Devils-Streaks Meet In Thanksgiving Eve Game

THIS IS THE kind of action the Avon Park and Sebring football fans will see when the Red Devils and Blue Streaks meet in their annual Thanksgiving Eve battle in Wednesday night at Fireman's Field.

Eight senior Red Devils will close out their high school football careers at Avon Park High School Wednesday night when the team takes on the Sebring Blue Streaks at Fireman's Field in Sebring at 8 p.m.

Quarterback Don Sisemore will finish up four years as a Devil signal-caller and defensive back along with backs Earl Strong, James Coleman and Eddie Ezell. Senior linemen are Ted Long, Ray Culpepper, Willie Davis and Randy Ward. Ward, of course, has been out with an injury for several games.

The Red Devils are favored to win over the Streaks this year and take the un-official new Lake-Ridge championship and the mythical Highlands County title also. Avon Park has a 7-2 record while Sebring is 2-7 this season.

This is a traditionally unpredictable game, however, because of the hot rivalry between the two schools and as usual anything could happen when the Red Devils and Blue Streaks clash this Thanksgiving Eve.

Real Estate Broker Course May Be Offered

It has been asked for South Florida Junior College to attempt to arrange a course to qualify salesmen for the Real Estate Broker's examination.

These courses are sponsored through the University of Florida and must be conducted through their supervision; however, the Continuing Education Division of South Florida Junior College is concerned that the patrons in the district must commute to Winter Haven as the closest training point.

Consequently, South Florida Junior College made contact with the University of Florida and has arranged to have this course offered on the campus if a minimum of 15 enrollees are registered by December 6. The cost of the course is $50 plus books. A limited number of enrollment cards are available at the Vocational-Technical Office of South Florida Junior College if you are interested.

If you have registered to take the class in January at Polk Junior College and if sufficient persons do enroll, you will be able to transfer to this class at your discretion, please contact the dean's office at 453-6661, but please do so at your earliest convenience as this is a "hurry-up" situation if the class is to be made.

THE BRIGHT FACES above are those of the Florida Southern College Hand Bell Choir, who will be performing on Friday, Dec. 3, at First United Methodist Church at 7:30 p.m. They are sponsored by the Senior Woman's Club for the Library fund.

Bell Choir's Performance Here Will Benefit Library

Florida Southern College Hand Bell Choir will be the featured artists at the annual Christmas Musical, a feature of the winter season. This program sponsored by the Senior Woman's Club to raise funds for the operation of the Avon Park Library, is always a highlight of the Christmas Season in Avon Park.

This year the program will be held in the First United Methodist Church Auditorium on Friday, Dec. 3. at 7:30 p.m. There will be refreshments and a reception for the young artists in the Friendship hall of the Church after the program. There is no admission charge but a collection in support of the Library will be taken. Be there early as seating will be at a premium.

The Hand Bell Choir , a major activity of the music Department of Florida Southern College, is directed by Dr. Albert Ream, a member of the music faculty. Dr. Ream holds degrees in music from West Minister Choir College and Columbia University.

Before joining the faculty at Florida Southern he had taught church music at the college level in Brazil and the Argentina under the auspices of the Board of Missions of the United Methodist Church.

Bell playing is much more difficult then most people realize, and it presents a real challenge to the members of the choir. This choir is composed of young women students in the music department at the college and the choir is recognized as one of the very best in the whole nation.

The choir was 49 Schulmerich Bells in its concerts and presents a unique type of program which takes full advantage of the wide tonal range and the appealing sound of these bells.

This is an outstanding musical group and we are only able to have them in Avon Park because of the close connection of Rev. Duane Zoller of the Methodist Church with the people in the music department at Florida Southern College.

THANKSGIVING SERVICE

This is a reminder of the Community Thanksgiving service Thursday at 9:30 a.m. at the First Presbyterian Church in Avon Park. The public is welcome. The preacher will be the Rev. Clifford Dance of the First Christian Church of Avon Park.

THANKSGIVING HOLIDAYS

The city and county offices will be closed Thursday and Friday for Thanksgiving. The banks and stores will be closed Thursday but will be open on Friday. The Thursday's garbage will be picked up early Friday morning. The Friday's garbage will be picked up as usual.

Porter Indicted For First Degree Murder

In a short session Monday, Nov. 15, a grand jury returned a first degree murder indictment against Grady Porter. He is charged with the fatal shooting of Berand McElroy.

The 48-year-old Porter is a resident of Belle Glade, formerly of Avon Park. He was arrested at Porter's Trailer Park on Hart Ave., Avon Park, following a shooting at the park on Sunday, Oct. 31. McElroy was a resident of the trailer park owned by Porter's mother, Mrs. Victoria Porter.

The grand jury impaneled Monday will serve through the fall term of circuit court which extends to April 4, 1972. George W. Border of Avon Park was named foreman, Ernest Eures of Sebring, vice foreman, and Roy Alexander of Sebring, clerk.

Other members of the jury are Beatrice D. Hoffman, Julian M. Goodwin, L. B. Hendrix, Jr., Jesse C. Barwick, Geraldine B. Daughtry, Everett W. Shaw, Charles L. Bashore, Edwin L. Smoak, all of Lake Placid; Thelma I. Fletcher, Joan Archer, Avon Park; Lee Roy Clark, Floyd E. Woodhouse, Bernadette Gruhler, Eileen M. Brackbill, Darvin R. Eason, all of Sebring.

Basketball Team To Open Season Friday Night

The Avon Park Red Devil basketball team will begin the 1971-72 season this Friday night with a very busy slate. Friday night the Devils meet Bartow at 7 p.m. in the Auburndale Pre-Season Cage Tourney. Auburndale and Frostproof will meet in the second game that night and on Saturday night the Avon Park five will play Auburndale at 8:30 p.m. The team that wins two games will be crowned the champion of the tourney. Avon Park will not play Frostproof in the two-night affair.

Then next Tuesday night, Nov. 30, Avon Park basketball fans can get an early look at this year's Red Devil squad when the boys take on the faculty at 8 p.m. In a preliminary game the Avon Park cheerleaders will play the women teachers at Avon Park High and Avon Park Middle School. This game will start at 7 p.m. at the new high school gym.

First regular season home game will be next Friday night, Dec. 3, against Alva from Fort Myers. The junior varsity games will begin at 6:30 with the varsity game following at 8 p.m.

The tragic death of Curtis Jackson who hit 16 points a game and pulled off a school record 380 rebounds along with the injury suffered by Thad Tate who had an 11 point average last season leaves the Red Devils with only two starters returning. Gone also are Jimmy Magenheimer (4 point average), Joe Franza (3 point average) and Clayton McNeil (2 point average) because of graduation.

Returning Lettermen

The two returning starters, however, are blue chip players. Don Sisemore, 5' 8" senior with a 24.6 point average and 1454 career points, was an all-starter last season. Robert Lansing is a 6' 1" senior who averaged 10.3 points per game last year and seems vastly improved for this season.

The real surprise this year could well be sophomore

Avon Park Lakes Land Owners Concerned About Petition

Avon Park Lakes property owners had not heard from their petition to create a special tax district and they were in county commission meeting last Tuesday to ask why.

