School Millage Will Increase By One Mill

It appeared this week that school millage will increase one mill this year, rising to 8.7.

"It's a shocker. I cut the budget every way I could," explained Superintendent of Schools George Douglas after presenting the budget Thursday night to the Highlands County School Board.

As projected at present, the budget will be a record - and whopping - \$5,310,359, up \$95,000 from last year's \$5,215,359.

"The change in state funding necessitated the millage increase," Douglas explained. He pointed out that the trend now is to put more and more schools expense onto the counties themselves. The extent of the cost to the county can be seen, he said, in that "a mill usually is worth \$250,811 here."

The final budget will be approved by the board at its meeting July 13 and the public hearing is set for July 27.

Other actions

In other actions, the board: -- Approved request for professional leave for Donnie Reeves, Avon Park Middle School, who will be on active military duty Aug. 19-26, and Dan Davis, Avon Park Middle School, Aug. 16-25, attending University of Florida summer school.

Politicians Can Start Qualifying Tuesday For Sept. Primaries

Qualifying for most county offices and for the office of Circuit Judge will start Tuesday. And indications are that most incumbents will be running in the Sept. 12 primaries.

The biggest - money-wise - jobs at stake will be that of Circuit Judge Clifton Kelly, County Judge Marvin Rehner, Superintendent of Schools George Douglas and Sheriff O. L. Raulerson, Jr. Rehner and Raulerson have announced - and Douglas and Kelly say they will.

Other top county jobs at stake will be those of Circuit Court Clerk Earl Rich, Tax Collector W. H. Prescott, Tax Assessor, Billy Martin and Supervisor of Elections Jimmy Whitehouse.

In addition, terms are expiring for two school board members, Ted Cason, of Sebring, and G. Franklin Ward, of Avon Park, and three county commissioners - Cecil Skipper, of Avon Park, Robert Skipper and Ben McGee.

The office of Circuit Judge has had the yearly salary raised by the Legislature from \$28,000 to \$32,000. But this court now will take over juvenile matters, probate matters, incompetency hearings, and guardianships. Administrative matters for these now will come under the Circuit Court Clerk's office. The transfer of duties is part of Article V which goes into effect next Jan. 1.

The County Judge's salary rises from \$19,000 per year to \$24,000 Jan. 1. The Highlands County Sheriff's salary drops Jan. 1 from \$16,500 to \$13,800. Collector Prescott, Clerk Rich and Assessor Martin all have salaries of \$12,000 each per year. Elections Supervisor Whitehouse receives \$10,000.

Already announced for County Commission posts

against incumbents are Bob Brooks and Jim Dale, in Robert Skipper's district, Mel Bass and Jim Rimer in Cecil Skipper's district and Allen Collier in Ben McGee's district. Robert Skipper announced this week. County Commission chairman Andrew Jackson will run for Legislature and has resigned effective Nov. 1.

Mrs. Ruth Davis will run for the school board post now held by Ted Cason. Mark Richardson has announced for county judge. J. C. Murdoch has announced for Sheriff.

More politicians

In the wake of the Florida redistricting on state and national levels, politicians seeking office have been coming into the

county thick and fast to meet voters, talk to newspaper and radio people, and generally get around.

Among those who have already visited Sebring are Burton Thormal, of Arcadia; L. A. Bafalis of Palm Beach Gardens, and Susan Hickman, Ft. Pierce. Bruce J. Scott of Ft. Myers is running for Congress

in the newly created 10th Congressional district. Mrs. Hickman has since withdrawn.

Walter R. Talley and Tom Gallen, of Bradenton, have announced for the Florida Senate seat being vacated by Sen. Wilbur Boyd. Clifford Schott, Lakeland attorney, has announced for Circuit Judge. Group V.

Jackson To Seek Senate Seat

Andrew Jackson, Chairman of the Highlands County Commission announced today that he will be a candidate for election to the post of State Senator.

Jackson, 36, the first Republican elected to public office in Highlands County, reported that he will seek the Senate Seat for District 24, comprised of Highlands, Hardee, Glades, DeSoto, Okeechobee and Manatee counties. Incumbent Senator Wilbur Boyd has announced that he will not be a candidate for re-election.

