MOBILE HOMES

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nations large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1/3 the price of a modest suburban house a family can buy a 12'x60', air conditioned mobile home with two bedrooms, a comfortable living room and a well gadgeted kitchen. Thus equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their instant communities offer an answer to the problems of the urban pressure cooker. Devils Defeat Frostproof 10-6; Meet Arcadia

The Avon Park Red Devils stumbled to another win last Friday night when they took a 10-6 decision from the Frostproof Bulldogs in Frostproof to set the season record at 2-4, with a home game against the Arcadia Bulldogs on tap for tomorrow (Friday) night here at Memorial Field.

Arcadia is also having its troubles this season. The Bulldogs have won only one game out of six and that a squeeker which they won 14-12 over Sebring. The Arcadia team lost 22-13 to Naples, 20-14 to Bartow, 23-13 to North Fort Myers, 32-13 to Venice and 35-0 to Charlotte High of Punta Gorda. The Avon Park team lost to Charlotte by a score of 19-12 the week before they tromped Arcadia.

Frostproof Game

Against Frostproof the Avon Park eleven had all sorts of trouble. The Devils lost the toss of the coin and had to kick-off to the Bulldogs. The Frostproof offense then quickly moved to the Devil 23-yard line on long ground gains before the Devil defense tightened to hold at the 31.

On the Red Devil's first play from scrimmage, quarterback Don Sisemore dropped back and tossed a short pass to halfback Walter Nunnallee who had crossed over to the right sideline and the determined senior Devil back raced down the sideline for a TD that covered almost 70 yards. A fake kick and a completed pass for the two pointer was cancelled by a Devil penalty and then another failure to score the conversion was cancelled with a Frostproof penalty. So with the ball on the 1½ yard line, Nunnallee bulled through for the two points which proved a very important score later.

Halloween Parade, Carnival To Be Held Here Saturday

At 3:30 P.M. Saturday, Oct. 31, the annual Halloween parade, will once more prance down the Main Street of Avon Park, to the delight of young and old alike. "Following the parade, the second annual bed race will be held at 4:30 P.M.," said Jimmie Garner, chairman of bed race.

All prizes, for children's costumes, floats, etc. will be awarded immediately following the bed race, near the tennis courts behind the old post office (now One Hour Cleaners).

Then the gala Halloween carnival will begin at Donaldson Park at 5 P.M. and last until 7:30 P.M. That will give young "trick or treaters" time to canvass the neighborhood before the 9 P.M. curfew. This year, the Junior Women are providing some Halloween fun for high school and junior college ages with a dance, to begin at 8 P.M.

The Avon Park Halloween Carnival has been an important annual event for almost forty (40) years. It was originated by the Woman's Club of Avon Park and was later turned over to the Juniors. They have done a wonderful job as heirs to this established and community entrenched custom — with other civic and school organizations being invited to participate in fund-raising and fun each year.

A plaque will be the prize offered for the best float. First prize for the Bed Race will be $100, with second place winners receiving $50, and $25 will go for third place. This prize money was donated by a number of generous business people in our community.

All children who wish to be judged in their costumes should be at the tennis courts behind the One-Hour Cleaners no later than 3:00 P.M. the day of the Carnival.

The usual long line of elaborately costumed children of all ages will be as entertaining as ever! Difficult indeed will be the job of the judges who have to select winners from the home-made costumes, which will range from the sublime to the ridiculous, according to club officials who have seen past parades.

Staring and finish lines for the "bed race" which will be at 4:30, will be in front of the Avon Park Motor Co., proceed to North Lake and Main Street intersection, go around Mall and back to finish line.

Bed race entries are: Cheerleaders, First Baptist R.A.'s, Art Club, Troop 117, Key Club, Royal Rangers (Assembly of God), C.A.'s (First Assembly of God), Keyettes, F.F.A., Fellowship Baptist Church R.A.'s.

Booths and prices are as follows: snow cones, 10c; the balloon clown will sell you a large balloon for 25c; you can "pick the pocket" for a dime, and get something every time; also, for one dime, the fish pond, where you are guaranteed a "catch" every time; everyone's favorite game of chance, the cake walk, which is 25c; there will be real live ponies to ride for 15c, and the ring toss game will be a nickel a throw.

Lions Club, barbecue and coke wagon; Band Parents, coffee, pies and cotton candy; Keyettes, dart game; Key Club, water balloon game; Park Academy, popcorn and snow cones; Boy Scouts, candy apples; Girl Scouts, homemade candy; Ray-Arc, food booth (pizza); ESA Sorority Booth.

The streets all around the park grounds will be blocked off for the protection of the children attending the festivities.

If you've attended the Halloween festivities before, you surely don't want to miss this year—and if you have never been, please come and see what you've been missing! There will be something for all the "young in heart" in Avon Park!

MEMBERS of the Avon Park Junior Woman's Club practice for the bed race to be held at the Halloween Carnival Saturday.

Only 35 Percent Of Voters Expected At Polls Tuesday

Next Tuesday is election day — and unless things get a little bit hotter on the political front, the majority of voters may just stay home as usual.

Veteran Supervisor of Elections Roland X. Drott gloomily predicted a scant 35 percent of the voters will go to the polls in this election.

"You just don't hear anybody talking about anything," he said. "There was a lot more interest in the primaries than we have now." He paused a moment and fervently added "I hope I'm wrong!"

In Highlands County, the first primary brought out 46.7 percent of the registered voters and the second one, 39 percent. This was slightly better than the record rolled up statewide.

Polls as usual in Highlands County's 15 polling places will be open from 7 A.M. to 7 P.M. Absentee voters have until 5 P.M. Monday to have ballots returned to his office.

And this is the election where the voter can cross party lines and vote for a candidate in either party.

County races have been quiet and the only excitement on the legislative front has been the write-in battle being waged by former Rep. Kent McKinley of Sarasota against incumbent Jim Tillman of Myakka.

Voters, in addition to choosing state, national and county candidates, will say "yes" or "no" to seven constitutional amendments.

Candidates and offices at stake on the ballot next Tuesday are:

U.S. Senator — Lawton Chiles (D) Bill Cramer (R).

Representative in Congress, Ninth District — Paul G. Rogers (D) Emil F. Danciu (R).

Governor and Lieutenant Governor — Reubin Askew, governor, Tom Adams, lieutenant governor (D) Claude R. Kirk, Jr., governor, Ray C. Osborne, lieutenant governor (R).

Secretary of State — Richard Stone (D) Don D. Meiklejohn (R).

Attorney General — Robert L. Shevin (D) Thom Rumberger (R).

Comptroller — Fred O. "Bud" Dickinson, Jr., (D) James R. Sabatino (R).

State Treasurer — Thomas D. O'Malley (D) Tom Slade (R).

Commissioner of Education Floyd T. Christian (D) Robert Froemke (R).

Commissioner Florida Public Service Commission Group 2 — William Bevis (D) David Lindsey (R).

Member State House of Representatives 117th House District — Jim K. Tillman (R) Kent McKinley (R).

County Commissioner District 2 — Norman "Jug" Heston (D) Clarence E. Polston (R).

County Commissioner District 4 — James G. Creel (D) Andrew Jackson (R).

School Board member District One — E. Ray Wells (D) C. Johnny Johnson (R).

Lions Club Will Sponsor Barbecue Saturday In Donaldson Park

Thirty-five Lions and guests enjoyed meatloaf, escalloped potatoes and gingerbread cake served in good manner and good taste by ladies of the Rebekahs on Tuesday evening, Oct. 20. The repast brought out all the good qualities of the group to respond to the demands of Lion Songleader Martin, who once more proved that he is hard to top in that assignment. Guests welcomed were Messrs. K. B. Muckenfuh, Howard Crumb, Harry A. Wilde, Ernest L. Respuss and Tommy Anderson.

Second Vice President Giddens briefed his listeners on the position of president of Lions International. Among other details, he noted that qualifying standards are specific and drawn closely to a life dedication to Lionism. Further, he gave some of the demands of the job, such as, the ability to serve without pay, the stamina to travel more than 200,000 miles during his year's reign and the executive ability to command a worldwide organization.

Notice was given by Lion President Acri that the meeting scheduled for December 1 will be held at 6 P.M. and adjourned to allow Lions to participate in the Christmas parade later that evening. President Acri also announced a special meeting of the Board of Director for November 10.

Program Chairman Kelsey presented a film on Disney World that was a real eye opener to what one man of vision can bring about.

Plans are now complete for the Lions chicken barbecue to be held in conjunction with the Halloween celebration sponsored by the Junior Woman's Club. Plates of one-half barbecued chicken, baked beans and cole slaw will be served for $1.50 beginning at 4 P.M. in Donaldson Park. The Lions will also have available a soft drink wagon hamburgers and hot dogs beginning at 2 P.M. at the same location. See you Saturday night.

Bombing Range To Open Saturday

The Avon Park Bombing Range will open at 4 A.M. Saturday, Oct. 31. Hunters will be permitted to camp Saturday night and required to be out of Range by 8 P.M. Sunday, according to Richard McClelland, Game Supervisor, South Florida Region.

Hen turkeys are not legal game this year at the Lykes Brother's Fisheating Creek Wildlife Management Area, reports Major J. O. Brown of the Game and Fresh Water Fish Commission.

A decline in the turkey population at Fisheating Creek Management Area is the reason for the restriction. Research is underway to determine the cause of the reduced numbers of turkeys and hunter cooperation will greatly assist our efforts, reports Major Brown.

Doyle Connor Here To See State's First Premium Trees

Florida Commissioner of Agriculture Doyle Conner dug the first "Premium" citrus nursery tree here Wednesday, as the initial product of a program four years in the making.

Mr. Conner flew into Avon Park Wednesday, Oct. 21, at 9:40 A.M. and was met by Franklin Ward, president of Ward's Nursery, Inc. and Ward's production manager, Charles Collins and other dignitaries.

When the plane came to a stop, out stepped, "handsome Doyle Conner," in his "Stetson" hat. Besides Joe Pace and Thomas Thayer, president of the Citrus Nurseryman's Assn. there was Arthur Mathias, general manager of the Haines City Citrus Growers Assn., who placed the first order for the Premium trees.

Others on this tour with Mr. Conner were J. F. Condo, chief of the bureau of plant inspection; Ralph L. King, plant specialist supervisor and assistant to Mr. Condo, both of Gainesville; Howell L. Jones, director of the division of plant industry; Paul E. Frierson, assistant director of plant industry, both of Gainesville. G. Don Bridges, chief of the bureau of citrus budwood registration and Charles Youtsey, plant specialist supervisor and assistant to Mr. Bridges, both from Winter Haven.

I had the pleasure to talk with Mr. Conner for a few minutes, and asked this "unique" man, how he felt about women reporters and

DOYLE CONNOR

career women in general, his reply was, "God bless them, I love everyone of them." He seemed so young and much better looking than his pictures, (even though they look good). He said he had a number of women working in his office and they were very efficient.

The tree is as free of plant pest as is humanly possible to produce. From seed to grove planting, the Premium tree has been studied in every detail. Its seed was selected from root-stock known to be true-to-type and treated for seedborn diseases.

The nursery site was selected with extreme care and was state approved. It was grown in soil fumigated and held under plastic to provide control of soilborn diseases and parasitic nematodes, and consequently, a cleaner, healthier root system.

The Premium tree is the outgrowth of work which began with the inception of the budwood certification program in 1953, by the Division of Plant Industry (DPI), Florida Department of Agriculture and Consumer Services.

Knowledge gained through the years became additive. As research information was proven, it was incorporated into the program. The Premium tree is the culmination of years of work involving the DPI Citrus Budwood registration and Plant inspection Bureaus in cooperation with members of the Florida Citrus Nurserymens Association, who proposed the program in 1966.

Ward's Nursery, near Avon Park was the scene of the first movement of citrus nursery stock under the Premium label. Ward's is one of 14 nurseries in the program.

Charles Collins, Ward's Nursery production manager, was given much credit for the care and manner in which the trees had been grown.

City Engineers Discuss Providing Water to Project

Coca Cola's proposed housing project, just North of Avon Park on Rt. 17A, will house Minute Maid picking crews on a year around basis. Eighty CBS, three bedroom, 1½ bath houses, and possibly 22 duplexes are planned to be built on the forty-acre site.

Emory Dawkins, of Dawkins and Associates, the City of Avon Park Consulting Engineers said the city well capacity should be sufficient to furnish city water to the housing development. He recommended that further study be made on the sewerage system before the City makes a firm commitment on furnishing sewerage service to the housing project.

City Attorney Jack Hancock reported that he had not prepared a lease for Shelley Marrs yet, due to lack of information about the formation of the Corporation that would hold the lease.

Florida State Department of Transportation notified the City Clerk Malcolm Crews, that the state is making a grant of $1,000 to the City of Avon Park to mark the Airport.

Building Inspector Spurlock, notified the City Council that there are 28 sub-standard houses in Rainbow Park, and 7 in the Perry Quarters. In 1968, 15 structures in Rainbow Park, and 15 in the Perry Quarters were condemned and only 7 have been brought up to standard or removed.

The Council voted to furnish paint for the baseball clubhouse, provided labor is donated.

Firemen To Break Ground For Offices

S. J. "Buddy" King, president of the Florida State Firemen's Association announced this week that ground breaking ceremonies for the Association's new headquarters and offices would be held Saturday, Nov. 21.

The building site is south of Avon Park on Highway 27 and consists of five acres which were donated to the State Association by the City of Avon Park.

President King's announcement was made at a board meeting last Saturday, Oct. 24, which was held in conjunction with a meeting of District 12, Florida State Firemen's Association. The meeting was held in Cantonement.

In attendance at this meeting from Avon Park was Assistant Fire Chief Mack Flowers and Roberta Flowers. Flowers is the Building Coordinator and Superintendent for the State Association's building program.

Mrs. Roberta Flowers is the first vice president of the State Firemen's Auxiliary and supervises Districts 7 through 12 of the State Auxiliary.

In conjunction with the ground breaking ceremonies, a meeting of Dist. 4, Florida State Firemen's Association, will be held in Avon Park on this same date. Chief Olen Godwin from Okeechobee and District 4 vice president was in Avon Park making preliminary plans for the District meeting. District 4 includes Highlands, Okeechobee, St. Lucie, Brevard, Indian River, and Osceola Counties.

President King also stated that all district and state officers would be invited to attend this meeting and ceremonies.

Flowers stated that local and county officials would also be invited to take part in the day's activities.

Letter To The Editor

About 10 years ago a Constitutional Revision Commission was formed for the specific purpose of providing an amendment to our present Article V of the Florida Constitution, which concerns the judiciary for the state of Florida. This commission drew various drafts and held many, many meetings with civic, professional, non-professional and legal groups to get the thinking of the public at large on this important question.

