Avon Mobile Home Park News

by
Jonathan Wright

We are happy to welcome to the park our new residents of Court 47, Bill and Thelma Criff. It's hard to say just where they are from, but before they came to Avon Park last week, they had lived one year in Greentown, Ind., one year in Wyoming, 1 1/2 years in Washington, and fifteen years in Cal. Bill has been quite active in carpentry in the past, and Thelma has been active in ceramics and doll-making. Both are enjoying Florida living thus far, and we want to make them feel welcome here in our own park. Good to have you, folks!

Jennie Finaty was taken to Walker Memorial Hospital this past Sunday around noon. Jennie has been suffering from an extended illness, and we pray that God will put His hand upon her as she is treated at the hospital.

Word has been received this past week that Larry Robinson is to undergo surgery shortly in Cleveland. We have not yet received any information as to his exact diagnosis, but hope and pray that his operation will be a success and that he will soon be able to return to Avon Park.

John and Edna Wolf recently had as their guest Myrtle Arner and Guy.

John and Edna Wolf recently had as their guests Myrtle Arner and Guy Snyder, and had a very delightful evening. Earlier that day John caught a five-pound bass in Lake Lotela, and the next day caught a catfish, bass, brim, and shellecracker. What's your secret, John?

There was a little bit of excitement the other day at Court 64. It seems that Earl Johnston was spray-painting part of his boat when... Kapow!... it burst all over the place. Earl was not injured, though, but it sure did take a long time to clean the paint (black) off of everything!

On Wednesday, Earl and Doris Johnston traveled to Lakeland and Bradenton. In Bradenton, they enjoyed dinner with Earl's brother and sister-in-law, Roy and Betty Johnston. Bea Tingler has recently been visiting with her son-in-law in Goshville, Mich. She has really

been enjoying the fresh vegetables from his garden, but doesn't seem to be enjoying the cold, rainy weather, with high temperatures sometimes only in the 60's. Bea plans to leave Goshville on Aug. 19 and visit several places before heading back to warm, sunny Florida.

Lloyd and Lorena Wyant of Castle, N.Y., traveled to Indiana in July to visit the Ralph Gunnings, and then called on Sylvan and Catherine Baker and Harmon and Gladys Heffner in Urbana, Ohio. On Aug. 2,

the Wyants attended the Avon Park picnic in Mayville, N.Y., and enjoyed seeing Audrey Near, Emory and Bonnie Burgess, and many others they knew among the 81 persons in attendance.

I hope this week's news finds everyone doing fine and being blessed by the Lord. Of course, that's the way He is to those who love Him above all else. The longer we serve Him the sweeter He grows! God's love is so terrific! May He continue to bless and keep you throughout the following week.

"How We Grow Them"

by Jim Kiser, inmate

With August rushing past, it leaves very little time remaining to complete those fall garden plans. September weather usually permits the strating of some annual seeds.

It is so convenient to have plans of where, what, and how. Some seeds of the new hybrids may not be available locally and you will want to order them.

Then there is the question of seed flats. If your plans have been made for some of the annuals, you might try placing

the seeds in your refrigerator for a couple of weeks before starting. This seems to give better and more rapid germination. For flats you can use any of the many plastic cartons that are always left over from the market. A few holes in the bottom with some fine gravel, then some sterile soil, or plain sphagnum moss.

If you use your own soil, I would suggest you sterilize it first. Place it in a baking tin and put it in your oven; it should be cooked just the same as a baked potato. This will kill insects, disease, and help prevent damp-off and root-rot.

When I use sphagnum moss, I always place a glass over the top of my flat. Remove the glass when the shoots appear.

Since all of this will take several weeks preparation, you could benefit by treating the beds you will use. Turn the soil well and add Permap. Rotate this again in two weeks and give a second application. Wait two more weeks and you can do the last turning with cured manure. You will see the response when using a clean, healthy bed.

The really determined gardeners like to have a jump on the rest; but that is possible because they plan ahead. Some of the seeds to start with are: Shasta Daisy, Carnation, Pansy, Hollyhock, Zinnia, Marigold, and these are but a few.

If you follow the above schedule, these six weeks of early preparation will carry you right through the month of September. September is one of our wettest months, making it unsatisfactory for setting plants out—so have a jump on nature with your seed flats and bed preparation.

If you are planning any new Hibiscus for your garden, then select them now—so that you can see first-hand what the bloom will be. Any that you already have that need some shaping should be pruned to give the new growth a chance to harden in case we have some frost this winter.

Any other similar tropicals should be treated in the same manner.

The Avon Park Sun, Avon Park, Fla. Aug. 17, 1972-28

LOOKING SOMETHING like pineapples are the blossoms on this prickly edged plant. We wonder if Mother Nature considered the

blossom so precious these fierce spears were provided to protect it.

Who will represent you in court?

a judge to represent the people.

America's judicial system is going through a period of great change. Supreme Court rulings, acts of Congress and state legislation are changing our laws — and the interpretation of those laws — almost constantly.

So it's more important than ever that our judges be men of experience, knowledge and integrity. Marvin B. Woods has those qualities. He has served as a Judge of Industrial Claims and as a member of the Judicial Council of Florida. And the members of his profession have elected him president of the Lakeland Bar Association and the Tenth Judicial Circuit Bar Association. An active practicing attorney since 1949, he has experience in the fields of general, criminal and personal injury law.

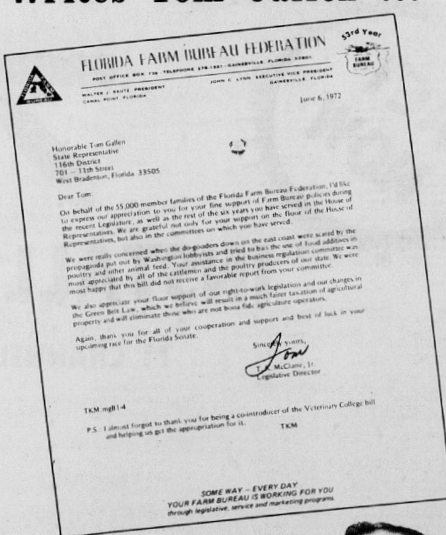

Consider the qualities you'd want in a judge, if you were walking into Circuit Court tomorrow morning. You'll find them all in Marvin B. Woods.

County Court News

A state-wide crackdown on speeders launched about 10 days ago saw 46 persons hauled into County Judges court Aug. 8. Most forfeited their \$26 bonds.

The Florida Highway Patrol said radar and vascar, the latter a new system of recording speed, has been employed. The crackdown, said a spokesman for the patrol, "will be from now on."

Most of the speeders were picked up on busy Route 27. Patrol cars set up on the two-lane stretch of the highway south of the Balf's Den nudged 25 in three hours one day last week. Setting up near the same spot another afternoon for three hours netted 26. At least six patrol cars were on duty Sunday at the junction of the two and four lane stretches of highway.

The 46 speeding cases were in court on a long docket of 162 cases which included three men from Highlands County charged with driving while intoxicated.

Ray Eugene Bolton and Richard Charles Roberts, of Avon Park, received the same sentence - \$200 or 60 days, driver's license revoked three months. Lawrence Jerome Hagan, of Avon Park, was fined \$250 or 90 days and his license was revoked for six months.

Other fines and forfeitures at the session of court involving Highlands County persons included:

Jimmy S. Lanier, Lake Placid, improper start from parked position, \$26, forfeited.

Johnny Taylor, Venus, no valid driver's license, \$35, 30 days or public hearing.

NOTICE OF PUBLIC HEARING: THE BOARD OF COUNTY COMMISSIONERS OF HIGHLANDS COUNTY, FLORIDA, will hold a Public Hearing on Tuesday, September 5, 1972, commencing at 9:30 A.M. Commissioners' Room, Courthouse, Sebring, Florida, to consider a change in Zoning Classification on the lands described as follows:

14 acres, being a fraction of lots 1 & 2, Block 3, Section 15, Township 31 South, Range 28 East, Highlands County, Florida.

An application has been received from T. A. D. Company and after due Public Hearing, before the Planning and Zoning Commission, request a change in District Zoning (Classification) from A-1, Agricultural to M-2, Home Park.

All parties interested or affected by this change are requested to attend.

Winter Guest Club News

Elizabeth Clarke
P.O. Box 1265

With six courts in play in shuffling on Wednesday evening, Charles Romilly and Elizabeth Clarke won in the main with Charles Buckley and Twyla Wurster coming in second. In consolation the winners were John Wolfe and Herman Wurster over Lillian Shumel and Chet Seeger.
On Saturday evening there was rain, just enough to spoil the playing.
Three tables of Pinochle players on Friday afternoon with the high scores going to Alene Howard, 889; and Ota Gibson, 789.
Chet and Lillian Seeger have just returned from a 5 week vacation in the north. They visited Lillian's daughter and husband, Mr. and Mrs. David Meyer in Berrien Springs, Mich. and her son and family, Richard Kay, in Marion, Ind. They visited a nephew of Chet's, Elton Seeger, in Detroit, Mich. in Hilton, N.Y. they saw Chet's two sons and a sister in Hebron, N.Y. Mr. and Mrs. Lauer.
Mrs. Lewis Wurster drove down from Zephyrhills, Fla. to visit the Herman Wursters. She is formerly from Iowa.
Scott Dentler from Ann Arbor, Mich. is visiting his grandmother, Mrs. Agnes Dentler.
The Clay Kulls write from Moran, Mich. that they are

doing all the things one does in northern Mich. They visited the Duke Christensens, and saw Fern and Jim Riggs and Joseph and Ida Sott.
On their way back home they will visit the Ernie Rougets, in Adrian, Mich.
The Charles Pearces, the Paul Swearingens and the Ira Shaders had lunch with the Mayon Hoads in Royal Oak, Mich. last week.
Ray and Lois Johnson will be returning to Avon Park early this fall, for they will be leaving Canada early to attend the wedding of their grandson, Stephen Johnson, in Rochester, Mich. on Sept. 2. The Johnsons are enjoying their stay in Canada, visiting with friends and relatives there. Also picking berries and making jam as well as fishing. They will miss seeing the Fall colors.
Russell and Mary Smith spent the weekend with the Harold Faulkners in their new home in St. Paris, Oh. While there, they called on the Alva Derris, the Sylven Bakers, the Hubert Smiths, and the Harmon Heffners. The Lewis Beckers were visiting at the Smiths', so they had a most enjoyable time.
When they returned home to

