Highlands County Will Aid Ambulance Service Company

Ambulance service for accident victims was assured Tuesday when the board of county commissioners agreed to guarantee payment for the service. The agreement is a temporary one pending investigation of federal law on ambulance service and possible federal financing.

The board unanimously approved the agreement which stipulates that payment is limited to accident calls verified by some law enforcement agency and the ambulance company must present to the commissioners evidence that attempts have been made to collect the bills from other sources.

Discussion about guaranteed payment for ambulance service had started two years ago but failed to attract much attention until service was refused to the victims of a Sept. 27 mishap which left one Sebring youth dead and five injured.

Claude Lee, owner of Avon Ambulance Service, acknowledged that the company has a "no pay, no service" rule but said it was not intended to apply to emergencies arising from accidents.

In a long statement read to the commissioners Tuesday, Louis Robinson said that following the Aug. 27 accident he had investigated and learned that the ambulance services in Highlands County are operating at a loss.

He said while "ambulance services are run like other businesses . . . but they are the business of mercy . . . and we feel the operator is obligated to provide this service without regard for where he gets his money."

He said that federal law states that the "county commission shall provide ambulance service" and he said that under the Highway Safety Act the federal government will provide a subsidy. The subsidy may be as much as 50 percent.

Lee, who operates the Avon Ambulance Service, and Tynen Dowden, vice president of Highlands Ambulance Service, Inc. (which is operated by Stephenson Funeral Home, Inc.), also made statements to the commission.

In a written proposal, Dowden asked the commission to pay "all ambulance charges non-collectable after a period of 90 days and all dry ambulance runs to accidents where no one is removed from an accident to a hospital."

Seven Companies
The telephone directory lists seven ambulance services in Highlands County: two in Avon Park, two in Lake Placid and three in Sebring.

Dowden said the county has long been divided into three areas for ambulance service to accidents on the highways.

The Sebring area is North of Lake Josephine, South of the bowling lanes and Lakemont. Accidents to the South of the

Sebring territory are to be handled by a Lake Placid company and to the North, by an Avon Park company. Dowden said his standard charge for emergency accident calls is \$1 per mile.

Robinson said his investigation had revealed that some ambulance services are losing \$1000 per year.

Lee said he is now owed \$1336 by Medicare, but the commissioners refused to get into discussion of ambulance service for anyone other than accident victims.

Pauper Burials
The county's funeral directors got a helping hand in another direction. On recommendation of County Welfare Director Anna Dee Church the fee for pauper burials was boosted 35 per cent to a maximum of \$250 for adults.

Dowden pointed out that payment is not completely free of charge. In Lake Placid and Sebring cemeteries are owned by the county and the cities provide graves for paupers free of charge. In Avon Park the cemetery is privately owned and the funeral director is charged a fee of \$140.

Commissioner Cecil Skipper volunteered to contact the cemetery association directors and ask whether special arrangements can be worked out for indigents.

One of my opponents has made much of the fact that I support a program which would bring city sewers to 95% of the population of Avon Park. I believe such a program is vitally necessary to the continued growth of our city. A major emphasis today is on control of pollution. We cannot continue to build new houses and businesses on rather small city lots and dump our raw sewage into the ground without eventually bringing pollution to the surface. Some day later we will be forced to make sewers available and the cost of such installation continues to climb each year.

Mr. King has accused me of not being aware of what is going on as he would lead the public to believe that I am not apprised of the interest costs involved in the borrowing of money for sewer construction. I am sure that each citizen is fully aware that anytime he borrows money he must pay interest. It is no different with the City of Avon Park. Do Women Want "Liberation"?

Among the noisy minorities there are some who, these days, with their raucous demands, there is none more vociferous than the advocates of Women's Liberation.

An editorial in the Birmingham "Sun" recently said, "Every American male should be concerned about the swelling liberation movement being promulgated by the women who long since shook the shackles of most restraints from their beings. . . ."

"The automatic water heater, washer, and drier have liberated them from the wash-pot, scrub-board, and clothesline. . . ."

"Modern women have an automatic range with an auto timer that can be set to cook for 15 minutes. . . ."

"What do women want to be liberated from?"

But before men get too upset about this movement, they should listen to some women who are among the vast majority who have not joined this movement and have no intention of doing so.

Here, for example, is what syndicated columnist Harriet Van Horne says:

"Women have come a long, long way in the past century. One hates to see their progress undone by the viragos of the 1970s. . . ."

"The Bible gives a picture of a woman who has found happiness and contentment. Her industry and astuteness are outlined, and she is described in these words: 'Who can find a virtuous woman? Her price is far above rubies. The heart of her husband doth safely trust in her.'"

"Her children arise up and call her blessed; her husband also, and he praises her: 'Favor is deceitful, and beauty is vain, but a woman that fears the Lord, she shall be praised.'"

"Give her of the fruit of her hands, and let her own works praise her."

Peace must be supported by the duty of the citizenry to resist those who reject justice and insist that righteousness prevail. The biblical basis for order and peace and the strong military establishment to place fear before all murders and lawbreakers is the duty of Christian citizens to maintain.

It is not the war against aggression which is immoral; the aggressors and murderers are the immoral and wicked. The Christian, on just and necessary occasions, must fight and stop the aggression of the tyrants. It is immoral not to resist aggression when the aggressor is enslaving and destroying liberty. Morality, liberty, righteousness, and peace are all of the same pattern and belong to the realm which God honors with His people must love.

Communism with its repudiation of God and its use of dialectical materialism changes everything that a Christian believes. It is the duty of the Christian church to support the forces of freedom and the army of righteousness in order

"If these proposals seem far-fetched to you, Sweden, where most of them are already in effect. . . . That country is so far ahead of us in recognizing the problem that Swedish statements on sex and equality sound like bulletins from the moon."

Sweden, by the way, the country where it has recently been seriously proposed that it be made legally permissible for men and women to copulate openly in the parks and other public places—so long as it does not offend others. This is progress, if we should accept it.

Later in her article, Miss Sweden added this gem, referring to conditions in society after the victory of Women's Lib, Lesbians and homosexuals will no longer be denied legally binding marriages."

In Berkeley, an organization called Women for the Free Future recently burned, among other things, a Bible.

Prescription for Disaster
Isn't it true that the Women's Lib agitation is not given the treatment that it deserves to be ignored, as the ravages of those who have only a prescription for disaster?

The Bible gives a picture of a woman who has found happiness and contentment. Her industry and astuteness are outlined, and she is described in these words: 'Who can find a virtuous woman? Her price is far above rubies. The heart of her husband doth safely trust in her.'"

These Biblical concepts were paramount in the lives of our forefathers as they built the United States of America and erected our police and military establishments. That which undermines them, weakens and makes them ineffective, is an assault upon peace. They must maintain the peace with the support of God-fearing citizens.

Dr. McIntire said, "It is this peace which I represent as chairman of the United States March For Victory and which says our 50,000 boys shall not be sent to war until they are old enough to be drafted."

Our emphasis upon victory challenges the spirit of surrender represented by those who feature the peace symbol which is indeed a cross turned upside down and broken, and the sign of anti-Christ, the mark of the beast.

