. stopped to say hello on Monday to their friends Ruth and Walter Rogers, Helen and Frank Straka, Arveda and Dave Lewis on their way to Ft. Lauderdale and Miami.

Mr. Tappert will attend an insurance convention in Miami before they return to Traverse City.

An April Fool's Day cocktail party at Brentwood Mobile Court was a big success to judge by comments going around that evening and the next day. Much of the credit for this success is due to the committees who planned and carried out preparations for the event. Co-chairman headed an inspired and hard-working committee: George and Mildred McMillan, Russell and Alice Rhodes, Howard and Velma Lescow, Paul and

To Live better "in the 70's" this summer... check your air conditioning NOW!

Pick a warm day soon and turn on your air conditioning. Summer's just around the corner—and so's your air conditioning service-man.
Is every room as cool as you like it? Need new filters? Repairs? Maybe it's time for a new unit. Or a whole new system.
Have you asked about heat pumps... for automatic year-round comfort?

And if you do not yet enjoy the blessings of air conditioning, now is the time to install it. Because many dealers and contractors offer off-season inducements. Many offer attractive easy terms.
Before you know it, summer weather will arrive. For the sake of your own cool comfort, for the sake of economy, check your air conditioning now!

check list for efficient, economical air conditioning

- FILTERS** Replace filters frequently. Clogged filters make unit work harder and cause higher operating costs.
- OUTDOOR SECTION** Keep clear of plants and other obstructions. Anything that interferes with air flow makes unit work harder.
- RETURN AIR GRILL** Keep furniture or drapes clear of grill. Anything that interferes with delivery or return of air will not allow unit to cool properly.
- WINDOWS AND DOORS** Use drapes or provide outside shading to shut out heat from the sun.
- INSULATION** Adequate insulation will result in lower operating costs. Proper attic ventilation increases the effectiveness of insulation.

operating hints:

- TEMPERATURE SETTING** For economy set the thermostat at the highest comfortable temperature. (Usually about 78°)
- FAN SETTING** Operate the fan on "Auto" or "On" for your individual comfort. "Auto" gives best summer humidity control and economical operation. "On" gives more uniform air motion, sound level, and room to room temperature.
- AWAY FROM HOME** Operate your air conditioning unit at 6° to 10° above normal setting with fan on "Auto" for mildew protection and quick comfort when you return.

SAVE \$50 Remember... any Florida Power Corporation residential customer who removes flame-type heating and replaces it with whole-house electric heating and cooling between now and May 31, 1970 will receive a \$50 installation allowance from us. (Minimum capacity, 18,000 BTU's.) Ask your dealer or contractor for all details.

Think you can't afford an Olds? Here are two reasons to think again!

Our own surveys indicate that quite a few people think an Olds costs a lot more than it really does. Result? Many people buy an ordinary car and end up with a lot less car and value for their money.

It's so unnecessary, too, because Oldsmobile has many models that are priced right down with so-called low-priced cars. See your Olds dealer. He'll prove that you're closer to Olds than you think.

Cutlass 88: The sporty Olds priced right down with the low-priced names, included as standard equipment: Replaced wheels. Hidden antenna. Deluxe steering wheel. Wide-toe carpeting. Door side-guard beams. Flo-Thru Ventilation. Rocket V-8. Bumper. Sealed tires. Foam padded seats.

Delta 88: The big Olds with the surprisingly modest price. Included in that price: Power steering. Power front disc brakes. Regular-car Rocker V-8. Bigger 124-inch wheelbase for a smoother, quieter ride. All the room and comfort and luxury you could ever want.

Avon Park Youth Killed In Auto Accident Wednesday
A 9-year-old Avon Park girl was killed by a truck as she ran across Wauchula Road (State Road 64) about 7:15 A.M. Wednesday toward the school bus stop.
The victim was Eliza Louise Clements of Wauchula Road.
The driver of the truck was identified by Trooper Frank Williams of the Highway State Patrol as Sherry Dirksel, 29, of Bowling Green. The child was struck by the right side of the truck and thrown under the wheels.
The driver saw the child approaching and applied the ve-

Bradberry
Receives Music
Scholarship
Mike Bradberry, Avon Park High School senior, received a \$1750 scholarship per year at the University of Miami School of Music in Coral Gables. Mike, solo tuba player in the Avon Park "Grenadier" band, plans to study music education and become a band director. Mike has made solo ratings on the tuba at district and state Florida Bandmasters Contests for the last five years. He also is the student conductor in the band and has made superior ratings at contests for the last two years. He has attended the Gatorland Music Clinic at the University of Florida in Gainesville for the past four years and was offered a scholarship to the "Gator" Band. He has attended the All State Marching Clinic for three years and played in the All State Concert Band at the state music conventions for the past four years. He attended the University of Miami Band Camp last summer and was chosen to return this summer as a counselor. Mike also went to Tallahassee last summer as the Boys State representative. He is the son of Mr. and Mrs. J. H. Bradberry.

City Council Hears Results Of Traffic Radar Check
The Avon Park City Council heard a report Monday night on a radar unit, borrowed from the city of Sebring last week, to check parts of town for 28 hours and 50 minutes and resulted in 38 arrests of unlawful speed. With the exception of one, all the arrests stemmed from 15 to 35 miles in excess of posted speed limits. Some of the council members voiced a feeling of em-

Modified Desegregation Plan Adopted By School Board

Modified Desegregation Plan Adopted By School Board
A modified desegregation plan transferring all students out of E. O. Douglas School for the 1970-71 school year was adopted by Highlands County School Board at its April 9 meeting. The plan which provides for closing of all-Negro Carver School at Highway Park and assigning of all Avon Park fifth graders to Hopewell School, passed on voice vote with Ted Cason casting the lone negative vote. Highlands School Superintendent G. F. Douglas explained that the new desegregation plan provides for Douglas to be continued as a special county-wide school offering individualized instruction in a non-graded school, but no students will be assigned there by the administration. Admission will be restricted to the basis of individual application, all applications to be filed by May 8. For the April meeting the audience again overflowed school offices at the court house and sent the school board into session in the courtroom. School Attorney Frank Bryant appeared at the meeting and explained a federal Health, Education and Welfare attorney had agreed the E. O. Douglas program is "satisfactory, innovative, ought to be encouraged, but it will end up as an all-black school like it was before," Bryant said. "I think the Douglas program has merit and I think we should fight for it."

City Receives \$7,253 On Cigarette Tax

City Receives \$7,253 On Cigarette Tax
State tax collections on cigarette sales in February amounted to \$9,108,777, an increase of 221 per cent from February of 1969, the Department of Business Regulation reports. Highlands County will receive \$1,601 as its share of the tax this month. That compares with \$1,579 the county received in April of last year. It brings total payments for the present fiscal year to \$15,548. Three communities in the county sharing in cigarette tax funds and the amount each is to receive are: Avon Park, \$7,253; Lake Placid, \$1,034; and Sebring, \$10,184. Packages sales for February totaled \$9,986,112, an increase of 221 per cent from February of last year.

GEORGE A. KELSEY

Behind the leading Devil batter, shortstop Dever Hart with a .357 batting average, the Avon Park batters scored 11 runs in the 12 games on 55 hits. The Devils lost only to Frostproof twice and had no losses in Okeechobee and Sebring. The two Devil opening games were cancelled because of basketball schedules and rain and then another regular season game was rained out mid-way in the season to shorten the Devil schedule to 12 games. Playing on the Avon Park squad in the game tonight will be Ricky Dick behind the plate and probably Don Siemore on the mound. The infield should have Clark

Elementary Principal To Retire

Elementary Principal To Retire
George A. Kelsey will retire at the end of this school term after serving 46 years in Florida schools. He was principal of the Avon Elementary School and 45 years in Highlands County. Other schools in the county where he has served are Hicoria five years, Lake Placid six years, Venus two years, Brighton three years, and De Soto City 10 years. Mr. and Mrs. Kelsey have three children who received their high school education in Highlands County. His son, Stanley, and daughter, Anibel, graduated from Sebring High School and his younger daughter, Sandra, graduated from Avon Park High School. Stanley Kelsey is now attending the University of Florida where he will receive his Master's degree in June. Anibel, (Mrs. Gordon Tyrrrell) married her home in Pensacola where her husband is in the auto parts business. Ty Tyrrrell will be in Tallahassee for a couple of months this Spring as Mr. Tyrrrell is a State Representative from Escambia County. Sandra, (Mrs. R. D. Reddick, Jr.), now lives in Tampa where Mr. Reddick is a dental supply salesman. Mr. Kelsey has seven grandchildren to help make retirement worthwhile. Mr. and Mrs. Kelsey plan to continue to make Avon Park their home after his retirement.

Jackson at first. Steve Hart at second. Dennis Hart at shortstop. And Greg Albright at third. The outfield was being Eddie E. Howard, Sizemore, Mike Bawell, Keith Richards, or Jarvis Hart. Also on the team ready for action are first-sacker Bill Smith who covers that spot when Jackson pitched.