Tiro, Oh. they had several different folks for company: their oldest granddaughter for a week; their son and wife and daughter for two days. One day George and Mildred Wilson of Cabot, Penn. called on them. The Wilsons spent some time in Avon Park a couple of years ago and expect to come again this winter.
Elizabeth Clarke is entertaining her granddaughter, Susan West, of Kansas City, Mo. for two weeks.
MAYVILLE, N.Y. - The 5th annual Avon Park picnic was held here Wednesday, Aug. 2 at the Grange Hall. There were 81 members and guests present at the dinner served at noon.
Persons attending were from Avon Park; Bear Lake, Corry, Russell and Fairview, Pa.; Castle, Warsaw, Elmira, Pike and Eden, N.Y.; and many from neighboring towns in Chautauque County.
Mrs. Vesta Loomis, Mrs. Caroline Webber and Mrs. Hazel Prindle were in charge of making arrangements and preparations for the dinner.
A business meeting was held with Mrs. Harris Steward acting as chairman and Mrs. Sponsler Limbaugh acting as secretary-treasurer. Mrs. Steward and Mrs. Limbaugh were elected to serve in these offices for the coming year.
The chairman appointed the following committees: Publicity, Mrs. John Mitchell; Program, Mr. and Mrs. George Loomis; Music, Lloyd Wyant; Kitchen and dining room, Mrs. Caroline Webber, Mrs. Hazel Prindle, Mrs. Vesta Loomis, Harris Steward, Sponsler Limbaugh; Registration, Mrs. Audrey Near.
Lloyd Wyant led the group in singing, accompanied by Mrs. Wyant on the piano. George Loomis and Earl Ayling told some humorous stories.
It was agreed by everyone present that the group should get together in Mayville the first Wednesday in Aug., 1973.

RAY-ARCS
Attend Camp
Saturday August 12 five students of the Ridge Area Day Schools left for a week at Camp Mountainview near Clarksville, Ga. Ross Benschoter of Sebring drove the campers to Ga. and will serve as their part-time counselor at Mountainview. The campers are Eugene Fugh, Wayne Saffold and Henry Walters of Avon Park, Alphonso Peterson, Sebring, and Stanley Copeland of Lake Placid. Originally Ridge Area Association for Retarded Children and RAY-ARCS had scheduled 3 camper scholarships for attendance at the Florida Association for Retarded Children's annual camp at Silver Springs. The Silver Springs camp was over-enrolled and all campers showed so there was no chance to take any campers from the waiting list. Arrangements were made for the one week session at Camp Mountainview and Ross Benschoter volunteered to deliver and work with the campers.
On Sunday Melvin Barber and Rena Moore, Highlands county entries in the National Special Olympics, boarded United Airlines charter flight with other Florida team members. Sixty contestants make up the Florida team following local, regional and state competition. One adult chaperone accompanied each four contestants and will assist them in their activities during the week in Los Angeles.
Florida Special Olympic participants have been assigned to Dykstra Dormitory on the University of California campus. Melvin and Rena have been sponsored by the Ridge Area Association for Retarded Children and RAY-ARCS in their preparation for each meet. Sebring Jaycees have contributed \$60. to assist in the trip to Los Angeles.

OUR HEALTH

A number of years ago my father developed a very unsightly patch of skin cancer on the back of his neck. He was treated for it and no longer has the problem. Now my husband is beginning to develop dark sun-spots in the same area of his neck. Can there be any connection between this and the fact that they spend so much time outdoors in the course of tending to the farm?

It has been well established that as a result of chronic, cumulative sun exposure — such as a farmer who spends much of his day outdoors — a person can develop pre-maturely aged skin, precancerous and skin cancers. This will be more apparent in the skin of persons who are fair-skinned. For your father and husband, it is very likely that they neglect to protect the back of their necks from the dangerous ultraviolet rays of the sun.

\$339.5 Million County Tax Roll Approved

Highlands County's 1972 \$339,506,384 tax roll was approved Monday - and work will be starting to prepare tax bills which will be larger for most payers this year.

County millage jumps up by 2.141 mills over last year, most of the increase being in the 1.3 of schools millage. County millage

this year hits a new high of 17.496 - or \$17.42 per \$1,000 of property valuation.

County operating millage this

year is up .361 mills to 5.436. Flood control, .53 last year, is .51 this year. School board, 10.82 this year, was 9.02 last year.

Hospital board remains the same at .650.

The county tax roll was approved Monday by the cabinet in Tallahassee after the roll "error" that was not an error.

Tax assessor Billy Martin said they rejected the roll because he had not sent in a recap of the railroad assessment for the town of DeSoto City.

"I have been trying for seven years to convince them there is no town of DeSoto City," said Martin, who added he got it all straightened out - at least until next year, when somebody may forget again there is no town of DeSoto City.

Tax bills will be put in the mails in the last week of October by Tax Collector W. H. Prescott.

County operating millage, although up .361 this year, at 5.436, is still less than in 1970 when it was 6.148 and 1969 when it was 5.750.

The Highlands County tax roll, Martin said, shows an increase of \$23,306,708, which includes schools, churches, etc., which pay no tax. The actual taxable valuation increase over the previous year is \$15,663,128.

14,926 Are Eligible To Vote In County

It's official! There now are 14,926 registered voters eligible to cast their ballots in the Sept. 12 primary.

Because of the redistricting, 1,023 voters still have not been assigned to their proper precincts because they failed to return their cards or returned them improperly marked.

Elections Supervisor Jim Whitehouse said his office will keep trying to get people assigned to the proper precincts right up to election day.

He warned that people who appear at a polling place will not be able to vote if that is not where they belong. He said they will have to sign an affidavit as to where they do belong and go to that place to vote.

Registration by precincts now is: 1-2508; 2-549; 3-350; 4-349; 5-1002; 6-136; 7-378; 8-1315; 9-379; 10-1735; 11-648; 12-209; 13-1626; 14-130; 15-1167; 16-463; 17-106; 18-79; 19-449.

A total of 3,861 white Democrats, 1,311 black Democrats, 3,451 white Republicans, 50 black Republicans and 253 others is registered.

Football Jamboree Will Be In Sebring Sept. 1

Football fans will get the first look at area teams this fall at the annual Football Jamboree which will be held in Sebring on Friday, Sept. 1.

The Avon Park Red Devil football prospects are in full practice this week for the upcoming 1972 football season with the opening game set for September 15 in Lakeland against Santa Fe.

The boys hoping to make the varsity or "B" teams reported last Thursday and Friday for physicals and then began condition and practice sessions last Monday evening at Memorial Field.

The varsity team is coached by Joe Franz, athletic director and head football coach; Ralph Hill, back coach; and Eddie Lewis, line coach. The "B" team is coached by head coach Dewayne Lemler and assistants Harry Williams and Ronnie Jackson.

The main problem with the varsity squad this year will be replacing quarterback Don Sizemore who had handled the signal-calling chores for the past four years. Working out in that position in spring training and this fall are five boys. Seniors Leon McRae and Tony Williams would both like a shot at the job and juniors Danny Lewis, Buddy DeWitt, and Greg

Hartt are all hoping to snatch the starting assignment. All probably a couple of boys will share the job this fall.

Running backs out and practicing so far are Keith Richards, Danny Lewis, Arnold Davis, Nathaniel Packer, Merle Robinson, and Josh King. Leon McRae, and Ricky Claitt had not reported for practice yet but are expected to be out this week.

Working at fullback are sophomore William Burley and junior Greg Hartt.

The line should have a little experience this year with Jarvis Hartt and Virgil Melvale as senior tackles backed up by juniors Alcus Snell and Hayward Bates; Mike Archer, Barry Tate and Philip Thomas at guards; Ronnie Dick and Tim DaFrie at center; and Wayne Todd, Bud Wester, Glen Gray, Nate Williams, and Marvin Jackson at ends. Bernard Jackson and Jim Woods are also out trying for a starting or back-up berth on the team. Dennis Johns also reported out Monday.

Nate Williams, who played linebacker of defense last season, will move offensive to end this year or at least try out for that position. Nate Packer will spend some time trying out for halfback this fall but will probably also see action at this

end slot. In Sebring this year will be played in Sebring this year with Avon Park playing the second quarter against Wauchula and the fourth period against Sebring. Arcadia will go the first quarter against Wauchula and Sebring will face Arcadia in the third quarter.

The Red Devils are expected to hold their annual soap scrimmage on Sept. 8 preceded by the Avon Park High School Athletic Association's fish supper.

The "B" squad schedule has the Devil junior varsity opening in Fort Meade on Sept. 21 and then playing Arcadia at home on Sept. 28. October 5 will have Sebring coming here; October 12 in Lake Placid; Oct. 19 Fort Meade here; Oct. 26 in Arcadia; Nov. 2 in Sebring; and Nov. 9 come out here against Lake Placid.

14th Annual Steer Sale Held August 19

The 14th Hardee-Highlands feeder steer sale was held Aug. 19 at the Hardee Livestock Market in Wauchula. The total number of head was 678 steer calves which brought a total of \$130,940, slightly down from last year.

The total weight was 342,755 pounds. The average animal weighed 505 with an average price per 100 weight of 28.20, or an average price of \$192.91 per animal.

The buyers were Jeff Jeter, Dade City; W.J. Scarborough & Sons, Lake Placid; Florida Agricultural Marketing Association, Gainesville; Gerald Darroh, Inc., Sebring; W.M. Inman, Quincy; and Bill Carey, Brandon.

These were the top buyers in order of dollars spent in purchases. Consigners and their rankings in the number consigned were: Rafter 3, Arcadia - 78 head; Diamond 3, Bowling Green - 64; A.B. Jackson, Venus - 57; Albert Carlton, Wauchula - 53; Carroll Payne, Sebring - 45; Ste-Bar, Wauchula - 40; Carl McIntyre, Sebring - 34.