Dr. Carl McIntire, is Editor-in-Chief of The Christian Beacon, of Collinswood, New Jersey, sponsor of "24th Century Reformation Hour," on radio. He can be heard on radio station WSNB Belle Glade at 10:30 each week day morning Monday through Friday. He is sponsoring, "The March For Victory," in Washington, D.C., Saturday, October 3rd.

Mrs. Sherertz said she would love to be in that march, carrying her flag. Mr. and Mrs. Sherertz, long time residents of Avon Park, have two sons serving our country: Russ Raymond, with the U.S. Coast Guard Radio Station, Guam, and Alvin Raymond Sherertz, at Castle AFB, California. Mr. and Mrs. Sherertz, Jr. is a mother and citizen one can be proud of. She is interested in anything, concerning "Peace" and our Country."

Jesus Christ revealed and maintained that peace in the world at large would be maintained by police and military forces strong enough to restrain the lawless and aggressors which intermingle in society. 1971 CHRYSLER
Styling refinements, engineering improvements and a new level of interior comfort highlight the 1971 line of Chrysler cars.

"The improvements do much to increase the already high level of value built into every Chrysler car," R. K. Brown, Chrysler-Plymouth Division general manager said.

13 MODELS OFFERED
The 1971 Chrysler line consists of 13 models in five series: Newport, Newport Custom, 300, New Yorker, and Town & Country wagons. Two and four-door hardtops and four-door sedans are available in Newport, Newport Custom and New Yorker; the 300 is offered as a two or four-door hardtop; and the Town & Country wagons are four-door models in either two or three-seat versions.

EXTERIOR STYLING
Exterior styling refinements on the Newport include a new grille with its prominent horizontal bars, full-loop bumpers front and rear, optional fender-mounted turn signals, new wheel covers, and tail lamps which are recessed for protection against breakage.

There are vinyl-insert body side moldings and front and rear wheel opening moldings on the Newport Custom.

Behind the new grille of the 300 are the standard concealed headlamps. The body has a color-keyed vinyl rub side strip, and the wheel covers are unique to the 300 series. Tail lights extend the full width of the car.

ALL NEW INTERIORS
Interior changes extend from the new instrument cluster and new steering wheels with wood-grain inserts to the fabrics,

seats, and door trim panels. Instrument panels are more attractive and controls are simpler. A new push-pull headlamp switch replaces the toggle. The center air conditioning outlet now has a shut-off feature. "Tilt & Tell" (tilting and telescoping) and rim-blow steering wheels are optional.

Ventless window glass is standard throughout the line, although a power-operated vent is optional on the New Yorker four-door hardtop.

New split-back bench seats with free-standing center armrests have built-in head restraints, and a 50-50 front seat with individual controls and a passenger side recliner is available on New Yorker and Newport Custom four-door models and Town & Country wagons.

ENGINE AVAILABILITY
The Newport, Newport Custom

and Town & Country models have the 303 CID V-6 with 2-barrel carburetor as the standard engine. On New Yorker, 300, and the standard engine is the 440 CID V-8 with 4-barrel carburetor. The high performance 440 CID 4-barrel engine is optional on all series except Town & Country wagons, which offer 4-barrel versions of both the 303 and 440 V-8's as options. The 383 4-barrel is also optional on Newport Custom.

All standard Chrysler engines will operate with regular gasoline. The 383 CID 4-barrel high performance engine is offered in one basic version for 1971. The engine has been modified to allow the use of regular gas by reducing the compression ratio from 9.5 to 8.7, using shorter pistons and recalibrating the distributor.

Devils
(Continued from Page One)
offensive backs are the big question marks. In jamboree play the Devils took advantage of two fumble recoveries to score in the first quarter against Waukegan and then drove with alternate quarterback Walter Nunnallee for the only TD against Stirling.

Veteran quarterback Don Sizemore will direct the Devil offense for the third season and Steve Hart, a senior with a year's experience will be at the fullback slot. But the Devil halfbacks didn't get much experience last season with Willie Joe Seigler and Roy Claitt busy racking up the yardage. So senior Walter Nunnallee and Dennis Hart look like the starting halfbacks with Frank Davis and Curtis Jackson pushing them for a chance to run the ball.

THE SPACIOUS lawn and home of Buford Jasper on Lake Letts provided the setting for a picnic for the faculty, staff and members of the Board of Trustees of South Florida Junior College last

Friday evening. It also provided an opportunity for new members of the teaching staff and their spouses to become acquainted with others of the group.

CLASSY CHRYSLER -- The 1971 Chrysler -- 13 models -- feature a new level of interior comfort, styling refinements and engineering improvements. The Newport (shown above) has a new grille, full-loop bumpers front and rear, new wheel covers and taillamps which are recessed. Interiors have been made more luxurious.

Suspension Faces Students With Narcotics

Highlands County School Board meeting Thursday formally adopted a policy on students charged with narcotics violations.

Effective last Thursday, students charged will automatically be suspended from school until the case is reviewed by the county superintendent and the school board.

Since the policy has just been put into effect, students already charged are not affected by this and do not face suspension.

Group Enjoys Trip To Clearwater

A group from Avon Park enjoyed a night out at Clearwater, Saturday, Sept. 12, at the "Kapoti Inn."

They went especially to celebrate the birthday of E. J. Stewart. The group enjoyed the browsing and beautiful scenery at the Kapoti.

Those enjoying this delightful night at the "Kapoti Inn" were Mr. and Mrs. A. B. Curry, Mr. and Mrs. Jerry Wright, and Mr. and Mrs. E. J. Stewart.

The probable defensive line-up for the Red Devils will have Jackson and Smith at ends, Archer and Danny Albritton at tackle, Ricky Dick and Greg Albritton at guards, Jarvis Hart and Dennis Hart at linebacker. Majoneiser and Frank Davis at halfback, and Don Sizemore at safety back.

Clark Jackson and Don Sizemore will handle the kicking chores for the Red Devils this year. Clark will probably do most of the kick-offs with Don doing the necessary place kicking and some of the kick-offs.

So Avon Park fans can look to the front five this season for some real action if pre-season predictions prove out. Look up the numbers of center Ricky Dick, tackles Randy Ward and Danny Albritton, and guards Danny DeLaney and Greg Albritton and watch them open the holes for the backs this season. Also helping out on the line will be Mike Archer, Ted Long, Mike Rhiner, Virgil McInvalle, Willie Davis, Johnny Edwards and Bill Phillips. Take a good look at these boys in Daytona Beach tomorrow night and then let them know you appreciate the kind of play the Devil interior line puts out.

Next week the Red Devils will be at home at Memorial Stadium hosting the Mulberry Panthers. Season tickets for the five home

games will be on sale right up to the game time and at the gate. Adult season tickets for \$8. Pick up on Sept. 22. Those attending are asked to bring a covered dish and table service. Invitations have been sent to elected members of the Legislature: Jim K. Tillman, Dist. 117; Robert Johnson, Dist. 118; and Granville Crabtree, Dist. 119.

GOP Women To Have Covered Dish Supper

The Republican Women's Club of Highlands County is sponsoring a covered dish supper at Sebring city pier, at 6:30 P.M., Tuesday, Sept. 22. Those attending are asked to bring a covered dish and table service. Invitations have been sent to elected members of the Legislature: Jim K. Tillman, Dist. 117; Robert Johnson, Dist. 118; and Granville Crabtree, Dist. 119.