Baseball fans are urged to come out tonight to see the Red Devils in the tournament. The Red Devil variety baseball team blasted to a strong finish by knocking off arch-rival Sebring Tuesday night with a score of 4-2 and then winning over Fort Meade 5-1 last Friday night and taking the Avon Park season win, a record of 8 wins and 4 losses and placed the Devils in the Class B Group 6 tournament with an overall fourth place seeding and a second in the group which will be held here starting tonight at 8 P.M. Temple Santa Fe in the first game and Avon Park will meet Mulberry in the 8 P.M. game.

Avon Park 4 - Sebring 2
The Red Devils spotted Sebring a run in the second inning in the big game a week ago last Tuesday but then came back to push two runs over and go ahead in the fourth frame. The Devils added another run in the fifth and the fourth run in the bottom of the sixth to ice the game down. Sebring scored its second run in the top of the seventh.

Don Sizemore went the distance for Avon Park. The young lefty gave up four scattered singles, fanned 8 batters, and walked only four as he posted the win for the Devils. The Red Devil batters also got four singles off Sebring hurler, Jack Miller. Dennis Hart singled first in the fourth inning after Sizemore was safe on a throwing error by the Sebring pitcher. Then a throwing error by the Sebring pitcher on Clark Jackson's ground ball let Sizemore and Hart in to put the Devils out front.

In the fifth frame, Howard Sizemore led off with a single, was sacrificed to score, and came home when Don Sizemore singled. Steve Hart singled in Clark Jackson. Clark Jackson's final run in the sixth. Jackson struck out but made first when the ball got by the catcher in the event to second on a passed ball and was driven in by Hart's single.

Avon Park 5 - Ft. Meade 1
Last Friday night the Red Devils jumped on Miner pitcher T. Sharpe in the first inning and scored four runs on two singles, two walks, and four errors.

Danny Albright pitched the Devils to the win as he held the Fort Meade batters to two singles and one double, gave up one run, struck out 11 batters and walked six. The junior right-hander held the Fort Meade team in check as he posted his second mound win against no losses.

The Red Devils got 5 hits off losing hurler, Sharp. Don Sizemore, Dennis Hart, Clark Jackson, Steve Hart, and Danny Albright all singled for the winning team. In the first inning Don Sizemore singled after two men were out. Then Dennis Hart walked, and Clark Jackson walked. Steve Hart reached first with a walk and all four boys scored as the Miners committed four errors.

In the top of the sixth the Devils scored another run when Greg Albright drew a walk, stole second and came home on an error by the shortstop on Ricky Dick's grounder. The Miners scored their lone run in the last inning. Sharpe was safe on a fielders choice and then the

catcher, Harvey, doubled to drive Sharpe in with the run before Albright fanned the last batter to end the game and give Avon Park its seventh win.

AP 2 - Winter Haven 0
Last Saturday night the Winter Haven Blue Devils met their match when the Avon Park Red Devils shut them out for the 2-0 defeat. Winter Haven came into the game with a 10-7 record.

Clark Jackson was the starting pitcher for Avon Park. He tossed 4 1/2 innings of scoreless, hitless ball but put the first two men on in the top of the fifth and was relieved by Don Sizemore. Sizemore finished out the game allowing one hit as he faced only 9 men in the 2-0 victory.

The mound win went to Sizemore, however, because the Red Devils scored the first run in the bottom of the fifth inning. With one man out, Clark Jackson reached first on a single. Then Greg Albright followed suit and boomed out another triple to drive in Jackson. Mike Bagwell came up next and singled in Greg before the Winter Haven team could stop the threat.

Also hitting safely for Avon Park were Dennis Hart, Steve Hart, and Clark Jackson. Each of the four scored a run in the big game a week ago last Tuesday but then came back to push two runs over and go ahead in the fourth frame. The Devils added another run in the fifth and the fourth run in the bottom of the sixth to ice the game down. Sebring scored its second run in the top of the seventh.

Don Sizemore went the distance for Avon Park. The young lefty gave up four scattered singles, fanned 8 batters, and walked only four as he posted the win for the Devils. Lions Club News

The rafters really rang and echoed at the Lions Den on W. Bell St. on the evening of Tuesday, Apr. 7. The extra in quality and considerable extra in volume over the sounds of the usual song fest was a gift of George Walper, who provided unaccompanied piano accompaniment. George, who is also administrator of Walker Memorial Hospital, served as guest speaker and was well commended for a job well done in both assignments.

George presented an interesting review of the hospital's history, from the acquisition and renovation of the original buildings to the construction of the south wing in 1964 and the chapel and laboratory units in 1967. Some eye-opening statistics include a record of over 48,000 patients processed through the years and 8,000 new born citizens presented to the hospital.

Translated in practical economic terms, these statistics mean that the hospital carries a full time payroll of about 245 employees, whose total earnings consume 66 percent of the hospital's income. Since hospital income depends upon charges for hospital services, George made the point that daily rates are largely governed by what the community sets as the price for the services. The several classes of employees needed to operate the hospital.

Other economic contributions to the community were discussed in the form of capital invested in new buildings or in major improvements to existing structures in the hospital complex. The business and labor community, for example, look forward to modernization efforts to be placed under contract in the near future. The hospital Board of Governors plans to put over \$1 million into new surgical, obstetrical, laboratory and intensive care facilities, as well as the replacement of all bed facilities in the old building.

Should a Federal grant be applied for to become a reality, plans are to put additional capital expenditures to the old building in entirety.

Lion business for the night was limited to the placing of a new slate of club officers in nomination and their election in a unanimous ballot. All Lions are asked to mark their calendars for Tuesday, June 16, to assist in the election of officers.

Quality Improves
Mrs. Sallie also points out that the quality of food offered through the commodity program has increased interest in participating.

Last month, Director Heacock reported that cheese, canned fruits and vegetables were distributed along with the old "hand-outs" of grits, beans, corn meal, etc.

One new policy of the Division of Family Services which is contributing to the growth in the commodity rolls is the "work incentive" approach. Mrs. Sallie explains that welfare policy at one time required that families who had been on welfare be dropped from commodity rolls as soon as the head of the household got a job.

Bobby Sizemore Donates Kidney To Brother

Bobby Sizemore, 23, of Avon Park left Monday, April 13, for Birmingham, Ala., where he will give one of his kidneys to his brother, Harold Sizemore, who for the past two months has been on the kidney machine in the hospital.

Harold, a welder in the airplane business in Dothan, Ala., has been the victim of a kidney disease for the past six years.

Harold, with two other brothers, George D. Othman, and Charles Benny of Pensacola, spent three days in January at the Veterans' Hospital undergoing tests. Bobby's kidneys were the best match for the transplant operation that will take place April 20 by Dr. Deheilm, surgeon.

Bobby, employed by V & W Farms is married to Mrs. Susan Sizemore and has two sons, a four-month-old son, Donald Ray.

The parents of Harold and Bobby, Mr. and Mrs. E. B. Sizemore of Frostproof will leave this weekend and will be at the hospital for the transplant.

Some of the friends in the park did not receive their March copy of the bulletin of Federation of Mobile Home Owners of Florida. We talked to Edna Senger and she secured from Mr. Myers a number of copies of the March issue and brought them to us. We received our copy and Mr. Overholt got theirs. We are placing these bulletins on the TV in the hall and please feel free to take a copy. The April issue will be mailed soon. We do not know how this mistake occurred and hope you will take a copy.

Nothing has been published as yet on the legislation of the proposed increase of the price of tags for mobile homes. This may be published in the April or May issue, or may possibly not be brought up until later. In our interest we are asked to write to the committee in charge expressing our individual views on the matter. Number of the bill, the committee address will be given in the bulletin. This bulletin is published for eight months the year—beginning October and including May. It does not come first class and for November, if you wish to contact the postman, we are sure it can be arranged to be forwarded to your home in the North.

Eight played shuffle Friday afternoon. Byron Jerney with a score of 76 to 65. Consolation winners were Harold Arms and Myrtle Heffernan over Dorcas Young and Laura Brown with a score of minus 2 to 81.

The Paxtons were in Orlando Thursday to see their cousin, Claude Paxton, who is working at the Ben White race track through the Winter. However, he had returned to his home in Indiana and in a few weeks will join his employer in Massachusetts for the Summer. They were much disappointed not to see him but did enjoy a nice dinner at the Trade Winds in Orlando and later stopped at Cypress Gardens near Winter Haven.

An impromptu picnic supper in the nature of a farewell party for those leaving this week, was enjoyed by 34 people on the lawn at the park Saturday evening. The weather was ideal and everyone enjoyed the nice variety of food.

