Democrats Sweep State; 8195 Vote In Highlands County

Democrats swept the state Tuesday in a great upsurge of voters on a cool and sunny election day and Highlands County went happily along.

Better than 61 percent of the electorate in this county trotted off to the polling booths, leaving a low a gloomy pre-election forecast of a 35 percent voter turnout.

"I'm tickled to death I was wrong," said elections supervisor Roland K. Drott, who on Monday revised his 33 percent estimate upward to 55 percent when absentee ballots came pouring in — plus calls on "where do I vote?"

Tetotaling, non-smoking Rubin Askew and running mate Tom Adams were the biggest vote-getters in the county and incumbent Paul Rogers got back his Congressional seat 51, carrying Highlands County for the first time. Askew-Adams took 56.9 of the state vote over incumbent Governor Claude Kirk and running mate Ray Osborne.

Walkin' Lawton Chiles clinched the seat of retiring Senator Spessard Holland taking 53.9 percent of the state-wide vote.

On the home front, former Sebring City Council President Norman "Jug" Heston won the County Commission District 3 seat in a close race with Republican Clarence Polston.

But Republican Attorney Andrew Jackson took the County Commission District 4 seat over Democrat James Creel, a former commissioner. E. Ray Wells 'D' won over C. Johnny Johnson for School Board, District 1.

Only two Republicans, Jackson and Tom Slade, bested their Democratic opponents in Highlands County, and Slade, running for state treasurer and in-

surance commissioner, lost in the state. This climaxed a bitter, mud-slinging fight with Tom O'Malley in which Slade hurled "Mafia" money charges at his opponent.

The write-in campaign of Republican Kent McKinley against Representative to the Legislature from this district faltered badly and Tillman won overwhelmingly.

Absentee Ballots
A total of 280 absentee ballots was counted Wednesday, but the margins of victory were such that their outcome was not expected to affect any races.

Other state-wide winners were Richard Stone 'D' over Don Meiklejohn for secretary of state; Richard Shevin 'D' over Thom Rumberger for Attorney General; Fred 'Bud' Dickinson 'D' over James Sabatino for comptroller; Floyd Christian 'D' over Robert Froemer for Commissioner of Education; William Bevis 'D' over David Lindsey for Florida Public Service Commission.

In the County Commission races, Heston lost only three precincts, and those by small margins: No. 3 in Avon Park; No. 8, which votes at Layton Hall, Sebring, and No. 11, DeSoto City.

Jackson lost eight of 15 precincts, but still won when Sebring voters went his way, Jackson lost Lorida, Lake Placid and Venus precincts 12, 13 and 14, but made it big in Avon Park's 3 (truck route) No. 5 (Sebring Hills) and No. 8 (Sebring's Layton Hall).

A total of 46.7 per cent of Highlands County voters went to the polls in the first primary September 8 and a disappointing 39 percent in the second primary September 29.

Two APCI Inmates Apprehended

Two inmates escaped from Avon Park Correctional Institution Tuesday, were captured Wednesday just south of the Shamrock Station of US 27.

The two were apprehended by a group from APCI with dogs after Henry Chandler of Avon Park tipped off the city police that there were two men near the truck route that acted strange.

MORE MONEY

Highlands County School Board received \$197,000 in October compared to \$184,042 in October 1969 under provisions of the Minimum Foundation Program.

THE AVON PARK HIGH SCHOOL "Grenadier" Band has received and accepted an invitation to participate in the 1971 National Cherry Blossom Festival Parade of the Princesses to be held in Washington, D. C. The parade will be staged Saturday, April 3,

Commissioners Grant Coca Cola Variances On Housing

Construction is due to begin in January on an experimental planned community for agriculture. The food division of Coca-Cola is planning a subdivision development to be located on a 40-acre tract adjacent to State 17A (the truck bypass) to the Northwest of Avon Park. It will be called Alpine

Groves, but it will be located approximately 2.5 miles South of the low income community now known as Alpine. Highlands County commissioners, at their meeting Tuesday, gave tentative approval to the subdivision plan which granted several variances from the county's subdivision regulations

Commissioner Robert Skipper voted against approval. "The lot size is too small; it is too crowded," Skipper said in casting the lone negative vote. In a meeting on Monday Highlands County Planning and Zoning Commission had raised the same objection but agreed to endorse the plan because park

and open spaces included in the design bring the per acre population within acceptable limits and because central water and sewage service will be provided.

King Heile represented the architect-engineer-planner firm from Water Park retained by Coca-Cola, at both the Monday and Tuesday meetings. He said he had been assured that city water lines can be extended to the new community and studies will be made to determine whether city sewage service can be extended. If the city sewage lines cannot be extended, he said, Coca-Cola will build a central treatment plant "because the company is dedicated to environmental protection."

Range in Size

Heile said 80 lots, ranging in size from 1500 square feet to 10,000 and averaging 6300, are now planned. These will occupy 11.2 acres of the tract. Throughout the hearings on both Monday and Tuesday Mrs. G. F. Ward, county planning and zoning chairman, objected to the relative isolation of the subdivision. Heile said Coca-Cola had investigated land purchases closer to the city and had encountered very high prices—"as much as \$15,000 to \$18,000 per acre."

He said the final location of two annual fairs, Frostproof and the Avon Park one—had been made as a result of studies made among Coca-Cola's agricultural workers.

He said design of the two communities reflects the wishes of the workers to a very large degree. Coca-Cola has retained engineers and social scientists to work with the agricultural workers in developing plans. Commissioner Jean Whitaker, who made the motion to grant approval of the subdivision plan, said, "We could try one time. It is better than anything we have."

Ben McGee, who seconded the motion, said, "We've got an eye-ear at Alpine now. If we don't get this what will we get? Leave it alone!"

