

Episcopal Women Hold Meeting Oct. 13

The Episcopal Church Women of the Church of the Redeemer, met for their regular monthly meeting on Wednesday, Oct. 13, after the mid-week communion.

The business meeting was opened by Mrs. Eugene Hise. The secretary and treasurer reports were read and accepted as read. Mrs. Hise announced that the United Church Offering gathering would be held on Sunday, Oct. 31. Any member needing book or envelopes may obtain them at the church.

Mrs. Hise thanked Mrs. Albert Wester, for her efforts in procuring the beautiful altar vestments and new cushions for the pews. These were memorialized, given by Miss Nelly McClelland in memory of her mother, Mrs. Wester was responsible for measurements and ordering.

On Monday Oct. 18, Miss Ruth Culley, from the American Bible Society, will speak in the Fellowship Hall of the Congregational Church. Mrs. Hise hoped a group from the Redeemer would attend.

Father Knapp is organizing a group of young people from the church. They will meet in the Parish Hall, under leadership for entertainment and games. Mrs. Eugene Hise and Mrs. Sherman Francisco gave interesting reports on the recent Women's Convention in Orlando, Fla. Mrs. Hise read the Bishop's speech in which he spoke of increasing number of opportunities for women in the church. Women are subordinate, they are beginning to have power.

Mrs. Hise introduced Father Robert D. Askren of St. Agnes Church, Sebring. He spoke on "The Ministry of the Laity". He mentioned the many ways in which members can work the church. There are committees within the Diocese and all may be called on for help in problems, which come up to every parish. His talk was really inspiring and we hope to hear him again.

The meeting was closed with prayer by Father Knapp. The next meeting will be Wednesday, Nov. 8th, after the regular mid-week communion.

Love Saved His Life

In San Rafael, Calif., Judge Harold J. Haley was kidnapped from his courtroom and murdered on August 1, 1970. His head was almost blown off by a blast from a shotgun which was fired by the kidnappers had taped to his neck.

Angela Davis has been identified as the woman of the gun used in the crime and is accused of supplying them to the criminals who carried out the deed. During the kidnapping one of the criminals shouted, "We are revolutionaries!"

Mrs. Davis, an avowed Communist, is a brilliant young woman who is more honest than many others, in that she has declared openly what she stands for. In her first lecture as an instructor at UCLA, she said, "The first condition of freedom is an open act of resistance—violent resistance."

In an off-campus speech in June, 1970, she declared, "When people start saying that 'we are subversive, we should say, 'Hell, yes, we are subversive; hell, yes, we are going to continue to be subversive until we have subverted this whole damn system of oppression.'"

Now, an astonishing aspect of the situation is that an investigating committee of the American Association of University Professors has recently charged that the University of California Regents violated the concept of academic freedom because the regents refused to allow Mrs. Davis to continue teaching at the university.

The founder of the church said, "A house divided against itself cannot stand." Maybe it's time for us to remind ourselves of the saying of the Master, "He that is not with Me is against Me"—and to make sure which side of this fence we are on.

How much does a porpoise eat? One ancient myth, still widely believed, is that a porpoise eats its own weight in fish every 24 hours. However, after keeping daily records of food consumption for more than 20 years, Marine of Florida biologists know that an adult bottlenose porpoise weighing between 350 to 400 pounds will grow fat on 15 to 20 pounds of fish a day.

NEWS OF THE WEEK

Grace Warner is doing beautifully from her recent operation on her ear. We welcome back those who have recently returned from the north: Herman and Florence

Young from Allegan, Mich.; Earl and Irene Ayling of Janesville, N. Y.; Juanita Carr of Elsie, Mich.

We have some folks who have never joined the Club before: Ora and Ruby Myers, Mary Cramin, Mrs. Asia Sellers, Mrs. Anna Carmichael and Henry and Bertha Bronson. We are happy to welcome them as members.

The club now has 106 members.

Lillian Hayes has gone to Chicago to attend the wedding of her grand nephew, Timothy Simmons, who has just returned from the service. Lillian will also visit her niece, Mrs. R. Simmons, who has been in the hospital and needs someone to stay with her while she recuperates.

The Blaine Kerrs have as their guests Mrs. Kerr's brother and wife from Picture Rock, Pa. Mr. and Mrs. Venard Hall. They have never been to Florida before and are thoroughly enjoying seeing the sights, including Disney World.

Florida Department of Transportation estimates it will cost \$11.9 billion to satisfy all highway transportation needs over the next 20 years.

TOP ON MEAL PLANNING
A good first step in the home is to eat what you have on hand. Here are some ideas to help you plan meals for your family:
1. Include a variety of foods each day and from day to day. Introduce a new food from time to time.
2. To have some meat, poultry, fish, eggs, milk or cheese at each meal.
3. Vary flavors and textures. Contrast strong flavors with mild, sweet with sour. Combine crisp textures with soft.
4. Combine different sizes and shapes of food in a meal, when possible.
5. Brighten food with color — a slice of red tomato, a sprig of dark greens, or other garnish.
6. Make a collection of nutritious recipes that the family enjoys and serve them often.

