Halloween Time In Avon Park

Halloween is always a popular time in Avon Park with a parade and carnival sponsored by Avon Park Junior Woman's Club, a barbecue sponsored by the Lions Club, etc., and of course the trick-or-treaters throughout the city's young children romping through their neighborhoods with little on their minds but the next treat.

In all the excitement the children are not likely to be thinking of safety, so you, the motorist, will have to do the thinking for them. You should drive slow, watch for children darting out between parked cars, tap your horn occasionally on dimly-lighted residential streets, and be extremely cautious when backing out of driveways.

And the parents are reminded to escort the littles ones, if your children are going as a group, give the oldest a flashlight, and dress the children in bright clothing or stick reflective tape on their costumes or trick-or-treat bags.

Remember, Saturday, Oct. 30, is Halloween time in Avon Park, so let's all go and enjoy the parade, carnival, barbecue and if the children's Halloween antics remind you that you were a kid once yourself, drive in a manner to ensure that some child will grow old enough to say the same.

Registration Books Close Nov. 5

Residents of Avon Park who have not registered to vote in the up-coming city election have only one week left to do so. The registration books will close Friday, Nov. 5. The books will be open each business day from 8 a.m. until 5 p.m. at the city hall until November 5.

According to City Clerk Malcolm Crews, just a few young people have registered. This is a great privilege the 18 year old students have recently achieved, where they can voice their opinion on who should and should not hold public office. They don't have to drive to the court house in Sebring to register, they can register at the Avon Park city hall.

This year the city election will be held Tuesday, Dec. 7, with two council seats and the mayor's office to be filled. Mayor Bob Barben declined Tuesday, Oct. 26, for reelection. James Stretns and Herman Sizemore have also qualified for the council seat left vacant when Don Serdynski decided not to run for reelection.

Proclamation Letter To Editor

WHEREAS, the Junior Woman's Club of Avon Park is sponsoring a Halloween parade and carnival on Saturday, October 30, 1971 and

WHEREAS, the children of Avon Park have always observed the night of the carnival, which is always the last Saturday in October, "Trick or Treat."

ROBERT J. BARBEN, MAYOR OF THE CITY OF AVON PARK.

THEREFORE, proclaim Saturday night, October 30th, as official "Trick or Treat" night in Avon Park for all ghosts and goblins, ages 1 thru 12, beginning at 7:30 p.m. and all shall observe a 9:00 a.m. curfew.

Robert Barben

MAYOR, City of Avon Park

Editor:

Should we train our school children to become racketeers?

In some big cities businessmen have been visited by hoodlums demanding "protection insurance." Failure to comply brings a bombing.

Those who sent our good school children out to sell "Spook Insurance," should think.

People do not want to be intimidated, and the impression left with many was that it would be wise to contribute.

Alton J. Wetmore.

The Dellelos Enjoy Visit To Disney World

Mr. and Mrs. Louie Dellelos and daughters, Pia and Pamela and friends were in Orlando Monday to visit Disney World. They were thrilled to see our "Avon Park High School Grenadier Band" performing at Disney World. They wished more citizens from Avon Park could have been there to see our band.

Mrs. Dellelos came from Italy to Avon Park back in 1947 and has nothing but praise for America and Avon Park. She really loves our country and what it has to offer. She said kids should never complain of not having anything to do, with Disney World close by and all the other good things and attractions of Florida.

Mrs. Dellelos appreciates our fine band and its director, Vic McKunas. She said our band was the best looking and best performing (and I might add well behaved) one at Disney World. She appreciates what Mr. McKunas has done for her children and all the others in our town and hopes the town realizes how lucky we are to have someone like him.

She has suggested and would like for the businesses in town to go together and sponsor a bus trip for the Ridge Area Day School Students to go to Disney World. She thinks this would be so much fun for these students, and the businesses could take the expense off of their income tax.

We would like to see all Americans as appreciative of our country as Mrs. Dellelos.

Any businesses who would like to be a part of this project, please contact Mrs. G. Franklin Ward at 453-4433.

Devils Win Homecoming Game

(Continued from page one)

Sisemore punted deep to the Cleveland seven. The half ended with the Tigers driving on the ground still in their own territory.

After a spectacular halftime show by the Avon Park band that included fireworks, the Red Devils came back and took the kick off and drove 75 yards for another score. Sisemore returned the kickoff, some 15 yards to the 25. The Devils then moved for one first down on the ground before going to the air.

Sisemore hit Danny Lewis for a 23 yard gain and then after a 15 yard penalty that moved the Devils back to the 30, James Coleman gained 15 on a screen pass. Another pass to Coleman and a five yarder against Cleveland put the ball on the 18 yard line. From there Sisemore passed to Nataniel Packer again and the sophomore end rammed into the end zone for his second TD of the game. The kick for the extra point by Sisemore was good this time and the Devils had a 28-6 advantage.

But Cleveland grabbed the offense again with a 66 yard kick off return by Miller to the Devil 25. Six plays later Miller hit Hart for a 15 yard TD play and they were on the boards again. The attempted pass for the two point conversion was thwarted by Nate Williams who broke through to tackle the quarterback before he could pass so the score stood 28-12 midway in the third period.

Avon Park scored again on the first play of the fourth quarter. Sisemore had returned a short punt from his own 20 to the 42 for a 20 yard return. The Keith Richards had a nice six yard pick up and Sisemore added three more to the Cleveland 49 yard line. The quarter changed and on the first play, Packer got open for another pass and went all the way in spite of several Tigers trying to pull him down. It was a 40 yard play and Packer's third yard penalty.

The remainder of the last period was a see-saw affair in the middle of the field as the Devil reserves came in on offense and had a little trouble moving the ball the first couple of possessions. Leon McRae stopped one Cleveland drive with a pass interception which he returned 23 yards and one Avon Park drive screeched to a halt when the ball was fumbled and recovered by a Tiger.

Late in the game, however, Cleveland struck again on the long pass. From their own 35 yard line, the Tigers connected with a pass from Miller to Perry Kyle, a wide receiver, and the speedy receiver outran the Devil defender for the third Cleveland touchdown. Again the pass for the points after was no good but the score stood 34-18.

It looked like the scoring was over and the crowd began to file out of the stands. Devil backs Artie Bass and Eddie Ezelle had alternated carrying the ball for short pickups and a 15 yarder against Cleveland had added to the drive. Earl Strong, another Devil reserve back, moved for a four yard gain to the 26 and then with third down and a couple of yards needed, Strong broke into the clear behind a wedge play and raced the 28 yards for Avon Park's sixth TD of the game.

The kick for the extra point was blocked but Avon Park had an impressive 40-18 victory over the Cleveland Tigers of the new Lake Ridge Conference that will start officially next season for football records.

The Red Devil defense held the Tigers to a minus 18 yards on the ground although they gave up 221 yards throughout the air and the three touchdowns. Miller hit 8 of 18 passes while Sisemore completed 11 of 18 for Avon Park. The Devils had 122 yards on the ground and 218 in the air. Both teams drew 75 yards in penalties and both lost two fumbles and had one pass intercepted during the game.

Nathaniel Packer moved into second place in Devil scoring with a total of 24 points behind Don Sisemore who has scored 35 in the six games. Danny Lewis is third high with 22 and Wayne Todd is fourth with 12 points. James Coleman led the Devil defense in tackles last week for a total of 49 yards.

Williams and Don Sisemore who both had 6 and four assists. Keith Richards was the leading ground gainer with 35 yards followed by Earl Strong with 32 yards. Packer caught three passes for 113 yards and James Coleman pulled in five passes for a total of 49 yards.

RUTH ROBINSON

There were 43 hungry and interested members of our park at the first pot luck dinner of the season, Thursday evening at 6 p.m. We served family style, passing along each dish to our neighbor on the right, all eager to sample something new.

Birthdays celebrated belonged to Mrs. Thelma Skuce and Robert Duthie, as well as Skuce's cake being "Welcome back to all" cake, also.

Robert McBeth has his sister from California visiting with him and Martha for a couple of weeks. They visited Busch Gardens and Disney World with Mrs. Grace Wolf as part of her sight seeing.

