Homecoming Parade Friday, 25 Beauties Vie For Queen

Red Devils To Meet Lake Placid

The Avon Park Red Devils rode herd on the Okechobee Brahman to the tune of a 49-victory last Friday night before a partisan crowd of fans at Memorial Stadium. It was the fourth win for the Red Devils and evened out their record 4-4 for the season with 11 games left on the schedule. T. Brahman went down to a 5-1 record with the stopping by the Devils.

Tomorrow night (Friday) will be homecoming for Avon Park fans as the Red Devils host the Lake Placid Green Dragons here at Memorial Field. A homecoming parade will take place on Thursday (today) at 4 o'clock and the Avon Park 1970 homecoming queen will be crowned during pregame ceremonies. Kick-off time is slated for 8 o'clock with the pre-game festivities starting earlier.

The Lake Placid eleven has won only one game this season, but that was a big 44-0 win over Alva. The Green Dragons have lost to Melbourne Central Catholic 16-6, Okechobee 26-20, Fort Meade 28-0, Immokalee 26-0, and Moore Haven 6-0, lost to Sebring 14-6, and lost to Frostproof last week by a score of 21-20.

The Red Devils will be playing the Dragons without senior end Mike Smith who received a back injury in last week's game against Okechobee. Mike will be out for the rest of the season but is doing well. The Devil lineup will have ends Joe Franz and Clark Jackson, Randy Ward and Danny Albritton at tackles, Jarvis Hart and Dennis Delaney at guards and Ricky Dick at center. Don Sizemore will quarterback the Devil offense and Greg Albritton will be at the fullback slot. At halfback will be Walter Nunnally and Steve Hart with Curtis Jackson and Frank Davis seeing some action too.

On defense the Devil line will have the same ends with Mike Archer and Virgil Melville moving into the front line to help out and Jarvis Hart, Dennis Hart, and Walter Nunnally take over at linebacker with Curtis Jackson, Frank Davis and Don Sizemore playing halfbacks and safety back.

Okechobee Game
Last Friday the Devils started slow and scored only one touchdown in the first quarter but then gathered steam as they stomped the Brahman for the 49-14 win.

The Red Devils won the toss and elected to receive the opening kick-off but were unable to move the ball for a first down on the first drive and Don Sizemore punted 30 yards to the Brahman 31-yard line. Okechobee picked up one first down but

Local Merchants, Organizations Ask To Participate In Parade

With the annual Christmas parade in full swing of the planning stage an invitation has been issued to local merchants to join in the festivities and make the parade sponsored by the Chamber of Commerce a huge success.

The parade which will start at 7 P.M. on December 1, and will be headed by Mack Flowers, assistant fire chief. With the Avon Park High School band and the Junior High band furnishing the music. Many businessmen and organizations have committed themselves to entering the parade with floats or sponsoring a unit in the parade.

Alma Hooper, secretary for the Chamber, said, there is still time for any one to enter the parade with cars or trucks and it should be noted that these should be decorated in the spirit of the holiday season.

This year there has been an addition to the decorations of the city streets and they will be ready and lighted for the parade. Santa Claus will arrive in Avon Park on that evening and he will be riding on the fire truck which will be the last vehicle in the line of march. He will toss candy to the children.

This is the second year that the Christmas parade will be staged in Avon Park and is sponsored by the Merchants Committee of the Chamber of Commerce.

The route for the parade has not been established as yet and Mrs. Hooper said that this will have to be given at a later date.

This will open the festive holiday season for the city and will only be the beginning of a very busy holiday month.

Firemen To Break Ground For Headquarters Building

Tom Adams, Lt. Governor-elect, will be the main speaker at the groundbreaking ceremonies for the State Firemen's Headquarters at 3:30 P.M., Saturday, Nov. 19.

Twenty state and district officers will attend the ceremonies as well as local dignitaries. A meeting will also take place in conjunction with the days event, with District 4, Florida State Firemen's Association.

Donated by the City of Avon Park, the five acres is situated on Highway 27, just South of Avon Park.

The site was visited recently by Olan Godwin of Okechobee, vice president of District 4, and

George Tillghast of Fort Lauderdale, the first vice president of the State Firemen's Association, with Mack Flowers, assistant fire chief of Avon Park and building coordinator.

Although this is only the groundbreaking at this time hopes are that the building will be finished in one year. The building will be occupied by offices of the state association and their headquarters.

Included in District 4 is High-

lands, Okechobee, S. Lucie, Brevard, Indian River and Osceola counties.

With his activities as Assistant Fire Chief Mack Flowers is also the building coordinator and the Superintendent for the State Association's building program. Mrs. Roberta Flowers is the first vice president of the State Firemen's Auxiliary and also supervises Districts 7 through 12 of the State Auxiliary.

Teenager Draws Two Year Sentence

An Avon Park teenager drew a two-year prison sentence when Circuit Court on Monday adjudged him guilty on two counts of burglary by breaking and entering.

Jerry Wayne Massey was charged with breaking into two residences on Striker Rd. Judge Clifton Kelly sentenced Massey to two years on each count, the sentences to run concurrently.

Willie Curry of Avon Park pleaded not guilty to a charge of manslaughter by use of hands. He is accused in the beating death of Horace Clark on Oct. 18. Bond was set at \$2500 and trial is scheduled for Dec. 7.

James Arthur Perdue and James Pearson of Avon Park charged with breaking into autos on the South Florida Junior College parking lot entered pleas of not guilty and trial was set for Dec. 7. Delores Rolley and George Blackman, Avon Park, charged with aggravated assault on each other, each entered a not guilty plea and trials were set for Dec. 7.

Police Report Thirteen Arrests In Avon Park

Seven arrests for drunkenness were made over the weekend, and five for unlawful speeding. A husband and wife were arrested in a local trailer park on the charge of drunkenness. They were Bobby S. Stephens, 45, and John A. Stephens 50, both of Avon Park. They were released on a \$27 bond.

Other arrests at the same trailer park were Gyles T. Kidd, 46, Avon Park, drunkenness and Richard Schiettes, 29, Avon Park. While Charles L. Williams 22 of Tampa, Hugh Jackson, 59, Temple, Texas, and Walter R. Eldrich, 46, Avon Park, were arrested on a public drunkenness charge and released. They posted a \$27 bond for their appearance in City Court.

Francis G. Lyons, 46, of Avon Park, was arrested and charged with petty larceny. Lyons was released on a bond of \$100, and ordered to appear in city court. Regardless of the warnings that have been issued concerning speeding, it is still one of the major problems for the local police.

SMOKE SHOOT—Sheridans (above left) of the 3rd Sq. 4th Cav. 8th Inf Div. prepare to move out. Circled are four of the vehicle's eight grenade launchers. Down range a smoke and phosphorus grenade (above right) explodes and the smoke screen makes 14.5-ton vehicle almost invisible in bottom left photo. When clearing the screen the Sheridan is doing fast flip. The demonstration took place on Range 80 at Grafenwoehr.

Capt. Edward Sharpe Participates In Army Training In Germany

Captain Edward E. Sharpe, Jr., commanding B Troop, 3rd Squadron, 8th Cav. at Grafenwoehr, Germany, training center averaged 98 points per tank in both night and day phases to put in lead the 3rd squadron in firing qualifications.

Each of the four troops based at Coleman Barracks supplied one of their light-weight (14.5 ton) Sheridans for the smoke demonstration that practically hid them from the sight of spectators. In addition to the grenade launchers, the purpose which is for the laying of smoke screens in combat, the Sheridans are fitted with the new Shillelagh weapons system, a surface-to-surface guided missile that is fired from the vehicle's 152 MM gun-launcher.

Captain Sharpe's Bravo Troop also scored high troop, 1st, 2nd and 3rd high platoons, also 1st, 2nd and 3rd high Sheridans.

Captain Sharpe is the son of Mr. and Mrs. Ed Sharpe and is married to the former Lisebeth Liles of Avon Park, and they have a daughter, Carrie, born in Heidelberg, Germany.

He has been on active duty four years, one year which was spent in Vietnam as an advisor in Pleiku Province. He is presently stationed at Mannheim, Germany, where he resides with his wife and daughter.

Where Our High School Stands

Many of our most interesting programs have been our classification talks. Such a one was Aaron Cravens talk last Wednesday about some of the problems which now beset the schools and how the schools are trying to meet them. Many of these problems have been brought about by court decisions, lack of court decisions and arbitrary and tyrannical federal interference.

The schools are desperately trying to build good and useful citizens, and endow students with qualities, capacities and loyalties for a good life despite family backgrounds and differences in intelligence levels among the children.

Mr. and Mrs. Edward Nisbett of White Hall, N.Y. have recently located in lot 141 in the park, for the winter. They are glad to welcome them. Thursday of this week, Chapels will take Mrs. Ruffner to the airport at Orlando to return home for a short time. They will visit with their folks in Orlando for a few hours before returning.

Jim and Nita Ritchie will conduct a one-day tour by bus, Tuesday, Dec. 6 to Cape Kennedy and Disney World. They have only six remaining seats at this time. The fare is \$14 which includes all expenses except lunch. The bus leaves Winter Guest Club at 9 A.M. and returns at 6 P.M.

Blanche and Elmer Kira-cote were callers in the park Friday. They have sold their trailer to Mr. and Mrs. Glen Ruffner and will be located near Sebring.

Friday, Nov. 13, eleven were out to play shuffle. Marvin Tebo and Everett Paxton won over Betty Peterson and Golda Dain. Byron Jeremy and Golda Dain won over Dorcas Young and Winnie Lumpkin. The play-off, Tebo and Paxton won over Byron Jeremy and Golda Dain 76 to 47. Consolation winners were Omer Snyder and Christine Snyder over Leslie Snyder and Anthony 76 to 49. The weather was fine and the courts had been worked on by the management and in excellent shape.

Friends in the park will be glad to have firsthand news about Grace Coate, who lived in the park for a number of years. The Paxtons, whose home in Indiana is about 120 miles from her home in Troy, Ohio, visited her early in September. She is able to maintain her home and while on a walker manages to live alone. Three of her four children live in or near Troy and she has what is termed, "She falls a great deal, but has been fortunate not to have had serious injury."

On October 21, she was 83, appreciates hearing from the friends in the park. Mr. Coate passed away three years ago.

Eighteen were out for coffee Tuesday morning. Mrs. Snapp, a newcomer, donated doughnuts and we thank her. We invite all newcomers to join in this once-a-week time to get acquainted. See Jeremy still makes good coffee. Winnie, Russell and Barbara Lumpkin and Bee Jeremy spent the day Sunday with Winnie's sister and husband, Mary and William Hadley of Tavares, Barbara, who is working in Miami, remained until Monday with her parents.

Myrtle Heffernan and Ben Henningham are feeling much better at Walker Memorial. They will be returning home in the near future.

There were four tables of games in play Friday night at the club house. One of pinocle, one of blackout, one of euchre and one of waboo. Everyone seemed to have a lot of fun. We would like to have more next week.

Mr. and Mrs. Waldo Davidson called on friends at Lake Mead Sunday. George Monson came home from Walker Memorial Friday. George is happy to look at his own walk, it feeling very well and is up some.

Rev. and Mrs. Hutchens received word their son, Bishop Warren Hutchens, of Hartford, Conn. is in the hospital. He seems to be suffering from exhaustion. We hope he improves rapidly.

Bill Zurebke keeps himself busy. In addition to keeping his yard in order he finds time to be a good neighbor. He is busy running errands for different ones, and can be seen using hammer and saw. People do appreciate his help.

Two Charged With Shoplifting This Week

Two arrests were reported by the police in Avon Park grocery stores. Both men were apprehended in the stores. Francis G. Lyons, 46, of Avon Park, was arrested after being in the Shop and Go Market, by officer Leroy Previt, while Paul Moore, 65, of Avon Park was apprehended at Pantry Pride and arrested by officer, Grady Campbell.

Both suspects were charged with shoplifting and released on a bond of \$102, with an order to appear in city court.

Shoplifting is a very serious offense and has been prevalent in this area. The public is to be warned that the stores are on the alert for the offenders and arrests will be made every time a culprit is caught at any type of stealing.

The loss to the stores through this menace is astronomical and in the long run the rest of the public is the one who pays the cost.

The store's insurance rate would be raised when the insurance companies have to pay for the losses, this in turn results in the rise in prices to the buyer.

It is to all peoples advantage that when any shoplifting is observed report it to the manager and in this manner perhaps it can be curbed or stopped. Remember that you are being watched from advantage points throughout the store.

The Book Fair is coming to the Avon Elementary School Library, from 8 A.M. until 3:45 P.M. November 30 through December 4, students and parents will have an opportunity to buy books from a selection of over 400 titles.

The Media Center will be open at night from 6:30 to 8:30, Nov. 30, Dec. 1 and 2 for looking and buying. Books are priced to any pocketbook, 25 cents to \$2.95, about two-thirds for \$1 or less, hardbound books and paperbacks.

Owning books leads a child to a love of reading and the boys and girls in Avon Park will have this chance to buy their own copies of favorite mysteries, horse stories, adventure stories and animal stories.

It takes six to 10 times as much energy to start a piece of machinery, as it does to keep it moving. Maybe, likewise, people?

Congregational Church To Celebrate Pilgrim Anniversary

The Pilgrims from England and Holland reached New Plymouth on Sunday, Nov. 22, 1620, and Union Congregational Church will celebrate the 350th anniversary this Sunday. The sacrament of Holy Communion will be observed at the morning worship service, eleven o'clock.

At six in the evening a church family "covered dish" supper will be enjoyed followed by a special program. The Family Thank Offering boxes will be received at the supper.

The history of the Pilgrims from about 1580, before they joined the "Gentlemen Ad-

ventures" in the venture to the new world, will be presented in a sketch entitled "Scrooby to Leyden to New Plymouth."

All are cordially invited to attend. The Rev. Herbert Graetz is pastor of the Union Congregational Church.

Lutheran Church Women Busy Making Plans For Christmas

The November meeting of the Women of Resurrection Lutheran Church met Wednesday afternoon at 1:30 at the home of Mrs. Joseph Bloomquist on Hill St. in Avon Park.

