County To Get Tough With Trash Violators

BOYS AND GIRLS of the First Presbyterian Church gathered around the Christmas tree on Wednesday night, before the family supper and Christmas program. On the night before, the young adults of the church had sponsored "The Decoration and Lighting of the Christmas Tree."

Highlands County headed toward a "get-tough on trash" policy this week.

Commissioner Norman "Joe" Heston suggested, "A few prosecutions might put a stop to this dumping anywhere and everywhere."

Heston, who has been inspecting some of the county's extra-legal dumps, has been salvaging names and addresses from trash.

A lot of Avon Park names and addresses are on trash found off State Road 17-A between Sebring and Avon Park—it must be at least five or six miles from home. Somebody is going to a lot of trouble to dump in the wrong places, and some prosecutions may be needed."

Immediate Action

Spurred by Commissioner Heston's report, the county commission launched a clean-up program Tuesday. First action will be concentrated on vehicles in the Hillcrest section, just beyond Sebring city limits.

"There are 24 junk cars in a four-block area and rats are living in them," Heston told the county commission.

Members of the county's road and bridge crew are to begin bringing in lists of abandoned vehicles, tags and other identifications which may be used in determining ownership.

The county will send notices to the vehicle owners. Commission Attorney R. P. Dunty, Jr., suggested the county proceed under state law which is tougher than the county zoning ordinance regulations on solid trash.

The county ordinance provides for an owner to have up to six months to move such items as an old car. Under the state law the owner has 10 days to make removal.

Dunty warned that the commissioners "had better get a piece of land to use for a dump because you'll have the biggest pile of trash you've ever seen."

He added that a junk car and refrigerator drive in the Lake Placid area (held more than a year ago) "filled up the Lake

Placid dump which the city had planned to use for another 20 years."

He pointed out companies in Tampa have portable crushing equipment which could be obtained for a clean-up drive in Highlands County "but we should have to have one central location for the crusher; the company will not move it around to several locations."

Success Story

Commissioner Andrew Jackson said the county with cooperation of a private property owner, had cleaned up a dump in the Hicoria area in southern Highlands County. The owner permitted burial of debris on the land "and since that time we have not had any dumping there," Jackson bragged.

"It is remarkable; the cooperation has been out-

standing. Not one bit of trash has been thrown on that property since we fixed it up," Jackson said.

Sheriff O. L. Raulerson, Jr., said his office has had very limited success in persuading absentee owners to cooperate in prosecution of persons dumping trash.

Health Hazard

Bill Powers, sanitarian with the Highlands County Health

Department, said the health department could move against dumps-in-city or county-if they are deemed hazards to the public health. He said the department could ask municipal or county court to issue an order requiring clean up of the property. The cost could be added to the owner's tax bill.

"This doesn't work too well; we prefer education," Powers said. "Each case is different and we do consider each one individually. In most cases the department is able to obtain voluntary cooperation without court action."

Powers, Bill Stephenson, director of zoning and Sheriff Raulerson all agree that legal dumps are in very short supply. The county cooperates with the cities in maintenance of dumps near each of the municipalities. But Stephenson wryly adds, "We have more illegal public dumps than legal ones."

Two other areas now raising illegal dump problems are the one near Sebring Airport and one near the old road between Sebring and Lake Placid.

Lake Placid Problems

The county is not without problems on legal trash disposal. Commissioners Jackson, Ben McGee and Heston all reported receiving complaints about poor service from the company handling garbage collections in southern Highlands County.

McGee said he had received complaints from the Lake Josephine area, Heston from Istokpaga Shores and Jackson from the general Lake Placid region.

Attorney Dunty was instructed to write a letter to Highlands Sanitation, the company holding the south Highlands County garbage collection franchise.

Reconnaissance Survey Filed With State

At a special called meeting by the Avon Park City Council meeting Wednesday, Dec. 15, at 8:30 a.m., to discuss city planning, Mayor Bob Barben recommended the city to file the reconnaissance (preliminary) survey with the State of Florida.

Mayor Barben said the survey, prepared by Candeb, Fleissing and Associates, should be filed immediately if the city expected to get a grant from 701 planning funds.

The Mayor also said if the city did not decide to proceed they would not have to accept the grant, and if they did the cost of the work would be \$18,500 with the city to pay one-third of the cost and the state and federal governments two-thirds of the cost.

The council voted "yes" to file the survey, but funds would not be available for grant until July 1, 1972. The city council had already agreed to bear the expense of the survey at a previous meeting.

A RUSTING JALOPY nestles against an orange group near Route 17-A and it makes a good target for illegal dumpers who are fast surrounding it with their trash.

Ambulance Service To Be Handled By County

Highlands County commissioners, resisting pressure for "all or nothing" ambulance service, are proceeding with plans for emergency only service.

The county ambulance service will commence on Jan. 1.

The sheriff's department will administer the service, and nine deputies, who have received emergency medical services training, will serve as ambulance staff.

The basic rates will be similar to those charged by private

ambulances in the county.

A bid for the county to assume complete responsibility for all ambulance service was renewed last week. Jack Stephenson and Tyrone Dowden, president and vice president of Stephenson Funeral Home, Inc., spearheaded the unsuccessful attempt.

The county commission called a special meeting for Dec. 16 and invited operators of private ambulance services to share in formulating basic rules and rates for the county service. Prior to the meeting Dowden sent a letter to the commission expressing disapproval of the emergency only idea.

Dowden wrote, "It is my understanding that the county has allotted some \$36,000 for this service and if it cannot be operated with that sum of money, it is my personal opinion that something is wrong."

Not County Problem Sheriff O. L. Raulerson, Jr., visibly angered, told the commission. Discussion was centering on competition between two funeral home operators and "that's not the county's problem; that is for them to work out and meet the ambulance ordinance requirements."

At the meeting last week, Joe Maggio, who was representing Warren Funeral Home, said, "Ed Warren wants to stay in transfer work. He does not want emergency road work. The

Board Asks For Freeze On Land Use Changes

Highlands County's Planning and Zoning Commission received sympathy but no action Tuesday on a request for a temporary freeze on land use changes.

The planning and zoning commission, now deeply involved in growth pattern studies, asked the county commission to approve a resolution saying all requests for "changes in land use patterns will be held in abeyance until sufficient progress has been made on our 701 contract to indicate the county's future land use policy should be."

Mrs. G. P. Ward, chairman of the planning and zoning commission, argued that the request was "simply a request for a decision not to decide." She said the delay would be for six months.

County commission attorney R. P. Dunty, Jr., with the concurrence of Andrew Jackson, commissioner who is an attorney, told Mrs. Ward that such a resolution would be of doubtful legality.

They said such a resolution would "prejudice all cases" coming before the zoning board and county commission. Mrs. Ward said hardships should

certainly be considered. She failed to convince the commissioners who did promise to consider that "planning and zoning are in a period of transition" and need time to complete some studies.

Dunty pointed out that one hardship case might involve the county commission now hard pressed to find property for a sanitary landfill.

Pursue Grant The board debated but finally voted to pursue federal funds to help with the current land use studies being made in the county.

Commissioner Robert Skipper, doubtful that the grant would be worth the trouble it will take to fill out forms and keep records, voted no on a roll call vote.

The other four commissioners voted to continue efforts to obtain a grant. At an early December meeting the commission had been notified that the county could receive a \$15,000 grant for planning study staff.

Under the terms of the federal program, the county must promise to hire staff from the ranks of the unemployed or under-employed Charles

'Twas The Night Before Christmas In Avon Park

'Twas the night before Christmas and all through the town,

No noses were frozen, no snow fluttered down. No children in flannel were tucked into bed. They all were shorty pajamas instead. To find wreaths of holly was not very hard. With holly trees growing in most back yards. In front of the houses the Dads and the Moms were trimming the bushes and coconut palms. The slumbering babies were dreaming with gle.

Of snowflakes and water skis under the tree. They knew that old Santa was well on his way. In his Mercedes-Benz instead of a sleigh. Soon he arrived and went straight to his work. He had not a moment to linger or shirk. He zoomed down the Mall to bring his good cheer.

With 300 horsepower instead of reindeer. A tropical moon gave the city a glow. And lighted the way for old Santa below. As he leaped from his car, he gave a wee chuckle. He was dressed in bermudas with Ivy League buckle.

There weren't any chimneys but that caused no gloom. For Santa came in through the Florida room. He stopped at each house staying only a minute.

To empty his pack of the toys that were in it. Before he departed, he treated himself. To a glass of orange juice left on the shelf. Then he turned with a bounce and ran to his car. Remembering he still had to go very far. He shifted the gears and stepped on the gas. Up Route 27 he went like a flash. But I heard him exclaim as he sped on his way. Merry Christmas, Avon Park, I wish I could stay.

Zoning

(Continued from Page One)

Cullens administrative assistant, said.

One zoning change was approved at the county commission Tuesday. On request of Project III, Inc., 100 acres of land along the railroad in the Florida area, was changed from industrial to agricultural use.

An application for a beer and wine sale license was denied because it failed to comply with zoning regulations. The application was submitted by Archie Davis for High Chapparral at Jacksonville.

Two beverage license applications were approved: for a place off US 27 owned by Frank and S. J. Celentano, Jr., and for Lers Den. These applications now go to the state. Cleo O'Berry appeared to protest the zoning change on Red Beach Lake approved at the Dec. 7 meeting of the county commission.

Other Business

In other business the county commission gave county engineers Gordon Hays permission to erect a "no through truck" sign on Lake Placid area road.

Formally received a petition for establishment of a special tax district in Avon Park Lakes. Adopted an ordinance setting speed limits on state secondary roads within Highlands County. The limits are the same as those now in effect.

Authorized Sheriff O. L. Raulerson, Jr., to collect ambulance bills on behalf of the county commission, and delayed detailed plans for the ambulance bookkeeping until the Jan. 4 meeting.

Received from Administrative Assistant Cullens a report that one-half a percent is the rate many counties charge municipalities for tax assessing and collecting services. Highlands is currently negotiating fees with Avon Park and Sebring.

Authorized Commission Chairman Cecil Skipper to obtain appraiser reports on the Avon Park Woman's Club building. The club officials have approached the commission about buying the property, which is adjacent to the Avon Park City Hall, as a county office building.

Ambulance

(Continued from Page One)

Sheriff cannot handle transfer work.

Dowden suggested that if one operator is standing in the way of the county's assuming full responsibility for ambulances, the commission could solve the problem by setting an ordinance with requirements "so tough he can't meet it."

Gradly Kerney of Kerney-Wilson Funeral Home echoed that suggestion: "Force that one man out," he told the commission. "I understand there is a private ambulance service in Avon Park. Couldn't it be worked out so that service takes all transfer work?"

Claude Lee, who operates Ridge Ambulance Service in the Avon Park area, quickly responded, "I would not consider it county-wide."

When commission attorney R. P. Dunty, Jr., asked, "Could all the funeral directors get together and form an ambulance service?"

Stephenson gave a quick, "No."

Lake Placid Service.

Dixie Scott of Lake Placid's Scott Funeral Home said he would be "all for it and I think Tom McQuillen would work with me for the good of the county."

McQuillen of Belcher-McQuillen Funeral Home was directing a funeral and was not able to attend the commission meeting. At earlier meetings Scott and Belcher-McQuillen representatives had insisted that an ambulance must be based in Lake Placid.

After the county commission agreed to that stipulation the two funeral home operators had said they would prefer getting out of ambulance service completely, but if one stays in transfer work, both will.

All Avon Park funeral homes dropped ambulance service sometime ago, and Lee maintained the sole service in the northern section of the county. Twice within the past year Lee has announced plans to quit because of financial losses.

For several months he received a \$250 per month subsidy from the county com-

mission. In August he sold an ambulance to the city of Avon Park and the county has been paying the municipality the \$250 per month subsidy—which will be discontinued when the county ambulance service commences.

Lee indicated at the meeting last week that he can and will continue some transfer work.

Helps Business.

Stephenson repeatedly complained to the commission. "If Warren stays in, we stay in. There is no doubt about it, the ambulance service helps the funeral business."

Commissioner Norman Heston countered, "If Warren's in and you're in and the sheriff's in, the county is well served."

Stephenson and Dowden were warm in their praise for the preparations the county and Sheriff are making for its ambulance service. They said the truck-type vehicles the county has purchased are adequate and the deputies have received superior training. "This county will be in the top five if not number one in the state for trained ambulance crews," Dowden said.

The stormy special session last week lasted almost two hours and concluded with the let's try it agreement. Ironically, the session ran through a meeting called by the county civil defense department to map plans for a special alert to be held early in the new year. This session, among other things, is to test the ability of the county's ambulance services to handle a large-scale emergency. None of the ambulance operators attended the civil defense planning conference.

County May Buy Woman's Club Building

The often-discussed county office building for Avon Park was back before Highlands County commissioners Tuesday.

The board voted authorization for Commission Chairman Cecil Skipper to seek official appraisal on the Avon Park Woman's Club property adjacent to City Hall.

Skipper did not mention any price for the property, but reported to the board he had been approached by members of the Woman's Club who suggested the property might be converted to county use.

The commissioners authorized the appraisal without comment. Some county officials have indicated interest in obtaining space for branch offices in Avon Park. In studies last spring the county board failed to turn up property within a price range attractive to the board.

