Skipper Elects Not To Seek Re-Election

Cecil P. Skipper, District 1 county commissioner, announced to the Highlands County Board of Commissioners Tuesday morning that he would not seek re-election. Skipper, manager of the federal housing project at Avon Park, read the following statement:

"After considerable deliberation, I have decided not to seek re-election for county commissioner in District 1. This has not been an easy decision for me to make. I am extremely honored to

have served the people of Highlands County for the past 13 years. During these years, I have seen much progress and growth in our county.

"The continued support and confidence of the people of the county has contributed much to the development and accomplishments of the county commission."

After making his statement, Skipper recalled many of the accomplishments made during his service as a commissioner: Construction of the courthouse annex, complete

renovation of the courthouse, the county's contribution toward establishment of South Florida Junior College (\$50,000 per year donations for several years), consolidation of road and bridge departments,

"This has not been an easy decision for me to make"

establishment of the engineering department, employment of a county administrator; Establishment of the Creel Building (county sub-office) in Lake Placid, construction of the

new county building in Venus, construction of a voting machines warehouse on U.S. 27, building the new Agri-Civic complex on U.S. 27, county-wide zoning, establishing the building department, centralized purchasing and perpetual property records;

Constructing the motor vehicle inspection station, expanding the veterans service and county welfare offices, as well as seeing the growth of the finance office from one clerk in one small room to three clerks in two large rooms.

His decision to not seek re-election, Skipper said, "was the hardest I've ever had to make." He said he had had more encouragement to run again ever before.

"But I've devoted 13 years to this job, and now I want to devote more time to my family and personal affairs," he added. "It's been the most satisfying work I've ever done."

Skipper's father-in-law served in the same seat on the board of commissioners for 16 years in the late 1920's through the early 40's.

Man Drowns In Lake

A forty year old Avon Park man drowned Tuesday afternoon after his boat sank in Lake Anoka.

According to reports, Willie Williams, a black male and a younger companion were fishing from a small boat when they found it was taking in water. They both tried to bail the water out, but Williams became excited and jumped from the boat attempting to swim to shore. The young man accompanying him was also forced to swim.

The unidentified companion reportedly realized that Williams had gone under when he was approximately seventy-five yards from shore. The young man made it and notified authorities.

The Avon Park Fire Department was notified at 2:10 and responded with three boats, seven volunteers and four paid firemen with Fire Chief Mack Flowers and Deputy Sheriff Thurman Haywood directing operations.

The county rescue unit arrived on the scene with two boats, another arrived just as the city firemen recovered the body.

The rescuers worked diligently for almost four and one half hours to no avail. Chief Flowers stated that the boats were making their final run before clearing the lake for divers when a boat operated by Captain Allan Ball of the Avon Park Fire Department, along

City Refuses To Lease Land

The Avon Park City Council extended its bid taking until August 15 for the removal of the condemned building on South Highlands and East Canfield Street belonging to Mrs. Curtis Daniel.

Daniel requested the extension because of illness in the family, while granting the request, the city stated that if no demolition had begun by the deadline date, the city would begin taking bids to clear the land.

In other actions, the city denied a request from Shelley Marrs to lease one acre of land adjacent to his present facilities at the airport.

Mayor Robert J. Barben state, "I feel we have obligations to that person," meaning the airport manager Don Gossick, "and planes are to

be parked on the north side of the field," but apparently according to the council, some people aren't abiding by the rules.

The council made an agreement with Marrs leasing him a stretch of property where he could taxi planes that are being repaired. Apparently the council feels that Marrs hasn't been living up to his end of the agreement by allowing planes to be parked on the land. Councilman Hermon Sizemore stated that Marrs should "live up to the terms of the first agreement first" before any other actions can be taken by the city fathers.

The council also began actions to place an ordinance on the books increasing rates for the installation of air con-

ditioning. Presently the rate is \$3.00 for any type of air conditioning installation, except for window units which are exempt.