Also to Highlands County candidates and their wives: Clarence E. Polston, county commissioner Dist. 2, and Andy B. Jackson, Dist. 4; and C. Johnny Johnston, School Board Dist. 1.

Not Related

The horse chestnut is not related to the chestnut. The former is a member of the buckeye family, while the latter belongs to the great beech family, along with the oak.

Tractors Must Have Emblems On Back

Beginning September 1, all farm tractors, road moving equipment and similar vehicles traveling the highways of Florida will be required to display the slow-moving vehicle (SMV) emblem.

Rick Dressel, president of the Highlands County Farm Bureau said that the legislation requiring use of the emblem was in part results of the work of the Florida Farm Bureau Federation in supporting the measure during the last session of the Legislature.

"As a service to area farmers our county Farm Bureau office has a large supply of these emblems available and we encourage all those who must use them to place their orders as soon as possible to meet the September 1 deadline," he said.

Jr. Woman's Club Hold Mexican Fiesta Saturday

The Florida Power Lounge took on the air of a happy Mexican Fiesta last Saturday, Sept. 12, as the Junior Woman's Club gave a party for their prospective members for the coming year.

Cheryl Guerdni was chairman of the membership party. Myrtis Guerdni, Ellen Martin, Lois Sachsenmaier, Karen Boyer, and Sharon Heard were in charge of the food for this fiesta. Home-made tacos with all the trimmings, fritos, Mexican dip, and cokes were served to the approximately 30 guests.

Everyone drew an envelope from a straw hat as they came into the party. These envelopes contained various items of paper money. This money was used by the guests to bargain with the old Mexican in his thatched-roof stand for the gifts and prizes. Jimmy Garner played the part of the old Mexican, and Sharon Heard, who was in charge of the food, was the old Mexican's wife. Jimmy Garner played Mexican instruments and sang a Mexican song welcoming the guests to the fiesta.

The lovely decorations carried out the theme of the gay Fiesta, using bright colored paper flowers, red candles, sea oats, hay, peacock feathers, and dried leaves. A penita, which hung at the center of one of the tables, added greatly to the atmosphere.

The serving table was covered with a white lace cloth and adorned with a straw basket carrying a bundle of paper flowers.

Grange Honors Former National Master

Avon Park Grange No. 203 met September 8 with Master, Louis Clarke, in the chair. The Charter was draped in honor of Hershel D. Newsome, Master of the Avon Park Grange for 18 years.

He resigned in 1968 to take an appointment by President Johnson as a member of the United States Tariff Commission.

Brother Newsome's dedication to the Grange and to agriculture was known around the world. He had close relationship with four presidents and many other world leaders. He distinguished himself as an international agricultural expert and carried forth Grange policies and programs into every available area.

One of Brother Newsome's fondest wishes was that the Grange would have a beautiful headquarters building in the nation's capital. This was dedicated in 1960, and stands near the White House and Lafayette Square as a monument to his dedication and perseverance. He was buried in a native state of Indiana.

The program was primarily on Ritual and prepared for the enlightenment of the new members. The Florida Wildlife number was on the Florida Nighthawk. There was a reading on September and Labor Day. A game of Quotes was entered into by all members. An apple contest was also enjoyed. Thought for the day—The secret of contentment is knowing how to enjoy what you have and being able to lose all desire for things beyond your reach.

Refreshments were served by Mrs. E. H. Fullerton. The next meeting will be held in the Junior Sunday School room of the First United Methodist Church, on Wednesday evening, Sept. 23 at 8 P.M.

members on the first row, left to right, Janet Guthridge, and Ruth Hill. Second row, (l to r), Clara Jo Pipkin, and Mrs. Stiles Brown, Senior Women's Club president.

SHOWN ABOVE, left to right are: Nancy Bowie, Jimmy Garner and Lexie Harper, in the old Mexican thatched-roof stand, that lent a bit of humor to the party.

Sheena Lucas, Jerry Curry Exchange Wedding Vows Aug. 14

Miss Sheena Daffee Lucas of Roanoke, was the bride of Jerry Brunzell Curry of Jacksonville, August 14 at 8 P.M. at Salem Faith Assembly of God, with the Rev. Glenn E. Strickland officiating.

The bride is the daughter of Mr. and Mrs. Thomas F. Lucas of Roanoke. The bridegroom's parents are Mr. and Mrs. Aloy B. Curry of Avon Park.

The bride, given in marriage by her father, wore a formal gown of silk organza and Venise lace fashioned with empire bodice, scalloped neckline, bracelet length sleeves and A-line skirt that extended to a chapel train. Her halo of matching lace carried a Bible covered with lace, rosebuds, and stephanotis.

Mrs. Deborah Delby, the bride's sister, was honor attendant. Bridesmaids were Miss Elaine Bohon of Salem, Mrs. Richard Hunt of Roanoke and Miss Kathy Farris, cousin of the bride, Norfolk, Va.

Mrs. Michelle Strickland was flower girl, and Jeffrey Farris, cousin of the bride, was ring bearer. The bridegroom's father was best man. Ushers were Allen Spradlin of Salem, Gary Salmons, Gary Delby and Gary Lucas, the bride's

brother of Roanoke, Va. The bride's parents entertained at a reception at the Salem Recreation Center. After a southern wedding trip through the Smokies, the couple will live in Jacksonville.

The bride, who is a graduate of South Eastern Bible College, is a teacher in Jacksonville. The bridegroom is a graduate of Massey Technical Institute, Jacksonville.

Founders Circle Resumes Meetings

The Founders Circle of the Avon Park Garden Club, resumed their meetings last Thursday, Sept. 10.

It was held at the home of Mrs. Tracy Mallory. The meeting was preceded with refreshments by the hostess, Miss Linda Brandtas, co-hostess.

E. A. DeLaney, Jr. brought some of his lovely orchids and explained their growth and development. It was a most interesting and informative talk. Several ladies were lucky recipients of lovely orchid bouquets that Mr. DeLaney had made.

MRS. MARY GARRETT

Mary Garrett Appointed To Vice President At Avon Citrus

Ask anyone in Avon Park a question about the various departments of the Avon Citrus Bank and chances are they will answer, "ask Mary Garrett."

Mary has held almost every position in the banking business except president and chairman of the board.

Positions held by Mrs. Garrett since her first day with the bank back in February of 1941 include, file clerk, general clerk, bookkeeper, paying and receiving teller, loan teller, savings teller, assistant cashier, assistant vice president and was appointed to vice president in January of 1961. She has served in this capacity until her most recent promotion.

Except for a two-year hitch in the WAVES, Mrs. Garrett's entire banking career has been spent at the Avon Citrus Bank. She is one of the leading woman bankers in the state of Florida, and is treasurer-elect of the Gulf Central Group of National Association of Bank Women and will take office in October.

Mrs. Garrett is a native Floridian and is married to Fred Garrett.

Local Residents Enter Golf Tournament

Wallace Lowery of Frostproof and John Hinson of Avon Park teamed together and won the Florida Sportsman Association 18 Hole Four-Ball Golf Match held August 30 at Harder Hall.

The low first prize winning score was a 66. Lowery produced a spectacular 33 on the front nine and a cool repeat of 33 on the back nine of the well-maintained par 72 6,723 yards championship golf course owned by Harder Hall hotel.

