Local Boy Plays In World Series

Hal McRae, one of ten children of Willie James and Virginia McRae has put Avon Park on the map in the major leagues.

McRae, No. 11, plays third base for the Cincinnati Reds and has a batting average of .306, while playing this week in the World Series. The first two games were at Riverfront Stadium, in Cincinnati.

McRae, 24 years old, married and the father of one three year old son, attended Hopewell, graduated from E. O. Douglas in Sebring and attended Florida A&M for 2 1/2 years before entering the big leagues. He played with the Tampa Tarpons, Buffalo and Indianapolis.

Mrs. Virginia McRae has returned home after attending the World Series, and Willie James, left Tuesday with his son. Robert, of Tampa for Cincinnati to catch the final games.

Hal, has a high hitting average with an average of two hits a game.

Considering our road record, people who leave the driving to us would be much better off taking the bus.

One sure way to learn to practice economy is to run out of money.

loped hemline. Debbi Scott, 18, a junior, sponsored by Ridge Bakery and Coffee Shop, was captivating in a gown of aqua satin with silver trim at the waistline and circling the hem.

Cathy Elder, 16, a junior, sponsored by Ridge Florist, was fascinating in a white gown with row upon row of ruffles with a pink bow and tiny buttons down the front of bodice. Julie Kangeter, 18, a senior, sponsored by Sides Auto Supply was enchanting in a gown of yellow chiffon with Empire waistline.

Carol Hutchinson, 16, a junior, sponsored by Southernaire Motel, was precious in a lace gown with round collar and lace ruffing on either side of front panel of Empire waistline. Leila Edelson, 17, a senior, sponsored by Teachtown's Drugs, was attractive in a pink chiffon gown with Empire waistline and velvet bow.

Debbie Dennis, 16, a junior, sponsored by Winn-Dixie, was bewitching in a strapless gown of red chiffon with silver trim at the fitted waistline.

Debbie Hebenstahl, 16, a junior, sponsored by Bennett and Mosley, was charming in a

burgandy velvet gown, with bow at Empire waistline, with long, lace trimmed sleeves, with tiny buttons down the back to the high waistline.

First runner-up was contestant, Alecia McClelland, who "wishes to become a legal secretary," is the daughter of Mr. and Mrs. Richard McClelland, who lives at 404 South Florida Ave., here in Avon Park.

Patrick Kangeter, son of Mr. and Mrs. Melvin Kangeter, was the crown bearer, and Mr. Milton Howard presented the trophies to the winners.

The reigning Miss Flame, Celia Elder, presented the runner-up with a "kiss" and a bouquet of red carnations. She then presented the new Miss Flame, Debbi Scott, with the crown, a kiss and a bouquet of red roses. The new Miss Flame, then took a walk as "Miss America" does, with tears streaming down her beautiful face.

The plants were furnished by Cole's Nursery, and a big thank-you goes to the Firemen's Auxiliary, especially to Mrs. "Florence," for their help and assistance.

We will be well represented by our new "Miss Flame," Debbi Scott, who will represent us at the State Contest, in Jacksonville, next May.

Junior Women Meet Tuesday, Make Plans For Halloween October 31

The SPIRIT of the Junior Woman's Club returns again this week to remind you of the Halloween festivities to be staged on October 31st, the day witches and goblins do their worst, but in Avon Park the Junior Women do their best—to provide the entire community with lots of fun, and to increase their funds! Please plan to attend the festivities, beginning at 3:30 P.M. on that day!

Got a good one for you: Jack: I think our school is haunted.

Jill: What gave you that idea?

Jack: I always hear people talking about the school SPIRIT!

There is no doubt that old Jack-O-Lantern will continue to brighten many a window on Halloween night. If you want a variation of the popular plastic ones, the Junior Women's Club urges you to "paint a pumpkin."

Try some unusual "heads" from real pumpkins. Let the shape dictate the face you choose. Cover with spray enamel in your choice of colors, then with a sharp kitchen knife in hand, start carving in a pumpkin character!

Some ideas suggested by members of the Junior Woman's Club are: an Indian face

—a shocking pink lady pumpkin, a "china" boy, a clown face or a black cat face. You might just want to take the pumpkin and spray it with gold, silver, or brown, and use it all through the

Fall holiday season. They make eye-catching centerpiece—especially when you spray leaves and flowers to match.

Try making a two-faced Jack-O-Lantern—one side smiling and one side frowning.

A pumpkin has many uses—all of which add up to fun! Besides making jack-o-lanterns, mother can make a pie, you can dry the seeds, salt and eat them, or dry the seeds and feed them to the birds.

Want to make a spooky-sounding noisemaker in very little time and at no cost? All you need is paper and a bit of tape.

ROOBER! Start at one corner and roll a 5" square of paper around a pencil: fasten with tape. Slide pencil out. Cut off one end of the roll evenly. Cut into each side of the other end, but leave it attached. Fold this arrowhead-shaped piece flat against the end of roll. Place the other end to your lips and suck in. You will be surprised!

Watch for my column in this paper next week for sure, as I am planning some happy goblin ideas for you for tricking and treating!

The Columbia is the largest river, emptying into the Pacific, in North America. It carries twice the volume of the Nile, it with gold, silver, or brown, and use it all through the

Open House Held At McDaniels' Home

On Sunday, Oct. 11, from 3 to 5 P.M. an open house and dedication was held at the new home of Mr. and Mrs. F. D. McDaniel, on East Wolf St.

The table was covered with a yellow cloth overlaid with white lace. The crystal punch bowl, encircled with fern and yellow hibiscus, held golden punch. Silver trays held cookies, with nuts and mint in crystal compotes. Beautiful arrangements of roses and gift plants were at vantage points throughout the lovely home.

At 4 P.M. an impressive dedication service of the home, was given by the Pastor, Rev. Aden D. Childers, and Lowell Hill, a member of the church choir sang, "Bless This House," accompanied by Jermold Perkins at the piano. Appropriate scriptures and responsive readings were given by the Pastor, Rev. Childers, ended this impressive dedication.

FIRST AND SECOND PLACE winners in the Junior Woman's Club poster contest are shown above. (l to r) with Gene Brenner, art teacher at the high school, one of the judges, Ruth Hill, first place winner, Chris Brojek; second place winner, and Robert Sylvia, a teacher, one of the judges.

Halloween Posters Judged At Junior Woman's Club Meeting

The meeting of the Junior Woman's Club, on Tuesday evening, Oct. 6, was quite an event, with the main topic of conversation and activities centered around Halloween.

Special guests were Gene Brenner and Robert Sylvia, who were judges of the new women's artful posters and home-made masks, two publicity ideas for their annual Halloween festival.

Members of the club are especially excited about the fact that "Halloween" is REALLY being observed this year; usually they observe the last Saturday in the month of October for

official "trick or treating."

Posters will be distributed throughout Avon Park by Saturday, giving details of the coming events. This is the second year of the poster contest for club members, who each entered two posters. First prize of \$5 was awarded to Ruth Hill. Honorable mention went to Chris Brojek. The prize winning poster may be seen at Pantry Pride. All the young women were congratulated for their competitive "spirit" and helping out with the publicity for their most important event of the year.

Another contest during the evening was for the member wearing the best "home made" mask—another way of getting enthusiasm going for Halloween. Winner of the contest was Chris Brojek, with a mask of an elephant. Her prize was an appropriate book for the Halloween season.

Honorable mention for their mask creations went to Ruth Hill.

Janet Willis, Nancy Lawton and Madie Landress, as hostesses for the occasion, provided the group with "happy goblets."

The APO Club will be at the First Federal Bank Building in Sebring on Tuesday, Oct. 13, for the benefit of the new members and to tell where their husband or son is and what his rank and job are.

During this roll call, Dorothy Sanders of Sebring thanked the Red Cross for the fast service provided in contacting her son in the Mediterranean Sea during her mother-in-law's illness and death.

This APO Club was started four years ago by the Red Cross Executive Secretary, Mrs. Florence L. Peach, for the benefit of wives whose husbands were stationed overseas. The Red Cross is still the sponsor, even though the club is now financially independent. In fact the club has helped the Red Cross by canvassing during the fund drive, and with a hundred dollar check after the Spring rummage sale the club had.

Mrs. Peach reported that the duty bags from Highlands County Red Cross were on their way to Fort Bragg, and thanked the members for their contributions. Each bag had 18 individual items, including nail files, nail clippers, stationery, mirrors, pens, combs and flashlights.

Plans were made for the rummage sale to be held at 121 Lemon Street, Sebring, Saturday, October 17, at 8 A.M. It was agreed to give Mrs. Long any children's clothes left over from her son, Dan, who is in Chu Lai, Vietnam for an orphanage there.

