PATRICIA ANN BRANDT

Patricia Brandt-Steven Cravey Announce Their Engagement

The engagement of Patricia Ann Brandt to Steven Lee Cravey has been announced by her mother, Mrs. Margaret Brandt, of Satellite Beach. Her father was the late Lt. Col. John W. Brandt, U.S. Army. Mr. Cravey is the son of Mrs. June Cravey of Avon Park and Billy Lyle Cravey, of Eustis, Tex. Pat graduated from Satel-

ite Beach High School in 1970 and is majoring in elementary education at North Texas State University in Denton, Tex. Steven is a graduate of L. D. Bell High School, Hurst, Tex., and is majoring in political science at North Texas State.

Wedding plans will be announced at a later date.

Mexican Pizzo

Have the best of two sunny worlds of food in one delicious dish.

Italy fathered the pizza, but America raised it to new heights of inventiveness. The pizza is mounded, coated to toast in this country, perhaps more than any other foreign food item. Not as well known nationwide, although catching on fast, are the colorful, seasoned foods of Mexico.

Mexican pizza weaves the traditional ingredients of the taco, or meat and vegetable sandwich, to the eye-appealing and easy to eat pizza form. Chili powder adds a South of the border accent to the corn meal crust, while ground beef, onion, cheese, diced tomato and shredded lettuce contribute flavor and color to a Mexican.

Served hot, Mexican pizza is the perfect snack or light supper. Enriched self-raising flour and corn meal save time in the preparation of this simple dish because both salt and leavening are preblended in these products. Three essential B vitamins, thiamine, niacin and riboflavin found in all enriched products, plus the minerals, iron and calcium, contribute to good nutrition and good health.

MEXICAN PIZZA

- one 13 inch pizza
- 1 cup enriched self-raising corn meal
- 1 cup enriched self-raising flour
- 1 tablespoon chili powder
- 13 cup shortening
- 12 to 14 cup milk
- 1 pound ground beef
- 2 teaspoons garlic salt
- 12 teaspoon ground pepper
- 1 tablespoon chopped onion
- 1 1/2 cups (8 oz.) shredded cheddar cheese
- 1 cup shredded lettuce
- 1 1/2 cups shredded lettuce

Stir together corn meal, flour and chili powder. Cut in shortening until mixture resembles coarse crumbs. Blend in enough milk to make a soft dough. Press dough into a 13-inch diameter round pizza pan or a 13-inch ply roll pan. Bake in preheated 375 oven 20 to 25 minutes, or until done. Brown ground beef, add garlic salt and pepper. Sprinkle meat and onion over corn meal crust. Top with cheese, broil until cheese melts. Top with tomato and lettuce. Serve hot.

*Spoon flour into dry measuring cup, level. Do not scoop.

MR. AND MRS. JAMES SIKES

Mr. and Mrs. James Sikes Observe 60th Wedding Anniversary

James Ana Sikes and Lucy Holt Sikes of Avon Park observed their 60th wedding anniversary on April 9. Mr. and Mrs. Sikes were entertained by Fitzgerald, Ga. in 1911 and moved to Avon Park in 1913.

In recent months the couple have been honored at special family reunions by their five children, 15 grandchildren and 16 great-grandchildren.

The table decorated with fish net, candles and assorted gifts was loaded with various foods and the main dish of ham and pineapple chunks. After a delicious meal, the guests dressed in the Hawaiian theme gathered around a bonfire and sang beach and sang songs and joined in fun and fellowship.

Invited guests were the teachers of the class, Mrs. R. H. Lawson and Rev. Mrs. Aden D. Childers.

Iceberg Salad Captures Oriental Mood

Chinese culture is epitomized by serenity and the casual mood of pale green tea. This salad captures the Oriental mood with a few simple ingredients and a minimum of effort. Yet it's guaranteed to rouse appetites "jaded" by heavy winter fare. In Jade Tree Iceberg Salad crisp western iceberg lettuce serves as a base. Its flavor is enhanced by subtle spices, and a tantalizing texture contrast comes from the addition of toasted sesame seeds, water chestnuts and strips of cooked chicken.

- | | |
|--------------------------------|--|
| JADE TREE ICEBERG SALAD | 1/4 cup sugar |
| 1 head western iceberg lettuce | 1/2 cup grated Parmesan cheese |
| 1/4 cup sesame seeds | 1 can (13 ounces) water chestnuts, drained, rinsed and sliced |
| 1 cup tarragon vinegar | 1 can (13 ounces) boned chicken OR 2 cups cooked chicken, cut in julienne strips |
| 2 teaspoons salt | |
| 1 teaspoon dry mustard | |
| 1/2 teaspoon garlic powder | |
| 1/2 teaspoon pepper | |

Corn, rinse and thoroughly drain lettuce. Refrigerate in a possible plastic bag or plastic crisper. Toss lettuce with increased pan over low heat, stirring frequently, until lightly browned; cool. Combine oil, vinegar, seasonings and sugar in jar with shaking. Add mustard and shake well. Blend. Add sesame seeds and cheese. Shake again. Toss lettuce into bowl and add dressing; toss lightly to coat well. Garnish with water chestnuts and chicken. Makes 6 servings.

