Elizabeth Crews, Johnnie Workman Wed In Athens Baptist Church

On Sunday, Sept. 13, Miss Elizabeth Ann Crews and Johnnie Lee Workman were united in marriage at 3 P.M. in an impressive candlelight ceremony at Athens Baptist Church, Bereah.

The bride is the daughter of Mr. and Mrs. Walton N. Crews, Sr. of Bereah and the bridegroom's parents are Mr. and Mrs. John Workman of Kistumme.

A background of wedding music was provided by Mrs. Deborah Fann.

Rev. Albert Pruitt officiated at the double-ring ceremony performed at the altar flanked by palms, with two seven-branched candelabras in center background, with white burning tapers. On either side of arch were twin spiral candelabras entwined with fern, with each holding seven white burning tapers. On each side of altar rail was a white basket of white gladioli, spider mums and yellow chrysanthemums.

White satin bows marked the family pews.

Given in marriage by her father, the bride was lovely in a gown of white bridal satin, with yoke and long sleeves of chantilly lace, scalloped at the wrists. She wore a lace mantilla that fell in soft scallops around her head and the long train flowed from the mantilla. She carried a white satin covered Bible, topped with a cascade bouquet of roses, carnations and lily of the valley, and a short sleeve orchid with white satin streamers, flowing gracefully.

She wore a shiny penny ring good luck placed in her slipper by her mother.

Mrs. Jane Schmidt, sister of the bride, was matron of honor. She wore a gown of yellow crepe with scoop neckline and short sleeve. Her circular veil fell from a matching Dior bow. She carried a cascade bouquet of white and yellow carnations.

Gene Schmidt of Orlando served as best man. Mr. Walton N. Crews, Jr., brother of the bride, from Bradenton, was usher.

Mrs. Walton N. Crews, Sr. wore for her daughters wedding a peacock blue embroidered dress with long sleeve cut of lace. She wore matching accessories with a yellow carnation corsage.

Mrs. John Workman wore a turquoise knit sheath with accessories to match for her son's wedding, and she wore a corsage of yellow carnations.

For her wedding trip to the Smokey Mountains and Virginia, she wore a gold brocade dress with round neckline and matching accessories. She wore the black orchid corsage from her bridal bouquet.

Pioneer RA's Set Car Wash This Saturday

Fellowship Baptist Church Pioneer Royal Ambassadors will hold a car wash Saturday, Oct. 3, in downtown Avon Park just behind One-Hour Cleaners, located at the old post office building.

All proceeds from the car wash will go to the Fellowship Baptist Church 1970 Lottie Moon Christmas offering for Southern Baptist foreign missions.

This activity is an annual affair carried on by Pioneer RA's at Fellowship Church in order to raise money for mission activities overseas. It is a way these boys can live up to their RA pledge which requires them to work with others in sharing Christ.

The Fellowship Church Pioneer RA's chapter, now beginning its fourth consecutive year of operation, currently has 10 full-fledged members, all of whom have passed their Pathfinder rank. Two other prospective members will soon be admitted to the chapter, pending completion of their Pathfinder rank. The boys are in the 12-through-14 age bracket.

Recent activities of the Pioneer RA's at Fellowship Church include camping trips, visits to Vero Beach, ice cream socials, cook-outs, and swimming parties at local lakes.

The chapter meets at the church each Wednesday at 7 P.M.

Local residents are invited to bring their cars to the car wash Saturday from 8 A.M. to 5 P.M. Price will be \$1.50, and each car wash is guaranteed to please.

Guest Speakers Announced For Fellowship

Fellowship Baptist Church, located at 1000 Thomas Street in Avon Park, announces its guest ministers to fill the church pulpit for the coming three Sundays.

This Sunday, Oct. 4, Virgil Choate of Avon Park will be guest speaker for both the 11 A.M. and 7:30 P.M. services. Mr. Choate is employed at Avon Park Correctional Institution and is a member of Florida Avenue Baptist Church in Avon Park.

On Sunday, Oct. 11, and Sunday, Oct. 18, guest speaker at Fellowship Church will be Jackson Cannon of Fort Meade, a member of Athens Baptist Church in Polk County. He will preach at morning and night services.

Both Mr. Choate and Mr. Cannon are licensed Southern Baptist ministers and have preached previously at Fellowship Church.

