The Avon Park Sun, Avon Park, Fla., March 30, 1972—38

Four tables were in play in aggravation Monday night of last week. Highs were Grace Barr, Mildred Hindsley and Ann Barth. Regardless of the gambling around to find themselves people like to play this game. At this week's aggravation there were four tables again with Hannah Tebo, Rosie Hall and Louise Davidson high.

Fifty-seven people came to the Hall Wednesday at 5 P.M. for the monthly pot-luck dinner. Rev. Hutchins gave a short but very impressive thanks before we ate. Decorations in keeping with St. Patrick's Day were made by Louise Breister and Ann Condit. Bright green shamrocks to remind us of the occasion were laid on each table along with other St. Patrick decorations. The hidden secret was a clever little leprechaun in Irish folklore made from a peanut butter jar with a screw top containing after dinner mints. This clever little guy was dressed appropriately for St. Patrick's Day. Martha Long's sister who is visiting the Longs and Leo Perilli's sister who is a winter guest in Avon Park were visitors.

Mr. and Mrs. D. J. Connelly and Mr. and Mrs. Omar Atkins of Indiana Rock Beach were guests of the Barths and Eleanor Pardee last Thursday.

Everyone at the bingo party Friday night had a very exciting time. Thirty-three came to look over the cards hoping to pick a winner. After several games were played it was suggested to make the "Big H". Big H for Barth, Harry Barth, who was in charge. It took a long time to make that "H" and tension was gaining; everyone needed one or perhaps two; were consulting their neighbor's card to see what they needed to win. With much emphasis Barth said 0 75 and the response was seven high. Barth and his helper, Golda Daun, did themselves some careful thinking and after checking each card, came up with the idea of three high in card drawing would be the winners. Decision final! Excitement seemed to be in the air and several tongues were twisted. Upon winning a later game one lady yelled "bunco". She was not fined. Later another lady who won yelled "Blingo". Neither was she fined.

Mr. and Mrs. Albert Hooper and daughter, Mrs. Carolyn Hovik and son, William of Huntsville, Ala. were guests of the Wandovers last Thursday.

Are all members of the Federation of Mobile Homes getting their monthly publication? They were delivered last week. The article on page 12 about Social Security might be helpful to some. Also first column on page 11 is an article on emphysema written by Dr. John G. Davis, a federation member of Ft. Pierce. Editor's note is to the effect monthly articles will be written and published by Dr. Davis on different ailments. 6th district officers for 1972 are, Pres. Robert Westfall, Lake Placid; Vice-pres. William W. Tennal, Sebring; Secy-treas. Alma B. Weaver, Sebring. Remember to wither see your postman to have your paper forwarded to your northern home or see your manager to have it forwarded, as each paper returned to the federation costs them ten cents. May issue will be last until October.

Mrs. Elizabeth Dyer of Albany, N.Y. and Miss Helen Reece of Dumont, N.J. have returned to their homes after a three weeks visit with the Raymond Longs. Mrs. Dyer is a sister of Martha.

Attention Michigan people! If you are interested in joining the Michigan Club in Highlands county please attend a meeting on Friday, April 7th, 1972, at 1:30 at Highland Homes Building (Calvary Baptist Church) Kenilworth Blvd between Orange Blossom Ave. and Roseland Ave. opposite Florida Transportation maintenance yard, Sebring. Tom Chockly, Advertising Chairman, Phone 453-6349, Florence Young, Secy, 453-4378.

Mrs. Lucille Eyer and Mr. and Mrs. Lawrence Lumpkin of Ohio are here for a two weeks visit with Elwood Stroup. They are daughters of Elwoods. A home demonstration was given at the hall Monday afternoon at 2 by the Florida Power Co. A good crowd was in attendance and small appliances were demonstrated and those present given a

chance to see more of these appliances. This is a courtesy of the Florida Power.

Mrs. Vangie Gleason arrived last week to spend several weeks in Southland with her sister, Rosetta Hall.

During the three rounds of

play in the shuffle tournament Friday afternoon Francis Hutchins and Marvin Tebo had the largest score of the afternoon; 95 to 75 over Raeve Wandover and Leo Breister. Twenty-two were out for coffee Tuesday morning.

Harriett Wandover and Helen Joseph were in charge. Our coffee hour period will continue to be at 9 sharp. We were glad to see at least two of our former members there and to welcome Elwood Stroup's two daughters who came a few days

ago to visit their father.

A capacity house of park members and friends gathered at the hall Saturday night to see pictures of the recent trip of Nita and Jim Ritchie to Hawaii. Mr. Norman Darling, who has also made trips to Hawaii

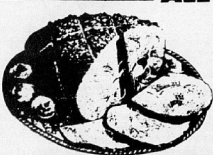

showed some interesting scenes. These pictures of Hawaii are very beautiful and folks enjoy seeing the people who live there and the lovely flowers. Marie Strobant spent a pleasant weekend with friends in Orlando.

Luella Pinney of Bonnie Brae was a visitor in the park Monday. She is quite well and returned to her trailer in Bonnie Brae after Russell passed. Rebecca Hostetter and the Tebos were in Aldersgate last

week to visit with Betty Peterson, Dorcas Young and Laura Bernthal. Marie Monks is home after being in Walker Memorial for about a week. She is up, but confined to her home and is hoping to feel more like herself soon.

Minor League Opens Season

Over 180 boys between the ages of eight and thirteen passed through Avon Park last Saturday afternoon to open the 1972 Minor League season. Twelve teams and their coaches showed off their colorful shirts and caps as the Avon Park Middle School Band led the way down the mall accompanied by the Little League Officials and the Avon Park Fire Department trucks.

Then at 3:00 o'clock the first game of the season got underway with the Phillies playing the Mets. The Mets won the game by a score of 9-2. At 4:30 p.m. the Cards took on the Dodgers with the Dodgers coming out on top by a score of 6-0. The Cubs won a 6 o'clock game against the Colts 9-4 and then at 7:30 p.m. the Angels defeated the Braves by a score of 12-5.