Jackson submitted his resignation as commissioner, effective Nov. 5, to the Governor's office Friday. Announced candidates are required to resign from public office before seeking another post.

Jackson said: "After considerable deliberation, I decided to seek the office of Senator. I feel that 1972 offers a

unique opportunity to serve the district as state Senator. I have gained a wide experience in

helping both Highlands and District 24 in the future."

A native of Highlands County, Jackson has been a practicing attorney for the past seven years. He graduated from Sebring High School, attended the University of Florida, receiving a BA in Business Administration and an LL.B. in Law.

An army veteran, Jackson is a director and past president of Highlands County Cattlemen's Association, a director and past president of Highlands County and was Property Owners' Association, was Glades county prosecuting attorney, a past director and president of Lake Placid Chamber of Commerce, a

member of the Farm Bureau, past president of Lake Placid Jaycees, and a member of the First Baptist Church of Lake Placid.

Jackson resides with his wife Barbara and their two sons, Nathaniel, 5, and Randall Kevin, 1, on their ranch in Venus.

Jackson, who was elected to the Commission in 1969, has been instrumental in implementation of a long-range planning program for Highlands County and was directly responsible for the holding of weekly Commission meetings, rather than the former method of bi-monthly assemblies.

Collier is seeking the seat now held by Commissioner Ben McGee.

Trail Riders Camp At Hartt Ranch

Around 40 "saddle sore" kids and chaperones returned Friday from a trail ride, which started from Emmett Richard's on Thursday morning, ending up at Hartt's Ranch below Arbuckle Creek.

Part of the Summer Recreation Program, with Coach Joe Franza, Coach Ralph Hill and Coach Eddie Lewis, heading it up with Maurice Albritton and Harold Barker helping, proved to be a very enjoyable experience for all concerned.

The trail riders stopped for lunch at Carter Creek and all went for a swim when they reached Arbuckle Creek. It didn't take long after the group reached the big barn at Hartt's Ranch, before they were ready for more rides and excursions.

After a delicious barbecue supper prepared by Chef Harold Barker, the group of boys and girls sang "happy birthday" to Mary Linda Derkman, who was surprised with a birthday cake, which all enjoyed. After a night of Sope hunting, fighting the mosquitoes, and just plain having fun, the group napped a little before having breakfast and starting on the return ride home.

Those joining the group for supper on Thursday night were: Mrs. Eddie Lewis, Mrs. Shirley Franza, Mr. and Mrs. Sandy Miracle, Suzie and Joe Franza and friends, Mr. and Mrs. Dan Barefield, Mr. and Mrs. Sanford Hartt and Mr. and Mrs. Edward Sharpe.

It was a tired bunch of saddle sore kids, but they are ready for another trail ride, anytime Coach Joe is ready.

Edith Martensen of the Home Economics Committee announced that the Needlework was to be judged June 29, before she leaves for the summer. Eleven entries were entered, including crocheted dollies, handkerchief and pillow slip edging, an afghan, a shawl, an embroidered apron and a crocheted pillow top.

Thought for the Day - "Judging from the number of divorces today, we cannot help but think that too many couples have been MISpronounced man and wife."

During the social hour, refreshments were served by Mary and Alfred Hayland. June 25 being the birthday of the Master, she was surprised by a lighted birthday cake. Her three granddaughters are spending the summer with her, and they were disappointed that she blew all the candles out with the first puff.

Aren't we all glad to be Americans and to be able to celebrate and enjoy the 4th of July, Independence Day, the way each individual wishes. We have the greatest country, even the some things aren't exactly as they should be or we wish they would be. As I sit here and work and look out at our flag waving on this holiday, and see Americans going by with fishing poles and beach and picnic supplies, it makes one real proud to be a part of our great country. In our country one still does as he wishes; some play and rest, while others, like hospitals, power plants, service stations, eating places, radio and T.V. stations and yes "newspaper" offices, work to make this a better place for all to enjoy. Yes 'tis a great country.

Guests of Mr. and Mrs. O. F. (Bill) Lay for the 4th of July week end were Bill's brother and wife, Mr. and Mrs. Marvin Layne from Geneva, Ala.

