

Southland Trailer Court: News

Fishing weather is here. At least some folks think so. Barb Renaud and Harry Barth left Monday morning at 6:30 for Arbuckle Lake with high hopes of catching fish. After trying their luck for three hours without a nibble they decided to try some other time and started for the car. Renaud found the driving-or-aiming to be his great surprise. He happens to remember the car key was locked in the trunk. There are usually ways of solving problems. After thought and head scratching they came up with the idea to call Bob Elthorpe who was instructed to get Emily Renaud's key and take it to Bill Zurgable and for him to bring the key to them. Next to fishing Bill enjoyed doing this. Some fishing trip! Did you ever lock yourself out while on a trip to the Smokies or Grand Canyon? or No Elthorpe or Zurgable around? Mr. and Mrs. Willard Crawford of Warsaw, N. Y. left Wednesday this past week after spending a very vacation with Harriet Meisel and Hetta Cook. Most of this time was spent in Florida. Also Harriet and Hetta entertained ten friends with a surprise birthday party for Earl Ayling on Friday evening of last week.

Myrtle Heffernan returned home from Walker Memorial Friday after a week's stay. She is feeling very well at this time. Eight people were out to shuffle Friday afternoon. In the first round Rev. Hutchens and Hazel Nisbett won over Christine Snyder and Byron Jeremy; score was 102 to 65. On the east court Leo Breister and Marvin Tebo won over Christine Snyder and Byron Jeremy; score was 37 to 8. In play-off Rev. Hutchens and Hazel Nisbett won over Leo Breister and Marvin Tebo; score 97 to 0. Marie Moss went with the Ritchies on their Lion Country Safari near West Palm Beach last Tuesday. Marie hasn't come down to earth yet since all those lions, elephants and giraffes grinned at her through the front window of the bus. The Tebos have been entertaining many of their friends lately. Thursday their dinner guests were Vincent and Jeff Jeffery of Newburgh, N.Y. Other callers during the day were Mr. and Mrs. Hollis Dunn, Elmira, N.Y.; Mr. and Mrs. Frank Snell of Bainbridge, N.Y., who have recently purchased a new Dodge Monaco home. On Saturday the Tebos joined their Friday afternoon callers at Highlands Hammock Park for a cook out and a day of renewing old acquaintances.

Several ladies are faithfully working on the baby quilt project. Three are completed and several more are in the making. We hope to exhibit these quilts at our hobby show which will be held in the near future. We would like our ladies to help get them ready for the show before taking them to Nova's Ark Nursery School.

Mr. and Mrs. Leslie Mauden of Medina, N.Y. were weekend guests of Mrs. Leonard and Hall.

Tuesday evening twenty-six people from the park shared with the Overholts a delightful evening when a program of sacred compositions of Mr. Overholt's were played by different well known musicians in this community. At the reception which followed the Overholts greeted their friends and will long remember this happy occasion.

Thirty-three came out to play bingo Friday night. Harry Barth and Betty Peterson were in charge. Martha Ayers was the lucky winner of the grand prize.

Twenty-six attended the coffee hour Tuesday morning. Betty Peterson and Dorcas Young served us.

The Paxtons had an enjoyable two day trip Saturday and Sunday. They stopped near Myakka State Park and saw the training of the Lipizan Stallions Saturday morning. These famous horses' ancestry dates back to 1668. Their winter headquarters is located in Florida and beginning April 1 they will tour the United States, showing these well trained fine horses.

The Paxtons visited Anna Maria Island and had supper at Pete Reynard's Restaurant. On Sunday they called on friends in St. Petersburg and ate dinner at Kapok Inn located north of Clearwater.

The Clare Ruffners left Thursday for their home in the north. We hope they have a safe trip home and they may come back to Southland. Park residents may like to know there are eighty-four people in the park at this time—fifty-two trailers and two apartments. Also those who are now members of The Federation of Mobile Homes of Florida are receiving their monthly publication. Last year after becoming members of this organization we did not receive our publications because of a mix up with the editor, so we hope the publications will come for the months they are put out.

Our hobby show will be held at the Hall in March, but no definite date has yet been chosen. Those who have things to enter please keep this in mind and have your articles ready.