On Monday night there were four games played. At the Little League Field the Colts beat the Phillies 6-5 in the early game and the Angels defeated the Astros by a score of 12-7. On the

softball field the Mets won their second game of the season over the Pirates and the Braves took a 12-7 win from the Giants.

Tonight (Thursday) at the Little League Field the Giants are to play the Cards at 6:30 o'clock and the Cubs will take on the Mets at 7:30 p.m. At the softball field the Astros will play the Dodgers at 6:00 o'clock and the Indians will play the Phillies at 7:30 p.m.

Tomorrow night (Friday, April 7) at the Little League Field it will be the Colts against the Astros at 6:00 and the Indians against the Angels at 7:30 p.m. while at the softball field the Pirates will play the Giants at 6:00 and the Braves will battle the Cubs in the 7:30 game.

Next Monday night, April 10, at the Little League Field the Phillies will play the Angels at 6:00 and the Pirates will take on the Cubs at 7:30. At the softball field the Cards will play the Mets and the Colts will play the Dodgers in the second game.

Commission To Review Mobile Home Problems

The long awaited opportunity for mobile home dealers and park owners to "educate" the County Commissioners on problems they are having with existing building and zoning regulations will come sooner than expected.

At their Apr. 4 meeting, the Commissioners decided to change the previously announced date of Apr. 12 for their review of special problems affecting mobile home installation and operation. The new meeting date will be Apr. 11.

The date change was necessitated because Board Chairman Andy Jackson will not be available on Apr. 12. He must be present at a jury trial

on that date. The Board considered that the information to be brought to them by Bob Brooks of Mustang Mobile Homes and others to be too important to be heard at a time that all Board members could not be present.

Since the meeting on Apr. 11 will also include all of the regular county commissioners' business items, the mobile home discussion will be scheduled for approximately 11 a.m., immediately following the regular business meeting.

The Commissioners made it clear that they will make no decisions of the Apr. 11 meeting but will take into consideration all information brought to them by the mobile home people when they consider changes required in existing regulations.

When was the last time you thought about the most important thing in the world: you?

You. A person. Someone's child, no matter your age. A parent, perhaps. Probably a loved one. You—the most important person in the world.

But sometimes you don't act like it. Such as when you're driving. If you thought about you, you'd take better care of yourself. You'd drive as if your life depended on it. And you'd take better care of your car. You'd check your tires regularly. Your brakes wouldn't reach down to the floor boards.

The windshield wipers would wipe instead of smear. Your lights would point the way. And you'd turn them on not only between sunset and sunrise, but when it rained. Or when it was foggy.

If you thought more about you, you wouldn't drive with people who obviously don't think much about themselves and certainly not about you. Nor would you even consider getting behind the wheel after you've had a drink too many.

It's as simple as having everyone—especially you—say, "I am the most important person in the world."

When you do, when you think of you, you'll

ARRIVE ALIVE

YOU'VE GOT A CHOICE.

Representatives Oppose Chopping County In Two

It is re-districting time again—at state and national levels—and Highlands county seems to have landed in a pretty well in two instances.

But a third—redistricting for the state House of Representatives—has local politicians in an uproar, both Democrats and Republicans.

At least 16 telegrams, many of them with multiple signatures, were fired to the Legislature last week after it appeared the county would be chopped in two under the newly proposed redistricting passed by the House. It has yet to go before the Florida Senate.

Highlands County's Democratic committee two weeks ago expressed approval of the Congressional redistricting placing this county with nine other south central counties. This plan passed the Florida Senate.

But on Tuesday, a Florida House committee reported out a plan which did a little tinkering with the Senate approved plan and added parts of three more counties to the district in which Highlands was placed.

The Congressional Committee approved redistricting bill now will have to go up for debate in the House. And if it passes the way the committee wants it, the Senate and House then will have to get together to see if they can agree on either plan—or a third plan.

The Florida House Redistricting Committee, Highlands county's Democratic committee has expressed considerable opposition to the redistricting plan for the State Legislature's House of Representatives, the one chopping up the county. And local Republicans have been right along with them.

Under the House redistricting plan, the north end of Highlands county would be in a district

with big Sarasota, a sliver of Manatee and Hardee county. Side south end of Highlands county (and nobody seems to know where the dividing line will be) would be placed in a district with all of Collier county, some of Lee, some of Charlotte and all of Hendry.

James Lorenzo Walker of Naples, a Democrat, represents the latter district. James D. Tillman, of Myakka, the former.

Our men oppose it. Tillman currently is one of this county's representatives. And he with the others representing this county, Bob Johnson and Granville Crabtree, voted against the House redistricting plan.

It was pointed out that only 56,000 persons are needed in a district—and Highlands county has 30,000. Should Highlands be put in a district with smaller counties, this county would have a good chance of electing a local man to the Legislature.

However, tied to big Sarasota and populous Collier, politicians feel the chances would be pretty remote.

The proposed Florida House redistricting plan has 120 members, one more than the state presently has.

The state Senate redistricting places Highlands county in the 24th district with Manatee, Hardee, DeSoto, Glades and Okeechobee. Wilbur Boyd, D-Palmetto, currently represents the district. Both House and Senate have approved this redistricting.

Congressional redistricting. The proposed redistricting of Congressional districts places Highlands with a large number of south central Florida counties and takes this county out from under Rep. Paul Rogers.

Kiplinger Forecast Substantial Gain In Population For County

Highlands county is one of 21 in the state of Florida predicted to make substantial gains in population and/or the rate of growth by 1980.

The 1972 Kiplinger forecast of Florida's growth during the next 10 years predicts this county will gain 10,000 more people in the next decade, a 34 per cent rate of growth.

A total of 14 counties including big Dade, Hillsborough, Polk, Sarasota and Duval will grow the most in total numbers of people says Kiplinger—but Dade's increase by the end of the decade will be only 19 per cent; Duval's 29 per cent; Hillsborough's 24 per cent.

Sixteen counties will surpass the U. S. growth rate, says Kiplinger, but trail the Florida average. These include

Highlands neighbors Glades, Hardee and DeSoto. Another neighbor, Okeechobee, is in the list of counties which will make substantial population gains—and their gain in population is predicted at 6,000 and 57 per cent.