Mrs. Alva Jackson (Juanita) returned Monday from Vailia, Ga., where she was called, due to the serious illness of her father, W. W. Shaw. Her son, Skipper of Jacksonville accompanied her to Vailia.

Mr. and Mrs. Talmadge Taylor and daughter Susan of Plant City, were in Avon Park the 4th of July to visit Mrs. Taylor's sister Mr. and Mrs. Kirby Richardson, and stopped by the Sun Office to visit us, (enjoyed the visit). Talmadge is employed by the Plant City Courier.

Library Reading Starts Wednesday

As in an age-old children's game, the instructions from the Avon Park Library for this summer are "TAKE A GLANCE AT THE BOOKS." That is the title of this year's summer reading program for school-age children. The program includes puzzles, certificates, buttons, and book marks, along with the excitement of books, books, and more books! Parents are urged to enroll their children in the program to help combat that "but I don't have anything to do now!" syndrome that usually sets in about this time of the year.

Several local children began a new adventure at the local library last Wednesday morning, from 10 a.m. to 11 a.m., when they attended the first Story Hour, conducted by Mrs. Eileen Swearingen and Mrs. Anne Johnson. Nancy Turnbull, Teresa Jones, Radford Jones, Erlene Cobb, Gigi Swearingen, Abby Swearingen, Edmund Swearingen, and Lea Johnson were the "charter members" of this summer's story hour.

Any child from kindergarten through sixth grade is invited to this entertaining period each Wednesday morning throughout the summer. Each week, something different will be utilized to capture the interest and imagination of the young readers and listeners. At the first story hour, the children enjoyed stories on tapes. The tapes and tape player were purchased for the library by the recently formed FRIENDS OF THE LIBRARY.

Mrs. Eugene C. Hise, Librarian, invited the public to come by the library at 116 E. Main Street, on Monday, Tuesday and Thursday from 1:30 to 5:30 p.m.; Wednesday from ten in the morning until 1 p.m.; and Fridays from 3:30 to 7:30 p.m.; it is not open on Saturday and Sunday. The library has something for YOU - take a trip and see! Mrs. Hise also stated that anyone interested in helping out with the story hour should sign up at the library. All help appreciated!

Sebring's Linda Johnson was crowned "Miss Sepia 1972" in a pageant held at the National Guard Armory, Avon Park, June 13.

Miss Johnson, a finalist in the Miss Highlands County contest last February, is the daughter of Mrs. Laverda Johnson. Pauline Orr, of Sebring, was first runner-up and Patricia Jones was second runner-up. Also competing were Frederick Jean Smith, of Sebring, and Henrietta Stokes, Avon Park.

Miss Johnson, 18, a graduate of Sebring High School, class of 1972, plans to go on to school at Miami Dade Junior College to study fashion modeling. She has been on the honor roll at SHS, was in the SHS chorus and is a junior usher at First Baptist church.

The "Miss Sepia" pageant is a forerunner to the "Miss Black America" pageant. Miss Johnson will go to Tampa on July 17-23 to compete for the "Miss Black Florida" title.

The "Miss Sepia" pageant was sponsored by the Florida Sportsman Association and will become an annual event. Single girls between the ages of 18 and 25 are eligible to compete.

Class Holds Reunion

The Class of 1962 held their ten year reunion at Griffin's Restaurant the night of June 17, 1972. There were six - five people present, including, class members, their spouses, and guests, Mr. and Mrs. A. B. Whitte, and Mr. and Mrs. Edward Sharpe.

The former students were requested to introduce themselves, their spouses, and tell where they were now located. Several of the members had traveled from Miami, Gainesville, and Tallahassee. Many were found to be located right here in Avon Park. Ed Touchton, Jr., former Class President, welcomed everyone and then announced that there was a little "old business" left on the agenda. The Class had set aside \$300 to air condition the middle school auditorium, however, as the cost of doing so would have been astronomical, this specific request had been waived and

the money was then used in air conditioning the school library. Reunion Committee Chairman, Nancy Thomas, then read to the class a letter from Senior Class Sponsor, Miss Lennie Adams did marry Paulette Gilbrath, and Linda McClure did become Mrs. Wesley Newsome.