Charles Keyes who served as spokesman for the delegation said a petition requesting the commission to begin proceedings for establishment of the district had been presented to the commission on March 16.

County Attorney R. P. Dunty, Jr., explained that under a new state law it is no longer the responsibility of the county to establish that the petition signers do in fact live within the proposed district.

Attorney Jack Hancock who had drawn the petition offered to work with the Avon Park Lakes residents in preparing the necessary affidavits on residency. Taxes collected from the subdivision's special tax district have been used to bring roads up to the level of construction required before the county will accept the roads for maintenance.

In other business Tuesday the county commission approved zoning changes to permit Cole's Nursery to manufacture concrete objects such as flower vases and stepping stones which may be used in gardening. A zoning change was granted for United Church of Christ to designate land it has acquired, from Charles Metcalf, for expansion of its camp and conference programs. The land fronts on US 27, adjacent to the present Lake Byrd Lodge area.

County Administrative Assistant Charles Cullens said some right-of-way changes will be needed for the sidewalk to the new Avon Park High School and further reports will be made later.

New Telephone Books Mailed In County

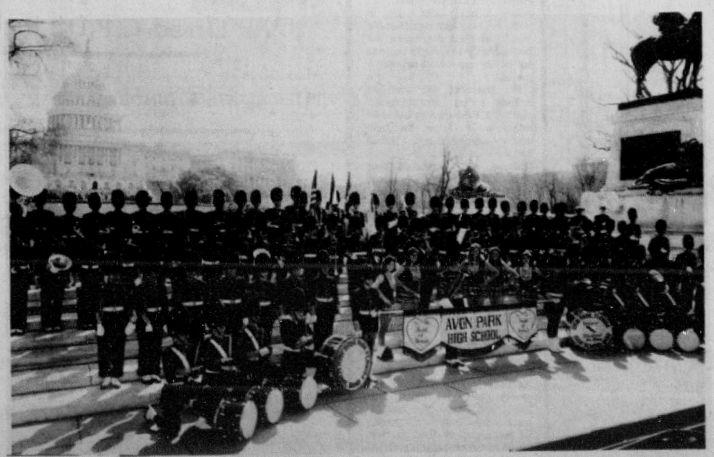
United Telephone's new "Highlands-Ridge" directory were mailed last weekend to subscribers in the Sebring, Avon Park and Lake Placid areas. The directory becomes effective on Dec. 1.

Gordon Smith, District Commercial Manager, said that the directory's 56 white pages contain some 13,000 names – an increase of approximately 800 names since last December. The publication has 80 yellow pages.

The gold-colored cover of the directory features a young girl making a call under "grand-fatherly" supervision.

Customers who have not received their new directory by November 29 are requested to call their local business office. The telephone number is listed on page one of the current directory.

Band Is Rated Superior In District Contest



APHS MARCHING Grenadier Band made straight superiors at the district contest held last Saturday in Fort Myers. This picture of the band was made at the Cherry Blossom Festival last April in Washington, D.C.

The famous Avon Park High School Marching Grenadier Band has placed another good mark in their favor as they returned from District Contest in Fort Myers last Saturday night with a straight Superior rating.

About 13 bands from this particular district, each presented a performance that could be no more than eight minutes and no less than five minutes in length. The shows were rated by three judges from around the area on playing , marching, and general effect.

Before each band went onto the field, another judge went through the band, while they were in parade formation and inspected therr uniforms, instruments, military bearing, and posture (personal appearance). Each individual person was expected to be almost perfect in each of the above items. The Avon Park band rated superior on their inspection, also.

The performance which earned a superior rating by all three judges, was as follows:

Drum Major Dennis Crews placed the band at attention and brought them out to the goal line. A special antiphonal fanfare followed featuring the Herald Trumpets in the middle of the field.

Playing the ever popular, "Colonel Bogey" the band marched into a giant "V" for Victory and then into a straight formation on the 50 yard line.

"Rule Brittania", the band's theme song was then played as the band marched off into four company fronts, performed on about face and ended up in two company fronts on each 40 yard line.

The band then performed a "double zipper" drill while playing "Tam 'O Shanter". This drill consisted of every other person going out on a specific number for 10 yards and then coming back to their original place.

The finale of the show was called a "Fantasy of Lights" featuring drummers Barry Beumel, Nick Fells, and Fred Ferguson. The song played was called "Showcase for Band" and performed with different colored spot lights on each section of the band as they played.

Chuck Gossick and Hoagy Ostling were in charge of setting up the lights and making sure they were working at all necessary times. The majorettes also had lighted batons which created an air of excitment.

The band then turned and left the field to the stirring strains of "Tunes of Glory" as the entire crowd was cheering wildly.

Low Bidder For Projects

Ewell Engineering & Construction Co. of Lakeland, is the apparent low bidder on a package of four road projects in Highlands and Hardee counties.

Bids were opened in Tallahassee last week, and according to Department of Transportation reports Ewell bid $407,955 on the light grading, leveling and surfacing of 14.1 miles.

Within Highlands County the projects are on State Road 17 from US 27 at Lake Placid to US 27 north of Lake Placid; State Road 17–leg B–from Highlands Ave. in Sebring for .8 mile east; State Road 64 from State 17 in Avon Park to the Polk County line.

The Hardee project is on State Road 35 A from State 64 west of Zolfo Springs north to US 17.

For Thanksgiving Sportsmen

Throughout Florida, sportsmen will be afield on Thanksgiving. In this land, wildlife belongs to the people and provides a hunting tradition that is a far cry from the European custom where a landowner also owns the game and the exclusive right to hunt.

Thanksgiving is a time when hunting is in full swing and the season open for just about all game birds and animals. For sportsmen, Thanksgiving means hunting and the chance to harvest the crop of wildlife that has been cultivated during the summer.

Thanksgiving is a special time for sportsmen to give thanks for the privilege of living in a nation where an individual might own and share a wildlife and sporting heritage and for the inalienable right to own and use sporting firearms.

Red Devils Basketball Season Opens Friday

(Continued from page one)

Nathaniel Packer, a 6' 2" center, who came on strong at the end of last year. Packer is a fine rebounder and defensive player. Newcomer Harry Smith, a 6' 2" junior center-forward, is an outstanding jumper who could crack the starting line-up in his first year of competition. Tony Williams is a 6' 2" junior and is another outstanding rebounder and has speed. The best shooter of the newcomers could be Mearl Robinson, a 6' 1" guard-forward, who has the ability to be a good one and he is only a sophomore.

This year's talent does not end here. Leroy Hicks, a 5' 9" junior guard with the quickest hands of them all, and Ricky Helms, a 5' 8" senior guard, will be fighting it out for one of the starting guard spots.

William Ayers, a 6' sophomore and junior Arnold Davis looks like the best bets to round out the 10 man squad. However, Danny Lewis, a 5' 9" sophomore and Filepe Harris, 5' 10" sophomore, will be pushing them.