Others who have returned are Mr. and Mrs. Elliot Purvis (Mae) from Peru, Indiana; Mr. and Mrs. Glen Long (Mildred) from Plainville, Connecticut; Mrs. Beatrice Tingley, Mr. and Mrs. Fred Stevens who flew in to Tampa and was picked up by Robert and Martha McBeth on Thursday. Their nephew, and his wife, Mr. and Mrs. Robert Howard from Portage, Michigan drove their car down here and arrived on Friday. Due to a scarcity of plane flights over the week end, they had to cut their visit short and return home to Michigan on Saturday, the Cecil Hales took them to Tampa Airport and they called the Stevens on Sunday morning to report their safe arrival home.

Following the pot luck dinner, 30 shufflers had a good time playing the "Party Shuffle". The winners of the ice cream treat were the Black with 451 points and the Reds lost with 381 points.

Mr. and Mrs. Alva Thompson drove into their drive at noon on Friday. We are very glad to see them looking so well and enjoying the fellowship of their brother and wife, Mr. and Mrs. Lester Kindig (Curtis) who purchased Paul and Ginny Roth's trailer. They will be living in Smith's trailer Park on Lake Anoka.

A surprise visit was paid to many of us by Mr. and Mrs. Howard Bell as they walked around the park after arriving Sunday around noon. They too are happy to be back.

Good news was received from Mrs. Luis Madrell as she is expecting her sister, Bess Raas here to stay with her for the winter season. Bess is to arrive on Thursday at the Tampa Airport from Madison, Wisconsin. We shall all be glad to see her.

Mr. and Mrs. Rowe Weller have left for their home in Oil City, Pa. after many visits.

Dove Field To Close Saturday

The first phase of the dove season at Avon Park Bombing Range dove field will close Saturday, Oct. 31, at sundown. The dove field will open again November 11 and close November 28; open again December 18 and close January 10, according to the Game and Fresh Water Fish Commission.

MISS REBECCA TODD

Todd-Blue Engagement Revealed; Wedding Planned For December 28

Mr. and Mrs. Herbert Ridgely Todd of Lakeland, announces the engagement of their daughter, Miss Rebecca Todd of Lakeland and Greenville, S. C., to William Fred Blue of High Point, N. C. and Greenville, S. C. son of Mr. and Mrs. Daniel Thomas Blue of High Point, N. C.

Rebecca is the granddaughter of Mrs. Walton Clemmons Touchton of Avon Park, and Mr. and Mrs. Edward Gorsuch Todd, also of Avon Park. Miss Todd was educated and graduated from the Lakeland Schools and attended Furman University, Greenville, S. C. She was listed in "Who's Who in American Universities and Colleges." She graduated in June '71 from Furman University with a B.A. degree in Sociology. She is presently

employed as a Health Educator by the Greenville County Health Department.

Mr. Blue was educated and graduated from the High Point Schools and attended Furman University, where he was captain of the swimming team. He graduated from Furman in June '71 with a B.A. degree in Business Administration. He is presently employed in the accounting department of the Greenville General Hospital System.

The wedding will be solemnized on Tuesday, Dec. 28th at 4:00 p.m. at First Presbyterian Church in Lakeland. Dr. Henry Dahlberg, Jr., First Presbyterian Church, Lakeland and Reverend Gordon K. Reed, Second Presbyterian Church, Greenville, S. C. will officiate.

Sharon Rae Bennett Honored With Miscellaneous Shower

Miss Sharon Rae Bennett, bride elect of Carroll A. Pollard was honored at a miscellaneous shower on Thursday, Oct. 21, at Florida Power Lounge.

Hostesses for this party for Sharon were, Louise Jackson, Sandra Kay Jackson and Glenda Hart.

The bride elect lovely in a navy double knit A-line dress with navy and red accessories, was presented a corsage of white carnations accented with red trim and white wedding bells upon arrival by the hostesses.

A large engagement ring decorated the table, covered in yellow, that held the guest book, kept by Mrs. Louise Jackson.

The serving table, covered with a white cloth featuring brides, was centered with silver

candelabra holding six yellow candles. A three tier crystal server on one end of table, held mixed nuts and assorted mints. On the opposite end was a crystal punch bowl surrounded with greenery, which held orange sherbet punch, served with cake squares topped with dainty yellow wedding bells.

The gift table was centered with a dainty bride, and accented with miniature white wedding bells. Large white wedding bells were at focal points in the lounge.

Helping Sharon with the opening of her many gifts were, Sandra Jackson, Glenda Hart and Patti Bennett, sister of the bride-elect.

The hostess gift was a covered casserole in Sharon's chosen china pattern.

SHARON RAE BENNETT, second from left, bride-elect of Carroll A. Pollard, is shown at the gift table, with hostesses at a miscellaneous shower given for her Monday

night at Florida Power Lounge. With her left to right, Glenda Hart, Sharon, Sandra Kay Jackson and Louise Jackson.

Federation Of Garden Clubs Hold Meeting

The Avon Park Federation of Garden Clubs held its regular meeting Thursday, Oct. 21, at 9:30 a.m. in Wesley Hall of the First United Methodist Church.

A coffee, with Mrs. Robert Bussard, Mrs. Thomas Clarke and Mrs. George Kelsey as hostesses preceded the business meeting. A Halloween motif was used in the table decorations. Hot coffee, orange juice, cookies and coffee cake were served by the hostesses.

Mrs. Bussard, president of the Federation, presided at the business meeting. It was announced that eight members attended the District IX Annual Meeting held at the Holiday Inn in Lake Placid.

Miss Carol Beck, a Florida Naturalist, spoke on Florida insects and presented some very fine slides of each specimen. She also told how to control these insects and show to protect ones self from their stings and bites. Everyone enjoyed this informative and needed talk.

Before placing rollers under your refrigerator check with the dealer regarding your specific model. There are some refrigerators that should not be placed on rollers.

Never overload the washer. It does its best washing if clothes are loose. Put small items in a mesh bag, so an overload rinse won't carry them into the pump.

Measure detergent. Turn off the valves and hoses when the machine is not in use. Avoid unbalanced loads, such as one heavy slush rug.

CLOTHES DRYER Empty the lint trap each time the dryer is used. Turn metal buckles and trims to the inside of the garment or pin fabric over them to prevent hanging and chipping porcelain. Vent the dryer to the out of doors.

RANGES Most ranges have electric range units. Heat reflected from the overhanging edges of the utensils may damage the porcelain of the range top or discolor the chrome trim.

If you use over spray cleaners, shape a narrow piece of foil around the metal sensing tube (found at the back side of the oven) to protect it during the cleaning. Be sure to remove foil after cleaning.

The bride is the daughter of Mr. and Mrs. Marvin Pearl and the bridegroom is the son of Mr. and Mrs. Joe L. Elder all of Avon Park.

Reverend Bruce Mosier officiated at the single ring ceremony with greenery accenting the chancel.

The bride, given in marriage by her father, was lovely in a dress of white tulle with a lace collar scalloped down the front. The dress was accented at the empire waistline with a dainty bow. The long sleeves were scalloped at the wrists.

She carried a cascade bouquet of white carnations and chrysanthemums accented with baby's breath and streamers of lace and satin.

Miss Connie Retherford of Avon Park was maid of honor, she wore a red velvet gown with long white lace sleeves. She

carried a clutch bouquet of white, pink and blue carnations, white chrysanthemums and yellow daisies accented with long yellow satin streamers.

Dennis chose for his best man his brother, Terry Elder of Avon Park.

Mrs. Pearl chose a white linen dress with long sleeves and overlay of crocheted lace. She wore pink accessories and a white carnation corsage.

The newlyweds will reside in Avon Park.

After the wedding ceremony, a dinner was held at the Avon Park Restaurant, with the bridal party and immediate families attending. A bridal train was carried out in the decorations.

The bridal couple cut the first piece of their two tier white wedding cake, topped with a miniature bride and groom, which was served to the guests after the dinner.

Old Settlers Hold Meeting At Congregational Church

Highlights of the Old Settlers Day held Saturday, Oct. 22, was reminiscences of early days in our city, by a panel of men and women who recalled what life was like when they came to settle here. Mel Bass was chairman of the program and those participating in the exchange of stories were E. A. DeLaney, Sr., Mrs. Lillian Hood, Raymond Dilley, and Mrs. Thelma Dilley. Group singing was led by Mr. T. J. Ward.