This Commission consisted of laymen, professionals, non-professionals, lawyers and some judges. They had one purpose—to draft a revision of Article V which would best serve the public of this great state of Florida. After many years work they finally had what they felt was the best possible Article V for the state of Florida. This proposal was presented to the Florida State Legislature, where, after some re-working, it was passed by an overwhelming majority. There are some people who say this amendment is not perfect; may we ask, by whose standards. Actually, it may be wanting in some respects, however, on the whole, it is an excellent piece of work.

Today, in the state of Florida, we have a hodge-podge of courts, with, I believe 13 different set ups. Anything but uniformity in our state of Florida.

In the state of Florida today, we have 20 county judges who are not even lawyers—the old Constitution does not require it. The proposed Constitutional Amendment requires that all members of the judiciary be lawyers. This is certainly as it should be; before any present judge can be assigned to a division of the circuit court, he must possess the same qualifications as required for a circuit judge. Again, as it should be.

As of Thursday, Oct. 22, we had 40 prisoners in the Highlands County jail. Sixteen of these 40 prisoners were awaiting trial or sentencing. I would say that this ratio is very favorable compared to most of the counties in the state of Florida.

Consider first the expense of feeding the many prisoners who are awaiting trial because of overcrowded dockets; consider the expense of providing personnel to provide adequate custody for these prisoners; consider the housing required for these prisoners awaiting trial.

More important, consider the injustice by these lengthy delays in having a trial. Suppose the jury finds a defendant not guilty, after six, eight or 10 months. What can we say to the unfortunate defendant except, "I'm sorry." After these long delays, often the witnesses move away, some may die, others forget because of the passing of time. This is not good justice.

The proposed amendment could remedy this situation by assigning judges of these specialized divisions to the area where needed most, so that these big, backlogs would be eliminated.

The amendment to Article V provides for a Judicial Qualifications Commission to deal with the question of disipline, retirement and removal of members of the judiciary. Certainly this is an area where such a commission is sorely needed.

There is provision in the proposed amendment to Article V which saves the cities the expense of providing jury trials by authorizing transfer of such cases (where the offense is a state law violation), to an appropriate state trial court. This does not presume trial of all traffic cases or municipal ordinance violations; only those violations which are also state violations.

Unfortunately, so often personalities enter into such matters as this, where an individual thinks of the benefits to himself or detriment to him, rather than what is good for the public.

I sincerely believe that if we were going to think in terms of whether or not the amendment to Article V is good for the public and think of it in these terms only, we would have total support of this proposed amendment.

I sincerely and wholeheartedly endorse the adoption of Amendment 3 on the ballot for next week, and solicit and suggest that you familiarize yourself with the entire article and make your own determination as to whether or not it is good. I feel assured that you will then favor adoption of this article.

MERVIN REHRER
County Judge

Dear Editor,

I'm just a lonely little old lady with poor fittin' dentures and rheumatism so I Don't Get Around Much Anymore. I do manage though to spend all my winters in Avon Park and do you know why? No, it's not because of your swell drive-in, but because of your wonderful Junior and Senior High School bands.

I've got this keen, second-hand Triumph motorcycle and that's my only means of transportation but I do get to do some cross country travlin'. And let me tell you something, I've seen some real fine bands in some of the towns I've stayed in but yours beats them all by far.

When I'm standing out on the football field at band practice or at the games, in my double-soled, black tennis shoes, long, black pea coat, and suede hat and that band comes marching by my teeth start chattering and I get goose bumps the size of footballs all over my body.

You got a real good publicity chairman. I see things about the band in the paper every week. And that's real good. I ain't real sure but isn't the boy's name Jonathan Wright? You're doin' a real good job Jonathan. Keep up the good work. I think there is another little good fairy workin' at that publicity bit named David Flowers. They're both doing real good jobs.

Now I want to tell you people of Avon Park a little something. I know you're real proud of your band and you should be. Now, how about doing something to show them how much you really appreciate them. I was in the bandroom the other day during fourth period and I heard Mr. Mickunas telling the Senior band that they would be selling doughnuts sometime this week. These kids are workin' real hard for an out of state trip, where they're goin' to represent your town. So how about buying some of these delicious doughnuts from one of your band students, huh? It'll really help.

Also we want everybody to come to the football game this Friday night. It's in Frostproof but what's 12 little ole miles? Just think, you get to see the game and best of all you get to see your band put on a stupendous show. Believe me it's a good one. I was at their practice Monday night and they really were working at it. I could hardly keep myself from dancing around when they started playing "I Got Rhythm."

Well guess I'll sign off now. Be lookin' for my column next week.

Social Security Questions and Answers

Question—During the Fall, I usually hire a maid and a woman to help me with the house cleaning. When must I report their wages?

Answer—If you pay your maid or your cleaning woman cash wages of $50 or more during a calendar quarter, you must report the wages and send the social security contributions to the Internal Revenue Service. This report should be made during the first month after the quarter in which the wages were paid. Get a copy of "Social Security and Your Household Employee" (SSI-21)—from any social security office for information on this subject.

Question—My husband and I receive a single social security check with both our names on it. Can we receive separate checks?

Answer—Yes. Checks for married couples usually are combined to save administrative costs and to save check cashing fees. But if you'd rather get separate checks, just send a written request, signed by you or your husband, to your social security office.

Red Devils

aged to drive for one first down before they were forced to punt. Avon Park took the ball on its own 20 and moved on the ground to the Frostproof three yard line with the aid of two 15 yarders against the Bulldogs. But a 15 yard penalty against Avon Park moved the ball back to the 18-yard line and finally on fourth down and 10 yards needed to score, Sisemore's pass was intercepted by Frostproof's Mark Wilson on the Bulldog five. Wilson broke through to go the 95 yards for the Bulldogs only score and Frostproof was on the board quickly. Dennis Hart, Devil linebacker, broke through on the extra point attempt kick and blocked it to hold the score 8-6.

Early in the second period Avon Park got another two point gift when the Bulldog center centered the ball over the head of the Bulldog punter deep in his own territory and the ball rolled out of the end zone for an automatic safety for Avon Park and the scoring was over for the evening with Avon Park 10 and Frostproof 6.

The Frostproof boys kept the pressure on Avon Park the rest of the night, however. Late in the second quarter, Avon Park had driven to the Bulldog 22 only to have a personal foul penalty move the ball back and then a Frostproof boy broke through to block a Devil punt and the Bulldogs took over on the Avon Park 45-yard line. Halfback Roosevelt Gardner broke loose for a 32-yard gain and the Bulldogs found themselves on the Devil two yard line. But Devil defensive back Dennis Hart intercepted a pass in his own end zone to end that threat and the half ended three plays later.

There was no scoring in the second half but Frostproof drove to the Avon Park four yard line in the second quarter before they were pushed back to the 15 on two determined plays by the Devil defense which has had to bear the brunt of the opponents fury all season.

The fourth quarter was played between the Avon Park 20 and the Bulldog 40 as both teams drew numerous penalties and the Devils lost possession on a fumble once. It was a frustrating affair for both teams as the favored Red Devils couldn't generate an offense and the Frostproof boys came so close to victory over the Avon Park school which they haven't defeated in some 18 years or more but couldn't push the necessary points over.

Ellis Wray Retires From Alabama Power Company Recently

Another Avon Park boy who has made good and just retired from the Alabama Power Co. in Montgomery, Ala. is F. Ellis Wray, son of Mrs. Cora Wray of Avon Park.

Wray graduated from the Avon Park High School in 1924 and received his B.S. in electrical engineering from the University of Florida in 1928. He was employed in the General Office of the Alabama Power Company, as a junior engineer in 1928, and transferred to Montgomery in 1930 as chief clerk in the engineering department. During his more than 42 years with the Company, he has worked at Auburn, Clanton and since 1962, has been senior distribution engineer at Montgomery.

In 1962 Wray was selected as the "Outstanding Kiwanian of The Year," by the Clanton Kiwanis Club.

Wray's mother, Mrs. Cora Wray, was one of Avon Park's first settlers and said her son, "Ellis was the first one in town to own a radio (one that he bought with his own money), and all the neighbors would come over and listen to his radio."

Mr. Wray married the former Love Evans in Montgomery in 1930, and they have one son and one little granddaughter.

Wray was honored at a reception in the Mongomery office auditorium, August 28, upon his retirement. His retirement gifts from co-workers included fishing tackle and cash. The gifts were presented by W. O. Arrington, district superintendent, and his retirement plaque was presented by H. P. Foreman, division vice-president.

MEMBERS of the Dairy Science class of South Florida Junior College had many questions for Walter Mandis of Tropical Farms Dairy during a recent visit to the dairy on the Wauchula Road. The queries included such things as: the relationship between bacterial count in the fluid milk and the rainbird sprinklers for washing the cattle prior to milking; the labor saving use of mechanical feed moving equipment to the rapid cooling of milk from cow temperatures to 40 degrees F. or less in 17 seconds. Shown in the loafing and drip off barn are Daniel Norriss, Bruce Corbitt, Mike Garrett, Riley Williams, Walter Mandis, Dennis MontsDeOca and Gene Landress.

JOE STRICKLER

Joe Strickler Is Playing First String On Florida State's Team

Joe Strickler, a graduate of Avon Park High School in the Class of 1967, and now a student at Florida State University at Tallahassee, has been playing on the first team of the FSU Seminoles football team this Fall.

Strickler was an outstanding athlete and student all during his high school days, and he has continued this record at Florida State. For each game this season he has been listed in the starting line-up of the offensive team, holding down the position of left tackle.

The "Tomahawk Award" for best team blocking was awarded Joe following the FSU-Wake Forest game. "Strickler was our most consistent performer in the line," Coach Bill Peterson commented. "He recovered one fumble that would really have put us in trouble had we not gotten it."

Following the Memphis State-FSU game, Joe was again given the "Tomahawk Award" for top blocking. Coach Peterson said Strickler played a good overall game, and that it was on Strickler's left side of the line that the FSU running game showed any consistency at all.

Last week the Miami Herald carried a write-up from which the following excerpt is quoted, "A 235-pounder from Avon Park, Strickler, was acclaimed the team's most improved offensive player last Spring. Among other things, he carries the highest scholastic average of any Seminole."

Joe, the son of Mr. and Mrs. Otis C. Strickler, former residents of Avon Park, still lists Avon Park as his home town. Avon Park residents are glad to claim Joe as one of their own and will continue to follow with interest his academic and athletic career.

Zoning Board To Hear Housing Plans

Proposals for a low income housing development in the Avon Park area will be presented to the Highlands County Planning and Zoning Commission at 7:30 tonight (Thursday).

Cocoa-Cola proposes to cooperate with the Federal Department of Housing and Urban Development for the new project. While not limited to migrant workers, the planners said such a development would make improved housing available to migrants.

The meeting tonight will be in the county commission meeting room at the county courthouse.

Welcome Station To Open

The Jaycee units in Highlands County have announced a November 1 opening date for a county welcome station. The station will be located North of Walker Memorial Hospital, just to the West of US 27.

The Jaycees have leased a small county-owned building for the station and said this week that a site clean-up project will begin immediately.

Former AP Policeman Charged With Possession of Stolen Guns

Highlands County Chief Investigator J. C. Murdock, two sheriff's deputies, with Avon Park Police Chief Earl Gordon and Sargent Pressley Selph, obtained a search warrant Thursday night, October 22 for the home of Paul Ward of 20 East LaGrande Street. $1500 worth of stolen guns, ammunition, and other loot was recovered. Arrested and charged with possession of stolen property was former Avon Park policeman Paul Ward, Joseph Fuerst Jr., Avon Hotel, and Jimmy Jackson, 15 West Center Street. The owner of the What-Not Shop, Mrs Jimmy Doerr identified sixteen of the guns and other items as those stolen Oct. 15 from her place of business. Another gun was identified as one taken from the Village Lounge. Investigation of the breaking and enterings in Avon Park is still under investigation by the Avon Park Police Force, and the Sheriff's Department.

County Mails Tax Bills Today

Highlands County's 1970 tax bills go into the mail today to 32,000 individual owners of 48,746 items of personal, real, and intangible property. This year for the first time Avon Park taxpayers will get their city tax bills along with the county bill.

Under new state laws, tax assessing and tax collecting for cities is being placed under the county offices for assessing and collecting. A year from now the Sebring and Lake Placid taxpayers will get their city tax bills along with the county statements.

The 1970 tax roll has 46,124 items of real and personal property. This is an increase of 2624 over the 1969 roll, County Tax Collector W. H. Prescott said.

Approximately 70 per cent of tax bills mailed today go to owners who live outside Highlands County, Prescott said.

Tax payment will begin on Monday, Nov. 2, and all taxpayers who pay in November receive a four per cent discount.

Prescott reminded those who intend to pay on the installment plan that they must make their initial payment — 20 per cent of the total bill or a minimum of $10 — by Nov. 29.

Mackay Bound Over

Joe Mackay has been bound over to circuit court on a manslaughter charge growing out of a traffic death on Lotela Rd. on August 27. A preliminary hearing on the charge was held in county judge's court Tuesday. Bond for the 19-year-old Mackay was set at $2500.

Mackay was driver of a car which overturned on Lotela Rd., injuring five teenagers and killing Roger Thomas.

Democrats Gather At Rally Wednesday

Ignoring drizzly Republican weather, more than 800 hardy, happy Democrats gathered for a rally and free fish fry at Highlands Hammock State Park last Wednesday night.

It was an excited throng, scenting victory at the polls November 3, which gathered to hear Senator Spessard Holland, and the man who is running for his seat in Congress, big, blonde, Lawton Chiles, Jr.

There was an extra treat for the crowd, when Mrs. Chiles was introduced. There was a lot of mingling and handshaking.

Highlands county's own Hayward Davis, campaigning for Reubin Askew for governor and Tom Adams for lieutenant governor, gave the fightingest speech of the evening.

"Governor Kirk pledged no taxes if elected. But in his administration we have had the highest tax increase this state ever has had," he declared.

"If the Democrats can not win with Askew and Chiles, may God have mercy on our souls, because the lower part of our anatomy will belong to the power-mad politician that occupies the Governor's chair."

Senator Holland, who retires January 1, said he had attended the meeting "principally to speak for one of our Polk County boys, Lawton Chiles." He added he thinks "Askew will be the next governor and Chiles the next Senator."

He emphasized that "Lawton is a moderate — and he carried Polk County with 81 percent of the vote and Polk is a moderate county."

Chiles said "All over the state people are excited. I think we will have one of the greatest victories we have ever had. And although we have had some tourists here recently — Mr. Agnew, Mr. Nixon and Martha— I think the people of Florida want to make their own choice."

As he concluded, Cecil Heston presented him with a pair of walking boots, noting he had seen the picture of Chiles "with a hole in your shoe."

Howard Livingston explained the amendments on which voters will decide November 3.

Edna Pearce Lockett, county Democratic chairman and emcee and chairman for the rally, introduced Democratic dignitaries attending the rally.

Among these was Mike Abrams, president of Young Democrats of Florida. Abrams met with about 15 young Democrats at the conclusion of the speaking program, called together by Jimmy Whitehouse who with several other young people in the area is interested in forming a local group.