This 66 was the sum of six birds and 12 pars. On the front nine the birds came on holes 3, 4 and 5 and on the back nine they came on 11, 14 and 15.

Al Sanders and Lou Altemann, the team from Avon Park, came in second with a low score three under par 69. This was followed by a 71 put together by Robert "Bob" Saffold and John Grady of Sebring. Dr. Charles McAlister and Charles Dine of Sarasota and St. Petersburg respectively made their presence known by shooting a par 72.

The next Florida Sportsman Association sponsored golf competition is scheduled for next Sunday at the same golf course with a 7:30 A.M. tee-off time.

Bride's Luncheon Held At Metcalfe Home

Miss Anne Wilmont Barben was honored Friday, Sept. 11, with a bride's luncheon, at the home of Mrs. Charles Metcalfe with Mrs. John Gross as co-hostess.

A beautiful arrangement of pink, white and blue flowers in an epergne, centered the table where the bride and her bridesmaids sat, with the two mothers of the bride and bridegroom. The other guests were seated at a round table.

The bride presented engraved silver bells, as gifts to her attendants. The luncheon was preceded by a toast to the bride, given by Mrs. John Gross, childhood friend who recalled the days, from kindergarten to the present.

The dessert cake, decorated with dainty flowers, was selected by each attendant which held a charm, a gift from the hostesses.

Missionary Will Be Featured At Church of The Nazarene

Rev. and Mrs. Oather K. Perkins, missionaries to Uruguay, are now on furlough and are holding services among Churches of the Nazarene. This is the Perkins' third furlough since being assigned to Uruguay in 1962.

Rev. Perkins has had various responsibilities as a missionary. He has pastored churches, been the Director of the Bible School, taught in the Bible School, opened new church work, administered Youth Camps, acted as Director of the CCC, and he has built several buildings.

The special services presented by Rev. Perkins will include the showing of slides, a presentation in Portuguese that Uruguay presents to the church, and the victories of the church in Uruguay.

Rev. Perkins received his Bachelor of Arts degree from Bethany Nazarene College in Bethany, Okla. He also received his Th.B. from the Kansas City College and Bible School. Prior to his assignment to the mission field, Rev. Perkins pastored a church in May, Okla., and

later, taught in the San Antonio Bible School.

The Perkins are making

REV. O. K. PERKINS

Rev. Perkins will be in the Church of the Nazarene on Monday, Sept. 21 at 7:30 P.M. Everyone is cordially invited to come and meet this missionary.

New Budget Introduced at Avon Park Association Meeting Monday

It's going to be a great year for the Avon Park High School Band and Band Association!

A new year began on Monday, Sept. 14, with full attendance at the first general meeting, showing strong support for our band. Fifty-seven parents were present for a very informative meeting, presided over by vice president, Carolyn Tomlinson, in the absence of president, Ed Sharpe.

The new budget was introduced and ways and means of meeting this budget were discussed. The Band Association's new concession stand, will be in use for the first football game, not quite completed, but open to serve you Devilburgers, 50¢ to 40¢, French fries, cotton candy, candied apples, cakes and coffee. Come on out and have supper with us!

We will be having an auction at a later date. Bob Henderson volunteered, so if you're planning to clean out the attic or even redecorate, you'll be happy to pick up your "throw-aways." Just give Bob a call.

Of course, the highlight of the meeting was discussion of the Washington trip! Our band will be going to Washington in April, 1971, for the Cherry Blossom parade. The cost of the trip is \$120 for each student, with the student paying \$85, and the Association, \$35. The band students will be "on the road" on this project, selling doughnuts once a month and candy later in the year. To be invited to participate in the Cherry Blossom Festival is an honor and we urge you to encourage and support our band members.

We have 95 senior high band members, including the color guard, and 101 in the junior high band.

We are proud of our band and solicit your continuing support for these fine people.

Ormond Beach, Florida was the locale of many early car races. Its hard packed beach provided adequate surface for racing, long before roads were available. A Stanley Steamer made 197 mph here in 1907.

Mike Rihner Elected Band Captain

The Avon Park High School Band Association recently held its annual election of officers for the 1970-71 year. Officers are chosen solely by the vote of fellow band members, and each has his own special responsibilities in keeping the band affairs running smoothly.

The students chose Mike Rihner as this year's band captain, who will lead the other officers and will represent the band at various concerts.

Those chosen to take care of the business will be: Lt. Barbara Miller; Sgt. Toni Casan, and Corp. Roberta Bearman.

Librarians, who keep the band's large supply of music in order will be: Lt. Martha Moselle, and Sergeants, Lisa Blackstone, Elizabeth King, and Debbie Scott.

Second Lt. Jonathan Wright was chosen to be in charge of the band's publicity.

Second Lt. Eddie Ezell, quartermaster, and Sergeants, Jake Allen, Nick Fells, Fred Ferguson, Butch Selgrove, and Richard Ferguson, will be responsible primarily for leading and unloading band instruments and equipment to and from the various performances.

The 1970-71 Grenadier Band members are expecting a busy year and are really getting into sound tremendous. Let's get behind 'em and push 'em every chance we get!

Ormond Beach, Florida was the locale of many early car races. Its hard packed beach provided adequate surface for racing, long before roads were available. A Stanley Steamer made 197 mph here in 1907.

The next meeting will be on Wednesday, Oct. 14 in the parish house, after the mid-week Communion.

All Troops meet immediately after school, with the exception of Troop 21, which meets from 3:30 to 5:30 P.M.

Any girls, who are interested in scouting, should contact Mrs. Jane Barben or Mrs. Margaret Taylor for full information. Some of our adults with time on your hand should contact one of these ladies, as adult workers are also needed in many of the troops.

First Christian Church Women Hold Meeting

The Women's Council of the First Christian Church, held a meeting in the rooms of the church Thursday evening, Sept. 10, with Mrs. Danforth conducting the devotion.

Mrs. Paul Lacey gave the lesson study, "Lydia," the first Christian convert in Europe, whose faith and prayers accomplished much.

A business session was presided over by the president. It was decided to hold the meetings on the second Thursday, evening of each month, at 7 P.M. A committee was appointed to make some improvements in the nursery.

Refreshments were served to the ladies after the meeting by Mrs. H. J. Rutherford.

Church Women Hold First Fall Meeting

The Episcopal Church Women, met for their regular monthly meeting on Wednesday, Sept. 9, after the mid-week Communion Service, at the home of Mrs. Walter Mandis. This was the first meeting of the Fall session, and was well attended.

After a short "Coffee," Mrs. James A. Johnson, Jr. opened the business meeting. Mrs. Karl Swanson reported on the U. T. O. and said the next ingathering would be on Sunday, Nov. 1. She hopes all members will keep the date in mind.

In the absence of Mrs. Rena Smith, Mrs. Johnson announced the rummage sale would be held for three days in October, in the Parish House of the Church of the Redeemer, starting Thursday, Oct. 1, at 1 P.M., and will continue through Friday and Saturday, Oct. 10. Members are urged to donate, may leave it at the parish house.

Mrs. Walter Mandis, reported on plans for the second annual Antique Flea Market, which will be held March 14. Her plans are working out well and she hopes the event will be fully as successful as the one in 1969.

Father Knapp asked the group to sponsor a lunch for the children of the parish on the date of November 16 and set and Father Knapp was satisfied, if not, will set another date.