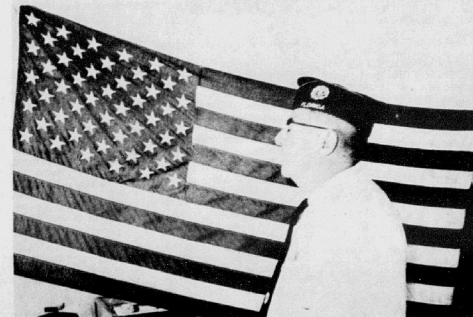

Other Business
In other business Tuesday the county commissioners received a request from Ridge Area Association for Retarded Children that the county assign half of its annual grant for mental health and mental retardation to the state Division of Mental Retardation where it will be used for matching funds for a community work program for handicapped teenagers and adults.

Agreed to begin work on naming a county board of adjustment at the November 17 meeting. Appointed R. P. Dunty, Jr., attorney for the planning and zoning commission and the board of adjustment, subject to working out an agreement on pay and duties.

Authorized action to obtain state approval for a well baby clinic which Dr. Walter C. Price has offered to conduct in connection with the county health department.

Agreed to renew requests for Department of Transportation for lower speed limits on US 98 East of US 27.

Set 1:30 P.M. on December 1 for public hearing on an electrical code for the county building department.

AMERICAN LEGION POSTS in Avon Park, Sebring and Lake Placid will commemorate Veteran's Day Wednesday, Nov. 11 with ceremonies in Lake Placid. SHOWN here is Phil Briggs, commander of American Legion Post 69, Avon Park.

County To Observe Veterans Day

Flags will be flown throughout Highlands County next Wednesday to observe Veterans' Day. The county-wide parade this year will be staged in Lake Placid. High school bands from the county's three senior high schools will play.

All city, state and county offices will be closed and the post office will be on holiday schedule with no delivery of mail and no window service. Collections will be on holiday schedule.

The area's financial institutions will be closed. Some local stores will be closed between the hours of 11 A.M. and noon.

Lake Placid Post No. 25 the American Legion will host the county-wide observance. Serv-

ices will be held at 11 A.M. next Wednesday at the Freedom Flame Park across from the Lake Placid post office. These will be preceded by a parade up Interlake Boulevard.

Mayor Alfred C. Moretti, of Lake Placid, will be the speaker. The parade will form at 10:30 A.M. at the American Legion Home on Main Street.

A noon meal will be served by the American Legion Auxiliary at the Legion Hall following the ceremonies. The public is invited.

Chairmen for the Veteran's Day observance are Ed Dione and Raymond Putzier, members of the American Legion.

The Avon Park varsity football team finally put it all together and looked like the Red Devils of old as they handed the DeSoto High Bulldogs of Arcadia a 27-0 shut-out here at Memorial Field before a small crowd of loyal fans who braved the damp air after a day of rain.

Tomorrow night (Friday) the Red Devils will have an open date before moving into the final three games of the season against Okeechobee, Lake Placid and Sebring, all to be played here at Memorial Field. The Devil record is 3-4 but the three remaining opponents all have very poor records to date. Okeechobee is currently 2-4 with wins only over Lake Placid and St. Andrews. Lake Placid is now 3-1 down on the Devil 4-ward marker. Devil quarterback Don Sismore fired a pass to end Mike Smith who took the ball in on the Arcadia 40 and moved

4,691 Hunters Enter Range

The big hunting season for South central Florida opened with a bang and lots of hunters Saturday as a total of 1,855 game birds and animals was harvested at Avon Park bombing range.

It took 4,691 hunters to do it! Lt. Jerry Knox of the Game and Fresh Water Fish Commission commented that the kill was about the same as last year "but there were twice as many people!"

Knox said the bombing range will definitely be open Sunday but they are not yet sure whether it will be open next Saturday. Hunters are advised to call the bombing range the end of this week.

"--" listed the weekend kill -- deer, 87 wild dogs, 1,272 quail, 60 turkeys, 102 doves and 271 squirrels.

As this landmark becomes a building of the past, it is with real anticipation that we look forward to the beginning of the new hospital construction.

1971, between the hours of 11:00 A.M. and 1:00 P.M. along Constitution Avenue parade route. The Avon Park band is proud to represent the city of Avon Park in this outstanding parade.

LEWIS LLEWELLYN

Going in Two Directions

If Jesus Christ came to the world in the flesh again today, would He again be at odds with the religious Establishment?

It was Establishment leaders, you know, who plotted to have Him put to death, lest His revolutionary ideas supplant their long-accepted program and they be removed from authority and power.

Today there are two conflicting trends in the organized Christian church.

In an effort to be "relevant" — to adjust the policy and program of the church to our present times — some have redefined the work of the church, even to the point of revising the meanings of words.

For example, Dr. Walter Holleneger, World Council of Churches secretary for evangelism, said recently, "To confess Christ means to think salvation in terms of the conflicts and tasks of our time."

This desire to accommodate the church to the wishes of the world has led one Church of England minister, Rev. Philip Caswood, vicar of St. Mary's Church in Peterborough, England, to substitute "wine and cheese parties" for the traditional Sunday evening services.

Paul Harvey has pointed out that the recent record of the church shows that denominations which have adjusted their policies to make the church more like the world are the ones that are having the most trouble with decreasing membership and money.

But the U.S. News and World Report states that the "old-fashioned, God-fearing denominations are gaining in membership at the rate of three per cent a year — at a time when "liberal" religious bodies are stagnant or declining."

But, while membership declines in some major denominations, as doctrines are diluted to make mergers possible, the effort to bring all religions together continues and is accelerated.