Coach Fred Sandlin, beginning his fourth year as head basketball coach for the Red Devils, seems to have his best talent ever. However, he also has his toughest schedule ever. The 23-game schedule shows nine AAA schools and one AAAA school. Playing this schedule with no player over 6' 2" is a challenge and matching last years 14-10 record will not be easy.

Tom Lund will return for his second year as junior varsity coach and varsity assistant to Coach Sandlin. Sandlin has a three year varsity record of 38 wins and 31 losses and has an over-all record here at Avon Park as varsity and junior varsity coach over a period of five years of 63 wins and 40 losses.

Last year an average of 450-500 fans per game set an all-time attendance record. This year with a new heated gym and an exciting team, the attendance is expected to be even better.

Area Residents Enjoy Trip To Everglades National Park

Last Thursday, Nov. 18, a special Greyhound Tour Coach left the Jacaranda Hotel in downtown Avon Park on the first of a series of one day escorted tours conducted by Ritchie Tours of Avon Park, in connection with Ridge Travel Agency of Sebring. A beautiful balmy day with plenty of Florida sunshine was the setting for this "Bus & Boat" adventure to the Everglades National Park Western Gateway.

Twenty one Avon Park area residents were aboard when the coach left the Jacaranda promptly at 9 a.m. Ten more tour members joined the group at Sebring, and an additional eight at Lake Placid, making a total of 39 passengers which filled every seat in the bus.

The motor launch M-S Manatee sailed at 1 p.m. for a 2½ hours cruise among the ten thousand islands section of Everglades National Park.

An Open Letter To The People Of Avon Park

November 22, 1971

To the many, many friends who has shown such great interest in our son, Lowell, Jr.

Lowell hasn't been doing to well lately, he has been in considerable pain, especially in his back and in his left leg. He is still in halo traction, this begins the fifth week.

His first of possible three major surgical procedure was planned for this last Friday, but some problems came up to delay the schedule for some two weeks. He developed two ulcer type sores on one side of his lowerback and due to the danger of infection his main surgery couldn't be done.

The doctors decided to excise the sores, and he underwent surgery for that Thursday. Doctors say this is the quickest way to heal these type of sores. While under anathesist they removed the pin in his left leg, it too was infected. They put another pin just above the one removed.

Saturday, Lowell was doing much better, though still painful, his leg could be moved without hurting too much.

Lowell hasn't been eating to well, he has lost considerable weight which is of concern, but hopes are that he might begin to eat better now with less pain in his leg.

For those of you who has helped us so much financially(?), I'm sure you would be interested to know the fund amount. As of today, $1833.50 has been donated to the Lowell DuBose, Jr., Fund. Without your help, both in money, prayers, and in your interest this that is happening to our family would have been much, much harder. May we thank you again for all you have done for us, thought the hard part is yet to come, five weeks is behind us.

If all goes well Lowell will get to come home for awhile possible in the middle of January. He isn't to fond of being in the hosptial Thanksgiving and Christmas, but realizes he must keep fighting. His spirits are still pretty good, he enjoys your cards and letters and has his mother tape them on the wall so he can see them. For you who might not know his address and would like to send a card the address is:

Young Demo Club To Meet Dec. 9

An organizational meeting to form a Young Democrats club in Highlands county will be held at 7 p.m. Dec. 9 in the county courtroom.

Decision to go ahead and try to start a Young Democrats group was made at the regular meeting Thursday night of the Highlands county Democratic committee.

Chairman Edna Pearce Lockett issued an invitation to all interested men and women aged 16 to 35 to attend.

"We hope to have much activity for the young group," she said "and we feel younger people will enjoy being in this organization."

Mrs. Lockett announced that Sen. Lawton Chiles has opened an office which includes his entire administrative operation in the federal building in Lakeland. The office will be headed by Charles Canady as administrative assistant.

The office was opened, Chiles said, in order to be closer to his constituency and it will handle all problems the Washington office has handled.

LETTER TO THE EDITOR—

Residents Oppose Garbage Rates

To the voters in city limits of Avon Park—Are you happy with present City Management?

I, for one, am not with garbage pick-up and sewer. Heretofore, we paid $600 per month, all units full, or vacant. Since June, pick-up went to $16 per month, with $2 for my house, or $18 with only one pick-up from our premises.

Sewer—When we asked cost per month, City Clerk Malcolm said, "About 75 per cent of water bill" which was agreeable. But it comes to more nearly 200 per cent as $4 to $6 per month for water on eight unit building meter reading, we pay $10 to sewer charges. (You know part of this water went on the ground).

Of eight units, I've had three rented all summer. I'd think the fair thing would be outgo equal the intake. Garbage pick-up be flat rate, full or empty for rentals. No complaint on our house charges as we are here year around.

How about you friends who go north for several months in summer. No pick-ups?

I went to council meeting June 14, stated my dilemma and also have written two letters. No consideration. Have letter from city clerk saying, "The law would have to be changed before any action."

At this time I see no way to change it unless it is done December 7, at the polls. So let's one and all give it a try. Nothing to lose and maybe???

Mr. and Mrs. T. O. Martin

Food Fair To Increase Annual Volume

With sales for the first 12 weeks of the 16-week first fiscal quarter running 10.5 per cent ahead of last year, Food Fair Stores, Inc., large diversified retailing chain, expects to increase its annual volume by 50 per cent to $3 billion in the next four years, shareholders were told at the annual meeting Tuesday, Nov. 16.

To reach this goal, Louis Stein, chairman, and Jack Friedland, president, said the company will continue to place heavy emphasis on discount merchandising in the majority of its 544 supermarkets and all of its 77 J. M. Fields department stores.

The Food Fair officials said the company plans to open 25 supermarkets and 10 to 12 department stores in the current fiscal year which ends next July 29. Some 65 conventional supermarkets will be converted to discount operations during the year, they added. These discount food stores are known as Pantry Pride and Food Fair Quality-Discount.

Last fiscal year, the company reported sales climbed 9 percent to $1.9 billion and earnings rose 4 percent to $11.4 million, over the preceding year.

November 25th is when we all get together to give thanks—unless you happen to be a turkey.

WOMEN'S SECTION

MR. AND MRS. MICHAEL DELANEY

Phillips-DeLaney United In Marriage at Nazarene Church

In a candlelight ceremony on Thursday, Nov. 18, at 8 p.m., Miss Ginger Sue Phillips became the bride of Thevenow Michael DeLaney at the Church of the Nazarene, Avon Park.

The bride is the daughter of Mr. and Mrs. Billy W. Gogers and the bridegroom is the son of Mr. and Mrs. Thevenow H. DeLaney, all of Avon Park.

Rev. Paul J. Trissel performed the double-ring ceremony before a background of brass arch candelabra with tall burning candles and crescent shaped Areata palms. On either side were arrangements of white glads, and blue pompons in white urns on ornate pedestals.

The family pews were marked with blue satin bows and greenery.

Mrs. Miriam Filppula rendered a program of traditional prenuptial music.

Bride Wears Brocade Taffeta

Given in marriage by Lowell Ferguson, Sr., the bride was lovely in a white brocade taffeta gown with elbow length sleeves. The A-line gown featured scooped neckline with scalloped trim around the waist of bodice. Her elbow-length veil of illusion was held by a band of roses. She carried a cascading colonial bouquet of pink and white miniature carnations.