Carl McIntyre, of Sebring, was chairman of the sale coming over from Highlands county and Robert Ray Smith was chairman from Hardee county.

Commissioner Act To Overturn Decision On Public Park Land

At a special meeting at 5:30 p.m. last Wednesday, the Highlands County Board of Commissioners acted to overturn a decision made at their regular meeting the day before. On Tuesday the board had decided, on a split vote, to close a portion of a public park in Unit 6, Avon Park Lakes Subdivision.

Forty residents of the area had turned out to voice opposition at the public hearing, but only Commissioner Norman "Jug" Heston voted no.

The other four commissioners voted to vacate the county's interest in that portion of the park adjacent to 19 lots on West Seneca Drive, owned by Mr. and Mrs. Merle Prescott.

The county's interest in the land thus reverted to either the Avon Park Chamber of Commerce or the Avon Park Lake Assn., depending upon which organization deeded the land to the county on the first place.

Commissioners voting in favor of this action said they did so because the land, mostly muck, would be very expensive to improve.

But at the special meeting Wednesday, Commissioner Robert Skipper stated, "After further consideration, I feel we made a rather hasty decision" (Tuesday). After further checking I think this was not the right decision.

"I can be as wrong as anyone else, but if I don't try to correct it I'm still wrong."

Skipper then moved that the

board ask the Avon Park Chamber of Commerce or the Avon Park Lake Assn. to rededicate the park site back to the county.

But this time Cecil Skipper voted no. He said he did not feel the board should vote on the question until it had been determined which of the

organizations actually held title. Adding that he still felt the original decision was right, he said: "The rest of the park area is all good land. This is the only swamp. I feel it is asinine to have land of this kind as a park area."

Board chairman Andrew Jackson explained that according to County Attorney Robert Dunty's opinion, "we gave up whatever title we had to the land by yesterday's action. This action cannot be rescinded. All we can do now is request the Chamber of Commerce, or the Lakes Association, to give it back to us."

A COMMITTEE OF parents, students and teachers of the Avon Park Middle School met Monday to discuss the dress code for the coming year. The committee decided that it is the responsibility of parents to send their children to school in acceptable, clean, neat and appropriate clothes. Students are required to wear shoes at all times. The administration has the final responsibility for approving appropriate dress. At the meeting, above left to right seated (staggered): Mr.

Developers Oppose New Regulations

Highlands County real estate developers voiced strong protest Tuesday morning to the proposed new subdivision regulations being prepared by the Board of County Commissioners. Developers were particularly upset at requirements on bonding and construction accounts receivable, and the proposal regarding county maintenance of roads in subdivisions. Following 45 minutes of sometimes heated testimony, commissioners agreed to delay

action on the proposals until the Highlands County Land Developers Assn. could present detailed recommendations on the matter.

Association members were given until Oct. 10 to submit their own proposals to the board and County Engineer Gordon Hays.

Protesting portions of the regulations were Mickey Miller, president of the association and chairman of Leisure Lakes; Jack Ryan of Coral Ridge Properties; Alvin Robins, president of Land Services,

Inc.; Frank English, president of Placid Lakes Realty, and J.C. Smith, a private citizen.

Miller at one point charged that only two of the 11 members of the committee, which had met at least 14 times since February to prepare the regulations, was competent to make technical decisions affecting developments.

Smith said the regulations appeared to require subdividers to construct roads of superior quality to those being built by the county itself.

Only Forrest Lloyd of the Highlands County Property Owners Assn. said he would favor expediting approval of the regulations, rather than waiting for further study with subdividers' representatives.

In other action, the board:

—Directed County Attorney Robert Dundy to prepare a contract with Lee County for the computer processing of tax data for the Highlands County assessor's and tax collector's offices with the contract to be ready for board action next week;

—Authorized Dundy to prepare for board approval prior to a public hearing several amendments to the county zoning ordinance;

—Instructed County Engineer Hays to determine if the right-of-way is complete prior to the Highlands County Property Owners Assn. said he would favor expediting approval of the regulations, rather than waiting for further study with subdividers' representatives.

—Set a public hearing Sept. 19 for the closure of Highlands

Terrace in Lake Sebring Estates;

—Approved a list of poll workers for the Sept. 12 primary election as prepared by Supervisor of Elections Jimmy Whitehouse;

—Changed the classification of four tractor drivers from "laborer" to "utility operator," with starting salaries increased from \$30 to \$37 per week, since they have the responsibility of handling and caring for heavy equipment;

—Okayed a request by the county engineer to attend a governor's conference in Tallahassee Friday and a request by Planning Director Bill Stephenson to attend a half-day seminar on land use planning and water resources in Sarasota.

Here's what happens. The items in the bright yellow and blue boxes are picked up by Goodwill truck drivers and their helpers and brought to the Goodwill Rehabilitation Center on Gandy Blvd. in St. Petersburg. There they are sorted and sent to various departments for repair, renewal or what is now called recycling.

The handicapped workers, earn while they learn. Store income is reserved solely for payroll and operating expenses. Buildings, machinery and other capital needs are bought with funds received through wills, bequests, Goodwill membership dues and occasionally with governmental matching fund grants.

Repaired and reconditioned materials, given by Highlands and other county residents, are shipped to Goodwill retail stores.

In order to meet a total payroll of more than \$1 million annually, the Goodwill stores must have a quota to meet this continuing need.

The Sebring store is high on the list in meeting and exceeding its quota. Besides maintaining an attractive stock of saleable items, much of the credit for this excellent record is due to the dedication of Jean Matt, manager and her staff, say Goodwill officials.

Many visitors to the St. Petersburg rehabilitation center express surprise that they cannot often identify many workers as being truly handicapped, except where there is an obvious physical disability. One reason is that Goodwill also serves persons who suffer from emotional, mental, social and other disabilities which are not visible, persons who hopefully can be returned to an economically rewarding existence.

Although Goodwill is not a medically oriented facility, these disadvantaged persons have the services of a doctor, nurses, a psychologist, psychiatrist, personal adjustment counselors, teachers, family service consultants and additional professional staff who aid them in their desire to identify with others.

Besides repairing the donated articles, Goodwill operates a mattress shop where mattresses are re-built under strict sanitary government standards.

When in St. Petersburg the public is invited to tour the Rehabilitation Center, either

individually or in groups. Goodwill is a non-profit organization which does not receive funds from United Fund campaigns. Its officers are unpaid leading business and civic minded individuals who give of their time and experience in guiding Goodwill in its service to handicapped persons.

All people live in two worlds: one of weights and measures, the other of imagination and hopes.

Patrol Crackdown On Speedsters

The Florida Highway Patrol crackdown on speeders found 119 of 157 cases in County Judge's court Aug. 15 charged with unlawful speed.

Toughest sentences handed

out on the charge was \$100 or 30 days to Velma Jean Sowell of Lake Placid, and Joseph Stephen Orday, of Sebring.

The patrol has been using VASCAR as well as radar in nabbing speeders. VASCAR, Visual Average Speed Computer and Recorder, is an electronic digital computer designed to record the distance traveled by a vehicle and the time required to travel that distance, and to compute the speed of the vehicle over the recorded distance.

The police officer operating the unit receives the results of his check on a small screen located on the control panel giving readings to the tenth of a mile per hour.

VASCAR permits an officer to clock another vehicle while moving or stopped and under all circumstances. It also can check the speed of a car following the patrol car, approaching the patrol car or crossing in front of the patrol car. However, speeders do get a break since the unit is an average-speed recorder and does not record the highest rate of speed. If an officer begins a clock on the violator going 70 mph and he slows to 50 mph at the end of the clock, the reading would be 60. Thus the violator is charged with 60 instead of 70.

Fined on DWI
Two persons who pleaded guilty to driving while intoxicated were given identical sentences of a \$200 fine or 60 days, with driver's license revoked three months. They were Willie Shannon, of Sebring, and Henry Edward Tobler, of Lake Placid.

Other fines and forfeitures at the session of court involving Highlands County persons were: Deane Lee Stump, unlawful speed, \$26, forfeited; Clyde W. Reese, Lake Placid, violation of right of way, \$26, forfeited; John Richard Robbins, Sebring, unlawful speed, \$26, forfeited; Helen Dudeck Sanders,

Sebring, improper turn, \$50 or 15 days; Mimmie Waune Castor, Sebring, no valid driver's license, \$30 or 10 days; Jessie Marry Black, Lake Placid, careless driving, \$50, forfeited;

John L. Whittington, Sebring, unlawful speed, \$30, forfeited; Curtis Wade Driggers, Lake Placid, violation of right of way, \$35 or 10 days;

Donald Robert Beck, Lake Placid, unlawful speed, \$26, forfeited;

Deborah Rich - Jamie Trescott Announce Their Engagement

Mr. and Mrs. Raymond Rich of South Byron, New York, announce the forthcoming marriage of their daughter, Deborah Jean to Jamie M. Trescott, son of Mr. and Mrs. Stanley Trescott of Avon Park, Fla.

The wedding will take place in South Byron, New York, September 16.

GOLDEN TOUCH OF HOSPITALITY

BY JANE ASHLEY

Weave a Lattice Over Luscious Peaches

Summer's juiciest and spiciest peaches are too lovely to be hidden under even the best of upper crusts. The golden slices seem meant to show off between the openings of woven lattice. Don't let the peach season pass without making Fresh Peach Lattice Pie at least once.

Fresh Peach Lattice Pie
1 recipe double crust pastry 1/2 teaspoon salt
1/2 to 3/4 cup sugar 5 cups peeled, sliced
1/2 to 2 tablespoons corn starch 1/2 teaspoon lemon juice
1 tablespoon margarine

Mix together sugar, corn starch and salt; sprinkle over peaches. Add lemon juice and toss together until well coated. Roll a 9-inch pie pan with one half of pastry allowing 1/2 inch overlap. Fill shell with peach mixture and dot with margarine. Roll remaining pastry into 12-inch circle. Cut into 1/2-inch strips with pastry wheel or knife. Place 5 of the strips across filling. Weave lattice crust with remaining strips by folding back alternate strips as each cross strip is added. Fold trimmed edge of lower crust over ends of strips; seal and flute. Bake in a 325° F. (hot) oven 30 to 35 minutes or until browned.