A booth at the Highlands Art League Fair for the "Write Home" campaign was discussed. It was decided that this would not be a money-making project but donations for postage of the letters would be accepted, since each letter costs 25c for mailing.

The next APO Club meeting will be at the Florida Power and Light Co. Lounge at 7:30, November 3. All wives and mothers of Military Personnel in Highlands County are invited.

Founders Circle Meets At Todd Home

The Founders Circle of the Avon Park Garden Club met Thursday morning, Oct. 8, at the home of Mrs. E. G. Todd, on Lake Lotia.

In the absence of Mrs. Nell Roberts, formerly chairman of the Avon Park Garden Club, the club met for the purpose of discussing the upcoming Christmas season. Mr. Albertson of the Sebring Ridge Florida, gave an interesting talk by the name of "House Plants and Decorations for the Upcoming Christmas Season."

Mr. Albertson presented a beautiful potted yellow mum, which was won by Mrs. Fred Janus. All the ladies thoroughly enjoyed the talk by Mr. Albertson and "Ridge Florist."

Discussed at the business meeting was the annual Christmas Tea, to be held, December 10.

Delicious refreshments of coffee, assorted cookies, banana cup-cakes and cheese-trays were served by the hostess, Mrs. Todd and her co-hostess, Mrs. C. W. Farrow.

Tommy Thomas of Avon Park, served as best man. Danny Willis, brother-in-law of the bridegroom served as usher.

Mrs. Lear, mother of the bride, wore a pink broad satin dress with matching accessories and an orchid corsage.

Mrs. Stimson, mother of the bridegroom, wore a beige knit dress with brown accessories, and a corsage of white carnations.

The reception was held in the home following the ceremony. The bride's table held the tired wedding cake, decorated with pastel flowers and topped by a miniature bride and bridegroom. The crystal punch bowl was banked with fern and garden roses. A silver candelabra held white lighted candles and pastel roses.

The bride, given in marriage by her father, wore a floor length empire style gown of bridle silk. The neckline and long sleeves were edged with white satin braid.

The bride's dress was designed and created by the bridegroom's mother, Mrs. C. A. Stimson and sister, Mrs. D. J. Willis. A band of satin blossoms, leaves and seed pearls held her shoulder-length veil of illusion. She carried a bridal bouquet of white daisies topped with a white ribbon.

Attending the bride, as matron of honor, was her sister, Mrs. Henry Jacobson, of Port Royal, S.C. Her dress of brown satin and beige or yellow tulle, was edged with pink roses, matched that of the bride. Her headpiece was a small white box with a shoulder-length veil of illusion. She carried yellow mums.

Mrs. Stimson, mother of the bridegroom, wore a beige knit dress with brown accessories, and a corsage of white carnations.

The reception was held in the home following the ceremony. The bride's table held the tired wedding cake, decorated with pastel flowers and topped by a miniature bride and bridegroom. The crystal punch bowl was banked with fern and garden roses. A silver candelabra held white lighted candles and pastel roses.

The bride, given in marriage by her father, wore a floor length empire style gown of bridle silk. The neckline and long sleeves were edged with white satin braid.

The bride's dress was designed and created by the bridegroom's mother, Mrs. C. A. Stimson and sister, Mrs. D. J. Willis. A band of satin blossoms, leaves and seed pearls held her shoulder-length veil of illusion. She carried a bridal bouquet of white daisies topped with a white ribbon.

Attending the bride, as matron of honor, was her sister, Mrs. Henry Jacobson, of Port Royal, S.C. Her dress of brown satin and beige or yellow tulle, was edged with pink roses, matched that of the bride. Her headpiece was a small white box with a shoulder-length veil of illusion. She carried yellow mums.

Tommy Thomas of Avon Park, served as best man. Danny Willis, brother-in-law of the bridegroom served as usher.

Mrs. Lear, mother of the bride, wore a pink broad satin dress with matching accessories and an orchid corsage.

A TURNOUT of interested participants from many areas of Florida registered Thursday morning for Conservation Week at South Florida Junior College. Topics discussed were the Cross Florida Barge Canal, The St. John's River Watershed, Draining the Everglades, the College and Student role in Conservation along with related matters.

THE OPENING topic for discussion Thursday morning of Conservation Week at South Florida Junior College was "The Barge Canal, as it relates to Florida's Economy and Ecology" by Col. A. S. Fullerton, District Engineer, U. S. Army Corps of Engineers. Col. Fullerton using maps and diagrams presented the Corps of Engineers case for the Cross Florida Barge Canal.

DESPITE a power failure because of a truck striking a utility pole, William Partridge continued to outline the Conservation side of the Cross Florida Barge Canal, Thursday morning of Conservation Week at South Florida Junior College. He continued his presentation in the dim light provided by an open door of the lecture center.

Regional Planning Termed Vital At 5th Annual Conservation Week

Regional planning in the 1970s was termed a "vital necessity" today by Robert W. Padrick, chairman of the Central and Southern Florida Flood Control District, at the Fifth Annual Conservation Week at Avon Park.

Water does not know political boundaries," Padrick said. "It is foolish to protect an environment in one county and despoil it at some imaginary boundary line. In dealing with water, it is necessary to plan by watersheds. Similarly in Florida, problems of recreation, waste disposal and transportation are regional in nature."

Padrick, from Fort Pierce, urged that actions be taken by government immediately "to improve regional planning efforts, and to put some teeth in them."

He said: "Planners must not be at the whim of other governmental agencies. Regional planning must not be a permissive thing, but rigidly enforced." In his talk, Padrick pointed out that the Flood Control District is preserving almost 50 per cent of the original Everglades, in a wilderness state—for purposes of water storage and the preservation and enhancement of wildlife.

Last year, Padrick received the Governor's Award as Outstanding Conservationist of the Year. It was presented by the Florida Wildlife Federation. Padrick has been a key figure in leading efforts to prevent the Dade County Jetport from damaging the environment, in exposing a plan by Coastal Petroleum Co. to mine limestone from Lake Okechobee and in leading efforts to explore for oil, to construct 2,000-foot television towers, and a superhighway in undeveloped areas of the Florida Ever-

Devil's "B" Squad Defeats Sebring 28-0, To Play Here Oct. 22

Avon Park's "B" squad finally put together an offense that scored 28 points against the Sebring junior varsity team while the Devil jayvee defense held the Blue Streak "Bees" scoreless last Thursday night here at Memorial Field to post the 28-0 win after dropping the two opening games of the season.

Tonight the Avon Park junior varsity squad will travel to Lake Placid for a battle with the Green Dragon "B" team. Game time is 7:30 P.M. at Lake Placid's field.

Avon Park's first touchdown came in the first period when

Roy Lamb went left end from seven yards out to climax a Red Devil drive against the Sebring team. The pass attempt by Tony Williams for the extra points was intercepted to hold the Devils to a 6-0 lead.

In the second quarter quarterback Tony Williams connected with end Nathaniel Packer on a 45-yard pass-running play. Packer leaped high in the air to pull in the pass and then shook off three or four Sebring would-be tacklers to bull into the end zone for the TD. Halfback Roy Lamb slanted off right tackle for the two point conversion.

Later in the same period, Williams and Packer combined again for a 47-yard scoring play. Packer took in a short pass and then ran through the Sebring secondary for his second TD of the evening. The big freshman just kept going with Sebring boys hanging on until he crossed the goal line standing up. Halfback Artie Bass went around the right end for the two points and Avon Park led 22-0 at the end of the first half.

Neither team scored in the third quarter although Avon Park threatened several times. Then in the last minute of the fourth quarter, halfback Tim Underwood went around right end from right yards out for Avon Park's final score. The try for the two point conversion was stopped short of the goal but Avon Park went off the field with a 26-0 win over its rival from Sebring.

Boys seeing action in the game were linemen Ronnie Dick, Buddy Gordon, Nathaniel Williams, Ray Culpepper, Vic Mickunas, Richard Minard, Bobby Lee, Jim Wood, Sam Dasher, Bud Wester and Nathaniel Packer. Backs playing were Williams, Bass, Lamb, Underwood, Walter Kemp-ton, Buddy DeWitt, Danny Lewis, Bill Phillips, Donald Dorsey, Gene Albritton and Glen Boykin along with others.

The next home game for the "B" team will be October 22 against Fort Meade.

Cattlemen Face Increase In Feed Prices

Highlands County cattlemen, because of the corn blight in this state and many mid-West states, face "about 20-25% increased costs for their feed."

County Agent Bert Harris, Jr., said cattlemen import about 90% of their feed grain and also depend on citrus pulp, but the pulp supply is running low and it will be December before it is plentiful again.

