Miscellaneous Shower Honors Mrs. Martin

Mrs. Sandra Dixon Martin, recent bride of Kenneth L. Martin, was honored with a miscellaneous shower Friday evening, Oct. 2, at the Florida Power Lounge.

Mrs. Martin was presented with a corsage of yellow carnations upon arrival, by the hostesses. Mrs. Beverly Mann greeted the guests as they arrived between the hours of 7:30-10:30.

Floral arrangements of roses and fern were used at focal points throughout the lounge. Two large yellow bows with green streamers hung from each side of the serving table, covered with a white linen cloth with lace applique. The crystal punch bowl encircled with fern and pastel colored roses, held yellow punch with a floating wedding ring, with green mint colored cherries.

Crystal compotes held nuts and mints, and crystal candelabras with yellow tapers were on either side of the punch bowl. Dainty white cake squares were topped with yellow and green roses.

Mrs. Sandra Greenway and daughter, Lynn, presided at the punch bowl, and Mrs. Edith Dixon and Mrs. Sue Nuzzo served the cake.

Mrs. Gail Dixon assisted Sandra with the opening and displaying of her many lovely gifts, on tables covered with yellow cloths, and centered with a floral umbrella arrangement.

Sandra was presented a vacuum cleaner by the hostesses, who were: Mrs. Sue Nuzzo, Mrs. Sandra Greenway, Mrs. Gail Dixon, Miss Betty Creech, Mrs. Edith Dixon, Mrs. Virginia McKown, Mrs. Linda Elder, Mrs. Beverly Mann, Mrs. Myrtle Pollard, Mrs. Syble Padelford and Mrs. Edna Gentry.

Woman's Club Members Gather For First Fall Meeting

The Woman's Club opened their Fall session of activities Friday, Oct. 2, in their club house. Sixty-four members, including six new members and guests enjoyed the luscious salad bar and desserts which were served at 12 noon.

The Home Life Dept. was in charge with hostesses, Elizabeth Couch, Cynthia Calvert and Daisy Hardy. Miniature green mirrors on which an appropriate poem was attached, which ended in "You don't have to tell how you live, it shows in your face." Mrs. Walter Ost offered the dinner prayer of thanks.

Mrs. Stiles Brown, president, opened the meeting with the creed and pledge of allegiance. New members and guests were then introduced.

Devotions by Mrs. Ost was based on Mathew 25-40, God's promise and blessing.

Mrs. John Hayes, music chairman introduced Mrs. Calven Rogers, who favored the members with two solos, "The Open Country Side" and "Toujour Amour," accompanied on the piano by Mrs. Edna Jackson.

Mrs. Art (Marva) Turner, chairman of the Home Life Department gave an interesting talk on interior decorating. She also spoke on advertising new products yearly in the supermarket, which confuse mothers into trying to make correct decisions. Through a series of questions, she typed each member on personality and spoke of the color scheme most fitting to each, showing samples of materials and colors. She also suggested steps to be taken before shopping for furniture and choosing a color scheme.

During the business meeting reports were read by Mrs. Dorothy Booth, Jr., Mrs. Betty Sparks and Mrs. Louie Reisner gave the library report.

A rummage sale is planned for November 13-14, and members are asked to bring their things to the next meeting, which is November 6.

The Civic and Foreign Affairs Dept. with Mrs. Mervin Rehrer and Mrs. Hugh Dowling as chairmen, will be in charge of the November 6 meeting. The program will feature the two new juvenile counselors, who will give a talk.

An invitation was read from the Sebring club to attend their luncheon. Those wishing to attend must make reservations by October 15, with Mrs. Dorothy Booth, Jr.

THE ABOVE firemen met in Avon Park last weekend to discuss plans for the new State Firemen's Association office and headquarters which will be constructed on US 27, three miles south of Avon Park. The ten acres of land was donated to the association by the city and has now been cleared. As soon as a few details are worked out, construction will begin. Shown in the picture are Lt. Tom Crews, Fort Lauderdale Fire Department and building designer and architect; Mack Flowers, assistant chief, Avon Park Fire Department and building co-ordinator and superintendent; George Tillinchast, assistant chief, Fort Lauderdale and Vice President State Firemen's Association and chairman of the building committee.

Devil "B" Squad Drops Second Game; To Play Here Tonight

Avon Park's "B" squad football team dropped its second straight game last Thursday night in Arcadia when the DeSoto High Bulldog jayvee team took a 20-0 victory from the local boys.

Tonight the Red Devil "Bees" will play their first home game here at Memorial Field starting at 7:30 o'clock with the Sebring "B" string as their opponents.

The Devil jayvee team is coached by Dewayne Lemler and Ed Culbertson and just hasn't jelled this season. The coaches felt the boys looked much improved last week against Arcadia in spite of the lop-sided score and feel that this home game tonight against the junior Streaks will put Avon Park in the win column.

Available for play in the backfield for Avon Park will be Danny Lewis, Anthony Williams, Buddy DeWitt, Walter Kempton, Artie Bass, Lavon Cobb, Bernard Jackson, Marvin Jackson, Glen Boykin, Roy Lamb, Tim Underwood, Tommy Beaver, Donald Dorsey, and Gene Albritton.

At end the coaches will choose from Nathaniel Packer, Bud Wester, Eugene Flowers, Sam Dasher, Jim Wood, Tommy Austin, Bobby Lee, Doyle Gaines, and Richard Minard.

The offensive and defensive lines will be chosen from Ronnie Dick, Tim Dupree, Charles Snelgrove, David Meeks, Andy Prescott, Dale Harvard, Buddy Gordon, Richard Birt, Edward Moses, Nathaniel Williams, Steve Ward, Yale Harvard, Ray Culpepper, Vic Mickunas, Ricky Lanier, Glen Gray, James Walker, Jimmy Carter, Bruce Trescott, Jimmy Hopson, Haywood Batts, Sean Murphy and Billy Sauls.

Avon Park football fans are urged to come out tonight (Thursday) and give the Devil "B" team some support to help them to a big win over Sebring.

The Incas built some 7,000 miles of road, mostly paved, many stone bridges, some suspension bridges, and a few pontoon bridges—long before white man came along.

Cadette Scouts Spend Weekend At Wildwood

Cadette Girl Scouts Bobbie Newton and Jane Eberle spent last weekend at Camp Wildwood, where they participated in the tryouts for Florida Trail Trek '70, a 5-Council opportunity. The weekend was spent backpacking and primitive camping.

Bobbie was selected as one of four girls from the Heart of Florida Council to participate with Jane being named an alternate.

Florida Trail Trek '70 will be held during the Thanksgiving holidays. The girls will hike along a section of the Suwanee River from White Springs to Suwanee Springs on Highway 129.

To be eligible, girls must be a Cadette Scout, in the 8th or 9th grade, and have completed the Camp Craft and Outdoor Safety badges. They will make the hike with a 22-lb. pack which includes all personal and cooking gear and food.

