Investigators Visit Schools Friday

Representatives from the federal department of Health, Education and Welfare visited Highlands County on Friday and reported the school desegregation plan "as presented is being implemented."

Louis O. Bryson and Miss Lillie Robbins, of the HEW office for civil rights in Atlanta, made the investigation here. Bryson said nine Florida counties are being visited this Fall as a part of HEW's "routine checks" on implementation of desegregation plans.

Highlands County Supt. George Douglass said the HEW preliminary report, presented to him Friday, is "a favorable one."

EMERGENCY GRANT

Highlands County schools were notified Tuesday that they will receive a special $32,000 grant from the federal government. The money is appropriated from an emergency fund available to assist schools with special expenses incurred in implementing desegregation plans.

Avon Mobile Home Park News

By RUTH E. ROBINSON

Sincere sympathy is extended to Mr. and Mrs. Earl Johnston at this time of sorrow. Mrs. James Johnston, Earl's brother's wife passed away this week and Mr. Johnston went to be with his brother in Dubois, Pa., leaving on Tuesday morning with another brother, Roy Johnston from Bradenton.

Good news from the Brush home! Charles Brush came home from the hospital on the 18th of Sept. and is getting along fine. They had guests on Thursday, Mr. and Mrs. Fred Lonzanecker from Bradenton. Mr. Lonzanecker is Bertha's brother. Mr. and Mrs. Donald Lonzanecker from Ocoee, also visited the Brushs on Sunday evening.

Lewis Becker expresses many thanks to his friends for the cards and visits to him while he was in the hospital. Lewis came home from the hospital on Sunday morning and happy to be able to walk around again. Their daughter Geraldine from DeLand, was with her mother this weekend and proved to be a cheerful helper.

Mr. and Mrs. Walter Coady have enjoyed a four day visit with their niece and nephew, Mr. and Mrs. Dick Lucier from Rutland, Vt., during the past week.

Mr. and Mrs. Ora Myers enjoyed a visit with Mrs. Edna Senzer and Miss Norma Thompson on Saturday evening. The Myers also won a three game series of shuffle from Mr. and Mrs. Lawrence Robinson on Sunday evening, making the score even again.

Mr. and Mrs. Orville Marshall are still hoping to come to Florida since Mr. Marshall has recuperated nicely from a recent illness. Folks can write to them at their son's home, c/o Kenneth Marshall, 1402 No. Mitchner, Indianapolis, Ind. 46219, as they are moving from their home on September 26.

Recent arrivals from the North are: Mrs. Lucius Geib, from No. Canton, Ohio, where she enjoyed being with her mother, who is 91 years old and in good health; Mrs. Mildred Shearer, who had interesting travels through the New England states and Michigan; Mrs. Nila Sherman from Monroe, Mich. and visiting with her two new great-granddaughters, born in June and August. Mrs Pat Greer, a friend of Nila's from Monroe, Mich. will stay with her for awhile to see if she likes our weather, and Mr. and Mrs. Walter Douglas who arrived last Thursday.

The pictures shown in our recreation hall last week were, "Kid Stuff," "New York State," "Where Champs Race" and "This is the Place."

We are very sorry to hear that our friends Mr. and Mrs. Leo Wagner will not be returning to our midst this Winter due to illness, however, we wish them better health and an easy Winter with their family.

Mrs. Bess Raas is "holding her own" and our prayers are with her and her family.

Mrs. Roberta Allwood heard from her son John that he is all settled down to the routine of college studies and had also taken a trip to Jacksonville to visit his paternal grandfather, Charles Allwood.

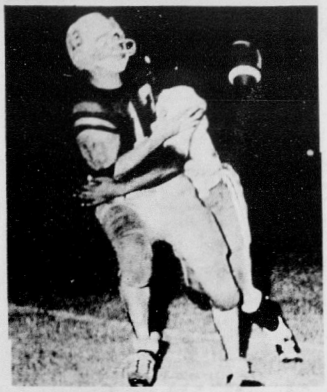
We just heard via the grapevine that Jonathon Wright is serving the first chair saxaphone in the band at Avon Park High School, and we are proud of him and his ability.

Scouts Host Stay In Scouts Party Friday

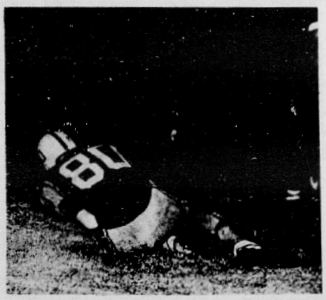
Senior Girl Scouts in Avon Park hosted a "Stay In Scouting" party last Friday night at the home of Mr. and Mrs. Russell James on Deer Lake. About 40 girls between grades 2 and 12 took part in the sports and games, which began at 5 P.M. with a swim.

The dinner was prepared by the Senior Scout Troop, and served to members of the local Brownies, Junior and Cadette Troops.

Following the dinner, the evening was climaxed with a campfire and group singing.



DEVIL HALFBACK Dennis Hart appears to have pass interference from a Father Lopez defender in last Friday night's game in Daytona Beach.



DEVIL END Joe Franza snags a pass from Don Sisemore in the end zone for six points in the fourth quarter of the game last week against Father Lopez. Franza was the leading pass receiver for the Devils as Sisemore completed 12 of 24 passes.

New Sheriff Plans No Changes In Personnel

(Continued from Page One)

The new sheriff issued a statement this week, declaring:

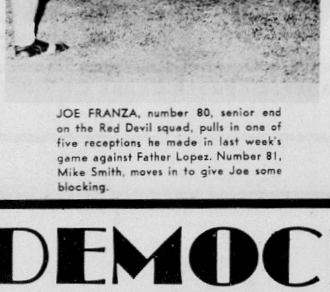
"I pledge to all citizens of Highlands County the most capable and honest law enforcement that this department can provide. No one is big enough to fill the shoes of Sheriff Joe D. Keene but his wishes and training in this department will be continued.