"It has affected the beef and dairy people here," he said, and gave the 20-25% estimate. Florida Farm Bureau Federation has brought the problem to the attention of Secretary of Agriculture Clifford Hardin. Farm Bureau presidents from counties throughout Florida, including Charles Collins of Highlands County, met in Gainesville last week and took special action on the feed shortage situation. They requested the FFB executive vice president John C. Lynn to contact Hardin and urge immediate emergency action to relieve the shortage.

It is hoped that available surplus feed grains now held by the Commodity Credit Corporation on a cost plus shipping basis to Florida livestock and poultry producers would be most helpful. Lynn further requested that grain supplies not be limited to use for breeding stock, but allocated for all normal livestock operations on individual farms.

"Florida livestock and poultry producers are in great distress," Lynn said. "Emergency action is needed immediately to ease this dangerous situation." About 65,000 cattle are run on Highlands County 179 ranches.

THANK YOU I wish to thank my many friends for their prayers, flowers, cards, visits and thoughts of kindness during my confinement at Labland Memorial Hospital, and also since I have returned home.

I wish to thank the people for the lovely flowers, cards, fruit and good wishes, during my stay in the hospital, also a thank you to the staff and management of Walker Memorial for the excellent care I received while a patient there.

Local Women Attend Scout Conference

Neighborhood Chairmen, Troop Organizers, and Troop Consultants of the Heart of Florida Girl Scout Council met in Mulberry Methodist Church recently to discuss Girl Scout trends and leadership.

Mrs. Joe Macbeth, first vice president of the council planned and conducted the meeting. Using the appropriate hall season for theme, the coaches were the Neighborhood Chairmen, recruiters, troop organizers, cheerleaders, troop consultants, and the field advisors who bring relief and refreshments were the waterboys.

Stay in Scouting Week planned by the Senior Scouts was reported as most successful.

The annual meeting was announced to be held at the First Presbyterian Church in Winter Haven, November 17, at 7 P.M.

Mrs. George T. Costello, Executive Director, spoke on the subject to "Improve the Quality of Life," the three year emphasis for the Heart of Florida Girl Scout Council.

She pointed out that this goal should permeate through all the scouting activities. Troops should have programs on the effects of drugs, get involved in city clean up and service projects.

Mrs. Costello pointed out that each year's activities must be stepping stones to following years.

Training courses, according to Mrs. Duane Seibert, personnel chairman and Mrs. Milton Fox, volunteer trainer have been set up through the council.

The Equestrian Forum to be held in January, the Spring Senior Conference to be held at Webber College, Florida Trail Trek and the large five Council Cadette encampment known as Flori-lore to be held at Silver Springs in November were announced.

Those attending from Avon Park were Mrs. N. Margaret Turnbull and Mrs. T. H. DeLaney.

GODWINS HAVE NEW BABY
Mrs. and Larry Godwin of New Port Richey, announce the arrival of a baby girl, October 1, at West Pasco Hospital. New Port Richey. The little lady has been named Jacquelyn Marie, and weighed seven pounds and three ounces. Mrs. Godwin is the former Mrs. Barber, and the daughter of Mr. and Mrs. Whitley Barber, the proud grandparents.

Mrs. Swiston Helps Girls Earn Badges

Mrs. Lewis Swiston, grandmother of Cadette Girl Scout Tracy Hartford helped members of Cadette Troop 117 on four steps of the Chief's badge Monday evening at her home. Mrs. Swiston taught the girls to make potato pancakes and cheese blintzes. Polish specialties of her family.

Girls working on the badge with Mrs. Swiston were Tracy Hartford, Lynn Livingston, Jessie Wilks, Barbara Spurluck, Teresa Brasell. Two Junior Scouts also attended and the work will count toward the Cooks Badge. Sara Wilks and Tonya Hartford.

Other members of Troop 117 met at the home of leader, Mrs. Fran Davenport to plan a Halloween party for the girls.

On Wednesday the Troop will make a trip to the Avon Park Bombing Range and tour the range as the guests of Commander Larsen.

Fellowship Class Meets Tuesday

The Young Married Fellowship Class of Florida Avenue Baptist Church had a meeting on Thursday, Oct. 8, at 7 P.M. in the social hall. Mrs. Wilhelmina Reiss opened the meeting with a prayer.

The main business of this meeting was the election of officers, who were: Shirley Lamm, president; Janice Grantham, vice president; Winona Crews, secretary and treasurer; Wanda Koppa, Nancy Jackson and Mary Starn, social chairman; Janet Jones, publicity chairman.

Refreshments of cakes, chips and dip were served, with Janice Grantham closing the meeting with a prayer.

Episcopal Convention At Houston

This week and next the Episcopal Church in the U.S. will meet in Convention in Houston, Texas. Bishop Fowler, four priests, including the Rev. Frank Butler who is well known in Avon Park, plus four laymen, will represent Central Florida. Special representatives for youth etc., as well as Episcopal Churchwomen, will be in Houston as well from our area. The Bishop's executive assistant, Mrs. W. J. Allen, will be in Houston as well from our area. The Bishop's executive assistant, Mrs. W. J. Allen, will be in Houston as well from our area.

General Convention is the legislative body in the Episcopal Church and acts, like our US Congress, as the supreme authority governing our Episcopal Church. There are many controversial issues today facing our delegates. The matter of involvement in the social problems of our time: the challenge of youth; the matter of finances for a three year work program; questions of clergy training and placement; these are among the confrontations at Houston. The action of our executive council, as our white house and cabinet, often confuses and angers many of our people. A section of the Episcopal Church is made up of liberal folk, almost an equal portion is more conservative. Our Bishops seek to be leaders of ALL THE PEOPLE, just as our president does, and we as Christians workers as Churchmen, Church unity is an end. Fierce challenges are working on with some denominations in COCU, such as the Lutheran and Presbyterian Book review are considered too. What everyone can do well is to pray for the Church!

DIETARY CHOCOLATE MOUSSE

3 egg yolks
2 squares (2 oz.) bitter chocolate
3 tablespoons liquid sweetener
1 teaspoon rum flavoring
3 egg whites, stiffly beaten
Put chocolate, egg yolks and rum flavoring into blender container. Cover and mix for 30 seconds. Remove cover, pour in egg yolks and continue to blend another 20 seconds. Fold chocolate mixture into stiffly beaten egg whites with rubber spatula. Spoon into dishes. Chill. Makes four servings (100 calories per serving).

Lemon Meringue — Man's Pie

If you are new to making Lemon Meringue Pie then a point to remember is that if you want a strong lemon flavor add more lemon rind rather than lemon juice.

Lemon Meringue Pie

1 cup sugar
1/2 cup corn starch
1/4 teaspoon salt
1 1/2 cups lemon juice
3 eggs, separated

2 tablespoons margarine
1/2 cup lemon juice

Mix 1/2 cup of the sugar, corn starch and salt in double boiler top. Gradually stir in water. Cook over boiling water, stirring constantly, until thick enough to mound slightly when dropped from spoon. Cover, cook 10 minutes longer, stirring occasionally. Do not remove from boiling water. Combine egg yolks and 1/2 cup of the sugar. Blend a little bit mixture into egg yolk mixture, then stir all into remaining mixture over boiling water. Gently stir in marmalade, lemon rind and juice. Cook to room temperature without stirring. Turn filling into prepared pastry shell. Spread a 3 egg white meringue around edge of filling first, touching crust all around, then fill in center. Bake in 325° F. oven for about 5 minutes or until the meringue is lightly browned. Cool at room temperature away from drafts.

Avon Park Band Is First To March In Wauchula's New Stadium

The Avon Park High School Marching Grenadier Band received the honor of being the first visiting band to march in the new stadium Friday night at the game. The stadium was filled nearly to capacity for the exciting event.

The band stepped off into the field in its traditional British uniforms, presenting an eye-catching display of white spats, crimson ties, and tall, black hats. Having been properly introduced to the spectators, the bandmen played the gripping challenge, "Rule Britannia." Marching down the field, the band then presented a highly-precise drill as each member dropped off to form a large diagonal, from one end of the field to the other, while playing the official national anthem of Australia, "Waltzing Matilda."

Next, a giant "V" was formed to the music of "Tues of Glory," a Scottish melody, after which the band merged into a single horizontal company front, facing the Wauchula fans, with the percussion section, herald trumpets, and majorettes in front. The percussion players then took the show, while marching the cowbell, bongos, maracas, and drums to Rafael Hernandez's Latin American tune, "El Campanero."

The band then turned to the

Understanding The Bible

By DAVE LLEWELLYN

Some time in your life, undoubtedly, you have taken a reading test. The results of that test told you that you read at a rate of so many words per minute and comprehended a certain percentage of what you read. The curious evaluation often rendered by such testing is that your reading rate is very fast but you don't understand what you read.

