ROBERT J. BARBEN

MILTON HOWARD

CHARLES JORDAN

HERMON SIZEMORE

JAMES STRENTH

Tuesday, Dec. 7, is city election day in Avon Park and the voters will have a choice of four candidates to choose from to fill the two city council seats that will be vacant.

However, ballot casters will only have one choice for the office of mayor since Mayor Bob Barben is running for his second term, unopposed.

Barben, a citrus grower, has served two terms on the city council from 1963-1967.

Mayor Barben has a bachelor of science degree from "Pennsylvania College in Huntington, Pa., a law degree from Dickinson College, Carlisle, Pa.

The Barbens have been residents of Avon Park for the past 22 years, being to the

Union Congregational Church and are active in many civic events. They have seven children. Mayor Barben is a department and ambulance service, for remodeling armory for civic center and for "no hanky parking", police department.

The first to qualify for a council seat is 29 year old James Strenth. A life time resident of Avon Park he graduated from APHS in 1961 and is a car salesman for I. H. Ford Motor Company.

The son of Mrs. W. M. Strenth of 308 N. Anoka Ave., said "he was not running for a council seat against anyone, that he was running because there was a council seat to be filled."

Strenth said, "he has always been interested in politics and if elected would do all he could for the interest of Avon Park."

Wesley H. (Hermon) Sizemore, a resident of Avon Park for the past 21 years, is also a candidate for a seat on the city council. Sizemore has been employed by Florida Power Corporation for 17 years, is a member of First Baptist Church, member of Bircial committee and a member of Civic Service Board. The Sizemores have two children.

Sizemore said, "if elected, I will serve the people of Avon Park to the best of my ability, and to make Avon Park a better community." Sizemore said, "Avon Park has had a lot of opportunities to grow, but for some reason the opportunities never materialize."

Charles H. Jordan, owner of Carpet Master, was the fourth to qualify for a council seat. Jordan said he has lived in Avon Park three different times since 1956, but said he plans to stay now because Avon Park is a good place to raise his family. Mr. and Mrs. Jordan have three daughters.

A native of Florence, S. C., Jordan said, "Avon Park area is heading for a boom and he would like for us to be ready for it and not fall by the wayside as has happened in other areas."

At the regular Avon Park City Council meeting held Monday, Nov. 22, James Lowe and Cliff Hineman of Dawkins and Associates, appeared and participated in a discussion of extension of sewer on North Lake Avenue as proposed to serve a new development planned by Avon Investment, Inc.

Further action was postponed pending conference with the builder, Herman.

A discussion was held of

Lowell DuBose Condition Unchanged

We print this weekly progress report on Lowell DuBose, Jr., as the many friends and other interested readers who have helped Lowell Jr. and his family with their prayers and with their donations to the Lowell DuBose, Jr., Fund, can be kept informed as to his progress.

This week things are about the same, he is still in Halo traction. He has 20 pounds on his head and each leg has 10 pounds.

In out last report Lowell had undergone surgery to eliminate a couple of ulcer type sores on the lower part of his back, these caused postponement of his first scheduled surgery and again this week the first of possible three major operations was canceled because the incision wasn't healing properly.

Though being in traction so long is depressing, Lowell is in pretty good spirits and sends word to everyone that he hopes that had an enjoyable Thanksgiving season, and wished he could have been home.

If things go well Lowell will be able to come home the latter part of January or the first of February. Lowell Jr., has now been down almost three months and is tired of the bed, but he looks forward to the time he can be up and around again. Your continued prayers and help are much appreciated by Lowell and his family.

Published in 13 points as did Robert Lansing, Tony Williams hit for 12 points in his varsity debut while Mearl Robertson added 3 counters and Lefly Hicks put two points on the board. Others seeing action in the game were Harry Smith, William Ayers and Ricky Helms.

Against Auburndale on Saturday night it was a different story. The Bloodhounds five took to the court with a hot shooting spree and pumped in 14 points in the first quarter while Avon Park managed only 2 points. In the second period the Devils found the range and sank 19 points but Auburndale countered with 15 to the score at halftime stood 25-21 with Avon Park trailing by eight points.

It was the third quarter that made the difference and gave Avon Park the win as the Devils came out ready to play and scored 17 points while holding the Bloodhounds to only 6 points to take the lead by a score of 38-16. The Red Devils stayed hot in the final period and outscored the home team 19-10.

