Democrats To Meet Tonight In Lake Placid

The Highlands County Democratic Committee will meet Thursday night, June 10 in the Civic Building at Lake Placid at 8 P.M.

Mrs. Edna Pearce Lockett said all interested persons are welcome and urged to attend these meetings and to take part in the discussions. "This is the only way for the people to know what your committee is doing," she said.

The committee, said to be the most active in many years, is planning a barbecue and rally at Mrs. Lockett's ranch in October with an estimated 2,000 people in attendance. C. Wesley Ward, chairman of this rally, said United States Senator Lawson Chiles has indicated he will attend and Governor Rubin Askew has also been invited.

The committee is expected to discuss by-laws for the organization at Thursday's meeting since there apparently are no by-laws available in the files.

The committee recently contacted State Senator Wilbur Boyd who represents Highlands County and also chairman of the legislative reapportionment and congressional redistricting committee. The Highlands group urged that he move on this matter as quickly as possible.

Since then, the legislature has approved an early session in 1972 to deal with reapportionment.

State Changes Speed Limit On US 27

The Department of Transportation (D.O.T.) has approved a 1971 speed restriction for US 27, Avon Park. The change would effect speed limits from the south end of Avon Park to north of the hospital.

The limits that were suggested by D.O.T. were opposed by the city council. A letter was sent with their objection and the suggestion of the lowering of the speeds at the intersection of State Road 64 and the hospital area.

Mayor Barben spoke against the increased speed limits and mentioned the area that is being changed is now noted for its accident rate.

In the two speed checks made by D.O.T. the approximate rate of speed traveled by northbound traffic was 63.7 MPH while the southbound speed was clocked at 54.6 MPH. In a 1969 report and survey it was estimated that 8,604 vehicles traveled on the south part of US 27 and that 8,555 vehicles used it from intersection 64 south.

The recommended change is 55 MPH from south of Castle Street to north of Candlish Street. From there to north of Pleasant Street, a 45 MPH will be established. From this point north of Alameda Street to north of Allamander Drive 65 MPH.

The erection of signs and the removal of conflicting signs will be done by D.O.T. Fourteen signs will be erected with number 12 saying resume safe speed, and this will be followed by a red speed sign and the last instruction sign in this area will be to resume the 70 mile per hour speed limit.

Four Dwellings Demolished In City Clean-up

Four dwellings were demolished and the lots cleared of debris last week. The property of Maude Burkett and Anna Lee Childs were condemned some months ago by the Avon Park City Council. The Shell Wrecking Company was the low bidder and did the work.

When properties are below sub-standard the building inspector reports his findings to the city council who then condemn the property. The owners are notified of the decision and have the privilege of a hearing to show cause of why the property has been condemned. The hearing was before the zoning board.

The city is guaranteed the expense of the demolition by then selling tax certificates.

The demolition of sub-standard buildings is in conjunction with a clean-up project of all undesirable buildings and overgrown lots.

THE 1971 WINNER of the "Outstanding Senior Athlete" trophy, Joe Franza, here proudly displays his trophy after receiving it last Friday, June 4, at the high school awards assembly. Young Franza participated in football, basketball, and track all four years of his high school career and "always exhibited the qualities desired in an Avon Park athlete—spirit, sportsmanship, dedication to the sport, friendliness, a good attitude, and the desire to win."

Joe Franza Awarded Senior Athlete of The Year Trophy

Joe Franza, Avon Park High School senior athlete, walked off with the coveted "Senior Athlete of the Year" trophy last Friday morning, June 4, at the annual Awards Day Assembly. Joe played football, basketball, and track all four years of his high school career and, according to Mr. Craven who made the award for the coaching staff, the lanky senior exhibited all the qualities desired in an Avon Park athlete—good attitude, good sportsmanship, dedication to the sport, friendliness, and the desire to win.

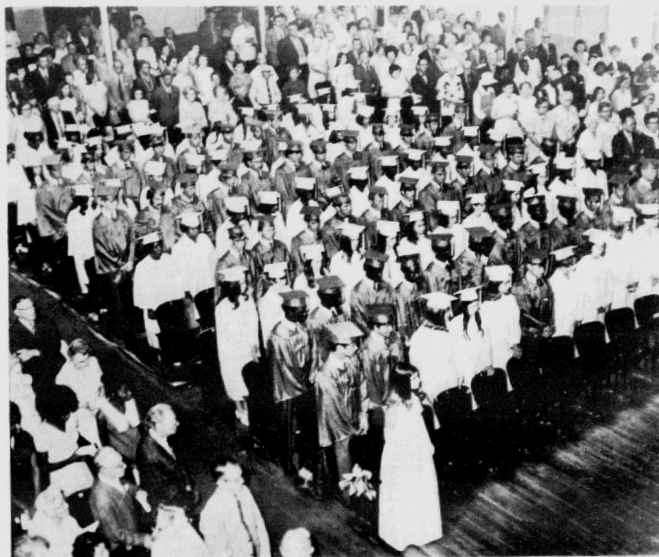

Joe placed 8th in the 880-yard run at the Class B State track meet this year. He played offensive and some defensive end on the Devil football squad, and saw action as a forward and center on the basketball squad. Joe will attend South Florida

Junior College next fall on a basketball scholarship. Suse Franza won the outstanding cheerleader award and presented a trophy by varsity cheerleader sponsor, Miss Phyllis Love, at the assembly. Suse was captain of the cheerleading squad the past year and has been a cheerleader throughout her years at the junior and senior high school. The Fellowship of Christian Athletes presented sportsmanship trophies to boys on all four varsity squads. Dewayne Lemmer, sponsor of the F.C.A., made the presentation of the trophies to Ricky Dick in football, Jimmy Magenheimer in basketball, Sam Dasher in track, and Howard Sarmore in baseball. Coach Fred Sandlin presented

AVON PARK HIGH SCHOOL GRADUATING CLASS OF 1971

Graduating Ceremonies Held In APHS Auditorium June 7

Monday night, June 7, 111 red and white robed seniors marched down the aisles of Avon Park High School Auditorium to receive their diplomas in a simple but nostalgic ceremony that marked the end of high school activities at that school. A light rain moved the program indoors from Memorial Field and the old auditorium, which will be used as a middle school next year, was filled to overflowing with parents and friends of the largest graduating class ever at Avon Park High School.