It is like the student who flipped through Tolstoy's "War and Peace" at 10,000 words per minute but, when he finished and was asked what it was all about, could only reply, "It was about Russia."

Understanding is the purpose of reading, obviously. Bible study suffers from the same problem as ordinary reading. Many people have trouble understanding the Bible when they read it. Not all of the Bible is hard to understand but many parts of it are — and to get a grasp of what the Bible says as a whole is generally difficult.

Helps to Understanding

Fortunately, there is help — a lot of help. There are now over 50 English translations of the New Testament available, and many translations of the Old Testament. There is no longer any need to be confused by archaic words and syntax.

But there is more. God has given readers of the Bible His Spirit to explain His Word to them. Jesus said, "The Holy Spirit, Whom the Father will send in My name — He will teach you all things."

But how, then, is it that there are many things we do not understand when we read?

Jesus said, "When He, the Spirit of Truth, is come, He will guide you into all truth."

But some of us, having received ideas on many subjects, may need a good deal of leading by the Holy Spirit to get us to a knowledge of the truth.

Again, God has provided an answer to the problem of understanding the Bible. When Philip met the man, he saw his Bible open to Isaiah, so he asked whether he understood what he was reading.

"How can I, unless someone guides me?" the man replied.

Philip then explained to him the passage.

The church as is pointed out in the letters of Paul, is intended to provide people who can explain the Scriptures to others. The Holy Spirit is still the teacher, but sometimes He chooses to teach through people.

Spiritual Wisdom

Also, Christians' studying to understand the Bible through personal contact, what they would never have thought to ask otherwise.

Understanding the Bible is not like understanding any other book. The Bible requires more — and it has more to give. Paul told Timothy that the Scriptures were "able to make us wise unto salvation."

Unlike any other book, the Bible is able to make you spiritually wise. It is able to help you if you understand it only mentally.

God gives this definition: "To depart from evil is understanding." The Bible will make you spiritually wise if you "take heed" to it.

Church Holds Homecoming Sunday

Homecoming was celebrated at Fellowship Baptist Church Sunday, Oct. 11. After a special service was preached, Zinner was served on the grounds. Following the dinner a song fest was held.

The hundred and eleven people were in attendance Sunday morning in Sunday School. The set goal had been 100 people.

The traditional "dinner on the grounds" was a high spot of the day. Many hungry people who came went away well fed. Fellowship wishes to thank all those people who prepared the "feast of kings" at 1:30 many people attended the song fest. Conducting the "big sing" was Paul Forker. Tom Jenkins led the congregation in some hymns. Susan Howe sang two songs. The Highlands Gospel choir also sang many songs. The celebration came to an end.

Choir Party Held Saturday

Saturday, Oct. 10, a party was held for the choir of Fellowship Baptist Church. It was hosted by Neil and Faye Avery and took place to thank all those people who helped with the party. The choir members who attended were enriched by the experience.

After a dinner of swamp cabbage and hamburgers, a song session took place. Paul Forker, the choir leader, played the piano and was accompanied by a visiting friend, Toliver Boeman, on the organ.

Mr. Forker was presented with a cake in appreciation for his help in the organization of the choir. After a brief speech by Mr. Forker, the cake and some ice cream were consumed.

DAN SANDERRFORD, assistant administrator of Walker Memorial Hospital, visited the Avon Park Elementary School and presented Mr. Brooks, the principal, with a check for the five finalists submitting the best posters in the fire and safety contest. Jimmy

Hutcherson, grade 4; Eugene Martin, grade 1; Patricia Menzies, grade 4; Alice Johnson, grade 3; and Cindy Evers, grade 4. Miss Kay Dunnaway, of Walker Memorial was co-ordinator of the contest.

School Receives Check For Poster Contest

National Fire and Safety Week for 1970 certainly did not go un-noticed in Avon Park. Our civic organizations have made the town very aware of their interest and responsibility. And Walker Memorial Hospital has participated in this very worthwhile endeavor. When the hospital recently sponsored a poster competition on Fire and Safety, involving the Avon Park Elementary school children, the activities did not stop with the art exhibit and open house in the north lobby of the hospital.

Dan Sanderrford, assistant administrator of Walker Memorial Hospital visited Avon Park Elementary School and presented Mr. Brooks, the principal with a check for the five finalists submitting the best posters.

Immediately following the presentation and pictures by the photographer, a representative from each of the five winning posters accompanied Miss Kay Dunnaway, director of communications at Walker Memorial, to WSEB radio station. Sebring to appear on "open mike" with Ted Dell as their host. Those interviewed by Ted were: Jimmy Hutcherson, grade 4; Eugene Martin, grade 1; Alice Johnson, grade 3; Cindy Evers, grade 4; and Patricia Menzies, grade 4.

The children were wide-eyed with wonder at all the fascinating gadgets at the radio station, such as turntables, microphones and amplifiers in glass booths. But all this took second place to their host, Ted Dell—who was more than a host. He was not only the "old master" at handling the children and making them feel right at home, but after the "sign off" he took them on a tour of the radio station. That didn't seem enough for him to do for the children, so the charming host gave each of them two recordings (of their choice) to take home. And to top all that, he went back to his private lunch corner (that all radio announcers have) and brought out a large package of cookies still sealed in the wrapper, for them to take along in the car. The children were overwhelmed! It was like Christmas! And wouldn't you know?

THESE LOVELY young ladies, students of Highlands Lakes Junior Academy, served as hostesses for the open house at Walker Memorial Hospital, at the Fire and Safety program. First row, left to right, Miss Kay Dunnaway, Director of Communications and Public Relations, of Walker Memorial Hospital; Joy Clark, Regenees Blue, and Cindy Seely. Second row, (l to r), Janice Halvorsen, Pat Carlton, Nancy Smith and Susan Foster. Third row, (l to r), Beth Carithers, Debbie Flach, Karen Spurlock and Kay Spurlock.

Their happiness continued to mount. Miss Nancy, their waitress, gave them the typical Howard Johnson courtesy. Besides having ice cream, each of the children left with a special menu, a balloon, helium and a special card to be filled out by their parents entitling them to a free birthday cake and a free dinner on their birthday.

Five youngsters came out of Howard Johnson's taller than when they went in. This was a real letter day. As Miss Dunnaway drove the happy children back to school she was not surprised—but her heart was warmed as she listened in on their "small fry" conversation. The most amazing thing was that even though they like all the presents and the nice things that had happened to them, most of their conversation was sincere words of love about the three nice men whom they had added to their list of heroes. There was "the nice man from the hospital who had brought the check, and Mr. Dell at that 'peachy' radio station and Mr. Brooks—their real 'keen' principal ('He's real keen, man—he's real keen') and wasn't that nice lady at the radio station, Miss Mary—real nice?" She talked to us a lot, too.

Could it be that we adults could learn much from our

Avon Park Flying Notes

By ELEANOR TRESCHOTT

There were several solo cross-country flights made last week. Rodney Lane flew to Charlotte County Airport at Punta Gorda. Mark Gosick flew to Orlando, and Zephyrhills, and Elvis Ayers made his first solo cross-country flight to Lakeland and Lake Wales Sunday.

Mr. and Mrs. Park Enabner have returned to Avon Park after their vacation in Norwalk, Ohio. Park, who started his flying after many years, is back at it again and has been out flying several mornings.

A class from Frostproof High School that is taking a course in ground school instruction with Jack Plant as instructor, was given a tour of the Avon Park Flying Service last week. Each one in the class was then given a ride in the Cessna 172.

Bill Rackley flew to Atlanta, Ga. for the weekend in his Mooney. Jim Renfro of Avon Park is flying for the Charlotte Fire Air Control program, in Louisiana.

An antique aircraft of interest was flown into the airport last week, the aircraft a 1929 Stinson, Jr. is owned by Mr. and Mrs. James McClanahan of Opa Locka. The October issue of "Flying" features an article about the Stinson, Jr.

Bob Vickers of Sebring flew to Tallahassee on Sunday. If people fought sin as much as they do obesity, this would be a moral paradise.

Most of the third period was a defensive battle with Avon Park holding Wauchula on three possessions without allowing a first down. Late in the third quarter on Avon Park's second possession, the Red Devils took over on the Wildcat 17-yard line after a short punt went out of bounds. After three plays had netted only a minus two yards, Hardee drew a 15 yard penalty to give Avon Park new life at the 24 yard line.

A short gain on the ground put the ball at the 21 and then Sisemore almost went all the way as he broke through for a 19 yard gain to the Hardee two yard line. One play up the middle moved the ball to the one and then Greg Albritton, just changed from guard to fullback for this game, hauled right for the touchdown right through the middle. Again Sisemore faked a kick and passed to Frank Davis in the end zone but the ball was dropped and Avon Park trailed 12-10.