Mrs. Lucile Hart, president, opened the meeting with the Lord's prayer.

After the official business, plans were made for a Christmas party to be held at the church on Wednesday evening, December 9 at 7:30. This will be a Christmas program to which everyone is invited.

Victory Sunday To Be Celebrated November 22

Victory Sunday will be celebrated on Sunday, Nov. 22 by all National Council of Christian Churches. However, all churches are invited to participate in prayer and services for victory over communism, and to bring prayer and bible reading back into the schools, but mainly to call the nation back to God.

The main object of the council group is to put victory back into the minds of the people of the nation, because we have always been a nation of victory and they advocate that our own motto to "In God We Trust" is the real victory over evil.

Victory marches have been staged in this group in Washington, D. C. In April and many more are planned in the future to emphasize their beliefs in victory. Petitions to the President asking his endorsement have been circulated and a march in all major cities in the very near future.

Dr. W. H. Stuart Will Speak At Presbyterian Church Sunday

Dr. W. H. Stuart, Polk County pastor, will speak Sunday night at the First Presbyterian Church at 7 P.M. The topic of Dr. Stuart's message will be "First Person Singular."

The Sunday night meeting of the classes "Exploring Christian Discipleship" will conclude on December 2. There will be 19 sessions in all. "Exploring Christian Discipleship" has been the attempt of a number of people to learn together the meaning of Christian discipleship. The Wednesday night sessions will be in charge of the refreshment break at which time there will be an opportunity to meet Dr. Stuart. Dr. Stuart, besides being involved in a wide range of business activities, is an active churchman, being a ruler elder in the Bartow Associate Reformed Presbyterian Church and Superintendent of Missions of Florida Presbyterian.

LEGION BINGO

Thursday night is Legion night at the American Legion home on West Bell Street in Avon Park. Games start at 7:30 P.M. Free refreshments. Every one is welcome so why don't you attend and bring a friend. The fourth Thursday of the month will be no pot luck supper. However, Bimbo will be played beginning at 7:30 P.M.

Nazarene Missionary Society Meets

The regular monthly meeting of the Nazarene Missionary Society was held Wednesday evening, Nov. 11, at the Nazarene Church of the Nazarene. After a covered dish dinner, the meeting was presented by the young people of the Society, who put a special emphasis on the theme "Thanksgiving Offering to be taken by the entire denomination in late November to spread world evangelism."

Each young person had a special part in the program, which was well organized and very interesting. Rev. Paul J. Trissel presented a study of Nazarene missions in the Caribbean, pointing out ways of life and various problems in this region while telling the great news of Jesus Christ.

The public is always welcome to attend the Society's meetings, held in the church social hall at 6:30 P.M. every second Wednesday of the month.

Women Make Plans For Christmas

The Women's Council of the First Christian Church met in the Fellowship Hall of the Church, Thursday evening, November 12.

The devotions were conducted by Mrs. Alice Pilow. Mrs. Clifford Dance gave a lesson study on the work of some missionaries in Japan and in Ghana, Africa.

Plans were made for some of the Christmas activities of the church, and for their annual bazaar.

The December meeting of the Council will be held at the home of Mrs. Frank Alley in Avon Park Lakes and will be a Christmas party, with gift exchange. Mrs. Edward Simon was the hostess for the evening and served refreshments, assisted by her daughter, Margaret.

Fellowship RAs Have Barbecue Dinner

In order to celebrate the victory in the Halloween bazaar, the Pioneer RAs of Fellowship Baptist Church had a Bar-B-Que dinner last Saturday, November 14 at Lake Denton.

The event was enjoyed by all who attended. Their sponsor, Paul Forker, was quoted as saying, "All of the members were present and they all seemed to have a great time."

"We all enjoyed the Bar-B-Que, which consisted of the main course and all the trimmings."

Many of the boys who attended the feast were in attendance Sunday morning for Sunday School and worship services.

All through the bazaar had been over for two weeks, the glow of victory was still on the faces of these young athletes. They had tied for first place on that eventful day.

PLANNING THE French program at The Highlands School are Miss Marlene Gunset, French exchange teacher, who has recently assumed her teaching duties at the school, and Headmaster Paul C. Gentry.

Highlands Girl School Has New French Language Teacher

Miss Marlene Gunset, attractive young exchange teacher from France, is "charmed with America," she said yesterday in an exclusive interview to describe her reaction to this country. Miss Gunset arrived recently at the Highlands School to teach French until June 1971. Her appointment was arranged by Amy Intaglio, Del Mar, Calif.

Miss Gunset said that this, her first visit to Florida, has far exceeded her expectations. "I like the groves of orange trees, extending over so many acres, and the sunsets which I can see from my room," she said. She also spoke glowingly of the Highlands School buildings and the campus.

"It is all so perfect; I am so glad to be here," Miss Gunset's English is flawless and her command of the French language is adequate.

"Already she uses words that are typically American in context," interpolated Paul C. Gentry, headmaster of the school, who was also present at the interview. A French exchange teacher speaks French fluently and cooperates with Miss Gunset in the French department of the school.

Her impressions of Sebring were enthusiastic. "That wooded circle with its green park in the center is a delightful spot," she declared. "And Lake Jackson with its blue waters is one of the prettiest sights I have seen in Florida."

Episcopal Church Women Meet At Todd Home Tuesday

The Episcopal Church Women met for their regular monthly meeting on Tuesday, Nov. 10. After the midweek communion service, members drove to the home of Mrs. E. G. Todd for a short "coffee" and meeting. Mrs. James A. Johnson presided.

Mrs. Sherman Francisco read the minutes of the last meeting and treasurer's report. Mrs. E. G. Todd reported on the John Knapp Memorial. She said the flooring was now being poured and should be ready for walking by the weekend.

November 15 was Loyalty Sunday. There was a covered dish luncheon in the parish house after the 10 A.M. service.

Mrs. E. G. Todd presented the names of new officers. President Mrs. Eugene Hise; vice president Mrs. J. J. Truitt; treasurer Mrs. G. A. Woodward; secretary Mrs. Francis Pater. The slate was accepted by unanimous vote.

People may stand when the National Anthem is played, but they generally fall down when they try to sing it.

Most ideas often require big words for description.

Business Women To Enter Parade

The business women held their regular monthly meeting Monday night with president Gladys Smith presiding. Decorations of the club house carried out the Thanksgiving theme with turkeys everywhere. Hostesses, Mildred Logan, Mattie Tompkins, Vicki Bous and Betty Wells even served the traditional pumpkin pie, whipped cream and coffee.

Preceding the business session Miss Alexis Day, attired in a lovely black sheath with her blond hair in a cascade of curls entertained the group of ladies with some vocal selections. She was accompanied by Mrs. Betty Joe Watford on the piano. The club voted to participate in the annual Christmas parade on December 1, at 7 P.M. Members are reminded to

sell those famous Claxton fruit cakes for \$1.25 per pound. They are on sale at various locations downtown and from any member.

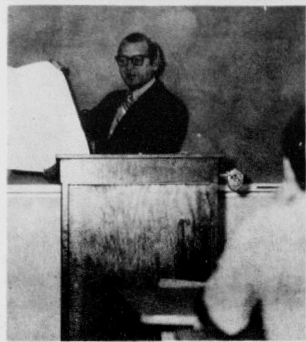

Three new members were welcomed into the club, Elsie Sharpe, Edna Leighton and Alice Smith.

The Christmas party will be held this year on December 14, at 6:30 P.M. at the Jacaranda Hotel. Someone will be in touch with you soon, you may bring a guest providing you pay their way, and bring a gift not under \$5.

Visit Naval Academy

Forty girls, students at the Highlands School, will go to Sanford Naval Academy Saturday, Nov. 21, to attend the Thanksgiving dance sponsored by the Student Government Council at the Academy. Leaving Highlands School at 1 P.M. Saturday, they will reach Sanford in time for the afternoon sports activities. A dinner is scheduled for 4 o'clock, followed by dancing to the music of the Miami Band.

River Greens Announces Golf Winners

The River Greens, Saturday Mens Golf, announced the winners in their Saturday, Four Man Team Point Tournament this past Saturday. The winners were Don Strole, Frank Shannon, Mervin Reher, and Ross Hendrick.

The Men's Golf Tournament is a main feature every Saturday at 2:00 P.M.

On Sunday afternoon, the Home Juice Company Employee Tournament and Bar B Q was held and the winners in that contest were Don Lee with a 66, and Joe Ellis with a 77, with a tie for third; Carl White and Allen Stryling both netted a 74. Moonlight golfing will be featured on the 23rd of November. This is open to the public and tickets can be obtained from members. The barbecue will be at 4 P.M. with the tournament following. The greens and tees will be lit by gas torches and there will be fluorescent golf balls. This promises to be an enjoyable evening, make plans to attend.

Mrs. J. A. Terp Hosts Circle Meeting

The Hibiscus Circle of the Avon Park Garden Club assembled on November 12 at the home of Mrs. J. A. Terp on Wolf Street for their regular monthly meeting. Mrs. Hugh Winkler was co-hostess and there were twenty-four members present. Mrs. George Kelsey, president, conducted the business session which was highlighted by Mrs. Ted Ward's reading of the by-laws of the club. There was also a discussion of and affirmative plans made for the participation of the Circle in the City Christmas Parade and a Bolognese sale by the Garden Club. Both of the events to take place in early December.

The program was presented by Mrs. Herbert Slocum who conducted a most informative demonstration on making of Christmas corsages and wrapping of Christmas gifts. The refreshment table was attractively decorated in the Thanksgiving motif.

RAARC Plans Annual Fund Drive

The annual fund drive for Ridge Area Association for Retarded Children will be launched here within the coming week. Roy A. Gilbert has been named honorary chairman for the 1970-71 campaign.

Letters regarding the association's work on behalf of the mentally retarded and the goal for the fund drive will be sent to individuals, churches and civic organizations within the coming week.

Mrs. G. Franklin Ward of Avon Park, president of RAARC, is chairman of a speakers bureau to arrange programs on mental retardation for clubs, church groups and community organizations during the coming month.

Noted Writer Now Lives In Avon Park

By BETTY SWIRSKY
The Jacaranda Hotel, one of the earlier best hotels for the winter visitors, now houses the elderly. With all of its guests there are stories in abundance. Among these guests lives a writer of poems and stories that are dedicated to the race of mankind.

their only child, a daughter Minna was born.

Leaving Galveston in 1917, at the start of the first world war, for the Great Lakes. It was there that Capt. Goldberg was the first Chaplain to be commissioned to represent the Jews in the Navy.

Later in years after a divorce, Mrs. Gelich married a businessman, Daniel Gelich, in Brooklyn, Mass. It was here that she started to write articles for the daily newspaper. In her articles the review of the best sellers in books were included. In 1955 she wrote a book of her own and it was published and in turn became a best seller.

The book, a novel named "YUDEL" meaning "JEW" is a story of the life of a Jew in Russia, and his life in America. National honor was bestowed on Mrs. Gelich, and permission was granted by her that the book be transcribed into braille, and distributed to the blind of all faiths, through this country and in Europe.

In her book dedicated to her grandchildren (Jermy and Jon) Mrs. Gelich stated that "The love of mankind prompted me to write this book, and although I am well aware the past is gone forever and the present is cloudy, confusing and bleak, my faith in humanity remains unshaken."

Mrs. Gelich said that although for many years she and her husband went to Miami Beach and there spent their winters in a large house. She really preferred a small town, so last April she came to Avon Park to spend her remaining days. At the hotel it was evident that Mrs. Gelich had made many friends and was well accepted among the other guests.

This is fitting now as Mrs. Gelich is now ill and dying. One of Rachel Gelich's stories printed in the Brookline Daily in 1960 condensed from an article written in full detail.

In the days of dark Russia there lived a peasant and his wife, the peasant was a fisherman, but his wife was made of clay and straw roof covered the

house. In the Spring of the year the peasants would go out and hunt for fish for food, this was the only way that the peasant could survive in the village. They did not complain but they did accept their lot and way of living good naturedly.

One day the fisherman went fishing for some food and there in his net he saw a golden fish. The fish talked and said "please let me go, if you will give me my freedom I will reward you handsomely." The fisherman agreed, and from then on he demanded more and more of the world goods he had been denied all his life. The fisherman got all the gold he wanted, he wanted power and wanted to rule Russia. In his campaign to achieve this he traveled from village to village to advocate a new way of life. Other peasants heard him and agreed with him and promised to do all he said. But still the fisherman was not satisfied and he wanted to rule other countries. He drew an iron curtain around Russia and began to travel all over the world trying to sell his ideas to all who would listen. Some agreed and some did not. He delivered fiery speeches and condemned and accused the free world and he threatened to demolish and destroy the free people and the free world.

At last he called all his followers and talked them into building a tower to go and see what God was doing. All was in confusion and the tower was never finished because the fisherman was not tolerant with other nations.

It was getting late and I read no further in the book, perhaps farther time will supply the end, since no future can be foretold. What God was doing. All was in confusion and the tower was never finished because the fisherman was not tolerant with other nations.

PICTURED are three members of Girl Scout Troop 206, which was forced to cancel their meetings, due to a lack of leadership. Troop 206 and Troop 305 had been holding combined meetings each Monday afternoon at the Episcopal Church, North Verona Ave., Mrs. Peggy Delaney, chairman of the Jacaranda Neighborhood for the Girl Scouts, had been meeting with the troops, but has

found it impossible to continue as their leaders. Since last Summer, a search has been on, for leaders interested in helping these Junior Scouts learn outdoor crafts and skills, cooking, sewing, music and camping. But, with no leader, these activities have been cancelled indefinitely. Anyone wishing to help should contact Mrs. Jane Barban, 453-3805.

Shuffling
Tillie Retter and Fred Bolton won on Wednesday afternoon with Herb Shauger and Tony Kerr the runners-up. Consolation winners were Gladys Hefner and Alva Thompson over Glenn Long and George Norris. Nineteen courts were in play.

On Saturday the players were divided into two groups "A" and "B". The "A" group has one or more trophies to their credit. The "B" has never won a trophy. Points will be given to all winners. Main winners, 20 points; runners-up, 15 points. Consolation winners 15 points and runners-up, 10 points.

