Brentwood Mobile Home Court News

Mr. and Mrs. Harry Long of the Brentwood Mobile Home Court, visiting Mr. and Mrs. Bill Goss. The Longs and Goss are old time friends and formerly lived in Toledo, Ohio.

Mr. and Mrs. Herbert Houser of Orlando spent Friday with Bill and Marie Goss. Mr. Houser is Marie's nephew. Mrs. Marion Boyer and three of her friends stopped on their way to Fort Myers on Monday to say hello to Ruth and Walter Rogers. Mrs. Boyer is from St. Pete.

Mr. and Mrs. Victor Nyman spent several days this past week looking up old friends. They visited Mr. and Mrs. V. G. Trask on Hobe Sound, Mr. and Mrs. Harold Carlson in Riverview and old neighbors at Boynton Beach.

Sunday dinner guests of Mr. and Mrs. Frank Bied were Mr. and Mrs. Kermil Wilson from Frostproof. Mr. and Mrs. Wilson will leave for their home on Tuesday.

Mr. and Mrs. Mildred Cotten of Bowling Green called on Mr. and Mrs. Frank Bied Sunday afternoon. A lot of business on a short agenda. An order for the truck chassis in the bid of \$6,400.00, by Wells Motors was placed and an inspection of the refuse body for the truck was planned for the future.

City Attorney Hancock, reported on the development of the EDCB law suit. The EDCB has added a new lawyer to the case and the judge has granted a postponement for the trial date. The judge said this sale was not in accordance to the city code and any taxpayer could probably sue to set the sale aside. A possibility of settling for the original amount of \$1,750. plus taxes, the decision of the council was that if this can be settled that the city attorney go ahead and settle the case.

The reading of the ordinances 333 and 334 was placed on first and second readings in connection with the increase in garbage removal and the increase in water meter connections and reconnections in each case of a shut off for delinquent bills.

The three substandard dwellings that will be demolished at 337 and 341 Avenue A, and 909-11 Avenue A will be razed by the Shell Wrecking Company, the lowest bid of \$810, for all three.

T. Carlisle and Mr. and Mrs. Earl Haynsworth.

Breaking Point To Be Seen At First Baptist

The Breaking Point, a moving story of young America, has been translated to the screen in a beautiful, new color film which is to be shown at 7:45 P.M. at First Baptist Church on May 5.

Beginning on Main Street, U.S.A., this film tells the story of an upper-middle class American family which has accumulated enough material wealth so that leisure hours become a major problem. Saturdays and Sundays have an almost irresistible charm for a young father who desires to get next to his 10 year old son through the program of the church, and the thrill of speed where to spend the family vacation requires of study and planning by the attractive young mother.

The Breaking Point poses the question of how deeply a modern young family should be involved in the program of the church, and it is at this point that family problems begin to arise. It is here too, that The Breaking Point departs from the norm of religious motion pictures for it allows the story to unfold in the historic and sensitive beauty of Europe and reach a climax on a back street in the city of Jerusalem.

Other activities of the week include a series of seminars on Monday and Tuesday nights, and Family Recreation in the church's recreation facilities on Friday night.

DAVE LLEWELLYN Lament for America

If ancient Israel was judged by God with devastation, America deserves annihilation. Why? Do we not honor God? The clearest indicator of a democratic nation's true obedience to God is in its government. Giving to charities set down amounts to more than one percent of an individual's or corporate's income and it is usually written off as "public relations."

Where our values are clearly seen is in what we do with the 15 to 50 percent (or more) of our income that is contributed to our government.

What Are You Doing? What does your local government do to help the poor in your community? Probably, ask Washington for help. But those people are neighbors of yours. Their help should come from you. The fact that you have escaped to a pleasant suburb or farm or ranch does not make the responsibility for the needy in your community any less your own.

Poverty is not the problem; the problem is impoverished people. And these people do not need just money; they need personal help. Federal "welfare checks" is a mockery to them. What do you do about law-breaking? Nationally, crime syndicates are known to contribute to the campaign funds of politicians, and it has become commonplace to discover dishonesty in bureaucrats, judges, and even congressmen. Locally, the burglars house-break and the "honest" citizens are known to be "cheats" who are doing about that?

"Seek good, and not evil, that you may live; and so, Jehovah, the God of hosts, will be with you." Copyright Dave Llewellyn 1971

SFJC Gets \$35,765 From State

Funds mailed to Junior College Boards of Trustees in Florida in April amounted to \$6.4 million dollars.

South Florida Junior College received \$35,765 of this amount which is an increase of \$7,617 over April of last year.

However, many of the 28 junior colleges did not have so well and the comptroller's office in Tallahassee said that there will be a cutback of \$1.7 million for the remainder of the fiscal year.

The money is provided from funds of the Minimum Foundation Program which provides

most of the funds with the exception of \$46,782 supplied by the state sales tax.

City Implements Safety Program For Employees

Safety programs were discussed at the meeting of the Avon Park City Council on Monday night. It was recommended that the city implement a safety committee to review the accidents and study corrective measures as well as to plan meetings with city employees. Don Serdyski, president said "He would appoint a committee for this purpose. Several accidents recently involving city employees has brought a safety program to light."

In view of this discussion, Rev. Paul Trissel, also spoke on the needs of the city beach to insure the safety of the bathers and swimmers. Rev. Trissel, spoke of his concern for the children that used the lake and stated that in his opinion the lake was unsafe for swimming and urged the council to take some type of action.