The members of the church cordially invite the public to attend each service, in addition to the regular Sunday

morning and Sunday night worship services. Other church activities include Sunday School at 9:45 A.M., and Training Union each Sunday night at 6:30. Prayer meeting

RA's, GA's, and Sunbeams are held each Wednesday night followed by choir practice. Interest in the choir and in youth activities of the church is at an all-time high.

Lewis Thompson invites his friends and customers to come in and see the beautiful line of carpets.

Many Unable to Find God?

By DAVE LLEWELLYN
I have observed that you are very religious in every respect, for, while most of you are likely affiliated with some religious organization, you demonstrate yourselves exceedingly tolerant of all others.

In fact, among you it seems proper to suppose the causes of all organized religion.

Presbyterian, Jehovah's Witnesses, Catholic, Baptist, Methodist, Greek Orthodox, Christian Scientist, Lutheran, Anglican—all of these and dozens, probably hundreds, more benefit from your generosity, to propagate their beliefs more extensively. Not willing to be partial to the established organizations and perhaps overlook the true faith, you have provided recent, increasing financial assistance to astrology, Buddhism, Scientology, Bahá'ism, and even tasteful forms of spirit worship and witchcraft.

The reality of your deep-felt interest in gods is inescapable.

Fail to Find God
But, as I have watched you worship your various gods, I have noticed a peculiar practice. Many of you move from church to church, from temple to cathedral to chapel to coven to coven to sensitivity group—and back and forth. And some of you, who once worshipped, now sit at home and do nothing at all.

It seems that you have a strong desire to serve God but you cannot find Him. Many have stopped looking. The one, therefore, whom you have desired to know I proclaim to you.

The God who made the world and all things in it is the Lord of heaven and earth. He does

not live in buildings constructed by man. That is why you have never found Him there.

This God made from one man every nation on the face of the earth, having sovereignly determined their times of greatness and times of recession and their boundaries. He has thus shaped history to direct you to seek Him—to grasp out and find Him, since He is near by each of you, for it is in Him that all of us live and move and exist.

Having been, ourselves, formed and created by God, we ought not foolishly to think that the divine nature is like the images of gods men suggest.

One Representative
For a long time God overlooked this ignorance—but no longer. He now declares to men that all men everywhere should change their attitudes toward Him, because He has determined a time when every man will be judged on his rightness toward God, by another Man—Jesus—proved worthy by His life and resurrection from the dead.

God spoke long ago to our ancestors in many ways, but in our time He has spoken to us through His Son Jesus, who is the representative of God in word and in character.

You know of Jesus of Nazareth—how God anointed Him with the Holy Spirit and with power, and how He went about doing good. Of Jesus alone God testified that all those who commit themselves to Him are forgiven of their sins and are established in the right relationship with God.

Avon Mobile Home Park News

By RUTH E. ROBINSON

Mr. and Mrs. Ralph Crocker and Mr. and Mrs. Bland Neukirk arrived back home this past week after an interesting and pleasant Summer with their friends and family.

The Belchers write that they arrived home safely and enjoyed their vacation here with their friends.

We hear that Boyd Dager is home and feeling very well after his surgery, also that a trip to Spain is on their agenda for the month of October. We shall be interested to hear about this when they return to us in November.

Mr. and Mrs. Francis Cawthorne spent some time here this past week at the trailer on lot no. 59. We hope to see them more this next winter.

Lewis Becke and Mrs. Charles Brush continue to improve and are gaining strength with daily walks.

Mrs. Gladys Geib and Mildred Shearer were treated for Gladys's birthday by an old friend of the family, Ralph Mugley, by a dinner out last week.

Another visitor at the Geib home was Miss Margaret Clapper, an Ohio friend and missionary who will be returning to Africa next January. Accompanying Miss Clapper were friends, Miss Della Yocum and Mrs. George Steinick.

Mrs. Mildred Timberg's daughter and her husband, Mr. and Mrs. Noel Lee have been transferred to Huntington Beach, Calif. Mr. Lee will be working at a naval hospital and also on a naval ship, as a doctor, out of San Diego, Cal. They have two children, Debbie and Jimmie.

Mildred also reports that her 11 year old grandson, Mike Timberg of St. Joe, Mich. has been elected as the champion Little League baseball player in tournaments when they return about this time.

Mr. and Mrs. Walter Coady and Lawrence Robinsons drove to Lake Placid for dinner at the restaurant on Sunday afternoon, only to find it posted with signs, "Gone fishing—back October 30th." Disappointed but still hungry, they found another place to eat, farther south.