Louis Cassels, UPI religion writer, reports, "During the past year, significant efforts have been made by the World Council of Churches, the largest Christian ecumenical organiza-

tion, to bring Moslems, Hindus, and Buddhists into interreligious discourse."

He reports that consultations among representatives of the major religions of the world began in Lebanon in March of this year.

Which Side?

Is it conceivable that church leaders are contemplating uniting with Moslems, Hindus, and Buddhists in a worldwide religious hodge-podge? Why?

Jesus said, "I am the way,

the truth, and the life. No man cometh unto the Father but by Me."

"I am the door," He declared. "By Me if any man enter in, he shall be saved. I am come that they might have life, and that they might have it more abundantly. I am the good shepherd. The good shepherd giveth His life for the sheep."

If Jesus came back in the flesh today, which side would He be on?

Which side are you on?

Letter To The Editor

Dear Editor:

Well!! Did you see that fantastic show the band put on last Friday night? I hope you didn't miss it! That was a doozy. They really played some toe-tompin' tunes didn't they! And what about that olde-time Huckle-

back? Wow! I was standin' out on the field in front of the stands when they brought out the horse and Dracula. Was I ever scared! I almost shook myself out of my sneakers and dentures!

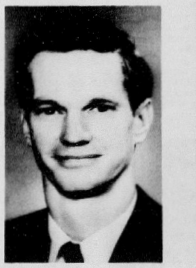

And what about Saturday afternoon? We all got a double treat. The annual Halloween parade wouldn't be the same without the Senior and Junior bands. I don't know whether you've heard or not but that good lookin' boy leadin' the Junior band Saturday is the newly elected assistant drum major, Gary Gust. If I was only about 60 years younger, I'd be givin' you girls a hard time over him!

And what about that cute little devil that leads that senior band, Dennis Crews!! Wow! I about swallow my upper plates every time I see him!!

I was down at the football field the other day while the Senior band was practicin' and they were holdin' an election for Homecoming Queen candidates. I am happy to announce that Sue Ferguson will be representing the band. For you who don't know Sue, she plays slide-trombone in the band, and I haven't heard such hot licks since I visited Bourbon Street down in New Orleans!

Hey, you people, don't forget that the bands will be sellin' doughnuts again this week so be sure and do your share of supportin' the bands. Anyway those doughnuts are good for what ails ya!

See Ya' later.

MY SINCERE THANKS

To My Friends and the Voters of Highlands County For Their Support Resulting in My Election as

County Commissioner From District Four

I am pledged to a progressive county government based on sound conservative business practices, and I will fulfill that pledge.

ANDREW B. JACKSON

Happy Days Are Here Again!

Your County Democratic Executive Committee is proud of the showing made by the voters of Highlands County, and extends thanks to all who worked for the Democratic party in the election.

Percentage-wise 61% of all registered voters of both parties cast their votes in the general election. This is in contrast to 46% in the first primary and 39% in the second.

The Democratic party put up a solid front and helped in making a clean sweep of state offices, and elected all but one of the county candidates.

This represented some good work on the part of the party faithful. Let's continue the good work.

SFJC Panthers To Play Here Tonight

With the opening game only a week away, South Florida Junior College se-

son tickets are on sale for all home basketball and baseball games for the 1971 season.

Tickets are of two varieties. Single tickets \$10 a family, that includes all athletic programs at SFJC. If you have been waiting to make a contribution to the Panther basketball team, buy one of these tickets and enjoy some 23 home games.

The Panthers basketball team has played five exhibition games winning five and losing one. The basketball team has played three exhibition games winning two and losing one.

The Panthers basketball squad will close its Fall season in Sarasota Saturday with a double-header with the Kansas City Royal football club.

The basketball squad will close its pre-season schedule with a game at Avon Park on Thursday night at 8 P.M. against Immaculate.

The Panthers have been trying to put together a team. However, with the loss of two boys that withdrew from school the Panthers may be forced to go without single unit and substitution.

"We are so short in comparison to other teams plan was to utilize our boys. Against Indian River we have to give up about four inches in height man."

"If we can ever start our players to the point know who we have. might still run two out said Coach Terrell."

The Panthers will open their regular season game at Brevard Junior College, Cocoa Saturday, Nov. 14.

The home opener will be against Manatee in a chula with a following Monday night game in Avon Park against Florida College of Tampa.

United Telephone Company Has Spook Day On Thursday

Friday, the United Telephone Company in Avon Park had a spooky day. From each chair in the Traffic Department you could see a green Martian, Indian Princess, a large black bird, Morticia Adams, Count Dracula, Southern Belle, Ghost, Gypsies, Amazon Queen and the old favorite, a clown and many more.

This was the day for the annual Halloween Party, observed in Avon Park and also in Ft. Myers and Naples.

All traffic employees participated by dressing for Halloween and bringing delicious food for a buffet table that was set up in the operator's lounge, to be enjoyed all day.

Judges, Gordon Smith and Mildred Gowdy of the Commercial Department, and Gary Guthridge, Lee Roy Whidden and Fred Nugent of the Plant Department, awarded prizes to

Saturday, Oct. 31, the best Halloween parade and Carnival ever took place to the delight of 3000 young and old alike, who lined our famous old Mall to watch all the spooks, goblins and floats pass by in the bewitching music of our high school and junior bands.

Following the parade, with everything from clowns to horses, the crowd was delighted by the second annual bed races, (with the winners listed below).

There was something for everyone at the carnival in Donaldson Park, which is reported as being the best ever in attendance and money-wise.

It had the atmosphere of an old fashioned town picnic, with a cake walk, which was in progress continually, balloons to throw darts at, pony rides, which never stopped, cotton candy from our hand, popcorn, snowcones and barbecue chicken from the Lions booth, and numerous other booths. The Lions gave out of chicken several times, and there was a line at all times, because the chicken was good.