"His love and concern as well as future plans pertaining to the youth of this county will be continued. Many wonderful people helped during these trying times and we will continue to need the help of all the citizens of Highlands County in making this the best place for all of us to live in peace and harmony."

Forestry Field To Be Held

The Annual FFA Forestry Field Day District contests will be held Tuesday at Agrico Park near Mulberry. Registration will begin at 12:45 P.M. and competition will start at 1:15 P.M.

FFA chapters from Highlands, Hillsborough, Pinellas, Polk, Charlotte, Manatee, Sarasota, Hardee, DeSoto and Pasco counties have been invited.



JOE FRANZA, number 80, senior end on the Red Devil squad, pulls in one of five receptions he made in last week's game against Father Lopez. Number 81, Mike Smith, moves in to give Joe some blocking.

Red Devils Will Meet

(Continued from Page One)

back Dennis Hart took the ball in on the 15 and almost broke loose to go all the way before the Wave safety brought him down on the Lopez 35 yard marker. Steve Hartt picked up three yards and then Sisemore dropped back and hit end Joe Franza with a pass that Franza carried to the four yard line for a 28 yard gain. Dennis Hart picked up two yards to the two and then Walter Nunnallee drove through the middle for the touchdown. Don Sisemore kicked the extra point right through the goal posts to put Avon Park ahead 7-6 just before the first quarter came to an end.

The second quarter proved to be the Devils down-fall. On three possessions the Avon Park offense could pick up only 10 yards while the Green Waves moved for two fast touchdowns as Sullivan used flanker back Mike Dye as his top receiver to move the team through the air to the two yard line. Then Sullivan swept right end with a keeper for the second Lopez TD but missed on a two-point try with a pass to Dye.

It took only two passes and a couple of running plays to score the third time as the Devils seemed to slum defensively. Dye took one pass in for a 45 yard gain and then scored on a pass from the 15 yard marker. This time the Sullivan to Dye pass for the points after was good and Lopez took a 20-7 lead to the dressing room at half-time.

The Red Devils gave up one more touchdown in the third period as Sullivan and Dye teamed up for the second time. With the ball on the Lopez 44 yard line, the fleet Mike Dye took in a pass that was threaded between two Devil defenders and raced over 30 yards for the score. It a 56 yard play. Again Sullivan hit Dye for the two-pointer and Lopez led 28-7.

Avon Park seemed to rise to the occasion and came back to hold the Lopez offense scoreless for the next quarter and a half. Late in the final period the Red Devils generated a drive as they finally went to the air in hopes of going over the strong Lopez defense. Gregg Hartt intercepted a Sullivan pass at the Devil 23 yard line and from that point Sisemore started hitting his receivers to move the 77 yards using only five ineffective running plays. A 15 yard penalty against Lopez also aided the Devil cause.

The actual touchdown came on fourth down from the five yard line. Sisemore rolled out and finally spotted Franza open in the end zone and the senior end pulled the ball in for the score. Sisemore passed to Frank Davis for the two point conversion to set the score at 28-15.

Devil defensive back Jim Magenheimer intercepted another Lopez pass with just one minute and 16 seconds left to play but a Lopez interception a play later left the Green Waves in possession and driving deep as the final whistle blew.

The Red Devil offensive line met a bit more than its match when they took on the Green Wave defensive line but the Devil big five never gave up in spite of having to play the full 60 minutes while the Lopez boys got some rest from the second string in the final period.

Devil fans can expect some real fire from numbers 51 (Ricky Dick), 63 (Gregg Albritton), 71 (Danny Albritton), 73 (Mike Archer), and 70 (Randy Ward) after last week's testing. The Devil defense probably deserves more credit than it will get for holding the Green Waves to 28 points in the opening game. Lopez will probably score more points than that against several opponents this season.

Lions Club News

The business portion of the September 15th meeting was short and sweet. There was first a brief report of the September 2nd Zone meeting in Sebring offered by President Jack Acri. Next, the sugar was brought into the picture by an appeal by vice president Giddens for all Lions to get involved in the sale of Lions Halloween candy. Cartons were dispensed to those who volunteered and a lesser number of sacks to those who didn't. All Lions who have not been given your quota, see Lion Giddens for same, for if you don't you can bet he will see you. If you are not a Lion, be on the lookout and welcome your Lion candy salesman.

Lion George Kelsey, program chairman, introduced two quite obviously well qualified speakers on Girl Scout activities. First was Mrs. R. E. Maughan, Field Advisor of the Heart of Florida Girl Scout Council for the past 11 years out of Lake Wales. Mrs. Maughan then presented Miss Gail Culbertson of Avon Park Cadet Troop 79. Cadet Culbertson is commended for a fine discussion of some of her experiences with girl scouting. She was quite impressed with a Summer field trip to Sanibel and Captiva Islands, as well as to the Ding Darling Wildlife Refuge. Her audience too was impressed, not only with her easy manner but with the knowledge acquired in the history and environment of the places visited.

Mrs. Maughan presented a soft sell for aid to Girl Scouts through slides of a Girl Scout facility for camping and area leader seminars at Camp Wildwood. The facility is located on approximately 500 acres of near wilderness land. Plans include permenent type structures as well as tent villages, all directed to the objective of better learning environment for young girls. Her dedication left no doubt in Lions' mind of the worth of the project. Other projects described by Mrs. Maughan included the providing of day camps for native children on the Island of Dominica. There, Girl Scouts in teams of three or four conducted classes in hygiene, homemaking and other arts and skills commensurate with the age, needs and aptitudes of the 100 or more youngsters who attended. Should the opportunity arise, it is suggested that you do not miss one of Mrs. Maughan's programs. It will be rewarding in many ways if the one at the Lions den is any criteria.