Local Group Takes Carnival Cruise To Mexico Recently

On Friday morning, Feb. 12, a happy group of 28 residents and visitors in the area left by special chartered Greyhound bus for Port Everglades, where they boarded the beautiful cruise line S. S. ARIADNE for a long anticipated full week's cruise to the Yucatan Peninsula of Mexico, and Freeport, Bahamas. The cruise tour was planned, organized and conducted by Nita and Jim Ritchie Tours, of Avon Park, a service of the Ridge Travel Agency in Sebring. Nita and Jim accompanied the group as Tour Directors, as they do on all their tours and cruises. Early arrival at the Port Everglades pier allowed ample time for several of the party to entertain guests aboard from the Ft. Lauderdale-Miami area. Sandwiches, coffee and tea and coffee were served to passengers and visitors alike,

and a festive "Bon Voyage" atmosphere prevailed right up to sailing time. A delightful evening was enjoyed, watching the lights on shore along the Florida Keys, and later taking off by the cruise staff of the Ariadne.

Sunday at 8 a.m., the Ariadne dropped anchor off Cozumel Island, Mexico and everyone went ashore for shopping and sampling the local Mexican atmosphere of this charming island off the eastern Yucatan coast. Shopping here was convenient, as the "Main Street" is the waterfront. Most everyone soon learned the value of Mexican pesos, but the question "How much is that in dollars?" was frequently heard. One of the ship's lifeboats was used as a tender between ship and shore, so those using this lifeboat had a most unique experience.

Sunday evening at cocktail time, all passengers entered the reception line to be presented to and shake hands with Captain Teston. At this time, Nita and Jim Ritchie were honored by being invited by Chief Engineer Joannis Doumambis to be his guests for cocktails and dinner. The dinner was served by Maitre d'Mario, ably assisted by Gus (everyone's favorite waiter) at the Captain's table. The color photo of this event taken by the ship's photographer, is very highly prized by the Ritchies.

An overnight cruise and the Ariadne arrived Monday morning off Yucalpeten, which is the support for Merida (Yucatan) Mexico. All had an early breakfast and were ready for the first tender ashore. The 28 members of the group had signed up for the Monday all-day tour to the Mayan-Toltec ruins at Chichen Itza. Nita and Jim had arranged this special tour for the group through Mexico Travel Advisors, and a special air-conditioned bus was assigned for the exclusive use of the Ritchie Tour members.

The following all from Avon Park and vicinity (except as noted) were members of the group: Mr. and Mrs. Harry A. Crafts, Mrs. Gertrude Fensterman and her near 86 year young mother, Mrs. Louise Farthing, Mr. and Mrs. Leonard Paddock, Mrs. Zoella Kellogg, Mrs. Zeta Busan, Mr. and Mrs. Claude Chase, Mr. and Mrs. Harry Singer, Mrs. Hazel Spencer, Mrs. Ruth Jenkins, Mr. and Mrs. William Hall, Mrs. Thelma Chalmers, Mrs. Ruth Smith, Mrs. Doris Goddard (Sun-Ray), Mrs. Jeanette Black (Sarasota), Mrs. Anna Weiss, Miss Genevieve Moran, Mr. and Mrs. Norman Darling, Mr. and Mrs. Michael Gittings, and Nita and Jim Ritchie, Tour Conductors.

Any additional memorials should be given to the Walker Memorial Fund for new equipment.

ROTARY CLUB NEWS

By GEORGE WALPER
Steve Roberts, program chairman for the month, presented Mike Chambers, declassification officer at Avon Park Correctional Institute. As such Mr. Chambers is the group leader of the drug therapy program. Due to the high influx of drug offenders in recent months, such emphasis has been placed on this program.

Four treatment concepts were discussed: Reality therapy—as founded by Dr. William Glasser, rejects the psycho-analysis procedures. In correctional institutions, this system does not seem to be practical because of the length of time it takes and while delving into the past to find causes for the problems does not always change or solve the problem.

Group therapy—is used because of its practical nature and brings about an interaction within the group which is relevant. Personal preference—is non directive in that the leader injects ideas only and then takes an inactive role in dictating the trends of conversation. Therapeutic communities—produces an environment in which the addict finds himself in a group which has empathy for his situation and is sensitive to his needs. This method is found in what we know today as "half way houses."

Following the discussion of therapy methods, an inmate from APIC presented his story. Having started on marijuana at age 13, now at age 21 he is serving 18 months for possessing and dispensing of this drug. He warned of the common barbiturates as found in the family medicine cabinet and stressed the dangers of items such as diet pills.

