

Avon Mobile Home Park News

Congratulations were in order Sunday afternoon at the Winter Guest Club recognition of the Golden wedding couples who are members of the club. Four of the esteemed guests were our own friends, Mr. and Mrs. Earl Baxter, Mr. and Mrs. Earl McBeth and Mr. and Mrs. Welcome Miller, as well as former residents, Mr. and Mrs. Linville Myers. Many more years of happiness is wished to all of you, from all of us.

Remember the lessons in shuffleboard, given by Mrs. Howard Bell, and doubles shuffle on Tuesday with the Women in the morning and the men in the afternoon. There were 22 out for singles last Thursday afternoon. Keep up the interest folks, and don't let the weather scare you.

We have a very interesting and varied hobby craft class on Monday afternoon at 1 p.m. Dorothy and Albert Keyes are the talented instructors and welcome any folks who would like to work with leathercraft, ceramic painting of many figurines, consisting of little boys, girls, angels, madonnas, vases, lipstick holders and various animals, appealing to anyone. They also had the film flowers to make, before

Christmas. Have a looksee—maybe you will join, and you are welcome.

Welcome to new residents, Mr. and Mrs. Claron Monroe (Marie) from Hicksville, Ohio, who arrived on Sunday afternoon for the winter months. Soon after arriving, they had Mr. and Mrs. Dick Hurn from Hicksville, Ohio, and Mr. and Mrs. Clyde Peters, also neighbors of the Monroes from Hicksville and Avon Park for a visit. Happy season!

Mrs. Thelma South from Urbana, Ohio, on Court 86 also arrived on Saturday with a lady friend for the winter season. We are looking forward to making your acquaintance and wish you a happy year.

Mr. and Mrs. James Starks visited Mrs. Raleigh Jones Ruth at Aldergate Rest Home this past week. Mrs. Jones is a former resident of Avon Park, and an old friend from Ontario, Canada (Merlin).

Mr. and Mrs. Mark Dunlap of Argus, Indiana visited Mr. and Mrs. Alva Thompson on Sunday. Mrs. LaRue Longenecker enjoyed another visit with her son Donald Longenecker and daughter in law Martha, last week end.

Mr. and Mrs. John (Pearl) Evans returned on Friday after a happy holiday season with their family and friends in the north. They stopped at Milligan, Tenn. to return their nephew to Milligan College. It is good to see their smiling faces again.

Mr. and Mrs. Verne Savels from Dec. 29th were 118 for Florence Stark, and 121 for Alva Deer. January 5, High Euchre score went to Louie Becker with 136 and Dorothy Keys 149.

Mrs. Evelyn Sawel has returned home after a visit with her sister, Mrs. Rosa Krontz. Mrs. Savels and Mr. Verne Savels and family also spent an overnight the Krontz and Albert Keyes families. Mrs. Keyes and Mr. Savels are

Mr. and Mrs. Carlus Miller and Mr. and Mrs. Ray Piper of Leisure Acres Mobile Home Park in Sebring were Sunday evening visitors of Ora and Ruby Myers.

Visiting Mr. and Mrs. James (Mabel) last Saturday were Raymond Myers from Hamilton, N.Y. and Mr. and Mrs. Russell Myers of Lake Worth. Dr. Myers was enroute to the island of Jamaica where

he will be assisting with classes in Tropical Biology. A professor at Colgate University in Hamilton, N.Y., where he has taught for 38 years, Dr. Myers is anticipating his retirement in June, and also receiving his airplane pilot's license, after many required hours of solo flying.

Each score for Dec. 29th were 118 for Florence Stark, and 121 for Alva Deer. January 5, High Euchre score went to Louie Becker with 136 and Dorothy Keys 149.

NARFEE MEETING
The much publicized terms ecology and environment will have full explanation when James W. Crane, of the Highlands Hammock State Park staff, gives an illustrated talk at the January 17 meeting of the Highlands County Chapter, National Association of Federal Employees (NARFEE). He will be a guest of chapter members at the noon covered-dish luncheon preceding the meeting, at Municipal Pier auditorium in Sebring.

During the Stone Age, they had the rock—but not the roll.

Mobile Estates Bonnie Brae News

Helen and Paul Jones and Lillian and Bob Cook are attending the Square Dancing class at Sebring every Monday and Thursday evening.

Laella Pinney and friends, Mr. and Mrs. Ed Quikery of Huntington, Ind. visited Lion Country Safari and Busch Gardens this past week.

Faye and Leland Darling, Grace and Lee McFredericks and Laella Pinney enjoyed dinner on Wednesday at the Holiday Cafeteria at Sebring, after which they drove to Jensen Beach and visited friends of the Darlings. The occasion being Faye's birthday. Belated greeting from Bonnie Brae Faye!

Mr. and Mrs. Marvin Draper who are spending the winter in Larry and Fran's trailer Court near Sebring called on the Harry Hunts Monday afternoon. Marvin and Fran were on the over night strip a few years back and some might remember Marvin as "The man with an organ in his trailer."

Mr. and Mrs. Robert Massengill of Palmetto and formerly of Anderson, Ind., were Thursday afternoon visitors of Ruzze and Lester Parkhurst.

Mr. and Mrs. Osto Jarrett have returned to their Mobile Home on Lot 12 from their home in Sharpville, Ind. Welcome back!

Mr. and Mrs. Harold Otto and Mr. and Mrs. David Otto from Michigan and Estero, Fla. called on Lucille and Art Smalley last week.

We are sorry to hear that Alice Tansil is on the sick list again. Best wishes for a speedy return to health is wished from all at Bonnie Brae.

Lena and John Sinatra are entertaining relatives from Jamaica, N.Y.

Rozzie and Lester Parkhurst went to Cypress Gardens on Sunday and enjoyed the show there. They said that they wouldn't have enjoyed the show so much had they known that while attending the show somebody backed into their car.

However some thoughtful person saw the accident took the number of the offending car and left a note on the windshield. After much chasing around they found the police of Winter Haven at Cypress Gardens waiting for them and made all the necessary papers out. It restored their faith in mankind again!

Helen and Paul Jones drove to Miami on Saturday to visit Mr. and Mrs. Norton Rorer who are friends of theirs. While there they also visited Helen and Mr. Lillian Huna who she had seen in over 40 years.

Pat and Bill Chalmers of South Yarmouth, Mass., arrived at Bonnie Brae on Saturday and stayed the weekend with their sister in law Thelma Chalmers until they moved into Ethel and Max Putnam's Mobile Home which they have sub leased for the winter. Bill and Peg spent the winter here seven years ago when the total number of residents during the winter were 20. They notice a big change not only in the park but all the surrounding places. Welcome Peg and Bill!

Ed Lill and Ed Smalley and grandchildren Bruce and Susan and Lucille and Art Smalley drove to West Palm Beach on

Historian Calls "A Man Called Horse" First Genuine Picture About The Indians

YOU CAN EXPECT a lot of power and thunder in the action scenes for "A MAN CALLED HORSE" starring Richard Harris which opens Thursday at the Hilton Theatre. The spectacular Sioux-Shoshone Indian battle sequence was staged by Yakima Canutt, the same stunt director who staged, among other memorable movie scenes, the famed chariot race in "Ben Hur."

and Mrs. Joe Asher and Varina of Campbellsville, Ky. and Mr. and Mrs. Tom Bailey of Wapakoneta, Ohio. Welcome.

Ronald Wehrs and family have returned to their home in West Salem, Wisc., after spending the Holidays with their parents Ed and Lill Wehrs. Ethel and Max Putnam joined Peg and Bill Chalmers at dinner on Sunday evening at Thelma Chalmers.

Miriam and Alton Petveys have their daughter Gale and their grandson visiting them from Ballston, Spa, N.Y. for two weeks vacation.

Mr. and Mrs. Ed Smalley and Mr. and Mrs. Ed Wehrs attended the matinee of the Ringling Bros. Circus at Venice on Friday.

Smoking Down

Charles E. Jackson, executive director of the Department of Business Regulation, reports that net cigarette tax collections for the month of October, 1971, amounted to \$10,974,586.73.

Of this amount \$3,818,760.70 will go to the general revenue fund, \$1,333,000 will go to the municipal financial assistance trust fund, \$375,101.85 will be distributed to counties and the remaining \$5,448,724.20 will be distributed to qualified municipalities.

The City of Avon Park will receive \$6,726.99 compared to \$7,374.43 received the same time last year.

Florida Power "Owned" By Over 20,000 Shareholders

Question: Who owns Florida Power Corporation?

Answer: Florida Power is owned by 21,073 shareholders, 4,864 of whom live in Florida. In addition, millions of other persons in Florida and throughout the nation have an indirect financial interest in the company due to investments made by insurance companies, mutual savings banks and pension funds. No one individual or institution owns more than 3% of the company's stock.

Question: Does Florida Power repair appliances?

Answer: No. Look in the yellow pages of your phone book for a list of dealers or factory service branches for the brand of appliance you have.

Question: Do I need a 230-volt dryer or will a 115-volt model do just as well?

Answer: The 115-volt dryer will dry your clothes just as well but will take more than twice as long. The operating costs are about the same for both.

Question: Can you give me some information on how to wrap foods for the freezer? Why do they have to be specially wrapped?

Answer: Frozen foods should be specially wrapped to keep in moisture. Improperly wrapped foods will develop "freezer burn," and while this will not hurt you, it does affect the taste of the foods. Ask at our local office for a copy of our free freezer booklet.

Question: If I am on Florida Power's Equal Payment Plan, is my electric meter read once a month?

Answer: Yes. Even though your monthly payments are the same, we read your meter each month and indicate on your bill the difference between the monthly payment and the amount you have actually used.

Middle Schools' Need Discussed At Board Meeting

Even year 'round school will not drastically reduce need for new middle schools in Sebring and Avon Park.

Highlands County School Superintendent George F. Douglas told the county school board at its Jan. 13 meeting that a decision on "12-months-school is well down the road after buildings needs are met."

According to a five-year building needs study by the state Department of Education, the oldest buildings at Sebring and Avon Park Middle Schools

should be razed and new facilities constructed.

Cost of the new buildings is estimated at approximately \$1 million per school. In addition the survey team cited rapid growth in the Lake Placid area and cautioned that a new high school may be needed there soon.

At its meeting last week the school board touched on the survey very lightly, noting that the forthcoming legislature may come up with new formulae for financing school

construction.

Douglas said point out that the old sections of the middle schools (until this year high schools) are 50 to 60 years old and in need of major repair. He said the Avon Park Middle School needs about \$8,000 worth of work on its roof.

He said while year 'round operation of the schools—enrolling about 75 per cent of the total school population each quarter—would reduce future building needs, but not remove the issue of what to do about

repair of overage buildings.

Expand Program
The board last week did vote authorization for the Superintendent to cooperate with Ridge Area Association for Retarded Children in expansion of a program for severely retarded children.

Under Title IV of the Social Security Act, state and federal funds provide most of the money for training of children who are of school age but so severely handicapped they cannot be taught in public

school classes.

Ridge Area Association for Retarded Children, with local contributions, and a grant-in-aid from the state Division of Mental Retardation, is now conducting a class at E.O. Douglas School for six multiple handicapped children. With school board assistance this program will be vastly expanded next year, Douglas explained.

Other Business
In other business last week the school board approved

extending completion date for Lake Placid High School addition to Feb. 28.

Approved deposit of \$105,000 for seven months in Barnett Bank at Sebring on a bid of \$3.92 per cent.

Authorized entering a cooperative bidding agreement with Indian River, Martin, St. Lucie Counties and Indian River Community College.

Approved expenditure of \$1,900 from some special state or federal project fund for the re-surfacing of a track at

Firemen's Field. The Superintendent said the field is under lease from Sebring Firemen, Inc.; the county commission will be asked to help with the project.

Approved use of E.O. Douglas gym for Florida Sportmen's Association basketball team to practice.

Approved revising budgets to pay students under the work-study and the earn and learn programs higher wages. These are federal funds.

County Gets Little Encouragement On Re-apportionment Plan At Meeting

Highlands County received sympathetic hearing but little encouragement on its plan for a legislative seat for six rural counties.

At the annual hearing on forthcoming legislation local politicians made a strong push for a legislative district linking Highlands, with Glades, Hendry, Okeechobee, DeSoto and Hardee Counties.

Senator Wilbur Boyd, who represents this county in the Florida Senate and is chairman of the committee on a reapportionment, had been called to Tallahassee for meeting of the Senate appropriations committee and could not be present for the hearing in the Highlands

County courtroom Tuesday morning.

Representative Granville Crabtree had become ill during a legislative hearing yesterday and was unable to make the trip to Highlands County Tuesday.

Representatives Jim Tillman and Bob Johnson were present, along with members of the administrative staff form all four of the legislators interested in this county.

Public officials and interested citizens almost filled the courtroom for the hearing.

Johnson presided for the hearing which lasted approximately 90 minutes. After presentation of requests for charter changes for Highlands

County courtroom Tuesday morning.

Highlands Plan
R. P. Duntz, Jr., attorney for Highlands County commission, presented a plan to link six agriculturally oriented counties into a single legislative district.

Representative Tillman, recently named to the House committee on reapportionment, told the audience Tuesday, "I won't lie to you, you are not getting the representation you deserve. Larger counties have larger problems and take most of our time."

Johnson, who like Tillman and Crabtree is a resident of Sarasota County, warned the audience Tuesday, "One man-one vote is a utopian ideal which does not take into account the economic facts of life."

He pointed out that while the Florida Legislature is in theory a part-time job, it requires part of each working day and event

that "it is impossible to represent four counties, four county commissions, four schools boards, four sheriffs. The facts of life are if you get into five or six county district, unless your legislators live in Sebring you won't see him any more than you do us."

The only suggestion I have heard about the future of Highlands County is that it be tied to the southern part of Polk County and I'm not sure you want them," Johnson offered.

Tillman said state officials are making every attempt to keep politics out of reapportionment struggles. Tillman cited California's year-long efforts to achieve reapportionment adding, "If we let politics become involved we'll get bogged down."

He said the committees now working on plans are aiming at a strict one man-one vote alignment because any other approach would result in the federal courts throwing out the

plan. "We'll have to ignore county line, and I hate to see counties' broken up," Tillman said.

At one point Johnson loudly observed, "Reapportionment will be done by computer."

Not Republicans

Earl Rich, representing the Highlands County Democratic Executive Committee; C. M. Payne, Democratic state committeeman; Forrest Lloyd, executive secretary for the Highlands County Property Owners Association; former state Legislator Howard Livingston; a delegation from the DeSoto County commission all spoke in favor of the proposal for linking six south central Florida counties.

Johnson and Tillman, both Republicans, emphasized, "The Republican party is not fighting this. Your biggest problem is the big counties—Dade, Duval, Hillsborough with their big blocks of votes." (Continued on Page Two)

Red Hot Red Devils Defeat Frostproof And Okeechobee

Coach Fred Sandlin's Avon Park Red Devils, riding the most fantastic basketball win streak in Avon Park history with a 10-1 record to date, are still ranked number 6 in state AA-A schools behind Ponce deLeon, Arcadia, Clermont, Paxton, and Miami Deeborne. Frostproof is ranked number 20 this week even with its 8-4 record.

The exciting Red Devils outlasted the Frostproof Bulldogs for an 89-83 high scoring victory in Frostproof last week and then went down to Okeechobee last Friday night and jumped on the Brahmins for a 68-47 Lake-Ridge Conference win.

This past Tuesday night the Red Devils had an open date but will hit the road again tomorrow night (Friday) taking on the tough Tigers in Clewfish in another conference battle. Next Tuesday night, Jan. 25, the Red Devils will travel to Fort Myers to play Cypress Lake, a AAAA school with a 10-1 record as of last Friday.

Then on Friday, Jan. 28, the Devils will return home for a return match with the sharp-shooting, quickmoving Frostproof Bulldogs in what should be a real thriller.

Avon Park's success can probably be attributed to the fact that this year Coach Fred Sandlin has more bench strength and also to the fact that this bunch of boys just doesn't know the word "quit." Starters Doug Sizemore, Robert Laning, Nathaniel Packer, Tony Williams and Mearl Robinson are very capably backed up by Felipe Harris, Leroy Hicks, Harry Smith and Ricky Helms.

Harris and Hicks are both aggressive, quick handed players who can make the Devils full court press rattle the game quickly. Smith has filled in for Packer at center on several occasions and pulled the game out of the fire with his clutch shots and fine board work.

Sizemore and Laning are neck and neck in total points scored. Sizemore has pumped in 219 in the 11 games and Laning, with a 36 point effort last Friday in Okeechobee, has a total of 265. Sophomore center Nathaniel Packer has a 140 total

in points scored and leads in rebounding for the Devils.

MICHAEL FEE DUGGAN

Michael Duggan Gets Master Of Science Degree

Michael Fee Duggan, son of Mr. and Mrs. J. R. Duggan of 47 N. Highlands Avenue, and a graduate of Avon Park High School, has received his Master of Science degree from the school of Aerospace Engineering, Georgia Institute of Technology, Atlanta, Ga., on December 8, 1971.

Mike attends Georgia Tech under the Co-op plan and put in all of his working quarters with the Science Research Department of the school. He was one of two students receiving a scholarship for advance study and research which was sponsored in part by a NASA Grant.

The complete title of Mike's thesis was "A Study of the Effects of Geometric Imperfection Upon the Stability Behavior of Cylindrical Shells Under Axial Compression." His grade was 3.8 general average.

Mike is married to the former Miss Zoe Marie Wright of Batavia, N.Y. On March 1, he will report to Ft. Belvoir, Va., for three months training with the Engineering Corp. of the United States Army.

Frostproof Game

In Frostproof Tuesday night, Jan. 11, the Red Devils were hand pushed to take the 89-83 win from the Bulldogs who just kept hanging in there in spite of losing four players by route of fouls. Avon Park also fouled out four boys in the closely called game.

Sizemore had the hot hands for the Devils as he pumped in 33 points on 10 floor shots and 13 free shots. Laning hit for 19, Packer had 12, Harry Smith added 10 crucial points. Robinson scored 6, Hicks had 5, and Williams and Harris both scored 2 points each in the high scoring game.

Frostproof's fine center, Rudolph Mayo, had 30 points for the losing team and Mark Wilson came out from the halftime rest with a sharp eye and finished with 23 points for the Bulldogs.