Local Woman Urges Residents To Support March For Victory

As a citizen of Highlands County and of the United States of America I urge you to attend "The March for Victory," in honor of our boys in service and in Vietnam.

This march is to pledge our backing to win the war with a military victory in Vietnam. Bring our prisoners out first before we ever leave Vietnam. This war can be won. We have the best equipment and the most proficient training for our men, than any country has ever had.

Vice President Key and wife with his party of six, from Vietnam will be there to tell his side of the story, we haven't heard about Vietnam. Many other important people will be there to speak also.

Come on "Fellow Americans" and "Silent Majority," let's stand up and be counted, by attending and supporting this great march. Your support could help win the war by Christmas, or before Christmas. This could be the "Biggest" and "Best" Christmas present our country has ever had.

Five hundred thousand to a million people are expected to attend from our country and abroad.

Please fellow Americans let's make this "Victory March," the "Biggest Success" of any Peaceful march in history.

The march starts at 11 A.M. on Pennsylvania Avenue in front of the White House, Saturday, Oct. 3rd.

This march is sponsored by Dr. Carl McIntire, programming "The Twentieth Century Reformation Hour," from Collingswood, N. J., each week day, Monday through Friday. His program can be heard in our area, on station WSWN, Belle Glade.

Al Sanders Is Winner In Golf Tourney

Al Sanders of Avon Park, shooting superb golf displayed his ability as a golfer with a two under par 70. This action took place in another golf match sponsored by the Florida Sportsman Association held at the championship golf course of Harder Hall Hotel last Sunday.

Sanders' 70 on the par 72 6,723 yards challenging course was the sum of a freezing 34 on the front side and a near ice cold repeat par 36 on the back side.

Wallace Lowery of Frostproof, Mickey Dillard of Dania, Fla., and Lou Alleman of Avon Park, each shot a 3 over par 75 and had to further exhibit their skills in a sudden death play-off.

After the presentations of gift certificates and awards by Herman D. Hudson, publicity director of the Florida Sportsman Association, October 25 was announced as the next date of a Florida Sportsman Association golf match at Harder Hall Golf Course.

1971. You've changed. We've changed. Chevrolet
Worth seeing. Worth owning. Worth waiting for.

Vega. Not just another little car, but one little car that does everything well. You get more room, more weight and more power than most little cars give you, yet the gas mileage is right in the same neighborhood with the best of them. Vegas come dressed up, too, not stripped to the bone so you have to add a lot to make them liveable. Drive one. You'll see.

Caprice. There's a double layer of steel in the roof, a steel guard beam in each door, power disc brakes up front, a new power ventilation system inside, a wheelbase two and one-half inches longer. You get the looks and comfort of a six- or seven-thousand-dollar car, but at Chevrolet prices. And that's the kind of change during these tight-money times that all of us can appreciate.

A vanishing tailgate. A big change in our big wagon. The window goes up into the roof, the Glide-Away tailgate vanishes beneath the floor. Out of sight. Out of your way for easy loading even in a closed garage or when you have a trailer hooked on.
See what we mean by putting you first? September 29 at your Chevrolet dealer's.

Dean Griffin Assumes Position With American Vocational Assn.

H. Dean Griffin, former Dean of Vocational-Technical and Continuing Education, South Florida Junior College, Avon Park, assumed the position of Director of Post Secondary Development for the American Vocational Association on September 16, 1970.

In his former position, Mr. Griffin had complete responsibility for all occupational programs within the college. His duties included the administration of Associate in Science degree courses, as well as those normally found in an area vocational-technical center. In addition, he was responsible for all adult education in a two-county area where his duties included staffing, budgeting, public relations and general administrative activities necessary in a community college.

In his new position with the AVA, Mr. Griffin will be working directly under the Executive Director and will assume major responsibility for professional activities and program development at the post secondary level. He will serve as liasion with adult education organizations, post secondary vocational-technical organizations and with various industries and organizations related to the agricultural sector of our economy.

In his earlier career, Mr. Griffin was a teacher of vocational agriculture in New Port Richey and Avon Park. In each of these positions he organized a new vocational agriculture department, and his duties included classroom teaching, advisor to FFA and conducting a land laboratory program which consisted of citrus, pasture and ornamental horticulture.

Mr. Griffin holds BS degrees from the University of Florida.

Lowell A. Burkett, AVA Executive Director, remarked that, "Dean Griffin is eminently qualified to provide leadership in all aspects of vocational education. He is a young man with great enthusiasm, excellent personality and highly respected by those who know him. We are indeed proud to have him join our staff."

Mr. Griffin and his wife Kathy have two daughters and a son. They are making their home at 6432 Devine Street, McLean, Va.

Avon Park 'B' Squad Will Open Season with Fort Meade Tonight

The Avon Park "B" squad football team will be trying to improve on last year's 7-1 record when it opens this season's schedule in Fort Meade tonight (Thursday) at 7:30. The Devil "Bees" are coached by Dewayne Lemler and Ed Culbertson and will have quite a record to live up to this season after last year's squad lost only to Fort Meade in its opening game.

Coach Lemler gave out a tentative starting offensive and defensive lineup early this week. The young coach expects to have freshman Danny Lewis at the quarterback slot backed up by Anthony Williams and Buddy DeWitt. Spohomore Walter Kempton will get the nod for left halfback if his eligibility is approved by the state office by Thursday and Anthony Williams will be at the right halfback position unless needed at quarterback. At fullback will be Donald Dorsey or Gene Albritton with Roy Lamb and Tommy Beane standing by for halfback duty.

On the offensive line will be left end Bud Wester, left tackle Ray Culpepper, left guard Nate Williams, center Ronnie Dick or Tim DuPree, right guard Bill Phillips, right tackle Vic MicKunas, and right end Nathaniel Packer. Sam Dasher will also see plenty of action at offensive end.