Cancer Services Available For Highlands Co.

Mrs. Lillian Bannerman, service chairman for the Highlands County Unit of the American Cancer Society, has recently announced the entire service program available to cancer patients in Highlands County.

Mrs. Bannerman explained that all cancer patients have many services available to them of which they are not taking advantage. She stated that the American Cancer Society has hospital beds, bedside tables, folding screens, crutches, walkers, bed pads, urinals, hot water and ice bags, blankets, skuffs, lap robes, bed jackets and sit baths available on a loan basis at no charge to any and all cancer patients.

Also available are all types of disposable pads from bed pads to two by twos.

Mrs. Bannerman said that the direct payment of any hospital bills, oxygen and medications cannot be done at this time.

"The society simply does not raise enough money in this county, state or nation to be able to do this," she stated.

"But we do have the funds available for emergency medications, transportation and other small contingencies and we do provide funds to Tumor Clinics around the state."

Mrs. Bannerman has, over the last 15 years, donated thousands of hours to help scores of cancer patients with nursing care that they could not afford otherwise.

If you ever have any questions at all, please contact either Mrs. Bannerman at 385-7088 or Mrs. Andrew Jackson, Highlands County Unit's president, at 465-6491. Remember, all services of the American Cancer Society are free of charge!

RALPH W. HEIM

Ralph Heim 'Boss-of-Year' In Jacksonville

Jacksonville Chapter, National Secretaries Association, named Heim "Boss of the year." Heim, formerly of Avon Park and senior vice president of Reynolds, Smith and Hills, Architects, Engineers, Planners, Inc. The announcement was made at the chapter's "Boss Night" party Saturday at the Robert Meyer Hotel in Jacksonville.

He was selected by a panel of past bosses of the year from a letter written by his secretary Mrs. Alice Stevenson.

Heim was graduated from Avon Park High School in 1935 and from the University of Florida in 1942, with a Bachelor of Electrical Engineering degree. He served in the Navy European Theater, and is active in charitable and civic work.

Qualities listed by Heim's secretary, who he should be selected Boss of the Year are: "He has a warm, friendly personality; he feels compassion for his fellowman and is God fearing. He works closely with his staff—never too busy regardless of his itinerary, and had a persuasive manner. Even though he has a calming effect on his personnel, his ability to motivate them is felt throughout the organization, which is proven by his success."

"He gives unselfishly of himself and his time to those less fortunate, as well as financial assistance."

"He is highly regarded by his associates for his ability and fairness in his dealings. He is of strong character but gentle."

Heim is a registered professional engineer in the states of Florida, Georgia, Alabama, Mississippi, Virginia and South Carolina. He is currently listed in Marquis' "Who's Who in the South and Southwest."

He and his staff received an Achievement Award for their outstanding contribution to the Space Program from NASA, Kennedy Space Center, having designed and supervised construction of the Mobile Launcher that launched the first man on the moon.

At the party, Heim, his wife and secretary were seated to the podium, where he was presented with a red velvet and gold crown (theme was "The King and I"), and received an engraved statuette as an award. Mrs. Heim was presented with a lovely white orchid corsage and was given a beautiful arrangement of roses. A champagne reception in his

Knights Of Columbus

By Chris W. Ford

"Keep Christ in Christmas" is a nation-wide campaign sponsored by the Knights of Columbus. Free bumper strips are available from any knight. Recently a Chicago priest suggested giving Christmas back to the pagans. Of course, he had his tongue in his cheek, because Christmas is Christ's birthday, and the first Christmas was observed by shepherds, wise men, and angels from Heaven.

However, Christmas has been abused in a variety of ways: over commercialism, premature celebration (Advent is a season of penance) or a Puritanical refusal to celebrate. Pope St. Leo, who reigned in the fifth century, set the tone for Christmas observance with the statement "It is unlawful to be sad on the day!" His homily develops this theme:

"Today is life's birthday... Rejoice if you are a saint, for you are drawing nearer your crown. Rejoice if you are a sinner, for your Saviour offers you pardon."

Much mistletoe is harvested with shotguns or rifles. It grows so high and so far out on limbs, that this often is the only way to harvest it.

Know Your Hospital

By John McClellan
Administrator
Walker Memorial Hospital

In this age of space travel with all the technological advances, one must run just to keep up. The same is true of organizations such as Walker Memorial Hospital. No one stands still—we either keep up or find ourselves left behind as our modern day society rushes on. We have at our fingertips tremendous capabilities for communication, but the real need is for understanding. Each one understands better as knowledge is communicated to him.

The objective of this column will be to create better understanding of medical administrative problems relating to the hospital and the residents of this community. I will be discussing, through this column, different types of problems on a wide variety of subjects.

Some of these subjects will be organization of the hospital, Joint Commission on Accreditation of Hospitals, professional associations, medical staff-hospital relationships, Medicare, Medicaid, emergency service, O.B. service and other hospital related services.

This column will be dedicated to a frank discussion of these and other hospital-community related subjects.

Judicial Reform Proposal Gets Support Of Judges

The judicial reform proposal which comes before Florida voters in March has the support of the five judges of the 10th judicial circuit.

Other judges who work within Highlands County are more reserved in their comments, but none has taken a negative stance.

In announcing the circuit judges' position, Judge Clifton M. Kelly said, "Philosophically it is not all we had hoped for, but it has some good features; we feel it is a step in the right direction."

In an early December special session the Florida Legislature adopted the proposal for amending the state constitution. The amendment provides for a two-tier court system, uniform throughout all 67 counties of Florida.

This provision for uniformity is one of the features the circuit judges like. To establish a uniform system all municipal, justice of the peace and magistrate courts are to be

abolished by 1977.

In Highlands County the Avon Park and Sebring municipal courts will be phased out perhaps as early as 1973. Sebring City Judge Ralph Clements and Avon Park Judge David Lanier have no emotional attachment to their part-time judgeships.

Avon Park Mayor Bob Barben opposes the amendment as another move to overly centralize government. Both Avon Park and Sebring have had judges for a relatively short time. For many years the mayors of these municipalities also served as city judges.

"Things are working pretty well since we have lawyers acting as municipal judges," Barben commented.

Lanier pointed out that if the amendment is approved in March, the spring session of the Legislature will need to pass laws establishing some procedures not nailed down in the amendment. One of the new laws might provide for county courts to hold its sessions in different parts of the county.

Lanier thinks the average citizen would probably notice little difference in procedures.

Small Claims Out

Lanier stands to lose two judicial jobs. For several years he has been small claims court judge. Under the proposed amendment county courts will handle all civil cases which involve less than \$2,500.

While county court is picking up the smaller civil cases, it is losing jurisdiction in other areas. All juvenile court work will move to circuit court.

Probate and guardianship procedures will also move to circuit.

County Judge Mervin Rehner says he was very much in favor of the original proposal, but he has not reached a decision about the amendment as it now stands.

County Prosecutor Hayward Davis and Assistant State's Attorney J. O. Macbeth and other court officials who face drastic changes in their work. Davis points out the amendment makes no provision for the office of county prosecutor. All prosecutions are to be handled by the state's attorney office.

However, the amendment does provide that the Legislature may set up by general law the office of municipal prosecutor.

Davis and Macbeth, in their respective prosecutor jobs, are now appointed for part-time work.

Additional Judges

One of the weaknesses Judge Kelly sees in the proposal is the failure to spell out a formula for adding judgeships as need arises.

Persons now serving as county judges will not automatically be elevated to the circuit bench when their office's work moves to circuit level. The judges will have to qualify and stand for election as circuit judges.

Rehner's Decision

If judicial reform passes, Judge Rehner will be facing a decision whether to be a candidate for a new four-year term as county judge or to seek a six-year term as one of the 10th circuit's judges.

MRS. TONY RAY TODD

Linda Gail Day And Tony Todd Married Saturday In Frostproof

The First Baptist Church of Frostproof was the scene of the lovely wedding of Miss Linda Gail Day and Tony Ray Todd on Saturday, Dec. 18 at 6 p.m. Dr. W. A. Hand performed the double ring ceremony.

The bride is the daughter of Mr. and Mrs. J. Robert Day of Frostproof and the bridegroom is the son of Mrs. L. A. Todd and the late Mr. Todd of Avon Park. The program of nuptial music was presented by Miss Connie Yates, organist, and Ed Strickland, soloist, who sang, "Oh Promise Me" and "The Lord's Prayer."

The church was decorated with baskets of white gladioli and white mums with greenery and red satin bows. Green palms completed the flower arrangements, with two spiral candelabras of 30 candles each lighting the church for the ceremony.

BRIDE WEARS GOWN OF PEAU DE SOIE AND LACE Given in marriage by her father, the bride wore a formal gown delicately designed of peau de soie and lavishly adorned with jeweled, scalloped chantilly lace in a full skirt. A line empire silhouette. The gown featuring a lace edged scoop neckline, with long camelot sleeves, with tight fitting cuff at the wrists. The chapel length lace bordered mantilla train was held by a butterfly headpiece, centered with a cluster of pearls. She carried a bouquet of lily of the valley, with red and white chrysanthemums, holly and red Christmas balls and ribbon.

Mrs. Richard Churchwell, sister of the bride, served as matron of honor. She wore a floor length gown of green velvet with empire waist, trimmed with white lace and a Juliet cap with matching green tulle for her headpiece.

Bridesmaids were, Miss Donna Beasley of Frostproof and Forsythe, Ga., Mrs. Louise Jackson of Avon Park and Miss Ida Ann Bowen of Manchester, Ga. Their gowns were identical to that of the matron of honor, except of red velvet and their headpieces were Juliet caps with matching red tulle. They all carried nosegays of red and white chrysanthemums with greenery and Christmas red balls and ribbons.

Flower girl was Kimberly Ball of Avon Park. She wore a floor length gown of green velvet with white lace trim with white satin ribbons in her hair. Train bearer was Robbie Beasley of Frostproof.

Golden Wedding Anniversary Celebrated

Mr. and Mrs. W. Graydon Rison celebrated their Golden Wedding Anniversary Sunday afternoon from three to four o'clock with open house at their home at Avon Park Lakes.

The house was decorated with lovely gift flowers. The table was covered with a Portuguese embroidered cloth and centered with a beautiful gold mum arrangement. Numerous congratulatory messages were received during the day, highlighted by a call from Mrs. Rison's 90 year old father, Mr. Maugans of Elizabethton, Tenn.

Out of town guests included Mr. and Mrs. J. B. Rison, Sanibel Island, Mrs. Nat. T. Perry Jr., Miami, Mr. and Mrs. John Gruner, Miami, the W. E. Alexanders, Okeechobee, Mrs. Ben Irwin, E'ton, Tenn., Mr. and Mrs. Wm. Roberts and Mrs. Rosa Swift of Sebring.

Many gifts were received to commemorate the date. Mrs. Paul Bennett and Mrs. Nat Perry served at the table and Mrs. Joe Shafer kept the Guest Book.

Miscellaneous Bridal Shower For Linda Day

Miss Linda Day was honored on Monday December 6, with a miscellaneous bridal shower at the Florida Power Lounge in Frostproof.

The room was beautifully decorated in Christmas flowers throughout. Linda received many useful gifts from the 45 guests attending.

The hostesses presented her with an electric blanket and some of her china and also her pen with a white feather staff and holder.

RECEPTION Following the ceremony a reception was held in the church social hall. The bride's table was covered with a lace cloth over green and centered with a three tiered cake with a miniature bride and bridegroom between the second and third layers. The layers were with white columns with two white doves on top, with red roses and green edging the cake with silver bells.

The groom's table held the groom's cake of a top hat shape, made of chocolate. The room was decorated in red and green. Miss Belinda Todd and Miss Gail Newsome of Avon Park, nieces of the groom, presided at the bride's book.

Miss Stephanie Bolton of Miami, and Mrs. Glen Strickland of Thomasville, Ga., served the groom's cake. Others assisting in serving were, Mrs. Audrey Bennett, Avon Park; Miss Darla Crews, Frostproof; Mrs. Sandra Robinson and Mrs. Martha Barber, Lake Wales; Miss Gail Robinson, Atlanta; Mrs. Lynn Newsome, Avon Park; and Robert Beasley of Frostproof.

In charge of the rice bags were Pamela Todd and Lisa Newsome of Avon Park. Music played at the reception was taped by the bride's brother, Russell A. Barber, Jr. of Lake Wales.

OUT OF TOWN GUESTS Out of town guests at the wedding in Frostproof were: Mrs. Ella Williams; Mrs. Kyland Thompson, John and Fran; Lamar Money; Mr. and Mrs. Sam Todd; Mr. and Mrs. Fiedling Todd; Pamela, Belinda and DeWayne; Mr. and Mrs. Bud Ball, Kimberly and Kenny; Mr. and Mrs. Fred Jahna, Candis; and Mrs. Delmas Newsome, Gail; Mr. and Mrs.

Planes were set for 25 guests and a baked ham and turkey dinner was enjoyed. The tables were set with white cloths and decorated with holly and red candles in beautiful table arrangements.

Linda and Tony presented their friends with gifts after the dinner and a get-to-know-you-better social followed.