Again it was Sizemore who led the offense as he pumped in 25 points with field goals and 13 free shots out of 18 attempts from the line. Robert Lansing contributed 13 points again and Mearl Robinson had 8 points in the fourth quarter. Leroy Hicks put in 6 points and Tony Williams had a field goal and three free shots for a total of five points.

With several boys on the team this season who can hit the basket and also plenty of rebounding ability, the Devils look like they may just be the district challengers that they have been picked to be by coaches in the area. With Sizemore going into his fourth season as a varsity letterman, the Devils have the leadership and spark to make it all the way.

An improved Nathaniel Packer and Robert Lansing off last season's team and newcomers Tony Williams, Mearl Robinson, Leroy Hicks, and Harry Smith give the Devil squad a real one, two punch. Also on hand for action will be Williams Ayers, Ricky Helms, Leon McRae, and Arnold Davis.

Let's all turn out this Friday night for the first game in the new high school gym and get the Red Devils off to a great season in basketball. With a 2-0 record going into the home opener, the Red Devils could produce the best record in the history of the school so be a Devil cage fan this year and enjoy some exciting action.

Devils Upset By Streaks

The Sebring Blue Streaks pulled a big upset last week when they handed the Avon Park Red Devils a 21-13 defeat at Fireman's Field in the annual Thanksgiving Eve inter-county football game.

It was the last game for both teams and the last dropped Avon Park's season record to 7-3 and the win gave Sebring a 3-7 mark.

Avon Park kicked off to Sebring to open the game and after moving for one first down thanks to a five yard penalty against the Devils, the Streaks were forced to punt. Avon Park took the ball on its own 15 and moved on three running plays to the 25. Then Sizemore threw a long one to Nathaniel Packer who had broken into the clear and the big sophomore end

romped all the way for a TD. It was a 7-0 scoring play. Sizemore kicked the extra point and Avon Park had a 7-0 lead. The remainder of the first quarter was a battle of two strong defenses as neither the Streaks nor the Devils could move for a first down. Late in the first period Sebring's Don Massaline returned a Devil punt from his 30 to the Avon Park 34 a return of 36 yards. But as the quarter changed, the Streaks were bogged down and a bad punt went only four yards before it went out of bounds on the Avon Park 25 yard line.

From that point the Devils started moving and drove to the 45 before a fumble was recovered by a Streak on the Avon Park 39 yard line. On the very first play from scrimmage, the Blue Streaks scored. Streak quarterback Charlie Lanier found end Clifford Smith in the open behind his man and passed to him for the touchdown. Then Ronnie Handley kicked the extra point to tie the score 7-7.

On the next series Avon Park put together a 62 yard drive for another score. Combining running plays with passes to Danny Lewis, Packer and then Lewis again, the Devils moved to the nine yard line of Sebring in 13 plays. From the nine, Don Sizemore ran the ball in for the TD. On the extra point attempt, Sizemore's kick hit the goal post and bounced back but Sebring was off sides so the next time the Devils tried to run the ball over. It was short of the goal line but Sebring was again guilty of a rule infraction as Avon Park tried for third time. This try was from just inside the one yard line but again the run was stopped short so Avon Park led 15-7 at halftime.

Avon Park received the kick off to start the second half and Sizemore brought the ball back to the Devil 30. Then on the first play, after a pass gain, the ball was again fumbled by Avon Park and recovered by Sebring. And again the Streaks hit fast and scored from the 30 on one long pass from Lanier to Smith again. Handley's kick for the point was good giving Sebring a 14-13 lead early in the second half.

The rest of the third quarter was played in the middle of the field as both teams punted once and then Sebring intercepted a Devil pass. Late in the third period, Sebring moved the ball all the way to the Avon Park 16 but in the fourth quarter, the Devils stopped the drive at that point on fourth down.

Avon Park was unable to move the ball on the next two possessions but drove Sebring deep to its own 10 yard line on a 45 yard punt and later a penalty against the Streaks. But on third down and 15 yards needed for a first down, Don Massaline faked a double reverse and streaked down the field for 99 yards for Sebring's third TD of the game. Again Handley kicked the point after and the Blue Streaks had the 21-13 advantage.