DuBose-Franza Wedding

August 26

Wedding plans have been completed for the marriage of Miss Laura DuBose, daughter of Mr. and Mrs. Lowell Y. Dulose, and Joseph M. Franza, son of Coach and Mrs. Joe Franza, all of Avon Park.

The wedding will be solemnized this Saturday, Aug. 26, at the Church of Christ in Frostproof, with Tom Butler performing the ceremony. Music will begin at 7:30 p.m., with the ceremony at 8 p.m.

All friends and relatives of the bride couple are cordially invited to both the wedding and reception, which will follow immediately in the Florida Power Lounge in Frostproof.

O. C. Stephens, along with his wife, Della and son, O. C. III have just returned from a three week vacation, touring the eastern seaboard of the United States. They spent a day in Washington, D. C. which proved to be very educational to small O.C.

Steve, as he is better known to us all, brought back a ten point buck, he calls "BILL," which he shot last October. During the lapse, he had the head mounted and the hide stretched. The buck dressed out 20 pounds for all you sporting buffs.

Returning home with the Stephens were Della's parents, Mr. and Mrs. Walter D. McRoberts of Cleveland, Ohio to spend a two week vacation with them.

Mr. and Mrs. John Morgett and children, John Jr. and Pamela have just returned from a two-week vacation visiting their parents, Mr. and Mrs. Wayne Morgett and Mr. and Mrs. Boyd Caldwell and other relatives in Bedfordtown, Pa.

Suzanne Skipper, daughter of Mr. and Mrs. Cecil Skipper, has accompanied Mr. and Mrs. John Dodd and daughter, Chantal, of Vero Beach, on a 10-day trip to New York. They will visit the Dodd's son, Glenn, at Cornell in Ithaca, and take in the sights of New York City, before returning home. Suzanne will leave for Gainesville, September 13, where she will be a Sophomore at the University of Florida.

Ophelia Rihmer is in Pine Lake, Ga., visiting her sister, Mrs. J. T. Irvin, and also her mother, Mrs. J. A. Dean, who is convalescing at the Irvin home, since breaking her hip.

Patricia Miller arrived home Sunday, Aug. 20, from Snow College in Ephraim, Utah, where she has been studying with the Ohio State University Geology Field Unit during the Summer Quarter. She will visit with her parents, Mr. and Mrs. Lew Miller and sister, Barbara, before returning to Ohio State University, Columbus, Ohio, the latter part of September.

Visiting in the home of Mr. and Mrs. Guy Crews this past week were their son-in-law, CW04 Cola Allen Martin and wife, the former Lois Floyd, and their children, Gary Allen and Pamela Ann. Martin is stationed at Ft. McPherson, Atlanta, Ga. and has been in the Army Band for 24 years. Their son, Gary Allen has been accepted at the Citadel, Charleston, S. C. Also visiting at the Crews home was Mrs. Lillie Winegard, (known to many as Grannie), who enjoyed the day. Mrs. Crews served a delicious dinner in honor of Grannie's 86th birthday, (which will be August 26), while the Martins were here. Mrs. Winegard is the mother of Mrs. Crews and the grandmother of Mrs. Martin.

Wendy Bowers and John Wright Married In Lakeside Ceremony

MR. AND MRS. JOHN W. WRIGHT, II

Miss Wendy Lee Bowers and

John Wesley Wright, II were united in marriage Aug. 19, at a lakeside ceremony at the bride's home.

The bride is the daughter of Mr. and Mrs. Ken C. Bowers, of Sebring, and the bridegroom is the son of Mr. and Mrs. John W. Wright, of Avon Park.

The Rev. Aden D. Childress officiated at the double-ring ceremony. Organist for the wedding was Mrs. Laurinda DeShong, sister of the bridegroom. After a prelude of songs by Lennon and McCartney, John Wright, father of the bridegroom, sang "If Ever I Would Leave You" by Lerner and Lowe, and later "Wedding Song" by Paul Stookey.

Traditional gown When the bride was given in marriage by her father, she wore a traditional gown of the bride, a pucker daron and silk with a scooped neckline and long sleeves. The bridal gown was designed and made by her grandmother, Mrs. Roy Wagner.

Matron of honor was Mrs. Robert Brown, sister of the bride, of Tampa. Her empire style gown was sun yellow patterned with periwinkle flowers and green leaves, and featured puffed sleeves.

Bridesmaids were Miss Kelli Bowers, sister of the bride, and Miss Tricia Leapheart, of Sebring. Their gowns were similar to the matron of honor's and all carried baskets of periwinkles and palms.

Groomsmen were Ken Dixon and Spencer Oberle, of Orlando,

Trailblazing 156 Hikes 56 Miles On Appalachian Trail

TROOP 156 BASE CAMP in Nantahala National Forest, 20 miles SW of Franklin, N. C.

UNDERWAY AT LAST!! Destination Wesser Bald Mountain 4.2 miles and uphill all the way.

MEMBERS OF TROOP 156 assemble and adjust their packs and equipment at Wesser, N. C., starting point of their 56 mile trek on the Appalachian Trail.

AFTER A FULL day of mountain climbing, supper is prepared with minimum delay... and eaten the same way.

Sixteen Scouts and four adult leaders from Avon Park's Trailblazing Troop 156 returned August 10 after completing a rugged, 56-mile hike on the Appalachian Trail. Hiking in the Nantahala National Forest, this section of the trail follows the crest of the Nantahala Mountain range, and leads over a series of 5,000 foot peaks with 4,000 foot gaps.

After assembling at the Standing Indian campground, some 17 miles southwest of Franklin, N. C., on July 13, a base camp of operations was established. Tents were pitched on a beautiful grassy hillside, as the Scouts began to check their gear for the coming week on the trail.

Tuesday, August 1, saw the boys loading their packs on the equipment trailer, and making the 30 mile trip to the starting point of the hike at Wesser, N. C. Here, on the banks of the Nantahala River, food was distributed to each member of the hiking party, packs rechecked to eliminate any unnecessary weight, and all was in readiness for the beginning of the long awaited "Appalachian Adventure".

"By noon, we were finally on the trail," said Scoutmaster Larry Hooper. "The trail from Wesser on up to Wesser Bald Mountain was about the most strenuous climb of our entire trip. In just a little over 6 miles, we made an ascent of 3,000 feet - from 1700 feet above sea level as Wesser, to 4,607 at the summit of Wesser Bald." According to Hooper "the boys were really ready to set up camp that night, knowing they had now become experienced mountain climbers."

Dawn on Wednesday came with one of the frequent rain storms which the troop encountered. The rain continued throughout the morning, dampening all the gear, but certainly not the spirits. After conquering such mountains as Rocky Bald (5,180), Black Bald (5,000 feet), Tellico Bald (5,130 feet) and Copper Bald (5,249

feet), the group finally reached the Cold Springs shelter. On arriving, it was noted that this shelter was designed to accommodate 4 persons, and Troop 156 had a party of 20! As the rain continued, the boys eagerly built a fire with the available supply of dry wood, and tried to dry out the sleeping bags for the night ahead. Nightfall found 10 Scouts and leaders huddled into the shelter, sleeping sitting up.

"During the night, I felt something moving on the brim of my hat," recalls Scoutmaster Duane Zoller. "As I watched with flashlight, I could see a mouse, running first on my hat, then down onto Larry's shoulder, then onto the packs, hoping to find some tiny morsels of food. I settled back down to sleep, content to share this shelter with our tiny friend."

The following day saw the rain give way to a beautiful, sunny day. Covering some 10 miles, this hike afforded some of the most spectacular views of the surrounding countryside.

From the lookout tower atop Wesser Bald, the boys were able to pick out distant mountains which they would be climbing in the days ahead. Setting up camp at Wesser Gap, all members took advantage of the sunshine to dry out their gear after two days of rain.

Friday the boys covered another 10 miles on the trail, arriving at Standing Indian campground early in the afternoon. Here, after spending the night at the base camp, they would re-supply with food for the remainder of their trip.

During this break in the hike, most of the boys found the sparkling, cold Nantahala River a welcome retreat for swimming and tubing.

With some 26 miles

remaining, the eager group left the base camp after an early breakfast on Saturday. "By mid-day we were at the top of Wesser Bald with some 26 miles remaining," said Hooper.

With some 26 miles remaining, the eager group left the base camp after an early breakfast on Saturday. "By mid-day we were at the top of Wesser Bald with some 26 miles remaining," said Hooper.

The fire tower proved a look out point where the boys could look back on Wesser Bald, and they could also see the town of Franklin. After making camp at Bettys Creek Gap, another rain storm hit, but caused little discomfort to the "seasoned" hikers.

Sundays hike found the trail cutting through numerous rhododendron thickets, and skirting many sparkling creeks. Consulting maps of the area it was pointed out that his section of the Appalachian Trail encircled the headwaters of the Nantahala River, and leads back to the Standing Indian campground, base camp for Troop 156. Camp was made at Beech Gap, just short of the summit of Mount Standing Indian (5,550 feet), called the "Grandstand of the Southern Appalachians."

As the hikers made their way down the Kinsey Creek Trail toward base camp, the mountains were shrouded in fog. The 56 mile journey had been completed one full day ahead of schedule with the arrival in base shortly after lunch.

Most of the next day was spent getting gear ready for the trip back home. However, everyone was anxious for the "banquet" which had been promised upon completion of the hike. A supper of hamburgers, corn on the cob, baked beans, and cold drinks had been prepared. As a surprise a

birthday cake was served honoring three members of the group who had celebrated birthday during the course of the trip - Scoutmaster Larry Hooper, Scout Bill L'Heureux and Scout Scottie Thompson. Scoutmaster Hooper then presented an Appalachian Trail patch to each of those making the hike, adding "well done."