Mrs. James A. Johnson, Jr. and Mrs. Vernon Lanier will be co-hostesses at the Annual Tea for the Highlands on Saturday, Oct. 10.

Mrs. James Johnson, Jr. introduced Mrs. Burton Ostrin, program chairman, Mrs. Ostrin gave a short talk on her travels during the Summer. She travelled over 10,000 miles through the Western states. She gave very interesting talk, taking a text from the revised version of the Bible, "Romans 8:28." God works in everything, for good with those that love him.

She cited several instances where a seeming calamity, proved to be untold blessings. Her talk was an inspiration and gave help us to look for the blessings under the troubles.

The next meeting will be on Wednesday, Oct. 14 in the parish house, after the mid-week Communion.

All Troops meet immediately after school, with the exception of Troop 21, which meets from 3:30 to 5:30 P.M.

Chaplain and Mrs. Danforth Honored at Farewell Party

A farewell party was given Sunday, Sept. 13, in honor of chaplain and Mrs. Danforth, at the Highlands Lakes Academy gym. Elder Ross Sype gave a touching devotion at the beginning of the get-together.

The refreshment table was covered with a green cloth, with a beautiful arrangement of roses as the centerpiece. Roses were used throughout at vantage points in the room. A trio, composed of Calvin Rogers, on saxophone, Ray Davis, on organ and piano, and Albert Cushing, on violin, provided a program of music, which was thoroughly enjoyed.

Delicious ice cream and cake were served to the large crowd that came to wish them God's speed.

Chaplain and Mrs. Danforth were presented a set of book wear and a bank draft. Chaplain Danforth has accepted an invitation to pastor a church in Three Rivers, Mich.

All the church members and the many friends they have made are sorrowful to see the Danforths leave and will miss them.

Hostesses for this lovely party were Kay Dunningway and Mrs. Jean Hudson, of Walker Memorial Hospital.

Nazarene Church Mrs. G. R. Couch Holds Annual Returns From Vacation

The Florida District of the Church of the Nazarene, held its annual Sunday School convention on September 11 and 12.

The convention was held in Clearwater at the Park Harrison Hotel. The principle speaker was Dr. Charles Strickland of the Nazarene Bible College in Colorado Springs, Colo. The main theme of the meeting was "Mobilize for Evangelism."

The Church of the Nazarene is being geared to do a large crowd that came to attempt to reach two million people with a positive Christian Witness in the month of October.

The Avon Park Church of the Nazarene was represented by four delegates, including the Sunday School superintendent.

Free Heart Stroke Test

Free heart-stroke tests now can be obtained free of charge at Highlands County Health Department. Testing is by appointment only, takes about 20 minutes, and results will be sent to the patient's doctor.

Subjects will be tested on cholesterol, acid sugar, and gives an electrocardiogram. The program is open to all persons 18 years of age and older.

Take the air out of lots of big wheels, and all you have left is a flat tire.

By DAVE LLEWELLYN

Hiroshima. Is that a place to you, or an event?

What about two Jims? When you hear the name Yalta, does it call to mind a place, or an event?

Try Woodstock—or Kent State. A place is just a place until something important happens there. And then that place becomes a powerful memory, and a lasting force in your mind.

From then on, the place is no longer locale, but event. The woodshed is a proverbial example of this. It is a place with events of punishment in so strong a memory, even people who have never seen a woodshed know that a trip to it is less likely for wood than for a whipping.

The significant memory may be of worldwide impact, like Pearl Harbor, or perhaps personal, like the place of your honeymoon.

Personal Memories. Imagine yourself, for example, returning to your old high school. Think about it. Do you remember a building? Or is it, rather, a child you remember—yourself?

The most forceful place associations, of course, are personal. No matter how hard you try to explain, you can never mind the deep effect of any event to someone who was not there.

That's what makes history so empty to most of us. In fact, the very reason why history has become just names and dates to us is that the great spiritual movements within and among men have been lost. All that is left is words that can set the scene, but cannot set it in motion.

What Mr. Eckard's Friends Think of Gov. Kirk

To the People of Florida:

For two years the State of Florida has had a strong hand at the helm. The pride we take as Republicans in the record of Governor Kirk is shared equally by many independents and discerning Democrats.

We have prepared this booklet so that you will have a guide to the massive record of accomplishment which progressive, conservative Republican leadership has provided. Ours is not a negative campaign based upon the old politics, but a positive, forward moving demonstration of the new leadership that the Republican Party has brought to Florida government.

Sincerely,

Bice Mufkin

SHOWN ABOVE, left to right, Mrs. Barbara Cribb, Miss Gail Oswald, and Gail's mother, Mrs. Vance Oswald of Lakeland, at the "Coffee," honoring Gail, bride-elect of Lewis Perez, at the Cribb home.

Gail Oswald Honored with Coffee At Mrs. Wayne Cribb Home

Miss Gail Oswald was honored with a coffee, Friday morning, Sept. 11, at the home of Mrs. Wayne Cribb. Between the hours of 10-12, more than 30 guests dropped by to meet and greet Gail.

The serving table was covered with a gold, lace trimmed cloth. In the cen-

ter of the table was a delicate pink bride, encircled in fern and lavender altheas. On one end of the table was a coffee service, and on the other, silver trays of dainty cookies. Mrs. Margaret Turnbull helped in the serving of coffee and cakes. Little Miss Vivian (Vidi) Cribb, Jr., hostess, helped in passing the nuts. Gail was lovely in a white A-line dress, with a corsage of pink carnations, which was presented to her upon arrival by the hostesses.

Among those present were the mother of the bride-elect, Mrs. Vance Oswald of Lakeland and Mrs. Joe Perez, Jr., mother of the bridegroom-to-be, of Avon Park. Also, Mrs. Eva Gunn, aunt of the bride-elect of Avon Park, and Mrs. Joe Perez, III, from Lakeland.

The hostesses for this lovely affair were, Mrs. George Parnell and Mrs. Wayne Cribb, who presented Gail with a silver tray.

The Oswald-Perez wedding will be an event of Saturday, Sept. 26, at the United Methodist Church.

Edward Wade Dies Friday

Decision On FBI Academy Postponed Until \$1 Fee Assessment Is Settled

A decision on where to locate Florida's "little FBI" academy was deferred Tuesday when the legality of the \$1 assessed on fines was challenged in a federal court action.

It is the \$1 from the fines which will go toward upkeep of the academy.

Rep. Jim Tillman, in Tallahassee to plead Highlands county's case, said the state cabinet, because of the court action, deferred a decision. He estimated it will be as much as two months before a decision will be made.

The suit, contesting the constitutionality of adding the \$1 to fines, was filed by Judge Robert Schultz of the Civil Court of Record in Manatee County, who had carried the matter previously to the Florida Supreme Court and lost.

The brook would lose its song, if one removed the rocks.

Fans Get Pre-Season Friday Night

Avon Park football fans got a pre-season look at the Red Devil "B" squad last Friday night at the varsity "soup" scrimmage as some 47 boys worked out for the crowd. Veteran Jayvee coaches Dewey Lemer and Ed Culbertson put the boys through some scrimmage under the lights getting ready for the opening game in Port Meade on September 24 against the junior varsity Miners.

Last season the Devil "Bers" posted the best season in years with a 7-1 record losing only to Ft. Meade in the opening game of the season. So the team is eager to be ready for the Miner "B" squad this year.