Okeechobee Game

Last Friday night in Okeechobee, the game was a slow one as the Red Devils seemed to experience a let-down after winning over Lake Placid, Sebring and Frostproof in three consecutive thrillers. The really bright aspect of the game was Robert Laning's superb shooting as he hard-working senior hit 16 field goals and 4 free shots for 36 points.

Packer added 12 points. Sizemore had 8 counters, Tony Williams hit for 6, Harris had 4 and Hicks hit two free shots to finish out the scoring. The Red Devils led all the way except for one time in the second period when the Brahmins tied the game up. The Devils took the game 68-47.

In Lake-Ridge Conference standings the Avon Park team leads with a 3-0 record. Clewiston is second with a 2-1 mark, Lake Placid is third with 2-2, Sebring is 0-3 and Okeechobee is 0-1 this far. The first season conference is in its first official session as football results did not count this first year of the new conference.

Mrs. Wisdom Named Chairman For Mothers March of Dimes

Mrs. Jimmy Wisdom has been named chairman of the Mothers March of Dimes in Avon Park.

The traditional doorbell ringing by the mothers, organized and recruited by members of the Avon Park Junior Woman's Club will take place next Tuesday night, Jan. 25, in Avon Park as well as throughout the county.

Many of the marching mothers are working on their areas now in order to have them completed by Tuesday night. However, the majority of the areas will be worked on Tuesday night—so please leave your porch lights on.

According to Steve Roberts, the 1972 charter chairman for Highlands County, all of the money collected is not sent out of the county, but is used locally where needed.

Roberts said that the nation's second greatest destroyer of human life is birth defects.

"The mothers realize this and that's why the Junior Woman's Clubs of Avon Park, Sebring and Lake Placid take on the project of organizing the Mother's March each year for Highlands County."

Mrs. Wisdom said the majority of the mothers will

Highlands General Expansion Plans Halted

Plans for expansion of Highlands General Hospital crashed into sizeable opposition at the legislative hearing here Tuesday.

Opposition on two fronts emerged after the hospital board presented a request for authorization to borrow up to \$50,000 for a building program.

Howard Livingston, attorney for the hospital board, said the board is presently restricted to borrowing not more than \$50,000 for a period of one year, at an interest rate not to exceed six per cent.

The board is asking the Florida Legislature to approve legislation to permit Highlands General's board to incur obligations which would run for up to 20 years with interest ceiling set at eight per cent.

Livingston said the board "wishes to explore the possibility of a new building to increase the capacity of the hospital."

Robert P. Dunty, Jr., of Lake Placid, one-time attorney for the hospital board, told Representatives Jim Tillman and Robert Johnson, "I doubt the wisdom of granting the hospital board authority to borrow \$50,000 for a building program."

He added, "This board is highly political in nature. This is too great a sum of money to place in the hands of five political appointees."

C. M. Payne, rancher, who is a member of the state Democratic executive committee, opposed the alterations on another front.

"Walker Memorial Hospital is expanding and we don't need to be in the position Hillsborough County is with more hospital rooms than can be filled," he said.

Van Howell, chairman of the hospital board, said Highlands General Hospital is operating in the black but "it is accumulating a deficit."

Jack Hancock attempted a compromise, suggesting legislation to permit the hospital board to earmark a portion of current income for a building fund.

Olin Mason, administrator for Cottrell Memorial Nursing Home, said hospital rates must reflect current expenses, not capital needs, or the institution will have to take a cut on Medicare and Medicaid funds.

There seems to be considerable worry that the county will be overrun with mobile homes.

The county zoning office has on hand inquiries for more than 100 potential new mobile home subdivisions and parks. If the current moratorium on mobile home developments were lifted the county's mobile home potential—now at 11,000, would double within two months, zoning director Bill Stephenson says.

A preliminary report on these and other aspects of Highlands County use and growth patterns was presented to the county commission at a special session at Holiday motel, Jan. 12.

The session was called at the request of the county's planning and zoning commission. Under a federal funding program, the county commission has hired Candeub, Flessing, and Associates to prepare a comprehensive planning program for the county.

Howell said Highlands County provide standard citizen services for a projected population in excess of 250,000.

Preliminary reports on a growth pattern study indicate the energetic sales program on Highlands County real estate is propelling the county away from its traditional agriculture orientation and toward urbanization.

Land use patterns show that in a thin strip along the Ridge Highlands County already has 50,000 acres in planned subdivisions.

These subdivisions have a capacity of 250,000. These are subdivisions beyond the city limits of Sebring, Avon Park and Lake Placid with little or no police or fire protection, water and sewage services from any of the cities.

Blanford asked the county commission what plans are being made for providing these services to the subdivisions? He asked what plans the county has for regulation of private utility services which now exist or are being planned for service to these subdivisions.

Mobile Homes
In addition to the subdivisions for conventional houses, the county

proposed changes in the proposed board's fiscal powers.

Avon Park Charter
Hancock, on behalf of Avon Park City Council, outlined plans he said would be with the Avon Park charter. He said the present charter does not make clear whether city department heads are under civil service nor does it clearly define who is head of the police department.

Hancock said even with enlarged home rule provisions, it is his opinion such charter changes would need to be done by the Legislature.

Representative Johnson concurred in this opinion.

Hancock also outlined proposed changes in the Sebring Fire Department retirement plan, said the change to permit diversified investment of retirement funds and to change retirement requirements from 30 years of active service to 55 years of age—will not involve changes in public expenditures.

Judicial Reform
Avon Park Mayor Bob Barben acknowledged that he was not in complete accord with the upcoming proposals on judicial reform. He noted "The Legislature is taking away representation. City government in Avon Park spends \$100,000 on police services each year. We have a qualified attorney that acts as a municipal judge and we receive over \$20,000 annually from our fines."

Clerk of the Circuit Court Earl Rich also questioned the actual cost of having the county judge take over the duties of the municipal judges. Rich asked Rep. Johnson if the state had actually done any survey on the cost of facilitating such a change.

Johnson replied that his knowledge no such survey had been taken but that the state would like to compare the county for additional expenses.

State Democratic Committee C. M. Payne acknowledged his dissent, saying, "Rep. Johnson, the state gets the dollars from the taxpayers, the people of this county are taxpayers, so actually we are going to have to pay for it. It costs more for the state to administer programs than it does the county."

Local Schools
Get \$201,976

Over \$50.8 million is being distributed to Florida's county school systems in January, according to Fred O. (Bud) Dickinson Jr., announced today.

The 67 county school districts use the funds for transportation, salaries, educational improvement and other expenses in the kindergarten through 12th grade program.

The Comptroller said these funds include \$48 million from the state minimum foundation program and \$2.4 million from state sales tax earmarked specifically for elementary and secondary education.

Schools in Highlands County will receive \$201,976 compared to \$197,688 received in January, 1971.

Don Pillinger, former Sebring zoning board member, declared: "What we have to do is figure out a way to keep it (the population) from becoming a king size trailer court."

Declared County Commissioner Robert Skipper: "I would like to see the subdivision pay his way. I would like to see a little left for us to get."

Pillinger: "Aren't you saying we have to start over again by replanning?"

Skipper: "I am willing to go every night."

At its first regular meeting of 1972 the Highlands County commission had heard County Engineer Gordon Hays ask the commission to stiffen its requirements for the platting of subdivisions.

Hays said the county zoning requirements would protect lot buyers and place more of the services burden on the developer rather than the county.

Harry Schermertman, who represented the division of technical assistance with the Florida Department of Community Affairs, said a rush to subdivide quickly may be anticipated as developers banded to beat stronger state laws.

Highlands County commissioners have already received a request for stronger laws on control of privately owned utilities. Under present law there are few requirements beyond minimum purity of water.

Declared County Commissioner Robert Skipper: "I would like to see the subdivision pay his way. I would like to see a little left for us to get."

Pillinger: "Aren't you saying we have to start over again by replanning?"

Skipper: "I am willing to go every night."

At its first regular meeting of 1972 the Highlands County commission had heard County Engineer Gordon Hays ask the commission to stiffen its requirements for the platting of subdivisions.

Hays said the county zoning requirements would protect lot buyers and place more of the services burden on the developer rather than the county.

Harry Schermertman, who represented the division of technical assistance with the Florida Department of Community Affairs, said a rush to subdivide quickly may be anticipated as developers banded to beat stronger state laws.

Highlands County commissioners have already received a request for stronger laws on control of privately owned utilities. Under present law there are few requirements beyond minimum purity of water.

Judicial Reform
Avon Park Mayor Bob Barben acknowledged that he was not in complete accord with the upcoming proposals on judicial reform. He noted "The Legislature is taking away representation. City government in Avon Park spends \$100,000 on police services each year. We have a qualified attorney that acts as a municipal judge and we receive over \$20,000 annually from our fines."

Clerk of the Circuit Court Earl Rich also questioned the actual cost of having the county judge take over the duties of the municipal judges. Rich asked Rep. Johnson if the state had actually done any survey on the cost of facilitating such a change.

Johnson replied that his knowledge no such survey had been taken but that the state would like to compare the county for additional expenses.

State Democratic Committee C. M. Payne acknowledged his dissent, saying, "Rep. Johnson, the state gets the dollars from the taxpayers, the people of this county are taxpayers, so actually we are going to have to pay for it. It costs more for the state to administer programs than it does the county."

Local Schools
Get \$201,976

Over \$50.8 million is being distributed to Florida's county school systems in January, according to Fred O. (Bud) Dickinson Jr., announced today.

The 67 county school districts use the funds for transportation, salaries, educational improvement and other expenses in the kindergarten through 12th grade program.

The Comptroller said these funds include \$48 million from the state minimum foundation program and \$2.4 million from state sales tax earmarked specifically for elementary and secondary education.

Schools in Highlands County will receive \$201,976 compared to \$197,688 received in January, 1971.

Don Pillinger, former Sebring zoning board member, declared: "What we have to do is figure out a way to keep it (the population) from becoming a king size trailer court."

Declared County Commissioner Robert Skipper: "I would like to see the subdivision pay his way. I would like to see a little left for us to get."

\$400,000 Will Be Spent To Educate Migrant Children

In the current school year the federal government will spend approximately \$400,000 to assist in the education of migrant children in Highlands County schools.

At its January meeting the Highlands County School Board heard Joel Evers, who is coordinator for federal projects, report that migrant funds are up 42.8 per cent this year.

Superintendent G. F. Douglass explained that computer centers have been established and children whose parents move about, crossing county lines in agricultural work, are followed.

The children do not necessarily move, Douglass explained, but if the parents move the children are legally defined as migrants. At present 411 Highlands County students are identified as migrants.

At its January meeting, the school board approved participation in a \$17,000 language development activity. This provides one teacher assistant for every 25 migrant children. These assistants are to concentrate their help in reading.

Aides Appointed

Appointment of 10 teacher aides and para-professionals, mostly under federal financed programs, was approved at the January meeting of the Highlands County School Board.

Five of the appointments were for the Avon Park area—Luis Johnson, Mrs. Clementine James, Mrs. Winifred H. Skipper and Mrs. Helen Hann, teacher aides; Linda Dorsey, para-professional.

Those approved for appointment to Lake Placid schools are Carrie Smalls, Mrs. Betricia Korth, Theresa Moore, Mrs. Sharon Browning, teacher aides.

Warm Weather Causes Decrease In Game Taken This Season

Although the squirrel and quail season continues until February 20, the 1971-72 hunting season for deer and turkey has ended in the South Florida Region.

Unusually warm weather for this season saw a decrease in harvest totals, but an increase in hunters and campers in the field at all South Florida Region Management Areas.

At the Avon Park Wildlife Management Area, open on weekends only, there were 15,129 persons checked in through the gates. The total includes non-hunters entering the area to camp as well as the hunters themselves. During the season, hunters bagged 111 deer, 107 turkey, 3,508 quail, 87 ducks, 248 dove, 238 wild hogs, and 991 snipe.

Barracks 1150 Auxiliary Hold Monthly Meeting

The regular monthly meeting of the Auxiliary to the Veterans of World War I, Barracks 1150 was held Tuesday, Dec. 11, at the Delaney Heights Social Club. The president, Florence Bishop, presiding.

The Charter was draped in memory of Mrs. M. J. Bishop, who passed away December 20. She had been Chaplain of the Auxiliary a number of years, and also was a Charter member. The president paid a personal tribute to her prior to the draping of the Charter.

Mrs. Freda Rhodes was elected and installed as Chaplain for the balance of the present term of office. A letter was read from Grace Kimmel, the department treasurer stating the Auxiliary is now 100 per cent in membership.

Devils 8th-9th Graders Defeat Sebring 39-21

Coach Ken Shackelford's eighth and ninth grade basketball team moved to a 2-1 record Thursday night here at the school gym with a 66-33 victory over the Sebring junior high team. In a preliminary junior high second team took a 39-21 win from the Sebring "C" team.

Tonight (Thursday) the Avon Park eighth and ninth grade team travels to Okeechobee to take on the Braumans in a junior high conference game and next Monday night, January 24, the Avon Park boys will go to Lakeland to play the Santa Fe ninth graders.

Against Sebring, Coach Shackelford alternated two teams by quarters. The starting team of Leonard Green, Tim Massey, James Ross, Reggie Tolbert, and Terry Hicks outscored the Sebring boys 11-8 in the first quarter. Then, Perry Prescott, Leamon Fields, Bradley Beumel, Mark Lewis, and Ronnie Hicks came on to hit for 34 points in the second period while holding the little Sebrings to 3 points.

Once again, the Avon Park High School band offers to those interested, a series of concerts for the 1972 season.

The first concert will be presented to the public on the 23rd of January at 7:30 p.m. in the auditorium of the Middle School. Out of the band's repertoire of music, they present such numbers as "Figaro in Stereo," produced in the same manner as the opera; "The Barber of Seville," with the band's own special touch. Also performed will be "Trumpet Song," a solo by Mike Eberle.

The band's special novelty is "Instant Concert." The band challenges you to correctly pick the number of melodies.

Seeing as this will be an enjoyable concert, the band hopes to see everyone there.

Chestnuts Enjoy Snow-capped Mountains

Mr. and Mrs. James Chestnut Jr. and son, Marty, returned Monday night from a trip that took them to Nashville, Tenn., and the "Grand Ole Opry," with excitement of seeing their first show. They enjoyed the trip through the "Smokies," with the snow-capped mountain tops, which was first for them, at this time of year. They were guests of Mr. and Mrs. Wyle W. Watson in Oak Ridge, Tenn., a cousin of Mr. Chestnut. As Chestnuts are gospel singers, they stayed at the motel owned by their favorite gospel singing group, "Inspiration" of Bryson City, N. C. They enjoyed their trip thoroughly, everything except the 5 degrees below zero weather in Nashville.

Word was received at the Jacarana Hotel of the passing of Mrs. Mitchell R. White at her home in Mexico, Missouri, on Wednesday, Jan. 5. Mrs. White has been coming to Avon Park over a period of 30 years and as a guest of the Jacarana Hotel.

Mrs. Mary Mott Honored On Her 83rd Birthday With Party

Mrs. Mary Mott was honored on her 83rd birthday with her first party at her home on Bell Street on Sunday, Jan. 9. Aunt Mary was born on January 9, 1889 at Venus, Fla., below Sebring.

Hosting the party were Mr. and Mrs. Joe Prescott and Mr. and Mrs. Glenn Bass, great nieces and nephews. Aunt Mary, as everyone lovingly calls her, received lots of nice gifts and a large cake, beautifully decorated with roses and inscribed with "Happy Birthday Aunt Mary." Lots of delicious food was served with tea and coffee along with the cake.

Present to help Aunt Mary celebrate were her 99-year-old brother, Alvie Waldron of Okeechobee, and her two sisters, Della Dwyer and Ida Dwyer of Avon Park and lots of nieces and nephews. Included among those present to help Aunt Mary celebrate her first birthday party were: Christine and Wilbur Johns, Frankie Prescott, Roy and Perry Prescott, Holly Green, Mrs. Elton Pierson, Mark Dwyer, Mr. and Mrs. Ed Bullard, and Mr. and Mrs. Homer Mott, all of Avon Park.

Business Women's Club Members Hear Lecture On Ceramics

The meeting of the Avon Park Business Women's Club was held Monday evening at the club house. Gladys Smith, president, was unable to attend due to her recent illness and Ada Hallam presided. Mrs. Smith was greatly missed, but it is hoped she will be back for the next meeting.

Monday, Feb. 21, will be the night for the Annual Business Women's Card party at 7:30 p.m. A prize will be awarded each table and it is urged that tickets for \$1 each will be purchased well in advance, as there are only a limited number of tickets available. Tickets will be available at the Avon Park Sun, The Horn of Plenty, Gibbs Gifts Shop and Fairlyland.

It was also voted upon to sell the few remaining Claxton two-pound fruit cakes for \$1.50, the cost price. They are available at the Vogue, Gibbs, Horn of Plenty and Fairlyland.

Mary Jean Adams brought a special guest, Prudy Lenhart, an outstanding member of the Business Women's Club in Defiance, Ohio. Also present was an old timer, Millie Pearson.

Of most interest, after the business meeting, was a lecture on ceramics by Sherry Stalter of the "Clay Hut". She assured

Your husband's tie is speckled with something that looks like chicken soup. Your son got into a water paint fight, and his best sweater saw it. And someone spilled coffee on your brand new tablecloth. You've got problems, so, why are you yawning? Why, indeed? Because all of these things are washable. "Machine" washable at that. In fact, all of a sudden, it seems, dozens of the most amazing things in the world are tossed into a machine—unlike fabrics like velvet, vinyl, suede, and yes, wool.

Two trends are at work. First, the fabrics themselves are undergoing change. The new synthetics, or man made fibers take to laundering like a duck takes to water, while some of the old unwashables (wool, for example) are being specially treated to make machine washing possible. Second, consider the new electric washers and dryers. Most of them are engineered with special cycles for treating these newly washable fabrics.

For most of the new washables, set your washer for warm wash, cool rinse, gentle agitation and a slow spin. If your machine cools the water just before spin cycles (many newer do), so much the better. This makes for fewer wrinkles. Fabrics often used in the rinse water (many machines have automatic dispensers) will also help minimize wrinkling.

No talk of washing the unwashables would be complete without mention of the durable-press process, which has made washing and ironing—such items as table linens, shirts and children's clothes—so much easier. They come out practically wrinkle free allowed to move in the dryer, and dryer with special cycles for their proper care.

However, don't overdry garments and be sure to remove articles from the dryer promptly, or the clothes will wrinkle under their own weight. Some electric dryers are equipped with sensors that measure the moisture in the clothes and turn the machine off automatically when the proper dryness is reached.