Mr. Ruth Engle of Alhambra, Calif. was a guest of Hetta Cook and Harriet Meisel over the weekend. Linda Dan drove her car and took Emma Gerdes, Evelyn Fritz, Winnie Lamm, and Betty Pardue to Lakeland Thursday to spend the day with Ida and Art Seltzer at Holiday Mobile Home Park. They enjoyed the day and found the Baldwin quite well. They will be leaving for their home in Michigan in a few days.

Winnie and Barbara Lumpkin and Eleanor Pardue attended the Passion Play at Lake Wales Thursday night. Friends in the park heard from the Maxwells. They had driven 465 miles the day they wrote and hope to get home Thursday also. Friday of last week they were feeling fine.

Blanche Kincaid returned home from Walker Memorial Sunday, and is slowly recuperating. She says it is so hard to get home, that every one in the hospital, in the park and elsewhere have been so wonderful to this Elmer is feeling better at this writing after a re-occurrence of the flu.

The Harry Barths, Eleanor Pardee, Robert Elthorpe and his daughter-in-law left for their home Monday. Eleanor Pardee makes the trip with the Barths. The Dinnwells and the Beavers left last night. We wish them all a safe journey home and a nice Summer.

Hetta Cook and Harriet Meisel visited the Stanley Shillines at Orange Villa Estates Court at Sebring, Fla. on the Lloyd Carpenters on Alternate 27.

ELIZABETH CLARKE Phone GL 3-6733

President Russell Smith made the following appointments for the coming year: shuffleboard, Burdette Howard, David Dickerson, Herman Wurster, Charles Roselli and Walter Swyers; membership, Clay Kull; pinocle, Allene Howard and Loretta Simpson; bridge, Bertha Brush; duplicate bridge, Jean Ludington.

Crafts, Hallie Wetmore; dance, Glenn Long; entertainment, Paul Swearingin; supper, Summer, Arlene Lane, Walter, Mildred Ribordy and Minnie Swanson; kitchen, Minnie Brown; name pins, Alton Wetmore; shuffleboard, Lloyd Wyant; Sunday sing, Harry Brown; news, Elizabeth Clark; auditors, Clay Kull, Maynard McKinnon, Earnest Roughten and William Baxter.

Shuffling

On Wednesday with 13 courts in play the main winners were Ellen Coombs and Alton Wetmore over Dorothy Gruber and Ernest Thomas. Ross Hoffman and Doc McAlexander won in consolation with Everett Paxton and Fred Turner the runners-up.

Tillie Retter and Leo Wagner won on Saturday evening with Robert McBeth and Chris Steen the runners-up. Consolation winners were Rosa Krontz and John Wolf over Margery Faulkner and Helen Gaut. There were 17 1/2 courts in play.

Card Games

On Monday afternoon in pinocle the winners were Sarah Spindler with 785 and Allene Howard with 733. Five tables were in play.

On Tuesday afternoon in bridge the high scores went to Harry Lyons with 5140 and Stella Moon with 4388. Three tables were in play.

In duplicate bridge on Thursday there were seven tables in play. North-south winners were Vi Leach and Vangie Gleason, Eleanor and Joe Nickerson, and Lillian and Maurice Brevoort. East-west winners were Bertha Brush and Herman Wurster, Elizabeth Clark and Ed Bates and Mabel and Chris Cabezas.

Crafts

The ladies are still gathering to learn "How To" on Thursday mornings. But April is the last session. It has been a very successful season, so says Hallie Wetmore, who enjoys heading up the teaching the many things that women can do with their hands.

Dances

Monday and Friday evenings are the evenings when folks gather to trip the light fantastic, which everybody enjoys with Art Gorsuch directing.

Saturday Supper

The long table was nicely decorated with roses for the supper on Saturday evening. The Ladies Aylings and the Maurice Brevoorts hosted the 45 folks who came to enjoy the fellowship of eating together.

Hazel Higgs gave the table prayer and Agnes Dentler accompanied the group in singing the Doxology.

It was reported that Harmon Heffner, Ray Mullin and Ann Rugio have been released from the hospital. Blancher Kirocfe is still in the hospital, but ready to return home when her husband's bad cold is better.

Grace Wallace is recovering from the surgery of having a pin out in her hip.

Ethel Weaver is quite ill in the hospital.

Marie Kramer, Sam Walton and Ray Johnson entered the hospital this past week.

After a few jokes told by Earl Ayling and a birthday poem read by Lillian Brevoort, the group dispersed to their various activities, cards and shuffling.

With the new member Marian Buck of Erie, Pa., our membership roll now stands at 740.

President Russell Smith and his wife, Mary, have returned to their home in Tiro, Ohio, for the summer months.

The reason the Harold Wolcotts are returning to their home early this year is their granddaughter, Ruth Ann Russell, will be coming home as a bride. Eric Slovak, they were recently married in Vienna. There will be a reception in Rolling Prairie, Ind., when the bride and bridegroom arrive home in May.

George and Orpha Mills took a delightful trip by the boat "Boheme" to some of the Islands. Stopping at Freeport on the Grand Bahama, St. Thomas Island, San Juan in Puerto Rico and Haiti. Others going on the tour were, Yonna Beall, Gertrude Fentemaster and Norman and Jane Darling.

Mr. and Mrs. Charles Brush entertained their son and wife, Mr. and Mrs. Edwin Ireland, and their granddaughter and husband, Mr. and Mrs. Larry Duer and their two children from St. Petersburg, over the weekend.

Hopewell Waging War On Litter

Students of Hopewell are waging a war on litter. The campaign started this week. The students hope to improve the looks of the campus. They will be observed by the teachers and those students who pick up trash, use the trash cans properly, and help clean up the grounds, will be issued a permit to enter the poster contest which begins April 20. All posters will be on display in the library Thursday, April 23, and Friday, April 24. Judges will view them, and award blue and red ribbons in each of two divisions—grades two through four, and grades five through eight. On Monday, April 27, special awards will be presented by the principal, Mr. Sims.

A PICTURE of Milton Stokely, Jr. was chosen for the cover of the Air Force ROTC brochures that is being distributed to some 10,000 students in about 145 universities across the country. Stokely is the son of Mr. and Mrs. Milton Stokely of Avon Park and a graduate of Avon Park High School. Milton graduated from Auburn University last year and now is employed by the university as their chief pilot. He also teaches ground school classes for the ROTC students.

Notice of School Desegregation Plan Under Title VI of the Civil Rights Act of 1964

This notice is made available to inform you about the desegregation of our schools. Keep a copy of this notice. It will answer many questions about school desegregation.

SECTION I. DESEGREGATION PLAN IN EFFECT

The Highlands County public school system is being desegregated under a plan adopted in accordance with Title VI of the Civil Rights Act of 1964. The purpose of the desegregation plan is to eliminate from our school system the racial segregation of students and all other forms of discrimination based on race, color or national origin. Your school board and the school staff will do everything they can to see to it that the rights of all students are protected and that our desegregation plan is carried out successfully.

The plan originally adopted on June 25, 1965 was based upon a non-racial attendance zone. This plan has subsequently been amended by a Resolution adopted March 12, 1970, establishing the following grade, program, and attendance arrangements.

SECTION II. ATTENDANCE AREAS

AVON PARK ATTENDANCE AREA:

All students in Grades 1 - 6 are assigned to the Avon Elementary School to be housed at the following center:

Grades 1 - 4 will attend the Avon Elementary School on West Windthrop Street.

All elementary students in Grade 5 will attend school at the Hopewell School located on 200 East Fourth Street.

All elementary students in Grade 6 will attend school at the Lake Avenue Annex of the Avon Park Junior-Senior School.

All students in Grades 7 - 12 in the Avon Park Area will attend the Avon Park Junior-Senior High School.

SEBRING ATTENDANCE AREA:

All students in Grades 1 - 6 previously assigned to the E. O. Douglas school will attend the following centers:

Grades 1-2-3-4 will attend the Woodlawn Elementary School located on Glenwood Avenue.

Children previously assigned at E. O. Douglas in Grades 5 & 6 and living north of Lemon Street will attend the Woodlawn School.

All students in Grades 5 & 6 previously assigned at E. O. Douglas, living south of Lemon Street will attend the Fred Wild Center.

All students in Grades 7 & 8 previously attending E. O. Douglas will attend the Sebring Junior-Senior High School.

All remaining attendance areas in the Sebring Area will remain the same as for 69-70. Namely, Grades 1-2-3, living north of Knielworth and west of Highlands Avenue, within the city limits, will attend Woodlawn.

Grades 1-2-3, south of Knielworth Drive, outside the city limits and east of Highlands Avenue, will attend DeSoto City.

All students in Grades 4-5-6, living south of Knielworth Drive, will attend Fred Wild.

LAKE PLACID ATTENDANCE AREA:

All students in Grades 1 - 6 will attend the Lake Placid Elementary School.

All Grades 7 - 12 will attend the Lake Placid Junior-Senior High School.

SECTION III. TRANSFERS

Any student may transfer from the school in his community to any center within the system upon approval of the Superintendent when proper request is made on the official transfer form available at all school centers and School Board Office.