The "A" group played in the morning with 19 courts in play. Winners were Henry Retter and Alva Thompson over George Rankins and Blaine Kerr. Mildred Elmer Good and Henrietta Krueger were consolation winners with John R. Hart and Doc Fields the runners-up.

Card Games
In Pinochle on Monday Alene Howard and Elmer Good had the high scores of 273 and 282. On Friday Sarah Kerr and Clara Lawrence had 784 and 759.

Crafts
On Thursday the 12th about 50 women turned out for crafts. The making of pearl necklaces was enjoyed by most of the ladies. Nora Werner taught the group. Halie Wetmore demonstrated the making of Christmas cards.

Dances
On Monday evening there was a usual two squares and a few spectators. But on Friday evening there were three squares and many folks to round dance and watch. Mrs. Elma Jane Wathen of Colorado Springs was a guest. Also on Friday evening they honored the Herb Shauger for their wedding anniversary. Cookies and punch were served by Irene Whipple, assisted by Vonna Beal, on the occasion of Harry Wuenesch's birthday.

Supper
Sixty-three turned out for the regular Saturday evening pot luck supper with the Elmer Thielsen, the Fred Robinsons and Mrs. Alene Carlson as the hosts. Arlene Lane was honored with the birthday song for her birthday.

The program was in honor of Veteran's Day. And several veterans were present and recognized. There was the salute to the flag, and all sang "America the Beautiful" and "America" with Elizabeth Hyatt at the piano. Caroline Webber and Mary Gerber gave humorous readings about men in uniform.

It was reported that Arthur Poling suffered another heart attack in Winchester, Va.

Bonnie Brae Mobile Home News

It was with a great deal of pleasure that we are able to announce our first coffee hour on Tuesday, to meet one of the co-owners of Bonnie Brae, Harry Bell of Bradenton. He introduced himself and all those who attended and then explained many of the plans they hope to make in the future.

He is a much younger person than we had expected to meet. He is married and the father of six children. Questions were asked and answered with no reservations.

Thomas Chockley and Mrs. Loraine Robertson were asked to find out more about fire protection for the park. In the meantime we were promised fire extinguishers.

Later with anyone having any problems or questions, Hazel Lasse and Marie Lottz were co-chairmen in charge of refreshments. Coffee hour will be held from now on, on Wednesday at 10 A.M.

Mr. and Mrs. Walter Hemiller, a nephew and his wife, accompanied Mary and Albert Hemiller from their home in Jacksonville, Fla. While here they will visit Mrs. Hemiller's sister in Venice and fly back to Wisconsin on Thursday.

Armistice Day here at the park was not a very pleasant day as there were three people who became ill during the day. Mrs. Viola Johns fell and had to have several stitches taken in her foot.

Lester Parkhurst was admitted to Walker Memorial Hospital, where he is having tests done. Cedric Weisman had minor surgery done on his foot. Get well wishes from all of us at Bonnie Brae is extended to all three.

Mr. and Mrs. Ed Boettcher of Lake Placid and their daughter, Mrs. Elaine Marcott and her son, Gordy of Mt. Clemens, Mich., visited with Thelma Chalmers on Wednesday morning.

Welcome back "Shorty" and Cecil Thompson from Paradise, Wis. who arrived during the week.

Mrs. Gladys Barnes of Avon Park called on Maud and Frank Foote on Wednesday. On Saturday night, Mr. and Mrs. Louis Booth of Avon Park and Mr. and Mrs. Russell Talbot and their daughter, Mrs. Virginia Byers of Detroit called.

Mr. and Mrs. Reggie Haycock of Winter Haven spent the afternoon with Dorothy and Percy Beagal.

Mr. and Mrs. Walt Hunt of Delancon, N. Y. visited with Ethel and Max Putnam and Gene and Margaret Brown.

They are traveling some parsons and met in Mexico. Margaret and Gene Brown arrived here on Sunday week. They are situated on the east side of the over-night section. They left the park last winter before Christmas and visited with their daughter and husband in South Haven, Mich. before meeting with Ethel and Max Putnam in Louisiana and then touring through Mexico with them. They have been to California and spent the Summer back at South Haven, Mich. It's good to have you back.

Ellen McGonigle, Ethel and Max Putnam and Margaret and Gene Brown, spent Saturday evening at Thelma Chalmers enjoying a game of cards.

George Tansil left on Saturday for Mayo Clinic in Rochester, Minn. to undergo tests. Good luck, George.

THE CHIEFLEADERS had a very successful car wash at Border's Service Station Friday, Nov. 13, while they had a holiday from school. The A squad worked and got wet until noon, then the B squad took over. This car wash was to raise money to put their pictures in the Annual and to enter a float in the Homecoming parade. They want to thank Border's Station for allowing them to have the car wash there.

Kwik-Wash Coin Laundry

Filtered, soft water, new machines. Where washing is a pleasure.

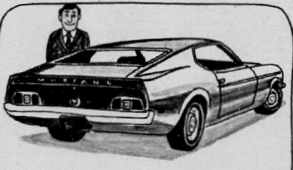

115 W. Main St. Avon Park

My sincerest gratitude to all who worked and voted for me.

What does our Ford Team do for you? Plenty!

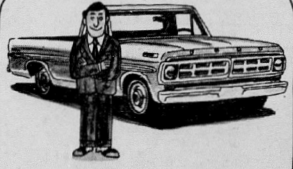

We didn't build the car. But we built the team that stands behind it and saves you money.

With Red-Hot Mustang for excitement, European style. Even if you're not—get smart, with Mustang.

With Quiet LTD—not only one of the strongest, quietest Fords ever built, it is also the most luxurious.

With Rugged Ford Pickups—Ford's F-100 with Twin-I-Beam front suspension works like a truck, rides like a car.

With Immediate Availability—get your new Ford right now. Our stocks are full and trainloads are coming in.

Our Ford Team Salesmen want you in a new Ford—the right Ford for you. Their approach saves you money.

Meet the Ford Team—we back up our cars. We know Fords and we'll play ball to keep you happy with yours.

MOBILE HOMES
SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nation's large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1/3 the price of a modest suburban house a family can buy a 12x57, air conditioned mobile home with two bedrooms, a comfortable living room and a well equipped kitchen. These equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their mobile communities offer an answer to the problems of the urban pressure cooker. FIX-IT-TIP
Sometimes a scratch on furniture is so light that it will vanish if rubbed with a cloth dampened with furniture polish to which you have added a few drops of rubbing alcohol.
Actual holes in furniture should be cleaned out with a knife to remove the fragments, then partly filled with plastic wood and, when dry, treated with a shellac stick.

Merchants Prepare For Annual Christmas Parade

Preparations are now in full swing for the annual Christmas parade to be held on Tuesday evening, Dec. 1. The parade will get underway promptly at 7 P.M., beginning at the post office on South Verona Ave.

Announcement of the parade route is as follows, from the post office to continue west on Main Street to Railroad Ave. It will turn south and then east on Main St., disbanding at South Verona Ave. Participants have been asked to be at the post office at 6:30 P.M.

Here are just a few of the many entrants that will participate in the line of march: Avon Park Motors, Florida Power Corp., Florida Forest Service, Boy Scout Troops 156 and 814, Walker Memorial Hospital, Kiwanis, Lions, Rotary and many others.

Although the Christmas decorations will be put up this week, lighting will take place on Tuesday in connection with the Christmas parade. New decorations will be added to the decorations that were used last year.

Anyone or any organization or club that desires to participate in this gala event please contact the Chamber as soon as possible. The pa-

rade is sponsored by the merchants committee of the Chamber of Commerce. This is the second year of the parade and hopes are high for a very successful one.

Coach Sandlin says there will be refreshments served and the variety will have a scrimmage to give fans a pre-season look at the Red Devil case prospects. The purpose of the open house is to form a group of basketball boosters to back the Red Devils this season. Booster tickets and season tickets will be on sale at the open house and all interested men are urged to drop by for a look at the team and a chat with Coach Sandlin and a new junior varsity coach, Tom Lund.

Several new boys have moved into school this year and are expected to strengthen the varsity. From Virginia, Charles Whitt, a 6'3" center, will join the Devil squad. James Kerney, a 6' guard from Sebring, will also be new to the team and Robert Lanzing has moved here from St. Petersburg where he averaged 13.1 points per game as a member of the St. Pete High School "B" squad last year. Lanzing is 6'1" and plays a forward position.

Seniors on this year's squad are expected to be Joe Franz 6'3", Jim Magenheimer 6'9", James Pearson 6'1", and Clayton McNeil 5'9". Franz plays forward and center, Pearson is a center, and Magenheimer and McNeil are both forwards.

The eight other boys expected to make this parade larger and more beautiful every year. The parade marshal this year is an ex-fire chief, Mac Flowers.

Following the meeting of the Chamber, the directors were taken on a tour of the Florida Home Juice Company. These tours are arranged to inform and enlighten the directors more thoroughly of our local industries.

Directors will meet this Thursday, Dec. 3 for the election of officers for the coming year.

Devil Basketball Open House Monday Night at Gym

Avon Park's varsity basketball coach, Fred Sandlin, has announced that there will be an open house at the high school gym next Monday, November 30, from 7:00 to 9:00 o'clock for all men interested in varsity and "B" squad basketball or any age basketball for that matter.

Coach Sandlin says there will be refreshments served and the variety will have a scrimmage to give fans a pre-season look at the Red Devil case prospects. The purpose of the open house is to form a group of basketball boosters to back the Red Devils this season. Booster tickets and season tickets will be on sale at the open house and all interested men are urged to drop by for a look at the team and a chat with Coach Sandlin and a new junior varsity coach, Tom Lund.

56 Called For Jury Duty Monday

The trial docket for circuit court for this week was reduced to a single case Monday. Judge Gunter Stephenson announced that only the damage suit filed by J. D. Prescott would be tried this week.

Prescott is seeking damage from Kathleen Jones Ellis, B.A. Ellis and American Employers Insurance Co. in the traffic death of his wife, Mrs. Jewel Gayle Prescott.

Another such suit which had been docketed for the week—Rodgers versus M. A. R. K. B. B. and Walter B. Rogers versus Orange Blossom Golf and Country Club—were postponed to December 20.

For the civil cases scheduled for trial in circuit court this week a venire of 56 Highlands County residents have been called for jury duty.

Those called are as follows:

Avon Park
Charles Grover Metcalfe, Jr., Gordon Hart, Hilda May Doorn, Barbara Annette Yocum, Lillian E. Y. McPherson, All Louise Tryon, J. L. Kendrick, Billy C. Murphy, Melvin H. Ott, Charles J. Davidson, James G. Parton, Roger P. Owens, Bill Edwards Lee.

Lake Placid
Thomas E. Peoples, Charles J. Haller, Jacob Daniels, Grace F. Anton, Candace Waters, W. W. Hannah, Jr., E. Manley Walker, M. H. Walker, John S. Bond, Leroy Sholtz.

Sebring
Mary Jane Driggers, Okeechobee.

Sebring
Minnie B. McClure, John M. York, Nina M. Williams, Anne M. Baker, Marjorie L. Haynes, Joseph Orday, Marguerite A. Scheuermann, E. H. Norris, Fay Feely, Betty Jane Bump, Charles J. Bottoms, Denver W. Albright, Roger E. Miller, Margaret F. McLean, Earl H. Keith, Herbert L. McNorton, Thelma Floy, Loyd E. Wimer, Ivalee W. Mooney, William F. Yarbrough, L. Franklin Sawyer, Eunice S. Belcher, Thorton W. Trevelyan, Kenneth H. Grady, Deborah S. Dittmar, Earl S. Van Atta, Jr., Janice M. Shoemaker, Albert J. Witter, Helm A. Buchanan, Floyd C. Bowman, Jamie M. Whitaker.

Gospel Sing
Scheduled

There will be a gospel sing at the high school auditorium on November 28 at 7:30 P.M. Sponsored by the Avon Park High School Glee Club. All local groups: The Ride Trio, The Highlands Gospelaires Quartet: The Happy Three, and several others.

GORDON SMITH, district manager of United Telephone display the new telephone directory that will be mailed out in the next few days. The cover is a beautiful redish color and has listings of Avon Park, Sebring and Lake Placid, with supplemental listings of Wauchula, Arcadia, Bowling Green and Ft. Meade.

Chamber Elects Officers At Meeting Thurs.

At Thursday night's meeting of the Chamber of Commerce in the office of the Chamber, the main event was the election of officers to a six member board of directors.

Those elected to serve three year terms were Charles Hoke, president of the Citrus Bank; Charles Watson Florida Power Corp., Bill Owens, Avon Park Motor Co., Robert E. Lee, Eaton's Dept. Store, James Heim, architect, and Morris Adams, Adams Oil Co.

All members were re-elected with the exception of Mr. Hoke. He was elected to replace C. Elton Crows, citrus grower, who has served many years as a member of the board.

A letter of resignation was respectfully accepted from W. R. Reck, director, who has served as president on two different occasions. The resignation was tendered to accept a position as a cashier of the Bank of Naples. Mr. Reck and family have recently moved to Naples.

Following the meeting of the Chamber, the directors were taken on a tour of the Florida Home Juice Company. These tours are arranged to inform and enlighten the directors more thoroughly of our local industries.

Directors will meet this Thursday, Dec. 3 for the election of officers for the coming year.

Red Devils And-Blue Streaks In Thanksgiving Eve Game

Wednesday night, Nov. 25, at 8:30 o'clock, the Avon Park Red Devils and the Sebring Blue Streaks will both be playing their final game of the 1970 football season as they meet here at Memorial Stadium with the

Highlands County championship up for grabs. The Streaks need a win to finish with a 5-5 record while the Devils could set a 6-4 mark with a victory. Both teams have defeated Lake Placid so the winner

will claim the county 2nd crown for 1970. Sebring has won over (Sebring 16-12; Naples 9-21; Lake Placid 14-6; and Wauchula 16-7). The Streaks have lost to Barlow 13-0; Lake Wales 15-

14; Arcadia 14-12; Mulberry 12-12; and Haines City 28-0. However, they have lost only one game out of the last five they played.