Lions Club News

There were some old reliables missing from the family night dinner last Tuesday at the Lion's Den. Nonetheless, a fine group of Lions and their families enjoyed a dinner with quality and variety of menu that would be hard to beat. Anyone who has not seen Lion Gidden's twins enjoying their dinners has missed a real treat. Here's to bigger and better family nights.

Lion Hughes provided the entertainment for the evening. First, he introduced The Happyettes, who presented a medley of humorous parodies of well known songs topped off by some good old gospel songs. The Happyettes, comprising Miss Cheryl Guerndt, Mrs. Dianne Lemler and Miss Janice Barefield were accompanied by Virgil Mills on his electric guitar.

Last but not least, The Highland Gospelairs rendered a fine program of songs, some old, some new, all of which were in good tune and good taste. This group has been singing for a number of years locally and throughout the Southeast and comprises Mr. and Mrs. R. Dennison, Jr. and Mr. and Mrs. Wilson Smith, accompanied on the piano by Mrs. Trumie Hayes.

On the official side, Lion Bucky Kahn of Sebring, Chairman of the District's Committee on Youth Exchange made an appeal to Avon Park to participate in that program. He gave two alternatives, one which would permit an Avon Park youth to spend the Summer in a private home in a foreign land of his choice and second, the hosting of a youth from other lands in a private home in Avon Park. This is a most worthwhile program, being in principle an extension of the successful people to people program.

Don't forget to keep your eyes open for your Lions Halloween Candy man and hold your calendar of events open for joining others in the chicken barbecue the last of this month.

State Conservation Week Being Observed at Junior College

The Fifth Annual State Conservation Week is being held at South Florida Junior College and Highlands Hammock State Park October 6-9. This event is sponsored by the Florida Conservation Council, a statewide organization for the conservation of all natural resources.

On Tuesday and Wednesday, excursions were planned for Archbold Biological Station, the Brighton Seminole Indian Reservation and Highlands Hammock State Park.

Thursday and Friday on the campus of South Florida Junior College, there will be exhibits by State agencies and various speakers which will include Colonel A. S. Fuillerton, District Engineer, U. S. Army Corps of Engineers and John Maloy, Director of Planning, Central & Southern Florida Flood Control.

Some of the topics being discussed by notable speakers with opposing views are the Cross-Florida Barge Canal, draining the Everglades and flood control of the St. Johns. There will be a dinner Thursday (tonight) night at 7:30 o'clock at the park. Speaker for this event is Nathanial Reed of the Governor's Staff.

Junior College Faculty Attends Leadership Training Session

Larry Hooper (electronics instructor and Gene Statton (voc guidance counselor) at South Florida Junior College are among the 200 students and faculty from Florida attending the Third Annual Florida Advisor and Officer Workshop of the Vocational Industrial Clubs of America (VICA). The Workshop is scheduled at the Langford Hotel in Winter Park, October 16-17.

VICA is a national youth organization for trades, technical, industrial, and health occupations students. More than 86,000 students nationwide are members in VICA clubs in 41 states. The objectives of VICA is to provide opportunities for members to develop leadership, citizenship, and character attitudes and abilities.

The main objective of this Workshop will be train officers for effective leadership within their schools and to plan state and local, civic, educational, and social activities for the 1970-71 school year.

Mr. Hooper is the local advisor and plans to organize a club at SFJC this Fall.

Avon Park Flying Notes

By ELEANOR TRESCOTT

Shirley Gossick made a solo cross-country flight to Charlotte County Airport at Punta Gorda last week.

Lexie Harper of Sebring and a teacher at Avon Park High School started taking flying lessons last week.

Bill Doane and family of Sebring flew to Newman, Ga. Saturday, to the Air Show that was held at that airport.

Students from Lantana, St. Petersburg, Opa Locka, flew into Avon Park airport while on cross-country flights.

Visitors flying into Avon Park came from as far away as Eastman, Ga., others stopping were from Miami, Winter Haven, St. Petersburg and Lakeland.

Word has been received from Miles Haisten of the U. S. Air Force stationed now in Germany. While stationed here in Avon Park he was one of the airport "bums." H says it is getting cold in Germany and that he misses the Florida sunshine.

Another session of ground school will be getting underway in another few weeks. If you are interested this might be a good time to sign up.

If you enjoy reading about flying and flyers, there is in the October edition of Reader's Digest, a condensation of the autobiography of Madame Auriol of France, one of the greatest test pilots of her country. Her story is entitled "I Live to Fly."

County Asks For Bids On Steel Piling

Highlands County Commissioners Tuesday voted to advertise for bids on steel piling for construction of a weir to control the water level in Lake Placid.

The level would be set at 93 feet above mean sea level.

The board, in other actions:

—Agreed to aid in the formation of a mental health satellite center in Highlands County.

—Heard a report that fire control in the county last year cost $93,455 of which the county's share was $8,900.

—Agreed to advertise for seven pickup trucks and a self propelled cement mixer.

—Voted to allow Veterans Services Officer Harvey Roberts to attend a convention in St. Petersburg, Oct. 14-16, and Purchasing Agent Gene Hamlin to attend a convention in Sarasota October 16 and 17.

—Awarded a contract to Alco Helicopter Inc. of Avon Park for the spraying of 150 acres of hyacinths at a cost of $18.60 per acre. The exact acreage to be treated will be determined before a purchase order is issued.

Parents Invited Eat Lunch At Schools

Parents will be invited to eat lunch at all schools next week as Highlands County lunchrooms join in the observance of National School Lunch Week, Oct. 12-15.

A type A lunch is defined by the state Department of Education as providing one-third of the recommended daily diet needs of children in the nine to 12-year-old age range.

It contains at least one-half pint of milk, at least two ounces of protein rich food (meat, fish, poultry or cheese), three-fourths cup serving of two or more vegetables or fruits or both, a serving of bread, two teaspoons of butter or margarine. Lunchroom workers are instructed to serve larger portions to teenagers, particularly the boys.

In Highlands County the daily menus contain freshly baked goods — breads and rolls as well as cakes or cobblers.

Elementary children pay 35 cents per lunch, high school students 40 cents. Teachers and other adults pay 50 cents when they eat in the school lunchroom.

Provision is made for children from low income families to pay at reduced rates or receive free lunches.

Highlands County Food Service Association is the organization of the school lunchroom workers. Mrs. Elizabeth True of Lake Placid is president this year.

Homer Bible, general supervisor for Highlands County Schools and lunchroom director, is always quick to point out that the Highlands County workers are professionals with a high degree of competence and pride in their work.

All the workers have had some special training. The rate of turnover among the workers is low — some having been on the job almost 20 years. A food service association member estimated the average time the lunchroom worker has been on the job is "eight to 10 years."