As for the use of heroin, the speaker stated that he had always been afraid of its use and felt that the use of acid was not mind expanding as commonly talked about, but is mind destroying.

The use of drugs today is affecting all ages and walks of life. Frequently it is having its greatest toll with those who have the greatest potential for the future.

CHARLES SARGENT waits to be a question of Mike Chambers, declassification officer at APIC, and Mike, an inmate of APIC, following their program at the Rotary meeting on withdrawing from the use of drugs and misuse of common medicine cabinet items such as barbiturates, diet pills, sleeping tablets, etc.

Avon Park Flying Notes

By ELEANOR TRESCOTT

Don and Shirley Gossick of the Avon Park Flying Service would like to take this way of thanking Will and Sandi Pierce (The Flying Pieves) for their outstanding performance at the Air Show last week. They would also like to thank all others who loaned planes, piloted planes and helped in any way to make the Air Show and Pennsylvania rides a success.

The Ridge Flying Club met last Tuesday at the airport with President Lynwood Williams of Sebring presiding.

Odie Dick of Avon Park soloed Feb. 10 and since then has been flying up a storm. Odie took his first dual cross-country flight to Lakeland and Winter Haven, and then the next day took his second dual cross-country flight to Sarasota and Venice.

Can you find the Volkswagen hidden in this picture?

If you can, you'll make us very sad. Because we've troubled ourselves no end to hide it from you.

Our quest for the invisible Volkswagen took us all the way to Turin, Italy.

Where we asked the famous Ghia Studios to design us a sporty Italian body. They did.

Then we secretly prowled about Europe for the best coach builder we could find. Success. To the Karmann Coachworks of Osnabruck we handed over Ghia's sketches with the injunction: "Make it beautiful." (Or else.)

They did. They welded. And burnished. And sculpted. And sanded. And painted.

Until they had shaped in steel what Ghia had shaped in pencil.

Smug in the knowledge that nobody could ever mistake this beautiful car for a Volkswagen, we concealed our air-cooled engine in back. (For better traction.)

And made it go about 26 miles on just one gallon.

Then we gave this Volkswagen its final disguise:

We named it the Karmann Ghia.

School Board To Take Bids On Furniture

Highlands County School Board is scheduled to award bids to night for the bulk of the new furniture needed for the new schools now under construction.

Bids—in the neighborhood of \$100,000 each—were opened Tuesday. Superintendent George F. Douglas said the bids were below the budget the school board had set for new furniture.

Seven companies submitted bids, but only two of the bids were for all items in six lots. Two other companies included most, but not all items.

Supt. Douglas said the bids received Tuesday covered most of the new furniture needed at the new Sebring and Avon Park high schools, Lake Placid and Fred Wild elementary schools.

The specifications called for the furniture to be delivered and installed between June 15 and July 15.

After opening bids, School Board members Henry Bailey, John Wirtz, E. Ray Wells, G. Franklin Ward, and Supt. Douglas inspected a wide variety of furniture samples which dealers had placed on display in the E. O. Douglas School gym.

Before adjourning Tuesday morning the school board set Tuesday, April 6, for receiving bids on additional equipment needed as a part of the school construction program.

The school board agenda for its meeting tonight (Thursday) includes a request for local legislation on the annexation of the new high school and its respective cities.

Supt. Douglas said that while the school board is in the Department of Education to extend protection to public schools, the fire department is in the fire department to protect the school's property.

The school board will also receive a report on the school's proposed drug education program.

Band Stand Will Become City's Historical Museum

Cliff Thomas, chairman of the Old Settlers Band Stand Fund, told the Avon Park City Council Monday night that over \$2,000 had been collected to restore the bandstand and establish a historical museum inside the building.

The money will be used to pay for materials and the work will be done by men from APCT. Dan Bennett will supervise the work.

Thomas also requested that the city assume responsibility for maintenance of the bandstand when it is renovated. Lease on 100 acres at the site was discussed last year at the City Council.

Progress of work in improving the airport and getting runway marked was given by the City Clerk.

Robert L. Britt representing Avon Civic League appeared before the council and a list of requests as follows:

Full time day policeman that will be on call for night duty and assistance at social activities.