The completed transfer form must be turned in to the office from which it was obtained by May 7, 1970.

The following conditions will be considered in allowing the transfers:

- To continue or initiate a course of study not available in the school.
- To attend school with member of family.
- Special needs such as physical, or other handicaps as identified by parent, doctor, etc.

SECTION IV. PROGRAM INFORMATION

- All Elementary grades offer the same course of study.
- All Junior and Senior High School basically the same instructional program.
- SPECIAL PROGRAMS
 - Special Instructional Program will be offered at the E. O. Douglas Center organized upon a pattern of skill levels rather than the traditional grade assignment. Experiences will include from pre-school through the upper middle school level.
 - Primary emphasis of the program is personalization to be achieved by innovative practices and will include but not be limited to the following:
 - Individualized program for each child.
 - Special programs for reinforcing communication skills.
 - Continuous progress from skill level to skill level in place of annual grade progression.
 - Availability of elementary guidance specialists.
 - Continuous staff development under consultative assistance from the University of South Florida.

SECTION V. GENERAL INFORMATION

1. ALL OTHER ASPECTS OF SCHOOLS DESEGREGATED

All school-connected services, facilities, athletics, activities and programs are open to all on a desegregated basis. A student attending school for the first time on a desegregated basis may not be subject to any disqualification or waiting period for participation in activities and programs, including athletics, which might otherwise apply because he is a transfer student. All transportation furnished by the school system will also operate on a desegregated basis. Faculty and staff members will be assigned to positions so that each staff and each faculty in each school will have approximately the same racial balance as any other school with only minor percentage variations.

2. ATTENDANCE ACROSS SCHOOL SYSTEM LINES.

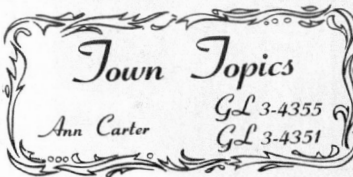

No arrangement will be made, or permission granted, by this school system for any students living in the community it serves to attend school in another school system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin. No arrangement will be made, or permission granted, by this school system for any students living in another school system to attend school in this system, where this would tend to limit desegregation, or where the opportunity is not available to all students without regard to race, color or national origin.

3. VIOLATIONS TO BE REPORTED

It is a violation of our desegregation plan for any school official or teacher to influence or coerce any person in the making of a choice or to threaten any person with penalties or promise favors for any choice made. It is also a violation of Federal regulations for any person to intimidate, threaten, coerce, retaliate or discriminate against any individual for the purpose of interfering with the free making of a choice of school. Any person having any knowledge of any violation of these prohibitions should report the facts immediately by mail or phone to the Office of Civil Rights, Department of Health, Education & Welfare, Washington, D.C. 20202 (telephone 202-682-0333). The name of any person reporting any violation will not be disclosed without his consent. Any other violation of the desegregation plan or other discrimination based on race, color, or national origin in the school system is also a violation of Federal requirements, and should likewise be reported. Anyone with a complaint to report should first bring it to the attention of local school officials, unless he feels it would not be helpful to do so. If local officials do not correct the violation promptly, any person familiar with the facts of the violation should report them immediately to the Department of Health, Education & Welfare at the above address or phone number.

Mrs. A. C. Wester Hosts Garden Club April 9

The Founders Circle of the Garden Club of Avon Park met at the home of Mrs. A. C. Wester on Thursday at 9:30, April 9, with Mrs. J. B. Wainwright as co-hosts.

After coffee and refreshments the meeting was called to order by president, Mrs. C. E. Lanier gave a most informative and interesting talk on African violets.

Mrs. Thomas R. Clarke had a large selection of her African violet plants on display. Mrs. Arthur J. Irwin also brought some.

The next meeting will be held May 14.

Grange Members Attend West Palm Beach Meet

The following members of Ride Pomona Grange No. 10 attended the Florida State Grange session at the downtown Holiday Inn of West Palm Beach April 8, 9, 10 and 11: Earl Nickerson, Mrs. Eva Nickerson, Mr. and Mrs. Beverly Parker and Mr. and Mrs. Barney Reas of Wauchoila, Mr. and Mrs. Humphrey Williams of Lake Placid, Mr. and Mrs. Henry Hunt of Sebring, Mrs. W. H. Clarke and Mr. and Mrs. E. H. Fullmer of Avon Park. The latter were elected delegates to the Florida Grange, and the others are officers.

At the memorial service, special mention was made of the death of Sherman K. Ives who died March 31. Mr. Ives organized 14 of the Florida Subordinate Granges in 1961 and was elected the first Master of the Florida State Grange. His widow donated \$25 to the student loan fund as a memorial to him. Many hours were spent by the delegates studying resolutions submitted by the Granges of Florida. Some of these will be taken to Tallahassee and presented to the legislature for consideration.

THE SERENADERS Male Quartet will be another fine program that the Community Concert Association has planned for this coming season. Time for buying tickets have been extended for

another week giving everyone time to purchase their tickets. You may contact Alma Hooper at the Chamber of Commerce for information.

Nurses

Guest speaker for the April meeting of Division 33, Licensed Practical Nurses Association will be Dr. A. H. Foster. His talk will be about "Blood Transfusion, the why's, wherefore's, and peculiarities."

The lecture is set for 8 P.M. on Tuesday, Apr. 21 at Highlands General Hospital.

Ford Will Honor Top Salesmen

Joe Mazze of Avon Park Motor Co., Avon Park, will be among Ford dealerships, salesmen honored for their outstanding sales performance during 1969 at a banquet here April 18.

The salesmen will receive 300-500 Club membership pins during the banquet. The 300-500 Club was founded 20 years ago to recognize the performance of outstanding Ford salesmen throughout the country. About 13,000 of Ford's 27,500 salesmen from coast-to-coast were eligible for membership in the club in 1969.

"Excellent retail sales performance is the basis for entry into the 300-500 Club," said A. C. Walker, Ford District Sales Manager. "The average member sold nearly \$500,000 worth of automotive merchandise during 1969 to qualify for the national honor."

Don't paint wood porches and steps with house paint that is not formulated to stand up under the abrasion of feet. Apply two coats of porch and deck enamel on all new work, but one coat sufficient on repainting work.

Martha Moseley Awarded Radio By Legion

Miss Martha Moseley, daughter of Mr. and Mrs. S. Y. Moseley, Sr., was awarded a radio during the American Legion Auxiliary Leadership Training held in Ft. Myers, Sunday, Apr. 5.

The prize was for being the Junior member of the Legion Auxiliary who traveled the greatest number of miles to attend the session.

Martha who will be a delegate to the Legion Auxiliary Girl State at Tallahassee, July 10-17 participated in the Americanism workshop and reported plans to the general assembly.

Miss Susie Skipper, daughter of Mr. and Mrs. Cecil P. Skipper, alternate to Girl State took part in the workshop on Girl State.

Miss John P. Arnold, the unit Girl State chairman accompanied the girls to Ft. Myers and served as one of the instructors.

Men of leisure have contributed very little to our nation's thinking or progress.

Clean-up Is Theme of Homemakers

Home improvement is a continuing theme for the clubs affiliated with the Highlands County Extension Service.

"Many people think the Homemakers are concerned with cooking and sewing or crafts," one member said. "But we are always busy with things that extend any homemaking skill."

In April the clubs are having a course on furniture upholstery. Earlier this year club members from here participated in a district workshop on antique and refinishing furniture.

The Homemakers clubs are open to any woman in the community. Club meeting times and places may be obtained from the County Agriculture Agent's office in the post office basement. Miss Ellen Landfair is the county home extension agent and advisor for the clubs.

MISS CHERYL CREEL

Cheryl Creel-John E. Kelley Engaged; Plan April 25 Wedding

Mr. and Mrs. C. M. Creel of Avon Park announce the engagement and forthcoming marriage of their daughter, Cheryl, to John Edwin Kelley, son of Mr. and Mrs. Buford Kelley of Haines City.

Miss Creel graduated from Avon Park High School and Florida State University. She had made her home in Lake Alfred for the past two years, where she is employed as a home economics teacher at Bartow Senior High School. She is a member of the First Baptist Church in Tallahassee.

Mr. Kelley is a native of Haines City where he graduated. He also attended Polk Junior College and served in the Marine Corps. He is employed by U. S. S. Agri-chemicals in Davenport. He is a member of the First Baptist Church in Haines City.

Plans are being made for an April 25 wedding in the First Baptist Church of Haines City at 7:30 P.M. All friends are invited as no invitations are being sent.

A FASHION SHOW will be held this Saturday, Apr. 18 at 12 noon at the Highlands School. Above Kathy Benedict, student model and Mrs. Marvin Voight of Seng's of Bartow pose for picture. Tickets for the luncheon-fashion show may be purchased for \$2.50 at Metcalfe Hardware or by calling Mrs. Charles G. Metcalfe, Jr., sponsor for the Social Standards Committee.