The Avon Park High School Band under the direction of Victor McKunas ushered in the seniors with "Pomp and Circumstance" as Junior Marshalls Candace Reddick and Elizabeth King led the way down the old aisles.

Clayton McNeil gave the invocation. The band, with senior members joining the group for the last time, played a rousing rendition of John Phillip Sousa's "The Stars and Stripes Forever" and Mrs. Ann McKunas and John Wright joined the band.

Senior members joining the group for the last time played a rousing rendition of John Phillip Sousa's "The Stars and Stripes Forever" and Mrs. Ann McKunas and John Wright joined the band.

Mr. Garner also made the presentation of the Col. Bailey Award, which annually goes to the boy and girl voted by the faculty to be the most thoughtful of others, to Iva Elvys and Phyllis Jahna.

G. Franklyn Ward, member of the school board, presented scholarships to South Florida Junior College from First Federal Savings and Loan Association to Ginger Phillips and Jimmy Magenheimer.

Mr. Ward also called Barbara Flowers forward to present her with the William F. Ward Foundation scholarship to South Florida Junior College. This scholarship is given annually to a person interested in a career in the field of special education.

A. W. Craven, supervising principal of the Avon Park schools, made the final award which he announced as the highest award given by the faculty of APHS—the Senior Honor Award. This award is based of five qualities: leadership, scholarship, dependability, loyalty, and

sportsmanship. The winner for 1971 was Suzanne Skipper. Mrs. Craven also presented Suzanne with a trophy representing the valedictorian award.

E. Ray Wells, vice chairman of the school board, congratulated the seniors and their parents for reaching this stage of their lives before he presented each senior with a red-velvet diploma.

After the presentation of

diplomas, Suzanne Skipper gave a valedictory address. Miss Skipper, in addition to winning the Senior Honor Student Award, was recipient of the Bausch and Lomb Honorary Science Award, the Mathematics Award which she shared with Walter Nunnallee, the Kwanzaa Outstanding Teenager of Avon Park Award, the Reader's Digest Valedictory Award, the Florida

gents Scholar Certificate of Merit presented by the Florida Department of Education, and a perfect attendance certificate.

Before the recessional, the seniors sang the Avon Park High School Alma Mater accompanied by the band.

A reception honoring the seniors was held at Avon Elementary Cafeteria.

Change In Mail Forwarding Time Announced by Postmaster

All change of address order received on and after May 15, 1971 will continue in effect for the month of the effective date shown on the order. Formerly the U. S. Post Office honored forwarding orders for a period of two years.

Postmaster Young noted that as in the past, change of address orders are not renewable. He further noted that all change of address orders received at the Avon Park Post Office prior to May 15 will be honored for the old time period of two years.

Mail undeliverable as addressed resulting from postal service adjustments occurring on or after May 15, 1971 will be redirected and forwarded for a one-year period.

Postmaster Young also noted another change in mail handling.

Effective May 15, 1971 the period for holding ordinary mail at the request of the addressee will be changed from 60 days to 30 days. Under unusual conditions, mail may be held for a longer period if the postmaster considers it practicable.

Arrangements should be made at the post office if retention is requested for over 30 days.

With their ladies, incumbent District Governor Perkins and his lovely wife as guests, the first meeting of June was both a festive and serious affair. The Rebekah ladies gave the evening a fine start with tables and fare to suit the occasion. Relish trays, jelled salad and orange juice whetted appetites for the main course of roast beef, baked potatoes and broccoli with cheese sauce. The dinner was followed by marbled raspberry cake with whipped topping. Artificial red roses provided colorful table decorations.

No business being taken up except for the installation of officers, District Governor L. Duane Perkins was introduced by the outgoing Lion President Jack Acree. Governor Perkins offered a brief statement on Lionism and his relationship with the Avon Park club before going into the installation ceremony. As usual he was well received. First to be sworn in were the club's directors: Lions Fred Hughes, Dick Enoch and Chuck Smith. All other officers were then brought before the assembly and each in turn administered as to his duties and responsibilities prior to being sworn. The finale was, of course

Jim Lawson Completes Civil Defense Course

James R. Lawson, director Highlands County Civil Defense, has successfully completed the second phase of the Civil Defense Career Development Program for local directors coordinators held at the office of Civil Defense Staff College in Battle Creek, Mich., May 28.

The Career Development Program, a course consisting of four phases of two weeks each, is designed to enable officials in states, cities and towns to begin training for careers in Civil Defense in keeping with the development of Civil Defense as a profession.

The participants in this class were a group of 12 carefully selected Civil Defense coordinators from throughout the United States.

reserved for incoming Lion President Milton Giddens, who expressed the desire to uphold the club tradition of action but to also do a little further this year and make it action plus.

In addition to President Giddens, the club's new principal officers are: First Vice President, Dick Thayer; Second Vice President, Jack Duggan; and Third Vice President, Fred Guernett.

McDugald To Graduate From U of F

More than 2,300 University of Florida students are candidates to receive degrees during three separate Spring quarter convocations scheduled this month.

Dugald Alexander McDugald will be a candidate for a BSBA degree. He is the son of Mr. and Mrs. J. N. McDugald of Avon Park.

The general commencement for 2,212 candidates will be at 7 P.M. June 12 on Florida Field. Dr. Stephen H. Spurr, an alumnus of the university, who will become president of the University of Texas June 15, will be the featured speaker. A professional is scheduled at 6:40 P.M.

