

The Anderson's Has House Warming

On the evening of July 31, 1972, a surprise House Warming was given for Mr. and Mrs. Frank Anderson by Mrs. Janet Willis.

Everyone attending met at the home of Mr. and Mrs. Willis and went as a group to surprise the Andersons.

Each person was given a personal tour of the Anderson's new home on North Lake Avenue. Several games were played and then everyone enjoyed watching Cleo open her many lovely gifts.

Refreshments of assorted goodies were served following the opening of the gifts. A fine time was had by the Andersons and all their friends.

Cosmetology

Class Will Open August 28

The Vocational-Technical division of South Florida Junior college is preparing for their third class in cosmetology. Enrollment for this class is still open although there have been a number of students already accepted in the program.

This is a 10-month training program beginning Aug. 28 and ending July 1. Students are then prepared to take the examination given by the State Board of Cosmetology. In addition to the tuition, students must buy their kits, textbooks and uniforms. Anyone wishing additional information should contact Gene Stalter, Director of Vocational Counseling at SFJC.

The Cosmetology Clinic, which provides services for the public, will open around the middle of October. At that time, anyone wishing to make an appointment should call the Cosmetology Clinic at the college.

Gallen Pledges To Make County A District Office

State Representative Tom Gallen, a candidate for the Florida Senate from District 24, has pledged to make Highlands County a district office if he is elected.

Speaking to the Avon Park Rotary Club on Tuesday Gallen hit at the court-ordered districting plan which lumped Highlands, Okeechobee, Glades, Hardee, DeSoto and

Manatee Counties into the 24 District.

However, Gallen noted, "We are fortunate that our counties do have so much in common. Our task now is to find a way to give adequate representation to all of the people in the six counties."

By making Highlands County a focal point of representation in the Senate," Gallen added, "added voice can be given to the eastern portion of the district, along with a rapid line of communication with the office of the Senator."

Gallen noted that Senators are entitled to an office and an aide, and that he intends to use these funds to appoint a Highlands County resident as his legislative aide and to maintain an office in Highlands County.

Pointing to his six years of service through 23 legislative sessions, Gallen emphasized his campaign slogan: "There's no substitute for experience."

As representative from Hardee and Manatee Counties, Gallen worked closely with Senator Wilbur Boyd, who represented Highlands County in the Senate.

"With Senator Boyd," Gallen said, "I have been a consistent supporter of Highlands County's State Institutions, and I have made every effort to familiarize myself with their leaders, their problems and their needs."

"I have been a regular vacationer at Lake Letta, for the past 10 years," Gallen noted, "and I have a feel for the character of Highlands County and an understanding of the people and their economy. I know that the conservative position I have demonstrated over six years in the House fits in with their own views on government."

"Agriculture and agribusiness are the life-blood of the entire 24th district," he said, "and I have consistently supported the agricultural programs supported by the Florida Citrus Commission, Florida Citrus Mutual, the Florida Farm Bureau and the Florida Cattleman's Association."

Gallen indicated that his knowledge of state government, state officials and legislative leaders puts him in position to be the most effective representative of the area in the Florida Senate.

His years of service in the House will give him seniority over other first-term Senators, an advantage in obtaining key committee assignments which are important to the counties in the district.

Mrs. George LaCroix Celebrates Birthday

Congratulations for a Century, Mrs. George LaCroix, the former Eliza Trudeau, who was "100" years old July 10, 1972. Born July 10, 1872, in Quebec, Canada, Mrs. LaCroix married in 1893 in Natick, R.I. She lived in Baltic, Conn., from 1899 to 1956, where she and her husband operated a dairy farm. She now resides with her granddaughter, Mrs. Charles Sexton in East Lyme, Conn. She is the mother of seven

children: Leo LaCroix of Baltic, Conn.; Romeo LaCroix of East Hampton, Conn.; Alime LaCroix, High Springs, Fla.; Mrs. Wilfred (Dolores) Lemone of Norwich, Conn.; and Mrs. Walter (Flourina) Coady, Avon Mobile Home Park; and George and Gilbert LaCroix, deceased. She also has 11 grandchildren, 15 great-grandchildren, and five great-grandchildren.