DAR Will Meet Monday

The Patriot's Chapter DAR will meet Monday, Oct. 5, at 2 P.M. The meeting will be held in Booram Hall, St. Agnes Episcopal Church, Sebring.

Hostesses will be Mrs. Roper, Mrs. Butler, Miss Merrill, Mrs. Forrester, Mrs. Ingles, Miss Gaffney, and Mrs. Dasek.

The Alps, alone, contain some 1,200 known glaciers.

ROTARY CLUB NEWS

By AARON CRAWNS

Vice president George Wal. per pinch hitting for President Bill Stallard introduced program chairman, Bob Gay who introduced Mrs. Jean Moser, a counselor at the Alcoholic Rehabilitation Center, who used as her subject "The Woman Alcoholic."

She emphasized that ARC should be thought of as a training and education center. People from all over Florida are assisted and trained to not only help themselves, but also to help others.

Statistics given were. There are 681 alcoholics in Highlands County. One out of five drinkers will be an alcoholic. 50 percent of driving accidents are due to alcohol. The ratio of women alcoholics to men is one to one. 14 years ago it was one to seven.

Mrs. Moser introduced two women who are presently undergoing training at ARC. Each one spoke briefly of her problems.

The first one was back for a "Re Charge," she stated that her husband is away from home necessarily and that she got lonesome and began drinking. Mrs. Moser had stated that husband get "sick and tired of drinking wives." This was reaffirmed by both women.

The second one said that she had a DWI conviction before she was 21 years old, and went into AA before the age of 27. She has not drank in nine years but after a tragic death in the family she felt she needed help from ARC.

Questions from Rotary members brought answers that show drinking begins early in life. There is no thought of becoming an alcoholic when alcohol is used in the home of most who become alcoholics.

Mrs. Moser's definition of an alcoholic is one who has lost control of his or her drinking to such an extent that it interferes with family life, social life, and work.

RAY-ARC Will Meet Here

RAY-ARC (Ridge Area Youth for the Retarded Children), met Thursday, Sept. 24, at the scout hall in Sebring. The RAY-ARC met over the agenda for the forthcoming year and discussed final plans for October.

Sally Pogany was elected secretary, replacing Debbie Sherwood. Becky Leapart was elected to the board of directors. Both living in Sebring.

The next meeting will be October 7, at 7:30 P.M. at Ridge Area Day School in Avon Park.

Anyone wishing to join RAY-ARC may attend this meeting.

Junior Women Busy Planning Annual Halloween Parade

Happy October, people! I am the Spirit of the Avon Park Junior Woman's Club, and this is my favorite month of the whole year! You will be seeing signs of me everywhere around town this month—in the newspaper every week, posters, bank statements, and in many other places, all climaxing on Saturday, Oct. 31, with the annual Junior Women's Club Halloween festivities to be held that day—beginning with the parade at 3:30 P.M.; bed race at 4:30 P.M.; carnival from 5 to 7:30 P.M.; and dance at 9 P.M. Nine o'clock P.M. is also the hour of curfew for trick or treating, which we plan to announce with a bang this year!!!!

Everyone is entitled to his favorite holiday, and the Junior Women are "hung up" on Halloween! They picked the shortest holiday of the lot—any other holiday is good for at least a day, but Halloween is over before you can say Boo! That's why the Junior Women work so hard

WHO is this? The spirit of the Avon Park Junior Woman's Club. A special contributor to this newspaper in October.

Art Instructions Being Offered At Girls School

A private class in art instruction is being offered at The Highlands School For Girls, Avon Park. Beginners are welcome. An introduction to the principles of art and instruction in the use of all media, along with drawing and painting instruction for the more advanced student will be offered. Adults of all ages are invited.

A separate class for children is being organized.

The art instructor holds an M.F.A. degree from the University of Iowa and a B.F.A. degree from Washington University in St. Louis.

For information, phone Miss Jean Kirkhoff at 453-5573 after 7 o'clock, or during the day, call The Highlands School at 453-3181.

manity—so won't you please get into the Spirit of things! Now is the time to begin your plans for Halloween costumes for the parade, so as not to be rushed at the last minute. Below are listed the rules for costume judging for the Halloween parade, and then a few hints which might interest you about costumes.

