\$138,768 Allocated For Avon Park

City Gets \$69,384 In First Check From Revenue Bill

Avon Park received its first portion of the money from the Federal Government under its revenue sharing bill. Avon Park received the greatest portion of Highlands county's share, totaling \$69,384, compared to Sebring's \$53,813, and Lake Placid receiving only \$2,661. All of these amounts are estimated to be only one half of the total funds.

The money is to be used for priority items, and must be placed into a separate account, not in the city's general fund. Also, reports must be filed in Washington stating just what the money is being spent on. Highlands county cities are expected to receive the other half of the funds next month, as promised by the federal government.

City clerk Malcolm Crews was told by the council

members to place the money into a 90-day certificate of deposit until they can get together to make plans for its use. Crews deposited it with Avon Citrus Bank with interest set at five per cent.

At the last meeting of the council, held Monday, Dec. 11, at city hall, tempers seemed to be running high.

Councilman Milton Howard moved to request the Civil Service board to run an investigation into the auto accident involving patrolman Jeff Holland last week, and

also his conduct as an officer, and the Civil Service board make their annual inspection and report of all departments at this time.

Holland was involved in an accident involving a police auto striking a parked vehicle on the mall. According to the report, Holland dropped something and was searching for it in his car and struck the parked auto, which was situated in front of Wright Package Store. No charges were filed against him.

Chief Ferland Cribb reported the investigation by the highway patrolman was impartial and no charges were made. He said he knew the source of the trouble and feelings against patrolman Holland.

Councilman Clarence King seconded Howard's motion stating he did so because this officer was controversial and he thought the investigation should be made to find out the truth. Some name calling occurred during the discussion, and a member of the audience, Bob Tomlinson, stood and objected to it. He also spoke about unjust accusations being made. Mayor Bob Barben said he had stood up for Holland and thought he was as well qualified as any of the other members of the department.

Lena Wright, owner of Wright's package, said that Holland had been most cooperative and a gentleman in trying to settle the accident. Finch, the owner of the auto which was struck, is employed by Wright.

Barben recommended that all accidents involving city employees during the past year be investigated.

Councilman Martin, Howard, and King voted for the motion. Duggan voted nay, and Sizemore abstained since he is a member of the civil service board.

W. P. Osteen and a large group of people addressed the council about the proposed use of an apartment house on E. Pine st., as a halfway house.

This is a program by the state to rehabilitate alcoholics. People spending 28 days at the ABC (Alcoholic Rehabilitation Center) and not yet ready to return to their homes, would spend another 28 days at the halfway house.

Howard moved to reject the proposition, and King seconded the idea. J. W. Weeks, owner of the property, said it was legal to operate one and he would put undesirable tenants in the apartments if this Halfway House program were blocked.

Tomlinson said Halfway House served useful purposes and that Weeks had a right to lease to them. He spoke in favor of the rehabilitation program, stating it would be good for the community and for society.

The motion was withdrawn without a vote, and a special meeting was set to be held Friday at 4 p.m. for further discussion.

In other business taken up by the council, bids were opened from banks for the investment of \$124,000 of Sinking Fund money. Avon Citrus Bank won by offering an interest rate of 6 1/2 per cent.

Howard moved that the city enter into an agreement with Mid State Uniform Rentals for seven uniforms at \$2.40 for city employees as of Jan. 2, 1973, and this motion carried unanimously.

A request of Rev. Collis Fogle was presented by Howard to save two rooms of the Watkins House and add four new rooms.

King said he had inspected the remaining part of the house and its structure was sound. Duggan read the section of the Southern Standard Building Code requiring a house be brought to new construction standards if cost of repairs is more than 50 per cent of the value of the property. He said the building inspector had reported the cost of repairs to this house was estimated at 88 per cent.

Attorney Jonathan Hancock said that an appeal could have been made by the original owner or the present owner to save the two rooms and building in compliance with the code.

Martin suggested having three reputable builders inspect the program by see if it is worth repairing. Further actions will be taken later.