Chicken Tarragon is Gourmet Dish

Mushrooms, white wine and herbs—any or all of these—adding tempting gourmet flavor to chicken dishes. Chicken Tarragon uses all three and the result is a savory dish perfect for company dinners but kind enough to the budget to appear on tables as a family treat, too. Corn starch deliciously thickens the gravy that goes with this entrée. Serve with fluffy rice and crisp salad.

- | | |
|-----------------------------------|---|
| CHICKEN TARRAGON | 1 cup white wine |
| 1 (2 to 3-pound) fryer, cut up | 1 cup chicken bouillon |
| 1/2 pound fresh mushrooms, sliced | 1 teaspoon dry tarragon leaves, crushed |
| 2 tablespoons corn starch | Dash salt |
| | Dash pepper |

Heat corn oil in large skillet over medium heat. Add chicken and brown all sides. Cook and cook over low heat 20 to 30 minutes or until fork tender. Remove chicken and keep warm while preparing sauce. Add mushrooms to skillet and cook stirring frequently, 2 to 3 minutes or until tender. Sprinkle with corn starch and mix until blended. Gradually stir in wine, bouillon and tarragon leaves. Add salt and pepper. Heat to boiling, stirring constantly; reduce heat and simmer about 5 minutes. Serve sauce with chicken. Makes 4 servings.

STRICTLY FRESH People without basements keep their junk in use. April showers set the stage for May washouts in the pavement. About the best piece of advice: Don't try to give someone else any.

Golden Circle Class Presents Hawaiian Luau

A delightful affair was the Hawaiian Luau given by the Golden Circle class of the First Baptist Church Monday, April 12 at the home of Mr. and Mrs. Phillip Woolton, Lake Isle.

Members and husbands were greeted upon arrival with a large sign which read, "Wootens Luau," and by girls in Hawaiian skirts who presented the guests with leis and the ladies also with fans. The Hawaiian girls, Rene, Clenny, Pam and Tess Woolton, also served punch to the guests as they arrived.

The table decorated with fish net, candles and assorted gifts was loaded with various foods and the main dish of ham and pineapple chunks. After a delicious meal, the guests dressed in the Hawaiian theme gathered around a bonfire and sang beach and sang songs and joined in fun and fellowship.

Invited guests were the teachers of the class, Mrs. R. H. Lawson and Rev. Mrs. Aden D. Childers.

Five New Members Voted In Club

The Edge Runners Auto Club of Hills County met Tuesday night at Danick Performance. Five new members were voted in: They are George Pratt and Robert Burton of Avon Park; Regie Cooper, William Martin and Howard Driggers of Sebring.

A short automotive quiz was given by President Danny Poole and was won by Hazel Brown, of Sebring. This was the second time a complete novice won a quiz. Another test is coming up at the next meeting.

The club is planning to go racing April 25 at West Palm Beach. All members are urged to get their cars in shape for that.

Members are asked to bring trophies and pictures of their cars in action to the next meeting which will be at 8 P.M. April 20 at Danick Performance.

Checked out a "wild" room that Ralph Burkett was going to start WORKING at the plant—Jim Whitehurst, plant superintendent, noticed it—g-u-e-s-s Ralph is still working on years "non production" record.

Can't mention her name she doesn't want it in the paper—I will say this much: She works out at the Florio Power Plant, and the nicest sweetest person you ever want to meet—a real heart and pal to all the boys that work there.

Harold Dickie Turner having a party somewhere Saturday night—Follows they are a better if you eat them there while they are eating the crowd and enjoying the dining room.

Saw Thevenon DeLano and Donald (poor girl's Dr. Martin) Ford coming out of Leon's Sporting Goods other day—how about so reports on the snook fish?

Therewon, I think is a better fisherman of the two I hear that every time he goes to catch more, Don boller for him to bring it a "Boca Grande Peppie".

Andy "Duffer" Miracle, of the last of the really spenders, hasn't shown his golf score lately—because Theda took too kindly to him, I think I'll have to tell him I won't drink any more.

Harold Greenway and Dickie Turner having a pizza party somewhere Saturday night—Fellows they are a lot better if you eat them right there while they are hot—bring the crowd and enjoy the dining room.

Saw Thevenow DeLaney and Donald (poor girl's Dean Martin) Ford coming out of Leon's Sporting Goods the other day—how about some reports on the snook fishing?

Thevenow, I think, is the better fisherman of the two—I hear that every time he begins to catch more, Donald hollers for him to bring him a "Boca Grande Peppie".

Haven't had a chance to check up on the fishing with George "Sweet-mouth" Godwin lately—I guess I slipped up and said "Darn" in front of him last time we were talking and he just can't stand bad language!