To be eligible to compete in the judging, the child's costume must be Homemade. Except the Mask, which can be "store bought." A blue ribbon will be awarded to the child with the "most original" costume; the "most like Halloween" costume will be given the red ribbon, and the white ribbon will be for the "best all around" costume. The children will be judged and will march in the parade in the following order: two different groups of preschool age; 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, and group. An example of group judging would be three children posing as the three bears—only one (1) ribbon would be awarded to the group.

Large grocery bags make

fine costumes for small "trick or treaters," and can be used for many hours of play at home after the Halloween festivities are over. Simply cut eyes to match the child, and let your imagination go from there. You could just color on features of various animals, story-book characters, etc., or you could go even farther and make costumes as whippers, hair etc. These costumes are good for either boys or girls.

Old, worn pillowcases also lend themselves to quick tricks for costumes. One such costume is the proverbial witch. Here's how to make one that's cute as can be: round up one pillowcase (dye it holiday orange); one skein of black wool; an indeleible black d-m-rk; two 3/4 inch cafe-curtain rings; black, orange, green and white felt and paste.

If you have them, use pinkish shears to cut a 12-inch slit in the center top of the pillowcase for the neck. Next measure five inches down each side of the pillowcase and mark with pinkish shears, cut eight-inch openings from each mark for the armholes.

Then make a big witch's face on the front of the pillowcase. Outline felt pieces with black d-m-rk, then outline the shape of the face. Be sure to insert paper in the pillowcase to prevent the ink from coming through.

Naturally, you'll want to frame the face with a witch-like hairdo. Cut a skein of black wool into 35-inch lengths. Arrange evenly across the top of the pillowcase and stitch across, catching each strand of wool. Then give it a real witch's trim with bangs and all.

Slip the spooky creation on your youngster and pull the corners at each shoulder through eye-curtain rings to adjust the fit—and for a cute effect. The perfect accessories? A pair of black leotards, a pom-pom in one hand, a broom in the other—top it off with a pointed hat, and What A Witch!

All that's new for 1971- from Oldsmobile.

Toronado. The Unmistakable One takes on grand new proportions. It is a full five inches longer and every inch adds to its elegance. Even its trunk is more spacious this year.

The new interiors are roomier and far more sumptuous.

The front floor is flat from door to door, with no hump to get in the way.

Toronado's unique front drive and the

totally new ride system deliver greater smoothness, improved traction and power handling.

Add a responsive Olds Rocket 455 V-8,

power steering, power front disc brakes. Turbo Hydra-matic—all standard on the front drive Toronado.

Delta 88. Warmest welcome ever to the big-car world. Power steering is standard. So are power front

disc brakes and an impressive 124-inch wheelbase. It's all topped off with Delta

88's remarkable new "G-Ride" System.

The "G-Ride" System. An Olds exclusive—a combination of advances in chassis,

suspension, steering and all-new shock absorbers. You ride smoother, corner bet-

ter, are less affected by stiff crosswinds, a feature in every 1971 Olds Delta 88.

Pollution fighters. Every Olds engine is designed to cut emissions, run efficiently on no-lead, low-lead or regular fuel.

Double comfort. New Flex-Thru Ventilation features both upper and lower outlets for greater control, better air circulation.

Solid security. Side-guard beams are welded into the doors for protection. One of many Olds safety features for 1971.

Cutless Supreme. Oldsmobile's "little limousine" places all-out elegance within

the reach of nearly every new car buyer! And does it so beautifully—with a classic profile outside,

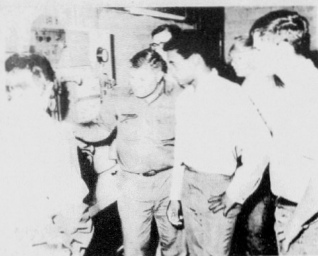

deep comfort and luxurious appointments inside. If you're long-time Oldsmobile owner and economy—you and Cutless Supreme are made for each other.

Nickoleys Return From Summer Vacation In Kenora, Ontario

Mr. and Mrs. Louis R. Nickoley and son, Bill, of Lake Lillian, left the morning after graduation for Chicago. There they visited two sons and a daughter, who gave a cook-out to celebrate Bill's graduation. The daughter's wedding anniversary and three family birthdays. While there they visited the Lindzard Museum of Lapidary Art at Elmhurst, Ill. This museum contains a large collection of carved jade, agate and ivory, as well as quite a number of dioramas with animals, fish and birds carved from stone. The museum also houses numerous mineral specimens, objects of art, jewelry, gems and gem materials from all over the world.