County candidates Norman "Jug" Heston and James "Jimmy" Creel, running for commission, were introduced, together with Harvey Roberts, retiring county Democratic committee chairman.

Livening up the proceedings was the Democratic donkey, decked in red, white and blue bunting who had his picture taken with the celebrities. His owner is Don Fitch.

The band from the Avon Park Correctional Institution played. Fried mullet, corn muffins, swamp cabbage and soft drinks were served.

The rally was sponsored by the Highlands County Democratic Executive Committee.

LAURIE REHRER

Laurie Rehrer Selected As Member Of Central Fla. Ballet Company

Laurie Rehrer, daughter of Judge and Mrs. Mervin Rehrer of Avon Park, and Polly Bryant, daughter of attorney and Mrs. Frank E. Bryant of Sebring, have been selected as new members of the Central Florida Ballet Company. Both girls auditioned in Lakeland, along with other ballet students from the central Florida area. Mrs. Priscilla Petit of Tampa was the adjudicator for the ballet auditions.

These girls go twice a month to the dance studio at Florida Southern College for instruction.

The Central Florida Ballet Company was formed to enrich the cultural development of the Central Florida area and to give advanced ballet students an opportunity to perform on a semi-professional level.

Miss Rehrer and Miss Bryant are ballet students of Mrs. Sharon Sockalosky of Wauchula, and are junior assistants for the ballet classes in the Sebring Dance Studio.

Both of these girls started dancing lessons with Linda Culbreth, formerly of Avon Park, four years ago.

Redeemer Observes All Saints Day

Sunday, Nov. 1, is All Saints' Day, long observed as a Holy Day by much of Christendom and the real source, with change in attitude, of our modern Halloween. The traditional meaning of the Day is reverence for the Holy departed, too many to mention by name, but outstanding in their days as followers of Our Lord.

In the Episcopal Church, All Saints' Day marks the Fall ingathering of the United Thank offering of the Churchwomen. Mostof them use an Offering box at home for thank offerings at times during the year, and then empty it into an envelope to bring to Church services to present at the altar.

The money is gathered by Dioceses and presented every three years at the International Meeting of Churchwomen as was held recently in Houston, Texas. It often amounts to around $5 million, and is used in world missionary work by the Episcopal Churchwomen. Every woman connected with the Episcopal Church is a member of the ECW in some way, and is invited to participate in this Prayer Program of the UTO.

Woman's Club Will Meet Friday

Devotions will be given by Mrs. Walter Ost, with Mrs. John Hayes, music chairman.

Hostesses will be Mrs. Roy Taylor, Mrs. Jerry O'Hern, Mrs. Herbert Hopps and Mrs. Kendrick Trim.

Mrs. DeShong Is Honored With Shower

Thursday afternoon, Mrs. Jay DeShong was honored with a baby shower, held in Wesley Hall at the First United Methodist Church.

The dainty little gifts were grouped on a table, under a pink and blue net and ribbon parasol. A pink tree held ribbon-tied gifts of money. Mrs. DeShong's little daughter, Jackie, assisted her mother with the gifts.

Pink punch was served from the crystal punch bowl encircled with fern and pink hibiscus. Fancy homemade cookies and mixed nuts were served from crystal appointments. Pink, blue and yellow napkins in a diaper-fold, fastened with tiny gold pins held pastel mints.

Hostesses for this delightful affair were Mrs. T. Hayes Maxwell, Mrs. Edgar Smoot, Mrs. John Bridges, Mrs. Clifford Smith, and Mrs. Allen Kindel.

Church To Have Halloween Haunt-In

This Saturday night, the 31st, a Halloween "Haunt-In" will take place in the social hall of the Church of the Nazarene from 8 to 11 P.M. All teen-agers and young adults are invited to attend. It will be a come-as-you-are affair.

Main events of the evening will be a hayride, funny games, a light meal, and a skin-tingling spookhouse which some of the young people have fixed up to scare the living daylights out of you.

Also, tonight (Thursday) from 6 to 8 P.M., a Halloween party will be held for the juniors (9, 10, and 11-year olds). All children of these ages are invited to attend and dress up in their costumes. This social will also take place in the church's social hall.

Mr. and Mrs. Thomas Tataris' Son Danny Is Baptized October 17

Saturday, Oct. 17 in Tarpon Springs, Mr. and Mrs. Thomas Tataris baptised their son, Dionisios (Danny) Thomas Tataris, at 3 P.M.

The baptism took place at the St. Nicholas Greek Orthodox Church. This is the church where the Icons were discovered with tears running down their face.

The service was performed by their priest, Father Elias Kalariotes.

The baby was baptized by Mrs. Kate Theodore, sister of Mr. Tataris and Tony Dontapas, brother of Mrs. Tataris and Capt. Ernest D. Kachilkis. The new godparents baptized the baby in a solid gold urn which his parents were also baptized in.

He was dipped in the water three times and then bathed in holy oil. Until this time the Greek children are not allowed to get their hair cut, then at this time the priest cut Danny's hair for the first time, at four different corner's of his head to symbolize the Holy Cross. Danny was then given communion and dressed in a white suit with a white hat. He was then presented to the parents with the pledge that the godparents shall always watch over him.

Then, as the Greek custom goes, the water used to wash the baptism clothes were taken and thrown into the Gulf. This symbolizes all evils washed away and the child a Christian in the Greek Church.

A reception was held in Philoptohos Hall after the services with over 100 invited guests. Each person was given a gold cross on blue ribbon to wear, which were flown in from Greece. Delicious Greek food was served consisting of Greek hamburgers, koubpethes, fela pastitso, Greek potato salad, olives, pickles and Greek bread. Koufeta, flown in from New York was at each place tied in blue net with blue ribbon. Greek music was played throughout the dinner and after dinner several joined in a Greek dance.

Out of town guests were Mr. and Mrs. Howe Williams of Lake Wales, and Mr. and Mrs. John Theodore and son, Jimmie from Winter Haven; Mr. and Mrs. Kelton Hill and children, Kelly and Travis, and Mrs. Edward Sharpe of Avon Park.

Fellowship RA's Honored At Party

A party was held for the Crusader chapter of the Fellowship Baptist Church RA's Saturday evening. The chaperones of this party were Walter Simms and Thomas Jenkins.

Dinners was served in the early evening and consisted of hamburgers, potato chips, cookies, pie, milk and assorted soft drinks.

To walk off their dinner, the boys decided to hike two miles. "They were about to fall where they stood, they were so tired," said Mr. Simms.

"I'm proud of my boys and I want to issue an invitation to all boys between the ages of eight and ten to join this chapter," stated a weary looking Mr. Simms. "It is at parties like these you get to know the young kids who will be young adults some day soon."

Cancer Society To Meet November 9

The annual meeting of the Highlands County unit of the American Cancer Society will be held at Holiday Inn in Lake Placid at 6:30 P.M. November 9.

Dr. V. Gregg Watters, unit president, said the meeting will be a Dutch Treat dinner at which 1970 Crusade Awards will be presented to the volunteers and 1970-71 officers will be elected.

Birthday Party Honors Georgia Sarvis

A surprise birthday party was given in honor of Miss Georgia Sarvis, last Wednesday night. The guest of honor was greeted by five friends at the home of Mrs. Virginia F. Hendrick.

Champagne and hors d'oeuvres were served while Miss Sarvis opened her gifts and was serenaded by "Happy Birthday" songs. She was then taken to Clayton's Restaurant for dinner, where more friends surprised her with gifts.

Everyone enjoyed her generous portions of cake, including Mr. and Mrs. Alec Ulmann and friends seated in the dining room.

Friends sharing in Georgia's birthday fun were: Miss Barbara Hunt, Mrs. Peggy O'Bannon; Mrs. Joanne Goode, Mrs. Betty Heston, Mrs. Bonnie Crutchfield, Mrs. Marti Harbaugh, Mrs. Lena Wright, Mrs. Val Keene and Mrs. Virginia F. Hendrick.

Church Has Halloween Party Friday

Witches, goblins and ghosts haunted the social hall of the Florida Avenue Baptist Church, Friday night, Oct. 23.

The fun began with the judging of the Halloween costumes. Dawn Spawler won the most like Halloween; Gayla Starling had the most original costume; Terri Helvey had the prettiest costume and Donald Howze won the prize for having the ugliest costume.

Screams and screeches could be heard for miles, as 56 members of the Sunday School Junior Department were scared out of their wits, when they visited the "spook house" and horror room. Some had their fortunes told as they looked into the crystal ball. Several ghosts and goblins were drenched to the skin, in the traditional bobbing for apples contest. Other games were played.

Cupcakes and Halloween punch were served.

Hal McRae Visits Parents In Avon Park Over Weekend

Sunday morning, Oct. 25, Harold "Hal" McRae, son of Mr. and Mrs. Willie McRae was presented a special resolution from the Chamber of Commerce at the Beulah Baptist Church.

McRae, the first Avon Park native to star in the Major Leagues, was praised for his participation in the World Series with the Cincinnati Reds, which brought National attention to Avon Park and Florida by television to 50 million viewers over the Nation.

Hal, his wife, Johncyna and their three-year-old son, Brian, were visiting his family Sunday and he spoke at the 11 A.M. service at the Beulah Baptist Church.

When Hal was young, he told his dad, he wanted to be like Willie Mays, and he has made it.

In August 1965, he played for the Tampa Tarpons, with batting average of 231. In 1966 he played in the Carolina League at New Port News, with a batting average of 291. Then in 1967 Hal played with the International League at Buffalo, N. Y., with a batting average of 261. In October 1968 he went to Puerto Rico where he broke his leg and was out in 1969, until October when he played in the Bradenton Instructors League with a 359 batting average. In December 1969 he went to Venuela where he stayed until January 1970 with a batting average of 325. Then in April 1970 he went to Cincinnati to play with the Reds with batting average of 258. In the World Series his record was three doubles, and two singles with batting average of 485.

McRae, 24 years old, attended Hopewell Elementary here in Avon Park, and E. O. Douglas in Sebring before entering Florida A&M (where he met his wife, Johncyna) for 2½ years before entering the big leagues.

The McRaes are making their Winter home in Bradenton where Mrs. McRae teaches at Southeast High School and Hal is currently playing with the Florida Instructional League until November. He will start Spring training in Tampa, March 1, 1971.

Citizens of Avon Park Please Vote For Amendment No. 4 General Election Nov. 3, 1970

This Amendment No. 4 permits issuance of State bonds for pollution control in municipalities.

Adoption of this Amendment No. 4 will increase Federal Funds from 25% to 50% of project costs.

Interest rates on bonds sold by the State would be up to 1% less than on those same type bonds issued by the city.

Approval of Amendment No. 4 will not cost the City or the State one penny. It will save Florida Taxpayers millions of dollars. It will greatly help to assure adequate pollution control for our rapidly growing area and state.

We urge each registered voter to go to the polls on Nov. 3rd and

County Okays Purchase Of Equipment

Highlands County commission took a $61,742 bite out of its equipment budget when it accepted four bids at its meeting Tuesday. The biggest chunk—$42,985—went for a pulver-mixer to be paid for from the race track bond money.

The big machine—to replace an old pulver-mixer which has broken down—mixes in place road materials for finishing of clay roads or in preparation for paving. The winning bid was from M. D. Moody & Sons Inc., of Tampa for a Bros machine with Caterpillar engine.

The commissioners called attention to the fact that they were not accepting the low bid. They noted in the minutes that a diesel-powered Cummings engine would have cost $500 less, but the Caterpillar bid was accepted "because it is a heavier engine and service is more readily available."

Wells Motor Co. submitted the winning bid for six pick-up trucks. The bid was for $13,598 with six truck trade-ins, and delivery was promised within 45 days.

Avon Park Motor Co. won the bid for a pick-up equipped with a special generator. The bid was for $3561 and 45-day delivery promised.

A half-bag concrete mixer was purchased from Walco Scaffolding Inc., on a bid of $1595.

The concrete mixer and trucks were purchased from the current road and bridge budget.

High School Sidewalks

Commissioner Cecil Skipper introduced a request that the State Department of Transportation use secondary road funds to pave sidewalks in the vacinity of the new Avon Park High School. The board approved a request for sidewalk on the North side of Cornell eastward from Highlands to Marshall and on the West side of Highlands Ave. from Castle North to Cornell.

Other road projects approved at Tuesday's meeting included authorization to proceed with improvements to a 1705-foot link from the Schumacher Rd. to the Goolsby Dairy.

Some of the streets in Fairmount Mobile Estates were accepted for county maintenance.

Other Business

In other business the commission authorized County Attorney R. P. Dunty, Jr., to continue negotiations with Zonellea Post Hardy for a lease on a five-acre tract at DeSoto City to be used as a dump.

Approved a five-year garbage franchise for the Avon Park area. Ridge Disposal Service, Inc., was granted the new franchise at no increase in collection prices.

Declined to accept responsibility for cleaning the drapes at the juvenile home.

Distributed copies of the proposed electrical code for the county for commissioners to study.

Red Devil "Bees" Will Host Arcadia Here Tonight

The Avon Park Red Devil "B" team dropped back to a 2-3 record last Thursday night when they were defeated by a tough Fort Meade eleven by a score of 38-20 here at Memorial Field. The Miner jaycee squad had previously handed Avon Park a 28-0 beating in Fort Meade.

Tonight the Devil "Bees" will host the Arcadia "B" team here at Memorial Field for their sixth game of the season. Arcadia took a 20-0 win from Avon Park in their second game of the season in Arcadia, but the Devil jaycee team has improved tremendously since that game and the youngsters are hopeful of a victory tonight to even out the win-loss record.

Next Thursday night the Avon Park "B" team will be in Sebring for another game with Sebring and on November 12 they will close out the season with a home game against Lake Placid. The Devil "Bees" have beaten Sebring 28-0 and Lake Placid 14-6.

Fort Meade Game

Avon Park scored first against Fort Meade last week as Bud Wester took in a pass from Tony Williams for a 57-yard TD pass play. The attempted pass for the two point conversion was no good, but Avon Park took an early 6-0 lead.

The junior Miners came back strong and drove some 63 yards for a TD which came on a pass from the quarterback to an end from 34 yards out. The two point conversion was scored on an end-around play and the Miners went ahead to stay 8-6.

In the second quarter the Miners scored again as the big fullback broke losse and ran 55-yards for the second touchdown. A pass from the quarterback to the fullback was good for two more points and the Miners were ahead 16-6.

The Red Devil junior varsity defense got into the scoring picture midway in the second period however, as defensive end Bud Wester picked up a fumble on the Miner 45-yard line and raced into the end zone for six more points for Avon Park. This time a halfback pass from Danny Lewis to Wester was good for the two pointer and the half ended with the score 16-14 in favor of Fort Meade.

Midway in the third period the Miners generated another long drive on the ground and went from their own 23 to score in 13 plays with a back punching it in from three yards out. The two pointer was scored on another end-around sweep putting Fort Meade out front 24-14.