The Florida food menu suggested this year calls for serving beefburgers, chilled orange juice, sliced tomato and lettuce salad, celery sticks, whole kernel corn, gingerbread with lemon sauce and milk.

The Food Service Association has that down for Tuesday. Wednesday is designated national menu day with chicken, green peas, cole slaw, oatmeal raisin cookies, biscuits and butter, cranberry jelly and milk.

The chap who says "What's the use?" is never the engine, always the caboose.

"Spirit" of The Junior Women Gives Some Halloween Tips

Hello, people, here I am again with some "goodies" pertaining to that most wonderful season, Halloween. In case you missed me last week, I am the SPIRIT of the Junior Woman's Club, and a special "guest" writer of this newspaper for the month of October.

Speaking of those dear girls, the Junior Women, have you heard about their "home made" mask contest that took place at their meeting last Tuesday night?

Your Halloween costumes will be complete with an unusual mask—you can easily make one and have fun wearing it. A few suggestions for mask material are shoe boxes, egg cartons, tissue boxes, paper bags, oatmeal boxes, and aluminum foil. Foil is a good mask for "safety"—it reflects street and car lights.

Making masks is lively entertainment for all ages, any time of the year, but especially so at Halloween. Save those masks, too, they provide hours of fun for children's "dress up" play on rainy days.

A big, bold mask is also an unexpected and cheerful gift for any sick-in-bed youngster.

The kind of mask you create is up to your imagination—a scary one—a favorite storybook character, an animal . . . there are no end of funny masks to make—and enjoy doing so!

You customers of the Avon Citrus Bank are getting an extra "treat" in your statements during the month of October, a remainder about the Halloween festivities. Our thanks to the bank—place your confidence (and your money!) there! We did, and we do—and we appreciate their help!

Why don't you give dear ol dad a little gift for Halloween. A scarcrow whiskbroom would be ideal. Use whisk broom ten inches long. Divide bristles into two leg sections with rubber bands. Cut two strips of blue denim, wrap around legs, staple ends together. Slip piece of bandana handkerchief around neck. For hat, use pants material, fray edges, cut hole in center, slip over top of whisk broom, and staple in place. For arms, slip pipe cleaners through bristles, shape like arms. I bet dad will be pleased!

Speaking of brooms, would you believe you can achieve some figure witchery and slim with your broomstick, ladies???

Here are a few riddles for you:

What did the one Halloween ghost say when he met the other Halloween ghost? I see right through you!

Why does a Halloween witch ride a broom?—so she can sweep the sky.

What did the old lady witch say to the twin girl witches?—which witch is which?

And I leave you with this thought for the day: Do not spook if you are spoken to.

Especially for boy spooks who keep abreast of the times, how about a rocketship costume. A striped pillowcase lends itself best to flying around in space, or landing on the moon. Make neckline and armhole slits as above. Paste the letters N-A-S-A down the front of the pillowcase. A space "helmet" cut from felt (or a large, colored poster) will give the costume an authentic (just cut a hole the size of the wearer's face in the helmet). Look. All the rocket thrust that's needed will be amply provided by youthful energy.

The child's costume is one of the major ingredients to ensure better vision for both child and motorist on Halloween, therefore, well-fitting masks, light-colored costumes, flashlights, and extreme caution on the part of both children and motorists will make a safer Halloween.

A white-sheeted ghost is the most visible costume, and also the safest, if the eye holes do not block the ghost's vision. The sheeted figure is also an easy one to make as a costume.

Parents should have their child try on the masks for proper fit. A poorly fitting mask can slip out of position and block the child's view. If a child cannot watch his step, he can easily trip over objects, step in a hole, or off a step or curb.

It is best for children to be instructed to carry their masks while walking, putting them back on only after they have reached the door of the next house—it is not as hot for the wearer this way, either.

Another safety measure for Halloween costumes is the flashlight. The flashlight should become part of all costumes, especially for the smaller goblins. Youngsters obtain extra excitement from carrying it, too.

That's all for this first Bewitching item, but I, for one, can't wait for October 31st. I can't wait for 3:30 P.M. that afternoon, and all the fun thereafter. Halloween is my night to howl and I plant to do it, too!

Florida Cattle Will Be Free Of Bang's Disease By January

Florida will be modified free of Bang's disease (brucellosis) in cattle by January 1, Dr. Clarence L. Campbell, state veterinarian, told the Animal Industry Technical Council today.

Dr. Campbell said Highlands County was declared modified-certified free of brucellosis only two days ago, and that Hillsborough, Hardee and Polk Counties will achieve that status by the end of the year. Hillsborough has only six herds of cattle left to be tested.

Dr. John Healy, federal veterinarian for Florida, stressed the importance of maintaining identification of cattle which prove to be reactors to brucellosis tests. He said the state should give Dr. Campbell's division authority to trace animals to stamp out the disease.

Dr. Healy also said that effective October 9, all cattle over two years of age moving interstate for slaughter must have back tags or ear tags as identification. "This will facilitate tracing diseased animals to their point of origin," he explained.

The federal ruling will exempt officially branded cattle.

The ban on importing swine from Alabama is still in effect because Covington County, just North of the Florida line near Crestview, is still under quarantine for hog cholera, Dr. Campbell said. Five cases of cholera were found in Covington County. The state forbade shipments of hogs except for slaughter to designated plants.

Dr. Campbell said Florida's quarantine of the U.S. Department of Agriculture's import quarantine station has led to adoption of emergency provisions that imported animals must be free of disease before they are permitted into the United States. Seven horses recently imported from the Dominican Republic were found to have equine piroplasmosis after the state quarantined the import section.

The seven horses were sent back to Santo Domingo last week.

Although an effective test has been developed for the two strains of the disease by state of Florida and federal personnel involved no effective therapy has been found for one of the two strains.

Dr. Campbell also discussed the difficulty of filling 39 new inspection positions because of low pay scales and a widening differential between state and federal salary levels. The technical council went on record as asking the Florida agricultural Advisory Council and Commissioner of Agriculture Doyle Conner to provide adequate funds on an emergency basis to improve state pay scales.

Veterinarians tested 669,228 cattle and 5,088 swine for Brucellosis (Bang's Disease) during the two-year period which ended June 30, Commissioner of Agriculture Doyle Conner said today.

In a report from the Division of Animal Industry in the Department of Agriculture and Consumer Services, it was pointed out that 269,193 cattle were tested for Brucellosis during 1968-69 and 400,135 in 1969-70.

Dr. Clarence L. Campbell, division director and state veterinarian, said the big increase last year over the previous year in Brucellosis testing in cattle was because litigation contesting Florida's police power was settled in the courts. The U.S. Supreme Court upheld the state's power to test.

Swine tested included 2,325 in 1968-69 and 2,763 in 1969-70.