It was an enjoyable evening for all and members were delighted to have this opportunity to renew old friendships and to see and hear from all their former classmates.

An "Absentee Notebook" was passed around to the class, containing letters and photographs from students who were not able to come because of the great distance. These letters came from many distant states, and as far away as Germany and Tokyo, Japan.

After a delicious dinner, Ed Touchton read the Class Prophecy, written in 1962. The writers of this prophecy were

shown to have a good sense of humor, but were not very psychic. Of all the prophecies, there were only three that were correct: Joe Jackson is now a mason and living in Avon Park. Lennie Adams did marry Paulette Gilbrath, and Linda McClure did become Mrs. Wesley Newsome.

"How We Grow Them"

by Jim Kiser, inmate

We have to have that endless faith when gardening. I like to think that July will come and go with less damage and more than June. We were left with torn foliage, broken branches, toppled trees, and the many millions of leaves to be swept. The one saving feature for most of us is in having all that watering taken care of for us. We did our seasonal work well, and we had filled most of the low spots. Damage from standing water can be deadly for most plants. This is a good time to make a small map of your garden. You can enter all of the areas that are a problem. Come spring, you will not forget! Before I had learned to list my garden needs, I had to watch a lot of eye-sores for the summer. Seasonal chores are just what they imply.

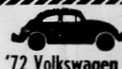

FATSIA: From the Araliaceae family comes Fatsia japonica. This has been a standard in California for tropical gardens, but seldom found in abundant use in Florida. When at Sanford, we were given a few plants, as they were supposed to be cold hardy. They proved to be extremely hardy for both heat and cold and could take both sun and shade. I found a small plant at a local nursery in Avon Park last February and have gotten six off-shoots from this plant. It is lovely for our area and quite trouble-free. A soil with leaf mold is ideal, yet it seems to do in any common soil too. If you desire more of the "tropical look" for your garden, then try this beauty.

FATSIEDERA: A hybrid from Fatsia japonica and Hedera Helix (English Ivy). A loose-habit shrub that looks like

a climbing tropical vine. The shoots can rise from eight feet to ten feet and, with pinching, can become many branched. It has all the hardy characteristics of its parents. Many eye-catching epiphytic effects can be achieved with this type of training. It is an excellent house-plant. It can survive under some of the most difficult of conditions. I find most of the plants of the Araliaceae family (Aralia) to be satisfactory for both yard and home. They are easy to grow and seem to adapt to the amateur touch. Ordinary soil will do for them; yet some very surprising results can be obtained with special cultural care. They are not noted for their flowers, the seeds will not produce as they are not fertile, and they are grown chiefly for their foliage.

SELLS GROVE

Nancy S. Hughes of Frost-proof has sold her half of a 40 acre grove in the Avon Park area to Lake Hamilton Citrus, Inc. Price paid as indicated by the indenture filed in the Circuit Court Clerk's office was \$60,000.

DAVE LLEWELLYN

From EXPLO to You

Over 100,000 people converged on Dallas, Texas, in early June, looking for answers to the human dilemma, worldwide, international, local, business, professional people, and students from the United States and more than 100 foreign nations came looking — and they think they've found the answer!

The conference was known as EXPLO '72, short for "Spiritual Explosion in 1972." A far cry from the "pie in the sky" kind of religion which, people have scorned, these delegates came convinced that "Christ is the Answer" today.

The answer to what? To the national problems of violence, racial hatred, environmental misuse, and also to problems more personal, such as broken relationships between children and parents, between husbands and wives, and the loss of personal purpose in life.

Solutions, they believe, begin only in individuals. Social changes can never change the people, but personal changes can never fail to change society. Stagnated, that reads, "Changed lives will change the world."

The E. C. Yates family provided a delicious salad in their home. The main course, spaghetti, was prepared by Mrs. Gary Boykin and served with garlic bread in the new social hall. At the S. V. Mosley residence, guests sampled cakes of varied flavors for "dessert. Together, with the delicious food, the youth enjoyed fun and fellowship also.