Old Settlers Christmas Concert

An "Old Settlers" Christmas concert will be presented by a small group of the Avon Park High School band in the bandstand on the Mall, Tuesday, Dec. 19, between 7:30 and 8:30 p.m.

The band will be adorned in straw hats and mustaches and ladies from the "Old Settlers" organization will be selling pink lemonade, candy and cotton candy for the audience to munch on as they listen to the band.

The band will feature marches, waltzes, polkas, Christmas music and a "sing-along" by the audience of popular Christmas carols.

Band Director Vic McKunas suggests that you bring a folding lawn chair, as chairs will be at a premium.

Mail To Be Closed

Traffic traveling west on the mall will be re-routed at Main and Lake Avenues, and traffic traveling east will be re-routed at Butler Avenue on Tuesday, December 19, at approximately 7 p.m. until 8:45 p.m. to enable a Christmas Program to be held at the bandstand.

Police Chief Ferland Cribb urges citizens to cooperate during this time period.

Christmas Cheer Asks For Financial Assistance

Each year an appeal goes forth from Christmas Cheer for financial assistance in their community effort to bring good cheer to needy families at Christmas. The help of good people, of churches, civic, social and fraternal organizations makes this program possible.

This year bountiful baskets of food and toys will bring happiness to 60 or 65 needy families with more than 175 children. This will require a generous response of the good people and the wonderful organizations that support this program.

Local Girl Will Appear On Program

Sandi Pierce of Avon Park will appear on "To Tell The Truth," WFLA, channel 8, Tampa, on Thursday, Dec. 21.

Sandi is a member of The Flying Pies, a husband-wife airshow team. She and her husband Walt participate in airshows across the United States. They were seen earlier this year on "What's My Line."

Sandi is a Girl Wingrider and airshow pilot. Besides flying her own airplane through low-level aerobatics, Sandi also climbs atop the wing of her husband's biplane and rides through a series of aerobatic maneuvers. The grand finale of the wingrider act occurs when Sandi is flown down the runway upside down 100 feet off the ground.

Walt and Sandi are the only husband-wife airshow team currently flying in the United States. They are the only husband-wife aerobatic flying team in the world.

Martin suggested having three reputable builders inspect the program by see if it is worth repairing. Further actions will be taken later.

THE "OLD SETTLERS" Christmas concert in the bandstand on the Mall on Tuesday, Dec. 19, starting at 7:30 p.m. will feature a group of the Avon Park High School band in marches, waltzes, Christmas music, and audience participation in a "sing-along." Judge Orders Highland County Juvenile Home Temporarily Closed

Highlands county's handsome \$250,000 juvenile home was closed temporarily Thursday after complaints it was in a dirty and disrepair condition.

Closing of the three-year-old facility was ordered by Judge Mervin Rehner after recommendation of Eugene A. Flint, chairman of the board of visitors, and board members, Mrs. Peggy A. Stephenson and C. Lamar Carlton.

The board of visitors inspected the home Thursday at the suggestion of the judge who had received unsatisfactory reports from the Division of Family Services and the United States Department of Agriculture surplus commodity office.

There were seven children in the home at the time and one more en route in.

Juvenile Supervisor John Perry and his staff, and Alice Hansen of the protective services office and her staff succeeded in placing all the

seven children. Perry sent a runaway girl from Mississippi back home by plane, and placed two other delinquents in foster homes. He had high praise for Mrs. Hansen and her staff.

In an hour's time they jumped on the ball and really did some hard work and got

those other four kids placed."

Perry pointed out the four children placed by Mrs. Hansen were not delinquent.

Both agencies will continue to place children which come to their attention. Only in extreme cases, said Perry, will children be placed in Highlands County Jail—for

armed robbery or other such like activity."

According to the report of the board of visitors, there was storing of dry foods on the floor of the home, rotten food in an inoperative refrigerator and the entire home was in a dirty

Frostproof Teenager Killed Here

Velda Yates, age 17, of Frostproof, lost her life Thursday, Dec. 12, as she was walking along US 27 after dark.