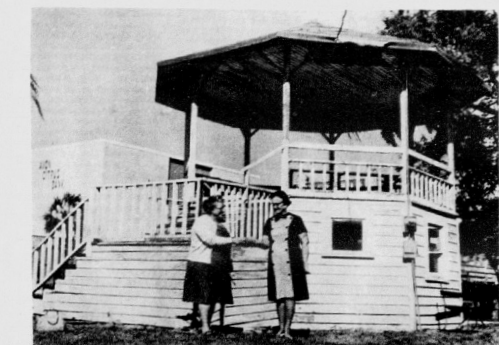

Appointment of Bi-Racial committee members who are selected by the black population. Reappointment of the committee members.

Streets be swept and kept free of trash and litter.

Mayor Barben assured the group that the Council had agreed to employ a daytime policeman for the black community as soon as a qualified applicant could be secured.

City Clerk Crews explained that the city street sweeper would operate properly only on streets that are kept free of trash.

Mr. Barben assured the group that the Council had agreed to employ a daytime policeman for the black community as soon as a qualified applicant could be secured.

MRS. GUY DECKER, chairman of Ways and Means, of the Avon Park Federation of Garden Clubs, presents Mrs. Peter Boney a check for \$125 for the bandstand fund. Mrs. Boney is a member of the 'Old Settlers' committee.

LEFTHANDER Mike Bagwell, the Red Devil leftfielder, raps out a hit against Ft. Meade pitcher in the game which Avon Park won by a score of 10-1 last Saturday night. Bagwell is the leading Devil batter after three games.

Red Devils Will Face Sebring At Head Field Tuesday Night

Coach Ralph Hill's Red Devil baseball team has jumped off to a good start by posting three wins in the first week of play. The Devil nine took a 11-7 win from the DeSoto High Bulldogs in the opening game and then swamped Lake Placid 15-1 last Friday night and took a 10-1 victory from Fort Meade last Saturday night.

All three games were played at Head Field. In all, the Devils scored 36 runs against the three teams in just 37 1/2 innings while giving up 9 runs.

Last Tuesday night the Red Devils played Frostproof in Frostproof and tomorrow afternoon at 4 P.M. the Avon Park team will travel to Okeechobee to take on the Brahman nine. Saturday night the Devils will be at home again at the Fort Meade team and next Tuesday night the Sebring Blue Strakes will be here at Head Field for a big inter-county matchup.

The Red Devils sport brand-new uniforms this year and evidently they plan to show their appreciation by giving Coach Hill and Avon Park baseball fans a real good season.

Pitchers Danny Albright and Clark Jackson have shared the mound duties for the three games with junior lefty Don Sizemore coming in for a couple of innings of hurrying against Lake Placid.

Albright has credit for two of the wins although he needed help from Jackson in the first game. Clark was the winning pitcher against Lake Placid as his team led 10-1 when Sizemore came in to start the fourth inning.

Lake Placid Game
The Devils put Lake Placid down in just 4 1/2 innings as they jumped on Dragons pitcher Sylvester Dukes for 14 hits to score 15 runs while they held the Dragons to a lone run that came in the third inning when Jackson hit a batter, then walked two Dragons and finally hit another batter to bring the run in free.

Four Red Devils hit doubles in the big hitting spot. Keith Richards, Howard Sizemore, Clark Jackson and Don Sizemore all doubled while Mike Bagwell lined out two singles as did Steve Hartt and Danny Albright. Hitting singles for Avon Park were Curtis Jackson, Greg Albright, Ray Culpepper, and Jarvis Hartt.

Coach Hill gave all 16 members of his team a game experience against the Green Dragons and they all came through as well as the Devils played errorless ball.

The lone Lake Placid hit came off Sizemore in the top of the fifth when lead-off batter, Jim Clinedad, singled.

Fort Meade Game
Left hurler Danny Albright struck out 16 batters last Saturday night as he went the distance to help the Avon Park team to a 10-1 win over the Fort Meade ball club. The right-handed senior gave up only two hits—both singles and a big pop fly that fell in for a hit in front of the plate. Danny also was strong at the plate as he homered out a double in the fourth and singled in the sixth. He also scored a run.

The Miners jumped off to a one run lead in the top of the first frame when second baseman Tommy Sharp got the fluke single that fell in front of the plate, then moved on to second, and then moved on to third, and then moved on to home.

He scored when Jackson hit a home run in the fourth inning. Sizemore, Clark and Greg Albright singled and Dennis Hart scored the runs as Mike Bagwell singled and Danny Albright doubled in that frame while Fort Meade committed three of the eight errors.

They made during the game. In the fifth inning Clark Jackson and Steve Hartt both boomed out triples to score Don Sizemore, Clark and Greg Albright, and in the sixth frame Sizemore and Danny Albright both scored and both got singles off reliever James Harvey.