These stories will be published in the Avon Park Sun under a separate heading, and the historical committee will appreciate hearing from anyone who will share other stories for this column. These stories may be sent or telephoned in to Rev. Herbert D. Graetz, president of the Old Settlers Association, Mrs. Edward Sharpe, Mrs. T. H. Maxwell or Mrs. Cora Wray.

The day's activities began with a covered dish dinner at noon in Fellowship Hall of the Old Union Congregational Church. This was the first church built in Avon Park and it was recalled by some of the old timers that there was a well at the back of the building where people stopped for water for their team and to eat a lunch which was packed by their family before they left home, because there were no public eating places.

The sumptuous meal, spread on a long table, covered with a white linen cloth, portrayed the culinary arts acquired by the ladies over the years, and also made easier by the modern conveniences and comforts now enjoyed, as compared to the life in the rough, when women cooked on a wood stove, and sometimes over an open fire.

Mrs. P. C. Boney and Mrs. E. E. Sharpe were in charge of dinner arrangements. Following the dinner, President Graetz conducted the business meeting. Minutes were read and reports of the Bandstand committee were given, by the secretary, Leona Maxwell, in the absence of Cliff Thomas, who is chairman of the Bandstand Committee. The interior of the building and the planting of shrubbery is yet to be finished.

The names of the deceased since last year's meeting were read and the president asked for a moment of standing silence and he gave a prayer in their memory. Each year's death toll takes away many of the earliest settlers of this area. Therefore the historical committee is making a concerted effort to record many of their stories and memories and they urge the cooperation of everyone in this project.

For many years, Mrs. Cora Wray, historian for the Old

Settlers, has kept a book in alphabetical order of the families living in Avon Park. Many people would be surprised to see how complete this record is. Mrs. Wray has been relentless in her efforts and very thorough in acquiring information. She has a blank form to be filled out which she keeps up to date, by recording births, marriages and deaths. She will appreciate assistance from anyone who desires to give her any information regarding family histories.

Officers for the new year are: Rev. Herbert D. Graetz, president; Mel Bass, vice president; Leona Maxwell, secretary; Grace Boney, treasurer, and Cora Wray, historian.

The day was enjoyed by all and the meeting was closed with a song led by Mrs. T. J. Ward, with the blending of voices of the Old Settlers, singing "Till We Meet Again."

Old Settlers

MEMBERS OF THE "Old Settlers Association" are helping themselves to the delicious food, that included everything from quail to chocolate cake, Saturday, Oct. 22, at the Old Union Congregational Church Fellowship Hall. In foreground are former mayor E. A. DeLaney, Sr., and Mrs. J. Lawler Wells.

PART OF THE GROUP attending the "Old Settlers Meeting" and second from right is J. R. Bennett, whose family moved to Avon Park in 1875 when he was an infant.

PICTURED ABOVE is E. A. DeLaney, Sr., Raymond Dilley, Mel Bass, chairman; Lillian Hood, Thelma Dilley, C. E. Lanier and Reverend Herbert D. Graetz, who shared their experiences of early days in Avon Park with members at the "Old Settlers" get-together Saturday.

Lions Club News

The second regular meeting for October was a full night for the Avon Park Lions Club. Extra places were set and filled in honor of District Governor Howard Townes first visit. Governor Townes is a neighbor Lion, his home club being in Lake Wales. The local club also welcomed guest speaker Charlie Hoke, President of the Avon Citrus Bank.

The Governor's message was one of enthusiasm for Lionsism and a report of his observations of the 1971 annual convention in Las Vegas. Several statistics noted by the Governor are indicative of why he believes strongly in Lionsism. First, Florida Lions maintain an outstanding sight care and conservation facility in the Florida Foundation for the Blind. With a 1972 budget of \$150,000, the Foundation is only one of thousands of service projects carried through by Florida Lions. Internationally, Lions collected and administered over \$500 million in service projects during the past year. These are real value dollars as all collecting activities and project administration are carried out by Lions on a purely volunteer basis.

Guest speaker Hoke told of a new language being spoken in the field of banking. The language is associated with the modern day computer, an unseen hero to bankers and bank customers all over the country. Charlie gave lucid details of how bank workload was once handled and of the benefits that come from modern methods.

Baby Daughter

Mr. and Mrs. Danny Butler of St. Petersburg announce the arrival of a baby girl on Saturday, Oct. 22 at St. Anthony's Hospital. The little lady weighed 8 1/2 pounds and has been named De Ann.

Maternal grandparents are Mr. and Mrs. Durrah Martin and Paternal grandparents are Mr. and Mrs. Carl Butler also of Avon Park.

AVON PARK,

APHIS Keyettes Are Earlybirds

In the early morning darkness at 5:30 on October 15th, 17 Keyettes assembled to do their first service project of the year. They weeded and cleaned up the Tennis Court.

After weeding they had their breakfast, which consisted of orange juice and donuts. Since it was still quite early the Keyettes decided to go to the new high school and clean up the parking lot, thus the second service project of the year completed.

Keyette activities this year include: sponsoring a victory dance, having a Keyette-Key Club party at Highlands Hammock, selling cokes at the dance after the Punta Gorda game with the proceeds going to the Lowell DuBoise Fund, constructing a Homecoming float, which won first place and selling corsages for Homecoming.

Keyettes are planning on having a Halloween carnival. Keyette officers are: Laurie Burch, president; Sara Nunnalee, vice president; Darlene Vieta, secretary and Janice Murphy, treasurer.

Avon Park Lakes To Nominate Board Members

Residents of Avon Park Lakes should be at the club house at 7:30 on Monday, Nov. 1, to nominate members to replace three board of Governors members and one alternate who go off the board this year. This is a nominating convention where you may nominate from the floor.

Do not propose a name in nomination unless you have previously secured from him his willingness to serve. Come to this meeting to express your wishes. The elections in December mean very little if you have had no part in the nominations.

15th Anniversary of Rev. Childress To Be Celebrated by Church

The First Baptist Church will celebrate the 15th anniversary of the pastorate of Reverend Aden D. Childress, Sunday night, Nov. 7. The public is welcome.

Twice since they have been here the church has had to build new buildings to accommodate the growth of membership and others that attend.

The church program has grown to where they have had to hire four more helpers since the Childresses have been here.

A minister of education and youth, a minister of music, an assistant church secretary and a assistant custodian.

The church is thrilled to be able to recognize Nov. 7, as Childress Day in the church. The day will be climaxed with an outstanding speaker in the pulpit Sunday night at the regular worship service, 7:45 P.M. Speaking on 15 years under God's leadership. This will be followed by a reception in the church social hall.

This should be an outstanding day at First Baptist Church. All the public is cordially invited to attend and participate in this day of appreciation for Rev. and Mrs. Childress.

The Answer

It has happened before and it could happen again.

"Look at the other nations in the world, pay close attention to them, and get ready to be surprised, for I am about to perform such a feat in your life-time that you will wonder how I even when I explain it to you."

That's what God told a man named Habakkuk, back in 600 B.C., but the point of the story concerns us now. Because what happened to Habakkuk and Israel could happen again, to our America.

The Warning

Here's what God warned (and it's exactly what occurred a few years later):

"Watch! I am preparing the Chaldeans, that vicious and unpredictable nation, who will leap across the continents to take possession of homes which are not theirs. Terror and horror come with them, for they invent their own justice and laws to suit themselves. And their love violence, and their numbers will overwhelm you like a hurricane. They will capture prisoners of war by the millions. Chosen rulers they laugh at, and they scorn the people's leaders. Defense systems mean nothing to them; they have means to destroy everything. But they realize their strength. They will come in and take over. Their god is their power."

Substitute Red China, Russia, or another enemy, and imagine God told you this would happen to the United States. Would you believe it? Habakkuk did believe it about Israel. He argued back.

"God, aren't You eternal? Who can control history? We won't die. (After all, we are a believing nation.) They are the nation You must judge. You are God!"

God's answer was: "I will live by my faith."

It took a lot of faith in 600 B.C. It took a lot of faith in 1917. It took a lot of faith in 1941. It took a lot of faith in 1967. It took a lot of faith in 1971.

78 Parents Attend Parents Day At Highlands School October 23

Parents Day at the Highlands School, held Saturday, October 23, was attended by 78 parents from many southern states, and the Virgin Islands.