Veterinarians also vaccinated 136,243 calves in 1968-69 and 120,945 in 1969-70 for Brucellosis and tested 99,606 cattle in 1968-69 for Tuberculosis and 119,619 in 1969-70. For the two-year period, 2.26 percent of cattle were found infected with Brucellosis, 3.29 percent of swine infected with Brucellosis, and one-fourth of one per cent of cattle infected with Tuberculosis.

Floating Weed

Small air bladders which look like berries attached by stalks to the stem of the gulf-weed make the sargassum very buoyant. Huge areas of the weed drift slowly in an enormous eddy in the Atlantic Ocean to make the so-called Sargasso Sea.

College and Student Government Will Co-Host Children's Workshop

South Florida Junior College and The Student Government Association, a student voluntary organization, will be co-host of a one day workshop on disadvantage children, October 8. The workshop will begin at one o'clock and run to 6 P.M.

This workshop on South Florida Junior College campus in Avon Park will present and deal with such concepts as "programs which need volunteers" and "helping disadvantage children," according to Alexandra Lotz, a student concern regional developer for the area encompassing South Florida Junior College.

On hand to further enhance the workshop will be Don Steger, former director of Tampa's intensive tutorial program, Mrs. Frank Freshower, assistant professor of reading, University of Tampa, along with Mrs. Dan Walsh, child psychologist and Gary Yellin.

It is hoped that this workshop will encourage and prepare student volunteers to work more effectively with disadvantage children.

All interested community persons are invited to attend.

Taxes Show Business Was Good In County

Business was better in Highlands County this past Summer than in the Summer of 1969, state tax collections indicate.

August sales tax collections were up 10.31 per cent this year over last, while the statewide increase was only 7.10 per cent.

Collections for August 1970 in Highlands County were $133,596.29 as compared to $121,113.29 for August of 1969. Collections for August were less than July's $151,226.28, and county folks took off on vacations.

Gasoline tax collections showed an increase—and reflected June as being a better business month than July. Tax collections for July of 1970 totaled $91,756.63 as compared to June's $103,706.89 but were better than July of 1969 which totaled $86,355.28.

1971. Chrysler comes through for you.

Chrysler New Yorker

You're looking for a new car.
The best car possible. For your needs. For your budget. For all the living you do.
The 1971 Chryslers are coming through. With advanced styling. With new ideas.
With value.

Styled for comfort as well as looks.

Advanced fuselage styling. We pioneered it.
It makes a car look designed, instead of simply pieced together.
But it's not just a styling innovation. It gives Chrysler more room inside, too.
In fact, last year's Chrysler had the biggest interior in America.
This year, Chrysler will *again* have the roomiest interior in its class.

It just could be the most luxurious, too. With new high-back seats on many models. And extra-thick foam-padded cushions.

Coming through for you with three important new options.

This year we offer more options than ever before. Including some of the newest available anywhere.
An AM/FM Stereo Cassette Tape Player available with a microphone. You can listen. You can record. You can even record directly from the radio.
There's also an electric sun roof. Available on all 2-door hardtops.
And a headlamp washer to keep your lamps clean all the time. It not only rinses, but also scrubs with special brushes. Available on Imperial.

Torsion-Quiet Ride. No one else offers it.

Torsion-bar suspension means you don't have to fight a Chrysler through turns. It doesn't lunge around corners. You're in control. All the way.

The solid Unibody is welded together. There are no body bolts to work free and rattle after a year or so of driving.
And the Sound Isolation System keeps road noise outside of the passenger compartment.
A Torsion-Quiet Ride. The ideal balance of control, stability and quietness. And only Chrysler-built cars have it.

You can own a 440 V-8 and still buy regular gas.

The biggest engine we've ever made. Now it runs on regular. You get the power of a big engine. Without paying a premium. And you can use one of the new low-lead gasolines.
Chrysler's coming through. For you.
And for all the living you do.

Chrysler. Engineered and built with extra care.

LEADERS FOR THE ANNUAL Highlands Association for Children Under Six workshop were (left to right) HACUS President Mrs. Kay Whitcomb of Avon Park, Dr. Betty Rowen of University of Miami, and Mrs. Molly Huber of Sebring's First United Methodist Church kindergarten and program chairman for the October 3 sessions at Woodlawn Elementary School.—HACUS photo.

Highlands Association for Children Under Six Holds Workshop

The world has become so big and complex that children do not just "naturally grow up." Specialists in early childhood development are giving more weight to the pressures of environment and the importance of adults helping children make sense out of the masses of information bombarding them.

Dr. Betty Rowen of University of Miami and a nationally recognized leader in early childhood education told the participants in the annual Highlands Association for Children Under Six workshop that today's children are overwhelmed with facts from virtually the moment of birth, but "readiness to learn doesn't just happen; it has to be cultivated."

The workshop for nursery school, kindergarten and day care center workers in Highlands and Hardee counties was held at Woodlawn Elementary School on Oct. 3.

Mrs. Barbara Heilig, speech therapist with Highlands County schools, presented a program on language development. Mrs. Mary Ann Reddick of Avon Elementary, presented a paper on visual motor preception.

White House Conference

Dr. Rowen will be a resource leader for the White House Conference on children scheduled for December. She will lead the session on, "Emergence of Identity in the First Six Years."

In her address here Dr. Rowen said, "Feelings of identity are very important, but they are hard to come by. A child used to live in a world of home and neighborhood with his circle of understanding and knowledge gradually expanding. Today he is bombarded with knowledge and the teacher must help him make sense out of this complex environment."

Dr. Rowen said child specialists — like Gesell and Dr. Benjamin Spock — have placed too much emphasis on heredity with a faith that a child would just naturally mature. J. McVee Hunt is the researcher who is emerging as a leader in the newer approach which takes into account the environment.

Dr. Rowen said the creative teacher is who helps the child make sense out of this world — takes childish comments seriously and builds on them. She said that while the "hands off" policy advocated by Dr. Spock is now recognized as being erroneous, the creative teacher does recognize that a child needs to be alone sometimes."

The workshop was sponsored jointly by HACUS, Florida Association for Children Under Six and the state Division of Family Services. Mrs. Molly Huber of First United Methodist Church kindergarten was program chairman.

The next meeting of HACUS will be November 17 at First Christian Church.

Eckerd Makes Over Million On Election Day

CLEARWATER—Jack Eckerd made more than a million dollars on election day, enough to pay for his entire campaign, but he'll never see most of it.

Eckerd Corporation stock rose from $27.50 to 28 a share on September 29.

And Eckerd owns 2.2 million shares.

That gives him a one-day profit of $1.1 million, almost exactly the amount of his own money that he invested in his race for governor.

Eckerd won't see the profits, however, because late last year he put 90 per cent of his personal stock in trust under a unique stock option plan designed to benefit every one of his thousands of employees.

Under the plan, two million shares of the stock owned personally by Eckerd will be sold to employees over the next 10 years at the market price of the stock on the day in late December, 1969, when the trust and stock option plan was created.