As we approach the beloved anniversary of a great event, we think of the many Christmas seasons that have come and gone, specially the ones that stand out in our memory. Beaming faces tell that Christmas is very near; Holly, mistletoe, soft lights and Christmas trees, everywhere. Who will say that smiles were brighter or spirits keener at the Christmases of our fathers. There is always the young starting out on Christmas that mean so much to them and the old, clinging to each one, with memories of the past, and enjoying the present. Time changes everything except friendship. May we re-examine ourselves to see if good fellowship and kindness still survive as a practical combination to bring happiness to the human heart. To each of you who read this, whether in our palm tree Florida, Vietnam, snow covered Germany, the warm climate of Central America, or elsewhere, my wish for you is, may you be happy, which comes only at happy time like Christmas time.

Mrs. Johnnie Ruth Albright, Mrs. Sadie Brown and Mr. Van Ott left Wednesday morning to be away for the Christmas holidays. Mrs. Brown will stop off in Georgia for a visit with her daughter and family; Mr. Ott will visit in Charles Town, W. Va., and Mrs. Albright will spend Christmas with her sister and family, C.W.O. and Mrs. W. K. Schwerdtfeger in Alexandria, Va.

Guests at the home of Mr. and Mrs. John McEllen on Lake Lillian Estates, for the Christmas holidays will be their daughters, Miss Doris Ann Halvorsen, a student at Southern Missionary College, Collegedale, Tenn.; Mr. and Mrs. David Koob and children, Darren, Debbie and Douglas of Collegedale, and Pastor and Mrs. William Strong and Cheri of Memphis, Tenn.

Guests at the home of Mr. and Mrs. W. P. Gardner observed their "50th" Golden Wedding Anniversary at an open house on Tuesday, Dec. 21 at Lo-Letta Cottages, Avon Park at the home of Mrs. Chester Smith.

Mr. and Mrs. Gardner were married December 21, 1921 at Jacksonville, Ill., by Reverend George W. Randle at the Brooklyn Methodist Church.

They are the parents of two sons, Russell Gardner of Jacksonville, Ill., and Woodie Gardner, deceased. They have three grandsons in Jacksonville and three granddaughters in Tusculuma, Mo.

The three-tiered wedding cake centered the table covered with a gold lace trimmed cloth and flanked on each side by crystal candelabras with prima, holding three candles each. Topping the cake was a miniature ceramic gold bride and bridegroom before a large heart proclaiming "50th" in gold. Punch, nuts and mints were served from silver and crystal appointments.

Another focal point of the table was a beautiful arrangement of 50 gold roses adorned with a gold "50". Mrs. Gardner wore a beautiful gold corsage.

A large number of guests called between the hours of 2 and 4 p.m.

The Charles A. Gays To Celebrate Golden Wedding Anniversary

Mr. and Mrs. Charles A. Gay of Frostproof will be honored at an Open House in observance of

their 50th wedding anniversary on Sunday, Dec. 26, at their home on South Lake Reed Blvd., Frostproof, from 2 until 5 p.m.

Hosting the party will be their children, Mrs. Mary Lee King of Avon Park and Charles A. Gay, Jr., of Birmingham, Ala., and their families.

Miss Lillie Belle Roberts and Charles A. Gay were married December 25, 1921 in Norman Park, Ga. They have lived in Frostproof for the past 39 years, going there from Fort Meade. All friends and relatives of the honored couple are cordially invited to call during the Open House.

Betty Meyer and Jerry McKenzie Married In Avon Park Nov. 9

On Tuesday, Nov. 9 at 7 p.m. Mrs. Betty S. Meyer of Sebring and Gerald Jerry McKenzie of Avon Park exchanged wedding vows in a simple candlelight ceremony at the Nazarene Church in Avon Park.

The bride is the daughter of Mr. and Mrs. Joseph H. Harrell Sr. of Lake Wales and the bridegroom is the son of Mr. and Mrs. Sam McKenzie, Avon Park.

Reverend Paul Trissel performed the single ring ceremony before the altar accented with lighted candles and large spray of fall flowers.

Roy Cox of Sebring rendered a program of nuptial music, with selections of "Theme From Romeo and Juliet," "Somewhere My Love" and "More."

Given in marriage by the father, the bride wore a street length empire design, long sleeve dress of beige crepe, with forest green crushed velvet sleeveless jacket. She wore yellow roses in her hair, denoting devotion. She carried a bouquet of brodiae daisies with gold and green streamers.

Matron of honor was Mrs. Bill Lee of Sebring. She wore a street length dress of beige daisies with gold streamers. Attendants were Larry E. Meyer, son of the bride, and

Lance Young, both of Sebring. The mother of the bride wore an aqua dress with black accessories and a pink carnation corsage.

The mother of the bridegroom chose a navy blue dress with black accessories and wore a yellow carnation corsage.

RECEPTION Immediately following the ceremony a reception was held at the home of the bridegroom's parents.

Punch was served from a cut glass bowl from a table covered with a beige lace cloth. Focal point was the three tiered wedding cake in white and yellow, topped with wedding bells. The bouquets of the bride and attendant decorated the table.

Assisting with the serving were, Miss Vivian McKenzie, sister of the bridegroom; Mrs. Helen Slear, Mrs. Johnny Johnson, Mrs. Mary Alice Martin, Miss Terri Meyer, daughter of the bride and Miss Mary Mosier.

The bride is employed as a clerk with First Federal Savings and Loan and the bridegroom is self employed, McKenzie Landscaping.

After a wedding trip to Orlando and points of interest in the surrounding area, they will be at home at 1170 Hawthorne Road, Sebring.

Supper Held For Knapp Family

As a social farewell to the Knapp family, the Church of the Redeemer served a supper last Sunday. A goodly number of Parishioners with guests assembled in the Parish House.

Members of the Avon Park Ministerial Association present were: The Rev. Herbert Graetz, The Rev. and Mrs. J. F. Rav, Elder Sipe, The Rev. and Mrs. W. B. Wall, and the Rev. and Mrs. Duane Zoller. Others sent messages of regret.

The Parish presented the Rector and Mrs. Knapp with a beautiful Christmas card with a generous purse enclosed. The Rector responded with an expression of thanks for the gift and appreciation to the Parish for the happy years spent here at the end of his formal ministry of 37½ years.

The Knapps will move to Sunset Park in Tampa, and Father Knapp will do part time pastoral calling and help with some of the services in St. Mary's Church at Orlando Base. Meanwhile Sunday services will continue as usual. Wednesdays omitted. Fr. Robert Askren of Sebring has been asked to answer any emergency calls until the Cleveleys arrive.

Scout Troop 814 See Ball Game

A very exciting afternoon of football was enjoyed by the Scouts of Troop 814 this past weekend. Crawling out of bed

before 6 a.m. Saturday, they met and traveled to Jupiter and spent the day on the beach, camping there Saturday night.

Early Sunday they broke camp and headed for the Orange Bowl in Miami where they

saw the Miami Dolphins defeat the Green Bay Packers and clinch the eastern division championship.

After the game the Scouts were guests of Mr. and Mrs. Robert D. Cobb in southwest Miami where we had so much food, said one of the scouts, that the whole troop eating all they could eat, didn't even make a dent in the food.

The Cobb's, aunt and uncle of Tommy and Johnny Johnston invited the troop to a Bar-B-Que when they learned the scouts would be in Miami for the game. Scoutmaster is David Brown, an employee of the local telephone company. Brown's troop has been very busy this month. Activities include several campsouts at the beach in Jupiter, a day of bicycling at Highlands Hammock, the trip to the Orange Bowl being the highlight of the year. They also

participated in the Christmas parade.

Christmas Concert Performed Before Full House

The Annual Christmas Concert presented by the Avon Park High School band and chorus and the Middle School chorus performed before a full house Thursday, Dec. 16, at the Middle School auditorium.

The high school band under the direction of Vic McKunas opened the program with a

selection of Christmas numbers with the arrangements of Little Drummer Boy being the highlight.

The Middle School chorus allowed with number of Christmas songs, accompanied by Brenda Cooper and Sherrie Corbin, Kathy McKunas, Sherrie Corbin and Tami Cason played a flute solo. The Middle

School Chorus is under the direction of Mrs. Ann McKunas.

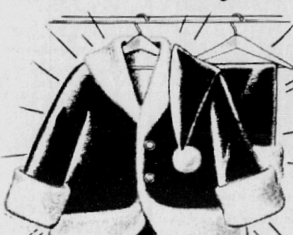

The high school chorus, Kenneth Eberle, director, with Kay Green and Cindy Towell accompanists, sang a medley of Christmas songs and the two choruses and the band finished the program with a tribute of carols.

Department Heads Have Party

The department heads of Walker Memorial Hospital and their guests were entertained at a Christmas party Tuesday evening, Dec. 14, at the home of Mr. and Mrs. John McCellan on Lake Damon.

The lovely home was decorated in the holiday theme, where approximately 30 guests Dr. and Mrs. C. J. Larsen enjoyed the Christmas buffet, winning the most points.

A Sparkling Yule!

That's what we're wishing to our many friends. Thanks for your patronage!

Avon Mobile Home Park News

BY JONATHAN WRIGHT

Christmas is here once more, and many of our homes here in the park have taken on bright colored decorations for the holiday season. Despite the warm weather, a quick walk down one of the avenues can really get a person in the holiday spirit. And with two more days remaining, we are all looking forward to our annual Christmas dinner in the recreation hall. The dinner will be held Saturday at 12:30 p.m. and everyone is asked to bring his own table service and favorite dish. Some good games of shuffleboard will likely follow.

Due to a present busy schedule, Mrs. Ruth Robinson has turned over the news writing to me (Jonathan

Wishing you the best of everything at Christmas-time and always!

Wright). With all the hard work she puts into this column each week, I figured she deserves a rest anyway, so I agreed to take the pen in hand and see what I could do while home for the holidays. It's really great to be back in the park for the holidays and to see so many of our wonderful park residents again.

A very moving Christmas pageant was presented Saturday evening, Dec. 18, during our annual Christmas Party. Special thanks go to all those who were involved in putting on this wonderful program, which was attended by approximately 110.

Louise Bell and Josephine Button headed the ladies' shuffling session on Tuesday, Dec. 14. Louise gave instructions to beginners concerning cue handlings, delivery, etc. These regular shuffling sessions will continue to be held each Tuesday, with ladies at 9 a.m. and men at 1 p.m. Thanks for your help Louise!

A few brave souls weathered the heat last Thursday for singles, occupying three shuffle courts. Keep up the interest, folks!

Pinochle scores for Monday, Dec. 13, were 1040 by Pearl Hale and 1012 by John Wolfe. Scores for Monday, Dec. 20, were 1074 by Marguerite Feehan and 1001 by Cecil Hale.

Fourteen park residents spent an enjoyable day in the Gulf Coast at Manatee Beach last week. The day was occupied with fishing, shell hunting, swimming, playing in the surf, and enjoying a grilled picnic dinner. Those who went on the trip were Sylvan and Catherine Baker, George and Mercedes Bears, William and Margaret Belcher, Albert and Dorothy Keys, Basil and Rose Krontz, Styril and Mary Mahey and Ora and Ruby Myers.

Joe and Susie Bacan were

recently visited by Mr. and Mrs. Gordon Clark of Green Bay, Wis., who are winter residents of Mrs. Ruth Holmes.

Mr. and Mrs. Harry Burnett were called upon Tuesday and Wednesday (Dec. 14 and 15) by their son in law and daughter, Mr. and Mrs. Charles Jones of Pompano Beach. Mr. and Mrs. Burnett traveled to Lake Placid Friday to visit the Chambers, from Sunrise Beach, Mo.

Mr. and Mrs. Emmette Wright are presently being visited by their son, Jonathan Bethany, who is a freshman at Bethany Nazarene College, Bethany, Okla. He will be with them until January 10.

Recent callers in the John Wolf home were Mr. and Mrs. Rollo Clark of Sebring, Mr. and Mrs. Acil Meyer, Mr. and Mrs. Chester Thayer and Ahto Hosteler, all of La Paz, Ind. Mr. and Mrs. Willard Stump of Liberty, Ind., Mr. and Mrs. Earl Williams and Mrs. Katie Enders from Bremen, Ind. Mrs. Betty Wallace of South Bend, Ind., and Mr. and Mrs. Ralph Wort of Leisure Acres.

Phelps and Josephine Button were callers upon Saturday by Mr. and Mrs. John Button, who are residents of Leisure Acres in Sebring.

Our sympathy is extended to Mrs. Dorothy Johnson, whose husband, William Johnson, passed away last Tuesday, Dec. 14, at the age of 80. Mr. and Mrs. Johnson formerly resided in our park.

Smith Webb underwent surgery Monday morning at Walker Memorial Hospital. Our prayers and wishes for a speedy recovery go to him and his wife, Mary who is in the Hillcrest Nursing Home in Avon Park. Mr. and Mrs. Webb are from South Lancaster, Mass., and long time friends of Mr. and Mrs. John Skuce. Christmas would mean nothing had it not been for Calvary.

DAVE LLEWELLYN

The Temptation To Worry

Jesus hadn't eaten for 40 days, but He refused to be tempted to eat.

Jesus had no job, or position in life, but He refused to be tempted to rule the world.

Jesus had nothing, but He refused to be tempted to test God's provision.