Sixty-two College of Medicine students are due to receive M.D. degrees at 3 P.M. Sunday, June 6 in the Reitz Union Ballroom. The third program is scheduled at 10 A.M. July 12 in the Holland Law Center auditorium where 88 law students are candidates for the juris doctor degree.

SCOUTS OF TROOP 156, with their leader, Larry Hooper, cleared all trash from the city limits to the city dump on Hwy. 64 (approx. 1 1/2 miles) Saturday, June 5, with project SOAR. (Save Our American Resources). Seventeen boys and four adults took part in the Anti Litterday. They pulled out all recyclable materials to be turned in and sold for reclamation. (Note dining table on trailer, that was also found by the roadside). Project SOAR will continue all Summer and they will revisit this place on July 5th and August 5th, and make reports on the condition. Kelly Phillips' West End Grocery treated the Scouts to a cool drink, which they all enjoyed, after the hot and tiresome job.

WORKING ON project SOAR, Saturday, June 5th at the public boat ramp at the south end of Lake Lotela, were David Starr, Joseph Gray, Daniel Luke, Mark Brown, Peter Dupriest, Delma Braswell, Tim Behaul, Tim Starr, Fred Cantrell, Mark Hooper, Decaris Jones, and leaders, Dave Brown and Tal Starr. All these boys are between ages 10 and 11 years old.

Webelos Pack 156 To Clean-Up Public Ramp on Lake Lotela

Webelos Den of Pack 156 set their goals high when Saturday, June 5 came around. Working on project SOAR, (Save Our American Resources), the den obtained permission from the County Commissioners office at the beginning of the month, to undertake a massive clean-up at the public boat ramp on the South end of Lake Lotela.

This boat ramp is one of the most popular boating and swimming areas in Highlands County. On a hot Summer day, you may see boats and cars from Polk and Hardee counties, and people of all ages enjoying themselves there. However people are thoughtless, and just because it may take a little effort to walk to the trash barrel, it always seems easier to just drop the bottles, beer cans, and paper whenever and wherever the contents are empty.

Such individuals never stop to think when they do these things, the pain that can be inflicted is some innocent passer, when one should step down on this trash hidden under weeds or by water.

The Webelos Scouts took advantage of the low water level, working from 9:30 A.M. until well past 2:30 P.M. Saturday, fighting pollution. June 5 was a real letter day for millions of Scouts all over America. On that day the phrase, "Keep America Beautiful!" will have taken on a deeper meaning, not only to the scouts, but to the public also, who use this ramp.

JOHN ROBERT RUSS

John Russ To Receive BA From UWF

John Robert Russ of Avon Park, will be a candidate for a BA degree in history when he graduates from the University of West Florida on June 12.

Mr. Russ attended Avon Park High School, graduating with the class of '67 and South Florida Junior College. His parents, Mr. and Mrs. Jesse Russ of Avon Park and her sister and her husband, Mr. and Mrs. S. J. Browning of Vero Beach, will drive up to Pensacola on June 10 to attend his graduation.

Letter To The Editor

Dear Editor:

To the "gauche scared" residents of the area on and around Lake Verona. Have just learned that so much pressure was brought to bear on Fish and Game Department and City Hall, that the "big" had 5 or 6 foot pet alligator was disposed of. It is entirely through lack of knowledge of gator feeding habits, their inborn curiosity, etc., that causes people to do these things. Their chief article of diet happens to be turtles and rough fish — as people are still the ones upsetting the balance of nature — and always will be I know that I am expressing the disappointment of most residents of Lake Verona.

Two Teams Tie In Tuesday's Mixed Foursome Scramble

Dear Editor:

Tuesday's mixed foursome scramble found two teams tied with a low of thirty-nine. Those sharing the prizes were Al Sanders, Mildred Ford, Hank and Bert Brenson, C. S. and Jean Crutty and Ab and Martha Wester. The high score is attributed to playing taking place on the more difficult back nine which has a par of thirty-seven. Wednesday's pro-am was taken by the team of Ed Touchton, Ross Backus, Carl Orr and Karl Swanson. The strong back of Backus helped carry the team to a score five points better than the aggregate average of the team members.

There were two all time personal lows over the past Holiday weekend. Mildred Ford had a very nice eighty four and Bill Brown was happy with his

eighty-one. Golfers have seven more days to enter the "best the champ" competition at Pinecrest. A mens low of seventy one and ladies low of seventy three will get the lucky player a bag tag reading "I beat the champ". Remember, the entry fee is only \$1.00 and this goes entirely to charity programs selected by the Professional Golfers Association.

Letter To The Editor

Dear Sir:

On behalf of the Avon Park Little League we wish to publicly express our sincere appreciation for the donation of materials and labor by public spirited citizens in connection with improving facilities at the Little League field. The concession stand has been improved and enlarged and the restrooms have been relocated at little cost to our organization due to the contributions of many helpers.

We particularly wish to thank the following individuals for their contribution: W. E. Spurlock for plans and supervision; Jackson Bros. for masonry work; Hartley Plumbing for plumbing materials and labor; Jim McWilliams for carpenter work and door chains; Robert Wilson, Jr. for masonry work; John Walker for labor; Fred Jabana (Jabana Concrete) for donation of concrete blocks; Robert Dick (Highlands Building Supply) for donation of a door and help in securing supplies. No doubt others have helped and we wish also to express our thanks to these, particular various employees of the City of Avon Park.

The publicity furnished from week to week by the Avon Park Sun and by Radio Station WAFR has been most helpful.

The Little League is a large program, enabling more than 300 boys to play baseball each year. We are sure that these boys and their parents are appreciative of the contribution made to this program by each of the above.