The new rates will be: \$2.50 for \$100 to \$400, \$5.00 for \$400.01 to one thousand dollars, seven fifty for installations costing one thousand dollars, one cent to three thousand dollars. Three thousand dollars, one cent to six thousand would cost ten dollars for a permit for construction. Anything over six thousand dollars would require \$1.00 for each one thousand dollars worth of construction thereafter.

This new ordinance is expected to be passed at the council's next meeting.

In other actions, the council granted the Library \$800 as budgeted in the city's expenses, and voted to install a street light on South Glenwood Ave. between West Walnut Street and West Canfield.

Police To Clamp Down On Motorcycles-Autos

The City Council after numerous complaints from citizens, one with a complaint concerning motorcycles or automobiles racing through the city streets without mufflers to notify the Avon Park Police Department immediately after the vehicle is sighted.

Realizing the situation, the councilman wish to take actions immediately.

If possible, give the police the license number of the vehicle and any other information known, which will enable proper actions to be taken immediately by authorities.

Administrator
Walker Memorial Hospital

This column is dedicated to a frank discussion of the hospital, as it relates to the community it serves. Several subjects have been discussed in recent weeks and months, and there seems to be no end to the categories which can be written about.

There may, however, be some particular question which you have, that has not been answered heretofore. If so, I should like to invite you to write me at the hospital, and I shall do my best to answer your question. Questions which have a community interest will be discussed in the column, giving the question, with the name of the individual submitting the question, and then the answer.

I should like to take this opportunity to say "thank you" to the Avon Park Sun, its management and employees for the space which has been provided for this column.

Avon Mobile Home Park News

By Jonathan Wright

Another week has gone by, with not much happening in our park, locally. We summer residents simply sit around and read letters from you northern residents, wondering why anyone would want to spend their summer in such cold, cloudy, and rainy lands as yours. Every day here in Avon Mobile Home Park is warm, only partly cloudy, with pleasant afternoon thunderstorms which cools things off when it gets too hot. Despite this, the inevitable "summer exodus" goes on. Only about 24 residents remain as of this week. Oh, well, this is obviously something we have to learn to live with. Once a snowbird, always a snowbird.

Bob and Lucille Duthie returned to the park last Friday after a European tour of ten countries. They left the last week of May, taking the 747 from Chicago to London. On returning, they took the 747 from Paris to Chicago, known as "Air France". Lucille tells us that the weather in Europe was quite similar to our own summer weather here in the United States. Afterwards, the Duthies visited friends in Elkhart, LaPorte, and Ft. Wayne, Indiana. In LaPorte, they visited the Howells (former residents of the park) and Louis and Lucille Shoemaker.

Bob Gibb's daughter, Mrs. J. Milton Bell of Verona, New Jersey, left the park Wednesday, July 5, after spending ten days with her father. Arthur and Jennie Fouty were

recently visited by Mrs. Alderson and daughter Sandi from Frostproof.

Lauree Longacker traveled to Ocoee the weekend of July 1 to see her son. He is expected to visit her sometime this week. Thelma Skuce is in Walker Memorial Hospital this week for a checkup.

Rosea Bennington plans to leave this Saturday, July 15, to spend some time in Louisville, Ky., with her sister.

How's that for some short news articles? Now for our northern news. Brrr!

Ham and Nita Byer seem to be very busy with their farming. Nita says that they have been getting up early and plowing thirty or forty acres before stopping for lunch at noon. They have finished planting their corn and beans, but have been having trouble with the cold and dry weather around Bourbon. Ham's father suffered a recent heart attack around the last of June and was still in the hospital as of July 4.

Let's remember him in our prayers, that God will heal him soon.

John and Edna Wolf report that there were nearly 200 people at their Golden Wedding Anniversary celebration, with six states represented. Three of their children celebrated their Silver Wedding Anniversaries with them, and one celebrated their 50th.