Avon Park had two more chances to even the score but just couldn't move the ball against the tough, fired up Blue Streaks line. On the next to last play of the game, Sebring intercepted a long pass from Sizemore to James Coleman at the 25 yard line and ran out the clock for the victory.

It was a disappointing finish to a really fine season for Avon Park. The squad kept coming back all year after losing key players and had played good ball for the 7-3 record. Don Sizemore finished the season scoring a total of 80 points on 10 touchdowns, one field goal, and two point conversions, and 13 kicks for one point conversions. Keith Richards and Nathaniel Packer both scored 39 points with five touchdowns each and Danny Lewis scored three TD's

Four people, three of them teenagers, were injured in an accident at 7:40 p.m. Nov. 24, 8 miles south of Avon Park on S-17.

A pickup truck, driven by Lee Smith, 16, of Sebring, failed to yield right of way at an intersection and crashed into a car driven by Jesse Octen, 23, of Avon Park.

With Smith was Nathan Carroll, 14, of Tavares, With Octen was Roy McDonald, 16, of Avon Park. Smith and Carroll had visible injuries. Damage to the pickup was estimated at \$2,000 and to the car \$1,800.

Telephone Users Can Save By Calling On Weekends

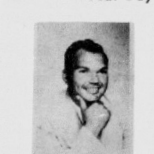

Many United Telephone customers in Southwest Florida are paying more for out-of-state long distance calls because they are not aware of the most economical times to place calls or the best way to use the direct distance dialing (DDD) network.

"Some subscribers do not know that traditionally low weekend rates apply only until 5 p.m. on Sundays," says Oscar Holway, United's General

5 p.m. Sunday. He emphasizes that additional savings can be made by dialing calls yourself. "For example," he says, "it costs only 70 cents for a customer-dialed, three-minute call from Ft. Myers to Los Angeles at weekend rates. The same call made on a week-day (8 to 5) would cost \$1.35. During the evening rate period (5 to 11 p.m. on Sundays and all days except Saturday.) It would cost \$5 cents."

Operator handled calls are the most expensive ones, according to Holway. Again citing the example of three-minute call to Los Angeles, he states that "the cost of such a call is \$1.40 in the evening, \$1.85 in the daytime and \$3.55 if made anytime on a person-to-person basis."

AFTER HIS DISCUSSION OF "Why Man Falls Apart Too Soon," Dr. Dean Conrad answers questions for Torarians Clifford Dance and Al Tregea. photo by Lew Miller

ROTARY CLUB NEWS

BY C. J. LARSEN, MD.

Program chairman, Emmette Wright, introduced Dr. R. Dean Conrad, director of Health at the Air Force Service Command, Dayton, Ohio, speaking on "Why Man Falls Apart Too Soon."

Dr. Conrad, in his introductory remarks stated that he was glad to be a speaker at the Rotary Club. He also stated that he has seen sick, sick animals and sick people.

Dr. Conrad was sick and visited many physicians with not much help, however, he changed his diet and got well. He is now 80 years of age, jogs daily, and is enthusiastic about diet and raw foods.

His father, at 38, had been given up to die. He observed the cattle reaching through the fence for green grass and decided to try some himself. He ate grass and recovered.

His mother at the age of 71 was given up to die of arthritis and the doctors said she would never get out of bed. She was asked, "Why don't you try dad's remedy?" This she did and in six months she was getting about the house and was active for 17 years doing her own work.

From here, Dr. Conrad went searching for answers to a full healthy life. He went to various Nutritional centers in the United States and Canada, and came to certain conclusions. From the Enquirer this statement: "The American diet is atrocious. We rank 17th in health standards and No. 1 in degenerative diseases."

There are deficiencies seen in heart, angina, thrombosis, sclerosis, all due to poor nutrition." The youth panic when Police Sgt. Fred Conner put his light on and the chase was on. The teenager ran a total of 13 stop signs, and lost tools and hunting equipment before he was finally caught. The young driver (having no drivers license and driving without permission from his father) was released in custody of his parents.

MISS PEGGY SAWYER

Peggy Colleen-Wayne Douberley To Be Married In February

Mr. and Mrs. Floyd Sawyer of 1124 Pasadena Ave., Sebring, announces the engagement of their daughter, Peggy Colleen, to H. Wayne Douberley of Oakland Road in Sebring. The future bridegroom is the son of Mr. and Mrs. H. R. Douberley of River Ridge in Avon Park.