Sincerely yours,
Dwain Martin, President
A. E. Elder, Vice President

Kiwanis Hear Report On Halfway Houses

By JIM WILLIAMS

The Kiwanis Club luncheon on June 1 had as guest speaker, Harve Olsen, Field Representative for the Bureau of Alcoholic Rehabilitation and Secretary Treasurer of the Florida Association of Halfway Houses, Inc. Harve spoke of the large number of persons in the United States, 5 to 9 million, and of 100,000 to 200,000 in Florida who are estimated to be afflicted with the illness called alcoholism. The abuse of alcohol he said will make a rich man poor, a truthful man a liar, a proud man a beggar, and a family man a homeless man. Even though only a small proportion of alcoholics are homeless drifters, many persons who leave the treatment Center in Avon Park or other facilities are not quite ready to go back to their families and work. They need to go to halfway house for awhile. Others just have no place to go.

Olsen made personal references to what it means to have help on the road back to a life without alcohol. He said that the Avon Park, Sebring and Wauchula area needs a halfway house for those persons leaving the Alcoholic Center or the APCI. These persons could live in the house and find work in these communities. They also would be better prepared for the next step to recovery. Such a facility could be of great benefit to our local communities as well as for the half-way house residents. He emphasized that community members should have no concern about possible problems the halfway house residents could cause, simply because there are none. Resident facilities of this type are unusually well run and orderly.

Even though the Florida Association of Halfway Houses, Inc. headquarters is located in Avon Park, Harve said that he was lacking a building that is a house, which could be used to serve the three city area. The speaker asked for the support of all Kiwanians.

First Honors Award Dinner Held June 3

Members of the Ridge Area Youth Association for Retarded Children planned, prepared and served dinner to 86 adults, young people and children at the first hours award dinner for students of the Ridge Area Day Schools of Avon Park and Lake Placid, the Developmental Training Center of Sebring and clients of the Work Activity Center, Avon Park. The affair was held June 3 at the Union Congregational Church Hall, Avon Park.

Honored were the students and clients who have progressed from one program to another. Miss Janet Moody, Sebring, received top recognition as the first client to move from the Work Activity Center to an on-the-job training opportunity.

Miss Moody, Miss Debbie Galimore, Miss Celeste Wood and Roy Lettner, all of Sebring, and Miss Minnie Sue Reed, Lake Monticello, received certificates of accomplishment as the first clients who had moved from the Ridge Area Day School to the Work Activity Center.

Also recognized was Miss Janet Fouts who three years ago progressed from Ridge Area Day School to Palm Beach Rehabilitation Center and now is gainfully employed and living independently in Sebring.

Melvin Barber, Rocky Nicholas and Bob Ward received certificates of progress as they prepare to transfer to the Work Activity Center from the Ridge Area Day School.

Achievement Awards
Each student attending the dinner was recognized with award ribbons or a certificate for a particular accomplishment of the year. Awards were prepared by Miss Janet Brandt, past president of the RAY-ARCs and Miss Gayle Whitehead. Miss Brandt also recognized Mrs. Lorraine Howard, Mrs. G. F. Ward and Steve Martine for special help with the organization. Miss Bobbi Newton, newly elected president, recognized the Rev. R. A. Brandt for his many services and assistance with RAY-ARC events.

Dinner planning and preparations were handled by Miss Newton, Avon Park, and Miss Susan Fortner, Sebring. Decorations on a Disney theme were carried out with large posters drawn by Miss Susan James, Avon Park. The Misses Jan Godwin, Sandra Allen, Sue Allen, Debbie Ward and Jane Eberle assisted.

The Ridge Area Association for Retarded Children, parent organization to the RAY-ARCs, gave special certificates of service to Miss Brandt and Steve Martine for outstanding programs for the retarded of Highlands County. Miss Brandt was also awarded a medal of citizenship at the Sebring High School awards assembly for her work with the retarded of Highlands County.

STUDENTS OF THE two Ridge Area Day Schools, Developmental Training Center and Clients of the Work Activity Center, who received certificates and awards, at dinner June 2, are shown with their teachers, left to right: Mrs. Sally Cheshire, Steve Martine, Miss Patricia Loughan, Mrs. Mildred Webber, Mrs. G. Franklyn Ward and Mrs. Lorraine Howard.

MRS. G. FRANKLYN WARD, Avon Park, presenting certificate of appreciation of service, to Steve Martine, Lake Placid, classroom aide at Ridge Area Day School.

MR. AND MRS. DAVID JACKSON BARNES

Belinda Ziglar and David Barnes Speak Wedding Vows June 4

On Friday, June 4, at 8 P.M. Miss Belinda Ann Ziglar of Bowling Green and David Jackson Barnes were united in marriage at the home of the bridegroom's parents, Deane and Mrs. A. C. Barnes, Avon Park.

The bride is the daughter of Mr. and Mrs. Ralph Ziglar of Bowling Green and the bridegroom is the son of Mr. and Mrs. J. W. Barnes of Avon Park.

Rev. R. L. Polk officiated at the double-ring ceremony, with floral arrangements of red and yellow roses and white lilies at focal points in the home.

Given in marriage by her father, the bride was gownned in a floor-length gown of white tulle, lace and satin. The empire style gown featured tiny seed pearls around the neck of the gown and long lace sleeves came to a calla lily point at the wrists. Her shoulder-length veil of illusion was held in place with tiny seed pearls. She carried a bouquet of red roses with yellow sweetheart roses.

Mrs. Rosemary Pittman, sister of the bride of Bowling Green attended her sister as matron of honor. She wore a blue and white lace floor-length sleeveless gown, with stand-up collar and matching blue veil. She carried a bouquet of yellow roses.

Randall Barnes, brother of the bridegroom, of Winter Haven, was best man. Mrs. Ralph Ziglar wore a blue and white lace gown with a red carnation corsage.

Mr. and Mrs. W. Barnes, were for her son's wedding, a pale green dress and a corsage of white carnations.