Serving as matron of honor was Nancy Scott of Avon Park. She was gowned in blue brocade taffeta. The A-line gown featured a lace-trimmed band at the waistline, accented with florets of tulips. She wore blue flowers in her hair and carried a mixed colonial bouquet of blue, pink, yellow and white pompons.

Bridesmaid was Miss Debbie Dennis of Avon Park. She was gowned identical to the matron of honor and wore blue flowers in her hair, and carried a colonial bouquet, the same as the matron of honor.

Mr. DeLaney chose for his best man, Noel Scott of Avon Park. Usher was David Scott, Avon Park.

The mother of the bride, Mrs. Rogers, chose for her daughter's wedding a pink brocade taffeta A-line dress, with bone accessories. She wore a pink miniature carnation corsage.

For her son's wedding, Mrs. DeLaney chose a purple knit dress ensemble with black accessories. She wore a corsage of white miniature carnations.

Honeymoon To Points Of Interest In Florida

For her honeymoon to Ocala, Silver Springs, Six-Gun Territory and Disney World, the bride wore a brown and beige pantsuit with brown accessories, the groom a pink carnation corsage.

After their wedding trip, the new Mr. and Mrs. DeLaney will reside in Avon Park.

Ginger graduated with the class of "71" at Avon Park High School and is employed as a salesclerk at Neisner Brothers.

Mike, also graduated with the class of "71" at APHS and is employed with Sebring Heating and Air Conditioning.

Reception

A reception was held in the Nazarene Church social hall immediately following the ceremony.

Presiding at the bride's book, at a table which held a blue carnation in a budvase was Miss Sandi Weaver of Avon Park.

The bride's table held the three-tier white wedding cake, adorned with blue roses and topped with a miniature bride and bridegroom. A Hogarth curve style arrangement of rose pink poppies in a hand painted vase was used on this table, along with the bride's bouquet.

Punch was served from two crystal punch bowls on a table covered with a white cloth, accented with silver wedding bells. The table was centered with an arrangement of pink Fuji mums, and burgandy strawflowers. Crystal bon-bon dishes held nuts and mints. The bridesmaid's bouquets completed the table decorations.

Assisting in the serving were Miss Paula Gogers, sister of the bride and Miss Marie DeLaney, sister of the bridegroom.

Christmas Parade Entries Still Being Accepted

Entries are still being accepted for the annual Chamber of Commerce Christmas Parade, scheduled for Tuesday, Dec. 7, beginning at 8 p.m.

Parade Chairman Steve Roberts and his committee are finalizing plans for the routing and line-up of the parade.

Among entries which have been received are a number of decorated cars, floats, an antique car and a mini-truck. The parade promises to be one of Avon Park's largest, with something of interest for all ages.

Well—it is that time of year—the time of Thanksgiving. Even tho, this is the day set aside to give thanks, we should be thankful all year long for so many things. We are thankful for the well-being of our families, friends and children, whether near or far. We are also thankful for the little, everyday things, that we take for granted—so many things, this column would not begin to hold them—so, hope all of you have a real nice Thanksgiving Day.

Local Teenagers Invited To Miss Florida Teenage Pageant

Young ladies of this area are invited to enter the Miss Florida Teenager Pageant to be held in Jacksonville on January 28, 29 and 30 at the Jacksonville Hilton Hotel in Jacksonville.

The invitation was issued this week by Mrs. Sybil Shaffer, executive director of the Miss Florida Teenager Pageant.

Contestants will be judged on beauty of face, figure, poise and personality, scholarship, community service and leadership. There will be no swimsuit competition.

The winner of the Miss Florida Teenager Pageant will receive a scholarship, other prizes and an all expense paid trip to compete in the Miss National Teenager Pageant to be held in Atlanta, Ga., in August of 1972.

Contestants must be between 13 and 17 years of age as of August 20, 1972.

Any teenager interested in entering the Miss Florida Teenager Pageant may write for further information to Mrs. Sybil Shaffer, 215 Piedmont Ave., N.E., Suite 1404, Atlanta, Ga. 30312, or call area code 404-659-4610.

Book Fair Scheduled At Middle School

The Avon Park Middle School Media Center is having its Annual Fall Book Fair, Nov. 29-Dec. 3. The Media Center will be open Nov. 30 and Dec. 1, Tuesday and Wednesday nights from 7-9 p.m. for parents and other interested people.

This will be held in the new Media Center that is located between the 5th and 6th grade building, with the entrance on the south side.

The Media Center is the term used for the library now that the service of the library has been extended to include, not only books, but also, audio visual materials and additional services.

Orders will be taken for the books and materials on display, to be delivered at a later date. These make excellent Christmas gifts.

The school board has done extensive renovations in the Media Center for the middle school students and the public is invited to see the fine job that has been done.

Betty Padelford Honored With Miscellaneous Bridal Shower

Miss Betty Padelford, popular bride-elect of Larry Gilbert of Sebring, was honored at a miscellaneous bridal shower Friday night, Nov. 19, at Florida Power Lounge, Avon Park.

The lovely blonde bride-elect in a grey and purple knit dress, was presented a corsage of pink rosebuds and baby breath upon arrival by the hostesses. Be tty's and Larry's mothers, Mrs. Robert Padelford and Mrs. Roy A. Gilbert, Jr., of Sebring, were presented with corsages of white carnations.

Miss Penny Padelford, sister of the bride elect, kept the bride's book on a table covered with a white lace trimmed cloth, that featured a figurine of a boy and girl "sweethearts", that revolved to the tune of "Raindrops Keep Falling on My Head", which greeted the guests as they signed.

The gift tables were covered with white lace trimmed cloths and centered with a colorful arrangment in shades of pink, the bride's chosen color. and topped with a pink tulle umbrella .

The refreshment table also covered with a white lace trimmed cloth, was centered with a crystal punch bowl. On either side were tall white ceramic candelabras, each holding four white candles, centered with a nosegay of pink gladioli, pink and rose carnations, babys breath and greenery.

Crystal bon bon dishes held assorted nuts and mints. The filled cake squares, topped with pale pink wedding bells and party sandwiches were served from crystal appointments along with the tasty punch.

Helping Betty open her many lovely gifts, was Diane Townsend, sister of the groom to be from Orlando. On this table was a beautiful arrangement of roses and heather in shades of pink, from the Murphy rose garden and arranged by Larry's grandmother, Mrs. J. S. Burkett of Sebring.

Diane Murphy, Beverly Mann and Nancy Pearl were at the punch service.

Attending from out of town besides Mrs. Burkett and Mrs. Gilbert, Jr. and Diane Townsend were Mrs. Roy A. Gilbert, Sr. Sebring, grandmother of the groom to be; Mrs. Susan Rowlson and Mrs. Robin Rowlson sister of the bride-elect from Bradenton.

Hostesses were Beverely Mann, Barbara Rewis, Nancy Pearl, Edna Dixon, Carole Owens and Eloise Sharpe. They presented Betty with a piece of sterling in her chosen pattern.