With all these amazing developments, both in textiles and equipment, modern day life is easier and the "unwashables" have truly become "washables."

Know Your State Traffic Laws

By Trooper Frank Williams

LAWYERS FOR BICYCLE RIDERS

Many persons believe that bicyclists have the "Right of Way" regardless of what the situation might be. Florida Law dispels this theory in most cases. Chapter 316 of the State uniform traffic control tells us that although bicycle riders are afforded all the privileges of motorized vehicles on roadways, they too, must obey all traffic laws unless otherwise stated in the law.

For instance, you may not ride more persons on a bicycle than there are seats. Riding someone on the handle bars or astride the center bar is a violation. Riding against traffic on the left side of the road is not permitted. You must ride, as close to the right hand side of the road as possible, and may not ride more than two abreast. Wherever a usable path is provided for cyclists, you are required to use it.

Keep both hands on the

handle bars. The Law says that one hand, but not both, may be used. No persons on roller skates, or riding in or by means of a coaster, toy vehicle or similar roadway except while crossing a street on a crosswalk, and when so crossing such person shall be granted all rights and shall be subject to all the duties applicable to pedestrians.

No parent or any minor child or no guardian of any minor shall knowingly permit any such minor child or no to violate a

any of the bicycle laws.

If you must ride at night, you are required to have a headlight visible from at least 500 feet to the front, and a red light on the rear visible from at least 500 feet. The only exception to meeting these requirements is a red reflector on the rear.

Revival Crusade Services At First Baptist Church Jan. 23-30

Revival Crusade Services will begin at First Baptist Church Sunday evening, Jan. 23 at 6:45 p.m. and continue through Sunday evening, Jan. 30. The evangelist will be Ralph W. Stone, a Southern Baptist Evangelist of Orlando.

Special music at the service will be provided by the members of the five church choir under the direction of Mrs. Charlotte McDaniel. Congregational singing with an evangelistic emphasis will be led by Willie R. Beatty with Jerold K. Perkins, organist. Rev. Aden D. Childress is the church pastor.

Early morning services to be held at 7 a.m. Monday through Friday, Jan. 24-28, will be of particular interest to the youth of Avon Park and all young people of the community are invited to hear these messages.

A light breakfast of coffee, or milk, doughnuts and toast will be served in the social hall each morning immediately following services. This is being planned so that those who go to school or to work will be out in time.

Ralph Stone, a young man who has served in many places, will be prepared by his Christian experience, and education, as well as pastoral and evangelistic experience, to lead First Baptist Church in this revival crusade.

"Ralph Stone is convinced of the need for revival in our day and he preaches every message with a keen sense of urgency; so come and bring your friends," says Rev. Childress. "We are praying that this crusade will bring about a religious awakening not only in First Baptist, but in the entire community of Avon Park."

RALPH W. STONE

Church Women's Council Meets

The Women's Council of the First Christian Church held a meeting in the Fellowship Hall of the church on Thursday evening, Jan. 13. The lesson was a study of the 2nd Chapter of Acts and was conducted by Mrs. Fred Fletcher.

At the business meeting the president, Mrs. H. J. Rushford, presided. Reports of some of the officers and committees were given. Plans for a dinner to be held February 9, were discussed.

Berean Sunday School Class Discuss Revival

Mrs. Eunice Haynie was hostess to the Berean Sunday School Class of the First Baptist Church on Tuesday evening, Jan. 11, for their regular monthly meeting.

Mrs. Flo Joines gave the devotional on total involvement of every class member in the work of the church. The class teacher, Mrs. Idessia Rutman, led in prayer.

After special needs and the upcoming revival were discussed, Mrs. Margie McCulley and Mrs. Jessie Seifer also led in prayer.

As 1972 is begun, time has a special significance and several "timely" riddles and games were played, led by Mrs. Ellen Haynsworth.

The hostess, assisted by Mrs. Katie Davis, served delicious refreshments of cake, cookies, open face sandwiches, mixed nuts and punch to the following: Flo Joines, Margie McCulley, Jessie Seifer, Ellen Haynsworth, Evelyn Carlisle, Alona McNeill, Mildred Gay, Myra Milla, Gertrude Pitt, Leona Fish, Margaret McWilliams, Reba McWilliams, Idessia Rutman, Nyla DeArmitt and special guest little three-year old Troy DeArmitt.

Nyla is the daughter of Mr. and Mrs. Dan Rutman and she and Troy drove down from Middletown, Pa. for a visit with her parents at Sun Ray Homes.

Few Know—Fewer Act

A student knows what he has been taught, a disciple lives by it. A student's knowledge answers his questions, a disciple's understanding disciplines his whole manner of living. A student criticizes his teacher's ideas; a disciple commits himself to his Master's teachings.

Most students of our century have accepted the highest form of knowledge to be well-informed agnosticism. This generation of people who cannot make up their minds to believe anything has been anxious to expose and destroy failures, but apathetic toward constructive improvements. They doubt there is a successful approach to resolving life's difficulties. Disciples know better.

Discipleship is not synonymous with rigor. Disciples of Hugh Hefner love pleasure. Disciples of Mao love unqualified power. Disciples of Timothy Leary love drug fantasies. Disciples of Herbert Marcuse love revolution. Disciples of Josep opera love indulgent sentimentalism. Disciples of Jesus love Jesus.

Jesus told potential disciples, "No one putting his hand to the plow and looking back is fit for the kingdom of God" (Luke 9:62). This requires resolute commitment. If you expect to get anywhere you have to look where you are going — in a car or in life.

The best disciples, I think, begin as students. They begin as inquisitive and critical; they do not commit themselves in ignorance or under pressure. Indeed, how could a disciple adequately breathe and detail of his character?

Though the commitment to discipleship is genuine, imperfect people make imperfect disciples, and all occasionally falter. Most New Testamentists mistakenly translate Jesus' requirement with this emphasis: "No one after (emphasis added) putting his hand to the plow and looking back is fit for the kingdom of God." By these terms all of Jesus' followers failed Him at His crucifixion, yet He did not reject them. Jesus requires the decision to discipleship commitment to be unconditional, but He responds to subsequent failures with grace. In addition, Jesus empowers all His disciples to become capable of following His example, despite setbacks. Discipleship to Jesus represents an obligation not primarily of strength but of will.

"How to live" remains life's only real question. Most people seem to ignore it, some study it, a few decide about it and commit themselves to their decision.

"Whoever wishes to save his life will lose it, but whoever forfeits his life for My sake," Jesus taught, "he is the one who will save it. For how is a man benefited if he gains the whole world at the cost of his life?"

Navy Recruiting Pay IncreaseUp

Two pay raises in as many months have resulted in young men and women enlisting in the U. S. Navy receiving more than 100 per cent more pay each month than in the past.

While attending recruit training at either Great Lakes, Ill., Orlando, or San Diego, Calif., a young man will be earning \$288 each month, compared to \$134.40 which a recruit formerly earned. After taxes and deductions, a recruit now receives a twice-a-month pay check of \$125.50.

A typical married E-2 serving aboard ship who has been in the sixth month service will be earning \$438.20 per month before taxes.

Navy pay scales continue to allow automatic pay increases every two years and when advanced to the next higher pay grade. For more information contact Petty Officer Mel Nichols, US Navy Recruiter, 2 South Ridgewood Dr., Sebring, phone 385-6585.

Real Estate Officers Installed At Meeting Monday

Top officers of Realty boards from eight central Florida cities, including Sebring, were installed here Monday night by State President Enrique Valledor.

The mass installation took place following dinner served to 255 persons at Kenilworth Lodge. Preceding dinner there was a cocktail party in the lounge at the lodge.

Greeting guests in the receiving line were Sebring board president Roger Miller and Mrs. Miller, Mr. and Mrs. Valledor of Coral Gables, Rev. Cavender, 10th district vice president, and Mrs. Cavender of Lake Placid, and William Lippold, executive secretary of the Florida Association of Realtors, and Mrs. Lippold.

TAX NEWS

DON'T FORGET ALL TAX DEDUCTIONS ON CAR USED FOR BUSINESS

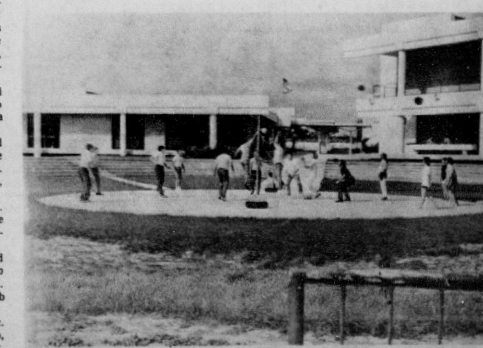

One of the many deductions a taxpayer is entitled to, but often forgets, is the cost of using his car for traveling on the job, according to H & R Block, America's Largest Tax Service.

On-the-job travel expenses are allowed as adjustments to income say H & R Block, and may be taken even if the taxpayer chooses not to itemize his deductions and elects to take the standard deduction.

Such travel expenses may be deducted only if they are not reimbursed by your employer. Also, the cost of operating your automobile from your home to your job (commuting) is not deductible.

For example, a company's sales manager has to use his car to drive around to several of the company's retail outlets. He is allowed to write off the cost of his driving expenses. He can use the standard formula of claiming 12¢ a mile, which, for tax purposes, covers all costs of operating an automobile, or he can itemize all his automobile expenses such as gas, oil, insurance, depreciation and repairs. The standard 12¢ a mile deduction is good for the first 15,000 business miles and every mile after the first 15,000 is deducted at 9¢ per mile.

H & R Block cautions that the most overlooked deduction is that for traveling from one job to a second or part-time job. Thus, moonlighters are entitled to deduct automobile driving costs, getting from one job to another (but not back home again at that would constitute commuting). By the same token, military reservists should remember that travel costs to their weekly or monthly meetings are also deductible if held outside the general area of their tax home.

Grange Officers Installed At Meeting Tuesday

BY LAVERNE FULMER

The officers of Avon Park Grange were installed Tuesday evening, January 11, by Walter Wood, former State Grange Chaplain and his suite from Venice.

Those installed were Master, Louise Clarke; Overseer, Keith Debo; Lecturer, LaVerne Fulmer; Steward, Loyd Slocum; Assistant Steward, Lloyd Wyant; Lady Asst. Steward, Lorena Wynat; Chaplain, Gertrude Slocum; Secretary, Mary Haviland; Treasurer, Clarence Higgs; Gatekeeper, Zeno Warner; Ceres, Grace Warner; Pomona, Aurelia Meyer; Flora, Elizabeth Mizelle; Pianist, Edith Martensen and Executive Com. Member for three years, Royal Meyer.

State officers and visitors were welcomed by the Master, Louise Clarke. Ribbons and cash awards were presented to Hazel Truesdell for Swedish weaving; Miriam Debo, second red ribbon; for colored photographs and a plaque for donation to Care by the Women's Activity Committee; Ellen Blomquist, a white ribbon for an oil painting; Mary Haviland a red ribbon for an apron and LaVerne Fulmer a Gold Star Lecturer's Performance Award from National Grange, a red ribbon for second

place on the Lecturer's Scrap Book and a blue ribbon for the Visitors Welcome Program in October.

Alfred and Mary Haviland and Clarence and Harriet Higgs were complimented for perfect attendance during 1971.

The Lecturer gave a welcome in which all participated and an article "When God made This Earth." Lloyd Wyant, music director, led in an action song, directed singing of Florida The Beautiful and Bled the Tie. Lorena Wynat played a piano solo. Though for the day "If thou wouldst cheer thine heart, think upon the good qualities of these associates."

A count revealed that visitors were from Indiana, New York and Connecticut, besides these Granges in Florida, Venice, Fort Myers, Lake Placid, Harder and Avon Park.

During the social hour refreshments were served by Loyd and Gertrude Slocum.

The next meeting will be held in the Men's Bible Class Room of the First United Methodist Church at 8 p.m. on Tuesday Jan. 25.

Lions Barbecue Set For Jan. 29

The Avon Park Lions Club has announced it will hold its winter chicken barbecue on Saturday, Jan. 29. The event will take place at the Lions' den on W. Bell St.

The serving time will run from 11:30 a.m. 'til 7 p.m. Included in the bill of fare will be one-half barbecued chicken, baked beans, applesauce, rolls and beverage. The price remains unchanged from prior barbecues, namely, \$1.50 per serving.

Tickets may be obtained from any Lion member, Albritton's Barber Shop, J. T. Gibbs Gift Shop, Stinson's Service Station or you may pay at the door. Carry out plates will be available if you prefer to eat at home.

Don't miss a chance to enjoy a real treat and at the same time help the Lions carry out their worthy sight conservation programs.

It is possible for one female mosquito to produce as many as 100 billion offspring per season. The moral is, this, to 'swat 'em early and often.

Notes On Helping The Handicapped

During the next weeks the parents of Work Shop clients will be asked to come into the Work Center for conferences. To achieve maximum results in personal adjustment, work adjustment and work skills it is important for the staff to meet and talk with parents of the

young clients from time to time. Parents play a vital part in the attitudes and achievements of their young adults.

The Work Center Advisory Committee met on Monday evening, Jan. 17, to assist in planning for Work Center Development. The Rev. Robert Askren heads this committee of concerned citizens who are giving their time to help the Work Center grow.

One of the main items on the agenda was the consideration of selection of power hand tools for the center.

ROTARY CLUB NEWS

BY DON GOSSICK

Rotarians were pleased to have as their speaker Mrs. Rathe Erler of the Florida Children's Society. She has been with the Rose Keller Division of Adoption since 1970.

This organization is the oldest in the state of Florida, being established in 1902. Even in its earliest days, they placed the emphasis on finding parents for the child, rather than finding a child for the parents.

Mrs. Erler's comments on the basic principle of all adoption and welfare agencies, in regard to the protection of the child, the natural parents, the adopting parents, as well as other interested parties, such as the doctors, lawyer, judges, etc., were most informative.

Rotarians were then told of the general procedures followed in the placement of a child and of the medical, psychological and environmental factors that have to be considered.

First, prospective parents receive printed material describing the agency and the necessary application forms. Next, there are group meetings of the couples planning adoption. Finally, there are the case workers interviews and the final applications.

Following these steps, the difficult decisions are made using established guide line by the agency. Some of the things to be considered are value, judgement, marital relations, medical data and finally finances.

Mrs. Erler closed her program with an explanation of the post placement period and a description of the problems involved with hard to place children, which in cooperation with the Public Welfare Department, they are making great efforts to overcome.

Episcopal Church Women Discuss Coming Events at Regular Meeting

The Episcopal Church Women of Avon Park met for their regular monthly meeting on Wednesday, Jan. 12, in the Parish House of the Church of the Redeemer.

After a short "coffee", Mrs. Eugene Hise brought the meeting to order. Mrs. Louise Waterson, devotional leader, read a chapter from the Bible. All members repeated the Lord's Prayer.

The secretary's and treasurer's reports were read and approved. Mrs. Hise introduced Mrs. Alice Smith, the new treasurer, who has taken over from Mrs. Mabel Woodward.

Mrs. Ed Hall, announced that she had all her committees lined up for the Annual Pancake Day, Tuesday, Feb. 15th. She said service would start at 9 a.m. and continue till 2 p.m. Tickets, \$1.25 for adults, 75 cents for children under 12. The usual excellent menu will be served, with the famous pancakes, made from scratch.

Mrs. Sherman Francisco said she has plans underway for the Spring Rummage Sale, to be held in the Parish House, starting on Thursday, March 2nd, continuing through Friday and Saturday. Mrs. Francisco asked members to hold their donations until after "Pancake Day", as all space in the storage room will be needed by the workers.

The Annual Antique Flea Market will be held on Thursday, March 16th. Committees are already working and all plans going well. This is an event looked forward to, by the many winter guests and is well worth the efforts the members put into it.

Mrs. Eugene Hise introduced Mr. Charles H. Smith, who gave a most interesting talk on his recent visit to Jordan. He described the people as friendly

and hospitable, the climate pleasant, with hot summers and cool winters. The history goes back before Christ, and signs of the Roman occupation are evident. A recent "Dig", uncovered an ancient Roman City, of over 100 acres.

It was a most interesting and educational talk. Mrs. Hise thanked the hostesses, Mrs. E. G. Paine and Mrs. Charles Romilly, for their good food.

The next meeting will be Wednesday, Feb. 10th in the Parish House, after the Mid-week Communion.

AVON PARK,

Franklin's Inn Lead League With 5-0 Record

After half a season of play, the Franklin's Inn team leads the Avon Park Junior Basketball League with a perfect 5-0 record. Palmer Electric is in second place with a 4-1 mark. Maryland Fried Chicken is third with 3-2 record. Starling's Market is fourth with two wins and three losses. Smitty's is in fifth place with a 1-4 mark, and Critchfield Marine is in the cellar with no wins and five losses.

Last Monday night in the first game, Palmer Electric, coached by Jim Sisemore, crushed Starling's Market 53-25. Palmer Electric was led by Robert Nelson who scored 17 points and Tommy Lewis who hit in the twin digits also for 10 counts. John McKunas led Starling's with 8 points.

In the second game Sam King and Reggie Baker teamed up to lead Maryland Fried Chicken to a 40-30 victory over Smitty's Funeral Home. King had 18 points and Baker had 14 in a superb effort. Tommy Taylor popped in 18 points for Smitty's in a losing cause.

In the final game saw Chet Project's Franklin's Inn team finishing the first half of the season with an unblemished 5-0 record. The team won over Critchfield Marine, Melvin Collins, the league leading scorer, paced Franklin's with 19 points. Reggie Baker added 11 points and Sam King 7 for the winners. Whiteside of Critchfield hit for 13 in a great individual effort.

The top ten scorers for the league after five games are: Melvin Collins (81) Sam King (59), Reggie Baker (50), Tommy Taylor (49), John McKunas (47), Dale Sisemore (41), Whiteside (37), Mike Makenzie (36), Freddie Moore (34), and Al Williams (33).

KELLY SETS FINE

A single case was disposed of in criminal proceedings in circuit court last week. Judge Clifton M. Kelly accepted a guilty plea on an assault and battery charge filed against Paul Dickerson. "He had previously been charged with aggravated assault. Dickerson was fined \$250 or 90 days in jail."

MISS WINNING THE GAME.

The Panthers played an aggressive offensive game but lost it to the final score of 67-64. Robert Forte paced the Panthers with 27 points.

The Panthers journeyed to Cocoa Tuesday and Orlando Thursday.