For her wedding trip, the bride wore a pink A-line dress with checked top. They will reside at River Ridge Acres Avon Park.

A reception was held at the home of the bridegroom immediately following the ceremony. Roses and lilies decorated the home.

The bride's table, covered with white silk, held the three-tier wedding cake adorned with yellow roses and topped with a miniature bride and groom. Yellow punch, nuts and mints were served with the cake. Assisting with the serving were Mrs. Helen Barnes, Mrs. Rosemary Pittman, Mrs. Ralph Ziglar, Jr. and Mrs. Randall Barnes.

Out-of-Town Guests: Mrs. Leroy Melins, Vero Beach; Mrs. Rosemary Pittman, Bowling Green; Mrs. Tom Little, Fruitland Park; Mrs. Virginia Lassiter, Frostproof; Billy Barnes, Pahokee; and Mr. and Mrs. Paul Stevenson, Effingham, Ill.

NCO Wives Club The NCO Wives Club will meet at the Gator's Den at the Avon Park Bowling Range at 7:00 P.M., June 10.

All members are encouraged to attend. Any active or inactive retired servicemen's wife is invited to attend.

MR. AND MRS. SHERMAN A. DRAWDY

Couple Weds In First Baptist At Port Charlotte May 15

The first Baptist Church of Port Charlotte was beautifully decorated with yellow and white gladioli and mums, as rings and vows were exchanged by Miss Cynthia Lou Randall and Sherman A. Drawdy, Saturday, May 15.

The bride is the daughter of Mr. and Mrs. Monroe G. Randall of Port Charlotte and the groom is the son of Mrs. Ruth Drawdy, Avon Park.

Reverend John A. Parker officiated at the double ring ceremony performed at 2:30 in the afternoon. Organist was Mrs. Collins and soloist, George Clifford, cousin of the bride of Port Charlotte, with vocal selections of "Because" and "The Lord's Prayer." The family pews were marked with large white bows.

Given in marriage by her father, the bride was lovely in a white crepe gown featuring a lace bodice with long lace bell sleeves. Her shoulder length sheer veil of illusion was held in place with a small floral bow of pearls. She carried a bridal bouquet of daisies.

Matron of honor was Mrs. Carolyn Deppenbrock, sister of the bride, from Miami. She wore a pale green A-line crepe dress and carried a bouquet of yellow mums and pompons.

Flower girls were Lisa Clifford, cousin of the bride from Port Charlotte and she also wore a pale green dress, designed identical to that of the matron of honor. She carried a nosegay of yellow daisies.

Larry Reynolds, cousin of the bridegroom, from Lakeland served as his best man. Norman Cook, of Avon Park, and Donald Brown of North Fort Myers served as ushers. Both were cousins of the bridegroom.

Mrs. Monroe Randall wore a blue linen dress with lace trim. Her accessories were a white orchid corsage.

Mrs. Ruth Drawdy, chose a turquoise knit sheath for her son's wedding. She wore white accessories and her corsage was a white orchid.

Before leaving on her wedding trip to the West coast the bride changed into a elegant green, sheer sleeveless dress, designed with a white yoke.

After their wedding trip the couple will reside in Port Charlotte where the bridegroom is associated with Randall Realty.

Seating at the traditional afternoon ceremony is not restricted. FTU officials point out. Unlike previous graduations, when reserved seats were allotted to graduates families, the size of the stadium permits "room for everyone," a university spokesman said.

Along with the 395 seniors who are candidates for baccalaureate degrees, another 14 students are slated to receive degrees as Masters of Education, and two more are candidates for FTU's first awards of the Master of Business Administration degree.

Local FTU graduates, with honors listed are: John W. Wright II (cum laude), son of Mr. and Mrs. John W. Wright, Jr. of Avon Park.

Mrs. Wanda Gibson, aunt of the bride, presided at the bride's book.

The bride's table, covered with white satin, was adorned with a bud vase holding one yellow rose. The table also held a four-tier wedding cake which was decorated with yellow roses and topped with a miniature bride and groom.

Those attending were the bride's grandparents and aunts, Mrs. V. Shingledecker and Margaret Bishop, both of Port Charlotte.

Out of town guests from Avon Park were Mr. and Mrs. Cliff Thomas, Rev. Herbert D. Gratz, Mr. and Mrs. Allan Cook and son, Norman.

Rehearsal Dinner The rehearsal dinner for the Randall-Drawdy wedding party was held Friday night, May 14, at the Ramada Inn, Port Charlotte.

The U-shaped tables where the guests were seated held a floral arrangement of flowers. The bride and groom each presented gifts to their attendants.

Church Society Plans Upcoming Activities

The Nazarene World Missionary Society held its first meeting of the 1971-72 year on Wednesday evening, June 2, in the Social Hall of the Church of the Nazarene. A covered dish dinner preceded the meeting.

The meeting was mainly centered around the Society's plans for the new year, noting that more interesting programs will be given, several with the help of various audio visual aids.

Also, Emmette Wright, membership chairman, announced a goal of forty members for the coming year.

Each year, the NWMS is given a regular program study for its meetings, usually centering around missionary work in a given world region. For 1971-72, however, the Society will be studying about missionary work and activities all over the world.

The room was decorated with a variety of colorful flowers, coconuts, fishnet net, fruit baskets, and a four-tier fountain which enhanced the entrance. Each person was greeted at the door by a hostess and presented a lot to put around his neck.

Learn War No More

transforming event will be a war!

This is why: the one thing worse than war is imprisonment — mental, physical, or spiritual imprisonment. There would be no difficulty in convincing nations to detect war. About that most men agree: agree, because it would have to be a prison. There cannot exist a world of peace until we all agree about who should rule.

Peace on Earth

That agreement will only come after the war of Armageddon, in which Jesus Christ defeats the whole world's collective might by the forces of nature and His heavenly armies. Then will come to be the vision of Isaiah:

"They shall beat their swords into plowshares, and their spears into pruning-hooks. Nation shall not lift up sword against nation, neither shall they learn war any more."