Mrs. LaCroix has a brother in St. Albans, Vt., Henry Trudeau, who is 95 years old, and a sister, Mrs. Alice Bourgeois, 90 years old, who lives in St. Blais, Canada. Another sister, Mrs. Rose Jodoin, who was present at Mrs. LaCroix's "100th Birthday Celebration", died July 26, at the age of 96.

Mrs. LaCroix is still active, does crocheting, and recently braided several rugs.

Two-thirds of the people living in our cities now, were not born there.

Postal Service Launches Airmail Promotion

The United States Postal Service is launching a major airmail promotion in August to tell their customers about the advantages of airmail. Right now, many persons think there is no difference in service between airmail and first class mail.

Since both travel by air, many persons wonder what they get for the extra three cents postage. What these people don't realize is that airmail is definitely faster. Airmail is priority service. It is guaranteed to fly on the next available flight-airmail doesn't wait for a seat on a "space available" basis. It is handled first, processed first, and flown first.

Moreover, airmail is reliable. Studies show that most of airmail is consistently

delivered overnight to certain cities within 600 miles of our post office. And airmail is delivered to all major cities in the continental United States by the second day.

The Post Office is proud of this fine record. The Avon Park Post Office urges customers in this area to contact them regarding this important service for more information.

Savings Bonds

Reach \$34,434

In County

Florida residents purchased \$10.3 million of Series E & H United States Savings Bonds during June—\$2.2 million more

than June 1971. Savings Bonds sales in the state totaled \$70.5 million during the first six months period—up \$10.7 million

over the same period last year. Florida reached 63.7 per cent of its annual sales goal June 30.

Highlands county sales in June were \$34,434 according to Mr. A. Lewis Howell, State Volunteer Chairman. The county achieved 63.3 per cent of its 1972 goal the end of June.

The State Chairman noted that the popularity of Savings Bonds is in a large part due to the Tax Deferral Privileges which prove beneficial in creating retirement or education funds.

DAVE LLEWELLYN

Why Go?

Why go to church?

Business and social reasons aside, they have nothing to do with the purpose of church. What's church for? Worship, probably, is your first response. And that's a good word. Unfortunately, worship to most people seems to be a vague, warm feeling toward the universe in general. Even if it is an attitude clearly directed toward God Himself, undefined as it is, who knows when he is really worshipping?

If worship is an expression of trust and confidence in God of course it should be a positive, soothing, reassuring experience, emotionally. But just as certainly, emotion should follow the fact. People can't meaningfully trust God simply because a church service makes them feel good. The church must inspire faith in God and the faith create the good feeling.

Bearing the words of God encourages faith. "Let the word of Christ richly dwell within you, with all wisdom, teaching and admonishing one another" (Colossians 3).

Liturgical, repeated prayers, and sermons may recall God's principles to worshippers but practical worship "in and out with all wisdom" it applies God's words to specific circumstances and a relationship. Learning "God is love" is valuable but worship should be, for example, learning how to show God's love to someone you dislike.

The music of worship that the Bible prescribes is "psalms, hymns, spiritual

songs, singing with thankful hearts in your hearts to God. Quiet organ music helps meditation, but the end of worship should be vocal praise. Passive worship is impossible.

The Godward purpose of church is worship, praise to God out of a heart full of renewed confidence in Him. If that is usually neglected, the main purpose still moves. "Let us consider how to stimulate each other to love and good deeds" (Hebrews 10). How can a church stimulate love? By encouraging its members to love each other, often, under pressure as well as relaxed circumstances. By refusing to allow disputes to divide and to go unsettled.

How can a church stimulate good deeds? By committing its members to service of others. By taking the initiative to involve itself in local community problems. By providing facilities and materials for its members to use to help other people. By stimulating love.

Why go to church? To get together with other Christians to worship God and to help each other. Christians go to church because they need what should be there: other Christians sincerely committed to helping them worship God and become more Christlike. Copyright Dave Llewellyn 1972

Dr. Marshburn Speaks At Family Night

Dr. Robert Marshburn was in charge of the program at the "August Family Night", last Wednesday at the First Presbyterian Church. Dr. Marshburn was assisted by Mrs. Marshburn and their daughter, Ruth and their son, Bob.