Bill Nickoley had to report for orientation at the University of Missouri-Rolla on June 18. Rolla is a lovely little town nestled in the Ozarks and the campus is very nice. While Bill was occupied at Rolla, Mr. and Mrs. Nickoley drove north to the Lake of the Ozarks, which is very large, and they took a two-hour boat ride on the lake, not seeing near all of it. They were at the Bag-nall Dam end of the lake. The Nickoleys then visited relatives near Chicago before heading north to their family cabin on "Lake of the Woods," near Kenora, Ont. They were fortunate to get a seaplane to take them out to their cabin, with just enough time to pick up fishing licenses and a few groceries. Their cabin can only be reached by air or boat. "Lake of the Woods" is about 90 miles long extending from the border of Minnesota to Kenora. It is still naturally beautiful and unspoiled by too many tourists. The government will not sell any more land around it and much of the land is now provincial park. The lake does not seem so large because it is full of islands, and is beautiful. You can drive the water right out of the lake. The water was tested for pollution this year, as it is every year and tested one-eighth of one percent—much purer than most town's water supply. The land is covered with pine, cedar, other evergreens, as well as birch and poplar—just beautiful with the sky-blue water.

The Nickoleys saw the Ontario Provincial Police, and RCMP rescue helicopter go into action, when a man had wandered away from a camp clearing, and got lost in the "bush." With boats along the shore line and a number of Indian trackers were sent into an area, where terrain was so treacherous, the police would not permit any one to go. On the sixth day the man was found, safe, but hungry and tired. There were four different bears that the Nickoleys saw off and on in their vicinity. During their last week up there, their daughter-in-law and grandson were up there visiting her parents, who are next door neighbors of the Nickoleys. Toward the end of the season those with cabins within a five mile radius have frequent get-togethers usually called "coffee parties." Most of their neighbors are connected with the Augustana Lutheran College at Rock Island, Ill., and their neighbors are also Swedish. This is an interesting and well traveled group. The Nickoleys took Bill back to Illinois to get out-fitted for college, and to Rolla to start school on the 28th. Mr. and Mrs. Nickoley then started north through Missouri into Iowa crossing the river at Keokuk. Then they continued north through western Illinois into Wisconsin and through Wisconsin Dells and explored the area around Friendship and Adams well as Green Lake. They went back by Rolla and spent Sunday with Bill, going through the Onondaga Cave, about 20 miles out of Rolla. They went south through Arkansas into Louisiana and crossed the Mississippi River into Vicksburg, then down to Mobile and on home. Bill is enjoying college life and getting along well. The Nickoley's report an enjoyable Summer, but are happy to be home.

The feller who sings his own praises usually is a sobot.

MOBILE HOMES

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nation's large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1 1/3 the price of a modest suburban house a family can buy a 12'x60', air conditioned mobile home with two bedrooms, a comfortable living room and a well gadgeted kitchen. This equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their instant communities offer an answer to the problems of the urban pressure cooker. Boat Racing And Beauty Contest Here This Weekend

The third annual Avon Park Board Regatta will be held this Sunday afternoon, Oct. 11 at Lake Tularia. The first of 11 races to be held will start promptly at 1 P.M.

Each race will contain three heats and the overall race is expected to last at least four hours. Drivers from all over the state will be competing for trophies and a chance to add points to their totals for the year.

Many entries have already been received and this race appears to be on the way to being the biggest and best ever held in Avon Park.

Lovely Miss Celia Elder, daughter of Mr. and Mrs. Edsel Elder, our reigning "Miss Flame," will crown one of these contestants, who will be our next "Miss Flame."

Patty Childress, 17, and a senior, is sponsored by Jahn Concrete.

Julie Kangeter, 16, and a junior, is sponsored by Avon Shoe Shop.

Laurel Weaver, 16, and a senior, is sponsored by Sides Auto Supply.

Laurel Camp, 16, and a senior, is sponsored by the Avon Park Motor Co.

Debbie Scott, 16, and a junior, is sponsored by Ridge Bakery and Coffee Shop.

Kay Green, 16, and a junior, is sponsored by Bag-

well Lumber Company.

Leila Edleson, 17, and a senior, is sponsored by Touch-ton's Drugs.