Andy "Duffer" Miracle, one of the last of the really big spenders, hasn't shown me his golf score lately—could be because "Theda" doesn't take too kindly to it—I think I'll have to tell her I won't drink anymore—mean!

I won't drink any more! Sgt. Glenn Hartsfield of the Sheriff's Dept. dropped by to let "Oscar" know he had to serve on jury duty—Glenn sure is a real hard working lawman and a nice guy to go along with it.

Speaking of the Sheriff's Dept.—I would like to meet Sheriff Raulerson and get to know him better. Looks like he has made any modern improvements and really giving the taxpayers their dollars worth.

Remember on by sheriff—Just come upon you pay, because

I'm just plain tight. Border's Service Station is really a good place to trade—service, wonderful. George Border always meeting you with a smile and one of the most honest, hard working fellows around town. Bobby Border, just like his dad, he and I always teasing each other—last time I was there "Bob" was teasing me he was the best greasemonkey in town or did he say Giggio? Well, anyway it started with "G" and I know he will get me straight on it next time.

Ralph Graham stops by for a couple of more nights after he closes his store in Sebring—Folks, there is a man I know going on 20 years and have heard nothing but nice things about—that is the kind of record we should all have!

Speaking of Ralph Graham, you also think of his fine wife, Theda. She always has a project going of helping someone in need, regardless of the hardships it causes her.

There are mornings I start to work in my real group, moods, and stop in Phillips Corner for small things, under "Jest" and Mr. Walker meet me with smiles and such friendly manner—I have a whole new brighter outlook—these are real fine people.

"Big M" said since I have now made him known as the biggest "lightwad" in Avon Park, to go ahead and tell it like it is about him. He informs me that his past work knows he will take a drink and that he reckons the "Devil" lives in him.

He knows he goes to Sunday School and church when he wants to. He also tells me that anytime a man like Aaron Craven, his Sunday school teacher, can make a two fast drinking man like himself pay attention and learn something then the rest of the class are really getting some love!

Bobby (Deacon) Henderson said he can help Malcolm (Twice) and myself know 23 pounds any one day—well dumb me had to ask him? Said for us to just skip lunch.

Some of the real "henpecked" fellows around had heart attacks last week—seems they were scared I might mention their names and the fact they enjoyed a cool glass of tap beer on the way home from work. Here is to the men who don't hide having a cool one—you are in good company—here are just a few: H. S. T., L. B. J., J. P. K., R. M. N.,—presidents of the United States!

It's been a long day and almost midnite when everyone has to be out of the bar—Last call, Lucy, let's lock up the place and call it a day!

House On Deer Lake Burns As Forest Rangers Battle Fires

Two stubborn and wide-ranged fires had been contained by Florida Forest Service rangers by the weekend but not before one had burned right up to about 40 house trailers and homes.

Ranger Supervisor Robert Dempsey said about 2,000 acres burned in the Lake Josephine area and was finally contained on Friday. It burned two fiber glass boats with motors and small camp trailer with miscellaneous equipment, owner unknown.

The situation was so serious rangers were called in from like himself, pay attention and learn something then the rest of the class are really getting some love!

Until this plane could be obtained, Deputy Tauschen flew a spotting plane. Many local citizens turned out to help.

This fire, which started late afternoon, was confined a couple of times, only a break out again in the high winds. At one time five crawler tractors, two tanker trucks, a Sebring Fire Department truck, a Lake Placid fire department truck and a City of Sebring water truck were at the scene.

Working the fire until late at night were Rangers Dempsey, Russell Beckman, Vince Duran, Grover Bates, plus Roy Williams from Okeechobee, rangers from Glades, St. Lucie and Indian River.

A stubborn fire still is burning in muck in the Marion Henry bay area and it was confined Friday after burning over 800 acres. But rangers still are patrolling this blaze which burned right up to Airport Road and the airport ditch. They were up all one night patrolling Sebring.

Working fire department helped with this and have been on stand-by, working many extra hours with the rangers.

A small house on Deer Lake, owned by Robert King and valued at \$1,500 was destroyed by this and have been on stand-by, working many extra hours with the rangers.

The Masonic Lodge in Highway Park at Lake Placid burned to the ground Monday, caused by an apparent electric wire shortage. Rangers and the Lake Placid fire department answered the fire call but the building was gone before they could get there. It was valued at \$8,000.

Ranger Dempsey warned that Highlands County still is extremely dry and the no burning ban still is on.

The green vegetation is turning brown and will burn, he warned.

Other fires this past week were: April 6 — three acre grass fire across from Hurst's on Route 27 which escaped from a trash fire.

April 7 — three acre woods fire on the South side of Lake Letta.

April 8 — six acre swamp on North side of Lake Sebring.

April 8 — same general area one acre burned. These fires on North side of Lake Sebring, were deliberately set and rangers are seeking evidence.