The team will be without the services of quarterback Leon McEneaney this season. The young sophomore who tossed 19 touchdowns, passed last year broke his leg while practicing last week and will be out most if not all of the season.

Coach Lemer has three boys working out in the signal calling slot, however. Sophomore Anthony Williams and freshmen Danny Lewis and Buddy DeWitt are battling for the starting job at quarterback. At fullback sophomore Donald Diney and freshman Gene Albritton are looking good. Trying to nail down a halfback job are Walter Kempton, Artie Bass, Laron Cobb, Bernard Jackson, Marvin Jackson, Glen Boykin, Roy Lamb, Tim Underwood, and Tommy Beane.

On the line the "B" team coaches will have quite a choice in each position. At the end position, Nathaniel Packer and Bud Wester are battling with Eugene Flowers, Sam Dasher, Jim Wood, Tommy Austin, Bobby Lee, Doyle Gaines, and Richard Minard for the nod to start either offensively or defensively. The four boys working at center are Ronnie Dick and Tim DuPre, freshmen, and Charles Seelgrove and David Meeks, sophomores. Guards will be chosen from Andy Preston, Dale Harvard, Buddy Gordon, Richard Birt, Edward Moses, Nathaniel Williams, Steve Ward, Allen Padgett, and Yale Harvard. Trying for a tackle position are Ray Culpepper, Vic McKanas, Ricky Lanier (who is out for a while with an injured finger), Glen Gray, James Walker, Jimmy Carter, Bruce Trese, Jimmy Hopson, Haywood Butts, Sam Murphy, and Billy Sauls.

After the opening Ft. Meade game, the Avon Park "B" team will meet Arcadia away on October 1 and then will play at home on October 8 against Sebring.

HACUS To Hold Workshop

Highlands Association on Children Under Six will hold a Tri-County Workshop at Woodlawn Elementary School on October 3. Registration begins at 8:30 A.M. with a registration fee being charged per person. Buffet style lunches will be served. The theme of the program to be presented is "Our Children in Today's World."

All Day Care Personnel, Nursery Personnel, Kindergarten Personnel, Teachers and Parents, Lay and Professional People interested in the education and care of young children are invited to attend.

THE MAJORETTES are shown above, sporting their new uniforms, which they wear each Friday at the "Pop Rally," at the high school before each game.

Commission To Advertise For Building Department Staff

Proponents of county zoning won another round at Tuesday's county commission meeting when Chairman Earl Crutchfield joined Commissioners Ben McGee and Cecil Skipper in voting to advertise for a building department staff.

The budget provides for a chief inspector, an inspector and secretary. Crutchfield said the commission hopes to find staff qualified to handle building, plumbing and electrical inspections.

Del Preston Jones, of DeSoto City, long an opponent of zoning, appeared at the commission meeting to protest spending of tax money to subsidize the new county zoning and building departments.

Zoning Director John Short called the board's attention to a state law that institutes electrical codes and inspections throughout the state on Oct. 1. The county had set Jan. 1 to commence inspections in Highlands County, but when Jones asked Commission Attorney R. P. Dwyer, Jr., whether the state law will take precedence over the county resolution Dwyer replied that he is employed to give legal opinions to the commission and the commissioners did not ask that question Tuesday.

Complaint Filed

Later in the meeting Dwyer advised the board that a formal complaint had been filed by a registered engineer living in DeSoto City with the Florida Engineering Society that the Highlands County commission is "using a registered surveyor to rule on the work of registered engineers."

Dwyer warned the board that it should not put itself in the position of appearing to question the honesty of any professional engineer presenting work to the board.

Chairman Crutchfield failed in repeated attempts to elicit from the commissioners an opinion on whether the board should seek professional engineering services to pass on technical questions such as drainage indicated on subdivision plans.

The board instructed Short, who is a surveyor, to continue to check subdivision plans to see whether they meet the county's subdivision regulations and where differences of opinion arise, the board, in the long run, must pass on the question.

Later in the meeting the commissioners delayed, until next Tuesday, a decision on granting Short an increase in salary. On Oct. 1 his \$9975 salary is to advance to \$10,000, but Short indicated he would expect a larger raise if he is to continue with the county.

He was on the verge of resigning to return to private business when Administrator Engineer Charles McGee and the board asked Short to remain with the county at least temporarily.

The commissioners have slated the Tuesday meeting — a night session at 7:30 o'clock — primarily for study of the county's subdivision regulations.

During Tuesday morning's meeting the commissioners debated, but approved, a plan for a new mobile home subdivision at Leisure Lakes. The developers had submitted one "squared off" which provided 3,000 square feet per lot.

Later the design was changed to provide curved roads and lots which reduced the size of some lots. The commissioners noted that the county requirement for 5,000 square feet per lot — when the lots are to be sold — is a part of the zoning regulations which go into effect in January. The attorney advised the board it cannot anticipate application of those regulations.

Other Business

In other business the board authorized negotiations for purchase or lease of a 15-acre tract near a garbage dump at DeSoto City.

—Approved subsidizing the salary of Denver Albritton on the soil conservation staff until new federal money arrives in December.

—Voted to advertise for aerial spraying of hyacinths, weeds and brush in the county's water control canals.

—Accepted the resignation of Mrs. Patricia Weaver as Civil Defense secretary.

—Approved payment of \$4000 to Reynolds, Smith and Hills, architects, who made an office space survey at the courthouse annex.

Shortage of Supplies Causing Delays In Transportation Projects

A shortage of road building materials is "a serious problem" throughout Florida and causing major delays in all types of Department of transportation projects, the Highlands County commissioners were told Tuesday.

Bill Cochran and Mike Peterson of the Department of Transportation staff appeared at the commission meeting to confer on several road projects in the county.

The board agreed to delay a decision on whether an extension should be built to the Raley Road as it now exists and will modify the project to include a re-surfacing of Orange Blossom Ave. through Highlands Homes.

The Highlands County commissioners agreed to accept DOT recommendations on improvements for the intersection of State 17 and 623 at the entrance to the Sebring Air Terminal and for the roads into that area.

Cochran explained that a portion of 623 is built over a muck pocket, but to tear out the road and remove the muck would be very costly. The commission agreed to a heavy re-surfacing treatment.

Cochran said the contract has

been let for improving the Power Line Road, but shortage of materials is delaying start of work—the same problem he surmised is delaying work on Cemetery Road.

He explained Disney World and other private projects are buying up rock, asphalt and other road materials so fast that contractors for state projects are having a hard time getting deliveries.

He said the material shortage is holding up some work on US 27, but Cochran added, "We think we have that one worked out now."

One problem not "worked out" is the bridge over Lake Anoka South of Avon Park. He said many studies have been made, but no decision has been announced.

The commissioners complained that drivers "keep running into barricades" where US 27 narrows to two lanes to cross Lake Anoka.

Avon Mobile Home Park News

By RUTH E. ROBINSON

Mrs. Charles Brush is happy to report that Charles is doing nicely and enjoying his meals.

Louis Becker went to the hospital this week to have his leg treated after an infection developed from a wasp sting last week. Louis is also feeling much better since he has been staying off his feet. The Becker's daughter, Geraldine Nichols visited her parents over the weekend, with her daughter, Pat Sherwood, granddaughter of Nellie and Louis. Mrs. Sherwood was accompanied by her children, Jeanie and Rickie to visit their grandparents.