If you are skeptical, go. Because soon you'll be able to find out for yourself.

All of the EXPLO '72 delegates were trained in how to explain to other people how God has worked in their lives and how He can help them. This summer, they intend to put their training into use in a second phase of the conference, called, "EXPLO '72 Comes to You."

May Change the World. By the end of October, 500,000 people should have been trained in how to share with others their experiences with God.

Campus Crusade for Christ, the sponsoring organization, emphasizes that they are not in competition with local churches. Their enthusiastic supporters are members of all denominations from Pentecost to Roman Catholic. All that they have in common is that they love Jesus.

More people have gathered, at times, for other causes. Woodstock: 400,000. April, 1970: March on Washington: 500,000. But their effects died. The spirit of EXPLO '72 will probably endure. It may, indeed, change the world.

Thousands of years ago, Job cried for God, "O that I knew where I might find Him!" EXPLO '72 delegates brought Him individually to a million people in Dallas - Ft. Worth, and want to bring Him to you, too.

Seeger Reports On Assembly

Eleanor Seaverns Rebekah Lodge No. 68 held regular meeting in the Lions Hall on

Monday, June 19, with N. G. Lillian Seeger presiding. Visitors from Sebring and

Arcadia were welcomed by the Noble Grand. The Lodge was especially pleased to have it's D.D.P. Sister Eva Alice Lamb from Arcadia Lodge as guest.

A gala evening had been planned to honor Bessie Decker, Assistant Musician to the Rebekah Assembly, but she was unable to be present because of the high waters of Agnes. Her many gifts were delivered to her the next day, but her decorated cake was enjoyed by all the Rebekah Sisters.

Noble Grand Lillian Seeger gave a very informative and interesting report on the Assembly held jointly by the Old Fellows and Rebekahs in St. Pete. She also presented V. G. Nancy Shay a diploma for the faithful services she gave the Sebring and Eleanor Seaverns Sisters who attended the Assembly.

After the meeting a little surprise was pulled on N. G. Lillian Seeger, as she discovered she had a small birthday cake decorated in her honor, she celebrated her natal day on that date. Partaking of the dainty open faced snakes and iced cake, along with the two cakes, was a very pleasant social hour for all present.

The next regular session of the Lodge will be on September 18, 1972.

James B. Jackson Announces Candidacy For Congress

The new District embraces a portion of northeast Palm Beach County, Martin, St. Lucie, Indian River, Okeechobee, a portion of SW Orange County, Okeechobee, Highlands, Glades, Hendry, Collier, DeSoto, Charlotte, Lee and a large portion of Sarasota.

During seven years, Jackson says "I feel particularly qualified thru professional skill and my dedication to public service. I am grateful thru my efforts to have obtained this opportunity, which grants me the opportunity to seek this office." It is evident to

me that the many problems and some are of monumental complexity, can be solved

JAMES BEST JACKSON

within the present framework of government. However, this will require new energies and efforts to cope with the changing times. Talk ONLY - is ineffective - action through responsive representation by your congressman is paramount. Jackson states - "I have no other income outside my present salary if elected to Congress I pledge to you - I will

have no outside ties producing additional income I pledge to be a fulltime representative that best serves the overall welfare and interest of the people in the 10th Congressional District - this will be the SPECIAL INTEREST I will advocate. These are the issues not to be ignored and paramount to selecting an effective, responsive representative for your newly created 10th Congressional District.

As my campaign progresses I will direct myself to specific stands on all issues. Jackson is a 1963 graduate of the Citadel-Charleston, S. C. with a B.S. in Civil Engineering and has been a registered Professional Engineer since 1961, a member of the Florida Engineering Society and the local Palm Beach Chapter. He is a Director and Vice-President of the FCD Employees Credit Union. Active in the Air Force Reserves, as a Major, he is presently assigned to the 476 Civil Engineering Squadron (ADC) Tyndall AFB, Fla. as a Staff Engineering Officer.

Jackson is married and has two daughters. The present residence in Palm Springs.