Church To Get New P.A. System

The Woman's Society of Christian Service met Tuesday morning at 9:30 in Wesley Hall. The meeting was opened by the President, Mrs. Clifford Smith.

Devotions were given by Mrs. W. A. Tregea.

Mrs. Ruth Robinson gave a report on the Workshop held in Wauchula. Eight women attended this workshop.

A motion was made and carried to have a P.A. system installed in Wesley Hall.

A bazaar will be held December 5, at 9 A.M.

Mrs. Anthony Rutz was in charge of the program, with her subject on retirement — "Boom or Bore."

Mrs. Edna Henderson, spoke on Pink Ladies; Mrs. Belle Martin's subject was "Busy Bees"; Mrs. Charles Shepherd, gave an interesting talk on Noah's Ark, and the Ridge Area Day School. Mrs. Solveig Gerrard's talk on "Youth Work" was well received.

Church To Hold Rummage Sale

The Episcopal Church Women, of Avon Park are sponsoring a three day rummage sale, to be held in the parish house of the Church of the Redeemer at the corner of North Verona and E. Pleasant Streets.

The sale starts on Thursday, Oct. 8 from 1 to 5 P.M.; Friday from 7:30 A.M. to 5 P.M. and on Saturday from 7:30 to 1 P.M.

Mrs. Rena Smith, chairman, has a large quantity of material, consisting of clothes, dishes and furniture all at very reasonable prices. It will be well worth a visit. Few will leave without some bargains.

Hobbies are important. Henry Ford started building cars as a hobby, and Wright Brothers experimented with airplanes in spare time.

Stacey Sharpe Observes 12th Birthday

Miss Stacey Sharpe celebrated her 12th birthday October 2, with a visit to her aunt and uncle's ranch, Mr. and Mrs. W. E. McCullough.

Stacey and a group of friends enjoyed riding horses Friday afternoon and had a hot dog cookout with all the trimmings. Friday night they played numerous games and told ghost stories until the wee hours of the morning, then sacked out.

Saturday morning they also rode horses and had a picnic lunch.

On Saturday afternoon Stacey had a dinner out in Lakeland, with her family, Mr. and Mrs. Ed Sharpe.

Church Women Will Meet Wednesday

The Episcopal Church Women of Avon Park will meet for the regular monthly meeting on Wednesday, October 14, in the parish house of the Church of the Redeemer, after the mid-week Communion Service. After a short "coffee" the business meeting will start at 10:30 A.M.

Mrs. Burton Ostling, program chairman, has a delightful program planned, after the business meeting. Remembering her previous programs, members will not want to miss this meeting. All members should make a very special effort to attend.

Annual Homecoming Scheduled For Fellowship Baptist Church

Annual Homecoming is scheduled Sunday at Fellowship Baptist Church, 1000 Thomas Street in Avon Park, with dinner-on-the-grounds and an afternoon of gospel singing.

Dinner will be served at the church promptly at 12:15 P.M., following the morning service. The gospel singing will get under way at 1:30 P.M. Plenty of congregational singing will be featured, to gther with special numbers by a choral group from Avon Park Correctional Institution, the Highlands Gospelaires Quartet, the Happyettes, the Fellowship Baptist Church gospel choir, and other groups which may attend.

The public is cordially invited to come and participate in the gospel singing which will be held from 1:30 to 3:30 P.M.

Regular services Sunday at Fellowship Church will include Sunday School at 9:45 A.M., morning worship at 7:30 P.M.

Preacher for this Sunday's services will be Brother Jackson Cannon of Fort Meade. Mr. Cannon has preached previously at Fellowship Church, and is a licensed Southern Baptist minister.

The church has set a goal of 100 for Sunday School this Sunday. Last Sunday's total attendance was 82, with three classes registering a grade of 100 percent in both attendance and grade.

Those without a church home are urged to visit Fellowship Church this Sunday for all services.

By DAVE LLEWELLYN

Have you ever felt unwanted?

Like when four of your friends meet to play bridge, or tennis doubles, or golf — and you are the fifth person?

Or when you walk in on a whispered conversation between your wife and the woman next door? Or when you walk into a kaffee klatsch and everyone stops talking?

There are other times, though, when you feel even more unwanted, aren't there? Like when you put a $200 dent in the side of the car by careless driving.

Yet you could feel still more unwanted — you could feel absolutely condemned.

Like when your wife finds out you have lied to her. Or when your husband discovers that you are having an affair.

Feelings of Guilt

You don't have to be a convicted criminal to feel like everybody wishes you'd get lost.

It's difficult to live happily and productively under such social pressure. Yet this pressure is not the worst most people face.

The worst is not from outside, but from within. The unwantedness most people feel worst is self-condemnation.

We feel guilty.

Many psychologists consider guilt feelings the most destructive force in contemporary society.

Well, God has good news.

"If any man is in Christ, he is a new creature: the old things have passed away. Behold, new things have come. Now all these things are from God, Who reconciled us to Himself through Christ . . .

"God was in Christ, reconciling the world to Himself, not counting their trespasses against them."

Nothing you can do can get rid of guilt, it's true. Yet guilt can be gone!

God has done something to get rid of your guilt for you! He has provided reconciliation.

Reconciliation means a settlement of differences—the restoration of harmony, the regaining of friendship.

Where is this reconciliation to be found? In Christ. God has moved, in Christ, far beyond a simple pardon. He has provided righteousness.

No Condemnation

God can make you righteous. No more self-condemnation. No more guilt.

Why am I telling you this?

Because "God has committed to us (Christians) the message of reconciliation."

If you want to know what psychological and spiritual freedom is like, go ask a Christian. He is guiltless. "There is therefore now no condemnation to those who are in Christ Jesus."

Unfortunately, some Christians have never discovered this thrilling, tension-relieving truth. They have not realized in practice that "the law of the spirit of life in Christ Jesus has set you free from the law of sin and death."

But find one who has found this freedom. He will be happy to tell you his experience and explain to you how it can be yours.

In a word, it is reconciliation. to God is the only sure way to renew harmony within our whole society.

"We (Christians) are ambassadors for Christ. As though God were entreating you through us, we beg you, on behalf of Christ, be reconciled to God."

NOAH'S ARK number one meets at Lakeside Park Housing Development. A program for the four and five year olds is provided, under the direction of Mrs. Rosa Lee. Classes at South Florida Junior College, under the leadership of Mrs. Sue Brown, instructor, will use the Day Care Center at the Housing Project for a laboratory learning approach to child care and early childhood education.

THE CHLDREN pictured in Noah's Ark Day Care Center are cared for daily in the St. Mark's Baptist Church annex. A program for three, and four year olds is under the direction of Mrs. Shellie Adams.

Bad news for crooks.

And good news for all you honest folks.

We're going to put your picture on the back of your BankAmericard. In color. For free.