According to the report filed by the Avon Park police department, the accident occurred at approximately 8:13 p.m., just south of Wolf st., on 27.

Len Thomas was traveling north along on US 27 in a 1958 semi truck on the inside lane, same as the Yates girl.

Miss Yates was wearing dark clothing, according to Cribb which obstructed Thomas from spotting her before the collision. Miss Yates was thrown 102 feet, eight inches from the point of impact coming to rest on the south bound lanes.

Cribb said that this area of the highway is poorly lighted, and if better lighting were there, the accident might not have occurred.

Cribb and assistant police chief Grady Campbell investigated the accident and filed no charges.

Devils Takes Beating From Arcadia, To Meet Clewiston

Avon Park's basketball varsity took a real beating in Arcadia last week when they tangled with the DeSoto High Bulldogs and came out with a 63-30 defeat. The loss gave the Red Devils a 1-1 record going into this week's game last Tuesday night with Wauchula.

Next Tuesday night, Dec. 19, the Avon Park squads will travel to Clewiston to take on the Tigers in varsity and "B" squad action. And then the varsity will host a Christmas tournament here at the new high school gym on Dec. 21 and 22 with Clewiston, Lake Placid, and Okeechobee participating with the Red Devils. The first game after the holidays will be in Lake Placid on Jan. 2, against the Green Dragons.

In Arcadia Tuesday night a week ago, the Red Devil's game plan was to play control ball and for the first three minutes the Avon Park boys controlled the ball looking for the sure shot. However, it was Arcadia's first game and they

wanted to run so the lightning quick Bulldog players intercepted a pass and put two points on their side of the scoreboard during their first possession. After that it became evident that the Devils would have to adjust and run with the sharp-shooting Arcadia players. But by then DeSoto had the momentum and a right good lead so Avon Park was never really in the ball game.

Coach Tom Lund's Avon Park "B" squad outlasted the DeSoto High Jayvees in the opening game as they rode to a 37-48 victory. The Devils jumped off to a big first quarter lead—19-7—and went on to a 37-20 half time lead. In the third quarter the Avon Park quartet the Avon Park boys let up a little and Arcadia sank 13 points to the Devil's 10 to close up the gap. Arcadia came on strong in the final period also scoring 15 points to Avon Park's 10 but the Devils first half lead held up for the 37-48 win.

COACH FRED SANDLIN'S 1972-1973 Red Devil basketball team posed last week before the third game of the season against Hardee High set to be played here at the high school gym last Tuesday night. The Devils were 1-1 before Tuesday's game. From left to right

and disappear condition. The board of visitors noted the attitude of the house parents at the home was "arrogant and negative to suggestions by the board and sarcastic and uncooperative in front of dependent children." The board also criticized the personal dress of the house parents.

The board of visitors recommended the home be closed immediately and the house parents dismissed. The board advised that the home undergo complete repair, cleaning and refurbishing. The County Commission is charged with operation of the home.

Virginia Reisman, president of Youth Care when the home was being built, said the building needs a general spring cleaning. She estimated about 10,000 children had gone through the home since it opened.

"We hope it will reopen shortly," she said. "Beginning Jan. 1, the home will be under the jurisdiction of Circuit Judge Clifford Kelly and we hope to turn over to him a nice, clean home."

The Youth Care organization has scheduled a meeting Thursday noon at Howard Johnson's restaurant.

County Commissioners Tuesday morning accepted the resignations of the house parents, Mr. and Mrs. William Clements, and approved closing of the home until renovations can be completed. It is estimated this will be after Jan. 1.

Funeral services for Kimberly Lynn Crum, 5, daughter of Jesse and Mary Lennon Crum, of Lake Placid, were conducted Thursday from First Baptist church of Lake Placid.

The child died Dec. 5 at Highlands General hospital of poisoning.

Sheriff O. L. Raulerson Jr., said Sheriff Roy Landy of Glades county believes the child was poisoned in an unusual accident while playing near the barn of the home. Empty drums of ethion, an insecticide, not toxic except when mixed with water, were outside the barn.