Dr. Marshburn, who was one of the leaders in the Presbyterian celebration of Evangelism, held at Cincinnati, Ohio, spoke about some of the developments in the church today. Mrs. Marshburn briefly witnessed to the helplessness of "family prayers" in the home in which she was reared, and in her own home. Ruth told something of "Expo 72" and Bob told about the Bonclark Basketball Camp which he attended at Flat Rock, N.C. Dr. Marshburn is the pastor of the Doraville Presbyterian Church in a suburb of Atlanta, Ga.

Mr. and Mrs. Layton Thompson hosted the "family night". Dr. Luther Price gave the closing prayer.

Mrs. Myers Celebrates 93rd Birthday Monday

By Elaine Sharpe

Mrs. C. E. (Mary) Myers will celebrate her 93rd birthday on Monday, August 14. She is still very active and spry for her age, enjoying her retirement years at the Jacaranda Hotel Retirement Home, where she has lived for the past two years.

A former school teacher, who has outlived all her family except a half brother, John R. Coleman, of Seattle, Washington, who is 20 years younger, Mrs. Myers beamed when she spoke of some of her experiences while teaching.

Mary Coleman Myers was born August 14, 1879 in Magnolia, Iowa. After her first marriage she did social work for 10 years in Kansas City, because they didn't let married women teach school back then. She was married to C. E. Myers in July 1928.

She taught the 7 and 8 grades and was principal at Anthony, Kansas; and taught in Pittsburg, Pa., for two years. She taught the first grade here in Avon Park for 16 years, and substituted for several years, before retiring at the age of 70, 23 years ago. She served under six principals while teaching in Avon Park.

Mr. Robert T. Fairley, Dr. Stanley N. Reeves, John Matthews, Vaughan Druggers, A. B. Whitte and George A. Kelsey, she said, she loved teaching, loved children and loved to see them progress. She came to Avon Park 44 years ago with her husband, because he owned land on the Wauchula Road, where he built their home. They drove all the way from Kansas in a Chevy Roadster. She lived with her husband on the Wauchula Road, and on Lake Viola, until he died January 16, 1970, after which she moved to the Jacaranda.

Mrs. Myers said the classrooms were also crowded back when she was teaching. When I asked her if she remembers anything comical about her teaching days, she said, "Oh there are so many," but she did tell me a joke, which she enjoyed telling, about a little boy not having a seat in the classroom, and the teacher telling him to "sit here for the present". After sitting there all day, the little boy said, "Teacher I have sat here all day, but I didn't get the present."

She said when she goes out, she almost always runs into someone she has taught. She also beamed when she told me about teaching two brothers here in town, Ronnie Sachsemaner, who she said was a doll, who would hug her neck daily and say "I love you", and brother Freddie, who she said, she would have to paddle almost every day.

When I asked her what her likes and dislikes were, she said she just loved music, and it brought back to mind her younger days, when she played First Violin at Grennell College, in Grennell, Iowa. She said she played with the orchestra and said she took a Spring Trip with the orchestra, touring Iowa.

When asked about styles of dress, she said she dresses in styles of short hosiery is soon over with, saying some of them are horrid, and she also dislikes sloppy hairstyles on men.

She is an Episcopalian and a Republican, having voted in every election, serving as a Poll Worker in her precinct until recent years. She said she weighs 138, but is down to 106 pounds now, saying the Good Lord and Dr. King, whom she admires, takes good care of her. She is up early each day (6 a.m.) and enjoys eating all three meals in the dining room, saying breakfast is her main meal. She enjoys her television, liking best the drama stories and the news. She sits on the second story Veranda of the Jacaranda, with three or four of her friends in the afternoons, watching the activities on the streets of Avon Park, where she once was very active.

She has her own private telephone, and enjoys calling her friends each day, visiting with them all she wants to over the telephone. She said her hearing is fairly good, and said, even if it wasn't, she wouldn't buy a hearing aid, at her age.