Featured during the day was an art exhibit comprising the work in several media executed during the past month by students of Miss Mary E. Marston, head of the art department. A special program of events that began at 10 a.m. and continued until 10 p.m. included parent-teacher conferences, a father-daughter golf tournament, a board meeting with Dr. Lindsay officiating, an informal luncheon, a softball game won by the White team, and a water skiing exhibition on Lakefront directed by Miss Carol R. Anderson, head of the physical education department.

Participating in this event were: Dr. Charles W. McKee, Pauline Lehto, of Lima, Peru; Merry Gregory, of Tampa, and Sue Foster, of Tucson, Arizona.

Other afternoon and evening events were a parent association meeting led by president James L. Quinn, of Boca Raton; a buffet dinner arranged by Mrs. Edward J. Fells, of Avon Park, food set by vice director at the school; and a talent program featuring student piano soloists Stephanie S. Stephens, of Savannah, Ga., and Leigh Williams, of Charleston, S.C. A highlight of the program was the Drama Club's presentation of James Thurber's short story, "The Secret Life of Walter Mitty."

Students reacted enthusiastically when Dr. Lindsay announced that The Highlands School would soon be honored by receiving the flag that flew

that same day Oct. 23 over the Capitol building in Washington, D.C.

Dr. Gregory D. Adkins, headmaster, who presided during the Talent Program, announced the winners of awards bestowed by Mrs. James A. J. Johnson and Mrs. Vernon Lanier both of Avon Park who had earlier in the day inspected students' rooms in the residence halls. Grand prize winner was Joan Pulikowski, freshman of Sarasota, whose room was judged the neatest and most attractive of those inspected.

At the 10:30 service Sunday, Oct. 31, the choir, the organist, and guest artists will lead the congregation at First United Methodist in a service of praise and worship through music.

Guest artists include Mrs. Beverly Mann, Mrs. Evelyn Jones, David Sechrist and John Wright. The choir, under the direction of Mrs. Ellen A. Hunt, will lead the congregation in the singing of the great hymns of Methodism. Mrs. Laurinda DeShong, organist, will stress music with brief histories of some of the outstanding hymnologists.

This promises to be one of the outstanding worship services of all time; you won't want to miss it. Invite your friends and enjoy a hour of music.

TIME CHANGE

Clocks will be turned back an hour - giving an extra hour of sleep some time the night of Saturday Oct. 30 as daylight savings time ends for another summer season.

Food Fair Stores, Inc. reported record sales and higher net income for the fiscal year ended July 31, 1971. Sales climbed 5 percent to \$19.9 billion, while earnings rose four percent to \$1.4 billion from \$1.1 billion in the preceding year. Earnings were equal to \$1.49 a share.

The income figures include extraordinary income of \$49,000 or seven cents a share, in 1971, compared with \$167,000 or two cents a share, the year before.

Pre-tax income rose 5 percent to \$20.3 million from \$19.4 million a year ago. However, this was more than offset by additional income taxes which increased 11 percent to \$9.6 million from \$8.6 million.

The company owned 23 food markets and six department stores during the fiscal year and converted 65 conventional supermarkets to discounting operations. Thirty four out-moded food stores and two department stores were closed.

At fiscal year end, the company operated 945 supermarkets and 69 J. M. Fields Department stores in 16 states.

The company plans to open 25 new food units and 10 to 12 department stores this year. Sales are presently at an annual rate in excess of \$2 billion.

Host Picnic
Sunday the Student Government Association of South Florida Junior College gave a picnic for all students, faculty members, administrative and other personnel.

Hamburgers and hot dogs were served as well as dishes such as cheese and macaroni, fruit salad, baked beans and chocolate cake.

Basketball Team Organized At Bombing Range

With the change of the Detachment to A Squadron at Avon Park Gunners and Bombing Range, the 1st Combat Support Squadron has a new basketball team under the guidance of head coach Don Mitchell and assisted by Mike Dugenerio.

The team has been going through a series of tough practices and scrimmages and ready to take on their opponents with great ambition.

Coach Mitchell says that he has an aggressive, fast team and a good defense. His guards are well balanced with Phillip Hamilton, John Ragin, Bill Fince and back-ups Charles Marks.

His forwards are well balanced and are able to pull down rebounds off the defensive and offensive boards. He expects a lot of help in that department from forwards Richard Shuford, Richard Abbandanza, and centers Percy Carter, Leroy Goolaby, Bill Hoskins and Jim Lewis.

The Avon Park Bombers open their season with South Florida Junior College November 9, and will be playing teams such as Broward Community College, Stetson University freshmen team, Central Community College, Palm Beach Junior College, Indiana River Junior College, MacDill AFB and McCoy AFB.

Coach Mitchell says his team is ready to give spectators some exciting games.

Gamma Alpha Initiation

Gamma Alpha Chapter of Delta Kappa Gamma met in the Home Economics Department at Sebring High School Thursday night Oct. 21 at 7:30 p.m. The 50-member members were hostesses with 30 members present.

Mrs. Betty Burch, social studies teacher at Avon Park High School, Mrs. Mary Eskstadt and Mrs. Martha Garner, teachers at Woodlawn, Mrs. Virginia Dunty and Mrs. Christine Peavy, teachers from Lake Placid, were initiated into the society.

Mrs. Dorothy Clark president was in charge of the impressive ceremony. She was assisted by Mrs. Annie Laurie Hunt, Mrs. DeRheta Lanier and Mrs. Wilma Purnell.

The initiation was followed by a program, "Women and Changing Times", presented by Mrs. DeRheta Lanier.

A Halloween theme was carried out. Cakes, nuts, candy, punch and coffee were served. Members from Avon Park attending were Mrs. Betty Burch, Mrs. Violet Mosley, Mrs. DeRheta Lanier and Mrs. Mary Jean Reddick.

A TIRED SOPHOMORE team rests on the bench at half-time during the annual powder puff football game between the sophomores and freshmen girls which the latter won 18 to 0. Left to right are Joe Rice, Sebring, Coach Lynn Henderson, Wauchula, Paul Whit-

aker, Wauchula, coach, (hidden are Barbara Travers and Kathy Baker, Sebring), Karen Johnson, Avon Park, Dinah Sellers, Wauchula, Debbie Bernard, Avon Park, Barbara Nicholson, Sebring and Lynette Lambert, Wauchula.

SFJC Freshmen Win Powderpuff Football Game

Saturday night the Freshmen and Sophomore girls of South Florida Junior College lined up for the kick off of the annual S.F.J.C. Powderpuff football game. This was one of the most exciting and hardest fought games in the history of the event.

The Freshmen coached by Slade Hammon and Jeff Brabant beat the Sophomores by 18 well contested points. Quarterbacking for the Freshmen was Beverly Wicker who also scored a touchdown, running almost sixty yards for the points. Two more touchdowns were made by Barbara Miller, both on long runs of over 50 yards. Barbara was a star on the defense as well as being the high scorer of the game.

The rest of the team consisting of Gala Davis, Patty Dumont, Sarah McClure, Sue Franza, Monica Sauls, Lisa Sellers, Patty Turnbull, and Becky Kiella, did an outstandingly effective job on both defense and offense.

The Sophomores coached by Joe Rice and Paul Whitaker fought the Freshmen every inch of the way and succeeded in preventing the Freshmen from scoring in the second half. The only offensive threat by the Sophomores was a long run by Debbie Bernard to the five yard line. Unfortunately the run was called back because of a penalty on the play.

The well balanced attack of the Sophomores was headed by Lynn Henderson. Blocking and running the ball were Lynette Lambert, Karen Johnson, Kathy Baker, Barbara Nicholson, Barbara Travers and Dinah Sellers. Cheryl Smith

practiced with the team but was sick and unable to play. The girls played well both on defense and offense but were unable to get a win from the hardcharging Freshmen.

Out in the midst of these battling females were Joe Johnston, Buck Redding, Kim Malcolm and Bob Ambrose refereeing the game. Announcing the game was Welch Fisher who summed the game up well saying, "I wasn't quite sure what was happening all the time but it was an exciting game and everybody, players, officials, and spectators enjoyed it."

The game was organized by the Student Government Association of S.F.J.C. which is planning to sponsor a Powderpuff Basketball game soon.