There were even free things that could be enjoyed, such as a group of orderly boys enjoying the playground equipment.

The Junior Women deserve lots of credit for their effort and time in sponsoring this Halloween parade and carnival which was enjoyed by so many. Also the dance held at the elementary cafeteria for the high school and college crowd. The "Save" a group from Tampa was a thoroughly enjoyed by the large crowd that attended.

Avon Park Chamber Gets 5000 Copies of County Guide Book

By ELOISE SHARPE

The Avon Park Chamber of Commerce received 5000 copies of the first annual edition of the Highlands County Guide, Friday, October 30, of which 20,000 copies were printed.

The guide, in color with a pretty girl on front with cadillac plants, was published as a joint effort between the Chambers of Commerce of Avon Park, Sebring and Lake Placid, and the Sunshine Press, of Venice.

The revenue from the advertising has covered the expense of the guide, making it available to the Chambers at no cost, "which is the best thing that has happened to us in a long time," said Mrs. Alma Hooper, executive secretary of the Avon Park Chamber of Commerce.

The "Guide" has the tax rates, and all information new residents of Avon Park, or Highlands County may need. The guides are mailed to out of town people who inquire about Avon Park, and are available free of charge at the Chamber office.

In the Avon Park section, several pictures are found, that include, the band stand, the city hall, pretty girls and boys on our sandy beaches, the A.B.C. Walker Memorial Hospital, library, golf course and the boat factory. In fact everything from "Arts" to "Winter Guest Club" is mentioned in this "Guide."

The Guide is dedicated to the three Chambers of Commerce, which have full-time executive secretaries willing to answer any questions you may have about the area. Their job is to make you feel at home and they do it well.

Mrs. Alma Hooper, our very efficient, executive secretary, said she is already receiving inquiries about the guide.

Santa and The Three Bears

Set For Here

"Santa and The Three Bears," an enchanting tale of three hibernating bears and how they first discover the magic and wonder of Christmas, will have its world premiere this Saturday and Sunday, matinees only, at Southgate Rocking Chair Theatre, Sebring and Highlands County theatres will be showing this, all new, never before shown anywhere, day and night with Tampa and Orlando.

There will be two showings at both the Southgate and Highlands on Saturday afternoon, plus two showings at the Southgate on Sunday, and one at the Highlands.

Naturally, "G" rated, this is a cartoon feature that the whole family will enjoy (see the movie ad elsewhere in this paper).

ALMA HOOPER, executive secretary of Avon Park Chamber of Commerce displays the new Highlands Guide now at the Chamber.

WRECK ON US 27, at the Lake Anoka Bridge Tuesday morning burned two vehicles and caused \$11,500 damages but no one was seriously injured, Mrs. Shirley Sue Smith, 21, of Winter Haven, driver of the auto and one of her passengers, Vera Smith, 44, were injured but not seriously. Two-year-

old Steve Smith escaped injury. William Edwards Matts, 31, of Tampa, driver of the tractor-trailer, and his passenger, Billy Morris of Tampa, 18, were not hurt. Trooper Ralph Hough, who investigated for Florida Highway Patrol, charged Matts with driving on the wrong side of the highway. (Photo by L. Miller)

HEW Drops Proceeding Against Highlands County School System

Declaring that Highlands County is now operating a completely desegregated school system, the federal Department of Health, Education and Welfare has dismissed all administrative proceedings against the county school board.

Formal notice of the dismissal was received by School Superintendent George F. Douglas this week. The county's school desegregation plan was approved by HEW in the Summer and shortly after school opened an HEW investigating team visited in the county to report on implementation of the plan.

The notice to Douglas this week calls attention to the school board's "continuing responsibilities" under the Civil Rights Act of 1964 "to operate a system free of all forms of discrimination" and "any new construction must be such that segregation will not occur."

The civil rights division of HEW filed the administrative proceedings against the Highlands County School Board in August, 1968. Several times since then the local board has been threatened with a court

suit for non-compliance with the Civil Rights Act, but court action was never filed. School administrators here estimate that 25 per cent of Florida school boards have been able to complete establishment of unitary school systems without court orders.

Grange To Hold Open Meeting

Red Devil 'B' Squad Defeats Arcadia 3-0 Here Thursday

Coach Dewayne Lemier's Avon Park "B" squad football team took an 8-0 win from the Arcadia jayvee squad here at Memorial Field last Thursday to move to a 3-3 record with just two more games left on the schedule.

The Devil "B"s" will play in Sebring tonight (Thursday) and will be at home to the Lake Placid Green Dragons the following Thursday.

It was sweet revenge last week for the Avon Park team which had lost to Arcadia earlier in the year on the Bulldog jayvee home field by a score of 20-4. In the second quarter Avon Park end Sam Dasher dashed some 45 yards on an end around play to score the only touchdown of the game, and then Devil quarterback Tony Williams passed to halfback Artie Bass

for the two point conversion. Arcadia was held scoreless mainly on the efforts of the Avon Park defensive line as ends Bud Wester and Eugene Flowers, tackles James Walker and Nate Williams, and nose man Gene Albritton turned in real fine performances to keep the Arcadia offense bottled up all evening.

Avon Park had several other scoring opportunities but penalties kept the offense from pushing over another score. Coach Lemier also praised the play of his offensive line which had Ronnie Dick at center, Nate Williams and Charles Seelgrove at guards, Vic Miskunas and Ray Culpepper at tackle, and Sam Dasher and Bud Wester at ends.