Jesus trusted the sovereignty of God.

Probably you have heard it all about God's sovereignty. Probably you don't care, either. Because it sounds like the beginning of a theological argument. You've missed life's most important principle.

No matter what you know, or what you can do, if you don't accept God's sovereignty, your time has been wasted.

God rules the world. Don't argue. It's not that you think. Governments rule by creating laws and punishing lawbreakers, while generally leaving people on their own. But God affects your life more than you know. He has influenced your birth, your friendships, job success, "luck," everything. Everything that happens in your life occurs only because God wants it to or allows it to.

"Chance," "fate," "the breaks," "necessity"—there are no such things. It's God. He is personally influencing the life of every individual in the entire world. In minute matters. Nothing "just happens" accidentally.

What Does He Do? Over the entire world, and throughout all history, God has influenced the life of every person who has ever lived in order to work out His program for history. Somewhere His sovereignty has still allowed all men free choice. Those who have chosen to do things their own way have made the mess we're in. Since God's plan alone will reach fulfillment, the most reasonable choice is to let God control your life. The free had choices of other people will always create difficulties and sorrow, but God has promised to those who love Him that all things ultimately will work together for their good.

Jesus didn't worry about starting to death. He was doing what God wanted, and if God wanted it changed, God would change it.

Jesus didn't worry about getting ahead in life. He was willing to accept the program God had for His life, whatever it was. Jesus didn't even worry about proving that God was really in control. He simply accepted it. Whatever you have tried to accomplish, you have succeeded or failed only if God made you or allowed you. Yes, you did all you could. But the outcome was God's choice.

You've got too much to do to care about God! That's backward. The practicalities of living take care of themselves; the purpose of life is to know God and enjoy living out His plan for your life.

Red Devil "5" Beat Wauchula For Fourth Win

The Red Devil varsity raggers jumped on the Hardee High Wildcats Tuesday night a week ago for a 70-52 win to move to a 4-1 record as the pre-holiday season ended.

Next Monday and Tuesday nights the Devil varsity will travel to Palmetto to take part in the Palmetto Christmas Tournaments. On Monday night the Devil five will take on Palmetto at 8:30 p.m.

After the Venice vs. Clearwater Central Catholic game which will start at 7 o'clock. On Tuesday night the Devil five will play at 7 o'clock and the winners will meet for the championship at 8:30 p.m.

The week school resumes the Red Devils teams will host Lake Placid on Tuesday and Sebring on Friday for a Highlands County showdown.

The Avon Park "B" team made it three straight wins with a 53-28 victory over the Hardee High junior varsity last week to remain undefeated with the 3-0 record. The Devil "B" are coached by Tom Lund.

In Wauchula last week Devil forward Mearl Robinson led the offensive and offensive rebounding with 17 and also scored 9 points to aid the Avon Park win. Devil sharpshooter Don Sisemore hit for 23 points on 10 field goals and 9 free shots to lead the game scoring. Robert Lanzing, the other Red Devil guard, put 13 points on the board and Devil center Nathaniel Packer swished 12 points through the nets.

Leroy Hicks came on in the second quarter and scored a total of 11 points and Tony Williams added a field goal to close out the Avon Park scoring.

The Red Devils led all the way with a 16 to 10 first quarter advantage and a 38-19 halftime lead. In the third quarter the Devils hit for 17 points while Hardee scored 15 and in the final period the Wildcats outscored the Devils 18-15 but lost the game 70-52.

This week's state rankings had dropped the Red Devils to eighth place in the AA and A classification while Arcadia jumped all the way up to fifth after they had set a 4-0 record.

Ruth Sunday School Class Christmas Party

The Ruth Sunday School Class of the First Baptist Church held its Christmas party in the banquet room of Griffin's Restaurant, Monday, Dec. 13.

A delicious meal of turkey and dressing with all the trimmings was served to the teacher, Mrs. Bryce Martin and 18 members.

Mrs. Lena Suggs had charge of the program and showed slides she had taken while she was in The Holy Land this past summer. These slides and her comments on each one was enjoyed very much.

After showing the slides she told the Christmas Story in a very interesting way.

A very short business meeting was held after which gifts were exchanged.

The following ladies enjoying the party were: Mrs. Bryce Martin, Tommie Hall, Lucy Robinson, Ann Wilhite, Ruth Drawdy, Ethel Harrison, Lizzie Norris, Fay Wicker, Gladys Shank, Mary McNicholas, Gladys Hill, Thelma Warren, Eloise Donahoe, Dorothy Martin, Pauline Burns, Annie Hunt, Lena Suggs, Merla Martin and Harriet Wandover.

1972 A.A.R.P. Officers Introduced

At a meeting held December 14 at Sebring Manor by Highlands County Chapter No. 222 of the A.A.R.P. Rev. W. Earl Breon introduced officers for 1972.

The new officers are James W. McCreary, president; Phil Briggs, first vice president; Henry Boyd, second vice president; George North, recording secretary; Bertha Cooper, corresponding secretary, and Harold Richens, treasurer.

New directors: Rev. Wes Smith, Dayton Thompson.

Elizabeth Thompson, Earl Burns, A. P. Musselman, Mr. Sorenson, Wilma McCreary and Alfred Lang (Emeritus Member).

Carry over board of directors: Frank Cooper, Ruby Wrenn, Leo Wrenn, Mrs. Shepard and Mr. Butterball.

U.S. Economic Supported By Winn Dixie

Winn Dixie announced recently their desire to support the U. S. Economic Program.

Executive Vice President Joe A. Adams, said, "We will continue our low price policy and will not raise prices unless the product cost to us is increased and, only then in strict accordance with Wage-Price Stabilization regulations."

Adams stated that Winn Dixie had not raised regular shelf prices since the beginning of the freeze. Our low profit margin permits us to absorb only a limited amount of price increases from the manufacturer without increasing our prices.

It's a pleasure to greet our friends at Christmas and wish you the best!

Notes On Helping The Handicapped

Federal regulations require mentally retarded males

register with local draft boards within five days after their 18th birthday. Although regulations do not single out the particular handicap of retardation, selective service states rules governing registration do in fact, apply to the mentally retarded as well as to others. If it's not possible for a youth to appear in person, draft boards will send someone to the home for registration, upon request. A family member may not appear for a registrant. Institutionalized youth need not register until they are released. With few exceptions, a mentally retarded registrant will be classified as exempt.

Our Christmas party was held on Friday, Dec. 17, at 1 p.m. with over 45 attending. The turkeys were provided by Bonnie Brae and roasted by Henny Moreno, Catherine Curry and Lucille Smiley. The rest of the dinner was cooked by those attending. Everything was so delicious.

It was our first dinner served outdoors and was served cafeteria style. Rev. Ron Boyer gave the blessing. The committee was Thelma Chalmers, Ethel Putnam, Marian Petey, Carrie Jones and Ellen Hunt. Jerry Brophy, and Tom Chockley assisted with the serving. During the break between the main course and the dessert, a Christmas box of money was presented to Flo and Jerry Brophy by Tom Chockley from the residents of Bonnie Brae, in appreciation of their many kindnesses during the year that they have been managers of Bonnie Brae.

After everything had been cleared away at 3 p.m., a Yankee Swap was conducted by Thelma Chalmers, with about 70 present. Much swapping of gifts gave many laughs with a jar of syrup and a set of miniature tools being the items most wanted. The committee wishes to thank all those who participated, for making this one of the loveliest Christmas parties we have had.

Donald Price of Atlanta, Ga., is spending his vacation here with his mother while his father is confined to the hospital. A speedy return from the hospital and good health are wished to Mr. Price from all here at Bonnie Brae.

Evie and Tom Chockley visited the Don Crowe family at Central Park, Haines City during the week.

Alice Tansil who was admitted to Walker Memorial Hospital last Wednesday returned home on Sunday. Glad to have you back home Alice! We welcome Mr. and Mrs. Chester Wolfe from Kentucky who are living in Gene and Margaret Browns Mobile Home while they are away.

Sarah and Harry Dean visited their daughter, Martha Zipperer and family over the weekend, at their cabin near Ocala National Forest for deer hunting. Sarah reports no luck but a lot of fun.

Tom and Evie Chockley drove to the Airport on Monday to meet Bud and Esther Leonard who are returning from Blissfield, Mich. Bud and Esther flew back to Michigan a short time ago to visit Bud's Mother who had been admitted to the hospital.

Max McIntyre from Grand Rapids, Mich. was a guest of Lucille and Art Smalley during the week.

On the overnight strip, as new arrivals, this week are Mr. and Mrs. Donald C. Brown of Freeville, N.Y. Ralph and Laila Reighard of Agency, Iowa. Welcome to Bonnie Brae.

Mr. and Mrs. Ron Wehrs and their children Bruce and Susan of West Salem, Wis., arrived on Sunday night to spend Christmas with their parents, Ed and Lill Wehrs.

We are all sorry to hear that Bill Henline was admitted to Walker Memorial Hospital on Sunday. Best wishes for a speedy return to Bonnie Brae, Bill!

John and Nancy Koker and their three children, Kathy, Kevin and Kimmy from Jackson, Mich. are visiting Nancy's parents, Flo and Jerry Brophy. They are trying to see as much as possible in the time that they will be here. On Saturday they visited Busch Gardens and on Sunday spent the afternoon at Highlands Hammock State Park where they had a family picnic and walked many of the trails. On Monday they went to Disney World and left on Tuesday for the Keys where they will spend a few days before returning to Bonnie Brae to spend Christmas with Flo, Jerry and Melody.

Social Security Time Changed

Joseph R. Scaraminch, manager of the Lakeland Social Security office, announced today that, effective January 1, 1972, the social security representative will be at the City Hall in Avon Park, between 10 and 11:30 a.m., each Tuesday.

The representative will continue his present schedule of 9:30 until a.m. through December 31.

We are sorry to hear that Ethel and Max Putnam had to have their dog, Saie, put to sleep on Saturday. Saie was 13 years old and had traveled many miles with Ethel and Max.

Thelma Chalmers wishes to thank her committee for helping so much with the Christmas Party. It was a delight to work with each and

everyone. Thanks!!!
Wherever there is joy and love, wherever there is laughter, All the warmth of Christmas will last forever; for, in Christmas joy and pleasure, And may they fill the days ahead in full and happy measure.

MERRY CHRISTMAS

The annual Christmas dinner and dance for Florida Power Employees took place on Saturday, Dec. 18, at their clubhouse on Lake Lotela. The delicious buffet at 6:30 started the night's festivities. Catered by Mama Lee's Country Kitchen and staff, with all the delicacies for the holiday season.

Approximately 90 employees and spouses attended the dinner

with invited guests attending the dance which followed at 9 o'clock to the dancing enjoyment of the "Charlie Snyder Combo" of Haines City.

CHILDREN'S PARTY
The children's Christmas party for Florida Power employees' children was held on Monday night, Dec. 20, at their clubhouse on Lake Lotela. The children enjoyed carols and refreshments of Christmas

cookies, sandwiches, snacks and Christmas red slush, prepared by Mrs. R. L. Fletcher, Mrs. Ray Grantam and Mrs. Milton Bass, before the arrival of Santa.

Santa arrived in style via Florida Power's green truck, loaded with toys for all the good boys and girls. Santa's helpers were Melvin Kangerter and Tom Talaris. Afterwards the children posed for pictures with

Santa.

TEEN AGE PARTY
The much anticipated teenage party for Florida Power teenagers and their guests was held on Tuesday night at the Clubhouse on Lake Lotela.

The clubhouse, decorated with holly, lights, and garlands complete with Christmas tree, lent a festive air for the large crowd of guests attending. A buffet table was loaded with

Christmas punch, dips, and snacks of all varieties for the teenagers to enjoy throughout the evening.

Those helping with the party were Mr. and Mrs. Melvin Kangerter, Mr. and Mrs. John Gray, Mr. and Mrs. Harold Greenway, Mr. and Mrs. Richard Derkman and Mr. and Mrs. Edward Sharpe.

WISHING EVERYONE A VERY MERRY CHRISTMAS!

Avon Park Grange Report

LAVERNE M. FULLMER

Avon Park Grangers enjoyed a pot luck supper before their last meeting on Tuesday, Dec. 14. After supper Trumie Hayes played old tunes for identification and Christmas carols were sung. Then Santa Claus and Mrs. Claus appeared to distribute Christmas presents. A bag of gifts was also collected to be turned over to the Lion's Club.

Humphrey Williams, District Deputy Master, was escorted to the Master's station to inspect the grange at work. Master Louise Clarke, announced that Walter Wood and suite from Venice will be present on January 11 to install the officers. This will be an open installation held in the Wesley Hall of the First United Methodist Church at 8 p.m.

Two applications for membership were received and two requests from Lake Wales members to be dropped for health reasons. Donations were made to Christmas Cheer, Inc. and to Ridge Area Association for Retarded Children. Miriam Debo, chairman of Women's Activities, announced that Mary Haviland won first in the apron contest and her apron will be sent to the State Grange session at Daytona Beach in January. Mrs. Debo also read a beautiful letter of thanks from our Soldier Boy for the Christmas box which he received.