Bill and Margaret Belcher report that they had a great time at the Stephen's 50th anniversary celebration, visiting many friends from the park, including the Keyes, Shoemakers, Wolcotts, Smiths, Clemens, Helmerges, and Youngs. They also visited the Wolfs a little later. The Belchers are proud to announce the birth of a new granddaughter, Debra Maxine, born to Mickey and Linda Belcher, weighing seven pounds and thirteen ounces.

Lawrence and Ruth Robinson left Avon Park Monday to visit friends and family in the north. They will visit Mr. and Mrs.

Lawrence Hassel and eight grandsons in Cincinnati, Mr. and Mrs. James Kehr and granddaughter, Suzanne in Ashland, Ohio, and Mr. and Mrs. George Sarkan, granddaughters, Dawn, Madega and Mr. and Mrs. Rodney (Gayle) Harris, who have Ruth's first great-granddaughter, Shannon. From there, they hope to visit Mrs. Carol Hawkins, Lawrence's daughter in Ann Arbor, Michigan, and friends in Indiana. They plan to attend the annual Avon Mobile Home Park picnic in Bourbon the second week in August.

Due to a new deadline in getting the news in, of which I wasn't aware until about fifteen minutes ago, I am going to have to leave some of my available news out this week, since I am typing this paragraph about five minutes before that deadline! I hope I make it! Have a nice week, you all, and keep smiling!

Neel-Mimbs

To Wed

Friday

A rehearsal dinner at Holiday Inn tonight (Thursday) brings to a climax preparations for the wedding of Miss Jill Neel and Glenn Mimbs.

Miss Neel, younger daughter of Mrs. Evelyn Carlisle, of Avon Park, is hostess for the dinner which follows a 6 p.m. rehearsal at First Christian Church.

Mr. and Mrs. Nelson Neel, Sr. of Commerce, and Mr. Mimbs will exchange their wedding vows in a ceremony set for 7:30 p.m. Friday, July 14.

No invitations have been sent for the wedding but all friends of the bride couple are invited to the ceremony at First Christian Church.

Woman's Club

Receive Award

The Woman's Club of Avon Park was the proud recipient last week of a Citation of Achievement, under the 1970-1972 Community Improvement Program, which is jointly sponsored by the General Federation of Women's Clubs and Sears, Roebuck and Company.

The citation is awarded to the local club in recognition of their support and operation of the Avon Park Library. It will be framed and hung in the Woman's Club House.

PICTURED ABOVE ARE children who took a GIANT STEP to the local library and found much enjoyment in the summer reading program. Above left to right, J. J. Giant Steps Lead To Library Hour

Children in Avon Park who TAKE A GIANT STEP to the local library on Wednesday mornings may get a little more than they bargain for, in the form of a story hour.

Quite a few children have joined the summer reading program, aptly titled TAKE A GIANT STEP. The program includes puzzles, certificates, buttons, and book marks, along with the excitement of books, books, and more books!

The story hour, for any child from kindergarten thru sixth grade, has thus far utilized something different each week to capture the interest and imagination of the young readers and listeners.

At the first story hour, the children enjoyed stories on tape. The tape player and tapes were purchased for the library by the recently formed FRIENDS OF THE LIBRARY.

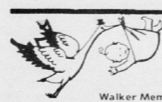

Mrs. Eugene Swearingen and Mrs. J. E. Johnson, in charge of the story hour, also utilized the tape player at the second session, when they had each child record his or her own voice on a blank tape. This was

a new adventure for many of those present.

It appeared the word has spread about the story hour, for at the appointed time, 10 a.m. to 11 a.m., last Wednesday, the number of children in attendance had increased.

Included in the story hour is time for some simple explanations of the workings of

the library, and how to take care of books. Mrs. Swearingen explained to the children the correct procedure making a book report a helpful asset for school. She then made a report on that all-time children's favorite, OLD YELLER. The report is elsewhere in this paper for your enjoyment.