Isaiah 2:4

Why should the results of this war be any better than before? Jesus' return will so convincingly demonstrate His divinity that human nature will be changed! Not everyone, but a ruling preponderance of mankind will say of God, He will walk in His paths."

If you like to sing, or dream, or pray, or "meditate," remember it is not a fantasy, but a vision of the true future. Jesus will fulfill His promise of "peace on earth."

Flag Day Is Next Monday, June 14th

That Grand Old Flag

Yes, it has been taking a bit of abuse lately. We're sorry that some people who are dissatisfied with some of the things happening in this country see fit to take out their displeasure on the Stars and Stripes.

Sure, we have lots of problems. We've had them before—and we have always solved them. . . . We'll solve them now, too.

Just remember that the Flag stands for an ideal that we ALL believe in. Let's keep that ideal before us . . . let's fly the Flag proudly!

Awards Day Held At Avon Park High School

THE STERLING Silver Guild of America, provided a place setting of sterling to an outstanding senior in the field of Home Economics. Mrs. Violet Moseley, left, a Home Economics teacher at Avon Park High School, presented the sterling to Meroe Henry. Presented on the basis of four years of Home Economics; four years in F.H.A.; serving as an officer for three years; also president of the tri-county F.H.A. Meroe plans to major in Home Economics in college. She is the daughter of Mr. and Mrs. Royce Henry, Lake Viola.

MRS. LEON GARNER, left, presenting the Junior Women's Club annual \$200 scholarship to South Florida Junior College, to senior Meroe Henry. This scholarship is awarded on the basis of character and scholarship. Meroe was fifth in her class, member of the Keyettes, president of N.H.S., and tri-county president of F.H.A.

SUSIE FRANZA holds her trophy she was presented for being chosen the outstanding cheerleader this year. Susie was a cheerleader for six years on three different squads—junior high, "B" squad, and varsity. She was captain of the 1970-1971 squad.

MARY LINDA DERKMAN and Kim Kempton won certificates honoring them as the outstanding girl physical education students in the seventh grade for the past year.

PRESENTED AWARDS at the Junior High Awards Assembly, held in the gym Friday, June 4, were the following seventh grade students chosen by the faculty. Front row, left to right: Ralph Hill and Vickie Dawitt, "best all around;" Clifford Coleman, "most improved in reading;" Max Mixon and Sheila Riley, "most improvement;" Kent Akselsen and Linda Malling, "best in academics."

AARON W. CRAVENS, far right, Supervising Principal, A.P.H.S., presenting certificate to Meroe Henry at Awards Day, June 4, in the high school auditorium. Others receiving awards were, left to right, Ila Mackintosh, two-year nursing scholarship; Sarah McClure, General Teaching scholarship; Tyese Ayers and Gordon Ludden, Jr. College Trustees scholarships.

COACH FRED SANDLIN is shown at the high school awards assembly presenting Donald Sisemore with the Tatum and Johnson "most outstanding" basketball player trophy as Don holds his "best free-throw shooter" trophy in the other hand. Jimmy Magenheimer is holding the Fellowship of Christian Athletes' trophy for sportsmanship in basketball and on the right is Curtis Jackson holding the "best rebounder" trophy in his right hand and the Starling City Market "most improved" basketball trophy in his left hand. The Red Devil basketball varsity finished as Class B district runners-up this season.

Candace Reddick Wins State Chamber Star Student Award

Miss Candace Reddick, daughter of Mr. and Mrs. Fred E. Reddick, was recognized as winner of the Florida State

MISS CANDACE REDDICK

Chamber of Commerce Star Student Award, at awards day, June 4, in the high school auditorium. Presented by Aaron W. Cravens, supervising principal. It goes annually to an outstanding junior student with high ranking on scholastic aptitude tests.

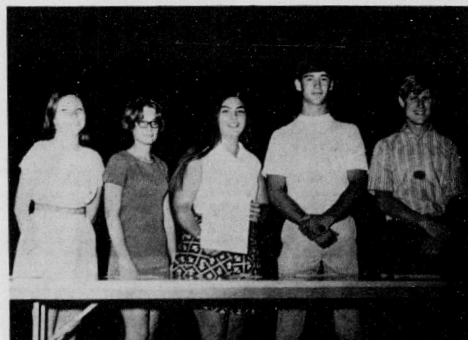

Other awards presented to students on awards day were: A medal presented by Leon Garner, principal, to Martha Moseley for her outstanding service, as daily devotion leader over the inter-com and her cooperation in many other services during the school year.

Miss Martha Wright was the recipient of the V.O.E. Award. This award is made to the student who has shown that she possesses the necessary qualities to become an efficient office employee. These qualities are typing speed and accuracy, based on quality and quantity of work; knowledge of office machines, methods and procedures; good business office conduct and initiative.

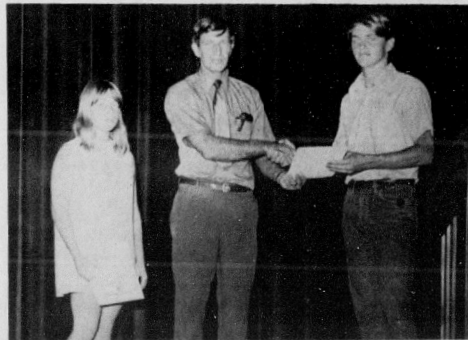

ing these awards were Willie Davis and Tiny Sullivan. Candy Reddick, president of Keyette Club, presented the Keyette Award. For the Keyette who has put in the most hours and seemed most enthusiastic. Chosen by the executive committee to be given to someone other than an officer. This "Most Outstanding Keyette Award" was presented to Lani Newton.