In the fourth quarter the Miners pushed over two quick touchdowns—one on a pass to an end good from 12 yards out and the other on a 50 yard run by the fullback. One of the extra points was good on a pass giving the Miners the 38 points.

Avon Park scored again late in the final period when Devil halfback Artie Bass broke loose and ran 47 yards into the end zone for the six pointer but the try for the conversion was no good and the final score stood at 38-20 after a hard fought game which the Avon Park team played without the services of end Nathaniel Packer who is out with an injured hand.

County Hikes Rate To Keep Animals

A budget of $1.50 per day is inadequate to feed a horse, Highlands County's stray animal impounding officer Hollis Richards complained to the Highlands County commissioners Tuesday.

Richards, who has had several horse "guests" recently complained that the price of a bag of feed has jumped from $3 to $5.50 and hay "is 'way up too."

The commissioners approved his request that the horse board bill be jumped to $2.50 per day—and Commissioner Robert Skipper suggested that steps be taken to encourage short stays at the county pound.

For 25 years we have had substandard and inadequate school buildings and class rooms BECAUSE it took ALL the money we could secure to provide for additional space caused by growth. There was NO money available to replace inadequate class rooms.

NOW you citizens have voted a BOND issue that brings our school facilities up to our present needs. This will eliminate classes in Basements, under stages, in Store Rooms, in chopped up auditoriums and in abandoned residences as well as antiquated World War II army barracks.

We are in the middle of this program NOW. By careful planning and contracting we are saving tax payers several hundred thousand dollars.

By My having been a part of this OVERALL program I have been urged by many to stay with it to completion. I can not deny that I would like to serve on the board when there was proper housing for our students. I have FIVE grand-children, Two in public schools and one in kindergarten, which she calls "O" Grade.

During my time on the board and with federal and state aid we have been able to considerably more than double teacher salaries, reduce class loads, which is a real necessity with desegregation, in order to give more personal and individual attention to a wider range of student backgrounds, preparation for school, interests and abilities.

We have been able to vastly increase the help we render to the Ridge Area Day Schools in the county.

We have complied with the FEDERAL Desegregation program without the stigma of a Court Order. Therefore we have a lot more local control. The PUBLIC has accepted these measures wonderfullyI think because we have held ALL meetings open to the public and from 10 to 100 interested citizens have attended all these regular and special meetings. The public has accepted difficult rulings because we kept you informed of WHAT we HAD to do and WHY we had to do it. I do not know of any regular or special meeting that was not reported in the papers and nearly all of them were attended by reporters for several papers and sometimes for Radio too.

We have pressure groups at times BUT if we can see there is TWO sides to such issues we always delay action until we can let the other side be heard and then make our decisions.

We have constantly improved curriculum, transportation and teacher rating. We have 300% larger percentage of teachers with a masters degree teaching now in our schools than we did when I was first elected to the School Board. Also when I was elected first there was no pay involved in the office. Purely a work of love and interest in our youth and honest handling of tax dollars. Before that I served some years as school trustee at same pay and for same purpose

We have paid off all School Bond issues.

Our board took full responsibility, spent 8 years in preparation and negotiations and much hard work in getting a Jr. College in our county. We and Hardee County are joint sponsors but the real burden fell on us. We are SO proud of having a Jr. College in our county. It is a valuable convenience, A wonderful saving in cost of educating our students, A valuable economic asset to our whole area. THIS DID NOT COME EASY but it provides a wonderful Vocational school and adult educational facilities as well as a good preparatory college for the highest degrees.

School Board members are mainly responsible BUSINESS MEN. School is BIG Business. $5,000,000.00 budget each year, Well over 500 employees, over 6,000 students. EXPERIENCE is very valuable in handling such a BIG complicated program. We use valuable lay advisory boards in each community, they help a lot. We get the best professional advice we can from trained educators at state and national level BUT we are still responsible for OUR decisions and we have to make WISE decisions for YOUR SAKE. We Also learn by experience.

I have attended several National School Board Conventions and always come away proud of Highlands County. They spend much time urging school Boards to try to accomplish what we have already accomplished, sometimes many years before others recognized the need of it.

Our record of careful use of YOUR money over the years has been excellent.

My opponent states our building maintenance is horrible. We are getting satisfactory use out of some buildings that are over 50 years old and many that are over 40 years but he says our poor maintenance can cost us 30 years life on our buildings.

I don't need the office. I have no intention of asking the citizens of Highlands County to vote for me. But if you approve of the progressive program I have been a part of for 20 years I hereby agree to serve YOU for another term as school Board member from District # 1. And do my best for you as I have in the past.

E. Ray Wells. For School Board.

The first rule of advertising is to get their attention.

It's like the farmer who clobbered the mule before starting to harness him—you've got to get the attention before doing anything else. Without it, the most elaborate program and the biggest bargains in the world will go for nothing.

The second rule is sustained, repeated advertising. The buying public is being bombarded today as never before with advertising and promotional materials. The man who can offer a simplified but saturated message is most likely to be the one who is remembered when it's time to buy.

David Sisemore Goes To District In Punt, Pass and Kick Contest

David Sisemore, son of Major and Mrs. Jim Sisemore, advanced all the way to the district competition in the eight-year-old classification of the tenth annual Punt, Pass and Kick Competition this month, sponsored by Avon Park Motor Company.

First David won first place in the local competition by totaling 102 feet against other eight year olds at Memorial Field. Then he traveled to Lakeland with other Avon Park first place winners in the six age division for Zone competition. The young third grader totaled 188 points in Lakeland to take first place way ahead of other competitors.

Then on Saturday, October 17, David and his parents flew to Jacksonville where David came in second against competition from all of Florida and South Georgia. David totaled 168 feet, only 2½ feet behind the district champion who had 170½ feet for the three events. The district champion went on to area competition in Miami and the winner of that contest will compete in a division contest before the national champions will be decided in Los Angeles, Calif. at the NLF All-Star Pro Bowl Game on January 24, 1971.

Avon Park's Tommy Lewis came in second in Lakeland in the zone competition in the eleven year old classification.

The Punt, Pass, and Kick Competition is sponsored by the Ford Dealers of America and the National Football League for boys from age eight through thirteen each Fall.

Avon Park Flying Notes

By ELEANOR TRESCOTT

Jim Rodgers, a pre-med student at the University of South Florida was home for the weekend and while here did some flying.

Jerry Wright of Avon Park made a dual cross-country flight to Kissimmee. Roger Taylor of Sebring also made this same flight to Kissimmee.

Chester Roberts of Arcadia made a solo cross-country flight to Bartow. Ron Ellis of Frostproof made a solo cross-country to Kissimmee and Ocala.

Two new students began instruction last week, another lady, Thelma Lockwood of Lake Wales and Gerald Shelton of Avon Park.

Five planes of people from the Tampa area flew into the Avon Park Flying Service Sunday and then went for lunch in town.

Students from the MacDill Aero Club flew into the airport on cross-country flights.

A lady flyer from West Palm Beach stopped at Avon Park on a solo cross-country. A doctor from Boca Raton was also in on a solo cross-country.

Doyle Connor, Commissioner of Agriculture, flew in to the Avon Park Flying Service. He was here to inspect a new type of citrus at Ward's nursery.

Jamie Trescott was busy making use of his new pilot's license, by giving his brothers and sisters rides on the weekend.

Visitors at the airport were from Sarasota, Merritt Island, Hialeah, and from a distant, Absecon, N. J. and Van Wert, Ohio.

A new session of ground school begins this week Wednesday, Oct. 28.

Junior Squad Defeats Okeechobee

Coach Ken Shackelford's Avon Park junior high football team squeeked by a tough, older Okeechobee eleven here at Memorial Field by a score of 6-0 Tuesday, Oct. 20, for its third straight win.

Last Tuesday night the Red Devil junior high squad was scheduled to have a re-match with Sebring here at Memorial Field. The youngest Avon Park team defeated Sebring by a score of 38-28 in its first game of the season down in Sebring.

Next Tuesday night, Nov. 3, the junior high team will travel to Frostproof for a bout with the seventh, eighth and ninth graders from that school and the following Tuesday night, Nov. 10, the junior high boys will be at home to the Lake Placid junior high team which they defeated earlier by a score of 40-8. That will be the final game for the junior high team.

Halfback Josh King scored the only touchdown for Avon Park in the game against Okeechobee as he took a lateral from quarterback William Burley as he went down on an option play and ran it in from about five yards out to climax a 55 yard drive.

The Avon Park defense drew high praise from Coach Shackelford for its work against the larger, older Okeechobee boys.

GRAND PRIZE WINNER Miss Cheryl Swinamer is shown with John Carlton, owner of Carlton Music Center, Avon Park.

Carlton Music Center Has Grand Opening; Gives Away $500

A large crowd was on hand Sunday, Oct. 25, for the grand opening of the Carlton Music Center on West Main, in Avon Park. Several bands both local and out-of-town provided free entertainment for all those who came.

For the young in heart there were Mom's Apple Pie (also known as the American Blues Band), and the Brown Sugar. For those who like gospel and country music there were the Southland Trio of Orlando and four inmate bands from APCI.

Numerous other bands were present during the afternoon to make it one to be enjoyed. For those who could not come out to hear the music live, WAPR was on hand to take it home to them.

At various times during the afternoon there were drawings for free prizes. The owner, John Carlton, was on hand with Don Love, manager to congratulate each winner.

Those winning in the drawings were: (The prizes were gift certificates to be traded for merchandise in the store).

Mrs. J. L. Williams, Sebring, $10; A. H. Foster, Sebring, $50; Fred Edzemon, Lake Placid, $5; Danny Albritton, $2.50; Mrs. Ruth Maddison, $2.50; Thomas Emerson, Sebring, $5.

Also Lenny Tucker, Lake Placid, $25; Candice Jahna, $5; Mrs. James Hogue, Sebring, $2.50; Randy Johnson, $2.50.

Benny Hill, $2.50; Sue Fergusson, $25; Bonnie Smith, Auburndale, $2.50; Earl Strong, 5; Paul Hudson, $5; Ronnie Green, $5; Jim Wisdom, Jr., $2.50; John Patterson, $2.50; Robert Sellers, $100; his brother, Harold Sellers won $5; Jimmy Cannon, Frostproof, $5; Kenneth Eberle, $5; Linda Sue Reid, $5. Lorenzo Nelson, $5, and grand prize winner of $200 was 3 year old Miss Cheryl Swinamer, daughter of Carles Swinamer of Port Charlotte. The Swinamers were guests of Mr. and Mrs. Fred Kinyon of Avon Park.

Avon Park High School Band Marched In Frostproof Friday

The Avon Park High School Marching Grenadier Band traveled to Frostproof last Friday night to present another outstanding half-time show. The majestic Grenadiers performed their precisioned drills to approximately 2,000 Avon Park and Frostproof fans.

The strains of "Rule Britannia" filled the air as the band was introduced, after which an eye-catching step-two drill was presented, putting the musicians into a large diagonal line across the field. The next selection was played while forming a large "V" for Red Devil victory.

Facing the Frostproof side, the swinging trombone and trumpet section took the spotlight, playing the modern tune, "I Got Rhythm," with the rest of the band in the background.

Concluding their show, the band then marched off the field to the Avon Park High School Pep Song while the cheerleaders led the Red Devil fans in cheering the team on to a 10 to 6 decision over the Bulldogs.

The show concluded the band's half-time shows away from home as the remaining football games will all be played here in Avon Park.

The Marching Grenadiers have really presented some great performances on these "foreign fields" and all the Red Devil fans who have attended have really been proud of their band.

The band now plans to concentrate on the home games in which it will give even more highly professional drills. Tomorrow (Friday) night's show promises to be full of "surprises," so don't miss it!

Avon Mobile Home Park News

By RUTH E. ROBINSON

The friends of Mrs. Guy Englebert were sorry to hear of the death of her husband, who passed away October 7, in Fletcher, N. C. Pearl and Guy were among the first residents of our park, living here while employed at Walker Memorial Hospital as nurse and x-ray technician. Mrs. Englebert may visit us this Winter and renew old friendships.

Good news for the ladies of our park! They will have more time for shuffle and hobbies this Winter. Emmette Wright has installed five brand new automatic washers in the laundry and one large size electric dryer, as well as the smaller dryer that has been there. They all look beautiful, clean and efficient. The clothesline is still in the yard for those who want to hang their clothes in the sunshine and a tub for hand wash is available.

Welcome back to Mr. and Mrs. Earl Baxter who arrived Tuesday afternoon following a four day visit with their son and his wife, Mr. and Mrs. Laren Baxter on Long Island, and a stop in Richmond, Va. at the home of their daughter and husband, Mr. and Mrs. Joseph Schaperjohn. Others arriving on Tuesday were, Mr. and Mrs. Harold Faulkner, who enjoyed their first view of Norris Dam on their way down, Mr. and Mrs. Hubert Smith, from Ohio, and Mr. and Mrs. John Evans from Weirton, W. Va.

Mr. and Mrs. Floyd Stevens arrived on Wednesday morning, having stopped on their way south to visit with their daughter in Mobile, Ala.

Mr. and Mrs. Albert Keyes pulled in on Friday about 2 P.M. Mr. and Mrs. Louis Shoemaker came in on Saturday. Soon we will all be together again.

Mr. and Mrs. Robert McBeth visited with Mr. and Mrs. Ned Earnest at Fort Myers Villas last weekend.

Mr. and Mrs. Lewis Becker enjoyed a visit with Earl Ayling from New York, last week. Mrs Nora Werner a friend from Milton, Ind. also visited with the Beckers on Tuesday, with her companion, Mrs. Eulala Showalter.

The Wrights and Robinsons enjoyed last Friday at Tampa and St. Petersburg. Sally and Ruth attended a demonstration on "How to make a dress in two hours without pins or basting" and many other tricks for professional dressmaking, at the Manger Motor Inn while Emmette and Lawrence went fishing! It was an interesting day.

Mrs. LaRue Longanecker was pleased to have her nephew and his wife, Mr. and Mrs. Carroll Longanecker with their grandson, Jerry, surprise her with a visit last week. They formerly lived in Colorado Springs, Colo. but now reside in Homosassa Springs.

Monday morning revealed that Mr. and Mrs. Alva Thompson had silently returned to us on Sunday night, too tired to do anything but crawl into bed. They are looking good and the trip down was a bit wet. They are very happy to be here in the sunshine.

Mr. and Mrs. Charles Clemmons left Kalmazoo, Mich. Thursday morning, drove through rain and fog, but arrived at Lakeland, to visit with her sister and husband, Mr. and Mrs. Ed Hahn thru Sunday. Monday morning found them back here in their Mobile Home, healthy and happy.

Mr. and Mrs. Orval Marshall wrote that they will be arriving on Wednesday by plane to Tampa, with their son Kenneth.

