

Red Cross Fund Drive For Avon Park Is \$3,500

In the recent earthquake in Los Angeles, many local residents were worried about their relatives in the stricken area. Calls placed to the Red Cross were immediately processed and a report was given to those that called. Fortunately the Highlands County executive secretary, Mrs. Florence Poch reported that no relative was injured, and only slight damage to the property of those that were involved with local people.

It may well be noted here that the Red Cross is always there. The support of the entire population should be given to the Red Cross. To date Avon Park has fallen short of the support of the Red Cross. Although the city of Avon Park is served through the Highlands County Chapter in Sebring, the city receives 75 percent of the services offered. In the current drive the city has given \$111, against the \$3,500 quota. This is falling very short of funds for service that in one month has given service or aid to over 60 families. For a 10 month period of a total of 601 cases received help, the greater majority in the Avon Park area.

There is only one paid worker in the chapter here. All others are volunteers who offer their services. Within the past six months the Red Cross has issued 601 first aid certificates and 303 water safety certificates, with all volunteers, teaching these classes. Classes are being held all the time in order to teach the people to take care and to learn the fundamentals of first aid, in order that they may help in an emergency.

In a disaster or emergency we will all call on the Red Cross and expect them to answer our call. Let us all now answer their call for help to finance the projects that are offered and needed for any community. Let us in Avon Park strive this year to at least meet our quota, then the Red Cross can continue to help us when we need them.

After the election on Feb. 22, the president Russell Smith presided at the annual meeting of the Club, where all officers and committee chairs gave their reports on the activities of the Club. Thanks for helpers and the cooperation of the members were given with one exception. Mr. Smith reported in detail about the activities and that it was a very successful year.

Alton Wetmore reported on the shuffling, and especially thanked Blaudette Howard on the long and faithful hours he had spent in keeping the courts in such fine shape.

Glenn Long reported on the dances which are held every Monday and Friday evening. They are fun evenings.

Paul Swearingen gave a resume of the Thursday evening entertainment.

Minnie Swanson reported the complete success of the Saturday evening supper, which meet all year long and have an attendance of from 10 to the summer to 195 in the winter.

Minnie Brown served luncheon where were refreshments to be served, at the Shuffling tournaments and the 50th anniversary party and other times too.

Alene Howard reported that the Pinocchio players had 10 or 11 tables in play each Monday and Friday afternoons.

Joanna Carr said they preferred to serve coffee at the Bridge on Tuesday afternoons rather than give prizes.

No report on Duplicate Bridge on Thursday afternoons.

Harry Brown said we were missing something when we let sweater guards and other things they wished to make.

No report on the plaques, work on the plaques, and new projects will be ribbon straw flowers and beads.

Then the next week will be the Hobby Show on March 11, a culmination of the year's work, when all these articles will be on display.

But many other things will also be displayed by members and also by anyone who has made something beautiful this past year: crocheted work, paintings, knitting, etc., etc.

This display will be from 10 to 5. No article is to be taken from the display until five o'clock. All are welcome to come. Refreshments will be served from 2 P.M. to 4 P.M.

The committee outdoor itself every year to decorate the Club room, so that it is beautiful. A new motif is used every year.

Entertainment Leave it to Paul Swearingen to put on a home talent show where we can all laugh. That we did last Thursday evening.

A skit was arranged around the Shuffluffs. It was funny.

Not funny was their singing, that was good. As was the singing by "The Ladies Chorus Group" from the Avon Mobile Home Park. They sang several numbers, which everyone enjoyed.

Next Thursday evening there will be slides showing birds and our National Parks. These will be shown by a member of the Audubon Society. There were 14 courts in play.

Devils Defeated by Missionary Society Will Meet Friday

The Red Devil basketball season was closed out last Saturday night when the Lake Placid Green Dragons won the Class B District 13 championship defeating the Avon Park varsity 90-76. The loss in the finals of the district meet set Avon Park's season record at 14-19 with a district runner-up honor.

The Red Devils moved into the finals of the tournament which was held in Frostproof by edging out the host Bulldogs last Friday night in a real thriller. The Devils won by a 66-66 score. It was the fourth game of the year between the two schools. Avon Park won two and the Frostproof team won two in the four-game match-up.

Lake Placid defeated Frost Meade in the opening game of the tournament on Friday night. The Bulldogs moved into the finals against the Avon Park quintet.

On Friday night Avon Park took advantage of Frostproof fouls to score 14 points at the free shot line while the Bulldogs managed only 10 points at the line. The Devils hit 27 free shots and Frostproof scored 28 field goals in the game won at the free shot line. Junior guard Don Sizemore led the scoring with 22 points as he hit field goals and 6 of 7 free shots. Curtis Jackson, junior center, scored 19 points on 9 free shots and 1 free shot. Robert Lanzing, junior forward, accounted for 13 points and was red hot at the foul line as he sank five of five shots, hitting two late in the game to help lead off the pressing Bulldogs. Thad Swish in 5 field goals for 10 points and Jim

The Walker Memorial Missionary Volunteer Society will hold its weekly meeting this Friday evening at 7:30. The MV Society is the young people's missionary organization of the Seventh-day Adventist Church. The weekly meetings consist of youth music, a devotional and other features. Small class groups study youth oriented material.

The MV Society of Walker Memorial meets every Friday evening at 7:30 in the youth room of the church. Youth and adults are cordially invited to attend.

Mageheimer added four more points on a floor shot and two free shots. All in all Avon Park hit 14 of 22 free shots. The game was a see-saw affair as Frostproof had a 23-20 lead at the end of the first period but Avon Park led 36-35 at halftime. In the third quarter the Bulldogs gained a point and the score was tied up 53-53. So the fourth quarter was a nerve-racker. The Devils managed to move ahead and held on until the final whistle blew giving them a victory over the Bulldogs and eliminating Frostproof from the tournament.

The game against Lake Placid was a different story, however, as the tall Dragons moved out front early in the game and were never caught as they moved to the 90th win. It was the third time this year that the Dragons have beaten the Red Devils although Avon Park held them to a four-point victory margin in one of the games.

Coch Fred Sandlin feels like basketball is growing in Avon Park. He is proud of this year's team that set a 14-10 record and finished as district runner-up but hopes for a real banner year next season with so many veterans returning.