April 8 — five acre grass fire on Route 27 North of Walker.

Memorial Hospital.

April 9 — two acre muck fire East of Sebring airport on West-lungue property.

April 10 — six fires along the railroad tracks caused by car-borne brakes or hot boxes, between Cornwell and the Kissimmee River, mostly small, one of 100 acres. In the same area across the river in Okeechobee County seven fires, caused by the trains, were raging one burning about 1,000 acres in couple 300-400 acres.

April 12 — 30 acres of muck burned on the Edna Carlton ranch at Henscratch.

April 12 — 30 acres of muck burned on the Edna Carlton ranch at Henscratch.

April 13 — Rangers assisted the fire fighters at the Seminole Indian reservation, Brighton, in putting out a 100 acre fire apparently caused by sparks from a dragline.

Avon Park Flying Notes

By ELEANOR TRESCOTT

Congratulations to Kay Capri who joined the ranks of the lady flyers at the airport, when she soloed last week. Kay, the daughter of Mr. and Mrs. Werman Carver, is a senior at Avon Park High School. She is also enrolled in this present session of ground school in preparation for the FAA written examination towards a private license.

Jim Davis of Wauchula lost his shirtil last week when he was able to make his first solo flight.

The Easter holidays were good time for some cross-country flights. Will Horton was busy as he made two dual flights, one to Lakeland and another to St. Petersburg and Barrow. He then went solo to Lakeland and Lake Wales.

Roger Taylor made a solo cross-country flight to Sarasota and Venice.

David Wray took his family flying over Disney World. They enjoyed seeing these sights from the air.

Ted Pells of Avon Park has started to fly again. Ted was in the RAF during the Second World War and took his training at Clewiston.

Marvin Ireland and son of Urbana, Ohio, flew into the Avon Park Airport in a Tri-pacer to surprise his parents. Mr. and Mrs. Charles Brush of Avon Mobile Home Park.

Paul Sheffield of Avon Park has started his flying lessons with Don Gossick at the airport.

Mr. and Mrs. Park Ernberger of Norwalk, Ohio have returned home. Park spent much of his time this winter at the airport, both flying and visiting.

Tommy Monteverdi received his multi-engine rating just before returning to his home in Peoria, Ill.

Visiting planes from Gainesville, Orlando, Opa Locka and as far as Michigan, have been making "flying trips" around the state. It's good to know that you have been "up in the air" again, Jim.

County Appoints Two Assistant Principals

Two assistant principals were the only new appointments among the supervisory personnel for Highlands County schools for the 1971-72 school year.

Carl Harner, presently a junior high science teacher at Sebring High, will be the assistant principal at the new Sebring Middle School next year.

William Allen, presently assistant principal at Woodlawn-Highway, will be the assistant principal for the Avon Park Middle School.

Other staff approved at the April meeting of the school board are for Sebring High, Billy Cason, principal, and John Freeman, assistant principal; Avon Park High School, Aaron Craven, principal, and Leon Garner, assistant principal; Lake Placid High, Aubrey Morris, principal, and Lee Maness, assistant principal.

The middle school assignments are for Wally Cox, principal at Sebring, and Elmo Roberts, principal, Ernest Sims, assistant principal, at Avon Park.

The elementary principals are Jack Ingle at Woodlawn, Ellis Watson, Fred Wild, Nellie Brooks, Avon Elementary, David Robinson, principal, and Mrs. Mary Roberts, assistant principal, at Lake Placid Elementary.

County-wide supervisors in the coming year will be J. Homer Bible, Joel Evers, J. Ferrel Smith.

The instructional coordinators will be Floyd Park, mathematics and science; Thomas R. Johnson, special education; and Eugene "Deke" Lanier, media and materials.

Representatives of each club are to meet at the Tower restaurant at 7 P.M. on the 15th to make final plans. Lion Poutier is looking for an attendance of over three hundred.

Business for the evening included the authorization of five delegates to go to the state convention at Miami on the last day of the session to vote for the local club's preferences in officer candidates. Also, the President acted to name a nominating committee to select candidates for club charter provisions permit the nominations to be closed and the nominees elected without further delay.

Competition would require deferment of the voting process until May 1.

Program Chairman Kelsey introduced Sebring Lion Sam Polston as guest speaker of the evening. Lion Polston complimented the local club on their club house and announced that plans were well underway for the Sebring club to house itself. In his formal presentation, Lion Polston, a soil conservationist at the U.S. Department of Agriculture told of how soil classifications are made and how water management programs are conducted through local Soil Conservation Districts. He illustrated his talk with films showing some of the methods and results of lake level control. His remarks stressed that land use to provide optimum return and water availability doesn't just happen, they go together as part of a well conceived plan. We are glad we have such knowledgeable fellows around in our public business.

David Wray took his family flying over Disney World. They enjoyed seeing these sights from the air.