In the fourth period, it was all Avon Park again as the defense held Wauchula on one first down on three possessions but the Devil offense was stopped first at the Hardee 18-yard line on down and then fumbled after reaching the 24-yard line on a second thrust. Finally with 1:25 left on the clock, Avon Park took over on its own 10 yard line. Sisemore hit Clark Jackson with a pass for an 11 yard gain and then moved to the Hardee 13-yard line on a series of long gains with Walter Nunnallee slashing through off guard. Nunnallee had gained of 18, 16, 9, and 17 yard in the drive. But the Devils logged down and could move only to the 12-yard line in the next three plays and with less than a minute left in the game, on fourth down, Devil center Ricky Dettler centered the ball back to Walter Nunnallee who set the ball down and Don Sisemore swooped his foot across with his left-footed soccer style and the ball barely cleared the cross-bar to give the Red Devils three points and the victory by a 15-13 score. Hardee recovered on on-side kick and moved to the Devil 4 in the remaining 32 seconds before the final whistle blew.

Statistics: First downs 14 8 Yards rushing 146 87 Yards passing 38 61 Passes 3-11 4-8 Passes lost by 1 1 Points, Avg. 2-38 7-32 Fumbles lost by 3 0 Yards penalized 40 75

Put Your Garbage Cans Out Early

The past few days Avon Park City Hall has had numerous calls complaining that their garbage was not picked up. The explanation for this is that some residents have not been putting their garbage cans out early enough.

The city has added another truck and usually they run earlier, therefore residents that carried their garbage cans out late missed the truck.

City Clerk Malcolm Crews explained that the extra truck was necessary because of the increased loads and asked residents to get their garbage cans out early. It is impossible for the trucks to back track.

GREGG ALBRITTON hangs on to the ball as he is downed by a Wildcat in Friday night's game. Shown in foreground is No. 33, Walter Nunnallee and standing in back is No. 71, Danny Albritton.

THE KIWANIS CLUB of Avon Park held its induction ceremonies of 1970-71 officers at Griffin's Restaurant, Tuesday, Oct. 13. An interesting talk was given by Virgil Davis, the installing officer. Two key club members, Mike Bagwell and Bill Phillips attended this important meeting. Left to right are:

Harold Nute, secretary; Tom Tataris, 1st vice president; Jim Williams, president; Virgil Davis, 1st, governor, Division 10 Florida District of Kiwanis International, who installed the new officers; John Church, 2nd vice president, and Ted Ward, treasurer.

Board Plans Formation Of Advisory Council

At its October meeting the Highlands County School Board approved a plan for involving classroom teachers more closely in planning for education. Superintendent George F. Douglas presented the plan for formation of a county instructional Advisory Council.

He said he doesn't know of any other county taking steps to include classroom teachers in county-wide planning. He described the new council as a "link to fill the gap between the planning administrators and the classroom situation."

The council will be composed of at least one teacher from school in the county, a representative from the county instructional staff and the county curriculum supervisor, J. Ferrel Smith.

Smith said it is expected that the major concern of the council will be curriculum "while not being limited to this area." Council members will serve on one-year appointments.

In approving the plan the school board agreed to provide substitutes so the council may meet once a month during school hours.

Douglas noted, in his report, "We set too many meetings for 4 P.M. and there isn't a lot of teachers wants to do right then." He said the council members should be free to visit in classrooms from time to time.

Leave Approved At its October meeting the board approved out-of-state leave for the supervising principals — Billy Cason, Aubrey Morris and Aaron Craven — to attend the meeting of Southern Association of Colleges and Schools at Atlanta, Nov. 29 through Dec. 2.

The Southern Association is preparing new standards to be used in accrediting schools. Douglas said, and Highlands County principals will be present for first-hand reports on them.

Mr. Mildred Brand was given leave to attend the National Council of Teachers of English at Atlanta, Nov. 28-29. Carl Harner was given leave for the National Education Association's sessions at Huntsville, Ala., Nov. 4-7.

James Taverniere was given leave for the National Association of Biology Teachers' conference at Denver, Colo., Oct. 21-24.

Other Business In other business the board received a letter of thanks from Ridge Area Association for Retarded Children for assistance in providing a "drown proofing" program through the school's Summer recreation.

Received an invitation from the Highlands County Food Service Association to a board and administrators appreciation dinner in February.

Approved extension of completion date on the new high schools to May 12, 1971.

SFJC Panthers Schedule Series Of Baseball, Basketball Games

South Florida Junior College Panther baseball and basketball teams will play a series of practice games this fall.

The basketball team, striving for some experience prior to their first approaching November 14 date with last year's number one ranked junior college basketball team, Brevard, will play several games during October and early November.

The Panthers met APCI at Avon Park Tuesday night in three games.

Thursday night (tonight) at 7:30 P.M. in Wauchula, the Panthers will tangle with the Plant City Osk, a semi-pro team that ranks very high in the annual Tribune Tournament in Tampa.

October 27, the Panthers play Indian River in Fort Pierce, and on Tuesday, Nov. 3 at 7:30 P.M. they will play Indian River in an exhibition game at the Moore

Haven High School Gym.

The baseball team will go to Ft. Pierce for a 3-4-5 P.M. game with Indian River. On Thursday, Oct. 29 at Head Field in Avon Park, the Panthers will play a double header with Indian River beginning at 12 noon.

On Saturday, Nov. 7, the Panthers will go to Sarasota to play a double header with the Kansas City Royals baseball farm team. First game starts at 11:00 A.M. and the second game at 2:00 P.M.

All exhibitions are free to the public except in Moore Haven.

DCT Club Will Sponsor Midnight Show

It'll be a night for only those who can "take it," when the DCT Club of Avon Park High stages its annual mid-night Spook Show. The show featuring the movie "The Mad Room" will be held at the Hilaria Theatre, Avon Park, starting promptly at midnight, October 30.

In addition to the "thriller" movie, which stars Shelly Winters, the DCT Club is planning plenty of other "Tricks and Treats" to make the spine tingle. Tickets for this event can be purchased in advance from any DCT student, and will be available at the door of the theatre. Proceeds will be used to finance DCT school projects during the year, and to send Club delegates to the state meeting on November 12. Price is \$1.

POSTMASTER George P. Brantley, Jr., center, of Lakeland, presented a Certificate of Excellence award to Marshall Davis, right, assistant postmaster of

Avon Park, for their efforts in the nation-wide Clean-Up Week. Looking on is Richard Robinson, left, maintenance supervisor of the Avon Park Post Office.

Post Office Awarded Certificate For Efforts In Clean Up Week

Avon Park Post Office staff was awarded a Certificate of Excellence for their efforts and participation of the nation-wide Clean-Up Week in the nations post offices in August.

Congratulations are in order to all the employees who participated in this endeavor. The entire program at the Avon Park Post Office had been an outstanding success. The Clean-Up Week was an effort to improve Postal Environment. Postmaster Robert Young states that this is to be a continuing program in which special attention will be given to the condition and cleanliness of the floors, walls, fixtures, open areas, resulting in improved appearance of the facility for the benefit of our patrons and a more pleasant environment for our employees.

Postmaster George P. Brantley, Jr. of Lakeland presented the award to the Avon Park Post Office staff. Mr. Brantley reports that four offices in the Lakeland Sectional Center area received awards out of 29 offices. They were Avon Park, Eagle Lake, Zolfo Springs, and Lakeland.

Lions Club News

Avon Park Lions were honored to host District Governor L. Duane Perkins of Lakeland on his annual official visit here on Tuesday, Oct. 8. Governor Perkins joined with members and guests in the usual pre-dinner activities, but without the leadership of longleader Lion Billy Martin the singing had some of the qualities of a bushel of wild crabapples. That is, there was plenty for all although somewhat on the sour side.

The formal program got underway with a brief reading by vice president. Giddens of an outline of the organization of Lions International and responsibilities assigned to its several managerial units. The outline emphasized the role of the organization to provide leadership and service to member clubs, all being engaged in community and humanitarian service.

Governor Perkins then spoke on the District's role in Lions and of his goals for the 1970-71 year. He emphasized "involvement" by members in all club programs as essential to club success. He also stressed the need for

MILKING BY HAND never brought smiles to anyone's face such as the members of the Dairy Science class of South Florida Junior College, have as they listened to Ric Dressel describe the newest in milking machine equipment. In the hallway between the bulk milk storage room and the herringbone milking parlor with a short transparent plastic inspection milk line overhead, Ric stated that electronic sensors in the milking machine switch the individual milking cups from a standby basis of 10 pounds of vacuum pressure and 30 pulsations per minute to the standard milking rate of 15 pounds of vacuum pressure and 60 milking pulsations per minute when the dairy cow under the stimulation of the gentle milking rate lets down her milk. After the cow's milk flow decreases the sensors cut the normal milking rate back to the gentle standby milking rate thus preventing injury to the cow's udder by overmilking. With Ric are his father Dick Dressel, Lake Placid; Mike Garrett, Immokalee; Dennis MontDeOca; Bruce Bennett and Gene Landress, Avon Park; Bruce Corbett, Immokalee; Riley Williams, Frostproof; and Dan Norris, Ft. Meade.