Debbie Dennis, 16, and a junior, is sponsored by Winn-Dixie.

Sarah McClure, 17, and a senior, is sponsored by Long and Sensitive.

Carol Hutchinson, 16, and a junior, is sponsored by Southern Motel.

Lee Barker, 17, and a senior, is sponsored by Badcock Furniture.

Alicia McClelland, 16, and a junior, is sponsored by Park Pharmacy.

All of the plans and hobbies of these girls are given the night of the contest.

The winner will represent Avon Park in the state "Miss Flame" contest, in Jacksonville next May.

The judges will be from out-of-town, and the master of ceremonies will be radio personality, Chuck Shane, of radio station, WAPR, in Avon Park.

The "Miss Flame" contest is sponsored by the Avon Park Firemen, during National Fire Prevention Week, each year. The firemen are to be commended for sponsoring this contest for our lovely young ladies each year. It could very well be called, "The Miss America" contest for Avon Park. All of you citizens of Avon Park who have never seen our "Miss Flame" contest, are sure missing a top-notch contest, with lovely girls, who are scared and excited, but still the loveliest girls in the world. All these girls who enter this contest have memories they carry with them for the rest of their lives.

THE AVON PARK City Council held its reorganizational meeting last Thursday and Don Serdyski was named president and Jack Duggan, vice president. Shown seated, (l to r) Mayor Bob Barben, Serdyski and city clerk, Malcolm Crews. Standing, Clarence King, Milton Howard, city attorney, Jack Hancock, Duggan and Durrah Martin.

Devils Face Wildcats Friday

The Avon Park Red Devil football team will try for the fourth time to get into the win column tomorrow night (Friday) when it travels to Wauchula to take on the winless Hardee High Wildcats at 8 o'clock. Both teams have dropped the three opening season games to opponents. The Fort Meade Miners defeated both teams—Wauchula by a score of 8-0 and Avon Park last week by a score of 38-22.

The Hardee Wildcats have yet to score a touchdown or even a point as they lost also to Punta Gorda 21-0 and Venice 26-0 while the Red Devils have managed to score 15 points in two games. Lopez and 15 ranked McWherry as well as the 22 points against Fort Meade last Friday night. So the game tomorrow night is a "must" game for both the Red Devils and the Wildcats and could turn into an interesting affair.

Fort Meade Game
Fort Meade's senior 124-pound running back, Dave Shingles, personally accounted for 26 of the Miners' 38 points as he scored four touchdowns and one two-point conversion. The evil-running Shingles scored Fort Meade's first touchdown late in the first period on a three-yard dash into the end zone after setting up the score with a 34-yard pass reception to kickstart the 75-yard drive of the Miners. The Fort Meade quarterback, Joe Beynon, ran the extra point attempt over for two more points and the Miners led at the end of the first period 8-0.

Avon Park bounced back on the next series and moved from its own 21 yard marker in for a score. A couple of 15 yard penalties against the Miners added the Devil drive and the score came on fourth down with six yards needed at the 16-yard line. Devil quarterback Don Sikemore handed the ball off to Clark Jackson on an end-around play and Jackson flipped a pass to end Joe Franz for the TD. Sikemore's pass for the two-point conversion was no good and the Miners still led 8-0.

The only other score in the second period came late when Fort Meade's Beynon found Shingles alone in the secondary

and hit him with a pass which the back took in and ran into the end zone untouched. The play started on the 38-yard line after a 65-yard drive which included a 15 yard penalty against Avon Park. Fort Meade threatened again after intercepting an Avon Park pass at the 20-yard line of Devils but Avon Park's defense held in spite of another 15 yard against them.

In the second half the Avon Park offense couldn't get moving in two attempts after recovering a Miner fumble at the Devil 46 yard marker and punted down to the 21-yard line. From that point the Miners matched—lar. Their third score in spite of drawing 30 yards in penalties along the way. A 30 yard pass gain by end Bruce Williams got the drive started and a 27 yard pass play from Beynon to Shingles finished 8-0 off as Shingles dashed into the end zone for his third TD. Ottis Ming ran the ball over for the two-point conversion putting Fort Meade out front 24-6 late in the third period.

The most exciting moment for Avon Park fans came following the Miner kick-off as Devil back Frank Davis took the ball in on his own 26-yard line and raced 74 yards through the Miner team for a touchdown. A pass from Sikemore to end Joe Franz was good for the two point closing the gap to 24-14.