This section dealing with outstanding citizens of the Avon Park area is an attempt to set in print the positions these citizens occupy in the eyes of their neighbors. No one wrote of himself in this section. The material was gathered by Bob and Phyllis Ballard as they found conditions.

Kermit Massey Gussie Massey

People who truly like and enjoy meeting people may be termed "naturals" for the motel business and with these people, the business and the guests profit because of this inborn quality. Kermit and Gussie Massey have combined amiability and business know-how in the operation of Avon Motel on US 27 N., and have produced a successful business with a constantly expanding patronage. They thoroughly enjoy their part in its success.

People who appreciate a friendly atmosphere, courteous surrounding, air conditioning, TV and excellent accommodations find patronizing the Avon Motel pays big dividends.

Mr. and Mrs. Massey are outspoken in their praise of this area and its citizens and feel they are directly responsible for their success. That is apparently why they are ever eager to boost and become a party to any plan for the section's beautification, the people's happiness or general community progress.

We are happy to include them in this review and to recommend Avon Motel to our readers.

Gladys Prine

Gladys Prine of Holiday Cottages and Lake Anoka at Lakeland is typical of the truly successful business woman who all have this in common, graciousness, poise and charm, intelligence and business know-how. Few women make the grade and it is a pleasure to highlight those that do.

Gladys has learned in her years of experience the importance of customer satisfaction and people of this area have found that she can be certain of complete dependability when doing business with her. Lake Anoka Antiques has become the first choice of those seeking the finest in authentic antiques and her success has been achieved through diligent devotion to her work.

She is a woman whose dedication to Avon Park is inspiring for she is dedicated to the area that made her career a rich, full life. Gladys is an important part of the Who's Who because of her fine business practices and because of her cooperation in helping with this area's growth and expansion.

Bill Lave

A good friendly service station goes a long way in building a town's reputation as a good place to live, visit or do business. To business establishment is friendly in itself. The owner must practice courtesy and hire personnel who will do the same. Mr. Bill Lave of Lave's Standard Service Station on Hwy. 27 feels he has an obligation to customers of courteous and friendly service, as well as good merchandise.

The energy he has given to business, he has also given to all endeavors with which he has been associated. In Avon Park there are few more prominent members to the community which he has not helped along. In the operation of his business he has displayed good taste and kindness which no rarely sees, such as all the little extra services that make a good business better.

We feel that this excellent service merits more and more business for Lave's Standard Service Station.

Mannin Kirkland

Any business that is operated on a basis of fairness and friendliness is destined to grow and growing businesses do much toward the expansion and prosperity of any area. We therefore wish to commend Mr. Mannin Kirkland of Kirkland's Market at 30 W. Main.

Mr. Kirkland makes a friend of every customer and strives to keep this friendship through up-to-date and honest business practices, as well as good merchandise.

People such as this help in making this area known as a friendly section where goods will prevail.

By keeping his business standards on such a high plane, Mr. Kirkland does his part in molding a thriving community but he does not hesitate to further by devoting time and financial assistance to the projects he deems most advantageous for the common good.

We thank Mannin Kirkland for the courteous and dignified manner in which he has owned his grocery and meat business and know that his strict adherence to such a high code of ethics will bring him more and continued prosperity.

Jeff Chaney

Jeff Chaney has attained a well earned position in the business and social life of this section and we deem it a pleasure to point out that position in this review.

During the time he has operated Chaney's Used Cars at Pardee Subdivision he has become known throughout the section. He has set a standard for himself and the management of his business that we believe is unequalled in this area and has worked hard to deserve the confidence the people in the area have in him.

Jeff has a sound, basic knowledge of the used car business and has turned that knowledge to the advantage of the people who patronize the business.

He has shown a willingness to assist in civic affairs he felt advantageous to Avon Park, and we feel he deserves congratulations on his success.

Ray Roy

Poorly constructed buildings or shoddy workmanship detract from the reputation of the builder, but often times harm the entire city's aim toward beauty. We, therefore, consider a dependable, experienced builder a vital link in community growth and direct your attention to Mr. Ray Roy of Roy Construction Co. at 35 Forest Hill Ct.

Many of the area's finest structures are a direct tribute to his know-how and those who have done business with Mr. Roy are lavish in their praise of his judgment in selecting the best materials and employing expert craftsmen.

A well-known and active businessman, he is to be congratulated for dependability in all matters.

Mr. Roy has always helped any civic endeavor he thought would help this section. His reputation for unexcelled workmanship is no greater than the fine name he has as a good builder in a good community.

Alex Ogilvie

The happy group of golfers who gather around Avon Park Golf Course at Pinecroft do not hesitate to praise the fine facilities and enjoy the informality of their association with Mr. Alex Ogilvie. With a natural hospitable attitude and a keen interest in golf, he is perfect for this business.

Each year golf courses become more popular as the head-quarters for the entire family's fun and relaxation. Avon Park is fortunate to have one whose management insists on the highest type of operation. As a resident of this area he feels a strong obligation to his neighbor to maintain an establishment catering to those desiring wholesome entertainment. For this and for his contributions to all worthy projects we compliment him.

Although the fine facilities attract the best golfers from all over the county, even the duffer has fun here and we consider Avon Park Golf Course a definite asset to the business and social life of Avon Park.

J. A. Wise

When items you cannot go window shopping for such as well drilling and plumbing are needed, it is very important to know the reputation of the man behind the business. This area is fortunate to have among its business people, Mr. J. A. Wise, hooded well driller and plumber at 214 E. Hall St.

Mr. Wise insists that each job be better perfect and will use only the best materials and equipment to insure that it will.

Successful in his own business, he also finds time to aid in many projects for the advancement of this section. In these matters, he shows the same determination and aggressiveness that have been used so successfully in his business dealings.

We are happy to include J. A. Wise in this review and hope that he continues to serve the people of this area in the future as he has in the past. He is honest, courteous and efficient.

Edna Shaw

Possibly no profession has advanced more rapidly in the past decade than that of the beautician and in today's highly competitive business world anyone who keeps up with the latest trends in their profession deserves a word of praise. One member of this rapidly advancing profession who has kept pace with the times is Edna Shaw of Edna's Beauty Shoppe at 203 E. Hall. She has gained prominence in this section as a hair stylist, but has also gained prominence by the manner in which she has accepted her responsibilities to the community. It is people such as she who become active in community affairs, and who do their share with a smile.

This area's growth is due to people who maintain better business establishments and who do their share to make a better community, and we commend with friends and customers of Edna Shaw in saying "Congratulations, you have succeeded in both."

Lena Wright

In the rapid pace of the modern business life, a business person who uses a portion of their time for being a good friend and neighbor, not only to their customers but their business associates as well, deserves a word of praise.

Lena Wright of Wright's Package and The Village Lounge at 265 W. Main, has proven she is ready and willing and able to assume this position in the business and home life of this area. Many people from here, the surrounding territory, and the tourists have come to depend upon Wright's Package and The Village Lounge to keep them in good spirits.

Her determination that every customer be happy has won a host of friends for her. She has worked hard to deserve the popularity and confidence she has among the community. Lena is conscious of her community responsibilities, and we are confident that she will continue to maintain the high standards she set for herself and the operation of this business.

77 Year Old Man Flying Again After Being Inactive for 20 Years

Eleanor Treecott

You're never too old to go flying. This is proved by Park Ernsberger of Norwalk, Ohio who is 77. He has not flown in 20 years, but this Winter he has been flying again. This last week he was checked out in the Cessna 150, and then took his wife for a ride over Avon Park.

Father Pierre of Sebring was recommended and received his Commercial license last week.

Dr. Jack Clark of Washington, D. C. who is in Dr. Otling's office has been flying while here.

There were a number of cross-country flights this past week. Eugene Riley of Frost proof took a dual flight to Lakeland and Winter Haven.

Paul Landen of Bowling Green, flew solo to Arcadia and Okeechobee. Loren Albritton of Wauchusa made a solo flight to Naples and Punta Gorda. Frank Hall of Avon Park flew solo to Lakeland and Lake Wales.

Danny Moss continues to fly Joe Smith of South Florida Junior College on his campaign tour of the Junior Colleges of Florida. Joe is running for vice president of the Student Government Association of Florida. Last

week they flew to Jacksonville in the Cessna 172.

Elvis Ayers of Bowling Green began his flying instruction last week.

Charles Hoke, president of Avon Citrus Bank lost his shirt tail last Tuesday. It is now tucked to the wall of the office at the Avon Park Flying Service with the others who have soloed. Charles had done some flying previously, so it didn't take him long to get "the hang of it."

We want to acknowledge those who have soloed under Don Gossick's instruction since Don took over management of the airport. Carl Lindau, Jamie Treecott, Stan-

ley Treecott, John Dallas, Paul Landen, Jim Jordan, Woodrow Easter, Ron Ellis, Frank Hall, Jack Turner, Dean Griffin, Charles Jordan, Tommy Carmichael, Bill Curtis, Dr. Arminollah Jazab, and Charles Hoke.