Full drums are kept locked inside. However, one of the empty drums had been tipped over, and apparently a small particle of the ethion is thought to have gotten in a rut which had some water. Kimberly was the only child playing barefoot and is believed to have stepped in the rut. Raulerson said about a half cup of ethion was scraped from the empty drum. He emphasized it was not parathion and was not in the house.

New Cosmetic Studio Opening In Avon Park

Latest addition of the business community in Avon Park is the new Merle Norman Cosmetic Studio at Pantry Pride Shopping Center which will hold a formal opening from 6:30 p. m. to 11:30 p. m. next Monday, Dec. 18, according to Mrs. Jackie Roberts, owner and manager who will serve as official hostess.

"In addition," Mrs. Roberts explained, "we'll serve refreshments, give everybody a favor - and there will be door prizes too."

The new Studio, a charming, feminine boutique carrying a full line of Merle Norman Cosmetics, will function on a try-before-you-buy premise based on the basic "three steps to beauty" philosophy of this 30-year-old California firm of cosmetics manufacturers.

In line with the overall philosophy of Merle Norman Cosmetics, Mrs. Roberts, Avon Park's newest Studio owner, completed an intensive training course at the Merle Norman Training Center in Miami, where she gained practical knowledge in cosmetics, complexion care and the art of make-up, along with fashion trends and color predictions for the seasons ahead.

Solos in the Cantata: "Prepare Ye the Way of the Lord", "Go and Search Diligently", and "Sleep Holy Child" will be sung by W. Graydon Rion and Mrs. Jerome Shultz. The Narrator of the Cantata will be Edward Culbertson.

In the first part of the Vesper Service, appreciation will be expressed to Dr. W. H. Stuart, pastor of Bartow, who is Superintendent of Missions of Florida Presbytery.

The Women of the Church have planned a reception following the Cantata to honor the winter guests in Avon Park. The church has a cordial invitation to attend this Celebration of the Advent Season.

Dance Band Presented Program At Meeting

The December meeting of the Avon Park Junior Womens Club was held at the High School Band room. The club was asked to stand and say the "Lord's Prayer" and the Flag salute.

Eileen Martin, President introduced our program for the evening. The recently formed Avon Park High School Dance Band consisting of approximately 21 members and under the direction of Vic Mickunas, played 5 of their numbers for the club. The band was certainly enjoyed by all the club members and I believe we could have listened to them play for several hours.

Mr. Mickunas gave a short talk on the whole band program. He explained their budget and told of up coming trips with all of the old band members wishing they were back in the band.

The president called the business meeting to order with old business being called for.

Arlene Tanner and Betty Hart gave a report on the Thanksgiving baskets. The club received the names of two families and the baskets were packed and taken to them on Monday evening before Thanksgiving.

Everyone gave a big hand and a lot of thanks to Arlene Tanner and her husband for the effort and work of planning and making the float the club entered in the Christmas parade. Eileen also thanked all the members that helped with the decorations.

The Christmas party plans were finalized and roll call taken to see just how many would attend. The club really looks forward to this each year.

March of Dimes report was given by Barbara Boney. Several more Area captains and workers are needed to help with this march in January. Anyone interested in helping is asked to call Neil Roberts.

FOLIES! Our Folies plans are progressing nicely. The Ads are almost completed and tickets are on sale.

Every member was asked to start thinking and planning ahead for the Fine Arts Festival coming up in February.

THE DECEMBER MEETING OF THE Junior Woman's Club was held in the band room of the high school, where the club was treated to a program presented by band director, Vic Mickunas, and the recently

formed high school dance band. Pictured above is Mr. Mickunas being served refreshments by (left to right) Mrs. Arlene Tanner and Mrs. Sue Mosley, the club's hostess for the December meeting. - Photo by Sharpe.

Scouts To Pick Up Bags Saturday

Saturday is "Good Turn Day" for Cubs and Scouts as they go about collecting the filled bags of used clothing and appliances destined for the Ridge Area Work Training Center and eventual resale through the stores operated by the Ridge Area Association for Retarded Children.