Ted Pells of Avon Park has started to fly again. Ted was in the RAF during the Second World War and took his training at Clewiston.

Junior Varsity Team Ends Season With 5-4 Record

The Avon Park junior varsity baseball team finished the season last Thursday afternoon with a 6-5 victory over the Bulldogs of Frostproof to set a season record of 5 wins and 4 losses. The Devil "Bees" lost the first three games of the season and had to play good ball to come out with a winning record.

The team, coached by DeWayne Lemler, won 5 of the 14 games they played and Lake Placid's junior varsity.

The junior varsity team won over Sebring twice, 6-4 and 5-0. They beat Frostproof 14 to 11 and 6-5. The boys hit 100 Okeechobee winning 10-2 and losing 4-3. The "B" squad lost to Hardee three times by scores of 8-2, 11-1, and 1-0.

Three pitchers worked for Avon Park. Artie Bass had last 6 games they played and Sebring and lost twice to Hardee and once to Okeechobee. Buddy DeWitt had a win over Sebring, two wins over Frostproof and a loss to Hardee. Mike Pool came on to relieve a Frostproof win as a save.

Nathaniel Packer led the "Bees" pitchers with an average of 6.07. T. Williams hit .406, Joseph Todd had a .312 average, and R. Minard .283.

B. DeWitt hit .228, J. Douberly finished with a .108 average. R. Dusk hit .166, Artie Bass hit .176, Nate Williams hit .166, J. Wright hit .166, Gregg Hart hit .125, and D. Meeks hit .137 for the season.

The boys on the 12 team have played a six game schedule and the Little League teams will add to their rosters from these boys who have shown the most promise during this two week period of play in the minor league. Little League action will start the first Saturday in May.

The instructional coordinators will be Floyd Park, mathematics and science; Thomas R. Johnson, special education; and Eugene "Deke" Lanier, media and materials.

Representatives of each club are to meet at the Tower restaurant at 7 P.M. on the 15th to make final plans. Lion Poutier is looking for an attendance of over three hundred.

Business for the evening included the authorization of five delegates to go to the state convention at Miami on the last day of the session to vote for the local club's preferences in officer candidates. Also, the President acted to name a nominating committee to select candidates for club charter provisions permit the nominations to be closed and the nominees elected without further delay.

Competition would require deferment of the voting process until May 1.

Program Chairman Kelsey introduced Sebring Lion Sam Polston as guest speaker of the evening. Lion Polston complimented the local club on their club house and announced that plans were well underway for the Sebring club to house itself. In his formal presentation, Lion Polston, a soil conservationist at the U.S. Department of Agriculture told of how soil classifications are made and how water management programs are conducted through local Soil Conservation Districts. He illustrated his talk with films showing some of the methods and results of lake level control. His remarks stressed that land use to provide optimum return and water availability doesn't just happen, they go together as part of a well conceived plan. We are glad we have such knowledgeable fellows around in our public business.

David Wray took his family flying over Disney World. They enjoyed seeing these sights from the air.

Ted Pells of Avon Park has started to fly again. Ted was in the RAF during the Second World War and took his training at Clewiston.

Marvin Ireland and son of Urbana, Ohio, flew into the Avon Park Airport in a Tri-pacer to surprise his parents. Mr. and Mrs. Charles Brush of Avon Mobile Home Park.

Paul Sheffield of Avon Park has started his flying lessons with Don Gossick at the airport.

STUDENTS in general Botany at South Florida Junior College, while gathering plant specimens for laboratory work, found Selaginella or club moss in the white sand scrub on the campus. Selaginella, a primitive plant, has changed little since it evolved during the Devonian age about 300 million years ago. This plant is one of the ancestors of today's seed bearing plants and like them and the ferns it has vascular tissue for the movement of food and water. Examining the plant are David Foster, Frostproof, Howard Crawford, instructor, Sebring's James Webb and Ronald Henderson, Wauchula.—Photos by Lev Miller