Shuffling
With 10 courts in play, Dorothy Wilde and Elizabeth Clarke won over John Wolf and Elmer Good. Art Jordan and Bernice Long won in consolation with Sarah Kerr and Herb Shauger the runners-up.

It rained just enough Saturday evening to wet the courts good, but with a little mopping the tournament was on. John Wolf and Alene Howard came in first with Larry Robinson and Charles Romilly, second. Chris Cabana and Etha Larrew won in consolation over Phoebe Chase and Harry Wilde.

Cand Games
On Monday afternoon four tables of pinocle played in the club house. High scores went to Ota Gibson and William Johnson with 440 and 638.

Bridge started on Tuesday afternoon with Helen Kull in charge. Marian Todd had the high score of 7430 and Joseph Nickerson 4560.

Dances
There was a square and a

half on Monday evening, and on Friday evening two squares. Some of the squares are more difficult and they get mixed up, but everybody laughs and keeps on going.

Supper
Twenty-three at the supper on Saturday evening, so there was good fellowship, good food and a general good time. Elmer Good asked the blessing.

News of the Week
Mr. and Mrs. George Orniston had as their guests this past week, their daughter and husband, Mr. and Mrs. Neil Passage of Mesa, Cal.

There may be others back from the North, but this reporter saw at the Club, on the street, in church, the following who have returned from their homes in the North to be here for the Winter: Kelly and Etha Larrew from Windsor, Ill.; Ivan and Deborah Chambers of Rosnoke, Va.; Claude and Thos. Chase from Scipio, Center, N. Y. and Ira and Alice Shader of Royal Oak, Mich.

We have as of Saturday evening, 99 members. Ethel Kime is recovering nicely from her operation this past week. She will be in the hospital a few more days.

New members this year are: Roxey Enfield of Mary Point, Va.; Ray and Dorothy Shroppe of Mt. Clemens, Mich. and W. A. and Verna Tregoe, of Falconer, N. Y. and recently returned member, Richard Verner of Grand Falls, Ore.

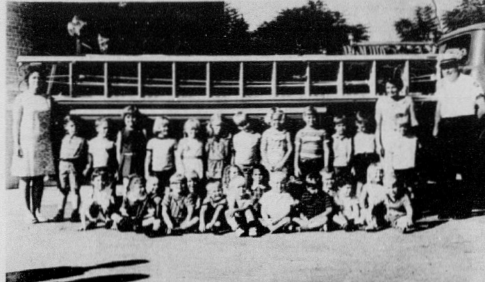

Completes Pilot Course

Army Warrant Officer candidate Chester R. Bennett, son of Mr. and Mrs. Roy J. Bennett, Avon Park, on August 28 completed a 20-week helicopter pilot course at the U. S. Primary Helicopter School, Ft. Wolters, Tex.

During the course, he was trained to fly army helicopters and learned to use them in tactical maneuvers.

He next will undergo advanced flight training at the U. S. Army Aviation School, Ft. Rucker, Ala. Upon completion of advanced training he may be appointed a warrant officer.

THE KINDERGARTEN CLASS from "The Little School," paid a visit to the Avon Park Fire Department, Friday, to learn about fire and safety during Fire Prevention Week. Sitting, left to right, are: Melissa Shawyer, Carole Ann Owens, Alan Bennett, Erick Pader, Linda Batts, and W. A. and Verna Tregoe, of Falconer, N. Y. and recently returned member, Richard Verner of Grand Falls, Ore.

Hayes, Jeffrey Davis, Tracy Parnell, Jackie DeShong, and Jeffrey Antley, Back row, (l to r), Mrs. Wilma Smith, teacher, Scott Rigdon, Ernest Kopta, Denise Copeland, Angie Gantry, Leanne Hill, Vanda Wells, Casey Mattox, Karen Pallett, Jon Carithers, Lynn Dressel, Sammy Henderson, Desmond Albritton, Mrs. Martha Wester, teacher, and assistant fire chief, Mack Flowers.

KENT S. MCKINLEY WANTS HIS SEAT BACK & THERE IS A REASON!

Kent S. McKinley is a life-long Republican leader, serving the Party in an *Assembly* position for a number of years and acting as Party standard bearer in a strong race against Congressman James A. Haley. His strong support of the Republican Party and its ideals is literally legend in Sarasota County. Mr. McKinley has been applauded for his strong support of American ideals by Republicans and Conservative Democrats alike. The former editor and publisher of the *Sarasota News*, Mr. McKinley is also an industrial engineer and financier. He is a member of the American Legion, the Elks, an honorary member of the Civil Air Patrol, a member of Conservation 70 and a founding member and member of the board of the Save Our Bays organization. Mr. McKinley also serves the community on the board of the Sarasota Day Nursery and as a member of the Century Club of the Boy Scouts of America. Mr. McKinley is especially proud of his *Citizen Of The Year* award presented to him by the American Legion in 1958 and of his 94% Conservative rating given him by the Committee For Intergovernmental while he was serving in Tallahassee as a State Representative (1967/68 session). McKinley and his wife Marjorie reside at 203 South Washington Drive in Sarasota and attend St. Boniface Episcopal Church. The McKinleys are 20 year residents of Sarasota.

During this session Representative Heath introduced the "Casino Gambling Bill" and Representative Heath and Tillman introduced the "Sebring Race Track Bill". These bills form a major part of the basis, for Mr. McKinley's entrance into the election as a write-in candidate.

As everyone knows, Mr. Heath was soundly defeated in the September 8th Republican primary in a clear-cut showdown over the question of legalized gambling. The people spoke and there is no mistaking their message. They do not want casino gambling in Florida.

Representative James K. Tillman squeezed by a strong challenge from Dr. Albert S. Lasky. A relative newcomer to Republican politics, Dr. Lasky's campaign against Representative Tillman was overshadowed by the free swinging, highly aggressive campaign against Representative Heath and his deplorable "Casino Gambling Bill". Dr. Lasky, in addition, decided to run just one day before the deadline for filing and only six weeks prior to the election. He never fully had the opportunity to expose Tillman's record and Tillman's deep involvement with Heath to the general public.

In the belief that the public has a right to know the entire story behind the "Casino Gambling Bill" and behind Representative Tillman's involvement with it and his personal involvement with the now repudiated Donald Heath, Kent S. McKinley decided to offer himself as a write-in candidate for the post of State Representative in the November 3rd general election. Mr. McKinley also feels that every citizen of the district, Republican, Democrat & Independent alike, should have the opportunity to express their approval or disapproval of Mr. Tillman's record after the entire story has been unfolded for their scrutiny.

Over the following days and weeks leading up to November 3rd, it will be Kent S. McKinley's goal to totally expose what really has been going on in Tallahassee and to graphically portray to you, as a taxpayer, what you have been getting for your money.

THERE IS A REASON!

Avon Mobile Home Park News

By RUTH E. ROBINSON

A welcome back to another pair of shufflers, Mr. and Mrs. Kellie Larrew (Edna) who arrived here on Tuesday of last week.
Mr. and Mrs. Orval Marshall write that they are living at their son's home for the time being until their health improves. They would be glad to have visitors and cards from their friends, or just to hear from them, any-

way. "Hello, to everyone," "Hello, to everyone," from Oma and Orval. Their address is c/o Mr. Kenneth Marshall, 1482 North Mitchell Ave., Indianapolis, Ind. 46219.

Congratulations and best wishes from all your friends in our park, Lulu Maddrell, for many happy years of contentment in your new mobile home. It is beau-

tiful and so roomy!
Arriving here last week, Wednesday for a vacation in their new mobile home on 4th Ave. are Mr. and Mrs. Rowe Weller from Oil City, Pa. where Mr. Weller works for the Glass Co. Mrs. Weller's sister, Mrs. Anna Faller with her son, Raymond Faller are with them for this 10 day stay. Their sight-seeing has consisted of Ocala, Cape Kennedy, Key West, Bradenton and Bok Tower. They will be leaving for home next Monday.
Mr. and Mrs. Earl Johnston had brother of Earl and

his wife and son visit with them on Sunday. Mr. and Mrs. Roy Johnston and Jimmy are from Bradenton.
Mr. and Mrs. John Wolfe with friends, Mr. and Mrs. Elmer Gibbels took a trip to West Palm Beach on Sunday afternoon.
Films shown last week and enjoyed by all present were, "Legend of LaDore," "Colorado," "Winning the Race-Davonta 400," "The Most Famous Beach in the World" and "Profile of Fire and Forest—New York State."