All in all the Devils got eight hits off the two Miner pitchers. The Avon Park team committed three errors however, and the game was not a real sharp one for the Devils as too many mistakes continued to be made as the boys try to get the team playing the sharp ball that fans believe them capable of.

Sheriff Raulerson Denies He Is At Odds With State Officials

Highlands County Sheriff O. L. Raulerson today denied that he is really at odds with state officials about need for additional jail space in Highlands County.

He also wants more space—but how much or where, is still indefinite.

At Highlands County commission meeting last week Sheriff Raulerson told commissioners that the state prison inspector had recommended adding a third story to the present jail.

Raulerson, working with architect Jim Heim, had recently worked out plans for a 16-space addition to the jail. The addition of a third floor would increase the jail capacity by 48 spaces. The jail now has 48 for 75 prisoners.

He said Raulerson told the SUN that he and the state prison inspector do not disagree about the need for many more spaces at the jail, but he is delaying a firm recommendation to the county commissioners while the Legislature is considering new laws.

Raulerson pointed out that Florida Attorney General Robert S. Levin has suggested regional jails might be established. Some bills requiring consolidation of jails may be introduced in the Legislature next month.

Raulerson pointed out Highlands County already has a high degree of consolidation with two jails in operation. Sebring and

Lake Placid prisoners are housed at the county jail and Avon Park maintains its own jail, "which is adequate for Avon Park's needs," Raulerson said.

On Monday of this week 60 prisoners were housed in the Highlands County jail. This included nine Sebring city prisoners.

The cell block for men has 48 bunks, but on Monday there were 40 men in jail. The cell block for women has 16 spaces and this week there is one woman in jail.

There is no room to segregate youthful offenders from older prisoners, Raulerson said, nor is their space to separate prisoners under sentence for several months from those in over night or awaiting hearing.

Of the 60 prisoners in jail Monday every one had at least one hearing before a judge, Raulerson said, but he added the jail is too crowded to permit separating those awaiting trial from those found guilty and sentenced.

Jail Escapes Cost 2 Men Year In Prison

Fleeing Avon Park city jail wound up costing two men a year in state prison. Johnnie Lee German and William A. George Snyder pleaded guilty to escape and Circuit Judge Clifford Kelly sentenced them to one year in prison.

Lester Larkin Jones, charged with possession of stolen goods, was sentenced to six months in the county jail.

Johnnie Kelly set fines of \$251 or 60 days in jail for Samuel Traver of Avon Park, Willie Mitchell of Lake Placid and Jeff White of Lake Placid. All had pleaded guilty to assault charges.

Fewer And Faster Cars Will Compete In Grand Prix Race

A smaller field than last year and with the world's biggest racing drivers in the business—will compete in Sebring's Grand Prix March 20.

And with tougher rules, there will be fewer, but generally faster cars on the track than ever before. Fans will not be seeing the slower cars toiling along.

Had the rule been in effect last year, officials at the race office said, there probably would have been 45 cars beginning the big race instead of the field of 67. If the rule still is in effect by race time, it appears about 20 cars of the 45 entered may not be starting the 11 A.M. green starting flag.

No less than five former winners are competing in the grueling 12-hour. They are last year's winners, Mario Andretti and Nino Vaccarella, Jackie Ickx, Jackie Oliver and Joe Siffert. Andretti is the only multiple winner who will be driving.

Technical and medical inspections will be downtown near the fire station Tuesday. Practice and qualifying at the track begin Thursday.

The purse for this year's 12-hour totals \$25,000 and the overall win is worth \$5,000. There is over \$25,000 additional in contingency awards. Second place is worth \$2,500 to its drivers.

The SuperVee race to be run at 2 P.M. Friday is worth \$10,000 with \$2,500 to the winner, \$1,500 to second place.

For the first time there will be a local Sebring race. Gray, Terry Keller and Len Wagner of Sebring driving Neil Potter's Mustang.

There will be only one team of girls this year, the well-known Ring-Pire Oil Racing team of Janet Guthrie, New York, and Rosemary Smith, Ireland, driving a Chevrolet B-16.

The Super Vee
The Super Vee 100 kilometer race at 2 P.M. Friday includes among its entries Tom Davey of New Jersey in a Zetler; Bill Scott, Virginia, in a Schick; Royce, Harry Caldwell, Melbourne, Fla., in a Dickson; Ray Caldwell, no relation, Massachusetts, in a Lola T250. This race is an Inver Hove trophy race.