Mr. and Mrs. Richard Coleman and son Tom, from Boulder, Colo., have been guests of their parents, Dorothy and Percy Regal for the past week. While here they have enjoyed seeing many of the places of interest in Florida.
Lela and Vern See and Mr. and Mrs. Ellis have just returned from a trip to Key West. While there they had the opportunity to do some fishing along with sightseeing. They also stopped at Everglades National Park enroute back to Bradenton and Tampa where they spent several days. They also fished at Gandy Bridge!!
Last Wednesday, Evelyn and Tom Checkley accompanied by Mr. and Mrs. Joseph Folke drove to Bradenton and then down the coast to Punta Gorda, sightseeing.
Mr. and Mrs. Art Zellman and daughters visited with Father and Chester Richardson enroute to Ft. Lauderdale. The Zellmans are from Milwaukee, Wis.
Mr. and Mrs. Ted Miller and sons, Jim, Jon and Bob of Wheaton, Ill. spent Easter weekend with Mrs. Miller's parents, Ellen and Harry Hunt.
Mr. and Mrs. Wilbur Foote of Ohio called on Maude, Frank and Clarence Foote on Sunday afternoon. Frank and Wilbur met at Frostproof about a month ago and during a conversation found out that they were distant cousins who had never met before.
The "Saturday night" card party had nine in attendance this week. Those attending were Ethel and Max Putman, Gene and Margaret Brown, Annie and Charlie Williamson, Ellen McGonagle, Thelma Chalmers and Jerry Brophy. Margaret Brown was hostess for the evening and served delicious refreshments after the card game.
Mrs. Marian Richards of East Weymouth, Mass. and her daughter and husband, Polly and Ed Roberge and their children, Peggy and Edie, of St. Petersburg, Va. visited with Thelma Chalmers on Friday afternoon on their way to Cape Coral. Mrs. Richards and Thelma were neighbors for many years in Massachusetts.
Dr. and Mrs. R. Boyer and Evelyn and Tom Checkley went visiting in Fort Myers last Thursday.
Mr. and Mrs. Fred Berger and children of Milton, Wis. are spending Easter vacation with her parents, Hazel and John Lasse.
Catherine and George Curry, "Bing" and Carrie Curry and Hazel and Harry Levey had dinner together at the Holiday Restaurant in Sebring on Easter. It was reported that the men "cooked" dinner with their "pocketbooks"!!
Thomas Checkley, Jr. and his wife, Doralee and children Mike, Lenny, Denise, Ronny, Marty and Larry are visiting with his parents, Evelyn and Tom Checkley. They drove him down from Mt. Clemens, Mich. in their Land Yacht.
Easter dinner was enjoyed at Tower View Restaurant in Lake Placid on Sunday by Ethel and Max Putman, Annie and Charlie Williamson and Thelma Chalmers. After dinner they took a drive around Lake Placid, Sebring and Avon Park.
Faye and Leland Darling of Perryville, Ohio and Rozzie and Lester Parkhurst

of Indianapolis, Ind. have both left this past week to return to their Northern homes. Good luck, a safe trip back and early return next Fall are wished for both couples.
Melody Brophy who has been at Daytona Beach for several weeks returned on Wednesday with her parents, Flo and Jerry to spend the Easter weekend here. Melody returned to Daytona accompanied by her parents on Monday where she will again resume her studies there at the Rehabilitation School for the Blind. Not only were we all glad to have Melody back with us for a few days, but her Leader dog, Blondie, welcomed her more heartily than anyone else.
Sgt. Major H. E. Budkie, Ret. and son Geoffrey of Columbia, S.C. visited with his parents, Irene and "Bud" Budkie for part of last week. While here they visited at Fort Lauderdale, Hialeah, Great Masterpiece, Spook Hill and Bok Tower.
On Monday, Mr. and Mrs. Harold Hall who have been wintering at Sarasota stayed overnight with Thelma Chalmers on their way back to Cape Cod, Mass.
To be named to the Dean's List, a student must maintain an overall grade point average of 3.0 (B) or above.

When you look for a low-priced, family-sized car, the search ends here.

DODGE CORONET

If your present family car is two or three years old and you'd like to get a new one about the same size and for about the same price, Coronet has to be your choice. It's the only four-door family car that was designed strictly as a four-door.

Coronet's 118" wheelbase gives you the just-right size for easy maneuverability and parking. On the inside, there's plenty of headroom for a husky six-footer. And Dodge didn't skimp on trunk size, either. It handles

a family-sized load of luggage easily. Like all Dodge cars, Coronet has Chrysler Corporation engineering features such as torsion-bar suspension for better handling ease and Unibody construction for a quiet ride. Plus a standard V8 engine that's big enough to give you the performance you want, yet runs smoothly on regular gas. Not bad for a good-looking, full-sized family car with a Manufacturer's Suggested Retail Price under \$3000. Check it out at your Dodge Dealer's.

DODGE CORONET...fits the whole family and the family budget.

TABLE TALK

By Thrifty Miss
In this spot each week we will give you suggestions for a different menu and ways to serve your family better for less.

Here's a quick meal idea using items designated by the U.S.D.A. as Plentiful. A MEAL ON A BUN starts with a split, toasted round bun. Spread one half with lettuce and cheese strips. Broil to melt cheese. Top the remaining half with lettuce, raw onion rings, and hard-cooked *EGG slices sprinkled with paprika. Garnish platter with broiled *PEACH half.

THE BEEF PEOPLE

Who Want You To Know As Much About Meat As We Do!

BASIC RULE OF CORRECT MEAT COOKERY

The basic rule of meat cookery is: Always cook meat at low or moderate temperature. This rule applies whether meat is cooked by dry heat, moist heat or with fat. Dry Heat Cookery methods are: Roasting, Broiling and Pan-broiling. In roasting, meat is cooked by hot air, in broiling, by direct heat in pan-broiling, by heat transmitted from the frying pan. In moist heat cookery, meat is cooked by braising or in liquid. In braising, meat is cooked in a covered utensil with or without the addition of a small amount of liquid. In cooking in liquid, stews and large cuts are covered with liquid. In pan-frying, meat is cooked in a small amount of fat. In deep-frying, sufficient fat is used to cover the meat being cooked.