SHUFFLING

Thursday and Friday of this week will be the scene of a district tournament. It will be a "Doubles" and of course many will be expected.

Winners in our local tournaments this past week were:

"A" class with 6 courts in play. Henry Ketter and Harmon Hefner over Gladys Hefner and Harold Wolcott. Blaine Kerr and Herb Shauger won in consolation with Judy Kerr and Helen Galt the runners-up.

"B" had 13 courts in play with William Baxter and Robert Kirby winning in the main and Al Ross and Noble Fields the runners-up. Consolation winners were Frank Mills and Ray Warren over Spenser Limbaugh and Hetta Kroyer.

On Saturday "A" winners were Fred Frye and John Wolf over Louise Prellip and Alva Thompson. Thomas Hance and Alva Derr won in consolation with Russell Smith and Gladys Hefner the runners-up. 15½ courts were in play.

Levern Staley and Marion Prindle won in the "B's". Bernice Long and Jean Culver were the runners-up. Consolation winners, Chris Steen and Hazel Colon over Guilio Vanzo and Josephine Button. 11½ courts were in play.

CARD GAMES

Seven tables were in play on both Monday and Friday afternoons in pinocle. High scores went to Ann Janke 690, Theresa Bays 684, Helen Ehrke 623 and Louis Derron 768.

Bridge on Tuesday afternoon also had 7 tables in play. Violet Lexa had the high score of 570 and Maurice Brevoort 5430.

Duplicate bridge on Thursday afternoon had 8 tables in play. The Mitchell movement was used.

DANCES

On Friday evening there were quite a few guests, come to watch the dancing and participate in the round dancing. Guests were: Mr. and Mrs. Henry Pfanner from Sandusky, Ohio; Mr. and Mrs. Ivan Goddard and Mr. and Mrs. John Deere from Urbana, Ohio; Mr. and Mrs. Mel Peas and two children, Frankie and Peggy, from St. Louis, Mo.

Hilda Tizzard and Harmon Hefner both had birthdays, and the CLIF Seiferts were celebrating their wedding anniversary. They were honored with the Birthday Song.

On Monday CLIF Seifert taught the square dances as usual.

CRAFTS

About 35 women gathered at the Club house last Thursday for crafts. They made all sorts of things from egg cartons, plaques from meat trays, beads from bread dough. These last were real interesting and pretty.

This coming week the crafts will be on Tuesday, because of the district tournament on Thursday and Friday.

SUPPER

The Pot Luck supper on Saturday evening was opened by group singing "God Bless America", followed by the table blessing by Fannie Schilling. There were 100 folks present. Visitors were Mr. and Mrs. Chester Finch Randolph, N.Y., guest of Mr. and Mrs. Guy Walker. Mr. and Mrs. Russell Linger, W. Va., visiting Uta Belle McDaniell and Bertha Poe. Miss Frances Wood, Sherman, N.Y. and Mrs. Geraldine Stryker, North Clymer, N.Y., guests of Audrey Near. Miss Rosanna Wurster, Tingley, Iowa visiting her grandparents, the Herman Wursters and Harriet E. Pipe, Elmira, N.Y., and Mr. and Mrs. Olin Pipe, Pine City, N.Y., visiting Mr. and Mrs. Foster McNeil.

Edwin Swanson celebrated his birthday this past week, and was serenaded with "Happy Birthday".

A short program was enjoyed by all: a solo "When We Come To The End of a Perfect Day" by Grace Staley with Elizabeth Hyatt at the piano.

Irene Ayling questioned the group with a number of riddles, and Earl Ayling favored them with an interesting story.

Mrs. Margaret Young read several short selections. Group singing was led by Lloyd Wyant with Eula Genning at the piano.

The committee serving were Mr. and Mrs. Earl Ayling, Mrs. Willie Jackson and Mr. and Mrs. Harry Young.

Correction from last week: Mr. and Mrs. Oliver Colon were the hosts rather than the Leonard Warners.

NEWS OF THE WEEK

Several members have been in the hospital this past week, among these are: Lillian Hayes, who is improving, Floyd

Pancake Day Planned For February 15

The Episcopal Church Women of Avon Park, will sponsor the Annual Pancake Day, on Shrove Tuesday, Feb. 15, to be held in the Parish House of the Church of the Redeemer.

The menu will include grapefruit, sausage, coffee and of course the wonderful Redeemer Pancakes. Over the years the Redeemer women have become famous for their pancakes, made from an old family recipe. Serving will start at 9 a.m. and continue until 2 p.m.

Mrs. Ed Hall, chairman of the event, has her committees already working and promises the same excellent service, which has made "Pancake Day" such a successful event in past years.

A baked goods sale will also be featured. Mrs. Louise Waterson is in charge. Tickets for pancakes \$1.25 for adults, 75 cents for children under 12.

Come one, come all and enjoy the good food.

helpful hint:

Close Your Refrigerator Door

Don't leave your refrigerator door open any longer than necessary. Each time you open the door, the air inside is warmed and frost forms. This means the compressor must work longer and harder to cool the refrigerator. Defrost when frost becomes one-fourth inch thick. One-half inch should be the maximum.

Avon Mobile Home Park News

We welcome new arrivals to our community from Broken Bow, Neb. as Mr. and Mrs. Rollie Hendricks take up residence in the trailer on Court 59. Have a pleasant winter friends, and join in the fun available to you, as you become better acquainted with us all. Mr. and Mrs. Rowe (Lavinia) Weller arrived here two weeks

ago and in a loss of memory, I forgot to include them last week in our news. Ella Rosenberg was especially happy to have them back as she remembers pleasant times with them from last year. We are happy to have them back again, also. Mr. and Mrs. Lawrence Robinson, are pleased to have their daughter, Carol Ann Hawkins with them week for a

last of Florida weather; however, it looks like she brought the cold temperatures with her from Ann Arbor, Mich., as we are "Enjoying" the first taste of old man winter's bite! Let us hope the rest of this week will be back to normal and sunny weather. Carol said she thinks this is the nicest park she has ever seen.

Mr. and Mrs. Roy Girtlen were over to the east coast last week and visited with Mr. and Mrs. Herschel Rochelle at Hobe Sound—then spent a couple of days with Roy's brother and his wife at Fort Lauderdale. Friday evening they dined in the exotic Crystal Room of Patricia Murphy's Restaurant on the inner coastal waterway. A birthday celebration on Rosa Krantz was mutually enjoyed by a pot luck dinner, shuffling and a visit to Mr. and Mrs. Charles (Hazel) Clemmens in Friendship Village.

Mobile Home Park in Lakeland, Fla. These participating in the Clemmens hospitality were: Mr. and Mrs. Basil Krantz, Mr. and Mrs. John Evans, Mr. and Mrs. Walter Coady, Mr. and Mrs. Louise Shoemaker, Mr. and Mrs. Albert Keyes, Mr. and Mrs. Lawrence Robinson, Mr. and Mrs. Ora Myers, Mr. and Mrs. Roy Burnett, Mr. and Mrs. Sybil Mashey and Mrs. Bea Tingler.

There were 22 at dinner including, Mrs. Edward Hahn, Charley Clemmens's sister who lives right next door to them. The food was excellent as usual when good cooks get their heads together in planning their culinary art. A trip to The World of Disney was a spontaneous event last Saturday by folks of our park, when they piled into Emmette Wright's Volkswagen Bus and took off about 8 a.m. They

arrived in time to park in the first parking lot about 9:30 a.m. A wonderful time was had by Basil and Rosa Krantz, Ora and Ruby Myers, Albert and Dorothy Keyes, Emmette and Sally Wright, Ham and Nita Byer as they separated into two groups, following their own desires as to attraction offered, but left there about 3 p.m. due to the rain starting to pour down. Ruby is ready to return at the first mention of another trip, so this may be a future experience for us all, many times over. Mr. and Mrs. Glenn (Mildred) Long report that Mr. and Mrs. LeRoy Schabel of Lakeland were guests of theirs on Thursday, Mr. and Mrs. Ted Peak of Elyria, Ohio, were Sunday guests of the Longs. Mrs. Peak is a niece of Glenn's. Due to Mildred having a bad cold, the Peaks decided to spend this week on the west coast but

will be back in Avon Park next week to spend more time with their relatives. Mr. and Mrs. Phelps Button with Mr. and Mrs. Maurice Pero, spent last Thursday at Bradenton visiting friends, also the experimental farm at Ona.

28—The Avon Park Sun, Avon Park, Fla., Jan. 20, 1971. Last Monday's pinocle scores (Jan. 10) were: Margaret Fries with 1055 and Alva Deer with 916. We are very happy to report that Mrs. Arthur Fouty is

feeling much better now, and friends, Mr. and Mrs. Judi Peters, from Marblehead, Ohio visited with them last week as well as other friends, Mr. and Mrs. Lester Way from St. Cloud.

Spring Lake: how to make a good place better.

The town of Sebring... the area surrounding Sebring... both quiet, peaceful and beautiful. But now there's something happening that will make the area even better than it is now. It's Spring Lake, a planned, total community on U.S. Highway 98 at Lakewood Blvd.

Spring Lake is being built by Coral Ridge Properties and Westinghouse. Coral Ridge is experienced in building such places as the beautiful new city of Coral Springs and the famous Oak Ocean Mile or Fort Lauderdale.

Presently, at Spring Lake, we have three furnished model homes for you to look through. All on half-acre lots. Prices start at \$17,400. Spring Lake features street lighting, all underground utilities and lakefront privileges for residents.

Drive out to Spring Lake today. See what we have to offer. Lake the Georgetown, a four bedroom, two bath home with paneling and Westinghouse appliances. Or the Arlington, a two bedroom, one bath home featuring wall to wall carpeting and a large screened porch. Both homes come equipped with central air conditioning and heating.

If you can't get out to Spring Lake today call 385-6113 for immediate information. Mr. Roland Sanders, our Resident Manager, will be happy to answer your questions and show you around.

Spring Lake

Florida... the way it should be.

Coral Ridge Properties, Inc. a subsidiary of the Westinghouse Electric Corporation

MEAT MAN. Top pay. Honest and interested in working. Part time or full time. Write Box MM, care of The Lake City Reporter, Lake City, Florida. h3c

TRUCK DRIVING. Exciting and profitable careers await you in trucking. Labor statistics show income of truck drivers to be 40 per cent. above the national average. Tri-State can teach you the skills you need to start a new career driving a tractor-trailer. Your training is supervised by two old established trucking companies. When you graduate from Tri-State, you are ready and certified under U.S. Department of Transportation rules and regulations. Our national placement assistance service will then help you in finding a job. For an application and interview, call: 813-472-8521, or write: Tri-State Driver Training, Inc. Suite 210, 5010 W. Kennedy Blvd., Tampa, Florida, 33609. d1c

1970 FALCON TORINO, V-8,
automatic, air conditioned,

By BESSIE PAXTON 453-2147

Bessie and Byron Jeremy while in ROANOKE, Va., this past summer entered a contest given by a local cafeteria. This week they received notice they had won a five-day trip to Disney World, staying at the Ramada Inn. Congratulations to the Jeremys. Also Byron and his two friends, Bert Walton and Ted Elthorp went to Tampa Saturday where they were sworn in as officers of the Highland Shrine Club at the Egypt Temple.

Hannah and Marvin Tebo entertained Mr. and Mrs. Hutchinson, friends of theirs from Covington, Pa., at dinner this week. Hetta Cook and Harriet Meisel entertained eight friends with a birthday supper Thursday afternoon, the occasion being Caroline Webber's birthday.

The Walker Memorial Nature Club will participate in a weekend outing this weekend at Flamingo. Members of the club will leave Friday for Flamingo in the Everglades National Park.

The group will attend the ranger campfire Friday evening. Sabbath School is planned for Saturday morning. The group will participate in nature walks, birding, or sightseeing.

Saturday afternoon Sabbath Church Service will be held. Saturday evening the group will again attend the ranger program. The members of the group will return home Sunday.

The Walker Memorial Nature Club is a member of the Nature Club of the Florida Conference of Seventh-day Adventists. Ben Ringer is the leader.

More than 2,800 Florida State University students earned Dean's List honors this fall by achieving overall academic averages of "A" or "B" during the term which ended December 15. An overall average of 3.52 was compiled from the grades of the students whose names appeared on the quarterly honor roll. Under Florida

State's grading system, a 4.0 average would be all "A's." Avon Park students who made the Dean's List are Patricia Goff, Barbara Waites and Walter Nunnallee.

How "destiny shapes our ends" depends a lot on how well we stick to our diet.

Plant I.D. Class a Success

Those attending the plant identification class, sponsored by the Ridge Audubon Society and presented by Miss Carol Beck, were pleased by the plants Miss Beck brought and identified and the colored slides she showed. The next class session will be held Tuesday, Jan. 18, at 10 a.m. in the auditorium of Fdhaven, a residential community located 16 miles east of Lake Wales on Hwy. 60. The public is invited. Miss Beck was the Botanist with the Florida Park Commission before she retired recently. She is well acquainted with the plants of Florida and welcomes members of the class to bring specimens of plants they would like to know about.

Twenty-five turned out for coffee Tuesday morning. Elwood Stupe celebrated his birthday about this time. His daughter remembered him by having a beautiful cake sent, which was shared by his friends at coffee.

Charles and Lili Stager of Galt, Ont., came last week to remain for several weeks in Southland. They are close friends of the Dunlap family and are residing in the Mitten trailer.

"Happy Birthday" Mr. Charles Overholt! Jan. 18-1989. Jan. 18-1972.

At miscellaneous cards Wednesday night Leo Pertl was high in bridge with a score of 3300. Herb Renaud was high in 500 with a score of 3480. Also one table of canasta was played.

Mr. and Mrs. Lester Fogelson of Michigan and wintering in Englewood, Fla., Marcella Ostojnicki and grandson, Charles Blat of Punta Gorda visited Mary Strickland last Wednesday. Mr. Fogelson is Mary's cousin.

Mr. and Mrs. Basil Bass and son, Ricky, of Hammond, N.Y., and located for a short time at Lake Letta were callers on the Elthorps Friday.

Maxine Rutherford and Mr. Elthorp enjoyed a plane ride with Park Ernsberger Tuesday morning. They circled over Avon Park and located Southland and also got a view of Frostproof. It was a nice day for flying and proved to be an enjoyable outing.

Eleven ladies were at the hall Tuesday afternoon for the craft class. We have only about eight weeks until our Hobby show. We hope all ladies in the park will have items to enter.

Thirty-two were out for bingo at the hall Friday night. Those who did not go lost out for sure says Leo Pertl. Everybody better turn out next Friday night to see if Leo Pertl holds the seat as a good caller. Bingo continues to be as attractive as the Saturday night movie of 1913 in your home town. You remember that. Either Pertl won the grand prize.

Rev. and Mrs. Hutchins are out again since the flu bug called on them last week. Better watch out for that bug.

Rev. Norman C. Zulauf of Hope United Church of Rockledge, Fla., called on the Tebos Tuesday. Also Mr. and Mrs. Emmett Jones, their son and wife, of Gainesburg, Pa., called Thursday.

There were five and one-half tables of aggravation at the hall Monday evening. Mildred Joseph was high, winning five games.

Hannah and Marvin Tebo, Martha and Raymond Long were guests of Rebecca Hostetter at The Highlander at Lake Wales for Sunday dinner. In the afternoon they visited Boc Tower.

Eight came to shuffle Friday afternoon. In the play off Omec Snyder and Francis Hutchins had a score of 89 to 36 over Rev. Hutchins and Leo Brewster. The runners up were Glen Ruffner and Reave Wandover with a score of 24 to 20 over Leo Pertl and Raymond Long.

Goldie Daun, Martha Long, and the Tebos shopped in Orlando Friday. On the way home they stopped to see Betty Peterson, Dorcas Young and Laura Bernthal at Alder gate, who recently moved from the park to Aldersgate.

6,600 Goodwill Bags Donated In Avon Park

Residents in the Avon Park area donated more than 6,600 bags of repairable clothing and household articles to help training services at Goodwill during 1971, according to James J. Senas, executive vice president of Goodwill-Suncoast. This is a 83 per cent increase over the 3,600 bags dropped in local Goodwill deposit boxes at super markets and shopping centers during 1970.

Sports Banquet Saturday At APCI Dining

The annual Avon Park Athletic Association's honoring the three Avon football teams will be Saturday night, Jan. 21, at the APCI dining hall starting 7 p.m. according to association president Bob Dickson. All interested Avon football players and spectators are invited to attend the affair. Tickets for the banquet are \$5.00. The price includes a buffet dinner and a ticket to the game.

This year the winners of the trophies has been chosen by the members of the varsity and the coaching staff to determine the winner of the best-all-round player of the season, the best player, the best player on the Red Devils this year. The awarding of trophies will be a highlight of the program along with the introduction of each team.

Coach Fred Sand Devils moved all the number three Class AA-A basketball team this week as they continued to knock out opponents. The Red Devils' Clewiston a decisive triumph last Friday night. The Tiger's home of perfect 4-0 record in Ridge Conference at record overall.

Last Tuesday night went down to Fort Myers on the strong presence in probably the toughest schedule. Tomorrow night will be a crowd pleaser, however Red Devils return to a return game against aggressive and hot Frostproof Bulldogs between these two always hotly contested teams. Frostproof when the Red Devils talk of the town this is the Avon Park crowd full house for tomorrow night. Next Tuesday this tougher when the

Highlands Girl School Closes

Financial troubles and the death of a key benefactor preceded the sudden demise this week of Highlands School for Girls.

The school closed Monday, five days after a suit had been filed in circuit court for \$63,416 for unpaid food services bills. This was the latest and largest in a series of suits against the private school located south of Avon Park on the site of former luxury resort hotel.

Dr. John Hall Lindsay, an Atlanta physician who had been chairman of the board of trustees for more than a year, died suddenly Jan. 9. The remaining trustees, who held an emergency session at the school on Saturday, said Dr. Lindsay's death "has been a terrible blow" to the school.

Dr. William Logan, president of Webber College, who was a

member of the Highlands School board, presided at the Saturday meeting and later said, "We had no money to operate the school this spring and without funds we could not keep the school open."

The board contacted Raymond Stokes, school president, who is currently on educational leave, and asked him to return to the Avon Park campus immediately. The trustees also voted Stokes as chairman of the board.

Stokes, who had been an administrator with Highlands School since its opening in 1965, is in the midst of final exams at Lynchburg (Va.) College. Contacted there Wednesday he refused to discuss the Highlands School's problems or its possible future. He said he had not had contact with the school for some months and "all I can say at this time is no com-

ment."