She does wear glasses and uses a magnifying glass for writing letters and for reading. She has a ready mind and said if she could see good, she would pass the time better by reading, which she loves to do.

When asked what advice she would give to anyone, on how to reach her age, as gracefully as she has, she said, "I have always lived a good wholesome life, I don't smoke or drink, and never did. I have always gone to bed early and always up early, even when I was younger."

The pretty white haired lady was an Eastern Star, and is a member of the Highlands County Retired Teachers Association. Many of the successful business men and women in Avon Park, were first grade students of Mrs. Myers.

Pictured above are Rev. and Mrs. Terry Batton who will conduct a revival at the First Assembly of God Church, 114 South Central Ave., Avon Park, August 14-20. They will be presenting the Living Christ to a dying World through word and song, each night at 7:30 p.m. Everyone is welcome.

Rep. John Clarke Seeks Re-Election In District

State Representative John R. Clark will be a candidate for re-election to the Florida House of Representatives in District 50.

Representative Clark, having served three terms, will be seeking his fourth term. The following is a statement by Representative Clark concerning his services in the Legislature:

"I know I have done a good job in representing our people in Polk and Sumter Counties. I have always held our citizens of these two counties uppermost in my mind as I worked for and against legislation.

I have long been an advocate of tax reform in our state. The property owner and middle and low income wage earner have for too long carried a disproportionate share of the tax burden. My efforts have been toward the goal of correcting these inequities. In the past Session, I supported and worked for the repeal of the four percent sales tax on all public utilities, which was instrumental in increasing homestead exemption for our senior citizens. It was by a series of amendments which I offered that we eliminated the gross receipts provision as a factor in establishing occupational licenses. I have always strenuously opposed a personal income tax and will continue to do so in the future.

As a member of the Select Committee on Local Government Finances, I was instrumental in the passage of Revenue Sharing in the form of additional aid to local governments. This meant, for example, an additional grant to the City of Lakeland for the coming fiscal year—an amount of \$385,000. Also, I was able to get passed, on the very last day of the Session, a bill which provided for a return of \$102,000 to Polk County for funds which had been inadvertently paid to the state. I pledge to continue this kind of effort for each, and every citizen I represent.

I have enjoyed my service in the Legislature, and hope you will return me to the House of Representatives, in order that I may put my experience to work for you even more effectively

over the next two years.

To everyone in Osceola and Highlands Counties who I would

Girl Scout Project Will Aid Handicapped

Circle H, a project planned to aid handicapped girls, is sponsored by the Amarillo Girl Scout Council in cooperation with the Downtown Kiwanis Club of Amarillo.

Bobbi, who will be a Junior this year at Avon Park High School, is a member of Senior Trailblazer Troop No. 45 of the Heart of Florida Girl Scout Council. She was chosen for this experience on the basis of her experience with the handicapped, her training, her leadership ability, and her desire to serve.

Circle H, a program designed to provide girl scouts with an opportunity to offer service, will also give participants a chance to test their stated vocational interest in working with the handicapped through careers in nursing, physical therapy or occupational therapy.

The 34 girl scouts and girl guides chosen for this experience are coming to Amarillo from 34 cities and towns in 18 different states and from two foreign countries—Australia and New Zealand. They will spend their first week in Amarillo undergoing intensive training at Amarillo Medical Center, through the cooperation of Killgore Children's Rehabilitation Center, Killgore Children's Psychiatric Hospital, the Amarillo Speech and Hearing Center, Amarillo State Center for Human Development, Greater Amarillo Chapter of the American Red Cross and Amarillo Regional Mental Health and Mental Retardation

Board. After receiving the "Girl Scout Aide to Handicapped Persons Bar" at the end of the first week, the Scouts will spend their second week staffing Circle H Day Camp.

Circle H, which is underwritten by Downtown Kiwanis Club, is designed to offer an outdoor camping experience to 34 handicapped girls at Fisher Pump Ranch, a Girl Scout Day Camp site near Amarillo.