Bonnie Brae Mobile Estates News

Apologies to Ruby Pummill. In last weeks news it was omitted that she had made all the new curtains, during the summer, for the recreation hall. They are lovely and add so much to the appearance of the hall. Thank you Ruby!

Flo and Jerry Brophy spent last Tuesday at Bradenton and Tampa and returned with a new refrigerator for the recreation hall.

Dorothy and Percy Beegal who left Avon Park on May 25, have returned to Bonnie Brae. Their first stop was to Fayetteville, N. C. to attend the wedding of their granddaughter, Cheryl. The wedding was performed in the Chapel of the Methodist College. The bride was given in marriage by her grandfather, Percy Beegal. It was a Scottish service. The bridegroom wore kilts, also the minister and wedding music was played on bagpipes.

After a week in Fayetteville the Beegals left for Manchester, Conn., for a week before returning to Johnson City, N. Y. In August they attended the wedding of a grandson, Thomas Beegal in Boonstown, N. J. On the way back they stopped at Hershey, Pa., and toured the Hershey Candy factory and also saw the lovely gardens at Hershey.

The first week in September, they spent the week in Cape Cod, Mass., at Sandwich. While there they toured the Cape and went to Martha's Vineyard. They also went to many museums and thought the glass museum was lovely. Beautiful Sandwich glass was made at one time in Sandwich. They are glad to be back after their Northern summer.

Thelma Chalmers left on Saturday the week end in Sarasota. She spent the week end with Mrs. Jeannette Black with whom she has made several winter trips to the Caribbean. Needless to say they are planning on another trip for this coming winter.

Bingo started at the recreation hall last Monday, with another game on Thursday. Max Putman and Jerry Brophy are the callers. New Bingo cards had been purchased and the game was in progress.

Coffee Hour was started on Wednesday morning. Everyone is invited to attend. Don't forget - Bingo- Mondays and Thursdays at 7 and 9 o'clock and at 9:30 on Wednesday.

We are glad to see Hazel Keffler back after her visit to Largo where she visited her son, Ed.

The Putmans (Ethel and Max) spent a very pleasant summer in New York State. There was a two week trip to New Brunswick and Prince Edward Island. Later in the summer Max enjoyed a fishing trip to Ontario. Won't elaborate on how many fish were caught. They were surprised by a 50th wedding anniversary party, given by their niece and nephew, Mr. and Mrs. Charles Hendrickson. They attended several weddings and a family reunion in addition to seeing many old friends and relatives. Happy to have them return safely.

Harry Hunt returned Friday morning from a trip back to Michigan where he went to drive down his 1947 Dodge Station Wagon. He was delayed at Corbin, Ky., for four days due to having to have some garage work done before proceeding on further. He said the fall colors were beautiful in Kentucky and Tenn.

Mr. and Mrs. Charles Mayott of Hollywood, Florida and Louise Shepley of Fort Lauderdale spent a few days with Aletha Hoffman during the week. While here they enjoyed seeing Highlands Hammock State Park.

Evelyn and Tom Chockley spent Sunday with relatives at West Palm Beach.

Margaret and Gene Brown have returned to Bonnie Brae after five months in Michigan. They spent a lovely summer on the banks of Lake Michigan at South Haven. Their daughter Barbara and son in law John have their home there so many enjoyable hours were spent with them.

Many visits were made to Grand Rapids and Detroit, Mich., to visit relatives and friends. Also a delightful week was spent visiting friends at their cabin at Baldwin, Michigan. Golf was enjoyed all summer and the latest man at Bonnie Brae cut grass for FUN on a riding mower for the trailer park at South Haven where they

were staying! How about some FUN moving here at Bonnie Brae???

It's so good to see our chief referee back at the benches of the shuffle court, Joe Moreno has been confined to his mobile home for almost a week with that devil arthritis. It's good to have you back in circulation, Joe. The Pro's are back at it again. Those we see most often at the courts are Mark Brown, Max Putman, Jim and Maud Baker, Paul Manegold, Rick Venner and Jerry Brophy when he isn't busy with doings in the park. Come on over and join in the fun. Curt and Chloira Vandevender arrived back last week from their home in Tipton, Ind. Margaret, their daughter in law drove them down and returned the next day to Tipton via plane from Tampa. They had a lovely summer with the family and spent two weeks at Beaver Dam with the Stewarts and also spent a few days at Wall Lake with the Scudders. They also spent a weekend at Warsaw at the Lake with the Trues. Good to have them back again. Ellen and Neil McMonagle returned on Monday. They both look wonderful and report that they have had a lovely summer. They have visited their only son and wife and five children at their home in Media, Pa., and also visited Dave and family at their summer home at Lake Lucerne, N. Y. While there they visited many other places in New York. Now they are planning a trip to Phoenix, Arizona in November.

Thanks to everyone who brought the news in. It sure helps a lot. Thank you!

The table held red, white and blue candles. Fresh green salad was served from an immense salad bowl, while other trays held cucumbers, tomatoes and onions. Each guest tossed their own salad and enjoyed cokes and rye with it. Live fire works were in the highlight of this celebration. A flag was presented to Marilyn for her corsage.

The next holiday was Thanksgiving. Turkey and all the trimmings were served at the home of Mr. and Mrs. Art

Turner on Lake Lillian. Each table held a centerpiece of candies and home of plenty filled with candy. Marilyn was presented a miniature turkey to add to her corsage.

The highlight of the party was Christmas at the home of Mr. and Mrs. Lew Miller. The home was decorated throughout in a Christmas theme. Under the silver Christmas tree were gifts wrapped in Christmas paper presented to them from each guest. The hostesses presented them with a wooden salad set. They were also given a special Christmas tree ornament which was made by Mrs. Art Turner. She used material from the bridesmaids dresses in decorating it.

A picture taken by Polaroid camera of the couple sitting by the tree was also placed on this very special ornament. The guests were served flaming peppermint ice cream and miniature pastries.

SFJC Panthers Play Bombers In Season Opener

This past Monday night, the Panther Basketball team from South Florida Junior College journeyed to Sanford for a scrimmage game with Seminole Junior College. Monday afternoon at 4 o'clock in the middle school gym in Avon Park, the Panthers will host the same Seminole squad of Joe Sterling.

Thursday night, Nov. 4, the Panthers will display their talent by dividing the panther squad into two units, the orange and white. These two units will play a full game tape scrimmage and will be the last

exhibition game before the season opens the following Tuesday against the Avon Park Bombers.

The Panthers have demonstrated a lot of hustle and shown steady improvement. How much they improve will determine the success in number of games won and lost.

Joe Battles, Kim Malcolm, Robert Forte, George Heine and John Stephenson have been running as one unit. Steve Bond and Wilmon Edwards from Sebring, Joe Franz and Donald Simmons of Avon Park, and Mike Herbert from Naples, are five freshmen that have shown

steady improvement and if they continue to improve will be pushing for a starting berth.

Walter Scott, Jerry Austle and Mike Maddox are sophomores that are in contention for a starting berth already.

Season tickets will be on sale next week. These tickets are good for all home basketball and baseball games. The price is \$10 for an individual and \$15 for a family ticket. Any firm that would like a block of tickets can secure them from Coach Terrell or President Stallard's office.

The Panther baseball team demonstrated some strong points and some weak points. The strong point was hitting as the Panthers hit two home runs. The week points were pitching and base running. We saw enough to be encouraged. There were things that aren't ready now, but can be by spring. "We were pleased with the overall play of the Panther squad. Our pitching just needs a lot of work," remarked Coach Terrell. The Panthers lost a double header to Indian River.

FLAG STOLEN
The American flag was stolen from Lakeview Memorial Gardens last Friday, Oct. 22, between the hour of 1:30 and 2:30 p.m., according to Jim Rimer, manager of Lakeview Memorial Gardens. Anyone knowing the whereabouts of the flag can call Rimer, 385-0837, and there will be no questions asked. The flag has sentimental value because it has flown over the nation's capital.

BIG JACK MILLER, Sebring, stretches high and far for a wide throw from third baseman, Guy Maxcy, Sebring. The wild pop allowed two runners to score as Indian River Junior College

subdued the South Florida Junior College Panthers 7 to 3. Hurler Buddie Collier, Wauchula, watches as the ball careened off Miller's glove.