Completing this Appalachian Adventure were Life Scout Walter Newton, Star Scouts Darrell Zoller and Eddie Williams; First Class Scouts Bill Tharp, Dennis Retherford, Frank Batson, and Terry L'Heureux; Second Class Scouts Marc Hooper, Donn Pearl, Robert Rauch, David Reynolds, and Scottie Thompson; Tenderfoot Scouts Charles Lake, Danny Luke, Joel Hart and Wes Mosser. Adults were Scoutmaster Larry Hooper, Committee Chairman Duane Zoller, Troop Committeeman Bill L'Heureux, and an International Scout, Gino Palau, a District Commissioner from Quito, Ecuador.

Color slides of the entire trip will be shown at the Troop's next Parents Night which will be held in the Fellowship Hall of the Congregational Church Monday, September 18 at 8 p.m. The general public is invited. (Please turn to page six)

GINO PALAU and Marc Hooper can't believe their just 30 ft. short of being 1 mile higher after a 4 mile climb. Donn Pearl applies more moleskin and Scout Bill L'Heureux consults the trail guide for the next campsite.

SCOUTS AND LEADERS take a five minute standing break on a steep climb to the summit of Little Ridgepole Mountain.

ROBERT RAUSCH adds the sour cream while Scoutmaster Duane Zoller stirs the Stroganoff. The food on the trip was light weight and specially designed for backpacking. Consisting of freeze dried and dehydrated products the menus were varied and the food quite tasty.

A little learning can be a dangerous thing... for you!

You may think you'll get places with a small education. But you're wrong! Starting to work with a two-small education is like running a race in cement track shoes. It's almost a sure bet you'll come in last in the race for the good-paying jobs.

Today, to get a good job you need a good education. A good education is the first thing employers ask for. It proves you've got what it takes to handle a good job... a good-paying job...

job with a future that really goes somewhere. So, if you're in school now... stay there! Learn all you can for as long as you can. If you're out of school, you can still get back in the running. There's plenty of valuable training available outside the classroom. To get the facts, see the Youth Counselor at your State Employment Service. Or visit a Youth Opportunity Center, which has been set up in many cities to help you.

One Year Spent Planning Trip

Nearly one year has been spent planning the Appalachian Adventure recently completed by Trailblazing Troop 156 of Avon Park.

Last summer, Scoutmaster Larry Hooper and his family made a trip to the Standing Indian campground in the Nantahala National Forest to "scout out" the area for the upcoming trip by the troop. Deciding that this was the best area to base such a trip, Hooper then proceeded to obtain information, maps, and etc. necessary for such an undertaking.

During the 2 months immediately preceding the trip, arrangements were finalized for transportation, equipment was listed, and menus planned. Most of the Scouts were busy making lightweight sleeping bags, using nylon tricot material and 1/4" foam filling. Lightweight stoves were ordered for cooking, and other lightweight backpacking items were assembled.

"One of the most awesome chores was the menu planning and purchasing the food," said Hooper. "It was necessary to plan and buy for 20 persons for a total of 21 meals. Most of the food was freeze dried, super lightweight. Some was purchased from a camping supply store, but a good portion was available at our supermarkets. We did, however, deplete the local supplies of items like instant grits and oatmeal, toastmeats, melba toast, and a number of others." One entire afternoon was devoted to repackaging and assembling the foods into individual meal groupings. Mrs. Duane Zoller, Mrs. Larry Hooper and Misty Hooper handled the menu planning and food preparations.

Once in North Carolina, the operation of the base camp, an important function. Several Scout families had made the trip to assist with the transportation and base camp. Bill and Shirley Tharp, Alice Zoller, Alan and Misty Hooper, and JoAnn L'Heureux helped to prepare

and serve food during the time the hikers were at the base. A "double assist" on transportation came from Dr. James Williams, who made the trip to the mountains with seven Scouts, and then returned to days later to bring them back to Avon Park.

Mrs. Welch Fisher also assisted with the loan of "Charley" the equipment trailer. The entire Troop is grateful to all those who helped in making the trip such a complete success.

Local Golfers Enter Cup Tournament

The Challenge Cup Golf Tournament to be held this weekend at Sun N Lake Country Club has received a great turnout. Invitations were sent to all the clubs in the area to form an eight man team for the 36 hole medal play event.

Avon Park will field a very strong team and must be listed as the favorites. Players such as Tom Crutchfield, Pete Peterson, Kirk Dressel, Ed Touchton, Sr., Cecil Skipper, Carl Utz and Ed Touchton, Jr., give Avon Park a real fine team.

Newly appointed golf professional Fred Merliatt will head another fine team representing Sebring. Fred's partners will be Earl Kelly, Irving Cobb, Ron Goings, Dan O'Keefe, Ben McClure, and Don Caldwell.

Other clubs that will be represented include Placida Lakes, Arcadia, Okeechobee and Sun N Lake.

The event will become an annual affair and a different club will be asked to host the event next year.

Spectators are invited to watch the event as it will be an excellent opportunity to see the best players in the area compete.

You and your pet

By TED KAVANAUGH, DIRECTOR, ALPO PET NEWS BUREAU

Housebreaking Your Puppy

Housebreaking involves either a one or two-step method depending on your living accommodations.

Home owners with a yard use the one-step method, training the puppy directly to a prepared place outdoors. You prepare that place by mopping up the pup's first indoor mistake, fastening the rag in his outdoor place and taking him there. Puppy sniffs it and quickly gets the message.

You must take him there often from morning till night to set the habit pattern. This may take a week or so. Remember, a puppy must eliminate frequently during these early training days before his control system builds up.

Indoors, confine the puppy in a well ventilated box or crate for sleeping, naps and playing. He will be instinctively reluctant to soil his "cave."

But if you are not vigilant enough and a mistake is made, chastise the pup mildly and take him immediately to his outdoor place.

Close confinement for this training period won't hurt the pup, as experienced owners and trainers know.

Praise Your Puppy

Be sure to praise the puppy lavishly every time he uses the right place. He soon learns which one results in praise or rebuke.

For apartment dwellers, the intermediate step of paper training has a drawback: the puppy must urinate if when switched to street training.

Here's how it works:

The puppy's paper-covered confinement area, preferably

the kitchen, is gradually reduced after the second or third day. This exposes a little more bare floor each time. Replace soiled papers promptly.

Dachshund: 4th Highest AKC Registrations

Correct the pup immediately for mistakes on the bare floor, using the praise and rebuke tactics previously mentioned to teach right from wrong. And a drop or two of ammonia solution rubbed in the wet spot will remove both the urine smell and the inclination to reuse that spot.

Within about two weeks, begin street walks with your puppy until he learns that is the place to go, then remove the remaining papers. At this stage, be alert for signs of needed relief, such as search for a hole, sniffing the ground, and take him out promptly. Be patient and loving, and soon that great graduation day will come.

P.S. Puppies need a veterinary checkup every 6-8 weeks.

To Understand

Many people are puzzled about the Bible. They read it, but have problems discovering its meaning.

The family telecast, Faith for Today, has prepared a Bible Study plan which makes the Scriptures easy to understand. It is free, with a diploma for you when you have completed study.

Some of the questions answered in the 34-lesson course are:

1. Who is God? (Lesson 1)
 2. Why are there so many denominations? (Lesson 2)
 3. Will human suffering always exist? (Lesson 26)
- More than 132,000 graduates attest to the practicality and help of the Faith for Today Bible course.

County To Sell Five Buses

Highlands county school board plans to sell five school buses. And although one has 235,000 miles, another 220,000, there already are some interested buyers - churches.

The board voted Thursday night to sell the five, to junk another and use the parts for replacements, and to retire two others for use by the maintenance department in hauling equipment.

It was pointed out the lowest mileage on any of the buses was 7,000, but Garland Bogun, superintendent of transportation, indicating the figure is low, explained:

"The speedometer didn't work right on that one!"

Mark Your Calendar For Dec. 4 For The Christmas Parade

Letters went out this week from Anna Belle Warden, Executive Manager of the Avon Park Chamber of Commerce, to all Business Members, in reference to the Christmas Parade.

The letter reads as follows: "Just call us an EARLY BIRD. We hope you will be one too. Mark your calendar for Monday, Dec. 4, 7:30 p.m. That is the date selected for Avon Park's BIG Annual Christmas Parade."

"Steve Roberts, Parade Chairman, aims for the biggest and best ever. So please be thinking and planning for outside and inside decorations for your business, parade float, provision for electric power unit, and speak ahead for the

real live Dolls to add eye-appeal on your float." "May we remind you also that our Chamber office has a supply of booklets and catalogues that might give you some ideas for decorating for the Christmas season. This is one time where it could pay to be a COPY CAT. Let's make Avon Park irresistible this season. Help everyone to be TRADE IN AVON PARK MINDED."

The Christmas Parade is always one of the best parades in Avon Park, and it is none too early to start thinking about Parade Plans.

A well-earned earned vacation is also soon well-spent.

Halvorsen Receives Degree

Miss Dorisann Halvorsen, daughter of Mr. and Mrs. Donovan G. Halvorsen of Route 23, Box 345 here in Avon Park, recently received an associated of science degree in office administration during the summer commencement at Southern Missionary College.

She received her secondary education at Forest Lake Academy, Maitland, Florida. On August 20 she will be married to Mr. Leon Everett of Canada. Everett is a 1972 spring graduate of SMC. Dorisann plans to work in the public relations field as a secretary.

Southern Missionary College is a fully accredited educational liberal arts college owned and operated by the Seventh-day Adventist denomination and is located near Chattanooga, Tennessee.

The regular monthly salad bar luncheon will be held at the club house on Thursday, Sept. 7, at 12:30 p.m.

Reverend and Mrs. Charles Bromley from St. Petersburg and Mrs. Gordon Phillips were luncheon guests of Mr. and Mrs. W. T. Haines on Saturday. Reverend Bromley has been the supply minister for the Babson Park Community Church this summer.

Mr. and Mrs. Walter Basedow returned to the lakes Sunday afternoon from Ft. Lauderdale where they were guests of Mrs. Martha Riecken for three days. Mrs. Frank Alley returned home Monday from a four weeks trip that took her to Indiana and Ohio to visit relatives and friends.