New Rule
The new rule which will cut down on the starting field in the 12-hour is this—cars must achieve 100% of the time of the average of the fastest three cars in the race, determined on qualifying periods.

In qualifying, Mario Andretti in a Ferrari F102, holds the records, 2:32.121, 121.64 mph. Leo Kinnunen in Porsche 917 had the fastest race lap, 2:32.77, 122.52 mph.

The average speed of the race record was set by Andretti in a Ferrari 250 GTO in 1966 in Ferrari with 248 laps. All these records were set in 1970.

Ed Johnson requested status of proposed law banning dogs, chickens and horses in the city. The City Attorney was requested to get copies from other cities of ordinances which regulated dogs.

Mr. E. J. Foley of Lakeside Heights requested that the city reimburse him for part of his house for installation of 2 1/2" of 2" water pipe to which the city had connected. No action taken.

Council agreed to purchase a 5 HP motor for the Golf Course at a cost of \$150.00.

They also agreed to pay off balance due Rockwell Manufacturing Company for parking meters in amount of \$3,027.25 discounted to \$2,270.51 for payment by March 15, 1971.

It was reported the City held a mistrial, once a conviction. It would be in the Criminal Court of Record courtroom.

Irene Maxey Will Go On Trial For Perjury May 25

The widow of Charles Von Maxey will go on trial May 25 on charges she perjured herself at the second trial of her lover, John J. Sweet, convicted of murdering her millionaire husband.

Irene Maxey, whose sensational testimony in Sweet's first trial made headlines nationally, faces four counts of a criminal information filed early in January by County Solicitor Gordon MacCalla in the state's Criminal Court of Record.

The colorful, free-wheeling widow, who last was known to be living in Deerfield Beach with Sweet, has a new attorney, Frank Ragano, of Tampa. He replaces Fred Sessay, of Tampa, who died a few months ago.

Already Ragano has filed motions, including one asking that the trial be taken out of Polk County. Both of Sweet's trials were held in Bartow's old circuit courtroom after attorneys succeeded in getting it moved from Sebring.

MacCalla said he has filed a motion for discovery and a motion to dismiss in addition to the motion for a change of venue.

A date has not been set for the hearing on the motions.

MacCalla said that Mrs. Campbell, a 40-year-old Bartow practicing attorney, who has been in the solicitor's office for 10 years, will be chief counsel for the prosecution.

If the trial is held in Bartow, it would not be the same courtroom in which Sweet once

Highlands Property Owners Hear Report On County Tax Ratio

The Board of Directors of the Highlands County Property Owners Association held its monthly meeting March 1 in the Elks Club in Sebring.

Guy Campbell, executive secretary for the association, briefed the board on the activities during the past 30 days of the County Commission, the hospital board, and the school board.

The appointment, by the commission, of a county administrator, related cost, and anticipated efficiency increase in the county government operations was discussed. No exceptions to the commissioners' action were taken.

The board received a report on the possible effects on county taxes that the state tax ratio could have. It was noted that this is another step in the direction of centralizing tax assessment at state level. Further study of this trend to determine what action the association should take.

A study of the county school

system expenditures for administration and construction compared to its expenditures for teaching staff was recommended. The proposal is to receive further study.

A report in reference to the departure of Highlands County high school graduates to other areas for employment was made, and a discussion of the vocational training in high school was conducted. The objective was to provide the training desired for area service industries and thus enable the students to be trained for employment in the county. At present, it is necessary to obtain people from other areas to fill these vacancies. The study will be made.

The association's membership drive, which was conducted in late December and January was made. It was noted that of the total membership 25% were new members, indicating an increasing interest in the Association's activities.

of Judge Roy Amodeo. MacCalla said witness subpoenas would not be going out until about two weeks before the trial. Pending motions must be disposed of before the trial.

Asked if his office handles many perjury cases, MacCalla replied that they are "infrequent." He has only two other such cases now pending. He said the office never won this type of case, considered one extremely difficult to win. He replied, "Oh, yes."

Reservations Being Taken For Victory March In Tallahassee

Fellow Americans I am asking you to help me and other citizens of this Great Country of ours to help us win Victory in the hearts of our people and in the headlines of every newspaper in America. We cannot tolerate the silent Americans, we have been silent too long already. We cannot sit by while HOME BURNS and do nothing about it while it is happening in our country now. We have done practically nothing about it for over twenty years now.