The defensive lineup should have Bobby Lee and Eugene Flowers at ends; Culpepper and Bruce Trescott at tackles; Mosser and N. Williams at guards; Bill Phillips, Artie Bass and Nathaniel Packer at linebackers, and Danny Lewis and Anthony Williams at halfback.

Others still out for "B" squad practice who will see some action are backs Lavon Cobb, Bernard Jackson, Marvin Jackson, Glen Boykin, and Tim Underwood and linemen Jim Wood, Tommy Austin, Doyle Gaines, Richard Minard, Charles Snelgrove, David Meeks, Andy Prescott, Dale Harvard, Buddy Gordon, Richard Birt, Edward Moses, Steve Ward, Yale Harvard, Ricky Lanier (sidelined with a finger injury), Glen Gray, James Walker, Jimmy Carter, Jimmy Hopson, Haywood Batts, Sean Murphy, and Billy Sauls.

REPRESENTATIVES of the United States Marine Corp officers selection division were recently on campus of South Florida Junior College to offer qualified men and women the opportunity to serve their country's oldest military service. Left to right, Lt. J. O. Easton and Sgt. T. K. Bush.

Marine Corp Recruiters Visit South Florida Junior College

The South Florida Junior College office of student personnel service schedules over 100 visits yearly to the campus of various federal, state and local agencies which offer placement service career opportunities and educational information to the students and college community.

Last week two US Marine Corp recruiters were on campus to give students an insight into what the Marines offer. The recruiters from Tampa were Lt. J. O. Easton and Sgt. T. K. Bush.

The Marine Corp offers the interested young freshman a three and half year period to decide if he wishes to enlist in the Marine Corp. During the three Summer school vacation periods the interested young officer candidate would attend the Marine officer training school receiving sergeant pay.

At his graduation from college the young potential officer would make his final decision to remain a civilian or continue his Marine Corp career as a ground officer for the three years or as a pilot officer for five years which includes 18 months of flight training.

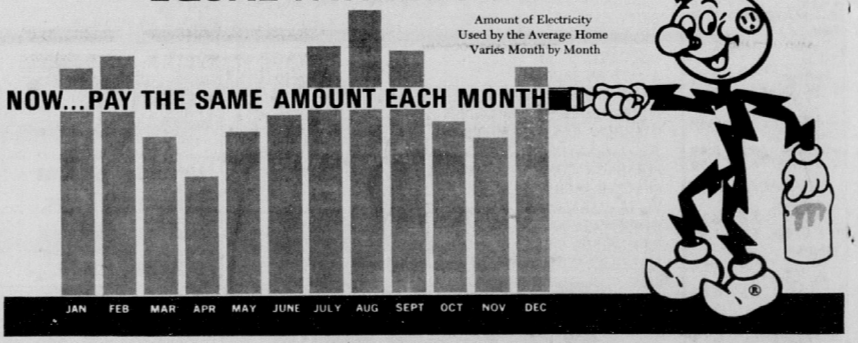
NOW...YOU CAN BUDGET YOUR ELECTRIC BILLS WITH OUR NEW EQUAL PAYMENT PLAN



NO EXTRA COST! You pay no more for this convenience. You pay the same amount each month. It eliminates higher, seasonal bills. Allows you to budget your payments on a yearly basis.

HERE'S HOW IT WORKS: We add up your electric bills for the past 12 months to determine what your total will be for the next 12 months. We then divide by 12 and bill you for the same amount each month.

At the end of that year, any difference will be figured into the following year.

Another way Florida Power "says it with service."

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nations large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1/3 the price of a modest suburban house a family can buy a 12'x60', air conditioned mobile home with two bedrooms, a comfortable living room and a well gadgeted kitchen. Thus equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Dr. Coleman Presented Plaque For Service To AP Athletics

DR. H. W. COLEMAN

Representing the Avon Park High School Athletic Association, Hue Nunnallee paid brief and moving tribute to Hubert Coleman, team physician, for "Service Above Self," during the halftime show at last Friday night's Avon Park Mulberry football game.

In recognition of 24 years of continuous service which consisted of attending almost all ball games and contact with all players in all athletic departments and donating time and service for the players physical examinations, Dr. Coleman was presented a bronze plaque commemorating his services from 1946 to 1970.

He was also presented a lifetime pass for his and Mrs. Coleman's use at all Avon Park High School Athletic events.

School Board Sells $1.5 Million In Bonds at 7.3507 Interest

Highlands County School Board concluded two weeks of negotiation with the sale of $1.5 million worth of bonds. The sale, on September 24, was to William R. Hough Co. of St. Petersburg for a net interest rate of 7.3507 per cent.

The sale of the 20-year bond issue backed by the state race track tax income included provision for a $7,500 premium.

Bids for the bonds, which will finance the final phases of the current school construction program, were opened on September 10. The single conforming bid was from the Hough company and called for a net interest of 7.730 per cent and a 2.9 per cent discount.

The discount would have cost the board $43,500 and the interest rate exceeded the 7.5 per cent limit set by state law.

Hough offered an alternate bid which did not conform to bid specifications but which did offer a sale at par and interest of 7.438. This bid called for the purchasers to name the paying agent and despositories.

New State Law On Alcohol Will Effect City

At the last regular meeting of the present Avon Park City Council before the organizational meeting to be held at 9 A.M. today (Thursday), city attorney, Jack Hancock told the council that with all the elections this month now would be a good time for them to start thinking about a state law passed by the legislature that will effect the ordinance on the sale of alcohol on election day.