The Devils tried an onside kick following Davis' TD dash but Fort Meade covered to take possession on the Miner 40-yard line. The Devils held for four downs but a 15 yard punt rolled dead at the Devil 40 yard line and Avon Park couldn't even get a first down and had to punt out from the six. The Miner back returned the punt to the Avon Park 20 and then a 13 yarder was tackled on to the gain giving the Miners first down at Avon Park's 15. It took just four plays for the Miners to score again with Shingles taking a 36 yard run into the end zone. This time Shingles ran the extra points

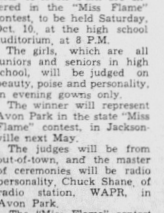

over and Fort Meade had a 22-14 advantage.

The last Fort Meade TD came quick as the ball was knocked from Sikemore's hand as he was dropped back to pass and end Leroy Brinson picked it up for the Miners and raced about 20 yards for a touchdown. Danny House attempted to kick the point after but it was no good. Fort Meade led mid-way in the fourth quarter by a score of 20-14.

Avon Park's final score came late in the game after Greg Hart recovered a Miner fumble on the Avon Park 40-yard line and put together their last drive of the game as they moved on to ground to the Miner nine yard line. Again the Devils were helped out with a couple of 15 yard penalties against Fort Meade. The touchdown itself was controversial as the ball was tipped in the end zone and caught by Clark Jackson. Pass interference was also called on the Miners as a defender pushed Franz out of the way before Jackson managed to catch the Sikemore pass which was thrown from the nine yard line on fourth down. Walter Nunnally ran the extra points over after the Devils refused the interference penalty to take the TD touch by Jackson.

The Miners got off only two plays after the Devil kick-off before the final whistle blew giving the Fort Meade team its third straight victory and Avon Park its third consecutive loss.

In spite of the loss, the Red Devils definitely looked better in several departments. Defensive end Mike Smith was in an several areas behind the line tackles and the general tackling by the whole Devil squad seemed improved. The Devil offense also showed signs of improvement with full-back Steve Hart back in the lineup. This week the Devils should put it all together and come up with a win over Wauchula and fans could see a different club club the rest of the season.

MEMBERS of the Monday night horticulture class of South Florida Junior College were taken through the nursery and orchid greenhouse facilities at the Avon Park Correctional Institution by their classmate Ray Johnson. Ray has

Montsdeoca Promoted By Dixie Lime-Stone

Dixie Lime and Stone Company Executive Vice President Gerald B. Martin has announced the promotion of Fred Y. Montsdeoca of Ocala, to the newly created position of Florida Sales Manager, effective immediately.

Montsdeoca has been with Dixie Lime for 13 years and in addition to his duties as a vice president of the company, has headed up the Aglime Sales Division since 1958.

In his new position he will be responsible for all product lines in Florida and the southeastern aglime market, unifying sales policies and procedures for a more effective and efficient operation.

Making the announcement from his Ocala office, Martin praised Montsdeoca for his "demonstrated management ability and the aggressiveness to build and run an organization that keeps pace with a growing market."

Voc-Tech Division at SFJC Has Increased Enrollment

With the addition of several new program offerings in the vocational-technical division of South Florida Junior College and the continuation of programs offered in the past several years, enrollment has soared.

Dean Farren has announced the total enrollment for the Fall of 1969 in the vocational-technical division of the college was only 285 compared to 426 for the Fall of 1970.

The three new programs which have been added for the Fall term are automotive mechanics, agricultural mechanics and cosmetology. These programs are conducted in specially designed buildings furnished with the most up-to-date equipment available and directed by experienced instructors. Many of the students in these mechanical classes work in a related job while attending college.

South Florida Junior College

Their own garage and paved fenced work area. The students of the automotive mechanic classes work with modern training aids such as, a charging circuit simulator, wheel alignment simulator and front end rack.

They have the latest engine analysis and tune-up equipment as well as equipment basic to all automotive garages.

In the agricultural machinery courses, live machinery is repaired with parts furnished by the owners. The use of all equipment basic to a shop of this nature is taught as well as more specialized equipment such as, a power train and gasoline and diesel testing and diagnostic equipment. Many of the students in these mechanical classes work in a related job while attending college.

State funds for Florida county school boards increased over funds allocated last September. Highlands County in September, received \$187,588 as compared to \$184,043 for September 1969 according to the office of Comptroller Fred O. Dickinson, Jr., in Tallahassee.