He offered to work out a program and he will furnish the labor while the city will furnish the materials to make the beach a safer place to use. He was requested to return to the next meeting with a plan and information. The council recommended the hiring of Marty Kelley as the lifeguard for the public beach. This will be in effect on June 1.

The Red Devil track team, coached by Chet Brojek, will travel to Fort Meade tomorrow evening (Friday) to participate in the Class B District 7 track meet hoping to qualify several boys for the state meet which will be held in Orlando on May 7. In order to qualify a boy must finish first or second in one or more of the 16 events.

Last Thursday the Devil trackmen, fan, in an eight-team meet in Fort Meade as a sort of preview meet of the district meet this week. Fort Meade won the meet with 126 1/2 points. Frostproof was second with 80 1/2 points. Mulberry finished third with 50 points and Avon Park came in fourth with 41 points. In fifth place was Santa Fe of Lakeland with 33 points, sixth place was won by Zephyrhills with 26 points, Lake Placid won seventh place with 12 points, and Pinecrest finished eighth with 10 points.

Scout Troop 157 Camps At Hart Ranch

Eight Boy Scouts with three adult leaders of Rotary's Boy Scout Troop 157 participated in an overnight camp on the Hart Ranch last weekend.

Scoutmaster Jay DeShong and Assistant Scoutmaster Jerry Coulliette planned a full 24 hours of activities including swimming, canoeing, armadillo hunting and fishing. Also worked in identification of shrubs and trees, poisonous plants, and edible wild plants. Each scout had a turn at cooking and clean-up.

The Troop assembled Friday at 4:15 and were on their way to the campsite within 15 minutes. Camp was set up on the "Point," a beautiful oak-shaded spot on the banks of the Arbutus Creek.

After a late supper, Scoutmaster DeShong took the boys on an armadillo hunt and rounded up one of the creatures, which was later released.

Participating in the camp were Brad Beumel, Jomie Tomlinson, Grant Stallard, Tony Lewis, Kevin Murphy, Danny Bass, Doug Smith and James Jackson.

Plans are now being laid for attendance at a long-term camp July 11-17 at Camp Flaming Arrow, east of Lake Wales. New Scouts registering with the troop by June 1 will be eligible to attend. Boys interested in joining Avon Park's oldest Scout Troop should contact Scoutmaster DeShong or Coulliette or any Rotarian.

ROTARY CLUB
NEWS

By CHARLES COLLINS

Andy Baron, local representative of the Carnegie Institute, was introduced to the Club by Program Chairman, Steve Roberts. Andy has a sales background, having sold cars, previous to his present position.

Andy stressed the importance of enthusiasm, not only as it affects our business and its crucial role in the success of that business, but also as it affects our lives. He pointed out that each of us only let 10 percent of our talent or ability function—the rest, or 90 percent—lies latent, submerged and unused.

Studies show that eight out of ten persons have a negative attitude and only two of ten approach things in a positive manner.
Andy had Bill Warner put a soda straw through a raw potato and naturally he approached it cautiously since most of us didn't think it could be done—but he did it simply by going ahead and giving it a try.

Andy capped his general philosophy with the following quotation: "If you think you can—or you think you can not—you are absolutely right."

Christenson To Demonstrate Paint On Court

The shuffleboard court of the Winter Guest Club will receive a new type of paint to improve the courts. Duke Christenson, president of the Avon Winter Guest Club, the council voted to give their permission for Christenson to do one of the courts as a trial to his invention of paint with glass beads. He promised that if in any

way this would fail he would either put the court back as it is now or pay for a new court. Several questions were raised by members of the council and the group that was present from the Guest Club answered them all favorably.

After hearing from Mrs. Christenson, the state organization and Mrs. Whetmore, vice president of the Avon Winter Guest Club, the council voted to give their permission for Christenson to do one of the courts as a trial to his invention of paint with glass beads. He promised that if in any

Scouts Need Money Or Lose Executive

Letter to the Editor:

Please let me take a moment of your time to share with you a concern I feel very deeply. I have been involved in the Boy Scouting program in various communities, for over 26 years. I have seen the benefits that Scouting brings to communities, and to the boys and young men that develop into fine leaders and solid citizens.

We have a fine scouting program in Avon Park, Cub Scouts, Scout Troops, and an Explorer Post. Interest is high on the part of the participants, but I fear the general public is unaware of the struggle facing our scout program.

Scouting has prospered here because we have a fine, dedicated professional Scout executive, Don Brooks. His tireless work carries him to almost every church, civic organization, and school in Highlands, Hardee, and part of Polk County. It costs money to have a District Executive, and we are very close to losing Mr. Brooks and having some curtailments in our scouting program because of lack of funds.

The financial goal for Highlands District is \$15,000 with each community in our area sharing in this goal. Avon Park needs to raise \$2,000 as its share—soon. We do not receive United Funds to help in the Scouting program as in some communities, so we must depend upon interested and concerned citizens to assist us in reaching our goal.

Contributions, which are tax deductible, may be sent to the Avon Circuit Bank in care of Ed Bailey, marked Highlands District Scout Campaign.

I'm sure as we all do our part, along with the other communities in our Highlands District, Scouting will continue to prosper.

Sincerely yours for better Scouting,
Diane R. Zoller
Highlands District Chairman