Library Benefit Planned

This year as always the Christmas Musicale, a long standing feature of the winter season in Avon Park will be presented by the Senior Woman's Club. Those who have attended these programs in the past, know they will again be in for a musical treat.

This year the program will feature the Hand Bell Choir of Florida Southern College under the direction of Dr. Albert Ream.

The Avon Park Library which was started here 53 years ago by the Woman's Club will benefit by the collection which will be taken. The Library because of ever greater use by the people of Avon Park and because of an ever expanding program is badly in need of financial help this year. This is one happy way you can help.

The program this year is under the general leadership of Mrs. George R. Couch, the newly-elected president of the club. The Fine Arts Department of the club is specifically in charge of arrangements and is ably led by Mrs. Charles Smith and Mrs. Talmage Sparks.

As the years have gone by, this is the one event on the winter calendar which has held also, the active support of all of our winter visitors. This is a year to all join together to make this the best ever. The musical talent is here. We need the support of everyone to make this the huge success that it deserves to be.

The Christmas Musicale this year at the First United Methodist Church on Friday evening, Dec. 3, at 7:30 p.m., featuring the Bell Ringers Choir of Florida Southern College. Don't miss this. Do come. You'll enjoy yourself. Bring the whole family.

"Early Bird" Mailers Urged

More mail than ever before will be delivered between now and the Christmas holidays.

Postmaster R. D. Young urged mailers to start to plan for their holiday mailings now and to be "Early Bird" Mailers.

The postal service can handle the unusually heavy load of mail expected this year, if the mailing public will give us a hand by depositing their cards and packages into the mail a bit earlier than usual and by following these few guide lines.

Packages should be wrapped well, without rattles. Addresses should be legible.

Use ZIP Codes in the mailing address. Lines at the parcel post window will be shorter if all packages have the proper ZIP Codes. The postage for a package is deremined by the ZIP Code number.

If the Code is not in the address, the window clerk must look it up, obviously slowing movement in the parcel post line. Most parcel post is sorted and routed by ZIP Codes, so careful use of ZIP Codes in both mailing and return addresses.

Early in the day mailing will also speed your greeting cards on their way. Since the bulk of businesses mail late in the afternoon, the heaviest outgoing mail reaches the post office after 4 p.m. until our deadline of 6:15 p.m. To beat this simply have your cards in the post office in the morning or early afternoon.

Christmas stamps are now on sale ready to carry your greetings. Be sure they arrive in time. Be the first this year to say "Happy Holidays."

An optimist is anyone who buys a five dollar turkey and worries about leftovers!

1971 Bombing And Navigation Completition Low Level Route

HQ SAC, OFFUTT AFB, Neb.—As part of the Strategic Air Command 1971 Bombing and Navigation Competition being held 12-17 December at McCoy AFB, Fla., SAC B-52, FB-111, and Royal Air Force VULCAN bombers will fly low-level simulated bombing missions against targets near Punta Gorda, Fla., and Lake Hamilton, Fla.

Radar bomb scoring (RBS) equipment located near these two cities will use radio and radar signals to measure accuracy of the sumulated bomb releases.

The competition missions will be flown at subsonic speeds along the centerline of a 10-mile wide corridor which winds through central Florida from Punta Gorda to Okeechobee to a point northeast of Haines City. The aircraft, which will fly between 600 and 1,500 feet above the ground over Florida, will not carry bombs on the flights.

The route begins over the Gulf of Mexico where the bombers descent to low level, approximately 170 miles west of Englewood, Fla. Crossing the Florida coast three miles south of Englewood, the bombers fly one mile north of Punta Gorda to a turning point seven miles southeast of Arcadia.

Continuing east, the route then passes over the northern tip of Lake Okeechobee and turns north passing five miles east of the town of Okeechobee. From there the bombers fly northwest to a point five miles northeast of Avon Park, turn north and pass four miles east of the city of Lake Wales. Four miles northeast of Haines City, the bombers terminate the low-level route, climb out to 3,000 feet and make a wide right turn for a final approach into McCoy AFB, Fla.

Entered in the competition will be 22 B-52s, two FB-111s, and three VULCAN bombers. All 27 bombers will fly the low-level route once on December 15. If weather conditions prevent low-level flights that day, the aircraft will fly the route on December 16.

ORDINANCE NO. 540

AN ORDINANCE AMENDING CHAPTER 7 OF THE CODE OF ORDINANCES OF THE CITY OF AVON PARK TO INCORPORATE CURRENT SOUTHERN STANDARD BUILDING CODES AS AMENDED FROM TIME TO TIME.

WHEREAS, the City Council of the City of Avon Park has decided that the best interest of the public would be served by the automatic adoption of the new and current Southern Standard Building Codes as compiled from time to time, and their subsequent amendments, and

WHEREAS, the City Council wishes to make it clear that it will not hereafter be necessary that any new edition of the Southern Standard Building Code be specifically adopted,

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Avon Park, Florida:

Section 1. Section 7-1 of the Code of Ordinances of the City of Avon Park, Florida, is hereby amended to read as follows:

"There is hereby adopted for the purposes of establishing rules and regulations for the construction, alteration, removal, demolition, equipping, use and occupancy, location and maintenance of building constructions, including permits to accomplish the foregoing, that certain code known as Southern Standard Building Code as republished and amended from time to time, save and except such portions as are in conflict with other provisions of this Code. Three copies of the Southern Standard Building Code presently in force are available in the office of the City Clerk, and the same is hereby adopted and incorporated as fully as if set out at length herein.

Section 2. The invalidity of any section, clause, sentence, word or provision of the Southern Standard Building Code as incorporated in this ordinance shall not affect the validity of any othe section of this ordinance which can be given affect without such invalid part, or parts.

FOREST JOHNSON, left, grandson of James Mitchell "Acrefoot" Johnson, the pioneer "walking mailman," is shown shaking hands with the "walking senator," Lawton Chiles, at ceremonies when "Acrefoot" was honored by the Peace River Valley Historical Society on Sunday, Nov. 14, in Arcadia. Well over 400 people turned out to honor him, as the society placed a tombstone at his grave in the small cemetery near Nocatee. Relatives came from Georgia and all parts of Florida. Senator Chiles, who came from Washington to honor the walking mailman, said "Acrefoot" was an inspiration to him.

ROTARY CLUB NEWS

By Aaron Cravens

Emmett Wright presented fellow Rotarian Don Farrens, Dean of Vocational Education at South Florida Junior College, who talked to the subject "Vocational Education as a National Responsibility."

Don set the stage by getting us to see how easy and how fruitful it is to laugh at ourselves. His leading serious statement was that he believes that all education is a national responsibility. He hastened to add that while some controls should be recognized as a part of the national responsibility most of the controls should be local.

Don reviewed the many acts of Congress that have contributed to the development of our present vocational education. The first one was the Morrill Act passed in 1862 setting aside land to be used for establishing colleges, commonly called Land Grant or Agricultural and Mechanical Colleges. Other acts of Congress provided for more participation in the major industry of the U.S. farming.