APHS Red Devil Cross-Country Team Hosts Meet

Eugene Sneed led the Avon Park Red Devil cross country team to a victory in Auburndale last Thursday as he took first place with a time of 14:42 and won his first individual first place of the year.

The Avon Park team took first place with 25 points (low score wins). Auburndale was second with 46 points and Lake Wales finished last with 50 points.

Jimmie Elder was second high for Avon Park coming in third, Sam Dasher, a welcome addition to the team, managed to finish fourth and Scott Gust took fifth place. Jackie Roberts came in 12th and Scott Campbell, Robert Larsen, Gary Gust, Jackie Allen and David Metheny also placed for the Red Devils.

Today (Thursday) the Devils will host Fort Meade and Lake Wales in the last home meet of the year. The boys will start running at 4 p.m. on Canfield Street south of the high school and will finish up at the high school parking lot about 13 or 14 minutes later. Come out and watch these boys run for Avon Park.

On November 13, the Red Devils will run in the District Meet to be held in Punta Gorda. Fort Meade and Alva will compete against the Devils and the team that finishes first will go to the state cross-country meet.

The Avon Park team, coached by Chet Brojek, has made a great progress this year and the team is expected to finish out strong this year and do even better next season after this initial year in the cross country competition.

Devil "B" Team Defeats Miners For Third Win

The Avon Park "B" team racked up its third win of the season last Thursday night with an 8-4 win over the Fort Meade jayvee squad in Fort Meade.

This gave the Avon Park team record of three wins, one loss, and one tie as they travel to Arcadia tonight (Thursday) to take on the DeSoto High junior varsity at 7:30 o'clock.

The Arcadia team is the only team to hand the Devil "B" a defeat this year. The baby Bulldogs took a 2-6 victory from Avon Park here at Memorial Field in the second game of the season. The Avon Park "B" team will be at home against Sebring next week, November 4, and will close out the season on November 11 in Lake Placid against the Green Dragon jayvee team.

In Fort Meade last week the game was a battle of defenses. Avon Park had a good scoring opportunity near the end of the first half but could not push the ball across the goal. With 17 seconds left in the first half, Avon Park had the ball on the 5 yard line with a fourth down and go to go. They baby Miners stopped the running play on the three yard line to kill the threat as the half ended.

Then in the middle of the third quarter, Avon Park lost a fumble on their own 10 yard line and Fort Meade punched the ball across for the TD in four plays.

The run for the extra point was short and Fort Meade led 6-0. Avon Park fumbled the following on side kick by the junior Miners and Fort Meade took over the Avon Park 45 yard line. They drove to the Avon Park 30 yard line before the Devil defense finally stopped them on downs.

Avon Park then ran the ball up the middle two times for short gains and then on third down with five yards needed from their own 35, Devil back Josh King took a pitch out from

quarterback Buddy DeWitt and ran 65 yards for a touchdown. With the game tied 6-6 the Red Devil "B" team went for two points on the conversion. Ricky Claitt carried the ball through the middle behind a wedge and the determined back ran so hard that he ran right through the end zone and almost into the fence. This gave Avon Park the 8-6 lead. The junior Devils threatened two more times but both drives were stopped by fumbles—one at the 15 yard line and one at the 25 yard line.

The strong defense was led by Gene Albritton, noseman; Joel Johnson and Moses Moore, tackles; Bernard Jackson and Eddie Culbertson, ends; Derek Cobb, Allen Padelford and Ricky Claitt, line-backers; and Micky Claitt, Marvin Jackson and Buddy DeWitt, halfbacks. The offensive team which has improved with each game, was led by Josh King and Ricky Claitt at halfbacks; William Burley at fullback; Micky Claitt and Buddy DeWitt at quarterback; Tim DuFree at center; Dennis Johns and Eddie Whitehurst at guards; Glen Gray and Bruce Trescott at tackles; and Mearl Robinson and Rick Minard at ends.

Big Corporation lobbyists in Florida are trying to make you believe a fair tax on their profits would be a tax on you.

When you go to the polls November 2, just read the last two lines on the ballot, where it says . . . and we quote . . . "Continuing the CONSTITUTIONAL PROHIBITION against a tax on the income of natural persons."

Read it . . . and then vote for the corporate profits tax.

Take a load off your shoulders. . .

Here's how you can have the NEW home you want at a price YOU CAN AFFORD!

Choose from any of over 20 Jim Walter-built homes, from one to four bedroom models. We'll build the new home of your choice almost anywhere you own property, even in remote rural areas and then, to help you get this new home we'll let you do some of your own interior finishing. We'll completely finish the outside, using two coats of high quality paint, aluminum windows, heavy-duty roofing and hardboard siding that won't split, check or warp. After finishing the outside, you decide how much of the inside you want to finish. We'll stop almost ANY stage. You do the rest. The more you finish, the more money you save. We can even supply you with the finishing materials and include the cost in your mortgage.

JIM WALTER HOMES ARE INDIVIDUALLY CONSTRUCTED ON YOUR PROPERTY . NOT PRE-FABRICATED NOR PRE-CUT.

With Jim Walter, your new home will be built board by board on your property. You'll be able to see your home built the "old fashioned" way . . . the same way your father's home was built.

INSTANT MORTGAGE FINANCING to qualified property owners

With Jim Walter, you don't have to wait to build the home you want. Jim Walter will supply you with mortgage financing. With mortgage financing provided by the builder, you are further assured of a high quality long lasting home. And by doing some of your own inside finishing, you'll be able to keep the monthly payments well within your budget.

We improve with age.

We like to think of ourselves as the Chateau LaFite-Rothschild of the automotive world.
We keep getting better every year.
Since 1949, we've improved our little car over 2,200 times.
Last year we gave it a more powerful engine and nearly twice the luggage space it had before.
This year we added 29 more improvements.
We found a way to keep engine noise down.
We found a way to make it run better in cold weather.
And we found a way to make it run even smoother.

in cold, hot or whatever weather you have in mind.
So figures on.
Since '49, we've made over a thousand body and chassis improvements.
Since '49, we've made over a thousand engine and transmission improvements.
And the reason for all this progress?
Since '49, we've spent absolutely no time making silly styling changes.
What you see, once again, is what you get.

TRY FUDGY APPLESAUCE CAKE

Cool, creamy applesauce goes great with roast beef, baked chicken and pork chops. But don't forget applesauce is an ingredient in all kinds of delicious baked goods.

Since the U. S. Consumer and Marketing Service is patting applesauce in plentiful supply this month, now's a good time to serve it in a variety of ways. Try this recipe for:

FUDGY APPLESAUCE CAKE

1/2 cup softened shortening, 1/2 tsp. salt
1 cup sugar, 1/2 tsp. vanilla
2 eggs, 1/2 cup applesauce
1 cup unsifted flour

Beat fat and sugar together until creamy; beat in eggs. Combine dry ingredients and mix well. Add mix. Add dry ingredients to creamy mixture with the applesauce and mix. Stir only until blended.

Pour into greased 8-inch square baking pan. Bake at 350 degrees F. (moderate oven) about 45 to 50 minutes or until surface is firm when touched lightly. Cool before cutting. Makes more than 3 x 3-inch.

Amazing Patented Discovery

(Not an Electronic Hearing Aid) Offers New Help for Some Cases of

Nerve Deafness

World's Only Tuning Fork Activated Hearing Device

US Patent No. 3,394,698

Send for Illustrated Hush-Tone Story Booklet

• No Increased Background Noise • All in the Ear • No Wires or Tubing • 5 Year Warranty • No Batteries • No Operating Expense, ever • Weighs Less Than 2 Aspirins

Less Expensive and more Comfortable to Wear than a Battery-type Hearing Aid

Here is news of vital importance to everyone who has any difficulty in understanding speech, such as in conversation, or in groups or while riding in a car, listening to TV, hearing in meetings, church, on the job etc.

The Hush-Tone "Speech Clarifier" is a revolutionary, patented discovery, was developed especially for those who are not deaf, for those who do not need or cannot use an electronic aid and for some who were advised by their doctor that such an aid will not help.

Hush-Tone does not help everyone with a hearing problem — the important thing is — it may help you.