Drivers are cautioned to watch for the Scouts between the hours of 9 a.m. and 12 noon as they shuttle between houses and the pick-up vehicles. Householders have been asked to place the filled bags on front porches or outside front doors for easy pickup by the Scouts. Those with heavier furniture or appliances to contribute are asked to call Avon Park 453-1033 between the hours of 9 a.m. and 3 p.m. Saturday. A truck will be dispatched for the pickup that day. Arrangements can be made for pickup the following week for those waiting that.

The articles gathered by the Scouts will be deposited at the Ridge Area Day School between the hours of noon and 3 p.m. Saturday. After preliminary screening and sorting, the items will be repaired and refurbished at the Work Center in Sebring before being offered for resale to the public. This operation serves a two-fold purpose. First, it provides a training experience for the Work Center trainees as they learn to operate sewing machines, sanders and polishers and secondly, proceeds from the sale of the articles help to fund the operation of the Center and other projects of the Ridge Area Association for Retarded Children.

In addition to the packs and boxes in Avon Park, participation in the project has been promised by units in Lake Placid, Sebring, Frostproof, Vero Beach and Bowling Green.

Lions Will Work On Christmas Cheer Boxes

The first December meeting of the Avon Park Lions was well attended in spite of competition from the City election. Some members stayed out to get the returns early, others enjoyed a dinner of parleyed potatoes, whole kernel corn, boiled ham, tossed salad, roll and apple pie with cheese.

The song fest led by Lion Billy Martin was loud to say the least. The Lions' Christmas night for members and families will be held Dec. 19. It will be a covered dish affair. Each member is asked to also bring a new toy or doll to help fill the need for needy youngsters' happy Christmas.

All members are asked to come to the Elementary school on Dec. 21 at 6 p.m. to work with the Christmas Cheer Inc. staff in getting several hundred boxes ready for the next morning's delivery. The boxes will include food and selected toys fitting each family's size and child pattern.

Guest speakers for the evening were from our neighbor, the Florida Bureau of Alcoholic Rehabilitation. Messrs Don Thieme and Jerry Schomp. It was interesting to learn first, that the B.A.R. is more than just a local treatment center for problem drinkers.

Lions were somewhat surprised to also learn that the Avon Park facility serves as a training center for professional counselors. Statistically, the center processes seven to eight hundred patients annually and provides instructions for some four hundred trainees at the same time.

Mr. Thieme noted too that the treatment cycle is a period of twenty-eight days. It is the center's basic objective to ultimately provide a system of treatment facilities which will permit processing patients in their local environment.

Responsibilities of the B.A.R. are expected to expand as new

laws which recognize the problem drinker is suffering from an illness, treatable as such, become effective.

It was a perfect day for a horse show, with many spectators from Avon Park and the surrounding area attending.

Southland Mobile Home Park

News

453-5247

A number of people in the park saw the Santa Claus parade Monday evening. Authorities say the crowd was the largest ever to turn out for the Christmas parade.

Park members had a real treat Tuesday night when Elwood Stroup showed pictures at the Hall. Elwood is a native of Ohio, enjoys his state and has its future possibilities at heart. Retiring from his work with the state after serving in many capacities, he looks upon those years as a service to his state and also enjoyed every minute from a personal standpoint. His pictures attest to that enjoyment. No snapshot is lacking in detail to attract his audience and the reason how, why and where taken was well explained.

Russell Hazen, cousin of Millie and Helen Joseph, has been visiting his cousins. Park members are the proud possessor of a coffee maker given to the Hall by Mr. Hazen. We express our thanks for this nice gift.

Mr. and Mrs. Lester Gruver of Allendale, and Mr. and Mrs. Henry Page of Odensburg, Pa., were callers of the Tebos last Tuesday.

Mr. and Mrs. Jerry Fish of Kenda, Africa, called on Fenton and Clara McWen this past week.