Typing Class

Offered At Junior College

The Adult Vocational Division of South Florida Junior College will offer a typing class for all levels at the college campus. This class will be taught by Miss Ruby Sweet and will meet on Monday Nights for 15 weeks. The cost of the course is \$10. Persons desiring to learn to type, to build typing speed, or to review their typing skills are all invited to participate in these classes. Businesses within the community may sponsor students within these courses with the purpose of their learning this skill or an upgrading of present skills. One-half credit towards an adult high school diploma will be awarded for successful completion.

Red Devil Track Team Shaping Up For Season

Coach Chet Brojek's Red Devil Cross-County team is getting in shape for the fall season which will start around the middle of September.

Five boys have already been running about 30 miles a week to be ready for the competition this year. The regular meets are run on a 2 1/2 mile course but Coach Brojek hopes to enter the boys in a fifteen mile "mini-marathon" during the season. Running regularly already have been James Brown, Eugene Sneed, Larry Sneed, Jackie Roberts, and Reed Wall. Others expected to join the team soon are Johnny Pipkin, Mike Hagan, Bruce Trescott, and Scotty Thompson. Any other boys in grades nine through twelve interested in running the distance races should get in touch with Mr. Brojek at the high school as soon as possible.

Avon Mobile Home Park News

by Jonathan Wright

If "no news is good news," then we sure do have a lot of good news this week. Honestly, folks, there just isn't much going on lately! Either your northern folks aren't writing enough letters to the office, or I'm not scraping hard enough for news among the few people who are left in the park. Maybe it's both! Oh, well - it won't be long before the September rent comes rolling in, and along with it some good, newsy letters.

The 1972 Avon Mobile Home Park Picnic was held Wednesday, August 9 at the Bourbon, Indiana, City Park with 53 in attendance. Vernard Goodman opened the dinner with prayer, after which the delicious food was served at 12 o'clock noon. Following the dinner, Ham and Nita Byer sang two numbers entitled "Fill My Cup, Lord" and "In the Upper Room," accompanied by Ham on the guitar. Ruby Goodman then gave three readings: "The Answer," "Gift of Friendship," and "The Old Maid's Prayer." Other readings were given by Gladys Gub ("You Have To Have Hope"), Marie Monroe ("Vacationers' Parable"), Margaret Belcher

("What Is A Grandma!"), Edith Stevens ("The and Now"), Floyd Stevens ("Speed" and "Undertaker Has Your Suit"), Mrs. Linnville Myers ("Atomic Age Version") and Ula Miller ("He May Live Without Books" and "Grandpa Gets Mad at the Attic"). Officers for next year's picnic were elected, with George Becher as president, William Belcher as vice-president, and Dorothy Keyes as secretary-treasurer. An offering of \$23.94 was taken. Mr. Paul Roth gave a short talk, after which Ham and Nita sang another number entitled "Oh, Jesus". Notes were then read from several who were unable to attend. All in all, it was a great picnic, and everybody went away ten pounds fatter.

Charlie Brush was admitted to Walker Memorial Hospital Wednesday, August 16. Bertha says that he is getting along fine and that his condition is improving. Let's remember him in our prayers.

The Emmette Wright family

was visited Saturday and Sunday by their daughter (and sister), Janice. She recently moved from Tampa to Gainesville, where she will be entering the University of Florida this fall and working as a keypunch operator.

Larry Robinson writes that he is now at home in N. Olmstead, Ohio, convalescing from his recent operation. He expresses his appreciation for the card sent to him by all the "picnickers" at Bourbon, which sure did make him feel a whole lot better! His address is: 4533 Calsten Lane, N. Olmstead, Ohio 44070.

Well, it looks like this is the last week I'll be writing the news. This Saturday I'll be taking off on the plane to head back to Bethany Nazarene College in Oklahoma City. It has certainly been a pleasure to write the news this summer, and I would like to thank all of you readers for your letters and comments.

Horticulture Class To Be Offered

One of the courses that has many times been requested by persons moving to the South Florida section is that of horticulture. This class will be taught during the Fall term of South Florida Junior College in Avon Park on Thursday evenings from 7 until 10 o'clock with the first class being held on August 24.

This program will cover all of the basic aspects of horticulture, including botany, ornamental horticulture,

landscaping, grafting, budding, etc. Any person who has a high school diploma or its equivalent may enroll in this program for credit. The class will carry a three hour credit which is applicable to many of the curricula at South Florida Junior College, including the program in Associate of Science in Agriculture.

Of special interest will be the work in the greenhouse that has recently been fully developed at South Florida Junior College.

Mr. Lew Miller, instructor of agriculture at South Florida Junior College, will be the teacher of this class. Any persons desiring further information may contact the Vocational-Technical office at South Florida Junior College, 453-6661. The cost of the class is \$36 plus books. Persons who have not registered previously for classes at South Florida Junior College will also have to file an application and application fee.

You've had some education?

(Now maybe you'll get some kind of job.)

Some kinds of jobs really aren't much. Not much fun. Not much pay. Not much future, either. And you may have to settle for a job like that... if you don't have a good education. Today, it's a fact. Having some education just isn't enough if you want a good-paying job. To get a good job, you need a good education. It's the first thing employers ask for.

So, if you're in school now... stay there! Learn all you can for as long as you can. If you're out of school, you can still get plenty of valuable training outside the classroom. For information, just visit the Youth Counselor at your State Employment Service. Or stop in at a Youth Opportunity Center, which has been set up in many cities to help you.

**B. T. "BRAD" BOWEN, JR.
ON QUALIFICATIONS**

A Businessman, and a farmer, besides being active in many community associations and projects.

A family man... That's **BRAD BOWEN**. **BRAD BOWEN** joined the Navy in July of 1942 and from 1945 until 1946 **BRAD BOWEN** was in the Pacific Theater of Operations. A long way from where he wanted to be like other men in uniform. Brad was discharged in March 1946 an Ensign. Now a Commander he remains active in the Naval Reserve, and keeps up his association with other veterans thru the V.F.W. and the American Legion.

He had attended Rhode Island State College prior to the war and returned after being discharged to earn a degree in agriculture. Brad moved to Florida 26 years ago and in addition to pursuing his life-time wishes to be involved in agriculture, saw the need for a practical-efficient and top grade roofing firm. **Bowen Roofing**, now the largest of it's kind in the county, also has a branch in Vero Beach. Besides spending time with his farming and roofing firm, Brad is actively involved with

his real estate holdings. He is married to Judith from Sebring who is the former Judith Ann Dean. Brad has one grandchild Brad IV whom he spoils in the typical way of a grandfather. Brad's son, Brad III, is a forman for his father's Roofing Co. While he does put in a full day, he has spent a lot of time helping Highlands County on it's road to growth as a private citizen and has been convinced by his family and friends that he can do even more by having a seat on the Commission.

B. T. "Brad" Bowen, Jr. has the QUALIFICATIONS. He is running as a Florida Democrat for Commissioner, District No. 4.

Chamber Manager Attends Meeting

Eighty five Chamber Executives were registered at the 53rd Annual Management Conference of the Florida Chamber of Commerce Executives held in St. Petersburg this past Thursday, Friday and Saturday.

Anna Belle Worden, Executive Manager of the Avon Park Chamber of Commerce, was one of eighteen Chamber Managers sitting on a panel discussion on the subject of Improved Communications, which was featured Saturday morning.

Mrs. Worden reported that this was one of the most outstanding and interesting FCEE meetings that she had ever had the privilege of attending. Some of the courses offered were FLORIDA - Then - Now - and Tomorrow, Practical Politics on the Local Level, Methods of

News Media, New Techniques in Marketing the Chamber Program, Selecting and Motivating the Volunteer, and Coping with "No Growth" Syndrome.

Mrs. Evelyn Metcalfe was in the local Chamber Office while Mrs. Worden was in St. Petersburg.

Winter Guest Club News

Elizabeth Clarke

In shuffling on Wednesday with 8 courts in play the winners were: first John Hery and Charles Romilly, second Charles Buckley and Herb Woodcroft, third Jerry Kerr and Elizabeth Clarke, fourth, Twyla and Herman Wurster.

On Saturday there was five and a half courts in play. In the main Herman and Twyla Wurster over Ernest Thomas and John Harp. In consolation Clay Kull and John Wolfe won with Ruth Jordan and Chet Seeger coming in second.

In pinocle on Monday and Friday with 2 and 3 tables in play, the high scores went to William Benson 749, Herman Wurster 550, and 908 and William Benson 593.

From the Club there are three in the hospital at this time, Al Ross for his third surgery, Charles Brush and Dick Dickerson. Best of luck to all three.

Leslie Hildreth is home from the hospital in Fairfield, Maine. He had eye surgery.

Recently returned from the north are the Ernest Thomas' who vacationed in Point Chautauque, N. Y.

Blaine and Judy Kerr have returned from visiting their daughter and husband, Mr. and Mrs. James Wallace in North Kingstown, Rhode Island and their other daughter, Mr. and Mrs. David Naider in Youngstown, Ohio, and son James Kerr and family. While there they made trips to Ohio, saw the Thorleys in Minerva, and the Jesse Hyatts and the Jesse Singers. Then in Sandusky they visited Blaine's niece, Mrs. Jon Myrick, also the Keith Debos, bought some from vegetables from the Debos. Another side trip was to Detroit, where they visited Toney's son William and family, and brother Frank, who is in a nursing home.

Leon and Clay Kull have returned from Brevoort Lake in Michigan's Upper Peninsula, where they visited Duke and Aileen Christensen, the Christensens had just returned from a trip to Alaska, stopping on the way home to see Andy and Alice Clarke at Nestor Falls Ontario, who will be in Avon Park this winter.

The Kulls found the days wonderful, but the nights were cold. The flaked, picked blueberries and red raspberries, and hiked, sighting a deer and faun in the eve. One day was spent at Tahquamenon Falls, another at Mackinaw Island.

The Christensens have an ideal location in the woods close to the lake and the highway. One Sunday they celebrated Bertha McCauley's birthday with a picnic on the lawn. There were fourteen present, including Winter Guest Club members, Jim and Fern Rigg and Forest Shaw, and others the Kulls had known in previous years.