The legislature at their last session abolished the law which prohibits the sale on election days, effective October 1. Years ago before the sale of mixed drinks was allowed in the county the city passed a ordinance to prohibit the sale of alcohol in containers. But after Thursday, October 1, lounges in the city can sell alcohol by the drink but not in a container unless the ordinance is changed. All package stores have been closing so far. Now the council will decide whether to allow the sale on election day or forbid any sales in the city limits on election day. All county stores will remain open. No action was taken at this meeting.

In Other Action

George Haynie appeared before the council and requested Mayor Barben to proclaim October, Clean Up—Green Up month. He said both organizations were pleased with the clean-up campaign the city is in the process of cleaning vacant lots.

Haynie asked that the city remove old cars that collect in different parts of the city.

Billy Ellis appeared before the council to grant a company in which he and Shelley Marrs were organizing the Aerial-Ag Engineers, Inc. an agriculture spraying and dusting company an easement from Marrs hangar to the airport runways. Council agreed to grant the easement at $120 per year.

The council discussed water and sewer lines to the new national guard armory. City Clerk, Malcolm Crews and John Zeigler met with Col. Gilchrist of St. Augustine, Sct. Ollie Gentry and Sct. Ben Hitson of Avon Park last Thursday to survey the site of the armory. It was suggested that since the city gave the land the county might be asked to provide the sewer and water lines and the city of Avon Park would provide the labor.

The state has released $3,600 for the planning. The building is to be similar to the one in Arcadia with the state providing matching federal funds for construction. The total cost is expected to run over $200,000.

Hue Nunnallee, attorney for H. W. Kesterson requested the partial closing of a narrow, short, ten foot alley in the Jacaranda subdivision. A copy of the survey was left with the council for them to study before their next meeting.

Council president, Jack Dugean said cars were obstructing the view at the intersection of South Central and West Main Street and there is danger in the way the cars park on an angle in front of Palmer Electric building. He suggested parallel parking and to put no parking signs in front of the Standard Station.

Kirk, Askew Will Battle For Governor, Chiles Wins

Only 39 percent of the Highlands County voters went to the polls for Tuesday's primary election in one of the worst showings in years.

But as Highlands County went, so went the state. State Senator Lawton Chiles, running for U.S. Senator, was the big vote getter here as well as in the State.

State-wide he got 65.7 percent of the votes, unofficially. Walkin' Lawton ran away from former Governor Farris Bryant 2,807-780 here. He will face Republican William Cramer November 3.

Incumbent Governor Claude Kirk and Lt.-Gov. Ray Osborne had a small margin here of 687-599 over Jack Eckerd-Bob Elrod in the Republican governor's race, absentee votes not yet counted. The Reubin Askew-Tom Adams ticket easily led the Earl Faircloth-George Tapper ticket, 2,342-1,363 on the Democratic side. So it will be Kirk-Askew on November 3.

In only one state race did Highlands County fail to go with the winner, giving Elmer Friday, of Ft. Myers, 2,038 to Miami's Sen. Robert Shevin's 1,269 in the race for attorney general. Shevin won in the state and will face Republican Thorn Rumberger in the general election.

Highlands County gave William Bevis of Fort Meade, 1,994 to Wilson White's 1,157 as Bevis swept the state. Bevis is a brother-in-law of Fred Jahna of Avon Park. Bevis will face Republican David Lindsey in November.

On the local scene, Republican Kirk carried eight precincts in the county, lost to South Delaney in Avon Park 2-1; Highlands Homes 17-16; Lucton Hall, Sebring, lost Florida 7-3; Creel building, Lake Placid, 96-60 and Ver 4-1.

Chiles whomped Bryant in all but one precinct, South Delaney, where the count was 66-64.

Askew had wide margins in most precincts, losing only two, South Delaney, 88-82 and USO Lemon Street, 46-36.

Shevin took only one precinct in Highlands — the Triangle in Sebring, 23-21.

Bevis carried 13 of the county's 15 precincts, losing in South Delaney 31-43; and USO Lemon Street 20-55.

In the wake of the election, it appeared losing candidates Bryant and Faircloth will get solidly behind the Democratic winners. Bryant early Wednesday confirmed that he would help Chiles.

In Sebring last Thursday, George Tapper, running with Faircloth declared:

"Our intention is to go into the general election with the Democrats united. We do not want to see one candidate chopping up another. The Republicans have been chewing themselves up real good. There is no question of what we would be back of Mr. Askew if he wins."

THE RED DEVIL varsity football squad huddles around Coach Joe Franza and Coach Ralph Hill before the Mulberry game last week. The sparse crowd in the reserved seat section was mostly due to the weather. An earlier rain had soaked the field and then at halftime the rain returned and fell throughout the final half.

Devils Will Play In Fort Meade Friday, Lose To Mulberry 18-15

The winless Avon Park Red Devils will travel to Fort Meade tomorrow night (Friday) to take on the tough Fort Meade Miners who are sporting a 2-0 record with wins over Wauchula and Frostproof. The Red Devils fizzled out in the second half last week after taking a 15-0 lead to lose to the Mulberry Panthers on the last play of the game by a score of 18-15.

The Fort Meade eleven is pointing to a Class B District title this year and will be well aware tomorrow night of the fact that the Red Devils, who tied the Miners in last year's game here 18-18, knocked the Polk County team out of contention for the title with a statistical victory when the two teams finished with identical regular season records. The Miners have shown a crushing ground game and also a destructive passing attack in the first two games this season. They rolled up 212 yards on the ground and 114 in the air against Frostproof last week.

The Red Devils on the other hand have shown a strong defense against a running game but have given up 40 points through the air and allowed two opponents to gain 508 yards in passing yardage against a very weak pass defense. Against Father Lopez the Devil rushers were held to 50 yards net gain and in the game last week Mulberry held Avon Park's rushing to 65 yards. The only effective Devil drives have been through the air so far this season with two of the Avon Park touchdowns coming on fourth down pass completions. Penalties have also hurt the Avon Park game. Against Mulberry the Devils drew 110 yards in penalties including several personal fouls.