A Christmas program was presented as follows: Duets, Star of the East and Christmas Bells by Miriam Debo and

Lloyd Wyant accompanied by Lorena Wyant; a skit, "How Much is That Doggie?" by Keith and Miriam Debo assisted by

Trumie Hayes; A Florida Christmas by Edith Martensen; a bit, At Christmas Time by Arlen Lane, Hetta Mae Cook, Harriet Meisels, Trumie Hayes and Aurelia Meyer; a game, Jingle Bells, by Edin and Minnie Swanson, Donald and Florence Mason and Mr. and Mrs. Wallin of Lake Placid. The latter were the winners.

Laughter is Beneficial by Gertrude Slocum; Biography of Saint Nicholas by Lorena Wyant; Song, Up on The House Top by Miriam Debo and Lloyd

DeLaney Heights Social Club Met Dec. 14

The DeLaney Heights Social Club met at the club hall on December 14 with 21 members and one guest present.

President Hansen called the meeting to order by asking all present to repeat the Lord's Prayer and say a silent prayer for Mrs. Windgate. The minutes of the previous meeting were read and approved. A motion was made and seconded to make a donation to the Heart Fund or similar organization in memory of Club members who die. The Secretary-treasurer was asked to make such a donation in memory of Mr. Sam Kelly.

It was moved and seconded that new officers for the following year be elected at the next club meeting. A nominating committee was appointed: Miss Wetmore, Mrs. Kelly and Mrs. Morell. New elected officers will assume their duties immediately. A motion was made and seconded to change the meeting time from 8 p.m. to 7:30 p.m. The secretary was asked to send cards to the sick.

The treasurer's report was read and approved. A donation from the World War I auxiliary No. 1150 was given and accepted.

The club members gave Mrs. E. Hansen a rising vote of thanks for her fine work as club treasurer.

The meeting was adjourned for Christmas retreats and socializing, with all enjoying a gift exchange.

Lingerie Shower For Linday Day In Frostproof

On Thursday, Dec. 18, Linda Day was honored with a lingerie shower at Florida Power Lounge, Frostproof.

The lounge was decorated with the Christmas season in mind, even to the tree.

The guests played several games, with Patty Polk and Peggy Beasley being the prize winners.

Christmas cupcakes, mints, nuts and home candies were served.

The hostesses presented Linda with a baby blue gown. She received many beautiful gifts.

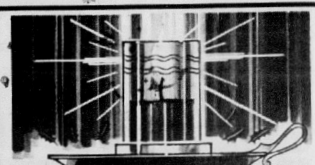

Walt Disney World Employment Projection Takes Another Climb

Before Walt Disney World opened in October, employment officials at the Vacation Kingdom estimated 5,500 employees to properly serve and entertain visitors in the Magic Kingdom theme park, hotels and recreation areas. But public acceptance and speedy construction work have combined to push that figure upward several times.

Now, less than three months after opening, the total projection is for 10,000 employees, all but 800 in the Vacation Kingdom. The remainder are mainly construction workers.

Walt Disney World Employment Manager Tom Eastman says the biggest need is still in the hotels, the ultra-modern Contemporary Resort-Hotel and the South Seas flavored Polynesian Village.

Walt Disney World is already the largest employer of college students in the state and soon will be Florida's No. 1 employer. Interviews for prospective Walt Disney World employees are being held daily, including weekends, at the Employment Center at I-4 and S.R. 335, 20 miles southwest of Orlando.

Southland News

By BESSIE PAXTON 453-2547

Southland has taken on a new look the last day or two. Bright shining lights in blue, red and green have joined the natural green in the park. Christmas trees with glistening tinsel, miniature Santas, bell shaped ornaments for decorations can be seen. Some decorations alternately light and seem to say "Tis Christmas." "Tis Christmas."

You know, we think Rudolph has retired. But to join in with the spirit of Christmas and to bring back good times he has had with seven other tiny reindeer he finds himself joining the gayety and manages to acquire a red nose.

Parcel Post Wagons are stopping here and there to deliver packages; the postman's bag is bulging with greetings from far and near to well wish their friends and relatives in Southland, and picking up outgoing greetings.

Little boys age about six are saying "Mom! there must be something fishy about this Santa Claus business. Are you sure you and Dad don't help him out? Mama is let it up now!" "Amid all the preparation for this season folks are coming to visit here and some are going elsewhere."

The Tebos attended the 7th anniversary of Hope United Church at Rockledge, Fla. on the east coast. They were enjoyed visiting old friends when they met there.

Four tables played aggravation Monday night at the Hall. Mildred Joseph was high.

The Ferrells will leave Thursday for Miami for a Holiday visit with their daughter.

Mr. and Mrs. Earle Lowing and daughters, Debbie and Judy, of Grand Rapids, Mich. came Sunday to spend Christmas vacation with Goldie and Dan. Mrs. Lowing is Goldie's daughter.

Eight people were out for miscellaneous cards Wednesday night. Herbert Renaud was high with a score of 2840 in "500" and Leo Peril high with a score of 2000 in bridge.

Nineteen turned out Tuesday morning for coffee and donuts. Election of officers was held and will take over the first of the year.

Eleanor Pardee will spend Christmas holidays with friends.

Mr. and Mrs. Doug Mitten and family of Hesperia, Ont., came Friday for two weeks in their mobile home in Southland. They were fortunate to be able to land near here. Dr. and Mrs. Dimmwell will be Christmas dinner guests of their daughter and family.

Our latest arrival in the park is the son and family of Herman and Sheila Wurster, former residents of the park. They will be remembered by many, having visited their parents while living here.

RALPH HILL holds the owl he presented to his science teacher, David Batty. Photo by Sharpe

Surprise Package Presented To Avon Park Middle School Teacher

About three weeks ago, the students in David Batty's home room surprised him with a package and a pair of leather gloves. As their science instructor started to open the box he was heard to remark, "It sounds like a rattlesnake!"

This was the beginning of a unique lesson in ecology, which Mr. Batty feels is needed in today's schools. He brought the package, a young monkey-faced barn owl, home to his family and they fell in love with the ferocious appearing animal.

Mr. Batty decided the owl would be perfect for an experiment in which his family would hand feed and handle the bird in complete freedom, so that a trust of humans would be established.

The Batty family is feeding the owl raw calves liver, crushed bone meal and some beef steak in hopes that it will reach a 14 inch height and have a wingspan of 44 inches, as described in the encyclopedia.

"Bright Eyes," the owl, has been in classrooms at Avon Middle School and Mr. Batty claims that it is an especially valuable teaching tool in the study of environment and ecology.

NOTICE OF PUBLIC HEARING

The Highlands County Planning and Zoning Commission will hold a Public Hearing Tuesday, January 11, 1972, at 5:00 P.M. Commissioners Room, Courthouse, Sebring, Florida, to consider a change of Zoning Classification as follows:

Lot 6 of Warren and Monday's Subdivision, Plat Book 1, Page 18 and that part of the NE 1/4 of Section 2 lying between lot 8 and the water's edge of Lake Denton and part of Lot 11 of Lake Denton Subdivision, Plat Book 4, Page 55 as recorded in the records of Highlands County, Florida.

An application has been received from Anna Dee Charles E. Shaw for a change in District Zoning Classification from R-1, Single Family Residential, to R-3, Multiple Family Residential.

All parties interested or affected by this change are requested to attend. Highlands County Planning and Zoning Commission Mary Ellen Ward, Chairman Dec. 23, 1971, Jan. 6, 1972

Education Department Blast Middle School

Educational facilities at Avon Park Middle School were blasted in the school plant survey made by Florida Department of Education.

According to the survey made in early autumn the school now serving 791 students has only 168 "desirable pupil stations." Desirable pupil capacity is set at 157.

The survey recommends raising of three old buildings at the site. The report declared 22 of the school's classrooms "inadequate."

Also listed as inadequate are the handroom, business education suite, cafeteria, administrative and guidance facilities.

The lighting system within the school was described as "generally inadequate." The library was listed as "small" and the art room "unsatisfactory."

The 14.5 acre campus was declared below the minimum size the state recommends for a middle school, and added: "There appears to be a drainage problem in the area south of the cafeteria."

The survey concluded: "The center shows physical evidence of benign age. Custodial care needs improvement."

Buy and Build

The survey recommends buying additional land and \$1,113,800 worth of new construction for the middle school. Superintendent of School George F. Douglas said he has not checked regulations to determine exactly how much land would be deemed adequate, but he believes it would be about 20 acres or 5.5 acres more than the school board now has for Avon Park Middle School.

The survey recommends for new construction two science labs, one art room, a band suite, a vocal music suite, a home economics suite, a library, an administrative suite, two teacher planning rooms, 14 general classrooms.

The old auditorium would be replaced with a teaching auditorium with space for about 80 students and a large group instruction room with space for 60.

New storage, mechanical and heating areas would be included in the new construction.

Major alterations suggested for the school are a refurbishing of shower and locker room, a refurbishing and air conditioning of the cafeteria. These alterations, plus demolition of the three old buildings, would

add an estimated \$45,000 to the cost.

These changes would result in Avon Middle School having a pupil capacity of 876.

No new construction is recommended on Avon Elementary or Avon Park High School. The survey assumes continued use of Hopewell School as a part of the city's elementary school system.

The survey suggests converting a classroom adjoining the Avon Elementary library to library use and lighting of all classrooms with shielded fluorescent lighting.

Rev. John L. Knapp Retires, Family Will Move To Tampa

The Reverend John L. Knapp, Rector of the Episcopal Church of the Redeemer in Avon Park for the past 7½ years is leaving the church on December 31.

Father Knapp, as he is affectionately known by his parishioners and friends, is retiring from active ministry in the church after serving for almost 40 years.

He and his family came to Avon Park on July 1, 1964 from Dade City where he had served as Rector of St. Marys Church after coming to Florida in 1956 from Trinity church at Marshall, Mich. Previously he had served as Rector of Parishes in Detroit and Ironwood, Mich., after starting his ministry with several Missions in Central Minnesota following his graduation from Seabury-Western Seminary in Evanston, Ill.

Rev. Knapp was also Rector of Camp Wingman, a member of the Diocesan Board of Camps, had served on numerous Diocesan Committees and was active in Youth Work of the Lakeland Diocese.

Both he and Mrs. Knapp have been active in the civic as well as the religious life of the community. Rev. Knapp had served as president and secretary-treasurer of the Avon Park Ministerial Association, and in various capacities with Youth Camp, Youth Guidance, American Red Cross and the Boy Scouts of America.

The local school system had called upon him to serve as substitute teacher in the junior and senior high schools. Mrs. Knapp was called upon to help out temporarily during an emergency in the junior high school 3½ years ago and ended up remaining at the school permanently as a Paraprofessional concluding her service in the reading programs of the seventh and eighth grades.

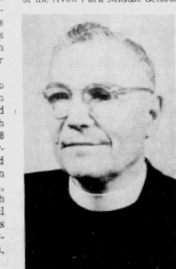

During 1968 Rev. Knapp served as president of the local Rotary Club and was a delegate to the International Convention that year in Mexico City.

The local Church of the Redeemer has progressed in many ways during the Rectorship of Father Knapp. A sizeable mortgage on the Rectory was paid off and numerous improvements and furnishings added to the Church and Parish House.

One with the boundless energy and love of the Church of Father Knapp could not completely retire from service. The Knapps are moving to Tampa where he will do voluntary work and make pastoral calls for the

Rev. John Mangrum, his predecessor here and now Rector of St. Marys Church in Tampa, a Parish with some 1800 members. The men are friends of long standing from the time they served in neighboring Parishes in Michigan. Father Knapp will become the Fifth Priest now associated in the work of the Parish at Tampa. The Knapps have been

honored with a number of farewell dinners and social functions. Mrs. Knapp was recently honored by members of the Avon Park Middle School

Red Devils Win Tourney, Host Sebring Tuesday

The Avon Park High School Red Devil basketball team won the Palmetto Holiday Tournament Tuesday night by defeating Venice 95-51.

The Devils advance to the final game by downing the host team Palmetto Monday night by the score of 74 to 72. Don Stuenkel scored 36 points for Avon Park in this game.

The Red Devil five will host the Sebring Blue Streaks in the new high school gym Tuesday night.

Council Gives Marrs 2 Weeks To Pay Fee

At a short meeting of the Avon Park City Council Monday night, Shelly Marrs, of Marrs Aircraft, was given until January 10 to pay his easement fee on the taxi runway at the airport.

Marrs appeared before the council to request his easement be rewritten to change the name from Aerial Ag Engineers, Inc. to Aerial-Ag, Inc., and also requested a change to provide a period for him to make any required correction of violation before cancellation of the easement.

After a lengthy discussion, the council extended Marrs' deadline for payment of easement fee to January 10 with proviso that he have a definite leasehold interest in the property. Payment on the easement was due October 1.

Other Action

City Clerk Malcolm Crews told the council that he had written a letter to the pollution control board informing them that burning had been discontinued at the city dump on the Wauchula road, and requested permission to burn tree limbs once a week.

The city had received word recently from the State Water and Air Pollution Control that burning at the dump would have to be stopped.

A discussion of ambulance service was held, and it was pointed out that little information was available on the type of service to be furnished the City of Avon Park by the Highlands County Sheriff's Department beginning January 1.