Francis and Doris Hutchins came Monday from their home in Canada to spend the winter; they report cold weather and

more cold weather up that way.

Ann and Harry Barth came Sunday for the remainder of the winter; they also report cold weather in New York.

Twenty-four were out for coffee Tuesday morning. The nominating committee will soon be making their report of the new officers. By the first of the year all activities should be in full swing.

Rebecca Hostetter arrived home from Pennsylvania Tuesday. After Len's funeral she stayed for a week and had a nice visit with friends and relatives she had not seen since coming to Southland to make their home.

Goddie Dunn visited Betty Peterson, Laura Bernthal and Dorcas Young at Kissimmee Tuesday and Wednesday of last week. They are fine and send their best regards to friends here.

Dr. and Mrs. Dinniwel came by plane Tuesday from their home in Canada to spend the remainder of the winter here. Charles McNulty came home from Walker Memorial a few days ago. He is feeling better and has been out in the car some. Their children have returned home in Indiana.

There will be a side walk sale of new and used articles, some antiques, many miscellaneous items, Friday, Dec. 15, Corner of W. Church St., and N. DeSota Ave., back of Southland trailer court.

Mr. and Mrs. Carl Carlson came only recently to Southland. They purchased a trailer and located it on the space where Alta Robinson lived. Their summer home is in Beulah, Mich.

Bob Elethorpe is in Walker Memorial for tests. He hopes to come home soon, as soon as he has a report from X-rays.

Myrtle Heffernan is again home from Walker Memorial and is out some.

Harold Arms is also home after being in the hospital for several weeks.

Hetta Cook and Harriet Meissel had Arlene Lane, Earl and Irene Ayling, Fanny and Stanley Schilling for dinner at noon last Thursday.

Twenty-seven turned out for bingo Friday night. John Ferrelli and Charles Learned were in charge; both have good clear voices and we enjoy them to lead us. B. Paxton won the grand prize.

Take a look around the park. Pretty green grass, white painted seats, neatly kept flower beds, fertilizer, water, a barrel of elbow grease and the will to do are responsible. We might add youth to the list.

Anyways, we like it. So will Santa as he makes his annual visit.

Eight came out to shuffle Friday. Three games were played on each of the two courts. Broister and Paxton won all three games. McEwen and Wandover won their second game over Paxton and Trompkins. Engard and Snyder won their third game over Perkins and Trompkins.

Be and Bryon Jeremy attended the Highland Shriners Club Christmas dinner and party given for the benefit of crippled children held at the Elks Club in Sebring, Saturday evening. One hundred and eighty people from over the state were present. Bob Duthie and Ted Elethorpe, acquaintances of many in the park also attended.

WE STARTED LOOKING AT MICHAEL AS A MAN 2 YEARS BEFORE HE WAS BORN.

It was back in 1966. That's when we started planning our new nuclear plant up at Crystal River. We knew Michael was coming. And more like him. More Michaels and Gregoriums and Susans than Florida's ever seen.

In fact we're growing so fast in this part of the world that by 1980, we'll be needing twice the electric power we need today.

That's why Crystal River, and other plants to follow, are so important. And why we just can't afford the delays and red tape, the unduly long time required for approvals, that we've experienced in the development of Crystal River.

Because when Michael, the boy, becomes Mike, the man, his family and thousands of others will be needing us.

Mr. and Mrs. Neil Lorraine Robertson, Helen McGonagle celebrated their 46th Wedding Anniversary this past weekend, Dec. 9. Lakeland recently.

Congratulations and best wishes for many more.

Mrs. James Henline and The Parkhursts went to Sarasota on business Tuesday and met Mrs. Henline over there.

Mrs. Ellen McGonagle and the Parkhursts went to Lakeland and Winter Haven shopping on Wednesday, with no luck.

Roy Podewells of Janesville, Wis., arrived safely Thursday at Lot 16. Glad to see them back.

Mr. Charlie Dennis took Clarence Gerrard to Walker Memorial Hospital on Friday for a few days. We hope his health will be better soon.