Watch For New Speed Limit Signs

"Watch for new speed limit signs" was the advice from the Florida Highway Patrol today as they reminded motorists that the State's speed limit law changed October 1.

Colonel Reid Clifton, Director of the Patrol said the speed limit for all vehicles, except school buses, in residential or business districts remains at 30 miles per hour.

For vehicles less than 8,000 pounds (most passenger cars) on all highways outside municipalities, the speed limit is 65 miles per hour in the daytime and 60 at nighttime, except on interstate and four-lane highways outside municipalities, the speed limit is 65 miles per hour in the daytime and 60 at nighttime, except on interstate and four-lane highways with a median 20-feet or more where the maximum speed will be 70 miles per hour in the daytime and 65 at nighttime.

Vehicles of more than 8,000 pounds and any combination of vehicles (except those towing housetrailers) is limited to 60 miles per hour on the open highway during the daytime and 55 miles per hour at nighttime. On the interstates and divided four-lane highways these vehicles are limited to 65 miles per hour during the daytime and 60 at nighttime.

Vehicles towing housetrailers are limited to 55 miles per hour during the daytime and 50 at nighttime on the open road and restricted to 60 miles per hour during the day and 55 at night on the interstates and divided four-lanes.

Sewing Classes Planned For November

Early Fall classes on use of double knit fabrics for home sewing projects have proven so popular that Miss Ellen Landfair is beginning plans for more classes in November.

Miss Landfair, county extension home economics agent, has almost finished the first round of double knit classes in Sebring, Avon Park and Lake Placid.

She has presented lecture-demonstrations on making skirts, shells and slacks. A final session will deal with finishing touches (buttonholes, sleeves, understitching and collars). Requests have been received for a session on zippers and this may be added, Miss Landfair said.

The new round of lecture-demonstrations will cover the same information as that in the current series, Miss Landfair said, and anyone wishing to attend may register by calling the county agriculture office at the Sebring Post Office or sending a card to the office.

"When the exact dates and locations for the new classes are worked out we'll notify all those persons who have registered," Miss Landfair said.

R. J. Ulmer Will Conduct Youth Meetings

R. J. Ulmer, Public Relations Secretary of the Florida Conference of Seventh-day Adventists will conduct a special series of "Youth Emphasis Meetings" this weekend. The first meeting will be held Friday evening at 7:30 in Walker Memorial Seventh-day Adventist Church. Pastor Ulmer's first subject will be "Lost with God's Help." The second subject of the series will be presented at the regular church service on Saturday morning at 11:00. The subject will be, "So Much Like Peter." The third meeting of the series will be held at 4:30 on Saturday afternoon and will be entitled, "Hide and Go Seek."

MEMBERS of the Ag Rodeo Club of South Florida Junior College and their guests enjoyed a barbecued pork supper at Club President Larry Davis' lake house on Lake Viola, Avon Park. At the informal buffet table are James Goza, machinery instructor SFJC; Lynn Douglass, Sebring; Betsy Batey, Zolfo Springs; Lynn Henderson, Wauchula; Betsy Ford, Bowling Green; and Emily Rowland, Avon Park.

D. R. Castonia, pastor of Walker Memorial Church states that the meetings have emphasis on the youth, but that all ages will enjoy them. Pastor Castonia also states that the meetings will have a number of unique features, and the public is cordially invited.

A sea shell was brought up by an oil well drill, from a depth of 6,000 feet, in Oklahoma, recently, and bits of wood have been brought up from 1,500 feet in several locations.

DURING CAREER DAY last Wednesday evening at South Florida Junior College a representative from LaGrange College, LaGrange, Ga., discussed entrance requirements and living facilities with Victor Pollard and William Cook, both of Avon Park.

Fellowship In Christ

By DAVE LLEWELLYN

A fellowship is what you are offered when a group of scholars invites you to join their body and to receive and contribute understanding about their special topic of concern. "Fellowships" they call them, because that's what fellowship is — sharing understanding.

Christianity offers fellowships, too. Enter into the body of Christ, the church, and share your understanding of Him.

What Fellowship Is

A person-to-person communication concerning a person-to-Person relationship — that is Christian fellowship. A personal relationship between people, based on each person's relationship with God — that is Christian fellowship.

Not mystical, suprasensory communications, not fun and games in the church basement, not listening to sermons, not studying the Sunday School lesson or even the Bible — none of these is the essence of Christian fellowship. Sharing Jesus is.

Jesus is not a concept, but a Person. Knowing Christ is not a belief, but an experience. Sharing Christ is not discussion, but action — in fact, interaction.

Christian fellowship is sharing in the area of sins. "Brethren, even if a man is caught in any trespass, you who are spiritual, restore such a one in a spirit of gentleness; looking to yourselves, lest you too be tempted."

Nobody can resist all evil alone. Christians share Christ's total acceptance of sinners and total resistance to sin.

Christian fellowship is sharing private problems. "Bear one another's burdens and thus fulfill the law of Christ." Love is Christ's law, and its fulfillment is involvement.

Christian fellowship is sharing wealth with other Christians. "Let the one who is taught the Word share all good things with the one who teaches."

Christian fellowship is sharing all good things, material and spiritual, with all other men. "While we have opportunity, let us do good to all men, and especially to those who are of the household of the faith."

Inner-Action and Interaction

Christian fellowship is sharing Christlikeness in "inner-action." "Put on a heart of compassion, kindness, humility, gentleness, and patience; bearing with one another and forgiving each other."

Christian fellowship is sharing Christlikeness in interaction: "Beyond all these things, put on love, which is the perfect bond of unity. And let the peace of God settle disputes in your hearts."

Christian fellowship is sharing all in Christ. "Whatever you do, in word or deed, do all in the name of the Lord Jesus."

Christian fellowship is sharing —sharing Jesus.

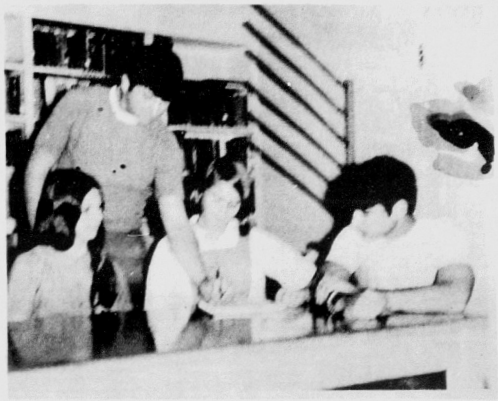
DEVIL'S TALE

VOL. 2, NO. 1. AVON PARK HIGH SCHOOL, AVON PARK, FLA. Avon Park, Fla., October 29, 1970

THIS EDITION OF DEVIL'S TALE was originally scheduled to appear October 15. Mechanical difficulties forced postponement of this edition until today. As a result, a number of sports stories were omitted because they no longer were newsworthy. In the next edition, the DEVIL'S TALE staff will endeavor to increase its sports coverage, complete with pictures. DEVIL'S TALE staff includes Susan Lee, Cynthia Green, Ricky Minard, Tony Williams, Sandra Allen, Ricky Dick, Becky Bass, Meroe Henry, Nelda Strenth, Cindy Pool, Sylvia Sasser, Debbie Robinson, Susie Franza, Susie Gore, Julian Kendrick, Tim Underwood, Jim Wood, Vicki Murray, Bill McKown, Sherrie Elder, Jan Goodwin, and Janie Braswell. Sponsor is Paul C. Foraker.

DCT OFFICERS are left to right, seated: Carolyn Runner, Recording Secretary; Lynn Walton, Treasurer; Sandy Lucas, Publicity Chairman; and Patty Childress, Corresponding Secretary. Standing on the left is Robin Johnson, Vice-President and Keith Anderson, Sergeant at Arms. Not present for the picture was Linda Marshall, President. The DCT Club is sponsoring a spook-show Friday



NEWLY ELECTED SENIOR Class Officers at work. Officers are, left to right, Treasurer: Susie Gore; Vice President, Gregg Albritton; Secretary, Susie Franza; President, Winky Hall.

Editors Appoint Section Heads

Editors of the annual staff, Kathy Kirkland and Kay Carver, appointed section heads at their first meeting. The new section heads for this year are Charlene Rowland, DeeDee Jahna, Candy Reddick, Laurie Burch, Brenda Waites, and Brenda Sensenig. The new photographer is Joe Dalton and Scott Gust is head

The annual staff sponsored a dance after the football jamboree as one of their money making projects for this year.

Ray Arc Club Elects Officers

Ray Arc (Ridge Area Youth Association for Retarded Children) has met several times this school year.

Although its former sponsor, Ann Karrick, who started the club on its first thriving year has left, it new sponsor, Mrs. Howard has already started the new year rolling.

The newly elected officers are Janie Brant, President; Diane Murphy, Vice President; Sally Pogany, Secretary; Sandra Allen, Treasurer. The Board of Directors from Avon Park are Debbi Ward and Bobbi Newton.

Anyone interested in Ray Arc is urged to contact one of the members.

Mr. Goff Teaches New Courses

Mr. Goff teaches grades 8 through 12 in shop and mechanical drawing. Mechanical drawing is a new course available for eighth grade. This course gives them the concepts and prepares them for future courses given in mechanical drawing.

Shop II is another course taught by Mr. Goff. It is advanced over any other course in shop. Students are given projects to work on from beginning to completion. Mr. Goff believes this gives the students experience in doing a complete project.

FFA Boys Clean Up

Many of the F.F.A. boys have spent a lot of time cleaning up around the Agriculture Building at A.P.H.S.

They have put new growing material in the mist beds and are rooting several types of plants in them.

Also, they have planted new grass in front of the Ag. Building and have torn down the old fence which was on the east side of the Ag. Building.

Plans have been made to start a garden, but they are not sure what vegetables they are going to plant.

Junior High Football Team Has High Hopes

Mr. Ken Shackelford, the new coach of the Junior High football team, has hopes of improving last year's record. "I've got three big backs and a good defense," said Coach Shackelford.

This year's team consists of 36 players; half of the boys are seventh graders. The starting offense for the Sebring and Lake Placid games were: William Burley, quarterback; Josh King, left halfback; Dennis Avery, fullback; Ricky Claitt, right halfback; Stanley Ward, right end; Jimmy Lamb, right tackle; Ricky Runner, right guard; Perry Prescott, center; Timmy Massey, left guard; Mike Pool, left tackle; Mickey Claitt, left end.

KAMPUS KWESTIONS

By NELDA STRENTH

Do you believe in the Great Pumpkin?

Nelda Watson—12th grade—"Yeah, don't you?"

Pam Rhymes—9th grade—"Course, course I do."

Linda Trescott—9th grade—"What's that?"

Beverley Wicker—12th grade—"Yeah, he brings me candy every year."

Jarvis Hart—10th grade—"Yeah, I reckon it's a pumpkin."

Janice Turnbull—10th grade—"Yes, I do."

Walter Kempton—10th grade—"You mean in peanuts, well I'll have to give that some thought."

Carol Wicker—10th grade—"Yes, of course."

Lorna Elyea—10th grade—"What is it?"

Linda Marshall—12th grade—"Certainly, of course, you know I do."

Donald Batts—12th grade—"Oh, yes, yes."

How Does APHS Rate? Students Have 'Say,

When asked what they thought of APHS so far, these new students answered:

Bill Sauls—9th—"I think it's ok. It has good school spirit."

Pam Underwood—7th—"I like all the teachers and the way the school is run."

Irv Moran — 11th — "I think APHS is a pretty good school for as old as it is. I've made a lot of friends here and I like it."

Walter Kempton—10th—"I like APHS. It does a lot for its students and has lots of spirit (usually). APHS has a lot of nice students (especially girls!)"

Albert Sommer — 8th — "It's ok."

Joyce Strickler—12th—"I think it's great, that's why I came back."

Mike McRoberts—9th—"I like APHS very much."

Kim Kempton — 7th — "I like APHS real well. The teachers are fair and the kids are real nice."

Sam Jackson—11th—"I think APHS is the deadest school there is. It has no soul."

Ronnie Cobb — 10th — "APHS ought to put a smoking lounge on school grounds."

Chareese Cobb—12th—"It's a lot different, coming from such a big place, but I like APHS so far."

Improvement Has Come at Last

"Improvement At Last." Avon Park High School Library for the first time in quite some time has become a library actually being used as a library.

Students that once came to the library to socialize have finally opened their eyes to the fact that it's for study.

Not only have the students improved but in the near future the library itself will also be improved, especially now that quite a number of new books have been ordered and will soon be lining the library shelfs.

New Recipe

We have a new recipe for all students; follow directions carefully:

1 cup of English
½ cup of family living
1 T. of algebra
1 T. of history
stir thoroughly, then stir in
1 t. biology
½ t. chemistry
¼ t. of your personality
1 full cup of attention

Grease brain by cleaning all thoughtless materials out of your mind, pour into your brains, let it soak into your brains, let it soak until you have gotten it, then use it wisely.

Mr. Massey

Mr. Williams Teaches Math

Mr. Williams is a new teacher at A.P.H.S. He has been a teacher at Hopewell before he transferred here. He went to college at Florida A & M University.

He has five classes—three Gen. Math 1, one Gen. Math 2, and one Pre-Algebra class. His classes average from 23 to 27 pupils.

He is one of several new additions to the APHS faculty this fall.

APHS Student Count Increases

A.P.H.S. has reported that the seventh and eighth grades have grown by 65 students, comparing last year's 350 enrollment to this year's 405.

The ninth through twelfth grades have approximately 615 students attending this year and an overall of 82 new students enrolled.

Though there are many more students, A.P.H.S. has had a considerable decrease in absences, a notable improvement.

FFA Organizes, Makes Plans For Current Year

Monday, Sept. 21, the Avon Park chapter of the Future Farmers of America had a meeting to discuss the new rules of this year, the money-making project, and the annual F.F.A. campout.

Greg Albritton, the president of the F.F.A., started the meeting with a discussion of the new rules. These rules include:

1. Anyone not initiated will not be a member of the F.F.A.
2. Anyone who borrows equipment from the F.F.A. is responsible for it.

Next Greg talked about the annual campout. He plans to have several camping trips rather than just having one as has been done in the past. The way he plans to do this is to have the campers bring their own food. This way the F.F.A. will not have to pay for food and money will be saved for paying for the annual banquet and also for paying for a few bills.

Greg then talked about the money-making project for this year. The F.F.A. boys will go house to house all over town selling canned peanuts.

Greg hopes this will be the best year yet for Avon Park's F.F.A.

Mrs. Knapp Is A 'Volunteer'

Mrs. Knapp, the special reading instructor at Avon Park High School, is not a certified teacher. She is a para-professional. A para-professional is a volunteer worker who assists where the need exists. They work for little or nothing in pay, with no hope of a raise. They do this because they care. They care about the young people of America and their problems.

"Para-professional" literally means a professional parallel. Mrs. Knapp does have the qualification of a teacher. In fact she was an English teacher at one time. "A little bit of caring goes a long way" is her philosophy."