State-wide Kiplinger predicts that Florida's present population of 6,101,300 within five years will increase to 8,135,800; in 10 years, 9,447,200.

The indicated 10-year growth rate of 33 per cent is the same as last year's—at a level just below the 37 per cent rate Florida racked up during the sixties. But it continues to surpass the expected national average, increasing two or three times as fast.

(There are several big developments in Highlands county—Westinghouse's Spring Lake, Sun 'n Lake Estates, Placid Lakes, Sebring Hills, Sebring Country Estates, Orange Blossom Estates, Leisure Lakes—to name a few.)

Growth has political as well as economic implications, says the Kiplinger report. Recent figures suggest that in the 1972 election, Florida will have over 5 million eligible voters. More than 800,000 of these will be Presidential first-timers—about 16 per cent of the total. That is slightly less than the U. S. average of over 18 per cent.

Counties predicted to grow most in total numbers are: Dade, Orange, Broward, Palm Beach, Duval, Pinellas, Hillsborough, Lee, Polk, Sarasota, Pasco, Volusia, Brevard and Seminole.

Counties predicted to make substantial gains are: Citrus, Flagler, Collier, Okeechobee, Charlotte, Hernando, St. Johns, Clay, Washington, Martin, Okeechobee, Indian River, Manatee, Hendry, Duval, Leon, Okaloosa, Highlands, Marion, Escambia and Alachua.

Counties predicted to surpass the U. S. growth rate but trail the Florida average are Baker, Bay, Bradford, Columbia, DeSoto, Dixie, Gilchrist, Glades, Hardee, Lake, Levy, Monroe, Nassau, Putnam, Santa Rosa and Sumner.

Says Kiplinger: The remaining counties will not grow much and some will even lose a bit.

The plan as passed by the Florida Senate includes Highlands with Indian River, St. Lucie, Martin, Charlotte, Lee, Collier, Okeechobee, southeastern tip of Polk, Okeechobee, DeSoto, Glades, Hendry and the Belle Glade vicinity of Palm Beach.

The redistricting plan offered Tuesday by the House committee puts Highlands in a new district, No. 10, containing all of Okeechobee, Indian River, St. Lucie, Martin, Okeechobee, Highlands, Glades, Hendry, Collier, Lee DeSoto and Charlotte and parts of Sarasota, Orange and Palm Beach.

Currently Congressman Rogers' ninth district is comprised of Highlands, Palm Beach, Collier, Hendry, Martin, St. Lucie, Okeechobee, Glades and precinct 13 of Broward.

Letters To the Editor

EDITOR

The action of those who fled to Canada and elsewhere, deserting their country in time of need is not deserving to return whatever the reason. These so-called Americans who ran away while thousands of brave patriotic men lay dead and maimed for life deserve nothing but contempt. What did they do to help the families and freedom of our country? It is not their say to the policies of our nation. If they would not help our country in our wars they should have shown respect and honor to those freedom.

Instead of granting amnesty to these traitors, maybe they have discovered that freedom is worth fighting for. Let them stay wherever they are.

Granting amnesty to those who fled without the help to protect the privileges and freedom we enjoy in our great country should not be even mentioned. Where in this world of ours can anyone find freedom and privileges we enjoy?

All Legionnaires V.F.W. and D.A.V. and other Patriotic Organizations and their Auxiliaries are requested to write their Senators and Representatives. Veterans do it now this is very important.

All About BOOKS

by Fred Wheelahan

Please... Keep this date free. The third Thursday of April, which is April 20th, there will be a meeting of the friends of the library. More than likely the

kind people at Florida Power will again allow us to use their hospitality room for our meeting and we try to get things started no later than 7:30 p.m.

Try to attend and lend us your support. We need you.

I thank those of you who took time to send me your requests for specific books you want me to review. They'll be coming up soon.

This week we offer you a little movie nostalgia. It comes in the form of a book by Garson Kanin and is entitled "Tracy and Hepburn."

Garson Kanin knew both Spencer Tracy and Katharine Hepburn as close, personal friends. He also knew them as a motion picture director. His vivid description of the famous duo is outstanding. Mr. Kanin recalls that it was always Tracy and Hepburn. Never Hepburn and Tracy. He questioned Spencer Tracy about this once and the answer of given us an insight as to why so many people thought there was no finer actor than Tracy. Said his

long time friend, "Why not?" The author said, "Well after all Spencer, she's a lady." "You're the man." "Isn't it usually ladies first?" "This is a movie, you chowder head," said Mr. Tracy. "Not a lifeboat."

I grew up with Spencer Tracy. First when he was Father Flanagan of Boy's Town and later when he portrayed a somewhat father in "Guys Who's Coming To Dinner." The same with Miss Hepburn. I thought she was a marvelous actress.

The book is a joyous tribute to two fine people and the author could have done such a fine job only because he knew them. The book is so well written and well provided some fine relaxing hours of reading for you.

As I said at the start of this page it's movie nostalgia at it's best, and who knows, in this fast paced time of our lives, a little nostalgia might be like a tonic. Tracy and Hepburn is another book well worth reading.

Know Your Hospital

by John McClellan
Walker Memorial Hospital

In thinking of the cost of operating a hospital, please keep in mind that an adequate staff must be maintained on duty 24 hours a day, 7 days a week to take care of any emergency that may arise as well as the routine operation of the hospital.

Many patients entering the hospital are aware only of 5 or 6 people concerned directly with their care. This is a false impression. Every patient who enters the hospital has at least the following persons concerned directly or indirectly with his care though he may never see any of them.

The Administrator who has the overall responsibility of patient care, the Director of Nurses who is directly responsible for the nursing service to the patient. The Admitting Clerk who is the first person to interview the patient, making out the necessary admission papers.

The Nurse on the floor who greets the patient and sees that he is put to bed and carries the doctor's orders, giving treatment and needed medication. The Licensed Practical Nurse who assists the Registered Nurse. The Nurse who takes care of the routine needs of the patient providing fresh water, bathroom care and many sundry duties that are more often taken for granted by the patient.