The Red Devils have also come on strong in the last three games as the offensive line has overpowered the defensive line of Arcadia, Okeechobee, and Lake Placid to release a powerful running game that has rushed for over 250 yards against each of those opponents. The middle back, running back, and fullback line—captain Ricky Dick at center, Danny Albright and Randy Wurt at tackles, and Jarvis Hart and Don Delaney at guards—have really opened the holes for running backs Walter Nunnalee, Steve Hart, and Greg Albright.

The Devil defensive team has also shown marked improvement. Playing on the defensive line and in the back, the performances have been ends Clark Jackson, Mike Smith (until injured played for Okeechobee) and James Coleman tackles Ricky Dick and Danny Albright, and guards Jarvis Hart and Vaghi McInnis alternating with Donny Delaney. Defensive linebackers are Greg Albright and Walter Nunnalee and playing defensive halfback are Frank Davis and Curtis Jackson with Don Sismore at safety back.

The Devil defense has intercepted nine passes in the past three games and held Arcadia and Okeechobee under 30 yards of net rushing and gave up only 111 yards of rushing in Lake Placid, a team that has been averaging over 300 yards per game.

There will be 12 seniors playing their final football game for Avon Park in addition to Mike Smith, senior end who will miss the final game due to an injury incurred in the Okeechobee game. Senior backs are Steve Hart, Walter Nunnalee, Greg Albright, and Donny Delaney. Senior linebackers are Ricky Dick, Danny Albright, Donny Delaney, Joe Franz, and Clark Jackson (last year of eligibility).

Robert Dick Calls Meeting Of Boosters Club

Robert Dick, president of the Avon Park High School Boosters Club, announces that a meeting of the club will be held on Monday evening, Dec. 7, at 7:30 P.M. at the Florida Power Lounge.

All directors and members are urged to be present. The past football activities will be discussed and plans will be made for the annual banquet.

THREE FRANZAS are ready for the final football game of the 1970 Red Devil season when Avon Park takes on Sebring here at Memorial Field Wednesday night at 8:30. Avon Park's head football coach and athletic director Joe

Franza stands proudly between his daughter Susan and son, Joe, after the 41-0 victory over Lake Placid last week. Susie is captain of the varsity cheerleader squad and Joe plays offensive end on the Devil team.

Avon Park City Council Endorses Half Way Houses

With City Clerk keeping records and following a bond being posted, the Council unanimously agreed to endorse Halfway Houses in Avon Park.

With City Clerk keeping records and following a bond being posted, the Council unanimously agreed to endorse Halfway Houses in Avon Park.

With a full report to the Council, Harvey Olsen, Executive Director and Project Manager of the Florida Association of Halfway Houses Inc., explained the training program for ten persons who would be interested in becoming directors-managers of halfway houses in Florida. These establishments are for all types of homeless and disabled persons, alcoholics, mental hospital discharges, juveniles, parolees, released on probation, and various other problem individuals.

A check for \$12,450 was presented to the council for this program from the state and federal funds allotted for this program. A like amount would be the responsibilities of the city, but their part in this may be given in services or equipment.

This is in conjunction with a direct order from Governor Claude Kirk in July, 1970 that these funds for this type of projects be channeled through a governmental unit of County or Municipal.

Although the City of Avon Park is charged with the responsibility for these funds, Mr. Olsen will keep a complete, accurate record of all expenditures and information, and supply the City Clerk with all of the records. This will enable the City to also give an account of all funds of this program.

Halfway Houses were established in June of 1969, with the purpose and objective of establishing such standards of home-like living situations for those that seek these resources for their recovery.

For the past year, communication for all agencies who may become involved with the project. To share experiences, strength, and hopes with each other which will expand and improve conditions now prevailing.

In other matters the Council again tried to find some solution to the existing garbage

problem in the City. With 6 men and two trucks, the pickup is becoming larger and is creating a problem within many areas, again the Council asks the public to please co-operate. The present two men and put them out to the days specified in your area.

It was established that in the demolition of condemned property, the parties involved in this delima be notified and have an opportunity to be heard as to why they should not vacate their property, if the Council decides that they must vacate following a hearing then the City is within their rights to discontinue services of water and electricity. Six other homes or buildings were declared unsafe and should be either brought

up to standards of building codes or torn down.

A request from Judge David Lenoir, to move the Court Room upstairs due to the increase in hearings and cases to be heard. The present room is not big enough to hold the court and is not fire proof. Chairs would be needed and the price of chairs will be looked into before the purchase of them, this was tabled pending the information needed.

Christmas Holiday time off was established. The City employees will have Thursday and Friday off, those that work on Saturday will report as usual for work. It was also agreed that the Xmas bonus of \$10; 56 employees will receive the \$10; Xmas bonus.

Whether Avon Park Bombing Range will continue as a bombing area is on the roads they would like to fly from Lantana to Tampa. Dr. Robert Wilson, of Boynton Beach, was concerned about the people who live near the bombing range.

Within the next two years some 40,000 to 50,000 people will be moving into a development in that area. And the only access road, Dr. Wilson said, "goes through the middle of the bombing range." He called this section of the state "one of the last and best of Central Florida's resort areas."

The military's arguments were blunt. "We need more room," said Lt. Col. Leo Brown of MacDill Air Force base "because our accuracy is not what it should be."

"You make a mistake in a nuclear war," he pointed out, "and you can toss a bomb 10 miles in the wrong direction." To those who worried about flying in an area frequented by supersonic aircraft, the Air Force offered its safety record. "A member of the audience

complained: "The range is creating an area of high-speed traffic that does not lend itself to the safety of all concerned."

"In the two years I've been here," Brown said, "I've never seen an air crash around the bombing range."

Several people in the audience protested this statement. "Well, I may have missed one," he said.

"We'll keep all of these things in mind," said Mack Wood, of Atlanta, chief of the Airspace and Procedures division of the FAA.

Thanksgiving Is Time To Give Thanks

This is the season for giving thanks for all our blessings.

Families will be gathering to celebrate with their respective customs and traditions handed down from generations before them. Children will be going home to gather together to eat a bountiful feast prepared for days before the event. Joyfully they will gather at the table with thanks for their abundance of food. Football will be seen on TV and rival games will be enjoyed by all teams. Each will celebrate in their own way, with their traditional foods.

The South features its cornbread filling, while the West traditionally runs more in the venison and wild game so plentiful in their areas. No matter what the feature is, there is the same thought and thanks for the freedom and bountiful life we all share in our America.

Our forefathers had none of the things that we now associate with the holidays, but instead, hunger and a fish for his families' food, and grew all the vegetables that were used. They gave thanks after the harvest that they had a good crop. The first Thanksgiving in Massachusetts is said to have been

the venison brought by the Indians, clams, lobsters, and fish from the sea, with the corn and root vegetables.

Regardless of traditions and celebrations of our era let's not forget the real meaning of the day and give our thanks that we are free and have our health and plenty of good things to be thankful for.

In the words of Peter Marshall, a prayer that will say it all. Lord, Thou hast been bountiful, as we look back over the years. How tender Thy love, how warm and constant. Create in us, Our Father, true gratitude that we will make this Thanksgiving Day one of recollection.

May we get on with the job creating not only a nation but a world in which all men have the right to seek happiness. Help us to make the dream come true in our homes day by day, in streets and offices and schools, and so that to live that Thou may be able to bless us and the nation for which we pray. Amen.

ROTARY CLUB NEWS

In his capacity as program chairman, Franklin Ward, stated that the Rotary Club had supported the Ridge Area Association for Retarded Children since 1953 and thus it was time for a progress report from the Association. President, Mrs. Franklin Ward.

In her progress report, Mary Ellen defined a retarded person as one who cannot fully develop either physically or mentally. In every 1000 people there are 30 retarded, 25 of these persons are mildly retarded while four persons are moderately retarded and need some form of guidance and one individual is severely retarded needing total care for his entire lifetime.

The retarded program includes the educable who are now under the County School System and the trainable who work best in sheltered situations. Mrs. Ward conveyed her feelings of love and compassion for those less fortunate with her description of the progress of the five year old who cannot walk and then one day takes that first stumbling, awkward step or the three year old who cannot talk and is finally able to blow feathers as the prelude to speech.

What is new and in the future as related by Mrs. Ward include professional services of a pediatrician, clinical psychologist and a dentist. A room has been obtained at Hopewell in a co-operative venture to help individuals to adjust to new environments and situations.

Mrs. Ward paid glowing tribute to the young peoples group, Ridge Area Youth known as RayArc, for their enthusiasm and unselfish work with the young retarded. As a special guest, Steve Marcone of Lake Placid told of his experiences as a counselor at the Summer Fun Day Camp, which averaged 18 to 20 persons per day, where the children smiled, laughed and joked like normal children.

CHRISTMAS DECORATIONS, like those being made here by Jane Moody (second from left) and Minnie Sue Reus (third from left), are one of the first money-making projects for the new work activity center sponsored by Ridge Area Association for Retarded Children and the State Division of Mental Retardation. Mrs. Elizabeth Kempton (far right) is work director for the center which offers training and some salary for handicapped teenagers and adults. Gene Meyer (far left) program coordinator for RAARC will move the Christmas decorations from the classroom at Hopewell School to the Ridge Area Thrift Shop at the Jacaranda Hotel for sale.

mal children.

Steve, a student at South Florida Junior College, is majoring in Special Education in the field of mental retardation and has been working at the Ridge Area Day School since August. He and the other 10 camp counselors volunteered their services in their "concern to be a friend, not to be better" and found that swimming was a favorite activity of the campers.

A question Steve asked, "How do you give statistics for fun and pleasure in this camp." Progression for these campers was a series of happiness. In concluding, Steve declared enthusiastically, "I have never spent a more enjoyable Summer."

City Prepares List of Places That Firemen Will Cover

Malcolm Crews, Avon Park City Clerk reported that the list of places outside of the city that would be granted fire coverage has been prepared by the Fire Chief and Mr. Crews. The list will be presented to the council members at the next regular meeting for their approval.

This problem of where to go and what to answer was discussed at the last council meeting. With schools receiving top priority, The private girls school has already turned in a fire alarm.

Mayor Robert Barben, said he thought that in any case of real emergency, especially where human life is in jeopardy, the fire department should render assistance. The other councilmen didn't share this view. No action was taken on the question of vehicle fires outside the city limits.

There were agreements on some of the areas discussed, such as private schools and the religious camps that are located

in Avon Park. School buses were also put on the list that the city would dispense their men in case of emergency or accident.

There is at present no protection for the residents living outside the city limits, but in Highlands County to this Commissioner Cecil Skipper said that if there was an established fire district, a millage against the freeholders would have to be established and then that would be under the County.

Skipper did reveal that there is a volunteer fire department now under organization in Avon Park and this would be the best thing for the city. It was also stated by Malcolm Crews, city clerk, that the fire department always answered all calls and then billed the residents for the service. However, they would not pay the charge.

At the next meeting of the Council it is expected that this fire call dilemma will be settled to the satisfaction of all concerned.

Plans To Be Unveiled For Expansion of Highlands General

The master plan for expansion of Highlands General Hospital through 1980 will be unveiled at a special meeting of the hospital board on Monday night, Nov. 30. The plan has been prepared by architects, Watson & Co. of Tampa.

At its regular meeting on November 19 the hospital board formally approved a contract with Watson & Co. for designing a 32-bed addition to be built in 1971. Van Howell, chairman of the hospital board, said the contract calls for the architectural firm to study the site of eight per cent of the construction cost. Under the time table announced last week, bids for the hospital addition will be received in May, with construction to be completed in February, 1972.

A remodeling program is underway at Highlands General. The area originally occupied by the Hospital Auxiliary gift shop, snack bar and office is being revamped to provide a new location for the medical records department.

Nursing administration will take over the old medical records department, and the auxiliary will move to the end of the lobby.

At the board meeting Administrator T. S. Yeager said new shelving will be added to the hospital pharmacy soon. These renovations are being carried out by the hospital's maintenance staff.

The hospital board approved an addition for the hospital's equipment last week—an instrument to control heart action during installation of permanent pacemaker. Cost is \$602.

Bill Collection The hospital board studied a long list of uncollected hospital bills and considered methods of collection. Administrator Yeager opposed a suggestion that the board publish a list of persons owing bills similar to the delinquent property tax list.

Comptroller Jack Cunningham said charge-offs for the month totaled \$3,779 but added this was a misleading figure since it included some very old bills. "The last of the year will exceed \$100,000."

New Attorney Board Attorney Andrew Jackson, recently elected to the Highlands County Board of County Commissioners, submitted his resignation.

The hospital board unanimously voted to ask Sebring

Attorney Howard Livingston to become its attorney.

Other Business In other business the hospital board voted three-to-one to decline membership in Sebring Chamber of Commerce. Charles Swank cast the vote in favor of membership but did not explain his position. The statements of opposition to membership came from the audience, from Guy Campbell, executive secretary of the Highlands County Property Owners Association, and Don McSheffery.

Received a report from Yeager that the hospital contracts with Burns and Associates, radiologists, is due for renegotiation and it may be necessary to increase the firm's fees under the new contract. The new rate may be about \$4,000 per month, he said.

Approved the application of Dr. William R. Nicolay for staff membership. He is a member of the Burns group.

School Board Gives APCI Citrus Fruit

"We'd love for you to stay but when are you leaving?" Highlands County Commissioners asked the county school board at the latter's November meeting.

The school board admitted that plans have been discussed for moving the superintendent and all other county school offices from the courthouse to a central administration building on the E. O. Douglas campus, but "at this point," School Board Chairman Henry Bailey said, "the school is that we'll be here through 1972."

At its November 12 meeting the school board officially requested a school buildings survey in the 1971-72 school year and exact use of all existing schools will depend on that report, the school board said. Commission Chairman Earl Crutcher assured the schoolmen they "are welcome in the courthouse" but the county commission needs to know what plans are for use of the courthouse's third floor before proceeding with construction of a second floor for the courthouse annex.