Eddie Lewis presented the U. S. History Award, "for outstanding performance and contribution in class." The concepts and traditions of the American Heritage, which are taught, are also demonstrated in this student's actions and deeds at Avon Park High School. The recipient of this award for this year is Miss Vicki Murray, who incidentally is also representative to Girl's State.

Perfect Attendance Awards, for being neither absent nor tardy, was presented by Leon Garner to the following senior students: Ila Mackintosh, Clayton McNeil and Susie Skipper. Juniors were: Ray Culppepper, Ricky Helms and Candace Reddick. Tenth graders Eddie Culbertson, Lorna Gay Elyea, Mary Beth Ferguson, LeRoy Hicks, LuAnne Johnston, Cynthia Jones, Mary Stringer, Timothy Underwood and Lorenzo Williams.

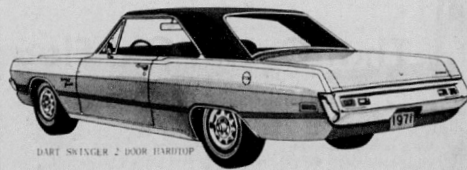

WINNERS OF the Florida Regents Scholar Certificate of Merit presented by the Florida Department of Education are pictured above. From the left: Sarah McClure, Meroe Henry, Martha Moseley, Harold Hall, Walter Nunnallee. Not pictured: Suzanne Skipper.

LEON GARNER, Avon Park High School principal, presents the American Legion Award to ninth graders, Bobbie Newton and Vic McKunas for exhibiting outstanding leadership, scholarship, and other qualities during the past year.

trophy to two outstanding basketball players. Curtis Jackson won the award for both the most improved and the leading rebounder and Donald Sizemore was chosen as the most outstanding basketball player for the past year and also took home the trophy for the best free-throw shooter.

For track performance, Winky Hall was presented the trophy as the most improved man on the squad and Walter Nunallee, captain of the team this year, was the most outstanding trophy.

Danny Albritton, senior right-hander hurler, was presented the trophy for being the most outstanding baseball player for 1971 and Howard Sizemore was the winner of the most improved baseball player trophy this year.

Three high school girls were presented certificates of honor as outstanding physical education students by Miss Phyllis Love. These girls had all won

the Presidential Physical Fitness Award to qualify for this local honor. They were freshman Susan Sizemore, sophomore Judy Almon, and junior Patricia Clait.

This same award was presented in the seventh grade to Mary Linda Derkman and Kim Kempton and the eighth grade winner was Candia Jahn. Carol Martin was chosen as the most improved physical education student in the junior high program.

The students were chosen for this honor by the two physical education instructors, Mrs. Lorraine Howard and Miss Phyllis Love, and the award was based on the student's scholastic grades, the general physical fitness, and the leadership exhibited.

WINNING AWARDS Friday, June 4, at Awards Assembly were, left to right: Winston Smith, Keyette Sweetheart; Jimmy Magenheimer, F.H.A. Sweetheart; and Robbin Johnson, who was voted as the Outstanding DCT Student by his classmates.

Joanie Seims Receives Highest Honors at Highland School

Joanie Seims, daughter of Mrs. Roy E. Seims, Lotella Road, Avon Park, was doubly honored at The Highlands School Commencement exercises held Saturday, at which 16 students were graduated. Miss Seims received the highest award that can be conferred on a senior and was chosen valedictorian of her class.

President Raymond H. Stokes conferred on Miss Seims the president's award, a silver trophy on which her name is inscribed, which is given annually to the senior who best exemplifies academic excellence, character, leadership and service. He announced that Miss Seims has maintained a high scholastic average throughout her four years at Highlands School, generally around 95.

Dr. Paul Lindsay, chairman of the board of trustees, delivered the commencement address, urging graduates to use their intelligence and education in combatting today's ills. He was introduced by President Stokes.

"You have a difficult task ahead of you," Dr. Lindsay said. It is human to ignore the lessons learned from past civilizations such as the Greek and the Roman. If we were guided by what past civilizations learned, this would be a perfect state. But people have to learn for themselves. Therefore it is up to you to take advantage of the tremendous opportunity offered you."

Mrs. Mitchell Sends Emissary Before closing, Dr. Lindsay introduced Miss Elizabeth Kent of Washington, D.C., who came to Highlands School as an emissary of Mrs. Martha Mitchell, wife of Attorney General John Mitchell. Mrs. Mitchell had planned to be present but was prevented at the last moment.

Miss Kent, former administrative assistant to Congressman Carroll Reece and Senator Alexander Wiley, is now public relations director of the Institute of Traffic Engineers. She gave explicit examples of poor conditions existing throughout the world that need correcting and reminded graduates that these were the challenges confronting them.

The awards program, held Friday afternoon, June 4, attracted parents and friends of the entire student body. President Stokes introduced faculty members who presented awards to students who had excelled in their respective departments.

'Miracle Tribe' Story Brings Memories of World War II

Since the appearance of the article on the "Miracle Tribe" in the Avon Park Sun and the United Press, Andrew Miracle has received many letters and telephone calls, but the most unusual one, was a telephone call about 12:30 Sunday night, June 6.

The surprise caller was Edith Voorhees, 116 South Dunning Street, Ventura, Calif. She wanted to know if Mr. Miracle was the pilot of the airplane, "Miracle Tribe," that crashed, on return from a raid

over Germany, at an unfurnished airfield at Metfield, England, during World War II. When Miracle replied that he was, she said, "I am one of those little girls that gave you some strawberries and a beverage, when you landed at that field."

"My father, sister and I were crossing that airfield on our bicycles, when you crashed-landed. I gave you and your crew some strawberries and beverage that my father was carrying on his bicycle."

In return, you gave him a couple of 30 caliber machine gun shells, on which you wrote the "Miracle Tribe." She further stated, "I was back in England last year and we were reminiscing about the war and my father got out those two inscribed shells you gave him on that June day in 1943. We discussed the incident for a long time and wondered what had happened to you and your crew."