City Clerk Crews and Fire Chief Mack Flowers had been promised a conference with the man in charge of this service

but this had not been done. The council agreed to continue ambulance service by the city until further notice.

The ambulance report from September to December 26 was 92 trips, 33 paid and 59 unpaid.

The council voted to sell Parcel No. 5, Lot K of the subdivision of the West three-fifths of Lot 4 and the East 16½ feet of Lot 5, Block "F" of Price and Gorham's Subdivision to Anthony Mathias for a bid of \$700.

The other bids on lots the City had up for sale were rejected because of low bids.

The Kiwanis Club got approval from the council to sponsor a circus at the airport provided proper liability insurance is furnished.

City Attorney Jack Hancock reported on progress in obtaining land adjacent to the airport. An insurance company's land had been involved in bankruptcy and was now in the process of being sold.

Hancock said vacant lots were in names of various owners, but that the city probably has as good a title as they do because of condemnation suit many years ago. He suggested offering \$50 per lot to get a release from the owners.

The council agreed to authorize Hancock to proceed to acquire title to the lots according to his best judgment. The council also voted to have Hancock amend the utility tax ordinance to prohibit rebates on utility taxes on uncollectable accounts.

To send S. L. Parkinson, city building inspector, to a short course in Orlando, February 20-23 and to pay expenses.

Christmas Cheer

THIS YEAR Christmas Cheer Inc. was able to prepare 43 boxes of food stuff for deserving families, with 175 children, through the generosity of organizations and individuals in Avon Park. Pictured above are some of the

workers, along with the president of Christmas Cheer Inc., Rev. Herbert D. Graetz, and president of the Lions Club, Milton Giddens, looking over dolls that were donated. Sharpe photo

119 Families Dropped From Local Welfare Rolls

Florida Division of Family Services has completed a major housecleaning of welfare rolls in Highlands and Glades counties.

As a result of an intensive review of 1,000 cases in the two-county area, alterations were made in 69.6 per cent of the cases: 119 cases were cancelled, decreases in benefits ordered in 35 cases, increases ordered for 22 cases.

In only 365 cases the review resulted in no change. There was no estimate on money saved.

Although the review technically included both Highlands and Glades counties it is practically a Highlands County review. For reasons which the Division workers say they have not been able to define, Glades has less than 100 welfare cases while Highlands County has about 900.

Mrs. Grace Ellis, service supervisor in the Highlands-Glades area, says the review did not uncover "deliberate fraud." What it did reveal, Mrs. Ellis believes, is weaknesses in a new method of application instituted by the Division of Family Services a year ago.

At that time the Division began using mailed out forms. When the Division began a "quality control" study to determine how well the new procedure was working, early results were so alarming that on Oct. 18 the Division began a complete state-wide review of all recipients of public assistance. Interviewing began Oct. 26. The interviews were completed by Dec. 14.

Seasonal Drop

The case load in Highlands County always drops when citrus harvest begins, Mrs. Ellis said. She would not venture an estimate on how the 119 cancellations compares with the drop in other years "but it is higher than average," she said. Changes—both up and down—were ordered because the recipients had not filled out

their applications correctly. The mailed out applications were designed to handle cases which were obviously eligible for assistance. The study revealed that many of the very old and badly disabled are also persons who have experienced difficulty in reading and filling in the forms, Mrs. Ellis explained.

Classes of Aid

State welfare cases fall into three major categories. The aged and totally disabled, including the blind, receive assistance gauged to bring their

monthly income up to 100 per cent of their basic needs.

Aid to dependent children is distributed on a different formula which is equal to 60 per cent of the family's necessities.

"A lot of the mothers receiving aid are working, but their wages fall short of providing food, clothing, housing," Mrs. Ellis explains.

Some of the benefit reductions ordered were because of wage

increases among the working mothers. Many changes—both up and down—were related to errors in reporting Social Security benefits. These reports must be correct to the dollar and many welfare recipients had made mistakes in reporting.

Mrs. Ellis declined to estimate the dollar change the large number of alterations would make, but she believes many of the changes were relatively small.

Youth Killed In Auto Accident

Calvin Lee Livingston, a 15 year old Avon Park youth, became Highlands County's 34th traffic fatality over Thursday morning, Dec. 21, when his hunting buggy overturned on him after he was thrown from the vehicle.

Calvin and a passenger, Craig Ford, also of Avon Park, was headed west on Nautilus Ave., at Avon Park Lakes, when his 1953 Chevrolet converted hunting buggy went out of control and skidded broadside for 78 feet before overturning onto its left side on the north side of the road. Livingston was pinned beneath the car.

Craig was admitted to Walker Memorial Hospital for observation. He was listed in good condition. Highway Patrol Trooper Jim Vann investigated the accident.

Calvin, the son of Mr. and Mrs. Mose A. Livingston, was born in Clermont, and had been a resident of Avon Park for about eight years.

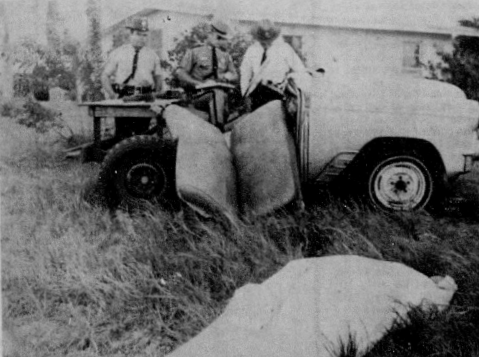

Others survivors include a brother, Kenneth; four sisters, Lynn, Brenda, Gerri and Silvia, all of Avon Park; grandfather, Ollie Livingston of Texas; grandmother, Mrs. Jeanette Harwood of LaBelle; grandfather, Jack Spillane of Groveland; great grand-

mothers, Mrs. Ethel Van of Texas and Mrs. Irene Spillane of Groveland.

Funeral services were held

Monday, Dec. 27, in the chapel of Stephenson Smith Funeral Home with Rev. A. D. Childress officiating. He was buried in

Poinciana Cemetery near Umatilla. Stephenson Smith Funeral Home in charge of arrangements.

The Search For Freedom

Part of the cause of the unrest of young people has been attributed to a search for greater individual identity—in other words, a search for more individualism which many of the young feel has been denied them by existing institutions of government, education and business. Freedom of expression, freedom of choice and freedom of opportunity are demanded today perhaps more strongly than anytime since the founding of the nation. Businesses and industries of all kinds and sizes are endeavoring in a thousand ways to emphasize the value of the individual to give him free choice and to guarantee him the right to exercise to the maximum his individual talents. The theme is freedom in all phases of life. In the light of this, the behavior of so-called liberal politicians is nothing short of astounding. They urge the passage of more and more laws that stress government compulsion—a flat contradiction of the universal mold that demands greater self-determination.

A prime example of political attempts to buck the search for greater freedom are the proposals for total state control of health care, Health, Education and Welfare Secretary

Elliott Richardson has commented that proponents of federal compulsory health insurance "seem to assume that radical intervention by the federal government in health care, in an inflexible, predetermined, and monolithic manner, is the only way to solve health organization and delivery problems. I suggest that we are more likely to attain our common health objectives by stimulating competition and by promoting consumer education and freedom of individual choice."

Compulsion in health care, or anything else, judging by the present temper of the young will become increasingly repugnant. Therefore, the country should go slow in scrapping a system that rests on voluntarism.

new home.

The Episcopal Churchwomen gave a dinner for the Knapps,

members of the Parish and friends on Sunday evening, Dec. 19, at which time a cash gift from the Parish was presented to the Knapps by Eugene Hise, president of the Churchwomen.

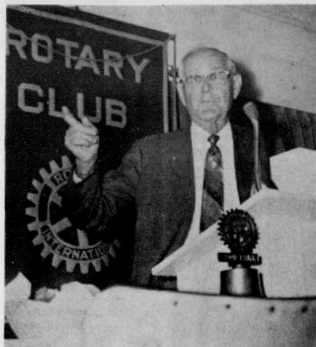

The Ministerial Association was represented at the dinner by Elder Sipe, Rev. Herbert Calvert, Rev. and Mrs. J. F. Ray, Rev. and Mrs. W. B. Wall and Rev. and Mrs. Duane Zoller.

On December 21 the clergy of the Lakeland Diocese and their wives assembled at the Parish House of St. Agnes Church in Sebring to surprise the Knapps with a farewell party in their honor.

The 10 o'clock service last Sunday was the last for Father Knapp as the Rector of the Church of the Redeemer. During that service Paul Calvert, Lay Reader at the service and treasurer of the church, spoke for the men of the church. He expressed their appreciation for the years of devoted service of Father and Mrs. Knapp, conveyed their good wishes for happiness in their new home and presented them with a check from the men as a slight token of their love and esteem.

The Knapps three sons were home during Christmas and attended their father's last service, Lt. John Knapp, U.S. Navy, and wife from Jacksonville, Michael from Birmingham, Ala., and William from the U.S. Naval Academy at Annapolis. Mrs. Knapp's brother, C. B. Ebert from Wisconsin has also been with them during the Christmas season.

All of the many friends of the Knapps in the community join in wishing them much happiness in their new work and home.

ROTARY CLUB NEWS

By WILL WARNER

After a joyful round of Christmas songs, the Rotary Club was treated to an address by Dr. J. C. Larson. The Doctor spoke in a modified rebuttal to an earlier program which suggested the health benefits of eating grass. Eating grass (and other plants) dates back to Biblical days and was tied to great longevity, for example Methuselah who lived over 960 years.

This longevity has been cut down according to Dr. Larson by eating meat and by the pollution of the plants available. The desirability as well as the practicality of great longevity in modern times was also questioned.

It was allowed that grass might be healthful and even good to eat if there was nothing else available and if it was well prepared.

After Dr. Larson's talk, the Rev. Cliff Dancy presented us with a very beautiful and moving talk on Christmas and how all of the world's problems could be relieved if the true meaning of Christmas could enter the hearts of all world leaders and people.

A driving while intoxicated charge has cost a Sebring man his driver's license. William Scott Wheeler pleaded guilty and his license was revoked for a year. Further penalties were to be considered later, according to County Judge Mervin Rehner.

A Sebring woman was fined a total of \$52 on two charges. Aurelia Kosciolaki McLean pleaded no defense to failure to have vehicle under control and violation of restrictions. The fine was \$26 or four days in jail on each count.

Bonds estreated were as follows: Leroy Singletary of Avon Park, failure to use due care, \$35; Linda Watson Bates of Avon Park, improper backing, \$30; Ingrid M. Hall of Avon Park, no valid inspection, \$26; Rodd Alan Murphy, of Sebring, unlawful speed, \$35; Thomas D. Spagnola of Sebring, unlawful speed, \$26.

Know Your Hospital

By John McCallan
Administrator
Walker Memorial Hospital

There has been much discussion in recent months regarding the problems of inflation and the increases in costs to the consumer. Certain accusations have been leveled at hospitals regarding the fact that during the last five years, the cost of hospital care has increased above the average cost of living during this period.

One of the important factors which, I believe, should be considered, is the fact that during the 40's, 50's and half of the 60's, the cost of medical care was increasing at a rate considerably less than the general cost of living. Hospitals have been historically conservative when it comes to paying their employees for services rendered. During this same time, organized labor was forging ahead with new contracts every year or two and there became a larger and larger difference between those paid at the top and those paid at the bottom of the wage scale. Hospitals wound up with many categories of employees being paid at less than \$1.00 per hour.

It is well known what happened during the middle 60's—the federal government came in with the minimum wage and hour act which forced hospitals and other organizations to increase employee's wages at a rate starting in excess of 15 percent increase each year, thus the minimum wage increased to \$1.00, then 15 cent each year until about a year ago when the final increase raised the minimum wage to \$1.60 per hour. This minimum wage enactment had a tremendous impact on hospital costs.

Most of the expenses involved in the hospitals, between 60 percent and 70 percent of the cost of operation is the salaries and wages paid to the employees. Compare this to 25 percent wage cost in most manufacturing concerns.

Obviously, the same wage increase would have more impact on the cost in a hospital than in manufacturing business.

We also hear talk about the increase in productivity, and I realize the increase in productivity in the medical field may be a little harder to measure than it would be in the industrial field, however, there has been, over the last 20 or 25 years, an increase in productivity in the medical field. Thirty years ago it was a common practice to keep, for example, an appendectomy patient in the hospital for 10 days to two weeks. At the present time the patient is encouraged to walk the first day and may be discharged within three days.

This certainly is an increase in productivity. Even though the cost has increased per day, the length of stay has shortened tremendously. Of course, today we have many more categories of illness being treated with more advanced knowledge than in the past. There are operations being performed today that were unheard of 20 years ago. Some of these operations are very costly—more technicians are involved and more sophisticated equipment is used.

Many times in an industrial set up when a piece of machinery is added, individuals are eliminated, therefore helping to pay for the piece of equipment. This principle operates exactly in reverse in hospitals since new personnel must be added and trained to operate the new equipment.

In view of the facts discussed, perhaps it would have been better if hospitals had kept up with the cost of living through the years instead of having to catch up, thus being pushed out in front with greater increases than the average rise in the cost of living.

Year Around School Or New Buildings Is Decisions Facing County School Board

Year 'round school and, or only new school buildings are the next major decision Highlands County School Board is facing for its schools.