This week the Devils will have fullback Steve Hartt back in action but will lose tackle Randy Ward perhaps for the season with shoulder trouble. Coach Joe Franza will juggle his line around for the Fort Meade encounter moving Jarvis Hartt back to the line from the backfield and moving up Virgil McInvale from the reserve squad. McInvale turned in an excellent performance last week on both offense and defense and will probably be a starter against the Miners. Mike Archer, who missed most of the week's practice before the Mulberry game should be back at full strength this week and some of the younger boys will undoubtedly be pushing the senior linemen for starting positions tomorrow night to try and get some strength in the offensive line and put a little rush on the passing game of the Miners.

Last week the Devils and the Panthers started play on a wet field but with no rain falling. Both teams were unable to move the ball effectively until late in the first quarter when Avon Park's Virgil McInvale recovered a fumble on the Mulberry 4-yard line. The Panthers had been driven deep with a 37-yard punt by Don Sisemore and then a 15 yard penalty which put them back on their own 20-yard line. On the second play from scrimmage, the Devil line broke through to catch the Panther quarterback trying to pass. The ball came loose and rolled toward the Mulberry goal and McInvale fell on it at the four. Then Sisemore took it in for the TD with a keeper up the middle. A fake kick by Sisemore and then a pass to Frank Davis open in the end zone was good for the two pointer and Avon Park took an 8-0 lead.

The Red Devils scored again early in the second quarter. A short punt by the Panther booter gave Avon Park possession on its own 34-yard line. Three 15-yard penalties against the Panthers at key points moved the ball to the Mulberry 15-yard marker. The Panthers first drew a roughing the kicker penalty, then a pass interference call, and finally a roughing the passer penalty. Still the Panthers held and drove the Devils back to the 21 where on fourth down and 16 yards needed for the first down, Sisemore handed off to end Clark Jackson on an end around and Jackson lobbed the ball up to Dennis Hart who took it in at the 15 and dashed into the end zone for the score. This time Sisemore kicked the point after the Devils had a 15-0 advantage.

The Panthers took the following kick-off and drove to the Red Devil 1-yard line on the next series before the Red Devils held on downs as the Panthers tried to move it in from the nine on the ground. In attempting to move out from their own 1-yard line, the Avon Park offense fumbled at its own 14-yard line to give the Panthers another shot at the goal line. This time Mulberry drove to a first down at the Devil two but the whistle for the halftime blew with the Panthers still trying to cross the goal line.

"During the halftime shows by the two school bands, a light drizzle began to fall and continued throughout the second half. Again the Red Devils de-

600 Democrats Turn Out For Rally at Ft. Basinger

More than 600 Democrats and friends gathered beneath the huge oak trees on the old Fort Basinger schoolgrounds Saturday at a free BBQ and rally to hear local candidates and speakers for state candidates.

And to visit with old friends, hear a little country music, eat huge slabs of beef barbecue, topped off with swamp cabbage and beans, and hear predictions that revitalized Highlands County Democrats are going to do more for the Democratic party than has ever been done here.

It was the first big free political barbecue held here in many years. And in addition to Highlands County Democrats, there were quite a few Democrats from Okeechobee. Rain threatened but only dampened festivities momentarily. Clayton White and his country combo played.

The main speaker was Congressman Paul Rogers, who flew here from Washington. He was accompanied by his brother and they talked to a lot of people and shook a lot of hands.

Rogers declared that the "violence and unrest will be solved by enough concerned citizens going to take a part in government."

Chairman of the barbecue, emcee, and the new chairman of the county Democratic committee, Edna Pearce Lockett declared that "We're going to have Highlands County look different this next election."

The county has gone Republican in recent state and national political races.

She urged the assembled crowd to "call your neighbors and let's carry Highlands County for the Democratic party."

Rogers added that "you need and old-fashioned barbecue to get back to some old-fashioned principles and a little stronger belief in God."

Festivities began about 11 A.M. and the crowd sat around on orange crates, leaned against trees, or set up their own folding chairs.

Mrs. Joe D. Keene, widow of Sheriff Keene, was presented with a memorial plaque from the Democratic committee. State Committeewoman Mrs. Mary McGee escorted Mrs. Keene to the front. Rev. Robert Bateman made the presentation and delivered the eulogy.

Marvin Kahn introduced the Congressman. State Democratic Committeeman C. M. Payne introduced Mrs. Lockett as the new county chairman, replacing Harvey Roberts, who stepped down, and presented her with a bouquet of chrysanthemums.

Judge Donald Larson of Avon Park, read memorials to Mrs. Pearl Pearce Stevens, first woman member of the state Democratic committee from this county and the late Mrs. Clara Pearce, first woman county commissioner in the state.

County Commission candidates Norman "Jug" Heston and Jimmy Creel spoke briefly as did Public Service Commission Candidate Bill Bevis.

Speakers for other candidates were: Morris Adams, for senate candidate Farris Bryant; Charles Williams, Avon Park, for senate candidate Lawton Chiles; George Sheldon, of Plant City, for governor candidate Reubin Askew; Dr. Elton Gissendanner, defeated lieutenant governor nominee, for governor candidate Earl Faircloth.

Speakers for state candidates were unanimous in urging that if a voter's particular Democratic candidate is defeated that they get behind the winning Democrat to defeat the Republicans.

County Tax Collector W. H. Presott introduced present county office holders who were present.

Among former office holders present who were introduced by Circuit Court Clerk Earl Rich, were former commissioners Carl McIntyre, Sol McClelland and Sidney Cooper, former Judge Joe Kinsey, former Sheriff Broward Coker.

Adding a little color to the assembly was a real live donkey owned by R. E. Thomas, decorated in the tri-colors and paraded in front of the crowd by Mr. Thomas with the offer of free rides.