Especially helpful to those who have been exposed to NOISE — whether on the job or in service.

Notes On Helping The Handicapped

Little Dora Beth McQuinn is coming in to Developmental Training each day—she is new at the DTP and her parents are new in Sebring. She helps to even up a little. Gerri Livingston was our one little girl among three boys. She and Gerri are already fast friends and are helping each other with games.

For the past 10 days our clients from the Work Center have been going out on their first out of shop contract job. They travel daily to Avon Park where they are cleaning a lake front of heavy grass and weeds. The clients are enthusiastic about the change of pace and come back to the Work Center at days end with smiles and tales of their battling wasps and other hazards. Some muscles seen not to bother them at all as they chatter and clatter their

hoes, rakes and pickaxes in to the storage room each day.

The Work Center crew cleaned up the football stadium in Avon Park after the big wet Clewiston game. Homecoming is always a big event and with all the damp newspapers torn into confetti the cleanup was not easy, but again those big smiles and cheerful chatter proved that these men and women like to get out and work.

Two more jobs are scheduled for the near future: a dock to be scraped, repaired and painted; brick to be loaded, moved across town and unloaded. After that? We don't know yet. Do you have a job for this crew of willing workers? If you do, please call: 385-4628 during business hours or 453-5563 after 5 p.m.

Halloween Party For Mother Goose School

Fun was had by all who attended the Halloween party given by the Mother Goose School of Play on Tuesday the 26th of October.

Halloween masks were donated by the Avon Park Junior Women's Club who will be sponsoring the Annual Halloween Parade and Carnival on Saturday October 30 at Donaldson Park.

Mothers enjoyed watching their children play games which included pin the Hat on the Witch and find the Witch.

Refreshments were served in the main play room which was decorated with blacks, witches, pumpkins and bats.

NURSES TO MEET
The District 27 nurses meeting will be held Monday, Nov. 1, 7:30 p.m., at the Bureau of Alcoholic Rehabilitation auditorium. The program will be "Drug Abuse" with Chaplain Archie Reed the speaker.

IF YOU PASSED the playground at the Avon Park Middle School last Friday, you might have thought you were at Cape Kennedy. Everyone was thrilled at the rocket launchings to Mr. Henry's and Mr. Moore's

classes. Pictured above is part of the students taking part in the launchings. Note rocket on ground ready for launch and in photo below, the vapor trail left after rocket blast-off.

3-2-1-0—Lift Off

The day finally arrived when students in Mr. Henry's and Mr. Moore's rocket building class were able to launch their rockets.

The demonstration took place at the Avon Park middle school playground. There were approximately 200 students present for the big launching. The students had more than 25 rockets to be launched.

Rocket building is one of the new interest classes for students in the Middle School. The students enroll in the class for nine weeks, and if they are good rocketeers, they may enroll for a second time along with new students.

The materials for the rockets are ordered from Estee Company, Penrose, Colorado. The rockets range in size from 12 inches to 5 feet.

One of the students, Larry Bean, made his own rocket from scrap materials and plan to enter it in the rocket of the month contest in Colorado.

Some of the rockets on the launching pads were, Big Bertha, Alpha III, Alpha I, Star Blazer, Saturn V, X-Ray, Constellation, Gyroc, Drifter, Beta, V-2, and Cherokee - D. It was very exciting to see how high the rockets would travel. Most of them went out of sight. The altitude range is from 50 feet to 2,000 feet; depending on the size of the rocket and its engine.

helpful hint: make sure your refrigerator keeps its cool

Close the door of your refrigerator on a slip of paper, placed at different spots around the door. If you can pull the paper out easily, perhaps you need to adjust the door or replace the door gasket. Leaks like this make your refrigerator run more and waste electricity.

Lions Club To Sell Halloween Candy Friday

This is a busy period for your Avon Park Lions Club. First, watch for your friendly neighbor Lion in your neighborhood or at the Avon Citrus Bank between 5 and 7 p.m. on Friday, the 29th. He will have a supply of Lions Halloween Candy for the trick or treaters due to visit you soon. Secondly, the annual Lions Chicken barbecue held in connection with the Halloween Day parade is all set for Donaldson Park on Saturday, the 30th, right after the parade.

The club is preparing four hundred servings of chicken, beans, applesauce, roll and ice tea to satisfy the first four hundred hungry customers with \$1.50. Once again, this will be a real bargain.

Help your local Lions Club to help others and get your moneys worth two ways.

Let's take their hand out of your pocket!

Somebody's always coming up with a bright new idea to raise money—and usually it comes right out of your pocket.

If you figure it's about time to keep other people's hands out of your pocket—vote "NO!" to the Florida income tax amendment on Nov. 2.

We don't need any more public plucking. What we DO need is some political payroll cutting, and more people in Government who treat other people's money with as much tender, loving care as they do their own.

Worst Train Wreck In County's History

Grotesquely twisted Seaboard tracks plunged into Arbuckle Creek, and splintered railroad cars discharged cargoes and debris into the water in Highlands county's worst train wreck Friday morning. Note the load of

lumber, left, the torn off wheels and axles, the toppled cars, rear, some of 26 which tumbled violently off the tracks in the present debacle.

photos by Dodge

Seaboard Coast Line trains expect to start running through Sebring again this weekend after the worst train wreck in the county's history tore up a section of main line track.

Twenty-six tank and freight cars derailed in the 2 a.m. darkness south of Sebring Friday, plunging about a dozen fully laden cars into the murky waters of Arbuckle Creek.

Cars of Seagram's 7 Crown Whisky, Ivory soap, pig testicles, animal crackers, Joy detergent, Chuck Wagon dog food, Jewel shortening, lumber, Simmons mattresses and much more were careened and toppled off the railroad trestle above the creek one mile north of Route 96. The tracks were twisted like skelter with the plunging,

splintering cars and the trestle was completely demolished. Seaboard officials could give no immediate estimate of damage except to say it is "enormous."

The freight and tank cars, all fully loaded, were strung out like jackstraws along the tracks. There were no injuries to the train crew aboard, although two of them riding in the last car were badly shaken when the train, going about 70 miles per hour, stopped abruptly.

The long 77 car freight gave way in about the center, leaving seven cars on the north side of the wreck, 44 on the south side. The engines carried the 44 on to their Miami destinations.

Sheriff's deputies and railroad special agents hurried to the scene and stayed on guard. Civil Defense Director Jim Lawson was among those first on the scene, checking on possible pollution from contents of the broken cars. He said he found nothing poisonous. He came back later by boat to help ferry communication lines.

Railroad wreckers and crews were on the scene before daylight from Wildwood and Haleah.

A spokesman for the railroad, who declined to identify himself, said it would take about seven days to erect a new trestle and get the track in operation again.

Meanwhile, trains are being stopped at West Lake Wales and

turned around. The SCL leased a fleet of buses, and passengers are taken on south by bus. Some freight between the Greater Miami area and the North, mostly perishables, was being sent via the Florida East Coast railroad tracks from Miami and Jacksonville.

The spokesman for the line, in identifying some of the spilled contents - the whisky and soap - noted that "you've probably got some of the drunkest fish in the county down in Arbuckle - if the soap doesn't kill them."

Lawson was concerned with a broken tank car which was discharging its contents into the creek. He put his hand into the liquid, he said, and smelled it. It did not affect his hand, he said, and was non-toxic.

The SCL spokesman said the wreck, the worst I've ever seen, and it is right in the middle of the swamp where it is hard to get equipment in. And there wasn't an empty car in the train.

It was not known what caused the wreck. But Lawson said examination of the tracks indicated something was dragging on one of the cars, cutting into the ties beginning about one-quarter mile from the crash then cutting through the bolts on the rails, then into the rails.

Two wooden trestles span the swamp, one 206 feet long, the other 150 feet. The freight made it over the longer trestle, but not the smaller.

Devils Spoil Arcadia Homecoming, To Pay Lake Placid There Friday Night

Keith Richards scored three touchdowns and rushed for 97 yards and James Coleman scored two TD's to lead the Avon Park Red Devils to an impressive 33-18 win over the DeSoto High Bulldogs in Arcadia last Friday night to spoil the homecoming for the host team. It was the fifth win for the Devils against two losses and set Arcadia's record at 3-4 for the season.