On the trip home they visited Lookout Mountain at Chattanooga on the Chickamauga Battlefield.

When once you've been to Michigan, you'll often wish and wish again for the time to come when you to burn and go up north to fish-a-gain.

Mrs. Nora Werner of Milton, Ind. and Mr. and Mrs. Lewis Schenkel of Cambridge City, Ind. visited with friends in and near Hicksville, O. recently. They had lunch with Bill and Audrie Cleland, visited with Clyde and Alda Peter, called on Bruce and Leola Kline. Bruce is improving nicely from the tractor accident that occurred in May, and is looking forward to coming back to Avon Park this fall.

Heleen and Elmer Good had as house guests for 10 days a niece and nephew and three sons. They saw Disney World, Cypress Gardens and the Great Masterpiece. Also spent a day at Vero Beach, where they found the beaches much nicer than at home in Nederland, Texas.

News from Louise Prellip in Britton, Mich. and the Paul Swearingens about the Avon Park picnic in Palmyra, Mich. on Aug. 13. There were 54 in attendance 14 came from Ind. 6 came from Komoka, Canada (the Wilford Culvers) 190 miles and 5 from Ohio. Of course they had a delicious dinner at noon. This was followed by a brief business meeting and a short program ending with group singing led by Paul Swearingen. Next year's picnic will be the second Sunday in August in 1973 at the same place. The weather was ideal and all had a wonderful time gabbing about Avon Park, and what they will be doing next winter.

John and Sarah Spindler have returned from their vacation in Mass. On the way home they stopped in Alden, N. Y. to say hello to Walter and Estelle Swyers and also Gus and Irene Swyers. All the Swyers are looking forward to their return to Avon Park.

New Students

Urged To Register

The Avon Elementary School (Grades 2, 3, & 4) and the Hopewell Annex (Grade 1) will begin classes on August 28. Students who are new and did not attend school in Avon Park last school year should come by the Avon Elementary School Office and register for grades two, three, and four, between 8:30-12 and 1:30-3:30 any day before school opens.

First Grade Students who have not registered should go by the Hopewell Annex Office starting August 16, between 8:30-12 and 1:30-3:30 to register. Students entering the first grade must be six years of age on or before January 1, 1973. A state law requires that the student present proof of birth and evidence of a physical examination as well as a record showing that the student has received the proper immunizations (Diphtheria, pertussis, tetanus, poliomyelitis, rubella and, rubella (measles).

The school day will begin at 8 a.m. with grades 1, 2, 3, being dismissed at 2:30. Grade four will be dismissed at 2:30. (This is a tentative schedule and subject to change if bus routes and times are changed. Parents will be notified of any changes). All teacher assignments will be posted at 4 p.m. on Friday, August 25, at Avon Elementary School on West Winthrop for 1-4 grades. The school will be able to give this information before this time.

PRE SCHOOL MIGRANT STUDENTS

Three trailers will be operated again this year for 3, 4 and 5 year old students who qualify as migrants. The law defines a Migrant as a Child who has moved with a parent or guardian within the past year across State or County boundaries in order that his immediate family might secure temporary or seasonal employment in agriculture or in related food processing activities. "n" refers to a child who is expected to continue to migrate.

Registrations for these students will be at the Hopewell Annex on August 21 from 8:30-12 and 1:30-3:30.

Students who were in the program last year and are still designated as migrants will be given first choice. Enrollment is limited to 15 for three year olds and 20 for four and five year olds.

LUNCHES

Lunches will be \$.35 for students in grades one through 4. First grade students will pay teachers once a week and students in grades 2, 3, & 4 will have to bring their money each day and pay as they go through the cafeteria line. Credit will be extended for one day and will not be extended until the money is repaid. Free lunches will be available to those who qualify. Applications will be sent home with the students and parents must reply if they received free lunches last year. Extra milk will be 5 cents.

Junior College Will Offer

Real Estate Broker's Class

The University of Florida, through its Continuing Education Division, will hold a class for prospective real estate

brokers on the campus of South Florida Junior College during the coming semester. The first class will be held on September 11 in Science Room 101 at South Florida Junior College. Persons interested in taking this class may pick up registration cards at the Admissions Desk of South Florida Junior College.

Information as to costs and textbooks will need to be directed either to the University of Florida in Gainesville or to Mr. Ted Ward of Avon Park, instructor for the class.

This is probably the only real estate broker's class to be offered during the coming year. South Florida Junior College will continue to offer the real estate salesman course.

SEJC Offers

103 Classes

The Fall schedule of college credit classes at South Florida Junior College offers 103 classes for students to enroll. Classes are offered in Astronomy, Art, Agriculture, Business, Criminal Justice, English, French, Geography, Health, History, Mathematics, Music, Physical Education, Psychology, Speech, and Theatre. Classes are available mornings, afternoons, and evenings.

These courses may be taken to earn a degree or for personal pleasure. Two degrees are available, the Associate in Arts Degree which is designed for those desiring to continue their education in a senior college or university, and the Associate in Science Degree which is designed for those planning to prepare themselves with specific technical and special training for immediate employment after junior college graduation.

This "I & R" Man is working for you...

An Installer-Repairman physically connects a "pair" of wires from a phone to the nearest switching center... a necessity for your phone to interconnect with all others.

Of all United Telephone employees, an Installer-Repairman is probably the most familiar to most people. Like Alvin Effrick, in the above photo, who works out of our Punta Gorda office. He is identified by a familiar truck... a tool-laden belt... and a friendly, helpful manner.

Al and his 125 fellow "I & R" men know where the "action" is. They cover a lot of territory... in 13 Florida counties... where new developments and population growth have stimulated an unprecedented demand for communications services.

An I & R man makes things happen! He will put you in touch with your family doctor or your cousin Sadie in Syracuse. Although he'd like to immediately complete every service request, he sometimes must wait until additional cable projects or other technical facilities are engineered and constructed.

Our I & R men are trained to be versatile, mobile and even docile. They work atop poles and under buildings... contend with unfriendly dogs and, occasionally, rattlesnakes... and always, but always, have a keen regard for any "little people" in your neighborhood who may innocently park a tricycle behind one of our trucks.

We are proud of our I & R men and also the 1,500 other men and women who are working for you at United Telephone of Florida.

NOTICE UNDER FICTITIOUS NAME LAW

Notice is hereby given that the undersigned, pursuant to the "Fictitious Name Statute," Section 865.09 of the Florida Statutes as amended, wish to register with the clerk of Circuit Court, in and for Highlands County, Florida, upon the filing of this notice, the fictitious name to-wit:

AVON STEP UP under which name I am engaged in the business of operating a parking lot at the Seminole Park Road in Sebring, Florida and at the owner's said business is operated at Avon Park, Highlands county, Florida, this 24 day of August, A.D., 1972.

E. Irma McLaughlin
Clark, Sept. 4, 1972

Notice is hereby given that Carroll J. Snyder, holder of Tax Certificate No. 1, issued by the State of Florida, has filed name in my office and made an application for a tax sale. The property to be sold embraces the following: Lots 1 and 2, Block 1, of the Highlands, State of Florida. Lots 21 to 24, inclusive, Block 36, of the Highlands, State of Florida. Addition, Unit 3, as recorded in Addition Book 5, page 68, of the Public Records of the State of Florida.

For assessment of said property and for said certificate issued in the name of Severin E. & Edna M. Snyder, the said property will be redeemed according to law. The property described herein will be sold at public sale on the first Monday of the month of January, 1972, which is the 2nd day of January, 1972, which is the 11th day of the month of January, at the hour of sale 11:00 A. M.

Witness my hand and seal of office on the 25th day of December, 1972.

All Avon Park Schools Increase In Enrollment

Highlands county schools had a record first day enrollment Monday of 6,276, with more than 50 per cent of the 93 pupil gain over last year in the Lake Placid schools.

At Avon Park the Avon Park high school registration was 629, up from last year, 726 at the middle school, up 30, and 775 at the elementary school, up 28.

Schools Superintendent George Douglass said "we expected a 5 per cent increase in enrollment in the county schools and that is what we got."

He said opening day went "extremely smoothly, there is no overcrowding." The second day of school saw some additional enrollment at the Highlands Coca Cola Bottling Company on Tulane Circle.

recorded a loss of five students. There was an enrollment of 629 at the Sebring Middle school, 545 at Fred Wild elementary and 567 at Woodlawn elementary school. Lake Placid high school had an enrollment of 751, the elementary school, 839. The elementary school had 97 more students than on opening day last year and the high school 65.

adjustments in bus schedules, with some assignments being changed, which, he said, is usual. School officials expect further increases in enrollment within the next two weeks as winter residents return to the area and then again when the fruit picking season starts locally and children of migrant fruit pickers attend local schools.

Avon Park Still

Plagued With

Break Ins

Breaking and enterings continue to plague the city of Avon Park this week as the police department reported to the Sun, the break-in at the Highlands Coca Cola Bottling Company on Tulane Circle.

According to reports, the break-in occurred sometime Sunday night or early Monday morning. The thieves entered through the rear entrance and removed a safe from the company office and pulled it to the warehouse with a hand dolly.

At this point they apparently used a heavy sledge hammer and wedge to pry the safe open. Approximately \$1500 in cash and checks was taken, along with two cases of soft drinks.

Police Chief Ferland Cribb stated his department has a solid lead on the case.

Cribb and recently hired Patrolman Johnny Hamilton investigated the case.

Cribb also reported an auto accident on Tuesday, August 29, in the parking lot at Bill's corner.

According to the report, B. F. Stephens, Jr., was unloading some concrete blocks at Bill's from a John Deere truck. A 1970 Oldsmobile operated by E. B. Hicks of Avon Park parked his auto in front of the truck and entered the store.

Stephens, after he finished his work, started the truck and rolled forward. He applied his air brakes but they failed to work for lack of sufficient air. The truck stripped the right front fender of the Olds, causing approximately \$100 worth of damage.

Cribb filed no charges.

City Council Tables Action On Guaranteeing Critchfield Mortgage

The City Council tabled a motion to guarantee the mortgage payments of Critchfield Marine at its regular meeting held Monday night at city hall.