Tom Gallen Will Seek Re-Election To Florida Legislature District 24

Representative Tom Gallen, of Bradenton, announced today that he will seek re-election to the Florida Legislature, District no. 24, encompassing Manatee, Hardee, DeSoto, Highlands, Okeechobee and Glades Counties, which is the district being vacated by Senator Wilbur Boyd, who has decided not to seek re-election.

Representative Gallen has served in the House of Representatives since 1966, originally winning the seat vacated when Senator Boyd moved up to the Senate.

Representative Gallen, a native of Florida, has practiced law for twelve years in Bradenton and is a graduate of the University of Florida College of Law.

Gallen is generally considered a conservative democrat and has a conservative voting record in the House. Gallen has opposed strict ban of pesticides and was one of the key House Members instrumental in securing the appropriation for the Fire Ant Eradication program. Gallen was also one of the supporters of the School Busing referendum which passed overwhelmingly in the House. Gallen said that he views

Senator Boyd's retirement with mixed emotions because he is a very close personal friend and

enjoyed working with the Senator.

Representative Gallen and his wife, Linda, formerly Linda Pruitt and Miss Manatee County, are active in many civic community affairs and reside with their son, Thomas M. Gallen, Jr., and two daughters, Mary and Kathleen, at 5506 9th Avenue Drive West, Bradenton, Florida. Gallen has served as Vice

President of the Bradenton Jaycees, Director of the University of Florida Alumni Association, Director of the Manatee Players, Member of the Conquistadors, Advocate of the Knights of Columbus, Treasurer of the Manatee Bar Association, member of Toastmaster International, VFW, American Legion, Florida Bar Association, American Bar Association Phi Delta Theta and Phi Delta Phi. Gallen won the Jaycee's Key Man Award in 1962 and the Good Government Award in 1967 and the Service to Mankind Award by the Serlona.

Largest Crowd Ever Buys Tax Certificates

The largest crowd ever to attend a Highlands county delinquent tax sale - about 50 persons - this year seemed more interested in obtaining the land than getting the interest when delinquent deeds are redeemed.

"The highest percentage bought deeds at zero interest," said Tax Collector, W. H. Prescott. "This is the first time we have done that to any extent. Only a few bought at the minimum of 12 per cent interest. Most people apparently were gambling on getting the land."

Prescott said a total of 509 parcels was sold, representing \$23,821.93 in delinquent taxes. No large groves were involved this year, but they were pastures. The largest amount owed in delinquent taxes, in excess of \$8,500, was by Community National Life of Tucson, Ariz. The firm owns 1,729 acres plus odds and ends of lots and blocks in various subdivisions in the area.

Land Bank Officials Return From Conference

Officials of the Federal Land Bank Association of Wauchula returned from a conference in Atlanta, Georgia, where they ended the annual conference and executive sessions of Federal Land Bank associations and Production Unit Associations in the Carolinas, Florida and Georgia, according to Charles L. Jackford, Executive Vice President and Manager of the association.

The conference, held at the Hyatt Motor Hotel June 11-13, was arranged by The Federal Land Bank of Florida, South Carolina, and Federal Intermediate

Credit Bank of Columbia, South Carolina.

Program topics presented during the conference included future plans for FLBAs and PCAs; a panel discussion by the commissioners of agriculture representing the Carolinas, Florida and Georgia, on service of the state department of agriculture to farmers; an address by E. A. Jaenicke, governor, Farm Credit Administration, Washington, D.C. on "The New Era in Farm Credit"; and a concluding address by Dr. Norman Vincent Peale of New York, N.Y., on "Why Positive Thinkers Get Positive Results".

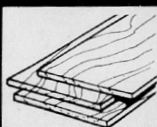

The Land Bank makes loans through Land Bank Associations and the Credit Bank provides leadership, supervision and agricultural loan funds for PCAs in the Carolinas, Florida and Georgia. The FLBAs and PCAs are currently serving nearly 90,000 farmers, groves and ranchers throughout the four state area with over \$1.6 billion in outstanding loans.

The Federal Land Bank Association of Wauchula is currently serving 600 farmers with loans totaling \$56,500 in Charlotte, DeSoto, Glades, Hardee, Hendry, Highlands, Lee, Manatee and Sarasota counties.