Post Office Discontinues Afternoon Mail Delivery

The post office announced this week that the afternoon mail delivery will be discontinued, effective May 2. The mail arrives in Avon Park at 4:05 P.M. and was available to patrons at approximately 4:45 P.M. Evaluation of this service has resulted in the following conclusion. This mail, which normally did not reach the businessmen until 4:45 to 5 P.M. was of very little use to businessmen due to the fact that this is so near to closing time of most local businesses. Therefore, all incoming mail will be received in the morning. Outgoing mail will remain on the same schedule as before which is a morning closing of 9-4:30 and afternoon at 6:15. Major changes in carrier delivery services will also be made effective May 2, 1970. Committee Will Study County Retarded

A special Highlands County committee is studying ways to improve services for mentally retarded persons living in this county. This is part of a new state-wide study. Mrs. Mary Ellen Ward, representative from Ridge, Avon Association for Retarded Children, has been named chairman of the study committee. Mrs. Elizabeth Nellis, mental health counselor, is secretary. Other members of the committee are Ben H. McCre, county commissioner; Mrs. Lucille Rankin, county health department; Mrs. Sadie Sallie, Division of Family Services; Mrs. Anna DeCatazaro, county welfare; Thomas R. Johnson, Jr., public schools; Robert Linebush, Division of Vocational Rehabilitation; and Mrs. Virginia Hubbell, Division of Mental Retardation. At its first meeting the committee members listed expansion of work opportunities for the retarded beyond public school age as a high priority need for Highlands County. Last week the committee members visited sheltered workshops at Kissimmee and Orlando.

Procedure Shortened

The Veterans Administration has acted to simplify the procedure veterans 65 or older must follow in applying for hospital or domiciliary care in VA facilities. The financial data section of the application has been shortened, VA officials announced.

Firemen Get Property For Headquarters

The Avon Park Fire Department was host to the State Firemen's Association and members of the city council, city officials and special guests at a steak supper Saturday night held at the Florida Power clubhouse on Lake Lotela. Mayor Robert Barben presented Warren Shiver, state president of the State Firemen's Association with the deed to the property that was donated by the City of Avon Park for the State Firemen's Headquarters. Dr. William Stallard, president of South Florida Junior College was guest speaker for the evening. The State Association will start clearing the land soon, according to Assistant Fire Chief Mack Flowers.

Chamber To Promote Shop at Home

One of the prime purposes of the Avon Park Chamber of Commerce is to promote business here in our community, and to encourage people to "shop at home," stated Charles Watson, president of the Chamber of Commerce. In an effort to further this goal, the Chamber is sponsoring a series of movies for youngsters during the summer. Plans call for a 13-week run at the Hillman Theatre each Saturday afternoon. This will give residents a chance to let their children attend good, wholesome fun, while the parents have a chance to do their shopping. Merchant members of the Chamber are being asked to help with the financial burden of this project. Cost of the films would average \$3.21 weekly to each merchant. This, of course, would be just make operating expenses for the theatre.

Nunnallee Submits Resignation As Highlands County Attorney

In a surprise move Tuesday Hue E. Nunnallee, county attorney for five and a half years, resigned. In submitting his resignation to Highlands County day he had billed the county for "virtually nothing since becoming involved in these right-of-way suits." (The state Department of Transportation pays attorneys fees for condemnation suits, based on the land values). Tuesday Nunnallee said, "The county needs a full-time attorney but you can't do that. You can't get an attorney to leave his law practice to do this." In addition to his work for the county commission directly, Nunnallee has for the past year served as legal advisor for the county Planning and Zoning Commission. For 11 years he was city attorney for Avon Park and for several years was county prosecutor.

Alcoholic Center To Hold Open House

The Bureau of Alcoholic Rehabilitation expects over 100 former patients at the Bureau's Avon Park Center for its ninth annual "open house" at 1 P.M. Saturday. All former patients of the Avon Park facility, FBAR out-patients clinics, members of Alcoholic's Anonymous, relatives and friends are invited to the day-long reunion. They are also invited to stay in Avon Park for the regular Saturday evening Sobriety Plus AA meeting at 8 P.M. Highlight of the gathering will be a tour of the Bureau's new \$180,000 educational/treatment building which is expected to be in full operation early in May. There will be refreshments, fellowship and entertainment plus presentation of about 200 people to the social affairs. The awards this year go to Harold B. Walker, Liberty Tampus; Dorothy F. Frost; Thomas G. Landress; William F. Reid, Jr.; all of Avon Park and Dorothy Frost of Tampa. The staff, combined with ex-patients should bring about 200 people to the social affair. Bureau of Alcoholic Rehabilitation, Chief Joseph C. Ziesenheim, Sebring, will make the certificate presentations.

Junior College Will Hold Annual Graduation April 30

The third annual graduation exercises for South Florida Junior College—and the first on the college's permanent campus—will be held at 7:30 P.M. on Thursday, April 30. Rex E. Bond, chairman of the board of trustees since the founding of SFJC, will be the speaker. President William A. Stallard said no formal invitations will be issued but the public is invited to attend the commencement ceremonies the open air amphitheater.

SOUTH FLORIDA Junior College's first commencement at the new permanent facility will be held in the lakeside amphitheater on April 30, 7:30 P.M. Deans Beumel and Griffin discuss the final arrangements with the college's president, William A. Stallard.

County Hospital Board In Hassle Over \$1,500 Raise

A \$1,500 pay raise to the business manager of Highlands General Hospital apparently was improperly granted, it was increased shortly after his appointment on a Dade County Board Tuesday. When Yeager replaced Mark Richardson with Robert Bilger in the business manager's post some months ago, he raised the salary \$1,500 to \$8,600. Bilger was arrested shortly after his appointment on a Dade County charge of grand larceny. Turnbull then was appointed at the same salary. "This individual," said Atkinson, referring to Turnbull, "is not the type you want working for the public. He drove off (after a gathering at a local lounge) and crashed into a car causing \$400 damage and injuring two individuals. Instead of stopping, he ran away." "He was arrested on (Commonwealth Road) and taken to jail. The county judge, the same judge who wrote you (looking at Yeager) a letter of recommendation for this individual let him go on his own recognizance without any bail. If this is the kind of individual the taxpayers want to hire, we are getting into a sad state of affairs." "When Bilger was hired, the salary was raised after they let a very competent individual go. Very few junior executives in this city and county draw \$8,600 a year. It is way above the going wage." The Colonel, a small man with a big voice, who had been calmly smoking his pipe before he got to his feet to address the board, concluded: "I want to ask the board to take such action as necessary on the overpayment of these individuals. If we have a cancer, we should cut it out. We have one sitting across the hall in the business office." "I know there are a lot of people in this county who feel as strongly as I do. A number of them are here tonight. At the last two meetings, there were delegations from the church and Women's Club. I stood alone. Tonight I have it squared as some extent." Fellow Republicans were there among a crowd of about 30 interested spectators and Larry Boesen, one of them, arose to say: "I am behind what the Colonel brought up." Jim Hammond countered all three meetings. I know Mr. Yeager and there is no finer man in Highlands County. It would be fine if more of the churches would take an interest in the hospital." Said A. D. McGowan: "I think

Scholarship Recognition Dinner May 2

Business and professional leaders of Highlands County will honor the 54 top scholars among the county's high school seniors at the eighth annual Scholarship Recognition, Inc., dinner on Saturday, May 2. Ronald S. Spencer, Jr., executive vice president of Florida State Chamber of Commerce, will be principal speaker for the dinner at Holiday Inn at Lake Placid. The guests of honor have maintained an academic average of 3.0 or better (out of a possible 4.0) for grades nine through 12. This year 26 Sebring High seniors are being honored, 15 Avon Park High seniors and 13 from Lake Placid. Ted Ward of Avon Park is chairman of the board of directors for Scholarship Recognition, Inc., and School Superintendent George Douglas is secretary-treasurer. The formal welcome at the recognition dinner will be presented by Ward. Other directors who will appear on the program will be A. B. Whitte, who will give the invocation, and Andrew Jackson, who will introduce the speaker. Business-Educator Council speaker Spencer has had wide experience in both business and education. At one time he was assistant director of athletic and athletic business manager at The Citadel, a military college in South Carolina. He has been at his present Chamber of Commerce post since June, 1969. His office is in Jacksonville. For four years prior to that he was executive director of the Florida Forestry Association, Under Governor Farris Bryant he was chairman of the Florida Industrial Commission. For five years he was an officer of a time and stone company in Ocala. He is an alumnus of Stetson University and a veteran of World War II.

Highlands Sends 29 Delegates To Florida Education Convention

Highlands County teachers will have 29 voting delegates among the 4,000 delegates at the annual Florida Education Association convention in Miami Beach Thursday through Saturday.