RED DEVIL senior righthander Danny Albright will be the starting pitcher for Avon Park tonight in Mulberry when the Devil varsity meets Turkey Creek in a best-of-three game play-off for the Class B District 6 championship. striking out 30 batters and then batting in the winning run with a squeeze bunt in the bottom of the 20th frame. The Devils won the game 2-1. The big senior set a record of 7 wins and 1 loss as he also took the win over Frostproof last week in the sub-group tourney held here.—Photo by Lucy Derkman

Red Devils Meet Mulberry For District Championship

The Avon Park Red Devil baseball team stunned the Frostproof Bulldogs with a 10-1 defeat in the final of the Class B Sub-Group 6 tournament held there at Head Field last Friday night to move into a best-of-three game play-off with Turkey Creek tonight and tomorrow night for the district championship.

The game tonight (Thursday) will be played in Mulberry starting at 7:30 o'clock with Turkey Creek as the host team. The second game will be played here tomorrow night at Head Field and the time is also 7:30 P.M. for that game. If a third game is necessary, a flip of the coin will determine the site and the home team.

The winner of this play-off will advance to the Class B Regional meet which will be a one game affair played the following Friday night at a site to be decided.

The Frostproof nine advanced to the finals of the sub-group meet by defeating Ft. Meade here at Head Field last Thursday night by a score of 10-0 in a five inning game. The Bulldogs' Tom Charlton shut-out the Miners giving up only two hits and striking out eight batters while his teammates got 7 hits off losing hurler Tommy Sharp and his relief Jimmy Nelson. The Bulldogs scored 7 runs in the first frame and pushed over another in the third and then closed it out with two more in the fourth inning.

But it was a different story when the Bulldogs met Avon Park last Friday night in the finals. The Frostproof nine had defeated Avon Park twice during the regular season and started the game off looking like they might make it three in a row. The Bulldogs pitcher, Jim Cannon, let off the game with a double and then moved to third and on home on passed balls before Devil hurler Danny Albright loosened up and put the side down after he had reached second and third.

When the Devils came to bat in the bottom of the first the fielder's choice to second Sizemore rapped the very first pitch down the third base line for a single. Then Steve Hartt bunted a ball that bounced high down the first base line and Sizemore beat the fielder's choice of second base. With two on Don Sizemore came up and bunted to the left of the mound and the Bulldogs neglected to

Large Crowd Expected At Celebration

A large crowd of folks from neighboring counties as well as Highlands is expected to attend this county's Golden Jubilee celebration Saturday.

And more than 1,000 are expected to stay for supper and dine on such Florida "cracker" delicacies as pepper stew, swamp cabbage, chicken pilau, collard greens and black-eyed peas.

Every family attending will receive free a 32-page historical booklet detailing the progress of the county and containing many old pictures and anecdotes.

Festivities will start at 3:30 P.M. with opening remarks by P. G. Gearing, master of ceremonies. Rev. Herbert Gratz (ret.) of Avon Park will give the invocation and Mrs. Marguerite Skipper, president of Sebring Historical Society, sponsor of the celebration, will welcome the crowd.

The Lake Placid Post American Legion, Commander Tom Steele in charge, will raise the flag. Major Donald Long, veteran of two duty tours in Vietnam and holder of a purple heart will lead the pledge to the flag.

Mrs. Annie Laurie Teely will give the keynote speech. She is the daughter of Dr. E. J. Elberding, first representative to the Legislature from this county.

A historical tableau will be presented, Warren Wooden narrating.

A songfest will be led by Ray Vinton, assisted by the A.P.C.I. band.

Officers of the historical society and platform guests will be introduced.

Many of the county's three cities and the Board of County Commissioners have been invited as special guests. Others to be introduced include: Sol McClelland, representing the Florida area; Edna Pearce Lockett, the Ft. Basinger area; Andrew Jackson, Venus; Horace Shackelford, Hicoria; Jane Catharine Jones, DeSoto City; Col. Read Harding, Secretary of the Peace River Valley Historical Society.

Allen C. Altwater, prominent Sebring historian will introduce the speaker, Congressman J. Hardin Peterson, who was active in helping Highlands form a county 50 years ago, breaking off from the cumbersome old DeSoto County.

Mrs. G. A. Stephan will give the benediction.

Dinner prizes will be awarded at the dinner which is being arranged by Mrs. Tom Mitchell.

Meanwhile, activities for the celebration have begun to rev up, with a parade of 30 cars winding and tooting the way through the county last Saturday.

Souvenir coins have had such a demand that Gearing has had to reorder the gold-appearing commemorative half dollars.