Violation Of Gun and Law Draws \$100 Fine

Doyle Adams, of Lorida, pleaded guilty in county court last week to displaying a gun and light at night, capable of discharging deer and given a \$100 fine or 30 days.
The court suspended sentence on condition there are no further game law violations, and ordered the truck and gun released to Tom Bass, rightful owner. The light was impounded.
Other sentences in county court

involving local persons, included: Levi Dewberry Sebring, displayed stop sign, \$50 or 15 days.
Nolan Carl Young, Sebring, improper backing, \$10 or five days.
Estimating bonds were: James Alexander Slack, Avon Park, drunk, \$40.
Ray D. Craddock, Avon Park, drunk, \$40.
Bill R. Cope, Sebring, allowing unauthorized person to operate

motor vehicle, \$20.
Glady's Willis Price, Avon Park, drunk, \$40; profanity, \$40.
James Willie Bryant, Lake Placid, taking or attempting to take game or fur bearing animal with gun and light at night, \$25.
His gun was released.
Alvin McGibbs, Lake Placid, taking or attempting to take gun or fur bearing animal with gun and light at night, \$25. His gun was released.

Fellowship Bake Sale Successful

Fellowship Baptist GA bake sale was a success far beyond the expectations of the girls. They made \$33 in the four hours they worked. They wish to thank the people who made this bake sale possible and the people who contributed to its success.

Friday, Oct. 9, a party was held at the home of Mrs. Doyle Roan Jr. Hamburgers were served and games were enjoyed by the girls who attended. This party was held for the purpose of getting the girls of the Missionettes GAs together to bake the "goodies" that were to be sold Saturday.

The GA leaders, Mrs. Maureen Simms and Mrs. Doyle Roan, expressed their gratitude to the people who came out and bought the cookies and cakes. The proceeds will go to the Lottie Moore Christmas Offering.

DEAN DON H. FARRENS, Dean of Vocational, Technical, and Adult Education on far right is welcoming the OEO workshop on "Student Concern," held last Thursday at South Florida Junior College, Faculty members of the University of South Florida, Tampa, composed the agenda of visiting lecturers for the event.

goes on for you.*

That a light bulb will light is usually just taken for granted. But not here at Florida Power. We're doing plenty to make sure your electricity is there — no matter what happens.

We now have over 500 million dollars in assets... but we will spend over 500 million dollars additional on new facilities in the next 5 years. That's over 8 million dollars per month to make sure your light comes on when you flip the switch. Our more than 2500 employees work night and day in all types of weather to make sure our service to you is the best possible.

MOBILE HOMES

USED MOBILE HOME for sale. Inquire at office Grayce's Mobile Estates, Sebring. gfc

TRAILER, Reasonable. Rose Trailer Park, inquire at lot 16, Sebring. 2p

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nation's large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States today. Last year one out of every three new one family dwellings sold in this country was a mobile home. Today for only 1/3 the price of a modest suburban house a family can buy a 12'x36' air conditioned mobile home with two bedrooms, a comfortable living room and a well equipped kitchen. This equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their instant communities offer an answer to the problems of the urban pressure cooker. Come visit Grayce's Mobile Estates, gfc

Connor Visits Here To See First Premium Citrus Trees

Florida Commissioner of Agriculture, Doyle Connor, flew in to Avon Park Wednesday, Oct. 21 to witness the digging of the state's first Premium Quality Citrus nursery trees from the Grassy Creek block of Ward's Nursery, Inc.

In addition to Commissioner Connor, those present at the informal ceremonies were Arthur Mathias, General Manager of Haines City Citrus Growers Assoc. to whom the first order of Premium Quality trees will be delivered; Halvin L. Jones, Director of Florida Division of Plant Industry; Jesse K. Condo, Chief, Bureau of Plant Inspection; Don Bridges, Chief, Bureau of Budwood Registration; Tom Thayer, President of the Florida Citrus Nurserymen's Assoc.; G. Franklin Ward, President of Ward's Nursery, Inc. and Charles Collins, Production Manager of Ward's. Representatives of the agricultural news media were on hand to record the event.

The Premium Quality Citrus Tree Program was originally launched by the Florida Department of Agriculture in 1967 and preliminary regulations and restrictions were set up. Ward's Nursery, Inc., which has been the first entrant in the Division's Budwood Registration Program in 1953, immediately laid plans to meet the requirements for Premium Quality designation.

In 1968 the Division shelved the program because of lack of interest by the citrus industry, but with the change of interest in 1969, the program was initiated. Of all the citrus nurseries in the state, only Ward's Nursery, Inc. was found to meet all the stringent requirements for the Premium designation.

The Division placed the Premium Quality tag on 60,000 trees comprised of Hamlin, Pineapple, Valencia, Duncan Grapefruit and Dancy Tangerine on rough lemon rootstock.

Haines City Citrus Growers Assoc., one of the state's pioneer citrus cooperatives, has used Ward trees for over

Later Dates Set For County Fair

Highlands County Fair, ordinarily staged late in January, will be moved forward to February 22-27 in 1971.

Fair president Russ Albritton, Jr., said the change was made for three reasons. The earlier fair time has proven too close to the Christmas holidays. It gives too little time for preparation. And the time last year interfered with mid-year exams at the schools.

And last but not least—the committee hopes to run into a little warmer weather. Fair dates for some years have seemed to coincide with the coldest weather of the winter.

Service Call Window To Be Open Saturdays

Effective Saturday, Oct. 24 a call service window will be open on Saturday mornings from 9:30 to 10:30 A.M. The services will be limited to the delivery of parcels, special delivery, certified and registered mail to post office box and general delivery patrons. Due to recent surveys made of the window transactions on Saturday mornings and the closing or reduced hours of numerous business firms formerly requiring postal services on Saturday morning, services are being changed to conform with private business trends. A stamp vending machine is available in the box lobby by 24 hours a day and scales are provided for patrons who wish to purchase stamps and weigh letters and small parcels for mailing. Carrier delivery service to residential and rural patrons will remain the same—Monday through Saturday.

Youth Care To Hold Open House

Bands will play, VIPs will be interviewed and there will be conducted tours as Youth Care, Inc., holds its second annual Open House November 4. A main object of the observance is to raise funds for the juveniles as well as to show citizens in the surrounding area what the establishment now looks like.

The open house hours are 2 to 6 P.M. and Mrs. James Turnbull, president of Youth Care, Inc., will greet guests. The Avon Park Correctional Institution band will play, along with bands from Sebring, Avon Park and Lake Placid High Schools.

The chorus from Highlands Girls School will sing and girls from the school will conduct tours through the facility.

Outstanding persons in the area will be interviewed over the radio by Ted Dell and Tom Crutchfield, vice president of Youth Care, Inc. Juvenile Court Judge Mervin Rehner will show the WEDU film depicting the history of the home.

The committee for the observance includes the Judge, Mrs. Nancy Swift and Don McShaffery with Mrs. Virginia Rehman and Mrs. Jane Rapp assisting with the program. The garden clubs will decorate coffee and orange juice will be served.

Man Charged With Murder In Beating Death

Willie Currie has been charged with the murder of Horace Clark, who was found early Sunday morning, beaten behind Kirkland's labor camp. Clark was taken to Winter Haven with internal bleeding, and died later.

Clark lived at Alpine Groves and was an employee of the Coca Cola Company.

10,000 Expected At County's 1st Oct. International Race

Highlands County's first big time international October race will be run in Sebring Sunday afternoon.

And it will draw a bigger crowd than that which viewed last December's first

LAM Grand Prix for the Formula A open cockpit cars. "We are hoping for about 10,000 race fans for this second LAM Grand Prix," said John Smiley, press officer for the sponsoring Automobile Racing Club of Florida.

Smiley based his hopes — and prediction — on advance ticket sales which his office said are running slightly ahead of what they were the week before the December race. That race drew

between 6,000 and 7,000 people. Last year's defending champion, England's David Hobbs, is a pre-race favorite along with Canada's John Cannon. California's George Follmer, and veteran Mark Donohue.

Donohue on Tuesday was a last minute entry. Former Indy Rookie and U.S. road racing champion, Donohue has placed second and third in the Sebring 12-Hour. He will drive a Lola T102.

Cannon will drive a Hogan; Starr McLaren Chevrolet and Hobbs the Castro-Surtees Chevrolet.

Television star Dickie Smith, driving a Lotus Chevrolet, also is expected to be at or near the front when the checkered flag goes down.

Cannon, seeded up the LAM Continental Championship a few weeks ago. Follmer, like Cannon, has won two races in 1970, driving the ex-Marino Andreotti Lotus 70 entered by Brian O'Neil. He will drive this car Sunday. Smithers won his class in the 1969 12-Hour.