Other Business In other business at its November meeting the school board granted permission for the Gideons to make available copies of the New Testament for fifth graders who wish them.

Voted to give Avon Park Correctional Institution the citrus fruit from the new Avon Park High School site if the prison can make arrangements to pick the fruit.

Good Morning,
May I introduce myself to you?
I am Betty Swirsky, and I am your new reporter on the Avon Park Sun.
My husband and I have just settled in your lovely town and want to become part of it. We come from Clinton, Conn., but plan spending the rest of our days here among all the friendly people in Avon Park.
I have accepted the job of reporting the city news to you through the media of your local paper. I promise to do my best to always report both sides of all news and to print the truth as I see it.
If you want a story in or think that something merits a news item, will you call me and I will set up an interview with you or investigate the reasoning behind the news.
You can call me at the Sun office or at my home at 453-4171.
Sincerely, in your service

Avon Park Flying Notes

By ELEANOR TRESGOTT
The Ridge Flying Club held their monthly meeting last Tuesday at Ike Harris. The following officers were elected: president, Lynwood Williams; vice president, Carl Lindau; treasurer, Bob Vickers; member-at-large, Franklyn Ward; operations officer, Chick McConahay. Future plans and activities of the club were discussed.
Jim Renfro of Avon Park, who has been flying out of Louisiana is home for a time. Jim Rodgers of University of South Florida was home for the weekend and was out to the airport to do some flying.
Roger Taylor of Sebring made a solo cross-country flight to DeLand and Ormond Beach last week. Stuart Adger also of Sebring made a cross-country flight.
Other students on cross-country flights stopped at Avon Park airport. They were from Lakeland and Bartow. Visitors flew in from Winter Haven, Orlando and Ft. Wayne, Ind.
Mrs. C. W. Hayes and daughter of Miami stopped at the airport en route to Gainesville. We are always interested in lady pilots.

Grove Owners Readied Heaters For Cold Spell

Grove owners readied heaters and wind machines for predicted freezing weather Tuesday night. Highlands County residents awoke Tuesday morning after a windy, intermittently rainy night to find the cold snap was here. The Sebring Airport weather station reported the mercury hit 34 some time Monday night. By 9 A.M. it had gone back to 40.
The 24 may be a record for November 23 locally. A year ago the two Sebring weather stations recorded 51 and 49.
The Tampa weather bureau was predicting a freeze Tuesday night, saying a high pressure system banking over Northwestern Nebraska will affect Florida.
The Tampa bureau hazarded a guess that Tuesday night or Wednesday's low temperature will set a record for this area. The present low mark for the area in Tampa is 36 degrees, set in 1950. The high, set in 1958, was 87.

Devils Defeat Lake Placid 41-0 In Homecoming Game Friday

A crushing ground game that racked up 37 yards from scrimmage led the Avon Park Red Devils to a 41-0 victory over the Lake Placid Green Dragons last Friday night to put the finishing touches on a week of Avon Park homecoming activities and give the Red Devils a 3-4 record with only the Thanksgiving Eve battle with Sebring left on the schedule. That game is scheduled for an 8:30 kick-off.
In pre-game ceremonies last week, Miss Gela Elder was crowned the 1970 Homecoming queen with Miss Velma Watson taking first runner-up honors and Miss Linda Bennett coming in as second runner-up. There were 25 guest candidates and their escorts introduced to the fans as the Avon Park band played background music for the colorful program.
Lake Placid Game
The Red Devils took charge of the game immediately after the opening kick-off. Devil deep back Curtis Jackson took the Dragon kick-off on his own 10 yard line and returned it 29 yards to the 30 yard marker. From that point, the Devil offense marched slowly down the field for the first score of the game. Greg Albrighton, Walter Nunnallee and Steve Hartt took turns hugging the ball.
In the drive Albrighton picked up 12 yards in three carries, Steve Hartt gained 20 yards in four runs, and Walter Nunnallee rushed for 36 yards in four totes. Nunnallee went over to score the touchdown from 17 yards out on a burst through the middle. Don Sizemore's kick for the point after was wide to the left but the Devils had a 6-0 lead before Lake Placid had control of the ball.
The Green Dragons touched it only briefly before the Devils scored again. On the following kick-off return, a Dragon back fumbled the ball and a Devil fell on it at the Lake Placid 26 yard line to set up the Devil's second score.
On the first play Nunnallee went to the 10 on a 16 yard gain and then Albrighton picked up three more. Nunnallee drove to the five and Steve Hartt bailed down to the two yard line. Then the Dragons drew a half-the-distance-to-the-goal penalty to put the ball on the one yard line with a fourth down on tap. Full-back Greg Albrighton took the hand-off and lunged through for the TD. Sizemore's kick for the extra point was good this time and the Devils led 13-0.
Lake Placid was unable to move for a first down on its next possession and punted down to the Devil 25-yard line. Don Sizemore took the punt in and returned it 25 yards to the Dragon 40. With four running plays the Devils moved to the Dragon 25 as the first quarter ended. Steve Hartt had a nine yard gain in that drive. Then on the first play of the second period, Walter

Mary Louise Bates-Charles Watson Announce Their Engagement

Mr. and Mrs. Grover Bates of Avon Park announce the engagement of their daughter, Mary Louise, to Charles F. Watson, son of Mr. and Mrs. Charles H. Watson of Avon Park.

Miss Bates is a graduate of Avon Park High School and Baader Fashion Career College in Atlanta, Ga. The bride-elect is presently employed at Neimer's Department store.

Charles graduated from Avon Park High School and is at present attending South Florida Junior College.

The wedding will take place in the Summer of 1971.

MRS. EVELYN B. METCALFE, M.M., Boston University, is head of the music department at the Highlands School, Avon Park, where she teaches piano and directs the chorus of 32 voices. She plans a busy Thanksgiving and Christmas schedule for the chorus and will present her piano pupils in recital at the school in December. She and her husband, Charles G. Metcalfe, Jr., live in Avon Park where they are active in civic affairs.

Halbig Is Wildcat Of The Week

Wolfgang Halbig, performing well in a substitute position, came through for the second consecutive week to be named the Wildcat of the Week for his performance in Abilene Christian College's 21-7 homecoming victory over Trinity of Texas at Arlington.

Halbig, who had been injured the week before and had missed all of the work-outs during the week, caught six passes in the game for 118 yards, and according to head coach Wally Bullington, several more in clutch situations.

After starting for only the third time this season, Halbig has moved to the number five position in pass receiving on the Wildcat team. On the year he has caught 17 passes for 238 yards and one score.

Halbig won the same honor or only last week, after helping the Wildcats trounce Drake 33-13.

Halbig played his high school football for Avon Park High and is the son of Mrs. Gertrude Halbig of Avon Park.

4-H Conducting Fund Raising Campaign

Every resident of Highlands County will have an opportunity to make a real contribution to 4-H November 16-30.

Highlands County 4-H club members and leaders will be conducting a campaign to sell over chocolate covered almonds to help support their local and state 4-H programs.

"Proceeds from the chocolate sales will help provide local support for club and county 4-H activities. Even though the funds this program will provide are important to 4-H club work, we feel the side benefits will strengthen 4-H members. To make the Best Better, and Bert Harris, county extension director.

"Highlands County 4-Hers will have an opportunity to make contact with homes within the county during this week. If you have not been contacted, please call the County Extension Office at 385-0465, and one of our local 4-H members will be glad to take your order. We hope this will generate much interest in our 4-H program at both the adult and youth levels." Tim Turner, 4-H coordinator, said.

Lions Club News

The second meeting for November, was held on November 19, at the full house and full agenda. Local Lions were honored by the visit of Deputy District Governor Howard and Towns, of Lake Wales. Lion Towns is campaigning for District Governor for the year 1971-72.

Avon Park supports their neighbor on his personal qualifications and too, it would be good to have a Lions club in Avon Park. The Lions club will present the second annual Book Fair during the week of November 30 to December 4.

Each member is to bring two wrapped Christmas gifts, one each suitable for a boy and girl under 12 years old. The gifts will be distributed with the Lions Christmas boxes, December 29 will be family night with Lion Dan Sanderford as chairman.

Lion George Kelsey presented Mrs. Jamie Lee Edge and Mrs. Virginia Crews to assembled Lions and guests.

These ladies manage that facility at the Avon Park Elementary School formerly known as the school library. It is now referred to as the Audio-Visual Center. Mrs. Edge noted that the original library came into being with a shelf of 400 books.

The center now has available for the school's teachers an inventory of more than 14,000 printed volumes and equipment for non-printed material having a value of more than a quarter million dollars. The center has every resource available for teaching.

education assistance programs were acknowledged.

Mrs. Crews joined in the discussion to illustrate the teaching aids provided by the Center. Mildred that teaching is still the key to development of a child's learning potential, it is evident that the administrators of the Avon Park Elementary School are leaving no stone unturned to provide its teachers with every resource available for teaching.

The Program for Progress employs a carefully planned, long-range development goal covering several years. Since Highlands School is an independent, non-profit, tax-exempt institution, it looks to the parents of its students, alumnae and other friends to bridge the gap existing between the student's tuition and the cost of teaching her. President Stokes pointed out that a goal is needed, he said, so that the Highlands School may maintain its high standards of excellence.

"Having shown that its methods and philosophy foster the growth and development of the qualities of its students, the Highlands School has earned the right to count on its friends to help it continue in its vital role — that of preparing young women, through education, to cope with and to participate creatively in our changing society," he concluded.

Letter To The Editor

Dear Editor:

I've carried this letter in my pea coat pocket for two weeks now. I've been so busy trying to keep up with them Band Kids. They're about the busiest bunch in town. Side's working up fabul' shows for lots of home games, they've been in three parades lately, side's hav'n't to get ready for contest too.

Just to show you how much pride those kids in the band have, they have practiced "in frezzin' weather and have marched in scorching sun. How 'bout that for spirit? One nite after watching them practice "in frezzin' weather, I had to wonder how they did it. I wondered what had happened to all that warm Floridy weather.

Did you see that pretty Camp sister leading our band through town for the Homecoming parade, while Debby Scott rode way up high on that big red fire engine? All them other majorettes were on cars riding as homecoming contestants.

Did you see all them pretty band girls at Homecoming? I wish they all could have been "Queen", they're all Queens with me. That Sue Ferguson was the band candidate. And all those other lovelies like Julie Kangerter, Martha Moseley and Susie Skipper who were Homecoming Candidates. And how 'bout them pretty majorettes, Barbara Miller, Lia Blackston, Nancy Pearl and Laura Camp - how quick they can change from a "Queen" in a long gown to a quick steppin' beauty with our band. I've seen that happen last year, they have spunk!

I had to scoot down to Fort Myers Saturday nite to see that swell bunch of kids at District Marching Contest. After all they've had to do lately, they still made Superior. I'm tellin' you, that is one fine bunch.

Don't miss seeing them at the Thanksgiving game with Sebring Wednesday nite. That may be the last time the Sebrings will get to march on our football field at a game... BOO! HO!

You might even see me at half-time at the South end of the field.

Gotta go now so I'll see you around!

Lola Mullett (Students Beware)

Lola is everywhere!

Dear Lola: I been reading what you wrote about that band what they have at the school and if they was all that good. Know what? You are mighty right! That is a doggone good band and those kids sure did themselves proud. Sure put on a good show. And they look so good, too.

Saw one of them school girls down town the other day and she tole me there was one whole of a show planned for the next game and to be sure to see it. Heard she was one of them lawyer's girls. (Looked like her dad, but much purtier). There ain't many younguns these days what will take time to talk to us old folks, but here they're different. Real fine bunch of young folks.

If I knowed you you was, I'd ask you to come sit a spell. Got a pot of turnip greens on the stove and some hot cornbread in the oven. Be lookin' for you at the next game. Oh! let me know when them concerts are you was talking about, cause I sure don't want to miss a one of them.

Southland Trailer Court News

By BESSIE PAXTON
Lura Hobbs and Mr. and Mrs. L. Hobbs, of Maryland, cousins of Leona Hopkins, visited Ann Antony Monday. They were returning from Ft. Myers where they visited Leona. Leona is able to be in a wheelchair after breaking her leg last Summer.

Friday afternoon only six came out to shuffle. Omer Snyder and Marvin Teto won two games over Rev. Hutchens and Golda Daun.

Golda Daun and Hazel Nisbett won over Edward Nisbett and Everett Paxton. We hope nice weather will bring out more people for this activity.

George Monks is quite ill, at his home here in the park. His daughter will be coming soon to help care for him.

A committee has been appointed to select new officers for the coming year. They will make their report next week, and new officers will take over the first of 1971.

Marie Stroobant spent a pleasant day with her friend, Ruby Davidson, of Leisure Acres on Sunday.

Bryon Jeremy has returned from Miami where he visited friends for a day or two. Also, while there, had a routine check-up, and a good report. Bryon has been very faithful with these periodical checkups and they seem to have paid off.

They are happy for the Jervens. Twenty-seven were out to play bingo Friday night.

Everyone comes with high hopes: some leave with gratified hopes, some with a good report. Bryon has been very faithful with these periodical checkups and they seem to have paid off.

A good number turned out for coffee Tuesday morning. After the coffee hour, Ora Myers and Lawrence Robinson, of Avon Mobile Home Park explained to the group the workings and the many advantages of the Mobile Home Owners' plan.

Everyone in our park should familiarize themselves of the workings and advantages of offer to all mobile home owners, and of the responsibility we have as individuals to protect ourselves in various ways. Several signed up as new members and a canvas will be made soon to complete our enrollment in this organization. Toby Chapel is in charge. Either he, or Mr. Myers, or Mr. Robinson, will be glad to answer any questions anyone may have.

The committee working on our Thanksgiving dinner plans. This is always a wonderful day for getting together.

Ben Henningsham remains in Walker Memorial. He is showing improvement but feels he needs more strength to get around. With his strength will return soon and we can see him walking around the park.

The Ritchies have several tours planned through December and into January. More information will be posted as to dates and rates on these tours.

Mr. and Mrs. Paul Weaver of Coral Gables were visitors of the Hostetters Wednesday.