Joyce Mincks Honored July 8 With Shower

On Saturday, July 8, at 7:30 p.m., the Nazarene fellowship hall was the setting for a bridal shower in honor of Joyce Mincks of 1200 North Florida Avenue. She is the bride-elect of Steven Zumalt of Sulphur, La. The gift table was covered with a pink appliqued net cloth, with a centerpiece of a lovely mixed floral arrangement. The refreshment table was centered with a cut glass punch bowl encircled by fern and lavender orchids. On either side of the punch bowl were two beautiful old-fashioned cut-glass hurricane lamps. The guests enjoyed mints and nuts along with their pink cakes and punch. Two games were played, with Maxine Spurlock and Debbie Day as winners. They both gave their prizes to the bride-elect, Miss Mincks left Sunday, July 9, for Sulphur, La., where the wedding will be solemnized on July 16 at 2:30 p.m. in the Nazarene Church in Sulphur.

"How We Grow Them"

by Jim Kiser, inmate

Feast or famine seems to be the trend. Agnes left us near swimming, but only for a few days; now this heat wave. I wonder what happened to our afternoon showers? It is just too hot for those heavy chores and this is a fine time for catching up with nature. If you like to pull your weeds out by the roots (I and I do) then water heavily the day before; but if you use a hoe, then keep dry. Early morning can be a pleasant job for doing this necessary job. Catching the weeds while they are still young and removing them by their roots will give a longer lasting grooming. Some of the new herbicides can save a lot of work. Again, if you are not familiar with a product, then discuss it with your nurseryman. Always read the manufacturers instructions before purchasing and again before using. I am hoping that we are able to try some of the new seed tapes this year. I saw the finished result in a local garden, and I know they will simplify the pleasures of having flowers for most of us. The rains will not wash all of the seed to one end of your bed, not out of the bed entirely. A more finished plan will be the result.

"DUSTY MILLERS": This is a valuable plant for your landscape. There are three cousins to this family, Senecio Cineraria, Centaurea Cineraria, and Centaurea gymnocarpa; all three are called "Dusty Miller". They can be used to pattern, to border, as potted specimens, or in individual clumps while giving sharp color contrast with their silver foliage.

Senecio Cineraria will grow to thirty inches and is inclined to leg over a long period of time. Occasional tip cutting can keep this to the desired height, and the tips can be rooted for more plants. It will grow in the shade, but it looks its best in the full sun. I placed many young plants as a bed border in one of the hottest locations here, and they have been beautiful. I have had no insect damage to any of these which makes them even more desirable.

Centaurea Cineraria grows to about one foot in height, with strap-shaped leaves. It bears flowers of brilliant yellow about an inch in diameter. The

plant is a perennial and will last several years before it needs to be replaced. It helps to trim it back after flowering.

Centaurea gymnocarpa has a more finely divided leaf. Its flowers are purple, and two or three will be borne on the ends of the branches, partly hidden by the leaves.

"Dusty Millers" are probably the best plants to be found in our area for color design.

Flints Return From S.

Dakota Trip

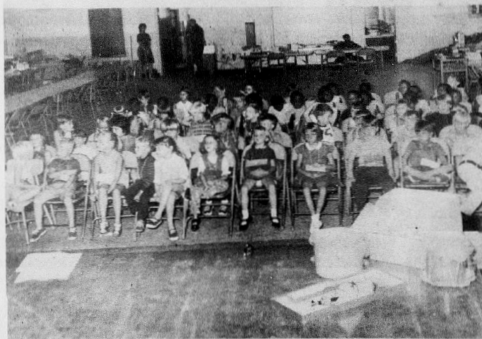

Maj. and Mrs. Eugene Flint returned Sunday from a three week vacation which took them to Doland, S. Dakota where they attended Major Flint's 33th High School Graduation Class Reunion. They also visited friends in Minneapolis, Minn., Mequon, Wis. and attended a family reunion at the home of Mrs. Flint's mother in Curtiss, Wis.