The patient may or may not need the services of the X-ray Technician, but must remember that this person is available should the patient have this need. The Laboratory Technician is also available should there be a need and usually every patient entering the hospital will be seen by a Laboratory Technician.

The Radiologist is a doctor who is responsible for interpreting of all the films taken by the X-ray Technician. The Pathologist is also a doctor who is responsible for all tests performed in the laboratory by technicians, making certain they are accurate and your physician is informed of the results. The Medical Secretary plays a very important role in the patient care, being responsible for transcriptions of the medical records as dictated by your physician. This enables the physician to have more time to care for the patient.

The office manager is also directly concerned with the patient, being responsible for the bookkeeping and supervising of the personnel connected with insurance forms, Medicare and sundry other items. The operating supervisor and the operating room nurse may or may not render service to the patient, depending on the nature of the patient's illness, but yet they are available if the need arises.

Physical Therapy and Inhalation Therapy are directly concerned with patient care rendering service as directed by the physician. Central

Service employees are responsible for the sterilization of supplies and equipment, making it possible for nursing service and the physician to administer treatment to the patient.

The insurance clerk is hired by the hospital as a courtesy to the patient in helping them file their insurance so the hospital may be paid for the services rendered.

The dietary department has the responsibility of preparing the meal including special diets as ordered by the physician. The cleaning ladies and the laundry people as well as maintenance and, last but not least, the Chaplain visits the patients and helps with their spiritual needs. All are concerned with the needs of the patient and play an important role in his recovery.

It is obvious every patient needs the most competent person available to care for him when he is ill. In order to maintain these competent people, many times the premium has to be paid to salary and the Board of Directors along with the Administrator feel it is their responsibility to maintain and retain the most competent help available in order that they may give the highest quality of patient care. This all takes money, and to the patient—a great deal of money.

Another part of her talk was on Danger in Home Repairs, and still another on "Ten Commandments for Drivers". A number on Ritualism was given for the special benefit of the new members, Chester and Lillian Seeger; a skit, "The Quorum" by Louis and Hazel Truesdell.

STATE AND NATIONAL CONTEST WINNERS from Avon Park Grange No. 263 are left to right, Miriam Debo, who won second in the state on two photographs and third in the State on a third photograph. Mrs. Donald Ray Blankenship

Couple Weds In Union Congregational Church

Miss Jane Nunnallee, daughter of Mr. and Mrs. H. Nunnallee of Avon Park, became the bride of Mr. Donald Ray Blankenship, son of Mrs. Donald Ray Blankenship Sr. and the late Mr. Blankenship, of St. Albans, West Virginia, Tuesday evening, April 4 at the Union Congregational Church. The Reverend Herbert D. Gratta, pastor emeritus of the church, officiated in the presence of a gathering of relatives of the bride and groom.

A musical prelude was given by Mrs. Clayton Roades, organist, preceding the ceremony.

THE BRIDE

The lovely bride entered the church on the arm of her father, the strains of the Wedding March from Lohengrin. She wore a wedding gown of white cotton pique with embroidered appliques in a floral design outlining the bateau neckline of the fitted bodice. The lace appliques were repeated on the skirt. A chapel length train fell from the waistline. Her short veil of silk illusion was held in place by a Dior bow headpiece. She carried a white bible showered with white daisies and baby's breath.

The bride was attended by her sister, Miss Sara Nunnallee, who wore an empire waist, floor length silk organza gown. The bridesmaid wore a three-quarter length puff sleeves, was a delicate orchid; the skirt had pink, purple and white flowers scattered over the pale ecru lace background. She carried a bouquet of pale orchid daisies, purple statice and baby's breath.

Mr. Blankenship was attended by Mr. Charles Wickwire of Clearwater as best man. Mrs. Nunnallee wore a navy blue crepe dress with lace bolero and tany accessories. She wore a corsage of yellow sweet peas and carnations.

Mrs. Walter Betts, maternal grandmother of the bride, wore an aqua knit dress with beige accessories. Her corsage was yellow roses, pink carnations and statice.

Mrs. H. L. Nunnallee, paternal grandmother from Holland, Texas, chose a pale pink shantung dress with white accessories. She wore a corsage of pink roses and carnations.

RECEPTION

Mr. and Mrs. Nunnallee entertained at a wedding dinner immediately following the ceremony at Clayton's Restaurant in Sebring. A wedding motif was used in decorations where the guests were seated. The dinner was followed by the traditional

Air Show Will Aid The Handicapped

Air shows are an unusual form of entertainment and the skilled pilots who develop crowd enthralling performances are rare persons. A benefit show with performance, services and facilities contributed to aid the handicapped of Highlands county is the gift of Don and Shirley Gossick and Walt and Sandi Pierce.

Mr. Gossick, fixed base operator and manager of the Avon Park airport and an active member of Rotary Club, developed the idea with the Pierses and offered the opportunity to the Ridge Area Association for Retarded Children. The Flying Pierses with winter headquarters at the Avon Park airport have worked cooperatively with Don and Shirley Gossick in scheduling the event.

Sunday, April 16th at 1 p.m. at the Avon Park airport, just a few days before the Flying Pierses leave for their summer tours, is the hour for the air show. Walt, flying the 49 Stearman with Sandi as his wing rider, will perform aerobatic maneuvers. Sandi will fly the clipped-wing Taylorcraft, a specially equipped plane for close spectacular work. Don conceals that he enjoys aerobatic performance as much as any stunt flyer but that he may have too many ground obligations to take part in the show.

Following the show, volunteer pilots, all commercially licensed, will provide "penny-a-pound" rides to benefit the work for the retarded. Mr. Gossick is donating the gasoline for the rides and organizing this phase of the air show.