The Smith-Hughes Act of 1917 set the stage for present age and Home Economic courses in elementary sccools, high schools, and colleges. The amounts provided by the Federal government had to be matched by State funds.

Other Acts have expanded the National assistance to include trade and industrial education, distributive education, scientifvcavd technological developments, unemployed, handicapped, and the testing and counseling for occupational training and further schooling.

Don pointed out that in order to receive funds the States and schools must have plans that are approved by the Federal government. This involves a great amount of paper work but the benefits to youth and adults are worth it.

He noted that the new Secretary of Education, Sidney Marlin, is revamping the Department of Education and emphasizing Career education. Regardless of the terminology used Don thinks that we must all become more aware of the need for more specialized education—that all of us must help teach our youth to look upon work as honorable, not demeaning.

He extended an invitation to all to visit South Florida Junior College and become better acquainted with the Vocational department. He feels that Vocational Education is a National Responsibility which means that it is our responsibility.

SMOKING MORE

According to Charles E. Jackson, executive director of the Department of Business Regulation, the people of Avon Park are smoking more. The city will receive $6,914.73 Cigarette tax collected for the month of September compared to $6,592.19 the same time last year.

To Host Christmas Tea

Mrs. A. C. Wester, Sr., will open her home for the annual Silver Christmas Tea, held by the Federated Avon Park Garden Club.

This will be at 27 E. Winthrop St., from 3-5:30 p.m. on Thursday, Dec. 9. The public is cordially invited to attend this tea.

—o—

Legion Bingo

Around 40 guests enjoyed the turkey dinner at the American Legion Home last Thursday, Nov. 18, at 6:30 p.m. with bingo following. The Legion furnished the turkey and the guests brought the trimmings. The dinner was held last week, so everyone could enjoy Thanksgiving at home with their families this week.

Don't forget bingo this Thursday, Nov. 25, at 7:30 p.m. Enjoy Thanksgiving at home and then come out and play bingo. Two jackpots are still in progress to be won by someone.

—o—

Bell Ringers

The Bell Ringers from the Florida Southern College in Lakeland will give the program at the next Senior Woman's club meeting to be held December 3 at 7:30 p.m. We are indeed fortunate to have the opportunity of hearing this fine choir, who has played in every state and also in Europe. The public is invited.

—o—

BINGO TUESDAY

Our Lady of Grace Catholic Church at 595 East Main Street, Avon Park, will sponsor bingo every Tuesday at 7:30 p.m. at the church social hall. The church is located across the street from the new high school. Admission will be $1 for a double board. Refreshments will be served. Everyone welcome.

Presbyterian Young Adults Planning Tea

The young adult class of the First Presbyterian Church is sponsoring a "Doll Tea" Sunday, Nov. 28, from 3 to 4:30 p.m.

The women of the church have dressed 24 dolls to be given to the needy children at Christmas time.

These dolls are dressed in everything from wedding gowns to crocheted outfits. They will be on display along with antique dolls belonging to some of the women. These dolls date back as far as 150 years.

Also on display, will be antique toys, a collection belonging to Mrs. Jean Gibbs of the Victorian Parlor.

The public is cordially invited to attend and view these things.

AYA Enjoys Weekend Camping

The AYA (Adventist Youth Association) participated in a campout this week end at River Ranch Acres. The group from the Walker Memorial Seventh Day Adventist Church arrived at the camping area Friday afternoon and set up camp. The rest of the afternoon was spent in swimming.

Friday evening activities consited of gospel singing led by Bruce Smith and stories by different members of the group.

Saturday morning the youth conducted their Sabbath School and Worship Service in the open air of the camp site. Discussion was held on the difference between amusement and recreation. The eejoyment of nature and nature study was agreeded upon as one good source of recreation.

Saturday afternoon the group engaged in a nature walk snf vulminsyrf their afternoons activities with an animated nature quiz. The group spent Saturday evening swimming.

The outing was under the direction of Mrs. J. Wesley Osborne, assisted by ARt Unruh.

First Presbyterian Church To Celebrate Season Of Advent

The season of Advent will be celebrated at the First Presbyterian Church of Avon Park. The celebration will begin next Sunday and continue throught the first three Sundays of December. The celebration will be concluded with the observance of the Lord's supper on Christmas Eve.

On next Sunday the Advent wreath will be in the Sanctuary behind, and above, and above, the communion table. The green of the evergreen wreath, is the color of life and growth. In the form of a circle, it has no beginning and end. It speaks of the eternity of God, the four purple candles on the wreath are the color of royalty and repentance. The white candle in the center of the wreath is the Christ Child Candle.

Senior Highs of the Church will light the candles during the four Sundays in Advent. Young adults of the church will read the advent scriptures each Sunday. The four candles to be lighted on the wreath signify Christ the light of the World, to a "people walking in darkness". While the candle is being lighted, the congregation will sing the advent hymn: " O Come, O Come Emmanuel". Starting with one verse of the advent hymn, the verses will be increased each Sunday until four verses are sung on the fourth Sunday in advent. The church bulletin will carry an explanation of the verse being sung each Sunday.

A letter is being sent this week to the members of the congregation and friends. In this letter it is stated: "In the back of our minds is the coming of Christmas. One of the best ways to prepare for Christmas is throught the celebration of advent . "Advent" means "coming" and refers to the coming of the Lord Jesus in his various manifestations; His coming the flesh and weakness; His coming in spirit and in power; His coming in glory and majesty."

Enclosed in the letter is a folder: "Advent-Christmas in Our Home." The folder contains a devotion for each of the four Sundays in advent and for Christmas Day. Families are encouraged to use the folder for family, or personal devotions.

The letter also carries the calendar of events for advent. On November 28 in the Fellowship Hall of the Church, the young adult class will sponsor a "Doll Tea for Christmas Cheer". Women of the church have had a project for some weeks of dressing the dolls. In addition to the display of these dolls, there will be a display of antique dolls. On Dec. 14, the young adult class will sponsore a "Christmas Tree Party". This is for all youth of the church and the parents of small children. The boys and girls will decorate the Christmas Tree. Senior High will furnish the refreshments.

On the night of December 15, there will be the Church Christmas Tree, program and family night supper. The youth of the Church will present a

Thanksgiving Day Service Set At Lakes

Thanksgiving Day services will be attended by Christian Scientist through the area.

The service at Christian Science Society, located in the Avon Park Lakes Area, which is open to the public, is scheduled for Thursday, Nov. 25, at 11 o'clock.

Hymns of gratitude are a traditional part of the service. Music for the occasion will be accompanied by the organist, James F. Ritchie.

A distinctive aspect of the annual Christmas Science Thanksgiving service is the individual expressions of gratitude by members of the congregation. No collection are taken.

"To those learning on the sustaining infnite, today is big with blessing." one of the citations to be read from Science and Health with Key to the Scriptures by Mary Baker Eddy States.

The service also includes this passage from the Bible: "All things are for your sakes, that the abundant grace might through the Thanksgiving of many rebound to the Glory of God."

All are lovingly invited to attend this service.