A night was spent with Maj. Flint's sister, Frances at Scott A.F.B. Illinois and while there called on Lt. Col. and Mrs. Mel Harden of Crystal City, Mo., former residents of Avon Park. Several days were spent in Tallahassee with their daughter and husband, Mr. and Mrs. Merrill Pavton and new grandson, Nicholas. Pam Flint of Tallahassee accompanied her parents to Marshfield, Wis. to visit friends and relatives.

Janet Fling of Doland, S. D., a niece of Maj. Flint, made the trip back to Avon Park with the Flints. Janet had just returned from a trip to Ft. Lewis, Washington, near Tacoma and visited Yellowstone National Park also. She will spend several weeks visiting in Avon Park. While enroute home the Flints toured Opryland U.S.A. in Nashville, Tenn. and Underground Atlanta in Georgia.

Jeanne Summerson-David McFarland Wed Saturday

Miss Jeanne Ruth Summerson of McKees Rocks, Pa., and John David McFarland of Clermont were married in a beautiful and impressive ceremony on Saturday, June 24th, 1972, at 3:30 p.m. The wedding took place at the South Lake United Presbyterian Church in Clermont, Fla., with a reception following.

The bride is the daughter of Mrs. Jean Cossin of McKees Rocks, Pa., and the bridegroom is the son of Mr. and Mrs. Paul A. McFarland, Sr., of Avon Park.

The Rev. Russell Carr of Clermont, former pastor and family friend of the bride, officiated at the traditional double-ring ceremony.

The church was beautifully decorated with white Victorian baskets, on pedestals, holding colorful spring arrangements of gladioli, carnations, and daisy pompons in the bride's chosen colors of pink, blue, yellow, and white. A lovely massed arrangement on the altar complemented the setting. Twin brass S-branched candelabra standing tall back of the altar illuminated the scene with graceful Area palms forming a background. Single candles in brass holders on each side of a larger central candle were upon the altar and were used later in the ceremony. White satin Victorian roses and lily-of-the-valley interspersed with boxwood marked the family pews. The church decorations and bridal flowers were designed by Jimmy Mills, friend of the groom, of Jimmy's Flower Shop of Avon Park.

The candles were lit by James Strenth of Avon Park and Jimmy Mills.

The bride was given "for her mother" by a close family friend, Vernon A. Schneider of Clermont. She walked down the aisle to "Trumpet Volante" by Purcell. After their vows were made to each other, the couple knelt on a white satin prayer bench while the groom's brother, Clement McFarland of Deland, sang "The Lord's Prayer". They rose to walk in front of the altar, each picking up a single candle to light simultaneously the large center one, thus signifying a life on ones. The two side candles were then blown out as the couple turned and the minister announced, "And now, I should like you to meet Mr. and Mrs. John David McFarland, to the congregation. The additional music was used for the recessional.

The bride wore a formal gown of pearl de soie, accented with high neckline and long sheer lace sleeves reaching a point at the wrists. The bridal dress was trimmed with alencon lace and seed pearls. Her veil of illusion fell from a Camelot crown of the lace which fell from the top of the crown to form a long train. Her bouquet was an elongated Colonial arrangement of yellow sweetheart roses, white daisy pompons, and white pearl leaves with streamers of white satin ribbon.

Maid of honor was Miss Ingrid Blake of Orlando. Her floor length gown was fashioned of yellow taffeta brocaded in daisies and had long chiffon sleeves. A headpiece of yellow tulle with flower braid to hold it in place completed the attire. Her bouquet was a Colonial nosegay of yellow, pink, and white daisy pompons and German statice, edged in white lace with blue streamers.

Bridesmaid was Miss Deborah Brubaker, cousin of the bride, of Arlington, Va. Her dress was of the same style as the maid of honor, with the color being blue and the taffeta brocaded with baby breath. Her headpiece was of blue tulle with flower braid, and her nosegay was made up of blue, pink, and white daisy pompons and white German statice, edged in white lace with blue streamers.

Ringbearer was Patrick McFarland, nephew of the groom, of Deland, wearing a dark blue suit, carrying the rings upon a white pillow made from the same materials used in the bride's gown.