The council, barely a quorum with President J. R. Duggan on vacation and Vice-President Darrah Martin out because of sickness in his family, discussed the complicated question at great length before deciding to hold off on a judgment until the entire body could discuss the situation.

According to the council, Critchfield now owes a mortgage of \$187,632. Critchfield is wanting to merge with another company, but according to reports, the company wishes the city to guarantee the mortgage payments should Critchfield fail to make them.

Councilman Clarence King stated that he is against making the tax payers liable for the mortgage, and stated that the whole affair is a mistake of a previous council.

Councilman Milton Howard noted that the marine says that they have more orders that they can fill, yet they continue to lay men off from their jobs. Presently Critchfield Marine employs 23 men, at one time they had 80 total employees. "I don't trust them fellows out here," concluded Howard.

Mayor Robert J. Barben, told the council that the land on which the marine is located is at a strategic point, next to the city airport and only one mile from downtown Avon Park. "I don't see this deal any better than Larence does," stated Barben, "but I think we may have to find out how much it's worth out there."

King again reminded everyone that the jobs Critchfield promised the council were never materialized. The discussion ended when Howard felt that the entire body should be on hand before any action could be made and therefore moved to table the motion.

Monday night at the City Council meeting, John Clark, Chairman of the Avon Park Chamber of Commerce Advertising Committee, officially presented Mayor Robert J. Barben with the largest and most complete map of the city ever to be published. It has taken many months in drafting and planning. Appearing with Mr. Clark and Mayor Barben, (left to right, standing) are Chamber of Commerce representatives, Guy Adams and Steve Roberts, who served

long hours with Mr. Clark on the Map Committee; and Council members, Herman Sizemore and Milton Howard. Seated left to right are City Clerk Malcolm Crews and Council member, Clarence King. Much credit is given to City Clerk Crews for the important role he played in assisting this committee on updating and correcting the old map; and to Suzanne Harvill, (not pictured), who did an outstanding job on drafting.

Dr. Nelson Butler Attends Olympics As Guest Speaker

Dr. Nelson Butler, intramural chairman at USF, and son of Mr. and Mrs. W. C. Butler of West Ruth Street, Avon Park, attended the Summer Olympics this year at Munich. He attended as a speaker, not as a competitor.

Butler was invited last September to attend the International Scientific Congress. He accepted and left with his wife, the former Lucy Gullio of Tampa, on Friday, Aug. 18, to away for three weeks. He presented a 15 minute speech, "Sport as a Leisure Pursuit," on the second day of the Aug. 21-25 meeting.

In explaining the purpose of the Congress, Butler said, "The meeting is a study of the physiology, sociology and psychology of people in sports."

This is Butler's first visit to the international event, which has been held in conjunction with the past four Summer Olympics, but the USF assistant professor has insight, when it comes to the sociology of sports.

He has published papers in international journals and said that is probably how they got his name for this. He also attended the International Symposium for the Sociology of Sport in Waterloo, Can., last August.

Butler submitted his paper soon after his invitation, so that it could be translated into German and French, to be read simultaneously with his English reading.

An International book, written in English, French, and German, containing the presentations of all the people, will be published after the Congress adjourns.

Butler graduated from Avon Park High School in 1957, receiving his BA degree from Tampa University in 1961. He received his Masters Degree at Appalachian State Teachers College in Boone, N.C. in 1963, and his Doctorate at the University of Tennessee, Knoxville, in 1967. Dr. Butler has been at the University of South Florida in Tampa, for the past five years.

In other business attended to by the council, Building Inspector Ben Love gave a report on the progress of demolition of houses condemned for occupancy by the city council. The McConnell house on West Bell at U.S. 27 has been removed. The Daniel building on E. Canfield at State Road 17 is being demolished.

The city read the final reading of the city budget and tax draft at its meeting and signed by the mayor.

Mrs. Joe Elder asked the council for a permit to operate two taxis in the city and stated he would be available at night for the bus runs. The council asked him to secure a business location and return to the next meeting and the license would be granted.

The council, noting that football season is on its way, decided to build a sidewalk on the East side of South Delaney Avenue from East Bell Street to East Pine Street. The sidewalk will be laid in time for the first home game.

DuPriest Wins Junior Golf Tournament

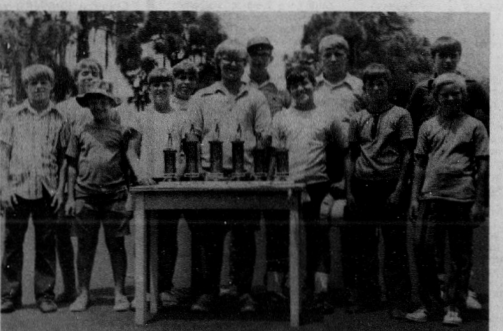

The new junior golf champion of the Avon Park Golf Association is John DuPriest, with Lee Anderson runner-up. John had a total of 182 for his thirty-six holes, having rounds of 93 and 89. Lee had two rounds

of 96, for a total of 192. Second flight was won by Dale Sizemore, with net 147. Second place went to Jamie Tomlinson, with net 158.

Third flight was won by David Sizemore, with net 156. After a

two hole playoff between Mark Palmer and Jeff Jackson, Palmer was declared the winner of second place.

Labor Day weekend will find plenty of action at Avon Park Golf Course, with tournaments planned each day.

Pictured above is some of the participants and winners in the Junior Golf Tournament at the Avon Park Golf Course. Left to right, staggered: Mark Jackson, Greg Burch, David Sizemore, 3rd. Flight Winner; Dale Sizemore, 2nd. Flight Winner; Billy Tharp, John DuPriest, Championship Place, 3rd. Flight; Jamie Lee Anderson, Runner-up Champion; Mark (Arnold) Palmer, Second Place, 2nd. 33 Red Devils Will Dress Out For Jamboree Friday

Red Devil football fans will be able to get a look at all thirty-three of the boys trying out for the varsity squad tomorrow (Friday) night when the Avon Park team goes to Sebring to take part in the four-team football jamboree which will start at 8 o'clock.

In the first period of play the Arcadia Bulldogs will take on the Wauchula Wildcats at Hardee High. Then Wauchula will stay on the field to test the 1972 edition of the Avon Park Red Devils in the second quarter. In the third quarter it will be Sebring going against Arcadia and Avon Park and Sebring will meet in the final quarter.

Coach Joe Franz has said that he will try to get all of his boys into the action in this early pre-season scrimmage in order to get a good look at the Red Devils who have been working out in hopes of winning a starting position for the season opener against Santa Fe in Lakeland on September 125.

Offensively the Devils are doing a bit of switching this season in hopes of coming up with a scoring combination. At the quarterback slot five boys are still in the running for the vacancy caused by the graduation of veteran Don Sizemore. Looking very sharp in the passing department is senior Tony Williams. Juniors Greg Hart and buddy DeWitt are also coming along well while senior Leon McRae and junior Danny Lewis have been concentrating a little more on running back plays than at the signal calling job. All five boys will probably be tested in Sebring tomorrow night, however, if time permits.

Also working out in the backfield has been William Burley at fullback with Greg Hart there when not quarterbacking. Along with letterman halfbacks Danny Lewis and senior Keith Richards are Arnold Davis, Merle Robinson, Josh King, Ricky Claitt, and Nathaniel Packer. Packer played last season but has been working in the backfield this fall hoping to add some depth and size to the running back position. Davis

played defensive end last season but would like a shot at carrying the ball this year. Robinson, King and Claitt are all three up from the "B" squad and working hard to push out one of the older boys. Leon McRae will also do some ball carrying this year after making all-conference at linebacker last season on defense.

Center Ronnie Dick was expected to practice this week after an injury sidelined him last week. Tim DuPre and Del Murphy are also working at the offensive center slot with DuPre practicing the long pass back for punts with much skill. DuPre and Dick are both juniors while Murphy is a senior.

Wayne Todd and Bud Wester will give experience to the end positions with Nate Williams coming on strong there also. Williams played mostly defense last season. Also working at end are Glen Gray and Marvin Jackson and of course Nathaniel Packer will be available when not in the backfield.

Possibly the most experience will be found at the tackle and guard positions on the Red Devil line this year. All-conference Jarvis Hartt and senior Virgil McInville will be backed up at tackle by Alcus Snell and Hayward Batts while Mike Archer, James Walker and Andy Prescott all want a starting guard slot. Barry Tate, Phillip and Ricky Lanier will also try for an interior line position. Barry Tate, Philip

Thomas, Ricky Lanier, and Jim Carter are also trying for an interior line position. Also out for the squad are Jim Wood, working at defensive halfback, and Tim Elder, a transfer from Frostproof.

Three boys are working to fill four specialist jobs vacated by Don Sizemore—punting, field goal kicking, extra point kicking and kick-off duties. Nathaniel Packer looks like the boy who will get the nod for kick-offs and field goals if needed. Bud Wester with Danny Lewis holding has looked good in practice at booting extra points, and Bud and Del Murphy are competing for the punting job this year.

The Red Devils will also have a new look, or rather an old look renewed, when they take the field for the first home game against Mulberry on September 22 in bright red pants and white jerseys. Coach Franz hopes to use the new red and white combination uniforms at home this season and the old gold and cardinal red uniforms at away games. Die-hard Avon Park alumnus will welcome the return to the red and white of old. Perhaps this will be an indication that the Red Devils are ready to put together the new look with the new conference and go all the way to the state championship in Class AA competition this season. Come to Sebring tomorrow night and take an early look at the Avon Park team up against rivals Wauchula and Sebring for one quarter each.

Building Director Presents Revised Mobile Home Code

Bill Young, county Building Director, presented his revised mobile home building code proposal to the Board of County Commissioners Tuesday.

Bob Brooks and Betty Bolin, representing the Mobile Home and Recreational Vehicle Association, who worked for months with Young in preparing the revised code told the Commissioners that they were satisfied with the proposal. However, they said that more work must be done before their organization is satisfied with county zoning regulations that are now undergoing revision, too.

Board Chairman Andrew Jackson urged Brooks and Bolin to work with the Director of (Please turn to page 3)