The bride-elect, a graduate of Sebring High, also is a 1971 graduate of the University of Florida with a major in English. While in college, she was active in the student government. She is presently employed at Sebring Utilities.

The bride-groom, a graduate of Avon Park High School, attended South Florida Junior College, is production manager of Kahn Groves.

A February wedding is being planned.

Mr. and Mrs. Paul McFarland, Sr., are returning from an enjoyable visit with their son, Paul, in Smyrna, Georgia. David McFarland, of Clermont, flew up on Wednesday to join them for their Thanksgiving holidays.

As Paul's guests the McFarlands participated and enjoyed many activities. Among them were attending a play put on by Paul's fifth graders, eating at "Aunt Fanny's Cabin".

BY FAYE GORDON

Ten, nine, eight, seven... that's the countdown leading to the final feverish week prior to the holiday season. Shopping for gifts, addressing cards, wrapping packages, holiday cooking! How can we slow down the hectic pace?

There is a way—believe it or not! Most of us have some freezer space which will allow us to cook now and serve later. Then, when the time is upon us, we can open that freezer door and pull out the tidbits or hors d'oeuvres; perhaps even serve a piece of that cake baked the previous month. Or how about some already prepared pie, plus a blob of whipped cream (also whipped and frozen)?

Sounds easy, doesn't it? It is! Just prove it. I am including some favorite recipes which you can prepare now and serve later.

CHEESE STRAWS
1 lb. sharp cheese (grated)
1/4 lb. butter
2 cups flour
1/4 tsp. red pepper
dash garlic salt
(Optional)
Cream together with butter. Gradually blend in flour and seasonings. Use cookie press to make cheese straws, or roll out like pie crust and cut in thin strips. (One or two teaspoons of hot water may be added if dough is too stiff.) Bake at 350 degrees F. for 15 to 20 minutes. Sprinkle lightly with salt upon removal from oven. Cool. Freeze in air-tight container.

VANILLA-WATER CAKE
2 cups sugar
6 eggs
1 1/2 cups vanilla wafers
1/2 cup chopped pecans
3 eggs, well beaten
Cream butter and sugar until smooth. Add egg, one at a time, beating after each egg. Add crushed vanilla wafers (blender does a quick job) alternately with milk. Add coconut and pecans. Bake in greased tube pan approximately 2 hours at 275 degrees.

PECAN PIE
1/4 cup butter
two thirds cup firmly packed brown sugar
dash of salt
1/4 cup dark corn syrup
3 eggs, well beaten
1 cup pecan halves
1 tsp. vanilla
Cream together butter, brown sugar and salt; stir in remaining ingredients. Turn into (uncooked) pastry lined plate and bake in hot oven, 450 degrees, 10 minutes; then reduce heat to moderate, 350 degrees, and bake 30 to 35 minutes, or until knife inserted comes out clean, cool. Serve with whipped cream, if desired.

If you'd like some additional tips in using your freezer, contact me at 453-3117 for a free booklet on freezing methods. Happy Holidays! It's a Woman's World.

Christmas Cheer was set up by the Avon Park Ministerial Association in order that the churches, social, civic and fraternal organizations could spread Christmas Cheer in Avon Park through one, central organization.

In this way all indigent families can be reached. This is done through cooperative effort. And there is no duplication. This organization has been helped by the Lions Club through the collection and repair of those toys which warm a child's heart. The Lions also pack a Christmas baskets.

Christmas Cheer has been able to carry on each year through the financial support it has received from organizations as well as individuals. Anyone wishing to support Christmas Cheer can send their check to: Mrs. Mattie Tompkins, treasurer, P.O. Box 40, Avon Park.

Miami, Saturday the 27th

Dear Sir:

Along the highways between our home in Cleveland, Ohio, and Miami, my wife and I have eaten in a great many restaurants, as you can imagine. They were large and small, and I have nowhere have we ever had a more enjoyable meal as at your place. I am writing you to tell you that we enjoyed our stay at your place last Thursday night. It was De-

Not only was our food the "Tops" in its class, the service was good, clean and home-like. But I'm sending you a special mention of your Bell Hacks. She's not only "Tops" as a Cook, she's also a delightful hostess. When we were leaving she said twice that she "didn't want to see us go." We plan to do just that—soon after New Year's Day, on our way North from Miami. Again—our thanks for some delicious Roast Beef.