Mr. and Mrs. Glenn Crittenden of Lansing, Mich. and Trailer Villas Mobile Park in Bradenton spent Thursday with their cousins, Harry and Ellen Hunt.

Blanche Hance was speechless with surprise when she returned from spending Thanksgiving with her family in Ft. Lauderdale to find her neighbors had given her a new lawn. Couldn't have been done for a nicer "golf"! It is growing nicely and is getting tender, loving care.

"It is beginning to look a lot like Christmas". Our Court is getting well decorated with all the lights, sleighs, reindeer, candles, Christmas trees, etc. and we hope ushering in a true period of "Peace on Earth."

Many at the court burned the "Midnight Oil" last Wednesday night and did see the Apollo take off from Cape Kennedy. All reported it was worth the loss of sleep to see such a tremendous sight.

WHILE VISITING THE CLASSROOMS of the first four grades of the Avon Park Elementary schools, Santa asked the eager children what they wanted for Christmas. Santa received an almost unanimous

showing of hands when he asked, "Who wants a bicycle for Christmas?" The Christmas visit of Santa is sponsored yearly by the Avon Park Rotary club. - Photo by Miller.

School Board Approves Migrant Mini Project At Meeting Thursday

Highlands county school board on Thursday approved a migrant-mini project which will bring in \$15,990 in federal funds to put in the county's early childhood and learning and earn programs. Of this, \$10,500 is earmarked for equipment; the rest for teaching supplies.

Board chairman Henry Bailey, in noting these extra funds made available for the county remarked on Joel Evers, who has charge of federal projects.

"Sometimes I am amazed at the amount of money Mr. Evers has been able to get for us!"

Other actions taken by the board included:

Setting of Jan. 2, 9:30 a.m., as the school board organizational meeting time in the superintendent's office.

-Heard that there still are roof leaks at the high school.

-Were told 40 lightning rods had been taken from Avon Park high school; ordered \$0 to replace them. It was thought that the rods might have been taken for use in a "rumble" at the time of the Avon Park-Sebring football game, but nothing materialized. -Gave permission to seek bids on a driving range for Avon Park high school,

providing a plot plan is approved; another state grant is available.

-Approved seeking of bids on a stack oven and two warming cabinets for Lake Placid elementary school. The school now is feeding 560 persons per day and there has been a bread problem.

-Accepted gas bid and state contract prices on motor oil. Were told that prices in these areas are on the rise. Very few companies interested in bidding. Standard Oil low bidder locally.

-Approved loan of portable classrooms to County Commission to be placed on lot near court house.

-Approved request of

Sebring Jaycees to transport underprivileged children of county to Holiday Inn, Sun 'n' Lake, Dec. 22 for Christmas party.

-Approved request of American Friends Service committee to use a room at Carver school Tuesdays and Thursdays from 5 to 7 p.m. to process home loan applications.

-Approved request by Lake Placid High School Athletic Assn. to use football field for the annual Old Timers football event Dec. 16.

-Approved injury in line of duty leave for Dove Shanks, Avon elementary school, Nov. 27, 28, 29, 30, Dec. 1 and 8. Days will not be charged against sick leave. She suffered a large blood clot after a classroom door was flung open, striking her.

Disaster Drill Here Tuesday

Avon Park was the scene of a simulated disaster last Tuesday, Dec. 12, as members of all the Highlands County Civil Service departments joined together to handle the emergency.

This simulation took place at the Avon Park airport as an airplane supposedly overshot the west runway and crashed. Members of the Avon Park High School Key and Keyettes Clubs were on hand, made up to represent various stages of harm, to add realism to the event.

"All of the departments on hand did a very good job," stated Avon Park Police Chief Ferland Cribb whose department was responsible for handling traffic at the scene and the surrounding area.

Cribb said that any type of criticism would be premature until all the department heads have had time to draw up their critique which is due after the first of the year.