Mrs. Knapp came to work at Avon Park High about five years ago, when the school was to be integrated. Mr. Garrett realized that because of the increase of students the faculty would have to be enlarged. He called on Mrs. Knapp, then a private citizen, to help with the enlarged classes. She immediately responded by saying, "yes."

Along with her other duties, Mrs. Knapp also finds time to help in the library. Many students have benefited greatly from this experienced lady's help and in the future many more will benefit.

"She came, she saw, she is conquering."

Many 'Extras' Included In Mr. Burns' ECCP

In their study of ECCP, Mr. Burns' pupils are finding this course has many little extras. Since logical thinking is needed in this class, Mr. Burns gives his students a "problem of the week" to develop their logical thinking.

Recently one of these weekly problems concerned the growing population. The students were asked to suggest methods that might be used to lessen the problem of finding food for our fast growing population.

Fortunately for these students, Doctor D. C. Rife, a population geneologist from the University of Florida had Avon Park High School on his tour schedule. On September 29, Doctor Rife spoke to the ECCP class on population control. Not only did Dr. Rife speak to the class but the students also had plenty of say. Dr. Rife and the students exchanged ideas on this current problem, and although it was agreed that there is no one certain solution, they decided that education was an important factor in making people aware of the problem.

The students enjoyed this opportunity to meet this specialist and exchange ideas on this subject in which they had also done some research.

Juniors Elect Class Officers

New Junior Class president is Donald Sisemore. Don is also the starting quarterback for the Red Devils.

Vice president — Joe Dalton.

Secretary — Elizabeth King, also a member of the Keyette Club.

Treasurer — Renee Viets.

Coach Lewis talked to the Juniors Sept. 20 about school spirit. He asked the Juniors to lead the student body in a "spirit drive".

The Juniors got their concession stand back this season, and will be selling popcorn at every home game.

They are expecting their class rings back by Thanksgiving.

Sponsor Mr. Andrew Miracle.

New Math Teacher Comes To APHS

Mr. James Kelly is in his second year of teaching. He is from Lake Placid. He last taught in Jacksonville and is a graduate from the University of Florida.

Mr. Kelly teaches five classes a day consisting of 20 to 25 students each.

Senior Class Makes Plans

Senior Class elected officers September 24 in Mrs. Sachsenmaier's classes.

The results were: President Winky Hall, vice president Gregg Albritton, secretary Susie Franza, and treasurer Susie Gore. The sponsors are Mr. Watson and Mrs. Sachsenmaier. This is their second year sponsoring the Senior Class.

Seniors are starting to plan their play. They plan to have it sometime after Christmas. They have also started planning for their graduation.

The Football Association needed its concession stand back, so the Senior Class will not be operating it this year.

AN EDITORIAL

Let Our School Spirit Live

Our competition is having a field day with the information it has received concerning Avon Park High and the puny amount of school spirit the students are generating. Will we allow this slow deterioration of our school spirit? Many people say NO!

A challenge was issued to the Senior Class by the Juniors. "Who has more spirit Juniors or Seniors? The Seniors accepted this challenge, or so they say.

What brought this challenge on? This question can be answered simply. The first pep-rally we had bombed. It was held Friday, September 18, the last 15 minutes of fifth period. For the majority of the Senior High student body this was just before lunch. It was also held on the grounds behind the gym. Who can feel a large amount of spirit when the sun beats down upon unprotected heads and the stomachs want lunch?

The second rally was held Friday, Sept. 25, in the auditorium, the last 30 minutes of school. Many people who have no classes seventh period returned to school to attend this rally. The rally was a smashing success. The Seniors and the Juniors led the yelling with the cheerleaders, and the rest of the student body soon joined in the fun.

About spirit: Nurture it, we are indestructible, bury it, we are dead.

JUNIOR HIGH FOOTBALL Team readies for game at Sebring. Coach Ken Shackleford estimates his team to be better than last year and hopes to prove it.

MORE DEVIL'S TALE

APHS Becomes Computer World

"It's a computer world even at A.P.H.S." At least Mr. Sanders' economics class thinks so.

Each student in the class has chosen a factory or business. They order supplies, machinery and other such items. This information is put on cards and sent to a computer service in Chicago.

Even though these factories are just games they are run just as though they were not. If the students are not careful they may go bankrupt, be burned out, or the workers may go on strike.

Mr. Sanders stated that he thinks the students are really enjoying this project because each one of them is the boss of his own business.

Foraker Begins Another Year

Mr. Foraker, our Avon Park High School Civics teacher, has begun his second year of teaching at our school. The students of his 3rd, 4th, and 6th period Civics classes are very fortunate as he has many activities planned for them. With outside speakers, debates, films, discussion groups and possibly an assembly, his students will be well occupied. Although Mr. Foraker would like to take his students on a field trip, it is not probable, as there would be too large a number of students involved.

When asked about the Civics classes as a whole, Mr. Foraker gave these comments. "They are off to a good start and I'm looking for a real good year. I believe the study of Civics is more important today, because of the increase of interest on the part of our young people. I feel it is extra important that students get the right perspective as they begin to study and to see what makes our American system really work."

Sophomore Class Elects Officers

Officers of the sophomore class were elected Friday, September 18. Under the leadership of Mr. Howard, the class sponsor, the meeting was conducted in a dignified manner.

Sara Nunnallee was elected president; Darlene Viets was elected secretary; Paula Allen was elected treasurer. The position of vice-president has not been filled as of now.

Mr. Howard made this statement concerning the officers, "From what I've seen, these students are conscientious and and hard working. They will do their jobs to the best of their ability. Their leadership qualities are outstanding."

The sophomore class has not made any definite plans, but they have discussed a trip to Asolo theater. Mr. Howard said that the trip would be a good experience for these young students.

Eberle Teaches Three Subjects

Mr. Eberle has been teaching chorus at A.P.H.S. for five years. He says that he enjoys it very much. This year he is teaching a Junior High and Senior High Chorus. Both of these are elective programs. The Senior High Chorus consists of girls in the ninth through eleventh grade. The Junior High Chorus consists of boys and girls in the seventh and eighth grade. This is the first year of having the seventh and eighth grade combined.

"Chorus can be very useful," he stated. It gives the students an appreciation of different types of music and teaches them to sight read. "I try to make it enjoyable," he said.

The Senior High Chorus is working toward giving a concert in November, a Christmas concert in December, a District concert in February, a State concert in May, and a Spring concert.

The Junior High Chorus is working toward giving an assembly program and Spring Musical for the Junior High. They hope to be able to take part in the Christmas concert. It will consist of students from the band, the Senior High and Junior High Chorus, and Mrs. Mickunas' 6th grade chorus.

Mr. Eberle also teaches seventh grade music enrichment and ninth grade English. He says that his English class is just like any other English class. In his enrichment class he teaches theory, music history, singing, and playing the melodica. The students in this class change every 12 weeks.

Mr. Sims Is Principal For 7th, 8th Grades

Mr. Sims is the new Junior High principal at APHS this year. He attended school at Hopewell until the 8th grade. He then moved to St. Augustine, where he finished his high school years and also attended Florida Memorial College for 2 years. He attended Agriculture and Technical College in Greensboro, N. C. He received his Masters Degree at Columbia University.

Soon after he was out of college he taught school where he worked with children from the first through eighth grades. Mr. Sims likes teaching social studies best of all because he likes people. He said, "I think everybody should learn at least one thing in every class every day."

Mr. Sims has been in the school system for 30 years and the principal at Hopewell for 18 years. He is also very active in the community. He is a member of the Baptist Church, teaches Sunday School and is a deacon.

Mr. Sims said that in his opinion the school year is going very well, although when he first came he had some doubts about coming into a new school but "all the students and the teachers have been very nice to work with."

Coach Hill Says Teens Should Be "Individuals"

When asked what was new in the boys' physical education classes, Coach Ralph Hill immediately replied, "Coach Shackelford. The old thing is Coach Franza. He taught me my senior year."

Coach Hill believes that today's teenagers should be classified as individuals. When asked his opinion of APHS teens he answered, "I think that we have some of the finest kids in our school that can be found anywhere. We also have a few of the other type. There are many more fine ones than the others."

Coach Hill has taught Algebra I and seventh and eighth grade math. He prefers teaching physical education. "I like to be outdoors more than being in a classroom. A classroom is too confining," he answered when asked why.

Coach Hill's pet peeve is trying to help kids who don't have pride to help themselves.

English Classes Use "Digest"

Extensive use of "Reader's Digest" is one of the new teaching methods used by Mr. Knecht. He has made this outstanding magazine part of the study of American literature.

Mr. Knecht made it plain that he expected the use of "Reader's Digest" to become a second textbook for his English classes. "This will provide a change for the students. It is better than daily studying in the regular textbook."

This special edition has an educational section. In this section are word games, tests, and puzzles. Also included in this section are timed reading charts.

"It is too early to tell how this program will be accepted by the students or how beneficial it will be to them. I do hope the students will respond warmly to this change," said Mr. Knecht.

Mr. Knecht paid for these books. The school had no part in it. The program either sinks or swims on its own merit and at Mr. Knecht's risk.

Mrs. Howard Has Moved To APHS

A new addition to APHS this year is Mrs. Lorraine Grover Howard. She teaches girls' physical education classes.

Mrs. Howard taught physical education at the Avon Elementary School last year. She has also taught physical education in Polk County and at a junior college in Mississippi. She taught music in Georgia.

A change in her classes this year is girls' dress code.

1970-71 Key Club Names Officers

President in this year's Key Club is Don Delaney. Harold Hall, better known as Winky, is Vice President; Jimmy Maginhemer, Program chairman; Jake Allen is Secretary; Mike Bagwell is the Treasurer; Mr. Sechrist is the Sponsor for this club.

To get in this club you must, for a start, have at least a 2.5 average; then the members talk over your becoming a member and vote whether or not you are eligible to become a member.

The Key Club has visitors come and talk on a certain subject throughout the year. The Key Club has had Kiwanians Dr. Williams, Mr. Clark and Mr. Owens speak. They also had Mr. Haynie speak Sept. 24.

The Key Club is now inducting new members. The Key Club opens and closes the street gates here at APHS every day before and after school.

Cheerleaders Get Uniforms For '70-71

This year the A.P.H.S. cheerleaders will get new uniforms. The sweaters will be red with gold and white stripes. The skirts are red with gold pleats.

The cheerleaders for this year are: Laurie Burch, Susie Franza, Melody Heatherly, Joni Young, Linda Bennett, Celia Elder, Pattie Turnbull, Cindy DuBose.

This summer the cheerleaders went to I. C. F. (International Cheerleading Foundation) for one week.

The cheerleaders have had three money-making projects. They had a dance, a car wash, and they sold tickets at the Jamboree.

Susie Franza said, "I think the cheerleaders have done a great job of promoting spirit in our school."

APHS Has New Geography Teacher

Mr. DuPriest teaches seventh grade geography. He is from Tacoma, Washington and is teaching for the first time. He graduated from Michigan State and has a degree in political science.

Mr. DuPriest says that he will be using quite a few films this year and won't be giving out too many notes. His reason for this is that he feels like his pupils aren't yet experienced in taking notes. "They're right out of elementary school and the seventh grade has been a big step for them," he remarked.

Mr. DuPriest gives out current events at least once a week. He challenges his students to look up things that they have read in their textbook or have heard said in class. He tries not to teach straight geography so he ties science, history, government, and politics in with geogfrophy. "I try to make my classes interesting. I don't want to bore the kids," he stated.

Teacher Makes Latin Live Now

"Latin is a dead language, as dead as it can be; first it killed the Romans, and now it is killing me."

We all remember these immortal words from our ex-Latin teacher, Mr. Rowe. Mrs. Lee, our present Latin teacher, has other ideas. "We have to make Latin live. Especially for the young people today. Entrance exams for college are getting tougher. Latin is the language which can help the most."

One problem she has run into is lack of interest on the part of the students. "They seem to want to take Latin only for a credit in foreign languages."

This vivacious, young teacher has some new ideas as to how a Latin class should be run. The class is very casual and easy-going in its routine. The lessons are tough, but with the help of Teacher most problems are solved.

A Latin club has been discussed and the wheels have been put into motion to start one. This will be beneficial to the school as a whole and to the members as well. More about this at a later date.

Miss Love New APHS Teacher

Miss Phyllis Love, the new Physical Education Teacher at A.P.H.S., said, "I enjoy teaching here."

Miss Love is a young teacher from Winnfield, La. She has been teaching for two years.

Miss Love and Mrs. Howard are now teaching recreation and rhythm. They have divided the class in half, Miss Love teaching recreation and Mrs. Howard teaching rhythm.

They plan to teach throughout the year field hockey, table tennis, bowling and horse shoes.

Journalism, Math Equals Mr. Firth

Mr. Firth is Avon Park High School's seventh and eighth grade math teacher. He came here from Lake Placid where he taught in the elementary school. This was at Carver, in which he taught two years. He has a degree in Journalism.

Mr. Firth enjoys hunting, fishing, and bowling. He is president of the Teacher's Bowling League at Ridge Lanes. He is also the secretary of Highlands County Math and Science Teachers' Association.

He is now living in Sebring where he has a wife, a son seven years old, and a daughter 3½ years old. He became acquainted with Highlands County through the Sebring Races.

FCA Is Rolling Into High Gear

Every Friday at 7:30 the Fellowship of Christian Athletes meet. Mr. Lemler, sponsor, encourages the boys to attend. The meetings this year will include recordings of professional athletes and their stories which is to inspire young athletes. There will also be guest speakers and discussions will be held.

This year the FCA will take over selling refreshments at Junior College and varsity basketball games. There will be several camp-outs this year, but it has not been decided where, yet. Mr. Lemler encourages athletes and members to attend the church of their choice.

The purpose of the Fellowship of Christian Athletes is to confront athletes and coaches. Through them the youth of the nation can know the challenge and adventure of following Christ in the fellowship of the church and serving Him through our vocations.

School Boys Now Patroling APHS

School Boy Patrols are sponsored by Mr. Firth and Mr. Williams. The boys on the patrol are Frank Anderson, captain; Steve Simpson, lieutenant; Leanan Fields and Marvin Peters, sergeants; Gary Pressley, Robert Crawford, Rory Jackson, Reginald Baker, Robert Brown, Gregory Blake, Larry Bean, and Anthony Pearson, patrolmen.

Patrols are concerned only with helping student pedestrians cross the street, not with direction of traffic. They have been distributing posters about Fire Prevention Week all around the campus.

There are many interesting trips lined up for the patrols such as a visit to the fire department and a tour of the police department. They will go to the State Fair in February, and other trips are still being planned.

Hardee's Loss Is Avon Park's Gain

One of the new teachers on the faculty this year is Coach Ken Shackelford. Coach Shackelford was born in Wauchula on August 29, 1943. He grew up in Wauchula where he attended Hardee High School. At Hardee, Coach Shackelford lettered two years in football and baseball. He attended college at Furman University where he majored in Physical Education and minored in Education.