Among those working on the comittee to make the barbecue a success were Mr. and Mrs. Lockett, Mrs. McGee, Mr. and Mrs. Roberts, Mrs. Tom Mitchell, C. Wesley Ward, Mrs. Mayme Paige, Don Deadwyler, the P-4 ranch crew, Lykes Bros. W. H. Prescott, Earl Rich, Billy Martin, Sheriff O. L. Raulerson, Jr., George Douglass, Robert Skipper, D. C. Collier and C. M. Payne.

A total of $39 was collected in Dollars for Democrats.

Avon Park Grange Report

Avon Park Grange met Tuesday evening, September 22 with Master Louise Clarke in the chair.

Announcement was made that Ridge Pomona Grange will meet at Florence Villa, Zolfo Springs, October 2 at 8 P.M.

Avon Park Grange voted to observe Visitors Welcome Night on November 10. Plans for the meeting will be given later.

The theme of the Lecture Hour was Education. Mrs. George Franklyn Ward gave a very interesting talk on the Ridge Area School for the Retarded and showed slides of activities. The Grange Commendation was by Franklin Delano Roosevelt — "For many years I have been a member of the Grange. I have felt at home in it because it embodies the fine flavor of rural living which I, myself have known and loved. Beyond this, it has been an instrument for expressing in useful activity the highest sentiments and deepest loyalties of Americans." The Valentine Number was on the Bears of Florida. This being Constitution week, the History lesson was on the Constitution of the United States: A reading. The Flag was given by the Master. The A, B, C's class was in the form of a quiz. The History lesson was about the States. Thought for the day — "In case you are getting too much Government, one of those who think we are just imagine what it would be like to get as much as we are paying for."

Refreshments were served by Mr. and Mrs. Clarence Higgs.

The next meeting will be held in the Jr. Sunday School room of the First United Methodist Church at 8 P.M. on October 13.

Boy Scouts Set Annual School Night Oct. 8

Plans for the annual School Night for Scouting have been announced by the Highlands District Chairman George F. Douglass.

Meetings for parents and boys interested in any phase of Boy Scouting have been set for 7 P.M. on Thursday, Oct. 8. Sebring's session will be held at Woodlawn Elementary with Max Newgent as chairman.

The meeting in Avon Park will be at the elementary school with Leon Garner in charge.

Lake Placid's meeting will be at the elementary school there with Max Daniels as chairman.

"While a boy may join Cub Scouts any time after he is eight years old or in the third grade, and Boy Scouts any time after his 11th birthday, the School Night programs give parents and son an opportunity to meet and talk with the men who give adult leadership to Scout units," Douglass said.

"The program is designed to help parents understand how Scouting can help a boy grow up physically strong, mentally awake and morally straight," Douglass explained.

Letters To The Editor

Editor Sun:

On December 1, 1961 I came to work for the Avon Park Correctional Institution. In February of 1962, I moved my wife and children, three of which were not of school age at that time to the housing area of this institution.

Since this time the two older (one boy and one girl) graduated from the Avon Park High School. The other three entered school at the Avon Park Elementary and at present one is in the fifth grade, one in the seventh grade the other child in the eighth grade.

Last year they attended Avon Park school in Highlands County. Two were taking piano lessons and one played clarinet in the Junior High school band. Two of my boys (10 yrs. and 11 yrs. old) played minor league and then little league baseball, with full intentions to continue this year and to enter skeeter squad football practice.

For some unknown reason, 3 members of Polk's school board, namely, Mr. Wendell Watson, Mr. C. C. Dockery and Mr. Robert Estes, duly elected by the peoole to best serve the public and the interest of the children of the State of Florida, saw fit to "snatch" my children out of their school environment and bus them to Frostproof which will deprive them of any of the aforementioned activities.

I would like to note that the teachers, principals and students at the Frostproof schools have been overly nice and decent to our children and have offered condolences for the inconveniences I am having to contend with in my duties as a father. On September 4, 1968, the good Lord decided to take their mother unto his own. On her death bed I promised to keep our children together regardless but upon the decision of these three men, I may have to break this promise. My children cannot and will not participate in any activities at the Frostproof High School other than scholastic activities.

I am asking these three named members of Polk's board to explain to my children why they cannot participate in their own community activities and programs. Not being acquainted with these members, I trust that at least one or two of them would search their minds and come up with some fairness, and not possibly political answers to these unwarranted probelms caused to so many of us.

Sincerely,
Paul M. Curlee

Red Devils

(Continued from Page One)

fense was forced to stiffen as the Panthers drove midway in the third quarter to the Avon Park 5-yard line before running out of downs. The Devils couldn't move out from that point and were forced to punt. Sisemore's 41-yard boot was returned some 25 yards to the Devil 30 and a 15 yarder was tacked on to that for a personal foul against the Avon Park defense. So with first and 10 from the Devil 17-yard line, the Panthers finally moved in to score. Panther quarterback Ricky Morrison hit right halfback Charles Brooks with a pass for the 17 yard scoring play. The extra point attempt was a pass from Morrison to Donnie Mims and was no good but the Panther momentum was rolling as they trailed 15-6 late in the third quarter.

The Red Devils seemed in good field position after the ensuing kick-off as Frank Davis returned the ball to the Devil 40. But a 15 yard penalty against Avon Park pushed them back to the 25-yard line and on the next play a Mulberry end, Levon Williams, intercepted a Devil pass and gave Mulberry possession on the Avon Park 30-yard line. It took just a 15 yard pass, a pass interference call against Avon Park, two incomplete pass plays, and then an eight yard toss pulled in high over the Devil defender's head in the end zone by Panther end Bill Hardee to give Mulberry its second touchdown. Again Morrison's pass for the two point conversion was no good but the Panthers were creeping up on the Devils with the score 15-12 and plenty of time left in the fourth quarter.