Victory is the only way we can get our prisoners of war home. Withdrawal means leaving them regardless of what they tell you.

There we sit, while our prisoners of war are tortured, while letters and signing great lengths of papers with our signatures have failed to release them. They are still in the hands of the Communists label them. They are our "Honorable Herons" giving up their all for us and this beloved country of ours.

I am requesting that you send us "Our March To Victory in Tallahassee" or pen some one else to represent Highlands County in your place.

Adventist Choir Will Present Concert

"Early Advent Hymns" will be the theme of a second concert presented Saturday afternoon in the Walker Memorial Hospital, Winter, Mar. 6, at 8 P.M. The concert will be presented by the Seventh-day Adventist Choir. These Advent hymns dealing with the Second Coming of Christ will be the varied and beautiful meanings which have been used to picture this coming event.

Mrs. Evelyn Jones, contralto, will be joining the group in singing.

To depict one period of Advent hymns, Mr. Jim Crabtree and Miss Judy Osborne will perform a duet.

The musical program is being culminated by a special Early Advent Sabbath at the church with a special communion service by Pastor Rose J. Sype.

The sacred concert will be held under the direction presented at 4 P.M. The choir of G. W. Palmer. The public is cordially invited to attend.

Long before the information was filed, Mrs. MacCalla had been indicted for perjury. A Polk County grand jury on February 14, 1969, handed down a one year perjury sentence. MacCalla was at liberty on \$20,000 bond since that time. Sweet is at liberty on \$50,000 bond since the appeal of his first degree murder conviction 18 months ago. He faces a sentence of life imprisonment.

The Victory March in Tallahassee, March 20 in behalf of our wonderful state of Florida. Help Florida to have the honor of a big attendance at the State Capital from 2 to 5 P.M.

There will be a charter bus going from here at 8 P.M. March 19. If we can get 25 to 40 people to make reservations at \$4 each, round trip, return the same day.

"United We Stand" - Divide We Fall. The time is growing late, but it is time each and every American stands up to be counted. The Communists are waiting to see if we are ever going to unite our forces in America to do something to save ourselves from communism.

There are Victory Marches in all 50 state Capitals on this day - Saturday, March 20.

Don't let Florida down but everyone help to make Highlands County attendance a big success.

Phone 435-4794 to make your charter bus reservations. No later than March 15. Mrs. Walter Sherris, Jr., P.O. Box 600, Avon Park, Fla.

The cake was in the center of the table and beautifully decorated with deep red "Christian Dior" designed roses and "Happy Birthday Daddy" 90th Birthday" in the center.

Gladys Young welcomed the guests and presented them to Mr. Brown. Betty Newman presided over the guest book. Roses of various colors added to the decor of the room. Mr. Brown's son, Donald Brown, flew in from California to help his father celebrate this memorable occasion. Mr. Brown received numerous phone calls, gifts and cards from the many well-wishers.

Mr. Brown was born March 9, 1881 in Jamestown, Va., and served in both the Spanish-American war and World War I. He retired as a Sergeant in the Army.

The day was ended with a family dinner and high-spirited sharing his birthday along with Allen Mann, son of Mr. and Mrs. Gary Mann and grandson of Myrtle Pollard. Allen was one year old.

Out-of-town guests included Earl Metherney, Wauchula, who was present for his great-grandson's first birthday. The contrast of ages 1 to 90 will be discussed for years to come by those who helped to make this such a lovely and happy day for both hostesses and guests.

Both hostesses were Gladys Young, Betty Newman, Myrtle Pollard and Louise Shows.

Supper
The Spontaneous Limbings and the Tom Hances were the hosts at the Saturday evening supper with 79 present. Hazel Huges told an interesting story, which amused everyone. Grace Staley sang two solos with Elizabeth Hyatt at the piano. Program was concluded with group singing the leadership of Lloyd Wyant.

Mr. and Mrs. Slater Youm transported the fifteen girls and they toured the home and visited with the children and home parents, Mr. and Mrs. J. Todd.

FRED FRYE, left, and Lawrence Robinson hold first place trophies they won in the Florida State Orange Blossom Tournament held in Sebring.

Horse Chestnuts
The horse chestnut tree gets its name from the fact that the shape of the scar on the twig where a leaf has fallen off resembles a horse's hoof.