Country Pastors Hold Workshop

A workshop on counseling has been arranged for the ministers of Highlands County by Highlands Mental Health Center. The workshop, scheduled for 2 to 4 p.m. on Wednesday, Nov. 24, will be conducted in fellowship hall of First Christian Church, Sebring.

Dr. Brian T. Jordan, director of clinical services for the Highlands Center, said all ministers of the county have been invited to the session.

Dr. Jordan will serve on a panel along with Bob Morris, coordinator of pastoral services at the Winter Haven Community Mental Health Center; Miss Joy Gray, mental health educator, Winter Haven. Mrs. Marjorie Brewster, psychiatric nurse with the Highlands Center, will also attend the session.

Dr. Jordan said problem situations encountered by clergymen, particularly those in pastorates, will be the subject of the workshop. This is one of a continuing series of workshops the mental health center conducts for clergymen of the county.

Bonnie Brae Mobile Estates News

We were very pleased with the good turnout at the Mobile Home Owners meeting last Thursday which was held at Leisure Acres, Sebring. Fifteen from our park attended and enjoyed learning more about the organization.

Frank Foote left early on Tuesday morning via bus for Esperance, N.Y. where he will meet Clarence, his brother, and help him to bring down his personal belongings. Clarence sold the homestead this past summer and will now make Avon Park his permanent home.

An apology to Lena and John Sinatra for placing them in the wrong state. Lena and John are from Jamestown, N.Y. and not from Ohio! Sorry.

Welcome back Mary and Cedric Weirman of Balston Spa, N.Y. Robert J. Martin a friend of theirs, drove them down and returned via plane on Thursday for Loudonville, N.Y. Everyone was so pleased to see Cedric look so well after having a second amputation during the summer. However , it has not slowed him down much as he manages to rake the lawn and get himself arround the park where he want to visit. Keep up the good work, Cedric!.

Mr. and Mrs. William Bayes of Amsterdam, N.Y. called on Maude Foote on Monday.

Mrs. Waverly Porter and daughter, Janet Hunt, called on Clarence and Marie Gerrard on Saturday. They were both former residents of the park for several winters.

Mr. and Mrs. Whit Hunt of Duanesbury, N.Y. called on Ethel and Max Putman on Tuesday. The Hunts are staying near Orange City, Fla.

Welcome back to Bonnie Brae this week, Belle and Baughn Klinefelter and sister Fannie Bohrer from Mill Hall, Pa. also Fred and Mildred Frye of Palmyra, Mich. Glad to have them back and hope that they will enjoy the winter, here in sunny Florida.

More bicycles!!! Lee and Bill Henline are the proud owners of new three speed bicycles. They purchased them on Saturday and Lee, who had never ridden a bicycle before was riding around the park within an hour after her first attempt! Traffic is certainly heavy in the park nowadays.

Larry and Fran Johnson who own a small mobile park in Sebring and former residents of Bonnie Brae called on Clarence and Marie Gerrard, Marie and Paddy Lizoote, Thelma Chalmers and several others on Sunday. Good to see our old friends again.

Irene and "Bud" Budkie have sold their mobile home and will leave on Saturday for South Carolina where they will be near their son and family. We shall all miss them, but wish them both much happiness in their new venture.

Maud and Jim Baker returned from their trip to Effingham, Ill , where Jim reports that the pheasant hunting was more than good.

Thanksgiving

MAKES US THINK OF YOU

Yes, this is that special time of year during which we give thanks for our many blessings-- For health, happiness, our loved ones, our homes, our jobs, and many things that enrich our lives. And on this special day, we want to say "thank you"--to our many friends and customers. We want you to know that we will time continue our efforts to give the finest service, any and always--whenever you call upon us.

Many, many, thanks, and--

DAVE LLEWELLYN

The New World

Who's to blame for the mess the world's in?

God.

Yes, God. And that's not my opinion, it's what God says, as well: "For the creation was subjected to futility, not of its own will, but because of Him (God) Who subjected it, in hope that the creation itself also would be set free from its slavery to corruption into the freedom of the glory of the children of God." (Romans 8)

You've wondered why the United Nations hasn't worked, why the Great Society didn't materialize, why your dreams for the future will never turn out to be what you hoped? Because human futility has been decreed by God.

"There's a new day comin'"? Nope. There's no hope. But something else really is coming — new people. Not just more people, but new ones, different ones. People are being re-born by the Holy Spirit, so when this world disintegrates they will enter a new world, prepared by God. No hope remains for anything in the world but people — you.

Another World

History seems to teach the contrary. Billions of individuals have lived and died, while civilizations have remained. But that's an illusion. The remains of past civilizations still stand, but the cultures are dead. The people that filled those now-demolished cities, however, are still alive and will be forever.

Jesus came into the world to prove that other lives and a new world were available for everyone who puts his faith in God. He did this in three ways. (Compare John 16.)

First, Jesus lived a faultless life. No one ever had done that before, nor has anyone since. No one sane has even claimed to. Jesus lived perfectly, to demonstrate that a new and different life is possible.

Second, Jesus visibly left the earth to enter another world. When Jesus died, He returned to life and thereby proved a totally different kind of human life is possible. Moreover, 40 days later, He ascended bodily into heaven in the sight of His disciples. Later, He was seen in heaven by Stephen, John, and others. He is now alive in another world. And He promised, "I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself, that where I am there you may be also."

Third, Jesus released the grip of Satan on human lives. Since Christ died, we can be freed from sin and Satan by the power of the Holy Spirit. Satan has been condemned, and we can be pardoned.

Believe It or Not

Now, if you're not a Christian and don't believe all this—good. No one expects you to. It's supposed to sound ridiculous to you. Don't go to a Christian now and ask him to explain it to you, either. It still won't make sense. If you are honestly curious, however (or if you honestly want to show Christianity up as a fraud) there is something you can do. Only the Holy Spirit can convince you that what I have just explained is true. (See John 16:8.) So ask Him. If you're honest, and He doesn't do it, Christianity is a fraud. When He does, you'll become a new person.

It's the only way to the new world.

Southland News

By BESSIE PAXTON 453-5247

Mr. and Mrs. LeRoy Raanor of Intercession City, Fla. were recent visitors of Louise Garrison. They were old neighbors in Towanda, Pa.

Mr. and Mrs. Wallace Grant have recently returned to Southlandand have the same location as last year. Their son drove them down and returned by plane later. They report zero weather at their home in Canada when they left.

Twenty-seven were out for coffee Tuesday morning. The group had the pleasure of sharing flowers which Myrtle Overholt was sent from Union Congregational Church Sunday morning. The flowers were later distributed among the several sick in the park.

The Glen Ruffners returned to the park a few days ago, and are busy doing some improvements on their mobile home recently purchased from Dorcas Young and Laura Bernthal.

Eight ladies came to the sewing group Tuesday afternoon. Hallie Hutchens is chairman of the group. Several projects were discussed and plans were made to work on two at this time. This is a good time for the ladies to meet and get acquainted. We invite all new ladies to join us.

Fourteen people came to the hall Tuesday night to play aggravation. This game sure has the right name: about the time you think you are winning someone comes along and knocks you off theboard. Hannah Tebo is in charge. It was decided Monday night is more convenient with those who play, and we are scheduled for Monday night hereafter. Louise Davidson had high score.