After coaching Junior High football for one year in Okeechobee he returned to his hometown, Wauchula where he coached for two years.

Now a member of the A.P.H.S. faculty, Coach Shackelford teaches General Math, 7th grade science, and Physical Education. His hobbies include fishing and all outdoor sports. His pet peeve is "people who don't make good use of their, ability." When asked how he liked Avon Park, Coach Shackelford said, "The people are very friendly and it seems to be a real nice community."

A.P.H.S. Band Has Patriotic Show

Avon Park Senior High School Band's first show was at halftime on Avon Park Memorial Field Friday, Sept. 25. This show was a patriotic show with a seven-foot firework display with red, white and blue color — The American Flag colors.

With the Drum Major Dennis Crews, the majorettes are Head Majorette, Nancy Pearl; Assistant, Lia Blackstone The majorettes are: Laura Camp, Lynn Camp, Barbara Miller, and Debbie Scott. The Pep Band played at the assembly before the game Friday afternoon.

The Avon Park Jr. High Band is made up of 100 members. Their first appearance will be at the Holloween Parade. Tryouts will be held soon for Jr. High majorettes and drum majorettes. Mr. Victor Mic-Kunas is the director of these bands.

Keyettes Plan Busiest Year

Keyettes of Avon Park High School, now starting their second year, have big plans for the coming year. A Halloween dance is scheduled for the end of October and the girls are busy at their drawing boards in preparation for the Bed Race at the Woman's Club Carnival.

However, besides all the fun planned the girls have service projects in mind too. They started the year by welcoming the new teachers. Each member signed up for a teacher and has been bringing goodies or doing odd jobs to help their teacher.

With their membership up to 25, the girls are hoping to really be of service to the students of our school and to the people of Avon Park.

Teacher Added To Faculty

Miss Marson is one of our new teachers this year. She originally came from New York, but attended Florida Southern College in Lakeland. She has a B.S. degree.

She teaches four eighth-grade classes and one seventh grade class. She feels that her students should be able to relate to what they are taught, and they should be taught in ways that are different and interesting to them.

She has her students copy notes from the blackboard and put them into a notebook. "The book is not strong enough, so I hope that by the end of the year their notes will be the same as if they had had a very strong book," says Miss Marson.

In relating to the book, Miss Marson uses analogies such as, "Reading the book is like reading alphabet soup, it doesn't spell anything."

Science Class Experiments

Mr. Burns ninth grade Physical Science class is busy learning the elements and their symbols, along with their valence numbers. Without this, Mr. Burns says, it is impossible to go on with symbolic equations or do any type of experiments.

Mr. Burns said that he tries to have an experiment once a week. He said that it was good to have experiments in class, for it made it easier to understand and a lot more interesting.

Physical Science is not all that Mr. Burns is teaching. He has a Physics class and he is teaching E.C.C.P., which was new last year. So it is obvious to see that Mr. Burns is a busy man, but he always enjoys it as much as his students.

Mr. Culbertson Loves A.P.H.S.

Mr. Edward Culbertson is not a new teacher. He has been with us five years. And as he said, "I wish I would have come ten years sooner. I love it down here. The kids are real nice."

His original home was in Edinboro, Pa. He came down here because of his son's health.

Mr. Culbertson is a "traveling teacher," he has not a room to himself. He teaches in five different classrooms. He basically teaches Biology.

He also has one 8th grade general science class. He has five classes a day with an average of 25 pupils. Also he has two planning periods first and fourth periods.

Lemler Has Ideas On Teaching Math

Mr. Lemler, APHS's resident math teacher has some new ideas for the governing of his classes this year.

Mr. Lemler says that he will be giving more extra credit for outside projects. Mr. Lemler thinks that one of the biggest problems in his classes this year is the students not having enough faith in their ability.

Mr. Lemler is looking forward to the new school. One reason is more blackboard room, "I like to use a lot of blackboard space."

As a final statement Mr. Lemler says his students need to set higher goals for themselves and learn to apply math in their daily lives.

New Member Is Added to Faculty

Miss Lexie Harper is a new member of our faculty this year. Miss Harper teaches typing and shorthand. This is her first teaching position, since she graduated in May 1970 from the University of Southern Mississippi. She is originally from Europa, Miss.

When asked about her instruction techniques, she pointed out some of the things stressed in the course of typing. "Balance and control are stressed since technique is the first step in developing typing skill. Students must learn the proper finger and wrist positions in order to develop speed and accuracy."

Mss Harper also offers to give students aid in their typing problems after school. Miss Harper is a welcome addition to our school.

Shuffling

On Wednesday evening 12 courts were in play, with Burdette Howard the tournament manager. Alton Wetmore and Merrill Wilmot won in the main with Judy Kerr and George Ormiston the runners-up. Bernice Long and Doc Fields won in consolation over Allene Howard and Dorothy Gruber.

Saturday evening was such a nice evening that 14½ courts were in play. Blaine Kerr managed the tournament. Winners were Ruth Jordan and Dorothy Wilde over Georgina Wernham and Kellie Larrew. Consolation winners were Floyd Stevens and Dorothy Gruber with Chris Cabezas and Allene Howard the runners-up.

Next Saturday, Oct. 31, the tournament will be held in the morning at 9 o'clock.

Card Games

On Monday afternoon high scores in pinochle went to Burdette Howard with 940 and to William Benson with 695.

On Friday afternoon the high scores were won by Sarah Kerr and Sarah Spindler with 781 and 768.

In bridge on Tuesday with Illeon Kull, managing Eleanor Nickerson came in second with a score of 4430. Vi Lexa was first with 4830. Louie Reisner was celebrating her birthday so she was honored with the birthday song.

Duplicate bridge will start on Thursday, Nov. 5.

Crafts

Hallie Wetmore announces that Crafts will begin on Thursday, Nov. 12. Classes will be from 9 A.M. to 11:30 A.M.

The first lessons will be bead necklaces and bead flowers. Also there will be a demonstration on parchment cards. Bring your own beads.

Dances

There will be both round and square dances at the Monday and Friday dances, half round and half square. If you members like to round dance, do come and enjoy yourself. We had two squares at both dances this past week.

Supper

Forty-one were at the supper on Saturday evening. Elmer Good returned thanks. James Richie talked about the trips he has arranged for groups of one-day or nine days. One will be to Busch Gardens, another will be to the Kennedy Space Center.

Mr. and Mrs. Fred Robinson will be the hosts on November 7. There will be a program that evening put on by their son from Tampa.

News of the Week

Mr. and Mrs. John Smolen have returned to their home in Avon Park after a trip of two months to Pennsylvania and Maryland. Mrs. Smolen is the former Mrs. Zola Striley.

Ralph and Eva Lambert are in the Fountain Manor Nursing Home in Hicksville, Ohio 43526. They are both feeling just fine, and would enjoy cards and letters from their friends.

The membership is now 155. New members are: Arthur and Adella Hilt from Milwaukee, Wis.; and Marvin and Hannah Tetso from Roaring Branch, Pa.

Recently returned members are: Geneva Ludington, Avon Park; Floyd and Edith Stevens from Allegan, Mich.; Caroline Webber from Mayville, N. Y.; Alton and Hallie Wetmore from Kent, Ohio; Herman and Florence Young from Allegan, Mich.; Ernest and Mary Thomas of Howell, Mich.; Howard Crumb from Rochester, N. Y.; Harriet Meissel of Warsaw, N. Y.; Hetta Cook from Warsaw, N. Y.; Joseph and Ellen Blomquist from Jamestown, N. Y.

Bonnie Brae Mobile Home News

On Saturday Lee and Bill Henline visited her mother, Mrs. Myrtle Burleson of Spruce Pine, N.C. who was visiting in Naples.

Rozzie and Lester Parkhurst made an over-night stay with Mr. and Mrs. Otis Massengill of Palmetto during the week. They also shopped at Sarasota and Bradenton before returning to Avon Park.

Mr. and Mrs. Fred Pratt, formerly of Sebring and now living at Orlando, made a visit on Friday afternoon to Thelma Chalmers.

Mr. Carl Goodrich, co-owner of Bonnie Brae, and his wife stopped and visited the park on their way to Lake Placid on a weekend camping trip.

Two more of our Bonnie Brae family arrived on Friday. Anne and Ralph Pierson and their son, Gene, from Hubbard, Ohio, and Chlora and Curt Vandevender from Tifton, Ind. Margaret Vandevender who accompanied her husband's parents down, flew back to Indiana the first of the week. A hearty welcome is extended to all.

Mr. Harry K. Bell, another co-owner of the park, with his uncle visited the park on Monday.

Congratulations to Irene and "Bud" Budkie on their new carport.

Mr. and Mrs. William Apfeld, of Somerville, Ohio, visited with their aunt and uncle, Joe and Henny Moreno during the week.

We are sorry to hear that John Lasse is confined to his Mobile Home with a bad cold. You must have brought it back from Wisconsin, John!

Mr. and Mrs. Atkinson of Avon Park Lakes called on Anne and Wesley Lockwood on Saturday afternoon.

Monday evening, Nov. 2, Nita and Jim Ritchie, will show slides of their trip last year to Nassau and the Caribbean. This year they hope to contact people in this park to participate in vacations on the ocean. It is planned to have one trip to the Caribbean and another to Mexico. Let's all show up and enjoy the pictures.

Mr. and Mrs. Frank H. Foote spent Friday evening with Mr. and Mrs. Marian Stewart.

Mrs. Kenneth Black of Lake Placid spent a couple of days visiting Dorothy and Percy Begeal.

Births

Mr. and Mrs. Allen B. Clayton, Jr. of Sebring are the parents of a daughter, born October 22 at Winter Haven Hospital. The little lady has been named Christine Louise.

Mrs. Clayton is the former Nancy Seibold of Avon Park and grandparents are Lt. Col. and Mrs. Charles A. Seibold of Avon Park and Mr. and Mrs. Allen B. Clayton, Sr. of Sebring.

THURSDAY, Oct. 15, was a day to be remembered by students in the first cosmetology class at South Florida Junior College. It meant they were considered ready to help others become more beautiful even though they are temporarily hidden by hair driers. Student cosmeticians Bea Black, Lake Placid, and Dotti Young, Avon Park, are in the middle of manicuring their client's hands.

Walker Attends Trade Show In Orlando

Mrs. Berenice Walker and her cosmotology class at South Florida Junior College attended a Trade Show of Brooks Beauty Supply in Orlando, Sunday and Monday, given at the Robert Meyer Motor Inn.

Several Hair Stylists were there from all over the United States, giving demonstrations on bleaching, dyeing and cutting the hair. Of much interest to the students was the cutting and styling of wigs.

One of the students from South Florida Jr. College, Mrs. Dottie Young, was a model for one of the Hair Stylists, Robert Parwick, from Cincinnati, Ohio.

A former student of Mrs. Walker, took first place in first timers comb-out.

All the students learned much from this field trip.

Boy Scouts Attend Camporee Over Weekend

Members of Boy Scout Troop 156 took part in the Highlands District Camporee last weekend at Pioneer Park, Zolfo Springs. Some 150 boys from Avon Park, Sebring, Frostproof, Lake Placid, Zolfo Springs and Wauchula participated.

Theme of the camporee was pioneering. The boys learned and demonstrated skills using knife, axe, bow, saw and rope. Competitive events for Patrols consisted of knife and axe sharpening, bow saw relays, wood chopping relays, ladder lashing, tripod lashing and flag pole lashing.

Checking in on Friday evening, the boys made their camp, with Saturday being devoted to competitive events and a campfire in the evening. Sunday church services were held before the noon checkout time.

Leaders attending from Avon Park were Scoutmaster Larry Hooper, Assistant Scoutmaster Rick Belford, and Committee Chairman R. A. Henry. Scouts attending were Junior Assistant Scoutmaster Bill Peters, Senior Patrol Leader Tony King, Calvin Livingston, Randy Rich, Butch Farless, Billy Tharp, Eddie Williams, Walter Newton, Fred Starr, David Reynolds, Clifford Henry, Andy McDaniel, Greg Correll, Ken Light, Donn Pearl, Dennis Retherford, Billy Austin, Robert Crawford, Donald Shaw, and Claude Dennis.

Epsilon Sigma Alpha Sorority Meets

A District Enthusiasm seminar of the Epsilon Sigma Alpha sorority was held in the Executive Room of the King's Inn at Orlando on Saturday, Oct. 17. Sorority chapters from Orlando, Clermont, Haines City, Winter Park, Kissimmee, Lake City, Jacksonville, Lakeland, Cocoa Beach, Avon Park, and Merritt Island were represented. Those attending in behalf of the Avon Park Beta Gamma Chapter were Helen Young, corresponding and recording secretary and Sara Heatherly, president.

Among the topics of discussion during the morning and afternoon meetings were plans for the Southeastern Regional Conference representing 11 southeastern states to be held at Cocoa Beach on November 6 and 7 with all Florida Chapters as hostesses and the annual sorority state convention to be held in Clearwater in May. Also, long range plans were in the making for the 1972 International Convention to be held at Freeport, Bahamas, with all Florida Chapters as hostesses.

The seminar was conducted by the state officers and several important presentations were given. As an international project, each chapter was asked to write letters to the heads of government in concern regarding information on the prisoners of war.

The president reported that at the National Convention in July at St. Paul, Minn. that Danny Thomas was the guest speaker and had requested support of all ESA Chapters with the St. Jude Hospital for crippled children which he founded. He emphasized that no one is ever turned away for any reason at the hospital and told members to contact him personally if the case should ever arise. Money, race or creed is immaterial when someone enters the hospital.

A delightful luncheon was held in the Executive Dining Room between the morning and afternoon sessions.

INVITATION TO BID

Son of Avon Park Resident Promoted To Captain

Navy Captain Rickard W. Shannon (center) receives the insignia of his new rank from Air Force Major General Francis W. Nye (right), Commander of Field Command, DASA, and Navy Captain G. A. Gowen, Director of Field Command's Personnel & Administration. Promotion took place at Sandia Base, a joint service installation.

The newly promoted Captain Shannon arrived at Sandia this Fall and is serving as Deputy Commandant of Field Command's Nuclear Weapons School. He came here from duty as Logistics Plans Officer on the staff of Commander, Antisubmarine Warfare Forces, Pacific.

A native of Coshocton, Ohio, he is the son of Frank and Dorothy Shannon, formerly of Coshocton, now of Lake Byrd Blvd., in Avon Park. He is a 1945 graduate of Coshocton High School and holds a B.S. degree in electrical engineering from the U.S. Naval Academy, where he was commissioned in June 1950.

Highlights in his 21-year military career include duty as Commanding Officer of the Submarine USS SEA OWL and four Western Pacific cruises with the Seventh Fleet. He has also completed many service-connected schools and courses.

Captain Shannon is married to the former Merle Stubbs, daughter of Mrs. Joseph Stubbs, Route 2, also of Coshocton, O. They reside at 2410A 24th Loop, on Sandia Base, and have an 18-year-old daughter, Deborah, who is a student at the University of Hawaii.