Mr. and Mrs. Rawley Ghasper report that they are fine, with Mrs. Ghasper's health much improved. They attended a grandson's wedding, Aug. 29 and are now hoping to return to Avon Park in October.

Mr. and Mrs. Stark are still at their summer home on Lake Balsum, Rosedale, but expecting to return south in early November.

Mr. and Mrs. Howard Bell visited with the Harmon Heffners in and around Urbana, Ohio, where they met all the other Ohio folks from our park who live in that area. Had a meal together and a visit to each of their homes.

Ora and Ruby Myers were glad to hear from the Basil Krontz this week; however, concerned that Basil has been quite ill with a kidney infection and the high fever caused his lips to be covered with blisters. The doctor said

he should be well in another week. Rosa says the weather is beautiful with that Fall crispness in the air.

She also reports a visit from Mr. and Mrs. Warren Byrre last week, all enjoying a pleasant day of conversation, with only "half talked out."

The Krontzs are expecting their first great-grandchild in about three weeks and Rosa is crocheting an afghan, racing with the stork to finish it before the little newcomer arrives. Rosa and Basil plan to arrive here in Avon Park about the last week in October, anticipating some good games of shuffle.

Mr. and Mrs. Albert Keyes are planning to leave the 19th of October, for their home in our park. It will be good to see them again.

Mr. and Mrs. Lewis Biggers are busy getting ready to move into their new home on South Lake and Margaret Drive. We shall be close enough to still be neighbors and friends, as we wish them many years of happiness in this new abode. Mrs. Hugh Winkler was the former owner and the move will be completed sometime in October.

Emmette and Sallie Wright arrived home safely from their trip to Nashville, Tenn. on Monday afternoon. David and they were happy with Tevecca Nazarene College, and the good people who are there.

Mr. and Mrs. George Beards and Mr. and Mrs. Bill Belcher arrived for a few days vacation, then back to work until later. It was nice to see them again and hope they come back to stay, very soon.

Last week's movies were Florida's own "Swannee Sojourn," "The Sun Goes North," and "The Art and Craft of Sail-Making." Mr. and Mrs. Sylvan Baker's arrival has been delayed until next week. We shall be waiting for them, as they will increase our shuffle opportunities for play. Each night has at least one court occupied.

LAST WEDNESDAY evening the home of Mr. and Mrs. Wendell Smith on Lake Angelo was the setting for an informal buffet supper in honor of the marriage of Anna Dee Hardin and Charles Shaw, both of Avon Park. Following the late evening supper the guests of honor received many lovely gifts. Attending the celebration besides Mr. and Mrs. Shaw were Mr. and Mrs. Frank Camp, Mr. and Mrs. Lew Miller, Mr. and Mrs. Art Turner, and the hosts, Mr. and Mrs. Wendell Smith.

Avon Park Flying Notes

By ELEANOR TRESCOTT

Don Gossick began instruction with two new students this past week, Smokey Welborn of Frostproof and David Hoke of Avon Park, son of Mr. and Mrs. Charles Hoke. Rodney Lane made a solo cross-country flight Labor Day to Plant City and Barrow, N.Y. and back. Green made a dual cross-country flight to Sarasota and Venice. Chester Roberts of Arcadia made a solo cross-country flight to Arcadia and Okeechobee. John Gornowski of Lakeland went dual to Wauchula.

Bill Doane of Sebring flew to Lakeland Saturday to the Antique Association Fly-In and Air Show.

Visitors from Marshalltown, Iowa flew in and spent some time at the Avon Park Flying Service. To fly or not to fly is that your problem. "What happens when a man or woman gets interested in flying? He might, initially, buy a few aviation magazines to get a feel for the subject. He might burn a few rides with friends. But eventually, if he is to become active in this crazy obsession of ours, he'll have to go on airport to take flying lessons." This from the Private Pilot. If you are interested in flying, go out to the airport look around, talk to the folks out there and maybe you too will decide that this flying is for you.

College Student Assigned To Hospital

Army Specialist Four Charles David Smith was recently assigned and is now on duty in the Patient Administration Division of Madigan General Hospital, Tacoma, Wash.

A native of Florida, SP4 Smith graduated from Paragut High School in Concord, Tenn., and attended South Florida Junior College in Avon Park.

He is the son of Mr. and Mrs. Billy Smith of Avon Park.

McKenzie Takes Position With Clerk of Court

After 11 years of work in the Florida prison system Ivy V. (Buddy) McKenzie has moved to the phase of criminal court work. He is now a deputy clerk of the Circuit Court and this week has worked through his first series of jury trials.

McKenzie, who is a native of Frostproof, joined the staff of Avon Park Correctional Institution in 1959 and he worked as an APCI correctional officer until 1962. Then he transferred to the records department and was records supervisor when he resigned in August to accept a deputy clerk position of the staff of Circuit Court Clerk Earl Rich.

His work as deputy clerk includes more than work with criminal records. He also keeps minutes for civil trials, is clerk for the law library and maintains records in the child support cases.

McKenzie is married, to the former Miss Nell Pendarvis of Lake Placid, and they live on Lotela Terrace in Avon Park. McKenzie is sergeant first class with the National Guard.

Band Dates To Remember

The Avon Park High School Band has been making plans for their popular Sunday Winter concert series. They are held at the high school auditorium, at 3:30 P.M. Guest soloists also appear along with this outstanding group. The dates set aside for these concerts are, January 24, February 7, February 21, and March 7. Mark these dates on your calendar now, so you won't forget these four afternoons of enjoyment.

The case came to light when one of the motorists inquired at the sheriff's office about the date set for his trial. Baggett faces up to 10 years in prison or a fine of \$1,000 on each charge if convicted.

Shannon and Durden Win Tournament at River Greens

The River Greens Men's Golf Association met Saturday, Sept. 12, for the Blind Partners Golf event. Winners were: Frank Shannon and Dale Durden, with runners-up, Don Strole and Henry King. The next event will be Saturday, Sept. 19, at 2 P.M.

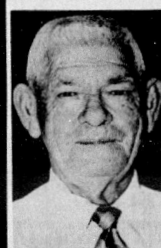

The Couples Tournament was held Sunday, Sept. 13. Flag tournament. Scotch Foresomes, with 18 teams competing. Winners: Leon and Elaine Delaney; second place, George and Louise Peffer; third place, Mike Parmenter and Linda Delaney.

A covered dish dinner

followed the tournament, in the clubhouse with 47 people in attendance. After dinner a short meeting of the Ladies' and Men's Golf Groups was held to plan future golf events.

Cultured Pearls

Cultured pearls are real pearls made by pearl oysters but they are brought about by introducing small foreign objects, such as sand grains, beneath the shell instead of waiting for nature to do so by accident.

Your support in November will insure conservative, efficient representation, on the Board of County Commissioners, from District 2.

I pledge to the citizens of Highlands County to try and avoid wasteful spending of tax dollars that creates the tax spiral.

Better ideas make better cars. THE 1971 MERCURYS.