Twelve people from the park attended the meeting of Federation of Mobile homes of Florida at Leisure Acres, Sebring, Thursday afternoon. State president, J. J. Johnston, was the first speaker. He reported on the beginning of the federation in 1962; the financial status of the organization, with only four paid people and much less than the average wage for such service. The organization now has a membership of 30,000 with a goal of 50,000.

He is interested that each one who has joined gets the monthly paper. It was suggested those leaving before the May issure is mailed contact some one living in the park the year round to keep these issues for them.

Elmo V. Slawson spoke on promotion; how important this angle of the work is, how a work shop is being organized to train people for promotional work. He told us of his personal contact with different congressmen and representatives at Tallahassee; how meeting these people who represent us, had affect on their attitude about the bills we wish not to be passed; how he was entertained in the mobile home of many of them at Tallahassee and he felt this was an eye opener on mobile home living and the type of people in this organization; how the 200,000 letters received by them were associated with this personal contact. We can be proud that the several letters written by those in our park were among that 200,000 which helped the bills not to be passed.

Latest word from Alta Robinson is she will remain in the hospital for a few days yet, for therapy for a pinched nerve, which it is hoped will much improve her condition.

In the shuffle match Friday afternoon eight came out to play. In the play off Omer Snyder and Marvin Tebo won over Reavoe Wandover and Leo Breister with a score of 50 to 46.

SFJC Sophomores 19, Freshmen 0 In Flag Football

Sunday, Nov. 21, at the Wauchula football field, the freshman and sophomore boys of South Florida Junior College lined up for the kickoff of the first annual freshman-sophomore flag football game.

The sophomores won the game 19 to 0, but they had to fight every inch of the way for the points. All three touchdowns were made by George Heine, one on a punt return and the other two on pass receptions. Heine also shared quarterbacking chores with Jim Bellflower. The extra point on the last touchdown was made by David Foster.

The rest of the sophomore team consisted of: Craig Crowder, Bob Ambrose, Joe Rice, Mike Landress, Paul Whitaker, Buddy Collie, Buck Redding, Darrell Harrison, John Freeland, Mike Maddox and Ronald Henderson. They all did a fine job of playing football, especially on defense where they kept the freshmen from scoring.

The freshmen team consisted of Gil Tucker, Kenny Martin, Bruce Neilson, Ricky Mazmore, Eugene Reed, Carl Pasteeina, Joe Van Inwagen, Jim Maggenheimer, Fred Wilson, David Hines, Geoff Reapstorff and coached by Bill Heacock. They played hard but couldn't beat the older more experienced sophomores. The freshmen were especially strong on pass defense with Jim Maggenheimer intercepting two passes.

The referees, who probably played harder than the players, were Howard Crawford, Harley Mays and Al Marrow, all three are instructors at SFJC. These men did a fine job at one of the hardest tasks in the game.

On the sidelines manning the down markers and chains were Bill Bond, Todd Sherwood, Bruce Sherwood, Sarah McClure, Susie Franza and John Newton. the help of all of these people helped make the game a success.

Although the sophomores won, the game really isn't over yet. The freshmen have challenged the sophomores to a rematch early next year. So, be alert, and look for news of the exciting rematch, which should be even better than the first game.

Land Bank Announce Decrease In Farm Loans

"The Federal Land Bank of Columbia has announced a reduction in the variable interest rate on long-term farm loans of ¼ of 1 per cent. This reduction will be effective on December 1 on new loans on the variable interest rate and on all outstanding variable rate loans," according to Charles L. Shackelford, manager of the Federal Land Bank Association of Wauchula.

"This is the fourth interest rate reduction on variable rate loans during this calendar year by the Land Bank which has been made possible by improved conditions in the wholesale money market and the continuing increase in loan volume at the variable interest rate," said Shackelford.

"The interest rate on variable rate loans charged by the Land Bank is determined by the cost of money in the central money markets and the cost of operations of the Bank and Associations.

"Land Bank loans are tailored to the credit needs of each individual farm operation and may be repaid at any time without a prepayment penalty," Shackelford continued.

"The Federal Land Bank of Columbia makes long-term variable rate farm loans through farmed-owned Federal Land Bank Associations serving every county in North Carolina, South Carolina, Georgia and Florida," Shackelford said. The bank has loans outstanding to over 43,000 farmers, growers and ranchers in the amount of over $800 million through the 46 Land Bank Associations in the four-state district.

The Horn of Plenty Says

Welcome to our 1st Anniversary OPEN HOUSE

Just one year ago the HORN OF PLENTY opened its doors for business in Avon Park . . . It has been a very good year. We have enjoyed serving the people and we feel we have made a lot of fine friends. These are good reasons for a celebration . . . We hope you will come in and visit with us—feel free to browse—have fun—and help us celebrate our 1st Anniversary, next Wednesday, December 1st.

Build your future at Spring Lake.

Spring Lake is the new "get away from it all" community being built by Coral Ridge, a subsidiary of the Westinghouse Electric Corporation. They're the people who built the popular city of Coral Springs and the famous Galt Ocean Mile at Ft. Lauderdale.

You can easily build a home in Spring Lake into your future. There are nine furnished models on display... at prices from $17,400, all on half-acre lots. Spring Lake features lakefront privileges, all underground utilities and a policy of "hands off" as far as the natural beauty and ecology of the area is concerned. We found it beautiful and we intend to keep it that way.

For more information about Spring Lake please fill out and mail the coupon below. Spring Lake is near the city of Sebring, Florida on U.S. Highway 98 at Lakeview Blvd.

World's Finest Meats Delivered To Your Door
The doorbell rings. You answer it and the mailman asks you to sign for a parcel. Moments later, back in your kitchen, you remove the outer wrap from a hefty package, separate two styrofoam sections and carefully dispose of the dry ice packed around an inner carton. The moment of truth arrives as you lift the cover from that inner parcel.
You know what's inside, of course, since you ordered it. But if this is your first experience with mail order gourmet meats, you'll probably not be prepared for the sight that meets your eyes when you open the box. It's a sight any lover of good eating will dwell on and relish; steaks like you've never seen before. U. S. Prime center cut steaks carefully trimmed of all excess fat and bone, delicately marbled, a picture of what you would assume "the perfect steak" to be.
The foregoing, as they say in the TV commercials, is a dramatization. But one not very different from the real life situations that arise with the arrival of packages of special meats available from the few packing companies in the U. S. specializing in this kind of service.
What we offer is a selection of meats that are unavailable from any other source. The difference is not only in the grade, which ranges from U. S. Prime to U. S. Choice, but in the careful selection these firms make when they purchase the carcasses from the producers. This care also extends to the fabrication of the cuts, the sophisticated aging facilities they maintain and their special freezing equipment.
The round, the rib, the loin, and the chuck are dry or cryovac aged up to 3 months to bring out the maximum flavor and assure the greatest tenderness. Then they are cut and trimmed out into steaks and roasts by trained, experienced meat cutters, flash frozen, packed in dry ice in a styrofoam shipping case and shipped on order.