Financial Troubles
Runners of financial troubles at Highlands School began to come to light in recent weeks when some suits were filed in small claims court. These claims were settled, but last week Slater Corp. filed in Circuit Court, claiming \$63,416 for past service and materials.

According to the suit, Highlands School had contracted with Slater for food services. The contract began in Oct., 1968. The invoice filed with the suit showed the unpaid bills date from Oct., 1970 to July, 1971. Payments totaling \$7,000 had been made on the contract last year.

First National Bank of Sebring and First Federal Savings and Loan Association both have "financial interests in the property."

Roger Taylor, president of

First National Bank said Tuesday, "The bank has not begun foreclosure proceedings. The closing of the school was a decision by the school's board of trustees, purely at the discretion of the trustees."

Stanley Davis, president of First Federal Savings and Loan Assn. of Highlands County, echoed Taylor's statement, saying the savings and loan firm had "definitely not" started any foreclosure.

Sad Scene
The second semester of the 1971-72 school year was scheduled to begin Monday. Between 75 and 80 of the students—virtually all those expected for the semester—on campus when the decision to close was announced.

The announcement was made early Monday and the students were asked to leave quickly. Keith L. Truettner, a consulting

forester whose two daughters had entered Highlands School last year while he was working in Brazil, hurried from his home in Coral Gables.

He said he and other parents were greeted by weeping teenagers. He described the scene at the campus as sad and emotional. "There was no one I could talk to, no one I could ask about school affairs," said Truettner.

He said his daughters were receiving some scholarship aid and the fees his family did pay were sent to the school monthly. He did not know whether students would receive any refunds.

Total charges for a year at the boarding school were in the neighborhood of \$2,800 to \$3,000 per student. Some may have paid for the entire school year.

Sports Banquet Saturday At APCI Dining Hall

The annual Avon Park Athletic Association's banquet honoring the three Avon Park football teams will be held this Saturday night, Jan. 29, at the APCI dining hall starting at 6:30 p.m. according to association president Robert Dick.

All interested Avon Park fans and spectators are invited to attend the affair. Tickets are on sale this week at the Avon Park High School office or at the door next Saturday night. Tickets do not have to be purchased in advance. The price is \$2 per ticket.

This year the method of choosing the winners of the four trophies has been changed. The members of the varsity team and the coaching staff will vote to determine the winner of the best-all-round player of the season, the best offensive player, the best defensive player, and the most improved player on the Red Devil squad this year. The awarding of those trophies will be a highlight of the program along with the introduction of each member of

CLAY VILES, left, who has been appointed to serve on the Avon Park Chamber of Commerce board of directors for a term of three years, is being congratulated by Joe Fann, second vice president of the Chamber. They also are displaying gold plaques, which is given when you become a member of the Chamber. Mr. Viles, a resident of Avon Park for the past 19 years, has been active in various civic projects, is a retired realtor and is well known throughout the state. His past week the following businesses, merchants and professional men have renewed their

Chamber of Commerce membership for the year of 1972: Bagwell Lumber, Ben Hill Griffin, M. W. Bishop, Border's Service Station, Dr. H. W. Council Extends Sale Of Alcoholic Beverage Hours

Lena Wright and Rose Mary Prescott, owners of local package stores and lounges, urged the Avon Park City Council Monday night and got approval to keep their businesses open until 2 a.m. Monday through Friday.

Mrs. Wright told the councilmen that they had a living to make, and they had been cooperative by closing at 12 o'clock sharp every night, and by checking ID cards of younger looking customers.

Mrs. Wright further stated, "they didn't believe in keeping their business open on Sundays, and would close their doors at 12 mid-nights on Saturdays." The hours will be from 1 a.m. to 2 p.m. Monday through Friday, and from 7 a.m. to 12 p.m. Saturday. The new time will change in about 30 days.

The council also gave their support to Joe Cantanzaro of Sebring to transport mobile homes in this area. Cantanzaro appeared before the council and stated he had filed application with the Public Service Commission in March 1971 to transport mobile homes.

He said, "at the present he was limited to a three mile area from Sebring and this made it financially hard to keep his business going. One hearing has been held and another one scheduled, but other companies are fighting his application and that he needs all the endorsements he can get."

Councilman Clarence King suggested the council recommend to the Civil Service Board to hire older men to fill vacancies at the police department. King said the city spent money training the younger men, and then they would leave for higher paying jobs. King recommended \$125 a week paid to the policemen after they had been trained.

Mayor Barben said, "he wished he had some way of telling how long anyone would stay on the job but that people quit for a variety of reasons, not connected just with pay or their age."

A discussion was held of clerical help needed at the police department and in the water department. City Clerk Crews presented graphs to the council showing the increase in water sales from \$122,686 to \$132,685, and increase in water meters installed from 2502 to 3070 in the past year.

The council approved to create another utility clerk position in the water department at a salary of \$95 per

week, and to assign Totise Haywood, assistant city clerk, to the police department on a time basis and to work at city hall 1/2 time.

Councilman King remarked that he was not in favor of employing anyone else until

Crews Represents Avon Park On Ambulance Service Issue

Complaints that northern Highlands County is receiving inadequate ambulance service were registered with the county commission Tuesday, Jan. 18. Avon Park City Clerk Malcolm Crews asked the commission to consider resuming a county subsidy to the city of Avon Park for at least part-time operation of the city ambulance.

With the advent of the sheriff department's emergency ambulance service January 1 the county commission had discontinued payment of \$250 per month subsidy for the Avon Park ambulance.

Clerk Crews told the commissioners that people in the northern part of the county feel it takes too long for the ambulances to come from the Sebring area. Deputy Len Brunley who represented the Sheriff at the meeting Tuesday said that in the first two weeks of operation the ambulances have handled 31 calls in the county.

An ambulance is "rolling within one minute," after a call comes, Crews said, but he acknowledged that by the time the driver had picked up an assistant and reached an Avon Park area address, total response time had lengthened to 15 or 20 minutes.

No ambulance is stationed in the Avon Park area. Crews proposed that the city-owned ambulance continue to make emergency calls at night. He said the city ambulance could handle the emergency calls for much of the northern part of the

inefficiencies in city hall were corrected.

OTHER BUSINESS
—The council agreed to accept price of \$279 from Motorola, Inc., to install a new 50 ft. tower for police radio.

—For councilman Milton

Howard to contact proper railroad officials to see if the old ACL railroad station could be paid.

—To pay Edward-Panther Surveying \$630 for setting grades on Armory sewer.

—To purchase a small pump for chemicals handling at the sewer plant at a cost of \$169.95.

—Approved to transfer \$9,000 from sale of property to Florida Power Corporation and \$1,750 from sale of property to EDCO to a savings account to be earmarked for renovation of the old Armory.

—Gold report showed \$3,144.80 for the month of December.

—State Pollution Control refused to permit any burning at city dump.

—A letter was read from Senator Lawton Chiles stating that he had opened permanent offices in Lakeland to better serve the people of this area.

—Reported that a hearing had been scheduled in Federal Court in Miami on the Garcia case, Friday. Police officers Grady Campbell and Presley Selph along with three witnesses will attend.

Devils Rank Number 3 To Host Frostproof Friday

Coach Fred Sandlin's Red Devils moved all the way up to the number three spot in the Class A-A basketball state polls this week as they continued to knock off opponents. The Red Devils handled Clewiston a decisive 72-44 thumping last Friday night on the Tiger's home court for a perfect 4-0 record in the Lake Ridge Conference and an 11-1 record overall.

Last Tuesday night the Devils went down to Fort Myers to take on the strong Cypress Lake boys in probably the toughest game on the schedule.

Tomorrow night will be a real crowd pleaser, however, as the Red Devils return after three weeks away from home, to play a return game with the aggressive and hot shooting Frostproof Bulldogs. The game between these two teams is always hotly contested. In Frostproof when the two teams met earlier this month, each team lost four boys by route of fouls. The Red Devil team is the talk of the town this season and the Avon Park coaches expect a full house for the game tomorrow night.

Next Tuesday things get even tougher when the Devils host

Fort Meade. The Miners are 13-1 this season. They were idle last Tuesday night. Friday week Avon Park goes to Sebring

Highlands County Second Best Tax Rate In State

Citizens of Highlands County in 1971 enjoyed the second best tax rate in the state of Florida. Current operation expenses for county government, law enforcement and schools cost taxpayers less than a nickel per \$100 of assessed valuation.

According to a report from the office of Florida Comptroller Fred Dickinson, only Jackson County enjoyed a better per capita tax rate than Highlands County.

Highlands County had 13,475 mills, carried by 29,507 residents. Jackson's 34,434 residents had a rate of 13.25 mills last year.

Highland's tax bill included 5.55 mills for county commission budget, 146 for county debt, 7.78 for schools' current budget.

In the Clewiston game last week, Don Sizemore's 23 points led the Devils scoring with Robert Laning hitting for 16 and Leroy Hicks pumping in 10 points. Nathaniel Packer had 4 floor shots for 8 points. Tony Williams contributed 3 counters, and Felipe Harris and Ricky Helms both put one point through the hoops.

It was Avon Park all the way as the Red Devils pulled a full court press on the Tigers the whole game. Avon Park had a 12-10 first quarter lead, then went to a 38-23 halftime score. At the end of the third period the Devils were ahead 36-24 and then went on to take the 72-44 victory.

After 12 games Nathaniel Packer is leading the team in rebounds with a total of 127 followed by Tony Williams who has gathered in 106 off the boards. Leroy Hicks has pulled in 84 rebounds this year and Robert Laning has a total of 72.

Don Sizemore is the fifth rebounder for the team with 70 and Harry Smith has a total of 35.

THE FIRST PRESBYTERIAN CHURCH OF Avon Park is celebrating its 10th anniversary. The nucleus of people who formed the congregation met first in the Masonic Hall. Later services were moved to the Winter Guest Club. The congregation was organized February 1, 1962. The church building on East Circle overlooking Lake Verona was completed in June, 1965. As part of the celebration of the 10th anniversary, special services will be held February 4-6. The Reverend J. Helms, pastor of the City Moore United Presbyterian Church, Newacville, Pa., will lead the Special Anniversary Services.

We have had several inquiries about the beginning of Southland Park. A research revealed some interesting information. Rev. and Mrs. Ezra Hutchens were first to come to the park in November, 1963 to spend the winter. This past winter they came to stay the year round.

Department of General Services, Division of Construction and Maintenance, 311 N. LaSalle, Director, Jan. 20, 1972.

Mr. Harbison was the first owner and lived in a trailer while the building of the office. When the Hutchens came there were very few trailers. The lots were laid out for seven foot trailers. Evidently Mr. Harbison did not think the business of operating a trailer park with seven and eight foot trailers would grow as it has in 18 years. It was first house trailers then trailers then mobile homes, ten and 12 wide and now coaches all the way from 12 to 25 feet.

Mr. Harold Arns came in May of 1955 and has been a continuous resident of the park. Mr. and Mrs. Charles Overhol were in 1956 and have lived the year round on the lot where they are now located. Mrs. Myrtle Heffner together with her husband, who is now deceased, came in 1957 to spend the winters and returns to her home in Canada for the summers.

Mr. and Mrs. William Bittel have lived in the park continuously for nearly 14 years at their present location, coming in March of 1958. Mr. Bob Elsthorpe came in 1959 for the winters. He returns to his home in Hammond, N.Y. for the summers.

The land where the park is located was officers quarters during W.W.II as an Air Force Base and was probably bought from the government. The Villa immediately back of the park was the barracks for the force men and families, and fought by the city, from the government.

Mr. Lerner Hostetter is the oldest resident of the park. He came to Southland three years ago from Pennsylvania as a permanent resident and is 91. Hebecca Hostetter spent Tuesday and Wednesday visiting her sister in Lakeland. Fifteen people came to the hall Monday night to play aggrivation. It rained but what of that; one can always get out to play aggrivation. Martha Long was high, winning five games.

Twenty came for coffee Tuesday morning. Eleanor Pardee makes good coffee and everyone enjoys the get to gether and lingering over a cup of coffee.

Mrs. James R. Hood of Indianapolis, Ind., is here visiting her parents, the Pectors, for several days. On Monday the Paxtons will drive her to Fort Lauderdale where she will meet her husband for a two weeks vacation.

Twenty seven turned out for bingo Friday night. Hazel Niabett was lucky and won a grand prize.

Mr. and Mrs. Harold Flanagan of Stockton, N.Y. are visitors of Harriet Meisel and Hetta Cook for a few days.

Mr. and Mrs. John Lefever, Mr. and Mrs. Willis Ebsenbave of Lancaster County, Pa. are visitors of the Hostettlers on Saturday and Sunday. Also the Habers and the Risers had a dinner with them Wednesday.

Mrs. Yvette Laurin, Mrs. Wells Darlin, relatives and friends of Myrtle Heffner, of Prescott, Ont. were here Friday and Saturday.

Christine and Leslie Snyder returned home Tuesday after spending a week at Key Largo. They went in their camper and enjoyed the nice warm weather down there.

Palmer, Franklin's and Smitty's Win In Junior League Basketball

In junior league basketball action last Monday night at the high school gym, Palmer Electric rolled to a 58-32 victory over Maryland Fried Chicken in the first game of the evening. Melvin Britt with 14 points, Robert Nelson with 13, and Dale Sisemore with 12 counted led a balanced scoring attack for the winners.

Sammy King countered with 17 points for Maryland and Reggie Baker added 10 points. Palmer's record now stands at 5-1 and Maryland Fried Chicken is 3-3.

The top 10 scorers after six games: Melvin Collins, 108; Sam King, 76; Tommy Taylor, 66; Reggie Baker, 60; John McKinnis, 58; Dale Sisemore, 54; Tommy Lewis, 47; Mike Mackenzie, 46; Melvin Britt, 46; and Freddie Moore, 45.

Game two saw another high scoring contest as league-leading Franklin's Inn, paced by Melvin Collins' 27 points, edged by an improving Sebring's Market 60-36. Collins received scoring support from Mike Mackenzie and Freddie Moore who popped in 10 and 11 points respectively.

John McKinnis hit for 11 points for Starlings and David Mellinger and E. Smith added 7 each to the losers total. Franklin's Inn moved to a perfect 6-0 record and Starlings dropped to a 2-4 mark.

The final game saw Tommy Taylor lead Smitty's Funeral Home to a 29-23 win over the aggressive Critchfield Marine team. Critchfield actually outscored the winners from the floor but were beaten at the foul line. Taylor popped in 17 for the winners.

Pete Whitehead scored 8 points and Charles Pough and Ron Jones added 6 each in a grand prize.

Band Day Set For February 26
Another "first" for the famous Avon Park Grenadier Band. The first of what is to be an annual "support your local band day." According to Bud the Word, publicity chairman of the Avon Park Band Parents Association, "this year we've put it all together—band auction, rummage sale, hamburger stand, cotton candy, barbecue chicken, new—a big sale, and much more—including a drawing for a color TV set, shotgun, and a cassette player."

"Something for everyone and so much at once you'll think you're back in the ole 3-ring circus days. Just a big—gala—all day happening."

Instead of stretching it out all year long this year it's going to be a Saturday you won't want to miss—youth or old—mark it on your calendar now—February 26—is Band Day '72.

"It cost money to keep a band like our band operating, many more dollars than the county school system can afford to spend. This year we needed four new tubas at \$600 apiece. The county bought one and the BP's (band parents) bought three. And the scoreboard keeps going up. The BP's 16 new uniforms—\$1,000, four new drums—\$400, a new stretcher—\$175, up, up, and up till the band parents' budget for this year hit \$6,000."

"Where are the BP's going to get that much money?? We are counting on getting it from your old discards, and your donations. Anything around the house or store that's in your way—give it to the band. Then next time you see that sharp looking, award winning, high stepping Famous Avon Park Grenadier Band, you'll feel you helped them look so good."

"Band Director Vic McKinnis does a terrific job in the way of music, marching, and training these fine young folks but they need your help keeping them as snappy looking as their music sounds."

"Let me tell you again how you can help. If it's in your way and you think we can auction it off, call Bobby Henderson at 453-4197—or Marva Turner at Turner's Furniture and they will see that a truck comes by to pick it up. If it's something for the Rummage Sale—drop it by Mrs. Willie Williams house on South Lake Ave. right across from the Middle School."

"Mark February 26 on your calendar and you'll read more about Band Day on the Mail in the weeks to come."

ROTARY CLUB NEWS

By DALE LANDRESS
The Rotary Club was extremely pleased to have its guest speaker, Mrs. Mary Ellen Ward, Mrs. Ward is a member of the Highlands County zoning board and her talk centered on the county's zoning problems.

The county zoning board has had their zoning plan in operation for approximately one year. Although some problems have been created by this plan, the speaker was of the opinion that it is a good plan and has functioned well during the past year.

The members of the zoning board are prominent members of the county and they have worked many hours devising the present plan without receiving any salary for their efforts.

The present plan is considered a conservative plan by Mrs. Ward because it was based primarily on existing usage.

The presently have 50,000 acres subdivided into approximately 150,000 lots. There are nearly 12,000 mobile home lots in the county. Citrus groves have approximately 40,000 acres planted in trees.

All areas of Florida are experiencing rapid growth and the Ridge area is no exception. Realizing the tremendous growth potential of Highlands County, the county commission is presently conducting two studies so that they might be able to meet the many problems of rapid growth. A planning consultant has been hired and a water and sewage study is underway at this time.

Mrs. Ward and the other members of the zoning board should be commended for the time and tireless effort in developing a workable zoning plan.

OF THE
MONTH

CANDACE REDDICK

A scholastic average of 4.0 places Candace Reddick "number one" in her graduating class at Avon Park High School.

Chosen as the third "Student of the Month," Candace is seventeen years old and President of the National Honor Society, a First Lieutenant in the "Red Devil Band," Co-editor of the "Pitchfork" and treasurer of the Student Council.

She was captain of her school's "High Q" Team and chosen as a Star Student by the Avon Park Faculty and as "Most Likely to Succeed" by her fellow classmates.

Candace was also commended by the National Merit Scholarship Board for superior scholarship achievement.

Her hobbies include playing the piano, an interest which has led to membership in the National Fraternity of Student Musicians. Future plans are indefinite, but she does aspire to college and graduate study. Candace was chosen on the basis of scholarship, citizenship, character, school spirit, responsibility, dependability, leadership and effort to promote good human relations.