Then if it's stolen, or you lose it, only a dummy would try to use it.

Because nobody has a face like yours.

And just think what a convenience it will be for identification purposes, when you're in one of those situations where you need to prove you're on the up and up.

When you come to the bank to get your picture made, it'll take just a couple of minutes.

Then you can go right on using your old card until you receive your new one in the mail.

If we sent you a BankAmericard you never used, or you have never applied for one because you were leery of it falling into the wrong hands, maybe now you'd like to have one.

BankAmericard. Now it's safer than anything.

Because a lot of people can forge a signature. But nobody can fake a face.

Avon Mobile Home Park News
By RUTH E. ROBINSON

Welcome home to recent arrivals: Mrs. LaRue Longanecker returned last week and promptly drove to Ocoee for a few days visit with her son and his wife, Donald and Martha Longanecker. While there, they attended the third season of "Orlando Presents" at Eola Park in Orlando on Sunday evening. Music of yesteryears from the sound of the big band era was received with enthusiasm by the audience. A style show was presented by Pat Flesher with her models wearing the mini, the knee-length, the midi and the maxi. She said, "don't be uptight," you can enjoy them all to suit you." LaRrue returned from Ocoee on Monday morning very contented to relax at home.

Mrs. Bea Tingler visited in upper peninsula, Mich. with her friends, lower peninsula with her sister and brother-in-law, Indiana and Toledo, Ohio with her daughter. She too is happy to be back in Florida.

Mr. and Mrs. Harry (Katherine) Jordan returned from a warm Summer vacation at their place in Hendersonville, N. C. on Tuesday.

Mr. and Mrs. Robert McBeth are glad to be here with all the good friends in the park.

Mr. and Mrs. Bland Nieukirk celebrated their 55th wedding anniversary on October 2, with a dinner out accompanied by Mrs. Mildred Timberg and Mrs. Ella Roenneberg. We are pleased to have them back with us, after their trip north.

Best wishes are sent to Mrs. Bess Raas for a recovery from her recent illness. She would like to receive cards and letters from her friends at: c/o W. N. Dahl, 324 South Hyland, Juneau, Wis. 53039

Mr. and Mrs. Lewis Becker drove to Deland for the weekend to visit with their daughter, Geraldine and her family.

A safe and happy trip is wished to Mr. and Mrs. Arthur Fouty on Thursday, when they are flying to Springfield, Ill, for a reunion with their family on Saturday. Their return will be on next Tuesday.

Mr. and Mrs. Robert Duthie are taking a trip to Jacksonville for a visit with Lucille's sister, Mrs. Blanche Dunlap for a day. Bob's sister, and her husband, Mr. and Mrs. Don Easley from Lakeland visited with the Duthie's on last Thursday and a short trip on Sunday afternoon to Disney World was enjoyable to Lucille and Bob.

Word was received from the Floyd Stevens stating that they are feeling fine and are planning to return soon. Mr. and Mrs. Herman Young are returning sometime this month.

Mr. and Mrs. Walter Condy and Mr. and Mrs. Ora Myers enjoyed visiting at Rainbow Springs last week. They saw the rodeo, beautiful gardens and rode on the Rainbow Queen, a glass bottom boat.

Mr. and Mrs. Lawrence Robinson entertained their friends from Fedhaven, Mr. and Mrs. Julius Converse on Sunday afternoon. The Converses just returned from their home town in Aurora, Ohio and a trip through the Amish country in Pennsylvania.

The shuffleers are out on the courts every night that the weather permits, getting more skilled by the game. Movies shown last week were "Going Fishing" and "Teton Trails," and "Wyoming."

Shuffling

Eight courts were filled with eager players on Wednesday evening, and Judy Kerr managed the tournament. Dorothy Wilde and Clay Kull won in the main event with Ruth Jordan and Blaine Kerr the runners-up. Consolation winners were Chris Steen and Sarah Kerr over Chris Cabezas and Lillian Seeger.

Ten courts were in play on Saturday evening, and they just finished before it rained, although it didn't rain very much. Clay Kull and Chester Seeger won over Bob McBeth and Grace Romilly. In consolation the winners were Doc Fields and Merrill Wilmot over Martha McBeth and Art Jordan.

Card Games

High scores in pinochle on Monday afternoon went to Al Storandt and Loretta Simpson with 670 and 658. Four tables were in play.

Dances

While the shufflers have been returning from their stay in the North, the dancers have not returned yet, so the same square and a half dance every Monday and Friday evenings.

Supper

Fourteen sat down to a very good meal on Saturday evening. Fred Robinson asked the blessing. After which all scattered to their various activities.

News of the Week

Herman Wurster had a chance to drive to Clearfield, Iowa this week, so away he went. He will be gone just a week or so.

Harry and Dorothy Wilde are here in their new home on East Charles St. They spent the Summer in their home at Land O'Lakes, Wis.

Bob and Martha McBeth are at home in their Mobile Home here after the Summer spent in Ohio.

Fred Hughes has returned after his Summer in Clearfield, Pa.

We now have 50 members since October 1. Of these, three are new: Marian Todd of New York City. She now lives at the Jacaranda Hotel, and comes here from Miami; also Kern and Dorothy Bond of Fairbond, Ohio.

Ethel Kime has entered Walker Memorial Hospital for observation.

Tim Fisher Attends Scout Council Day

Tim Fisher recently attended a meeting of the Girl Scout Council Day Camp committee at Camp Keegan, Dundee. Purpose of the meeting was to evaluate the Day Camps held throughout the Council last Summer. Highlands County held the largest camp within the Council.

A 23 percent increase in girls attending the Day Camps was noted in 1970, over the Summer of 1969.

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nations large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1/3 the price of a modest suburban house a family can buy a 12'x60', air conditioned mobile home with two bedrooms, a comfortable living room and a well gadgeted kitchen. Thus equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their instant communities offer an answer to the problems of the urban pressure cooker. Democrats To Gather At Hammock

Highlands County Democrats will gather at Highlands Hammock State Park next Wednesday for a huge free fish fry and political rally.

Heading the list of candidates who will speak is Walkin' Lawton Chiles, running for U. S. Senator. All other state candidates have been contacted and acceptances have been coming in. Public Service Commission candidate Tom O'Malley will be paying his first visit to this county.

County candidates James G. Creel and Norman "Jug" Heston for County Commission and E. Ray Wells for school board member will speak.

Mrs. Edna Pearce Lockett, county Democratic chairman, will emcee the rally and is chairman. Festivities, including music by the APCI band, will start at 6 P.M. in the picnic area at the park. D. O. Collier will be the chef and the fish will be served with hushpuppies, swamp cabbage and cold drinks.

The president of the Young Democrats of Florida, Phil Abrams, of Miami will be present. Highlands County Young Democrats are being organized and will be introduced.

"There has been a great deal of enthusiam shown by our younger Democrats," said Mrs. Lockett.