Junior High Has Five Wins

The Avon Park junior high football team, coached by Ken Shackelford and Harry Williams, moved to a 4-0 record Tuesday night, Oct. 27, with a 40-16 win over the Sebring seventh and eighth graders. The youngest Red Devil team was set to play a ninth grade team in Frostproof last Tuesday night. Coach Shackelford was hopeful his seventh and eighth graders could outplay the older boys from the Polk County school but warned fans before the game that his team was putting its undefeated record up against a bigger, older group of boys.

Against Sebring halfback Josh King was the big scoring gun for Avon Park. The husky back scored four of the Avon Park's six touchdowns and all four were scored from at least 35 yards away from the goal line. Josh scored two TD's on pitch outs from quarterback William Burley and two others on cross backs through the line. William Burley scored one

touchdown on a quarterback keeper sweep around the end and halfback Rieley Clant scored the other touchdown on a reverse play. Burley also scored a two pointer conversion with a run through the middle and Dennis Avery, fullback, scored the other two point conversion to set the Avon Park final score at 40 points.

Sebring scored two touchdowns and made both two point conversions but Coach Shackelford played his second and third string defense most of the game. The defense intercepted five Sebring passes to help set up some of the scores.

Next Tuesday the "minor" team will close out its season with some game against Lake Placid here at Memorial Field at 7:30 P.M.

So far the Devil junior highs have defeated Sebring by scores of 38-20 and 40-16, Lake Placid by a score of 40-4, and Okecho 6-0.

RAARC Board members (left to right) Mrs. Lorraine Howard, Thomas R. Johnson, Jr., and Mrs. R. H. Hubbell hold the awards which were originally announced by Florida Association for Retarded Children—Sun photo.

Highlands County News Media, Two Churches Honored at Meeting

Highlands County communications media and two Sebring churches were honored at the Fall board meeting of Ridge Area Association for Retarded Children.

The honors, for contributions to public support and understanding of programs for the retarded, had been announced at the state convention of Florida Association for Retarded Children, Certificates of appreciation for the honorees—including the Avon Park Sun, Sebring News, radio stations WJCM and WSEB, St. Agnes Episcopal and First Christian churches—were presented at the RAARC board meeting in Avon Park.

Mrs. G. Frank Ward, president of RAARC, said, "Since the organization of our association newspapers have reported news of the activities and services developed for the retarded in Highlands County. Press clippings make up a history of the movement to help the retarded help themselves."

The Sebring radio stations were cited for scheduling educational programs and public service information about how the mental and physical handicapped children and their families can be helped.

St. Agnes Episcopal Church of Sebring was honored for making available its parish house and church facilities for a Summer Fun Camp. This camp for handicapped children has been housed at the church for the past three Summers. The camp is sponsored by Highlands County.

Volunteers are needed to help in teaching the workability center at Avon Elementary Annex.

He said five Sebring teenagers are now working at the center. They have been learning to make simple repairs to clothing and to operate manual-powered lawnmowers donated by Mrs. Ethel Williams of Avon Park.

The clothing repaired and processed at the center will be offered for sale in the Ridge Area Thrift Shop in the Jacksonville Hotel building. Meyer said he is seeking volunteers to work as Thrift Shop salesmen.

Volunteers are also needed to assist the teachers at Ridge Area Day School in Avon Park between the hours of 8 A.M. and noon every school day. Volunteers may call Avon Elementary School at 273-1100.

A. B. Willie of Avon Park, was elected to the RAARC board last week.

Irene and "Bud" Budkie had unexpected visitors on Wednesday, Mrs. M. Walston, who is a sister-in-law and her sisters, Mrs. Cora Thornton, both of Hialeah, stopped enroute from Kentucky to their home in Hialeah.

On Tuesday morning Mary and Cedric Weiman of Ballston Spa, N. Y. arrived. They were unable to return last year due to sickness, so it is doubly good to see them this year. Welcome back!

Bill Henline left on Sunday to attend the Sales Seminar, Region 3, of the National Linen Service. While in Tampa he will be at the International Inn.

Belated anniversary wishes to Lillian and Bob Cook, who celebrated their 47th anniversary on October 31.

Mrs. Jane Holmes of Marietta, Ill. visited Thelma Chalmers on Saturday afternoon. Jane and her husband Sid are camping at Highlands Hammock State Park before going to Big Pine Key for the remainder of the Winter.

We are all sorry to hear that Ralph "Bob" Burns is confined to Walker Memorial Hospital.

It is good to see Marie and Clarence Gerrard back. They had rather a hectic trip back. They reported that they drove through a lot of fog and other bad weather and also damaged their trailer at one park on the way down. It took them over four days to come back from South Bend, Ind.

Lester Parkhurst is riding around on a different bicycle, and also Ruby and Harold Pummill.

Mr. and Mrs. Marvin Tebo of Southland Trailer Park spent Sunday afternoon visiting Maud and Fred Foote.

We are all happy to have Ethel and Max Putnam of Dunsmuir, N. Y. back.

Gulf Ridge Signs 134 New Members

Gulf Ridge Council placed second in Southeastern United States in recruitment of new Boy Scout unit members in the annual Boy Power-Max Power drive last month. District Boy Scout Executive Don Brooks announced today that more than 2,000 new Cub Scouts and Explorers were recruited in October.

In the Highlands District—Highlands, Hardee counties and Frostproof—134 new members were added, Brooks said. Only the Atlanta area recruited more members than the Gulf Ridge Council and Brooks pointed out the Atlanta area has roughly 60,000 members to 14,000 for Gulf Ridge, so percentage wise the Gulf Ridge Council may have exceeded Atlanta, Brooks said.

Ford Heacock, Jr., of Sebring, is vice president of Gulf Ridge Council.

Bonnie Brae Mobile Home News

Irene and "Bud" Budkie had unexpected visitors on Wednesday, Mrs. M. Walston, who is a sister-in-law and her sisters, Mrs. Cora Thornton, both of Hialeah, stopped enroute from Kentucky to their home in Hialeah.