Mr. McFarland chose for his best man, his brother, Paul A. McFarland, Jr., of Smyrna, Ga. Ushers were James Strenth and Jimmy Mills of Avon Park. Mr. Mills, also served as groomsmen. The men in the wedding party were attired in Strollers.

For her daughter's wedding, Mrs. Cossin chose a street-length dress of spring green brocade silk with beige accessories. She wore a pale pink cymidium orchid.

Mrs. McFarland chose for her son's wedding a street length dress of French blue silk shantung with matching accessories. She wore a pale yellow cymidium orchid.

The reception Following the wedding Mrs. Cossin entertained at a reception in Wright-Barton Fellowship Hall of the South Lake United Presbyterian Church. The tables here were covered with white cloths overlaid with white net, trimmed with pale blue bands underneath, falling floorlength and caught up at intervals with small pastel flowers. The wedding cake was a beautiful three tier decorated with dainty yellow roses accented with small touches of blue and topped with a bride and groom underneath an archdom of tiny flowers. A miniature wedding scene was depicted on the cake table with the small figures of a bridal party shown outside a tiny church. White napkins were printed with "Jeanne and David" and "June 24, 1972". Mrs. Kitty Ford cut and served the cake.

Mrs. Clement McFarland, sister-in-law of the groom, served the punch from another table. Nuts and mints, along

Mr. and Mrs. John David McFarland

young couple upon their departure amid rain and shouted best wishes.

Mrs. Judy Wilson presided over the Bride's Book, and Mrs. Vernon Schneider and Mrs. Ruth Steckman acted as floating hostesses and assisted in various ways.

For her going-away ensemble the bride wore a navy blue and white striped knit with white accessories. Her corsage was of yellow roses and white carnations.

Directors of the wedding were the Carrs and Jimmy Mills. After a honeymoon to Daytona Beach, St. Augustine, and Disney World the young couple are at home at 587 East Minnehaha Avenue, Clermont.

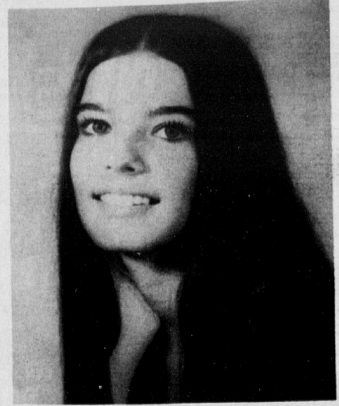

THE REHEARSAL LUNCHEON

After a morning rehearsal on Saturday, June 24, a luncheon was given for the Summerson-McFarland wedding party at 11:30 a.m. at the Crest Restaurant in Clermont. The groom's parents, Mr. and Mrs. Paul A. McFarland, Sr., were hosts.

Drop-In

Among the parties honoring Miss Summerson when she visited Avon Park, prior to her marriage, was a Drop-In on the afternoon of June 15 from 2:30 to 4:30. Mr. McFarland's grandmother, Mrs. W. W. McFarland, was hostess to this event which introduced Miss Summerson to friends and neighbors of the family.

Mrs. W. W. McFarland was assisted at the lovely affair by Mrs. McKee Elwell and Mrs. Jerry O'Hern. About fifty guests called during the afternoon.

Miss Erlene Louise Sylvest

Erlene Sylvest-Robert Cole Announce Their Engagement

Mr. and Mrs. E. W. Sylvest, of Bowling Green, announce the engagement and approaching marriage of their daughter, Erlene Louise, to Robert Cole Ward, son of Mr. and Mrs. Bill Ward of Wauchula, and grandson of Mr. and Mrs. J. V. Ward of Avon Park.

Erlene is a senior at Hardee County High School. She is presently employed at Winn Dixie under the DCT program. Cole, who graduated in 1971,

recently returned from basic training and is now active in the National Guard Reserves. He is presently employed with Bill Ward Land Clearing in Wauchula.