The increase is based on average daily attendance records for last Fall.

Serdyski Named President Of Avon Park City Council

Don Serdyski was named president of the Avon Park City Council at its reorganizational meeting Thursday, Oct. 1. Jack Duggan was named vice president.

At the meeting Jack Duggan and Durrah Martin, both incumbents, were sworn in along with former councilman, Clarence King.

The council approved a 10 percent across the board salary increase for city employees. In the proposed salary schedule was a proposal to curtail a captain of the fire department. The council deleted this from the schedule until they had time to discuss it at the next regular meeting.

King said there were too many employees at the city hall since the county does the tax collecting. City Clerk Malcolm Crews stated that although some work on taxes

have been reduced there is more work in the water department now. In the last two years the city has added 700 new water meters in the city.

Mayor Barben said he was at the city hall a lot and had not seen anyone standing around. King also objected to the city having a \$120 a week building inspector. He said he didn't think there was that much building going on in the city.

In city attorney, Jack Hancock, reappointed for another two year term, told the council that due to a recent court ruling the utility tax would now apply to fuel oil sales in the city. The tax up to now applied only to telephone, electricity, gas and water in the city.

The new council will meet in the first regular session Monday night.

Simpson To Serve In Mediterranean

Navy Petty Officer Third Class John E. Simpson, son of Mr. and Mrs. D. V. Simpson of 1613 Palm Drive, Avon Park, is scheduled to serve activities that Walker Memorial Hospital will be sponsoring in the Mediterranean in mid-October aboard the amphibious Squadron Eight, the La Salle, which will be involved in various amphibious exercises as well as visit Caribbean ports.

He is married to the former Caris Lee.

Hospital Sponsors Fire Safety Program

Walker Memorial Hospital, Avon Park, sponsored a Fire and Safety program in keeping with National Fire and Safety Week, October 4-10. Dan Sanderford, Assistant Administrator, was on hand to welcome guests in the absence of George Walper, Administrator.

The highlight of the program was the participation of the Avon Park Elementary School children, grades one through four, who had been invited by Walker Memorial Hospital to enter a poster competition on fire and safety. Mr. Brooks, elementary school principal, and the teachers were most co-operative in this endeavor.

An invitation was extended to the parents by the school principal and Walker Memorial Hospital to attend open house in the North Lobby of the hospital where the posters were on display Thursday evening, Oct. 1, between 6:30 and 7:30 P.M. After the proud parents and children viewed the posters, refreshments were served in the dining room of the hospital.

At 7:30 P.M. a distinguished panel of judges, the honorable mayor of Avon Park,

Robert J. Barben, Mr. and Mrs. Ray Wells, of Wells Motor Co., Mr. Durrah Martin, representing the Avon Park Fire Department, and Dr. J. Wesley Osborne, a staff physician of Walker Memorial Hospital, had the difficult task of choosing the five finalists and a grand prize winner.

Several of the parents and children remained to hear the decision of the judges and were delighted that three of the children who remained were students from the winning rooms which were Grade 3—Room 19, Grade 4—Room 20, Grade 4—Room 21, Grade 4—Room 22, and the Grand Prize winner, Basement No. 2.

The winning posters are on display in the window of Touchton's Drug Store, Main Street, Avon Park, during National Fire and Safety Week. All those who did not have the opportunity to view the winning posters at Walker Memorial Hospital will be able to see the splendid art work and original ideas of the children on display at Touchton's.

Another very nice feature of the program was the participation of the students of Highlands Lakes Junior Academy who submitted the theme poster, extending a welcome to all the guests. The poster was not in competition but displayed very original ideas and excellent art work. Mr. Flach, the principal, and the teachers are also to be complimented on the 12 lovely young ladies they chose from the upper grades to serve as hostesses for the occasion.

Miss Kay Dunnaway, Director of Communications and Public Relations of Walker Memorial Hospital, who co-ordinated the Fire and Safety Program, expressed her deep appreciation for the combined efforts of all who gave of their time and talents to make this program a success.

In her expression of appreciation she did not omit the people behind the scenes and feels indebted to the Avon Park Sun, who covered the event, and to radio station WSEB, Sebring, who has invited the winners in the poster competition to appear on "open mike" 12 noon, Oct. 9. Miss Dunnaway further stated that the posters submitted in the competition are a compliment to the principals and teachers of Avon