Thirty-nine "victims" were handled by the emergency departments of the county, which included the Highlands Lakes Volunteer Fire and Rescue Department, the Avon Park Police and Fire Departments, along with the city's ambulance service, the Highway Patrol, and the Highlands County Sheriff's office, along with its ambulance division. Walker Memorial Hospital was used first to transport the accident victims to, and as it filled up they were transported to Highlands General Hospital in Sebring.

Highlands County Civil Defense Coordinator Jim Lawson told the SUN that the area hospitals are required to hold two drills a year to keep

Board Takes Steps To Meet Office Needs

Highlands county commissioners this week took two steps toward meeting needs for office space.

A contract was signed with the architectural-engineering firm Reynolds, Smith & Hills to update a courthouse space study, and a joint meeting with Highlands county school board was booked.

In 1970 the commission paid Reynolds, Smith & Hills \$4500 for a detailed study of office needs in the courthouse, courthouse annex and jail. The contract approved Tuesday covers only the courthouse and

its annex.

Complete revision of the Florida court system, approved early in 1972, is forcing revision of the earlier space study. Administrative Assistant Charles Cullens said the new study is to include recommendations for space needed for the Legislative auditor, circuit judges, county judge, clerk of circuit and county courts, probation and parole commission staff, state's attorney, public defender, county commission meeting room, county administrative assistant,

building department, planning and zoning commission, purchasing department, clerk to the county commission, health department, county welfare, veterans service, tax assessor, tax collector, supervisor of registration and elections.

Circuit and county courts' space needs include courtrooms, witness and jury rooms, law library, whatever space is needed for carrying on the routine work of the courts, Cullens explained.

The new space study makes

Devils To Host Christmas Tourney

The Avon Park varsity basketball team will host a Christmas tournament here at

the new high school gym starting tonight, Thursday, Dec. 21. The first game will

start at 7 p.m. with Okeechobee going against Lake Placid and then at 8:30 the Red Devils will

tangle with the Clewiston Tigers in the second game of the double header.

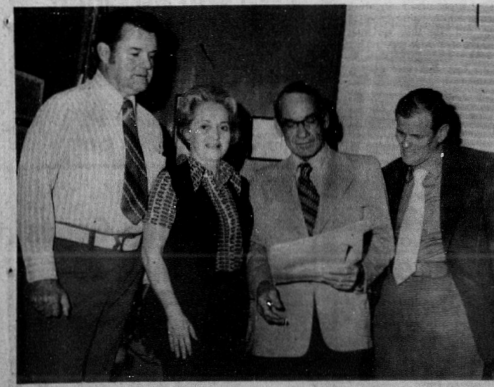

On Friday night, Dec. 22, the two losing teams from Thursday night will play at 7 p.m. for the third place trophy. At 8:30 p.m., the winners from Thursday nights play will meet for the championship and runner-up trophies.

Okeechobee is the only undefeated team in the tourney. They are 2-0 coming into the meet. Lake Placid was 1-3 before meeting Sebring last Tuesday night and Clewiston was 3-2 before hosting Avon Park last Tuesday night. The Red Devils were 2-1 before meeting the Tigers in Clewiston last Tuesday night. Coach Fred Sandlin says there will be some fine players in the tourney. All four teams are expected to finish the season with excellent records. The Red Devils will meet each of the other three teams two times in regular season play. For some real fine basketball, come out tonight and tomorrow night to watch the Red Devils first Christmas tournament. This will be the last basketball action until Jan. 2, when the Devils travel to Lake Placid for a regular season game.

"NOW THIS IS HOW YOU DO IT," says Coach Fred Sandlin to Devil forward Nate Packer and center Harry Smith as Phil Harris (34) looks on and Tony Williams follows up a shot at a varsity practice last

week. The Red Devils will host a Christmas Tournament here Dec. 21 and 22 with Clewiston, Lake Placid, and Okeechobee competing with the Devils.

THE HIGHLANDS COUNTY school board's first woman member in many years began her term of office at Thursday night's meeting. Re-elected to the board and beginning his second term of office was G. Franklin Ward, of Avon Park. From left are