The wedding will be solemnized on Thursday, July 20, at 8 p.m. at the First Baptist Church, Main Street, Bowling Green. All friends and relatives are cordially invited to the wedding and reception, which will immediately follow in the church social hall.

by Jim Kiser.

I don't know what all of you out there are doing for friends these days, but let me tell you about some wonderful friends of ours that paid us a visit. Mrs. Bussard and Mrs. Sherman, members of the Florida Federation of Garden Clubs in Avon Park, came to bring us a much needed check. This represented an assessment of ten cents per member for District IX, and this year amounted to \$270.57.

To all of the members we would like to send our sincere thanks for your generosity. The check arrived, as if in answer to our prayers, just as we had reached 'rock bottom' with our supplies. There are many cultural requirements to be met if we are to achieve our goals.

The many plants that have been given to us by these ladies have done very well, and I am reminded of once being told that this is the sign of a good friend. There is no doubt in our minds, as to the sincerity of these friends. They are alert enough to make comments on how much a plant has grown since their last visit.

The members of the Garden Club are not merely interested in what we do with plants, they are concerned for our lives and our futures. They have not only brought a lot of sunshine into my life today, they are the assurance of a bright tomorrow.

Mr. Joseph J. Lynch received word that his brother-in-law passed away Sunday, July 5, in Tonawanda, N.Y. We extend our deepest sympathy to Mr. Lynch and the family.

your lawns more often, but not too short during the heat. If you have planted chrysanthemums, it is about time to be staking them. They can be broken easily during summer storms. Dust and spray regularly. We seem to have many more insects this year. This is the high price we pay for having had such a pleasant mild winter and I am not sure it was worth all the damage insects have been doing this year.

The best advice I can give during all this heat, is to run to your hammock and relax when your chores are finished.

Board Presents \$4.4 Million Tentative Budget

It looks like county taxes will go up.

Highlands County Commissioners this week presented a tentative budget of \$4,425,378.35, up from last year, and estimated to cost taxpayers 5.44 mills compared to last year's 5.045.

There will be a formal budget hearing at 10 a.m. Aug. 1 in the County Commission room in the Court House before final approval is given.

Last year's millage was the lowest per capita in the state and it is believed this year's

millage will be close to this. The Commission can tax up to 10 mills, and many counties do so.

5 per cent pay raise
One of the bigger items in the budget is an across the board 5 per cent pay raise for county employees. This does not include the employees of elected officials. Among those affected will be road and bridge people, general fund, administrative assistant, purchasing, motor vehicle, planning and zoning, Civil Defense, welfare and veterans service employees.

Among planned expenditures budgeted are for a marl pit, enlargement of the engineering department with more employees, a new motor

vehicle station in Lake Placid with more employees, sub-offices for the building department in Lake Placid and Avon Park with additional employees, a new sanitary landfill department, and a paint machine and road striping equipment.

Under the new Article V, county judges' salaries are paid by the state, but no provision was made for their employees. Which means the county will have to pay salaries of these people, most of whom will be transferred to the office of the Circuit Court Clerk.

Sheriff's budget
The Sheriff's budget is up by about \$80,000. Part of this is the

addition of another ambulance and staff, plus additional costs of running the jail and the county salary increase. The jail has been running at an average of 54 prisoners per day, up from last year.

The county overall millage last year was 14.715 and it is expected to go up this year when school, hospital board and flood control district millages are in and added. The schools alone plan a 1.8 mill increase.

General fund
The complete tentative budget of the Commission is printed elsewhere in this week's Sebring News.

In the General Fund, receipts expected include \$105,000 from

building and zoning, \$20,000 from home licenses, \$13,000 occupational licenses, tax collector's excess fees, \$15,000; tax assessor's excess fees, \$8,000; County Judge's excess fees, \$22,000; Supervisor of Elections excess fees, \$3,000; Clerk of Circuit Court excess fees, \$35,000; auto inspection fees, \$51,000.