Both the 96 mile Formula A race at 4 P.M. and the 77 mile B-C Formula Race at 3 P.M. will have an international flavor.

The provisional entry list for the Formula A race lists Englishman Hobbs and four Canadian drivers.

The Formula B-C race lists three foreign drivers — H. P. K. Dibbey, of London, England; Bruce Jensen, Ontario, Canada; and Brian Nelson of Scotland. There will be five Florida drivers competing in this one — Gary Belcher, John Stanton, Jack Dantiaguelo, Dr. Ray Mummolo and Jim Gurney.

Florida drivers competing in the Formula A race are Jeff Stevens, John Gunn, Dave Hunt, Dr. John Hood, and Mike Broekman.

The provisional entry list for the Formula B-C cars reached 25 this week with 29 entered in the Formula B-C event. All will get a chance to race since each field can take up to 35 entries.

Practice and qualifying runs will be on Saturday, with the B-C cars scheduled for 10 A.M. and 1 P.M. The A Formula cars for 11 A.M. and 3 P.M.

A late entry to the Formula A race may be Mark Donohue, former Indy rookie and US road racing champion, driving a Lola T102, an advanced version of the car he introduced at Sebring last December.

Although no official entry has come to race headquarters, it is expected he will drive here, which will throw the favorite's battle up for grabs.

Drivers will be competing for \$40,000 in prizes. First place in Formula A is worth \$14,000 and first in Formula B-C \$10,000.

There will be concessions on the field, including food and souvenirs, local service organizations providing some of these.

Radio Station WJCM will carry a running account of the races.

GEORGE W. WALPER, left, Administrator of Walker Memorial Hospital, welcomes keynote speaker, Sheriff O.

L. Raulerson, at the Fire and Safety Committee luncheon, at the hospital.

Sheriff O. L. Raulerson, Jr. Speaks To Walker Memorial Hospital Staff

The welcome mat was out Thursday, Oct. 15, at the Fire and Safety Committee luncheon that meets every other Thursday at Walker Memorial Hospital. George W. Walper, Administrator, and Dan Sanderford, Assistant Administrator, welcomed the keynote speaker, O. L. Raulerson, Jr., the newly appointed Sheriff of Highlands County.

Sheriff Raulerson spoke to an audience of department heads of the hospital and members of the Walker Memorial Fire & Safety Committee. Not only is the sheriff an excellent speaker but his topic of "Drug Abuse" held the undivided attention of each of his listeners. He is well versed on the subject and there is no question about his dedication to his job and his determination to do everything possible to curb the drug problem in Highlands County. Startling facts were revealed to his listeners and he emphasized the importance of everyone knowing the symptoms and far reaching and damaging effects of drugs.

After the Sheriff's enlightening talk, members of the administration of Walker Memorial Hospital reported

Twelve Men Nominated For Directors

Twelve men have been nominated to fill the six vacancies on the Board of the Avon Park Chamber of Commerce for a period of three years.

Those nominated to fill the vacancies are: Robert E. Lee, Charles Watson, George Haynie, Walter Mandis, Robert Young, William Owens, Morris Adams, James Heim, Joseph Penn, Charles Espisio, Charles Hoke and Art Becker.

The next Chamber of Commerce meeting will be held November 19 in the Chamber of Commerce office.

Congressman Rogers Will Be Here Today

Congressman Paul Rogers will visit Avon Park Monday afternoon, Oct. 26.

He will greet citizens of Avon Park at the Jacaranda Hotel lobby between 4:30 and 6 P.M. All citizens are invited to come by to meet the congressman.

SENATOR HOLLAND

SENATOR Spessard Holland was scheduled to speak Wednesday evening at a free fish fry and political rally at Highlands Hammock State Park for Highlands County Democrats and their families. It would be his first visit to this county in several years.

Ridge Association of Retarded Children Directors To Meet

Development of policies for the new work activity program for mentally retarded young adults and teenagers is on the agenda for the Fall board of directors meeting for Ridge Area Association for Retarded Children. The RAARC board will meet at 7:30 P.M. Tuesday at Ridge Area Day School in Avon Park.

The association expanded its program this Fall to include the work activity program which is quartered in Hopeful School. It is the first time the county has had a work program for retardates beyond public school age. Retardates who live in Sebring are bussed to the project in Avon Park.

The directors will also receive reports on two other expansions of the RAARC program—the opening of a developmental training program and the relocation of the association's Thrift Shop.

The developmental training program, which operates in the annex of First Christian Church, offers pre-school training for the severely retarded. The Thrift Shop, a resale store which operates for the benefit of the retarded and handicapped, has moved into the Jacaranda Hotel building in Avon Park.

Ridge Area Youth Association for Retarded Children (RAYARC) will present a report on a

get acquainted social the young people hosted for retarded children and their parents.

DEMONS BY DODGE

NISENER MARINE, INC. of St. Petersburg began work on repairing the bridge on US 27 at Lake Anoka, just south of Avon Park this week. The bridge collapsed just after being completed several months ago. State officials said the bridge had been built according to state specifications and the company was not liable for the loss. The estimated cost of repair was put at \$300,000.

They kicked a 27-yard kickoff which was snagged by James Coleman for an eight yard run. Sismore handed off to Walter Nunnallee for a pickup of six

Red Devils Seek Second Win As They Face Frostproof Friday

The Avon Park Red Devils will seek their second win of the season tomorrow (Friday) night in Frostproof as they play the Frostproof Bulldogs. The Devils record this year so far is 1-4-0. The Bulldogs record stands at 1-3-0.

Punta Gorda Game

The Devils kicked at Charlotte High in Punta Gorda last Friday night after their Homecoming by 12-0.

The game started when Devil's quarterback Don Sismore kicked a 36 yard boot which they took and ran their own 15 yard line.

Tarpon quarterback Harold Weaver kicked off to Harold Mack for a short 4-yard run. They did the same play twice, for a gain of five yards. Quarterback Weaver threw a 27-yard pass intended for Burton Lawless but intercepted by Devil's Jackson for an Avon Park first down on the 45-yard line.

Sismore then handed off to Curtis Jackson for a 9-yard gain. Sismore pitched out to Steve Hartt for a 4-yard run and a first down. Sismore lateraled to Gregg Albritton for a 4-yard run. Sismore fumbled the ball and it was recovered by Charlotte High on the Avon Park 23-yard line.

Tarpon quarterback Weaver then handed off to Harold Mack again for a 67-yard run and the first Tarpon score. Place kicker Mike Haymans kicked for an extra point putting them ahead with 7-0.

The Tarpons then kicked off to the Devils with a 45-yard boot which was snagged by Devil Frank Davis who made a nice 33-yard run. Sismore then made a 3-yard run. Avon Park was penalized five yards for letting off sides. They made up for this by a five-yard run by Sismore. Sismore handed off to Walter Nunnallee for a first down on the 45-yard line. Sismore handed off to Steve Hartt again for a gain of four yards. Sismore ran for a gain of seven yards and another first down.

Avon Park was penalized again for a loss of five yards. Then Sismore pitched up a gain of three yards. Sismore was then injured, so the coaches temporarily took him out of the game. Clark Jackson took a sack as quarterback and threw a 14-yard pass to Joe Franz for another first down. The Devils were again penalized for 10 yards putting them back on the 23-yard line.

Then the Tarpons took the ball over and made a 4-yard run by Harold Weaver. Their next pass attempt was incomplete. Next they tried to punt. They kicked to the 30-yard line which was picked up by Devil Frank Davis

who fumbled and was recovered by the Tarpons for a first down on their own 20-yard line. Next they ran three yards putting them on the 17-yard line, when the buzzer rang ending the first quarter. They returned play on the opposite 17. Harold Mack then ran for the second Tarpon touchdown. The try for the extra point was no good.

The Tarpons booted a 45-yard kick to Devil Frank Davis who then ran a 20-yard run putting them on the 35-yard line. Davis ran for a gain of five yards. The Red Devils started losing yardage when Sismore was rushed very hard. They lost 12 yards altogether. Sismore then kicked the ball 36 yards which Tarpon John Herbovich picked up and was stopped before he could gain any yardage at all. Herbovich ran for another five yards. The Tarpons picked up another four yards by quarterback Weaver. He ran another seven yards for a Tarpon first down. Weaver passed 20 yards to Burton Lawless for another first down and a smaller distance to the goal posts. Weaver handed off to Harold Mack for a 31-yard run and the third Tarpon touchdown, making the score 19-0.

They kicked a 27-yard kickoff which was snagged by James Coleman for an eight yard run. Sismore handed off to Walter Nunnallee for a pickup of six