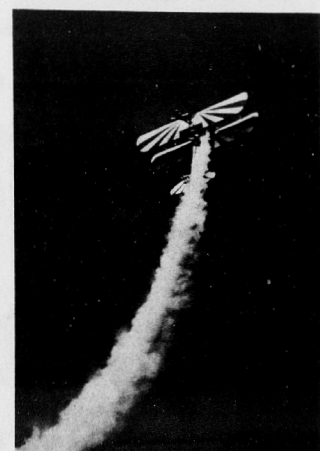

Others participating in the event are working with G. F. Ward as general chairman. Included are members of The Flying Club, a group of private pilots who have two planes hangered at the airport, Mr. Aaron Cravens, Mr. and Mrs. A. B. Wilhite, Mr. Don Parrens, Mrs. Norris Brooks, Mr. and Mrs. Charles Kempton of Avon Park. Mr. Harold Worden is in charge of the refreshment stand and food sales. Mr. John Ramsey and Mr. Tom Nason with Miss Patricia Iagani, Mr. Thomas Johnson and Mr. William Paedae are members of the committee from Sebring. Mrs. Joe Darley, Mrs. Jean Moore and Mrs. Harvey

Roberts are assisting from Lake Placid. No general admission charge will be made for the show but members of the

Ridge Area Youth Association for Retarded Children will be on hand to accept contributions for the benefit of the retarded.

Cadet Scout Troupe 21 and Keyettes will be available for ramp help. American Legionnaires and Auxiliary

Police will help with crowd control. High school art students are making posters in a competition for a free ride.

THE FLYING PIERCES will present an air show Sunday, April 16 at the Avon Park Airport.

Last Tuesday afternoon the Red Devils were to host the Arcadia Bulldog golfers here at the Pinecrest course and today (Thursday, April 6) the Avon Park team is participating in the District 4 golf tourney at the Pebble Creek Course in Tampa. This will be an 18 hole battle to determine who goes to the state meet. The top two teams and the low three individuals will qualify for the April 13-14 state meet to be held in Titusville this year. Some thirty teams are expected to enter the day-long meet since the schools are not divided in golf into classes but compete against all sizes. Lakeland Senior High is the defending champion of District 4.

In 1969 was the only woman to hold this position as head of a town government in the state of Connecticut. Following her two years as the First Selectman she was reelected to her post with five other women being elected as selectman in other towns surrounding Clinton, Conn. 7 The Avon Park Sun, Avon Park, Fla., April 6, 1972

By BESSIE PAXTON

Phone 453-5247

At cards last week on Wednesday night were two tables: one of 500 and one of pinocle. Herbert Renaud and Vangie Gleason were high, winning six straight games with a score of 3770. In pinocle Ann Barth was high with 633.

It has taken Leo Pertl all week to get down to earth since making a hole in one last Friday. He has been enjoying the game all winter and spring playing with friends at Par 3 golf course at Sebring. Congratulations Leo!

Christine and Leslie Snyder have purchased a home in Avon Park. They and Omer moved this week. We are sorry to have them leave and hope they will return to see us often. We have

pleasant memories of Edith, the mother, when she and Omer lived in the park a number of years. We know they will enjoy their three bedroom home located at 214 Marguerite Drive which is across the street from Avon Mobile Home Park on North Lake.

At bingo Friday night twenty-nine turned out. Everyone worked hard to win; some even concentrated on the game. Charles Learned won the cover all with several on his heels. The bingo fans who remain in the park during the summer will miss this Friday night diversion while those going north will now and sweat and dream of the times they won.

Francis Hutchins is the proud possessor of a trophy he won at Kistmune last week in the District Tournament. They are good fast catches, but in process of polishing they bring back pleasant memories. It took two days of battling to win this trophy and when you stay in the game for two days it really means battling.

Ida and Art Baldwin were visitors in the park last week. They formerly lived here and are now located in Lakeland. They are feeling good and enjoying life.

Friday afternoon eight were out again to play shuffle. It seems these eight either team up or are opponents. This week Leo Breister and Raymond Long had the high score for three games.

Attention to those individuals who find three a.m. a sleepless time and try to find something to do perhaps this suggestion would help. Our manager is being bothered with a very large armadillo that digs for grub at wee hours of the morning. This animal likes to work in the little park at the entrance. How would you like to join all the 3 a.m. wide awakes in a campaign? It would require some able officials to take charge of this campaign; a

leader who would know what kind of tools to take and how to use them, and a scout to round up the crowd, keep them quiet and not waken sound sleepers. If this adventure is thought advantageous just turn your light on at 3 a.m. and a scout will contact you. P.S. It is suggested you wear your fatigue clothes. P.P.S. As a reward for your services you are invited to the annual picnic scheduled very soon to be held in the park.

Mr. and Mrs. Madison Tebo of Toiopa, Pennsylvania and Mr. and Mrs. Marion Leonard of Dundee, N.Y. were dinner guests of the Marvin Tebos last Tuesday.

Mr. and Mrs. Rene Thoma, formerly of Syracuse, N.Y. and now attending college at Tallahassee, visited over with their grandmothers, Harriet Meisel and Myrtle Heffernan entered the hospital recently suffering from a severe asthmatic condition she has had for sometime. We are glad to report she is home again and feeling very good. Luella Pinney is with her at this time.

We are glad to know Rebecca Hostetter is home from the hospital. Recently she tripped

over a rug in her home causing her to fall. She was taken by ambulance to Walker Memorial where x-rays showed no broken bones. After a week's stay in the hospital she is happy to be home and getting around with the aid of a walker, which she hopes to discard in the near future.

Marie Monks is not so good. She was taken to Walker Memorial again and has since entered Winter Haven Hospital. We have had no report on her condition, but she will be glad to receive cards. She is on the 5th floor of Winter Haven Hospital, Winter Haven, Fla.

Iris and Doug Mitten and daughters left Sunday morning for their home in Canada after spending ten days in Southland. Mildred Hindley was called to her home in Ohio on account of the illness of her husband. She left by plane Monday.

Eleanor Pardee left Tuesday for her home in Rochester, N.Y. after spending the winter in Southland.

Aggravation was played at five tables Monday night at the hall. Millie Joseph was high for the evening. Very attractive little gifts were given by the committee in charge to Louise Davidson and Hannah Tebo who were high for the season.

Baptist Youth Attends Passion Play

IT'S A WOMAN'S WORLD. Have you tried the new roasting bags available on the market? In recent weeks there have been reports of problems arising from the use of the relatively new-in-concept roasting bags. Those companies supplying the bags have been most concerned and have intensively investigated cases where the bags have burst while in use. Out of the literally millions of bags used, a very few have resulted in accidents in the kitchen... but of course, the companies developing the bags realize that even a few accidents are too many.