The problem will hit the Highlands County School Board agenda for the first time on Jan. 13 when the board begins discussion of proposals for a \$2.5 million building and remodeling program.

The proposals are contained in a school plant survey made during the early autumn by the state Department of Education. More than \$2 million in new construction is recommended for Sebring and Avon Park Middle Schools.

Superintendent of Schools George F. Douglas says that a new local bond issue is "not even a possibility." He suggests it may be a year before local school officials are ready to take any action on the survey's proposals. But some action

must eventually be taken.

Lake Placid Future

Sup. Douglas points out the survey team reported the situation at Lake Placid is changing so rapidly that "pupil growth in this area should be observed carefully." The survey suggests that if growth in southern Highlands County continues at its present pace the school board should "consider separating the senior high school and middle school."

Douglas says that any new construction should be a county-wide program. "We need time to see what the needs in Lake Placid will be."

John Wirtz, school board member from Lake Placid, believes voters in the Lake Placid area would be unhappy about a program that would provide \$1 million each for Avon Park and Sebring schools and leave "the schools in the fastest growing part of the county crowded."

Policy Challenged
Another school board member is challenging the state policy of restricting state expenditures on older buildings.

G. Franklin Ward of Avon Park believes that buildings like individuals age at differing rates-at a given age some are in better condition than others. The survey recommends razing of one old building at Sebring Middle School and three at Avon Park Middle School. According to the survey recommendations for changes at the two middle schools would be reduced 12.5 per cent by initiation of a 12-months a year school program.

Demolition of the old buildings and construction of new middle school facilities would still be recommended in both Avon Park and Sebring. New construction costs in the Sebring area could be reduced still further by restoring E. O. Douglas School to service.

The survey recommends, "Consideration should be given to this school (Douglas) for possible future use as a middle school. If growth continues for the next several years, a second middle school will be needed in the Sebring area."

Sup. Douglas is not certain this is a valid recommendation. The survey team lists Douglas as having 436 pupil stations. The Superintendent thinks 250 is more realistic or "enough for one grade-the way it was used last year."

Five Year Plan
State law requires school building surveys. Each county-wide survey covers a five-year projection, so the survey now under study goes through 1976-77 school year. According to its projections, the school population in Highlands County will rise from its present 6,369 level to 6,904.

Trends established over the past five years indicate that enrollment in grades one through five will drop by five per cent.

High school enrollment will go up 12.3 per cent, and middle school enrollment jump a husky 36.6 per cent.

Against this predicted rise in middle school enrollment the survey places a gloomy report on present conditions: Sebring Middle School with 811 "desirable pupil stations" has an enrollment of 902.

Avon Park Middle School has an enrollment of 791 with only 168 desirable stations for pupils. School Board members and Superintendent feel the state is not carrying an adequate share of capital funds. The Superintendent points out, "If the state will give us additional operational funds but not capital money, then 12 months operation may be the answer."

But local schoolmen also add year 'round operation is a "mixed blessing."

Secretarial Course To Be Offered at SFJC

An evening class in Secretarial Practice Term at South Florida Junior College. The class will be held on Tuesday evenings from 7:00-9:50 p.m. beginning Jan. 4.

Mrs. Vivian Permenter will be the instructor for the course which will include units in individual income tax, dictation, transcription, typewriting and business communications, office equipment, personal and public relations, and an introduction to machine shorthand. The course may be taken for college credit or on a non-credit audit basis.

Anyone interested in enrolling in this course should contact the Admissions Office at South Florida Junior College for details concerning registration procedures and cost.

Former SHS Student Working Among Migrants

A former migrant worker is working among migrants in Highlands County on behalf of improved community health.

Mrs. Arnold Johnson, a native of Sebring, began her work last week. She will have special responsibility for helping families with children to maintain good health.

She will assist with screening children for vision and hearing defects. She is working with the mothers to learn how to prepare more nutritious meals and improve hygiene.

Avon Park Flying Notes

BY ELEANOR TRESGOTT

The Avon Park Flying news has not appeared for several months but by popular request we will again bring you some of the activity at the airport which you may enjoy knowing about.

Mr. and Mrs. Doug Miller of Ontario, Canada, flew down in their Cessna 310 to visit relatives for the Christmas holidays.

Richard Strasser of Skokie, Ill., flew a Cessna 172 into Avon Park and spent the week.

Mr. and Mrs. T. J. Sanders flew to Tampa, and then from there to Texas to visit their son for the holidays.

Sunday was a good flying day after all the windy days during the week when all the pilots could do was to hang around the hanger and "shoot the breeze."

Mr. Roger Taylor of Sebring, flew to Tampa for the day. LaMar Carlton of Sebring flew to St. Petersburg.

A glide on a trip from Mulberry landed at Avon Park when the pilot air surprise. "If Bob LeBeau made several parachute jumps during the afternoon. Don Gosick took several of his students up for a ride in his beautiful blue and yellow bi-plane, the Stearman. He did a few acrobatic maneuvers with each. Several people came out to the airport just for a ride around to see how things look from the air.

Walt and Sandi Pierce who spent the summer and early fall storming the country with the Continental Air Shows are back in Avon Park for the winter.

Both can be seen flying at the airport on most any day. Walt has written a book on simple aerobatic type of flying.

Robert C. LeBeau of St. Louis, Mo., is spending the winter at the Avon Park Flying Service. Bob is parachuting every day working towards his Diamond Gold Wings which signifies over 2,000 parachute jumps. He makes jumping look so easy.

Mr. and Mrs. Park Embesser of Norwalk, Ohio, returned to their winter home in Avon Park in the fall. Most any day will find Park at the airport either doing some flying or talking flying.

Don Gosick has several new students and a number who are working toward their flight tests. Lynn Revell of Bowling Green made his first dual cross-country flight to Lakeland and Winter Haven.

Charlie Williams of the V and W Dairy Farm made two dual cross country flights, one to Lakeland and Winter Haven and the other Sarasota and Venice.

Bruce Trescott made the same two dual flights and then a solo cross country flight to Lakeland and Lake Wales.

We would like to mention those student pilots who have soloed since the column last appeared. Short tail wall is getting full.

Rick Jones, Sebring, June 18; David Robinson, Lake Placid, June 26; John Costello, Air Force Base, June 30; Mike Lewis, Lake Placid, July 8; Gary Prierson, Arcadia, July 18; Bruce Johnson, Air Force Base, July 31; LaMar Carlton, Sebring, Aug. 7; Lynn Revell, Bowling Green, Aug. 8; Mike Hobbs, Avon Park, Aug. 16; Don Dwyer, Cornwell, Sept. 8.

Evelyn Jones, Avon Park, Sept. 30; Jim Andrews, Lorida, Sebring. After finishing high school in Sebring she attended Park, Nov. 4; Bruce Trescott, school in Tampa and was Avon Park, Dec. 9; Bill Striner, graduated from Business Lake Placid, Dec. 17 and Joyce University of Tampa. SUSANNE COULD BECOME ALMOST ANYTHING SHE WISHES HER MIND TO - WITH ALL HER QUALIFICATIONS SHE SHOULD BE REALLY GREAT IN THE FIELD OF MEDICINE!

SUSANNE HANCOCK

Susanne Hancock, seventeen year old senior from Sebring High School, is the second "Student of the Month" chosen for this honor. Susanne, in the top 10% of her graduating class, is a member of the National Honor Society, president of the Spanish Honor Society, secretary-treasurer of the "S" Club, and a varsity cheerleader. As a member of the Sebring "Hi-Q team", Susanne was instrumental in bringing honor to her school as they defeated the Sarasota High School "Hi-Q team" in a recent TV telecast. Her election as a senior notable, "Best All Around" and "Most Likely to Succeed" might be attributed to her diversified hobbies which include piano, reading and water sports. The faculty of Sebring High School commend her as an excellent student, diligent, competent and cooperative. She is an active member of the First Baptist Church and after graduation plans to attend Wake Forest College, Winston Salem, N. C., to study in the health related field—possibly medicine. Susanne was chosen on the basis of scholarship, citizenship, character, school spirit, responsibility, dependability, leadership and effort to promote good human relations.

Osborne Named Manager For Scout-O-Rama

Tom Osborne, general manager of Florida Citrus Mutual, has been named General Chairman of 1972 Scout-O-Rama, set for March 18 at the Hillsborough County Fair Grounds, Plant City.

Theme of this year's ninth annual event is "Answering the Challenge" and is expected to involve over 8,000 boys plus their leaders from the eighty-county Gulf Ridge Council, Boy Scouts of America.

One giant extravaganza has been scheduled this year replacing two separate Scout-O-Ramas held in the past in Tampa and War Haven.

The program beginning at 1 p.m. and continuing through 8:30 will feature booths, demonstrations and exhibits by various scouting units from youths throughout the council area.

The theme was selected to focus attention on the three phases of Scouting—Troops, Cub Packs and Explorer Posts—and is designed to give the public an opportunity to view what the programs are accomplishing in teaching skills and responsibility.

In addition, special stage shows involving selected arts will be presented focusing on yesterday, today and tomorrow.

LEWIS LLEWELLYN

A New Start

In Korea there is a New Year's custom that many Americans might want to adopt — if they thought it would work. Koreans, like us, have some bad habits and faults that they would like to get rid of. Like us, they believe that the start of a new year is a good time for a new beginning.

So the Korean who wants to live better in the new year than he has in the one which is ending determines what bad habits he will eliminate. Then he writes on a kite the names of these bad habits — lying, drinking, fighting, arguing, laziness, or whatever his bad habits happen to be — and on New Year's Day he flies the kite high in the air and lets go of the string, letting the kite take his bad habits away, never to return to him.

Simple, isn't it? And convenient.

Good Resolutions

But I have a suspicion that it doesn't work any better than the method that many of us use — the method of making New Year's resolutions. We nobly resolve that, beginning with January 1, we will be different. The new year is a new start in life and we are going to do better, in very specific ways.

The trouble is that it is easier to make good resolutions than to keep them. Without outside help, most resolutions will not outlast the month of January.

But it is possible to have outside help. The new year can be different from the old.

This is the real reason for the perennial popularity of the Bible. It shows us a way by which we can have outside help in our battles with the habits which we do not want to have dominate over us.

This outside help is available to anyone who will sincerely ask for it.

The Bible says, "If any man be in Christ, he is a new creature. Old things are passed away. Behold, all things are become new."

It Works

Briefly stated, this means that you can have a new start in life. The new year can be the time of a real new beginning for you.

No, it doesn't erase the record of your past life — but it does free you from the power that bad habits have exercised over you. And it makes available to you the outside help that each of us needs, in order to be victorious. It's better than the Korean kites. Because it works. Try it.

MR. AND MRS. ROBERT ERIC SUNDQUIST

Georgia Sarvis, Robert Sundquist Married December 17 in Sebring

On Friday, Dec. 17, at 8 p.m. Mrs. Georgia Sarvis of Winfred Street, Avon Park, and Robert Eric Sundquist of West Palm Beach, were united in marriage at the home of Mr. and Mrs. Robert Taylor in Sebring.

The bride is the daughter of Mr. and Mrs. T. H. Holmes of Avon Park and the bridegroom is the son of Mr. and Mrs. Fred Sundquist of Battle Mountain, Nevada.

Reverend T. H. Holmes, father of the bride, performed the double ring ceremony in the home decorated in a Christmas wedding theme. Beautiful arrangements of red and white carnations were at focal points in the home, with red candles aglow on the mantle.

Vann Skipper of Sebring rendered a program of musical music with selections of "More" and "A Time For Us."

BRIDE WEARS GOWN OF SATIN AND CHIFFON
The lovely blonde bride wore a gown of pale pink satin with chiffon overlay, with Engage styling. The square neck gown featured long sheer sleeves of chiffon and satin waist band with tiny covered buttons. Her elbow length bridal veil of illusion was held in place by a cluster of pale pink daisies. She carried a bouquet of long stem

red roses with red streamers. Macaron of honor was Mrs. Virginia Hendrick of Sebring. She wore a gown of multi color chiffon with floral design, and high neckline. The long full sleeves were fitted at the wrists with tight cuffs and featured wide ruffle at the hemline. She wore pink flowers in her hair and carried long stem red roses with red streamers.

Best man was Roland Collier of West Palm Beach.

RECEPTION
Immediately following the ceremony a reception was held at Clayton's Restaurant in Sebring.

Mrs. Flora Taylor was in charge of the guest book. Focal point of the table was the three tiered wedding cake adorned with pink and topped with wedding bells. Silver bon bon dishes held nuts and mints, which were served with hot and cold hors d'oeuvres and champagne punch. Pink and white carnations completed the decorations.

Mrs. Betty Heston served the cake and Mrs. Peggy O'Bannon was at the punch service. After a honeymoon, the new Mr. and Mrs. Sundquist will reside in West Palm Beach, where he is employed with the West India Shipping Co. at Port of Palm Beach.

Avon Park City Court Judge Concerned About Court Cases

The court handling traffic and misdemeanor cases is a vital link in the American court system, Avon Park City Judge David Lanier said today.

Judge Lanier said the judicial reform story which appeared in last week's Sun had erred in reporting that he has "no emotional attachment" to his part-time post as city judge.