During their stay in the Texas Panhandle, the Senior Scouts will live at Camp Kiwanis where swimming, horseback riding and other camp activities will be available during unscheduled hours. The Scouts will become acquainted with the history and culture of Texas during excursions to Palo Duro Canyon to see the Paul Green Ranch; to a working cattle ranch; to a livestock auction and to area museums.

"How We Grow Them"

by Jim Kiser, inmate

I never tire of seeing a well planned landscape that has included a few of our native palmettos. The 'Saw Cabbage' (Palm) or 'Cabbage Palm' (Sabal palmetto) can be found throughout our area, but in a planned scheme they take on full-feature importance. The Cabbage Palm is also our State Tree of Florida. When you once decide to make a few palms a part of your landscape, you should think in terms of their being an investment. They definitely improve the appearance of a home, lending some rather dramatic effects in most cases, and typifying what people expect to find in Florida. They do increase the value of your home, so it is not an insignificant purchase. Most palms are rather slow growing, but for a plan that covers five or six years, you really have made a wise investment. These few years in planning can let you purchase a young plant and it will bring rewards.

HOUSE PLANT DIAGNOSIS: Here are some causes of ailing plants. Brown tips or margins of leaves could mean too much fertilizer, you've let it become too dry, or it may have been scorched by sun through window glass. A yellowing or foliage loss could be over-watering, poor drainage, or a soil that has packed and become sour.

Green and healthy leaves, but leggy growth with weak-stems would indicate too much heat, not enough light, or over-fertilizing (sometimes just too much nitrogen in your fertilizer formula).

Yellowing with wilting is often a sign of some root damage, or possibly a disease. Remember that a 'leggy' plant is reaching for light, but as with any trouble-shooting, do not attempt extremes by giving the plant full sun, etc.

QUEENSLAND UMBRELLA TREE: Shrub, tree, or excellent house plant, it does not seem to matter what you want from a plant if you have one of these. It is listed botanically as *Brassia actinophylla*, or may be found as *Schefflera actinophylla*. Sun or shade, wet or dry, soil that is good or bad—none of these conditions seem to give severe damage to this handsome plant. I have found it to be one of the finest house plants, especially if you like larger ones. It offers a multitude of uses in the landscape, and it is very stylish appearing plant and goes well in a tropical setting. It does prefer a rich soil and part day-shade for fastest growth, yet will grow just about anywhere. It can be grown to a full height of twenty feet. Cut it back and it comes out quite full.

Tom Gallen Speaks To Rotary

Tom Gallen, Senator from District 24, spoke at Rotary last week. His purpose in meeting with the Rotary members was to acquaint some of the people of this area with his programs since he will probably be representing Avon Park under the new redistricting. He spoke of several of his specific attempts and successes to help the agricultural area. His past experience has been with agricultural counties, and he knows what they need.

He said that one of his first actions will be to set up an office in Highlands County, if Highlands County is made part of his district. The function of this office will be to hear the needs and complaints of the individual citizens so that he can make a direct attempt to help each individual. He does

Wednesday evening the regular tournament was held at 7 with five courts in play. In the main the winners were Ruth Jordan and Charles Romilly with Gertrude Fensterman and Paul Mangold coming in second. Consolation winners were John Harp and Howard Long. Art Jordan and Charles Buckley came in second.

On Saturday it rained pretty hard late in the afternoon, so a very few came to play, not enough for a tournament. Four men played for fun, five ladies sat on the porch to visit, and four ladies played pinochle.

In pinochle on Monday the high scores were: William Benson 725, Alene Howard 627. On Friday there were three tables in play. Bill Klenk 708 and Tess Jank 664.

The craft window has a new display of "Lets have a party". There are four little nut cups trimmed in gold braid, and four place cards. Ethyl Hardin made them out of the egg cartons.

Al Ross is home from Walker Hospital for awhile, but he has more surgery in front of him. Merrill Wilmut is home from the Highlands General Hospital, feeling pretty well from his surgery.

Dick Dickinson has been in the Walker Hospital, but will be released this week. Mr. and Mrs. Paul Knox are visiting the Dickinsons. Mrs. Knox is Mr. Dickinson's daughter, and they are on vacation with their camper, from Conn.