Research indicates that if cooking instructions are followed, that is — proper piercing of the bag and an adequate pan used to contain the bag and any juices that might spill — then the problem can be traced to a reaction known as "bumping." This occurs when just the right combination of water and melted fat accumulates during cooking and forms separate layers. The melted fat becomes the top layer and prevents steam from escaping. Then bumping may occur. Should this bumping or popping become too violent, it may break the bag and thoroughly spatter the oven.

Fortunately, a way to prevent this has been found. One tablespoon of flour added to each oven cooking bag causes the water to boil normally... and avoids bumping. The flour should be added to the bag and thoroughly shaken to coat the bag before the meat is put in. With the seasoning mix in roasting bag products, this addition of flour is not necessary as the spice mixture accomplishes the same effect. This is also true of other products which contain both a bag and a seasoning or sauce mix. It is important, however, that the seasoning mix be used with the bag to eliminate the possibility of bumping.

This information comes from several large manufacturers of roasting bags. These companies have attempted to make life a little easier for us through the development of the bags and in providing instructions for their proper usage. You see, it is a woman's world!

Garden Club Installs Officers

The 1972-1973 officers of the Avon Park Federation of Garden Clubs, and the two circles, Founders and Hibiscus, were installed at the annual installation luncheon, held in the Congressional Fellowship Hall on Thursday, March 30th.

Mrs. John G. Wood, District IX Director of Florida Federation of Garden Clubs, Inc., was installing officer. She used a miniature gold bell as a symbol in her impressive installation ceremony.

Officers installed were: Federation: President, Mrs. J. F. Wagner; Vice President, Mrs. A. O. Sherman; Recording Secretary, Mrs. Thomas Clarke; Corresponding Secretary, Mrs. A. J. Irwin; Treasurer, Mrs. M. Bishop; Historian, Mrs. Fred Wood; Chaplain, Mrs. Hubert Bussard. Founders Circle officers: President, Mrs. W. C. Touchton; Vice Pres., Mrs. E. W. Hart; Recording Sec., Mrs. J. F. Wagner; Corresponding Sec., Mrs. C. C. Seifert; Treas., Mrs. M. H. Hartman; Historian, Mrs. J. Dawson.

Hibiscus Circle: Pres., Mrs. E. Fillmore; V. Pres., Mrs. Oscar Lay; Recording Sec., Mrs. C. R. Ginn; Cor. Sec., Mrs. A. B. Wilhite; Treas., Mrs. W. B. Dick; Historian, Mrs. R. J. Rutherford.

The retiring president, Mrs. Hubert Bussard, who was in charge of the business meeting presented "her book of information" covering her two years as Federation President. She thanked the various committees and members for the fine work in the various activities of the garden clubs.

She mentioned the work they did planting of trees, flowers and shrubs on the mall, Post Office, and South Florida Jr. College grounds.

Installing Director, Mrs. John G. Wood, then presented beautiful orchid corsages to the retiring president, and the three new presidents. The corsages were given and presented to the club by the nursery at Avon Park Correctional Institution.

Mrs. Hubert Bussard also received, for her fine work for the club, and what she has contributed to the A.P.C.I., a wood arrangement with plantings of air plants.

At the close of the business session, Mrs. Bussard presented the gavel to Mrs. Wagner, who used as her motto, a brown cuddly owl, as a mascot, with the owl slogan, "give a hoot, don't pollute."

As a token of appreciation, from the garden clubs, Past President, Mrs. Emma Bussard's name will be entered in the book of Presidents.

Following the installation the group reassembled in Fellowship Hall, for a social hour and luncheon prepared by the ladies of the church. The table was beautifully decorated with a single red rose, in white vases, in appropriate places on the tables.

Favors were Easter baskets made from the ever popular, colorful egg cartons, filled with jelly bean eggs. The speakers table held an arrangement of pink gladioli, and white, yellow and gold chrysanthemums, with miniature rabbits in keeping with the Easter season.

Mark your calendar ladies, for April 16th for the Annual Presidents' Conference at Lehigh Acres.

The meeting was called to order by president, Mrs. Edgar Smoot. Devotions given by Mrs. Raymond Gerrard. A duet, "Were You There," was rendered by Mrs. Glenn Long and

Mrs. Vee A. Kelsey. The business meeting followed. The members were urged to write to N.A.S.A. and commend the Astronauts for their reading of the Bible, as they orbited the moon, during December of 1968; and to let them know that we support the right of every human being to express faith

in God and the bible publicly, without fear of threat or censure.

Mrs. Smoot presented Mrs. Anthony Rutz, who gave an interesting review of the gospel according to Matthew.

A trip to G. Pierce Wood Hospital in Arcadia is planned for the near future.

Improving Beats Moving!

Have the joy and comfort of an enlarged or improved home... while you enjoy the funds we'll loan you in monthly amounts that are fitted to your income.

Don't move because your growing family needs more room. Chances are you can expand your present home and keep the friends, school and church that give your family its sense of belonging.

Under our Improvement Loan Plan you can finance an addition to your home, or remodel it to better utilize the space it now contains. The money you'll save in movers fees, damaged furnishings (three moves equals one fire, they say), and sales commissions on your present home will make several month's repayments on your loan and you'll be money ahead.

There's no down payment on our Home Improvement Loan and you have a number of years to repay. See your dealer or contractor for an estimate of the improvements you'd like to make, then see us about providing the money you'll need. An improvement loan here is easy to arrange... you get the funds quickly.

"How We Grow Them"

by Jim Kiser, inmate

Let's get started with those unusual projects I mentioned last week.

Hang them at entry, trees, pation, Florida Rooms, windows, and any place that permits growing.

For foliage you can use Aspidistra, Hedera (ivy), Boston Fern, Plectanthis, or the "spider plant," Chlorophytum Comosum. For flowers use Ivy geraniums, Begonia, Philox, Pelonia, or Vinca major. These are only a few that you might have not known about and can be placed "here there is shade or part-time sun."