On Tuesday morning Mary and Cedric Weiman of Ballston Spa, N. Y. arrived. They were unable to return last year due to sickness, so it is doubly good to see them this year. Welcome back!

Bill Henline left on Sunday to attend the Sales Seminar, Region 3, of the National Linen Service. While in Tampa he will be at the International Inn.

Belated anniversary wishes to Lillian and Bob Cook, who celebrated their 47th anniversary on October 31.

Mrs. Jane Holmes of Marietta, Ill. visited Thelma Chalmers on Saturday afternoon. Jane and her husband Sid are camping at Highlands Hammock State Park before going to Big Pine Key for the remainder of the Winter.

We are all sorry to hear that Ralph "Bob" Burns is confined to Walker Memorial Hospital.

It is good to see Marie and Clarence Gerrard back. They had rather a hectic trip back. They reported that they drove through a lot of fog and other bad weather and also damaged their trailer at one park on the way down. It took them over four days to come back from South Bend, Ind.

Lester Parkhurst is riding around on a different bicycle, and also Ruby and Harold Pummill.

Mr. and Mrs. Marvin Tebo of Southland Trailer Park spent Sunday afternoon visiting Maud and Fred Foote.

We are all happy to have Ethel and Max Putnam of Dunsmuir, N. Y. back.

They arrived on Thursday afternoon. It has been quite an exciting trip for them since they left last January 6. They met Margaret and Gene Brown who had left earlier from Bonnie Brae, at Fountain Blue St. Park at Saddle, La.

The two couples pulling their travel trailers headed for Mexico and stopped at many places of interest before returning to the United States in Tucson, Ariz. where they parted. The Browns heading for California. The Putnams then stopped at Socorro, New Mex. Grand Canyon, Zion National Park, Las Vegas, Salt Lake City and Logan, Utah, Idaho Falls and Jackson, Wyo. Glacier National Park and at Great Falls, Mont. where they visited friends.

Then to Fargo, N. D., where relatives were visited. On to two Harbors, Minn., Sault Ste. Marie, Mich. and through Canada to the St. Lawrence Seaway, arriving back at Delanson, N. Y. in early Aug.

While at Delanson they stayed with Max's sister and husband, Winifred and Andrew Quick. They left New York on October 8 and again met the Browns at Emerald Isle in North Carolina. They have covered more than 20,000 miles since they left Bonnie Brae in January.

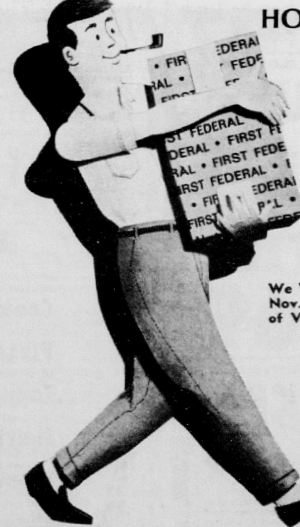

Catherine and Paul Whitmer of N. Liberty, Ind., former Winter residents of Bonnie Brae visited with several people here on Saturday.

Maud and Frank Poote enjoyed an evening (on Friday) with Ethel and Max Putnam, playing Aggravation.

Marie Parham and Mrs. Elsie Streeter spent Sunday with Mr. and Mrs. Clark Davis of Fort Myers.

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nation's large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1/3 the price of a modest suburban house a family can buy a 12,000', air conditioned mobile home with two bedrooms, a comfortable living room and a well gadgeted kitchen. This equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their instant communities offer an answer to the problems of the urban pressure cooker. Avon Mobile Home Park News
By RUTH E. ROBINSON
It is pleasant to welcome the arrival of the Avon Mobile Home Park. The park is located on the south side of the highway, just west of the intersection of the highway and the road to the south. The park is a beautiful area with many trees and a large body of water. The park is a great place to live and it is a great place to visit. The park is a great place to live and it is a great place to visit. The park is a great place to live and it is a great place to visit.

Christmas Seals Are In Mail For '70 Drive
Christmas Seals are in the mail and on sale, opening the 1970 drive for funds for the Tuberculosis and Respiratory Diseases Association. The goal for the campaign in this area is \$50,000.

Raymond Batts Completes Study Course On Telephone Exchanges
Raymond H. Batts, 204 Lake Isis, Avon Park, equipment installer and repairman for United Telephone Company, recently completed a special study course of the function, operation, testing and maintenance of dial PBX automatic telephone exchanges.
The class—which included trainees from all parts of the United States—was conducted by Automatic Electric Company at its communications training center in Northlake, Ill., a suburb of Chicago.
Batts has been with the company 20 years and has gained experience in the installation and repair of automatic telephone exchanges. He attended Moultrie High School and served in the U. S. Navy from 1945 to 1948. His wife, Leathy, are the parents of two sons, Haywood and Don.
Mr. and Mrs. Lewis Becker had as their guests this week, Mrs. Wyrick of Lake Worth.
Mr. and Mrs. Earl Ayling of Sunny Ridge Trailer Park and Mr. and Mrs. Lewis Becker spent Monday with friends, Mr. and Mrs. Gordon Hunt at Venice.
Mr. and Mrs. Harold Smith of Fort Myers were the guests of Mr. and Mrs. Glenn Long on Thursday. The Smiths formerly of New London, Conn. have just moved into their new home in Fort Myers. Mrs. Smith is a cousin of Mildred.
John W. Miller, son of "Mother Miller" and brother of Sallie Wright visited the Smiths on Friday and Saturday. He resides in Lewisburg, Va.
Mrs. and Mrs. Lawrence Robinson participated in a birthday picnic at Highlands Hammock Park, which was for Mrs. Elton Wetmore. The weather was beautiful, as was the day.
Mrs. LaRue Long-snecker, Mr. and Mrs. Leroy Warner, Mrs. Laura Wareham, Mrs. Frank LaFollette, Alta Robinson and Hallie's husband Elton sang "happy birthday" to her.
A note from your park reporter to PLEASE send your articles of "comings, goings, and guests," etc. in the little black NEWS box which is attached to the pole at the end of the south row of mailboxes. THANK YOU! We are also looking for a volunteer to take this most interesting duty. Write a reporter appreciative of "yours truly" and Emmette Wright. Please think about it! Then let us know, Thank you.