Let the Thrifty Maid help you!

The Hush-Tone "Speech Clarifier", a revolutionary, patented discovery, was developed especially for those who are deaf, for those who do not need or cannot use an electronic aid and for some who were advised by their doctor that such an aid will not help.

Hush-Tone does not help everyone with a hearing problem — the important thing is — a may help you!

Especially helpful to those who have been exposed to NOISE — whether on the job or in service.

BEN HILL GRIFFIN pointed out to the Avon Park Rotary Club that paying taxes is a privilege for it indicates the well being of an individual or firm. Seated are Ed Bailey and Colquhoun.

Ben Hill Griffin Guest Speaker At Rotary Meeting Last Week

REPORTED BY DR. WILLIAM STALLARD

Program Chairman, Franklin Ward, presented Senator Ben Hill Griffin as speaker to an open and well attended meeting. Senator Griffin heads Governor Askew's committee on tax reform. In his speech, Mr. Griffin pointed out that in reality paying taxes is a privilege since it indicated the well being of the individual or firm being taxed and that taxes were a necessity for the operation of government in our system of free enterprise.

In supporting the Corporate Income Tax, Senator Griffin mentioned that four years ago he had introduced, and the Senate had passed, a corporate income tax provision which later died in the House. Paradoxically, then, Senator Askew had opposed this provision. Mr. Griffin believes that the corporate income tax is a fair tax when coupled with sales and property taxes in proper relationship and he pointed out that continued property tax raises cannot continue to be the prime source of revenue particularly since at some point they would place agriculture, which is Florida's main business, in a completely untenable position. He stated that of the approximately 110,000 corporations in Florida 85,000 would be exempt and for the others, if there were no profits there would be no taxes.

Florida consumers, in reality, are subsidizing corporate profit taxes in 44 other states. Since these large corporations generally use national pricing policies which include allowance for taxes in these other states a corporate profits tax in reality should strengthen the position of corporations in the Florida legislature since there would be genuine participation in the state financial structure.

Florida ranks fifth in the nation in taxes on small businesses, seventh in the nation on consumer taxes but is near the bottom where taxes on

"B" Devils To Play Ft. Meade There Tonight

The Avon Park "B" team defeated the Lake Placid Jayvee squad by a score of 16-0 last Thursday night here at Memorial Field to move to a record of two wins, one loss, and one tie.

Tonight (Thursday) the Devil "Bees" will travel to Fort Meade for a return game with the baby Miners. In the opening game of the season the Avon Park team took a 6-0 win from Fort Meade here at Memorial Field.

Avon Park's halfback Ricky Claitt scored the first TD for the Devil Jayvees against Lake Placid last week as he ran some 13 yards early in the first period for a six pointer. Claitt also ran the two point conversion over on a wedge play through the middle to put Avon Park out front 8-0.

Later in the same period Devil back Josh King took the ball into the end zone from about the 24 yards out for the second touchdown of the game and Ricky Claitt crashed through the middle for the pointer giving Avon Park a 16-0 advantage before the first quarter ended.

The rest of the game was defensive with Lake Placid never seriously threatening although Avon Park's Josh King had another touchdown called back because of a penalty.

Bonnie Brae Mobile Estates News

Thanks to our managers, Flo and Jerry Brophy and their right hand man, Joe Moreno, our park was so pretty to come into when we arrived back this Fall. Much has been done during the summer. A new flagpole and flag greets one at the entrance and new spectator benches are installed near the shuffle board. We also have three new automatic washing machines and a large dryer. A porch has been added in front of the wash room. New spaces have been added and Bonnie Brae is completely filled.

A hearty welcome to all our new members of Bonnie Brae. The families are: Mr. and Mrs. Harry Dean, Lot 60, Mr. and Mrs. William Scully, Lot 5, Aletha Hoffman, Lot 44, Mr. and Mrs. George Pritchett, Lot 23, Mr. and Mrs. T. J. Lyon, Lot 56, Mr. and Mrs. George Sullivan, Lot 44, Mr. and Mrs. Malone, Lot 74, Mrs. Helen Dyce, Lot 73, Miss Cheryl Watson, Lot 77, and Mrs. Paul Managold, Lot 78. Other families who have spaces but have not arrived yet are: Mr. and Mrs. Forrest Kinney, Lot 68, Mr. and Mrs. Fred Frye, Lot 75, Mr. and Mrs. Harry Andre, Lot 72, Mrs. Rachael Stormont, Lot 76, and Mr. and Mrs. Bud Leonard, Lot 79. May you all have a long and happy life here at Bonnie Brae is stated by all.