Grace Warner has returned to

her home here after several weeks visiting her families in Clyde, Ohio.

Helen Baker and Agness Dentler have returned from a six weeks vacation in the north. Mrs. Baker visited her daughter in Toledo, and Mrs. Dentler visited her daughter in Detroit, Mich., and son and family in Ann Arbor, Mich.

We hear via the grapevine that both Dan Keiter and his wife are feeling so much better, they are sure they will be able to come to Avon Park this coming winter.

Alton Wetmore came in second in the Akron County, Ohio singles. He also came third at the Lakeside, Ohio, doubles in shuffling. Alton and Hallie are going to Minnesota to spend a couple of weeks with their son, Clifford.

Beekeepers

Will Meet
August 20

The Florida State Beekeepers Institute will meet Aug. 20-22 at Camp Cloverleaf near Lake Placid - and one of the highlights will be a honey product contest.

Mrs. Jo Marilyn Townsend, county extension - home economics agent in Highlands county, said the contest is open to any interested person in this county.

The contest is Aug. 20 with three awards in each category and a grand championship award for the entire contest. Products should be entered between 1 and 5 p.m. Aug. 20. There will be an awards program at 7 p.m. All products must be entered with a copy of the recipe used.

"All the ladies are welcome to use recipes I have in my files," said Mrs. Townsend. "It would be great to have a state winner here in Highlands county."

Categories are as follows: adult class: honey - liquid, pure state; spreads; baked products - cakes, cookies; junior division (up to age 14); baked products - cakes, cookies; candies and confections.

a judge to represent the people.

America's judicial system is going through a period of great change. Supreme Court rulings, acts of Congress and state legislation are changing our laws — and the interpretation of those laws — almost constantly.

So it's more important than ever that our judges be men of experience, knowledge and integrity. Marvin B. Woods has those qualities. He has served as a Judge of Industrial Claims and as a member of the Judicial Council of Florida. And the members of his profession have elected him president of the Lakeland Bar Association and the Tenth Judicial Circuit Bar Association. An active practicing attorney since 1949, he has experience in the fields of general, criminal and personal injury law.

Consider the qualities you'd want in a judge, if you were walking into Circuit Court tomorrow morning. You'll find them all in Marvin B. Woods.

It's time for MARVIN B. WOODS

Avon Mobile Home Park News

by Jonathan Wright

Well, now that the Bourbon Picnic is over and everybody has gained ten pounds, it's about time to think about heading back to good ol' Avon Park. The weather down here is just beautiful and we summer residents are anxiously awaiting your return. You'd better hurry on down - lots of the regular shufflers down here are getting a head start for this winter!

Two couples returned to our park this week after spending some time in the north. Harold and Mary Patten and Earl and Doris Johnston are now back with us and getting back into the swing of things around here. Welcome back, folks! We missed you!

Harold and Mary Patten had a very enjoyable summer visiting many of their friends and relatives in Ohio. Among those they visited were their daughter, Mary Lynne Maslach of Cleveland, Edwin and Marguerite Freshman of Bowling Green, Ernie and Ethel Saeger of Deshler, Harold's old high school classmate, Roy Hall of Jewell, and Clyde and Alva Peters, the Clelands, and the Hurns, all of Hicksville. All the way home, which was a 1,100 mile trip, the Pattens were trailed by Mildred and Roy Gensen of Avon Park, who were also visiting around the Hicksville area in Ohio.

Earl and Doris Johnston spent a three-month vacation in Michigan. On the way back, they stopped in Lexington, Ky., a couple days to visit with Doris' sister, Mrs. Glen Meyers, formerly of Avon Park.

So much for the local news. Most of the news this week comes from letters received by the office accompanying the rent money.