Anita Shields Honored With Bridal Shower Friday, Jan. 14

Miss Anita "Scotty" Shields, bride-elect of Bobby Burton, was honored with a miscellaneous bridal shower on Friday, Jan. 14, at the home of Mrs. Bill Owens. "Scotty" is pictured above.

The gifts were displayed on the patio, on a table covered with a white cut work lace tablecloth. Mrs. Gloria Tondse helped Scotty in the opening and recording of her gifts.

The refreshment table was covered with a pale gold lace cloth, with a centerpiece of permanent white magnolias. Cake decorated in the bride's colors of avocado green and gold was served with punch, nuts and mints from crystal appointments.

Mrs. Mary Bass was in charge of games and led the group in game participation, which included a sewing contest. Each guest was given cloth and thread to sew the best picture of where the bride couple would go in their honeymoon.

The members of the Adult III Department of the First Baptist Church were the hostesses for the event, with approximately 30 guests attending.

Pathfinder Club Treated With Reward Dinner

Twenty eager boys and girls of the Avon Park Junior Pathfinder Club of Walker Memorial Seventh-day Adventist Church were treated to a special reward dinner last week at the auditorium of Highlands Lakes Jr. Center.

The feast which featured steaming bowls of spaghetti with a delicious meatless mushroom sauce, Italian salad, hot garlic bread, root beer, and Neopolitan icecream was served to the enthusiastic youngsters by their adult counselors to fulfill a promise to the youth club for selling nearly 400 "Cathedral" candles during their recent pre-holiday project to raise funds toward some worthy purpose.

Two Pathfinder girls, Twyla Ott and Gloria Clark, were awarded free trips to Disney World as top sales winners. Their recent pre-holiday project to raise funds toward some worthy purpose.

This special fund could also possibly be used for any type of community disaster where organized food preparation and dispensing on an emergency basis is essential.

The Pathfinders and staff are grateful to the many folk in the Avon Park and Sebring areas whose patronage and donations made this youth project such an outstanding success.

Steve Childress of Avon Park made a dual cross-country flight to Lakeland and Winter Haven. Walter Oliff, Jr., of Wauchusa made a solo cross-country flight to Ocala and Zephyrhills. John Gornowski of Lakeland made a solo cross-country flight to Lakeland and Lake Wales.

Lauren Albrecht of Zolfo Springs made two solo cross-country flights in the past weeks - one to Ocala and Zephyrhills and the other to Sarasota and Venice.

MISS ANITA SHIELDS, bride-elect of Bobby Burton, was honored with a miscellaneous and the bride-elect's mother, Mrs. Walter Burton, on Friday, Jan. 14, at the home of Mrs. Bill Owens. "Scotty" is pictured above.

Laws

By Trooper Frank Williams

RULES FOR OVERTAKING AND PASSING VEHICLES

- (a) The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass to the left at a safe distance and shall not again drive to the right side of the roadway until safely clear of the overtaken vehicle.
- (b) Except when overtaking and passing on the right is permitted the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle and shall not increase the speed of his vehicle until completely passed by the overtaking vehicle.
- (c) Passing vehicles proceeding in opposite directions: (a) Drivers of vehicles proceeding in opposite directions shall pass each other to the right. Each driver shall give to the other at least one-half of the main traveled portion of the roadway as nearly as possible.
- (d) No vehicle shall be driven to the left side of the center of the roadway in overtaking and passing another vehicle proceeding in the same direction unless the left side is clearly visible and is free of oncoming traffic for a sufficient distance ahead to permit such passing and overtaking to be completely made without interfering with the operation of any vehicle approaching from the opposite direction.
- (e) When overtaking and passing another vehicle in the same direction it is necessary to drive to the left of the center of the highway.
- (f) Upon a roadway divided into three marked lanes for traffic.
- (g) Upon a roadway having four or more lanes for moving traffic and providing for two-way movement of traffic no vehicles shall be driven to the left of the center line of the roadway except when authorized by official traffic control devices designating certain lanes to the left side.

The club was host to the Central District Tournament this past Thursday and Friday. Fifty three teams entered from all over, many were from Avon Park. It was a busy two days. Unfortunately Avon Park did not win any trophies.

In the local tournament on Wednesday the winners were Cleo Lane and Tom Hance with Frey Frye and Hubert Smith the runners up. Ernie Rouget and Harold Wolcott won in

the morning at all. The As played two games before being rained out. About 16 courts started. There was a Cat and Dog game on Monday. The Tri-City tournament will be on Wednesday the 26th at Sebring.

CARD GAMES

In pinocle on Monday and Friday afternoons with 6 and 8 tables in play, the high scores were won by Jerry Nadsady 829.

Loretta Simpson 765, Aletha Hoffman 747 and Helen Ehrke 730. Bridge had 5 tables of players on Tuesday afternoon. Clara Rentschler had the high score of 6680. Bud Hawkins had 3060. Seven tables of duplicate players on Thursday afternoon.

North-south winners were: first Vi Lexa and Inez Kinney, second, Wm. and Stella Moon, third Leo and Esther Piert, East west winners: first Bertha Brush, and Sarah Spindler, second Genevieve Moran and Al Storaardt, third Joe and Eleanor Nickerson, Jean Laddington, director.

CRAFTS Crafts met on Tuesday morning this past week, on account of the shuffleboard tournament. Many projects were being worked on: Peacocks from meat trays, handbags from milk jugs, macramé, satin flowers, pinecone work, egg carton flowers.

In a couple of weeks a new project, covering vases and boxes. Members should begin to collect these items, so they will be able to participate.

ENTERTAINMENT

Paul Swearingen announces that on Thursday evening at the club house at 7:30 there will be an evening of round dancing to live music by a 3 piece band. If you don't dance come sit a spell and listen to the music. Seats will be set up for spectators.

DANCES

The dances go on as usual on both Monday and Friday evenings. Guests on Friday evening were Mr. and Mrs. William Rowe from Duluth, Minn., who are visiting the Runar Engards for a week. Also two couples from Jamestown, N.Y. Guy and Ethel Walker and Helen and Chester Finch. Jesse and Gertrude Futrell came to visit the dance for awhile. They are old time dancers from Chicago and spend their winters here.

SUPPER

The Runar Engards and the Helmer Becks hosted the supper on Saturday evening with 97 present. Mrs. Beck gave the table prayer. All enjoyed the wonderful casseroles that everyone brought.

The birthday song was sung to three who had birthdays this past week. Mrs. Everett Keister, Mrs. Bamberg and Harriet Moissell. The Pledge of Allegiance to the Flag was given before the following program: Reading by Mrs. Beck and a reading by Ulla. Belle McDaniell, Lloyd Wyatt led in group singing with Elizabeth Hyatt accompanying on the piano.

Guests were the William Rowes and Mr. and Mrs. Harold Bennett who have been visiting Mrs. Martenson, mother of Mrs. Bennett.

Scotty's Opens In Sebring

Scotty's Home Builders Supply, Inc. newest store opened in Sebring Monday, Jan. 24. The Sebring store, located in the Southgate area just off Route 27, will have a grand opening February 25 and 26.

Larry Tyler, manager of the new store, welcomes all residents in the Avon Park area to visit the store which will have a carpeted showroom with thousands of items of hardware, kitchen cabinets and appliances, tools, windows, garden supplies, etc.

A large stock room in the rear of the 45,000 square foot building displays paneling, doors, carpeting, lumber, and larger items. Scotty's handles all major appliances, BLP paints, Haas cabinets, Black and Decker tools, GAF roofing material, etc.

In addition to the Sebring store, Scotty's the fastest growing building materials chain in Florida, have 34 other stores and two bargain building supply stores in operation throughout Florida. Two new and two replacement stores are currently under construction with three more scheduled to begin soon.

Tyler, a native of Frostproof, has been with Scotty's for 11 years and before coming to Sebring was assistant manager of the Lakeland store. He and his wife Sue, son Phil and daughter Kimberly have purchased a home in Neel Manor.

The big yellow Sebring store will serve Highlands, Polk, Hardee, Okeechobee and DeSoto counties.

Giving

There is giving and there is giving. You know that the rich put their contributions into the Temple treasury, and He also put the poor widow putting in two small copper coins. He told his followers, "The true test of a person's heart is not in the amount of the gift, but in the heart that gives it. There is giving and there is giving. There is generosity and there is sacrifice. Francis de Rochefoucauld cynically observed that "What is called liberality is often merely the vanity of giving." American humorist Josh Billings also declared, just as honestly and cynically, "I am poor, and I am glad that I am, for I find that wealth makes more people mean than it does generous." Few people, it seems, amass fortunes in order to have more to give away. That is to say, there is a kind of giving that is not giving at all. Jesus taught us to beware of (and not be taken in by) leaders who dress to impress us and love respect, but who have no love for the poor and the needy. He said, "I am poor, and I am glad that I am, for I find that wealth makes more people mean than it does generous." Few people, it seems, amass fortunes in order to have more to give away. Irene Maxcy Out of Jail On Bond

Irene Maxcy, convicted of perjury in mid-November by a jury of six husbands, on Friday left the Dade County jail after posting a \$75,000 appeal bond.

The 48-year-old widow of murdered millionaire Charles Von Maxcy spent exactly 65 days in the old skyscraper jail in Miami. She had been sentenced to life imprisonment for lying during the second trial of her lover, John J. Sweet, convicted at that trial of the for-hire murder of her husband.

Attorney Frank Ragano had failed at the district appeals court level to get his client free on bond, but she was ordered freed by the state supreme court. She seeks a new trial.

Sweet, although convicted, was freed from further prosecution a few weeks ago under Florida's speedy trial law.

Maxcy was found murdered Oct. 3, 1966, in the couple's luxurious Sparta Road home. The state maintained that Mrs. Maxcy changed her testimony at the second trial in favor of her lover.

A father took his small son to visit the family's newest arrival in the nursery of the local hospital. The boy stood in front of the large window peering in at the 15 tiny cribs in which there were 15 babies. "Oh, look, Daddy!" he exclaimed. "They have two more traps set."

THESE THREE MEN became buddies over 50 years ago, when they were shipmates on the "U.S.S. Florida" in 1919. Oscar L. Colyer, far right, of Lauderdale, Fort Lauderdale, went into service from Louisville, Ky.; William Goheen, center, of Green Bay, Wis., went in from Green Bay; and Keith L. Sanders of Avon Park, went into service from Springfield, Ill., over 50 years ago. They became buddies and traveled all over the world together. After they got out of service, they kept in touch with each other over the years, and got together last week, for a reunion of the Sanders' home here in Avon Park. Photo by Sharpe

Devil "Bees" Beat Clewiston 51-36 Friday

Coach Tom Land's Red Devil "B" squad made it a 6-2 record last week with a 51-36 win over the Clewiston Tigers. The Devil "Bees" have lost only to Lake Placid and Frostproof and will have a chance to even the score with the Bulldogs here at the new high school gym tomorrow night (Friday) starting at 6:30 o'clock.

Last Tuesday night the junior varsity traveled down to south Fort Myers to take on the tough AAAA Cypress Lake junior high squad. Next Tuesday night the "B" team will be at home to the Fort Meade Miners jayvee squad and the following Friday will go to Sebring for a return match with the junior Blue Streaks.

In the Clewiston game, after a Tuesday night lay-off, the Devil "B" squad started slow to let the Tigers take a 15-8 first quarter lead. However a 19 point effort in the second period while holding the baby Tigers to 9 points gave Avon Park a 27-20 halftime advantage.

In the third quarter the junior Devils hit for 9 points to 6 for Clewiston and in the final period it was 15-10 in favor of Avon Park for the 51-36 victory over the Lake Ridge opponent.

William Ayers with 17 points and Leon McRae with 12 paced the Devil jayvee team in the sixth win of the season. Both boys hit five floor shots but Ayers had 7 free throws good while McRae got only two.

Danny Lewis hit for 8 counters, Jimmy Caldwell scored 6 points, Rickey Clait had 5, and his twin brother Mickey contributed 3 points to the total effort. Others seeing action in the Clewiston game were Bud Webster, Josh King, D. Perry, Albert Mellinger, and Curtis Foster.

8th-9th Grade Basketball Team Split Two Games

The eight and ninth grade basketball team split two games last week with a win over Okeechobee on the baby Brahman home court by a score of 45-33 and a loss to the ninth grade Santa Fe team in Lakeland.

Leonard Green led the Avon Park team in the Okeechobee game with a 14 point effort. Tim Massey and Jerry Robinson both hit for 9 points and Terry Hicks had 7 for the Devils. James Ross added 4 and Reggie Tolbert scored 2 points.

In Lakeland the bigger ninth graders of Santa Fe jumped off to an 18-11 first quarter score and the junior high Avon Park team couldn't close the gap although they outscored the Hawks in the second and third quarters and gave up only three point difference in the final period. The final score was 43-38.

Jerry Robinson was high scorer in that game with 14 points and Leonard Green had 12. James Ross hit for 3 points. Tim Massey had 9 points and Terry Hicks, Reggie Tolbert, and Leamon Fields all scored 1 point each.

Don't Overload Refrigerators

Be particularly careful not to crowd the shelf closest to the air inlet. Overcrowding interferes with air circulation. The more you put into your refrigerator, the longer and harder your compressor has to work to keep your refrigerator at the proper temperature.

KING SNOW, shown above, left, with golf pro Alex Ogilvie was slated Tuesday morning when he made a hole in one. Playing in the "new bird" tournament January 18 with his wife, Helen, Pearl Evans and George Marks at the Avon Park Golf Course, the hole in one was made on the 5th hole, a 150 yard hole over a

large sand trap. The ball landed four feet from the pin and rolled in cup. The Snows are from Old Saybrook, Conn., and are temperarily living at Oak Ridge Mobile Home Park in Sebring. They love this area and playing on the Avon Park Golf Course. Photo by Sharpe

Droit Resigns As Registration Supervisor

Highlands county's elected official with the longest record of service—Roland X. Droit—resigned this week after winning up 31 years in the office. Droit, tag agency supervisor and supervisor of elections, notified Gov. Reubin Askew that his resignation is effective Feb. 29. Droit was 60 years old Jan. 19. There has been no appointment made to replace him.

The long-time elections supervisor has watched the number of registered voters climb from 3,000 to 14,000—but most of the rise has been in the past few years.

"Since I first was elected, there have been lots of changes," he recalled. "I really appreciate the people in Highlands County keeping me in office as long as I have been. It is a wonderful feeling."

Droit's tenure in the office actually is 31 years and two months. He ran for the office, defeating F. M. Young, many years ago and every other four-year term since, he has had opposition for the job. He defeated Austin Heacock in a hard-fought contest just four years ago.

Looking back, he recalls that the most interesting part of the job has been the excitement of election night and getting the returns in and counted.

Over the years he has had his share of civic service. He is a past president of Kiwanis, a past exalted ruler of Sebring Elks club and a past governor of the Moose lodge. For several years he has been a member of the Democratic committee which meet in special session at 7:30 p.m.

No replacement for Droit has been named. Highlands County Democratic committee will meet in special session at 7:30 p.m.

ORDINANCE NO. 542
AN ORDINANCE AMENDING SECTION 18-14 OF THE MUNICIPAL CODE OF THE CITY OF AVON PARK TO PROHIBIT CITY REBATES TO SUPPLIERS BECAUSE OF UNCOLLECTABLE ACCOUNTS. The City Council, having found that it is impractical, both in the part of the City and the suppliers of utilities taxed by the City of Avon Park, to rebate to suppliers for taxes paid on accounts which prove to be uncollectable.

THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, Florida: Section 1, Sec. 18-14 of the Code of the City of Avon Park is hereby amended by striking the first sentence of that section and replacing it with a sentence reading as follows: "In every case the tax shall be computed upon the deliveries to the purchasers of such utility services and paid by the seller of such utility services at the time of the normal billing to the purchaser, and no rebates will be paid by the City to the seller if any account shall prove to be uncollectable."

Section 2. All ordinances or parts of ordinances in conflict herewith are to the extent of such conflict hereby repealed. PASSED AND ADOPTED BY THE CITY COUNCIL OF THE CITY OF AVON PARK, Florida, this 24th day of January, 1972.

ROBERT LANZING, fine Red Devil basketball player, is one of the reasons the Avon Park High School team is ranked number three in the state. The versatile senior is the second leading scorer on the Devil squad. He has scored 221 points in the first 12 games for an 18.4 average per game, and has pulled in 72 rebounds. Photo by T. Taylor

total points is guard Don Sizemore with 242 and a 20.2 average per game. Robert Lanzing is close behind with 221 points and an 18.4 average per game. Robert has hit 94 of 224 shots from the floor for a 42.4 percentage on field goals. Sizemore has hit 64 of 107 free shots for a 78.5 percentage at the line. The whole team has a 56.4 average at free throws and is hitting a 39.9 on floor shots.

Nathaniel Packer is the third high scorer with 140 points followed by Leroy Hicks who has scored 81 points. The nine Red Devils are really putting out this year. They play exciting basketball and they never give up. They are aggressive, fast, can jump and can also hit the basket. The fact that all the boys are coming through has made the team tough and given strength throughout the first 12 games. Another boy who just has to be responsible for some of the success of the Devils this season is senior Thad Tate. Although Thad can't play this year because of an injury, he is serving as an assistant coach to Coach Sandlin and Coach Lund. Thad's enthusiasm and encouragement is evident at each game and at practice also. He's the 10th member of the squad and he's helping in many ways as the Devils make a bid for the conference title and hope for a shot at the district and state this year.

Let's see how many Avon Park people we can pack in the gym tomorrow night to watch this exciting team which has set the best record ever so far at Avon Park High School. What a team to initiate the new gym! Don't miss out on the action! The gym only holds 1200 or so, so better get there early for the jayvee game which starts at 6:30 p.m. tomorrow (Friday) night.

rate in that 7,665 population county was reported by Dickinson as 13,244,732 mills. Counties with millages slightly higher than Highlands last year were Calhoun, with 13.5 and Jefferson with 13.67 mills. The largest counties are in the 19-21 mills bracket. Highlands county's millage at 13.475 is eighth from the lowest in the state. Counties with lower millages are Flagler, 10.22; Franklin 12.244,732; Glades, 10.68; Jackson, 12.35; Lafayette, 8.54; Liberty, 8.50; and Madison, 11.78.

Duval has the highest millage at 23.0, with Hillsborough second at 22.62. Dade is 19.61.

Local Residents Face Gambling Charges

Four Avon Park residents are scheduled to appear in county judge's court Feb. 1 to answer gambling charges. The quartet, arrested by state beverage agents, are charged with gambling on a pool table at Clint's Place.