Mable and Wallace Grant and Herb and Emily Renaud were among those returning to the park this week for the Winter. Mr. and Mrs. Breadman returned last week. While cold, they greeted them all agreed it was better than being North. The Grants' son drove them down from their home in Canada and returned by plane the next day.

We are glad Myrtle Heffernan is out some after coming home from Walker Memorial last Monday.

Washing, polishing, lube jobs—so many services we offer. Pay us a visit today!

Fate Of Bandstand Undecided

By BETTY SWIRSKY

To be or not to be that is the question that is prevalent to the bandstand on the Mall in Avon Park.

It is a pro and con subject of whether to redo the bandstand, or to demolish it and leave the space vacant. Some people say that it is in old structure and should be torn down, others contend that it should be repaired and painted and remain as a monument of history.

Should all of the former products of the past be completely obliterated, and have nothing to remind us of the past? Or should they be preserved so that we would forget the past.

If one sits in the mall and just lets their imagination wander you can see the band in the enclosure and hear the strains of the music as it floats through the crowds that have gathered on a warm evening to be entertained.

Children can be seen playing on the grass and others can be seen strolling under the Jacaranda trees, while lovers sit on benches and savor the night.

These will not be day-dreams or fantasies as these things probably did happen and to some of the senior citizens they are memories. To destroy these memories would be a crime. To preserve them would make so many people happy. Why not build and destroy?

The bandstand can be traced back as far as 1917, and people longer than that. This adds up to 53 years of love of a landmark that is in the main event, with 53 years of history and forget about it or we can rebuild it. Let's see if we can't do it another 50 or more years.

If we make this a place that the city could be proud of, and we would be preserving the history of the City of Avon Park.

There are legal ways to use by arranging in some manner to have tables and seats for everyone to enjoy sitting there if only for a rest and meditation or even our senior citizens could have their checker games there.

By all joining in on this project it again would be a place that the city could be proud of, and we would be preserving the history of the City of Avon Park.

Following a price on the repairing and restoring of the bandstand, a meeting will be held to determine the fate of the structure. If it is to be preserved the entire community will have the privilege of joining in with their contribution or time to help in the preservation of the much discussed fate of the historical bandstand.

The dance director, Art Gorsuch's birthday was honored by the birthday song.

With all the returned members there were four squares on the floor at a time. In between, the dancers enjoyed the waltzes and the pattern dances.

Supper. Mr. and Mrs. Fritz Myers, Minnie Carlson and Minnie Brooks were hosts to the 47 folks who came for the good Saturday evening supper.

New visitors at the supper were Mary Freeman of Washburn, Me., Carl and Gladys Peters of Grand, Pa., Edna and Blanche Kircacof of Lima, Ohio.

Present consisted of the birthday song to Lloyd Wyant, two readings about Thanksgiving by Kate Debo, and a tribute to Thanksgiving by Minnie Brown.

Our membership has reached 555.

New members: Henry and Dorothy Barnett of East Chicago, Ind., Horace and Ruth Fleming of Mayville, N. Y., Mary Freeman of Washburn, Me., Ralph and Ruth Nidy of N. Canton, Ohio, and Nelson Reynolds of Lancaster, Pa.

Recently returned: Zeair and Carrie Abfeld of Bucyrus, Ohio, Laura Bernthal of Ann Arbor, Mich., William and Audrie Cleland of Hicksville, Ohio, Minnie Brown of Groton, Vt., Keith and Miriam Debo of Clyde, Ohio, David and Elsie Dickerson of Columbus, Ohio, Raymond and Margaret, Fries of Paterburgville, N. Y., Robert and Ruth Garfield of Warshaw, N. Y., Robert Hanford of Avon Park, Curtis and Julie Hawkins of Minneapolis, Minn., Ada Hirt of Cana, Ohio, Albert and Margaret Junge of Sioux, Mo.

Also Joseph and Florence Krull of Herscher, Ill., Francis McRae of Batavia, Ill., Harry Mac McButty, N. THIS HOUSE hidden in the trees has been the center of discussion by the council lately.

City Delays Demolition Of House To Study Legalities

With all efforts being exhausted to have Miss Helen Watkins of South DeLaney and East Cornell street, to improve her property and clean up the overgrown yard. The property and house has been proclaimed substandard and must be demolished.

How to go about this was a question that could not be settled at the meeting of the Council. One of the main problems facing the city is that Miss Watkins, is still residing in the house and refuses to bring it up to standard.

There are legal ways to use by arranging in some manner to have tables and seats for everyone to enjoy sitting there if only for a rest and meditation or even our senior citizens could have their checker games there.

By all joining in on this project it again would be a place that the city could be proud of, and we would be preserving the history of the City of Avon Park.

Following a price on the repairing and restoring of the bandstand, a meeting will be held to determine the fate of the structure. If it is to be preserved the entire community will have the privilege of joining in with their contribution or time to help in the preservation of the much discussed fate of the historical bandstand.

The dance director, Art Gorsuch's birthday was honored by the birthday song.

With all the returned members there were four squares on the floor at a time. In between, the dancers enjoyed the waltzes and the pattern dances.

Supper. Mr. and Mrs. Fritz Myers, Minnie Carlson and Minnie Brooks were hosts to the 47 folks who came for the good Saturday evening supper.

New visitors at the supper were Mary Freeman of Washburn, Me., Carl and Gladys Peters of Grand, Pa., Edna and Blanche Kircacof of Lima, Ohio.

Present consisted of the birthday song to Lloyd Wyant, two readings about Thanksgiving by Kate Debo, and a tribute to Thanksgiving by Minnie Brown.

Our membership has reached 555.

New members: Henry and Dorothy Barnett of East Chicago, Ind., Horace and Ruth Fleming of Mayville, N. Y., Mary Freeman of Washburn, Me., Ralph and Ruth Nidy of N. Canton, Ohio, and Nelson Reynolds of Lancaster, Pa.

Recently returned: Zeair and Carrie Abfeld of Bucyrus, Ohio, Laura Bernthal of Ann Arbor, Mich., William and Audrie Cleland of Hicksville, Ohio, Minnie Brown of Groton, Vt., Keith and Miriam Debo of Clyde, Ohio, David and Elsie Dickerson of Columbus, Ohio, Raymond and Margaret, Fries of Paterburgville, N. Y., Robert and Ruth Garfield of Warshaw, N. Y., Robert Hanford of Avon Park, Curtis and Julie Hawkins of Minneapolis, Minn., Ada Hirt of Cana, Ohio, Albert and Margaret Junge of Sioux, Mo.

Also Joseph and Florence Krull of Herscher, Ill., Francis McRae of Batavia, Ill., Harry Mac McButty, N. Y., Royal and Eureka Meyer of Hamilton, Ill., James Miller of Grover Hill, Ohio, George and Orpha Mills of Cavendish, Vt., Merrill Murphy of Rochester, Ind., Carl and Edna of Avon Park, Curtis and Hazel Prindle of Sherman, N. Y., Clara Rentschler of Marion, Ohio, Morrell Rye of Lancaster, Pa., James Olds of Montreal, Quebec, Lillian Sanderson of Farrington, Conn., and Anna Wesa of Avon Park.

On November 20 with four tables in play high scores in pinocchio went to Loretta Simpson and Sadie Bennett. There were 779 and 706.

Bridges winners on Tuesday were Fred Bolton and Vi Lexa. Their scores were 5310 and 4900.

compelled to wear maxi skirts to class. Later they were allowed to shed this attire and appear in regular sports garb for contests in volleyball, ping pong and other games.

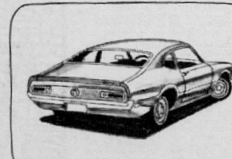

Tuesday an entirely different dress, the mini skirt, was required. In the afternoon, basketball, softball, shuffleboard and song practice competitions were scheduled.

Words and tunes of the songs had to be original and tied in with the week's theme: "Mythology vs. Astrology."

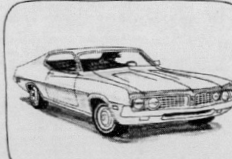

Wednesday all wore shorts or jeans, with an hilarious hat contest featuring the lunch hour. Judges were faculty members. Miss Dorothea Kirkhoff, Miss Jo Ann Mims and Miss Maria Muckenford. Dinner last night (Wed.) had to be eaten in silence.

County Will Not Charge For Zonings Hearings

Highlands County will not charge for the hearings on proposed changes in zoning—least not at first.

At the county commission meeting Tuesday, Zoning Director John S. Short asked the board to set the fees to be charged persons seeking a zoning change. He pointed out each request for change requires printed notices, letters and posting of a sign on the property itself. Most counties require the petitioner to pay for the while, a small part of these costs, Short said.

Commissioners Jean Whitaker and Bobbie and Genevieve Moran, Sarah Spindler and Claude Byrner, Lillian Hayes and Inez Kinney.

Crafts on Thurs. Morning. The club rooms hummed with all the ladies busily engaged in making pearl necklaces. So many different varieties, it was a pleasure just to watch them.

Short was instructed to obtain prices for publishing the zoning regulations so the board may set a non-profit price for sale of booklets with the regulations.

Two weeks ago the commissioners had set Tuesday for the naming of the county board of adjustments to hear requests for special exceptions and variances to zoning.

BILL KROLL and daughters of New York State are looking forward to a five pound bass dinner, caught out of Lake Bonnet Village Campground on a purple worm.

MR. AND MRS. WILLIAM DOERR, of Mt. Pleasant, Tex., brother of Mrs. John Phillips, caught these fish in Lake Josephine. The bass weighed seven and nine pounds and the catfish weighed 17 pounds, and was caught on live bait. The Doerrs are staying at Mr. and Mrs. Phillips cabin on Lake Josephine.

Mental Health Clinic Is In Operation

A new and expanded after-care program for area residents who are recovering from mental and emotional illness is in operation at Highlands Mental Health Center.

Dr. Brian T. Jordan, the center director said all patients formerly receiving medication at the state mental hospital are now receiving medication at the mental health center, 108 South Commerce.

As a part of the recovery treatment, group psychotherapy will be offered in addition to the medicine. Dr. Jordan said. He added, "I feel that personal involvement in the group therapy to be offered is essential for a patient's progress."

The psychologist said that unless there is "a valid reason such as lack of transportation or serious illness, all after-care medication patients will be expected to come to the center in person."

Mr. and Mrs. Paxton Return From Five Month Vacation

Mr. and Mrs. J. Paxton Hill returned last week from a five month trip through 21 of the Western states, Alberta, British Columbia and Coahuila. They visited the Great Salt Plains in Oklahoma, where Mr. Hill was resident engineer on the Great Salt Plains dam in 1938-40.

Then to Dodge City and Boot Hill, Royal Gorge, crossed Monarch Pass, elev. 11,312 ft. on to Moab, Utah, where they got "pinched" by the state police and they were honored by the Moab Jaycees as the "Tourists of the Week," with a tank of gas, ceramic gift, night boat trip up the Colorado River with a light show and a big steak dinner after the boat docked. While in Moab they toured the Arches National Monument and Canyonlands Park.

Then to Salt Lake City, where they visited Temple Square Pioneer Museum, Silver Sands Beach and Bingham Copper mine. Next was the Gros Ventre area in Grand Tetons, followed by a week in Yellowstone, where cut throat fishing was fabulous.

Leaving Yellowstone, they went by Quake Lake down the lake, fishing through Montana was not good, due to many geological factors. Fishing was fair in Glacier Park. They came back down the Okanogan Valley into Washington and around the Olympic Peninsula, up the Hoh River to the Rain Forest and to the Airstream Rally.

Then to Cape Flattery, Lands End in Washington. They fished for salmon at Sekiu, La Push, Neah Bay and Westport, then to Ilaco, mouth of the Columbia River where Paxton caught plenty of big silvers and kings.

The Hills then went down the beautiful Oregon Coast and rode the mail boat 40 miles up the Rogue River, Down the Avenue of Giants, the huge Redwood forests and through the San Joaquin Valley to Yosemite and Sequoia Park to San Bernardino for a week. Through the Imperial Valley to Tucson and the High Chaparral. Through Arizona and New Mexico and West Texas to Villa Acuna, Coahuila.

Next was Corpus Christi area to view storm damage, which was still extensive. Then along the Gulf Coast to Port Arthur, world's largest refinery complex, Galveston and through the Cajun country to New Orleans, where they toured the city, which was easy, as Mr. Hill used to be located there.

Along the Gulf Coast, they saw vast storm damage from Bay St. Louis to Ocean Springs. They were glad to get home where they can enjoy an almost continual stream of Tropicals trucks roaring and grilling past their home.

Come Spring they will try to find some more calm and serene places in the North country.

MISS SUSIE GORE, a senior at Avon Park High School, was recently chosen PFA Sweetheart for the year 1970-71. She is the daughter of Mr. and Mrs. Ernest Gore.

New School Will Have Most Modern Facilities Available

By BETTY SWIRSKY

With a high school designed for 750 students and a possible capacity of 1,200, many features are foreseen in the coming of a modern building designed to the ultimate for the best education for the students who will attend the new Avon Park High School.

One of the main features is the new idea for the cafeteria. The old meals that are now featured will still be available to those that want to have them, but there will also be featured in the new cafeteria a short order idea that will appeal to the level of high school students. It will feature hamburgers, hot dogs and all types of sandwiches, beverages and the ever popular French fries.

All paper utensils and dishes will be used, this was decided upon to keep the cost of maintenance at the lowest level possible.

The auditorium is designed to seat 300 at one time or to be converted to three sections for smaller groups by the closing off of sections with folding doors. This will enable the auditorium to be used to its full capacity.

Approximately 34 classrooms plus other work rooms and offices, preparation rooms, and storage rooms are featured in the building with a special classroom for children with special problems and also training programs will be set up for special training of these children.

The cost of the entire building was quoted an approximate figure of \$2,100,000, without unforeseen hidden expenses this will be the final cost without the furnishings.

This will be paid for out of a bond issue of four and one half million dollars, over a 20 year period. By keeping the cost as low as possible it was quoted that there would be a possible one mill, raise in the present 8.5 mill rate now in effect.