Present office holders in the county and former office holders will be introduced.

This is the second big rally of revitalized Highlands County Democrats to be held within a month. The last rally, a free barbecue, was held September 26 at the old Ft. Basinger schoolhouse and drew a crowd of more than 600 persons.

On the committee working for the fish fry with Mrs. Lockett are Mrs. Mary McGee, state Democratic committeewoman, Carroll Payne, state Democratic committeeman, Harvey and Betty Roberts, C. Wesley Ward, Robert L. Rice, Mel Bass, Mayme Page, Sophy Mitchell, Jim Pyle, Don Deadwyler, Mrs. Carroll Payne and Jim Whitehouse.

Circuit Court Clerk Earl Rich will introduce former office holders. Tax Collector W. H. Prescott will present present office holders.

MISS DEBBI SCOTT, 16-year-old junior of Avon Park High School, who "wants to do something to help other people," wears the crown, as our new 1970-71 "Miss Flame."

Debbi Scott Wins "Miss Flame" Contest In Competition Sat. Night

In a setting fit for any queen, Miss Debbi Scott, sixteen year old daughter of Mr. and Mrs. A. Russell Scott, of 86 East Bell St., was crowned the 1970-71 Miss Flame, Saturday night, Oct. 10, at the High School Auditorium.

Debbi, a high school Junior, is a majorette with our high school "Grenadier Band", and wants to "do something to help other people."

The stage of the High School auditorium was beautiful with palms, foliage and a silver throne, where our retiring Miss Flame, lovely Celia Elder, in a yellow chiffon gown, overlaid with lace, and two lovely flower girls, Miss Debbie Flowers and Miss Laurie Rehrer, in pink gowns, sat through the contest, with bouquets of red carnations and roses.

The master of ceremonies was Charles Esposito and the organist was Trumie Hayes.

Before the contest got underway Trumie Hayes played some lively tunes, which was enjoyed by the large attendance.

The judges had a tough time deciding who the winners would be, (all of the girls were so lovely). The judges were: Mrs. Charles Bryan, owner and manager of the "Sewing Nook", Wauchula Plaza; Mr. Ben Carlton, Psychiatric Social Worker and Mr. Jimmy Hanchey, of "Hanchey's Carpets," all of Wauchula.

All 19 girls were brought out, by number only and each girl walked across the stage to lovely music, (played by Trumie Hayes), and did some turns before the judges and "Miss Flame." The "hobbies' 'and future plans of each contestant was read as she crossed the stage.

Fourteen girls were called back out of the 19, then seven girls were called back, out of 14, then the second runner-up, first runner-up, and "Miss Flame" was picked out of the seven. With winners, already chosen and listed on cards, all the girls were called back by name and the names of their parents were given.

The girls, in order of appearance were: Miss Laura Camp, 16, a senior, sponsored by the Avon Park Motor Company, was lovely in a long sleeve pink gown.

Sandy Weaver, 16, a junior, sponsored by Avon Shoe Shop, was ravishing in an orange gown with ruffles in the back.

Council Agrees To Hire One More Fireman

The Avon Park City Council met Monday in the first regular session of the fiscal year with one of the biggest audiences in over a year.

John S. Endwright appeared before the council and asked for avariance to build a utility building at the back of his property. He had previously asked the zoning board but was refused.

Councilman Martin, who is a member of the zoning board explained that the board had refused the request because others would be asking for the same and it would not be fair for one and not for all.

Marshall Davis, whose property joins Endwright's said the building would look better in the back than in the center of the lot where the zoning board said he could build the building.

Duggan suggested that all the councilmen go by and look at the site and make a decision at the next meeting.

Mrs. Eugene Hise, representing the Business and Professional Woman's Club said they were on record as favoring restoring the bandstand on the mall in front of Touchton's Drugs.

Some contractors have looked at the bandstand and estimate to restore it would run in the neighborhood of $4,000.

Harve Olsen of the Florida Bureau of Alcoholic Rehabilitation, told the council that he represented the Half-Way Houses and they have funds available from the state to train workers for Half-Way Houses but the state will not release funds to non-profit organiartions. Olsen said he needed a governmental agency to receive the funds. He requested the city to ask as fiscal agent the transmission of these funds.

Olsen was requested to present all the information to City Clerk Crews and the council would make a study of it and make a decision later.

The council placed on first and second reading an ordinance which appealed an old city ordinance which prohibited the sale of packaged alcohol in the city.

The action came as a result of the state repealing its election day laws. Mrs. Lena Wright and Mrs. Prescott were at the meeting in support of the ordinance.

The council passed an ordinance changing Morning Sun Manor from commercial one to residential one zoning.

City Attorney Jack Hancock told the council that the attorney for EDCE Enterprises had said it would be lengthy and cumbersome to negotiate with the council in an open meeting and suggested that a representative of the council meet with him and Hopps to negotiate a settlement to be approved or disaproved by the council.

The city sold the building, which was Hillcrest Nursing Home for $750. Now the firm said they would deed the property back to the city for $5,000. The city has filed suit to regain the property since the nursing home has built their new building near the hospital.

The council agreed to deed two and one-half acres of abandoned clay pit to Highlands County provided they pass a resolution saying they

Coca Cola Company to Build 200 Unit Housing Project

Minute Maid Foods division of Coca Cola Co. is getting ready to implement plans for improved housing for their agricultural workers in the Avon Park area.

According to William Kelly, who heads the program, work was begun on the plan more than a year ago and at present architects are completing developmental plans.

Kelly said a community of homes is being planned for Avon Park as a part of the agricultural labor program of the company. Kelly was brought to Highlands County from the company's Houston office to head up the program.

He said Coca Cola wished to make it possible for grove workers and some migrant laborers to be able to own their own homes or to have the opportunity to live in better rental homes.

King Helie and Walter H. Kuhrt appeared before the Avon Park City Council Monday night to ask the council about the possibility of tieing on to the city water and sewer for the project.

Helie and Kuhrt represent Schweizer and Associates and have been hired by Coca Cola Co. to conduct a survey of the feasibility of tapping into the city water and sewer.

The company is expected to build between 100 and 200 dwellings in the Avon Park area, just off 17A. Kelly was in Avon Park visiting Noah's Ark day care center and said they expected to set up a similar program for their workers.

Speaking on the homes, Kelly said Minute Maid would make it possible for employees to purchase these homes at rates within their incomes. He said however, that home ownership was only part of the overall plan to improve the life style of the agricultural employees. The company will also supply the talent and the financial aid to begin a social and recreational facility, which they hope the residents will want to eventually administer themselves.

In discussing the TV exposure last June of the migrant facilities at Minute Maid quarters, Kelly said the timing was unfortunate. It makes it appear that we have been pressured into our new housing program. This isn't the case. We have been working on this program for almost a year and would have carried it out regardless of the TV publicity.