Lon Collier, Rance Rewis, Robert A. Smith and Thelma Elder have each posted bonds of \$101.

Gambling is a violation of state beverage regulations.

School

(Continued from Page One)

Confronted by their weeping daughters Monday some expressed a willingness to pay more to keep the school open. Some people close to the school said scholarship aid had been generous—"maybe too generous."

Students came from many states and some from foreign countries. Like the Trusteet daughters, some had entered while parents were working overseas, stayed on and said Monday they hope to return.

Work was offered for grades nine through 12 and a special post-graduation year had been added with special emphasis in that year on college preparation.

Many of the students were able to arrange transfers to other private schools Monday. Some planned to enroll in public schools near their homes and a few transferred to private schools overseas.

The scene Monday was reminiscent of a ghost's reclaiming a haunted house. Financial troubles had overwhelmed a private school for boys which had occupied the old Pinerest Hotel site in the early 80's.

In 1968 Col. Leslie Blankenship, for many years operator of successful private schools, opened the Highlands School for Girls. About a year and a half ago control of the school passed from Blankenship to a board of trustees headed by Dr. Lindsay, father of one of the Highlands School alumni.

Dr. Greg Adkins, who had been headmaster of the school this year in the absence of Stokes, was on campus Tuesday but has declined to make any statements to the press.

Psychotherapy Workshop Jan. 29

A workshop on a new "realistic" approach to psychotherapy will be presented Saturday at Winter Haven Community Mental Health Center. Out of a group of 100 psychologists, counselors and educators invited to the conference, approximately 25 per cent are from Highlands County.

Dr. Albert Ellis, nationally known clinical psychologist and author-lecturer who is recognized as a pioneer in the new approach to psychotherapy, will lead the sessions on Saturday.

the three squads and the two cheerleader squads. The varsity team set a record of 7 wins and 3 losses this year. The team was coached by Joe Franz, athletic director and head football coach. Ralph Hill, back coach; and Eddie Lewis, line coach.

The "B" squad was again coached by Dewayne Lender and Ed Calbertson and that Devil team set a 5-2-1 record. The junior high team went undefeated for the second straight year under the coaching of Ken Shackelford and Harry Williams winning six games for a 12 game win streak.

Six Red Devil varsity players made the all-conference squad for the new Lakeland Conference this year. On the offensive squad were Jarvis Smith, Mike Archer and Don Sizemore and on the defensive eleven were Randy Ward, Ted Long, and Leon McRae. Sizemore and Ward went on to make all-district and Sizemore and Long made the all-state second team while Ward made the all-state third squad.

Caldwell Appointed To Sun Staff

Reorganization at top management level and creation of a new executive position was announced today by the Avon Park Sun.

Ed Carter will remain in his present capacity as Publisher of the Sun. Carter was elevated to the post of publisher in 1964. Don Caldwell, a native of Highlands County, was named to the post of vice president and general manager of the 3300 circulation weekly newspaper. Utilizing a newly-evolved concept of team management, the two executives will coordinate their efforts to speed growth of the Avon Park Sun, in line with immediate and long range plans for expansion and improvement.

In a joint statement, they noted, "We are both very excited as to the potential of this new concept of team management. We plan to improve the quality of this com-

Red Devil Golf Team To Open Season

Avon Park's Red Devil golf team will get into action this week when they travel to Bartow to play the Yellow Jacket team at the Bartow Municipal Golf Course this afternoon (Thursday).

The eleven man team is coached by Andy Miracle this year and will have a schedule that will include Sebring, Lake Placid, Lake Wales, Auburndale, Kathleen, Frostproof, and other nearby schools. The matches will generally be played on Thursday afternoons. A complete schedule will be printed as soon as possible.

Out for the golf squad this year are Gary Bagwell, Tommy Wester, Wayne Todd, Ricky Lanier, Gregg Burch, Tommy Bea, Richard Birt, Jim Wood, David Hamm, David Hicks, and Dean Dubois.

Several of the boys are not yet eligible because of birth certificates being sent in to the state office, but the whole squad will soon be competing for the top four spots on the team.

On Honor Roll

Mr. and Mrs. Fred Hedrick of Canfield Street, received a letter of congratulations from Dean of Women, Stetson University, DeLand, of their daughter, Holly's outstanding scholastic performance and her name being placed on the Honor Roll, for the semester just ending.

Holly is a sophomore at Stetson and a former honor student at Avon Park High School.

Avon Mobile Home Park News

The monthly pot luck dinner was well attended last Thursday with approximately 60 members and guests attending to enjoy the delicious food and fellowship. Guests were Mrs. Carol Hawkins, and Mrs. Helen Fass. New members were Mr. and Mrs. Claren Monroe, who found the event interesting as readings by Harry Brown and Howard Bell added spice to the day.

A most unusual Mrs. Style Show was presented on Saturday evening after the Hymn Sing, for the entertainment of our folks. Mrs. Harmon Heffner was in charge of the arrangements, personnel, and appointments. Models included Madame Harriette Brown in an appealing print silk; beautiful Billie Belcher in all cotton creation, blue pants suit covered with cotton balls; informative Basella Krontz in an all over black and white print with red all over, handmade by a close loved one.

Dashing Lady Rae Fries displayed a puff dress of shocking pink with yellow puffs on the bust and a large white hat to complete the ensemble; petite Glenna Long was sweet in a pink flowered cotton and pink on the shoes. Senorita Warnita Byers was a lovable but mysterious lady in Black Corduroy dress and hair trimmed with cords.

Mademoiselle Laurel Robinson in a stately blue nylon crepe, trimmed with tulle by Charmin at the plating neckline and on the hat, showed the durable and versatile in new materials.

Miss Alberta Keyes moved gracefully in an enticing black basic straight line gown trimmed in orange, with a brown short hair-do. The final sportswoman's attire was cleverly presented by Alva Derr for shuffler's loose shirt, nice comfortable loose pants and of course the cap and shuffle cue, the pants being loose, had to be reinforced by an extra pair of rose trimmed short pants in case of an emergency!

We are very grateful for all those who participated to make this a success and to Mrs. Gladys Heffner for her capable direction, aren't we, all who laughed and clapped?

Mr. and Mrs. Albert Keys were pleasantly surprised when Albert's sister and brother in law, Mr. and Mrs. Paul McGowan from Lawrence, Mich., made a surprise visit. They spent a day and a night as part of a combined business and pleasure trip. They are owners of a mobile home park at home and were interested and very impressed with our park here.

Mr. and Mrs. Herman Young spent two days in Tampa visiting friends, Mr. and Mrs. Fowler from Paw Paw, Mich.

Mr. and Mrs. Lawrence Robinson took their daughter to the Tampa International Airport on Sunday after a dinner at the Kapol Tree Inn which was the first time Carol had ever seen the Inn. A special treat for all was the beautiful flame colored blooms on the Kapol Tree, which blooms only for a short time, usually in January and February. After putting Carol on the plane, the Robinsons visited relatives, Mr. and Mrs. Nick Marino in Largo at the Teakwood Village Mobile Home Court and arrived home late on Sunday!

High scores for bid Euchre on Jan. 19, were 147 for Margaret Derr and 141 for Edwin Seebach. Pinochle high scores were 963 for Alva Derr and 963 for Clea Hendricks.

Ora Myers seems to be under the weather this week, and we do wish him a speedy recovery and no ill effects from this feverish time.

An important message for people who prepare their own income tax returns.

Maybe you've been cheating yourself all these years.

Every year, between January and April, millions of people sit down to do battle with Uncle Sam. Some are "self-styled" accountants. Others think they can save a few dollars doing it themselves—so why not?

The sad truth is, however, no matter what their reason was for starting, many of them end the same. On the short end.

You see, when it comes to income taxes, amateurs should depend on H&R Block. We have all the facilities to help you make "income tax time" a pleasant experience. To begin with, H&R Block now has over 6,000 conveniently located offices manned by thousands of specially trained personnel who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed. For example, do you know

all about deductions for child care or casualty losses? And maybe you aren't aware that if your income increased last year, you may be able to save tax dollars by "income averaging."

Well, when it comes to income taxes, H&R Block is aware of just about everything because we're a company that eats, sleeps, and drinks tax returns 365 days a year.

Yes, maybe you can save a couple of bucks by doing your own return but it really may be costing you a lot more by not having your return done by H&R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

Ruth and Harry Singer visited Rev. and Mrs. Milton Davis at Sarasota on last Thursday afternoon. Rev. Davis was their minister for 12 years.

Mr. and Mrs. Sam Malone have bought a lot at Smiths Trailer Park and moved on Wednesday. Best of wishes to them in their new home.

Mr. and Mrs. Dean Swiggart of Lucas, Ohio, called on Faye and Leland Duffing last Saturday afternoon.

Mr. and Mrs. Joe Johnson of West Salem, Wis., called on Ed and Lill Wehrs last Sunday afternoon.

The above news arrived too late last week to put in the news. News must be turned in no later than Sunday evening at 6 p.m.

Mr. and Mrs. Ralph Reighard visited for three days last week in St. Augustine Beach with Mr. and Mrs. Donald Newell. While there they toured Old St. Augustine and the surrounding historical sites.

Mr. and Mrs. John R. Dolan of Phoenix, Arizona who have been visiting Mrs. Dolan's brother and wife Neil and Ellen McGonagle left Orlando Airport on Thursday, the 30th to return home. Both families had an enjoyable ten days. They visited the Highland Restaurant in Lake Wales, toured Cypress Gardens and other places of interest. Another day was spent in Clewiston where they had a delectable dinner in the Hotel. Their last dinner was at Claytons in Sebring, where all agreed it was their most enjoyable dinner. Neil and Ellen are feeling pretty lonesome since their company left.

Alton and Mariam Pettes accompanied by their daughter Gail and grandson Scotty visited relatives in Englewood, Mr. and Mrs. E. W. Ives, Jr., last Saturday and Sunday. On Jan 20th they stayed overnight in Clearwater with cousins, B. B. Brown before Gail and Scotty left from Tampa Airport to return to their home in Balston Spa, N.Y. on the 21st. Grandma and Grandpa are lonesome now.

Best wishes for a speedy return to health is wished to Kathryn Massengill of Palmetto who is confined to Walker Memorial Hospital after surgery. Kathryn and her husband Bob are friends of Lester and Rozzie Parkhurst. Bob has driven over from Palmetto every day to visit Kathryn. On Sunday Bob's mother and father, Mr. and Mrs. Otis Massengill accompanied him.

Annie and Charlie Williamson of Whitman, Mass. arrived at Bonnie Brae on Tuesday to visit with Thelma Chalmers. Annie and Charlie spent some time her last year and liked it so much that they decided to return again this winter. They are very happy to be down in Florida after having so much cold weather on the way down. Welcome back, Annie and Charlie!!!

We are sorry to hear of Marian Pettes mishap on Sunday morning. Marian accidentally spilled a pot of boiling coffee on her leg.

Mrs. Helen Houston and her daughter Barbara who spent a few days last week with Thelma Chalmers and is visiting Mr. and Mrs. Harold Hall in Sarasota accompanied them over on Sunday to spend the day. Barbara had such a good time while she was here that when asked where she wanted to visit next, picked out Bonnie Brae as her wish.

The Saturday night card game had Lee Hoffman, Blanche Hance, Helen Dye, Thelma Chalmers, Ellen McGonagle, Mariam Pettes, Roy Podewils and Annie and Charlie Williamson participating this past week.

Florence Yates, Freida Mayott and Louise Shepler were guests of Lee Hoffman for the week. On Tuesday they took the Disneyworld trip with others from Bonnie Brae. On Wednesday and Thursday they toured Busch Gardens, Great Masterpiece Gardens and returned in Winter Haven. They stopped in Hollywood on Friday, saying they had enjoyed their visit in our park included Bling!

Alice Paine and Mrs. Orville Cantine of Avon Park Lakes spent Saturday and Sunday in Stuart, visiting friends, Mr. and Mrs. C. M. Hamilton. The ladies were High School friends in P'ton, Mich.

28 people ate a wonderful indoor picnic dinner in the recreation hall Sunday noon and talk about good food!!!! We really had it. The Leonard and Smalleys were brave than the test and decided to take the risk of being rained out at Highlands

Hammock State Park and reported they too had a great dinner and pleasant time. Too bad the rest of us were "chicken" but better luck next time. Watch the paper and bulletin board for announcement of another picnic in the near future.

Robert Burns and his wife Pat, of Falls Church arrived

during the week to clear out the personal belongings of his father Ralph "Bob" Burns who passed away during the summer. They left on Monday to return home.

Welcome to Mr. and Mrs. S. Awock of Montreal, Quebec, who have purchased and moved into the mobile home formerly owned by Bob Burns. May your

Sponsors Visit Key Club Thursday

Last Thursday the Key Club had a very interesting meeting. The Kiwanis Club (who sponsors the Key Club) was represented by four of its members: Guy Adams, president, and Tom Tataris, president, and Willie Beatty, guest speaker for the Key Club.

After discussion of business, Mr. Beatty presented a program including his line of work, which is ministerial

education. He outlined three major topics concerning his work: Call of God; training, which requires four years of college and two or three years of seminary, plus a lot of improvisation on his part; and work, which is the end product of the first two.

This program was a great highlight to the Key Club meeting, bringing a wider view of opportunities to serve people, which is the Key Club Motto.

JIM BLACKMAN FORD USED CAR SUPERMART

AL KEEN, Mgr. 385-5171 Next to A&W Drive-In

If Volkswagen was just introduced, it would be a bargain at \$10,000.

But a VW doesn't cost \$10,000. Or \$5,000. Or \$3,000. It costs \$1,999. And if anybody tried to make a car as good as ours for a price as low as ours, they'd fail on their faces. There's only one way to make a car as well as we make a Volkswagen. Keep refining and improving it for 24 years. Which is just what we've been doing. There are about 12 million VWs all over the world, with about 4 million right here in the U.S.A. And, in a way, every VW we make is a little better than the one we made before. Because we make about 2,000 changes every year that we don't even talk about. We simply do what needs doing to make the VW work better all the time. Not to look different all the time. So what have we got to show for 24 years? One of the most highly developed cars on the road. Take any old Volkswagen from any old year. It will still be virtually airtight. We never knew how to make it any other way, and we still don't. It still helps to open a window to close a door, even on an old one. Take any new Volkswagen. If there's a tick in the paint or on the chrome, somebody else put it there. Not us. You won't find a jumble of wires under the dashboard. Just smooth, painted steel. Under the hood? Shiny and smooth. Around the engine? Shiny and smooth. Even if you removed the door panel, you'd find the same. Smooth and shiny. If you saw the way we make them you'd know why this is true. One in ten VW employees is an inspector. And the head inspector reports to the head of production, not to the head salesman. Every wheel we turn out is inspected.

today is a whole other machine. Over the years, we have practically doubled the VW's horsepower, but the engine should last even longer. The luggage space is far greater. The interior and rides better. You still get about 25 miles to a gallon. We've added thoughtful little things like a door pocket for the driver. Like a pop-up shield to protect the dashboard when you slide out the ashtray. When you buy a Volkswagen, we give you interest on your money by not losing interest in your car. We are the only car people in the world with Med-Car Volkswagen Diagnostic Service. As part of our continuing madness, we give you a free top-to-bottom checkups when you buy a new VW. You just mention your car according to the Volkswagen maintenance schedule. If any factory part is defective in material or workmanship, any U.S. or American VW dealer will replace or repair it, within 24 months or 24,000 miles, whichever comes first. And he will do it free of charge. In short, whatever Med-Car finds that's covered by our guarantee gets fixed free. Every last VW dealer has this electronic Med-Car equipment, and if you already own a VW, you can get the checkups for just a few dollars. One that topic, if you own an older Beetle (even a '49), and need a part, don't worry. You can drive into any VW dealer's and he won't raise an eyebrow. He will congratulate you and fix it. Because many VW parts, changed though they may be, still fit most VWs. Other people may make their cars bigger and smaller and taller and shorter. Volkswagen just goes on making it longer.

100% of them. Every brave drum. Every steering box. Every engine is run in before it becomes part of the car. And after. Every part that has to do with safety is individually inspected, and then individually stamped with the inspector's initials. (We also have inspectors who inspect inspectors. And until a man does it right, we don't let him put his hands on it.) When a VW gets to the end of the line, an inspector checks to see that the engine, the electrical system, the brakes, and everything else that makes a VW stop and go puts out what we put in. We make 5,000 cars a day, we check 5,000 cars a day. Speaking of testing, we have 2 test tracks that are literally hell on wheels. With hills and valleys and karpis turns and cobblestone stretches that simply aren't found on American roads. Most cars we make (or don't make) are decided on one of our tracks. By changing the way we change and testing the way we test, the Volkswagen we sell

Mrs. Reddick Is

Guest Speaker At

Lions Meeting

Special education, pioneered locally in the Avon Park Elementary School as a unique but regular element in its teaching programs, was the subject presented at a recent Lions Club meeting by Mrs. Mary Anne Reddick of the school's teaching staff. Mrs. Reddick holds a Masters Degree in this specialty field of education and has the responsibility for it to be an effective teaching program.

The costs of conducting a special education program are borne in part by Federal grants directed toward improved education of migrant family children. Its benefits, however, flow to all students in need of individual attention in the process of developing their learning abilities.

In principle, special education is a means for the schools to help children with normal IQs to absorb teaching of fundamentals when for one reason or another they have rejected the usual classroom programs.

It serves to assist the classroom teacher in recognizing the child with special problems and provides for the application of special techniques in their day to day teaching association with the child.

Secondly, the program establishes special classroom teaching where the teacher and the environment can lead special cases to react more quickly to normal teaching practices.

Mrs. Reddick, as special education teacher in the local elementary school has developed many aids and unusual techniques to help the program become more and more successful. The basic philosophy is prompt reward and recognition of a child's proper response to instructions and a refusal to criticize or acknowledge a child's abnormal behavior.

Avon Park school administrators are to be commended for adding another advanced teaching aid to their programs.