Seven announced gubernatorial candidates—Claude Kirk, Jack Eckerd, L. A. Bafalis, Rubin Askew, Jack Mathews, Charles Hall, Earl Fairclough—have accepted invitations to speak for seven minutes each at the Friday night session of the big teacher organization.

The candidates have been assigned to topics, but FEA Executive Secretary Dr. Walford Johnson expressed the hope they will "express their viewpoints regarding education bills now being considered" by the Legislature.

FEA is backing a package of bills including a collective bargaining bill, teacher pay raises, improved retirement plans, continuing contract changes, special funding of projects to combat problems of disruptive or emotionally disturbed children, drug using students and potential dropouts. The organization is officially opposed to bills to provide public funds for private schools.

Carl Harner, for the past two years president of the Highlands County Education Association and currently a member of the FEA board of directors, in an interview today said the perfect convention has two main thrusts—increasing political awareness and involvement of teachers and internal restructuring of FEA to improve communications among the "grassroots" members and top state leadership.

Harner himself is chairman of a re-districting committee. He is a member of the FEA restructuring committee, the goals committee, the charter and by-laws committee.

Some of the professional problems the convention study sessions will deal with are improvements in student teaching programs, new standards for accreditation of schools and professional practices.

FEA board has urged the Legislature to revise laws about continuing contracts to make it easier for teachers to enforce intra-professional discipline, Harner said.

In general the pay raise FEA is seeking for Florida teachers would be approximately 12 percent, which amounts to a one-dollar increase, Harner said.

He refused to say whether a pay increase will be sought from Highlands County School Board. Salary schedule, which had been on the school board agenda for April, has not been formally presented to the board, Harner said.

Highlands Delegates
Other Highlands County teachers who will be voting delegates for the convention will be Mrs. Charlotte Smith, Mrs. Mary Ellen Brooks, Mrs. Esther Johnson, Eldridge Holman, all of Avon Park Elementary.

Fred Sadtin, Chester Brojek, Ann Karkk, Avon Park Junior-Senior High; Mary Brewster and Marjorie Wiggins, Hopewell.

Charles D. Johnson, DeFonso City-Fred Wild; Lee Manetta, John Ireland, Sebring Junior-Senior High; Mrs. Norma Curry, Mrs. Betty Batty, Mrs. Shirley Blackman, Woodlawn Elementary; A. B. Walker, Mrs. Betty Bassett, E. O. Douglas.

Margaret Walker, Betty Phillips, Lake Placid Elementary; Sam Green and John McKee, Lake Placid Junior-Senior High; Alphons Dean and Bill Firth, County line.

Norris Brooks of Avon Park and Samuel Nixon of Sebring are delegates-at-large and J. Perre Smith represents the county instructional staff.

this thing is getting out of hand. If this gentleman (looking at Yeager) hired somebody of questionable character, you people should get rid of him."

Hansel Oliver: "I am behind Mr. Yeager 100 percent. If the Colonel wants to run the hospital let him run it and see how much it costs."

The Colonel: "I'm not trying to run it. I am bringing attention to the board for proper action."

Hansel Oliver: "I do not think you men would put up with an employee like that."

Ben Shalley: "We ask you to investigate what Mr. Atkinson says, and if true, let's not have this in our hospital."

Jack Ingle: "I think we have a competent board and I would like to express confidence in you and your actions."

Board Chairman Van Howell: "This board is not political as far as our duty is to the taxpayer. We have an obligation to investigate."

Yeager also came under attack on another front, when the Colonel pointed out that only board members—not the administrator—can sign checks, according to the hospital act.

It was decided that from now on two board members have to sign every check that Yeager cannot sign checks.

The question of the budget was brought up and Chairman Howell said the board "must act" on this at the next meeting, May 21.

Yeager said present plans are to keep the millage at .65 "unless we enter into a building program. There are plans to increase X-ray, emergency room and laboratory service facilities."

It was announced that a pediatrician, Dr. Walter Price, will move here in August and start practicing in September. And that Dr. John B. Neal, of Jacksonville, "is back to stay."

He will be at Lake Placid, and will be in charge of the Memorial Hospital, was here last week, Yeager said, and seemed favorably impressed with the hospital.

Yeager said he is trying to get a man to serve both Walker Memorial and Highlands General and that "Dr. Smith Graves, of Ft. Myers, does not give us enough coverage."

The board approved two members to go to Washington, D. C. for a hospital financing seminar. "If we get one idea to help us in raising funds, we will have to go to taxpayers, it will be worth it," commented Yeager.

Atkinson also was highly critical of the \$200 monthly expense account for Yeager whether his expenses come to that or not. "It seems to me official travel should be on a voucher basis," said Atkinson.

He was critical of the fact Yeager had not taken a credit rating on Turnbill. Yeager retorted that he had had "a number of letters."

"You come with me tomorrow," offered Atkinson. "I will take you and show you official records and records of the City of Avon Park and other court actions he's been in."

Yeager said he had finished a single surface treatment for the streets in the subdivision which he had developed.

Chairman Earl Churchfield asked, "Doesn't the county require double-surface treatment?"

Commissioner Cecil Skipper commented, "What you are doing is asking this board to accept credit for maintenance that don't meet specifications."

Whitaker contended that the county has been maintaining the roads. Morgan said the county had been maintaining only roads which had been accepted by the county commission for county maintenance. Commissioners Cecil and Robert Skipper promised to inspect the roads and make a report at the next meeting.

Other Business
In other business Tuesday the county commissioners asked Juvenile Judge Mervin Rehner to accept, at least for the rest of the current school year, the school board offer to pay to the juvenile court transportation fees for Avon Park and Lake Placid children housed at Youth Care Home.

—Received a letter of thanks from Alice DeVore who commended the sheriff's department and the deputy who in a "diplomatic and helpful way" is helping reduce traffic violations in her area.

—In response to requests from the Highlands General Hospital administrator, informed the administrator that rates for care of welfare patients are set by U. S. Navy, not the county, and expenditure of race bond funds for an addition to the hospital probably would not be legal.

—Accepted a bid of \$2,218 for nine used dump trucks, high bidder, Golf View Estates, will receive the trucks from the county fleet. The county has waited six months for delivery of nine new trucks. Four are ready and the commission voted Tuesday to accept delivery and make payment on these.

—Amended the county road priority list to bring the Cow House Rd. project up to 3.5 miles of hard surface.

Authorized Commissioner Skipper to complete negotiations with Avon Park City Council for use of the city dump.

If a debt has built up in an account, the monthly payment at the end of 12 months is adjusted upward.

County Hires Architects For Courthouse

At their meeting Tuesday Highlands County commissioners signed a contract for design of remodeling of old structures at the courthouse.

The contract is with Reynolds, Smith and Hills, Tampa, architects and architects who planned the courthouse renovation and courthouse annex in the mid-1960's.

An office space survey—which will cost the county \$4,500—is to be completed by June 1, Walter J. Stanton of the architectural firm told the commissioners on Tuesday.

The contract calls for Reynolds, Smith and Hills to be paid a fee of eight per cent on new construction at the courthouse and 10 per cent on remodeling.

When questioned about Reynolds, Smith and Hills had been favored because that firm had handled the remodeling and annex construction and presumably would have superior knowledge of the buildings in this project.

They added that architects' fees for remodeling are always higher than for new construction and frequently tend to be high when the project is less than a million dollars. The race track budget calls for \$200,000 to be spent for a second floor to the courthouse annex, remodeling in the courthouse and possible addition to the jail.

Bridge Plans
A contract for design of the Skipper Rd. bridge provoked debate late in the four and a half hour commission meeting.

At the design office of Smith, Reynolds and Hills submitted the contract which sets a \$12,175 fee for design, and a \$10,000 fee for construction inspection. The contract was approved subject to approval of the county attorney.

Preliminary recommendations from County Engineer-Administrator Charles Morgan are that the bridge be 28 feet wide and from soil conservation engineers, 130 feet long. The commissioners are unhappy with both figures.

They agreed to wait for the bridge design reports before making a final decision on the design of the bridge which is to be built from race track bond funds.

Reynolds, Smith and Hills representatives Tuesday "questioned" costs of bridge construction at \$12 per square foot.

Stanton said he had finished a single surface treatment for the streets in the subdivision which he had developed.

Chairman Earl Churchfield asked, "Doesn't the county require double-surface treatment?"

Commissioner Cecil Skipper commented, "What you are doing is asking this board to accept credit for maintenance that don't meet specifications."

Judge William L. Love erred, the appeals court majority ruled, in barring from the jury defense proffers of cross-examination of Mrs. Maxcy and C. Trulock, who testified at the old Florida Sheriff's Bureau.

In the proffers, Mrs. Maxcy told of a conversation with Trulock and Trulock denied any such dealings with her.

That testimony, the appeals court held, would have tended to show possible material bias or interest in the case by Trulock and Mrs. Maxcy, and "also clearly focused on the fact that one or both of such witnesses was considerably less than truthful, thus going to the credibility of each."