Walper To Head Hospital Council
At the annual meeting of the West Central Florida Hospital Council, George Walper, Administrator of Walker Memorial Hospital, was elected president-elect for the coming year.

VOLUME XLVII, NUMBER 1

Avon Park Red Devils Will Face Okeechobee Friday

After a week off the Avon Park Red Devils will get back into action tomorrow (Friday) here at Memorial Stadium when they host the Okeechobee Brahmins who have a record of two wins and five losses for the season thus far.

The Okeechobee team has won over Lake Placid 26-30 and St. Andrews 29-10 but they have lost to Jupiter 23-14, Palatka 28-24, Sebring 16-12, Central Catholic 22-14 and Moore Haven 20-6. They are currently riding a four game losing streak but have not been held scoreless all season.

Souting reports show that the Brahmins change formations almost every week so the Devils will be guessing just what to defend this week.

The Red Devils have won three and lost four this year but seem to have found themselves of- fensively weak before last as they trounced DeSoto High of Arcadia 27-0. This week the Devils will go with pretty much the same line-up against Arcadia. On offense the running backs are left halfback Steve Hartt, right halfback Walter Nunnallee, and fullback Greg Albritton who moved from guard to the backfield four games ago and has been steadily improving.

Don Sismere will quarterback the team with Ricky Dick at the center slot. At offensive ends will probably be Joe Franz and Mike Smith since Jack Jackson has been having trouble with leg hags for several games.

Offensive tackles will be Randy Ward and Danny Albritton and at guards will be Jarvis Hartt and Donny DeLaney.

The Red Devil defense which has had to spend a lot of time on the field this season will have James Coleman and Mike Smith at ends, Mike Archer and Danny Albritton at tackles, Jarvis Hartt and Ricky Dick at guards, Walter Nunnallee, DeLaney and Greg Albritton at line-backers, Curtis Jackson, and Frank Davis playing defensive halfbacks and Don Sismere at safety back.

Others who will probably see action this week are Freddy Jahna and Keith Richards along with Jim Muehlemeyer, Virgil McInville, Greg Hartt and Willie Davis. Also on reserve are Doyle Book, Earl Strong, Arnold Davis, Wayne Todd, Charles Johns, Johnny Edwards, Ted Long and Mike Rihner.

In all 30 yards are still putting in time at practice on the variety. Coach Franz said this week that all 30 yards were at practice Monday for the first time in many weeks. As a result, Franz said, the team has avoided some sideline injuries after the week off preceded for the final three games.

Wolfgang Halbig Named Wildcat Of Week at Abilene College

Wolfgang Halbig, former multi-sports star for Avon Park High School, was named "Wildcat of the Week" by the coaches at Abilene Christian College for his play in a 35-13 victory over Drake University.

Head Coach Wally Bullington cited Halbig's pass catching in crucial situations as his strong point in the game. The 165-pound tight end caught five passes in the game for 52 yards and one touchdown.

Before transferring to Abilene Christian, Halbig had been stationed in Abilene at Dyes Air Force Base, serving his time in the U.S. Army. He was originally signed as a linebacker, but he has been moved to end and has responded with several fine games.

On the year Halbig has caught 11 passes for 126 yards and one score.

He will be a barbeque complete with pig at 6 P.M. with the tournament following, with flaming pit balls and gas lit torches on the greens and tees. This will be open to the public and the winners will be obtained from members.

Eight ladies met at 8:30 A.M. Nov. 10, for coffee and food. They played partners with Ruth Durden and Katie Reinecke and they had lunch in the clubhouse.

The next mixed couples tournament will be a 9-hole series, December 6 at 2:30 P.M. The kitchen at the clubhouse is open for lunch, sandwiches or snacks.

22 Deer Killed At Range Over Weekend

The hunters again this past weekend far outnumbered the deer—about three to one—at Avon Park bombing range.

At Web management area in Charlotte County 250 hunters for deer and hog and 200 for quail registered. The kill: 1 deer, 150 quail, 3 hogs.

The second phase of dove season opens Saturday and runs through November 20. The first phase ended November 1.

The Avon Park bombing range will be open this coming week. It will be open at 4 A.M. Saturday and close at 8 P.M. Sunday.

The 1970-71 hunting season for resident game birds and animals will open one-half hour before sunrise in the Central Zone, on Saturday.

According to the Game and Fresh Water Fish Commission, the Central Zone is identified as that portion of Florida located North of State Road 90 to the eastern boundary of Jefferson County.

The season for resident game birds and animals in the Southern Zone, that portion of Florida located South of State Road 90, opens on Saturday, November 14.

According to the Commission, November 14 will also mark the opening of the statewide season for hunting migratory snipe and the second phase of the statewide migratory dove season.

Shooting hours for snipe are from one-half hour before sunrise to sunset.

The statewide season for hunting rails and gallinules will close at sundown on Friday.

Council Agrees To Purchase 2 New Cars For Police Dept.

Two bids were opened and decided on for the purchase of two new police cars for the City of Avon Park.

Avon Park Motor Co. offered a bid of \$6,100 for two Toyotas, with trade less \$307 per car, without air conditioning, which netted \$5,793 for the two cars.