MRS. MARY ANNE REDDICK, who holds a Masters Degree in Special Education was guest speaker at a recent Lions Club meeting and spoke on Special Education and its place in the teaching program. Mrs. Reddick is the public teacher in the county certified in this particular area of special education, teaching THE Potentially Handicapped Child in early childhood. Mrs. Reddick is shown above in the classroom with students. Photo by Sharpe

MRS. MARY ANNE REDDICK, Special Education teacher, is shown with two students, giving work directions for those who need a quiet place to respond to their tasks. This program here originated through the direction of Mrs. Jane Anderson and Mrs. Louise Pitt, who are associated with the Water Haven Mental Health Clinic. Photo by Sharpe

Several weeks ago, we asked our readers to contribute recipes that they would like to share with others in an effort to provide better, more appealing meals at a lower cost. We found many, many of our readers were indeed interested in just such an exchange of ideas and we have received many entries. This week's recipe was submitted by:

MRS. MARGARET CARPENTER, of
CITRA, FLORIDA

BEef STEW WITH DUMPLINGS
1 1/2 lbs. chuck, in 1" pieces 1/2 cup flour - sifted
1 1/2 tsp. salt 1/2 tsp. baking powder
1/4 tsp. pepper 5 med. carrots 3/4 cup milk
3 Tbsp. flour 6 medium potatoes 3/4 cup milk

For stew, blend together 1 tsp. salt, pepper and flour. Roll beef pieces in this mixture. Put fat or oil in Dutch oven. Add beef and brown on all sides. Then add one quart of water, 1/2 tsp. salt and tobacco sauce. Cover and simmer 2 to 2 1/2 hours or until meat is tender. Peel onions and add along with carrots and potatoes which have been scraped and quartered. Cover and cook until vegetables are tender.

For dumplings, sift together flour, baking powder, and salt. Add milk, stirring until blended. Drop from a tablespoon on top of stew. Cook uncovered for 10 minutes. Then cover tightly and cook over low heat for 10 minutes longer. Serve hot.

Football Banquet

Saturday night at the football banquet held at APCI dining room, coaches Joe Franze, Ralph Hill and Eddie Lewis were presented with gifts of appreciation from "A squad" team members and outstanding players were presented with trophies. Pictured above

Don Sisemore Voted Best All-Round Athlete Friday

A sophomore, two juniors and a senior walked off with the four trophies at the annual Red Devil football banquet held last Saturday night at the APCI dining room.

Danny Lewis, sophomore halfback who came on early in the season to take a starting position in the Devil backfield when injuries cut the squad, was awarded the trophy for being the most improved player on the 1971 team. The selections for the awards were made by the team members themselves this year.

Leon McRae, junior defensive linebacker, won the trophy for turning in the best defensive performance all season. He was presented the "best defensive player" trophy by Coach Joe Franze.

The "best offensive player" trophy went to junior Jarvis Hartt. Jarvis started off the season as a back but after a couple of games, he was moved to the line on both offense and defense. The determined efforts of Jarvis earned him the award as the best offensive player by his teammates.

Senior Don Sisemore was chosen to receive the coveted "best all-round" trophy. Sisemore lettered four years as a Devil quarterback. The versatile senior also handled the punting, place kicking, field goal kicking, and defensive safety back duties.

The large crowd of parents, players, and Avon Park football fans enjoyed the banquet as the APCI dance band played and entertained during the evening.

Robert Dick, president of the Avon Park Athletic Association, served as master of ceremonies for the affair and Arnon Cravens, presented gold footballs to each of the seven Red

Devil players who had been picked as all-conference players in the new Lake-Ridge Conference. Those receiving the awards were: Don Sisemore, Mike Archer, Randy Ward, Ted Long, Jarvis Hartt, Leon McRae, and Nathaniel Packer.

Mr. Cravens also commented on the conference situation which is in the process of more change as each school is now required to play at least 50 per cent of the other schools in the district in order to be eligible for competition in the state play-offs

in any sport. He said that Avon Park may be forced to leave the new Lake-Ridge Conference, in its first year this season, and form a conference with the six other schools in the same district with the Devils.

Those schools are Lake Placid, Frostproof, Fort Meade, Mulberry, Santa Fe of Lakeland, and Zephyrhills. Avon Park will play all of these schools in football next fall except Zephyrhills. The Devils will open against Santa Fe

instead of Father Lopez and will play Frostproof instead of Punta Gorda.

The two squads of cheerleaders were recognized by their sponsor, Miss Phyllis Love.

Coach Ken Shackelford introduced the members of the eighth and ninth grade team who were present at the banquet and commented that not only had they won six straight games this year, but also the first team defense was not scored on all season.

Coach DeWayne Lemier and Coach Ed Calbertson introduced each member of the "B" squad and the two coaches received a beautiful plaque from the members of the jayvee squad.

Coach Joe Franze commented on the past season of the Red Devil varsity and praised the boys for a job well done. He then introduced Coach Ralph Hill who in turn presented the members of the backfield and line ends. Coach Eddie Lewis took over to say a few words about the play of each of the linemen and especially praised the fact that the young boys came through when they were called upon as injury after injury sidelined starting linemen during the season.

The coaching staff emphasized the fact that the season could not have been successful without the help of the interest fans and parents in the community.

Coach Joe Franze ended the affair with a promise that this spring the staff will start to work in spring practice and try to find a replacement for each of the graduating seniors and put another outstanding Red Devil squad on the field next fall.

Commissioners Refuse By-Passing Ordinance

For the second consecutive meeting, Highlands County commissioners Tuesday refused to permit a quick by-passing of the county zoning ordinance.

This week the commission took no action on a request to amend the zoning ordinance to make provision for emergency changes County Attorney R. P. Dunty, Jr., advised the board that the ordinance includes a provision for all amendment requests to go before the Planning and Zoning Commission prior to the county commission's taking action.

The amendment request was presented by Attorney Jack Hancock who represents Byron C. Frick.

Frick, a Pennsylvania businessman, had appeared Jan. 18 with a request for the county commission to change a parcel fronting on US 27, near the entrance to Sebring Hills, from general to business classification.

Frick said he purchased the property on 27 four years ago. In November he learned he could make arrangements for lease of the land for a business.

He said he had been told that when zoning was instituted the property would be classed as business and he assumed it was. Frick argued that the zoning routine, which requires 30 to 45 days, would result in his losing opportunity for the lease.

Hancock told the board Tuesday that Frick's case is certain to be only one out of many where swifter action will be needed to avert hardship for the land owner. He suggested an emergency procedure which would reduce the time to 26 days.

At both the Jan. 18 and Feb. 1 meetings Dunty advised the county commission the zoning ordinance sets up the rules which the board must follow.

Zoning Director Bill Stephenson said Frick has obtained an application for a zoning change but has not returned it.

Subdivision Regulations

County Engineer Gordon Hays Tuesday presented an outline of subdivision regulations. He proposed that this be used as a working document for a special committee to draft new regulations for the county.

The board agreed to commit the task to a committee with representatives for Realtors, subdividers, health officials, planning and zoning board and county commission. No committee personnel was named Tuesday.

Hays also advised the board that the regulations, as derived by the committee, must come before the county commission for final enactment.

Hays also advised the board that he had almost completed work on a salary schedule revision for the road and bridge department. The board authorized him to extend the work to include other commission employees.

Other Business

In other business Tuesday the commission voted to request the Department of Transportation for a traffic study on the Interstate Blvd. and US 27 intersection near Lake Placid.

High School. The board specified that the study be during the hours immediately before and after school.

—Requested a DOT study on speed limits for US 96 from the US 27 intersection eastward for two miles.

—Received a request from residents of Highlands Park for improvements on Anderson St. from US 27 to Lake Huntley.

Mrs. Mack Duke had presented a petition signed by virtually everyone who lives on Anderson St. The same request was made at the Jan. 18 meeting.

Authorized Engineer Hays to meet with residents of Istokpogs Shores to work out plans for the county and subdivision to cooperate on a road-improvement program.

Approved applications for beer and wine package sales for Blue Diamond Grocers, Inc., and Winn Dixie for Lake Placid Stores.

—Told under study a request to change the name of Dot-ee Road back to its historic name, Bassage Road.

—Told under study a request from Highlands General Hospital administration that county payments for indigent patients be raised from \$28.80 per day to \$80 per day.

Commissioner Robert Skipper protested that Walker Memorial Hospital rates are "either \$42 or \$48 a day," and Commissioner Ben McGee said private patients do not pay \$80 a day.

—Deleted part of the sidewalks originally planned for Avon Park High School area. Citizens had protested. Commissioner Cecil Skipper said,

subdividers, health officials, planning and zoning board and county commission. No committee personnel was named Tuesday.

Free Phone Service For Taxpayers

Florida taxpayers will have free telephone service available to them during the 1972 session of the Legislature, it was announced recently by Senator George L. Hollahan, Jr., Miami, chairman of the Joint Legislative Management Committee.

Hollahan said a WATS line, wide area telephone service, for incoming calls will be located in the Legislative Information Division which through a computer records actions that occur on the floor or the Senate and the House.

The telephone number will be 800-342-8014.

The Dade County Senator said hundreds of taxpayers call Tallahassee during each session of the Legislature and spend money and time trying to find the proper source for the information needed.

"We hope that through this service the frustrations of the caller will be eliminated and also the latest and most accurate information will be available," Hollahan said.

He emphasized the fact that the cost of the service will be only \$600 a month, "a small amount to provide deserved service to the people of our state."

"The annual sessions of the Legislature, plus the heavy introduction of legislation, make it almost impossible for the average citizen to keep up with actions of their state government," Hollahan said. "The Florida press does a tremendous job in its extensive and intensive coverage of the Legislature, but it is limited by space and air time and cannot possibly keep a running account of where every piece of legislation introduced is located on a day-to-day basis."

Registration Books Close Feb. 12

Secretary of State Richard (Dick) Stone, by law Florida's chief elections officer, has urged all Floridians who are eligible to vote but are still unregistered to sign up soon before books close on February 12th.

"February 12 is closer upon us than you think. The books then won't reopen until after the March 14th statewide primary and eligible persons who are not registered won't be able to participate in this most important primary," Secretary Stone said.

Secretary Stone said he hopes to see a record number of citizens registering between now and February 12.

Many county supervisors of election are going to shopping centers and college campuses and setting up registration desks, "but the citizens must take the one step and sign up," the Secretary said.

"Voting is a most important duty and responsibility and we hope one day to see every citizen who is eligible on the voting rolls," Secretary Stone said.

Secretary Stone is visiting several counties to lend his personal encouragement to citizens and supervisors of election in their voter registration drives.

He already has visited several areas, including Jackson County, Palm Beach and Broward counties. Many others are on his itinerary.

"It's so easy to register to vote, and it's so important a step. I hope everyone realize that February 12 deadline, and we hope to see a record turnout of voters in the March 14 primary. The eyes of the nation will be watching us," Secretary Stone said.

Letter To the Editor

Dear Editor:

I think the Girl Scouts are to be highly commended. One afternoon this week I saw the Girl Scouts, with boxes and bags, (supervised by their leaders) picking up litter that litter bugs had dropped by the side of the road.

I am sure this will instill on each girl that was participating in this project, not to be a "litter bug." I hope that everyone that passed by and saw the girls at work gathering up the litter, will stop and think before they discard trash by the side of the road or any place that is not an authorized container or place. Again, let me say to the scout leaders of the Boy and Girl Scouts here in Avon Park, congratulations and thanks for all of your wonderful work you do with the young people. You add something special to each of their lives.

Tim McCoy Show At Head Field Friday, Feb. 4

Col. Tim McCoy and his Wild West Show will appear in Avon Park Friday night, Feb. 4, at Head Field. McCoy is the last of the all time great movie stars. Also appearing with McCoy will be Tommy Scott's big country music circus with 10 car loads of radio, TV, recording and movie stars direct from Hollywood, Calif., and Nashville, Tenn., featuring Chuck Housley, Raymond Walker, Sam Baxter, the Nashville Hillbillies.

Also fantastic modern day Annie Oakley lady sharp-shooter, rope-spinning, real cowboys and Indians, circus acts and funny clowns. The show, sponsored by the Avon Park Firemen's Association, will get underway at 7:30 p.m. Tickets will be on sale at Head Field with students and adults \$2, and children under 13, \$1. Proceeds will go for rescue equipment, etc.

Judge

(Continued from Page One)

County judges in small counties such as these handle a variety of tasks. They are juvenile and probate court judges; they handle incompetencies, traffic court, criminal cases, for misdemeanors (charges which could result in imprisonment in local—not state—jails). The county courts handle preliminary hearings on felony cases.

Raised in 1971
In Highlands County the county judgeship is a full-time position. A raise was voted in 1971, hiking Reiter's pay from \$15,499.90 to its present \$19,000 level. The county population is 28,507.

The Highlands County bar Association members went on record favoring a pay raise for the county judge but the Highlands County legislative delegation indicated its displeasure that the request had not been aired at the public hearing in the county prior to the Legislature's convening.

Devils Play In Sebring Friday, Will Host Clewiston Saturday

The high-flying Red Devil cagers had their bubble burst last week as they dropped two games and fell from the number 3 state ranking down to number 6 again.

Cypress Lake outlasted the Devils in a well-played game Tuesday night a week ago in Ft. Myers to take a 86-73 victory and last Friday night the Devils came back home and couldn't seem to do anything right as the Frostproof Bulldogs ripped them for an 87-76 upset.

Last Tuesday night the Red Devils were under the gun again as they hosted the Fort Meade Miners (ranked number 4 in state poll). Coach Fred Sandlin said the team seemed to find it hard to win number 50 for him

in his coaching career here at the Ramblers. Both teams won opening season games against Alva.

There will be two games this week-end. Tomorrow night (Friday) the Devils will go down to Sebring to play the Blue Streaks on their new home court which is supposed to be identical to the new Avon Park gym. Avon Park defeated Sebring in an earlier meeting by a score of 77-67 but the Streaks have been improving with each game. Then Saturday night the Devils will be back home hosting the Clewiston Tigers in another third quarter. The Devils couldn't hold the pace and dropped back to a 62-56 score at the end of that period and then managed only 17 points in the final period while Cypress Lake fired in 34 points. The final

score was 86-73. Don Sisemore hit 6 field goals and 8 of 9 free shots to score 20 points and lead the losing Devils. Lanzing had 16 points, Nathaniel Packer and Leroy Hicks both swished 12 points through the nets and Felipe Harris scored 8 buckets. Tony Williams contributed 5 more for the final 73 points. The Devils hit 11 of 15 free shots and 11 N. Douglas scored 24 points for the winners and 677-C. Callahan pumped in 20 more for Cypress Lake.

Graduation Ceremony Held For Nurses Aides and Technicians

A certificate presentation ceremony was held in the Lecture Center on the South Florida Junior Campus, Friday, Jan. 25, for this semester's graduates in the Nurses Aide Program and the Emergency Medical Technician Program of the College.

Gene Statler opened the program with an invocation and Donald Farrens, Dean of the Vocational Division, emceed the program and introduced the guests.

T.S. Yeager, Administrator of Highlands General Hospital, spoke to the group of graduates about their responsibility and opportunities in the health field area.

Mrs. Barbara Kurtz, Director of Nursing Services at Highlands General Hospital and instructor for the Nurse Aide

program, presented certificates and pins to the following graduates:

Rosemary Aciri, Carrie Byrd, Sylvia Callaway, Lona Marie Gibbs, Alice Hicks, Mertice Lettner, Mary C. Makowski, Margaret Marchant, Michele Marchant, Liliukalani Newton, Arlene E. Reese, Jackie M. Waldron and Amy Williams.

Sheriff O. L. Raulerson, Jr., presented certificates to the Emergency Medical Technicians who now comprise the ambulance service team for Highlands County. They were Melvin Joe Canoy, Wesley H. Daum, Metts Fordham, Leonard B. Hardy, David L. Harrison, G.T. Haywood, Grover Johnson, Edged Moore, Jr., Jerry Pendarvis, Frank F. Saroka and Bruce W. Savage.

City Gets Subsidy For Ambulance

Hitches in the county ambulance service were related to Highlands County commission Tuesday.

Avon Park City Council renewed its plea for more service in northern Highlands County and Sheriff O. L. Raulerson, Jr., reported a traffic involving one of the new ambulances.

Raulerson said no one was injured in the accident, but the vehicle sustained \$350 in the Saturday mishap. According to the Sheriff the ambulance was en route to an emergency pick-up.

The ambulance pulled out to pass three more slowly moving vehicles. The first two slowed down to permit the ambulance to pass, but the third driver hit the brakes. He lost control of his car and it skidded into the ambulance.

Avon Park Payments
After a lengthy review of service in the northern part of the county, the County Commission Tuesday voted to resume making \$250 a month subsidy payments to the city of Avon Park for use of its ambulance.

The subsidy will be continued on a month-to-month basis, the commission said. Payments for Avon Park service first to a private operator then to the city—had been discontinued when the county's emergency ambulance service began in January.

Avon Park City Council complained that the county ambulances were too slow in responding to night calls. The council proposed accepting responsibility for night emergency work.

Sheriff O. L. Raulerson, Jr.,

who is charged with the responsibility for operating the ambulance service, said he is attempting to arrange for two drivers to live in Avon Park and to keep an ambulance based there in the subsidy.

City Clerk Crews told the commission, "Avon Park has no quarrel with the county service. We have made 125 trips with the city ambulance since the county took over the first of January."

Sheriff Raulerson and Commissioner Robert Skipper agreed that \$250 a month is an economical way to obtain a fourth ambulance for the county, "but again we'd be in the subsidy business," Raulerson said.

The Sheriff added he would "appreciate the city of Avon Park staying in business" until he can work out arrangements for better coverage in the northern part of the county.

Ambulance Insurance
Dixie Scott, Lake Placid funeral director who operates a private ambulance service, appeared Tuesday to ask whether he would be covered under county insurance if and when his ambulance was used as a back-up for the county.

Scott explained that he is paying an extra \$327 per year for insurance for ambulances used on emergency work and "I'd like to drop that." Sheriff Raulerson said he had learned that malpractice insurance for the county ambulance service will cost between \$600 and \$800 per year. County Attorney R. P. Dunlay, Jr., advised, "You'd be foolish to operate without it."

spite of hitting 31 of 73 shots from the floor, the Devils came up on the short end of the score 86-73 as three Frostproof boys scored 20 or better points.

Bulldog center Rudolph Mayo accounted for 27 of the Frostproof points, Lewter scored 25 points and hot-shot Murray Wilson sank 20 points to pace the Polk County team.

Again it was Don Sisemore leading the Devils at scoring with 6 goals from the floor and 9 of 10 free shots for a total of 21 points. Lanzing scored 16, Felipe Harris had 13, Tony Williams sank 11, Nate Packer hit 10, Harry Smith had 4, and Leroy Hicks scored one for the 76 point total.