Court Hears 99 Cases

A total of 99 cases were heard in county judge's court last week. The long session which usually comes two weeks after and handles the bulk of Sebring race cases.

Headline trial of defendants who chose to plead guilty to rather than fight 12 Posters racing driver Andrew Philip Hedges.

Hedges, whose home is in England, pleaded a \$30 bond on a speeding charge. A second charge, no valid drivers license, was dismissed with the notation that he had produced a valid license. Hedges had been charged with driving 85 in a 60-mile-per-hour zone on US 90.

An Avon Park driver, Melvin Wiley, was fined \$10 and 30 days and assessed maximum points after he pleaded guilty to unlawful speed. The docket noted a display valid inspection sticker, \$16 or 15 days.

On a failure to appear charge Wiley also pleaded guilty and was fined \$10 or 15 days.

Other Highlands residents whose cases were heard in county judge's court last week were:

Carl Holt Smith Pettito, Jr., of Lake Placid, pleaded guilty to driving too closely, \$25 or 30 days.

Chester Marsh, Jr., Sebring, pleaded no contest to failure to have vehicle under control (accident), \$35 or 15 days.

Mannuel Monroe McKnight of Sebring, pleaded guilty to failing to display valid inspection sticker, \$16 or 15 days.

Bonds Estimated
John L. Moon of Avon Park pleaded guilty to the latest on trial, no drivers license and failure to yield (accident).

Charles Washington Gillard of Lake Placid pleaded guilty to no valid drivers license, \$25 or 10 days, and no consent to have vehicle under control (accident), \$35 or 15 days.

Ann Eldridge of Avon Park pleaded guilty and was fined \$16 or five days each on probation and disturbing the peace.

David Michel DeLaat of Sebring pleaded guilty to unlawful speed, \$25 or 10 days.

Gianni Ignazio of Avon Park pleaded a bond of \$25 for unlawful speed and \$25 for driving without a drivers license.

Mary Jane Doubelt of Lake Placid pleaded guilty to probation and was fined \$21 or 10 days.

John P. Redwine, Jr., of Sebring, pleaded a \$50 bond on a drunk charge.

Marion Roy Steele of Sebring pleaded a \$40 bond on improper start from parked position, \$20 or 10 days.

William Robert Bergermeister of Sebring pleaded guilty to improper start from parked position, \$20 or 10 days.

Robert James Brunet of Lodi pleaded guilty to no valid inspection sticker, \$16 or 15 days.

Carson Hunt of Lake Placid pleaded a \$20 bond on a no valid inspection sticker charge, \$16 or 15 days.

The NROTC College Scholarship Program trains career officers for the Navy and Marine Corps. Benefits include navy college tuition, educational fees, textbooks, uniforms, and a \$50 monthly subsistence allowance for four years. Selected candidates are enlisted in the U. S. Naval Reserve and are appointed midshipman upon enrollment in college.

The college majors which a candidate may undertake are many and only a few non-technical professional majors are prohibited. During the Summers between college years, midshipmen participate in at-sea training periods which provide practical experience in naval operations and from which they receive many varied and rewarding experiences. Upon graduation, midshipmen are commissioned as ensigns in the U. S. Navy, or as second lieutenants in the U. S. Marine Corps.

Applicants for this program will be considered based on scores obtained on either the Scholastic Aptitude Test (SAT) of the College Entrance Examination Board (CEEB), Princeton, N. J., or the American College Testing Program, Iowa City, Iowa, in lieu of the Navy College Aptitude Test (NCAT) previously utilized.

Applicants for the 1971 NROTC College Scholarship Program must:

Apply for and take either test specified above at their own expense prior to December 31, 1970.

Arrange with the appropriate testing agency for the submission of their scores to the NROTC College Scholarship Program.

Apply for the NROTC College Scholarship Program between

October 1, 1970 and December 31, 1970.

Delegates Report On Grange Meet

Avon Park Grange, No. 203, met Tuesday evening, April 14, at the home of Louise Clarke, in the chair. Three members attended the State Grange session at West Palm Beach April 8 to 11. Louise Clarke as delegate for Avon Park Grange and Mr. and Mrs. E. H. Fullmer, delegates for Ridge Pomona Grange. Over 80 resolutions were worked on by committees and the entire delegation body. Some of these resolutions were sent to Tallahassee to be considered by the legislature now in session.

On display were the Lecturer's Scrap Book with the blue ribbon, first in the state, a red ribbon, second award for the Booster Night program in October, and a Gold Star Certificate, highest award by the National Grange given to all lecturers winning 5,000 points or over.

The program was as follows: Commendation by Calvin Coolidge: "The progressive conservation of the Grange and its sensible way of considering farm problems and presenting farm needs has given it a position of influence in the nation and has led those in positions of responsibility to listen to the views of the Grange with consideration and respect."

Elmer Fullmer gave a report of the work of the By-Laws and Constitution Committee, and Louise Clarke reported on the Resolution Committee, of which she was chairman. She also took part in the Banquet Drill and was given the Sixth Degree.

The Florida Wildlife number was Birds of Florida by J. A. Blomquist. Louise Clarke read a poem "Paul Revere's Ride as Told by His Horse" and the Lecturer gave some chuckles. Thought for the day—"We'll never stop print until we get over the idea that we can hire or elect people to stop it."

Refreshments were served by Louise Clarke during the social hour. The next meeting will be held in the Junior School Room of the First United Methodist Church on Tuesday, Apr. 28 at 8 P.M.

Hospital Auxiliary Attends Meet

The 16th annual conference of the West Central District, Association of Florida Hospital Auxiliaries met on Wednesday, Apr. 15 at the All Children's Hospital auditorium in St. Petersburg.

Twelve Auxiliaries from Walker Memorial Hospital made the trek to attend the meeting. They heard an address in the morning by Sherwood D. Smith of Lakeland General; in the afternoon by Mrs. Yale N. Levinson, president of A.F.H.A.

Panelists from member hospitals brought information pertinent to the several areas of service that Auxiliaries give to the hospital and to the community. To highlight the program, Mayor Don Spicer brought greetings. To add a bit of humor, a skit caricatured the clubwoman who became a volunteer.

Each Avon Park woman concurred "A good program, a delicious buffet luncheon."

Shuffling
There were 11 courts of players on Wednesday evening and 15 on Saturday evening. The courts were nicely waxed on Saturday evening thanks to Burdette Howard. The weather was perfect.

Frieda Steen and Margery Faulkner won in the main event on Wednesday with Everett Paxton and Helen Berlew the runners-up. Consolation winners were Ellen Coombs and Gladys Heffner over Elizabeth Clarke and Floyd Stevens.

On Saturday, the winners were Ilseon Kull and Henry Retter over Harold Faulkner and Lillie Hildreth. Mildred Long and Clay Kull won in consolation with Ella Roennburg and Frieda Steen the runners-up.

Card Games
On Monday afternoon Sadie Benson and Chris Caberaz came up with the high scores, 747 and 709. Five tables were in play.

Stella Moon and Maurice Brevoort had the high scores in Tuesday. Their scores were 4336 and 3890. Three tables played.

Thursday afternoon six and a half tables were in play in duplicate bridge. North-south winners were Eleanor and Joe Nickerson, Vi Lexa and Evelyn Fritz and Stella and Bill Moon. East-west winners

were Helen Floyd and Ethel Harden, Sheila and Herman Wurster, and Louis Reimer and Lillian Hayes.

Crafts
The last craft class was held Thursday, mostly folks were buying a few things they needed to finish their projects.

Dances
To celebrate Ilseon Kull's birthday, punch and cookies were served by Olive Kerwin and Lillian Hayes at the dance on Monday evening. Three squares were enjoying the square dances. Guests at the dance were Miss Greene and Miss Webster, who have recently moved into the Golden Age Villas. They are from Sault Ste. Marie, Mich.

Supper
Twenty-seven fellowshiped together at the supper on Saturday evening, with Caroline Webber and Marian Buck as the hostesses. For grace all repeated the Lord's Prayer. Minnie Brown celebrated her birthday, and all sang the birthday song to her.

Reported at the supper: Mary Johnson has been released from the hospital. Those still in are Louise Prell and Ethel Brewer and Lura Jekel, who all are much improved.

Grace Wallace, still in the hospital, is walking a bit with the aid of a walker. Marie Kramer is still there, but reported much better. Doc McAlexander is in Winter Haven Hospital, and still on the critical list. He had an accident as he was turning into Walker Memorial Hospital last Wednesday. All wish him a speedy recovery.

Idle Hour MAKES IT!

\$4500 Pontoon Boat Kit

Introducing an entirely new concept in pontoons.

Here's your opportunity to enjoy the comfort of your own pontoon, without the work and maintenance that has previously been associated with this type of boat. You can completely assemble or disassemble an Idle Hour Pontoon Kit, for the first time, in less than an afternoon. After that, even the most inept can assemble the unit in one hour and a half or less.