The jubilee program book is slick covered and has an orange, green and white cover showing the four counties that once were old DeSoto County.

Each family will get one and additional copies will be available for a small charge to help defray cost of printing.

Highlands officially became a county at 2 P.M. April 12, 1921.

\$1.35 Million Suit Filed To Foreclose On Ranch Here

A suit to foreclose a \$1.35 million mortgage on a block of real estate in the Avon Park area was filed in circuit court this week.

The land, once a part of the Toulmin family's Long Bay Ranch, includes 1250 acres and lots scattered through the

Red Hill Farms, Highway Park and Oak Ridge subdivisions—along Route 64 South and West of Avon Park.

The suit was filed by Joe B. Hunt, insurance commissioner of Oklahoma who is receiver for the Community National Life Insurance Co.

Hunt, in the complaint, states that the life insurance company had sold the Avon Park real estate to R.F.S. and Associates, Inc. on Dec. 2, 1969.

Installment payments due on Dec. 30, 1969, and Dec. 20, 1970, have not been paid. He also claims that ad valorem taxes

due for 1969, 1969 and 1970 were not paid and the life insurance company has picked up a \$15,915 tab for these taxes.

The purchase agreement filed with the suit shows Pedro T. Valenzuela as president of R.F.S. and Associates, and Jaime Marti as vice president and secretary.

An interest in the land is held by Continental Investment Corp., which according to the suit, is an Arizona corporation "not in good corporation standing."

The suit lists R.F.S. and Associates and Continental Investment Corp. as defendants along with Gerald Darroch, H. G. and Maurine Darroch, Murray and Hazel Wilson, who had leases on land; David and Jean Barwick, who have a rental agreement.

The Oklahoma insurance commissioner was named receiver for Community National Life Insurance Co. in July, 1969.

Plans To Build Holiday Inn Here Revealed At Meeting

Over 40 people attended the regular meeting of the Chamber of Commerce Thursday at Griffin's Restaurant. Leo (Jack) Weisser, Developer, was speaker and revealed plans for the development of a 7,000 acre site on route 27, between Avon Park and Sebring.

The development of the "Maxey Property", reflects a full community in itself. With the plans of an industrial park, which will have spaces for warehouses and light manufacturing with regular commercial site for businesses which would be vindictive of the community that is planned.

Fifteen acres are planned for a shopping center. The first of the planned construction will be a Holiday Inn with restaurant, pools and many other features. The Inn now has plans for 100 rooms with a projected plan for an addition of 150 more at a later date. Making a total of 250 rooms accommodations for tourists and residents.

A university complex is planned for the students attending college in this area. The complex plans are to have apartments with the latest and most modern facilities with all types of recreational facilities to offer the tenants of these apartments.

One of the areas will be devoted to modular homes and mobile home sites. There will be an 18 hole three par golf course as well as a championship golf course, which will be surrounded by Villa type housing. Plans are to include development of parks, waterways, and conventional type residential homes.

Weisser said, "this will not happen overnight that the project with all its plans will take three or four years to sell the property, but the actual development will take from 12 to 15 years to complete." The end product of these plans will be the influx of some 60,000 people who will be housed and live in the 7,000 acre development.

In breaking down the acreage to be used Weisser, explained that 4,350 acres would be used as residential, while 620 acres will be devoted to the mobile and modular home aspect. There will be 1,050 acres developed into apartments. 760 acres will be used for recreation areas, while commercial buildings will occupy 160 acres. The remaining 60 acres for industrial purposes.

It is estimated that the Holiday Inn will be the first

building started and that will begin within a year and be finished in six months. The university complex will be constructed in the first phase of the project.

Although the entire project is 7,000 acres it is situated in the area of both Sebring

and Avon Park, the mailing addresses of the future occupants of the proposed development will be both cities. Utility services will also effect both cities as well. With a complex as large as this proposal it would be a great asset to all cities that would be effected.

Democrats Plan County Wide Rally

There will be another big county-wide Democratic gathering in late Summer or early Fall, the county Democratic committee decided at a meeting April 8 in Griffin's Restaurant, Avon Park.

J. Wesley Ward was appointed by chairman Edna Pearce Lockett to head Bowen co-chairman, Mel Bass and Don Dwyer committee members, to plan the rally.

Ward reported that the Democratic dinner held March 11 at Holiday Inn in Lake Placid drew about 200 persons from five counties.

Mrs. Dave Batty presented to the committee a list of four teachers from Highlands County schools who are interested in becoming members of the committee when there are openings. Chairman Lockett appointed a committee to meet with the teachers and Harvey Roberts to draw up by-laws governing the committee, with Roberts as chairman.

The treasurer reported the balance on hand as of April 8 was \$1,068.28.

A letter was read from Earl Rich, clerk of Circuit Court, informing the committee that permanent files have been set up in his office and are available for use by the committee for their records.