Marquis Brougham 4-door hardtop

1971 Mercury Cougar. A better personal car.

1. Take the best sports-car ideas.
 2. Add the best luxury-car ideas.
 3. And you have a better luxury sports car.
- All new for '71. Even more elegant. Styled with European flair.
 - Hi-back bucket seats standard.
 - Tinted windows with leather in XR-7.
 - 351 cu. in. V-8, floor-mounted shift standard.
 - Sequential rear turn signals standard.
 - Steel guard rails in the doors standard.
 - Unique vinyl roof for XR-7.
 - Three hardtops including XR-7 and GT.
 - Two convertibles.

Cougar XR-7 hardtop

Comet 2-door sedan

1971 Mercury Comet. A better small car.

1. Take the best small-car ideas.
 2. Add big-car styling and performance.
 3. Result: a better small car.
- Low price. Mercury's lowest-priced car.
 - Easy handling, parking.
 - Gas economy that rivals imports.
 - Simple maintenance.
 - Choice of 2- or 4-door sedan. Also a GT.
 - Choice of three "sies" or V-8.

A better idea for safety: Buckle up.

Mr. and Mrs. Edgar Johnson Return From Hawaiian Vacation

Mr. and Mrs. Edgar W. Johnson, owners of Sunny Ridge, Ind. and Trailer Park, has just returned from a two month vacation.

They left in July, pulling their "Ridge Runner Trailer" to Texas City, Tex. to visit Mr. Johnson's brother, Lamar Johnson, and his sister, Mrs.

Earl Nash. While in Texas, they attended a ballgame at the Astrodome in Houston.

The Johnsons then went up to Indiana to their daughters, Mr. and Mrs. Frank Olla. While there they had a family reunion in the form of an "old fashion corn and sausage roast." The Johnsons also visited friends in Indiana, Illinois and Michigan.

The Johnsons then flew to Hawaii for two weeks of sun and fun, taking in all the sights of Hawaii.

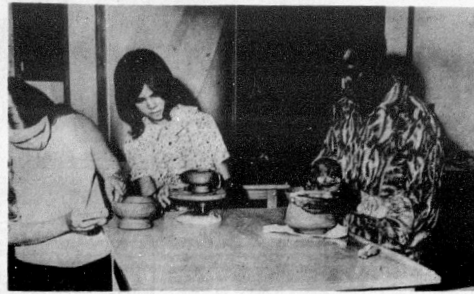

Upon returning to Indiana, they attended a three hour show of Lawrence Welk, at the Notre Dame Convention Center.

The Johnsons picked up their trailer in South Bend, and Mrs. Johnson's mother, Mrs. Margaret Hansen, and came home by way of Ohio and the Smokey Mountains.

Duggan May Win Hole-In-One Sweepstakes

James B. Duggan, Jr. of 87 N. Highlands Ave., Avon Park may win a trip for two to Scotland, plus \$1,000 cash as a result of scoring a hole-in-one recently at Avon Park Golf Course.

Mr. Duggan has been entered in the Rusty Nail Hole-In-One Sweepstakes, an annual competition for golfers. The winner will be announced early next year.

BARBARA BOWLES, Sebring, Yvonne Smith, Clewiston, and George Jackson, Avon Park, have built up their open

topped vases by the coil method and are in the intermediate phases of shaping and cleaning before the initial firing.

Highlands School Begins Fifth Year

The Highlands School, a private preparatory day and boarding school occupying the former Pinecrest Lakes Club site in Avon Park, began its fifth year September 8 with 90 students and 12 faculty members.

Students representing 23 states and seven countries are attending. Several day and five-day boarders from Avon Park, Lake Wales, Sebring and Winter Haven have registered. Day and boarding registration closes Monday. Scholarship assistance is available.

SHERRY CRUSE, Sebring, using the potter's wheel, begins to change a shapeless blob of ceramic clay into a recognizable form.

Youth Collects Money For Dystrophy Fund

Timmy Starr, age nine, son of Mr. and Mrs. Tai Starr, of Canfield Street, collected \$8.75 for the Muscular Dystrophy fund. He sent a check for this amount to Jerry Lewis, New York City, N. Y., on September 9, 1970.

Three years ago Timmy's little friend, Mike, age 10, of Sylvania, Ohio, died with this dread disease. This is what inspired Timmy to use his time for this worthwhile cause.

DIANE MOORE and Valerie McKee, Sebring, are placing prepared ceramic pieces in the front loading kiln for the first or bisque firing which makes the clay material durable prior to the second or glazing firing.

ROTARY CLUB NEWS

By STEVE ROBERTS

Guest speaker at Rotary Wednesday, Sept. 9, was Charles "Chuck" Borden, who was introduced by Bob Gay. Mr. Borden, owner of Campa Industries located at Sebring Industrial Air Park, spoke on "Ideas on Trailering."

He told that Campa Industries manufactured travel trailers from small ones which can be parked in a garage, to 24-foot trailers. He said prices range from \$1,400 on the smallest trailer to \$3,000 for the largest, a 24-footer. Their structure is wood frame covered with aluminum and they are completely self-contained in that everything is operated on gas (refrigerator, stove, heating, lights) with the exception of those furnished with air conditioners, which must have a separate hook-up. Mr. Borden said that in the bathroom, chemicals can be used in toilet facilities, which makes bathroom hook-ups unnecessary.

In some metropolitan areas such as Miami, camper trailers are not allowed to be left parked in yards in the residential areas. Mr. Borden stated that Campa Industries manufactures a trailer 6' x 17' called a Garage Camper, designed with this purpose in mind, which can be parked in a garage and the doors closed.

Some questions were asked that if someone were going to camp out why go with a camper equipped with all kinds of facilities, instead of pitching a tent. Mr. Borden pointed out that when women are along on a camping trip, built-in cooking facilities and other niceties in a camper trailer makes it easier, thus making the trip more enjoyable for them.

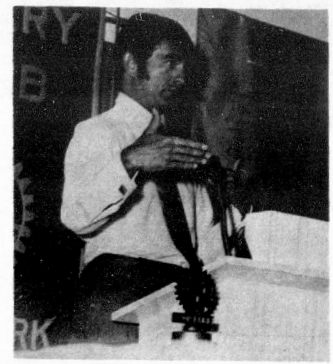

R. E. Gerlach, Sr. Is On Duty In Thailand

Air Force Airman First Class Robert E. Gerlach, Sr., son of retired U.S. Army Lieutenant Colonel and Mrs. Sheri L. Gerlach, 367 N. Main St., Meadville, Pa., is on duty at Takhli Royal Thai AFB, Thailand.

A 1967 graduate of Linesville, (Pa.) High School, the airman attended Allegheny College and Santa Fe Junior College, Gainsville.

His wife, Barbara, is the daughter of Mr. and Mrs. Joseph Pellerin, Rt. 1, Avon Park.

Interested In Jogging, Meet At Track

Adults interested in a daily jogging program to get into better physical condition are invited to join Leon Garner at the high school track each week day afternoon around 5:30 o'clock. The Avon Park High School assistant principal has already started his conditioning to work up to an eight minute mile and feels that other adults might be interested in joining him.

Mr. Garner warns interested persons that it will take some time to work up to an eight minute mile or a 12 minute mile and a half and that a physical examination or consultation with the

family doctor is advisable before jumping into such a jogging program.

So if you are concerned about your general physical condition, drive out to the track at the east end of Memorial Field one afternoon and talk to Mr. Garner about a jogging program for you.