Also with a bid for two Ford Custom 500 for \$6,015. Wells Motor Co. bid \$5,684.28 for two Corvettes, and a bid of \$6,013.79 for two Polars, with a trade in of \$325, for three cars. Wells Motors, got the order for two Polars, for the full sum of \$5,388.79.

In a request for additional land and a permit to have agricultural operations of Don Conner, was read in connection with this letter was read from the airport committee which was recommending that no land within 200 feet of a runway be leased. The area that was requested was not agreed upon.

however another area for the proposed hangar was suggested. An approval of agricultural use was given, as long as no materials or planes using materials were housed in city hangars.

Only one bid was received on the J. A. Bishop estate property advertised, but it was not opened. A letter from an attorney on the J. A. Bishop estate property, requesting a 30-day extension for disposal. A discussion was held on the prop-

erty of Helen Watkins, and the difficulty of demolition at this time as the home is occupied. It was agreed that the city attorney would investigate other possible ways to handle the disposal of this property.

Street foreman John Zeigler reported a bad collection of rain in the main sewer line between Pleasant Street and E. Main Street. This line was cleaned in 1967, but it is now full of sand again.

The city clerk was requested to secure more information on a letter received from consulting engineers, of Dawkins and Associates, concerning the filling of application for permit from the state to operate sewer treatment plant. With a suggestion that an engineer spend up to two weeks training plant operators for maximum efficiency in operating a sewage disposal plant. The cost of this program would not exceed \$750, for the preparation of the application.

The cost of this program would not exceed \$750, for the preparation of the application. Several requests such as the fairway mower needed for the greens, the cost of the mower was quoted at \$2,500. However, a motion was carried to purchase a new greenmower not to exceed \$800. In other matters it was the decision of the council not to observe Veterans Day with the closing of City Hall, all will be open on that day.

No action was taken on the request for new light weight jackets for the police. The heaters for the shop was discussed and an investigation was made to see if the best type of heaters to be used. No action was taken on the request for Highway Patrol drivers to be located on Hwy. 27 somewhere between Avon Park and Sebring.

Approval for the \$550 payment to the Avon Park Library, and to plan for the purchase of two parks at West end of Mail.

Highlands Civil Defense Director Presents Walker Memorial with Radiation Detection Kits

Walker Memorial had the pleasure on November 5 of receiving four radiation detection instrument kits which they earned recently when they sponsored Civil Defense classes at the hospital.

The classes were taught by Jim Lawson, Civil Defense Director of Highlands County, and he was on hand to present the instruments at the bi-weekly Fire and Safety luncheon at WMH. Being appreciated to Jim Lawson for the many hours of time and effort in teaching the classes and for his dedicated enthusiasm for teaching future classes.

He also complimented those who attended the classes and received their certificates. From among the 21 who were certified, four were chosen to assume responsibility of the instrument kit because of better grades or any special merit, but because their points of duty are equally distributed throughout the hospital.

Those signing for the instruments were Mrs. Elinor Davis RN, Director of Nurses; Ben Ringer, registered lab technician; Helen Richardson RN, head nurse in OB and Herb Caruthers, chief maintenance engineer.

Since Walker Memorial is a designated civil defense facility, the administration and staff take their responsibility very seriously. In the event of a nuclear disaster they will never happen—but could the four above mentioned employees and others like them, are qualified to render a service in detecting radiation fall-out.

Walker Memorial is hopeful that when the next series of classes is offered (and the public is invited) that all who

possibly can will attend, and learn how it is possible to survive a nuclear attack. It is within the realm of possibility that we in Highlands County may some time need the knowledge of how to survive. The decision is ours—what to do about it.

Mayor Robert Barben, said that "problems were foreseen from the project, as many people object to this project, and also the water lines would create a problem."

A discussion of the problems that would rise is the deposit of \$10, is not sufficient to carry the bills as it does take time to turn off the water in case of non-payment and the city always takes a loss on the unpaid bills.

The mayor also brought up the problem of school enrollment as the schools were concerned that there would be a larger enrollment in local schools which would cause some problems in that area.

This project of a 200 unit of housing was begun over a year ago to with government workers and migrant workers. This would enable them to buy their homes in accordance with their income or rent one of better quality. The mayor said "that he was under the impression that the project was being financed with government funds and this would mean that anyone could buy or rent one of these homes."

He also stated that the down payment would be \$200, and the payment or rental would be \$40 to \$45.

No action was taken at the meeting on Monday, more information will be required before the councilmen commit themselves to the project. Proffert has already given the water rights in the sand project in their community.

City Asks Residents For Their Help In Garbage Collection

With the Tuesday and Friday collection of garbage, it is becoming a difficult problem, said the councilmen, on the open discussion of pick-up of garbage and trash.

Some residents will not put out their trash on both days and load up on one of the other days, resulting in as many as six or more cans for one pickup.

The law on pickup is that there should be no more than two cans with a capacity of 30 gallons, these should be metal. Donald Serdyski, president of the council suggested that regardless of the amount people put out only two cans at a time to be picked up. The only way to impose a limit on garbage or increase the price of removal, at the present time the rate for nine days of removal costs \$123. This is the lowest rate in the area.

For the going rate. Many suggestions were offered such as a definite cost for over two cans, a sticker was suggested that would be charged in accordance with the families need for removal. It was generally agreed that the city should operation from the citizens some action will have to be taken.

It was also noted that some people leave their cans in the street for a week or more after week and never take their cans in this does create a hazard but is also unsightly.

The council asked that an appeal be made to all to take in the cans and abide by the rules of only two cans per family, so that the removal of garbage and refuse may be removed with as little trouble as possible, and that the city can continue to do a good job.