The Avon Park offense took over and marched slowly down the field using up the clock with short ground gains until it reached the Panther 30. Again it was a penalty that stopped the Devil drive and when the ball was knocked from the hand of Sisemore as he dropped back to pass, the officials ruled it a fumble and Mulberry recovered on the Devil 35. The Devils rose up and stopped the Mulberry offense on four plays and took over again. But unable to move on the ground, Avon Park had to kick out and it was a short 25-yard punt to the Panther 25. With time running out, the Panthers put together a drive with completed passes, two nice runs and of course another 15 yarder against Avon Park for a personal foul.

With the ball on the 17-yard line, the official decided that the clock was wrong and indicated there should be 12 seconds instead of six seconds left in the game. But the six seconds was enough for Mulberry. Morrison dropped back and hit Hardee in the end zone as the final whistle blew to give the Panthers the 18-15 victory. The pass for the point after was no good and the referees decided that extra six seconds wasn't necessary after all so Mulberry left the field with the win.

ENGAGEMENT

Mr. and Mrs. William C. Johnson announce the engagement of their daughter, Susan to Thomas James Waters of Sumner, Miss. The wedding will take place October 3 at Ft. Rucker, Ala., where Sgt. Walters is stationed.

In a well planned escape, three Avon Park Correctional Institute prisoners walked off during the Florida Home Juice Tournament held at Avon Park Golf Course Saturday. They were helping with the gala affair during the weekend.

A county wide and state alert has been made for the three white males, ages, 50, 45 and 32 years old.

No Fire Protection Spurs Residents of Community To Act

Since the Avon Park Fire Department has been restricted by rules and regulation to operate within the city limits only because the fire department is operated as a tax supported organization it must only serve within the area taxed.

The property owners living in the Northwest corner of Highlands County decided it was necessary to do something for themselves so they met in a community meeting May 28, 1970 and after much discussion chose a board of directors with authority to set up necessary protection for the area. They have organized and incorporated "The Highland Lakes Volunteer Fire and Rescue Association, Inc."

At the meeting of the board of directors held September 21, 1970 the following program and schedule was approved.

The area chartered to cover includes the Northwest corner of Highlands County North of Route 64 West of Avon Park and all area North of Avon Park city limits and East to include Lake Viola then North to the Polk County line.

Plans cover a centrally located fire station and headquarters building, designed and constructed so it will be an honor to the community to be served.

Plans are to secure a serviceable fire truck and equipment as soon as possible, then as funds are available to secure two more additional trucks properly equipped to serve on all types of fires.

As progress is made plans are to secure a rescue van and completely equip this vehicle to meet all accident emergencies in connection with fires and other catastrophies within the area.

As funds become available and need arises to secure an ambulance with which to serve the membership.

Membership fees will run as follows:

Single home—$25 membership including one year service. $15 second year service.

Apartments and motels — $20 membership including one year service plus $5 for each apartment including the owners. Second year $10 plus $5 for each apartment.

Commercial and industrial — $25 membership plus annual rate based on appraisal value and hazards involved.

Gas stations — $25 membership plus $2.50 for each pump, $10 plus $2.50 for each pump—second year.

Trailer parks—$15 membership when all trailer owners join. $10 per year per trailer for continuous membership.

Life paid up membership — $250 plus rider on insurance policy which pays fire company for services rendered.

(Note—Consult your insurance agent regarding this addition to your policies).

It is suggested that each member consult with their insurance agent regarding rider clause which provides payment to fire company for services rendered.

With the added income from the insurance companies provided by the rider clause can be a big factor in determining the speed with which goals are reached for full service to the members, and could also aid in keeping annual dues to a minimum fee.

In case a member should move with the area served his membership can be moved to cover his new property by notifying the fire board of the transfer, within 10 days of the change.

At this time several have already volunteered to serve on the fire brigade and some have volunteered to work with the rescue team. Now more volunteers are needed, so as soon as equipment is available actual drill pritice can begin.

As soon as funds are available the board is ready to proceed. Funds turned in now will cover for 1971 and help to activate the plans and get an early start to be ready to serve when needed. NOW IS THE TIME.

When we are properly equipped and manned we will be able to exchange services with other Fire Companies in the surrounding area and in case of major fires within area served will be able to call on other Companies for assistance.

Success will be determined by cooperation from all property owners within area.

The board of directors are determined to help make this one of the safest and most pleasant and desireable places in which to live.

Persons living within the area served are invited to contact any of the officers or directors for further information or to become members.

R. H. Sanborn, president; Frank Shannon, vice president; Les Burch, secretary; D. B. Wildman, treasurer; Roy A. Gesson, asst. sec.-treasurer; T. D. Strickland, John F. Acri, Judge M. C. Taft, Walter E. Niersheimer, J. K. Cope, Wm. A. Good, Dan Sanderford, Albert Lawrence, Ben Tharpe.

Devils Jayvee Squad Will Meet Arcadia Tonight

Avon Park's "B" squad football team wonders just what hit it after the Fort Meade jayvee squad took a 28-0 win from the Junior Devils in Fort Meade last Thursday night.

The Devils jayvee squad will travel to Arcadia tonight (Thursday) for its second game of the young season and Coaches Dewayne Lemler and Ed Culbertson hope they have some of the problems that pestered them last week ironed out for the game against the DeSoto High "B" squad.

Last year Avon Park's junior varsity dropped its opener to Fort Meade and then went on to win the remaining seven games. They handed Arcadia defeats of 20-16 and 6-0 so fans can expect another tough night tonight on the Bulldog home field.

Next week the Avon Park "Bees" will be here at Memorial Field against the Sebring jayvee team.

A GROUP of golfers await to tee off at the Avon Park Golf Course during the Florida Home Juice Tournament over the weekend.