The school was designed by the architect engineering firms of Watson and Co., of Tampa and Orlando. While the contractors building the new school are H. J. Hush and Company, of Orlando. The original completion date was set for 300 days or by May 1st of 1971. However, the contractor had asked for a 10 day extension, so the completion date has now been set for May 11, 1971. Barring no more extensions this will allow time to complete the furnishing of the classrooms and the completion of the exterior being seeded and landscaped.

The school will be ready for the Fall term of 1971, this will bring about a change in the present curriculum, and the schools now in service will be shifted in accordance with the needs of the enrollment of students for the 1971-72 term.

Tax Payments Running Behind Last Year

First week of tax paying kept Highlands County Tax Collector W. H. Prescott and his staff busy, and netted but a little over a quarter of a million dollars.

Prescott reported that \$200 tax receipts were validated in the first five days of payment. Gross receipts were \$254,962. Prescott said mail has been heavy "but the payments so far are mostly small ones."

OVER 100,000 CHIMNEYS WILL NOT BE SMOKING THIS WINTER!

WHY? Because of clean ELECTRIC HEAT!

There are over 100,000 homes and businesses served by Florida Power which are electrically heated.

This means there is no smoke... no soot... nor fumes coming from the chimneys of these home and business owners.

Flameless electric heating helps reduce air pollution... helps keep your air healthy... easier and better to breathe.

Think about it. Wouldn't you... and all your neighbors... breathe a little easier if you had flameless electric heating in your home and business?

City Officials Decide To Restore Historical Bandstand

A meeting at the bandstand on Friday was held with Mayor Barben, Cliff Thomas, Mel Bass, and Don Bennett, of Bennett & Mosley Contractors, with a complete survey of the structure it has been decided that restoration of the bandstand will be started as soon as possible. Mr. Bennett said it is as solid as can be. Mayor Barben expressed his feelings by saying, "If he has anything to say it will not be to demolish but will be all renovated and stand proudly as a historical monument on the mall."

A fund raising program will be in full swing to secure funds for the cost of the restoration, with the old settlers of Avon Park will be in charge and will handle the funds for the project. The funds will be held in escrow for the bandstand only. A square dance was suggested to help raise the funds needed. It is estimated that the cost will be about \$1,000 for the materials and the labor will be furnished free. The bandstand has been on this site since it was built in about 1917. The bottom of the bandstand was the original as the building was raised in the 40's to house a police station. There is no original as the building was rebuilt and will now house the historical pictures and articles that will be preserved for the future, to insure that there always will be a record of the history of Avon Park.

For dropping coins in and a sign informing the people of what the collection is being solicited. Let's all get in back of the effort and help to restore a historical monument. Finding the beams solid and the structure solid enough to work on, Dan Bennett and Darrel Edwards agreed that it is worth restoring, both have offered to help to supervise the work on the building. In order that each one will have a part in this project

A group of local residents examine the bandstand Friday—Don Bennett, Lee Corbin, Mel Bass, Cliff Thomas and Mayor Barben.

If the park owner has a seven number of spaces and he chooses he may put up the required amount for the installation of the water meters. But it was also brought to those that are delinquent in their accounts that were permitted to pay on the installment plan is not payed up by the date that is specified on the recent bills that were issued, the meters will then be disconnected and there will be a additional connection charge to have the meters re-opened. Malcolm Crews reported that out of 67 letters to people who were behind in their payments only a few made payments on their installment plans. He said, "we will clear this up eventually but it is a long hard road, but the worst of these offenders on the list are the new homes."

Engineers Advise City Against Furnishing Water, Sewer to Project

Following a study on the possibility of sewer utility services to the proposed 137-unit complex for migrant workers, to be built by three Minute Maid Division of the Coca Cola Co. Emory Dawkins, of Dawkins and Assoc. consulting engineers, after an extensive study on the water

and sewer service advised the council that to permit this service under the present conditions of the water and sewer conditions in the city would only develop problems that would be a considerable expense to the city. In his report, Mr. Dawkins reported that the water supply units of the city have a total capacity with units working of 3,375 gallons per minute at rated pumping heads with the assumption that the largest pumping unit out of service or held in reserve, then the capacity of the water supply is only 2,175 gallons per minute.

This led to the decision that the unit from the stand point of water supply could very well be served with the existing wells. However, with the lack of chlorination or aeration for the removal of hydrogen sulfide in the existing waterworks system, and this problem existing and more customers being added, the expectation of many more complaints regarding the odor and taste of water now reaching the customers. A suggestion that this could be improved with aeration, and also correct the corrosive properties which now cause a maintenance problem in the distribution system, and in the household appliances and plumbing throughout the city.

So from this standpoint of water treatment the recommendation that no large group of customers be planned for connection to the present water system without remedial measures. No matter how remote the possibility of a waterborne disease outbreak, might be the recommendation that the city give priority to aeration and chlorination because in the opinion of the Dawkins Company the city can no longer afford to ignore the health and welfare of its citizens. With the water distribution and pressure tests results that were furnished by Walter Kuhrt, P. E. Consultant, who was acting on the behalf of Coca Cola Company, recommended that if this would be allowed that certain water tie-line be provided in the north end of the city, to tie in with a six-inch pipe that is available in the north-west, with a recommendation that a single tie-line line be used. They also recommended that the water be disallowed, in view of the anticipated effects of the water treatment needs.

Sewage System Evaluated
Again, it was recommended although it would appear that the sewage system would be improved by the proposed outside city project. It was recommended that the city not provide this service until it has made some city-wide improvements. It was as early as April, 1965 that the Dawkins Company pointed out the critical nature of certain lines in the city, those were the lines between Pleasant Street and Main Street. Some of these lines are either laid on an inadequate slope or flat surface and some actually go up hill. This system will not accommodate additional flow at this time.

Sewage treatment was discussed and through the effluent discharge from the water pollution control plant into the adjacent lake, hopes are high at the present time that the 100% treatment will continue. Some reservations were made in view of the nature of the maintenance and operation of the plant, until there is a positive flow from the plant, there is no means of metering the daily flow being handled. It was estimated that the present treatment facilities are handling approximately 250,000 gallons of sewage daily, with a rating to handle 300,000. As was advised before and now the client efficient is not nearly as one would expect of the plant. The physical facilities are there but the operation

City Adopts New Policy For Water To Trailers

When Marvin Smith, revealed that he was planning to open a new trailer park for the 13 trailers, south of Castle St. the installation of water meters was brought up at the last meeting of the City Council.

It was said that at the present time and in the past no deposit was required of the occupants of mobile homes. With this revelation, the Council voted that all future mobile park owners would be required to install individual water meters to each trailer and a deposit will be required from the occupant of the trailer.

Most of the present parks are now equipped with a master meter and the owner distributes the water to the tenants in the park, thus charging their tenants for the use of the water, however, this will eliminate this system and the tenant will have to pay their fee or water bill directly to the city. With the cost of the installation of \$65, and the deposit \$10; the city in the past has made arrangements that this fee could be paid in the installment plan, but due to so many delinquency in the past of not meeting their payments and causing the city extra expense at trying to collect these bills, this too has been abolished and the full amount will have to be paid all at once.

If the park owner has a seven number of spaces and he chooses he may put up the required amount for the installation of the water meters. But it was also brought to those that are delinquent in their accounts that were permitted to pay on the installment plan is not payed up by the date that is specified on the recent bills that were issued, the meters will then be disconnected and there will be a additional connection charge to have the meters re-opened. Devils To Open Basketball Season Here Friday Night

The 1970-71 Red Devil basketball team will open the season here at the high school gym tomorrow (Friday) night at 6:30 against Class B school Alva and this Saturday night the two Devil squads will host the Class A Okeechobee Brahman fives. Next Tuesday night the Devils will travel to Arcadia to take on the always tough DeSoto High Bulldogs.

The 25 game schedule is highlighted by "AA" school Cypress Lake, Frostproof, Christmas Tournament, Santa Fe of Lakeland, Arcadia, and old rivals Sebring, Lake Placid and Frostproof. Coach Fred Sandlin has only one starter back from last year's team that set a record of 10 wins and 11 losses. The returning starter, Don Sisemore, is only a junior and he will bring a 22.5 point average from last year when he made the All-State Class B squad.

Along with Sisemore at guard will be Thad Tate, 5'10" junior, who averaged 6.4 points per game last year as the sixth man on the squad. Tate is an excellent ball handler and is very quick. Starting at center will be Curtis Jackson, a 5'10" junior, who can really get up in the air. Coach Sandlin says Jackson jumps like a 6'4" player and handles the ball well. It will be

Jackson's first year of basketball but football fans will remember Curtis for his defensive play as a pass defender for the Devils in the last five games of the season. Starting forward will be Robert Lansing, a 6'1" junior transfer from St. Petersburg High School. Lansing has shown some fine outside shooting at practice and should add some offensive strength to the Devil squad. The other starter will come from 4'11" Rudy Pierce who averaged 13 points per game last year. Jim Magenheimer, a 6' senior who averaged 16 points per game last year. Joe Franz, a 6'2" senior, or Charles Whitt, a 6'2" transfer from Virginia, who is an excellent shooter. Clayton McNeil, a 5'10" senior; James Pearson, a 5'10" senior; and 6'1" Michael Caldwell round out the eleven man squad.

This year's team will have good shooters and excellent team speed. However, the big question mark at this point is the rebounding ability. If the team can rebound and control the boards, this could be a much better team than last year's team that finished 10-11. With at least four juniors starting tomorrow night, the first game should answer a lot of questions for Coach Sandlin and Avon Park basketball fans who are looking forward to an outstanding season.

Prices for admission will be

Golf Course To Hold Guest Event

The Avon Park Golf Association will hold a member-guest event on Saturday for men and women. Local and out of town non-members will be invited to enjoy 18 holes of golf free as guests of a member. There will be a Happy Hour and a covered dish dinner following the 18 hole golf event. Members will team with non-members to participate in a handicap tournament. Ladies will play in the morning and men in the afternoon. Golfers interested in participating in the event should contact members of the Avon Park Golf Association or Pro Abe Ogilvie and every effort will be made to arrange a partner for the affair.

the same as last year. Adult tickets for the "B" squad and varsity games will be \$1 and students may get in for 50 cents. Coach Sandlin is interested in filling the gym with students and adult fans and urges all who like a fast, aggressive game of basketball to turn out tomorrow night to see the new Devil squads. The opening game will pit rookie coach Tom Lund's "B" team against the Alva junior varsity starting at 6:30 P.M. The varsity game will follow about 8 o'clock. Members of the Devil jayvee squad this year are: Juniors Rick Y. Helms, James Kerney and Sam Dasher, sophomores Eddie Simon, Leroy Hicks, Anthony Williams, Arnold Davis and Leon McRae, freshmen Nathaniel Packer, Ronald Edgington, Eugene Snowed, William Ayers and Philip Harrison. Varsity forward Joe Franz was out of action for a couple of weeks with an injured ankle.

Legislator Agrees Alcoholic Center Does Is Good For State

Every legislator in the state including the governor and the cabinet should take time to visit the Bureau of Alcoholic Rehabilitation in Avon Park according to State Sen. David H. McClain of Hillsborough County. The senator, on a one-day visit last week to the state's only alcoholic rehabilitation center, said he is convinced that more monies should be appropriated to establish more institutes and centers to treat the problem drinker.

"Floridians must understand that these people are sick," he stressed, "and the only way to accomplish that aim is through the mass media, the legislature and the cabinet."

Sen. McClain said that he is "not to certain" that alcoholism per se should be treated as a crime.

He said the need can be made clear, especially to industry, when the cost of treatment is put up against the costs of continuous incarceration. "The savings could be staggering."

Education on alcohol and other drugs at an early age is what Floridians should be made aware of, he commented. He praised members of the cabinet and state legislature who have toured the bureau and other various state social rehabilitation centers, but stressed that many more government authorities should place a higher priority on such visits, especially since they are the ones that pass the bills that enable the state to deal effectively with the growing number of Floridians who need "help through education, information and treatment because of alcohol and other drug addiction."

With 100,000 alcoholics in the state we definitely have a problem. The legislature must know the facts before it can act effectively with that problem."

is not providing the results which could be expected with the proper attention.

In summing up the report, Mr. Dawkins suggested that the City Council make no commitments for serving additional large groups with new water and sewage inside the city limits.

With too many weak spots in the water system it would reduce the fire fighting capacity. Water and sewer rates that now exist are not consistent with modern requirements for potable safety, safe water, and higher standards for pollution control.

Esthetic and health hazards with respect to its water supply, fire catastrophes, or court order for action could result from the Department of Air and Water Pollution Control.

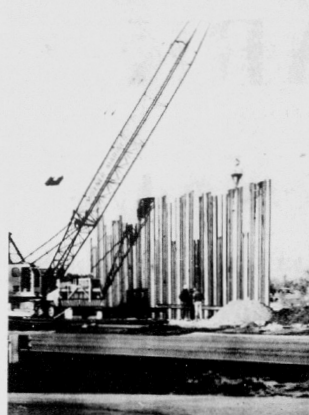

The council agreed that a letter be sent to the Coca Cola Company informing them of the survey and stating that at this time the city cannot furnish the proposed site with utilities.

Golf could be classed as a mixture of walking, bad guessing and worse arithmetic.

A STEEL WORKER takes the easy way down from his work on top of the steel piling about 30 feet above Lake Anoka. The bridge on US 27 is being repaired at a cost of \$300,000.

For a long time, we were told that there was no such thing as witchcraft. Many even denied the existence of Satan.

Satan's devoted worship his openly, and thousands of witches surface, claiming to have supernatural powers—which they do not receive from God.

What is the truth? Is there really a science of witchcraft? Do witches really have the power they claim to have or are the witches in this country—as in others—simply prey on the gullibility of people who are willing to believe something which would not fool you or me?

Max Gunther, writing in "True for Today's Man," says that he was openly skeptical, so he challenged a witch—who during the daytime is a secretary—to prove that she and her coven could produce results.

Three year manager's training program in 1961. He was promoted to Branch Manager of their Bristol, Tenn. office.

After leaving G. A. C. he turned to Florida with another finance company which eventually led to his entering the mobile home industry in 1964.