The former Edith Stinks had married an American Airman and is presently living in Ventura, Calif.

She said she read the United Press release in the Ventura Star and decided to call right then to see if it could possibly be the same pilot and crew that she and her family had befriended on that long ago Sunday day. You can be sure "Andy" was stunned to receive this call, but very very happy to find this link with those days of long ago.

The "Miracle Tribe" reunion is being held on June 18-20 at St. Louis, Mo.

Farm Bureau Secretary Attends Meet

Mrs. Edna Clarke, Highlands County Farm Bureau secretary, will be in Lakeland on June 10 attending the annual Farm Bureau Secretaries' Conference.

"This is an important event presented each year for county office secretaries from this region," John C. Lynn, Farm Bureau Federation executive vice president, said.

"During this conference we try to answer the secretaries' questions and bring them up to date on all the new programs the Farm Bureau has underway," Lynn explained.

MEMBERS OF ALL of the Vocational-Technical courses of South Florida Junior College attended a safety program given by K. L. Wise, Field Safety Supervisor, Florida Power Corporation, Winter Park. After viewing the movie

Letter To The Editor

Dear Editor,

"Oh, the things people say." When the fire trucks are delayed in traffic 40 seconds, people say "It took them 20 minutes to get there."

When a truck races at 40 MPH, people say "Look at those reckless damn fools."

When four men struggle with a six-man ladder, people say "Hell, they don't even know how to raise a ladder."

When a fireman opens a window to ventilate and reduce heat in fighting a fire, people say "Look at the wrecking crew."

When they open the floor to get to a blaze, people say "There goes the axe squads."

If a Chief stands back where he can see and direct his men, people say "He's afraid to go where he send his men."

If they lose a building, people say "It's a lousy department."

If they do a good job or make a good stop, people say "The fire didn't amount to much."

If lots of water is necessary, people say "They are doing more damage with water than the flames are."

While firemen frantically work on a dying victim, people say "Why don't they call for a doctor?"

If a fireman gets hurt, people say "He sure is accident-prone and careless."

If a citizen gets hurt, people say "It's a crazy department."

If a fireman inspects a citizen's property, people say "He is meddling in somebody else's business."

If a fireman is killed and leaves a family destitute, people say "That's the chance he took when he joined the fire department."

DANNY J. WILLIS

Local Man Named Sales Manager of Firm

The new sales manager at Ross Backus Motors, Inc., is Danny J. Willis, who replaces David Haughton. Mr. Haughton has returned to Ft. Pierce to Reed-Haughton Motor Sales owned by his father.

Mr. Willis, 36, was with Bailey-Haughton here for 18 months and has been with Ross Backus since he took over a year ago, as a salesman.

Just last month Mr. Willis and his family went to St. Augustine where he was inducted into the prestigious Cadillac Crest Club for top Cadillac motor car salesmen.

The Willises have lived in Avon Park since 1954, coming from Tallahassee, Ala. Prior to going with the car firm he was associated with West Bend Co. for four years in a sales capacity.

Mr. and Mrs. Willis and their two children, Debbie, 11, and Joe, 4, are members of First Baptist Church in Avon Park. He is a former member of the Lions Club.

Four Students From Here On Honor Roll

An honor roll of more than 3,000 students with averages of "B" or better was released today by Florida State University, Tallahassee.

The newest Dean's List, as it is known on the campus, is based on grades received by students in the University's second quarter of the academic year—January through March. It is compiled approximately one month after all grades have been turned in to the Registrar's Office, which then compiles the listing.

For economical air conditioning —

- Fan setting:** Operate as you like best. "Auto" gives better humidity control and economy. "On" gives more uniform air motion, sound level and temperature.
- Away from home:** Set unit at 5° to 10° above normal setting with fan on "Auto" for mildew protection and quick comfort when you return.
- Filters:** Replace frequently. Clogged filters make unit work harder.
- Outdoor section:** Keep clear of plants and obstructions.
- Return air grill:** Don't block air flow with furniture or drapes.

- Windows and doors:** Shut out heat from the sun with drapes or outside shading.
- Insulation:** Adequate insulation and proper attic ventilation will result in lower operating costs.

JOINED OUR NEW EQUAL PAYMENT PLAN?

Now you can eliminate higher seasonal electric bills . . . pay the same amount each month, summer and winter. At the end of twelve months, any difference will be figured into your payments for the following year. Just contact our office to find out what your monthly payments would be.

JUNE IS DAIRY MONTH
BAKED CHEESE FONDUE

Although June is designated as Dairy Month, dairy items which are filled with Vitamin A, should be an important part of our diet every day. Here is a delicious cheese recipe your family will love.

12 slices white bread, 1/2 inch thick
1/4 lb. three sliced pieces of top wedge cheddar cheese
3 eggs, beaten
3 cups milk
Grater on # 4-12 baking pan from crust from bread. Lay 6 slices in dish, cover with cheese. Top with remaining bread. Combine eggs and milk. Add remaining cheese recipe over bread. Bake at 350 degrees for moderate oven, 45 minutes to 1 hour, until set. Serves 6.

RECIPE

BEEF CASSEROLE WITH MUSHROOMS

2 lbs. round steak, cubed
2 tbsp. butter
2 large onions, chopped
1 clove garlic, chopped
2 tbsp. flour
1 cup sour cream
1 1/2 oz. can mushrooms
1/2 cup celery, chopped
1 1/2 oz. can tomato sauce
1 cup salt
2 tbsp. Worcestershire Sauce
1 tbsp. sugar

Brown steak in butter. Remove meat, add onion and cook, stirring until golden brown. Blend in flour, add cream and cook, stirring constantly until thickened. Return meat to pan. Add remaining ingredients and mix well. Turn into greased 3 quart casserole and bake uncovered in 350 degree oven about two hours or until meat is tender.