Highlights of the summer for Ellen and Harry Hunt was a trip to northwestern Iowa in early June, to visit their youngest son and daughter in law and do a bit of spoiling their 2 month old grand daughter, Rebecca Elaine, whom they had not seen before this. Going through northern Michigan and northern central Wisconsin at this time of the year was just delightful. While in Iowa they drove to Pipestone, Minn. to the Pipestone Indian Monument. On the return trip they stopped to see the "House on the Rock" in southeastern Wisconsin and also Wisconsin Dells. Guests at their former home in Midland during the summer included the Bohachycks, Chockleys and Boyers.

Tom and Evie Chockley returned from Michigan on Sept. 7th. While in Michigan they bought a travel trailer which they christened "Granny's Boxcar", and took trips around the state in it, including a week at Boyer's cottage at Bay View. They were also in Minnesota before returning and on the way down stopped at the Bud Leonard's and the Bohachycks for overnights.

Welcome back to Dorothy and Percy Beagle and Ethel and Max Putman, who arrived during the week. More about their summer later. Mr. and Mrs. William Scully made, Penna. their first stop when they left Bonnie Brae last summer. While there they visited with Mrs. Scully's sister and an Aunt and her family. They continued on to Buffalo, N. Y. then Toronto, Canada. Visited with two daughters and Mr. Scully's brother and family and a sister. While in Canada they attended a wedding of Mr. Scully's grandson who is a Canadian policeman in Toronto. At the wedding they were reunited with a son and his family from Columbus, Ohio. On their return trip they again stopped in Penna. before returning to Florida.

Congratulations to Maude and Jim Baker on their new Mobile Home. May you both have much joy and health and happiness with it. It looks so nice on the space near the mail boxes.

Thelma Chalmers who left Bonnie Brae in late May returned on October 1st. She was accompanied back to Mass with her grandson, Robert Hall. They arrived at Eastham (On Cape Cod) after a very pleasant trip. Thelma's headquarters were at her daughter and son in law, Dorothy and Bill Hall. While up North, she spent a week in Vermont, a week at Rangely, Maine, and took a trip to Cape Breton with Charlie and Annie Williamson who were guests here last year. She also spent about 5 weeks visiting her other daughter, Jean Tower of Epping, N.H. and her sister and husband, Janet and Earl Lynn of Manchester, New Hampshire who have also been to Bonnie Brae. While in New Hampshire she had the pleasure of entertaining Ethel and Max Putman for 4 days. They had come from Duanesburg, N.Y. for the visit.

Maude and Frank Foote and Thelma Chalmers spent Saturday shopping at Lakeland Bartow and Winter Haven. Harold and Ruby Purnmill

are back home after a 5 week vacation spent with their children and other relatives and friends. They visited their daughter and son in law in Kansas City, Kansas. They were joined by their grand daughter and two great grandchildren. Also some time was spent in St. Louis, Missouri, with their son and family. On the way home they visited several other relatives and friends in Illinois and Indiana. Florence and Jerry Affholder were recent callers at the home of Harold and Ruby Purnmill. The Affholders are former winter guests at Bonnie Brae. With the growth of Bonnie Brae it has become impossible to contact each family. We are asking each and everyone to bring news either to the office or to Thelma Chalmers, Lot 14, (second mobile home on the right as you enter the park). News for the week must be in no later than 6 p.m. on Sunday evening. Thank you.

Jr. High Devils To Play 'Chobee Here Tuesday

The Avon Park eighth and ninth grade football team, coached by Ken Shackelford and Harry Williams, will close out the 1971 season here at Memorial Field next Tuesday night, Oct. 26, against the Okeechobee junior high team.

Does the fact that we're guaranteed twice as long, mean we're twice as good?

We can't prove it, but one thing's sure: We're twice as confident.

When you buy a new car from Volkswagen, you get a new car warranty for 24 months or 24,000 miles, whichever ever comes first.*

When you buy a new car from any other known company in the world (unless you're interested in a Rolls-Royce), you receive a warranty for only 12 months or 12,000 miles.**

You see, we're the only ones who've stuck with one car model for 24 years. (A gutsy decision when you think we only sold 2 in 1949.)

*If an owner maintains and services his vehicle in accordance with the Volkswagen maintenance schedule any factory paint found to be defective in material or workmanship within 24 months or 24,000 miles, whichever comes first, will be repaired or replaced by any U.S. or Canadian Volkswagen Dealer. And this will be done free of charge.

But thanks to that one decision, we've had a chance to make over 2,200 improvements. (29 improvements on our 1972 model alone.)

And once a VW leaves the factory, we still don't stop caring.

For only an authorized VW dealer offers VW Diagnosis. A series of 4 free checkups with special diagnostic equipment so advanced, it can tell you'll have a car problem before it becomes a big problem.

And if the problem is found (and covered) during the warranty period, we'll solve it for you free of charge.

Even when it comes time to sell, we still won't let you down.

For over the years, two cars have consistently retained more of their original value than others: An old Volkswagen. And an old Cadillac.

Finally, consider price.

We're not the lowest-priced economy car you can buy. But once you thoroughly check into what you get for what you pay, you'll find very few car companies who, in reality, end up with their prices lower.

And none who start out with their standards higher.