For the full sun you can find a host of ideal cascading plants by using succulents. There are numerous ways of planting these. Use a hollowed gourd, clay or plastic pots or baskets, baskets of wire, wood, or shape some of your own from hardware cloth.

I have been lining my out-of-door baskets with Spanish Moss, that has been soaked overnight in soap and fungicide. It is prone to mildew, but I have not had any trouble when using it after cleaning.

Sphagnum moss is inexpensive and ready-to-use anywhere. Try your creative talents with some Bromeliads on driftwood, strawberry pots filled with a variety of succulents, window boxes of annuals, or even a Bonsai tree could be your forte. You can buy anything I mentioned here except the pleasure of saying "I made that."

TRANSPLANTING SHRUBS: The weather has been so beautiful that we are relocating many good size shrubs to improve and change certain landscape areas. The first of those moved have shown no setback. We kept a ball of soil around the roots and watered them well in their new locations. If you too have some new designs in mind, this seems a perfect time before the heat arrives. It is early enough that you can still expect a full summer of growth once they are settled.

CROTONS: They are starting to produce many new shoots due to the warm weather. We have started to take the young tips for propagation and we are putting on air-layers for obtaining larger plants in a hurry. To do this you cut a ring around the stalk at the point you desire roots. Cut it as tall as the stalk is wide, dust with a rooting compound, wrap with a ball of wet moss and cover with a plastic and secure it with 2 pieces of wire. It is air-tight at each end. If you use clear plastic you see the roots and know when it is ready to pot.

WINN-DIXIE FREEZES ALL GROCERY AND MEAT SHELF PRICES DURING APRIL

Last week, we announced that Winn-Dixie WILL NOT INCREASE the shelf price on any Grocery or Meat item through the month of April. Also, we will IMMEDIATELY REDUCE the shelf price on any item for which we receive a reduction in the wholesale price during that period. This action was taken to further assist the Federal Government in their effort to control inflation and to continue our efforts to offer the consumer the lowest possible everyday prices on finer quality foods. We will continue to pass on additional savings each week with our "7-Day Advertised Specials".

Parachute Jumps, Stunt Flying, In Store At Show

Robert Chad Le Beau will parachute from Don Gossick's 41 Stearman 405 to open the night air show Sunday, April 16 at one p.m. at the Avon Park airport.

Mr. Le Beau, a young Air Force veteran, has made over 30 free fall jumps and performed his spectacular American Flag Jump for NBC TV cameras in opening the 1971 Cleveland National Races.

Mr. Gossick, Avon Park Airport Manager, will be flying his favorite stunt plane for the opening event of the show staged for benefit of the retarded of Highlands County. All services and activities are being contributed to maintain and expand the programs of the Ridge Area Association for Retarded Children.

Penny-A-Pound rides will be available following the air show. Many residents of the area have volunteered their planes for use in the rides.

Donated planes include those of Ricky Green, Donald F. Jones, M.D., T. J. Sanders and Avon Park Flying Service of Avon Park. Howard A. Maddox, Vanard Aircraft and Withers & Harshman of Sebring, also willard Durance of Wauchula and Larry Durance of Zolfo Springs have contributed the use of their planes.

Men who will fly the Penny-A-Pound rides are Jim Harey, Bill Rackley and Jim Sizemore of Avon Park; John Marrs, Lake Placid; Ed Wheeler, Myakka City; Joey Van Inwagen, Sebring; Billy Ellis, Frostproof and Sonny Clavel, Wauchula.

Each pilot holds at least a commercial rating and many have additional ratings.

Safety requirements (as defined by Federal Aeronautics Administration) are being met. Donald F. Jones, M.D. will be available for emergencies and Mrs. Virginia Hubbell, R.N. will be on hand for First Aid services. The Avon Park Fire

Gossick Will Fly Stearman

Don Gossick, Avon Park Flying Service, will be flying his 1941 Boeing Stearman at the Air Show at Avon Park Municipal Airport, Sunday, April 16th at 1:00 p.m. This is the type of airplane that was used during the Army Air Corp training program at Avon Park during World War II.

Gossick's airplane was found as a derelict two years ago and was restored to its original 1941 condition and colors by Avon Park Flying Service and was licensed for return to service last fall.

Gossick, with the help of

engine and ambulance will be stationed on field in case of need.

A FAA representative will be at the airport to check operating conditions and to brief all pilots prior to the show. Auxiliary police will handle crowd control.

Art students of Avon Park High School have completed a number of posters with Miss Theima Foster and Miss Karen Reeves winning free rides for their prize posters.

Radio interviews of the pilots in the air show will be heard over WAPR on Friday April 14th. Station WJCM has contributed public address equipment and will broadcast from the airport during the show.

Food and cold drinks will be available on the grounds, again, with all proceeds going to help the handicapped learn to help themselves.

The county fathers stood behind the group and asked them to submit some figures concerning the cost of such a new library.

The representatives stated it would probably run about \$150,000 which would include wall to wall carpeting, air conditioning, proper lighting, a large meeting room, sound systems and a large second story auditorium.

The council stated they will decide further when they work on next years budget, probably in August.

The group also stated their opposition of the county putting any money into the old armory which the city is planning to renovate into a recreation center for the city's youth.

The group stated they have contacted the county commission about building a building in Avon Park just as they have in Venus and Lake Placid, but the commission stated they haven't the proper funds. It was mentioned during the meeting that the county commission is supposed to have \$35,000 in funds to be spent in Avon Park, but no work has been started here.

At one time it was said a county commissioner stated it

categories were discussed. One was the need to differentiate between "travel trailers" and "mobile homes."

County Building Director, Bill Young, explained that there was a substantial difference between parking sites in mobile home parks set aside for temporary and those for permanent use. The explanation was contested by many mobile home people present.

Young said that he does not require the purchase of permits and inspections for hook-up of electricity and sewage to a travel trailer and has no present plans for doing so.

After considerable discussion, it became evident that a distinction between a "permanent" and a "temporary" site is needed. The question of using a "permanent" parking site for "temporary" use by a travel trailer must be explored also.

Another problem aired at the meeting concerned the master plumber's requirement that present plumbers and master electricians be licensed.