Fines and forfeitures
Total budget for the Sheriff's office is \$600,000, and a good chunk of this is for the ambulance service begun last January. Salaries will run \$319,608 plus \$40,035 of matching contributions.

Racing monies
A total of \$223,250 is expected from the state in racing monies.

bridge are up from 1 mill to 1.250 mills. Income from the seventh cent gasoline tax goes from \$200,000 to \$305,000.

Engineering department expense was estimated at \$51,192.40, safety marking devices at \$18,000. The total budget for this department is \$941,000.

Capital outlays
Capital outlay expenditures planned include \$40,000 for purchase of an administrative building in Avon Park; \$150,000 for an addition to the County Jail; \$18,250 for a motor vehicle inspection building; \$20,000 for renovation of the courthouse; \$2,000 for a paved parking lot; \$56,000 for road and bridge department building; bridge on Skipper road, \$75,000; \$100,000 for paving and equipment at sanitary landfill; \$100,000 for purchase of landfill land and \$30,000 for construction of a seawall for beach erosion in Lake Jackson, keeping open the channel between the two Jackson lakes.

Incumbent, and J. C. Murdock, a former chief deputy, have been qualified for Sheriff. Both are Democrats.

Qualified, but as yet having no opposition, are incumbents Earl Rich, Clerk of Circuit Court; W. H. Prescott, tax collector; Billy Martin, tax assessor; George Douglas, superintendent of schools; and James Whitehouse, supervisor of elections. All are Democrats.

Art Turner, Chamber President, announced that the Avon Park Chamber of Commerce membership list now numbers one hundred and twenty. The membership for the year of 1972 totaled fifty. The Chamber Membership Plaque is proudly on display in many new places of business.

According to Mrs. Anna Belle Worden, Executive Manager of the local chamber, the membership plaque should establish prestige, emphasize leadership, strengthen group unity, inspire public confidence, maintain ethical standards, promote community identity and develop pride in membership of the chamber.

PLACING THE FINISHING TOUCHES
Crew members from the Department of Transportation are placing the finishing touches on a drive-in where the city will place litter barrels for travelers. At the request of the city council, the D.O.T. has completed two

such sites on the east side of U.S. 27 and will begin two more on the west side later this week at the north and south entrances to the city. The city will supply the barrels and clean up the area twice a week. (Photo by Mel Williams)

Democratic Chairman Reports On Convention

After three nights of meeting almost all night every night, the big Democratic convention in Miami wound up about 3 a.m. Friday.

And still there at the end of this long final night were some of the local people who attended - Mr. and Mrs. W. J. Lockett, Mrs. Mary McGee, and Mrs. Milton Hinein. Mrs. Lockett is county Democratic chairman and Mrs. McGee state committeewoman.

"That last night was worth the whole thing," declared Mrs. McGee, recalling the excitement when the nominees appeared and Sen. Ted Kennedy's speech.

There Thursday night only were the Bob Rices. Rice is a Democratic committeeman in Highlands county. Mrs. Rice a former Democratic committeewoman in Dade county. Hinein, a Republican, was there to get interviews for his radio stations in Missouri - and he was particularly delighted with the choice of Sen. Tom Eagleton of Missouri for the vice president's nomination.

This was the first

national political convention in which so many delegates were so young and so many were women. And the style of dress included chiffon evening dresses, pant suits, mod outfits, sports clothes, mini skirts and daytime dresses, with some few even wearing hats!

BRIG. GENERAL E. L. PATTON, cousin of the famous late General Patton, was a visitor in Avon Park Thursday, calling on Anna Belle Worden, Executive Manager of the Avon Park Chamber of Commerce. Mrs. Worden met the Pattons over a year ago at Lees Inn in Highlands, N.C., and they have been frequent guests in her home. Gen. Patton and his attractive wife, Mary Lee, were formerly from Virginia, but now are residents of Jacksonville, Fla. He is now associated with Veliscol Chemical Corp. as their agent for the State of Florida. Quotes General Patton: "Avon Park is a beautiful little city and I should like to live here."