Sincerely,
(Cg) Mr. and Mrs. Arthur Melvin

If you haven't enjoyed Franklin's Inn food yet, come on in. Enjoy Roast Beef as the Melvins did, or some Bar-B-Q, Chicken or Ribs... perhaps a Pizza. One thing we know—you try us once, and you'll be back again and again. Come in. Soon.

Snead Finish 10th In State Tournament

Avon Park's entry in the Class AA State Cross Country meet held in Titusville, on Nov. 20 was Eugene Snead who had captured first place in the district meet the week before.

Snead came in 10th place with a time of 14:01 for the 2 1/2 mile course on Whisper Hills Golf Course. Over 65 boys competed in the race.

Miami Pace High School took the AA and A team title with its men finishing first, second, third, fourth and 11th.

Eugene is only a sophomore and will have two more weeks at the state cross-country title.

According to Coach Chet Brojek, Eugene did very well at the State meet considering the fact that it was his first effort in a state championship event.

Coach Brojek hopes for a better team effort next fall in the school's second year at cross country competition.

Postmaster R. D. Young today urged Avon Park residents to start their Christmas shopping and mailing now. With Thanksgiving over Christmas time will soon be with us.

After Dec. 1st the Post Office has been pressed to handle the volume of Christmas mail. Literally billions of pieces of mail will be delivered between now and Christmas. If everyone were to wait until the middle of December to mail their gifts and greeting, postal facilities would be severely overloaded.

More important, some special greetings could not be delivered on time. Public cooperation is the key to fast and on time delivery during the Christmas season.

Postmaster Young has asked citizens to purchase and mail gifts as soon as possible and to mail them with zip codes in the address. The use of ZIP Code on Parcel speeds the sorting and delivery process.

State Youth Conference At Daytona

The Florida State Youth Conference for the National Foundation March of Dimes was held at Daytona Beach November 26-27. The purpose of the conference was to acquaint the youth of our state with the purpose and goals of The National Foundation.

The main objective is to educate our young people about birth defects and what can and is being done to eliminate many of them. One of the most appalling statistics reported is that 100 babies are born every 24 hours with defects serious enough to effect their daily lives.

Another serious objective is that of fund raising. It is projected that the youth of Florida will raise \$100,000 for research and cures of birth defects in 1972.

Representing the Highlands County Chapter were Jill Lee and Sally Pogany of Sebring, Joe Dalton and Lani Newton of Avon Park. They were captioned by Gaynell Hickey, chapter secretary of Sebring.

THESE MEMBERS of The Middle School Landscape Class are shown planting shrubs in front of the school building on Lake Avenue. Above left to right, are: Larson Downs, Larry Randolph, Freddie Williams, David McDaniel, sponsor, Greg Carrell, Lee Barberie, Larry Pough, Jamie Dennis and Charles Pough. This group is sponsoring an orchid show, Dec. 11-12 from 10 a.m. 8:30 p.m.

A free will donation is asked. The purpose of this show is to raise funds for the Middle School landscape class to buy shrubs, fertilizers and tools. Any one having orchid plants or plants in bloom at this time are invited to participate in this show. Please call the Middle School office. It will be held in the Middle School Industrial Arts Building photo by Eloise Sharpe.

Notes On Helping The Handicapped

Developmental Training Program

We are sorry that the holidays got in our way and we missed with our hints last week. We are

thankful that this does not happen often. We are also thankful at this and all seasons for the opportunity provided by the Avon Park Sun to reach our readers each week with news and information on our topic: Helping the Handicapped.

If your problem concerns the handicapped please call us and we will try to help you or put you in touch with someone who can. Our telephone numbers are at the end of the column each week.

Radio stations in the county and the news media throughout the county have been most helpful during the month of November as our Ridge Area Association for Retarded Children has reached out to the community. Much information has been given and we hope that our county is now more knowledgeable regarding the retarded. We always need you—our readers—our friends.

We are hopeful that you may volunteer time, for time is one of the most important of our needs. Would you be interested in giving one day, one morning or one afternoon per week to help in the Work Center or in the

Pie Right for Holidays

A modern Jack Horner just might pull out a plum (or a prune) when he is served this holiday pie, for there are both prunes and apricots in it.

 - 1/4 pound (1 1/2 cups) dried apricots