Miss Kendrick Celebrates 3rd Birthday

Angela Faye Kendrick, daughter of Mr. and Mrs. J. L. Kendrick, celebrated her third birthday, Tuesday at her home at Sunny Ridge Trailer Park.

The table was decorated with party hats and a birthday cake with animal train on top.

After Angela opened her many gifts, the 15 guests who attended, enjoyed cake, ice cream and punch.

MRS. CONSTANCE DAWOON RUMBERGER visited the Sun office to say a good word for her husband, Judge Thom Rumberger who wants to be our next Attorney General.

Federal Land Bank Stockholders To Meet In Wauchula Next Week

More than 500 stockholders and guests are expected at the Annual Stockholders Meeting of the Federal Land Bank Association of Wauchula next week.

The meeting will be held November 4th in the Fellowship Hall of the First Presbyterian Church of Wauchula, beginning at 10:30 A.M.

Robert A. Darr, President of The Federal Land Bank of Columbia, and President of the Federal Intermediate Credit Bank of Columbia, Columbia, S. C., will be the featured speaker. As president of the Land Bank, he heads the bank that serves farmers with long-term loans through 46 Land Bank Associations throughout Florida, Georgia, North Carolina, and South Carolina.

The Federal Intermediate Credit Bank has general supervision over and provides loan funds for the Production Credit Associations in the four state area. Mr. Darr is a recognized leader in farm credit and agricultural organizations.

Other events of the meeting will include the Annual Report on Association progress and Report of the Board of Directors on important actions taken during the year. The election of two directors is also on the agenda.

At the close of the meeting, there will be a drawing for door prizes which are on display now, in the Association's office in Wauchula. The grand prize, a portable television will be awarded to one lucky stockholder.

Immediately following the meeting, a charcoal steak luncheon will be served to all members and guests. Fieldmen from Florida Citrus Mutual will prepare the meal and serving will be by members of Future Farmers of America, and Future Homemakers of America of the Hardee Senior High School in Wauchula, and students of South Florida Junior College Agriculture Department in Avon Park. Entertainment during the meal will be presented by Mrs. Judy Miller of Holiday Music Company, at the organ.

ROBERT A. DARR

The Federal Land Bank Association of Wauchula makes and services long-term loans to farmers, growers and ranchers in Charlotte, DeSoto, Hardee, Hendry, Highlands, Glades, Manatee, Lee and Sarasota counties, and is entirely owned by the borrower-members it serves.

R. P. Dunty, Jr., of Lake Placid is a director of the Association.

ESA Sorority

The Beta Gamma Chapter of Epsilon Sigma Alpha sorority met at the home of Donna Kittrell at 807 Noble Ave., on Tuesday, Oct. 13.

Plans were made for an upcoming Halloween party to be held for members and prospective members. The sorority will have a fortune telling booth at the Halloween Carnival on October 31 and final arrangements were made for this project.

During the meeting, the members were busy making tote bag fillers for the Southeastern Regional Convention to be held at the Cape Kennedy Hilton, at Cocoa Beach, on November 6 and 7.

Eleven southeastern states will be represented at the convention and all Florida chapters of Epsilon Sigma Alpha sorority will be hostesses. Each chapter was asked to prepare 350 tote bag fillers which would represent their particular area. The Beta Gamma chapter wrapped candy orange slices with an identification tag in the shape of an orange with a green sprig which read welcome to Avon Park "Holiday Highlands."

A large array of delectable hors d'oeuvres were served by the hostess along with coffee and cokes.

Democrats To Drive Through County Monday

A cavalcade of Democrats will drive all through Highlands County Monday with loudspeakers blaring, horns blowing and banners flying to get out the vote.

Democrats and friends will gather at 1:30 P.M. at the Highlands County Courthouse to start the motorcade, which will have a police escort.

Persons who would like to ride in the motorcade as well as Democrats who want to drive should come to the courthouse, Mrs. Edna Pearce Lockett, county Democratic chairman, advised.

This is the third big election shindig for Democrats. About 600 persons were at a beef barbecue in September and 800 turned out for a fish fry last week.

Democratic precinct committeemen and committeewomen will launch a telephone campaign to follow Democrats beginning tomorrow, reminding them to go to the polls and vote.

The committee people also will be available to transport people to the polls.

ATTENDING the Cosmetology Clinic on opening day at South Florida Junior College were Mrs. Pauline Hightower, Avon Park watching in the mirror while her daughter Gaye Parnell styled her hair in the first chair. Mrs. Everett Boney, Lorida, second chair and her daughter, Mrs. Jimmy Smith, Lorida, third chair, also took advantage of the Clinic to have their hair beautified by Pat Watford, Sebring and Linda Durrance, Lake Placid.

WARRINGTONS HAVE BABY GIRL

Mr. and Mrs. Charles Stokely Warrington, Jr., of Atlanta, Ga., announce the birth of a daughter, Yvonne Beatrice, on Monday, October 19. The baby weighed 7 lbs. 4 ozs. Maternal grandparents are Mr. and Mrs. Fred Haines of Miami, Fla. Paternal grandparents are Mr. and Mrs. Charles S. Warrington, Sr., of Crystal River, formerly of Avon Park.

HOW TILLMAN'S POSITIONS DO CHANGE!

THERE ARE RUMORS Tillman will be moving back to Leon County where he was deputy sheriff, McKinley went on. Tillman, once a Democrat, may register as such if he does move, McKinley said.

Contacted at the ranch, Tillman rebutted his opponent's charges. He maintained he never took a position on the gambling bill, but said he does not make any distinction between any types of gambling. "One type is no worse than the other," Tillman said.

Reprinted from the Tampa Tribune September 19, 1970

THE TAMPA TRIBUNE ON SATURDAY, SEPTEMBER 19, 1970, QUOTES REPRESENTATIVE JAMES K. TILLMAN AS FOLLOWS: "HE (TILLMAN) MAINTAINED HE NEVER TOOK A POSITION ON THE GAMBLING BILL, BUT SAID HE DOES NOT MAKE ANY DISTINCTION BETWEEN ANY TYPES OF GAMBLING. ONE TYPE IS NOT WORSE THAN THE OTHER, TILLMAN SAID."

THIS IS NOTHING NEW FOR TILLMAN. HE HAS SAID OVER AND OVER AGAIN IN RECENT WEEKS (EVER SINCE DON HEATH LOOKED LIKE HE WAS GOING TO GO UNDER BECAUSE OF THE "CASINO GAMBLING" BILL) THAT HE NEVER TOOK A STAND ON THE "CASINO GAMBLING" BILL, THAT THE WHOLE THING WAS DON HEATH'S BILL, ETC., ETC., ETC., . . . AD NAUSEUM.

READ FOR YOURSELF WHAT TILLMAN HAD TO SAY ABOUT HEATH'S "CASINO GAMBLING" BILL ON DECEMBER 5, 1969, AS REPORTED BY THE HERALD TRIBUNE.

Reprinted from the Sarasota Herald Tribune, December 5, 1969

In the Sarasota-Manatee county legislative delegation, Heath has so far obtained the support of Jim K. Tillman, R-Sarasota, and, peripherally, Jerome Pratt, D-Palmetto.

Tillman said he'll fight for passage of the bill and that he considers it a viable answer to the state's chronic revenue shortages.

"I think there are enough safeguards for the licensing and regulation of gambling to effectively keep organized crime away," he said.

"Further," Tillman continued, "I just don't see where you draw the line on gambling. We have legalized pari-mutuel gambling on horses, dogs and jai-alai games and its okay for bingo to be played in churches and by civic organizations. Gambling is gambling."

Tillman said he has personally witnessed illegal card games and roulette operations in the state and is aware that illegal gambling is available almost everyplace where people want it.

"If we're going to have gambling, then lets have it," Tillman said. "But if we're not, then let's close the horse and dog tracks."

RAYARCS Meet Wednesday

In the Wednesday October 21 meeting of the Highlands County RAYARCS it was decided that the organization would sell "Spook Insurance." What is "spook insurance"? is the obvious question. Bobbi Newton, club representative, explained it to this reporter in this way. "You see, it's this policy, it costs fifty cents. If you buy it and your house gets egged or soaped then call the number on the policy and the Rayarcs will come clean it up." If you wish to buy a policy you may do so from any member of the RAYARCS. All proceeds will go to the organization.

On Saturday, October 31, the club is planning to have a Halloween Party for the students of Ridge Area Day School at the Sudan Interior Mission in Sebring. It will last from 4:30 until 6:30 and will conclude with Trick or Treating for all the kids. Remember better safe than sorry . . . buy that "Spook Insurance."

MEMBERS of the Avon Park and Sebring Rotary Clubs met at South Florida Junior College Saturday morning to plant 50 azalea bushes in front of the science building. Shown are, S. C. Pardee, Harold Worden, Charles Sargent and Jack Ingle. Also aiding in the planting was Aaron Cravens, Jim Heim, Lew Miller and Bill Warren.

Rush Is On Dean's List at Florida State

Mrs. Gladys Young has received word that her son, E. Rush was on the Dean's List, Summer quarter, at Florida State University.

The letter said in part, Bobby was to be congratulated on his outstanding academic performance during the Summer quarter. His membership on the Dean's List has been noted with pride by Phillip R. Fordyce, dean and the entire faculty of the College of Education. He was encouraged to continue with his high goals of achievements, not only academically but also in service to the young people of our state.

Bobby's wife, the former Mary Sprinkle, daughter of Mr. and Mrs. Stewart Sprinkle, of Lake Placid was also on the Dean's List, Summer quarter.

Local Women Attend Meeting In Sebring

The Florida Federation of Women's Clubs held their annual district tour Tuesday, Oct. 20 at the Sebring Woman's Club. The meeting started with registration and coffee at 9-9:45, the Sebring Juniors serving.

The meeting was called to order by Mrs. E. F. Westfall District Nine director. The devotional was led by Mrs. Sam Scott and the Pledge of Allegiance by Mrs. Woodrow Peeples, Jr., Junior District director.

The welcome was given by Mrs. Lowell Allen, president of the host club and response by Mrs. Carl Bradley, president of the Junior Woman's Club of Haines City.

The credentials reoprt was given by the district secretary, Mrs. W. J. Guenther.

District director, Mrs. E. F. Westfall then presented the state officers, Mrs. J. C. Pratt, president; Mrs. Karl F. King, first vice president; Mrs. E. Ross Harris, second vice president; Mrs. Richard Conibear, state junior director.

ties planned for the coming year.

Mrs. Richard Conibear gave an address on "Happiness is Being a Florida Junior." Mrs. E. Ross Harris, second vice president gave a talk on "The Bridge Between." Mrs. Karl F. King, first vice president's address was "Our Challenge."

A fine lunch was served at 12:30 and enjoyed by all. After lunch, Mrs. J. C. Pratt, president of Florida Federation of Women's Club gave an address on "Help Build a Dream."

The Hacienda Girls Ranch being the "dream" and state project of both junior and senior clubs in Florida. The purpose of the Girls Ranch is to provide a home in an atmosphere of love and care, when it becomes necessary for a girl to live away from home, These girls are not delinquents, but are candidates to become delinquents. They may come from broken homes, abandonment, neglect or cruel treatment. This is a place for "Girls In Need." Mrs. Pratt is encouraging all clubs to support this project. The Federation is the sponsor of the Hacienda Girls Ranch.

Courtesy resolutions were given and the meeting adjourned.

Those attending the District 9, State Officers Tour, at the Sebring Woman's Club from Avon Park were: Mrs. Stiles Brown, Mrs. Mervin Rehrer, Mrs. Talmage Sparks, Mrs. William Stallard, Mrs. Edgar Smoot, Mrs. Hugh Booth, Jr., Mrs. Maurice Bush, Mrs. George Couch, Mrs. Francis Peffer, Mrs. Paul Calvert, Mrs. Thomas Hardy, Mrs. Charles Keys, and Mrs. Frank Alley.

On The Trail of Poachers

By CHARLES SARGENT

Lt. Jerry G. Knox, Information and Education officer of the Florida Game and Fresh Water Fish Commission presented the program last week.

He was introduced by Hue Nunnallee, program committeeman, who, in announcing the speaker's topic as "The Florida Alligator" and especially the poacher who makes a lucrative business of the illegal slaughter of these animals, commented in jest, that anyone who didn't know how to stalk and capture alligators, would, after viewing the moving picture to be presented. It was true.

Speaker Knox, before screening the film, discussed the many problems presented in the control of the illicit traffic in gator skins, stimulated as it is by potential profits of as much as $20,000 a year. He called attention to the newly enacted Federal statute, which becomes effective January 1, 1971, making it a federal offense to transport alligator hides or any products made from them, across state lines, in interstate commerce.

The colorful film pictured a wild life officer making his routine patrol of his remote glades territory, by small outboard boat and air-boat. Pictured were many of the wild birds and animals in their native habitats.

Portions of the film were taken with the camera mounted on the air-boat and the viewer was given the illusion of being propelled at high speed through the tall saw grass, skidding around corners and over mud flats that appeared to be only slightly moist. A new experience for most in the audience.

The good guys won again, as the film story ended with the conservation officers apprehending the poachers, red handed, in the process of depriving a large alligator of its protective covering.

SIX MILLION Americans seeking a sanctuary from urban life now dwell in the 25,000 Mobile Home Parks that have sprouted outside the nations large cities. Among them they have created a whole new life style. Probably the fastest growing one in the United States society. Last year one out of every three new one family dwellings sold in this country was on wheels. Today for only 1/3 the price of a modest suburban house a family can buy a 12'x60', air conditioned mobile home with two bedrooms, a comfortable living room and a well gadgeted kitchen. Thus equipped mobile home owners can join a self sufficient colony complete with swimming pool, recreation hall and shuffle courts. Escaping the worries of street crime and lawn mowers. Most important perhaps they are able in large measure to choose their neighbors. Mobile home dwellers like to boast that theirs is the only way to live and that their instant communities offer an answer to the problems of the urban pressure cooker. Come visit Grayce's Mobile Estates, Sebring. gtfc

Hors d'Oeuvres

The expression "hors d'oeuvres" means "outside the work" and originally was used by architects to indicate outbuildings. France's chefs borrowed it to describe appetizers customarily served apart from a dinner.

Started Foundry

Joseph McClurg established the first foundry in Pittsburgh, Pa., in 1805. During the War of 1812, McClurg supplied cannon, howitzers, shells and balls to Commodore Oliver Perry on Lake Erie and to Gen. Andrew Jackson at New Orleans.

King Solomon's Temple was finally destroyed by Nebuchadnezzar in 586 B.C. On the temple area stands a splendid mosque, the Dome of the Rock, known as the Mosque of Omar.

Tongue-slipping transpositions, such as "occupewing a pie" instead of "occupying a pew," are called spoonerisms for a British clergyman, Canon William Spooner, who was noted for such lapses.