This week the Avon Park team will travel to Lake Placid to tangle with the Green Dragons in a Highlands County battle. The Dragons, like the Devils, have had injury problems all year but have still set a 5-3 record. The Lake Placid boys won over Key West Mary Immaculate, Ayla, and Immokealee and lost to Melbourne Central Catholic, Meechbecker (30-6), and Sebring (26-18). They had an open date last Friday night.

The Red Devils playing without starting lineman Randy Ward and Virgil McVane ground out 297 yards on the ground against the Arcadia eleven and passed for 38 yards as they scored five touchdowns, one two point conversion, and one one pointer. Richards,

when Coleman ran the ball in from the four yard line culminating a 60 yard drive that included a 15 yard penalty for pass interference against Arcadia. The attempted run for the two point conversion was stopped short.

Early in the second quarter, Coleman scored again on an 11 yard dash into the end zone. The 60 yard drive was highlighted by a 12 yard pick up by Coleman and a 19 yard pass gain by

Wayne Todd. The two point conversion was good this time as Don Sisemore ran around the left end to make the score 14-6.

Late in the second period, a readica got on the scoreboard when quarterback Mike Starnes hit Ted McKenzie in the end zone with a 27 yard pass to finish off a 49 yard drive after McKenzie had recovered a Red Devil fumble after an Arcadia punt. The Bulldogs attempted to run the two point conversion

Highlands County Voters Approve Corporate Tax

Gov. Reubin Askew's corporate profits tax amendment sailed to an easy victory in the state and in Highlands county Tuesday.

The Highlands county turnout of 5,977 voters was termed "excellent" by Jim Whitehouse, deputy supervisor of elections, who added that "for one little constitutional amendment this is a high vote. Usually only about 35 to 40 per cent of the electorate turn out."

There is a total of 14,695 registered voters in the county. Of the 5,977 who voted, 4,983 voted for the amendment, 1,294 against. All 15 precincts in the county went for the amendment, with two Avon Park precincts passing it by the narrowest margins.

Precinct 3, Avon Park Lakes district, voted 278 for, 101 against and No. 2, where the voters predominantly are Negroes, passed it by 64-44. Sebring's colored precinct also passed the issue 72-36.

With 2,769 of the state's 2,813 precincts tabulated, the vote was \$19,590 for the tax amendment and \$46,367 against.

And as it appeared clear the tax was a winner, the governor announced he will ask the Legislature this month to repeal

the sales tax on household utilities and apartment rentals. He said he will call a special session to put into effect his corporate profits tax in late November, probably around Nov. 29 after meeting with legislative leaders and committee heads.

Commissioners OK Change Of Zoning On Firm's Property

Acting on an advertised public hearing, the County Commission Tuesday unanimously allowed Land Services Inc. to change zoning on their property from agricultural to residential, retail and public use zoning.

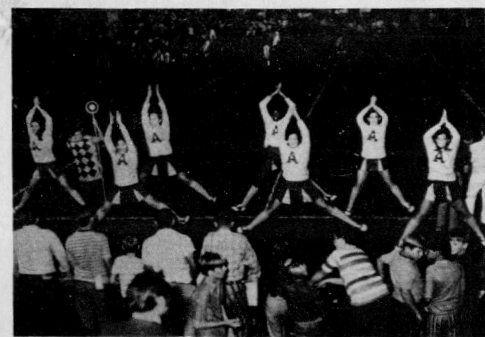

Alvin Robins, President of Land Services was present at the meeting and told a Sun reporter of some of the plans that will take shape on the property.

Robins noted that the

property will be used for single family residential, one and two family residential, multiple family residential, general retail and wholesale and public use.

In addition an executive golf course will be built on the 1,034 acre tract, tennis courts, clubhouse and marina.

A request which will increase the maximum donation from the county for mental health to \$10,000 was passed. Prior to this (please turn to page eight)

THESE PRETTY APHS Red Devil cheerleaders have a lot to cheer about as their team won their fifth game of the season at Arcadia last Friday night.

Annual Christmas Parade Set For December 7

Final plans are being made this week for the Annual Chamber of Commerce

Christmas parade, which will be held on Tuesday, December 7th, beginning at 8 p.m. according to Steve Roberts Jr., chairman of the event.

Letters have gone out to the various civic clubs, churches, and businesses, inviting them to have an entry in the parade.

"We hope that this will be the largest parade ever staged in Avon Park," said Roberts.

"Last year we had over 40 entries, and the outlook is for more entries this year."

The parade is the official opening of the Holiday Season in Avon Park. "We will hope to have the City's Christmas lights turned on that night for the first time, helping to add to the Holiday mood."

Further information about the parade can be obtained by calling the Chamber of Commerce office at 433-3550. There are no entry fees for the parade.

"Our committee is trying to avoid some of the confusion evident in last years parade, by asking that you do not have a Santa Claus on your float. The official Santa Claus will ride at the end of the parade on the Fire truck," Roberts said.

The annual Veterans Day Parade with the traditional Armistice Day services will be held Thursday, Nov. 11, in Sebring.

A unit from Avon Park National Guard and high school bands from Avon Park, Sebring and Lake Placid will march in the parade. There will also be a car for the Gold Star Mothers.

The parade will start at 10:30 a.m. at the Atlantic Coastline Depot, proceed up North Ridgewood to the Circle Where

services will be held at 11:30 a.m., lead by Judge Mervin Rehrer with Rev. Herbold and Rev. G. O. Miley assisting. Taps will be given by Ed Flor, a veteran of WWI and a legionary.

Following the services the ladies of VFW Auxiliary will serve a luncheon to the public at the VFW Clubhouse at 4300 S. Lakeview Drive. Charge for the lunch will be \$1.50. Everyone invited.

That's just how long it took Arcadia to put six more points on the scoreboard. Three completed passes out of five attempts and the ball was in the end zone. First it was a nine yard pick up with a pass from Starnes to A. rebe Lamb. Then, Terry Richardson gathered in a pass for a 49 yard romp to the Avon Park six. A pass interference penalty against Avon Park moved the ball to the three and with one second on the clock the final play began.

Starnes rolled out and was going down as he passed to Lamb in the end zone for the final score. A pass for the points after was incomplete and Avon Park had its 33-18 victory.

Fort Meade's upset win over Lakeland Santa Fe gave Avon Park some hope for a chance at the district tie. If the Hawks are beat again and Avon Park wins the remaining three games on its schedule, the two team would be tied for the championship.

Dr. W.A. Stallard Will Head Children's Drive

Dr. William A. Stallard, president of South Florida Junior College has been named chairman for the annual fund drive of the Ridge Area Association for Retarded in children in Highlands county. It was announced today by Mrs. G. F. Ward, president of the association.

The month long November campaign is part of a nation wide drive being conducted by more than 1500 member units of the National Association for Retarded children. Goal for the county is \$10,000. Funds raised by the Raycars will be used to expand educational and community service activities and support research into the causes and prevention of mental retardation.

Heading the list of local projects to benefit from the fund drive is the Work Center for the Handicapped of Highlands County along with the Association's Developmental

Training Program for your retarded children, diagnostic and evaluation services. Summer Fun Day Camp and other recreational services.

John Ramsey, Sebring, is chairman of Public Information for the Association and serves in the same capacity with the campaign.

Dr. Stallard's professional responsibilities in education are many but he makes time to serve in the community as chairman, Highlands District, Gulf Ridge Council, Boy Scouts of America. He is immediate past president of Avon Park Rotary Club.

He came to South Florida Junior College in 1965 from Bradenton where he served as Dean Technical Education. Manatee Junior College. Prior to that he was assistant professor on the faculty of the University of Texas from which institution he received his Ph. D. degree. He earned his B.S.

and M.S. degrees from the University of Alabama.

Mrs. Ward, president of the Ridge Area Association for Retarded Children, stated, "We're going to try to make this November's campaign the most successful National Retarded Children's Month ever held in Highlands County. Your support and help will be gratefully appreciated by the mentally retarded children and adults in the entire county."

The National Association for Retarded Children is the only voluntary organization devoted solely to promoting the welfare of the retarded and their families.

The National Association is comprised of approximately 1500 member units. Thirty of them are in Florida. Of the 25,000 individual members 165 are residents of Highlands county and participate in the Ridge Area Association for Retarded Children.