He spent two years with Pioneer Finance Company, which at the time, was the largest mobile home finance company in the United States, in their Tampa branch.

He then joined a mobile home manufacturing plant in Georgia, covering Florida, as district sales manager and from there to Sport Craft Homes, in Clearwater, where he advanced from sales manager to general manager and from there to national director of sales for five plants.

When National Homes purchased Sport Craft in 1968, Glenn was promoted to vice president, marketing and sales for eight mobile home plants.

Glenn has also opened his first furniture store in Clearwater, Fla., under the name of Harper Furniture and Home Supply which is basically a mail order business.

Betty, the president and general manager for the furniture store, is currently in operation will be in the immediate future and most likely in the state of Florida.

He also states that plans are being made to open another mobile home manufacturing facility in Central Florida and eventually expand into North Carolina and Arizona. The new plant will produce 24 foot wide mobile units from 40 to 64 feet long and will employ approximately 85 people at their facility in Lake Wales.

LEWIS LLEWELLYN

Witchcraft — True or False?

"Our father, who art in hell, glory to thy name." Kind of money magnet? for a week or so. He gave her a small tuft of his hair, which she took to the next meeting of her coven.

He says he didn't believe anything would happen—but within 11 days he received money from five unexpected sources. While some witches may very likely be fakes, deceiving the gullible, others may be genuine, trapping the unwary.

Consequences

It is interesting to note what the Bible says about witches and witchcraft. For example, Moses told the people of Israel: "When thou art come into the land which the Lord thy God giveth thee, there shall not be found among you . . . an enchanter, or a witch . . . for all that do these things are an abomination unto the Lord."

The New Testament lists a number of deadly evils including: "Adultery, fornication . . . murders . . . and tells us: 'But as ye desire to be saved, so shall ye not inherit the kingdom of God.'"

We've come a long way since the days when witches were executed, haven't we? But are we traveling in the right direction?

Would you really call it spiritual progress when we have open recognition and acceptance of Satanic power and blatant worship of the fallen one?

Do you think that courses in witchcraft should be taught in New York University, the University of South Carolina, and the University of Alabama?

If we turn our attention away from the Bible—and embrace, instead, the occult, what will be the consequence?

Former Resident of Avon Park Purchases Mobile Home Factory

Former Avon Park resident, Glenn Harper and family, recently moved to Lake Wales from Clearwater, where he purchased Town Craft Homes, Inc. from Jack Townsend. Glenn is the president and majority stockholder of his firm. Town Craft produces mobile home units at the rate of 7 homes per week.

He produces approximately \$6,000,000 annually in sales and providing nearly a million dollars in annual payroll.

Glenn married, the former Betty Warren of Baltimore, Md., and has three lovely children, Karen, Glenn, Jr. and Robert S. A graduate of Avon Park High School in 1954, he participated for four years in varsity sports earning eight varsity letters and was captain of the football and basketball teams his senior year.

After graduating in June of '54, Glenn entered the United States Air Force and was stationed at Randolph AFB, San Antonio, Tex., where he stayed until honorably discharged in 1958. He participated in base athletic competition with other service teams, universities, and professional teams, and earned three baseball letters. He was co-captain of the team in 1956 and served as an assistant coach.

While in service Glenn attended San Antonio College in San Antonio and continued his education through extension courses provided by the Air Force, through the University of Texas.

In 1957 he met and married his wife, Betty, while she was visiting her uncle, also stationed at Randolph AFB. After discharge in 1958 he and his wife moved back to Florida where he was employed by General Acceptance Corp. in Tampa, a large consumer finance company. After completing G.A.C.'s

three year manager's training program in 1961, he was promoted to Branch Manager of their Bristol, Tenn. office.

After leaving G. A. C. he turned to Florida with another finance company which eventually led to his entering the mobile home industry in 1964.

He also states that plans are being made to open another mobile home manufacturing facility in Central Florida and eventually expand into North Carolina and Arizona. The new plant will produce 24 foot wide mobile units from 40 to 64 feet long and will employ approximately 85 people at their facility in Lake Wales.

Misses Frances and Sujette Dornayne of Fort Lauderdale are spending the Thanksgiving holidays in Avon Park as guests at the T. A. Mc Nicholas home.

Marcus Covington and G. D. Godwin, University of Florida students, arrived home Tuesday to spend the holidays at their home here.

J. L. Greene and his roommate, Robert Moore of Stetson University, Deland, spent last weekend in Avon Park at the home of the former's parents, Mr. and Mrs. S. J. Pendleton.

The Rev. and Mrs. Loys Prink and three children of Winter Park were the Thanksgiving guests of Mr. and Mrs. R. H. Lawson and family.

Harold McClelland, who is attending the University of Tampa, spent Thanksgiving with his parents, the Rev. and Mrs. J. H. McClelland.

Miss Frances Hargrove is spending the several holidays here with her mother, Mrs. H. M. Hargrove and sister, Mrs. Virginia Hargrove and her daughter, Miss Frances Cloud.

WEDDINGS
Miss Maycille Virginia Franklin of Mulberry and James Melton Faulkner of Avon Park, married Monday, Nov. 22, 1967, at the First Methodist Church in Mulberry.

BIRTHDAYS
Lena Mae Perry, daughter of Mr. and Mrs. O. R. Perry, entertained at her 11th birthday party. Attending were: Dorothy and Barbara Lawrence, Jeanne Treves, Pay Luke, Ruth Pendleton, Peggy Jo Smith, Eloise Hill, Patricia Ruch, Evelyn Lewis and her mother, Mrs. J. H. Perry.

At that meeting it was decided that the City Clerk and the Fire Chief would compile a list that would be followed for the Fire Commissee calls. This was accomplished and at the last meeting of the Council it was presented.

A discussion followed with some not recorded. A decision was made that the Fire Truck would answer the calls that were on the list as it was prepared, with the small truck and the grass truck, however the large an diesel truck would remain in town to protect the city should a fire or emergency occur while the crew was answering a call.

Most of the Council was concerned for the residents of the city being involved due to the reason that the City residents were the ones that paid for the truck and maintain the Fire Department.

The following calls were adopted by the Council: Mutual Life Club, Highlands High School, Park Academy, Seventh-Adventist School, School Bus, Airport, Churchfield Marine, A.P.C.I., Sebring Rehabilitation Center, South Florida Junior College, State Auto Retirement Center, Walker Memorial Hospital, Hillcrest Nursing Home, New High School, Avon Park, Highlands Center, City Sewer Plant and Pumps, New Army, on U.S. 27, South State Fire Association Headquarters, County Volunte Rudlines.

Misses Thelma and Minerva Perry have slumber party after the Avon Park-Mulberry game. Attending were: Miss Betty Sherman, Miss Tommie Lou Greene, Miss Gail Coen, and Miss Bobbie Dwyall of Jacksonville.

BIRTHS
Mr. and Mrs. Raeburn Brown of New York announce the birth of a baby daughter, weighing five pounds, who arrived at the home Monday afternoon at 10 o'clock. The young lady has been given the name of Susan Jane. Mrs. Brown is the daughter of Mr. and Mrs. W. B. Myers and the sister of Miss Mildred Myers of Avon Park.

SPORTS

Making the largest score they have made in seven years, the rampaging Red Devils defeated the Mulberry Panthers by a score of 44 to 0.

Devils find humor in dressing room—Coach Wagner and Coach Smith, who is doing all that holiering? Oh! It's only "Gib" Tuten and his "Hey de Heys" with the "Big Apple." At the third locker, is Captain Bradbury and "Know nothing" Charley. The sixth locker's door is open and seems to be calling back our hard-tackling end, Charles Sherman. We hear our unconscious end, "Em Up" Touchton telling "Boob" Bailey he will soon be a star if he keeps on being a star. Then there is the good word. Then we find "Dulane" Martin in a huddle with "Lester" and "Donald" the Duck "Todd" trying to get the right tune to "Whooop Em Up." "Grouch" Herma "That or unconscious fight "Gallon" Foster and "Scrappy" Skipper for nailing his shoes. Then there is "Gift of Gab" Mathis bragging about his 45-yard run in the game. Then "Poor Ticker" Belin is trying to rub a charcoal on the wall to see if it on the wall? Second verse same as the first.

Look at those wild boys begging a star if he keeps on being a star. Then there is the good word. Christmas Parade Ushers In Yule Season

The Christmas season was ushered in with a gala parade and the lighting of the lights along the Mall on Tuesday night.

With the strains of Christmas music and floats decorated in the season's theme, the parade opened the festivities of the holiday season ahead. Lights twinkled and the trees shone. Santa arrived on the fire truck and tossed his bags of candy to the children.

With the season for the holiday to come now in full swing, the merchants are displaying their merchandise for your selection of gifts to your loved ones, fancy paper and bows, lights to decorate your own yard or home are in abundance. Strains of carols can be heard all around the town, and everyone seems to have a new light in their eyes.

Let us forget, there are others who may not have a Merry Christmas, if we don't help, organizations are taking contributions of toys and money for the Christmas Cheer to those less fortunate. Those in the hospital and nursing homes would enjoy being remembered. Service men that cannot make it home to their families could be invited to your home for the happy holiday. Last but not least, don't forget our boys who are serving overseas. Many are alone and a card sent will help to fill the lonely hours away from the U.S.A.

With all of the celebrating and all the gifts and the money we will spend with loved ones and friends, let us not lose the real meaning of the holiday. Let us remember that we are celebrating the birth of our savior, Jesus Christ, and our thanks for the freedoms that we enjoy in this great country of ours.

Homes Society To Hold Meet In County

For the first time in its history the Rose Keller Division, The Children's Home Society of Florida, will hold its annual meeting in Highlands County.

Mr. Frank Bryant, veteran member of the Children's Home Society board, has been appointed chairman of a committee to make arrangements for a dinner meeting to be held early in 1971.

Mrs. Bryant said other members of the committee will be announced later. She and Mrs. R. H. Hubbell of Sebring, also a member of the society board, are now at work on the society's annual Christmas fund appeal.

"The society placed 1,164 children for adoption in 1969, and is working to help even more children to spend this Christmas with parents of their own," Mrs. Bryant said.

She pointed out that Children's Home Society receives no tax funds but from private contributions raises money to provide professional counseling for families wishing to place children for adoption, for families wishing to adopt, classes in infant and child care and to provide services to children awaiting adoptive placement.

She and Mrs. Hubbell are trying to contact local residents interested in supporting the work of the society.

At the present time the Highway Patrol uses the offices in City Hall on Monday and Wednesday in Avon Park. Other days are spent in Lake Placid and Sebring. A centrally located building would serve all the area for all Highway Patrol business in these areas.

It was noted that drivers licenses and tests in Avon Park was far ahead in numbers as the other towns involved with the department. The council will look into sites available, and then submit them to the Highway Patrol. The Patrol prefers not to be on Route 27.

WALTER NIERSTHEIMER mans the Lions Club float, also on the float is the Lions Seeing Eye Dog.

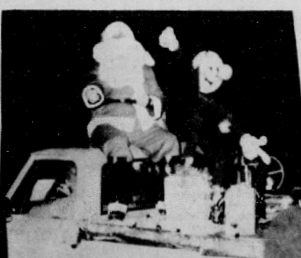

YES, MEMBERS of the Business Womens Club had a float in the Christmas parade Tuesday night. President Gladys Smith, Annie Collier, Louise Edmondson, Alexis Day, Alice Johnston and Ruth Jones.

COEDS of South Florida Junior College adorn the Chamber of Commerce float in the Christmas parade, December 1st.

OLD SAINT NICK with the aid of the beautiful nurse will be well for his ride on Christmas Eve. Walker Memorial float in the annual Christmas parade held Tuesday night.

REDDY KILOWATT rides with Santa atop the Florida Power truck during the Christmas parade.

Births

Avon Park Flying Notes

By ELEANOR TRESGOTT

Perhaps you have been wondering what has been going on over the airport lately. You have had the privilege of seeing Walt and Sandi Pierce doing some aerobatic practicing. Walt and Sandi, the only husband-wife aerobatic flying team currently flying in the United States, have now based their aerobatic activities at The Avon Park Flying Service.

Walt or Sandi are qualified to give aerobatic instruction to any who are interested in this type of flying. They will be using the Citabria (aircraft spelled backwards) owned by Bill Doane of Sebring.

Walt and Sandi's planes are also based at the airport. Walt flies a 430 Stearman, a World War II primary trainer, which he uses for aerobatic flying. Sandi flies a clipped wing Taylorcraft also a World War airplane which has been equipped for aerobatic maneuvers.

Walt's Stearman has a wing stand mounted on the center section of the top wing and here Sandi rides during some of their air show performances.

Walt has been flying for about 15 years and has logged about 11,000 hours. Sandi started flying only four years ago and has logged about 1300 hours.

Ron Ellis made a solo cross-country flight to Naples and Immokalee last week.

Two students on cross-country flights from Bartow and National Aviation stopped at Avon Park. Bill Haynes of Gainesville flew in to spend Thanksgiving with his parents in Sebring.

Don and Shirley Gossick and family flew to Lakeland Thursday for Thanksgiving with her sister and family. Dr. and Mrs. John Gistley.

Community Asked To Express Your Feelings In Letters To Hanoi

Letters will go out in your bank statements and with your electric bills asking your cooperation in a nationwide protest of our prisoners of war being held in prisons in Southeast Asia.

Over 1,500 Americans are being held in prison with no way of knowing how they are being treated or cared for. Over 125 of these are from Florida, and have been in prison for the past six years.

These men are counting on us to help them to get home to their families. The nation as a whole writing to the President of Hanoi either in your own words or using the enclosed letter, it may be that something could be accomplished writing of your concern and demanding that these men be freed, or a full accounting of all listed as prisoners.

Do you care? Will you help? If so please write your letter today and get behind the movement to demand of Hanoi that we as Florida Families, want of their government regarding the men being held by their government.

It should be noted here that Hanoi has constantly refused any information on these men and also refused the Red Cross from seeing or contacting the men.

So please write to the Office of the President, Democratic Republic of Vietnam, Hanoi, North Vietnam. Your letter may