Larry and Ruth Robinson have been having a very good time in Ohio and have been doing quite a bit of visiting. They recently spent three days with Harmon and Gladys Heffner in Urbana, and enjoyed eating lots of their home grown vegetables and fruits. While at the Heffners, they also visited with Helen and Hubert Smith and Margaret and Alva Derr. Later they visited the Bakers, at their farm in Urbana, and enjoyed going out to dinner with them at the Empire Restaurant. While in Urbana, Ruth and Robbie also visited with Harold and Margery Faulkner in their new home and had a very tasty and attractive dinner in their cheerful dining room. Afterward the Derrs came over and they all enjoyed a few games of shuffleboard on the Faulkners' new driveway shuffle court. Later in the week, the Robinsons celebrated their nineteenth wedding anniversary in Ashland, Ohio, with their daughter and son-in-law, Marlene and Jim, and granddaughter Suzanne. They

later planned to go to Loudonville, Ohio, to Der Dushman, a Mennonite restaurant, on to Cleveland the rest of the week, and then on to Indiana for the Bourbon picnic.

Our park family was saddened last week upon receiving word of the death of Mrs. Abbie Conrad, wife of R. Dean Conrad, of Urbana, Ohio. Funeral services were held Sunday, July 30, at the First United Methodist Church of Terre Haute, Ohio. Our sympathy and prayers are extended to Dean. We pray that God will lay his comforting hand upon him during this time of sorrow. For our park residents, Mr. Conrad's address is: 3733 Rt. 55 - Urbana, Ohio 43078.

Harold and Margery Faulkner of Saint Paris, Ohio, have been visited by quite a few of our Avon Park family lately. They recently enjoyed a picnic with the Heffners, Derrs, and Bells, and have also been visited by the Robinsons and Beckers.

Roy Girts has been busy these days making and installing skirting for their mobile home in Hendersonville, N.C. The Girts report abundant rain around those parts, with rain just about every day. Mae and Roy recently took a trip to Black Mountain to shop and then drove on to Montreal. They send their best wishes and blessings to all.

Phelps and Josephine Button also report a very wet summer in Sharon Springs, N.Y. They recently attended their family reunion and enjoyed seeing many of their relatives once more.

Gladys Geib writes that she is having a wonderful time in the north visiting many relatives and friends. She took a week-long trip to New England and took in the nice weather and extremely beautiful scenery. Along with her sister-in-law, Gladys drove through Ohio, Pa., N.Y., Conn., and R.I. In R.I. they visited her sister-in-law's daughter, who took them sightseeing around the state. Gladys has been in very good health lately and is happy she can do so many things once more.

Sylvan and Catherine Baker of Urbana, Ohio, recently traveled to Ontario to visit Mrs. Florence Stark in Celina. Sylvan's Florence was very glad to see the Bakers, and was very interested in the latest happenings of the park. Afterward, the Bakers, Mrs. Stark, and Mr. and Mrs. Jess Hyatt traveled to Blenheim, Ontario, to visit Mr. and Mrs. Roy Cartwright, very good friends of Florence's. On July 22, Lloyd and Lorena Wyant dropped in on the Bakers at their home on the way back from visiting in Ind. The next day the Bakers enjoyed a wonderful Sunday dinner with Lew and Nellie Becker and Hubert and Helen Smith.

So you think it's hot where YOU live! Ella Roenneberg says the humidity around her, Report, Ill., is of almost "chewable consistency!" How about that?

That's it for another week of news. I plan to write for you two more weeks, and then it's back to college. Until then, keep those letters coming in and let us know what's going on around your part of the country.

HAPPY BIRTHDAY

We wish a "Happy Birthday" to the following people who will be celebrating their birthdays this coming week.

August 10 - Jerry Edmondson, Ruth Jones.
August 11 - Ruth Burton, Greg Albritton, Vivian L. Fish, Latrone Kerr.
August 12 - Mary Wilnot.
August 13 - Nancy McDowell.
August 14 - Mrs. E. C. Myers.
August 15 - Donald Johnson, Ronald Johnson.
August 16 - Rex Furr, Mrs. Helen Furr, Walter Kempton.

A belated "Happy Birthday" is wished for Marty Pearl who celebrated his birthday on August 8, and to Connie Pearl who celebrated her birthday on August 9.

Are you or a friend having a birthday soon? If so let us know.