Kelly went on to say that the company is already in the midst of a comprehensive remodelling program at the labor dormitories at the present quarters. "We're spending a great deal of money there and feel that the present facilities for migrant workers at Minute Maid quarters will be greatly enhanced."

In the near future, company officials and architects will meet with residents and employees in the Avon Park area and present the program to the workers.

AVON PARK'S Mayor, Robert Barben, is shown signing the proclamation declaring the month of October as CLEAN UP—GREEN UP. George Haynie representing the Avon Park Chamber of Commerce and Bill Owens on behalf of the Avon Park Kiwanis Club join in with city officials in asking all civic clubs, churches and organizations to cooperate in promoting the planting of trees, flowers and shrubs along with cleaning up vacant lots. Citizens are urged to get rid of those old cars, that are not in use, and clean up in eye sores that might exist in the city.

Red Devils Defeat Wauchula To Meet Punta Gorda Friday

Avon Park's Red Devil varsity spotted Wauchula 13 points last Friday night and then came back slowly to win in the last minute of play on a 30-yard field goal kicked by junior quarterback and defensive safety back Don Sisemore. Walter Nunnaller held the ball on the all important kick which came with only 32 seconds left in the game. The final score was 15-13 and it made the third time out of four games that Avon Park has scored 15 points this season. It was the first win for the Red Devils in four outings and the loss was the fourth straight for Wauchula.

Tomorrow (Friday) the Red Devils will travel to Punta Gorda for a clash with the Charlotte High Tarpons who have won three of their first four games. The Tarpons won 21-6 over Imokalee, 21-0 over Wauchula, and 26-6 over Cypress Lake before losing a 7-6 decision to Palmetto last Friday. The Charlotte High game replaces Haines City on the Avon Park schedule and the Tarpons are supposed to have one of their better seasons going for them this year while Avon Park has yet to put on a convincing offensive show in spite of several changes this past week in the Devil lineup. The Avon Park squad will be definite underdogs in the game this week and unless the Red Devils decide to play ball with the fire custmoary of past Devil teams another loss is in the offing in Punta Gorda.

Wauchula Game

It was dedication night in Wauchula last week as the new Hardee Stadium was officially opened and a beautiful stadium it is. The Hardee High fans have a facility to be proud of and the Wildcats showed their appreciation early in the game against Avon Park by scoring their first points of the season on a 14-yard pass from quarterback Joel Tew to tackle Bob Cranford on a tackle-eligible play on the fifth play of the game.

Avon Park won the toss and decided to receive the opening kick-off. Steve Hartt took the ball in at the Devil 15 and returned it to the 23. Then Hartt picked up seven yards on the first play from scrimmage and the Devils looked like they might mean business on offense. But an off-side penalty pushed them back and two plays later, when Sisemore dropped back to pass, the Hardee line broke through to clobber him and cause a fumble which the Wildcat end Tim Polk recovered at the Devil 34. From there on the first offensive play for Wauchula, Cranford slipped into the end zone on the tackle-eligible play and Tew lobbed the pass to him for the first six points the Hardee team had scored all season. Cranford then kicked the point after to give Wauchula the 7-6 lead.

On the next offensive series the Red Devils moved on the ground for one first down but drew a 15 yard holding penalty which slowed the drive and Wauchula's defense again penetrated the Devil line to get to Sisemore attempting to pass and threw him for a 13 yard loss back to the Avon Park 27-yard line. Then when the plucky quarterback dropped back to punt out on fourth down the Hardee line shot through the lifeless Devil line again and blocked the punt and gained possession on the Avon Park 17-yard marker.

This time the Wildcats ran two plays on the ground and moved to the three for a first down. Then Tew dropped back to pass and Avon Park's secondary intercepted in the end zone for a touchback and took possession out on the 20 yard line.

On Avon Park's third offensive possession in the first period, they drove for two first downs with the aid of a roughing the kicker penalty out to their own 45. But on first down, Wauchula's Joe Allen Hearns intercepted a Sisemore pass at the Hardee 47-yard line to set up the Wildcat's second touchdown drive.

The Wildcats moved to the Devil 41-yard marker on two running plays and then Tew threw a perfect pass to end Miles Albritton over on the left sideline and the big end took the ball in over the head of the Devil defender at full run and went on into the end zone for the score. It was a 41 yard pass-run play and put the Wildcats ahead 13-0. This time Cranford's boot for the point after was wide but Wauchula held a 13-0 lead as the first quarter came to an end.

Late in the second quarter, after holding the Wildcats to one first down in two offensive efforts, Avon Park finally got on the scoreboard. Don Sisemore took in a Hardee punt on his own 40 and ran it back to the Wauchula 24-yard line before he was brought down. Two plays later, Sisemore hit halfback Steve Hartt on a screen pass play and the senior back scooted down the sideline for the 24-yard scoring

PTA Meets Tonight

Tonight (Thursday) at 8 P.M. at the Avon Park Elementary School will hold its first meeting for this school year, at the Avon Elementary Cafeteria. Teachers of fifth and sixth grades will also attend this meeting. Everyone is urged to attend. Refreshments will be served by the home room mothers.

Car Blockade To Aid Day Care Center

Citizens of the Avon Park community will see replicas of Noah's Ark on the street corners this Saturday, when volunteers will be soliciting your help. Funds are urgently needed if the good work of the Day Care Centers are to continue this year.

Fees paid by the parents only partially support this program. It is hoped that many citizens will give generously to this worthy cause. The board of directors wishes to thank all those friends who have already made their contributions this year.

ANTIQUE CAR MEETING

There will be a meeting, Thursday (tonight), Oct. 15, at 7 P.M., at Griffin's Restaurant, for all who are interested in antique cars.

Walker Memorial Hospital Receives $500,000 Federal Grant This Week

The US Department of Health, Education and Welfare announced this week the Walker Memorial Hospital has been formerly awarded $500,000 to aid in a program of expansion and modernization. This will bring the total capacity from 97 to 120 beds.

The federal grant will be combined with $1,100,000 secured loan from the Guaranty Bond and Securities Corp. of Nashville, Tenn. to complete a two-phase construction program. The hospital is expected to hold ground breaking around the first of the year.

Cong. Paul Rogers said the grant was made available through the Hill Burton Act of which he was a sponsor. The initial construction calls for an addition to the hospital laboratory, a new pharmacy, new area for housekeeping, linen, kitchen and dining areas, and expanded purchasing and receiving area, a new operating suite with three major operating rooms, an intensive care unit of nine beds with recovery rooms.

The second phase of construction will include 40 additional patient beds and areas for general administrative offices, medical records and physical medicine.

George Walper, administrator, said when phase two is completed the hospital will have a total of 160 beds.

RIVER GREEN'S MEETING

The Social Committee of the River Green Golf Association, will have a meeting at 7 P.M. at the Club House, on October 21. Bingo will follow at 8:30.