He and Sebring City Judge Ralph Clements agree that transferring the traffic and misdemeanor cases to county court will create no special problems or advantages to the citizens. But the court handling smaller cases is very important.

"This is the first, and often the only, direct contact most

citizens have with our court system. The manner in which this court is conducted can contribute—or detract—much from the average citizen's faith in government under law," Lanier said.

He is concerned about the way civil cases will be handled in county court. He pointed out that small claims court, which now handles cases up to \$500, does not require the plaintiff to have the services of a lawyer and the case is heard within three weeks.

He is hopeful that the change to county court will not result in the small claims being long delayed or requiring large expenditures for legal services.

Avon Mobile Home Park News

Another Christmas has passed in our park, with many of us being happily reunited with our friends and relatives. One can always tell when this season is near by all the young people who seem to "invade" our park at this time. Several of them are almost getting as good as the "professionals" at shuffling and three-wheeled bike riding! It seems as if we have a pretty good crop of future "snowbirds" on hand, doesn't it?

Our annual Christmas dinner in the recreation hall was attended by approximately 75. Each of us enjoyed a very well-prepared meal with some good entertainment following. Lorena Wyatt read a Christmas poem, after which Margaret Fries and the ladies' chorus treated us with several songs in song. Many of us returned for supper at 5:30 and "consumed the remains."

Special thanks to the ladies who decorated the recreation hall and who cooked the hams and turkeys.

Approximately 150 friends and relatives met at the recreation hall on Sunday afternoon from 2 to 5 p.m. to extend congratulations to Mr. and Mrs. Welcome Miller on their Golden Wedding Anniversary. John and Jean (Miller) Barrett (son-in-law daughter) and Steve and Susan Barrett (grandchildren), from Birmingham, Mich., were present to help the Millers celebrate their special day.

Those serving punch and cake from the beautifully appointed table were Mrs. Harold Wolcott, Mrs. Glenn Long, Mrs. Warren Byrer, and Mrs. Lawrence Robinson. Special music was provided by Warren Byrer, Harold Wolcott, Mrs. Glenn Long, and Mrs. Emmette Wright. The special treat of the day was a surprise visit by Mr. Miller's only living aunt, Mrs. Marvin Tharp, who traveled from Plymouth, Ind., for the occasion. The couple received many lovely cards, floral arrangements, and gifts.

Men's and women's shuffle was held as usual on Tuesday, Dec. 21, with the yellow birds winning in both divisions. The ladies met at 9 a.m. with equal numbers of black birds and yellow birds showing up. The men met at 1 p.m. with a very good turnout. Come on, black birds! Let's win it next week! There were no shuffles last Thursday. Due to wind, rain,

and Christmas plans. Weather permitting, however, singles will continue to be held each Thursday at 1 p.m. Another singles round was held last Saturday, Christmas Day, with four courts being occupied plus several shufflers waiting. The shufflers were rained out before the last round was completed, but everyone seemed to enjoy the afternoon, ending a wonderful Christmas Day.

Several of us are wondering: Was it just a coincidence that a whole row of socks was forgotten on the clothesline on Christmas Eve? Al Keyes appreciated the contributions. Now we know there really is a Santa!

The high pinocchio scores for Monday, Dec. 27, were 929 by Herman Young and 889 by Margaret Fries.

A note to the residents of our park from Jennie and Art Fouty: "We thank you for the prayers, flowers, cards, food, and especially the lovely Christmas dinner. No place on earth are there nicer neighbors or better people than the residents of our park. We are indeed thankful to be among you. May God be near to you and yours."

Recent visitors of Mr. and Mrs. Roy Girtlen were Mr. and Mrs. Joe Kronen of Hendersonville, N.C., and Mrs. James Munford of Frostproof, Fla. Mr. and Mrs. Linnville Myers and daughter Blanche White of Avon Park, and Mrs. Beulah Winkler with daughter Millicent and granddaughter Stephanie of Fredhaven, Mr. and Mrs. Jesse Futrell of Sebring were guests of the Girtlens on Christmas Day and enjoyed a delicious turkey dinner.

Mr. and Mrs. Walter Gordon of Okema, Mich., who are winter residents of Ft. Myers Beach, spent the day with the Wiedemanns and the Forrester Wiedemanns and attended the wedding anniversary celebration of Welcome and Mrs. Miller, who are their long-time friends. On Sunday, Paul Winter, a winter resident of Winter Haven, also from Okema, spent the day with the Wiedemanns and Gordons.

Mr. and Mrs. Charles Brush were visited Christmas Day by Mrs. Alice Johnson (Charles' daughter) and her two sons, Chuck and Lynn, from Columbus, Ohio. Other guests included Mr. and Mrs. Edwin

Ireland, Mrs. Brush's son and daughter-in-law from Venice, and Mrs. Ireland's brother, his wife, and three children from Ohio.

Emmette and Sallie Wright were visited on Christmas Eve by their daughter Janice, four courts being occupied plus several shufflers waiting. The shufflers were rained out before the last round was completed, but everyone seemed to enjoy the afternoon, ending a wonderful Christmas Day.

Redeemer Services Continue
The Rev. John Raciappa, of Lake Alfred, will supply at the Church of the Redeemer, during January until the new Rector, the Rev. Frank Cleveland arrives.

During the week, any emergency needing an Episcopal Priest, will be answered by the Rev. Robert Asken of Sebring.

The Sunday services continue on the usual schedule of 7:30 a.m. and 10 a.m. The Wednesday services will be omitted for January.

The Eucharists will be from the Trial Rite No. 2 during Epiphany, with Morning Prayer on the 2nd, and 4th Sundays at 10 a.m. from the 1128 Prayer Book. This is the Bishop's request, and is the decision of any of our local clergy.

At Ash Wednesday, the Bishop directs that we as an Episcopal rite we wish, including back to the 1928 Book of Common Prayer.

The Rectory family leaving Avon Park has tried to express thanks and appreciation for the many well wishes and gifts of regard. This is difficult, even for clergy, who should know how to use language.

Perhaps the best expression was in the congratulations of the new Rector who was told by the Knapps, that he would love Avon Park and its wonderful people especially of the Church of the Redeemer, and that it was indeed hard to leave it in many ways.

Chaplain Cleveland and his wife will arrive in a few weeks and the Church's work will move on to new ages of service and fellowship. Again, the Knapps wish to thank everyone for their good wishes and generous gifts.

Two Worship Services At Adventist Church

D. R. Castonia, pastor of the Walker Memorial Seventh-day Adventist Church announces that there will be two worship services at the church each Saturday morning.

DAVE LLEWELLYN Advice on Investments

What do you want from life? In real, probably, love, goodness, blessing, respect, safety, physical necessities, ownership, graciousness, plenty.

As matters of fact, your life brims full when your family with an "I love you," when a friend surprises you with an unlooked-for present; when God Fortune turns up unexpectedly in the mail, when people respect your judgment and your rights; when you escape a would-be burglar or mugger; when you feel secure concerning food, clothing, shelter; when people you finally own the things you've always wanted; when people you've hurt forgive you completely; when you have enough to give some away.

Golden Rule Works

Why can't you get what you want from life? Because of enemies, hatred, lies, gossip, violence in the streets, thievery, lazy beggars, grudges - because selfishness.

What can you do about it? Treat other people just the way you want them to treat you. (Luke 6:31)

Naturally, you ought to love in return people who love you. How long do you expect an associate to speak pleasantly to you, or at all if he receives a grunt? Love responds to love, respect to respect, forgiveness to forgiveness. And, of course, you ought to be as free with your own things as you are with others'; to lend your time, and tools, and things to people who also lend themselves to you. That's only natural.

That's also only enough to maintain the status quo. How about improving life?

Treat other people just the way you want them to treat you.

Good Investments

Any improvement requires investment, sometimes sacrifice. So does life. But life reacts like a stock market. The secret is to get in on the ground floor; invest in people who appear to have nothing going for them. Help them grow.

"Love your enemies, and do good, and lend, expecting nothing in return; and your reward will be great... and do not pass judgment, and you will not be judged; and do not condemn, and you will not be condemned."

"Give and it will be given to you; good measure, pressed down, shaken together, running over, they will pour into your lap. For whatever measure you deal out, it will be dealt to you in return."

Need help yourself? God wants to invest in your life. Ask Him.

SUSAN SHOBE

WIBC Field Representative Here January 7

Field representatives of the Women's International Bowling Congress are the true road runners of the organization, traveling thousands of miles annually in the United States to offer guidance and counsel for the over three million members of the Congress for sanctioned women bowlers.

One of the representatives, Miss Susan Shobe, will visit Avon Park, on January 7 as a guest of the Highlands Women's Bowling Association for its 7 p.m. forum at the Florida Power Lounge, 600 West Main St.

She will answer questions pertaining to rules, tournaments, procedures and policies of WIBC and will also assist the association in finding solutions to locally oriented problems if there is an area of doubt or uncertainty.

There will be no official association business transacted at the forum.

Part of the program will be devoted to a slide presentation, discussion of many WIBC services, the three divisional format of the WIBC Championship Tournament, American Junior Bowling Congress, collegiate, senior division programs, promotion plans of the National Bowling Council and any new plans or projects of WIBC.

If time permits the WIBC representative may show one of three films from the WIBC library: "The Golden Anniversary," "It Happens Every Spring" and "Tell It to the Girls" or two instructional films from the National Bowling Council, "To The Fine Line" and "On The Spot."

The forum is open to all members of the women's bowling association and local area junior bowling association officers.

Mrs. Wingate Buried In Hart Cemetery

Mrs. Mae Wingate, age 69, of DeLaney Heights, Avon Park, died Tuesday, Dec. 21, in Walker Memorial Hospital after a short illness. She was a Baptist.

Survivors include two sons, Mabry Wingate of St. Petersburg and Dale Wingate of Front Royal, Va.; two sisters, Mrs. Clyde E. Hunter and Mrs. Nana Hopson, Bowling Green;

four brothers, J. T. Lamb of Avon Park, Pasco P. Lamb of Fort Meade, James Lamb of Tampa, and Horace W. Lamb of North Charleston, S. C.; four grandchildren and one great-grandchild.

Mrs. Wingate and her late husband, George L. Wingate, operated a small grocery and restaurant on North Highway 27 in Avon Park for many years. She was a member of the Florida Avenue Baptist Church of Avon Park and of the Auxiliary of World War I Barracks No. 136.

Funeral services were held Thursday, Dec. 23, at Florida Avenue Baptist Church with Reverend Jay Jennings officiating. She was buried in Hart Cemetery. Coker's Funeral Home of Wauchula was in charge of arrangements.

NEWGRANDSON
Mr. and Mrs. Wallace Earl Matthews of Providence, R. I., announce the arrival of a son October 22. The young man has been named Michael Seth and weighed six pounds, 10 ounces. Proud grandparents are Mr. and Mrs. Wallace Matthews of Avon Park.

Thrifty Maid's TABLE TALK

HOG JOWLS, BLACKKEY PEAS & RICE

1 cup dried blackeye peas
3 cups water
1 tsp. salt
medium size onion, diced
Pick over the peas and wash them. Soak overnight in the 3 cups water. The next day, drain, measuring the water, and adding enough to make 3 cups again. Add this to the soaked peas along with salt, onion, and onion. Cover, bring to boiling point, and simmer for about 1 1/2 hours, or until peas are tender and only small amount of liquid is left. Pick meat from bone and add to peas along with the onion. Cook rice according to directions on package or use recipe below. Add butter and mix lightly with the peas. Cook for 2 or 3 minutes for flavor to blend. Serve hot with corn-bread. Makes 8 servings.
WHITE, LONG-GRAIN RICE
Add 1 tsp. salt to 8 cups rapidly boiling water in a large pot. Then slowly stir in 1 cup rice. Do not cover and do not stir. Start timing for tenderness at about 15 minutes. Rice should be done in 18 minutes. Drain rice and wash in hot water and put in a warm oven to dry out more, or serve as is. Rice cooked this way, then rinsed in cold water and put overnight in the refrigerator in an uncovered dish, becomes marvellously dry. It reheats easily in double boiler or in a lightly buttered casserole in a preheated moderate oven.

Spring Lake: how to make a good place better.

The town of Sebring... the area surrounding Sebring... is beautiful, peaceful and beautiful. But now there's something happening that will make the area even better than it is now. It's Spring Lake... a planned, total community on U.S. Highway 98 at Lakeview Blvd. Spring Lake is being built by Coral Ridge Properties and Westinghouse. Coral Ridge is experienced in building such places as the beautiful new city of Coral Springs and the famous Galt Ocean Mile at Fort Lauderdale. Presently at Spring Lake, we have nine furnished model homes for you to look through. All on half-acre, wooded lots. Prices start at \$17,400. Spring Lake features street lighting, all underground utilities and lakefront privileges for residents. Drive out to Spring Lake today. See what we have to offer. Like the Georgetown, a four bedroom, two bath home with paneling and Westinghouse appliances. Or the Arlington, a two bedroom, one bath home featuring wall-to-wall carpeting and a large screened porch. Both homes come equipped with central air conditioning and heating. If you can't get out to Spring Lake today call 385-6113 for immediate information. Mr. Ireland Sanders, our Resident Manager, will be happy to answer your questions and show you around.

Spring Lake
Florida... the way it should be.