Several distinct topics

at last Monday night's regular meeting of the Avon Park City Council, a large group of citizens representing the Avon Citrus Bank, the Avon Park Women's Club, and the newly formed Friends of the Library were on hand to present their views to the council.

The librarian Margaret Hise was first to speak for the group. "We are not here to fight, . . . condemn . . . or criticize anyone," she began. "We're here to ask for help." Hise pointed out the group is partially agreeable to the city's aid to the golf course, the Winter Guest Club, and the beautification of the Mall, but they feel the city should support the library more. It was pointed out that last year the library received only \$370 from the city which was to provide funds for three people wages, all the books and supplies, postage and bindings.

"I hope that we will be fully agreed that Avon Park needs a new library building," Hise went on to say. Over the past twenty years, the only major work done to the present building has been the addition of air conditioning. The group pointed out that the library is the only cultural thing in the city, and it is vastly under the demands of the younger people.

Dan Davis, a teacher in Avon Park, stated he has given his students assignments which would cause them to make use of the library, but they were unable to complete the work because the library has an inadequate supply of books and room.

The city fathers stood behind the group and asked them to submit some figures concerning the cost of such a new library. The representatives stated it would probably run about \$150,000 which would include wall to wall carpeting, air conditioning, proper lighting, a large meeting room, sound systems and a large second story auditorium.

The council stated they will decide further when they work on next years budget, probably in August.

The group also stated their opposition of the county putting any money into the old armory which the city is planning to renovate into a recreation center for the city's youth.

It was mentioned during the meeting that the county commission is supposed to have \$35,000 in funds to be spent in Avon Park, but no work has been started here.

At one time it was said a county commissioner stated it

is hard to have anything done in Avon Park when our own commissioner is against the idea. They were referring to Cecil Skipper, a member of the county commission, and a resident of Avon Park.

The group mentioned that this is election year and two commission seats are up for election, which could cause some changes to be made soon.

Councilman Herman Sizemore made a motion for the city to write a letter to the county commission, and emphatically state they should go ahead with their plans to build a building or buy a pre-existing one in Avon Park which we

think we are entitled to. The motion carried unanimously.

Councilman Clarence King made a motion that the city send behind the women's club in its program for a new library. This motion also was passed unanimously.

In other business handled at the council meeting, Sizemore

asked why a list of junk cars the council asked for six weeks ago hasn't been compiled by the police department. The council decided to ask the police department to "get on the ball" and compile the list.

The city also decided to put up three more city lights in order to lighten up dark streets.

CENTERFIELDER EDDIE EZELL is batting the ball at a .360 clip this year for the Avon Park Red Devil varsity baseball team. The Devils have a 9-4 record with two games left on the regular schedule. In the third frame they added one more run and in the fourth inning, with four substitute Devils batting, the Avon Park team put 5 more runs across for the 20-0 win.

Tim Underwood and Don Sizemore led the Devils at the plate. Underwood had a triple and a double and Sizemore had a double and two singles for the evening. Leon McRae had a double and a single and Del Murphy blasted a double off the left field fence. Eddie Ezell fanned his batting average with two singles. Devils Will Close Season Saturday

The unpredictable Avon Park Red Devil varsity baseball team blew its chance to grab a share of the Lake-Ridge Conference championship with Sebring last week when they lost a 4-3 game to Okeechobee on the Brahman's home field but came back strong on the week-end with back to back shutouts over Lake Placid (8-0) and Arcadia (20-0) here at Head Field. The Devils had a 9-4 record before traveling to Clewiston last Tuesday night for the last conference game of the regular season.

Tomorrow (Friday) afternoon the Red Devils will go to Fort Mead for a game with the Miners set to start at 4:00 o'clock. Then Saturday night the Devils will close out the regular season with a home game against Alva here at Head Field. Game time for that finale is 7:30 p.m.

The sub-group tournaments for District 6 of Class AA will get under way on April 20. The teams in the district are Avon Park, Fort Mead, Frostproof, Santa Fe, Mulberry, St. Pete's Admiral Farragut, Zephyrhills, and Tampa Pinecrest. These eight teams will hold two sub-group meets and then the winners of that will play a best-of-three game series to determine the district champion. The Red Devils still have a shot at hosting one of the sub-group meets.

In Okeechobee last week the Brahman's put together 4 hits and four errors by the Avon Park team to score the four runs while holding Avon Park to three runs. Don Sizemore took the mound loss for the Devils.

The Red Devils managed to get 7 hits off the Okeechobee pitcher but couldn't put them together for a win. Sizemore rapped out two singles, Johnny

Todd hit a triple, and Leon McRae, Tim Underwood, Eddie Ezell, and Nate Williams all had one single each.

Last Friday night sophomore Artie Bass hurled a no-hitter against Lake Placid as the Devils took the 8-0 victory. Bass fanned 10 batters as he posted his first no-hitter of the season. Avon Park High School Has First Bomb Threat Tuesday

"This is a bomb threat!" These words were spoken over the phone to High School secretary Mrs. Ann Stevens Tuesday and sent four officers from the Avon Park Police Department and one from the sheriff's office into action.

Aaron Cravens, principal at the high school told the Avon Park Sun, the call came in shortly after 10 a.m. Stevens answered the phone, statement made and the unidentified caller asked for the assistant secretary.

Stevens put the call on hold and immediately contacted an operator and told her the situation.

The Highlands County School Board took action on bomb threats via the telephone only three weeks ago. They provided all county schools with trace clips. This enables the telephone company to trace call anytime after notification.

Police Chief Ferland Critt stated he and three other officers

proceeded to the High School along with County Sheriff Sergeant Glen Harshfield, after his office received the call around 10 o'clock.

Critt stated they searched the entire school for approximately one hour and found nothing.

When asked how the children behaved during the crisis, Cravens said "excellent." "I've received no complaints."

When asked how the children behaved during the crisis, Cravens said "excellent." "I've received no complaints."

When asked if there were any leads in the case, Critt stated the school authorities said the caller could have been an intoxicated colored female.

Rufus to be tied down for more. Critt said the case is still under intense investigation.
